Management Discussion and Analysis

Suraj Vanaspati Ltd. is engaged in manufacture and Sale of Vanaspati, Refined Oils and Bakery Shortening. It manufactures these products under its brands 'Apna' and Mr. 'Baker' and the sale are mainly in the State of Uttar Pradesh.

OPPORTUNITIES

With the growing health consciousness amongst the masses, the preference for refined oil as a cooking medium is increasing day by day. But vanaspati has its own loyal consumers and in certain type of cooking it can not be replaced by refined oil. But as the per capita consumption of edible oil increases in India, the major chunk of this increase shall go to refined oils. Therefore, the company sees an opportunity in the refined oil segment and in the coming years shall increase its focus on refined oil segment. The company's bakery shortening is well accepted in the market and company plans to further strengthen its presence in this specialized market.

FUTURE OUTLOOK

With the increased oilseeds production in the country, the prospects of the domestic oil refining industry shall definitely improve. Then, there is growing demand for vanaspati and bakery shortening by biscuit manufactures and bakers which the company hopes to tap to its potential.

THREATS

As a result of which the company incurred losses during the year.
