The compliance of conditions of Corporate Governance is the responsibility of the Company's management. Our examination was limited to the procedures and implementation thereof, adopted by the Company during the year for ensuring compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our knowledge and according to the information and explanations given to us, we certify that the Company is in compliance with the conditions of Corporate Governance as stipulated in the above mentioned Listing Agreements.

We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

**ANNEXURE B TO THE DIRECTORS' REPORT****Management Discussion and Analysis****Industry Structure and Development**

The global economic scenario is quite worrisome. There has been a rapid and marked downturn in the global economic outlook. The continued bad news from large international financial institutions on a regular basis renews the economic concerns. India has rapidly integrated into the global system and has linkages with the rest of the world not just through trade channels, but also through two-way movements of capital and finance. As an integral part of a globalizing world, India cannot be expected to remain isolated from global crisis and has to share the uncertainty on the way forward.

The overall industrial production scenario in the country is very challenging. The cumulative growth in index of industrial production for the period April – December 2008-09 stood around 3.2% over the corresponding period of 2007-08. The cumulative growth during April-December 2008-09 over the corresponding period of previous year for the manufacturing sector stood around 3.3%.

**Fire Protection Systems - Industry Scenario**

The growth in government spending over infrastructure and power projects is expected to reflect in demand growth for fire protection systems. Fire Protection Systems are need of every industry and project hence the industry should remain busy even in the weak economic and industrial scenario, but the margins would be under pressure.

**Opportunities and threats**

The opportunities for fire fighting and protection systems are growing. The thrust areas include power plants, petrochemicals and refineries and other process industries. Over the decades the Company has developed the know-how required for highly efficient and reliable fire protection systems. The Company is facing the competition from few major players from international as well as domestic market.

**Financial Performance**

During the year under review, the Company has recorded a gross turnover of INR 4.5 Million (previous year INR 3.3 Million). The Profit before Interest, Depreciation and Tax for

the year under review amounted to INR 4.2 Million (previous year INR 2.1 Million) and the Net Profit after Tax amounted to INR 3.5 Million (previous year INR 0.5 Million).

**Outlook**

The Company is implementing the Scheme of Arrangement with its unsecured creditors as approved by the Hon'ble High Court, Bombay vide its Order dated April 30, 2007. The Company is in the process of consolidating its financial position and sorting out the liquidity crisis. The outlook for the year ahead is very challenging in the background of economic and industrial slowdown.

**Risks and concerns**

The downturn in business activities of the Company in last few years have resulted in the severe liquidity crisis and poor financial position. The Company has accumulated loss of around INR 77.4 Million:

Slowdown in Indian economy, global economic crisis, poor financial position, infrastructure constraints like inadequacy of roads, power, etc. are the major concerns of the Company.

**Internal Control System & its adequacy**

The Company has in place adequate system of internal control procedures covering all financial and operating functions. Internal control and its effectiveness is reviewed through the process of internal audit. The Audit Committee of the Directors also monitors the adequacy of the internal control systems through regular review of findings of internal audit and implementation of the recommendations thereof.

**Human Resources**

There is nothing significant to be mentioned under this head as there are no employees under direct employment of the Company.

**Cautionary Statement**

Statement in this Management Discussion and Analysis describing the Company's objectives, projections, estimates and expectations may be a forward looking statement within the meaning of applicable laws and regulations. Actual results might differ materially from those either expressed or implied.

**Auditors' Report**

To the Members of  
Mather and Platt Fire Systems Limited

We have audited the attached Balance sheet of Mather and Platt Fire Systems Limited ('the Company') as at 31 December 2008 and also the Profit and loss account and the Cash flow statement of the Company for the year ended on that date, annexed thereto. These financial statements are the responsibility of the Company's Management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by Management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

1. As required by the Companies (Auditor's Report) Order, 2003 ('the Order'), issued by the Central Government of India in terms of sub-section (4A) of Section 227 of the Companies Act, 1956 ('the Act'), we enclose in the Annexure, a statement on the matters specified in paragraphs 4 and 5 of the said Order.
2. Further to our comments in the Annexure referred in paragraph 1 above, we report that:
  - (a) we have obtained all the information and explanations, which to the best of our knowledge and belief, were necessary for the purposes of our audit;
  - (b) in our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
  - (c) the Balance sheet, Profit and loss account and Cash flow statement dealt with by this report are in agreement with the books of account;

- (d) in our opinion, the Balance sheet, Profit and loss account and Cash flow statement dealt with by this report comply with the Accounting Standards referred to in sub-section (3C) of Section 211 of the Act, to the extent applicable;
- (e) on the basis of written representations received from such directors as at 31 December 2008, and taken on record by the Board of Directors, we report that none of the remaining Directors are disqualified as at 31 December 2008 from being appointed as a director under clause (g) of sub-section (1) of Section 274 of the Act; and
- (f) in our opinion and to the best of our information and according to the explanations given to us, the said financial statements give the information required by the Act, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:
  - (i) in the case of the Balance sheet, of the state of affairs of the Company as at 31 December 2008;
  - (ii) in the case of the Profit and loss account, of the profit for the year ended on that date; and
  - (iii) in the case of the Cash flow statement, of the cash flows for the year ended on that date.

## Annexure to the Auditors' Report

[Referred to in paragraph 1 of the Auditors' Report to the Members of Mather and Platt Fire Systems Limited ('the Company') on the financial statements for the year ended 31 December 2008]

We report as follows:

1. (a) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.  
(b) The Company has a regular programme of physical verification of its fixed assets by which all fixed assets are verified annually. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.  
(c) No fixed assets have been disposed off during the year.
2. (a) The inventory which comprises of stocks lying with third parties has been physically verified by the management and written confirmations have been obtained. There is no inventory in the possession of the Company.  
(b) In our opinion and according to the information and explanations given to us, the procedures for the physical verification of inventories followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business.  
(c) The Company is maintaining proper records of inventory. The discrepancies noticed on verification between the physical stocks and the book records have been properly dealt with in the books of accounts.
3. The Company has neither granted nor taken any loans, secured or unsecured, to or from companies, firms or other parties covered in the register maintained under Section 301 of the Act.
4. In our opinion and according to the information and explanations given to us, there are adequate internal control systems commensurate with the size of the Company and the nature of its business with regard to the purchase of inventories and fixed assets and with regard to the sale of goods and services. We have not observed any major weakness in the internal control system during the course of the audit.
5. In our opinion, and according to the information and explanations given to us, there are no contracts and arrangements the particulars of which need to be entered into the register maintained under section 301 of the Act. Accordingly, paragraph 5(b) of the Order is not applicable.
6. The Company has not accepted any deposits from the public.
7. *The Company has an internal audit system. However the same needs to be strengthened further in order to commensurate with the size and nature of its business.*
8. In our opinion and according to information and explanation given to us, the Central Government has not prescribed the maintenance of cost records under section 209(1)(d) of the Act, for any of the products manufactured by the Company.

## Schedules to the financial statements

for the year ended 31 December 2008

(Currency - Indian Rupees)

### 1.1 Background

Mather and Platt Fire Systems Limited (**the Company**) was formed as a result of a demerger of Mather and Platt (India) Limited approved by the Hon'ble High Court, Bombay vide order dated 18 April, 2001. Consequently the business of fire systems was transferred to the Company.

The Company is a subsidiary of WILO SE (**the Holding company**) formerly known as WILO AG), a company headquartered in Dortmund, Germany.

The Company is primarily engaged in the business of design, development, manufacturing and installation of fire systems.

The accumulated losses of the Company have exceeded its net worth as at 31 December 2008. However, Management believes that the Company will be able to continue operations on a going concern basis and meet all its liabilities as they fall due for payment in the foreseeable future on the basis of the financial, operational and technical support from the Holding company, WILO SE, Germany. The holding company has agreed to provide necessary financial support to meet the liabilities of the Company till 31 December 2009. In this regard, the Company has received a letter dated 25 October 2008 from the Parent Company confirming that they will provide the necessary financial support for a period of at least 15 months from the date of the letter (i.e. till 24 January 2010).

Accordingly, these financial statements do not include any adjustments relating to the recoverability and classification of the carrying amount of assets or the amount and classification of liabilities that might result should the Company be unable to continue as a going concern.

### 2. Significant accounting policies

#### 2.1 Basis of preparation of financial statements

The financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting and comply with the Accounting Standards prescribed in the Companies (Accounting Standards) Rules, 2006 and the relevant provisions of the Companies Act, 1956 ('the Act'), to the extent applicable.

#### 2.2 Use of estimates

The preparation of financial statements in accordance with generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and the disclosure of contingent liabilities on the date of the financial statements. Actual results may differ from those estimates. Any difference between the actual results and estimates are recognised in the period in which the results are known/ materialize. Any revision to accounting estimates is recognised prospectively in the current and future periods.

#### 2.3 Fixed assets and depreciation

Fixed assets are stated at cost of acquisition less accumulated depreciation. Cost includes inward freight, duties, taxes and other incidental expenses related to the acquisition, construction and installation of the fixed assets.

Depreciation on fixed assets is provided on the Straight Line Method ("SLM") pro-rata to the period of use. Depreciation is provided based on the useful life of the assets as estimated by the management, or at the rates prescribed under schedule XIV of the Act, whichever is higher.

Category / Group of Asset	Rates (%)
<b>Plant and Machinery</b>	
Computers	33.33
Production machinery	10.34
Patterns	11.31
<b>Furniture and Fittings</b>	
Furniture and fixtures	6.33
Hard furnishing	6.33

Assets individually costing Rs 5,000 or less are depreciated fully in the year of purchase.

Advances paid towards acquisition of fixed assets and the cost of assets not ready to be put to use at the year end are disclosed under capital work in progress.

## Schedules to the financial statements (continued)

for the year ended 31 December 2008

(Currency - Indian Rupees)

### 2.4 Impairment of assets

In accordance with Accounting Standard 28 – Impairment of Assets (AS 28), the carrying amounts of the Company's assets are reviewed at each Balance sheet date to determine whether there is any indication of impairment. If any such indications exist, the assets' recoverable amount is estimated, as the higher of the net selling price and the value in use. An impairment loss is recognised whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount. If at the Balance sheet date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount, subject to a maximum of depreciable historical cost.

### 2.5 Investments

Long-term investments are stated at cost less any other-than-temporary diminution in value, determined separately for each individual investment.

### 2.6 Inventories

Inventories are stated at the lower of cost and net realisable value. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and other costs necessary to make the sale. Cost is determined on the basis of weighted average method and includes expenditure in acquiring the inventories and bringing them to the present location and condition. In the case of semi finished goods inventories, cost includes cost of direct materials and labour and an appropriate share of overheads. The comparison of cost and net realisable value is made on an item-by-item basis.

Raw materials and other supplies held for use in production of inventories are not written down below cost except in cases where material prices have declined, and it is estimated that the cost of finished products will exceed their net realisable value.

### 2.7 Revenue Recognition

#### a) Product sales

Revenue from sale of goods and services are recognised when all significant risks and rewards of ownership of goods are passed onto the customers. Sales are recorded net of sales tax / value added tax, discounts and rebates.

#### b) Interest income

Interest income is recognised on a time proportionate basis taking into account the amount invested and the rate applicable.

#### c) Other

Other items of income are accounted as and when the right to receive arises.

### 2.8 Operating leases

Lease payments under operating leases are recognised as an expense in the Profit and loss account on a straight-line basis over the period of the lease.

### 2.9 Foreign exchange transactions

Transactions in foreign currencies are recorded at the exchange rate prevailing at the date of the transaction. Exchange differences arising on foreign currency transactions settled during the year are recognised in the Profit and loss account of the year.

Monetary assets and liabilities denominated in foreign currency at the Balance sheet date are translated at the year end exchange rate and the resultant exchange differences are recognized in the Profit and loss account.

### 2.10 Taxation

Income-tax comprises current tax and fringe benefit tax (i.e. amount of tax for the year determined in accordance with the income-tax law) and deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the year).

The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantively enacted by the Balance sheet date. Deferred tax assets are

recognised only to the extent there is reasonable certainty that the asset can be realised in future; however, where there is unabsorbed depreciation and carried forward losses under taxation laws, deferred tax assets are recognised only if there is a virtual certainty of realisation of the assets. Deferred tax assets are reviewed at each Balance sheet date and written down or written-up to reflect the amount that is reasonable/ virtually certain (as the case may be) to be realised.

In accordance with the guidance note issued by Institute of Chartered Accountants of India, the Company recognizes Minimum Alternate Tax credit as an asset only to the extent the probability exists that the Company will be liable to pay normal income tax during the specified period as per provisions of the Income Tax Act, 1961.

**2.11 Earnings per share ('EPS')**

The basic EPS is computed by dividing the net profit attributable to the equity shareholders for the year by the weighted average number of equity shares outstanding during the year.

Diluted EPS is computed by dividing the net profit attributable to the equity shareholders for the year by the weighted average number of equity and equivalent dilutive equity shares outstanding during the year, except where the results would be anti-dilutive.

**2.12 Provisions and Contingencies**

A provision is recognised in the Balance sheet when the Company has a present obligation as a result of a past event and it is probable that an outflow of economic resources will be required to settle the obligation, in respect of which a reliable estimate of the amount of the obligation can be made. These are reviewed at each Balance sheet date and adjusted to reflect the current best estimates.

A disclosure by way of a contingent liability is made when there is a possible obligation or present obligations that may, but probably will not, require an outflow of economic resources. Where there is a possible obligation in respect of which the likelihood of outflow of economic resources is remote, no provision or disclosure is made.
