PRESS RELEASE

BHEL and Indian Railways tie-up for Rooftop SPV Systems

BHEL has bagged one more major order of 2 MWp Roof Top SPV Systems to be installed at Diesel loco Modernisation Works (DMW), Patiala and the contract agreement was signed between BHEL & IROAF (Indian Railways Organisation for Alternate Fuels) in the presence of Mr. Amitabh Mathur, Director (IS &P), BHEL and Mr Ravinder Gupta CAO (IROAF).

The 2 MW SPV RTS is to be installed within 9 months. The contract envisages Design, supply, installation, testing & commissioning of grid connected roof top solar photo voltaic power plant with all the electrical and associated equipment including civil works and also includes 5 years' operation & maintenance. It has enhanced BHEL's Roof Top SPV project portfolio to 10 MWp
