Management Discussion & Analysis Report

Overview

During FY15-16, the Indian economy grew at a respectable rate, despite the challenges of a subdued monsoon. The revival of economic growth and a return to market pricing of fuels resulted in an improvement in business sentiment in the oil and gas sector. However, the rapid decline in international oil prices brought about some uncertainty in the fourth quarter in all petroleum and petrochemical products resulting in lower imports during that period. With a more stable oil price, both imports and exports of bulk liquids have subsequently stabilized. The demand for LPG continued to show robust growth and the Group benefitted from the capital investments in new LPG capacity made in the previous financial year at Pipavav and from operational improvements at the Mumbai LPG terminal. This resulted in an excellent performance in our gas terminalling business. The Group's performance improved from last year with Profit after Tax rising to Rs. 126.14 Cr. (previous year Rs. 89 Cr., excluding one time capital gain).

The liquid terminalling business of the Group benefitted from full capacity utilization at its facilities in Haldia, high capacity utilisation at the Kochi terminal and better utilisation of the Pipavav liquids terminal. The gas terminalling business performed extremely well with the addition of Indian Oil Corporation as a key customer, with record throughput of LPG at both Pipavav and Mumbai. Sourcing volumes were lower due to delays in the registration of Aegis Group International Pte. Ltd. (AGI) as an approved international vendor.

With the rationalization of LPG subsidies resulting in a decrease in the diversion of subsidized LPG to the transport and commercial sector, the volume performance of the gas retail and distribution business improved by 15%, with a commensurate rise in gross margins.

With several new projects under implementation, both liquid and gas terminals operating at higher

utilization, and several rail and pipeline logistics investments under way, the Group is poised for higher growth in the medium term.

Industry Structure and Development

The Group is engaged in the terminalling of oil products, chemicals and liquefied gases, sourcing of LPG and retailing and distribution of LPG. These sectors require specialized infrastructure at key ports such as specialized berths, fire fighting equipment, pipelines, transit storage and handling facilities and above all, safe and environmentally responsible handling practices. The terminalling, retail and distribution industry in India has many participants, but only a select few possess the necessary technical and safety credentials as well as the infrastructure to benefit from the long-term prospects for an increase in Indian imports and exports of oil products, chemicals and liquefied gases. Fortunately, the Aegis Group is positioned well for this.

The oil and gas industry comprises three major components: upstream, midstream and downstream. The upstream segment comprises Exploration and Production (E&P) activities, the midstream segment is involved in storage and transportation of crude oil and gas and the downstream segment is engaged in refining, production of petroleum products and processing, storage, marketing and transportation of the commodities such as crude oil, petroleum products and gas. The Group is engaged in both the midstream and downstream segments.

As energy consumption increases in India, growth in demand is likely to require sophisticated and safe logistics services. Deregulation of the oil sector will lead to new entrants in the petroleum retailing and bulk marketing requiring the need for integrated logistics services. The Group also services the terminalling requirements of bulk liquid chemical importers and exporters through its five bulk liquids terminals.

The increasing importance of new private ports such as Pipavav in Gujarat and several new ones along the east coast of India will continue to challenge the dominance of older, less efficient ports. As importers and exporters face ever increasing cost pressures, those ports which have made investments in infrastructure will benefit from the increase in traffic arising from India’s imports and exports of oil products, chemicals and liquefied gases.

Rs. 102.38 Cr. for the year (previous year Rs. 97.39 Cr.), a rise of 5.12%. The performance of the Kochi terminal has improved and is expected to perform even better with the coastal movement of petrol and diesel. Future growth in this division will come from the new capacity being built at Haldia with its storage capacity of 60,190 KL increasing to 85,190 KL, from better capacity utilization of the liquid terminal at Pipavav, and from the new 100,000 KL liquid terminal project under implementation at

Liquid Logistics Division

Liquid terminalling revenues were at an all time high of Rs. 170.60 Cr. (previous year Rs. 153.40 Cr.) for the year, an increase of 11%. Normalized EBITDA of the division was also at a record of

Kandla. The Mumbai terminals benefitted from the commissioning of the second chemical berth at Pir Pau with faster turnaround of vessels.

Gas Division

Aegis Group captures the complete logistics value chain starting from sourcing, terminalling to retail distribution of LPG. In 2015-16, the division recorded smaller revenues of Rs. 2042.62 Cr. (previous year Rs. 3,762.60 Cr.) due to the decline in international LPG prices. Sourcing volumes also declined marginally due to the delay in the registration of AGI as an international vendor, but gas throughput volumes increased significantly at both Mumbai and Pipavav due to the sharp increase in demand for LPG, driven by the increasing penetration into the rural areas. Distribution volumes also improved compared with the previous year. The normalized EBITDA for the gas division increased to Rs. 121.23 Cr. compared

with the previous year Rs. 84.65 Cr. as the higher throughput volumes resulted in stronger margins. The same applied in the distribution business, with better margins in the second half of the year. The commissioning of an additional 2700 MT of LPG storage capacity at Pipavav in March 2016 and the operational debottlenecking at the Mumbai LPG terminal will help to boost LPG throughput in 2016-17.

New Developments

Aegis Group is implementing a fully refrigerated LPG terminal, along with associated infrastructure at its facilities at Haldia Dock Complex, West Bengal. The unit will have a static storage capacity of 25,000 MT with a throughput capacity of 1,500,000 MT per annum. The terminal construction is underway with all the requisite environmental permits secured and is expected to be commissioned in mid 2017.

New liquid tanks under construction at Haldia

The Group has been allotted 20 acres of land at Kandla Port will build a new 100,000 KL liquids terminal as a gateway to the north of India. This will mark the fifth port in the necklace of terminals around the coastline of India. Land has also been secured at New Mangalore port in expectation of further opportunities.

The retail and distribution business has entered into an understanding with Essar Oil to offer petrol and diesel at Aegis branded autogas outlets which should result in a more diversified and robust revenue stream for the current and future Aegis dealer network.

Opportunities & Threats

The Indian economy is a net importer of almost all forms of energy. This fact, coupled with the country's growing energy demand, has intensified the need for actively seeking private participation in the energy chain to bring in the required investment and technologies. There is therefore a huge potential for the expansion of pipelines, transportation and infrastructure.

LPG demand continues to rise at the rate of 6-7% per annum due to the rural penetration of LPG on a pan-India basis and the full impact of expected policy reforms curbing illegal diversion of cooking gas and deregulation of diesel and petrol prices. Additional infrastructure for handling of LPG needs to be built and Aegis intends to participate in this process.

The main threat and opportunity to the LPG industry arise from changes in government policy with regards to subsidized pricing of LPG and its substitutes. The main threat to the port based liquid terminalling business arises from changes to government policies on coastal regulations and inadequate port infrastructure.

Future Business Outlook

Terminalling and handling of liquids and gases is the main expertise of the Aegis Group and provides an important and stable source of Group profits by way of terminalling fees. This pattern is expected to continue in the future. With several projects planned in both Liquid and LPG terminals, the future business outlook is positive.

Fire safety drills at Mumbai terminal

Internal Controls Systems and Adequacy

The Company has a proper and adequate system of internal controls to ensure that all the assets are safeguarded, protected against loss from unauthorized use or disposition and that transactions are authorized, recorded and reported correctly. The company conducts audits of various departments based on an annual audit plan through an independent internal auditor and reports significant observations along with 'Action Taken Reports' to the Audit Committee from time to time. The views of the statutory auditors are also considered to ascertain the adequacy of the internal control system.

The Company regularly updates its risk management policy to protect the property, earnings and personnel of the Company against losses and legal liabilities that might be incurred due to various risks.

Occupational Health, Safety and Environment

The emphasis on OHSE continues at all of the operations of the Group throughout India. The Company is committed to the best standards in safety and continuously monitors matters related

to this. In addition to monthly reviews by the management, the Company has formed a high-level committee comprising of five directors and other Company executives, wherein matters concerning the subject are discussed. Safety drills are regularly carried out at all the Group's main facilities.

Human Resources Development

Aegis Group employs over 500 people. As the Company is growing fast, the emphasis is now on competence development of young managers and recruitment of middle management in specific areas to take care of the future growth envisaged in the business.

Risks and Concerns

Inordinate delays in renewing licenses and permits take a significant amount of time and resources which could be deployed more productively. Project timelines could be extended due to the lengthy and complex process for securing environmental permits.

Corporate Social Responsibility

Aegis Group sponsors ANaRDe Foundation, a government accredited NGO. Acting through this Foundation, Aegis has continued to work actively in the area of rural development and poverty alleviation. The Foundation has been engaged in a focused initiative for the benefit of rural communities in India, including rural housing and sanitation, water resource management and financial inclusion. The Group contributes over Rs. 2.2 Crores per annum to ANaRDe Foundation in order to fulfill its corporate social responsibility.

Explanatory Statement pursuant to the provisions of section 102 of the Companies Act, 2013

Item No. 5

As per the provisions of Section 149 of the Companies Act, 2013 read with rules made there under and pursuant to regulation 17 of the SEBI (Listing Obligations & Disclosure Requirement) Regulations, 2015, the Company should have atleast one woman director.

In view of the above, the Board of Directors of the Company on recommendation of the Nomination and Remuneration Committee have appointed Ms. Poonam Ravi Kumar as an Additional Director (category Independent) of the Company with effect from 11th August, 2015.

In terms of the provisions of Section 161(1) of the Act, Ms. Poonam Ravi Kumar would hold office up to the date of the ensuing Annual General Meeting. The Company has received a notice in writing from a member alongwith the deposit of requisite amount under Section 160 of the Act proposing the candidature of Ms. Poonam Ravi Kumar for the office of Independent Director of the Company.

Ms. Poonam Ravi Kumar is not disqualified from being appointed as a Director in terms of Section 164 of the Act and has given her consent to act as a Director.

Section 149 of the Act *inter alia* stipulates the criteria of independence should a company propose to appoint an independent director on its Board. Based on the declarations received from Ms. Poonam Ravi Kumar in terms of section 149(7) of the Companies Act, 2013, the Board is of the opinion that she meets with the criteria of independence and she possesses appropriate skills, experience and knowledge, *inter alia*, in the field of corporate governance, international business, market development and cross border socio-cultural integration.

Brief resume of Ms. Poonam Ravi Kumar, nature of her expertise in specific functional areas and names of companies in which she holds directorships and memberships are provided in the Corporate Governance Report forming part of the Annual Report.

Keeping in view her vast expertise and knowledge, it will be in the interest of the Company that Ms. Poonam Ravi Kumar is appointed as an Independent Director.

Copy of the draft letter for appointment of Ms. Poonam Ravi Kumar as an Independent Director setting out the terms and conditions is available for inspection by members at the Registered Office of the Company during normal working hours on working days.

Save and except Ms. Poonam Ravi Kumar none of the other Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution set out at Item No. 5 of the Notice.

The Board commends the Ordinary Resolution set out at Item No. 5 of the Notice for approval by the shareholders.

Item No. 6

The Board of Directors at its meeting held on 10th March, 2016 on recommendation by the Nomination and Remuneration Committee appointed Mr. Raj Kishore Singh as an Additional director of the Company under section 161 of the Companies Act, 2013.

Pursuant to the provisions of Section 161 of the Act, being an Additional Director, Mr. Raj Kishore Singh will hold office up to the date of the ensuing Annual General Meeting (“AGM”) and is eligible to be appointed a Director of the Company. The Company has received notice in writing under Section 160 of the Act from a member proposing the candidature of Mr. Raj Kishore Singh for the office of Director.

Mr. Raj Kishore Singh is not disqualified from being appointed as a Director in terms of Section 164 of the Act and has given his consent to act as a Director.

In the opinion of the Board, Mr. Raj Kishore Singh is a person of integrity and possesses relevant subject matter expertise in all matters of oil business. He has also occupied Board Level position of Chairman & Managing Director and Director for over 7 years of Navratna and Fortune 500 listed Company Bharat Petroleum Corporation Limited (BPCL). Brief resume of Mr. Raj Kishore Singh, nature of his expertise in specific functional areas and names of companies in which he holds directorships are provided in the Corporate Governance Report forming part of the Annual Report.

Keeping in view his vast expertise and knowledge, it will be in the interest of the Company that Mr. Raj Kishore Singh is appointed as a Director on the Board of the Company.

Except for Mr. Raj Kishore Singh, none of the Directors and Key Managerial Personnel (KMP) or relatives of directors and KMPs are concerned or interested in the Resolution at Item No. 6 of the accompanying Notice.

The Board recommends the Ordinary Resolution set out at Item No. 6 of the Notice for approval by the shareholders.

Item No. 7

Pursuant to the provisions of Section 20 of the Companies Act, 2013 read with the rules made thereunder, a member may request for delivery of any documents through any particular mode as stated by the member of the Company for which he shall pay fees as may be determined by the company with the consent of its members at annual general meeting.

In view of the same, it is considered proper to authorize its Directors and Key Managerial Personnel severally to determine and charge such amount as may be deemed fit from time to time as an advance amount being equivalent to the actual or estimated expenses for the delivery of the documents to the members in a mode specified by them.

None of the Directors and Key Managerial Personnel (KMP) or relatives of directors and KMPs are concerned or interested in the Resolution at Item No. 7 of the accompanying Notice.

The Board recommends the Ordinary Resolution set out at Item No. 7 of the Notice for approval by the shareholders.

Operating Performance:

Company Standalone

Revenue from operations increased marginally by 3.51% at Rs. 357.35 crores (previous year Rs. 345.22 crores). The Gross Profit (before net interest, depreciation, tax, hedging cost & foreign exchange loss (gain), PBIDT decreased to Rs.93.19 crores (previous year Rs. 156.66 crores) on account of lower other income. Profit before Tax was lower at Rs.73.90 crores (previous year Rs. 132.54 crores) and Profit after Tax decreased to Rs. 53.87 crores (previous year Rs. 107.83 crores) due to lower other income.

Group Consolidated

The Operating performance of the Group has shown improvement. The Revenue for the year decreased to Rs. 2213.22 crores (previous year Rs. 3916.00 crores) on account of lower commodity prices. The Profit before Tax for the year rose to Rs. 152.67 crores (previous year Rs. 142.22 crores) an increase of 7.35% on year on year basis. The Profit after Tax for the year rose to Rs. 126.14 crores (previous year Rs. 112.31 crores), an increase of 12.31% on year on year basis.

Liquid Segment

Revenues of the group for Liquid Division were higher for the year by 11.21% at Rs. 170.60 crores (previous year Rs. 153.40 crores) due to better capacity utilization. Normalised EBITDA increased to Rs. 102.38 crores compared to Rs. 97.39 crores in previous year, an increase of 5.12%. The revenues and margins continued to remain strong.

Gas Segment

The revenue for Gas Division during the year was Rs. 2042.62 crores (previous year Rs. 3762.60 crores) on account of lower LPG prices. The normalized EBITDA increased to Rs. 121.23 crores as compared to Rs. 84.65 crores in previous year, mainly due to improved margins and higher throughput volumes.

Outlook for the Group

The oil, gas and chemical logistics business continues to show good potential as India's import and exports of oil products, LPG and chemicals increase.

The company is poised to take advantage of this growth by operating its newly established facilities at Haldia and Pipavav at higher rates of capacity utilization. A new LPG terminal is under construction at Haldia and a new liquids terminal is planned at Kandla.

Dividend

The company continues to evaluate and manage its dividend policy to build long term shareholder value. The Directors recommended three interim dividends during the financial year ended 31st March, 2016 aggregating to total dividend of 90% i.e. Rs. 0.90 per share of Rs. 1/- each (previous year Rs. 7.25 per share of Rs. 10/- each).

New Projects and Expansion

In light of increased demand for LPG in the region, the company recently tripled its LPG storage capacity at Pipavav to 8,100 MT. This additional capacity will be available for use in FY 2016-17.

The Company is setting up a fully refrigerated LPG terminal at Haldia Dock Complex, West Bengal, with a static storage capacity of 25,000 MT and throughput capacity of 1,500,000 MT per annum. Terminal construction is underway with all the requisite environmental permits secured and is expected to be

commissioned in 2017-18. This will be the largest LPG terminal in the Aegis portfolio. The Company has also signed a 20 year Memorandum of Understanding (MoU) with a large public sector unit as the anchor customer for use of this terminal.

The Company is expanding its Haldia liquids terminal by adding 25,000 KL of storage capacity which is expected to be commissioned in Q4 FY16-17.

The Company has initiated a project of debottlenecking of Mumbai LPG terminal by connecting it by pipeline to the Uran-Chakan cross country LPG pipeline. This will result in increased throughput capacity and less road movement of LPG.

In Kandla, the Company is building 100,000 KL of liquid capacity for chemicals and petrochemicals, which is expected to be commissioned in Q1 FY 17-18.

The company continues to look for opportunities to lease or acquire land at major and minor ports in India.

Allotment of Land at Ports

Aegis Group is continuing with its strategy of adding more terminals to its portfolio, offering its customers logistics services at every major gateway into and out of India. With the additional land allotments, Aegis Group is continuing its strategy of building a necklace of port terminals around India's coast line. The company already has additional land at the key ports of Pipavav, Haldia, New Mangalore, Kandla and Kochi available for new projects and will continue to evaluate new opportunities for land at all ports.

Credit Rating

The credit rating agency, Credit Analysis and Research Ltd. (CARE) has continued to assign a short term credit rating of 'A1+' (A One Plus) and long term rating of 'AA-' (Double A Minus).

India Ratings and Research (Ind-Ra) has assigned the Company a Long-Term Issuer Rating of 'IND AA'. The Outlook is Stable.

b. Board procedure and Access to information

The Board of Directors (the "Board") is responsible for the management of the business of the Company and meets regularly for discharging its role and functions.

The Board of the Company reviews all information provided periodically for discussion and consideration at its meetings as provided under the Companies Act, 2013 (including any amendment and re-enactment thereof) and Schedule II (Part A) of SEBI LODR. Further, the Board is also apprised of all the developments in the Company.

Detailed Agenda is circulated to the Directors in advance. All material information is incorporated in the agenda for facilitating meaningful and focused discussion at the meetings. Where it is not practicable to enclose any document to the agenda, the same is placed before the meeting. In special and exceptional circumstances, additional item(s) on the agenda are permitted to be discussed at the Meeting.

Board makes timely strategic decisions, to ensure operations are in line with strategy; to ensure the integrity of financial information and the robustness of financial and other controls; to oversee the management of risk and review the effectiveness of risk management processes; and to ensure that the right people are in place and coming through. Non-executive directors are expected to provide an effective monitoring role and to provide help and advice to the executive directors. This is in the long term interest of the company and should be based on the optimum level of information, through smooth processes, by people with the right skills mix and in a constructive manner. The Independent Directors play an important role in deliberations at the Board and Committee meetings and bring to the Company their expertise in the fields of business, commerce, finance, management and law.

Independent Auditor's Report

To the Members of Aegis Logistics Limited

Report on the Standalone Financial Statements

1 We have audited the accompanying standalone financial statements of AEGIS LOGISTICS LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

2 The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error

Auditor's Responsibility

3 Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under section 143 (11) of the Act

4 We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

5 An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

6 We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

7 In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2016, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

8 As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards prescribed under section 133 of the Act, as applicable.
- (e) On the basis of the written representations received from the directors as on 31st March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure A”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.
- (g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements in accordance with the generally accepted accounting practice (Also refer note 31 of the financial statements);
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses under the applicable law or accounting standards;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

9 As required by the Companies (Auditor’s Report) Order, 2016 (“the Order”) issued by the Central Government in terms of Section 143(11) of the Act, we give in “Annexure B” a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure “A” to the Independent Auditor’s Report

(Referred to in paragraph 8 (f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

1 We have audited the internal financial controls over financial reporting of Aegis Logistics Limited (“the Company”) as of 31st March, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

2 The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

3 Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

4 Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5 We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

6 A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial

statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7 Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8 In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure “B” to the Independent Auditor's Report

(Referred to in paragraph 9 under 'Report on Other Legal and Regulatory Requirements' of our report of even date)

- 1** (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.

(b) The fixed assets were physically verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such verification.

(c) According to the information and explanations given to us and the records examined by us and based on the examination of the registered sale deed provided to us, we report that, the title deeds, comprising all the immovable properties of land and buildings which are freehold, are held in the name of the Company as at the balance sheet date. Immovable properties of land and buildings whose title deeds have been pledged as security for loans are held in the name of the Company based on the confirmations directly received by us from lenders. In respect of immovable properties of land that have been taken on lease and disclosed as fixed asset in the financial statements, the lease agreements are in the name of the Company, where the Company is the lessee in the agreement.
- 2** As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals and no material discrepancies were noticed on physical verification.
- 3** According to the information and explanations given to us, the Company has granted unsecured interest free loans to companies covered in the register maintained under section 189 of the Companies Act, 2013, in respect of which:

 - (a) The terms and conditions of the grant of such loans are, in our opinion, *prima facie*, not prejudicial to the Company's interest
 - (b) The schedule of repayment of principal has been stipulated and repayments or receipts of principal amounts have been regular as per stipulations.
 - (c) There is no overdue amount remaining outstanding as at the year-end.

Notes to the Financial Statements for the Year Ended 31st March, 2016

1 Significant Accounting Policies:

1.1 Basis of preparation of Financial Statements:

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards prescribed under Section 133 of the Companies Act, 2013, and the relevant provisions of the Companies Act, 2013 (“the 2013 Act”) / Companies Act, 1956 (“the 1956 Act”), as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

All assets and liabilities have been classified as current or non-current as per the Company’s normal operating cycle and other criteria set out in the revised schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has determined its operating cycle as twelve months for the purpose of current - non current classification of assets and liabilities.

1.2 Use of Estimates:

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/materialise.

1.3 Fixed Assets:

Tangible Fixed Assets:

Fixed assets are carried at cost less accumulated depreciation and impairment losses, if any. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use. They are stated at historical costs.

Intangible Assets:

Intangible Assets are stated at cost of acquisition less accumulated amortization and impairment losses, if any.

1.4 Depreciation on Fixed Assets:

- i) Depreciation on Tangible Fixed Assets is provided on original cost of Fixed Assets on straight line method at the rates and in the manner prescribed in Schedule II to the Companies Act, 2013.
- ii) Depreciation on additions to fixed assets during the year has been provided on prorata basis from the date of such additions. Depreciation on assets sold, discarded or demolished has been provided on pro-rata basis.

iii) Lease hold Land has been amortized over the primary period of the lease on straight line basis.

iv) Computer software is amortized on straight line basis over a period of its estimated useful life, however not exceeding 5 years.

1.5 Impairment of Assets:

An asset is treated as impaired when the carrying cost of asset exceeds its Recoverable Amount. Recoverable Amount is higher of an asset's Net selling price or its Value in Use. Value in Use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. Net Selling Price is the amount obtainable from the sale of an asset in an arms length transaction between knowledgeable, willing parties, less the cost of disposal.

An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired.

1.6 Investments:

Non-current Investments are shown at cost. However, when there is a decline, other than temporary, in the value of a non-current investment, the carrying amount is reduced to recognize the decline.

Current Investments are carried at lower of cost and fair value, computed category wise.

Investment in shares of a Company registered outside India is stated at cost by converting at the rate of exchange prevalent at the time of acquisition thereof.

1.7 Inventories:

Inventories are valued at cost and the Net Realizable Value whichever is less. Cost is determined by using the First In First Out formula. Cost comprises all costs of purchase, cost of conversion and cost incurred to bring inventories to their present location and condition other than those subsequently recoverable by the Company from tax authorities.

1.8 Revenue Recognition:

Sales of goods:

Sales are recognized on transfer of significant risks and rewards, which generally coincides with the delivery of goods to customers. Sales turnover is net of trade discounts and excludes sales tax and value added tax.

Income from services:

Service revenue is recognized based on contract terms and on time proportion basis as applicable and excludes service tax.

1.9 Dividend And Interest Income:

Interest Income is recognized on time proportion basis taking into account the amount outstanding and the applicable interest rates. Dividend income is recognized when the right to receive the dividend is established.

1.10 Employee Benefits:

Employee benefits include salary, wages, performance bonus, employee state insurance, and contribution to provident fund, family pension fund, superannuation fund, gratuity and compensated absences to eligible employees.

Short term employee benefits like salary, wages, performance bonus etc. are recognized and charged to Statement of Profit and Loss when the employee renders the services.

Contribution to defined schemes such as Provident Fund, Family Pension Fund, Superannuation Fund (in the case of eligible employees) and Employees' State Insurance Scheme are charged to the Statement of Profit and Loss as incurred.

Company's liability towards gratuity is determined by actuarial valuation carried out by the independent actuary as at each balance sheet date and is fully provided for in the Statement of Profit and Loss on the basis of aforesaid valuation. The actuarial valuation method used for measuring the liability is the Projected Unit Credit method.

The liability for compensated absences is determined by actuarial valuation carried out by the independent actuary as at each balance sheet date and provided for in the Statement of Profit and Loss as incurred in the year in which services are rendered by employees. The actuarial valuation method used for measuring the liability is the Projected Unit Credit method.

The actuarial gains and losses are recognized immediately in the Statement of Profit and Loss.

1.11 Foreign Currency Transactions:

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction. Monetary items denominated in foreign currencies are restated at the exchange rate prevailing on the balance sheet date. Exchange differences arising on settlement of the transaction and on account of restatement of monetary items are dealt with in the Statement of Profit and Loss.

Forward exchange contracts entered into to hedge the foreign currency risk and outstanding as on balance sheet date are translated at yearend exchange rates. The premium or discount arising at the inception of such forward exchange contracts are amortized as income or expense over the life of the contract.

Gains / Losses on settlement of transactions arising on cancellation/renewal of forward exchange contracts are recognized as income or expense.

1.12 Operating Lease Rentals:

Assets acquired on lease where all significant risks and rewards of ownership are retained by the lessor are classified as operating leases. Lease Rentals are charged to the Statement of Profit and Loss on straight line basis over the lease term.

1.13 Borrowing Cost:

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Statement of Profit and Loss.

1.14 Taxes on Income:

Income Taxes are accounted for in accordance with Accounting Standard (AS 22) – Accounting for Taxes on Income, notified under the Companies (Accounting Standards) Rules, 2006. Income Tax comprises both current and deferred tax.

Current tax is measured at the amount expected to be paid to the revenue authorities, using applicable tax rates and laws.

The tax effect of the timing differences that result between taxable income and accounting income and are capable of reversal in one or more subsequent periods are recorded as a deferred tax asset or deferred tax liability. They are measured using the substantively enacted tax rates and tax regulations as of the Balance Sheet date.

Deferred tax assets on unabsorbed depreciation and carry forward of losses are recognized only to the extent there is a virtual certainty of its realization.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognized as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

1.15 Service Tax Input Credit:

Service tax input credit is accounted for in the books in the period in which the underlying service is received and when there is no uncertainty in availing/utilizing the credits.

1.16 Provisions, Contingent Liabilities and Contingent Assets:

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognized but are disclosed in the notes.

Claims in respect of which the Company is of the opinion that they are frivolous or is legally advised that they are unsustainable in law are not considered as contingent liability as the possibility of an outflow of resources embodying economic benefits is remote. Contingent Assets are neither recognized nor disclosed in the financial statements.

1.17 Cash and Cash Equivalents (For the Purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

1.18 Cash Flow Statement:

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

33 Segment Reporting – Basis of preparation:

The Company has identified two reportable business segments (Primary Segments) viz. Liquid Terminal Division and Gas Terminal Division.

Liquid Terminal Division undertakes storage & terminalling facility of Oil & Chemical products.

Gas Terminal Division relates to imports, storage & distribution of Petroleum products viz. LPG, Propane etc.

Segments have been identified and reported taking into account, the nature of products and services, the differing risks and returns and the internal business reporting systems.

The accounting policies adopted for the segment reporting are in line with the accounting policies of the company with the following additional policies for the segment reporting:

(a) Revenue and expenses have been identified to segment on the basis of their relationship to the operating activities of the segment. Revenue and expenses which relate to the enterprise as a whole and are not allocable to segment on a reasonable basis have been disclosed as “Other unallocable expenditure (net)”.

(b) Segment assets and segment liabilities represent assets and liabilities in respective segments. It excludes investments, tax related assets and other assets and liabilities which cannot be allocated to a segment on a reasonable basis and hence have been disclosed as "Other unallocable assets/liabilities".

(c) The Company does not have material earnings emanating from outside India. Hence, the company is considered to operate in only the domestic geographical segment.

Independent Auditor's Report

To the Members of Aegis Logistics Limited

Report on the Consolidated Financial Statements

1 We have audited the accompanying consolidated financial statements of AEGIS LOGISTICS LIMITED (hereinafter referred to as “the Holding Company”) and its subsidiaries (the Holding Company and its subsidiaries together referred to as “the Group”), comprising of the Consolidated Balance Sheet as at 31st March, 2016, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as “the consolidated financial statements”)

Management's Responsibility for the Consolidated Financial Statements

2 The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as “the Act”) that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

3 Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

4 We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

5 An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

6 We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

7 In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2016, and their consolidated profit and their consolidated cash flows for the year ended on that date.

Other Matters

8 We did not audit the financial statements of eight subsidiaries, whose financial statements reflect total assets of Rs. 39,453.30 lacs as at 31st March, 2016, total revenues of Rs. 64,521.34 lacs and net cash flows amounting to Rs. 1,081.93 lacs for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below is not modified in respect of the above matter with respect to our reliance on the work done and the reports of the other auditors

Report on Other Legal and Regulatory Requirements

9 As required by Section 143(3) of the Act, we report, to the extent applicable, that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.

(b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.

(c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.

(d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards prescribed under Section 133 of the Act.

(e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2016 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on 31st March, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.

(f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our Report in “Annexure A”, which is based on the auditors’ reports of the Holding company and subsidiary companies incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Holding company’s/subsidiary company incorporated in India’s internal financial controls over financial reporting.

(g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditor’s) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group in accordance with the generally accepted accounting practice – Also refer Note 34 to the consolidated financial statements.
- ii. The Group did not have any on long-term contracts (including derivative contracts) for which a provision is required for material foreseeable losses under the applicable law or accounting standards.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the holding company. In respect of the subsidiary companies incorporated in India, there were no amounts which were required to be transferred to the Investor Education and Protection Fund.

Annexure “A” to the Independent Auditor’s Report

(Referred to in paragraph 9(f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

1 We have audited the internal financial controls over financial reporting of Aegis Logistics Limited (hereinafter referred to as “the Holding Company”) and its subsidiary companies which are companies incorporated in India in conjunction with our audit of the consolidated financial statements of the Holding Company for the year ended 31st March, 2016.

Management’s Responsibility for Internal Financial Controls

2 The respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (“the Guidance Note”) issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

3 Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company and its subsidiaries, which are incorporated in India based on our audit. We conducted our audit in accordance with the Guidance Note issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

4 Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5 We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies, which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the aforesaid entities.

Meaning of Internal Financial Controls Over Financial Reporting

6 A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7 Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8 In our opinion to the best of our information and according to the explanations given to us and taking into consideration the reports of the other auditors referred to in the Other Matters paragraph below, the Holding Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2016, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

Other Matters

9 Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to six subsidiary companies, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

Notes to the Consolidated Financial Statements for the Year Ended 31st March, 2016

1 Principles of Consolidation:

The consolidated financial statements relate to Aegis Logistics Limited (“the Company”) and its subsidiaries, which together constitute the Group. The consolidated financial statements have been prepared on the following basis:

- (i) The financial statements of the subsidiary companies used in the consolidation are drawn upto the same reporting date as that of the Company i.e., 31 March, 2016.
- (ii) The financial statements of the Company and its subsidiary companies are combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and intra-group transactions resulting in unrealized profits or losses in accordance with Accounting Standard (AS- 21) “Consolidated Financial Statements”.
- (iii) Minority Interest’s share of net profit/loss of consolidated subsidiaries for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the Company.
- (iv) Minority Interest’s share of net assets of consolidated subsidiaries is identified and presented in the consolidated balance sheet separate from liabilities and the equity of the Company’s shareholders.
- (v) The difference between the cost of investment in the subsidiaries and the share of net assets at the time of acquisition of shares in the subsidiaries is identified in the financial statements as Goodwill or Capital Reserve as the case may be.
- (vi) The consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and appropriate adjustments are made to the financial statements of subsidiaries when they are used in preparing the consolidated financial statements that are presented in the same manner as the Company’s separate financial statements.

2 The list of the subsidiaries of the Company which are included in the consolidation and the Group’s holding therein are as under:

	Name of Subsidiary	Country of Incorporation	Percentage Holding-Share
(i)	Sea Lord Containers Limited	India	75%
(ii)	Konkan Storage Systems (Kochi) Private Limited	India	100%
(iii)	Eastern India LPG Co Private Limited	India	100%
(iv)	Aegis Group International Pte. Limited	Singapore	60%
(v)	Aegis Gas (LPG) Private Limited	India	100%
(vi)	Hindustan Aegis LPG Limited	India	100%
(vii)	Aegis International Marine Services Pte. Limited	Singapore	100%
(viii)	Aegis LPG Logistics (Pipavav) Limited	India	100%
(ix)	Aegis Terminal Pipavav Limited	India	100%

3 Significant Accounting Policies:

3.1 Basis of Preparation of Financial Statements:

The financial statements of the Group have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards prescribed under Section 133 of the Companies Act, 2013, and the relevant provisions of the Companies Act, 2013 (“the 2013 Act”)/Companies Act, 1956 (“the 1956 Act”), as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

All assets and liabilities have been classified as current or non-current as per the Group’s normal operating cycle and other criteria set out in the revised schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Group has determined its operating cycle as twelve months for the purpose of current - non current classification of assets and liabilities.

3.2 Use of Estimates:

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known/materialize.

3.3 Fixed Assets:

Tangible Fixed Assets:

Fixed assets are carried at cost less accumulated depreciation/amortization and impairment losses, if any. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use. They are stated at historical costs.

Intangible Assets:

Intangible Assets are stated at cost of acquisition less accumulated amortization and impairment losses, if any.

3.4 Depreciation on Fixed Assets:

- i) Depreciation on Tangible Fixed Assets is provided on original cost of Fixed Assets on straight line method at the rates and in the manner prescribed in Schedule II to the Companies Act, 2013.
- ii) Depreciation on additions to fixed assets during the year has been provided on pro-rata basis from the date of such additions. Depreciation on assets sold, discarded or demolished has been provided on pro-rata basis.
- iii) Lease hold Land has been amortized over the primary period of the lease on straight line basis.
- iv) Computer software is amortized on straight line basis over a period of its estimated useful life, however not exceeding 5 years.

3.5 Impairment of Assets:

An asset is treated as impaired when the carrying cost of asset exceeds its Recoverable Amount. Recoverable Amount is higher of an asset's Net selling price or its Value in Use. Value in Use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. Net Selling Price is the amount obtainable from the sale of an asset in an arms length transaction between knowledgeable, willing parties, less the cost of disposal.

An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired.

3.6 Investments:

Non-current Investments are shown at cost. However, when there is a decline, other than temporary, in the value of a non-current investment, the carrying amount is reduced to recognize the decline.

Current Investments are carried at lower of cost and fair value, computed category wise.

3.7 Inventories:

Inventories are valued at cost and the Net Realizable Value whichever is less. Cost is determined by using the First In First Out formula. Cost comprises all costs of purchase, cost of conversion and cost incurred to bring inventories to their present location and condition other than those subsequently recoverable by the Company from tax authorities.

3.8 Revenue Recognition:**Sales of goods:**

Sales are recognized on transfer of significant risks and rewards, which generally coincides with the delivery of goods to customers. Sales turnover is net of trade discounts and excludes sales tax and value added tax.

Income from services:

Service revenue is recognized based on contract terms and on time proportion basis as applicable and excludes service tax.

3.9 Dividend and Interest Income:

Interest Income is recognized on time proportion basis taking into account the amount outstanding and the applicable interest rates. Dividend income is recognized when the right to receive the dividend is established.

3.10 Employee Benefits:

Employee benefits include salary, wages, performance bonus, employee state insurance, and contribution to provident fund, family pension fund, superannuation fund, gratuity and compensated absences to eligible employees.

Short term employee benefits like salary, wages, performance bonus etc. are recognized and charged to Statement of Profit and Loss when the employee renders the services.

Contribution to defined schemes such as Provident Fund, Family Pension Fund, Superannuation Fund (in the case of eligible employees) and Employees' State Insurance Scheme are charged to the Statement of Profit and Loss as incurred.

Company's liability towards gratuity is determined by actuarial valuation carried out by the independent actuary as at each balance sheet date and is fully provided for in the Statement of Profit and Loss on the basis of aforesaid valuation. The actuarial valuation method used for measuring the liability is the Projected Unit Credit method.

The liability for compensated absences is determined by actuarial valuation carried out by the independent actuary as at each balance sheet date and provided for in the Statement of Profit and Loss as incurred in the year in which services are rendered by employees. The actuarial valuation method used for measuring the liability is the Projected Unit Credit method. Short term compensated absences, if any, are estimated and provided for.

The actuarial gains and losses are recognized immediately in the Statement of Profit and Loss.

3.11 Foreign Currency Transactions:

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction. Monetary items denominated in foreign currencies are restated at the exchange rate prevailing on the balance sheet date. Exchange differences arising on settlement of the transaction and on account of restatement of monetary items are dealt with in the Statement of Profit and Loss.

Forward exchange contracts entered into to hedge the foreign currency risk and outstanding as on balance sheet date are translated at yearend exchange rates. The premium or discount arising at the inception of such forward exchange contracts are amortized as income or expense over the life of the contract.

Gains/Losses on settlement of transactions arising on cancellation/renewal of forward exchange contracts are recognized as income or expense.

3.12 Operating Lease Rentals:

Assets acquired on lease where all significant risks and rewards of ownership are retained by the lessor are classified as operating leases. Lease Rentals are charged to the Statement of Profit and Loss on straight line basis over the lease term.

3.13 Borrowing Cost:

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Statement of Profit and Loss.

3.14 Taxes on Income:

Income Taxes are accounted for in accordance with Accounting Standard (AS 22) – Accounting for Taxes on Income, notified under the Companies (Accounting Standards) Rules, 2006. Income Tax comprises both current and deferred tax.

Current tax is measured at the amount expected to be paid to the revenue authorities, using applicable tax rates and laws.

The tax effect of the timing differences that result between taxable income and accounting income and are capable of reversal in one or more subsequent periods are recorded as a deferred tax asset or deferred tax liability. They are measured using the substantively enacted tax rates and tax regulations as of the Balance Sheet date.

Deferred tax assets on unabsorbed depreciation and carry forward of losses are recognized only to the extent there is a virtual certainty of its realization.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognized as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

3.15 Service Tax Input Credit:

Service tax input credit is accounted for in the books in the period in which the underlying service is received and when there is no uncertainty in availing/utilizing the credits.

3.16 Provisions, Contingent Liabilities and Contingent Assets:

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognized but are disclosed in the notes.

Claims in respect of which the Company is of the opinion that they are frivolous or is legally advised that they are unsustainable in law are not considered as contingent liability as the possibility of an outflow of resources embodying economic benefits is remote. Contingent Assets are neither recognized nor disclosed in the financial statements.

3.17 Cash And Cash Equivalents (for The Purposes of Cash Flow Statement):

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

3.18 Cash Flow Statement:

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

3.19 Goodwill:

Goodwill arising out of consolidation of financial statements of Subsidiaries is not amortized. However, the same is tested for impairment at each Balance Sheet Date.

35 Segment Reporting – basis of preparation:

The Group has identified two reportable business segments (Primary Segments) viz. Liquid Terminal Division and Gas Terminal Division.

Liquid Terminal Division undertakes storage & terminalling facility of Oil & Chemical products.

Gas Terminal Division relates to imports, storage & distribution of Petroleum products viz. LPG, Propane etc.

Segments have been identified and reported taking into account, the nature of products and services, the differing risks and returns and the internal business reporting systems.

The accounting policies adopted for the segment reporting are in line with the accounting policies of the company with the following additional policies for the segment reporting :

(a) Revenue and expenses have been identified to segment on the basis of their relationship to the operating activities of the segment. Revenue and expenses which relate to the enterprise as a whole and are not allocable to segment on a reasonable basis have been disclosed as “Other unallocable expenditure (net)”.

(b) Segment assets and segment liabilities represent assets and liabilities in respective segments. It excludes investments, tax related assets and other assets and liabilities which cannot be allocated to a segment on a reasonable basis and hence have been disclosed as “Other unallocable assets/liabilities”.

(c) In view of fact that customers of the Group are mostly located in India and there being no other significant revenue from customers outside India, there is no reportable secondary geographical segment at the Group level.
