MANAGEMENT DISCUSSIONS AND ANALYSIS REPORT

The management discussion and analysis presents the industry Overview, opportunities and Threats, Initiatives by the Company and overall strategy of Riba Textiles Limited becoming a market driven producer/exporter of various innovative models and ranges of Textiles products. The company is very optimistic of capturing a substantial share of Export market in the midst of the threats faced due to the liberalization and increased competition from well established companies from abroad.

1. Industry Structure and Development:

Terry towel industry is the only industry which limited effected in recessionary time. The Indian terry towel industry is one of largest in the world, contributing significantly to the growth of the national economy in terms of production, revenue, exports and employment. India has become the larger player in this segment i.e. specially in Terry Towel Markets. Moreover, the global elimination of quotas at the end of 2004 has greatly enhanced the opportunities for sourcing from India. Therefore, the orders position of the company has improved. Normally, Growth Rate is 1 to 2 percent in this segment across the world. But, India has the maximum Growth in this segment. The Textiles Industry in India provides direct employment to about 38 million people and indirect employment to about 55 millions. It is also the highest net foreign earner and accounts for nearly 30% of the country's exports.

Your company is the exporter of terry towels. To reduce any specific country risk your company operates across the globe. Since your company has a lot of seasonal products such as Beach Towel, Bath Robes etc. your company operates half of the year in U.S, Europe etc. Then shift to the opposite season market such as Australia, South Africa, Latin America etc. for balance six months. These steps also help your company to reduce any particular country risk. Your company mostly works with large chain store and 100% of our payment are on L/C based or Documents on site basis. Your company also produces for Domestic Market under own well brand name senses and hope this will be growth gradually. Your company is more flexible company in design capabilities.

2. Opportunities and threats Opportunities

- i) With the closure of many textiles mills in USA and Europe due to strict pollution control regulations, the demand is likely to increase substantially.
- ii) With the lifting of quota regime w.e.f. 1st Jan 2005 as per WTO agreement the exports of the company have increased. The expansion project has successfully been implemented and further expansion has started.
- iii) The company is having more than 75 overseas customers at present.

Threats

- i) With the lifting of quota, the competition has increased from China and other towel exporting countries.

3. Initiatives taken by the Company

The company has successfully executed its expansion plan to enhance its capacity by 850 MTS annual, the commercial production of which has commenced in May 2005 and expansion to enhance its capacity from 1850 MTS PA to 3230 MTS PA has completed in December 2006. Further enhance its capacity from 3230 MTS PA to 3500 MTS PA is under process which will be completed very soon. It would help to achieve the economies of scale resulting into higher productivity and reduced cost of production. A major cost reduction has been achieved with the installation of Pat coke/ rice husk fired boiler and lying of main electricity line from the direct feeder.

4. Financial Performance

During the year under review your company had achieved a turn over of Rs 52.53 crores against the last year turnover of Rs 52.49 crores. Your Company has earned a net profit of Rs. 23.10 Lacs as against a profit of Rs 427.42 Lacs during the last year due to high depreciation in Rupee value & recession period. In view of further expansion of the unit, improving financial results and positive outlook for the near future, your directors are hopeful that in current year better financial results would follow.

5. Outlook

Your Company's performance during the year was very satisfactory in spite of recession period, with business continuing its strong performance. Our ability to address buyer needs with high level of efficiency has helped us in good stead in 2006-07. The continuous growth in demand of terry towels is expected to give impressive growth to your company. The company has received sufficient export orders to utilize its enhanced capacity. Barring unforeseen circumstances, the company expects to improve its growth rate as well as profitability.

6. Risks and concerns

With the dismantling of quota regime, China is also entering in the terry towels segment, which would increase the competition in the International market. However your company is exporting high value dyed yarn jacquard terry towels which are not likely to be effected in the near future.

7. Internal Control Systems and their adequacy

The company has a proper and adequate system of internal controls commensurate with its size to ensure that all assets are safeguarded and protected against loss from unauthorized use or disposition and the transactions are authorized, recorded and reported correctly.

There is an Internal Audit Committee with clearly laid down powers and responsibilities that are entrusted to them to ensure that the Internal Audit Department works independently. This department maintains various manuals which contain various controls and checklists that are to be carried out before execution of any activity.

Internal checks are exercised so that the various procedures are laid at the time of delegation of authorities and other procedures are strictly followed. The delegation clearly indicates the

powers along with the monetary limits, wherever necessary, that can be exercised by various levels of the Managers in the Company.

Similarly, the Company has well defined manuals for all the functional areas, viz., Production, Sales, Administration, Personnel, etc. These manuals contain elaborate procedures and checklist for the related activities. Necessary controls and checks are exercised by strictly adhering to the various procedures and checklist prescribed in the Manuals. Also these are updated from time to time on ongoing basis, keeping in view the latest developments in different areas. Proper controls and checks are exercised by the company by following the procedures prescribed in the various manuals.

8. Material Developments in Human Resources/ industrial relations front, including number of people employed

The company believes that employees are the real strength of organization. Employee involvement continued to receive the focus it deserves. The Company has identified Human Resources Development as a major strategic initiative since it believes that people's contribution will be the main engine for growth. Current efforts include building skills, attracting and retaining talent and nurturing and developing leadership potential.

Industrial relations during the year remained cordial and initiative were taken to enhance productivity of employees. The company is gearing itself to take on the challenges in the business environment and march towards achieving its mission with success. At present company is employing man power of around 470 peoples including technical, non technical, managerial and non- managerial, casual and contract labour.

9. Cautionary Statement

The Management Discussion and Analysis statement of the Annual Report has been included in adherence of the spirit enunciated in the code of Corporate Governance approved by the Securities and Exchange Board of India.
