

Lease Line Upgradation

2 Mbps Lease Line: Currently, connectivity at BSE has been migrated to 2 Mbps without any additional cost.

Charges for the same are as follows:

a) Local Leased line

Local Leased line category	Annual Recurring Charges
2Mbps direct Leased line annual support cost for circuits falling within 5Kms from BSE *	40,000
2Mbps direct Leased line annual support cost for circuits at rest of Mumbai *	48,000

*Additional Rs.4,000 one time installation charges applicable in case of new circuit.

Service Providers for the same are: MTNL, Tata, Reliance and Airtel.

b) Annual support charges for Multiple Protocol Linked Services (MPLS), excluding applicable taxes

Media Type	One-time Installation Charges	Annual Recurring Charges
Wireless MPLS 2Mbps	10,000	1,85,000*
Wired MPLS 2Mbps	10,000	1,85,000*

(* Cheapest lease line provided across Exchanges)

Service Providers for MPLS are: Tulip Telecom, Tata, Reliance and Airtel.

Application form is available at the following link and can be submitted to IT Networks Dept, BSE.
