MESSAGE FROM THE CHAIRMAN

Dear Shareholders,

I feel happy and honored in presenting the Annual Report of Company for the Fiscal 2018 which marked an extremely satisfying performance. The Company performed outstandingly in all its parameters namely capacity utilization, Turnover, PBDIT and Net Profit. The production rose by 26.38 % to approximately 65,008 tonnes, Gross turnover to Rs 1204.55 crores, PBDIT rose by 133.66 % to 168.12 Crores and the net profit to Rs. 99.64 crores, compared to net profit of Rs 35.63 Crores in F.Y. 2016-17. It has been possible because of the leadership of the Managing Director Shri B. M. Bhansali, his competent and sincere team and the encouragement received from the Shareholders. The Board of Directors also made its contribution by guiding the affairs of the company and by providing needed inputs from time to time.

The overall economic scenario in the country has been quite encouraging and with a consistent 7% or higher growth in the GDP on an annual basis, we all have reason to feel inspired. We are today world's sixth largest economy with a GDP of US \$ 2.6 Trillion. We are likely to overtake France the 5th in line shortly. It is estimated that the GDP of India will attain a level of US \$5 Trillion by 2025 and when that happens we will be the third largest economy in the world after USA and China. In terms of PPP, this GDP of US \$5 Trillion will certainly mean much more.

The next Lok Sabha elections are due in May 2019. One speculation is that these may be advanced by a couple of months. One thing is for sure that the next union budget would be last budget of the present government. That being so, it is quite likely that certain measures may be announced through the budget which would improve the ease of business like further rationalization of GST, reduction in Tariffs, easing Inter-State movement of Goods and Services, Impetus to exports and imports and encouragement to new start ups. These likely incentives coupled with the growth in the automobile sector and the government's commitment to double the farmers income by 2022, augurs well for the Petro Chemical sectors, particularly ABS manufacturers.

In this background, the proposed green field project with a capacity of 200 KTPA is both timely and essential. The management team is already scouting for suitable land for the project and other details have been worked out.

Before closing, I would like to refer to an unfortunate incident which occurred in the Satnoor plant of the company on 29th April 2018 when fire broke out in the F&D section where HRG powder is produced. Investigation revealed that it was an unfortunate accidental fire which has resulted in some damage to the equipment and two workmen also perished in the fire. This happened in spite of the precautions taken by the management. Nonetheless a team of Managers, Technicians and Experts led by the Managing Director have been checking each segment so that there is no recurrence. Naturally, we have filed a claim with the Insurance Company. There has been a temporary setback but we would recover quickly. The results of the first quarter have been rather subdued but things are looking up and the management is confident of a good performance during the current year. The Managing Director Shri B. M. Bhansali believes in leading the company from the front and I would like to place on record our deep appreciation for the efforts put in by him, his management team, the workers of the Company and above all, the moral support and encouragement received from our esteemed shareholders in managing the affairs of the Company.

I wish all of you, a great time ahead.

With Best Wishes
M. C. Gupta
Chairman

MESSAGE FROM THE MANAGING DIRECTOR

Dear Shareholders,

The untiring journey of last 33 years as a first generation entrepreneur has come to a new turning point. I say this because by 31st March, 2018, Bhansali Engineering Polymers Ltd has attained the position of being a Numero Uno ABS manufacturer in India and has achieved the status of zero debt Company.

The times have changed and new challenges are staring at us to grow and maintain the position as a number one ABS player in India. This will require re-energizing ourselves to set up a port based green field project of minimum 200 KTPA capacity by 2022 as has been envisioned and embodied in the Mission Statement.

In the wake of the clarion call given by our Hon'ble Prime Minister Shri Narendra Modi to create a new India, BEPL will also respond and be a meaningful participant in this process. This will be through introduction of state of the art energy efficient and environment friendly technology to be adopted in the design and the implementation of the aforesaid project. We will do it in a time bound manner as this is our commitment, hence I solicit blessings and co-operation from all stakeholders who have passively or actively contributed magnificently in the past and hopefully will continue to do so to give us much needed strength to commission the port based project within the envisaged time and cost schedule.

Warm Regards,

B. M. Bhansali
Managing Director

The voting by electronic means includes remote e-voting.

The term "remote e-voting" means voting electronically from a place other than the venue of AGM.

The ballot voting means Ballot Paper(s)/ Poll Paper(s) circulated to the members for voting at the venue of AGM. The members present at AGM venue, if they have not cast their votes earlier by way of remote e-voting, shall be entitled to exercise their right to vote by filling up the aforesaid Ballot Paper(s) and putting same into Ballot Box kept at the venue of AGM after casting their votes 'in favor' and/or 'against' or as the case may be, for the proposed resolution(s).

Please note that the members who have cast their vote by way of remote e-voting prior to the meeting, may also attend the meeting; however, they shall not be entitled to cast their vote again.

For all above mentioned purposes, M/s Rathi & Associates, Practising Company Secretaries, Mumbai have been appointed by the Board of Directors as Scrutinizer to scrutinize the entire voting process of the Company as aforesaid, in a fair and transparent manner and submit a consolidated Scrutinizer's Report for the total vote(s) cast in respect to the proposed resolution(s), to the Chairman or a person authorized by him in writing within a period not exceeding 48 hours from the conclusion of the voting at AGM. The scrutinizer will unblock the votes in the presence of at least two witnesses not in the employment of company and make a Scrutinizer's Report of the votes cast in favour or against, or as the case may be, for submitting to the Chairman of the Company as aforesaid.

The stepwise procedure with respect to remote e-voting is provided as herein below:

- (A) In case of Members receiving AGM notice by e-mail from NSDL:
 - i. Open e-mail and open the attached PDF file viz. "BEPL.e-voting.pdf" with your Client ID (in case you are holding shares in demat mode) or Folio No. (in case you are holding shares in physical mode) as password. The said PDF file

contains your user ID and password/PIN for e-voting. Please note that the said password is an initial password.

NOTE: Shareholders already registered with NSDL for e-voting will not receive the PDF file viz. "BEPL.e-voting.pdf"

- ii. Open the internet browser by typing the URL: <https://www.evoting.nsdl.com>
- iii. Click on "Shareholder-Login".
- iv. Insert your user ID and password as initial password/ PIN as stated/noted in step (i) above and then Click Login.

If you are already registered with NSDL for e-voting then you can use your existing user ID and password.

NOTE: Shareholders who forgot the User Details/Password can use "Forgot User Details/Password?"

or "Physical User Reset Password?" option available on www.evoting.nsdl.com

In case Shareholders are holding shares in demat mode, USER-ID is the combination of (DPID+Client ID).

In case Shareholders are holding shares in physical mode, USER-ID is the combination of (E-voting Event Number viz. Even No+Folio No).

- v. Password change menu appears. Change the password with new password of your choice with minimum 8 digits/ characters or combination thereof. Note new password. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
 - vi. Home page of e-voting opens. Click on "e-voting: Active Voting Cycles".
 - vii. Select "E Voting Event Number (EVEN)" of Bhansali Engineering Polymers Limited for casting your vote.
 - viii. Now you are ready for e-voting as "Cast Vote" page opens.
 - ix. Cast your vote by selecting appropriate option and click on: "Submit" and also "Confirm" when prompted. Upon confirmation, the message "vote cast successfully" will be displayed.
 - x. Once you have voted on the resolution, you will not be allowed to modify your vote.

C. OPERATIONS AND FUTURE PLAN:**OPERATIONS:**

- (a) The results achieved in the year 2017-18 depict profound improvement over the previous year as was envisaged and as may be observed from the relevant texts reproduced hereunder:

Extract from the Board's Report of Fiscal 2017:

"Ipso facto, improving upon the results achieved in 2016-17, is likely to be far more impressive in the F.Y. 2017-18 and definitely thereafter in the subsequent years".

- (b) Indeed the company could achieve stunning performance in the fiscal 2018, as is evident from the following results:
- **Sales Volume:** Sales volume increased from 50,732 MT (2016-17) to 66,016 MT (2017-18) - **an increase of 30.12%**.
 - **Sales Turnover:** Sales turnover of goods manufactured increased from ₹ 619.33 Crores (2016-17) to ₹ 922.13 Crores (2017-18) - **an increase of 48.89%**.
 - **EBITDA:** Earnings before Interest, Tax, Depreciation and Amortization (EBITDA) increased from ₹71.95 Crores (2016-17) to ₹168.12 Crores (2017-18) - **an increase of 133.66%**.
 - **PBT:** Profit Before Tax increased from ₹ 56.73 Crores (2016-17) to ₹ 154.31 Crores (2017-18) - **an increase of 172.01%. (includes trading profit)**.
 - **PAT:** Profit After Tax increased from ₹ 35.63 Crores (2016-17) to ₹ 99.64 Crores (2017-18) - **an increase of 179.65%**.
 - **EPS:** Earning per Share increased from ₹ 2.15 (2016-17) to ₹ 6.01 (2017-18) - **an increase of 179.53%**.
 - **Return on Net Worth:** Return on Net Worth increased from 21.55% (2016-17) to 38.51% (2017-18)
 - **Return on Investment:** Return on Investment increased from 8.25% (2016-17) to 22.86% (2017-18)
- (c) The aforesaid magnificent results could be produced owing to the business approach adopted by your company to re-orient its marketing strategy by positioning its products in highly remunerative ABS consuming segments. As a result of the aforesaid business approach adopted by your company, the Economic Value Addition (EVA i.e. Sales Revenue– Cost of Material) at ₹ 287.64 Crores (2017-18) shows an enhancement of ₹ 128.34 Crores against the previous year's EVA at ₹ 153.50 Crores- **an increase of 87.38%**.
- (d) Simultaneously, expenditure was kept under tight leash resulting in maintaining the level of expense in the year under review at ₹ 20,900 per unit volume of sales excluding debtor's write-off at ₹ 8.56 Crores-Rotomac Group and Forex loss of ₹6.82 Crores in the last quarter of fiscal 2018. This is against previous year's level of expense at ₹ 20,700 per unit volume of sales. It is noteworthy due to prevailing inflationary condition in the Indian economy.
- (e) The stakeholders of the company will be delighted to observe the Balance Sheet as at 31.03.2018 on account of the following facts:

- **Net Worth:** Net worth of the company is ₹ 258.13 Crores in the year under review against the previous year at ₹ 162.71 Crores - **an increase by 58.64%**.
 - **Book Value of the Equity share:** The corresponding increase in the book value of the equity share of the company (with the Face Value of ₹ 1/- per share) is at ₹ 15.56 in the year under review against the previous year at ₹ 9.81 - **an equated increase by 58.61%**.
 - **Current Ratio:** Current Ratio (Current Assets/Current Liabilities) as on 31.03.2018 is 2.04 against 1.30 as on 31.03.2017.
 - **TOL/TON:** Financial health gained in the year under review resulted in highly favourable ratio of Total Liability to Total Net worth at 0.63 against previous year's ratio of 1.59
 - **Zero Debt:** The company has been debt free (long term debt) ever since fiscal 2003 and now it has become a zero debt company, i.e. no borrowing at all. This is in view of the fact that the company has repaid all its dues to its working capital solitary banker Allahabad Bank, who had lent fund and non-fund based working capital facility to the company amounting to ₹ 216.50 Crores. Consequent thereupon, Allahabad Bank has vacated their charge on the entire fixed and movable assets of the company, which was created through equitable mortgage and Deed of Hypothecation. Consequently, the shares pledged by the Promoter and Promoter Group Companies in favour of Allahabad Bank and the personal guarantee of Mr. B. M. Bhansali, Promoter and Managing Director have been released.
 - **Financing Pattern:** Without resorting to any external borrowing the company would be able to sustain its operations based on the handsome internal accruals.
 - **Sales Credit Control:** Company's sales credit control policy in respect of the supply effected to the esteemed patrons has also shown good effect, since debtors percentage of sales has reduced to 15.39% as on 31.03.2018 against 19.42% as on 31.03.2017. Consequent whereupon, the debtors' age has reduced from 80 days to 60 days.
- (f) As aforesaid, continuance of the sales credit control policy and handsome internal accruals will not only provide sufficient liquidity to the company but would also enable it to largely fund its long term CAPEX requirement in respect of its ensuing capacity augmentation program, details whereof have been adequately dealt with in the later text captioned as "**Future Expansion**".

FUTURE PLANS/EXPANSION:

A) Expansion from 80 KTPA to 137 KTPA:

- a) In the text of Board's Report of fiscal 2017, we had highlighted the expansion program to ramp up the ABS capacity to 137 KTPA by 31.12.2018. This program is being implemented in two phases i.e 80 KTPA to 100 KTPA by 31.03.2018 and thereafter from 100 KTPA to 137 KTPA by 31.12.2018. The company has already communicated to BSE/NSE vide letter dtd. 4th April, 2018 that the ABS capacity expansion plan of the company from 80 KTPA to 100 KTPA at its Abu Road unit has been successfully implemented within the envisaged cost and time frame, i.e. Rs. 20 crores and 31st March, 2018 respectively.
- b) Furthermore, concerted efforts are being directed to expand ABS compounding capacity to 137 KTPA within the envisaged time and cost schedule i.e. Rs. 30 crores and 31st December, 2018 respectively.
- c) The R&D Centre at Aburoad unit being set up at an estimated cost of Rs. 20 Crores will be operational by 30th September, 2018. This will revitalize the market development efforts as the R&D Centre is being equipped with state-of-the-art recipe development and testing facilities, viz. recipe development:- Lab Extruders (2 nos.), Moulding machines (3 nos.), Digital Microscope, Fourier Transform Infra-Red Spectrophotometer and Colour Spectrophotometer, etc. Testing facilities:- Weather Meter, Gas Chromatograph, Charpy Impact Tester, HDT Tester, MFR Tester, Universal Testing Machine and DuPont Impact Tester etc.

- d) Since company has established a JV with Nippon A&L (NAL), Japan 5 years ago and their process and R & D experts are head quartered in India for extending full support to BEPL, the new R&D Centre will function under technical guidance of these Japanese experts and if required, additional manpower will be deployed by NAL to back up BEPL's R & D efforts under the technical assistance agreement executed between BEPL and NAL.
- e) Therefore, R&D Centre at Aburoad unit will enable BEPL to gradually increase the market share of speciality ABS grades and through niche marketing efforts, BEPL will concentrate on highly remunerative ABS market segment by decreasing sale of General Purpose (GP) grades and increasing sale of speciality grades.

B) Port Based Greenfield Project of 200 KTPA capacity:

- a) As was covered in the text of Board Report of fiscal 2017 dealing with the subject of future expansion, we are pleased to inform that after in-depth evaluation of alternative ports in Gujarat, Pipavav port has been selected as a location to set up the proposed port based green-field project of 200 KTPA capacity. In this connection, two alternative land parcels have been identified at Pipavav port and due diligence in respect of the first choice of land parcel is being presently carried out and hopefully will be completed by 15th May, 2018. This land parcel is available for disposal by a scheduled private bank. The other alternative land parcel is available with Govt. of Gujarat. The first land parcel is located within 3.3 kms. from the APM Terminal's liquid jetty and the other land parcel referred to herein above is located at 6.5 kms. from the APM Terminal's liquid jetty.
- b) From the technical feasibility angle in terms of transporting liquid cargo of Styrene, Acrylonitrile monomers and liquified Butadiene monomer through pipeline, both the land parcels are selectable.
- c) The proposed new plant will be based on state-of-the-art technology as has been amply covered in the text of Board Report of Fiscal 2017 and in view of the relevance and validity thereof, the appropriate text is being reproduced hereinbelow:

Extract from the appropriate text of the Board Report - Fiscal 2017:

The new plant will be based on the state of the art technology from Japan and in this connection, the substantive initial steps have already been taken involving several round of meetings with the Japanese company followed by visit of their experts. This Japanese company is none-else than Nippon A&L, Japan with whom the company has a long standing relationship and also established marketing joint venture in the year 2013 who are providing sales support as well as technical support with respect to the existing operations of JV products.

Furthermore infrastructure development work is progressing rapidly in terms of steps being taken by your Company for acquisition of land and planning of captive power plant as an integral part of the expansion programme. Based on the encouragement being received from the concerned authorities of the state government and company's technology partner, the implementation programme has been firmed up to commence manufacturing of ABS from the proposed port based green-field plant by 31st March, 2022.

Perception backed up by conviction of the Company is that by the time, the new 200 KTPA port based plant is established; the company will be able to exploit its capacity of the plant optimally. This is because your Company is likely to have captured the largest market share of ABS in India. Moreover, based on the competitive cost structure and quality wise at par with the best in the world, if required, your company will be in a position to export specialty grades of the ABS, ASA and AES resins as well.

The aforesaid strategy will ensure birth of a healthy baby, thwarting all threats and limitations which is often faced by any greenfield project as it is otherwise difficult to maintain the economic viability in the initial years of production due to relatively lower capacity utilization resulting in not being able to achieve breakeven level of the output which certainly will not be the situation to be faced by your company.

Moreover, implementation of the project takes into account, in terms of the technology selection and logistic planning that it remains globally competitive in the event the Indian economy opens up further and custom tariff barriers is done away with.

In this context, energy conservation and minimizing environmental affects are given due impetus. Furthermore automation and safety measures are no less area of attention for implementing the project based on ultramodern process technology. Due care is being taken to ensure that the material handling system is carried out with least human involvement to improve upon the safety and avoid human errors.

2. REPORT ON PERFORMANCE OF SUBSIDIARIES, ASSOCIATES AND JOINT VENTURE COMPANIES:

Pursuant to Section 129(3) of the Companies Act, 2013 read with Rule 5 of the Companies (Accounts) Rules, 2014, your Company did not have any subsidiary Company during F.Y. 2017-18; however it has one Joint Venture/ Associate Company viz. Bhansali Nippon A&L Private Limited having its Registered Office at 401, 4th Floor, Peninsula Heights, C. D. Barfiwala Road, Andheri (West), Mumbai - 400 058, wherein the Company holds 50% of the paid up equity share capital.

The Report on the performance and Statement containing salient feature of Financial Statements of aforesaid Joint Venture / Associate Company is separately attached in Form No. AOC-1 with this Annual Report.

In accordance with Section 136 of the Companies Act, 2013 the Financial Statements of the Company including the Consolidated Financial Statements pertaining to its aforesaid Joint Venture entity are available on the Company's website (www.bhansaliabs.com).

3. DIVIDEND:

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Management Discussion and Analysis Report has been prepared in accordance with the provisions of Regulation 34(2) (e) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with Schedule V(B) thereto, with a view to provide an analysis of the business and Financial Statement of the Company for F.Y. 2017-18, hence it should be read in conjunction with the respective Financial Statements and notes thereon.

a) Economic Outlook:

The global economy is showing the sign of recovery, specially the US economy. European economy, which was severely affected by heavy lending to Turkey and Greece especially by Germany and France, is also showing the sign of smart recovery. It is equally contextual to observe that BREXIT has little effect on the rest of the European economies. So far as Japan is concerned, its economy is no longer presenting recessionary trend and therefore, in the year 2018 onward its GDP will start growing, though at a snail pace. The Chinese economy, which was the world's fastest growing economy, has been overtaken in terms of annual GDP growth rate by India. Since 2017 onwards, India continues to remain world's highest growing economy.

Indian economy has presented strong macro - economic fundamentals in fiscal 2018 viz. current account deficit at 1.3%, fiscal deficit at 3.5% and GDP growth rate at 6.6%. In fiscal 2019, as per the IMF forecast and Niti Ayog's working, the GDP growth rate is likely to be around 7.4%. In the previous year, Union Government had taken the risk of remonetizing high denomination currencies and predicted dip of GDP growth rate by 0.5%, which in reality has proven true. The recovery of Indian economy is distinctively visible on account of strength it is exhibiting not only in terms of macro - economic fundamentals but inflow of net FDI of 26.10 billion dollars, which is the highest any country has received in the world in fiscal 2018. Remonetization of high denomination currencies has been a remedial measure taken by the Union Government to eliminate the ill effects of parallel economy in existence for long period, as continuance of it would have had highly deleterious effect on account of stagnant tax to GDP ratio. Buoyancy in direct tax revenue of fiscal 2018 well proves this point. Long pending introduction of GST is getting well implemented due to dynamic approach adopted by GST Council, specially constituted through amendment of Indian constitution. We in India love status quo and take time to adapt ourselves to newly emerging reality that parallel economy ought not to continue as it corrodes the health of the economy and the government is incapacitated to boost public spending for the welfare of the society, specially who are placed in the lower strata of the Indian economy.

BEPL is quite bullish in the matter of good effects of the growth of Indian economy, which is a vital requirement for boosting demand of ABS, as it is mostly used for manufacture of lifestyle goods largely consumed by the citizens with high disposable income. On account of impressive global economic growth scenario as well as relatively highest GDP growth rate of Indian economy, world over consumption of ABS has grown robustly including that of India. For last several years, global ABS capacity utilization was hovering around 70%, which in the last 2 years has ramped up to 90%. As a result of this phenomenon, there is a global shortage of ABS consequent where upon practically each and every ABS producer in the world is making good money, which they have not witnessed over last two decades. BEPL is no exception to this phenomenon, as it indeed has earned substantial surplus in the last couple of years, unlike its struggle for existence in the last two decades. The financial result of fiscal 2018 which is likely to be much better in 2019 onwards is largely attributable to the phenomenon mentioned in the foregoing. ABS market in India continues to grow at around 15% CAGR and the consumption in the fiscal 2018 was in the region of 3,00,000 MT.

b) Industry Structure & Development:

It was forecasted in the text of Industry structure & development section of MDAR forming integral part of the Board's Report of Fiscal 2017 as under:

"The current financial year holds a brighter promise as BEPL will be in a position to increase the sales quantity in tandem with the present production capacity without changing its marketing strategy, i.e. focusing on high margin business and refraining from competing against cheap imports."

BEPL's business strategy continues to intensify its efforts to optimize its share of highly remunerative ABS market segment, especially from the automotive industry. This activity will be fully backed up by state of the art R&D Centre being established by the company, which will be operationalized by September 2018. Though for this very purpose, BEPL has established a JV company with Nippon A&L Inc., Japan (NAL) but its full impact will be visible after the R&D Centre gets established. This is because ABS is a performance polymer and its grades are specially developed for specific application required by the customers. This is precisely the reason that BEPL has adopted the policy of focusing more on speciality grades which requires stupendous efforts in the beginning but once developed such efforts are highly paying, not only in terms of price but perpetual continuance of business with the customers due to the position acquired in the supply chain established by the customer. India is becoming a global manufacturing hub of two wheelers as well as four wheelers. This is why international giants in the automotive field, viz. Suzuki, Hyundai, Honda, Toyota, Volkswagen, General Motors, Ford, Nissan, Renault, Fiat have established their respective manufacturing facility in India, with growing degree of indigenization of its components. For components manufactured out of ABS, BEPL's presence is well registered with all such international giants but its share of their outsourcing requirement has to grow more since it is still dominated by overseas suppliers of ABS, mainly LG and Lotte. It is reiterated that it will not be difficult for BEPL to tilt preference by such customers in its favour, once the R&D Centre at Abu Road is established. In this Centre, technical experts will be deployed from NAL Japan, in the purview of the JV Company between BEPL and NAL in India, functioning under the name and style of Bhansali Nippon A&L Pvt. Ltd. While concluding we would like to emphatically mention that market outlook for BEPL's products is bright, opportunity is immense, facility and ability are well in place. Hence future is brighter than already lustrous presence.

c) Opportunities & Threats:

Opportunities: So far as opportunities are concerned, it is an established fact that the consumption of ABS in India is voluminously larger than the combined output of the domestic manufacturers viz. BEPL and Styrolution; hence the scope is humungous due to present supply demand mismatch taking into account only domestic production.

Threats: The limitation arises out of deliberate decisions on the part of domestic manufacturers to keep low inventories of its imported key raw materials which is more than 85%, i.e. Styrene and Acrylonitrile monomers to limit their risk of foreign exchange fluctuation, which may result in huge loss, if the price of its monomers drastically falls in the international market, which happens many a times due to unpredictable reasons, i.e. fluctuation in prices of crude oil, benzene and ethylene.

d) Risk and Concern:

The typical nature of ABS business in India is exposed to the risk of Foreign exchange fluctuations as the key raw materials i.e. Styrene and Acrylonitrile monomers are import dependent, since there is no indigenous producer for these monomers. The only raw material which is indigenously available is Butadiene monomer, which constitutes weight wise only 15% out of the total raw material composition.

e) Segment/Product Wise Operational Performance:

The Company deals with only one business segment viz. ABS and SAN polymers. During the Fiscal 2017-18, the Gross Sales of goods manufactured by Company amounted to ₹ 1204.55 Crores as against ₹ 704.08 Crores during last fiscal registering a growth of 71.08%. Moreover, the total Comprehensive Income/Profit After Tax (PAT) amounted to ₹ 99.42 Crores in the F.Y. 2017-18 as against ₹ 35.07 Crores during last fiscal witnessing an impressive growth of around 183.49%.

f) Internal Control System and its adequacy:

The Company has an effective internal control system considering the size of its operations and maintains its accounting records on SAP, a widely renowned software. The financial transactions remain well documented and are done in accordance with the policies, procedures, parameters and the rules as set out by the management from time to time and are properly recorded, authorized and reported to the management in prescribed manner. There is an appropriate and adequate insurance cover for the Company's immovable and movable assets which are closely and consistently monitored by the management as deemed fit and suitable from time to time. The independent Internal Auditors carry out Internal Audit on quarterly basis and place the report before the management which takes requisite corrective actions. Observations of the auditors are properly reviewed and appropriate follow up action is taken by the concerned department and reported

to the management, which also reviews the sufficiency and effectiveness of the internal control system and monitors the implementation of audit recommendations including those relating to the strengthening of the company's internal policy and management practices.

g) Material Development in Human Resources/Industrial Relations Front, including the number of people employed:

Your Company is of the firm view that an able, disciplined, motivated, trained and skilled manpower is the key to sustain the growth of any organization. The Company organizes and provides opportunity to the employees for requisite training from time to time and periodical appraisal/rewarding system are in place. Industrial Relations at both the plants of the Company viz. at Abu Road, Rajasthan and Satnoor, Madhya Pradesh and Employer - Employee relations at Head Office, Mumbai have been cordial and conducive during the financial year 2017-18. The Company believes that to meet its expansion programme requirement, it will require more skilled workforce and is taking appropriate steps for same with thrust on the policy of "Right Person for Right Job". The strength of the employees in the Company as on 31st March, 2018 stood at 456.

INDEPENDENT AUDITOR'S REPORT ON THE IND AS STANDALONE FINANCIAL STATEMENTS

To,
The Members of
Bhansali Engineering Polymers Limited

1. Report on the Indian Accounting Standards (Ind AS) Standalone Financial Statements

We have audited the accompanying Ind AS standalone financial statements of **Bhansali Engineering Polymers Limited** ("the Company") which comprise the Balance Sheet as at 31st March, 2018, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement, the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

2. Management's Responsibility for the Ind AS Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act 2013 ("the Act") with respect to the preparation of these Ind AS standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified in the Companies (Indian Accounting standards) Rules, 2015 (as amended) under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

3. Auditor's Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Ind AS Standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS Standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the company has in place an adequate internal financial controls system over financial reporting and the operative effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS standalone financial statements.

4. Opinion

In our opinion and to the best of our information and according to the explanations given to us, the accompanying Ind AS standalone financial statements give the information required by the Act, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2018 and its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

5. Other Matter

The comparative financial information of the company for the year ended 31st March, 2017 and the transition date opening balance sheet as at 1st April, 2016 prepared in accordance with Ind AS included in these Ind AS Standalone financial statements have been audited by the predecessor auditor who had audited the statutory standalone financial statements for the years ended 31st March, 2017 and 31st March, 2016. The predecessor auditor had expressed an unmodified opinion on the comparative financial information and the opening balance sheet vide report dated 16th April, 2017.

Our opinion is not qualified in respect of these matters.

6. Report on Other Legal & Regulatory Requirements

- I As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the **Annexure I** a statement on the matters specified in paragraphs 3 and 4 of the Order.
- II As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit;

ANNEXURE II TO THE INDEPENDENT AUDITOR'S REPORT

(Refereed to in paragraph 6(II)(F) of the Independent Auditor's Report of even date on the Ind AS standalone financial statements of Bhansali Engineering Polymers Limited on the Internal Financial Controls under clause (i) of Sub-section 3 of section 143 of the Companies Act, 2013 ("the Act"))

We have audited the internal financial controls over financial reporting of **Bhansali Engineering Polymers Limited** as of March 31, 2018 in conjunction with our audit of the Ind AS standalone financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the Institute of Chartered Accountants of India and deemed to be prescribed u/s 143 (10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls system over financial reporting included obtaining an understanding of internal financial controls system over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depends upon the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transaction and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Standalone financial statement for the year ended 31st March, 2018

1 Corporate Information

Bhansali Engineering Polymers Limited is a Public Listed company registered in India, incorporated under the provisions of the Companies Act, 1956 and its shares are listed with NSE and BSE. The company is engaged in manufacturing of ABS and SAN resins which is classified under the category of Highly Specialized Engineering Thermoplastics. The manufacturing facilities of the company is located at Abu Road, Rajasthan and Satnour, Madhya Pradesh.

1.1 Basis Of Preparation

“The Ministry of Corporate Affairs had notified the roadmap to implement Indian Accounting Standards (‘Ind AS’) under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016. As per the said roadmap, the Company is required to apply Ind AS starting from financial year beginning on or after April 1, 2017.

Accordingly, the financial statements of the Company comprising of the Balance Sheet, Statement of Profit & Loss including other comprehensive Income, Statement of changes in Equity and Statement of Cash Flows together with the notes have been prepared in accordance with Indian Accounting Standards (Ind AS.)

For all years up to and including the year ended March 31, 2017, the Company prepared its financial statements in accordance with accounting standards notified under the section 133 of the Companies Act 2013 (“The Act”), read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP). These financial statements for the year ended March 31, 2018 are the first Ind AS compliant annual financial statements with comparative figures for the year ended March 31, 2017 also under the Ind AS. The date of transition is April 1, 2016. Please refer to note 41 for detailed disclosure on the first time adoption of Ind AS

The financial statements have been prepared on an accrual basis and under the historical cost convention.

The Financial statements are presented in Indian Rupees (₹) and all values are rounded to the nearest lacs, except otherwise stated.”

All the Assets & Liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out in Ind AS 1 and schedule III to the said Act.

2 Summary of Significant Accounting Policies

(a) Classification of Current and Non-Current

An asset is treated as current when it is:

- i) Expected to be realized or intended to be sold or consumed in normal operating cycle,
- ii) Held primarily for the purpose of trading,
- iii) Expected to be realized within twelve months after the reporting period, or
- iv) Cash or Cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- i) It is expected to be settled in normal operating cycle,
- ii) It is held primarily for the purpose of trading,
- iii) It is due to be settled within twelve months after the reporting period, or

- iv) There is no unconditional right to determine the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non – current.”

(b) Property, plant and equipment.

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation/ amortization and impairment losses, if any. The cost comprises of the purchase price (net of GST credit wherever applicable) and any attributable cost of bringing the property, plant and equipment to its working condition for its intended use.

Subsequent expenditure related to an item of property, plant and equipment are added to its gross book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance.

The Company identifies and determines separate useful life for each major component of property, plant and equipment, if they have useful life that is materially different from that of the remaining asset.

The Company has estimated that there would not be any significant decommissioning cost at the time of disposal of property, plant and equipment.

Items such as Machinery spares is recognized in accordance with Ind AS 16 “Property, Plant and Equipment” when they meet the definition of property, plant and equipment. Otherwise, such items are classified as inventories.

Property, plant and equipment not ready for the intended use on the date of Balance Sheet are disclosed as “Capital work-in-progress”. Advances given towards acquisition of property, plant and equipment’s outstanding at each Balance Sheet date are disclosed as Capital Advances under “Other Non Current Assets”.

Losses arising from the retirement of, and gains and losses arising from disposal of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the property, plant and equipment and are recognized in the statement of profit and loss when the property, plant and equipment is derecognized.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.”

(c) Depreciation on Property, plant and equipment

Depreciation on property, plant and equipment is provided pro-rata for the period of use , using the Straight Line Method except in case of Plant & machinery (Other than continuous process plant) where depreciation is provided on Written Down Value Method based on the respective estimate of useful life given below.

Class of Asset	“Useful life (In Years)”
Buildings	30 - 60 Years
Plant & Machinery	25 Years
Furniture & Fixtures	10 Years
Office Equipment’s and Computers	3 - 6 Years
Vehicles	8 - 10 Years

Lease hold land is not depreciated over the useful life of the lease.

(d) Intangible Assets and Amortization

Intangible assets are valued at cost less amortization and comprise mainly of computer software licenses. Amortization takes place on a straight line basis over the assets anticipated useful life. The useful life is determined based on the

period over which the asset is expected to be used and generally does not exceed 5 years. The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at the end of each reporting period. Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

(e) Investment in Joint Venture

Investments in joint venture is recognized at cost as per Ind AS 27. Upon first-time adoption of Ind AS, the Company has elected to measure its investments in joint ventures at the Previous GAAP carrying amount as its deemed cost on the date of transition to Ind AS i.e., 1st April, 2016.

(f) Inventories

Inventories are stated at cost or net realizable value whichever is lower. Cost include purchase price, non-refundable taxes and delivery and handling cost and all costs incurred in bringing the inventory to its present location and condition. Cost of raw materials, process chemicals, stores and spares, packing material, and other inventory is determined on weighted average basis.

Work-in-progress and finished goods stock is valued at cost or net realizable value whichever is lower. Cost of work-in-progress and finished goods comprises direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure, the latter being allocated on the basis of normal operating capacity.

(g) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits.

(h) Retirement and other employee benefits

Company's contributions paid/payable during the year to Provident Fund, ESIC, Labour Welfare Fund and Superannuation Fund are recognised in the Statement of Profit & Loss. Remeasurements, comprising of actuarial gains and losses are recognised immediately in the Balance sheet with a corresponding charge or credit to 'Other comprehensive income' in the year in which they occur. Remeasurements are not reclassified subsequently to the Statement of Profit and Loss. Net interest is calculated by applying the discount rate to the net defined liability or asset. The company recognises Service costs and Net interest expense or income in the statement of profit and loss.

(i) Foreign Currency transactions

The Company's financial statements are presented in INR, which is also the Company's Functional Currency.

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates and recognised in the Statement of Profit and Loss.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined.

(j) Taxes on Income

Current Tax

Income tax expense represents the sum of current tax and deferred tax and includes any adjustments related to past

periods in current and /or deferred tax adjustments that may become necessary due to certain developments or reviews during the relevant year. Current income tax is based on the taxable income and calculated using the applicable tax rates.

Deferred Tax

Deferred tax is provided using the Balance sheet method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for the financial reporting purposes at the reporting date. The carrying amount of deferred tax assets is reviewed at the end of reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

(k) Revenue Recognition.

Revenue is recognised to the extent it is probable that the economic benefits will flow to the company and the revenue can be reliably measured, regardless of when the payment is being made. The Company recognizes revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company and specific criteria have been met for each of the Company's activities as described below. Revenue is measured at the value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Amounts disclosed as revenue are inclusive of excise duty and net of returns, trade allowances, rebates, discounts, loyalty discount, GST and amounts collected on behalf of third parties.

i) Sale of goods

Sales are recognized when substantial risk and rewards of ownership are transferred to customer, In case of domestic customer, generally sales take place when goods are dispatched or delivery is handed over to transporter, in case of export customers, generally sales take place when goods are shipped on-board based on bill of lading.

ii) Interest & Dividend Income

Interest income is included in other income in the statement of profit and loss. Dividend income is recognized when the Company's right to receive dividend is established by the Balance Sheet date, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

(l) Excise Duty

Under Ind AS, excise duty is included in sale of goods and is separately presented as expense on the face of Statement of Profit and Loss.

(m) Leases

Leases in which a substantial portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Payments and receipts under such leases are recognised to the Statement of Profit and Loss on a straight-line basis over the term of the lease unless the lease payments to the lessor are structured to increase in line with expected general inflation

(n) Provisions

A provision is recognized when the Company has a present obligation Legal or Constructive that is reasonably estimable and it is probable that an outflow of economic benefits will be required to settle the obligation.

These estimates are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

(o) Segment Reporting

The Company manufactures and sells ABS and SAN which belong to the same product group i.e. "Highly Specialized Engineering Thermoplastics". The product has the same risks and returns, which are predominantly governed by market conditions, namely demand and supply position. Thus, in the context of Indian Accounting Standard 108 "Operating Segment", issued by the Institute of Chartered Accountants of India, there is only one identified reportable segment.

(p) Earnings per Share

Basic earnings per share are calculated by dividing the net profit/ loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year

For the purpose of calculating diluted earnings per share, the net profit for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of diluted potential equity shares, if any.

(q) Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

(r) Borrowing Costs

Borrowing costs directly attributable to the acquisition and construction of an asset which takes a substantial period of time to get ready for its intended use, are capitalized as a part of the cost of such assets, until such time the asset is substantially ready for its intended use. All other borrowing costs are recognized in the Statement of Profit and Loss in the year in which they occur. Borrowing costs consist of interest and other costs incurred in connection with borrowing of funds.

(s) Trade Receivables

Trade Receivables are recognised initially at fair value and subsequently measured at amortised cost , less provision for impairment.

(t) Financial Instruments

Financial assets and liabilities are recognised when the company becomes a party to the contractual provisions of the instruments.

Financial Assets:**Initial recognition and measurement:**

All financial assets are initially recognised at fair value. Transaction costs of acquisition of financial assets carried at Fair value through profit or loss are expensed in the Statement of profit and loss. Financial assets are classified, at initial recognition and subsequent measurements, as financial assets at fair value or as financial assets measured at amortised cost.

A financial asset is measured at amortised cost less impairment, if the objective of the company's business model is to hold the financial asset to collect the contractual cash flows.

Impairment of financial assets:

The company assesses on a forward basis the expected credit losses associated with its financial assets carried at amortised cost. For trade receivables, the company applies the simplified approach permitted by Ind AS 109 Financial instruments, which requires expected credit losses to be recognised from initial recognition of the receivables.

Derecognition:

The company derecognises a financial asset only when the contractual rights to the cash flows from the asset expires or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset.

Financial liabilities:**Initial recognition and measurement**

All financial liabilities are recognized initially at fair value. The company's financial liabilities include trade and other payables.

Financial liabilities are classified as 'Financial liabilities at fair value through profit or loss' if they are held for trading or if they are designated as financial liabilities upon initial recognition at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offsetted and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

(u) Fair Value Measurement

The fair value of an asset or a liability is measured using the assumptions that the market participants would use when pricing the asset or liability.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.”

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting year.

3 Use of Judgments, Estimates and Assumptions

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. Difference between actual results and estimates are recognised in the periods in which the results are known / materialise. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances existing when the financial statements were prepared. The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates is recognised in the year in which the estimates are revised .

Judgements

In the process of applying the company's accounting policies, management has made the following judgements which have a significant effect on the amounts recognised in the financial statements:

Defined benefit plans (Gratuity & Leave Encashment benefits)

The cost of the defined benefit gratuity plan and Leave encashment Plan and the present value of the gratuity obligation and Leave encashment are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Useful life of Property, plant and equipment

The company reviews the useful life of Property, plant and equipment at the end of each reporting year. This reassessment may result in change in depreciation expenses in the future years.

40 Income Taxes

“Indian companies are subject to Indian Income Tax on a standalone basis. Entity is assessed to tax on taxable profits determined for each fiscal year beginning on April 1 and ending on March 31. For each fiscal year, the entity profit or loss is subject to the higher of the regular income tax payable or the minimum alternative tax (“MAT”).

Statutory income taxes are assessed based on book profits prepared under generally accepted accounting principles in India adjusted in accordance with the provisions of the (Indian) Income Tax Act, 1961. The adjustments generally relate to depreciation of fixed assets, disallowances of certain provisions and accruals, deduction for tax holidays, the set-off of tax losses and depreciation carried forward and retirement benefit costs. Statutory income tax is charged at 30% plus a surcharge and education cess. MAT is assessed on book profits adjusted for certain items as compared to the adjustments followed for assessing regular income tax under normal provisions. MAT for the fiscal year 2017-18 is 18.5% plus surcharge and education cess. MAT paid in excess of regular income tax during a year can be set off against regular income taxes within a period of fifteen years succeeding the fiscal year in which MAT credit arises subject to the limits prescribed.”

41 Disclosures as Required by Indian Accounting Standard (Ind AS) 101 First Time Adoption of Indian Accounting Standards.

41.1 The Group has adopted Indian Accounting Standards (Ind AS) as notified by the Ministry of Corporate Affairs with effect from 1st April, 2017, with a transition date of 1st April, 2016. These consolidated financial statements for the year ended 31st March, 2018 are the first the Group has prepared under Ind AS. For all years upto and including the year ended 31st March, 2017, the Group prepared its financial statements in accordance with the accounting standards notified under the section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 ('Previous GAAP').

The adoption of Ind AS has been carried out in accordance with Ind AS 101, First-time Adoption of Indian Accounting Standards. Ind AS 101 requires that all Ind AS standards and interpretations that are issued and effective for the first Ind AS financial statements be applied retrospectively and consistently for all financial years presented. Accordingly, the Group has prepared financial statements which comply with Ind AS for year ended 31st March, 2018, together with the comparative information as at and for the year ended 31st March, 2017 and the opening Ind AS Balance Sheet as at 1st April, 2016, the date of transition to Ind AS.

In preparing these Ind AS consolidated financial statements, the Group has availed certain exemptions and exceptions in accordance with Ind AS 101, as explained below. The resulting difference between the carrying values of the assets and liabilities in the consolidated financial statements as at the transition date under Ind AS and Previous GAAP have been recognised directly in equity (retained earnings or another appropriate category of equity). This note explains the adjustments made by the Group in restating its Previous GAAP financial statements, including the Balance Sheet as at 1st April, 2016 and the consolidated financial statements as at and for the year ended 31st March, 2017.

41.2 Exemptions applied

Ind AS 101 allows first-time adopters certain exemptions from the retrospective application of certain requirements under Ind AS; The Group has applied the following exemptions:

(a) Deemed cost for property, plant and equipment and intangible assets

The Group has elected to apply previous GAAP carrying amount of its property, plant and equipment and investment in Joint Venture as deemed cost as on the date of transition to Ind AS.

41.3 Exceptions

The following mandatory exceptions have been applied in accordance with Ind AS 101 in preparing the financial statements.

(a) Estimates

The estimates at April 1, 2016 and at March 31, 2017 are consistent with those made for the same dates in accordance with India GAAP (after adjustments to reflect any differences if any, in accounting policies) apart from the following items where application of previous GAAP did not require estimation.

(b) Defined benefit obligation

In Previous GAAP, actuarial gains and losses were recognised in the Statement of Profit and Loss. Under Ind AS, the actuarial gains and losses form part of re-measurement of net defined benefit liability / asset which is recognised in other comprehensive income in the respective years.

Footnotes to the reconciliation of equity as at 1st April, 2016 and 31st March, 2017 and Profit and Loss for the year ended 31st March, 2017.

a Proposed Dividend

“Under Previous GAAP, proposed dividends including Dividend Distribution Tax (DDT) are recognised as a liability in the year to which they relate, irrespective of when they are declared. Under Ind AS, a proposed dividend is recognised as a liability in the year in which it is declared by the Company (usually when approved by the shareholders in a general meeting) or paid.

In the case of the Company, the declaration of dividend occurs after year end. Therefore, the liability of ₹ 199.08 Lacs for the year ended March 31, 2016 recorded for dividend has been derecognised against retained earnings on April 1, 2016. The proposed dividends for the year ended on March 31, 2017 of ₹ 399.36 Lacs recognised under Previous GAAP was reduced from other payables with the corresponding impact in the retained earnings.”

b Employee benefits expense

As per Ind AS 19 on ‘Employee Benefits’, actuarial losses on post retirement defined benefits of ₹ 85.80 Lacs and tax thereon of ₹ 29.70 Lacs are recognised in other comprehensive income and not reclassified to the Statement of Profit and Loss in the subsequent year.

c Deferred Tax

Previous GAAP requires deferred tax accounting using the income statement approach, which focuses on differences between taxable profits and accounting profits for the period. Ind AS 12 ‘Income taxes’, requires entities to account for

deferred taxes using the Balance Sheet, which focuses on temporary differences between the carrying amount of an asset or liability in the Balance Sheet and its tax base. The application of Ind AS 12 approach has resulted in recognition of deferred tax on new temporary differences which was not required under previous GAAP. Deferred tax adjustments are recognised in correlation to the underlying transaction in retained earnings.

d Transfer of Capital reserve (Capital Subsidy) to Retained earning

Capital Subsidy received is treated as Capital Reserve in Indian GAAP. Under Ind AS, only income approach is allowed and the amount is to be transferred to Statement of Profit and loss over the year to match the fulfilment of the obligation.

e Other Comprehensive Income

Under Ind AS, all items of income and expense recognized in the period should be included in profit or loss for the year, unless a standard requires or permits otherwise. Items of income and expense that are not recognized in profit or loss but are shown in the Statement of Profit and Loss and "Other comprehensive income" includes remeasurements of defined benefit plans. The concept of other comprehensive income did not exist under previous GAAP.

f Statement of Cash flows

The transition from Indian GAAP to Ind AS did not have a material impact on the statement of cash flows.

g Reclassification

Previous GAAP figures have been reclassified/regrouped wherever necessary to conform with financial statements prepared under Ind AS.

The accompanying notes are an integral part of the financial statements.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

3. Auditor's Responsibility

Our responsibility is to express an opinion on these Ind AS Consolidated Financial Statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Ind AS Consolidated financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS Standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Ind AS consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the company has in place an adequate internal financial controls system over financial reporting and the operative effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's directors, as well as evaluating the overall presentation of the Ind AS consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS consolidated financial statements.

ANNEXURE - I TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 6(f) of even date on the Ind AS consolidated financial statements of Bhansali Engineering Polymers Limited and its joint venture entity incorporated in India on the Internal Financial Controls under clause (i) of Sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Bhansali Engineering Polymers Limited** and its jointly controlled entity incorporated in India as of March 31, 2018 in conjunction with our audit of the Ind AS consolidated financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the Institute of Chartered Accountants of India and deemed to be prescribed u/s 143 (10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls system over financial reporting included obtaining an understanding of internal financial controls system over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depends upon the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transaction and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

31 Disclosures as Required by Indian Accounting Standard (Ind AS) 101 First Time Adoption of Indian Accounting Standards.

31.1 The Group has adopted Indian Accounting Standards (Ind AS) as notified by the Ministry of Corporate Affairs with effect from 1st April, 2017, with a transition date of 1st April, 2016. These consolidated financial statements for the year ended 31st March, 2018 are the first the Group has prepared under Ind AS. For all years upto and including the year ended 31st March, 2017, the Group prepared its financial statements in accordance with the accounting standards notified under the section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 ('Previous GAAP').

The adoption of Ind AS has been carried out in accordance with Ind AS 101, First-time Adoption of Indian Accounting Standards. Ind AS 101 requires that all Ind AS standards and interpretations that are issued and effective for the first Ind AS financial statements be applied retrospectively and consistently for all financial years presented. Accordingly, the Group has prepared financial statements which comply with Ind AS for year ended 31st March, 2018, together with the comparative information as at and for the year ended 31st March, 2017 and the opening Ind AS Balance Sheet as at 1st April, 2016, the date of transition to Ind AS.

In preparing these Ind AS consolidated financial statements, the Group has availed certain exemptions and exceptions in accordance with Ind AS 101, as explained below. The resulting difference between the carrying values of the assets and liabilities in the consolidated financial statements as at the transition date under Ind AS and Previous GAAP have been recognised directly in equity (retained earnings or another appropriate category of equity). This note explains the adjustments made by the Group in restating its Previous GAAP financial statements, including the Balance Sheet as at 1st April, 2016 and the consolidated financial statements as at and for the year ended 31st March, 2017.

31.2 Exemptions applied

Ind AS 101 allows first-time adopters certain exemptions from the retrospective application of certain requirements under Ind AS, The Group has applied the following exemptions

(a) Deemed cost for property, plant and equipment and intangible assets

The Group has elected to apply previous GAAP carrying amount of its property, plant and equipment as deemed cost as on the date of transition to Ind AS.

(b) Joint arrangements

The Group has elected to measure the investment in the joint venture in Bhansali Nippon A & L Private Limited in the consolidated financial statements at the deemed cost of the investment at the date of transition to Ind AS. Accordingly, the investment has been measured at the aggregate of the carrying amounts of the assets and liabilities that had been previously proportionately consolidated under the Previous GAAP for year ended 31st March, 2016.

31.3 Exceptions

The following mandatory exceptions have been applied in accordance with Ind AS 101 in preparing the financial statements.

(a) Estimates

The estimates at April 1, 2016 and at March 31, 2017 are consistent with those made for the same dates in accordance with India GAAP (after adjustments to reflect any differences if any, in accounting policies) apart from the following items where application of previous GAAP did not require estimation.

(b) Defined benefit obligation

In Previous GAAP, actuarial gains and losses were recognised in the Statement of Profit and Loss. Under Ind AS, the actuarial gains and losses form part of re-measurement of net defined benefit liability / asset which is recognised in other comprehensive income in the respective years.

Reconciliation of total equity as at March 31, 2017 and April 01, 2016

(₹ in lacs)

Particulars	Notes	“As at 31 st March, 2017”	“As at 1 st April, 2016”
Total equity (shareholders’ funds) under previous GAAP		15,716.61	12,656.48
Impact on account of Ind AS adjustments			
Proposed Dividend after reporting period as per Ind AS	a	399.36	199.08
Deferred tax		29.70	-
Total equity (shareholders’ funds) as per Ind AS		16,145.66	12,855.56

Footnotes to the reconciliation of equity as at 1 April 2016 and 31 March 2017 and profit or loss for the year ended 31 March 2017

a Proposed Dividend

“Under Previous GAAP, proposed dividends including Dividend Distribution Tax (DDT) are recognised as a liability in the year to which they relate, irrespective of when they are declared. Under Ind AS, a proposed dividend is recognised as a liability in the year in which it is declared by the Group (usually when approved by the shareholders in a general meeting) or paid.

In the case of the Group, the declaration of dividend occurs after year end. Therefore, the liability of ₹ 199.08 lacs for the year ended March 31, 2016 recorded for dividend has been derecognised against retained earnings on April 1, 2016. The proposed dividends for the year ended on March 31, 2017 of ₹ 399.36 lacs recognised under Previous GAAP was reduced from other payables with the corresponding impact in the retained earnings.

b Employee benefits expense

As per Ind AS 19 on ‘Employee Benefits’, actuarial losses on post retirement defined benefits of ₹ 85.80 lacs and tax thereon of ₹ 29.70 lacs are recognised in other comprehensive income and not reclassified to the Statement of Profit and Loss in the subsequent period.

**c Deferred Tax**

Previous GAAP requires deferred tax accounting using the income statement approach, which focuses on differences between taxable profits and accounting profits for the period. Ind AS 12 'Income taxes', requires entities to account for deferred taxes using the Balance Sheet, which focuses on temporary differences between the carrying amount of an asset or liability in the Balance Sheet and its tax base. The application of Ind AS 12 approach has resulted in recognition of deferred tax on new temporary differences which was not required under previous GAAP. Deferred tax adjustments are recognised in correlation to the underlying transaction in retained earnings.

d Transfer of Capital reserve (Capital Subsidy) to Retained earning

Capital Subsidy received is treated as Capital Reserve in Indian GAAP. Under Ind AS, only income approach is allowed and the amount is to be transferred to Statement of Profit and loss over the year to match the fulfilment of the obligation.

e Other Comprehensive Income

Under Ind AS, all items of income and expense recognized in the year should be included in profit or loss for the year, unless a standard requires or permits otherwise. Items of income and expense that are not recognized in profit or loss but are shown in the Statement of Profit and Loss and "Other comprehensive income" includes remeasurements of defined benefit plans. The concept of other comprehensive income did not exist under previous GAAP.

f Investment in Bhansali Nippon A & L Private Limited (BNALPL)

Under Previous GAAP, the investment in the joint venture in Bhansali Nippon A & L Private Limited was proportionately consolidated along with the consolidated assets and liabilities. Under Ind AS, the investment in BNALPL has been measured using the equity method. The previously proportionately consolidated assets and liabilities and items of Income and expenditure under Previous GAAP have been aggregated into a single line investment balance in the joint venture at the date of transition to Ind AS.

g Statement of Cash flows

The transition from Indian GAAP to Ind AS did not have a material impact on the statement of cash flows.

h Reclassification

"Previous GAAP figures have been reclassified/regrouped wherever necessary to conform with financial statements prepared under Ind AS.
