Future Outllook

Your Company was incorporated with the object of carrying on the business of chemicals and allied products. In the last Annual Report, we had explained that the intense competition, high input costs, sluggish market conditions in chemical industry and general recession in Indian economy has left very little scope in chemical business and that your Company will be diversifying into media business.

Accordingly, a Special Resolution was passed at the last Annual General Meeting of the Company held on 22nd September, 2001 for altering the Clause III of the Memorandum of Association of the Company by deleting existing clause 1 (in respect of chemical business) and substituting in its place new clauses 1 to 5 (in respect of media business). Another Special Resolution changing the name of the Company from 'Revati Organics Limited' to Cinevision India Limited' was also passed in the same meeting.

The Registrar of Companies, Maharashtra approved the alteration of the object clause vide his "Certificate of Registration of Special Resolution passed for Alteration of Objects" dated 13th November, 2001. However, the Registrar is yet to approve the change of name of the Company. The matter is being followed up with the Registrar. We will commence the media activity once the Registrar approves the change of name.
