OPERATIONS (PERFORMANCE)

70°- 43- N. K.--- 1--

The Company is in the Second year of our Credit Referenceing Business. In the Financial Year 2006-2007, OTCO's operations were concentrated on setting up its network of Member Banks for its Credit Referencing Business (MICRON). As on March 31, 2007 MICRON had enrolled 27 Co-operative banks as its members and installed its referencing system in 12 banks in Bangalore and Tumkur. As on date MICRON has enrolled 104 Co-operative Banks. We are confident that we will have 300 Member Banks by the end of the next financial year.

OTCO's growing network of member banks gives us a critical advantage over competition in the Micro-Finance sector for credit referencing. OTCO has also developed a prototype Credit Score for Micro-Finance clients, and shall also offer a variety of other synergistic services to its member banks over the following Financial Year.

OTCO has applied for a Certificate of Registration as Credit Information Company from the Reserve Bank of India. Our application is under process at the RBI and the company eagerly awaits its Registration with the Reserve bank of India as a Credit Information Company under the Credit Information Companies (Regulation) Act 2005. The required Capital Structure for a Credit Information Company is specified in the Act and in the Rules and Regulations framed thereunder. The Authorised Capital of a Credit Information Company has been determined to be not less than Rs. 30 Crores, with a minimum paid up Capital of Rs. 15 Crores. The Company will increase its Authorised Capital from the present Rs. 3 Crores to Rs. 30 Crores once it receives the "In-Principle Approval" from the Reserve Bank. We are confident that we have the support of the share holders in increasing the Authorised Capital and also in the Capitalisation Process thereon to bring in the addition Capital in order to fulfill the Statutory Requirements specified in the Credit Information Companies (Regulation) Act.
