CHAIRMAN SPEECH

Dear Shareholder,

The year gone by was an assimilation of our aspirations to create a platform to “Solve the Unsolved” – the US \$600 B SME credit availability problem in our country.

To this end, 2019 saw us close one of the largest fund-raises for a start-up, raising INR 953 crores from a diverse and marquee base of investors; we completed the acquisition of Chokhani Securities and embarked on the U GRO journey.

We believe that knowledge and technology are key to solving the SME credit availability problem in the country. To this end, our 80+ employees have done a phenomenal job of creating a highly specialized, technology enabled distribution and underwriting platform.

Knowledge for us means a deep understanding of the customer - their needs, behavior and the ecosystem in which they operate. In pursuit of this goal, we embarked on a journey of narrowing down the sectors on which to focus on - and after careful analysis of 180+ sectors we narrowed down on eight sectors, each representing large consumption driven markets and relatively less influenced by macro-economic tailwinds. The selected sectors are Healthcare, Education, Chemicals, Food Processing & FMCG, Hospitality, Electrical Equipment & Components, Auto Components and Light Engineering.

Within these eight sectors, we further decided to specialize on 37+ sub-sectors in select SME clusters and build specific customer solutions for these sub-sectors.

Technology underpins every aspect of our lending process – we have integrated 25+ API integrations, built 8 sectoral statistical scorecards, 30 sub-sectoral expert scorecards, state-of-the-art bank, bureau and GST statement analyzers, automated policy approvals, developed machine learning OCR technology to deliver an industry first 60 min in-principal approval to the customer. However, we certainly are not disregarding traditional methods that have been historically successful in this space. Instead, we are blending the best of both fin-tech and fin-touch by supplementing our 60 min in principal approval with all the traditional checks and balances.

We are also in the process of creating a unique multi-pronged distribution model, supplementing the traditional branch led model with partnership led models and direct to customer models. We started disbursements on Jan 15, 2019 and have already disbursed 82 crores by March, 2019 – a testament to the strength of our distribution. The company is in the process of building a 4-pronged distribution network which is scalable, technology enabled and highly specialized

- Intermediary led: In a short span of 3 months, the company has started 7 branches, onboarded 80 channel partners who are operating at industry leading productivities
- Partnership led: The company has built a separate vertical headed by the Chief Growth Officer to build partnerships in prioritized segments and tap into the partners' network of distributors, dealers, suppliers through an ecosystem-based lending strategy.
- BFSI led: The company is in the process of creating a partner network of specialized NBFCs with a view of entering into co-origination/assignment partnerships with them
- Direct to Customer: The company is also planning on launching a direct-to-customer digital channel in the second half of FY20

On the liability side, the company aspires to strike an optimal balance between balance sheet and off-balance sheet lending leveraging co-origination and securitization to improve returns, ability to cater to customers of all risk segments, increase scale and minimize ALM mismatches.

FY 2019 was a turbulent year for lenders, particularly NBFCs. Idiosyncratic issues at a few NBFCs have led to a broader crisis of confidence and liquidity crunch in the market. The crisis reemphasizes the importance of a strong corporate governance framework. We at U GRO pride ourselves in being a truly board driven, management run company - setting industry leading standards of corporate governance. To this effect, the company has onboarded pre-eminent professionals from regulatory bodies like RBI, SEBI, developmental funds like SIDBI, the Indian government and with deep expertise in audit and compliance functions. The company has also incorporated the principal tenets of corporate governance in its articles of association so that these are preserved for perpetuity.

Although the liquidity crunch has not had an impact on the company, we believe in being nimble footed and having our ears to the ground. We are confident that our risk management frameworks and our asset liability management will see us through the crisis unscathed.

The path ahead of us is a long and arduous one to be sure. However, while it may be fraught with the dangers of present market conditions, it offers bountiful opportunity as well. The challenging circumstances have greatly increased the emphasis on competence, which has resulted in the space becoming more meritocratic in nature. This is an environment we are more than happy to embrace at U GRO as we look to rapidly scale into one of the industry's major players. We have firm belief in our technology and knowledge focused approach to SME Lending, and we hope that you too will keep faith with us on our journey.

Yours Sincerely,

Shachindra Nath
Executive Chairman & Managing Director

The Board recommends the Special Resolutions set out at Item Nos. 7 & 8 of the Notice for the approval of Members.

Item No. 9

The Board may, at an appropriate time, consider offering or inviting subscriptions for secured / unsecured redeemable non-convertible debentures, in one or more series / tranches, on private placement, issuable / redeemable at par, in order to augment long-term resources for financing its business requirements and for general corporate purposes.

Section 71 of the Act which deals with the issuance of debentures read with Section 42 of the Act which deals with the offer or invitation for subscription of securities of a company on private placement and Rule 14 of the Companies (Prospectus and Allotment of Securities) Rules, 2014 provide that a company which intends to make a private placement of its non-convertible debentures, shall, before making an offer or invitation for subscription, obtain approval of its shareholders by means of a special resolution. It shall be sufficient if the company passes a special resolution only once in a year for all the offers or invitations for such non-convertible debentures during the year.

Keeping in view the above, consent of the members is sought for passing the Special Resolution as set out at Item No. 9 of the Notice. This enabling resolution authorises the Board of Directors of the Company to offer or invite subscription for redeemable non-convertible debentures, as may be required by the Company, from time to time and as set out herein, for a period of one year from the date of passing this resolution.

None of the Directors or the Key Managerial Personnel of the Company including their relatives are in any way concerned or interested in the proposed resolution.

The Board recommends the Special Resolution set out at Item No. 9 of the Notice for the approval of Members.

Item No. 10

The members of the Company at the 25th Annual General Meeting held on 3rd July, 2018 had accorded its approval for appointment of Mr. Abhijit Ghosh as the Whole Time Director and Chief Executive Officer of the Company as per the recommendations of Nomination and Remuneration Committee (NRC) from the date of change of control and shareholding of the Company. The shareholders had conveyed their approval for appointment of Mr. Ghosh as per the terms and conditions approved by the NRC. This resolution is to clearly set out his exact tenure, terms and remuneration payable of Mr. Abhijit Ghosh.

Notice

Item No. 12

The existing provisions of the Articles of Association (“AOA”) mandates the Company to appoint Big Four Accounting Firms (mainly Price Waterhouse Coopers, Deloitte and Haskins, Ernst & Young and KPMG) as the Statutory and Internal Auditors of the Company. In order to have the greater flexibility towards appointment of the Statutory and Internal Auditors, subject to the approval of the shareholders, it is now proposed to amend the relevant existing clauses to enable appointment of audit firms with good reputation preferably having international affiliates. Accordingly, it is now proposed to amend the existing provisions of clause 7.3 of AOA to bring the provisions in line with the Companies Act, 2013.

Pursuant to Section 14 of the Act, the consent of the Members by way of Special Resolution is required for alteration of AOA of the Company. The Board recommends for approval by the members the resolution as set out at Item No. 12 of the Notice as a Special Resolution.

None of the Directors or the Key Managerial Personnel of the Company including their relatives are in any way concerned or interested in the proposed resolution.

The Board recommends the Special Resolution set out at Item No. 12 of the Notice for the approval of Members.

Item No. 13

The Special Resolution proposed is an enabling resolution to facilitate and meet the capital expenditure requirements and to utilize the issue proceeds for general corporate purposes including but not limited to pursuing new business opportunities, meeting the issue expenses etc. The resolution contained in the attached Notice pertains to a proposal by the Company to create, offer, issue and allot equity shares, American Depository Receipts and other securities, as stated therein in one or more tranches (referred to as “Securities”).

The members may please note that the resolution is only an enabling resolution and the detailed terms and conditions for the offer will be determined in consultation with lead managers, advisors, underwriters and such other authorities and agencies as may be required to be consulted by the Company in due consideration of prevailing market conditions and other relevant factors. As the price of the securities shall be determined at a later stage, exact number of securities to be issued shall also be crystallized later. However, an enabling resolution is being proposed to give adequate flexibility and discretion to the Board to finalize the terms of the offer.

As per Section 62 of the Companies Act, 2013, and as per the rules and regulations applicable under the laws, the relevant provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”), the approval of existing members is being sought to empower the Board to issue, offer and allot Equity Shares at such price (at a discount of not more than 5% on the price calculated for the Qualified Institutions Placement or at such other discount as may be permitted under Chapter VIII of the SEBI ICDR Regulations or premium to market price or prices in such a manner and on such terms and conditions including security, rate of interest, etc. to such person(s) including institutions, incorporated.

The Members’ approval to the resolution would have the effect of allowing the Board to offer and allot Securities otherwise than on pro-rata basis to the existing shareholders.

The enabling Special Resolution also seeks to empower the Board of Directors of the Company (hereinafter called the “Board” which term shall be deemed to include any committee which the Board has constituted to exercise its powers including the power conferred by this resolution) to undertake a Qualified Institutional Placement as defined by SEBI ICDR Regulations. The Board may in their discretion adopt this mechanism, as prescribed under Chapter VIII of the SEBI ICDR Regulations. The pricing of the Equity Shares to be issued to Qualified Institutional Buyers pursuant to Chapter VIII of the SEBI ICDR Regulations shall be freely determined subject to such price not being less than the price calculated in accordance with the SEBI ICDR Regulations.

The enabling Special Resolution seeks to give the Board the powers to issue Equity Shares as the Board may deem fit, in one or more tranche or tranches, at such time or times, at such price or prices and to such person(s) including institutions, incorporated bodies and/ or individuals or otherwise as the Board, in its absolute discretion, deems fit. The detailed terms and conditions for the offer will be determined by the Board in consultation with the advisors, lead managers, underwriters and such other authority or authorities as may be required to be consulted by the Company considering the prevailing market conditions and in accordance with the applicable provisions of law, and other relevant factors.

The Equity Shares so allotted would be listed. The issue / allotment would be subject to the availability of regulatory approvals, if any

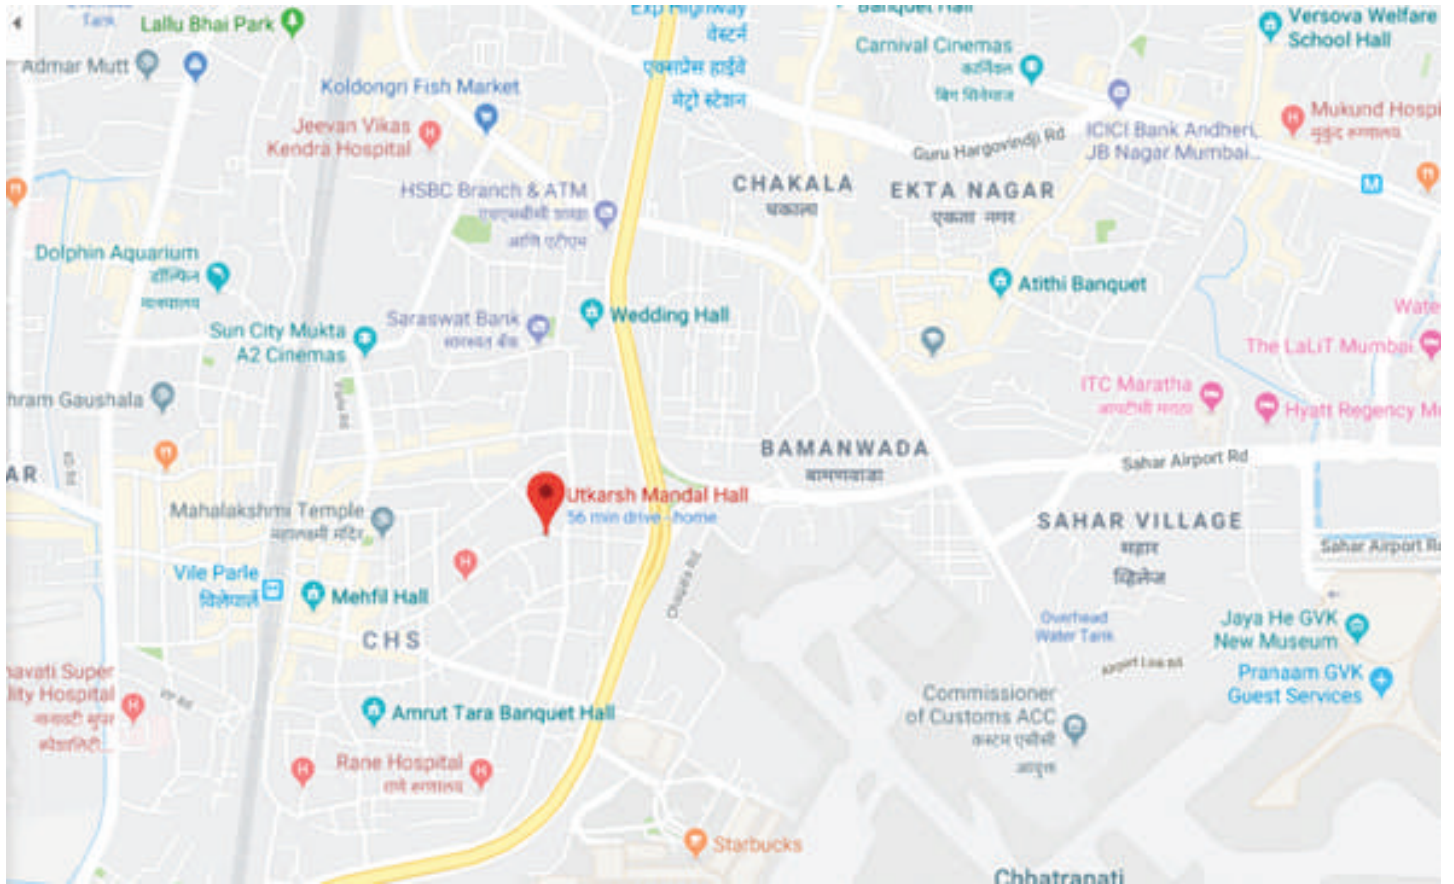

As and when the Board does take a decision on matters on which it has the discretion, necessary disclosures will be made to the Stock Exchange under the provisions of the Listing Regulations.

None of the Directors or the Key Managerial Personnel of the Company including their relatives are in any way concerned or interested in the proposed resolution.

The Board recommends the Special Resolution set out at Item No. 13 of the Notice for the approval of Members.

Management Discussion And Analysis

MANAGEMENT DISCUSSION AND ANALYSIS

The Global and Indian Economy

The global economy lost some steam in the second half of the financial year 2018-19 both in developed and emerging economies on subdued domestic and global demand impacting industrial activity. Financial markets have been unsettled by the acrimonious US-China trade tensions. Crude oil prices remained volatile, reflecting evolving demand-supply conditions and geopolitical concerns. Most EME currencies depreciated against the US dollar.

On the domestic side, the second advance estimates for 2018-19 released by the Central Statistics Office (CSO) in February 2019 revised India's real gross domestic product (GDP) growth downwards to 7.0 per cent from 7.2 per cent in the first advance estimates. In Q4 of 2018-19, GDP growth decelerated sharply to 5.8 per cent, down from 6.6 per cent in Q3 and 8.1 per cent a year ago.

Exports grew by 0.6 per cent in April 2019, but imports grew at a somewhat accelerated pace, leading to a widening of the trade deficit. After a sharp recovery in March 2019, net foreign portfolio inflows have been relatively modest at US\$ 2.3 billion in 2019-20 in April-May. Consumer Price Index (CPI) inflation rose to a near two-year high levels of 4.92% in June 2018, driven by surging oil and food prices, but fell to 19-month lows of 1.97% in January 2019 due to a fall in food prices and smaller increases in fuel costs. This combined with slowing economy has resulted in multiple rate cuts by the Reserve Bank of India.

However, the long term "India" story remains intact. The IMF expects the Indian GDP to grow by 7.5% in 2020. India is expected to surpass the UK to become the world's fifth largest economy this year and projected to surpass Japan to feature at the second position in the Asia-Pacific region by 2025. Structural reforms undertaken in the past few years, including GST, recapitalization of banks, Insolvency and Bankruptcy Code, "Make in India" are expected to yield benefits over the medium and long term. India has also jumped 23 places to the 77th rank in the ease of doing business index and is expected to see a further jump in the coming year.

The financial services sector and the SME lending market

The financial year 2018-19 was a tumultuous year for NBFCs in general. The liquidity crunch driven by the "crisis of confidence" in NBFCs following defaults/events in three large NBFCs has resulted in a broad slowdown in the NBFC market. Debt mutual funds that accounted for 17% of NBFC debt have significantly pruned exposure to the NBFC segment while banks have turned increasingly cautious when extending incremental credit to NBFCs, preferring to buy assets from NBFCs versus lending to them. The RBI has taken some steps to increase the supply of credit to NBFCs, but the crisis is expected to continue for the near term. This has resulted in a slowdown in disbursements at multiple NBFCs, leading to a credit crunch in the broader economy and specifically the SME segment.

However, the longer-term opportunity and growth story for NBFCs remains unchanged.

The Micro, Small & Medium Enterprises segment offers a huge untapped opportunity owing to the significant funding gap. Of the nearly 51 million MSMEs in India, 40 million have current accounts and of these, only 4.5 million are borrowers. This indicates a vast business opportunity. As of December 2018, the total on-balance sheet exposure to the Micro, Small & Medium Enterprises segments stood at ₹ 25.2 Lakh Crores. On a consolidated level, Public Sector Banks continue to constitute the largest segment with a 46% market share. However, NBFCs and Private Sector Banks have increased their market shares by 7% and 14% to account for 13% and 34% of the overall MSME lending market.

The biggest challenges to lending in this segment have been the lack of reliable data, the diversified nature of cash-flows and the distributed nature of these SMEs. Because of this, banks and traditional NBFCs have not been able to cater to this market - resulting in most SMEs having to turn to informal sources of financing. Specialized NBFCs have stepped in to bridge this need gap. Such NBFCs have leveraged data, alternate assessment sources, and technology to cater to this segment. The fact that these NBFCs have been able to attract upwards of US\$ 1.2 bn of capital over the last 24 months is a testament to the size of this opportunity.

Overview of the Company

U GRO Capital is a highly specialized, technology-enabled, small business lending platform. The company was incorporated as Chokhani Securities Ltd in 1993 and subsequently listed on the BSE in 1995. Mr. Shachindra Nath, the Executive Chairman and Managing Director acquired the Company in July 2018, and the company name was changed to U GRO Capital Limited.

U GRO's mission is to 'Solve the Unsolved' - the US\$ 600 bn Small Business Credit Need. U GRO believes that the challenges surrounding lending to small businesses can be alleviated by building deep expertise around core SME sectors and using a technology-driven distribution and credit appraisal process. Our vision is to create a highly specialized and technology enabled small business lending platform that is optimized for the Indian SME lending climate.

U GRO has a highly experienced senior management team with a very strong track record of building financial institutions. The U GRO Management Team works under the able guidance of its Board of Directors, an exemplary set of financial services leaders with a broad spectrum of specializations and strategic insights.

Management Discussion And Analysis

U GRO caters to specific SME sectors by using our deep knowledge of 8 select sectors - Auto Components, Chemicals, Education, Electrical Equipment & Components, Food Processing & FMCG, Healthcare, Light Engineering and Hospitality. We leverage our knowledge to create granular and insightful loan products for each sub-sector. We uniquely combine business intelligence and technology, leveraging statistical predictive modelling to prognosticate the customer's credit behaviour. Our sub-sector level knowledge is highly granular, derived from over 25 financial and non-financial sources to fully understand the ecosystem the customer operates in.

During the financial year 2018-19, U GRO launched a GRO partner mobile application for the processing of loan applications. This application has helped us achieve industry leading turnaround times, being able to provide an in-principle decision within 60 minutes. The application also contains 20+ API integrations to our authentication and verification suite. This ensures that minimum data entry is required as most requisite data fields are filled and verified in the back end, thus minimizing human error in the loan application process.

U GRO Capital commenced disbursements of loans in the month of January 2018. For the financial year ending 31st March 2019, there are 7 operating branches and 76 active GRO partners active across these branches. Disbursement for the year stands at ₹ 82 crores with ₹ 80 Crores of Assets Under Management outstanding.

The total income for the financial year 2018-19 is ₹ 4,181.07 Lakhs, with Profit Before Tax of ₹ 109.49 Lakhs.

Risk and concern

The Company is exposed to a variety of risks such as credit risk, liquidity risk, market risk, operational risk, regulatory risk and Information security risk etc. The Company has therefore invested in talent, processes and emerging technologies for building advanced risk and underwriting capabilities. The Board of Directors has constituted a Risk Management Committee to address these risks. The Risk Management Committee's mandate includes periodic review of the risk management policy, risk management planning, implementation and monitoring of the risk management plan and mitigation of key risks. The risk owners are accountable to the Risk Committee for identification, assessment, aggregation, reporting and monitoring of Risks.

Credit Risk:

U GRO's credit underwriting is driven by a deep understanding of the selected segments, which inform proprietary risk models and approaches. The Company's credit appraisal philosophy is as follows:

- Positive customer selection: The company has a positive list of sectors that it will source loans from. Even within these sectors, further sub-sectors have been defined and sub-sector specific customer needs are being addressed – including risk mitigation.
- Analytics led: The company has created sector specific statistical scorecards, derived from analysis of large numbers of loans and evaluation of different parameters. These scorecards can predict the probability of default of the loan and thus risk rank it.
- Experience based:
 - o Expert Scorecards: The company has also created 'Expert Scorecards' for many sub-sectors. These include a combination of operating parameters specific to the sector and financial parameters which are populated through a personal discussion carried out by the credit manager with the loan applicant. These scorecards have been developed in consultation with CRISIL market experts, combining market research with CRISIL's in-house rating knowledge. They are based on personal interviews across different locations, collecting responses for over each sub-sector.
 - o Policies: The company is also in the process of creating sub-sector specific credit policies on basis of best practices in the industry.
- Touch and Feel based: The company, in addition to the scorecards and the policy documents, also follows the traditional 'touch and feel' based checks including legal verification, fraud control unit (FCU) check, field investigation and valuation. This is done by a combination of internal teams and outsourced agencies.
- Data driven: The Company is one of the most 'integrated' NBFCs, pulling data from 25+ sources to augment and validate the information collected from the customer. This allows the company to have a "data backed" credit decisioning process.

Liquidity and Interest Rate risk:

The Company is exposed to liquidity risk principally, as a result of lending and investing for periods which may differ from those of its funding sources. Our Treasury team actively manages asset and liability positions in accordance with the overall guidelines laid down by the regulator in the Asset Liability management framework.

Management Discussion And Analysis

The company may be impacted by volatility in interest rates which could cause its margins to shrink and thus profitability to decline. With the growth of the Company's business, it will become increasingly reliant on funding from the debt capital markets and commercial borrowings. The market for such funds is competitive and the company's ability to obtain funds at competitive rates will depend on various factors including its credit ratings. There can be no guarantee that the company will be able to raise debt on competitive terms, in the required quantum and in a cost-effective manner. Any failure to do so may adversely impact the company's business and its future financial performance. The company is also hedged against this risk through the variable interest clause in its loan portfolio.

Operational Risk:

The Company may encounter operational and control difficulties while carrying out various processes in the normal course of business.

The operations of the company have been extensively automated, which minimizes the operational risk arising out of human errors and omissions. A robust system of internal control is enforced, ensuring that all assets are safeguarded and protected against loss from unauthorized use or dispositions, and all transactions are authorized, recorded and reported correctly.

The Audit committee periodically reviews the adequacy of our internal controls.

Competition risk:

The financial sector industry is becoming increasingly competitive and the Company's growth will depend on its competitive efficacy. The Company's wide distribution network, diversified product offerings and quality of management place us in a strong position to deal with competition effectively.

Regulatory Risk:

The Company is governed by the regulations of Indian governmental authorities and regulators including the Reserve Bank of India. The laws and regulations impose numerous requirements on the Company, including asset classifications, prescribed levels of capital adequacy, solvency requirements and liquid assets. There may be future changes in the regulatory system or in the enforcement of the laws and regulations that could adversely affect the Company's performance.

Internal control systems and their adequacy

The Company maintains a system of internal controls designed to provide a high degree of assurance regarding the efficacy and efficiency of operations, the adequacy of safeguards for assets, reliability of financial controls and compliance with applicable laws and regulations.

The organization is well structured, and the policy guidelines are well documented with pre-defined authority. The company has also implemented suitable controls to ensure that all resources are utilized optimally, financial transactions are reported with accuracy and there is strict adherence to applicable laws and regulations.

The company has put in place adequate systems to ensure that assets are safeguarded against loss from unauthorized use or disposition and that transactions are authorized, recorded and reported. The company has implemented adequate maker and checker demarcation for critical processes; and testing of control effectiveness is carried out periodically.

The company uses information technology extensively in its operations for ensuring effective controls and ease in reporting and monitoring process. Systems also help the company in providing accurate and timely MIS for continual improvement.

The Company has an independent internal audit function which evaluates adequacy and compliance with policies, plan, regulatory and statutory requirements. Internal audit also evaluates and suggests improvements in effectiveness of risk management, control and governance process. The Audit committee of the Board provides necessary oversight and directions to the internal audit function and periodically reviews the findings and ensures correctives measures are taken.

Material developments in Human Resources/Industrial Relations front, including number of people employed:

U GRO became 90 people strong with presence in 7 locations by the end of financial year 2019. Building a truly 'High Performance' and diverse team has been a key milestone for us. We hired only top-rated professionals with proven track-records and strong domain expertise. Our senior management ramp-up at an early stage enabled us to lay a strong foundation for our ambitious long-term strategy.

In addition to firming up the key policies and processes needed to run an organization efficiently, we have also adopted a non-hierarchical organization architecture based on roles versus titles.

Our return on Net worth has decreased due to decrease in PAT from ₹ 2.97 Crores to ₹ 1.46 Crores and increase in the Net worth on account of capital infusion.

Resource and Liabilities

U GRO is committed to having a diversified borrowing portfolio comprising financial institutions including Banks, Mutual Funds, Provident Funds, and Insurance Companies. The company has raised ₹ 10 Crores in working capital facilities in the financial year 2018-19.

Asset Liability Management

The company is committed to maintaining adequate liquidity throughout the year, especially in view of the volatile sectoral situation expected during first half of the financial year 2019-20. Hence, the company has developed a conservative and prudent policy for matching funding of assets. Its strategy of borrowing longer tenor than the actuarial maturity of its assets enables it to achieve healthy cash flows and ensure the total inflow for each maturity is higher than outflows. This always enables the company to maintain adequate liquidity. The company's strong ALM Strategy is one of the key pillars.

Corporate Governance Reports

CORPORATE GOVERNANCE REPORT

Introduction

UGRO Capital Limited (earlier known as Chokhani Securities Ltd) strongly believes that establishing good corporate governance practices at each and every function of the organization leads to achieve sustainable growth and enhances long term value for all the stakeholders. The Company endeavors to carry its business operations in fair, transparent and ethical manner and also holds itself accountable and responsible to the society it belongs. The Company considers it imperative to abide by the laws and regulations of the land in letter and spirit and is committed to the highest standards of corporate behaviors. The Company believes that timely disclosures, transparent accounting policies and strong Board go a long way in protecting shareholders' trust while maximising long term corporate value. The Company is in compliance with the requirements stipulated under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") with regard to Corporate Governance, applicable for the financial year 2018-19.

UGRO's Governance structure broadly comprises of the Board of Directors and the Committees of the Board at the apex level and the Management structure at the operational level. This layered structure brings about a harmonious blend in governance as the Board sets the overall corporate objectives and gives direction and freedom to the Management to achieve these corporate objectives within a given framework, thereby bringing about an enabling environment for value creation through sustainable, profitable growth.

(I) Board of Directors ('Board')

The Board of Directors, along with its Committees, provides leadership and guidance to the management and directs and supervises the performance of the Company, thereby enhancing stakeholder value. The Board has a fiduciary relationship in ensuring that the rights of all stakeholders are protected. The Composition of the Board of Directors of the Company is governed by the provisions of Companies Act, 2013, ("Act") SEBI Listing Regulations and the provisions contained in the Articles of Association of the Company.

Composition of the Board

As on 31st March 2019, the Board comprises of 11 Directors which includes Executive Directors, Non-Executive Directors as well as Independent Directors. There is an optimum combination of Executive Directors, Non-Executive Directors and Independent Directors on the Board of the Company. Out of 11 Directors, 6 Directors are Independent Directors, 2 Directors are Executive Directors and 3 Directors are Non- Executive Directors. There is one Woman Director on the Board of Company. All Directors possess relevant qualification and experience in general corporate management, finance, taxation, marketing, micro and small enterprises, banking and other allied fields which enable them to effectively contribute in their capacity as Director. The composition of the Board is in conformity with Regulation 17 of the SEBI Listing Regulations read with section 149 of the Act. None of the Directors are related to any other Director or employee of the Company. They play a critical role in balancing the functioning of the Board by providing Independent judgments on various issues raised in the Board meetings like formulation of business strategies, monitoring of performances etc.

The Company believes in proving in appropriate representations on the Board to the large shareholders and proving participation in the proceedings of the Board and Committees. The Articles of Association of the Company allows each Large Shareholder the right to nominate a representative as non-executive director on the Board of the Company.

The Articles of Association of the Company has defined the term Large Shareholders as follows:

"Large Shareholder" means any shareholder of the Company holding at least 10% (ten percent) of the paid-up share capital of the Company on a Fully Diluted Basis, which securities were either subscribed by that shareholder consequent to an issuance of securities by way of a preferential allotment by the Company or were issued to such shareholder by the Company as consideration under a scheme of demerger approved by the National Company Law Tribunal directly involving the Company, (whether by itself or together with a "person acting in concert" with it as defined in the Takeover Regulations).

The Board has representation from Clearsky Investment Holdings Pte Ltd, NewQuest Asia Investments III Limited and Samena Special Situations Mauritius investors of the Company.

As per Regulation 26 of the SEBI Listing Regulations, the number of Committees (Audit Committee and Stakeholders Relationship Committee) of public limited companies in which a director is a member/ chairman is within the limits prescribed under the said regulation.

The Company believes that majority directors should be present in most of the meeting held during the year and hence the Articles of Association of the Company has prescribed greater number of quorum than what is mandated by the provisions of the Act.

Video / tele-conferencing facilities are also used to facilitate Directors travelling / residing abroad or at other locations to participate in the meetings.

All Independent Directors of the Company have been appointed as per the provisions of the Companies Act, 2013. Formal letters of appointment have been issued to the Independent Directors.

None of the Directors on the Board is a Member in more than 10 Committees and Chairman in more than 5 Committees across all the Companies in which he / she is a Director. The necessary disclosures regarding Committee positions have been made by all

Corporate Governance Reports

the Directors. The Company has established systems and procedures to ensure that its Board is well informed and well equipped to discharge its overall responsibilities.

Independent Directors are Non-Executive Directors as defined under Regulation 16(1) (b) of the SEBI Listing Regulations read with section 149(6) of the Act. The maximum tenure of Independent Directors is in compliance with the Act. All the Independent Directors have confirmed that they meet the criteria as mentioned under Regulation 16(1) (b) of the SEBI Listing Regulations read with section 149(6) of the Act.

During the year, the Non-Executive Directors of the Company had no pecuniary relationship or transactions with the Company.

Independent Auditor's Report

To The Members of UGRO CAPITAL LIMITED
(formerly known as Chokhani Securities Limited)

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of UGRO CAPITAL LIMITED ("the Company"), which comprise the Balance Sheet as at 31 March 2019, and the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2006, as amended ("Accounting Standards") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2019, and its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matter to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response
1	<p>Accounting and valuation for Employee share based payments and disclosure thereon.</p> <p>The company has granted Employee stock options (ESOP's) during the year and elected to account for the options at fair value. The charge to the Profit and Loss account on account of Employee stock options was Rs. 3.00 crores for the year. The company engaged an independent fair value specialist (EFVS) to arrive at the fair value of the option. The fair value was arrived at using the Black Scholes Merton formula. Key inputs considered to determine the fair value which have been disclosed in Note 33 to the financial statements included:</p> <ul style="list-style-type: none"> • Exercise price of the option • Life of the option • Current price of the underlying shares • Expected volatility of the underlying shares • Dividends expected on the shares • Risk free interest rate for the life of the option. <p>Basis the fair value arrived at by EFVS the charge for the current period was computed by the company.</p> <p>In the case of certain ESOP's linked to meeting of certain performance conditions the management has estimated the expected vesting period based on the most likely outcome of the performance condition and accordingly not considered any cost on those options.</p>	<p>Principal audit procedures performed:</p> <p>We involved our internal experts to test the fair value of the options. The fair value specialist reviewed the estimates used by the EFVS for reasonableness and recomputed the fair value of the options and compared it to the fair value arrived at by the EFVS.</p> <p>We reviewed the key assumptions used by the EFVS to arrive at the fair value particularly the current price of the underlying shares, expected volatility, dividends expected, expected life of the option.</p> <p>We recomputed the charge to the current period noting no exceptions. We reviewed the management assessment of the vesting period for the performance linked ESOP's and basis review of the market data for similar comparable companies.</p> <p>We assessed the appropriateness of the related disclosures in note 33 of the financial statements.</p>

Independent Auditor's Report

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon. The Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information is expected to be made available to us after the date of this auditor's report.
- Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- When we read the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditor's responsibilities Relating to Other Information'

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Independent Auditor's Report

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on 31 March 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 The remuneration paid in excess of the limits specified by Sec 197 of the Act has been approved by the Shareholders vide a special resolution. The Board of Directors has represented that the remuneration for the Whole-time Director and CEO was approved by means of a special resolution in the Shareholders meeting held on 3 July 2018 and further confirms that the omission in the notice sent to the shareholders and the special resolution passed at the shareholders meeting due to no explicit mention of the approval of the remuneration will be rectified by seeking a ratification at the ensuing Annual general meeting.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **UGRO CAPITAL LIMITED** ("the Company") as of 31 March 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2019, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure B to the Auditor's Report

ANNEXURE "B" TO THE AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on Companies (Auditor's Report) Order, 2016 ('the Order') issued by the Central Government in terms of Section 143(11) of the Companies Act, 2013 ('the Act') of UGRO CAPITAL LIMITED ('the Company')

- (i) In respect of its fixed assets:
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of the fixed assets.
 - (b) The Company has a program of verification of fixed assets to cover all the items in a phased manner over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain fixed assets were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - (c) The Company does not have any immovable properties of freehold or leasehold land and building and hence reporting under clause (i) (c) of the CARO 2016 is not applicable.
- (ii) The Company does not have any inventory and hence reporting under clause (ii) of the CARO 2016 is not applicable.
- (iii) According to the information and explanations given to us, the Company has granted secured loans, to companies covered in the register maintained under section 189 of the Companies Act, 2013, in respect of which:
 - a) The terms and conditions of the grant of such loans are, in our opinion, prima facie, not prejudicial to the Company's interest.
 - b) The schedule of repayment of principal and payment of interest has been stipulated and receipts of principal amounts and interest have been regular as per stipulations.
 - c) There is no amount overdue for more than 90 days at the balance sheet date.
- (iv) The provisions of section 185 and 186 of the Companies Act, 2013 is not applicable to the Company. Consequently, provisions of para 3(iv) of the Order is not applicable to the Company.
- (v) According to the information and explanations given to us, the Company has not accepted any deposit during the year and does not have unclaimed deposits as at 31 March 2019 and therefore reporting under clause 3(v) of the Order is not applicable to the Company.
- (vi) Having regard to the nature of the Company's business / activities, reporting under clause (vi) CARO 2016 is not applicable.
- (vii) According to the information and explanations given to us in respect of statutory dues:
 - (a) The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income-tax, Goods and Service tax, cess and other material statutory dues applicable to it to the appropriate authorities.
 - (b) There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income-tax, cess, Goods and Service tax and other material statutory dues in arrears as at 31 March 2019 for a period of more than six months from the date they became payable.
 - (c) There are no dues of Income-tax, cess and Goods and Service tax as on 31 March 2019 on account of any dispute.
- (viii) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of loans or borrowings to financial institutions, banks and government and dues to debenture holders.
- (ix) In our opinion and according to the information and explanations given to us, money raised by way of term loans have been applied by the Company during the year for the purposes for which they were raised, other than temporary deployment pending application of proceeds. The Company did not raise money by way of initial public offer (including debt instruments) during the year.
- (x) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company by its officers or employees has been noticed or reported during the year.

Annexure B to the Auditor's Report

- (xi) In our opinion and according to the information and explanations given to us, the Company has paid managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act, 2013. In respect of the remuneration to the whole-time director and CEO the Board of Directors has represented that the remuneration was approved by means of a special resolution in the Shareholders meeting held on July 3, 2018 and further confirmed that the omission in the notice sent to the shareholders and the special resolution passed at the shareholders meeting due to not having an explicit mention of the remuneration /approval of the remuneration will be rectified by seeking a ratification at the ensuing Annual general meeting.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the CARO 2016 Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us the Company is in compliance with Section 188 and 177 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.
- (xiv) According to the information and explanations given to us, the Company has made preferential allotment and private placement of shares and fully convertible debentures during the year under review.

In respect of the above issue, we further report that:

- a) the requirement of Section 42 of the Companies Act, 2013, as applicable, have been complied with; and
 - b) the amounts raised have been applied by the Company during the year for the purposes for which the funds were raised, other than temporary deployment pending application.
- (xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with him and hence provisions of section 192 of the Companies Act, 2013 are not applicable.
 - (xvi) The Company is required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and it has obtained the registration.

Notes to financial statements for year ended 31st March, 2019

1 Corporate Information

Ugro Capital Limited ('the Company') formerly known as Chokhani Securities Limited, is a public limited company domiciled in India and incorporated under the provisions of Companies Act, 2013. The Company is a non deposit taking Non Banking Financial Company ('NBFC') as defined under Section 45-IA of the Reserve Bank of India Act, 1934. The Company is registered with effect from March 5, 1998 having Registration No. A-13.00243. The Company is engaged in the business of lending and primarily deals in financing SME and MSME sector with focus on Healthcare, Education, Chemicals, Food Processing/FMCG, Hospitality, Electrical Equipment & Components, Auto Components and Light Engineering segments.

As per the Share Purchase and Transfer of Control Agreement dated December 31, 2017 signed by the erstwhile promoters of the Company, agreeing to cede control over the management and transfer of their shareholding in the Company to Mr. Shachindra Nath and Poshika Advisory Services LLP (collectively referred to as "Acquirers"), the acquirers have acquired control of 2,140,800 shares of the Company from the exiting promoters on July 05, 2018 after receiving RBI approval which is effective from June 22, 2018. The Company focus is on business of extending term loans and working capital loans to small and medium sized companies.

2 Significant accounting policies

2.1 Basis of preparation

The financial statements have been prepared in conformity with generally accepted accounting principles in India ('Indian GAAP') to comply in all material respects with the notified Accounting Standards ('AS') under section 133 of the Companies Act, 2013 ('the Act'), read with the Companies (Accounting Standards) Rules, 2006, as amended ("Accounting Standards") and the Master Direction – Non-Banking Financial Company – Systemically Important Non-Deposit taking Company(Reserve Bank) Directions, 2016 ('the NBFC Master Directions') issued by RBI. The financial statements have been prepared on an accrual basis and under the historical cost convention. The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year and any deviation shall be disclosed separately. The complete financial statements have been prepared along with all disclosures.

2.2 Use of estimates

The preparation of financial statements are in conformity with Indian GAAP which requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities. Although these estimates are based on management's knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amount of assets and liabilities in future periods.

2.3 Property, Plant and Equipment and Depreciation

a. Property, Plant and Equipment

Property, Plant and Equipment are stated at cost less accumulated depreciation and impairment, if any. The cost comprises purchase price, borrowing costs incurred to bring asset to its working condition for its intended use. Any subsequent expenditure incurred on asset is capitalized only when it increases the future economic benefits / functioning capability from / of such assets.

All other expenses, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the Statement of Profit and Loss.

Gains or losses arising from derecognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

b. Depreciation

Depreciation is charged over the estimated useful life of the fixed assets on a written down value basis in the manner prescribed in schedule II of the Companies Act, 2013.

Depreciation on leasehold improvements is provided for on straight line method over the primary period of lease of premises.

Depreciation on addition / sale of assets during the year is being provided from the date such asset is added or sold, as the case may be.

Assets individually costing less than Rs 5,000/- are fully depreciated in the year of purchase.

The Company has estimated 5% residual value at the end of the useful life for all block of assets.

Notes to financial statements for year ended 31st March, 2019

2.4 Intangible assets and Amortisation

Intangible assets are measured at cost. Costs relating to acquisition and development of computer software are capitalised in accordance with the AS-26. Following initial recognition, intangible assets are carried at cost less accumulated depreciation and impairment, if any. Softwares are amortised using the straight line method over a period of five years. Any expenses on such software for support and maintenance payable annually are charged to the statement of profit and loss.

2.5 Impairment of assets

The Company assesses at the balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset or the cash generating unit ("CGU"). If such recoverable amount of the asset or the recoverable amount of the CGU to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the revised recoverable amount, subject to maximum of the depreciated historical cost.

2.6 Investments

Investments are classified into current investments and long-term investments. Current investments are carried at lower of cost and fair value and long term investments are carried at cost. However, provision is made to recognize decline other than temporary in the carrying amount of long term investments. Unquoted investments in the units of Mutual Funds in nature of current investment are valued at lower of cost or Net Asset Value declared by Mutual Funds in respect of each particular scheme.

2.7 Borrowing costs

Borrowing costs include interest and other ancillary borrowing costs. Ancillary costs incurred for arrangement of borrowings such as loan processing fee, arranger fee, stamping expense and rating expense including annual surveillance fees are period costs and amortized over the tenure of the borrowing. Interest and other related financial charges are recognized as an expense in the period for which they relate as specified in Accounting Standard (AS 16) on "Borrowing Costs".

2.8 Lease

a. Operating Lease

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating leases. Lease rentals under operating leases are recognised in the Statement of Profit and Loss on a straight-line basis over the lease term

2.9 Contingent Provision against standard assets, Provision for Non Performing Assets (NPA) & Doubtful Debts

a. Provision for Non Performing Assets (NPA) & Doubtful Debts

Loans and advances, receivables are identified as bad/ doubtful based on the duration of the delinquency. The duration is set at appropriate levels for each product. Contingent Provision against standard assets, Provision for Non-Performing Assets (NPA) & Doubtful Debts are made based on the management's assessment of the degree of impairment and the level of provisioning which meets the NBFC prudential norms prescribed by Reserve Bank of India.

b. Contingent Provisions against Standard Assets

Contingent provision against standard assets has been made @ 0.40% which is in accordance with Reserve Bank of India ('RBI') guidelines.

2.10 Foreign currency transactions

a. Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

b. Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, shall be translated using the exchange rate at the date when such value was determined.

Notes to financial statements for year ended 31st March, 2019

c. Exchange differences

Exchange differences arising on the settlement of monetary items or on reporting Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or as expenses in the year in which they arise.

2.11 Revenue recognition

a. Interest income

Interest income is recognized on accrual basis except in case of non-performing assets where interest is recognized upon realization as per the RBI guidelines. Repayment of loans is by way of Equated Monthly Instalments (EMI) comprising principal and interest. Interest is calculated on monthly reducing balance in terms of financing scheme opted by the borrower. EMI commences once the entire loan is disbursed. Pending commencement of EMI, pre-EMI interest is charged every month and is accounted on an accrual basis.

b. Fee income

Processing fees are recovered and recognized upfront at the time of disbursement of loan.

Other charges such as cheque bounce charges, late payment charges, SOA charges, Foreclosure statement charges are recognized when there is no significant uncertainty as to determination and realization.

In case of non-performing asset, fees and other charges are recognized upon realisation as per the RBI guidelines.

c. Commission and brokerage income

Commission and brokerage income earned for the services rendered are recognised as and when they are due.

d. Dividend Income

Dividend income is recognised when the shareholders' right to receive payment is established by the balance sheet date. Dividend from the units of mutual funds is recognized on receipt basis in accordance with the RBI guidelines

e. Profit/ loss on sale of Investment

Profit/Loss from investments and disposals made shall be recognized as and when they occur. Gains/Losses occurring due to revaluation of current investments shall be covered as per AS 13 'Accounting of Investment'.

f. Other income

Other income is accounted on accrual basis and as per the terms of the contract when the right to receive is established and there is no significant uncertainty of the receipt.

2.12 Securities Issue Expenses

Security issue expenses related to issuance of equity and debt are debited against securities premium account in accordance with the provisions of Section 52 of the Companies Act, 2013

2.13 Employee benefits

Employee benefits include provident fund, employee state insurance scheme, gratuity and compensated absences.

A. Short Term Employee Benefits

- a. "Short term employee benefits for services rendered by employees shall be recognized in the Statement of Profit and Loss during the period when the services are rendered. 'The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

The cost of short-term compensated absences is accounted as under :

- (i) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- (ii) in case of non-accumulating compensated absences, when the absences occur.

b. Compensatory Payments (Loss of Earned Bonus)

The company amortizes the compensatory payments over the period of twelve months, since amount is recoverable if an employee leaves the organisation within a year.

Notes to financial statements for year ended 31st March, 2019

a. Provident Fund

Defined Contribution Plans

The Company's contribution to provident fund and employee state insurance scheme are considered as defined contribution plans. All eligible employees of the Company are entitled to receive benefits under the provident fund, a defined contribution plan in which both the employee and the Company contribute monthly at a stipulated percentage of the covered employees' salary. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expenditure, when an employee renders the related service.

b. Gratuity

For defined benefit plans in the form of gratuity fund, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost.

c. Employee Stock Option Scheme ('ESOS')

Employees of the Company also receives remuneration in the form of share based payment transactions, whereby employees render services as consideration for equity instruments (equity-settled transactions). Measurement and disclosure of the Employee Share-based Payment plans is done in accordance with Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 and the Guidance Note on Accounting for Employee Share-based Payments, issued by ICAI. The Company measures compensation cost relating to employee stock options using the fair value method. Compensation cost is amortised over the vesting period of the option on a straight line basis. The options which have lapsed are reversed by a credit to Employee compensation cost.

d. New Pension Scheme (NPS)

The company had introduced New Pension Scheme for the employees. Contribution upto limits as defined under Income Tax Act, 1961 is made under NPS.

2.14 Income tax

Income-tax expense comprises current tax (i.e. amount of tax for the period determined in accordance with the income-tax law) and deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the period).

a. Current Tax

Provision for current income-tax is recognized in accordance with the provisions of Income-tax Act, 1961 and is made annually based on the tax liability after taking credit for tax allowances and exemptions.

b. Deferred Tax

Deferred tax is recognized in respect of timing differences between taxable income and accounting income i.e. differences that originate in one period and are capable of reversal in one or more subsequent periods. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognized using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets / liabilities are recognized only to the extent there is reasonable certainty that the assets / liabilities can be realised in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognized only if there is a virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets / liabilities are reviewed as at the each balance sheet date and written down or written-up to reflect the amount that is reasonably / virtually certain (as the case may be) to be realised.

2.15 Provisions,Contingent Liabilities and Contingent Assets

a. Provision

A provision is recognised when the Company has a present obligation as a result of past event and it is probable that outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the

Notes to financial statements for year ended 31st March, 2019

balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

b. Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

c. Contingent Assets

Contingent assets are neither recognized nor disclosed in the financial statements.

2.16 Earnings per share (EPS)

Basic earnings per share is calculated by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit for the year attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

2.17 Cash and Cash equivalent

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

2.18 Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.
