MANAGEMENT DISCUSSIONS AND ANALYSIS REPORT (EBL)

INDUSTRY STRUCTURE AND DEVELOPMENT

The financial crisis precipitated in September, 2008 brought the world to a standstill and pushed most of the developed economies in to recession. The financial year 2009-10 began on a positive note with the economies world over showing signs of recovery from the serious recessionary effects. The Indian economy stabilized in the first quarter of the financial year 2009-10 itself, when it clocked a GDP growth of 6.1% as against 5.8% in the fourth quarter of the preceding year. It registered a strong rebound in the second quarter, when the growth rate rose to 7.9%.

In the year 2008-09 financial crisis had impact on the Indian Real Estate Sector affecting projects worldwide due to fall in global commodity prices. Leaving the worst financial crisis behind, the Real Estate Sector remained optimistic regarding the potential demand for the pipe sector.

With the global economy returning to sustained growth, the Real Estate Sector is expected to accelerate. This recovery is encouraging for it has come about despite a slackened economic growth.

OUTLOOK

With the improvement in economic scenario, better liquidity environment, recent pickup in growth rate in Real Estate Sector, the business is expected to grow. With potential for growth, coupled with various management strategies, management is optimistic about the growth of the Company in the coming years.

RISKS AND CONCERNS

The nature of Company's business is such that various risks have to be confronted which not only exist in the said business but even grow at a respectable pace. However, these risks are no different than the ones faced by the Real Estate Sector as a whole. A comprehensive and integrated risk management framework forms the basis of all the efforts of the Company. Formal reporting and control mechanisms ensure timely information availability and facilitate proactive risk management. These mechanisms are designed to cascade down to the level of the line managers so that risks at the transactional level are identified and steps are taken towards mitigation in a decentralized fashion.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The company has an audit process comprising both internal and external audits to ensure adequacy and effectiveness of controls. The internal controls are formulated and implemented by the management with an objective to achieve efficiency in operations, optimum utilization of resources and effective monitoring and compliance with applicable laws. The experienced and independent Audit Committee of the Board of Directors regularly reviews plans, significant audit findings, compliance with accounting standards and other legal requirements relating to financial statements.

FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

The financial statements have been prepared in accordance with the requirements of the Companies Act, 1956 and the applicable accounting standards issued by the ICAI. The management of East Buildtech Limited accepts the integrity and objectivity of these financial statements as well as the various estimates and judgments used therein.

CAUTIONARY STATEMENT

Certain Statements made in this report relating to Company's objectives, outlook, future plans etc. may constitute "forward looking statement" within the meaning of applicable laws and regulations. Actual performance may differ from such estimates, whether express or implied. Important factors that could make a difference to the Company's operations; include Government Regulations, Tax regimes, Economic developments and other allied factors.

CERTIFICATE ON CORPORATE GOVERNANCE

The Members of EAST BUILDTECH LIMITED

We have examined the compliance of conditions of Corporate Governance by **East Buildtech Limited** for the year ended on 31st March, 2013, as stipulated in Clause 49 of the Listing Agreement of the said Company with the Stock Exchanges.

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination was limited to the procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in Clause 49 of the Listing Agreement.

We state that no investor grievance is pending for a period exceeding one month with the Company.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

AUDITORS' REPORT

The Members of East Buildtech Ltd. (Formerly Chokhani Business Ltd.)

Report on the financial statements

We have audited the accompanying financial statements of East Buildtech Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2013, and the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the company in accordance with the accounting principles generally accepted in India, including accounting standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management. as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Balance Sheet, of the state of affairs of the company as at March 31, 2013:
- (b) in the case of the Statement of Profit and Loss, of the Profit for the year ended on that date; and
- (c) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Report on other legal and regulatory requirements

- As required by the Companies (Auditor's Report) Order, 2003 ("the Order") issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Act, we give in the Annexure 'A' a statement on the matters specified in paragraphs 4 and 5 of the Order.
- As required by section 227(3) of the Act, we report that:
- We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
- c. The Balance Sheet, Statement of Profit and Loss, and Cash Flow statement dealt with by this report are in agreement with the books of account:
- d. In our opinion, the Balance Sheet, Statement of Profit and Loss, and Cash Flow statement dealt with by this report comply with the Accounting Standards referred to in the Companies (Accounting Standards) Rules 2006 issued by the Central Government in exercise of the power conferred under subsection (I) (a) of section 642 of the Companies Act 1956, to the extent applicable.
- e. On the basis of written representations received from the directors as on March 31, 2013, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2013, from being appointed as a director in terms of clause (g) of subsection (1) of section 274 of the Companies Act, 1956.

Note: 1 Significant accounting policies

1. Basis of preparation of accounts

The Financial Statements of the Company have been prepared in accordance with generally accepted accounting principles in India, mandatory accounting standards notified under the Companies (Accounting Standards) Rules. 2006, (as amended) and the relevant provisions of the Companies Act. 1956. The Financial Statements have been prepared under the historical cost convention on an accrual basis, except in case of assets for which provision for impairment is made and revaluation is carried out. The accounting policies applied by the Company are consistent with those used in the previous year.

All the assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Revised Schedule VI to the Companies Act. 1956. Based on the nature of services/contracts and time between the acquisition of assets for processing and their realisation in cash or cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.

2) Revenue Recognition

a) As per the accounting policy so far adopted by the Company, the Profit or Loss from the booking/sale of the Commercial space in Chokhani Square will be taken when actual possession is given to the parties since this is the timing when significant risks & rewards are transferred to the buyer.

- b) Income from construction contract is calculated on the basis of, lower of percentage completion
- i) As per technical evaluation:
- An estimated cost up to the date and also taking into account estimated future liability accruing out of the contract including contingencies warranties, claims etc.

3) Valuation of Stock

Stock of Commercial space has been valued at Cost including the cost of land appurtenant thereto or net realizable value whichever is less. The cost includes all project expenses incurred.

4) Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long term investments. Long-term investments are stated at cost. Provision for diminution in the value of long-term investments is made only if such a decline is other than temporary in the opinion of the management. The current investments are stated at lower of cost or at fair value.

5) Tangible fixed assets

Tangible Fixed Assets are stated at cost less accumulated depreciation and impairment provision. The cost comprises the purchase price (net of Cenvat and VAT wherever applicable) and any attributable cost of bringing the assets to its working condition for its intended use.

6) Depreciation

Depreciation has been calculated on written down value method at the rates specified in Schedule XIV (As amended) read with section 205 (2) (b) of Companies Act, 1956 and have been charged on pro-rata basis with reference to the period of use of such assets.

7) Impairment of tangible and intangible assets

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors, An impairment loss is recognised wherever the carrying amount of an asset exceeds it's recoverable amount. The recoverable amount is the greater of the asset's net selling price and it's value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life. A previously recognised impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation If there was no impairment.

8) Retirement and other benefits

Expenses and liabilities in respect of employee benefits are recorded in accordance with Revised Accounting Standard 15 - Employee Benefits (Revised 2005) issued by the ICAI.

(a) Provident Fund

The Company makes contribution to statutory provident fund in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952 which is a defined contribution plan and contribution paid or payable is recognized as an expense in the period in which services are rendered by the employee.

(b) Gratuity

Gratuity is a post employment benefit and is in the nature of a defined benefit plan. The liability recognised in the balance sheet in respect of gratuity is the present value of the defined benefit/

obligation at the balance sheet date less the fair value of plan assets, together with adjustment for unrecognized actuarial gains or losses and past service costs. The defined benefit/obligation is calculated at or near the balance sheet date by an independent Actuary using the Projected Unit Credit Method.

Actuarial gains and losses, if any, arising from past experience and changes in actuarial assumptions are charged or credited to the Statement of Profit and Loss Account in the year to which such gains or losses relate.

(c) Leave Encashment

Liability in respect of leave encashment becoming due or expected after the balance date is estimated on the basis of an actuarial valuation performed by an independent Actuary using the Projected Unit Credit Method.

9) Income Taxes

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act, 1961.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date. Deferred tax is recognised at the Balance Sheet date, subject to the considerations of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods.

10) Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand, fixed deposits with banks which are short term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised.

Defined Contribution Plan

Contribution to Defined Contribution Plan, recognised as expense for the year are as under:

	F.Y. 2012-13	F.Y. 2011-12
Employer's contribution to Provident Fund:	Rs. 14724/-	Rs.19353/-

Defined Benefit Plan

The employees' gratuity fund scheme is a defined benefit plan. The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation for leave encashment is recognised in the same manner as gratuity.
