Auditors' Report on Quarterly Financial Results of Shree Ram Urban Infrastructure Limited, pursuant to the Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015

The Board of Directors
Shree Ram Urban Infrastructure Limited,

We have reviewed the accompanying Statement of Standalone Unaudited Financial Results of Shree Ram Urban Infrastructure Limited ("the Company") for the Quarter ended 30th June 2017 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. This Statement which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Accounting Standard for Interim Financial Reporting (AS 25/Ind AS 34), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of the Company's personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.

Please refer the following Note:

Note 5 to the Standalone Financial Results, regarding non provision of interest during the Quarter Ended June 2017 under subvention scheme amounting to Rs.20,04,48,448, as the Company is in negotiation with the fund provider for waiver/reduction of interest and does not anticipate subvention interest liability. Had the subvention interest been provided, the Loss for the current period would have been higher by Rs.7,96,01,666

Subject to the above Note, based on our review conducted as above and read together with the Notes on Accounts forming part of the Financial Statements of the Company for the year ended 31st March 2017, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in all material aspects, with the applicable Accounting Standards prescribed under Section 133 of the Companies Act 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and other recognized accounting principles and practices generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, including the manner in which it is to be disclosed, or that it contains any material misstatement.
