DIRECTOR'S REPORT

To

THE SHAREHOLDERS,

Mahanagar Telephone Nigam Limited,

Dear Shareholders,

Your Directors present the 36th Annual Report of your Company together with the Financial Statements and the Report of the Auditors as well as comments of Comptroller & Auditor General of India (CAG) on the Financial Statements for the Financial Year ended on March 31, 2022.

PERFORMANCE REVIEW OF MTNL FOR THE FY 2021-22

1. Mobile Network:

- a. Handing over of O&M of MTNL Mobile Services to BSNL:** The Operation and Maintenance of MTNL Delhi Mobile service has been handed over to BSNL w.e.f. 01.04.2021 as per instructions from DoT. MTNL Mumbai Mobile service has been handed over to BSNL w.e.f. 01.09.2021.
- b. Launching of 4G Services in Delhi and Mumbai:** DoT vide Office memorandum No.30-40/2019-PSU affairs dated 29th Oct 2019 had informed that GoI in its cabinet meeting held on 23-10-2019 has approved the proposal of administrative allotment of spectrum for 4G services to BSNL and MTNL among other things so as to enable these PSUs to provide broadband and other data services. In a modification to this decision, the Group of Ministers (GoM) constituted on the matter of "Revival of BSNL and MTNL" approved allocation of 4G spectrum to BSNL in Delhi and Mumbai in place of MTNL in its meeting held on dated 21.12.2020. MTNL had shared its Schedule of requirements (SoR) with BSNL. The tender of 4G has been floated by BSNL.
- c. SPAM Filtering solution:** MTNL SMS SPAM filtering solution migrated to BSNL West Zone (Pune). Currently Spam filtering solution is being run through BSNL West Zone (Pune) SPAM Filter.
- d. EIR Integration with BSNL Pune:** MTNL EIR integrated with BSNL EIR installed at Pune.

2. Wireline Network:

- a. Up-gradation of the MPLS Network:** MTNL is planning to upgrade the entire MPLS network along with the security solution as per TEC GR to handle the growing traffic needs of FTTH and 4G networks. The MTNL MPLS expansion plan includes 6 Core routers, 78 Edge routers and 150 L-3 Switches. In a recent decision of management, the requirement of MTNL's MPLS network is to be procured as a part of the BSNL tender. The tender for the same has been floated by the BSNL.

- 6600 FTTH customers are created on New hardware MAX-NG. In MTNL Mumbai also testing has been successfully completed and actual migration to start shortly.
- vi. **CRM & CDR based Billing System:** Common Billing and CRM Solutions for fixed line network of MTNL has been included in BSNL CDR P-3 tender. PO has been issued on M/s TCIL by BSNL for their requirement. The requirement of MTNL is being reviewed for catering in the existing capacity of BSNL.
- vii. **ILD for Voice & Data services:** Outgoing ILD traffic of MTNL Delhi and MTNL Mumbai is being routed through BSNL Taxes. Recently it has been decided that the incoming ILD traffic of MTNL Delhi and Mumbai PSTN should also be routed on existing ILD connectivity with BSNL.

REVIEW OF SUBSIDIARIES ASSOCIATES AND JOINT VENTURE COMPANIES

Pursuant to Section 129(3) of the Companies Act, 2013 ("Act"), the consolidated financial statements of the Company and its subsidiaries, associates and joint ventures, prepared in accordance with the relevant Accounting Standard specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, form part of this Annual Report. Pursuant to the provisions of the said section, a statement containing the salient features of the financial statements of the Company's subsidiaries, associates and joint ventures in Form AOC-1 is given in this Annual Report. At present there is no material subsidiary company of MTNL, within the meaning of the Companies Act, 2013 / SEBI (LODR), 2015.

The Policy on Material Subsidiary has been approved by the Board and the same may be accessed on the Company's Website at the link: http://mtnl.in/policy_materialsubsidy.pdf

Performance highlights of Subsidiaries, Associates and Joint Venture Companies during FY 2021-22 are briefly given as under: -

SUBSIDIARIES

(I) MAHANAGAR TELEPHONE (MAURITIUS) LTD. (MTML) (A WHOLLY OWNED OVERSEAS SUBSIDIARY)

MTML is a 100% owned subsidiary of MTNL in Mauritius. The company is having license for Mobile Services, International Long Distance (ILD) Services and Internet Services. In a small Island country, having a population of around 12.5 Lacs only and having Mobile Tele-density of more than 160%, MTML has been able to successfully position itself with Customer Centric Services. With patronage of more than 4,05,000 customers, MTML is able to compete well in a saturated telecom market. The company continues to be in profit for 13th Consecutive Year. MTML is offering Mobile Services on latest state of the art technology having 4G (LTE) Services covering more than 90% of the total population and 2G/3G Network all over the Island. With increased coverage of high speed data services on 4G and migrating more and more subscribers to its 4G network, MTML customers are now generating more than 1500 TB of data every month. MTML became the first operator in Mauritius to launch e-SIM Service which has helped it in acquiring higher ARPU customers. MTML has also acquired license for 5G Services in Mauritius recently. Action on procurement of equipment has been started and it is expected to launch 5G Services in commercially important areas during 2022-23. MTML has earned Revenue of approximately MUR 463.20 Million in financial year 2021-22 as against MUR 462.40 Million during last fiscal year. The company has improved its revenue marginally despite severe challenges faced during this period. Due to Covid-19, Mauritius suffered from lengthy curfew/lockdowns leading to reduced business activity. Being an Island, 1/3rd economy of Mauritius used to run on Tourism Sector and Roaming used to be a big source of revenue for the company in past years. However, due to Covid-19, Tourism Sector was almost closed due to which Roaming Revenue declined by almost 85%. Other International Services like ILD, A2P SMS also suffered severely due to lack of economic activity. Despite severe depression in national economy due to Covid-19 and absence of Tourism Business, Gross Revenue of MUR 463.20 Million is achieved during the Current Financial year. MTML has established its own brand CHILI in the Republic of Mauritius as trusted total telecom service provider. With more than 265 BTSs operating across the island, the quality of service is to the satisfaction of customers. Co-location with other telecom providers for mobile network has also started opening a new source of revenue for the company. MTML has been introducing innovative tariff packages to match current market dynamics with the state of art technology and is quite popular especially among youth. MTML has also diversified into retailing of Smartphones including Apple products and the business has picked up well during past two years. During 2021-22, total Smartphone Sales reached MUR 39.49 Million. All the expenses of the company are paid from its own internal resources. The CAPEX for procurement of equipment is also met from its own internal resources. MTML is operating from its own building situated in Cyber City, Mauritius which is considered to be the heart of IT hub in Mauritius. There is no debt liability on the Company. The company is managed by CEO, CFO and 11 more officers, all on deputation from the parent company. Other operations are managed through local outsourcing.

(II) MILLENNIUM TELECOM LTD. (MTL) (A WHOLLY OWNED INDIAN SUBSIDIARY)

Millennium Telecom Ltd. (MTL): a wholly owned subsidiary of Mahanagar Telephone Nigam Limited, a Government of India CPSE, registered office in New Delhi. MTL was incorporated in February 2000. ICT related Services being offered by MTL include Cloud services, Wi-Fi solution; project on e-governance, Managed services, Turnkey ICT solution, GIS based services, capacity building and skill development etc. MTL earned a net profit of Rs. 19.79 lakhs for the period ending 31st March 2022. MTL's customer list includes Air India, J & K Government, Central University-(Mahendragarh) Haryana, UP Building and Other Constructions Workers Welfare Board (UP BOCWWB), Lucknow, Thane Municipal Corporation CIDCO, Film Division of India, Insurance Institute of India etc. MTL is also expanding its portfolio of service for providing generalized as well customized solutions to suit government and semi government institutions. MTL has empanelled Business Development Associates (BDAs) for 10 years through EOI in the year 2016-17. Further, MTL has reopened the window for Empanelment of Business Development Associates in MTL through open ended EOI. MTL has around 23 empanelled Business Development Associates (BDAs) for innovative projects in ICT related fields. MTL along with its Empanelled Business Development Associates (BDAs) has introduced the cloud services for the Government customers on back to back basis.

During the financial year under report, MTL has registered a profit before tax of Rs 26.74,225/- as against a profit before tax of Rs 19,14,455/- last year and has a reserve and surplus of Rs 2,81,498,06/- as against Rs 2,62,76,390/- last year.

JOINT VENTURE

(I) MTNL STPI IT SERVICES LTD. (MSITSL)

MTNL STPI IT Services Ltd. (MSITSL) is a 50:50 Joint Venture company of Mahanagar Telephone Nigam Limited (MTNL) and Software Technology Parks of India (STPI). MSITSL was incorporated on 31/03/2006 under the Companies Act, 1956, with authorized Capital of Rs. 50 Crores. MSITSL has established the physical infrastructure of state of the art Tier III compliant Data Centre at Chennai on space taken on lease basis from STPI. The Data Center has server farm area of around 3500 sq. ft. and the total investment made for setting it up was Rs.477 lakhs. This Tier III Data Center is maintaining 99.98% uptime on 24X7x365. The commercial operation of the Data Centre commenced in 2009. At present, the following customers have co-located server racks for their projects and operation in the MSITSL Data Centre.

- The Ministry of External Affairs (MEA) has hosted Passport Seva Project at MSITSL Data Centre through M/s TCS.
- The Directorate General of Employment & Training (DGE&T) in Ministry of Labour & Employment has hosted National Career Project through STPI at MSITSL Data Centre.
- Repco Bank Ltd , M/s Repco Home finance Limited and M/s Repco Micro Finance Limited have co-located server racks for banking operation

- In addition to that, MSITS has been offering 39 Nos workstation facilities to Repco Home finance Ltd through STPI centre.

During the year under Report, MSITS has registered a turnover of Rs. 648.45 lacs as against Rs. 588.12 lacs last year and registered an increase of Rs. 60.33 lacs over last year. Other income during the year is Rs. 39.85 lacs which was Rs. 30.75 lacs last registering an increase of Rs. 9.10 lacs. MSITS has earned a profit amounting to Rs. 230.58 lacs after providing for depreciation as compared to the last year's figure of Rs. 189.92 lacs. Earning per share for the year ended on 31.03.2022 is Rs. 5.05 as compared to Rs. 4.16 last year ended on 31.03.2021.

Ministry Of External Affairs has issued the Letter of intent (LoI) to M/s TCS as implementing Agency for Passport Seva Project 2.0(PSP2.0) , subsequently MEA officials confirmed our Data centre premises as Disaster Recovery Centre for executing the said project .In this regard, MSITSL has selected DC consultant for expanding the Data Centre server farm area by around 1200 sqft as per Tier-III standard through tendering process at the estimate cost of 6 Crs.

(II) UNITED TELECOMMUNICATIONS LTD. (UTL), NEPAL

UTL is a J.V. Company of MTNL which consists of TCL, TCIL, NVPL (Nepal) & MTNL. The company provides Mobile/ILD/data services in Nepal. At present MTNL is holding 26.68% of Equity in UTL. The company has not been performing well for the last few years. It has huge losses. The Customer base has also reduced. It is not able to pay the statutory dues like Royalty Fees, BTS site charges, and other dues to the Govt. of Nepal. The company does not have resources to clear outstanding. They have sought Equity/ Loan participation by its JV partners but MTNL, TCIL & TCL all the Indian JV partners have decided not to contribute any amount towards its Share Capital or Loan. All the Indian JV Partners have decided to exit from the JV and have exercised their Right to exit, on January 30, 2018 at par value. Notice of exit (Sale of our share in JV Company) was given on 30.01.2018 and was required to be accepted within 3 months i.e., on or before 30.04.2018 but so far, the same has not been given effect by the UTL/NVPL.

Latest status of exit option - With regard to the exercising of Exit Right by all the Indian JV Partners- MTNL, TCIL and TCL from United Telecom Limited (UTL) dated January 30, 2018 by invoking the provisions of the JV Agreement and Amendatory Agreement, NVPL is willing to acquire all the 17.2 million equity shares held by all Indian JV Partners in UTL at par value upon satisfactory negotiation on the terms and payment modality between all parties. NVPL further requested all the Indian JV Partners to initiate necessary steps towards completing related acquiring procedures, including entering into a Share Purchase Agreement (SPA) at the earliest. Accordingly, as provided by NVPL, UTL forwarded a "SPA draft" to all Indian JV Partners for their perusal and comments in line with initiating necessary steps to complete the sale purchase. The SPA draft envisages to complete all necessary processes with all the Indian JV Partners and at necessary regulatory authorities as per the provisions of the prevailing laws of Nepal within 3 months from the completion date of share transfer deed. SPA draft agreement has not been finalized till date.

During the FY 2021-22, there has been no change in Subsidiaries, Associates or Joint Ventures of the Company.

HUMAN RESOURCE DEVELOPMENT

The Company attaches the highest priority to the quality of intellectual capital at its disposal and believes that knowledge and skills of its employees are the key to achievements of its corporate mission. It has sound recruitment policy and comprehensive training system. During the past one year, our company has laid greater emphasis on Human Resources Development. We have been devoting substantial resources on building a skilled workforce that has a capability to counter threats posed by ever changing customer base. The Company has been conducting various training and development activities which apart from reorienting the employees towards the greater organizational purpose are also focusing on eliminating any skill gap and technical obsolescence. The management's view on training is one of development of employee's overall personality and enabling them in becoming a vital productive resource.

TRAINING ACHIEVEMENTS

At present, MTNL has its two in house state of the art training centers, one located in New Delhi and another at Mumbai. The details of the achievement of training centers at Delhi and Mumbai are given below:

(I) **The Institute of Telecom, Technology & Management (ITTM), NEW DELHI**

The Institute of Telecom Technology and Management, ITTM, Shadipur, New Delhi is a state of the art training centre of MTNL, Delhi engaged in imparting induction training and short duration training to its officers and employees in the field of Telecom, IT, Computer System and Management. ITTM has the necessary infrastructure, technical and academic competence and excellence for providing training in specialized courses in the field of GSM, Broadband Technology, Switching, Transmission, External Plant, IT, Computer System, Management and various wellness and Life Style Management subjects comprising of Motivation, Positive Thinking, Stress Management and Spirituality at workplace and other health care programs. In addition to this, ITTM also conducts Industrial Training and Visits for students from Engineering Colleges and Various Schools of India. ITTM conducts regular executives upgradation training for financially upgraded executives from E2 to E7 cadre (E2-E3, E3-E4, E4-E5, E5-E6, E6-E7) in core competency (Telecom, Civil, Finance, Electrical, HR/Marketing/CS/Legal) and management module of one week duration each. From April 2021 to March 2022, total 633 executives have undergone upgradation training.

(II) **Centre for Excellence in Telecom Technology & Management (CETTM), Mumbai**

The Centre for Excellence in Telecom Technology & Management (CETTM), an ISO 9001:2015 certified institute, is situated at Technology Street, Hiranandani Gardens, Powai, Mumbai. CETTM's achievements during financial year 2021-22 are as follows: CETTM responded to the pandemic situation by gearing up and conducting trainings in online/ e-mode. CETTM successfully conducted in all 32 training programs (online via e-mode) and trained 321 in-house personnel achieving a figure of 331 trainee days in the FY 2021-22. 16 batches consisting of 268 students on industrial visit also conducted in March 2022. CETTM is suiting up to propose conducting classroom mode trainings w.e.f. June 2022 and ITEC batches from Aug 2022 subject to all the Government SOPs and guidelines from time to time. Despite difficult times and economic slowdown, CETTM has managed to generate a revenue of Rs. 19.82 Cr during FY 2021-22 as compared to a total revenue of Rs. 21.09 Cr during last year. Proposals of leasing out additional space of around 6868 sq.ft. in 3rd floor to MNLU, and leasing of around 50 hostel rooms to other clients like MISB Bocconi, IIMI are in pipeline. CETTM initiated leasing of its infrastructure on short duration basis for the shooting of films, web series by prominent production houses and generated business of Rs. 50 lakh for the FY 2021-22. New avenues of generating revenue through other production houses are also being initiated and are in pipeline.

INDUSTRIAL RELATIONS

Industrial peace and Industrial harmony is based on healthy employee relations and, like the previous year, employee's relations remained cordial throughout the year. The grievances/issues raised by the

employees/Union/Associations were given due attention and regard. The cases/ issues brought up by them were settled through regular meetings and interactions between Management and Unions/Associations and action as mutually agreed, was taken to settle them.

EMPLOYEES' WELFARE

1. Employees Welfare Schemes like subsidized Canteen, Housing, Medical facilities, Group Insurance, dormitories for females working in night shift etc. continued and maintained by the Company for its employees. Sports and Cultural activities were also given priority during the year.
2. Married/unmarried female employees with less than two surviving children are entitled to maternity leave for a period of 180 days on the production of medical certificate from an authorized medical officer. During the period of such leave, the female employees are paid leave salary equal to the pay drawn immediately before proceeding on leave.
3. Working spouse of MTNL employee has been covered in MTNL OPD Scheme w.e.f 01.04.2021.
4. In view of ongoing pandemic situation due to COVID-19, and for providing relief to the employees and their families, the ceiling for outdoor medical claim in a financial year has been increased to 10 days salary (Basic +IDA) as on 01.04.2020.
5. Changeover of Contributory Group Health Insurance Scheme for retirees to CGHS- After pursuance of MTNL with DoT, Ministry of Health issued instructions to CGHS for enrolment of MTNL retirees (drawing Govt. Pension) in the CGHS. To facilitate the same an incentive is being provided to the retirees concerned. As on date approximately '18648' retirees in MTNL have benefited from this scheme.

IMPLEMENTATION OF OFFICIAL LANGUAGE POLICY

The Company continued its efforts to comply with statutory requirements in promoting the use of Hindi and has been able to achieve most of the annual targets set by the Government for implementation and promotion of Hindi as Official Language in the Company.

IMPLEMENTATION OF RESERVATION POLICY FOR SC/ST/OBC/PHYSICAL HANDICAPED AND ECONOMICALLY WEAKER SECTION

The Company has endeavoured to fulfill all the statutory requirements with regard to implementation of reservation policy for candidates to SC/ ST/ OBC communities as well as Physically Challenged and Economically Weaker Section candidates.

IMPLEMENTATION OF SEXUAL HARASSMENT OF WOMEN AT WORKPLACE (PREVENTION, PROHIBITION & REDRESSAL) ACT, 2013

The Company has constituted an internal Committee to look into the complaints on Prevention, Prohibition & Redressal of Sexual Harassment of Women at workplace and matters connected therewith or incidental thereto covering all aspects as contained in the Sexual Harassment of Women at workplace (Prevention, Prohibition & Redressal) Act, 2013.

WORKING CONDITIONS OF WOMEN EMPLOYEES

We are continuously striving towards gender sensitization amongst our employees. Special care has been taken in case of woman employees in night shifts. Also to redress the issues of Sexual Harassment at workplace, special cells have been constituted.

MECHANISM AVAILABLE TO RECEIVE AND REDRESS GRIEVANCES FOR THE EMPLOYEES:

MTNL has its own Grievance Redressal Procedure for employees. Management of the Company believes in the philosophy of an Open Door Policy in the matter of redressal of employee grievances.

An aggrieved employee can approach his/her Departmental Head or the concerned officer of the Personnel Department (including the Head of the Personnel Department) and discuss his/her grievance. Best efforts are made to enable prompt actions on the issues raised by the employee.

The objective of the Grievance Redressal Procedure is to provide an easily accessible machinery for settlement of grievances, and to adopt measures as would ensure expeditious settlement of grievances, leading to increased satisfaction on the job and resulting in improved productivity and efficiency of the organization.

MECHANISMS TO PREVENT ADVERSE CONSEQUENCES TO THE COMPLAINANT IN DISCRIMINATION AND HARASSMENT CASES:

To prevent adverse consequences to the complainant in discrimination and harassment cases, MTNL has appointed concerned Liaison Officers and constituted Committees.

COMPLIANCE OF MTNL WITH RIGHTS OF PERSONS WITH DISABILITIES ACT, 2016:

MTNL complies with provisions of Rights of Persons with Disabilities Act, 2016 to protect the interests of persons with disabilities. Reservation is provided as per GoI instructions in direct recruitment for Persons with Benchmark Disabilities. Separate 100 point vacancy based reservation roster register is maintained for determining/effecting reservation for the Persons with Benchmark Disabilities. Relaxation in age limit and standards of suitability (as applicable) is given to persons with disabilities. Liaison Officers for PwD have been appointed to look after reservation matters and to ensure compliance of instructions of the Act.

MEASURES TAKEN BY MTNL TO ENSURE A SAFE AND HEALTHY WORK PLACE:

1. In order to ensure a safe and healthy workplace, requisite security measures, installation and maintenance of fire extinguishers and housekeeping measures have been taken in MTNL.
2. MTNL being an essential service provider of telecom services, MTNL has been scrupulously following COVID prevention and management guidelines for all its stakeholders like social distancing, wearing of masks, and frequent hand sanitization.
3. Thermal scanning at the entrance gate has been ensured. Employees who have been found sick or having COVID like symptoms are advised to stay at home.
4. Proper cleaning and frequent sanitization of workplace particularly of frequent touched surfaces at regular intervals has been ensured.
5. Downloading and updating of Aarogya Setu app has been made mandatory.
6. Quarantine Leave has been provided for employees whose family members have been infected with COVID.
7. For employees and their family members requiring hospitalization due to COVID, Group Health insurance coverage upto Rs.6 Lakhs is being provided under Group Health Insurance Scheme.

CORPORATE SOCIAL RESPONSIBILITY (CSR)

The Company has been suffering losses for the last few years and hence. The provisions of Section 135 of the Companies Act, 2013 are not applicable. However, the company has constituted a CSR Committee and also formed a CSR Policy in compliance with the provisions of The Companies Act, 2013 and DPE Guidelines on the subject. MTNL is undertaking non funding CSR activities like sending SMS to the public for spreading awareness on spread of COVID 19, awareness on Swachh Bharat, Pulse Polio, other moves of the Government, etc. For details regarding the CSR Committee, please refer to the Corporate Governance Report, which forms part of this Report. The CSR Policy is available on the website of the company http://mtnl.in/csr_2014.pdf.

VIGILANCE

The Vigilance wing of MTNL is headed by Chief Vigilance Officer. At present, Sh Surender Mehra, (IFS), CVO BSNL is in additional charge of CVO, MTNL. CVO is responsible for complete vigilance administration in MTNL. During the year 2021-22, emphasis was laid on preventive vigilance and to enhance the awareness of transparency and accountability in working by carrying out various types of field inspections. CTE type inspections were also carried out as per CVC guidelines. Further, training program / seminars on vigilance matters/complaints handling and disciplinary proceedings have been conducted during the year for the employees to make the participants understand the conduct rules of MTNL, procedure for handling departmental proceedings and improve their working efficiency. As per CVC instructions, the Vigilance Awareness Week was observed from October 26, 2021 to November 1, 2021 with the theme “**Independent India @ 75: Self Reliance with Integrity: स्वतंत्र @ 75 सत्यनिष्ठा से आत्मनिर्भरता**”. During this week, various activities like administering of integrity pledge, release of information booklet on the Vigilance & Disciplinary matters, Preventive Vigilance and other general conduct (Do’s & Dont’s) among the employees of MTNL was distributed. Also various programmes such as seminars, workshops, Essay, Poster as well as Quiz competitions were organized during Vigilance Awareness Week. Filing of a complaint under PIDPI (Public Interest Disclosure & Protection of Informer Resolution) was explained with the help of Posters and video.

WHISTLE BLOWER POLICY/VIGIL MECHANISM

Your Company has in place a robust vigil Mechanism for reporting genuine concerns through the company’s Whistle Blower Policy. The Policy on Whistle Blower may be accessed on the Company’s Website at the link: <http://mtnl.in/whistleBlowerPolicy.pdf>. The Company promotes ethical behavior in all its business activities and has put in place a mechanism for reporting illegal or unethical behavior as defined under Regulation 22 of SEBI (LODR) Regulation, 2015. Under the Whistle Blower Policy, the employees are free to report violations of applicable laws and regulations and the Code of Conduct to the Chairman of the Audit Committee. During the year under report, no employee was denied access to the Audit Committee.

SIGNIFICANT & MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS OR TRIBUNALS

There are no significant and material orders passed by the Regulators/Courts/Tribunals that would impact the going concern status of the Company and its future operations.

INTEGRITY PACT PROGRAMME WITH TRANSPARENCY INTERNATIONAL INDIA

MTNL has signed a Memorandum of Understanding (MOU) with Transparency International India (TII) for implementing an Integrity Pact Programme (IPP) focused on enhancing transparency in its business transactions, contracts and procurement process. Under this MOU, MTNL is committed to implementing the Integrity Pact in all its major procurement and work contract activities. The Integrity Pact has strengthened the established system and procedures by creating trust in various stakeholders. Three Independent External Monitors (IEMs) being persons of eminence nominated by the Central Vigilance Commission (CVC), to monitor the activities. As on 31-03-2022, Smt. Rashmi Goel, IRAS (Retd) and Shri Bibhuti Bhushana Mishra, IPS (Retd.) are acting as IEMs of MTNL.

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS & OUTGO

The provision of Section 134(m) of the Companies Act, 2013 do not apply to the Company as your Company is a service provider. The total foreign exchange earning was Rs. 2.63 Crore and the total foreign exchange expenditure was Rs. 4.40 Crore.

ENTERPRISE RISK MANAGEMENT

The Board of Directors of the Company has formed a Risk Management Committee to frame, implement and monitor the risk management plan for the Company. The Committee is responsible for reviewing the risk management plan and ensuring its effectiveness. The Audit Committee also has additional oversight in the area of financial risks and controls. Major risks identified by the businesses and functions are systematically addressed through mitigating actions on a continuing basis. The development and implementation of Risk Management Policy has been covered in the Management Discussion and Analysis Report, which forms part of this Report.

MEETINGS OF THE BOARD OF DIRECTORS

During the year under report, the Board of Directors of your Company met Five times during the Financial Year 2021-22. The intervening gap between any two meetings was within the period prescribed by the Companies Act, 2013 & the Listing Regulations. Details of Board Meetings are given in Corporate Governance Report which forms part of this Report. At these meetings, the Board held intensive discussions on the budget, important financial transactions and various steps to face the impending competition from private operators both in Basic Telephone Service, Cellular Mobile Telephone and other value-added services.

SELECTION AND PROCEDURE FOR NOMINATION AND APPOINTMENT OF DIRECTORS AND THEIR REMUNERATION

MTNL being a Government Company, the appointment and the terms and conditions of appointment (including remuneration) of the Whole-Time Directors are decided by the Government of India. However, the Board has constituted a Nomination & Remuneration Committee. The Government Nominee Directors do not get any remuneration from the Company. The Independent Directors are being paid sitting fee of Rs. 10,000/- for attending each meeting of the Board or Committee thereof.

They are reimbursed travel expenses & hotel expenses on this account, if any in addition to the sitting fees. Details of remuneration paid to the Whole time Directors and KMP as well as sitting fees paid to Independent Directors for the year under review are given in the Corporate Governance Report which is attached as annexure to this report.

PERFORMANCE EVALUATION OF DIRECTORS

Ministry of Corporate Affairs (MCA), through General Circular dated 5th June, 2015, has exempted Government Companies from the provisions of Section 178 (2) of the Companies Act, 2013 which provides about manner of performance evaluation of Board of Directors, Committee of Board of Directors and Director by the Nomination and Remuneration Committee. The aforesaid circular of MCA further exempted listed Govt. Companies from provisions of Section 134 (3) (p) of the Companies Act, 2013 which requires mentioning the manner of formal evaluation of its own performance by the Board and that of its Committees and Individual Director in Board's Report, if directors are evaluated by the Ministry or Department of the Central Government which is administratively in charge of the company, or, as the case may be, the State Government as per its own evaluation methodology. Now, MCA, through Notification dated 05.07.2017, has amended Schedule IV of the Companies Act, 2013 with respect to performance evaluation of directors of the Government Companies that in case of matters of performance evaluation are specified by the concerned Ministries or Departments of the Central Government or as the case may be, the State Governments and such requirements are complied with by the Government companies, such provisions of Schedule IV are exempt for the Government Companies.

Similar exemption has been requested by PSUs wing of CII from SEBI under the SEBI LODR for all PSUs. In this regard, Department of Public Enterprises (DPE) has already laid down a mechanism for performance appraisal of all functional directors. DPE vide its Office Memorandum No.9(14)/2009-GM-Part-3-FTs-9036 dtd. 30.05.2022 has intimated MTNL that assessment of performance of Non-official Directors/Independent directors is to be done on annual basis from now onwards.

Your Company enters into a Memorandum of Understanding (MOU) with Government of India each year, demarcating key performance parameters for the Company. The performance of the Company and Board of Directors are evaluated by the Department of Public Enterprises vis-à-vis MOU entered into with the Government of India.

TRANSFER OF FUNDS/SHARES TO THE INVESTOR EDUCATION AND PROTECTION FUND (IEPF)

Your Company has not declared dividend from FY 2009-10 onwards, hence provision of transfer of unclaimed dividend and shares as per IEPF Rules is not applicable to your Company.

PARTICULARS OF CONTRACTS OR ARRANGEMENTS WITH RELATED PARTIES

During the year under report, the Company has not entered into any Material Transaction with any of its related parties. The Company's major Related Party Transactions are generally with its subsidiaries and associates. All Related Party Transactions, if any, were in ordinary course of Business and were negotiated at an Arm's Length basis and they were intended to further the company's interest. Accordingly, the disclosure of Related Party Transactions as required under Section 134(3)(h) of

Companies Act, 2013 in Form AOC-2 is not applicable. Web link for Policy on Materiality of Related Party Transactions and also on dealing with Related Party Transactions has been provided in the Report on Corporate Governance which forms part of Annual Report. Details of Related Parties and transaction with your Company are given in Notes to the financial statement which is a part thereof.

PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS MADE UNDER SECTION 186 OF THE COMPANIES ACT, 2013.

During the Year under report, there was no Loan or Guarantee given or investments made by the MTNL under Section 186 of the Companies Act, 2013.

CORPORATE GOVERNANCE

Your company has complied with the Corporate Governance requirement under the Act, Listing Regulations and the relevant guidelines issued by Department of Public Enterprises (DPE). Your company is also complying with the applicable Secretarial Standards issued by the Institute of Company Secretaries of India (ICSI). A Certificate from M/s Mritunjay Shekhar & Associates, Practising Company Secretaries, regarding compliance of conditions of Corporate Governance as stipulated under Schedule V (E) of SEBI (LODR), 2015 for the FY 2021-22 and Annual Secretarial Compliance Report for the FY 2021-22 pursuant to SEBI Circular No. CIR/CFD/CMD1/27/2019 dated 8th February, 2019 has also been obtained from M/s Mritunjay Shekhar & Associates, Practising Company Secretaries are also placed at annexure to this report. Further, a separate section on Corporate Governance is also placed as annexure to this report.

EXTRACT OF ANNUAL RETURN

As provided under Section 92 of the Act and rules framed thereunder the extract of Annual Return in Form MGT-9 is given as Annexure which forms part of this report. Extract of Annual Return is also uploaded on MTNL Website and can be accessed at www.mtnl.net.in.

IMPLEMENTATION OF CIRCULAR ISSUED BY MINISTRY OF CORPORATE AFFAIRS ON “GREEN INITIATIVES IN CORPORATE GOVERNANCE”

Ministry of Corporate Affairs (MCA), Government of India vide its General Circular No 14/2020 dtd. 08.04.2020 and General Circular No 17/2020 dtd. 13.04.2020 deals with the conduct of EGM during Covid Pandemic. MCA vide its General Circular No 20/2020 dtd. 05.05.2020 has allowed companies to conduct their AGM during calendar year 2020 through Video Conferencing (VC) or other Audio Video Means (OAVM) subject to fulfilling conditions specified in the abovementioned Circular. Further, the abovementioned Circular specifies that due to the prevailing situation, owing to the difficulties involved in dispatching of physical copies of the financial statements (including Board's report, Auditor's report or other documents required to be attached therewith), such statement will be sent only by email to the members, trustees for the debenture-holders of any debentures issued by the company and to all other persons so entitled after fulfilling requirement mentioned in the Circular. ***Further Clarification General Circular No. 03/2021 dated 13.04.2021, General Circular No. 19/2021 dated 08.12.2021, General Circular No. 21/2021 dated 14.12.2021 and General Circular No.03/2022 dated 05.05.2022 issued by the MCA has clarified that it has been decided***

to allow companies whose AGMs were due to be held in the year 2022 or become due in the year 2022 to conduct AGMs on or before 31.12.2022, in accordance with the requirement of paragraph 3 and 4 of the General Circular No 20/2020 dated 05.05.2020.

Therefore, MCA vide its General Circular No 20/2020 dtd. 05.05.2020 and General Circular No 03/2022 dtd. 05.05.2022 has dispensed with the requirement of printing and dispatch of annual reports to shareholders and debentureholders if the AGM is held during calendar year 2020, 2021 and 2022.

Now SEBI vide its Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dtd 12/05/2020 has stated that "The requirement of Regulations 36(1)(b) and (c) and Regulations 58(1)(b) & (c) of the LODR are dispensed with for listed entities who conduct their AGMs during the Calendar Year 2020 (i.e. till December 31,2020)." Further SEBI vide its Circular No. SEBI/HO/CFD/CMD2/CIR/P/2021/11 dtd. 15/01/2021, Circular No. SEBI/HO/DDHS/P/CIR/2022/613 dtd 15/01/2021, Circular No. SEBI/HO/CFD/CMD2/CIR/P/2022/62 dtd 13/05/2022 and SEBI/HO/DDHS/P/CIR/2022/0063 dtd 13/05/2022 has further extended the relaxations in para 3 to 6 of the aforementioned SEBI Circular dated 12/05/2020 in respect of sending physical copies of annual report to shareholders and debentureholders and requirement of proxy for general meetings held through electronic mode, are extended for listed entities, till December 31, 2022.

In accordance with the aforesaid MCA and SEBI Circulars and to ensure compliance of Green Initiative, your Company has sent various documents including Notice of the 36th AGM, Audited Financial Statements, Directors' Report, Auditors' Report for the F.Y. 2021-22 etc. to its Shareholders and Debenture holders only in electronic form, at the e-mail addresses provided / registered by members and made available to us by the Depositories (NSDL/CDSL). The members are advised to update by registering changes, if any, in their e-mail address, with the concerned Depository Participant.

Your Company shall also display full text of Notice of 36th AGM & Annual Report 2021-22 at its website <http://mtnl.in/annual.html>. Your Company looks forward towards active participation of Shareholders in this "Green Initiative" and request all Shareholders, who have not so far supplied their e-mail addresses, to give the same at the earliest. There will be no dispatch by Post of Notice of 36th AGM and Annual Report 2021-22 to Shareholders and Debenture holders having no email ids in compliance with Circulars of MCA and SEBI.

DIRECTORS' RESPONSIBILITY STATEMENT

Pursuant to the provisions of Section 134(5) of the Companies Act, 2013, the Directors to the best of their knowledge and belief confirm that:

- (a) In the preparation of the annual accounts, the applicable accounting standards had been followed along with proper explanation relating to material departures;
- (b) the directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company at the end of the financial year and of the profit or loss of the company for that period;

- (c) the directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;
- (d) the directors had prepared the annual accounts on a going concern basis and
- (e) the directors had laid down internal financial controls to be followed by the company and that such internal financial controls are adequate and were operating efficiently.
- (f) the directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

INTERNAL FINANCIAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company had maintained, in all respects, adequate internal financial controls over financial reporting and such internal control over financial reporting were operating effectively during the Financial Year 2021-22, based on the internal control over financial reporting criteria established by the Company considering the essential components on internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). Report on the Internal Financial Control under Section 143(3)(1) of the Companies Act, 2013 for the FY 2021-22 is attached as annexure to the Independent Auditors Report which is part of the report.

SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED 31st MARCH 2022**[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]**

To,

The Members,

MAHANAGAR TELEPHONE NIGAM LIMITED

Mahanagar Doorsanchar Sadan,

5th Floor, 9 CGO Complex,

Lodhi Road, New Delhi - 110003

We have conducted the Secretarial Audit for the compliance of applicable statutory provisions and the adherence to good corporate practices by **MAHANAGAR TELEPHONE NIGAM LIMITED** (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on the information provided by the company and verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives, during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has during the audit period covering the financial year ended on 31st March 2022 generally complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minutes book, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March 2021 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the Rules made there-under,
- (ii) The Securities Contracts (Regulation) Act, 1956 (SCRA) and the rules made there-under,
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there-under,
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there-under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings,

- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (SEBI Act):-
- (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011.
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015.
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 (Not applicable to the Company during the Audit Period).
 - (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employees Stock Purchase Scheme) Guidelines, 1999 (Not applicable to the Company during the Audit Period).
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008.
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client with respect to issue of securities.
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 (Not applicable to the Company during the Audit Period).
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 (Not applicable to the Company during the Audit Period).
 - (i) The Securities and Exchange Board of India (Listing Obligation and Disclosure Requirement)(LODR) Regulations, 2015 and
- vi) The other laws, as informed and certified by the Management of the Company which are specifically applicable to the Company based on their Sectors/Businesses are:
- (a) The Telecom Regulatory Authority of India Act 1997 (TRAI) and Rules and Regulations made there-under.
 - (b) The Indian Telegraph Act, 1885.
 - (c) The Indian Wireless Telegraphy Act, 1933
 - (d) Information Technology Act, 2000 and the rules made thereunder;

We have also examined compliance with the applicable clause of the following Standards/Regulations of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India with respect to Board and General Meetings.
- (ii) The Listing Agreements entered into by the Company with NSE, BSE and

OTCIQX, New York read with the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review, as per our audit of records of the Company and as per the explanations and clarifications given to us, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards etc. as mentioned above subject to our observation as under:-

We certify that the company has complied with the Regulations of the Securities and Exchange Board of India (LODR) Regulations, 2015 except that:

- (i) *One Half of the Board was not comprised of Independent Directors from 01.04.2021 to 31.03.2022.*
- (ii) *The Board did not have any Independent) Directors from 01.04.2021 to 11.11.2021.*
- (iii) *The Board did not have a Woman Independent Director from 01.04.2021 to 22.11.2021.*
- (iv) *The Quorum for Board Meetings held on 29.06.2021, 13.08.2021 and 07.10.2021 respectively was not as per SEBI (LODR) Regulations, 2015 due to absence of any independent director.*
- (v) *The Quorum for Audit Committee Meetings held on 29.06.2021, 13.08.2021, 07.10.2021 and 12.11.2021 respectively was not as per SEBI (LODR) Regulations, 2015 due to absence of any independent director.*
- (vi) *The absence of independent directors from 01.04.2021 till 11.11.2021 has resulted in all the Committees of Board of Directors viz. Audit Committee, Nomination and Remuneration Committee, Stakeholders Relationship Committee and Risk Management Committee being non-compliant with regard to their Composition and quorum for meetings as stipulated in the SEBI (LODR) Regulations, 2015.*

We further report that

As informed by the Company and as per inspection of records, MTNL has a very balanced and diversified Board of Directors with an optimum mix of Executive [represented by CMD, Director (HR & EB), Director (Technical) and Director (Finance) and Non-Executive [represented by Government Directors and Independent Directors].

The Composition of the Board of Directors of MTNL as on March 31, 2022 is as follows:

Category of Directors	Board Structure	Actual Strength as on March 31, 2022
Chairman & Managing Director	1	1
Whole-time Executive (Functional) Directors	3	3
Part-time Official Directors (Government Nominees) representing the Department of Telecommunication (DoT), Government of India	2	2
Part-time Non-official (Independent) Directors	6	4
Total	12	10

MTNL is a Public Sector Undertaking. All appointments including Independent Directors on the Board are made by the Administrative Ministry, Government of India, i.e. Ministry of Communications & Information Technology.

As on 31.03.2022, MTNL had four Executive Directors, two Govt. Nominee Directors and four Independent Director (including one women independent director) on its Board.

In order to comply with provisions of Regulation 17(1) of SEBI (LODR) 2015, MTNL need six independent directors i.e. fifty percent of the total strength as MTNL had six directors (including four functional and two Government Nominee directors) including Executive Chairman. In the circumstances, MTNL needs two more Independent Director on its Board.

Due to non-appointment of two independent directors till 31.03.2022, the Composition of the Board was not in conformity with Regulations 17 of SEBI (LODR) Regulation, 2015 and DPE Guidelines on Corporate Governance.

Due to non-appointment of independent directors till 11.11.2021, MTNL was unable to comply with provisions relating to Audit Committee (Regulation 18), Nomination and Remuneration Committee (Regulation 19), Stakeholders Relationship Committee (Regulation 20) and Risk Management Committee (Regulation 21).

The Company has informed that the matter for appointment of two more Independent Directors has already been taken up with the Government of India.

Adequate notices were given to all directors to schedule the Board Meetings in advance, agenda and detailed notes on agenda were sent in advance of the Meetings. The system exists in the Company for seeking and obtaining further information and clarifications on the agenda items before the Meeting and for meaningful participation at the Meeting.

All decisions of the Board and Committee Meetings were carried out unanimously as recorded in the minutes of the Meetings of the Board of Directors or Committee(s) of the Board as the case may be. No dissenting views of any Director were recorded in the minutes maintained by the Company.

We further report that based on the information received and records maintained there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period there has not been any such activity having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, etc. except the following:-

We further report that during the audit period, MTNL has not issued any Debentures/Bonds.

This Report is to be read with our letter of even date which is annexed as Annexure A and Forms an integral part of this report.

'ANNEXURE – A'

To,

The Members,

MAHANAGAR TELEPHONE NIGAM LIMITED

Mahanagar Doorsanchar Sadan,
5th Floor, 9 CGO Complex,
Lodhi Road, New Delhi - 110003

Our report of even date is to be read along with this letter

1. Maintenance of Secretarial Records are the responsibility of the management of the Company. Our responsibility is to express an opinion on these Secretarial Records based on our audit.
2. We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on test check basis to ensure that correct facts are reflected in secretarial records. We believe that the process and practices, we followed provide a reasonable basis for our opinion.
3. We have not verified the correctness and appropriateness of financial records and books of the account of the Company.
4. Wherever required, have obtained Management Representation about the compliance of laws, rules and regulations and happening of events, etc.
5. The compliance of the provisions of corporate and other applicable laws, rules, regulations, standards is the responsibility of management. Our examination was limited to the verification of procedures on test-check basis.
6. The Secretarial Audit report is neither an assurance as to future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company

The Members of

Mahanagar Telephone Nigam Limited**New Delhi**

1. We have examined the compliance of the conditions of Corporate Governance by Mahanagar Telephone Nigam Limited ('Company') for the year ended on March 31, 2022, as stipulated under Regulations 17 to 27, clauses (b) to (i) and (t) of sub-regulation (2) of Regulation 46 and para C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and also DPE Guidelines on Corporate Governance for CPSEs, 2010 as amended from time to time.
2. The compliance of the conditions of Corporate Governance is the responsibility of the management. Our examination was limited to the procedures and implementation thereof, adopted by the company for ensuring the compliance of the conditions of corporate governance. It is neither an audit nor an expression of opinion on the financial statements of the company.
3. In our opinion and to the best of our information and according to the explanations given to us, we certify that the company has generally complied with the conditions of Corporate Governance as stipulated in the listing regulations except that:
 - i) *One Half of the Board was not comprised of Independent Directors from 01.04.2021 to 31.03.2022.*
 - ii) *The Board did not have any Independent) Directors from 01.04.2021 to 11.11.2021.*
 - iii) *The Board did not have a Woman Independent Director from 01.04.2021 to 22.11.2021.*
 - iv) *The Quorum for Board Meetings held on 29.06.2021, 13.08.2021 and 07.10.2021 respectively was not as per SEBI (LODR) Regulations, 2015 due to absence of any independent director.*
 - v) *The Quorum for Audit Committee Meetings held on 29.06.2021, 13.08.2021, 07.10.2021 and 12.11.2021 respectively was not as per SEBI (LODR) Regulations, 2015 due to absence of any independent director.*
 - vi) *The absence of independent directors from 01.04.2021 till 11.11.2021 has resulted in all the Committees of Board of Directors viz. Audit Committee, Nomination and Remuneration*

Committee, Stakeholders Relationship Committee and Risk Management Committee being non-compliant with regard to their Composition and quorum for meetings as stipulated in the SEBI (LODR) Regulations, 2015.

4. We further state that the compliance is neither an assurance as to the future viability of the company nor the efficiency or effectiveness with which the management conducted the affairs of the Company.

ANNEXURES TO ANNUAL SECRETARIAL COMPLIANCE REPORT OF M/s. MAHANAGAR TELEPHONE NIGAM LIMITED FOR THE YEAR ENDED 31st MARCH 2022***ANNEXURE - I***

Clarification submitted by MTNL vide its letter no. MTNL/SECTT/SE/2022 Dated 16/03/2022 to BSE email dtd. March 15, 2022 is as follows: -

In this regard we would like to draw your attention to the provision of Regulation 54 (2) of SEBI (LODR) 2015, which are reproduced below (2) The listed entity shall disclose to the stock exchange in quarterly, half-yearly, year-to-date and annual financial statements, as applicable, the extent and nature of security created and maintained with respect to its secured listed non-convertible debt securities. It is submitted that the Non-Convertible Debentures/Bonds issued by MTNL are unsecured in nature. As Bonds issued by MTNL is unsecured in nature, therefore Regulation 54(2) of SEBI (LODR) 2015 is not applicable in case of MTNL.

ANNEXURE - II

Clarification submitted by MTNL vide its letter no. MTNL/SECTT/SE/2022 Dated 23/02/2022 to NSE letter no. NSE/LIST-SOP/COMB/FINES/0832 dtd. February 21, 2022 and BSE email dtd. February 21, 2022 is as follows: -

Kindly refer our earlier letters wherein it has been stated that MTNL is a Public Sector Undertaking. All appointments including Independent Directors on the Board are made by the Administrative Ministry, Government of India, i.e. Ministry of Communications & Information Technology. From 26.10.2020 till 11.11.2021, MTNL was not having any Independent directors on its Board. The Board of Directors of MTNL in its 348th Board Meeting held on 12.11.2021 has appointed the following Independent Directors for a period of three years, or until further orders whichever is earlier pursuant to the Department of Telecommunication Letter No. No.E-5-3/2018-PSA dtd. 01.11.2021:-

- (i) Sh. Sarv Daman Bharat
- (ii) Ms. Deepika Mahajan
- (iii) Sh. Yogesh Kumar Tamrakar
- (iv) Sh. Vishwas Pathak

For the Quarter ended 31.12.2021, MTNL had four Executive Directors, two Govt. Nominee Directors and four Independent Director (including women directors) on its Board.

In order to comply with provisions of Regulation 17(1) of SEBI (LODR) 2015, we need six independent directors i.e. fifty percent of the total strength as we have six executive directors (including four functional and two Government Nominee directors) including Executive Chairman. Hence MTNL needs two more independent directors on its Board for which we have already sent letter to the Government of India.

Due to non-appointment of two more Independent Directors, we were unable to comply with provisions relating to Board Composition (Regulation 17) i.e. Half of the Board is not Non – Executive.

Due to non-appointment of independent directors till 11.11.2021, we were unable to comply with provisions relating to Audit Committee (Regulation 18), Nomination and Remuneration Committee (Regulation 19), Stakeholders Relationship Committee (Regulation 20) and Risk Management Committee (Regulation 21) during that period. As on 31.12.2021, MTNL is complying with the provisions relating to Audit Committee (Regulation 18), Nomination and Remuneration Committee (Regulation 19), Stakeholders Relationship Committee (Regulation 20) and Risk Management Committee (Regulation 21).

ANNEXURE - III

Clarification submitted by MTNL vides its letter no. MTNL/SECTT/SE/20221 Dated 14/12/2021 to BSE email dtd. December 10, 2021 is as follows: -

In this regard we would like to draw your attention to the provision of Regulation 54 (2) of SEBI (LODR) 2015, which are reproduced below (2) The listed entity shall disclose to the stock exchange in quarterly, half-yearly, year-to-date and annual financial statements, as applicable, the extent and nature of security created and maintained with respect to its secured listed non-convertible debt securities. It is submitted that the Non-Convertible Debentures/Bonds issued by MTNL are unsecured in nature. As Bonds issued by MTNL is unsecured in nature, therefore Regulation 54(2) of SEBI (LODR) 2015 is not applicable in case of MTNL.

ANNEXURE - IV

Clarification submitted by MTNL vides its letter no. MTNL/SECTT/SE/2021 Dated 24/11/2021 to NSE letter no. NSE/LIST-SOP/COMB/FINES/0825 dtd. November 22, 2021 and BSE email dtd. November 22, 2021 is as follows: -

MTNL is a Public Sector Undertaking. All appointments including Independent Directors on the Board are made by the Administrative Ministry, Government of India, i.e. Ministry of Communications & Information Technology. Till 25.10.2020, MTNL was having 10 Directors on its Board including 4 Independent Directors. On 25.10.2020 the tenure of all the four Independent directors got completed. As a result, MTNL has no Independent director on its Board w.e.f. 26.10.2020. As on 30.09.2021 (quarter end) MTNL had four Executive Directors and two Govt. Nominee Directors on its Board.

The matter for appointment of Independent Directors has already been taken up with the Government of India

In the circumstances that MTNL had no independent director on its Board, we had reconstituted all the Board level Committees with the existing directors on 11.11.2020 where in the Govt. Director was made Chairperson of all committees.

Due to non-appointment of independent directors, we were unable to comply with provisions relating to Board Composition (Regulation 17), Audit Committee (Regulation 18), Nomination and Remuneration Committee (Regulation 19), and Stakeholders Relationship Committee Composition (Regulation 20). Quorum for the Board meeting and Audit Committee meetings held on 13.08.2021 was not strictly as per Regulation 17(2A) and Regulation 18 of SEBI (LODR) Regulation, 2015.

We are glad to inform you that Government of India, Department of Telecommunications vide letter no E-5-3/2018-PSA dated 01.11.2021 has appointed four Independent Directors on the Board of MTNL. The Board of Directors of MTNL in its 348th Board Meeting held on 12/11/2021 has ratified the said appointment of the following Independent Directors

- (i) Sh. Sarv Daman Bharat
- (ii) Ms. Deepika Mahajan
- (iii) Sh. Yogesh Kumar Tamrakar
- (iv) Sh. Vishwas Pathak

ANNEXURE - V

Clarification submitted by MTNL vides its letter no. MTNL/SECTT/SE/2021 dated 23/08/2021 to NSE letter no. NSE/LIST-SOP/COMB/FINES/0821 dtd. August 23, 2021 and BSE email dtd. August 23, 2021 is as follows: -

MTNL is a Public Sector Undertaking. All appointments including Independent Directors on the Board are done by the Administrative Ministry, Government of India, i.e. Ministry of Communications & Information Technology. Till 25.10.2020, MTNL was having 10 Directors on its Board including 4 Independent Directors. On 25.10.2020 tenure of all the four Independent directors got completed. As a result, MTNL has no Independent director on its Board w.e.f. 26.10.2020. As on 30.06.2021 (quarter end) we had four Executive Directors and two Govt. Nominee Directors on our Board. There is no women director on the Board of MTNL.

We had reconstituted Audit Committee, Nomination and Remuneration Committee, Stakeholders Relationship Committee from out of the remaining Directors on 11.11. 2020. However, there was no Independent Director in any of the above committees but the Govt. Director was made Chairperson of the committees.

Due to non-appointment of independent directors, we are unable to comply with provisions relating to Board Composition (Regulation 17), Audit Committee (Regulation 18), Nomination and Remuneration Committee (Regulation 19) and Stakeholders Relationship Committee Composition (Regulation 20). Quorum for the Board meeting and Audit Committee meeting held on 29.06.2021 was not strictly as per Regulation 17(2A) and Regulation 18 of SEBI (LODR) Regulations due to non-appointment of independent directors.

The matter for appointment of Independent Directors has already been taken up with the Government of India and we are awaiting the reply from the Government. We have been informed by the Administrative Ministry that the matter is under process.

As regards compliance of Regulation 76 of SEBI (Depository & Participants), 2018, it is brought to your kind notice that the Audit Report for Reconciliation of Share Capital Audit Report pursuant to SEBI's Circular No. D&CC/FITTC/CIR-16/2002 dated December 31, 2002 issued by M/s. V.K. Sharma & Co., Company Secretaries for the quarter ended on 30th June, 2021 has been filed in BSE on 15.07.2021 in XBRL mode.

ANNEXURE - VI

Clarifications submitted by MTNL vide its letter no. MTNL/SECTT/SE/2021 Dated 24/05/2021 to NSE letter no. NSE/LIST-SOP/COMB/FINES/0815 dtd. May 17,2021 and BSE email dtd. May 17, 2021 is as follows:-

MTNL is a Public Sector Undertaking. All appointments including Independent Directors on the Board are done by the Administrative Ministry, Government of India, i.e. Ministry of Communications & Information Technology. Till 25.10.2020, MTNL was having 10 Directors on its Board including 4 Independent Directors. On 25.10.2020 tenure of all the four Independent directors got completed. As a result, MTNL has no Independent director on its Board w.e.f. 26.10.2020. As on 31.03.2021 (quarter end) we had four Executive Directors and two Govt. Nominee Directors on our Board. There is no women director on the Board of MTNL.

We had reconstituted Audit Committee, Nomination and Remuneration Committee, Stakeholders Relationship Committee from out of the remaining Directors on 11.11. 2020. However, there was no Independent Director in any of the above committees but the Govt. Director was made Chairperson of the committees.

Due to non-appointment of independent directors, we are unable to comply with provisions relating to Board Composition (Regulation 17), Audit Committee (Regulation 18), Nomination and Remuneration Committee (Regulation 19) and Stakeholders Relationship Committee Composition (Regulation 20). Quorum for the Board meeting and Audit Committee meeting held on 12.02.2021 was not strictly as per Regulation 17(2A) and Regulation 18 of SEBI (LODR) Regulations due to non-appointment of independent directors. Due to non-appointment of independent directors, we were unable to hold Nomination/Stakeholder/Risk Management Committee Meeting during FY 2020-21.

The matter for appointment of Independent Directors has already been taken up with the Government of India and we are awaiting the reply from the Government. We have been informed by the Administrative Ministry that the matter is under process.

ANNEXURE-VI TO DIRECTORS' REPORT
CORPORATE GOVERNANCE REPORT FOR THE FINANCIAL YEAR 2021-22
1. COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE

The Company's Philosophy on Corporate Governance encompasses achieving the balance between Shareholder's interest and Corporate Goals through the efficient conduct of its business and meeting its Stakeholder's obligation in a manner that is guided by Transparency, Accountability and Integrity. The Companies Act, 2013 together with the Companies Rules and SEBI (Listing Obligations & Disclosure Requirements) Regulation, 2015 [SEBI (LODR), 2015] applicable for all listed entities including MTNL provide a robust framework for Corporate Governance. MTNL is complying with relevant provisions of the Companies Act, 2013, rules made there under and SEBI (LODR) Regulation, 2015 for good Corporate Governance. As MTNL being a PSU, is also complying with the Guidelines on Corporate Governance for Central Public Sector Enterprise (CPSE) issued by the Department of Public Enterprises, Ministry of Finance, Government of India.

2. BOARD OF DIRECTORS

(I) The Composition of the Board of Directors as on March 31, 2022 is as follows:

Category of Directors	Board Structure	Actual Strength as on March 31, 2022
Chairman & Managing Director	1	1
Whole-time Executive (Functional) Directors	3	3
Part-time Official Directors (Government Nominees) representing the Department of Telecommunication (DoT), Government of India	2	2
Part-time Non-official (Independent) Directors	6	4
Total	12	10

The Company has a very balanced and diversified Board of Directors with an optimum mix of Executive [represented by CMD, Director (HR & EB), Director (Technical) and Director (Finance) and Non-Executive [represented by Government Directors and Independent Directors]. As on 31.03.2022, MTNL had four Executive Directors, two Government Nominee Directors and four Independent Directors on its Board. There is two women director on the Board of MTNL as on 31.03.2022. The Composition of the Board is not in conformity with Regulations 17 of SEBI (LODR) Regulation, 2015 read with Section 149 of the Act and DPE Guidelines on Corporate Governance as on 31.03.2022. Due to non-appointment of two independent directors till 31.03.2022, MTNL was unable to comply with provisions relating to Board Composition (Regulation 17) i.e. Half of the Board is not Non – Executive.

The matter for appointment of remaining two Independent Directors was taken up with the Government of India and Department of Telecommunications, Ministry of Communications, Govt. of India vide its Letter No.E-5-3/2018-PSA dtd. 23.03.2022 had appointed Shri Piyush Ranjan Nishad as an Independent Director on the Board of MTNL. Shri Piyush Ranjan Nishad became member of Board of Directors of MTNL w.e.f. date of obtaining DIN i.e. from 21.04.2022.

MTNL is a Public Sector Undertaking. All appointments including Independent Directors on the Board are done by the Administrative Ministry, Government of India, i.e. Ministry of Communications, Department of Telecommunications. The matter for appointment of one more Independent Directors has already been taken up with the Government of India.

Due to non-appointment of Independent Directors from 26.10.2020 till 12.11.2021, MTNL was unable to comply with provisions relating to Board Composition (Regulation 17), Audit Committee (Regulation 18), Nomination and Remuneration Committee (Regulation 19) and Stakeholders Relationship Committee Composition (Regulation 20). Quorum for the Board meeting and Audit Committee meeting held after 25.10.2020 till 12.11.2021 was not strictly as per Regulation 17(2A) and Regulation 18 of SEBI (LODR) Regulations due to non-appointment of independent directors.

(II) Board Level Committee in MTNL

The Board has constituted five mandatory Board Level Committees under the Companies Act, 2013, SEBI (LODR) Regulation, 2015 and DPE Guidelines on Corporate Governance for Central Public Sector Enterprise (CPSE) namely Audit Committee, Stakeholders Relationship Committee, Nomination & Remuneration Committee, CSR Committee and Enterprise Risk Management Committee. These Board Level Committees mainly consist of Independent/Non-Executive Directors. The meetings of these Committees are held whenever required. The details are given elsewhere in this report. The minutes of all the Board Level Committee Meetings are circulated and discussed in the Board Meetings.

(III) (A) The List of Directors & Chairmanship/Membership in Board Level Committee in MTNL (as on 31.03.2022) and their Directorship in other Companies are given below: -

The names and categories of the Directors on the Board, their attendance at the Board meetings held during the year and at the last Annual General meeting ("AGM") held through Video-Conferencing/ Other Audio-Visual Means and the number of Directorships and Committee Chairmanships/Memberships held by them in other public limited companies as on March 31, 2022 are given below. Other directorships do not include directorships of associations, private limited companies, foreign companies, companies incorporated under Section 8 of the Act, Government Bodies and Alternate Directorships. For the purpose of determination of limit of the Board Committees, Chairpersonship and Membership of the Audit Committee and Stakeholders' Relationship Committee has been considered as per Regulation 26(1)(b) of the Listing Regulations.

(VI) INDEPENDENT DIRECTORS

Independent Directors are appointed by the Govt. of India and hold the position of Non-executive Directors as defined under Regulation 16(1) (b) of the SEBI (LODR) Regulation, 2015 read with Section 149(6) of the Act. The maximum tenure of Independent Directors is three years. As required under Regulation 46(2)(b) of the Listing Regulations, the Company will give Formal Letter of Appointment to Independent Directors. The terms and conditions of their appointment will be posted on the Company's website. Each newly appointed Independent Director will be provided with an appointment letter which sets out their Role, Functions, Duties & Responsibilities and copy of the Code of Conduct is made available to them.

On 12.11.2021, Four Independent directors i.e. Shri Yogesh Kumar Tamarkar, Shri Sarv Daman Bharat, Shri Vishwas Pathak and Ms. Deepika Mahajan has been appointed by the Govt. of India. Formal Letter of Appointment was given to them and is also uploaded in the website <https://mtnl.in/directors.html>.

In terms of Regulation 25(8) of the Listing Regulations, Independent directors have to confirm that they are not aware of any circumstance or situation, which exist or may be reasonably anticipated, that could impair or impact their ability to discharge their duties with an objective independent judgment and without any external influence. The above declaration under Regulation 25(8) of SEBI (LODR) regarding compliance with Regulation 16(b) has been obtained from all the four Independent directors and the Board of directors has confirmed that the Independent Directors has fulfilled the conditions specified in SEBI (LODR) Regulations and are independent of the Management.

The Independent Directors are paid an amount of Rs.10,000/- towards sitting fees for attending each meeting of the Board or any Committee thereof. The out-of-pocket expenses such as travel expenses & hotel expenses etc. incurred by Independent Directors for attending such meetings are reimbursed.

The Sitting fees paid to the Independent Directors during the Financial Year 2021-22 is as under:

S. No.	Name of the Independent Director	Sitting fees						Total Amount in Rupees

2.	Deepika Mahajan	20000			10000			30000
3.*	Vishwas Pathak	NIL	NIL					NIL
4.*	Yogesh Kumar Tamrakar	NIL				NIL		NIL

*Shri Vishwas Pathak and Shri Yogesh Tamrakar, Independent Directors of MTNL have relinquished their right to receive the sitting fees for attending the Board and its Committee Meetings.

(VII) MEETING OF INDEPENDENT DIRECTORS

A separate meeting of Independent Directors of the Company without the presence of the Functional Directors & the Management Representatives was held on February 14, 2022 as required under Schedule IV to the Act (Code for Independent Directors) and Regulation 25 (3) of the Listing Regulations.

All the Independent Directors of the Company attended the Meeting of Independent Directors held on February 14, 2022. The Independent Directors expressed their satisfaction to the desired level on the governance of the Board.

(VIII) SERVICE CONTRACTS AND SEVERANCE FEE

The Chairman-cum-Managing Director and other Executive directors are appointed by the Government of India, for a period of five years from the date of taking over charge or till the date of superannuation (presently 60 years of age) or till further order, whichever event occurs the first. Government Nominee directors are appointed by the President of India and hold office till further orders. Govt. Directors are not entitled for any remuneration in the form of sitting fees or reimbursement of expenses etc. Independent Directors are also appointed by the Government of India for a period of three years or till further orders whichever is earlier. There is no provision for payment of severance fees to directors.

(VIII) FAMILIARIZATION PROGRAMME FOR DIRECTORS

All Directors on the Board (including Independent Directors) are appointed by the Govt. of India. Training of newly appointed Directors and familiarization of all the Board Members is the responsibility of the Company. The Familiarization Programme includes the presentation & interactive Session with CMD, other Directors and Senior Management Personnel. The Company Secretary briefs the Director about the Legal & Regulatory responsibilities as a director. Also Department of Public Enterprises (DPE) organizes various orientation programmes for newly appointed independent directors of Public Sector Undertakings (PSU). The Familiarization Programme is uploaded in company's website and can be accessed at <https://mtnl.in/DETAILSOFFAMILIARIZATION.pdf>.

(IX) SEPARATION OF POSTS OF CHAIRMAN & CHIEF EXECUTIVE OFFICER

Separation of posts of Chairman & Chief Executive Officer which is made as discretionary requirement vide amendment to LODR issued on 22-3-2022 to part -E of Schedule -II read with Regulation 27 of LODR is not applicable as it is discretionary only and also as appointment of CMDs in PSUs is made by Govt. for a tenure of 5 years.

(X) INTERNAL CODE OF CONDUCT FOR PREVENTION OF INSIDER TRADING IN DEALING WITH SECURITIES OF MTNL

In accordance with the Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015, as amended from time to time, the Board of Directors of the Company has adopted the revised Internal Code of Conduct for Prevention of Insider Trading in Dealing with Securities of MTNL. All the Directors, Employees of the Company and their immediate relatives and other connected persons who could have access to the Unpublished Price Sensitive Information of the Company, are governed under this Insider Trading Code. The Company Secretary of the Company is the 'Compliance Officer' for the purpose of this Regulation.

(A) If answer at S. No.1 against any principle, is 'No' please explain why:

4. Governance related to BR

i.	Indicate the frequency with which the Board of Directors, Committee of the Board or CEO to assess the BR performance of the Company. Within 3 months, 3-6 months, Annually, More than 1 year	Annually
ii.	Does the Company publish a BR or a Sustainability Report? What is the hyperlink for viewing this report? How frequently it is published?	http://mtnl.in/annual.html

Section E: Principle-wise performance

Principle 1: Businesses should conduct and govern themselves with Ethics, Transparency and Accountability

1. **Does the policy relating to ethics, bribery and corruption cover only the company? Yes/ No: -**

Yes. The ethical conduct of the Company is reflected in the various policy initiatives. While the Employees Conduct, Discipline & Appeal Rules (CDA Rules) cover the employees at all levels in the organization. In addition, to promote ethical business, Policies like Code of Conduct, Integrity Pact, Whistle Blower Policy, Insider Trading Code and Citizen Charter have also been put into operation. CVC Manual is being followed in MTNL Vigilance Unit

Additionally, the Company has a Vigilance Department headed by Chief Vigilance Officer (CVO), who is a nominee of the Central Vigilance Commission. The Vigilance Department submits its reports to Competent Authority including the Board of Directors. The CVO also reports to the Central Vigilance Commission as per their norms.

2. **Does it extend to the Group/Joint Ventures/ Suppliers/Contractors/NGOs/Others?**

Yes, the Integrity Pact, Citizen Charter covers/extends to suppliers; customers, etc. while the Code of Conduct, Insider Trading Code & Whistle Blower Policy covers only Directors and Senior Management of the company.

3. **How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management? If so, provide details thereof, in about 50 words or so.**

Ethics Complaints* received during the F.Y. 2021-22				Bribery & Corruption Complaints received during the F.Y. 2021-22			
Total complaints	No. of Complaints Resolved	No. of Complaints pending	% of complaint resolved	Total complaints Received	No. of Complaints Resolved	No. Complaints pending	% of complaint resolved
-	-	-	-	29	27	02	93.10

*As there is no category of complaint mentioned as ethics complaints as per CVC manual. All complaints which are administrative in nature (non vigilance) are forwarded to concerned wing for needful action. During 2021-22, 120 such complaint were sent.

Principle 2: *Businesses should provide goods and services that are safe and contribute to sustainability throughout their life cycle.*

1. List up to 3 of your products or services whose design has incorporated social or environmental concerns, risks and/or opportunities.

As MTNL provides Telecommunication Services. Our Wireless Services (WS) complies with relevant guidelines regarding Electromagnetic radiation from BTS Towers issued by DoT, GoI and TRAI:

a) Whether MTNL is complying with relevant guidelines regarding Electromagnetic radiation from BTS Towers issued by DoT, GoI and TRAI? Is there any Policy framed by MTNL in this regard?

MTNL Delhi is complying with all DOT guidelines and policies with regards to electromagnetic radiation from BTS tower, MTNL has not framed any separate policy in this regard. Various guidelines of DOT issued in this regard such as (vide letter no 800-15/2010-VAS dated 08 April 2010, No 800-15/2010-VAS dated 10-12-2010 and No 800-15/2010-VAS dated 11-10-2012) are fully complied and implemented in MTNL.

MTNL Mumbai is also complying with all the guidelines regarding Electromagnetic radiation from BTS Towers issued by TERM Cell of DOT.

b) Steps taken for reduction of energy consumption and safeguarding environment by Delhi & Mumbai Unit of MTNL

Energy auditing of various buildings have been carried out by MTNL Delhi Unit. Energy auditing was resulted in reduction of electrical load and thereby electricity bills of MTNL have been reduced considerably.

Steps taken for reduction of energy consumption and safeguarding environment by MTNL Mumbai Unit:

- 1) IT unit has switched off the servers which are not in use.
- 2) MDF package AC is being used occasionally.
- 3) Exchange equipment which are spared, kept switched off.
- 4) Minimum number of lifts are kept in service in most of the zones.
- 5) Space reduction in rented bldg :-
 - a) In zone-4 Kashimira RSU, the switch room & transmission room equipment and power plant is shifted to ground floor, 1st to 3rd floors are handed over to the landlord thus saving electricity considerably.

- b) In zone-5 Space is reduced in Sahyog & Vasant Vihar RSU & handed over to landlord. Samrin Diva CNE is closed. Area transfer of Thane Charai-3 to Thane Charai-2 is done & Thane Charai-3 OCB is Closed thus saving electricity. All lines of Nahur Village RSU transferred to BTM Bhandup Exchange. Rented area of Nahur Village is surrendered. Lokmanya Nagar (LKN) RSU shifted to store room & excess area of LKN RSU is surrendered.
- 6) Instructions are issued to all executives and staff to switch off lights and fans before going out of the cabin.
 - 7) In all zones most of the sections are shifted to one floor thus vacating the entire floor and saving a considerable amount of energy consumption.
 - 8) Free air cooling equipments are installed in BTS, 1800 MHz BTS have been powered off & Non working racks/units are powered off by WS unit.
 - 9) Power factor monitored and maintained regularly.
 - 10) Water pumps are operated before 6 AM.

Principle 3: *Business should promote the well being of all the employees*

1. **Please indicate the Total number of employees:** 3749 (as on 31.03.2022)
2. **Please indicate the Total number of employees hired on temporary/contractual/casual basis:** 1044
3. **Please indicate the Number of permanent women employees:** 745
4. **Please indicate the Number of permanent employees with disabilities:** 22
5. **Do you have an employee association that is recognized by management:** Yes
6. **What percentage of your permanent employees is members of this recognized employee association?**

Category	FY 2021-22		
	Total Employee in respective category (A) as on 31.03.2022	No. of employee in respective category who are part of association(s) or Union (B)	%(B/A)
Total No. of Permanent Employees	2037+ 1607+ 105 =3749 (DU)+ (MU) +(CO)	969 + NA* + 27= 996 (DU)+ (MU) + (CO)	26.56
Male	NA	NA	
Female	NA	NA	

*Not Available

DU = DELHI UNIT, MU = MUMBAI UNIT, CO = CORPORATE UNIT

7. Please indicate the Number of complaints relating to child labour, forced labour, involuntary labour, sexual harassment in the last financial year and pending as on the end of the financial year.

S. No.	Category of Complaints filed during the FY 2021-22	No. of Complaints received during FY 2021-22	No. of Complaints Pending at end of the Financial Year i.e. as on 31.03.2022
1.	Child labour/forced labour/involuntary labour	NIL	NIL
2.	Sexual harassment	4	1*
3.	Discriminatory Employment	NIL	NIL

*1 case pending in Delhi Unit is under investigation

8. What percentage of your under mentioned employees were given safety & skill upgradation training in the last year?

Category	FY 2021-22				
	Total (A)	On health and safety measures		On skill up gradation	
		No. (B)	% (B/A)	No. (C)	% (C/A)
Male	1798	Nil	Nil	803	44.66
Female	458	Nil	Nil	151	32.96
Total	2256	Nil	Nil	954	42.28

Principle 4: *Businesses should respect the interests of, and be responsive towards all the stakeholders, especially those who are disadvantaged, vulnerable and marginalized.*

1. **Has the Company mapped its internal and external stakeholders? Yes/No**

Yes. Over the years of its existence, the organization has identified & engaged with a varied group of stakeholders- both internal like employees, shareholders & external such as customers, communities, Business Partners (Suppliers & Venders), Industry Association etc.

2. **Out of the above, has the company identified the disadvantaged, vulnerable & marginalized Stakeholders?**

No Corporate Social Responsibility (CSR) funds has been allocated/spent for CSR activities during the Financial Year as the requirement for allocation of funds for CSR activities under section 135 of the Companies Act, 2013 is not applicable as the average profit during the three immediately preceding years is NIL (The Company is suffering losses).

3. **Are there any special initiatives taken by the company to engage with the disadvantages, vulnerable and marginalized stakeholders. If so, provide details therefore, in about 50 words or so.**

Not Applicable.

Principle 5: *Business should respect and promote human rights*

1. Does the policy of the company on human rights cover only the company or extend to the Group/Joint Ventures/Suppliers/Contractors/NGOs/others?

MTNL owes allegiance to the Constitution of India, which resolves to secure to all its citizens justice, liberty, equality and fraternity and which also encompasses the fundamental human rights as envisaged in the Universal Declaration of Human Rights. MTNL stands committed to support and respect the protection of internationally proclaimed human rights at its work places and in dealing with customers, suppliers, customers, vendors etc.

2. **How many stakeholders' complaints have been received in the past financial year and what percent was satisfactorily resolved by the management?**

Already given in Business Responsibility Report

Principle 6: *Business should respect, protect and make efforts to restore the environment*

1. **Does the policy related to Principle 6 cover only the company or extends to the Group/ Joint Ventures/Suppliers/Contractors/NGOs/others.**

The Company is following the Policy framed in this regard.

2. **Does the company have strategies/initiatives to address global environmental issues such as climate change, global warming, etc? Y/N. If yes, please give hyperlink for webpage etc.**

MTNL is complying with relevant Environmental Laws and Guidelines regarding Electromagnetic radiation from BTS Towers issued by DoT, GoI and TRAI. No initiative to address the global environmental issues.

3. **Does the company identify and assess potential environmental risks? Y/N**

Yes, MTNL Wireless Services (WS) has taken initiatives to comply with relevant Guidelines regarding Electromagnetic radiation from BTS Towers issued by DoT, GoI and TRAI.

4. **Does the company have any project related to Clean Development Mechanism? If so, provide details thereof, in about 50 words or so. Also, if Yes, whether any environmental compliance report is filed?**

No, the company does not have any project related to Clean Development Mechanism.

5. **Has the company undertaken any other initiatives on – clean technology, energy efficiency, renewable energy, etc. Y/N. If yes, please give hyperlink for web page etc.**

The Company has taken initiative on energy efficiency. The detail reply is given in Principle 2 (1) (b).

6. Are the Emissions/Wastes generated by the company within the permissible limits given by CPCB/SPCB for the financial year being reported?

MTNL is complying with relevant Guidelines regarding Electromagnetic radiation from BTS Towers issued by TERM Cell of DoT, GoI and TRAI. The Emissions/ Wastes generated is within the permissible limits given by the Pollution Control Board during the Financial Year 2021-22. All BTS of MTNL Delhi are meeting the radiation norms (Emissions) as per DOT/CPCB norms and within the permissible limits prescribed by CPCB. All BTS of MTNL Mumbai are complying the guidelines regarding Electromagnetic radiation from BTS Towers issued by TERM Cell of DOT.

7. Number of show cause/legal notices received from CPCB/SPCB which are pending (i.e. not resolved to satisfaction) as on the end of Financial Year.

No show cause/legal notices received from CPCB/SPCB as on the end of the financial year.

Principle 7: *Business, when engaged in influencing public and regulatory policy should do so in a responsible manner.*

1. Is your company a member of any trade and chamber or association? If yes, Name only those major ones that your business deals with:

- i) SCOPE
- ii) DMA

2. Have you advocated/lobbied through above association for the advancement or improvement of public good? Yes/No; if yes specify the broad areas (drop box: Governance and Administration, Economic Reforms, Inclusive Development Policies, Energy Security, Water, Food Security, Sustainable Business Principles, Others)

No

Principle 8: *Business should promote inclusive growth and equitable development*

1. Does the Company have specified programs/initiatives/projects in pursuit of the policy related to Principle 8? If yes, details thereof.

No Corporate Social Responsibility (CSR) fund has been allocated/spent for CSR activities during the Financial Year as the requirement for allocation of funds for CSR activities under section 135 of the Companies Act, 2013 is not applicable because the Company is incurring losses during the three immediately preceding years. The CSR Policy is available on the website of the company https://mtnl.in/csr_2014.pdf. MTNL is contributing to CSR activities in non-mandatory ways to the extent possible.

2. Are the programmes/projects undertaken through in house team /own foundation/ external NGO/government structures/any other organization?

Not applicable.

3. **Have you done any impact assessment of your initiative?**

Not applicable since MTNL is not doing any CSR activity where funds are involved, because of losses in the company.

4. **What is your company's direct contribution to community development projects-Amount in INR and the details of the projects undertaken?**

Not applicable since MTNL is a loss making company and is not undertaking any CSR activity involving funds/ money.

5. **Have you taken steps to ensure that this community development initiative is successfully adopted by the community? Please explain in 50 words, or so.**

Not applicable.

Principle 9: *Business should engage with and provide value to their customers and consumers in a responsible manner*

1. **What percentage of customer complaints/consumer cases are pending as on the end of Financial Year:-**

DETAILS OF CUSTOMER COMPLAINTS FOR THE PERIOD FROM APRIL 2021 TO MARCH 2022.
(01.04.2021 - 31.03.2022)

S. No.	Particulars	Total Received		Total Pending		% of Pending Cases at the end of Financial Year	
		Mumbai	Delhi	Mumbai	Delhi	Mumbai	Delhi
1.	P.G. Cases	1184	3094	38	65	3.2	2.10
2.	Landline Faults	478560	404440	5308	2867	1.109	0.71
3.	Broadband Faults	132762	75223	1263	347	0.951	0.46

Grievance Redressal Mechanism in MTNL Delhi Unit :

Various options for booking of faults/ complaints which are available to MTNL customers & the same are listed below:

Call Centers and Web-link:

Telecom Service	Call Center Nos.	On line (Web-link)
Landline	198, xxxx2198, 1500, 22221500	https://mtnldelhi.in/
Broadband	1504,22221504	
FTTH	1507,22221507	"My MTNL DELHI" app
Mobile	1503,1800111503	
Unified	1130	DOT Twitter seva, MTNL Twitter seva

In case the complaint is not redressed within specified time-limit or if customer is not satisfied, then to accelerate the redressal of his complaint, he can lodge appeal to appellate authority. The details of Appellate Authorities of MTNL are available on website of MTNL Delhi (www.mtnldelhi.in). In addition, the customer has an option to lodge his grievance, in case of non-resolution of his grievances, on other platforms like: TRAI website: <http://www.traai.gov.in> Public grievances to the central Government (Centralized CPGRAMS) website: <http://pgportal.gov.in>. Customer can also booked complaint through e-mail id,

Grievance Redressal Mechanism in MTNL Mumbai Unit :

In MTNL Mumbai customer book their complaint of Landline, Broadband, Mobile services through short code 198, 1130, 1500, 1504, 1503 through IVRS system or call center. Online complaint also booked through following link <https://mtnlmumbai.in/index.php/customer-care/book-complaint>. Complaint through Social media like Twitter <https://twitter.com/MTNLMbiOfficial>. LC circuits booking through IVRS code is 12676 and for online booking link is https://billcare.mtnl.net.in/frs/info/book_lc.

2. Does the company display product information on the product label, over and above what is mandated as per local news? Yes/No/N.A./Remarks (additional information)

As far as MTNL is concerned customer is being well informed at the time of issue of Customer Application Form (CAF) about the various plans. This is also being done through pamphlet/ brochures/ website of the Company.

3. Is there any case filed by any stakeholder against the company regarding unfair trade practices, irresponsible advertising and/or anti-competitive behavior during the last five years and pending as on the end of financial year? If so, provide details thereof, in about 50 words or so.

NIL

4. Did your company carry out any consumer survey/consumer satisfaction trends?

Consumer education workshop is scheduled every quarter in MTNL Mumbai Unit however consumer survey/consumer satisfaction trends are not carried out. MTNL Delhi Unit did not carry out any consumer survey/ consumer satisfaction trends.

MANAGEMENT DISCUSSIONS & ANALYSIS REPORT (ENTERPRISE RISK ASSESSMENT AND ITS MANAGEMENT & MINIMIZATION POLICY) FOR THE F.Y. 2021-22.

Introduction:

MTNL was incorporated as Public Sector Undertaking in the year 1986 with an Authorized share capital of Rs 10,000 crore to serve the cities of Delhi including NCR and Mumbai including Thane District in India. Its objective is to provide world class telecommunication services to its customers at affordable tariffs. MTNL got Navratana Status in 1997. It is listed in NSE, BSE and OTCQX, New York. Following major risks are faced by MTNL in the current competitive telecom scenario and its Management & Minimization Policy for the F.Y. 2021-22 are mentioned below: -

1. Market / Competition Risk:

The market of MTNL is limited to Mumbai and Delhi. Private TSPs operating on a Pan India basis are competing with MTNL for basic as well as cellular services. The Private TSPs have latest state of the art telecommunications infrastructure through which they are offering low-cost 4G mobile, fixed Wireline telephony as well as FTTH services. Telecom tariffs in India have declined significantly in recent years due to cut throat competition in the market, adversely affecting revenues of the industry. MTNL operations being limited to cities of Mumbai and Delhi restrict its ability to take advantage of growth in Group B cities and compete with other TSPs with a Pan-India presence.

Telecom is a rapidly evolving technology driven industry and need for constant up-gradation of the network. The existing network of MTNL has become obsolete. The heavy debt burden and the recurring losses during past 10 years have resulted in a financial crunch, making MTNL unable to invest in the modernization, up-gradation and expansion of its network. The subscriber base of MTNL has steeply declined during last few years due to lack of enough investment by MTNL in latest technology / network expansion & up gradation, severe competition in the sector with entrance of few big players and strategic consolidation in the telecom sector. Various technology up-gradation works are deferred / pending in MTNL for the want of adequate funds.

MTNL is facing tough competition in Fixed Line and Broadband service segment. With the popularization of 4G services, today customer is able to get an internet experience of 2-20 Mbps (10 Mbps on an average) speed on 4G along with unlimited Call & SMS at a very competitive tariff (<1/4th of Land Line Tariff) with added benefit of mobility. This has resulted into churn of MTNL's landline as well as Broadband customers to 4G Services of competitors. The market share of MTNL landline, over the years, has decreased from 55.27 % in 2016-17 to 38 % in 2021-22. MTNL is offering Broadband Internet at 2-8 Mbps Speed, predominantly on ADSL2+ technology on Copper Wire. Though FTTH Services are also being offered with speed up to 1Gbp, but the subscribers added are not able to negate the effect of disconnections in landline and broadband segment.

In wireless segment MTNL is providing only 2G/3G service with limited coverage and capacity this resulted in huge churn of wireless subscribers with negligible demand from only low value

customers. Increased competition in wireless services continues to keep downward pressure on prices and require capital investment to upgrade and expand network and launch 4G Services.

Mitigation plan

There is an urgent need to upgrade MTNL present network to improve QoS, Subscriber base, Revenue requiring major CAPEX infusion in the network. Therefore, MTNL has requested DoT to provide a CAPEX support to be invested in next 3 years in the network and operational synergy with BSNL has to continue by MTNL. **In addition it is planned to introduce 4-G services at the earliest through BSNL for Delhi and Mumbai also. In that direction the operation of mobile services of MTNL was handed over to BSNL w.e.f. 1-4-2021.**

2. POLICY AND REGULATION RISK AND REGULATORY COMPLIANCE:

The licence of cellular mobile service expired on 05-04-2019. However, additional Authorization for Access service was granted on 28.07.2021 under existing Unified License ISP-Category "A". In this license, the date of authorization was given retrospectively w.e.f. 06.04.2019. However, Frequency authorization for the spectrum in 900 MHz bands is pending.

MTNL has requested to DOT for administrative allocation of 6.2 MHz spectrum in 900 MHz band each in Delhi and Mumbai in cash neutral manner, by capital infusion with the financial support of the Government. MTNL has also requested to WPC wing DOT for revalidation /reassignment of Microwave resources (Microwave Access Carriers) and Frequency authorization for the spectrum in 900 MHz band linked to the CMTS license, Co-terminus with the Unified License regime. The response from DOT is awaited.

Further, in a modification to a previous decision, Group Of Ministers (GoM) constituted in the matter of "Revival of BSNL and MTNL" has decided to allot spectrum through equity infusion by Government of India, for providing 4G service to BSNL for Delhi and Mumbai (MTNL Areas) in place of MTNL. Now the 4G services in Delhi and Mumbai area will be launched by BSNL. In addition MTNL Delhi and MTNL Mumbai Mobile services operation have already been handed over to BSNL w.e.f. 01.04.2021 and 01.09.2021 respectively as per instructions from the DOT

As per the present Govt. policy MTNL may be required to pay around Rs.1718 Cr for one time spectrum charges for the spectrum held beyond 4.4 MHz w.e.f. 01.07.2008 till expiry of CMTS license i.e. 05-04-2019 or 10-01-2021 as the case may be. Presently, the issue of payment of one time spectrum charges is under litigation and the payment liability will be subject to the final outcome of the case filed in Supreme Court by Union of India against the judgment of TDSAT in favour of other telecom operators. The issue to withdraw the case in Supreme court is being deliberated by Govt. and ultimate outcome may result into out flows of cash with retrospective effect prior to 2013 or prospectively from the year 2013. In any case either Rs.1718 crs or Rs 455 crs will have to be paid by MTNL and it is definitely going to cause financial burden and the risks attendant with such huge out flows.

MTNL has adjusted the SUC and License fee amounting Rs.821.98 Cr from the excess amount paid by MTNL on account of pensionary benefits in respect of combined service pension optees

based on the cabinet decision of Govt. of India on 09.01.14. However the DoT is challenging the adjustment. The matter was also placed before the Board of MTNL in 301st meeting of the Board at item no.14/301 on 09.10.2014 and the board while noting the adjustment is as per Cabinet decision also desired that management has to follow up with the Government for implementation of Cabinet decision. MTNL has taken up the issue with DoT and DoT has sought details of adjustment of the deductions made by MTNL from excess pension payouts.

Telecom regulator TRAI has already reduced ceiling tariffs on termination charges and also on roaming charges in the past year also have significant impact on the revenues. The combined annual effect of all these regulations mentioned above including those on port charges and abrogation of incoming call termination charges is clearly seen on the revenue of MTNL and such impacts due to regulations of TRAI have been a constant risk on the rate of return of CAPEX.

There have been additional cost implications for complying with the provisions of the Companies Act 2013, SEBI's Listing Obligation & disclosure requirement-2015 (LODR), IND AS & ICFR. Further, implementation of GST w. e. f. 01-07-2017 also added additional cost for MTNL. The need to revamp the existing IT, Billing & Accounting software in compliance to GST requirement will add up further to the cost. The risk of imposing heavy penalties under GST and SEBI regulations as well as risk of debarring from the exchanges for non-compliance or delay in compliance with reference equity and debt listing requirements also needs to be taken care of by proper training to the work force of MTNL to gear up fully for compliance requirements. Besides mandatory E-invoicing of all B-2-B customer bills through GST portal initially from 1-4-2020 and thereafter postponed due to COVID-19 to 1-10-2020 will further add the customization costs of all billing modules as the same had to be implemented w.e.f. 1-1-2021 Besides from the same date implementation of QR code on B2C bills also has become mandatory and due to representations of industry, without penalty the same is postponed to 1-7-2021 and in case the QR coding with ability to customers to pay on line by scanning the QR code is not updated in all its billing systems MTNL will have to pay the penalty for it. Having various standalone billing systems without integration and also many of them are managed by different units with different vendors support, the risk of non integrated system causing issues in billing, payment with QR code and accounting of the same will continue to loom large on MTNL.

Under our Articles of Association, the President of India, on behalf of the Indian government, may also issue directives with respect to the conduct of our business and affairs, and certain matters with respect to our business, including the appointment and remuneration of our Chairman-and- Managing Director and the declaration of dividends. None of our shareholders, management or board of directors may take action in respect of any matter reserved for the President of India without his approval. Government formalities, including requirements that many of our purchases be made through a competitive bidding process, sometimes cause delays in our equipment and product procurement; these delays can place us at a disadvantage vis-a-vis the private sector competitors and also erode operational competitiveness resulting in to erosion of clientele strength for want of service standards on the same footing of private operators.

Mitigation plan

Except 2-G related financial liability issue and non allowing of adjustment of excess pension pay outs against LF &SUC done by MTNL, these are all general issues and such issues and risks are always associated with the operations of telecom business in a regulated environment and government controlled processes and are to be pursued for compliance of regulatory issues and resolution of matters through sustained interaction with administrative ministry.

The risk of huge cash outflows due to rejection of adjustment of Rs 821.98 crs done by MTNL against the LF &SUC payable by it for the period from last quarter of 2013-14 to 2016-17 and the 2-G related liability on final decision of SC, which become applicable to MTNL as well, the stress on MTNL fiscal position will get compounded with present debt related excruciating stress need to be brought out in time to Administrative ministry seeking support in any form, including equity infusion to avoid the risk of becoming not a going concern.

3. TECHNOLOGY RISK/QUALITY OF SERVICE:

MTNL has not been able to pay its regular dues to infra-providers, where MTNL is running its mobile (2G/3G) sites. Due to this the infra-providers have restricted MTNL access to these sites leading to shutting off approximately one-third sites in Delhi and thereby severely hampering the MTNL's network.

In addition, although MTNL is meeting most of TRAI QoS parameters, however the network needs immediate up-gradation / expansion. The Capex investment was almost insignificant during the last 5 years owing to the financial constraints being faced by the company. Investment of approx. Rs. 3000 Cr is required over next 2-3 years for network up-gradation and expansion. However, being a debt trapped company; MTNL ability to raise funds to meet the Capex as well as Opex requirement is very limited.

Following immediate technological upgradation / Expansion for improvement of services and better QoS are required:

- (i) **Rollout of 4G Services:** MTNL has been providing 2G/3G services in the service areas of Delhi and Mumbai while other competitors have launched 4G services. Therefore, it was planned to launch 4G services in Delhi and Mumbai with 4000 sites in Delhi and 3000 in Mumbai. As a part of the Revival package, the Govt. had agreed for administrative allotment of spectrum for 4G service through capital infusion in a cash neutral manner to MTNL. However, since due to financial reasons the merger of MTNL with BSNL or MTNL being made a subsidiary of BSNL was deferred, the GoM in the meeting held on 21.12.20 approved the allocation of spectrum for providing 4G services, through equity infusion by GOI, to BSNL for Delhi & Mumbai in place of MTNL by modifying its earlier decision. Now the 4G services in Delhi and Mumbai area will be launched by BSNL.
- (ii) **Migration of TDM Technology to IMS/NGN Core:** The NT switch technologies presently running in MTNL are also very old (more than 20 years and has crossed their shelf life).

Number and nature of faults are getting critical day by day. There is an urgent need to migrate them to IMS/ NGN core . But due to lack of availability of funds MTNL had to postpone the TDM technology up-gradation. Recently, when the vendor declared End of support for one of the switch technology. There is every possibility of the remaining switches running End of Support in near future, therefore as an alternative arrangement for running MTNL's wireline services it was decided to migrate MTNL landline subscribers on BSNL IMS core through diversion of spare LMGs from BSNL. MTNL had already successfully conducted the testing of voice and data with BSNL NGN (0.5K LMG) in Delhi network. About 11000 voice ports LMG equipment has been diverted to MTNL Mumbai from BSNL which are under installation

(iii) Migration of FTTH VoIP subscribers on BSNL network: Due to Non-availability of support for C-DOT IMS Core installed at MTNL it has been decided to shift the MTNL FTTH voice subscribers on BSNL hardware of MAX-NG being supported by C-DOT. The migration has started in Delhi unit. In MTNL Mumbai also testing has been successfully completed and actual migration to start shortly.

(iv) Deployment of GPON FTTH and taking fiber to the HUB / near to the subscriber: MTNL has made an ambitious plan to upgrade its copper based ADSL internet subscriber to GPON FTTH to give experience of 100 Mbps to 1000 Mbps and improve QoS. A tender dated 22.01.2021 was floated for Procurement of GPON based FTTH equipment in Delhi & Mumbai wherein there was provision for 494 Nos. of GPON OLT & 21746 Nos. of GPON ONT. An Advance Purchase Order (APO) in this regard has already been awarded. In addition, to cater the requirement of OLTs of MTNL and its partners there shall be a need to augment the OFC network by laying 1050 KM OF Cable in each city. The procurement will be undertaken in phased manner depending upon the availability of funds for the same.

(v) FTTH Revenue share Policy: In the post VRS scenario challenges were observed in the O&M of the MTNL own FTTH connections due to lack of field staff. Accordingly policy was amended to allow partners for maintenance of MTNL owned FTTH connections at 10% revenue share and one time provisioning charges of Rs 1500.

MTNL had worked out, finalized and made operational the policy to engage partners on revenue share basis to extend its FTTx services. The Policy has been significantly liberalized by relaxing entry level barriers and removing clauses regarding turnover eligibility criteria, rollout obligations and Performance Bank Guarantee. Significant upward revision to the tune of 45% has also been carried out for the Revenue share of the partner.

(vi) Upgradation of the MPLS Network: The Core routers of Delhi and Mumbai are EOL (End of Life) since Dec 2017 and are working without any support. The MPLS network is the backbone of the entire network. Hence, it is critical to the functioning of the entire network. To cater the growing network requirements MTNL is planning the replacement / up-gradation of the entire MPLS network along with the security solution to meet the generic requirement (as pr TEC-GR). The MTNL MPLS expansion plan includes 6 Core routers 72 Edge routers and 150 L-3 Switches. The tender has already been floated and

bids are awaited. In addition, this requirement has also been intimated to BSNL to be procured as part of their tender.

(vii) Customer Interface/FRS: In MTNL customer is being informed at the time of issue of CAF about the various plans through pamphlet/brochures. However there is a need to further strengthen customer interface/ FRS system for proper and prompt handling of customer complaint.

Mitigation plan

As regards the roll out of 4-G services, deployment of GPON FTTH and migration of TDM Technology to IMS / NGN Core, Migration of FTTH VoIP subscribers on BSNL network and Upgradation of the MPLS Network the ongoing operational synergy with BSNL has to continue by MTNL and the constant and involved monitoring at MTNL middle management level is a sine qua non to bolster the operational synergy so that better and upgraded services can be rendered to MTNL subscribers. **ERM committee may review and monitor the same.**

4. OPERATIONAL RISK:

a) Utilization of Assets:

MTNL's assets located in prime locations of Delhi and Mumbai were transferred by an order of the government of India (the Government) and a deed of sale was executed by the Government in its favor representing an irrevocable transfer. A formal transfer deed for real estate property of the DOT, transferred by the Government to MTNL has been executed but has not been registered with the appropriate municipal authorities. Indian law also requires payment of stamp duty (at rates which vary among states) on instruments, which effect transfer of title to real estate or in respect of leases of real estate assets. Therefore MTNL could be liable for stamp duty, if any, upon registration (other than with respect to the DOT properties acquired from the Government as of April 1st, 1986). Although MTNL has valid possession to all of its properties, but these need to be registered and stamped to acquire marketable titles to real properties in its possession for which stamp duty has to be paid. Hence MTNL cannot monetize or sell these properties without payment of stamp duties and registering the properties in its name. In case of merger/demerger acquisition amalgamation, the proper valuation and transfer of assets will be a serious concern in this situation.

The process for better utilization of its assets, such as buildings in Delhi and Mumbai, to generate additional revenue MTNL has already started entering in to a memorandum of understanding (MoU) with BSNL to share the infrastructure and network of each other, in a bid to offer better services to their consumers. Further the building in Delhi & Mumbai is also given on rental for generation of additional revenues. These can be further used for advertisement, brand building and earn good revenue.

Govt. has also approved the monetization of assets so as to raise resources for retiring debt, servicing of bonds, network up gradation, expansion and meeting the operational fund requirements.

Mitigation plan

Asset and Tower & Fiber monetization including valuation of assets has to be expedited by MTNL as per existing guidelines on this subject in consultation with Administrative Ministry wherever required.

b) Utilization of manpower resources:

MTNL carried huge legacy staff strength inherited from DoT till 31-01-2020 and able to reduce the staff cost on account of VRS offered to 14387 employees with ex-gratia funded through the budgetary support of Govt. of India. The staff cost has come down to Rs 640 Cr p.a. from Rs 2400 cr. which may give leverage to MTNL to invest in CAPEX etc as well as reducing its need for debt financing.

c) Banking Regulations:

Due to strict RBI restrictions and PCA guidelines, it become very difficult to get further funding from the bank and chances of default in making statutory as well as other payments has also increased. The issue of complying with guidelines of RBI to banks to grant loans only if the companies (Large borrowers) issue NCDs at least to the extent of 25 -50% of such incremental debts, could also affect the cash funding arrangements, during the transitory period of revival process, post cabinet decision implementation and may engender the risk of cash crunch to meet even statutory obligations.

Mitigation plan

The required ways and means to improve cash flows are to be planned and the thrust has to be on improvement of services and revenues thereby. The innovative and lesser debt servicing cost methods are also to be explored including securitization of assets for cash credits.

d) Litigation:

Various litigations, involving MTNL are ongoing in respect of issues arising out of business operations. The same may incur financial risk to the organization contingent upon the outcome of such litigation. Effective measures are in place to mitigate the risks to the minimum.

Mitigation plan

Constant review of risks of litigation has to be kept in place and any unforeseen risks arising need to be brought to the notice of ERM committee immediately along with possible plan of action to remediate the same.

e) AGR issues:

Deptt. of Telecommunications has raised demands against AGR dues. Many of the deductions claimed by MTNL have not been allowed by DOT for want of additional documents viz. TDS certificates from auditors and auditor counter signatures on bank statements etc. MTNL has been making all out efforts to produce the records sought as and when the letters are received from DoT. Also, the issue of LF/SUC adjustments against the excess amount paid

by MTNL as pensionary benefits of combined service optees based on Cabinet decision has been raised with DoT. Subsequently, in a case filed by other operators, Hon'ble SC of India has delivered judgements and directed them to pay the demands raised by DoT with penalty and interest and to follow the AGR conditions scrupulously. MTNL is not a party to the litigation and also has been consistently following AGR conditions.

Mitigation plan

The AGR issue is already under review of administrative ministry for an appropriate resolution.

f) Financial/Liquidity/Debts Management Risk:

Vide exposure of loans from bank and financial institution there is always possible risk of liquidity crunch in near future as follows:

- i) **CAPEX:** Huge amount is required for further expansion/modernization to keep abreast with the technological changes in the near future for which the company has to depend upon the GOVT support .In the absence of such support the stagnation sets in and network gets obsolete running the risk of exodus of existing subscribers in pursuit of systems with latest and innovative telecom solutions.
- ii) **Debt:** To meet fund requirement for OPEX, CAPEX and spectrum company has borrowed Rs. 26619 crores from banks & Financial institutions and bond holders up to 31-03-2022 excluding DOT liability, and servicing interest towards bank & FII itself which is presently around 134% of total revenues including other income is a big threat and the spiraling interest costs due to restitution of old debts with new debts gradually could lead to a serious debt trap effecting the capability of the Company either to raise further loans or to service the debts and interest costs leading to a defaulting scenario, without the revival plans, particularly the monetization of assets to liquidate outstanding debts, taking shape on war footing.
- iii) Debt servicing/interest servicing coverage ratio of the company as on 31-03-2022 is on negative trend on year on year basis. Similarly, debt equity ratio is also negative as on 31-03-2022. However, the Govt approval of debt servicing through assets monetization will improve the said ratio in future provided the monetization process which is not going as planned in revival plan due to COVID conditions gear up in the near future.
- iv) Apart from the above, the bonds issued in the year 2013 to the tune of Rs 1005 crores are attaining maturity of 10 years by March 2023 and the same requires to be met in the year 2022-23 through monetization of assets as per the revival plan and in the year 2023- 24 the next series of bonds will attain maturity by Nov 2023 to the tune of Rs. 1975 crs. Both series bonds were issued against sovereign guarantee and therefore meeting the demand on maturity will be a very essential management prerogative and therefore needs to be on constant monitoring

from now onwards to avoid the risk of invocation of Sovereign guarantee on account of delay in monetization of assets.

Mitigation plan

The above issues are required to be monitored with administrative ministry, which has already mooted a cabinet note for remediation and revival of MTNL and any untoward situation of default or any other such risk may have to be brought in advance by concerned wings of units and Corporate office without allowing the issues escalate into irretrievable position and ERM committee needs to be apprised in time with suggestive remedial plans by these wings.

5. ONGOING CONCERN RISK:

Net worth of MTNL is negative as on 31/03/2022 to the tune of Rs. -18,656.45 Cr and debts service as well as interest service coverage ratio is also negative. Further due to high exposure of loans from banks and financial institutions and heavy repayment schedule of loans as well as interest payment to Banks & Financial Institutions, MTNL is facing liquidity crunch which will be a great threat to MTNL to keep it as an ongoing concern in near future but for the revival plans fructifying in time.

The asset monetization and the monetization of Optical fiber and Towers as per the approval of Cabinet on 23-10-2019 would have yielded results in the financial year 2020-21 but unfortunately due to the Covid-19 pandemic effect in year 20-21 the progress on these aspects has not been achieved. Asset monetization through DIPAM may also not likely to give any financial relief to MTNL immediately. Accordingly, the projections made for the redemption of huge debts outstanding may not happen in the immediate future in view of all round down slide of revenues of MTNL as well as the market conditions for sale or monetization of assets. Therefore, the risk of effects of COVID-19 in the year 2020-21 loom large on the prospects of MTNL becoming debt free and consequently the risk of debt going up cannot be discounted. However, with the combined effect of reduction of staff cost by almost to the tune of Rs 1700 crs per annum and the grant of Sovereign guarantee for Rs 6500 crs by Govt. of India to MTNL as per Cabinet approval dated 23-10-2019 in the year 2020-21 and raising of bonds for the restructuring of existing debts and also to refinancing for working capital purposes as well as CAPEX infusion definitely made the company to run as a going concern despite huge debt costs in the year 20-21 also. However, the same remains a risk posing proposition unless the monetization plans and also the revenue mopping up programmes and investment in CAPEX are implemented in the years to come.

The expectation of monetization of assets as per cabinet approval in the year 2019-20 did not turn out in practicality and the issue is ultimately being guided by DIPAM and with the guidance and monitoring of DIPAM, by the end of year 21-22, MTNL may be able to monetize some of these assets and may continue to be a going concern in future as well.

MTNL has a joint venture in Nepal M/s UTL Nepal, which is incurring continuous losses and to rest the MTNL share of losses in UTL Nepal, the management has exercised the exit option from the of UTL Nepal as per clause no 12.19 of amended agreement on 15.12.2014 through which the JV partners with the exception of NVPL had the option to exit the JV at par.

The Ministry of Foreign Affairs, Govt. of Nepal vide letter dated 26.11.2019 has informed to the Embassy of India, Kathmandu (Nepal) that the authorities concerned of the Govt. of Nepal would be able to grant approval for repatriation of the capital invested by Indian Shareholders of UTL namely MTNL, TCIL and TCL, once the outstanding tax amount (tar- iff, royalties, fees, charges, etc.) of NRs 85,83,86,044.00 to be paid by UTL to the authorities concerned of the Govt. of Nepal including Nepal Telecommunication Authority, is completely settled. The issue is still pending and the same poses a risk for providing for the loss of investment if the Nepal govt. does not accept the repatriation of the capital investment.

Mitigation plan

The administrative ministry has already been invoking all possible measures to support the organization /company and already mooted a plan of action through a cabinet note and on the outcome of the same MTNL management and units have to implement the same with alacrity and promptitude to make the company not only continue as a going concern but also improve its revenues and services.

ERM Committee may also review the position and apprise Board of Directors in time to avoid precipitation of such issues and also for successful implementation of approved revival plans.

6. INTERNAL CONTROL FAILURES AND INTEGRITY OF FINANCIAL INFORMATION RISK:

Information's are required at each level/department for policy and decision making. Lack of effective internal control and management information system can put an organization in the risk of making ineffective policy and decision. Revenue assurance being also part of Internal control system should also be strengthened for avoiding any possibility of leakage of revenue. The System tools used for Internal control and Revenue Assurance should also be controlled through review system for their appropriateness and adequacy. The new Companies Act 2013 made it mandatory for audit of internal controls on financial reporting from 2015-16 onwards which also adds up to Compliance risks.

Effective internal control enables the organization to furnish reliable financial reporting and substantially complies with the laws and regulations that apply to it. However, the extent to which the organization achieves operational and strategic objectives depends on external environmental factors, such as competition, regulations, government procedures and controls or technological innovation. These factors are outside the scope of internal control and therefore, effective internal control provides only timely information or feedback on progress towards the achievement of operational and strategic objectives, but cannot guarantee their achievement.

Mitigation plan

The mechanism of Internal controls on financial reporting needs to be reviewed by MTNL on the lines of COSO adopted principles and a frame work for identifying all internal and external risks including the risks specifically faced by MTNL or anticipated by it on account of the impending developments if any, identified, in particular, in operational, financial, sectoral, sustainability areas has to be determined and proposed by technical , financial and human resources and enterprise Directors of MTNL and the frame work may be reviewed by ERM Committee through the Company Secretary or convenor of ERM committee. This will help in formulating comprehensive and detailed risk management policy for the company.

7. INFORMATION TECHNOLOGY & SYSTEMS SECURITY RISK:

- i) IT General Controls – Controls related to:** a) Security, to ensure access to systems and data is restricted to authorized personnel, such as usage of passwords and review of access logs; and b) Change management, to ensure program code is properly controlled, such as separation of production and test environments, system and user testing of changes prior to acceptance, and controls over migration of code into production. Information Technologies are vital to MTNL operations. They are tools that improve the quality and efficiency of work. They are the repositories for critical and proprietary corporate information. Improper access to or the destruction of these resources will have serious consequences for the company. Therefore for the purpose of according full security to IT applications the IT policy document has been finalized by MTNL IT team in order to-
- Ensure that IT resources are appropriately protected from destruction, alteration or unauthorized access and that.
 - All used hardware & software used for these applications are appropriately protected from intrusion, destruction, alteration or unauthorized access.
- ii) IT application controls** – Controls over information processing enforced by IT applications, such as edit checks to validate data entry, accounting for transactions in numerical sequences, and comparing file totals with control accounts. IT related resources such as Operational, Billing and Customer Care Systems are prone to hacking, spoofing and other cyber crimes.
- iii) CBCRM System** – CBCRM system is quite critical from revenue perspective as a number of revenue activities are being done through it e.g. Voice IUC settlement, mobile rating, invoice generation etc. The project/its equipment's are running since 2006 and almost outlived its life. The major challenges are non-availability of source code, lack of support of various licenses due to prohibitive cost etc. Such constraints pose challenges in implementation/feasibility of development as per the dynamic market conditions. BEL, the project implementer has already pulled out of the project in July'2014. Post, pullout, limited support has been finalized with various vendors through tender from June 2016 onwards on as-is-where basis. MTNL cannot utilize the system indefinitely and the new billing tender/ new billing system to be made operational at the earliest possible. BSNL is implementing CDR P3 tender for fixed services including MTNL requirement which will be upgraded later to mobile services also.

- iv) **Obsolete Hardware infrastructure** – Many of the hardware for providing core services and providing supportive/workflow processes have become obsolete and need to be replaced due to EOSL and non-availability of spares e.g. the hardware for CSMS, ISP set up, BB, FTTH, CBCRM etc. Due to the financial crunch, MTNL is replacing some hardware only when it becomes critical and cannot be used anyway.
- v) **Call Centre** – A number of call centers are working in Delhi and Mumbai for services such as Landline, Broadband and Mobile. Most of the set up were procured along with the main equipment and are now obsolete. Non availability of support on these equipment's in recent past (e.g. mobile call centre at CBCRM Mumbai) leads to direct impact on the customer satisfaction & churn.
- vi) **Network Security & Audit** – Govt. of India has been focusing on strengthening the security of critical information infrastructure (CII) and many of the IT systems of MTNL have been declared as CII's. DOT vide its direction has mandated all ISP's to get their system audited once in a year. The latest Network Audit has been carried out by M/s AKS IT Services Pvt. Limited, a Cert-In Authorized agency, to conduct such audits, in 2021-2022. The findings of the audit report have already been shared with DoT. Before it, MTNL Network Audit was done by third party i.e. M/s PWC had been done in 2016.

To safeguard against above risks, effective IT security policy is to be followed in all Data Centres. Also, proper back up arrangements as well as disaster recovery mechanism are to be put in place.

MTNL is in the process of finalizing its new IT Security Policy and till the time, the existing common IT policy is being followed for all Line of Business (LoBs) & network effective since 01.01.2016. The IT policy take cognizance of guidelines of Govt. of India as well as various standard developing organizations viz. ISO, ITU etc and their revision from time to time and in a manner consistent with the business and work flow requirements of the company.

- vii) **Analytics Engine** - MTNL needs to move towards data led positioning and to install a customer analytics engine. Analytics will enable differential billing and Customer profiling basis on the history of usage of customer thereby helping MTNL in identification of target audience. With this Cluster assessment can also be implemented to identify potential high revenue clusters. MTNL needs to invest in real-time predictive analysis and tailoring products to customer. Customer analytics features can help to provide customer specific plans. MTNL does not have an integrated ERP system. Different software packages used by the company are interfaced through software links or manual intervention leaving gaps between them. However MTNL is having many standalone packages with interfaces. The risk of not having a ERP type of system is inherent.

Mitigation plan

1. At organizational level the best practices to be followed for cyber security as circulated by Dot vide letter no: 19-78/2019-SA dated 8-7-2020 may be got implemented by MTNL through sustained efforts and IT dept at CO level may spearhead the process and programme.

2. IT System security audit of all applications and all associated ancillary IT systems including WFMS, FRS , Convergent billing and other billing systems may be planned for all such systems, applications and also for networks and may be got done. In case of engagement of any audit firm empanelled with CERT -in it has to be ensured that as per advisory of CERT-in circulated by DOT vide letter no. 19-78/2019-SA dated 21-11-2019 engagement of such agencies of non Indian origin is to be made only after obtaining NOC of MHA. In case of any other firm empaneled elsewhere is to be engaged also the relevant instructions of Govt. of India need to be kept in mind to avoid any security issue. It may also be ensured that while engaging any audit firm for IT security purposes, data collected by such firms may not be allowed to be taken outside MTNL premises to the extent possible.
3. All the customer data stored in IT systems managed by MTNL or outsourced by it needs to be governed by standard data management policies and data be fully protected by various security arrangements done at various levels and IT systems be protected by very strong security frame work governed by three tier security structure which is fully secured and system of firewalls and IP based access to CDR system offers added security. This is all the more required in MTNL as MTNL is catering to various sensitive IT systems for Govt. of India at highest level.
4. In all the agreements/contracts, Data Security/Confidentiality/Non-Disclosure related clauses be included to safe guard MTNL.
5. Wherever for business requirements use of partners is resorted to their use of multiple network elements from various vendors increases, particularly in FTTH access network, the network infrastructure gets exposed to various DDOS and malware attacks and results in compromise in quality of service delivered which could impact the availability of critical systems. As such review of cyber security or other threats has to conducted on pre and during engagement of such partners.

8. DISASTER MANAGEMENT AND BUSINESS CONTINUITY RISK:

Lack of proper disaster management could become a threat to the business.. To safeguard against this risk, effective disaster management policy should to framed keeping in view the anticipated risk of data as well as other information loss. Hence proper back up arrangements as well as disaster recovery mechanism are to be put in place.

Mitigation plan

Disaster Management Plan is available both in Delhi and Mumbai. MTNL follows the Standard Operating Procedure (SOP) as outlined by DoT for counteracting the Disaster:

In order to ensure continuity of telecom services at technical level, sufficient redundancy is being maintained to prevent total network failure due to a single point of failure at the following level:

1. **Card level:** N+1 or 1+1 redundancy is maintained on most of the Core / Control equipment

2. **Equipment level:** In MTNL the exchanges and the equipment are spread across the two cities. Transmission links between main Network Elements and switching equipment are being maintained mostly through distinct geographical paths.
3. **Geographical level:** The main elements of the network are maintained in duplicate at Delhi and Mumbai.
4. In addition to this sufficient number of spares and equipment are also maintained for emergency usage

Other measures adopted in case of disaster are as follows:

- a) Nodal officers and alternate nodal officers at field level have been nominated for coordination related to disaster management.
- b) MTNL also have a Quick response team at the field level for immediate provisioning of emergency communication and restoration of telecom services in disaster affected areas.
- c) Multilevel connectivity for power and transmission is active both in Delhi & Mumbai.
- d) For power battery backup exists and diesel generator sets are installed in all telecom buildings which are made operational during the power crisis.
- e) Implementation of enhanced Multi level Precedence and Preemption (eMLPP) based Priority call routing is available in MTNL PSTN and is being activated as and when required.
- f) MTNL also own Cell on Wheel (CoW) along with all necessary infrastructure and equipment which can be deployed by shifting on desired location to establish communication.
- g) Level 112 i.e. Single access number for emergency services has been implemented.
- h) Testing of Broadcast messages has already been successfully completed in MTNL Delhi 3G network with C-DoT.

Other measures to be adopted in case of disaster are as follows:

1. Not keeping or concentrating all critical equipments at one point or place
2. The development, documentation, and implementation of a schedule to regularly test the backups in accordance with best practices for the data holding system categorization and data classification for IT Data holding systems in order to restore by Rapid Disaster Management teams
3. Documentation of and adherence to best practices for backup of all necessary data held at various data and technical centers including applicable archival, compliance, preservation of data as per legal or regulatory or IT Security requirements
4. Logical and physical security considerations for archived and backed up data including management of such data of one geographical area at other area and vice versa for restoring all such data quickly in case of any disaster.

9. GREATER TRANSPARENCY AND ENTITY LEVEL ETHICAL & GOVERNANCE RISK:

Policy to be framed to monitor the ethical level of all the concerned, so that the any decision should be taken consciously with full care and applying due diligence. To ensure this proper vigilance mechanism and whistler policy is already in place.

10. APPOINTMENT OF CHIEF RISK CONTROL OFFICER IN MTNL

It is also recommended that a Chief Risk Control Officer may be got engaged by Board for over all internal, external IT security and all other technical, financial and system related threat perception and management as well as IT and other cyber security control and audit related management etc. and also to assist the ERM committee.

11. SIGNIFICANT CHANGES (I.E. CHANGE OF 25% OR MORE AS COMPARED TO THE IMMEDIATELY PREVIOUSFINANCIAL YEAR) IN KEY FINANCIAL RATIOS/ RETURN ON NET WORTH:

The Company incurred losses for the first time in 2009-10 and has been continuously in red (except in 2013-14 wherein booked profit of Rs7825 crore was there) since then because of mounting debt for payment of 3G & BWA Spectrum. The Net worth of the company has already eroded and almost all the ratios are in red (negative). However reduction in salary cost due to VRS being a part of revival package of GOI in FY 2019-20, The EBITA (Operating profit margin) become positive from the Q-4 of FY 2019-20. The following are the key financial ratios as on 31.03.2022 and also compared to previous year i.e. F Y2020-21:

S. No.	Particulars	Year Ended	
		31.03.2022 Audited	31.03.2021 Audited
a	Debt Service Coverage Ratio (in times) [EBITDA / (Finance Cost + Lease Liabilities Payments+ Principal Repayment of Long Term Debt)]	0.08	0.17
b	Interest Service Coverage Ratio (in times) [EBITDA / Finance Cost]	0.14	0.25
c	Outstanding Redeemable Preference shares (quantity and value) (in Rs Crs)	-	-
d	Capital Redemption Reserve (in Rs Crs)	-	-
e	Debenture Redemption Reserve (in Rs Crs)	-	45.27
f	Net Worth (in Rs Crs) (As per Section 2 (57) of Companies Act 2013)	-18,656.45	-16,039.88
g	Net Profit After Tax (in Rs Crs)	-2,602.59	-2,461.79

S. No.	Particulars	Year Ended	
		31.03.2022 Audited	31.03.2021 Audited
h	Earnings Per Share (in Rs) [Not Annualised]	-41.31	-39.08
i	Current Ratio (in times) [Current Assets /Current Liabilities]	0.42	0.58
j	Debt-Equity Ratio (in times) [(Long Term Borrowings including Current Maturities + Short Term Borrowings)/Total Equity]	-1.43	-1.58
k	Long Term Debt to Working Capital (in times) Long Term Debt excluding lease liability + Current Maturities of Long Term Debt Working Capital excluding current maturities of Long Term Borrowings	-4.12	-6.81
l	Bad Debts to Account Receivable Ratio (in times) [Bad Debts/Average Trade Receivables]	0.01	0.00
m	Current Liability Ratio (in times) [Current Liabilities/ Total Liabilities]	0.44	0.36
n	Total Debts to Total Assets (in times) [(Long Term Borrowings + Short Term Borrowings + Lease Liabilities)/ Total Assets]	2.18	1.92
o	Debtors Turnover Ratio - Annualised (in times) [Revenue from Operations/Average Trade Receivables]	1.50	1.88
p	** Paid up Debt Capital/Outstanding Debt (in Rs. Crs)	19,661.18	19,674.68
q	Operating Margin (%) [(EBIT - Other Income)/ Revenue from Operations]	-101.93%	-64.40%
r	Net profit Margin (%) [Profit after Tax / Revenue from Operations]	-243.30%	-188.84%
s	EBITDA	296	525

INDEPENDENT AUDITOR'S REPORT

To

The Members of

Mahanagar Telephone Nigam Limited

Report on the Audit of the Standalone Ind-AS Financial Statements**Qualified Opinion**

We have audited the accompanying standalone Ind-AS financial statements of MAHANAGAR TELEPHONE NIGAM LIMITED (“the Company”), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as “the standalone Ind- AS financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matters described in the basis for Qualified Opinion Section of our report, the aforesaid standalone Ind- AS financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, total comprehensive loss (comprising of loss and other comprehensive loss), changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

We conducted our audit of the standalone Ind-AS financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone Ind AS financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained

is sufficient and appropriate to provide a basis for our qualified audit opinion on the standalone Ind AS financial statements.

- (i) The Net Worth of the Company has been fully eroded; The Company has incurred net cash loss during the year ended March 31st 2022 as well as in the previous year and the current liabilities exceeded the current assets substantially.

Furthermore, Department of Public Enterprises vide its Office Memorandum No. DPE/5(1)/2014-Fin. (Part-IX-A) has classified the status of the Company as “Incipient Sick CPSE”. Department of Telecommunication (DOT) has also confirmed the status vide its issue no. I/3000697/ 2017 through file no. 19-17/2017 – SU-II.

However, the standalone financial statement of the Company have been prepared on a going concern basis keeping in view the majority stake of the Government of India.

Further, Union Cabinet has also approved the “Revival plan of BSNL and MTNL” by reducing employee costs, administrative allotment of spectrum for 4G services, debt restructuring by raising of sovereign guarantee bonds, monetization of assets and in principle approval for merger of BSNL and MTNL. Further, the Company had implemented the Voluntary Retirement Scheme in FY 2019-20 resulted into reduction in Employees Cost and also raised funds by issuing Bonds for ₹ 6,500 crore in FY 2020-21 in line with cabinet note. (Also refer note no. 78 to the standalone Ind-AS financial statements)

(ii) **Bharat Sanchar Nigam Limited (BSNL):**

- a) The Company has certain balances receivables from and payables to Bharat Sanchar Nigam Limited (BSNL). The net amount recoverable of Rs. 3521.50 Crores is subject to reconciliation and confirmation. In view of non-reconciliation and non-confirmation and also in view of various pending disputes regarding claims and counter claims, we are not in a position to ascertain and comment on the correctness of the outstanding balances and resultant impact of the same on the standalone financial statement of the Company.
- b) The Company has not provided a provision for doubtful claims in respect of lapsed CENVAT Credit due to non-payment of service tax to service providers within the period of 180 days and due to transition provision under Goods and Service Tax (GST) where the aforesaid CENVAT credit amounting to Rs. 115.97 Crores has not been carried forward resulting in overstatement of Current Assets and understatement of loss to that extent.

- (iii) The Company has certain balances receivables from and payables to Department of Telecommunication (DOT). The net amount recoverable of Rs. 181.34 Crores, Out of which Rs. 181.19 Crores is subject to reconciliation and confirmation. In view of non-reconciliation and non-confirmation, we are not in a position to ascertain and comment on the correctness of the outstanding balances and resultant impact of the same on the standalone financial statement of the Company. (Also refer point no. (a) of note no. 70 to the standalone Ind-AS financial statements).

- (iv) Up to financial year 2011-12 License Fee payable to the DOT on IUC charges to BSNL was worked out on accrual basis as against the terms of License agreements requiring deduction

for expenditure from the gross revenue to be allowed on actual payment basis. From financial year 2012-13, the license fee payable to the DOT has been worked out strictly in terms of the license agreements. The Company continues to reflect the difference in license fee arising from working out the same on accrual basis as aforesaid for the period up to financial year 2011-12 by way of contingent liability of Rs. 140.36 Crores instead of actual liability resulting in understatement of current liabilities and understatement of loss to that extent. (Also refer note no. 83 to the standalone Ind-AS financial statements).

- (v) The Company had allocated the overheads towards capital works in a manner which is not in line with the accepted accounting practices and Indian Accounting Standard – 16 “Property, Plant and Equipment” prescribed under Section 133 of the Act, the same results into overstatement of capital work in progress/ property, plant and equipment and understatement of loss. The actual impact of the same on the standalone financial statement for year is not ascertained and quantified. (Also refer note no. 38, 39 and 41 to the standalone Ind-AS financial statements).
- (vi) Except for the impairment loss of assets of CDMA units provided in earlier years, no adjustment has been considered on account of impairment loss, if any, during the year, with reference to Indian Accounting Standard – 36 “Impairment of Assets” prescribed under Section 133 of the Act. In view of uncertainty in achievement of future projections made by the Company, we are unable to ascertain and comment on the provision required in respect of impairment in carrying value of cash generating units and its consequent impact on the loss for the year ended March 31st, 2022, accumulated balance of other equity and also the carrying value of the cash generating units. (Also refer note no. 72 to the standalone Ind-AS financial statements).
- (vii) The Company does not follow a system of obtaining confirmations and performing reconciliation of balances in respect of amount receivables from trade receivables, deposits with Government Departments and others, claim recoverable from operators and others parties and amount payables to trade payables, claim payable to operators, and amount payable to other parties. Accordingly, amount receivables from and payables to the various parties are subject to confirmation and reconciliation. Pending such confirmation and reconciliations, the impact thereof on the standalone financial statement are not ascertainable and quantifiable. (Also refer note no. 67 to the standalone Ind-AS financial statements).
- (viii) Unlinked credit of Rs. 71.08 Crores on account of receipts from subscribers against billing by the Company which could not be matched with corresponding receivables is appearing as liabilities in the balance sheet. To that extent, trade receivables and current liabilities are overstated. Pending reconciliations, the impact thereof on the standalone financial statement are not ascertainable and quantifiable. (Also refer note no. 66 and 77 to the standalone Ind-AS financial statements).
- (ix) Property, Plant and Equipment are generally capitalized on the basis of completion certificates issued by the engineering department or bills received by finance department in respect of bought out capital items or inventory issued from the Stores. Due to delays in issuance of the completion certificates or receipt of the bills or receipt of inventory issue slips, there are cases where capitalization of the Property, Plant and Equipment gets deferred to next year. We are

unable to comment whether the Capital Work-in-progress (CWIP) shown in books in the current year are actually part of CWIP or have already been commissioned. The resultant impact of the same on the standalone financial statement by way of depreciation and amount of Property, Plant and Equipment capitalized in the balance sheet cannot be ascertained and quantified.

- (x) Department of Telecommunication (DOT) had raised a demand of Rs. 3313.15 Crores in 2012-13 on account of one time charges for 2G spectrum held by the Company for GSM and CDMA for the period of license already elapsed and also for the remaining valid period of license including spectrum given on trial basis.

As explained the demand for spectrum usage for CDMA for Rs 107.44 Crores has been withdrawn by DOT on account of rectification of actual usage.

Also as explained, pending finality of the issue by the Company regarding surrender of a part of the spectrum, crystallization of issue by the DOT in view of the claim being contested by private operators and because of the matter being sub-judice in the Apex Court on account of dispute by other private operators on the similar demands, the amount payable, if any, is indeterminate. Accordingly, no liability has been created for the demand made by DOT on this account and Rs. 3205.71 Crores has been disclosed as contingent liability till FY 2018-19 although no further demand is there from DOT till date. However as explained further, the TDSAT while setting aside the levy of OTSC on spectrum allotted beyond 6.2 Mhz, directed Govt. to review the demand for spectrum allotted after 1-7-2008 and that too wef 1-1-2013 in case the spectrum beyond 6.2 Mhz was allotted before 1-1-2013. As explained, as per the TDSAT orders also no further demand is raised till now and as per management based on TDSAT direction the demand, if any, cannot be more than Rs 455.15 crores the same is considered as contingent liability.

In view of the above we are not in a position to comment on the correctness of the stand taken by the Company and the ultimate implications of the same on the standalone financial statement of the Company. (Also refer note no. 61 to the standalone Ind-AS financial statements).

- (xi) The company has recovered Electricity Charges from the tenants, on which liability for Goods and Services Tax (GST) has not been considered, as the expenses recovered without installing sub meter in some of the cases. The actual impact of the same on the standalone financial Statement for the year ended March 31st, 2022 has not been ascertained and quantified.
- (xii) The TDS on provision for Expenses (Accrued Liability) has not been deducted under chapter XVII- B of Income Tax Act, 1961. The actual impact of the same on the standalone financial statement for the year ended March 31st, 2022 has not been ascertained and quantified.
- (xiii) The Company is making the provision for interest for late/non-payment to MSME vendors which is subject to deduction of tax under section 194A of Income Tax Act, 1961. The actual impact of the same on the standalone financial statement for the year ended March 31st, 2022 is not ascertained and quantified.
- (xiv) The income arising on account of rental income in respect of property occupied by the BSNL amounting to Rs. 33.52 Crores accrued during the year ended March 31st, 2022 has not been recognized in Delhi unit in the Standalone financial statement. Further, the Goods and Services

Tax (GST) has also not been considered in respect of income arising on account of rented property occupied by the BSNL for both Delhi and Mumbai unit. The accumulated impact on the standalone financial statement of such income and liability under Goods and Services Tax (GST) for the current year and preceding years is not ascertained and quantified.

The above basis for qualified opinion referred to in Para no. (i) to (xiv) were subject matter of qualification in the Auditor's Report for the year ended on March 31st, 2021.

In the absence of information, the effect of which can't be quantified, we are unable to comment on the possible impact of the items stated in the point nos. (i), (ii)(a), (iii), (v), (vi), (vii),(viii), (ix), (x), (xi), (xii), (xiii) and (xiv) on the standalone Ind-AS financial statements of the Company for the year ended on 31st March 2022.

Emphasis of Matters

We draw attention to the following notes on the standalone IND-AS financial statements being matters pertaining to **Mahanagar Telephone Nigam Limited** requiring emphasis by us. Our opinion is not qualified in respect of these matters:

- (i) Refer note no. 63 to the standalone Ind-AS financial statements regarding pending dispute with the Income Tax Department before the Hon'ble Courts regarding deduction claimed by the Company u/s 80 IA of the Income Tax Act, 1961 we are unable to comment on the adequacy or otherwise of the provision and / or contingency reserve held by the Company
- (ii) Point no. (a) of note no. 64 to the standalone Ind-AS financial statements regarding impact of accounting of claims and counter claims of MTNL with M/S M&N Publications Ltd., in a dispute over printing, publishing and supply of telephone directories for MTNL, will be given in the year when the ultimate collection / payment of the same becomes reasonably certain.
- (iii) Amount receivable from BSNL & Other Operators have been reflected as other financial assets instead of bifurcating the same into trade receivables and other financial assets (Also refer note no. 15 and 19 to the standalone Ind-AS financial statements).
- (iv) The Amounts recoverable from Department of Telecommunication (DOT) in respect of settlement of General Provident Fund (GPF) of Combined Service Optees absorbed employees in MTNL and the matter has been under review with DOT and the full amount of GPF including interest thereon, claimed of the Company in respect of which correspondence is going on between the Company and DOT are continued to be shown as recoverable from DOT and payable to GPF in the standalone Ind-AS financial statements and further explained in point no. (d) of Note no. 70 to the standalone Ind-AS financial statements.
- (v) The payables towards license fees and spectrum usage charges have been adjusted with excess pension payouts to Combined Pensioners Optees recoverable from DOT in respect of which matter is under consideration and correspondence in going on between the Company and DOT.
- (vi) The License agreement between Company and DOT does not have any guidance on change in method of calculation of Adjusted Gross Revenue (AGR) due to migration to Ind-AS from

I-GAAP. Provisioning and payment of liability in respect of license fees and spectrum usage charges payable to DOT has been done on the basis of Ind-AS based financial statements. The amount of difference in computation of Adjusted Gross Revenue (AGR) is under consideration of DOT.

- (vii) Certain immovable properties transferred from Department of Telecommunications ('DoT') to MTNL in earlier years, which were taken on lease by DoT prior to incorporation of MTNL. On 30 March 1987, both DoT and MTNL entered into a sale deed for transfer of the several movable and immovable assets from DoT to MTNL. The said transfer includes the leasehold lands and buildings which are now in possession of MTNL since the execution of the sale deed. These leasehold immovable properties have not been mutated or renewed in the name of MTNL till date. However, considering MTNL is a Public Sector Undertaking ('PSU'), the sale deed not registered at that time and executed by DOT is deemed to have been registered for the purpose of transfer of all such assets in terms of section 90 of the Indian registration act, 1908 as considered by the MTNL and stamp duty payable, if any, will be borne and paid by Government as and when any such occasion arises as per sale deed. (Also refer note no.58 (E) to the standalone Ind-AS financial statements).
- (viii) In certain cases of freehold and leasehold land the company is having title deeds which are in the name of the Company but the value of which are not lying in books of accounts of the Company.
- (ix) Income arising on account of Revenue Sharing with BSNL in respect of lease circuits provided has not been recognized in terms of Memorandum of Understanding (MOU) between BSNL and MTNL. As per MOU, revenue and expenditure will be based on the price offered to the customers after applying the discount, if any at the time of acquiring the business. However, Revenue has been recognized on the basis of available information which is either based on the Company Card Rates or Old rates of BSNL. In Some Cases, BSNL has given the information in respect of updated rated but the same has not been considered at the time of booking of revenue sharing with BSNL. In the absence of relevant updated records, we are not in a position to comment on the impact thereof on the standalone financial statements.
- (x) Dues from the Operators being on account of revenue sharing agreements are not treated as debtors and consequently are not taken into account for making provision for doubtful debts. (Also refer clause no. (k) of note no. 3 to the standalone Ind-AS financial statements).
- (xi) In pursuance DoT letter No. F.No. 30-04/2019-PSU Affairs dt. 29 October, 2019 and decision of Board of Directors of MTNL through circular regulation on 4th November, 2019, the MTNL Voluntary Retirement Scheme has been introduced with effect from 4th November, 2019, under which 14,387 number of MTNL employees opted for VRS and the expenditure of ex-gratia on account of compensation to be borne by the DOT/Government of India through budgetary supports as per approval of cabinet. Balance amount payable to VRS opted employees as on 31 March 2022 is shown in the financial statements of the company as receivable from DOT and payable to VRS retirees, to reflect the actual position with reference to VRS scheme of 2019 of MTNL. (Also refer note no. 78 to the standalone Ind AS financial statements).

(xii) In the absence of requisite information regarding details of each project, disclosure in respect of CWIP as per Division II Schedule III of the act is not adequate. (Also refer note 58 (A) to the consolidated Ind-AS financial statements).

Our opinion is not modified in respect of aforesaid matters.

Material uncertainty related to going concern

We draw attention to Note no. 78 in the financial statements, which indicates that the company has accumulated losses and its net worth has been fully/ substantially eroded, the company has incurred net loss/net cash loss during the current and previous year(s) and the company's current liabilities exceeded its current assets as at the balance date. These events or conditions, along with other matter as set forth in Note 78, indicate that a material uncertainty exists that may cast significant doubt on the company's ability to continue as a going concern.

Further, Union Cabinet has also approved the "Revival plan of BSNL and MTNL" by reducing employee costs, administrative allotment of spectrum for 4G services, debt restructuring by raising of sovereign guarantee bonds, monetization of assets and in principle approval for merger of BSNL and MTNL. Further, the Company has implemented the Voluntary Retirement Scheme in FY 2019-20 resulted into reduction in Employees Cost and also raised funds by issuing Bonds for Rs. 6,500 crores in FY 2020-21 in line with cabinet note.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind-AS financial statements of the current period. These matters were addressed in the context of our audit of the standalone Ind-AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

In addition to the matters described in the basis of qualified opinion section, we have determined the matters described below to be the key audit matters to be communicated in our report

Sr. No.	Key Audit Matter	How our audit Addressed the key Audit Matter
1	<p>Revenue Recognition:</p> <p>There is an inherent risk around the accuracy of revenue recorded given the complexity of systems and the impact of changing pricing models to revenue recognition (tariff structures, incentive arrangements, discounts etc.)</p>	<p>We assessed the Company's process to identify the impact of adoption of the new revenue accounting standard.</p> <p>Our audit approach including controls testing and substantive procedures covering in particular:</p> <ul style="list-style-type: none"> Testing the IT environment in which billing, rating and other relevant support systems reside, including the change control procedures in place around systems that bill material revenue streams.

Sr. No.	Key Audit Matter	How our audit Addressed the key Audit Matter
	Refer Notes no. 57 to the Standalone Ind-AS Financial Statements.	<ul style="list-style-type: none"> • Testing the end to end reconciliation from business support systems to billing and rating systems to the general ledger. This testing includes validating material journals processed between the billing system and general ledger. • Performing tests on the accuracy of customer bill generation on sample basis and testing of a sample of the credits and discounts applied to customer bills: and testing receipts for a sample of customers back to customer invoice.
2	<p>Uncertain Taxation Matters:</p> <p>The Company has material uncertain tax matters under dispute which involves significant judgment to determine the possible outcome of these disputes.</p> <p>Refer Notes no. 50 and 63 to the Standalone Ind-AS Financial Statements.</p>	<p>We have obtained details of completed tax assessments and demands up to March 31, 2022 from management.</p> <p>We assessed the management's underlying assumptions in estimating the tax provisions and the possible outcome of the disputes.</p> <p>We also considered legal precedence and other rulings, including in the company's own cases, in evaluating management's position on these uncertain tax positions.</p>
3	<p>The Company holds investments comprising investments in Associates, Joint Ventures and subsidiaries of Rs 106.13 Crores</p> <p>Investments in Associates, Joint Ventures and subsidiaries accounted for at cost less any provision for impairment. Investments are tested for impairment annually. If impairment exists, the recoverable amounts of the investment in Associates, Joint Ventures and subsidiaries are estimated in order to determine the extent of the impairment loss, if any. Any such impairment loss is recognized in the income statement.</p> <p>Refer to Note no.9 of standalone Ind-AS Financial statements.</p>	<p>We assessed the net assets values of the investments as at 31 March 2022 with the Company's investment carrying values.</p> <p>As a result of our work, we agreed with management that the carrying values of the investments held by the Company are supportable in the context of the Company's standalone Ind-AS financial statements taken as a whole.</p>

Sr. No.	Key Audit Matter	How our audit Addressed the key Audit Matter
4	<p>Contingent liabilities</p> <p>There are number of litigations pending before various forums against the company and the management's judgement is required for estimating the amount to be disclosed as contingent liability.</p> <p>We identified this as a key audit matter because the estimates on which these amounts are based involve a significant degree of management judgement in interpreting the cases and it may be subject to management bias.</p> <p>(Refer to Note no. 50 of standalone Ind-AS Financial statements.)</p>	<p>We have obtained an understanding of the Company's internal instructions and procedures in respect of estimation and disclosure of contingent liabilities and adopted the following audit procedures.</p> <ul style="list-style-type: none"> - understood and tested the design and operating effectiveness of controls as established by the management for obtaining all relevant information for pending litigation cases; - discussed with the management any material developments and latest status of legal matters; - read various correspondences and related documents pertaining to litigation cases and relevant external legal opinions obtained by the management and performed substantive procedures on calculations supporting the disclosures of contingent liabilities; - examined management's judgements and assessment whether provisions are required; - considered the management assessments of those matters that are not disclosed as the probability of material outflow is considered to be remote; - reviewed the adequacy and completeness of disclosures; <p>Based on the above procedures performed, the estimation and disclosures of contingent liabilities are considered to be adequate and reasonable. (Refer to note no. 50 of the Standalone Ind-AS financial statements).</p>

Information Other than the Standalone Ind-AS Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the management discussion and analysis, Director's Report, Corporate Governance report and Other Information included in Company's Annual Report, but does not include the standalone Ind-AS financial statements and our auditor's report thereon.

Our opinion on the standalone Ind-AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind-AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone Ind-AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Management and those charged with governance for the Standalone Ind-AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Ind-AS financial statements that give a true and fair view of the financial position, financial performance, total comprehensive loss, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind-AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind-AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind-AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone Ind-AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind-AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind-AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone Ind-AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Ind-AS financial statements, including the disclosures, and whether the standalone Ind-AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone Ind-AS financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Ind-AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in term of sub section (11) of section 143 of the Companies Act

2013, we give in the “Annexure A” a statement on the matters specified in paragraph 3 and 4 of the Order , to the extent applicable.

2. As required by section 143(5) of the Act, we give in “Annexure B” a statement on the matters specified by the Comptroller and Auditor General of India for the Company.
3. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid standalone Ind-AS financial statements comply with the IND AS specified under Section 133 of the Act.
 - e) Being the Government Company pursuant to the Notification No. GSR 463(E) dated 5 June 2015 issued by the Ministry of Corporate Affairs, Government of India, provisions of sub-section (2) of section 164 of the Act, are not applicable to the Company.
 - f) The going concern matter described in material uncertainty related to going concern paragraph above, in our opinion, may have an adverse effect on the functioning of the company.
 - g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure C”.
 - h) As per the Notification No. GSR 463(E) dated 5 June 2015 issued by the Ministry of Corporate Affairs, Government of India, Section 197 is not applicable to the Government Companies. Accordingly, reporting in accordance with requirement of provisions of section 197 (16) of the Act is not applicable on the Company.
 - i) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company has disclosed the impact of pending litigations on its financial position in its standalone Ind-AS financial statements. (Refer to note no. 50 of the Standalone Ind-AS financial statements).
 - ii) The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts; and
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

- iv) (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v) The company has not declared or paid any dividend during the year. Accordingly, the provisions of Section 123 of the Act is not applicable.

ANNEXURE-A TO THE INDEPENDENT AUDITORS' REPORT

Referred to in our Independent Auditor's Report of even date to the members of Mahanagar Telephone Nigam Limited on the Standalone Ind-AS Financial Statements for the year ended 31st March, 2022.

- (i) (a) 1. Delhi unit (Both basic and Wireless) has maintained records of Property, Plant and Equipment. However, identification numbers, cost of acquisition and location of the Property, Plant and Equipment are not mentioned.
- a) In case of Mumbai units (both basic and WS), fixed assets registers have been maintained w.e.f. 01.04.2002. However, the fixed assets records maintained by the Mumbai units are not updated with respect to identification numbers, cost of acquisition of individual assets and location of Property, Plant and Equipment.
- b) Corporate office has maintained fixed assets register, however identification numbers and location of Property, Plant and Equipment are not mentioned.
2. The Company has maintained proper records showing full particulars of intangible assets however sufficient description of intangible assets, identification numbers and location of intangible assets are not maintained.
- (b) As per the accounting policy of the Company, Property, Plant and Equipment are required to be physically verified by the management on rotation basis, once in three years, which in our opinion is reasonable and adequate in relation to the size of the Company and the nature of its business. Physical verification of Property, Plant and Equipment was conducted by the management during the year ended on March 31, 2022 except Corporate office of Delhi region. According to the information and explanation given to us, no material discrepancies were noticed on such verification. The accuracy, reliability and completeness of the fixed assets verification procedure could not be verified by us.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than immovable properties where the Company is the lessee and the leases agreements are duly executed in favour of the lessee) disclosed in the standalone financial statements are held in the name of the Company, except for the following which are not held in the name of the Company:

In respect of Delhi Units:

According to the information and explanations given by the company in Note No. 58E(1) and 58E (2) of the notes to accounts of the standalone financial statement to us and on the basis of our examination of the records of the Company, we express no opinion on the validity of the title of the company of immovable properties disclosed in the financial statements and held as Property, Plant and Equipment or as investment property.

Further, according to the information and explanations given to us, in Delhi one leasehold property have been encroached. (Refer note no 58(3))

The value of the immovable properties as per title deeds are subject to reconciliation with books of accounts.

In respect of Mumbai Units:

Description of Property	Type of properties	Gross carrying value (Amount in Rs.)*	Held in the name of	Whether promoter, director or their relative or employee	Period held - Range (In Years)	Reason for not being held in name of company/ Remarks
Plot No.11. Near Lokhandwala, Complex, Akurli Road, Kandivali (E), Mumbai- 400 101	Leasehold Land	63,89,373	MHADA	No	More than 20 years	MHADA Allotment letter is available on records for allotment of land. No sale/lease deed is available for verification.
Plot -1, MIDC, Taloja, Navi Mumbai-400 218	Leasehold Land	1,96,200	President of India	No	More than 30 years	Lease Agreement executed by MTNL on behalf of President of India is available on record.
Panvel Tel Exchange, Plot No.229-B, Panvel, Mumbai	Leasehold Land	Nil	President of India (P&T)	No	More than 30 years	Permission letter from Panvel Municipal Corporation is available on records. Lease agreement executed between president of india and City and Industrial development corporation of Maharashtra Limited is also available in records.

Description of Property	Type of properties	Gross carrying value (Amount in Rs.)*	Held in the name of	Whether promoter, director or their relative or employee	Period held - Range (In Years)	Reason for not being held in name of company/ Remarks
Juhu Danda Complex, Santa Cruz - West, Mumbai	Freehold Land	Nil	GOI/P&T	No	More than 20 years	Letter of DOT is available on records for use of plot in favour of MTNL. No sale deed is available for verification.
Bandra Reclamation, Opposite Leelavati Hospital, Bandra(W), Mumbai-400 050	Freehold Building	1,09,83,418	Bombay Housing and Area Development Board	No	More than 30 years	MHADA Allotment letter is available on records for allotment. No sale deed is available for verification.
Magathane, Borivali(E), HIG Colony, Magathane, Borivali(E), Mumbai-400 066	Freehold Building	42,70,028	Bombay Housing and Area Development Board	No	More than 30 years	MHADA Allotment letter is available on records for allotment. No sale deed is available for verification.

*Not reflected in the documents produced before us.

The value of the immovable properties as per title deeds are subject to reconciliation with books of accounts.

Furthermore, in respect of 9 cases of freehold and leasehold land have been encroached by the various persons in respect of which matter is either pending in court or perusing with the various authorities for clearing the encroachment.

According to the information and explanations given by the company in Note No. 58 E(1) of the notes to accounts of the standalone financial statement to us and on the basis of our examination of the records of the Company, we do not express opinion on the validity of the title of the company of said immovable properties disclosed in the financial statements and held as Property, Plant and Equipment or as investment property.

- (d) The According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued any of its

Property, Plant and Equipment (including right-of-use assets) or intangible assets or both during the year.

- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, no proceedings have been initiated during the year or are pending against the Company as at March 31, 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder

(ii) (a) **In respect of Delhi Units:**

In our opinion, physical verification of inventory has been conducted by the management at reasonable intervals.

In respect of Mumbai Units:

In our opinion, physical verification of inventory has been conducted by the management at reasonable intervals except in case of Area Stores of Zone-4 .

In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management is need to be strengthened. No discrepancies were noticed on verification between the physical stocks and the book records that were 10% or more in the aggregate for each class of inventory.

- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks which is not on the basis of security of current assets. Thus, clause 3(iii) of the Order is not applicable.
- (iii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any investments, provided guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties during the year. Thus, clause 3(iii) of the Order is not applicable
- (iv) According to the information and explanations given to us and on the basis of our examination of the records, the Company has not given any loans, or provided any guarantee or security as specified under Section 185 of the Companies Act, 2013 and the Company has not provided any guarantee or security as specified under Section 186 of the Companies Act, 2013. Thus, clause 3(iv) of the Order is not applicable.
- (v) The Company has not accepted any deposits from the public within the meaning of Section 73 to Section 76 or any other relevant provisions of the Companies Act, 2013 or rules framed there under. Accordingly, clause 3(v) of the Order is not applicable.
- (vi) As per information and explanation given to us, Company is required to maintain the cost records under Section 148(1) of the Companies Act 2013. As explained the Company has not yet maintained the required cost records for year 2021-22.

- (vii) a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, wherever applicable, have generally been regularly deposited with the appropriate authorities except the following:-
- (i) The TDS on provision for Expenses has not been deducted under chapter XVII- B of Income Tax Act, 1961.
 - (ii) The Company is making the provision for interest for late/non-payment to MSME vendors which is subject to deduction of tax under section 194A of Income Tax Act, 1961.
 - (iii) The company has recovered Electricity Charges from the tenants, on which liability for Goods and Services Tax (GST) has not been considered, as the expenses recovered without installing sub meter.
 - (iv) The Goods and Services Tax (GST) has also not been considered in respect of income arising on account of rented property occupied by the BSNL for both Delhi and Mumbai unit.

According to the information and explanations given to us, no undisputed amounts payable in respect of Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess or other statutory dues were in arrears as at 31st March 2022 for a period of more than six months from the date they became payable.

- b) According to the information and explanations given to us, there are no dues of Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess or other material statutory dues which have not been deposited with the appropriate authorities on account of any dispute except for the following dues:

- (viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income-tax Act, 1961 as income during the year.
- (ix) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or other lender.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, term loans have been generally applied for the purposes for which they were raised.
- (d) According to the information and explanations given to us and on an overall examination of the balance sheet of the Company, funds raised on short term basis have not been utilized for long term purposes.
- (e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(e) of the Order is not applicable.
- (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(f) of the Order is not applicable.

- (x) (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, clause 3(x)(a) of the Order is not applicable.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.
- (xi) (a) Based on examination of the books and records of the Company and according to the information and explanations given to us, considering the principles of materiality outlined in Standards on Auditing, we report that no fraud by the Company or on the Company has been noticed or reported during the course of the audit.
- (b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Companies Act, 2013 has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) According to the information and explanations given to us, no whistle blower complaints has been received by the Company during the year.
- (xii) According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable.
- (xiii) In our opinion and as per the information and explanation given to us, the company has not entered into any transaction requiring compliance with Section 177 and 188 of the Companies Act, 2013. Hence, clause 3 (xiii) of the Order is not applicable to the Company.
- (xiv) (a) In our opinion, the Internal Audit System of the company is not commensurate with the size of the company and the nature of its business. Moreover, extent of coverage of the areas of operations, frequency / quality of reporting/ timeliness of the reporting and the follow up of internal audit observations need to be strengthened.
- (b) We have considered the internal audit reports of the Company issued till date for the period under audit. However, the Internal Audit Reports of some of the units/zone of the company were provided at short notice or only partly provided, hence not considered.
- (xv) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of Section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- (b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.

- (xvii) The Company has incurred cash losses of Rs 1858.22 crores and Rs. 1525.39 crores in the current and in the immediately preceding financial year respectively.
- (xviii) There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, the auditor's knowledge of the Board of Directors and management plans. Further, the company has accumulated losses and its net worth has been fully/ substantially eroded, the company has incurred net loss/net cash loss during the current year and the company's current liabilities exceeded its current assets as at the balance sheet date. In our opinion, these events or conditions, along with other matter, indicate that a material uncertainty exists as on the date of the audit report and the company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.
- (Also refer Qualified opinion paragraph (i) of our Independent Auditor's Report and note no. 78 to the standalone Ind-AS financial statements.)
- (xx) In our opinion and according to the information and explanations given to us, there is no amount required to be spent by the company in accordance with section 135 of the companies act 2013. Accordingly, clause 3 (xx) of the Order is not applicable to the Company.

ANNEXURE-C TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Mahanagar Telephone Nigam Limited** ("the Company") as of 31st March 2022 in conjunction with our audit of the standalone Ind-AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind-AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone Ind-AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone Ind-AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone Ind-AS financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified in the operating effectiveness of the Company's internal financial controls over financial reporting as at March 31, 2022:

- (i) The Company does not have an appropriate internal control system for identification of overheads to be capitalized with the cost of Property, Plant and Equipment which could potentially result into under /over capitalization of Property, Plant and Equipment and corresponding impact on the operational results of the Company.
- (ii) The Company does not have appropriate internal control system for ensuring capitalization of Property, Plant and Equipment as and when the same is ready for use due to delayed issue of completion certificate by engineering department or due to delay in receipt of bills from the vendors for bought out items or due to delay of inventory issue slip by stores. Hence, the

date of capitalization is not reliable. This could potentially result into delayed capitalization and corresponding impact on the operational results due to lower charge of depreciation.

- (iii) The Company does not have appropriate internal control system for ensuring de-commissioning and de-capitalization of Property, Plant and Equipment in respect of assets which are no longer in use and held for disposal as scrap. This could potentially result into overstatement of gross block and corresponding impact on the operational results due to higher charge of depreciation and lower provision for impairment of assets.
- (iv) The Company does not have an appropriate internal control system to ensure that provisions made pending receipt of bills from vendors / contractors / operators / government departments at the quarter end and year end are duly reversed when actual bills are received and accounted for. This could potentially result in the same being accounting twice.
- (v) The Company does not have an appropriate internal control system to track open purchase orders, work orders, agreements and contracts which have been entered with vendors / contractors / operators / government departments and are lying open. This could have a bearing on efficiency of operations and recording of financial liabilities and provisions pertaining to the same.
- (vi) The Company does not have an integrated ERP system. Different software packages used by the company are interfaced through software links or manual intervention leaving gaps between them. This could potentially result into impaired financial reporting.
- (vii) The Company does not have an appropriate internal control system for reconciliation of vendors / contractors / operators / government departments, accounts which could potentially result in some changes in the standalone Ind-AS financial statements. The cases identified by us have been appropriately qualified at various places in our report.
- (viii) The Company does not have effective internal audit system so as to cover all major areas with extensive scope. The extent and depth of coverage, manner of conduct and reporting in respect of internal audit is very weak. This could potentially result into weak checks and balances and unreported financial irregularities ultimately resulting into distorted financial reporting.
- (ix) The Company does not have an appropriate internal control system for reconciliation of items of unlinked debits and credits because of receipts from the subscriber and the amount debited by the banks. This could potentially lead unreported financial adjustments ultimately resulting into distorted financial reporting.
- (x) The Company does not have an appropriate internal control system for invoicing which are due and payable based on manual invoicing. The invoicing systems does not have reliability of measurement and reconciliation of items. This leads to multiple revisions and errors in invoicing. This could potentially lead errors in revenue recognition.
- (xi) The Company does not have appropriate internal control system for ensuring end use of issued inventory. The accounting is done based on the requisition statement of item and not actual

installation or commission of item. This could potentially result into non-identification of pilferage and also early capitalization of equipment.

(xii) The Company does not have appropriate internal control system for ensuring billing and recovery of water and electricity charges from the lessee. This could potentially result into non-recovery and delayed recovery of such charges causing financial loss of the absolute expenses and also finance cost on the delay in realization. This could also result in inaccurate expense values in the financial statements of the company.

(xiii) The company does not have appropriate internal control system towards renewals of the expired Rent/Lease agreements. Eventhough in some of the cases where lease agreements has been expired, company is receiving rentals on the terms and conditions mentioned in the expired agreement with the parties.

In some cases, company is recognising rentals on the terms and conditions mentioned in the expired agreements with the parties and not receving any amount from such parties for more than one year. However the company has not provided provision for doubtful debts for all such cases.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material⁵² misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, except for the effects / possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Company has maintained, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as of March 31, 2022 , based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2022 standalone Ind-AS financial statements of the Company, and these material weaknesses do not affect our opinion on the standalone Ind-AS financial statements of the Company.

1. Corporate information

Mahanagar Telephone Nigam Limited ('MTNL' or 'Company'), a public sector enterprise, is engaged in providing telecom services in the geographical area of Mumbai and Delhi. The registered office of the company is located at Mahanagar Doorsanchar Sadan, 5th Floor, 9, CGO Complex, Lodhi Road, New Delhi – 110003. The company's shares are listed with Bombay Stock Exchange and National Stock Exchange.

2. Basis of preparation

These standalone financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

These financial statements are separate financial statements of the Company. The Company has also prepared consolidated financial statements for the year ended 31 March 2022 in accordance with Ind AS 110 and the Board of Directors approved the same for issue on 30 May 2022.

The financial statements have been prepared on accrual and going concern basis. All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

The financial statements have been prepared under the historical cost convention except for the following –

- Certain financial assets and liabilities which are measured at fair value;
- Defined benefit plans – plan assets measured at fair value; and
- Assets held for sale – measured at fair value less costs of disposal

3. Summary of significant accounting policies

a) Revenue recognition

Revenue is recognised upon transfer of control of promised products or services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those products or services. Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, credits, price concessions and incentives, if any, as specified in the contract with the customer. Revenue also excludes taxes collected from customers. Revenue is recognized on accrual basis, including income from subscribers whose disputes are pending resolution, and closure of the subscribers' line.

- a) In the case of contracts involving single performance obligation, accounting for revenue is done on accrual basis and revenue is recognized over the period in which services are rendered.
- b) In case of contracts involving multiples promises, which involve delivery or performance of multiple products, services or right to use assets, evaluation is done for all deliverables in an arrangement to determine whether they represent separate performance obligations at the inception of arrangement. Total consideration related to the bundled contract is allocated among the different performance obligations based on their standalone selling prices. In case the relative value of different performance obligations cannot be determined on a reasonable basis, the total consideration is allocated to the different performance obligations based on residual value.
- c) For sale of prepaid products, processing fee on recharge coupons is recognized over the customer relationship period or coupon validity period, whichever is lower.
- d) Activation & installation revenue and related costs (including subscriber acquisition cost), not exceeding the respective revenue, are to be deferred and amortized over the estimated customer relationship period. The excess of costs over revenue, if any, are to be expensed as incurred.
- e) Income from sale of prepaid calling cards, virtual calling cards (VCC) and prepaid internet connection cards is recognised basis the usage or expiry of cards, whichever is earlier.
- f) Interest income/expenditure is to be recognized based on effective interest rate [EIR] i.e. the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial asset to the net carrying amount of the financial assets. The future cash flows include all other transaction costs fees paid or received, premiums or discounts if any etc. The difference between the actual interest rate and effective interest rate will be routed through statement of profit or loss.
- g) Income from services includes income from leasing of infrastructure to other service providers. Cost of related stores and materials consumed in execution is charged to project or revenue job at the time of issue. However, spill over items at the end of the year lying at various stores are valued at weighted average cost.
- h) Sale proceeds of scrap arising from maintenance & project works are taken into miscellaneous income in the year of sale.

Contract assets are recognised when there is excess of revenue earned over billings on contracts. Contract assets are classified as unbilled receivables (only act of invoicing is pending) when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms.

Unearned and deferred revenue (“contract liability”) is recognised when there is billing in excess of revenues or advances received from the customer.

b) Post-employment benefits**a) Defined contribution plan**

A defined contribution plan is a plan under which the Company pays fixed contributions into an independent fund administered by the government. The Company has no legal or constructive obligations to pay further contributions after its payment of the fixed contribution. Company's defined contribution plans include provident fund, pension contribution and leave salary.

- (i) In respect of absorbed combined service pension optees in MTNL, provision for pension contribution is payable to the Govt. of India as per FR-116 as in Bharat Sanchar Nigam Limited ('BSNL') with equivalent BSNL pay scales and it is expensed off in the relevant year.
- (ii) In respect of officials who are on deemed deputation from Department of Telecommunications (DoT) and other Government department, the provision for pension contribution is payable to the Government of India at the rates specified in Appendix 2(A) to FR 116 and 117 of FR. & SR and it is expensed off in the relevant year. Further, provision for leave encashment is payable @ 11% of pay as specified in appendix 2(B) of F.R.116 and 117 of F.R. & S.R. and it is expensed off in the relevant year.

b) Defined benefit plan

The defined benefit plans sponsored by the Company defines the amount of the benefit that an employee will receive on completion of services by reference to length of service and last drawn salary. The legal obligation for any benefits remains with the Company. The Company's defined benefit plans include amounts provided for gratuity.

- (i) For Absorbed CPF optees and direct recruits of MTNL, the Company made contribution to provident fund Trust administered by the Company, which was recognised by the income tax authorities. Following the withdrawal of the Company's exemption from the provident fund, all accumulations in the employees' accounts on the employer's accounts, as well as employee contribution and interest thereon, have been transferred to the Recognised Provident Fund, and with effect from July 2020 the Company has no legal or constructive obligations to pay further contributions after paying the fixed contribution to Recognised Provident Fund.
- (ii) For Absorbed CPF optees and direct recruits of MTNL, the liability for gratuity is estimated using actuarial valuation as the present value of the defined benefit obligation (DBO) at the reporting date less the fair value of plan assets, together with adjustments for unrecognised actuarial gains or losses and past service costs. Actuarial gains and losses arising from past experience and changes in actuarial assumptions are credited or charged to the statement of OCI in the year in which such gains or losses are determined.

- (iii) For absorbed combined service pension optee employees in MTNL, no provision is made for the pensionary benefits viz pension and gratuity.

c) Other long-term employee benefits

- (i) Liability for leave encashment for all employees of MTNL is accounted for on actuarial valuation basis, performed by an independent actuary using the projected unit credit method as on the reporting date. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are recorded in the standalone statement of profit and loss in the year in which such gains or losses arise.
 - (ii) For post-retirement medical benefits, no provision is made since insurance policy is taken periodically and the premium is expensed off in the relevant year.
- d)** Short-term benefits comprise of employee costs such as salaries, bonus, ex-gratia, short-term compensated absences are accrued in the year in which the associated services are rendered by employees of the Company.
- e)** Bonus/Ex-gratia is paid based on the productivity linked parameters and it is to be provided accordingly subject to the profitability of the company.

c) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time, which is generally considered as one year, to get ready for its intended use or sale are capitalised as part of the cost of the asset. Further, projects with estimated cost up to ₹30 crores generally take a year to complete. All other borrowing costs are expensed in the period in which they occur and reported in finance cost. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Transaction costs in respect of long-term borrowings are amortized over the tenor of respective loans using effective interest rate.

d) Property, plant and equipment

Recognition and initial measurement

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at cost less accumulated depreciation. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Assets are capitalized, as per the practices described below, to the extent completion certificates have been issued, wherever applicable.

- i) Land is capitalized when possession of land is taken.
- ii) Building is capitalized to the extent it is ready for use.

- iii) Apparatus & plants principally consisting of telephone exchange equipment and air conditioning plants are capitalised on commissioning of the exchange. Subscriber's installations are capitalized as and when the exchange is commissioned and put to use either in full or in part. Identifiable components in Apparatus & plants having significant cost and/or separate useful life than the main asset i.e. ADSL, VDSL & MES CPES, UPS/Batteries and Subscriber Telephone Instruments are capitalised separately on commissioning and put to use.
 - iv) Lines & wires are capitalised as and when laid or erected to the extent completion certificates have been issued.
 - v) Cables are capitalised as and when ready for connection with the main system.
 - vi) Vehicles and other assets are capitalized as and when purchased.
- (a) Property, plant and equipment are being verified by the management at reasonable intervals i.e. once in every three years by rotation. The physical verification of underground cables is done on the basis of working of network and based on records available together with a certificate from the technical officers.
 - (b) Expenditure on replacement of assets, equipment, instruments and rehabilitation work is capitalized if it is expected to generate future economic benefits for more than one year.
 - (c) Upon scrapping/decommissioning of assets, these continue to be classified in property, plant and equipment unless they are classified as 'held for sale' and carried at the lower of carrying value or fair value less costs of disposal. Resultant loss, if any, is charged to standalone statement of profit and loss.
 - (d) Cost of major inspection is recognized in the carrying amount of plant and equipment if it is expected to generate economic benefits and its life is more than one year.
 - (e) On replacement of significant components of plant and equipment, recognition is made for such replacement of components as individual assets with specific useful life and depreciated as if these components are initially recognised as separate asset.
 - (f) In case an item of property, plant and equipment is acquired on deferred payment basis, interest expenses included in deferred payment is recognised as interest expense and not included in cost of asset.
 - (g) The present value of expected cost for decommissioning of the asset on expiry of its useful life is included in the cost of respective asset. A provision for decommissioning is also created with equivalent amount.
 - (h) Gains or losses arising on the disposal of property, plant and equipment are determined as the difference between the disposal proceeds and the carrying amount of the assets and are recognised in the statement of profit or loss as 'other income' or 'other expenses', as the case may be, on the date of disposal.

Subsequent measurement

- a) Depreciation is provided by the Company using straight-line method on the basis of the useful lives prescribed in Schedule II of the Companies Act, 2013 except in respect of Apparatus & Plant (including Towers, Transceivers, switching centres, transmission & other network equipment) and identifiable components in Apparatus & plant having significant cost and/or separate useful life than the main asset, mobile handsets for service connection, low cost aerial optical fibre cable and major structural repairs of the building which are depreciated at the rates based on technical evaluation of useful life of these assets, which are lower than the lives prescribed in Schedule II of the Companies Act 2013. The estimated useful lives and residual value are reviewed at the end of each reporting period.

For Apparatus & plant (including Towers, Transceivers, switching centres, transmission & other network equipment), Office equipment & Cable having useful life of 10 years other than following assets/components with shorter useful lives –

Name of assets	Useful life (years)
1. UPS/Battery up to 300AH capacity	4
2. UPS/Battery more than 300AH capacity	7
3. ADSL, VDSL & MES CPES	5
4. Subscribers telephone instruments	5

For Office Equipment having useful life of 5 Years other than following assets/components with shorter useful lives –

Name of assets	Useful life (years)
Mobile handset for service connection	3

For Cable having useful life of 18 years other than following assets/components with shorter useful lives –

Name of assets	Useful life (years)
Low cost aerial optical fibre cable	3

For Office Building & exchange having useful life of 60 and 30 years respectively other than following assets/ components with shorter useful lives –

Name of assets	Useful life (years)
Others (Major structural repair of building)	7

- b) 100 % depreciation is provided on assets immaterial in value up to ₹0.05 lakh, in the year of purchase itself, other than those forming part of project, the cost of which is below ₹0.10 lakh in case of Apparatus & plants, Training equipment & testing equipment and ₹2.00 lakh for partitions, which is not considered to be material.
- c) Where, during any financial year, any addition has been made to any asset, or where any asset has been sold, discarded, demolished or destroyed, or significant components replaced;

depreciation on such assets is calculated on a pro rata basis as individual assets with specific useful life from the date of such addition or, as the case may be, up to the date on which such asset has been sold, discarded, demolished or destroyed or replaced.

d) **Transition to Ind AS**

On transition to Ind AS, the Company has elected to continue with the carrying value of all its property, plant and equipment recognised as at 1 April 2015 measured as per the provisions of previous GAAP and use that carrying value as the deemed cost of property, plant and equipment.

e) **Intangible assets**

Intangible assets are stated at their cost of acquisition and/or development less accumulated amortisation. Intangible assets including application software are capitalised when ready for use. All intangible assets with definite useful life are amortized on a straight line basis over the estimated useful lives and a possible impairment is assessed if there is an indication that the intangible asset may be impaired.

- (a) Intangible assets represented by one-time upfront payment for 3G spectrum is amortized on straight-line basis over the period of license i.e. 20 years.
- (b) Application software is amortised on straight-line basis over the useful life of the assets which is considered as 10 years.

Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of all its intangible assets recognised as at 1 April 2015 measured as per the provisions of previous GAAP and use that carrying value as the deemed cost of intangible assets.

f) **Leases**

The Company as a lessee

The Company's lease asset classes primarily consist of leases for land, vehicles, BTS sites, towers and buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) the contract involves the use of an identified asset;
- (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease; and
- (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognises a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these

short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option

The Company as a lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

For operating leases, rental income is recognized on a straight-line basis over the term of the relevant lease.

g) Non-current assets held for sale and discontinued operations

An entity shall classify a non-current asset (or disposal group) as held for sale if its carrying amount will be recovered principally through a sale transaction rather than through continuing use. This condition is regarded as met only when the asset is available for immediate sale in its present condition subject only to terms that are usual and customary for sale of such asset and its sale is highly probable. Management must be committed to sale, which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

Non-current assets classified as held for sale are presented separately and measured at the lower of their carrying amounts immediately prior to their classification as held for sale and their fair value less costs of disposal. However, some held for sale assets such as financial assets or deferred tax assets, continue to be measured in accordance with the Company's relevant

accounting policy for those assets. Once classified as held for sale, the assets are not subject to depreciation or amortisation.

Discontinued operations are excluded from the results of continuing operations and are presented as a single amount as profit or loss after tax from discontinued operations in the standalone statement of profit and loss.

h) **Investment property**

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost including transaction costs. Subsequent to initial recognition the investment properties are stated at cost less accumulated depreciation.

Depreciation is recognized on a straight-line basis to write down the cost less estimated residual value of investment properties other than land.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on de-recognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in statement of profit or loss in the period in which the property is derecognized.

Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of all its investment properties recognised as at 1 April 2015 measured as per the provisions of previous GAAP and use that carrying value as the deemed cost of investment properties.

i) **Inventories**

Inventories being stores and spares are stated at the lower of cost and net realisable value. However, inventories held for capital consumption are stated at cost.

Cost of inventories:

Cost of stores and spares is determined on weighted average basis.

Net realisable value:

Net realisable value is the estimated selling price in the ordinary course of business less any applicable selling expenses.

Provision for obsolescence and slow moving inventory is made based on management's best estimates of net realisable value of such inventories.

j) **Foreign currency translation**

Functional and presentation currency

The financial statements are presented in Indian Rupee ('INR') which is the functional currency

of the Company, since substantially the entire funding of the Company and its operational income is denominated in Indian Rupee.

Foreign currency transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions (spot exchange rate). Foreign exchange gains and losses resulting from the settlement of such transactions and from the re-measurement of monetary items denominated in foreign currency at period-end exchange rates are recognized in the statement of profit or loss.

Non-monetary items are not retranslated at period-end and are measured at historical cost (translated using the exchange rates at the transaction date), except for non-monetary items measured at fair value which are translated using the exchange rates at the date when fair value was determined.

k) Financial instruments

Recognition, initial measurement and de-recognition

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted by transactions costs, except for those carried at fair value through profit or loss which are measured initially at fair value. Subsequent measurement of financial assets and financial liabilities is described below.

Financial assets are derecognized when the contractual rights to the cash flows from the financial asset expires, or when the financial asset and all substantial risks and rewards are transferred. A financial liability is derecognized when it is extinguished, discharged, cancelled or expires.

Classification and subsequent measurement of financial assets

For the purpose of subsequent measurement, financial assets are classified into the following categories upon initial recognition:

- Amortised cost
- financial assets at fair value through profit or loss (FVTPL)
- financial assets at fair value through other comprehensive income (FVOCI)

All financial assets except for those at FVTPL are subject to review for impairment at least at each reporting date to identify whether there is any objective evidence that a financial asset or a group of financial assets is impaired. Different criteria to determine impairment are applied for each category of financial assets, which are described below.

All income and expenses relating to financial assets that are recognised in the statement profit or loss are presented within finance costs or finance income, except for impairment of trade receivables which is presented within 'other expenses'.

➤ **Amortised cost**

A financial asset shall be measured at amortised cost using effective interest rates if both of the following conditions are met:

- a) financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- b) contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Company's cash and cash equivalents, trade and certain other receivables fall into this category of financial instruments.

A loss allowance for expected credit losses is recognised on financial assets carried at amortised cost.

- (i) **For debtors that are not past due** – In respect of trade receivables, the Company applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.
- (ii) **For debtors considered past due** – any enhancement in the accrual done for expected credit loss on individually significant receivables is made as follows –
 - Provision is made for wrong billing, disputed claims from subscribers (excluding operators covered under the agreements related to IUC/Roaming/MOU) and cases involving suspension of revenue realization due to proceedings in Court.
 - For landline services – 100% provision is made for debtors outstanding for more than 3 years.
 - For closed connections, provision is made in respect of outstanding for more than 3 years along with spill over amount for up to 3 years.
 - For wireless services (GSM & CDMA) – 100% provision is made for debtors outstanding for more than 180 days.
- (iii) **For other financial assets** – In respect of its other financial assets, the Company assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Company measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

When making this assessment, the Company uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the Company compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. The Company assumes that the credit risk on a financial asset has not

increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

➤ **Financial assets at FVTPL**

Financial assets at FVTPL include financial assets that either do not meet the criteria for amortised cost classification or are equity instruments held for trading or that meet certain conditions and are designated at FVTPL upon initial recognition. Assets in this category are measured at fair value with gains or losses recognised in the statement of profit or loss. The fair values of financial assets in this category are determined by reference to active market transactions or using a valuation technique where no active market exists.

➤ **Financial assets at FVOCI**

FVOCI financial assets are either debt instruments that are managed under hold to collect and sell business model or are non-trading equity instruments that are designated to this category. FVOCI financial assets are measured at fair value. Gains and losses are recognized in other comprehensive income and reported within FVOCI reserve within equity, except for interest and dividend income, impairment losses and foreign exchange differences on monetary assets, which are recognized in the statement of profit or loss.

Classification and subsequent measurement of financial liabilities

Financial liabilities are measured subsequently at amortized cost using the effective interest rate, except for financial liabilities held for trading or designated as FVTPL, that are carried subsequently at fair value with gains or losses recognised in the statement of profit or loss.

All interest-related charges and, if applicable, changes in an instrument's fair value that are reported in the statement of profit or loss and are included within finance costs or finance income.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

l) **Investment in subsidiaries, joint ventures and associates**

Investment in equity instruments of subsidiaries, joint ventures and associates are stated at cost as per Ind AS 27 'Separate Financial Statements'.

m) **Income taxes**

Tax expense recognised in the statement of profit or loss comprises the sum of deferred tax and current tax not recognized in other comprehensive income or directly in equity.

Provision for current tax is made after taking into consideration benefits admissible under the provisions of Income Tax Act, 1961 and in the overseas branches/companies as per the respective tax laws.

Deferred income taxes are calculated using the liability method on temporary differences between the carrying amounts of assets and liabilities and their tax bases. However, deferred tax is not provided on the initial recognition of an asset or liability unless the related transaction is a business combination or affects tax or accounting profit. Deferred tax assets and liabilities are calculated, without discounting, at tax rates that are expected to apply to their respective period of realisation, provided those rates are enacted or substantively enacted by the end of the reporting period.

Deferred tax asset ('DTA') is recognized for all deductible temporary differences, carry forward of unused tax credit and unused tax losses, to the extent that it is probable that taxable profit will be available against which deductible temporary difference, and the carry forward of unused tax credits and unused tax losses can be utilised or to the extent of taxable temporary differences.

Minimum Alternate Tax (MAT) credit is recognised, as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised as an asset, the said asset is created by way of a credit to the standalone statement of profit and loss and classified under 'deferred tax asset'.

n) **Impairment testing of intangible assets and property, plant and equipment**

For impairment assessment purposes, assets are grouped at the lowest levels for which there are largely independent cash inflows (cash generating units). As a result, some assets are tested individually for impairment and some are tested at cash-generating unit level.

For intangible assets with indefinite useful life that are tested at least annually. For other assets, the Company assesses at each balance sheet date whether there is any indication that any asset, may be impaired. If any such indication exists, the carrying value of such assets is reduced to its estimated recoverable amount and the amount of such impairment loss is charged to the standalone statement of profit and loss. If, at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed, which is the higher of fair value less costs of disposal and value-in-use and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

To determine the value-in-use, management estimates expected future cash flows from each cash-generating unit and determines a suitable interest rate in order to calculate the present value of those cash flows. The data used for impairment testing procedures are directly linked to the Company's latest approved budget, adjusted as necessary to exclude the effects of future re-organisations and asset enhancements. Discount factor reflects current market assessment of the time value of money and asset-specific risks factors.

o) **Provisions, contingent liabilities and contingent assets**

A provision is recognised when the Company has a present legal or constructive obligation as a result of a past event and it is probable that an outflow of economic resources will be required

from the Company and amounts can be estimated reliably. Timing or amount of the outflow may still be uncertain.

Provisions are measured at the estimated expenditure required to settle the present obligation, based on the most reliable evidence available at the reporting date, including the risks and uncertainties associated with the present obligation. Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. Provisions are discounted to their present values, where the time value of money is material.

In those cases where the possible outflow of economic resources as a result of present obligations is considered improbable or remote, no liability is recognized or disclosure is made.

Contingent liabilities are disclosed in case of present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation or the amount cannot be estimated reliably.

Contingent assets are not recognised. However, when inflow of economic benefit is probable, related asset is disclosed.

p) Government grants

Government grants are recognised if it is sufficiently certain that the assistance will be granted and the conditions attached to assistance are satisfied. Where the grant relates to specified asset, it is recognised as deferred income, and amortized over the expected useful life of the asset. Other grants are recognised in the statement of profit and loss concurrent to the expenses to which such grants relate/ are intended to cover.

Where the Company receives non-monetary grants, the asset and the grant are recorded gross at fair amounts and released to the statement of profit and loss over the expected useful life and pattern of consumption of the benefit of the underlying asset.

q) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term, highly liquid investments (original maturity less than 3 months) that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

r) Adjustment pertaining to earlier years

Income from services and other income pertaining to prior years is not disclosed as prior period item for each individual transaction not exceeding ₹ 1.00 lakh and similarly items of expenditure for each individual transaction not exceeding ₹ 1.00 lakh are considered as expenditure of current year.

In respect of other items of income (including operating income and other income) and expenditure relating to prior periods, the net effect of which on retained earning does not exceed 1% of turnover is treated as income/expenditure of current year.

s) **Equity, reserves and dividend payments**

Share capital represents the nominal value of shares that have been issued. Share premium includes any premiums received on issue of share capital. Any transaction costs associated with issuing of shares are deducted from share premium account, net of any related income tax benefits.

Other components of equity include the following:

- Re-measurement of defined benefit liability – comprises the actuarial gain or loss from changes in demographic and financial assumptions and return on plan assets
- Reserve for contingencies
- Reserve for research and development
- Reserve for debenture redemption
- General reserve
- Other transactions recorded directly in other comprehensive income.

Retained earnings include all current and prior period retained profits. All transactions with owners of the parent are recorded separately within equity. Dividend distributions payable to equity shareholders are included in other liabilities when the dividends have been approved in a general meeting prior to the reporting date.

Standards issued but not yet effective:

Ministry of Corporate Affairs (“MCA”) notifies new standard or amendments to the existing standards. Following are amendments to existing standards, which are applicable to the Company and will be effective from 1 April 2022.

Amendment to Ind AS 16, Property, Plant and Equipment

The Ministry of Corporate Affairs (“MCA”) vide notification dated 23 March 2022, has issued an amendment to Ind AS 16 which specifies that an entity shall deduct from the cost of an item of property, plant and equipment any proceeds received from selling items produced while the entity is preparing the asset for its intended use (for example, the proceeds from selling samples produced when testing a machine to see if it is functioning properly).

Amendment to Ind AS 37, Provisions, Contingent Liabilities and Contingent Assets

The Ministry of Corporate Affairs (“MCA”) vide notification dated 23 March 2022, has issued an amendment to Ind AS 37 which specifies that the cost of fulfilling a contract comprises: the incremental costs of fulfilling that contract and an allocation of other costs that relate directly to fulfilling contracts.

Amendment to Ind AS 103, Business Combinations

The Ministry of Corporate Affairs (“MCA”) vide notification dated 23 March 2022, has issued an amendment to Ind AS 103 and has added a new exception in the standard for liabilities and contingent liabilities.

Amendment to Ind AS 109, Financial Instruments

The Ministry of Corporate Affairs (“MCA”) vide notification dated 23 March 2022, has issued an amendment to Ind AS 109 which clarifies that which fees an entity should include when it applies the ‘10%’ test in assessing whether to derecognise a financial liability. An entity includes only fees paid or received between the entity (the borrower) and the lender, including fees paid or received by either the entity or the lender on the other’s behalf.

Significant management judgement in applying accounting policies and estimation uncertainty

The preparation of the Company’s standalone financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the end of the reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the assets or liabilities in future periods.

Significant management judgements

The following are significant management judgements in applying the accounting policies of the Company that have significant effect on the financial statements.

Recognition of deferred tax assets- The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company’s future taxable income against which the deferred tax assets can be utilized. In addition, significant judgement is required in assessing the impact of any legal or economic limits or uncertainties in various tax jurisdictions

Evaluation of indicators for impairment of assets- The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

Assessment lease term- Lease term includes non-cancellable periods of lease along with extension options reasonably certain to be exercised and termination options reasonably certain not to be exercised. The assessment of whether extension options and termination options are reasonably certain to be exercised or not to be exercised, involve significant management judgement based upon economic incentives to extend or terminate the lease.

Activation and installation fees- The Company receives activation and installation fees from new customers. These fees together with directly attributable costs are amortised over the estimated duration of customer relationship period. The customer relationship period is reviewed periodically. The estimated relationship period principally reflects management’s view of the average economic relationship period of the customer base and is assessed by reference to key performance indicators

(KPIs) which are linked to establishment/ ascertainment of customer relationship period. A change in such KPIs may lead to a change in the estimated useful life and an increase/ decrease in the amortisation income/charge. The Company believes that the change in such KPIs will not have any material effect on the financial statements.

Recoverability of advances/receivables- At each balance sheet date, based on discussions with the respective counter-parties and internal assessment of their credit worthiness, the management assesses the recoverability of outstanding receivables and advances. Such assessment requires significant management judgement based on financial position of the counter-parties, market information and other relevant factor.

Classification of assets and liabilities into current and non-current- The management classifies the assets and liabilities into current and non-current categories based on management's expectation of the timing of realisation of the assets or timing of contractual settlement of liabilities.

Impairment of assets- In assessing impairment, management estimates the recoverable amounts of each asset or cash-generating unit (in case of non-financial assets) based on expected future cash flows and uses an interest rate to discount them. Estimation uncertainty relates to assumptions about future cash flows and the determination of a suitable discount rate

Useful lives of depreciable/amortisable assets (tangible and intangible)- Management reviews its estimate of the useful lives of depreciable/amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of certain software, customer relationships, IT equipment and other plant and equipment.

Inventories- Management estimates the cost of inventories including cost of materials and overheads considered attributable to the production of such inventories, taking into account the most reliable evidence available including actual cost of production, etc. Management also estimates the net realisable values of inventories, taking into account the most reliable evidence available at each reporting date. The future realisation of these inventories may be affected by future technology or other market-driven changes that may reduce future selling prices.

Defined benefit obligation (DBO)- Management's estimate of the DBO is based on a number of critical underlying assumptions such as standard rates of inflation, medical cost trends, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses

Fair value measurements- Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available) and non-financial assets. This involves developing estimates and assumptions consistent with how market participants would price the instrument. Management bases its assumptions on observable data as far as possible but this is not always available. In that case management uses the best information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

(i) Amount recognised in profit and loss for investment property

(₹ in crores)

	31 March 2022	31 March 2021
Rental income	325.53	311.39
Direct operating expenses that generated rental income*	-	-
Direct operating expenses that did not generate rental income*	-	-
Profit from leasing of investment property	325.53	311.39

*Direct operating expenses attributable to investment property cannot be specifically identified with properties, although management does not expect them to be material.

(ii) Fair value of investment property (₹ in crores)

Particulars	31 March 2022	31 March 2021
Fair value	4,026.19	3,523.60

The Company reviews fair values annually. The following factors have been considered for determination of fair value -

- (a) Leasehold properties** - These land properties have been allotted to MTNL on perpetual lease from the government for carrying out operations in normal course of business. The Company constantly reviews the utilisation of its facilities and any surplus properties are considered for letting out to earn rental income. Being leasehold properties, the Company is restricted from selling them in an active market, however, such properties can be converted into freehold properties at circle rates at which the government (or other bodies representing the government) would sell such properties in an active market. This is considered to be representative of the fair value of properties as at reporting date.
- (b) Freehold land** - The circle rates are considered to be a fair representation at which such properties can be sold in an active market.
- (c) Buildings** - In case of constructed building, cost of construction adjusted with the present day price index has been taken as the basis of valuation. Necessary depreciation for age and life of the structure has been taken into account.

Refer note 51 for disclosure of contractual commitments for the acquisition of intangible assets.

(ii) Amortisation for the year has been included in line item 'Depreciation and amortisation expense' in statement of profit and loss.

(iii) There was no expenditure incurred on research and development during the current and comparative year.

9. Non-current investments

(₹ in crores)

	Number of shares		Amount	
	31 March 2022	31 March 2021	31 March 2022	31 March 2021
In equity instruments				
In subsidiaries (unquoted)				
Millennium Telecom Limited (face value ₹ 10 each fully paid up)	28,75,880	28,75,880	2.88	2.88
Mahanagar Telephone Mauritius Limited	57,22,64,029	57,22,64,029	100.97	100.97
Sub total (A)			103.85	103.85
In Joint ventures (unquoted)				
MTNL STPI IT Services Limited (face value of ₹ 10 each fully paid up)	22,82,000	22,82,000	2.28	2.28
Sub total (B)			2.28	2.28
Total non-current investments (A+B)			106.13	106.13
Aggregate amount of unquoted investments			106.13	106.13

Notes:

- (a) Investments in subsidiaries, associates and joint venture are stated at cost as per Ind AS 27 'Separate Financial Statements'.
- “(b) As per article 12.19 (b) of Shareholders’ agreement together with para 27 of the amendatory agreement (together referred to as ‘amended agreement’) entered into between MTNL, TCIL, TCL and NVPL (Nepal), together referred to as ‘Investors’ pursuant to their investment in United Telecom Limited (‘UTL’), in case NVPL (the local partner in Nepal) decides to sell its stake to any third party, it requires prior consent of other Investors. Further, at such time, per exit clause in the agreement, any of the other Investors other than NVPL can exit the arrangement after 2 years from the amended agreement by issuing 3 month’s notice. Pursuant to this exit clause, the Company had issued notice to UTL on 30 January, 2018 for making an exit. The notice is valid upto 30 April 2018 and subsequent to 30 April 2018, the local partner had sought time extension of another 3 months i.e. till 30 July, 2018 for giving effect to the exit requested by the Company. NVPL vide its letter dated 31 March 2021, has requested MTNL to submit its response against the draft Share Purchase Agreement (‘SPA’) for acquisition of shares held by Investors at face value of Nepalese Rupees 100 per share and MTNL is in the process of reviewing and finalising the said SPA. Accordingly, such investment has been classified as ‘held for sale’ in the financial statements for year ended 31 March 2021 and 31 March 2022. Refer note 21 for details.”

10. Loans

(₹ in crores)

	31 March 2022 Non-current	31 March 2021 Non-current
Secured, considered good		
Loan to employees	3.49	3.41
Less: allowance for credit impaired loans	(0.06)	-
	3.43	3.41

Notes:

- (i) No loans are due from director or other officers of the Company either severally or jointly with any other person. Further, no loans are due from firms or private companies respectively in which any director is partner, director or a member.
- (ii) Refer note 45 - Fair value disclosures for disclosure of fair value in respect of financial assets measured at amortised cost and note 46 - Financial risk management for assessment of expected credit losses.

11. Other financial assets

(₹ in crores)

	31 March 2022 Non-current	31 March 2021 Non-current
Bank deposits with more than 12 months maturity	24.57	11.96

	4,599.32	4,623.98

- (i) Refer note 45 - Fair value disclosures for disclosure of fair value in respect of financial assets measured at amortised cost.
- (ii) For details on settlement of receivable from BSNL, refer note 65.
- (iii) For details on settlement of receivable from DoT, refer note 70.

20. Other current assets

(₹ in crores)

	31 March 2022	31 March 2021
Advances to suppliers	28.64	28.48
Deferred lease income	3.96	3.34
Balances with statutory authorities	227.83	162.46
Prepaid expenses	113.67	119.59
Other recoverables	2.65	117.92
	376.75	431.79
Less: provision for doubtful advances	(10.83)	(12.12)
	365.93	419.67

21. Assets held for sale

(₹ in crores)

	31 March 2022	31 March 2021
Property, plant and equipment (refer note (a))	0.05	0.07
Investments in United Telecom Limited (refer note (b))	35.85	35.85
	35.90	35.92

Notes:

(a) In respect of assets classified as held for sale, the Company was in the process to sell switches and BTS-batteries originally acquired for GSM Services in Mumbai in earlier years. A tender was floated for auction of the asset held for sale, which failed due to technical reasons that was not originally envisaged. Another tender was under process for auction of the asset at the year ending 31 March 2022 and favourable resolution is expected. Therefore, such assets continue to be classified as held for sale.

Non-recurring fair value measurements

Asset classified as held for sale was measured at the lower of its carrying amount and fair value less costs to sell at the time of re-classification, resulting in the recognition of a write down of ₹ nil (31 March 2021: ₹ nil) as impairment loss in the statement of profit and loss.

As per article 12.19 (b) of Shareholders' agreement together with para 27 of the amendatory agreement (together referred to as 'amended agreement') entered into between MTNL, TCIL, TCL and NVPL (Nepal), together referred to as 'Investors' pursuant to their investment in United Telecom Limited ('UTL'), in case NVPL (the local partner in Nepal) decides to sell its stake to any third party, it requires prior consent of other Investors. Further, at such time, per exit clause in the agreement, any of the other Investors other than NVPL can exit the arrangement after 2 years from the amended agreement by issuing 3 month's notice. Pursuant to this exit clause, the Company had issued notice to UTL on 30 January, 2018 for making

an exit. The notice is valid upto 30 April 2018 and subsequent to 30 April 2018, the local partner had sought time extension of another 3 months i.e. till 30 July, 2018 for giving effect to the exit requested by the Company. NVPL vide its letter dated 31 March 2021, has requested MTNL to submit its response against the draft Share Purchase Agreement ('SPA') for acquisition of shares held by Investors at face value of Nepalese Rupees 100 per share and MTNL is in the process of reviewing and finalising the said SPA. Accordingly, such investment has been classified as 'held for sale' in the financial statements for year ended 31 March 2021 and 31 March 2022."

Non-recurring fair value measurements

The recoverable amount is expected to be higher than the carrying value of such investment and therefore, no further loss required to be recognised upon classification of such investment as 'held for sale'.

22. Equity share capital

(₹ in crores)

	31 March 2022	31 March 2021
Authorised capital		
3,500,000,000 (previous year 3,500,000,000) equity shares of ₹ 10 each	3,500.00	3,500.00
650,000,000 (previous year 650,000,000) preference shares of ₹ 100 each	6,500.00	6,500.00
	10,000.00	10,000.00
	31 March 2022	31 March 2021
Issued, subscribed and fully paid up		
630,000,000 (previous year 630,000,000) equity shares of ₹ 10 each fully paid up	630.00	630.00
	630.00	630.00

a) Reconciliation of equity shares outstanding at the beginning and at the end of the year.

	31 March 2022		31 March 2021	
	No. of shares	(₹ in crores)	No. of shares	(₹ in crores)
Equity shares at the beginning of the year	63,00,00,000	630.00	63,00,00,000	630.00
Changes during the year	-	-	-	-
Equity shares at the end of the year	63,00,00,000	630.00	63,00,00,000	630.00

b) Rights/preferences/restrictions attached to equity shares

The Company has only one class of equity shares having par value of ₹ 10 per share. Each holder of equity shares is entitled to one vote per share. The Company declares and pays dividends in Indian rupees. In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

c) Details of shareholders holding more than 5% shares in the Company

	31 March 2022		31 March 2021	
	No. of shares	(₹ in crores)	No. of shares	(₹ in crores)
Equity shares of ₹ 10 each fully paid up				
President of India	35,43,78,740	56.25	35,43,78,740	56.25
LIC including LIC Fortune Plus secured Fund	8,26,59,957	13.12	11,85,15,213	18.81

d) There are no shares issued for consideration other than cash and no shares have been bought back in last five years.

e) There are no shares reserved for issue under options or other purpose.

23. Other equity

(₹ in crores)

	31 March 2022	31 March 2021
Retained earnings		
As per last balance sheet	(17,654.18)	(15,199.95)
Add : Net profit/ (loss) for the year	(2,602.59)	(2,461.79)
Add: Remeasurements of employee benefit obligations	(13.98)	7.55
Add: Transfer from debenture redemption reserve	45.27	-
Add: Transfer from research and development reserve	30.80	-
	(20,194.68)	(17,654.18)

	31 March 2022	31 March 2021
Other reserves		
Debenture redemption reserve	-	45.27
Securities premium	665.00	665.00
Research and development reserve	-	30.80
Contingency reserve	243.23	243.23
	908.23	984.30

Nature and purpose of other reserves:

(i) Securities premium

Securities premium represents premium received on issue of shares. The reserve can be utilised in accordance with the provisions of the Companies Act.

(ii) Contingency reserve

The Company created this reserve for unforeseen tax demands/disallowances by Income tax department under section 80IA of the Income Tax Act, 1961.

(iii) Other Comprehensive Income(OCI)

The Company has recognised remeasurements benefits on defined benefits plans through Other comprehensive income.

42. Tax expense**(₹ in crores)**

	31 March 2022	31 March 2021
Current tax (including taxes earlier years)	-	-
Deferred tax	-	-
	-	-

The major components of income tax expense and the reconciliation of expense based on the domestic effective tax rate of at 34.944% and the reported tax expense in profit or loss are as follows:

	31 March 2022	31 March 2021
Accounting profit before income tax	(2,602.59)	(2,461.79)
At country's statutory income tax rate of 34.944% (31 March 2021: 34.944%)	(909.45)	(860.25)
Difference in property, plant and equipment as per books and Income Tax Act, 1961	124.17	148.09
Non-deductible expenses for tax purposes	(66.77)	(88.30)
Employee benefits allowed on payment basis	0.74	(12.67)
Deferred tax not created on losses for current year	851.31	813.14
	-	-

- (i) MTNL has unabsorbed depreciation and brought forward business losses amounting to ₹ 25,778.78 crores as on 31 March 2022 on which no deferred tax asset has been recognised. Deferred tax asset shall be created in the year in which the Company will have reasonable certainty of future taxable income as required by Indian Accounting Standard 12- "Income Taxes" as specified under Section 133 of the Companies Act, 2013 read with Rule 7 of Companies (Accounts) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.
- (ii) The Company has not recognized tax expense/credit (current and deferred tax) in the statement of profit and loss (including other comprehensive income) as the Company is incurring losses and there is no reasonable certainty supported by convincing evidence that sufficient future taxable profits will be available against which unused tax losses can be utilized.

(iii) Details of year wise expiry are given below:

(₹ in crores)

Particulars	Year of origination	Year of expiry	Amount
Brought forward losses	Assessment year 2015-16	Financial year 2021-22	1,941.74
Brought forward losses	Assessment year 2016-17	Financial year 2023-24	1,042.33

Loss per equity share:		
Nominal value of equity share (₹)	10.00	10.00
Weighted-average number of equity shares for basic and diluted EPS	63,00,00,000	63,00,00,000
Basic and diluted loss per share (₹)	(41.31)	(39.08)

45 Fair value disclosures

i) Fair values hierarchy

Financial assets and financial liabilities measured at fair value in the statement of financial position are divided into three Levels of a fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: quoted prices (unadjusted) in active markets for financial instruments.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data rely as little as possible on entity specific estimates.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

ii) Financial assets and liabilities measured at fair value - recurring fair value measurements

iii) Fair value of instruments measured at amortised cost

Fair value of instruments measured at amortised cost for which fair value is disclosed is as follows:

(₹ in crores)

Particulars	Level	31 March 2022		31 March 2021	
		Carrying value	Fair value	Carrying value	Fair value
Financial assets					
Loans	Level 3	6.51	7.16	31.24	31.24
Other financial assets	Level 3	4,814.89	4,804.91	4,828.87	4,542.99
Total financial assets		4,821.40	4,812.07	4,860.11	4,574.23
Borrowings	Level 3	26,606.48	26,650.75	25,348.55	19,736.00
Other financial liabilities	Level 3	2,016.85	1,990.71	1,955.48	1,907.44
Total financial liabilities		28,623.34	28,641.46	27,304.03	21,643.44

The management assessed that cash and cash equivalents, other bank balances, trade receivables, other receivables, trade payables and short-term borrowings approximate their carrying amounts largely due to the short-term maturities of these instruments. The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values:

- (i) Long-term fixed-rate and variable-rate receivables are evaluated by the Company based on parameters such as interest rates, individual creditworthiness of the customer and other market risk factors. Based on this evaluation, allowances are taken into account for the expected credit losses of these receivables.
- (ii) The fair values of the Company's interest-bearing borrowings, loans and receivables are determined by applying discounted cash flows ('DCF') method, using discount rate that reflects the issuer's borrowing rate as at the end of the reporting period. The own non-performance risk as at 31 March 2022 was assessed to be insignificant.

*Investments in subsidiaries, associate and joint venture are carried at cost per Ind AS 27 – Separate financial statements and therefore, not presented here.

ii) Risk Management

‘The Company’s activities expose it to market risk, liquidity risk and credit risk. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, trade receivables, financial assets measured at amortised cost	Aging analysis	Bank deposits, diversification of asset base, credit limits and collateral.
Liquidity risk	Borrowings and other liabilities	"Rolling cash flow forecasts"	Availability of committed credit lines and borrowing facilities
Market risk - foreign exchange	Recognised financial assets and liabilities not denominated in Indian rupee (INR)	Cash flow forecasting	Forward contract/hedging, if required
Market risk - interest rate	Long-term borrowings at variable rates	Sensitivity analysis	Negotiation of terms that reflect the market factors
Market risk - security price	Investments in equity securities	Sensitivity analysis	Company presently does not make any investments in equity shares, except for entities where it exercises control or joint control or significant influence.

The Company's risk management is carried out by a central treasury department (of the Company) under policies approved by the board of directors. The board of directors provides written principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk and investment of excess liquidity.

A) Credit risk

"Credit risk is the risk that a counterparty fails to discharge an obligation to the company. The company is exposed to this risk for various financial instruments, for example by granting loans and receivables to customers, placing deposits, etc. The company's maximum exposure to credit risk is limited to the carrying amount of following types of financial assets.

- cash and cash equivalents,
- trade receivables,
- loans & receivables carried at amortised cost, and
- deposits with banks and financial institutions."

a) Credit risk management

The Company assesses and manages credit risk based on internal credit rating system, continuously monitoring defaults of customers and other counterparties, identified either individually or by the company, and incorporates this information into its credit risk controls. Internal credit rating is performed for each class of financial instruments with different characteristics. The Company assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

A: Low

B: Medium

C: High

Assets under credit risk -

(₹ in crores)

Credit rating	Particulars	31 March 2022	31 March 2021
A: Low	Loans	4.56	31.24
	Other financial assets	4,790.33	4,816.91
	Bank deposits	38.87	178.42
	Cash and cash equivalents	74.99	92.85
B: Medium	Trade receivables	662.36	764.59
C: High	Trade receivables	1,134.06	1,014.12
	Loans	1.95	-
	Other financial assets	95.14	93.58
	Cash and cash equivalents	0.56	0.56

Cash & cash equivalents and bank deposits

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits and accounts in different banks across the country.

Trade receivables

Credit risk related to trade receivables are mitigated by taking bank guarantees from customers where credit risk is high. The Company closely monitors the credit-worthiness of the debtors through internal systems that are configured to define credit limits of customers, thereby, limiting the credit risk to pre-calculated amounts. The Group assesses increase in credit risk on an ongoing basis for amounts receivable that become past due and default is considered to have occurred when amounts receivable become past due in each business segment as follows:

- (i) Cellular: Six months past due
- (ii) Basic & other services: Three years past due

Other financial assets measured at amortised cost

Other financial assets measured at amortized cost includes loans and advances to employees, security deposits and others. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system in place ensure the amounts are within defined limits.

b) Expected credit losses

The Company provides for expected credit losses based on the following:

Trade receivables

- (i) The company recognizes lifetime expected credit losses on trade receivables using a simplified approach, wherein Company has defined percentage of provision by analysing historical trend of default relevant to each business segment based on the criteria defined above. And such provision percentage determined have been considered to recognise life time expected credit losses on trade receivables (other than those where default criteria are met).

Particulars	31 March 2022		31 March 2021	
	Basic & other services	Cellular	Basic & other services	Cellular
Gross amount of sales	2,679.24	8.24	4,225.30	9.33
Expected loss rate	4.44%	23.31%	2.63%	24.47%
Expected credit loss (loss allowance provision)	119.00	1.92	110.93	2.28
Receivables due from customers where specific default has occurred	774.78	238.37	658.53	242.38

During the periods presented, the Company made no write-offs of trade receivables.

(ii) Reconciliation of loss allowance provision from beginning to end of reporting period:

Reconciliation of loss allowance	Trade receivables
Loss allowance on 01 April 2020	(932.09)
Add/ (Less): Changes in loss allowances due to write off/recovery	4.07
Add/ (Less): Changes in loss allowances due to assets originated or purchased	(86.10)
Loss allowance on 31 March 2021	(1,014.12)
Add/ (Less): Changes in loss allowances due to write off/recovery	15.11
Add/ (Less): Changes in loss allowances due to assets originated or purchased	(135.06)
Loss allowance on 31 March 2022	(1,134.06)

Other financial assets measured at amortised cost

Company provides for expected credit losses on loans and advances other than trade receivables by assessing individual financial instruments for expectation of any credit losses. Since this category includes loans and receivables of varied natures and purpose, there is no trend that the company can draw to apply consistently to entire population. For such financial assets, the Company's policy is to provide for 12 month expected credit losses upon initial recognition and provides for lifetime expected credit losses upon significant increase in credit risk. The Company does not have any expected loss based impairment recognised on such assets considering their low credit risk nature, though incurred loss provisions are disclosed under each sub-category of such financial assets.

B) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Company maintains flexibility in funding by maintaining availability under committed facilities. Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates. In addition, the Company's liquidity management policy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

a) Financing arrangements

The Company had access to the following undrawn borrowing facilities at the end of the reporting period:

(₹ in crores)

Particulars	31 March 2022			31 March 2021		
	Total facility	Drawn	Undrawn	Total facility	Drawn	Undrawn
0-1 year	10,445.62	10,041.28	404.34	8,850.28	7,176.37	1,673.91
1-2 years	3,137.50	3,137.50	-	2,987.31	2,987.31	-
More than 2 years	3,961.01	3,961.01	-	5,718.27	5,718.27	-
Total	17,544.13	17,139.79	404.34	17,555.86	15,881.95	1,673.91

b) Maturities of financial liabilities

The tables below analyse the Company's financial liabilities into relevant maturity Companyings based on their contractual maturities for all non-derivative financial liabilities.

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

(₹ in crores)

31 March 2022	Less than 1 year	1-3 year	3-5 year	More than 5 years	Total
Non-derivatives

Total	10,927.97	11,138.97	3,913.94	9,424.78	35,405.66

C) Market Risk
a) Foreign currency risk

The Company is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the US Dollar and Euro. Foreign exchange risk arises from recognised assets and liabilities denominated in a currency that is not the functional currency of any of the Company entities. Considering the low volume of foreign currency transactions, the Company's exposure to foreign currency risk is limited and the Company hence does not use any derivative instruments to manage its exposure. Also, the Company does not use forward contracts and swaps for speculative purposes.

(i) Foreign currency risk exposure in USD:

The Company's exposure to foreign currency risk at the end of the reporting period expressed in ₹, are as follows

	(₹ in crores)	
Particulars	31 March 2022	31 March 2021
Financial assets	2.60	1.73
Financial liabilities	0.52	0.44
Net exposure to foreign currency risk (liabilities)	2.08	1.29

Sensitivity

The sensitivity of profit or loss to changes in the exchange rates arises mainly from foreign currency denominated financial instruments.

	(₹ in crores)	
Particulars	31 March 2022	31 March 2021
USD sensitivity		
INR/USD- increase by 500 bps (31 March 2021 500 bps)*	0.10	0.06
INR/USD- decrease by 500 bps (31 March 2021 500 bps)*	(0.10)	(0.06)

*Holding all other variables constant

(ii) Foreign currency risk exposure in EURO:

The Company's exposure to foreign currency risk at the end of the reporting period expressed in ₹, are as follows

	(₹ in crores)	
Particulars	31 March 2022	31 March 2021
Financial assets	0.04	0.04
Financial liabilities	0.01	0.06
Net exposure to foreign currency risk (liabilities)	0.03	(0.02)

Sensitivity

The sensitivity of profit or loss to changes in the exchange rates arises mainly from foreign currency denominated financial instruments.

	(₹ in crores)	
Particulars	31 March 2022	31 March 2021
EURO sensitivity		
INR/EURO- increase by 500 bps (31 March 2021 500 bps)*	0.00	(0.00)
INR/EURO- decrease by 500s bps (31 March 2021 500 bps)*	(0.00)	0.00

b) Interest rate risk
i) Liabilities

The Company's policy is to minimise interest rate cash flow risk exposures on long-term financing. At 31 March 2022 and 31 March 2021, the Company is exposed to changes in interest rates through bank borrowings at variable interest rates. The Company's investments in fixed deposits carry fixed interest rates.

Interest rate risk exposure

Below is the overall exposure of the Company to interest rate risk:

Particulars	(₹ in crores)	
	31 March 2022	31 March 2021
Variable rate borrowing	20,227.05	15,874.37
Fixed rate borrowing	9,475.05	9,474.18
Total borrowings	29,702.10	25,348.55

Sensitivity

Below is the sensitivity of profit or loss and equity changes in interest rates.

Particulars	(₹ in crores)	
	31 March 2022	31 March 2021
Interest sensitivity*		
Interest rates – increase by 50 bps basis points	101.14	79.37
Interest rates – decrease by 50 bps basis points	(101.14)	(79.37)

* Holding all other variables constant

ii) Assets

The Company's fixed deposits are carried at amortised cost and are fixed rate deposits. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

c) Price risk

The Company does not have any significant investments in equity instruments which create an exposure to price risk.

47 Capital management

The Company's capital management objectives are

- to ensure the Company's ability to continue as a going concern
- to provide an adequate return to shareholders

The Company monitors capital on the basis of the carrying amount of equity less cash and cash equivalents as presented on the face of balance sheet.

Management assesses the Company's capital requirements in order to maintain an efficient overall financing structure while avoiding excessive leverage. This takes into account the subordination levels of the Company's various classes of debt. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares, or sell assets to reduce debt.

(₹ in crores)		
Particulars	31 March 2022	31 March 2021
Net debt	26,606.48	25,348.55
Total equity	(18,656.45)	(16,039.88)
Net debt to equity ratio	(1.43)	(1.58)

The Company has not declared dividend in current year or previous year.

48. Employee benefit obligations

(₹ in crores)				
Particulars	31 March 2022		31 March 2021	
	Current	Non-current	Current	Non-current
Gratuity	10.40	142.20	9.11	139.11
Compensated absences	15.70	211.04	11.00	196.49
Total	26.10	353.24	20.11	335.60

Gratuity

The Company provides for gratuity for employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service.

For the funded plan, the Company makes contributions to recognised debt base funds in India. The Company does not fully fund the liability and maintains a target level of funding to be maintained over a period of time based on estimations of expected payments. The expected contribution to the plan for next annual reporting period amounts to ₹ 7.76 crores (previous year - ₹7.12 crores). The weighted average duration of the defined benefit obligation as at 31 March 2022 is 11 to 12 years (31 March 2021: 12 to 13 years).

A Disclosure of gratuity

Advance income	-	-
Actuarial gain on plan assets	(11.35)	(1.77)
Benefits paid	(15.79)	(13.10)
Fair value of plan assets at the end of the year	201.47	179.06
Actual return on plan assets	0.91	16.72

(iv) Breakup of actuarial (gain)/loss: (₹ in crores)

Description	31 March 2022	31 March 2021
Actuarial (gain)/loss on arising from change in demographic assumption	-	-
Actuarial (gain)/loss on arising from change in financial assumption	(1.54)	(3.83)
Actuarial (gain)/loss on arising from experience adjustment	4.17	(5.49)
Actuarial (gain)/loss on plan assets	11.35	1.77
Total actuarial (gain)/loss	13.98	(7.55)

(v) Actuarial assumptions (₹ in crores)

Description	31 March 2022	31 March 2021
Discount rate	7.15%	6.85%
Future basic salary increase	3.50%	3.50%
Future DA increase	4.00%	4.00%

These assumptions were developed by management with the assistance of independent actuarial appraisers. Discount factors are determined close to each year-end by reference to government bonds of relevant economic markets and that have terms to maturity approximating to the terms of the related obligation. Other assumptions are based on management's historical experience.

(vi) Sensitivity analysis for gratuity liability (₹ in crores)

Description	31 March 2022	31 March 2021
Impact of the change in discount rate		
Present value of obligation at the end of the year	152.60	148.22
- Impact due to increase of 0.50 %	(6.60)	(6.44)
- Impact due to decrease of 0.50 %	7.08	6.92
Impact of the change in salary increase		
Present value of obligation at the end of the year	152.60	148.22
- Impact due to increase of 0.50 %	4.99	5.25
- Impact due to decrease of 0.50 %	(5.14)	(5.34)

The above sensitivity analysis are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting

period) has been applied which was applied while calculating the defined benefit obligation liability recognised in the balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to previous period.

(vii) Maturity profile of defined benefit obligation **(₹ in crores)**

Description	31 March 2022	31 March 2021
Within next 12 months	10.40	9.11
Between 1-5 years	39.30	42.13
Beyond 5 years	102.90	96.97

(viii) Category of investment in gratuity trust: **(₹ in crores)**

Particulars	31 March 2022	31 March 2021
Government of India Securities	7.06	1.76
Corporate bonds	92.04	73.68
State government securities	23.16	32.28
Mutual funds/Others	2.40	1.13
Others	38.41	-
LIC	1.09	39.37
Total	164.16	148.22

B Compensated absences

The leave obligations cover the Company's liability for sick and earned leaves. The Company does not have an unconditional right to defer settlement for the obligation shown as current provision balance above. However based on past experience, the Company does not expect all employees to take the full amount of accrued leave or require payment within the next 12 months, therefore based on the independent actuarial report, only a certain amount of provision has been presented as current and remaining as non-current. Amount of ₹ 33.76 crores (previous year: ₹ 9.00 crores) has been recognised in the statement of profit and loss.

C Defined contribution plans

Contributions are made to the Government Provident Fund and Family Pension Fund which cover all regular employees eligible under applicable Acts. Both the eligible employees and the Company make pre-determined contributions to the Provident Fund. The contributions are normally based upon a proportion of the employee's salary.

The Company has recognized the following amounts in the statement of profit and loss :

Particulars	31 March 2022	31 March 2021
Employer contribution to provident fund*	26.65	24.93
Leave encashment contribution for DoT employees**	0.45	0.59
Pension contribution for DoT employees***	0.58	0.82
Pension contribution for company employees****	11.91	11.86

* Mentioned as contribution to CPF

** Mentioned as leave encashment - Others

*** Mentioned as pension contribution - Others

**** Mentioned as pension contribution - Company employees

- D** Gratuity and compensated absences is payable to the employees on death or resignation or on retirement at the attainment of superannuation age. To provide for these eventualities, the Actuary has used LIC (1994-96) Ultimate table for mortality in service and LIC (1996-98) table for mortality in retirement.
- E** Mortality in service is assumed on the basis of LIC (1994-96) Ultimate table for mortality in service and LIC (1996-98) table.
- F** The Company has taken an Insurance Policy for medical benefits in respect of its retired and working employees. The Insurance Policy is fully funded by the Company.

ix The Company has certain transactions with respect to sale and purchase of services and receives reimbursement of expenses (vis-a-vis electricity and water charges) in relation to renting of immovable property from BSNL.

“*As per article 12.19 (b) of Shareholders’ agreement together with para 27 of the amendatory agreement (together referred to as ‘amended agreement’) entered into between MTNL, TCIL, TCL and NVPL (Nepal), together referred to as ‘Investors’ pursuant to their investment in United Telecom Limited (‘UTL’), in case NVPL (the local partner in Nepal) decides to sell its stake to any third party, it requires prior consent of other Investors. Further, at such time, per exit clause in the agreement, any of the other Investors other than NVPL can exit the arrangement after 2 years from the amended agreement by issuing 3 month’s notice. Pursuant to this exit clause, the Company had issued notice to UTL on 30 January, 2018 for making an exit. The notice is valid upto 30 April 2018 and subsequent to 30 April 2018, the local partner had sought time extension of another 3 months i.e. till 30 July, 2018 for giving effect to the exit requested by the Company. NVPL vide its letter dated 31 March 2021, has requested MTNL to submit its response against the draft Share Purchase Agreement (‘SPA’) for acquisition of shares held by Investors at face value of Nepalese Rupees 100 per share and MTNL is in the process of reviewing and finalising the said SPA. Accordingly, such investment has been classified as ‘held for sale’ in the financial statements for year ended 31 March 2021 and 31 March 2022. Refer note 21 for details.”

#Refer Note 65 for detail of transactions with BSNL.

50. Details of contingent liabilities, pending litigations and other matters: (₹ in crores)

Particulars	31 March 2022	31 March 2021
a Income Tax Demands disputed and under appeal ^	364.93	364.93

j BTS related penalty imposed by DoT	84.25	84.25

51. Commitments

A Capital expenditure contracted for at the end of the reporting period but not recognised as liabilities is as follows: (₹ in crores)

	31 March 2022	31 March 2021
Property, plant and equipment	42.77	66.51

B In respect of incomplete contracts where the expenditure already incurred has exceeded the contract value, the additional expenditure required to complete the same cannot be quantified.

52. Ind AS 116 Leases

The Company has leases for office building, warehouses and related facilities and cars. With the exception of short-term leases and leases of low-value underlying assets, each lease is reflected on the balance sheet as a right-of-use asset and a lease liability. Variable lease payments which do not depend on an index or a rate are excluded from the initial measurement of the lease liability and right of use assets. The Company classifies its right-of-use assets in a consistent manner to its property, plant and equipment.

Each lease generally imposes a restriction that, unless there is a contractual right for the Company to sublease the asset to another party, the right-of-use asset can only be used by the Company. Some leases contain an option to extend the lease for a further term. The Company is prohibited from selling or pledging the underlying leased assets as security. For leases over office buildings and other premises the Company must keep those properties in a good state of repair and return the properties in their original condition at the end of the lease. Further, the Company is required to pay maintenance fees in accordance with the lease contracts.

(a) Lease payments not included in measurement of lease liability

The expense relating to payments not included in the measurement of the lease liability is as follows:

Particulars	31 March 2022
Variable and short-term lease payments	54.68

- (b) Set out below are the carrying amounts of lease liabilities (included under borrowings) and the movements during the period

Particulars	31 March 2022
Opening balance	250.54
Additions	17.84
Deletions	(0.02)
Accretion of interest	21.50
Payments	(77.64)
Closing balance	212.22
Current	68.44
Non-current	143.78

- (c) The Company had total cash outflows for leases of ₹ 77.64 Crores for the period ending 31 March 2022.
- (d) Refer note 45(B)(b) for the maturity profile of lease liability.
- (e) Information about extension and termination options

Right of use assets	Number of leases	Range of remaining term	Average remaining lease term	Number of leases with extension option	Number of leases with purchase option	Number of leases with termination option
Towers	2,189	0.15 to 18 years	3.06 years	487	-	-
Buildings	76	0 to 10 years	1.99 years	-	-	76
Leasehold land	49	45 to 87 years	73 years	49	-	49
Vehicles	1	0-1 years	0.19 years	-	-	-

53 Segment information

The Company is in the business of providing telecommunication services in India and has two reportable segments viz. Basic and Cellular. As per para 4 of Ind AS 108 'Operating Segments', if a financial report contains both the consolidated financial statements as well as the separate financial statements, segment information is required only in the consolidated financial statements.

54. Assets pledged as security

(₹ in crores)

Particulars	31 March 2022	31 March 2021

55. Disclosure under the Micro, Small and Medium Enterprises Development Act, 2006 (“MSMED Act, 2006”) is as under: (₹ in crores)

Particulars	31 March 2022	31 March 2021
(i) the principal amount and the interest due thereon remaining unpaid to any supplier as at the end of each accounting year;	98.08	42.51
(ii) the amount of interest paid by the buyer in terms of section 16, along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year;	Nil	Nil
(iii) the amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under MSMED Act, 2006;	Nil	Nil
(iv) the amount of interest accrued and remaining unpaid at the end of each accounting year; and	22.01	15.35
(v) the amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise, for the purpose of disallowance as a deductible expenditure under Section 23.	Nil	Nil

The Company is in the process of seeking confirmation from its vendors regarding their status under the Micro, Small and Medium Enterprises Development Act, 2006. The above disclosure has been determined to the extent such parties have been identified on the basis of information available with the Company. This has been relied upon by the auditors.

56.A The Company is covered under Section 135 of the Companies Act, 2013 and accordingly constituted a Corporate Social Responsibility Committee of the Board. However, as the Company did not have average net profits based on the immediately preceding three financial years, the Company is not required to spend amounts towards Corporate Social Responsibility in terms of the 2013 Act.

56.B During the year the Company has made expenditure in foreign currency equivalent to ₹ 4.40 crores (previous year ₹ 0.12 crores). Whereas earnings in foreign currency are ₹ 2.63 crores (previous year ₹ 0.44 crores).

57. Revenue from contracts with customers

“Indian Accounting Standard 115 Revenue from Contracts with Customers (“Ind AS 115”), establishes a framework for determining whether, how much and when revenue is recognised and requires disclosures about the nature, amount, timing and uncertainty of revenues and cash flows arising from customer contracts. Under Ind AS 115, revenue is recognised through a 5-step approach:

- (i) Identify the contract(s) with customer;
- (ii) Identify separate performance obligations in the contract;
- (iii) Determine the transaction price;
- (iv) Allocate the transaction price to the performance obligations; and
- (v) Recognise revenue when a performance obligation is satisfied.

The Company has adopted the standard on 1 April 2018 using modified retrospective approach with a cumulative catch-up adjustment made in retained earnings at the beginning of the current financial year, ie, 1 April 2018 as if the standard had always been in effect. The standard is applied only to contracts that are not completed as at 1 April 2018. Comparative information has not been restated and continues to be reported under the accounting standards in effect for those periods. The adoption of the new standard did not result in any adjustments to the Company’s revenue or net income.

(i) Revenue recognised in relation to contract assets and contract liabilities

Changes in contract assets:		(₹ in crores)
Description	Year ended 31 March 2022	
Contract assets at the beginning of the year	128.15	
Add: revenue recognised during the year	1,231.55	
Less: invoices raised during the year	(1,227.12)	
	132.59	

Changes in contract liabilities:
(₹ in crores)

Description	Year ended 31 March 2022
Contract liabilities at the beginning of the year	510.30
Less: performance obligations satisfied in current year	(685.63)
Add: advance received during the year	624.55
	449.21

President of India	35,43,78,740	56.25	0.00%	35,43,78,740	56.25	0.00%

- E** 1. The Company is in possession of multiple immovable properties (Delhi 38 & Mumbai 53) which were either free hold properties with DOT or taken on lease by Department of Telecommunications ("DoT") prior to incorporation of MTNL. On 30 March 1987, both DoT and MTNL entered into a sale deed for transfer of several movable and immovable assets from DoT to MTNL. The said transfer included both the freehold and leasehold lands and buildings, which are in possession of MTNL since its inception as per the sale deed.

These freehold and leasehold immovable properties have not been mutated or renewed in the name of MTNL till date. However, considering MTNL is a Public Sector Undertaking ('PSU'), the sale deed not registered at that time and executed by DOT is deemed to have been registered for the purpose of transfer of all such assets in terms of section 90 of the Indian registration act, 1908. Accordingly, in the light of above, it is deemed that the immovable properties both whether free hold or under lease, although not in the name of the MTNL and the unregistered sale deed dated 30 March 1987 is deemed execution of all such properties in favor of MTNL by Government and stamp duty payable, if any, will be borne and paid by Government as and when any such occasion arises as per the sale deed.

- For following properties in Mumbai, acquired by the company after 01-04-1986, the tile deed/lease agreements are not in the name of company and the title is vested with the issuing authority in case of freehold properties and lease agreement is executed on behalf of GOI/P&T/DOT/POI. In respect of Delhi for the properties acquired after 1-4-1986 (53 properties) are deemed to have been registered as conveyed by DDA .

Description of property	Type of Properties	Gross Carrying value	Held in name of	Whether promoter, director or their relative or employee	Period held - indicate range, where appropriate	Reason for not being held in name of company*	Remarks

Return on investment	Percentage	Profit after tax	Equity share capital + Instruments entirely equity in nature + Securities premium	-200.97%	-190.10%	-5.72%	Note 1A below

Notes:

- A. Since the change in ratio is less than 25%, no explanation is required to be furnished.
 - B. The variation is because the revenue from operation has declined significantly due to disconnections and the working capital employed has increased considering the lower cash inflows.
 - C. The variation is because the revenue from operation has declined significantly due to disconnections and the loss after tax has increased due to no resultant decline in the expenses.
 - D. The variation is because the employee benefit cost has increased significantly.
 - E. The variation is because the revenue from operation has declined significantly due to disconnections and employee benefit cost has increased significantly.
- 60.** Certain Lands and Buildings capitalized in the books are pending registration/legal vesting in the name of the company and the landed properties acquired from DOT have not been transferred in the name of the company and in the case of leasehold lands. Stamp Duty on the lands and buildings acquired from DOT is payable by DOT as per sale deed and in respect of properties acquired after 01 April 1986, the documentation shall be contemplated at the time of sale or disposal as and when effected.
- 61.** Department of Telecommunications (DOT) vide letter No. P-11014/19/2008-PP(Pt.I) dt. 28/12/2012 has levied One Time Spectrum Charges (OTSC) for the GSM and CDMA spectrum on MTNL. The charges also includes the spectrum given on trial basis to the extent of 4.4 MHz in 1800 MHz frequency. For the period from 01/07/2008 to 31/12/2012, initial 6.2 MHz spectrum was kept free and for the period from 01/01/2013 onwards, initial 4.4 MHz spectrum has been kept free. The calculations are further subject to change in accordance with the changes in the quantum of spectrum held by MTNL and the remaining valid period of license as per DOT. MTNL has surrendered some of the spectrum allotted on trial basis and does not require to pay for CDMA spectrum since it holds only 2.5 MHz spectrum in respect of CDMA. DOT has been apprised of the same and the matter is still under correspondence. Apart from this, the issue of charges for spectrum given on trial basis is also to be decided. Further MTNL has finally surrendered CDMA spectrum w.e.f. 28 February 2016. DOT has demanded an amount of ₹ 3,205.71 crores from MTNL on account of OTSC.

Besides, ab-initio, the very policy of levy of one time spectrum charges by DOT itself has been challenged by private operators and is sub judice as on date whereas MTNL's case is also to be decided by DOT on the basis of outcome of the court case and the spectrum surrendered or retained. The finalisation of charges and the modalities of payment are therefore to be crystallized yet and as on date the position is totally indeterminable as to the quantum of charges and also the liability if any. Pending final outcome of the issue which itself is sub judice and non finality of quantum of charges payable, if at all, to DOT, no provision is made in the books of accounts as the amount is totally indeterminable. However the contingent liability of ₹ 3,205.71 crores is shown on

the basis of the demand raised by DOT in respect of GSM which is very old and not insisted till date. As per industry related issue in litigation and TDSAT judgment there upon the estimated liability could not be more than ₹ 455.15 crore. As there is no further demand after the demand of ₹ 3,205.71 crores dated 08 January 2013 till now, the contingent liability also, if the same fructified, can not be more than ₹ 455.15 crore. As such the same is disclosed accordingly.”

62. Certain claims in respect of damaged/lost fixed assets and inventory has been lodged with Insurance Companies by MTNL but the settlement of the claims is pending. Final adjustment in respect of difference between amount claimed and assets withdrawn will be made in the year of settlement of claim.
63. The Company had claimed benefit under section 80IA of the Income Tax Act, 1961 for the financial year from 1996-97 to 2005-06. The appellate authorities have allowed the claim to the extent of 75% of the amount claimed. The Company has preferred appeals for the remaining claim before the Hon'ble Court of Delhi. The Company has retained the provision of ₹ 375.96 crores (previous year ₹ 375.96 crores) for this claim for the assessment years 1998-99, 1999-00 and 2000-2001, however, the demands on this account amounting to ₹ 243.23 crores (previous year ₹ 243.22 crores) for the assessment years 2001-02 to 2006-07 have been shown as contingent reserve to meet the contingency that may arise out of disallowances of claim of benefit u/s 80IA of Income Tax Act, 1961.

64. Litigations

- a) MTNL entered into contracts with M/s. M & N Publications Limited for printing, publishing and supply of telephone directories for Delhi and Mumbai unit for a period of 5 years starting from 1993. After printing and issue of 1993 (main & supplementary) and 1994 main directory, M/s. M & N Publications Ltd terminated the contract prematurely on 04 April 1996. MTNL, Mumbai & Delhi invoked Bank Guarantees on 09 April 1996, issued Legal Notice on 22 July 1996 and terminated the contract. Sole Arbitrator has been appointed by CMD, MTNL. The Sole Arbitrator has since given his award on 09 April 2013 partly in favour of MTNL, Mumbai and on 31 July 2013 in favour of MTNL, Delhi. The claim and counter claim under arbitration will be accounted for in the year when the ultimate collection/payment of the same becomes reasonably certain. M/s.M&NPublicationshasapproachedtheBombay&DelhiHighCourtsagainstthe arbitration awards and MTNL also approached the Bombay & Delhi High Courts for balance amount due. The claim of ₹ 59.32 crores on this account has been shown as contingent liability in Delhi unit.
- b) As per directions of the Hon'ble Delhi High Court one UASL operator had paid to MTNL, Mumbai ₹ 124.93 crores and ₹ 33.99 crores in 2004-05 and 2005-06 respectively against the claim of ₹ 158.92 crores. The Company has recognised the amount realized as revenue in the respective period. The Hon'ble TDSAT has ordered for refund of ₹ 96.71 crores. MTNL has filed a Civil Appeal and application for stay of operation of the order of TDSAT in the Hon'ble Supreme Court of India in which Supreme Court directed on 08 May 2014 that TDSAT will review the impugned order on seeking of it by appellant. MTNL filed review

- application which had been disposed off by Hon'ble TDSAT vide order dated 27 May 2014 on which MTNL filed CWP no.022764 dated 16 July 2014 in Hon'ble Supreme Court and the same is pending. Meanwhile UASL operator also filed appeal in Hon'ble Supreme Court. The claim of ₹ 96.71 crores on this account has been shown as contingent liability.
- c) MTNL Mumbai has received claims from M/s. BEST, Electricity supply provider categorizing MTNL at Commercial tariff instead of Industrial tariff. The claim has been made with retrospective effect for the period Feb-2007 to May-2009 in respect of HT connection and Jan-2002 to Apr-2011 in respect of LT connection. MTNL has represented to BEST for reconsideration which has not been accepted by BEST. Hence MTNL has approached Hon'ble Mumbai High Court and got a stay on the arrears claimed by BEST amounting to ₹ 20.82 crores. In the opinion of the management, there is remote possibility of the case being settled against MTNL.
- d) In respect of Mobile Services Delhi, a sum of ₹ 25.78 crores claimed by TCL towards ILD charges for the period Oct-09 to March-10 has not been paid due to heavy spurt in ILD traffic towards M/S TCL. On technical analysis it was found that these calls were made to some dubious and tiny destination. These destinations do not confirm to international numbering plan of the respective countries and are not approved destinations as per approved interconnect agreement. Further these calls have not got physically terminated to the destinations. The observations were shared with M/S TCL. M/S TCL has also been advised that the balance, which relates to fraudulent calls, is not payable and accordingly no provision has been made in the books of accounts. The matter was handed over to the committee for investigation. Subsequently M/S TCL filed a case in Hon'ble TDSAT for recovery of the amount, decision for which is awaited. The claim of ₹ 25.78 crores on this account has been shown as contingent liability.

In addition, the Company is subject to legal proceedings and claims, which have arisen in the ordinary course of business. The Company's management perceives that these legal actions, when ultimately concluded and determined, will not have any material impact on the Company's financial statements.

65. Settlements with BSNL:

The amount recoverable from BSNL is ₹ 5,675.92 crores (previous year ₹ 5,735.12 crores) and amount payable is ₹ 2,151.01 crores (previous year ₹ 2,116.91 crores). The net recoverable of ₹ 3,524.91 crores (previous year ₹ 3,618.20 crores) is subject to reconciliation and confirmation. The carrying value of the net recoverable from BSNL is ₹ 3,521.50 crores (previous year - ₹ 3,608.71 crores) measured at amortised cost.

66 Subscribers' dues and deposits:

Other current liabilities include credits on account of receipts including service tax/GST from subscribers amounting to ₹ 71.08 crores (previous year ₹ 88.22 crores), which could not be matched with corresponding debtors or identified as liability, as the case may be. Appropriate adjustments/ payments shall be made inclusive of service tax/GST, when these credits are

matched or reconciled. Therefore, it could not be adjusted against making provision for doubtful debts.

67. The amounts of receivables and payables (including NLD / ILD Roaming operators) are subject to confirmation and reconciliation.
68. The matching of billing for roaming receivables / payables with the actual traffic intimated by the MACH is being done. Further the roaming income is booked on the basis of actual invoices raised by MACH on behalf of MTNL. Similarly the roaming expenditure is booked on the basis of actual invoices received by MTNL from MACH on behalf of the other operators. However, regarding collection, the payment is directly received in the bank from other operators for varying periods.

In MTNL Delhi unit, the collections received from the operators are matched in totality against the bills. The allocation of collection to individual operator's account is pending in the absence of detailed information which is being sought. Therefore although the roaming income and expenditure are booked on actual basis, the roaming debtors are reconciled in totality in the absence of detailed information and such reconciliation is being done on regular basis.

69. **In case of Mumbai Unit, the balances with non-scheduled banks comprise of:**

(₹ in crores)

Particulars	31 March 2022	31 March 2021
Indira Sahakari Bank Limited	0.56	0.56
(account closed, considered doubtful)	(0.56)	(0.56)

70. **Settlements with DoT:**

- a) Amount recoverable from DoT is ₹ 635.81 crores (previous year ₹ 898.42 crores) and amount payable is ₹ 454.46 crores (previous year ₹ 599.35 crores). The net recoverable of ₹ 181.34 crores (previous year ₹ 299.07 crores), (including ₹ 0.15 crores against ex-gratia (Previous year ₹ 0.15 crores)), Out of which ₹ 181.19 Crores (Previous year ₹ 298.92 crores) is subject to reconciliation and confirmation . There is no agreement between the MTNL and DoT for interest recoverable/payable on current account. Accordingly, no provision has been made for interest payable/receivable on balances during the year except charging of interest on GPF claims receivable from DoT.
- b) Deposits from applicants and subscribers as on 31 March 1986 were ₹ 81.32 crores (previous year ₹ 81.32 crores) in Mumbai unit as intimated provisionally by DoT. At the year end, these deposits amounted to ₹ 103.28 crores (previous year ₹ 103.28 crores), the difference being attributable to connections/refunds granted in respect of deposits received prior to 31 March 1986. Balance on this account still recoverable from DoT is ₹ 55.85 crores (previous year ₹ 55.85 crores).
- c) The total provision for Leave encashment is ₹ 226.74 crores up to 31 March 2022 (previous year ₹ 204.63 crores). Out of this, an amount of ₹ 45.49 crores (previous year ₹

45.48 crores) and ₹ 43.37 crores (previous year ₹ 43.37 crores) is recoverable from DOT in respect of Company C & D and Company B employees respectively for the period prior to their absorption in MTNL.

d) An amount of ₹ 6.52 crores (previous year ₹7.15 crores) towards GPF contribution is recoverable from DOT as on 31 March 2022. The amount pertains to Company C& D and Company B employees absorbed in MTNL w.e.f. 01 November 1998 and 01 October 2000 respectively.

71. As per gazette notification no.GSR 138(E) dated 3rd March 2014 pensionary benefits in respect of absorbed combined service pension optees are being paid by the Government of India on BSNL pay scales. Gratuity provision for other than combined service pension optee employees of MTNL, and Leave Encashment provision for all of the employees of MTNL has been made on the basis of actuarial valuation.
72. There is no indication of any impairment of assets of the Company, on the basis of the company as a whole as a CGU under Indian Accounting Standards - 36 "Impairment of assets" as specified under Section 133 of the Companies Act, 2013.
73. As per the accounting policy, Bonus/ Exgratia is paid based on the productivity linked parameters and it is to be provided accordingly subject to the profitability of the Company. In view of losses, no provision for Bonus/ Exgratia has been made during the year.
74. Debenture Redemption Reserve: Being a listed company and mode of issue of debentures is private placement basis, there is no adequacy to maintain Debenture Redemption Reserve (DRR) under Rule 18 (7) (b) (iii) (B) B of Companies (Share Capital and Debenture) Rules, 2014.
75. There is no amount which is required to be transferred to Investor Education and Protection Fund by the Company.
76. The Company has no foreseeable losses, which requires provision under applicable laws or accounting standards on long-term contracts and not dealing into derivative contracts at all.
77. The Bank Reconciliation Statements as at 31 March 2022 include unmatched/unlinked credits amounting to ₹ 3.68 crore (previous year ₹ 11.57 crore) and unmatched/unlinked debits ₹ 0.01 crore (previous year ₹ .081 crore) respectively. Reconciliation and follow up with the bank to match/rectify the same is in process.
78. The Company has incurred a loss of Rs 2,602.59 crores during the period under report. The company has been incurring continuous losses since year 2009-10 (except in FY 2013-14) and the net worth has been fully eroded for the year under report. Considering the continuous losses and negative net worth, the management has made an assessment of its ability to continue as a going concern. In pursuance DoT letter No. F. No. 30-04/2019-PSU Affairs dated 29th October, 2019 and decision of Board of Directors of MTNL through circular regulation on 04th November 2019, the MTNL Voluntary Retirement Scheme has been introduced with

effect from 04th November 2019 under which 14,387 number of MTNL employees of all grades opted and granted VRS to reduce the legacy staff costs inherited on account of absorption of employees recruited under government w.e.f. 01.11.1998 and also on 01.10.2000 and the expenditure of ex-gratia on account of compensation was borne by the DOT/Government of India through budgetary supports as per approval of cabinet. The company therefore reduced the staff expenses from Rs. 2,400 crores per annum to Rs. 500 Crore per annum which will help the company to reduce its costs and also thereby losses. Besides, the Government has approved the monetization of the lands and buildings of the company with the assistance from DIPAM in order the get rid of huge debt burden on the company. The monetization of land and buildings of the company is in process. In addition to this, Government has approved to provide 4G license to BSNL and infusion of fresh capital by the Government in lieu of granting 4G license is also being done. As per the deliberations, the maintenance and running of MTNL wireless network is also to be done by BSNL from 01.04.2021 (in case of Delhi) and from 01.09.2021 (in case of Mumbai) onwards to improve the quality of services and also launching of 4G services of MTNL as and when BSNL launches which also is likely to stabilise the revenue streams. The government has provided sovereign guarantee for issuance of NCD to MTNL vide F.No. 12(16)-B (SD)/2020 dt. 08/07/2020 for Rs. 6,500 crores. Accordingly, MTNL raise bonds for Rs. 6,500 crore in FY 2020-21 and further support from Govt. is also under consultation for grant of sovereign guarantee to MTNL by Government of India so that till the time the monetisation process is completed and the debt burden is reduced, MTNL can continue its operations smoothly without any issue. As of now, since Qtr IV of 2021-22 till date Company's EBIDTA is positive and this is likely to improve further to reduce its negativity in net worth in future. Besides these, DOT issued directions to all govt. departments and Ministries to use MTNL services invariably which would pave the way for revenue increase. All of the above, aspects are considered by the management while preparing the financial statements, and an assessment of its ability to continue as a going concern is made accordingly as required in SA (570) and Para 25 & 26 of Ind AS 1 "Presentation of Financial Statements".

79. The amount recoverable from Reliance Communication and Reliance Infratel on account of Tower sharing is ₹ 0.36 crores and ₹ 5.28 crores. The companies are under insolvency proceedings before Hon'ble NCLT under IBC, 2016. The provision/write-off against the outstanding dues will be considered on final decision in this matter.
80. Other income includes excess provision no longer required amounting to Rs77.48 crs .on account of necessary adjustment made in respective gratuity and leave encashment control accounts ,related to leave encashment provision and with amount recoverable from LIC during the quarter and year ended 31 March 2022.
81. An amount of Rs 45.27 Crs earmarked for DRR has been transferred to Retained earnings during the year.
82. As there is no other regulatory/legal requirement to maintain Research & Development Reserve at present, an amount of Rs Rs 30.80 Crores lying in R&D Reserve has been transferred to Retained Earnings during the year.

83. License fee on the Adjusted Gross Revenue (AGR) was calculated and accounted for on accrual basis in respect of both revenue and revenue sharing with other operators till F.Y. 2011-12. As per the directions of Supreme Court given earlier in respect of calculation of License Fees and AGR, the matter was referred back to TDSAT. TDSAT vide its judgment dated 23.04.2015 set aside the impugned demands of DOT and DOT was directed to rework the license fee in the light of their findings. However, MTNL is not a party to the dispute and the AGR is calculated as per License Agreement. The issue of deduction claimed in AGR upto F.Y. 2011-12 in respect of revenue sharing on netting basis with BSNL has been taken up with DOT and BSNL while paying License Fees on actual payment basis from 2012-13 onwards. The impact of ₹ 140.36 crores on this account upto the year 2011-12 has been included in contingent liability. DOT has assessed the LF calculated on the basis of AGR of MTNL.

Further, DOT has disallowed certain deductions claimed in the AGR e.g. PSTN charges, IUC payment to other operators etc. The deductions claimed in AGR were disallowed for want of documents from MTNL. MTNL has submitted the documents and the revision of assessment of LF is pending at the end of DOT. The provision assessment order of LF from 2006-07 to 2018-19 and SUC from 2011-12 to 2020-21 issued by DOT shows demand of ₹ 3,572.02 crores. The assessment is under revision in view of documents submitted by MTNL to CCA/ DOT. However an amount of ₹ 3,572.02 crores is shown as contingent liability. The list of LF related contingent liability is shown hereafter. Calculation of LF demand is not feasible to include in the notes. The Detail of LF Contingent Liability towards License Fee payable to DOT is given below.

MTNL Corporate Office
Detail of LF Contingent Liability of Licence Fee payable to DOT

Sr No	DOT Letter No's	Date	F.Y.	Amount Demanded
1	17-90/2005/LF	31-Jul-12	2006-07	9.09

INDEPENDENT AUDITOR'S REPORT

To

The Members of

Mahanagar Telephone Nigam Limited

Report on the Audit of the Consolidated Ind-AS Financial Statements**Qualified Opinion**

We have audited the accompanying Consolidated Ind-AS financial statements of MAHANAGAR TELEPHONE NIGAM LIMITED (“the Holding Company”) and its subsidiaries (the Holding Company and its subsidiaries together referred to as “the Group”) and its joint ventures and associates which comprise the Balance Sheet as at March 31, 2022, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as “the Consolidated Ind-AS financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matters described in the basis for Qualified Opinion Section of our report, the aforesaid Consolidated Ind-AS financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind-AS”) and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2022, the Consolidated Loss and Consolidated total comprehensive loss, Consolidated changes in equity and its Consolidated cash flows for the year ended on that date.

Basis for Qualified Opinion

We conducted our audit of the Consolidated Ind-AS financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Consolidated Ind-AS financial statements section of our report. We are independent of the Holding Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Consolidated

Ind-AS financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the consolidated Ind-AS financial statements.

- (i) The Net Worth of the Holding Company has been fully eroded; The Holding Company has incurred net cash loss during the current year ended March 31, 2022 as well as in the previous year and the current liabilities exceeded the current assets substantially.

Furthermore, Department of Public Enterprises vide its Office Memorandum No. DPE/5(1)/2014-Fin. (Part-IX-A) has classified the status of the Holding Company as "Incipient Sick CPSE". Department of Telecommunication (DOT) has also confirmed the status vide its issue no. I/3000697/ 2017 through file no. 19-17/2017 – SU-II.

However, the Consolidated Ind-AS financial statements of the Holding Company have been prepared on a going concern basis keeping in view the majority stake of the Government of India.

Further, Union Cabinet has also approved the "Revival plan of BSNL and MTNL" by reducing employee costs, administrative allotment of spectrum for 4G services, debt restructuring by raising of sovereign guarantee bonds, monetization of assets and in principle approval for merger of BSNL and MTNL. Further, the Holding Company has implemented the Voluntary Retirement Scheme in FY 2019-20 resulted into reduction in Employees Cost and also raised funds by issuing Bonds for ₹ 6,500 crores in FY 2020-21 in line with cabinet note (Also refer note no. 82 to the Consolidated Ind-AS financial statements)

(ii) **Bharat Sanchar Nigam Limited (BSNL):**

- a) The Holding Company has certain balances receivables from and payables to Bharat Sanchar Nigam Limited (BSNL). The net amount recoverable of Rs. 3521.50 Crores is subject to reconciliation and confirmation. In view of non-reconciliation and non-confirmation and also in view of various pending disputes regarding claims and counter claims, we are not in a position to ascertain and comment on the correctness of the outstanding balances and resultant impact of the same on the Consolidated IND-AS financial statements of the Holding Company. (Also refer note no. 69 to the Consolidated Ind-AS financial statements).
- b) The Holding Company has not provided a provision for doubtful claims in respect of lapsed CENVAT Credit due to non-payment of service tax to service providers within the period of 180 days and due to transition provision under Goods and Service Tax (GST) where the aforesaid CENVAT credit amounting to Rs. 115.97 Crores has not been carried forward resulting in overstatement of current assets and understatement of loss to that extent.

- (iii) The Holding Company has certain balances receivables from and payables to Department of Telecommunication (DOT). The net amount recoverable of Rs. 181.34 Crores, Out of which Rs. 181.19 Crores is subject to reconciliation and confirmation. In view of non-reconciliation and non-confirmation, we are not in a position to ascertain and comment on the correctness of the outstanding balances and resultant impact of the same on the Consolidated Ind-AS financial

statements of the Holding Company. (Also refer point no. (a) of note no. 74 to the Consolidated Ind-AS financial statements).

- (iv) Up to financial year 2011-12 License Fee payable to the DOT on IUC charges to BSNL was worked out on accrual basis as against the terms of License agreements requiring deduction for expenditure from the gross revenue to be allowed on actual payment basis. From financial year 2012-13, the license fee payable to the DOT has been worked out strictly in terms of the license agreements. The Holding Company continues to reflect the difference in license fee arising from working out the same on accrual basis as aforesaid for the period up to financial year 2011-12 by way of contingent liability of Rs. 140.36 Crores instead of actual liability resulting in understatement of current liabilities and understatement of loss to that extent. (Also refer note no. 88 to the Consolidated IND-AS financial statements).
- (v) The Holding Company had allocated the overheads towards capital works in a manner which is not in line with the accepted accounting practices and Indian Accounting Standard – 16 “Property, Plant and Equipment” prescribed under Section 133 of the Act, the same results into overstatement of capital work in progress/ property, plant and equipment and understatement of loss. The actual impact of the same on the Consolidated Ind-AS financial statements for year is not ascertained and quantified. (Also refer note no. 41, 42 and 44 to the Consolidated Ind-AS financial statements).
- (vi) Except for the impairment loss of assets of CDMA units provided in earlier years, no adjustment has been considered on account of impairment loss, if any, during the year, with reference to Indian Accounting Standard – 36 “Impairment of Assets” prescribed under Section 133 of the Act. In view of uncertainty in achievement of future projections made by the Holding Company, we are unable to ascertain and comment on the provision required in respect of impairment in carrying value of cash generating units and its consequent impact on the loss for the year ended March 31st, 2022, accumulated balance of other equity and also the carrying value of the cash generating units. (Also refer note no. 76 to the Consolidated Ind-AS financial statements).
- (vii) The Holding Company does not follow a system of obtaining confirmations and performing reconciliation of balances in respect of amount receivables from trade receivables, deposits with Government Departments and others, claim recoverable from operators and others parties and amount payables to trade payables, claim payable to operators, and amount payable to other parties. Accordingly, amount receivables from and payables to the various parties are subject to confirmation and reconciliation. Pending such confirmation and reconciliations, the impact thereof on the Consolidated Ind-AS financial statements are not ascertainable and quantifiable. (Also refer note no. 71 to the Consolidated Ind-AS financial statements).
- (viii) Unlinked credit of Rs. 71.08 Crores on account of receipts from subscribers against billing by the Holding Company which could not be matched with corresponding receivables is appearing as liabilities in the balance sheet. To that extent, trade receivables and current liabilities are overstated. Pending reconciliations, the impact thereof on the consolidated Ind-AS financial statements are not ascertainable and quantifiable. (Also refer note no. 70 and 81 to the Consolidated Ind-AS financial statements).

- (ix) Property, Plant and Equipment are generally capitalized on the basis of completion certificates issued by the engineering department or bills received by finance department in respect of bought out capital items or inventory issued from the Stores. Due to delays in issuance of the completion certificates or receipt of the bills or receipt of inventory issue slips, there are cases where capitalization of the Property, Plant and Equipment gets deferred to next year. We are unable to comment whether the Capital Work-in-progress (CWIP) shown in books in the current year are actually part of CWIP or have already been commissioned. The resultant impact of the same on the consolidated financial statement by way of depreciation and amount of Property, Plant and Equipment capitalized in the balance sheet cannot be ascertained and quantified..
- (x) Department of Telecommunication (DOT) had raised a demand of Rs. 3313.15 Crores in 2012-13 on account of one time charges for 2G spectrum held by the Holding Company for GSM and CDMA for the period of license already elapsed and also for the remaining valid period of license including spectrum given on trial basis.

As explained the demand for spectrum usage for CDMA for Rs. 107.44 Crores has been withdrawn by DOT on account of rectification of actual usage.

Also as explained, pending finality of the issue by the Holding Company regarding surrender of a part of the spectrum, crystallization of issue by the DOT in view of the claim being contested by private operators and because of the matter being sub-judice in the Apex Court on account of dispute by other private operators on the similar demands, the amount payable, if any, is indeterminate. Accordingly, no liability has been created for the demand made by DOT on this account and Rs. 3205.71 Crores has been disclosed as contingent liability till FY 2018-19 although no further demand is there from DOT till date. However as explained further, the TDSAT while setting aside the levy of OTSC on spectrum allotted beyond 6.2 MHz, directed Govt. to review the demand for spectrum allotted after 1-7-2008 and that too wef 1-1-2013 in case the spectrum beyond 6.2 MHz was allotted before 1-1-2013. As explained, as per the TDSAT orders also no further demand is raised till now and as per management based on TDSAT direction the demand, if any, cannot be more than Rs 455.15 crores the same is considered as contingent liability.

In view of the above we are not in a position to comment on the correctness of the stand taken by the Holding Company and the ultimate implications of the same on the consolidated financial statements of the Holding Company. (Also refer note no. 65 to the consolidated Ind-AS financial statements).

- (xi) The Holding Company has recovered Electricity Charges from the tenants, on which liability for Goods and Services Tax (GST) has not been considered, as the expenses recovered without installing sub meter in some of the cases. The actual impact of the same on the consolidated Ind-AS financial statements for year is not ascertained and quantified.
- (xii) The TDS on provision for Expenses has not been deducted under chapter XVII- B of Income Tax Act, 1961 by the Holding Company. The actual impact of the same on the consolidated Ind-AS financial statements for year is not ascertained and quantified.

- (xiii) The Holding company is making the provision for interest for late/payment to MSME vendors which is subject to deduction of tax under section 194A of Income Tax Act, 1961. The actual impact of the same on the consolidated Ind-AS financial statements for year is not ascertained and quantified.
- (xiv) The income arising on account of rental income in respect of property occupied by the BSNL amounting to Rs. 33.52 Crores accrued during the year ended March 31st, 2022 has not been recognized in Delhi unit in the Consolidated financial statement. Further, the Goods and Services Tax (GST) has also not been considered in respect of income arising on account of rented property occupied by the BSNL for both Delhi and Mumbai unit. The accumulated impact on the Consolidated financial statement of such income and liability under Goods and Services Tax (GST) for the current year and preceding years is not ascertained and quantified.

The above basis for qualified opinion referred to in para no. (i) to (xiv) were subject matter of qualification in the Auditor's Report for the year ended March 31st, 2021

In the absence of information, the effect of which can't be quantified, we are unable to comment on the possible impact of the items stated in the point nos. (i), (ii)(a), (iii), (v), (vi), (vii),(viii), (ix), (x), (xi)(xii), (xiii) and (xiv) on the consolidated Ind-AS financial statements of the Group for the year ended on 31st March 2022.

Emphasis of Matters

We draw attention to the following notes on the Consolidated Ind-AS financial statements being matters pertaining to **Mahanagar Telephone Nigam Limited** requiring emphasis by us. Our opinion is not qualified in respect of these matters:

- (i) Refer note no.67 to the Consolidated Ind-AS financial statements regarding pending dispute with the Income Tax Department before the Hon'ble Courts regarding deduction claimed by the Holding Company u/s 80 IA of the Income Tax Act, 1961 we are unable to comment on the adequacy or otherwise of the provision and / or contingency reserve held by the Holding Company.
- (ii) Point no. (a) of note no. 68 to the consolidated Ind-AS financial statements regarding impact of accounting of claims and counter claims of MTNL with M/S M&N Publications Ltd., in a dispute over printing, publishing and supply of telephone directories for MTNL, will be given in the year when the ultimate collection / payment of the same becomes reasonably certain.
- (iii) Amount receivable from BSNL & Other Operators have been reflected as other financial assets instead of bifurcating the same into trade receivables and other financial assets(Also refer note no. 16 and 20 to the Consolidated Ind-AS financial statements).
- (iv) The Amounts recoverable from Department of Telecommunication (DOT) in respect of settlement of General Provident Fund (GPF) of Combined Service Optees absorbed employees in MTNL and the matter has been under review with DOT and the full amount of GPF including interest thereon, claimed of the Holding Company in respect of which correspondence in going on between the Holding Company and DOT are continued to be shown as recoverable from DOT

and payable to GPF in the Consolidated Ind-AS financial statements and further explained in point no. (d) of Note no. 74 to the Consolidated Ind-AS financial statements.

- (v) The payables towards license fees and spectrum usage charges have been adjusted with excess pension payouts to Combined Pensioners Optees recoverable from DOT in respect of which matter is under consideration and correspondence in going on between the Holding Company and DOT.
- (vi) The License agreement between Holding Company and DOT does not have any guidance on change in method of calculation of Adjusted Gross Revenue (AGR) due to migration to Ind-AS from I-GAAP. Provisioning and payment of liability in respect of license fees and spectrum usage charges payable to DOT has been done on the basis of Ind-AS based financial statements. The amount of difference in computation of Adjusted Gross Revenue (AGR) is under consideration of DOT.
- (vii) Certain immovable properties transferred from Department of Telecommunications ('DoT') to MTNL in earlier years, which were taken on lease by DoT prior to incorporation of MTNL. On 30 March 1987, both DoT and MTNL entered into a sale deed for transfer of the several movable and immovable assets from DoT to MTNL. The said transfer includes the leasehold lands and buildings which are now in possession of MTNL since the execution of the sale deed. These leasehold immovable properties have not been mutated or renewed in the name of MTNL till date. However, considering MTNL is a Public Sector Undertaking ('PSU'), the sale deed not registered at that time and executed by DOT is deemed to have been registered for the purpose of transfer of all such assets in terms of section 90 of the Indian registration act, 1908 as considered by the MTNL and stamp duty payable, if any, will be borne and paid by Government as and when any such occasion arises as per sale deed. (Also refer note no.62 (E) to the Consolidated Ind-AS financial statements).
- (viii) In certain cases of freehold and leasehold land the Holding company is having title deeds which are in the name of the Holding Company but the value of which are not lying in books of accounts of the Holding Company.
- (ix) Income arising on account of Revenue Sharing with BSNL in respect of leased circuits provided has not been recognized in terms of Memorandum of Understanding (MOU) between BSNL and MTNL. As per MOU, revenue and expenditure will be based on the price offered to the customers after applying the discount, if any at the time of acquiring the business. However, Revenue has been recognized on the basis of available information which is either based on the Holding Company Card Rates or Old rates of BSNL. In Some Cases, BSNL has given the information in respect of updated rated but the same has not been considered at the time of booking of revenue sharing with BSNL. In the absence of relevant updated records, we are not in a position to comment on the impact thereof on the Consolidated Ind-AS financial statements.
- (x) Dues from the Operators being on account of revenue sharing agreements are not treated as debtors and consequently are not taken into account for making provision for doubtful debts. (Also refer clause no. (l) of note no. 3 to the Consolidated Ind-AS financial statements).

- (xi) In pursuance DoT letter No. F.No. 30-04/2019-PSU Affairs dt. 29 October, 2019 and decision of Board of Directors of MTNL through circular regulation on 4th November, 2019, the MTNL Voluntary Retirement Scheme has been introduced with effect from 4th November, 2019 under which 14,387 number of MTNL employees opted for VRS and the expenditure of ex-gratia on account of compensation to be borne by the DOT/Government of India through budgetary supports as per approval of cabinet. Balance amount payable to VRS opted employees as on 31 March 2022 is shown in the financial statements of the Holding company as receivable from DOT and payable to VRS retirees in the consolidated Ind-AS financial statements, to reflect the actual position with reference to VRS scheme of 2019 of MTNL. (Also refer note no. 82 to the Consolidated Ind-AS financial statements).
- (xii) In the absence of requisite information regarding details of each project, disclosure in respect of CWIP as per Division II Schedule III of the act is not adequate. (Also refer note 62 (A) to the consolidated Ind-AS financial statements).

Our opinion is not modified in respect of these matters.

Material uncertainty related to going concern

We draw attention to Note no. 82 in the consolidated Ind-AS financial statements, which indicates that the Holding company has accumulated losses and its net worth has been fully/ substantially eroded, the Holding company has incurred net loss/net cash loss during the current and previous year(s) and the Holding company's current liabilities exceeded its current assets as at the balance date. These events or conditions, along with other matter as set forth in Note 82, indicate that a material uncertainty exists that may cast significant doubt on the Holding company's ability to continue as a going concern.

Further, Union Cabinet has also approved the "Revival plan of BSNL and MTNL" by reducing employee costs, administrative allotment of spectrum for 4G services, debt restructuring by raising of sovereign guarantee bonds, monetization of assets and in principle approval for merger of BSNL and MTNL. Further, the Holding Company has implemented the Voluntary Retirement Scheme in FY 2019-20 resulted into reduction in Employees Cost and also raised funds by issuing Bonds for Rs. 6,500 crores in FY 2020-21 in line with cabinet note.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated Ind-AS financial statements of the current period. These matters were addressed in the context of our audit of the consolidated Ind-AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

In addition to the matters described in the basis of qualified opinion section, we have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	How our audit Addressed the key Audit Matter
1	<p>Revenue Recognition:</p> <p>There is an inherent risk around the accuracy of revenue recorded given the complexity of systems and the impact of changing pricing models to revenue recognition (tariff structures, incentive arrangements, discounts etc.)</p> <p>Refer Notes no. 61 to the Consolidated Ind-AS Financial Statements.</p>	<p>We assessed the Holding Company's process to identify the impact of adoption of the new revenue accounting standard.</p> <p>Our audit approach including controls testing and substantive procedures covering in particular:</p> <ul style="list-style-type: none"> • Testing the IT environment in which billing, rating and other relevant support systems reside, including the change control procedures in place around systems that bill material revenue streams. • Testing the end to end reconciliation from business support systems to billing and rating systems to the general ledger. This testing includes validating material journals processed between the billing system and general ledger. • Performing tests on the accuracy of customer bill generation on sample basis and testing of a sample of the credits and discounts applied to customer bills: and testing receipts for a sample of customers back to customer invoice.
2	<p>Uncertain Taxation Matters:</p> <p>The Holding Company has material uncertain tax matters under dispute which involves significant judgment to determine the possible outcome of these disputes.</p> <p>Refer Notes no. 54 and 67 to the Consolidated Ind-AS Financial Statements.</p>	<p>We have obtained details of completed tax assessments and demands up to March 31, 2022 from management.</p> <p>We assessed the management's underlying assumptions in estimating the tax provisions and the possible outcome of the disputes.</p> <p>We also considered legal precedence and other rulings, including in the Holding company's own cases, in evaluating management's position on these uncertain tax positions.</p>

Sr. No.	Key Audit Matter	How our audit Addressed the key Audit Matter
4	<p>Contingent liabilities</p> <p>There are number of litigations pending before various forums against the Holding company and the management's judgement is required for estimating the amount to be disclosed as contingent liability.</p> <p>We identified this as a key audit matter because the estimates on which these amounts are based involve a significant degree of management judgement in interpreting the cases and it may be subject to management bias.</p> <p>(Refer to note no. 54 of Consolidated Ind-AS Financial statements.)</p>	<p>We have obtained an understanding of the Holding Company's internal instructions and procedures in respect of estimation and disclosure of contingent liabilities and adopted the following audit procedures.</p> <ul style="list-style-type: none"> - understood and tested the design and operating effectiveness of controls as established by the management for obtaining all relevant information for pending litigation cases; - discussed with the management any material developments and latest status of legal matters; - read various correspondences and related documents pertaining to litigation cases and relevant external legal opinions obtained by the management and performed substantive procedures on calculations supporting the disclosures of contingent liabilities; - examined management's judgements and assessment whether provisions are required; - considered the management assessments of those matters that are not disclosed as the probability of material outflow is considered to be remote; - reviewed the adequacy and completeness of disclosures; <p>Based on the above procedures performed, the estimation and disclosures of contingent liabilities are considered to be adequate and reasonable. (Refer to note no. 54 of the Consolidated Ind-AS financial statements).</p>

Other Matters

- a) We did not audit the financial statements/financial information of 2 subsidiaries, whose financial statements/financial information reflect total assets of Rs. 153.56 Crores as at 31st March, 2022, total revenues of Rs. 83.18 Crores and net cash flow amounting to Rs. (1.31) Crores for the year ended on that date, as considered in the consolidated Ind-AS financial statements. The consolidated Ind-AS financial statements also include the Group's share of net profit of Rs. 1.15 Crores for the year ended 31st March, 2022, as considered in the consolidated Ind-AS financial statements, in respect of one jointly controlled entities, whose financial statements/financial information have not been audited by us. These financial statements/financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated Ind-AS financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, jointly controlled entities

and associate, and our report in terms of sub section (3) of Section 143 of the Act, insofar as it relates to the aforesaid subsidiaries, jointly controlled entities and associate, is based solely on the reports of the other auditors.

Certain of these subsidiaries are located outside India whose financial statements and other financial information have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been audited by other auditors under generally accepted auditing standards applicable in their respective countries. The Holding Company's management has converted the financial statements/financial information of such subsidiaries located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Holding Company's management. Our opinion in so far as it relates to the balances and affairs of such subsidiaries located outside India is based on the report of other auditors and the conversion adjustments prepared by the management of the Holding Company and audited by us.

- b) The accompanying consolidated Ind-AS financial statements also includes unaudited financial results /statements and other unaudited financial information in respect of 1 associate, whose financial results/statements reflect the Group's share of net loss of Rs. NIL and the Group's share of total comprehensive loss of Rs. NIL for the year ended March 31, 2022 , as considered in the Consolidated Ind-AS financial statements whose financial results /statements and other financial information have not been audited by their auditors.

These unaudited financial statements/financial information/financial results have been approved and furnished to us by the Management and our opinion on the Statement, in so far as it relates to the amounts and disclosures included in respect of associate, is based solely on such unaudited financial statements/financial information/financial results. In our opinion and according to the information and explanations given to us by the Management, these financial statements/financial information/financial results are not material to the Group.

Our opinion above on the consolidated Ind-AS financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Holding Company's Annual Report, but does not include the Consolidated Ind-AS financial statements and our auditor's report thereon.

Our opinion on the consolidated Ind-AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Ind-AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially

inconsistent with the Consolidated IND-AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Management and those charged with governance for the Consolidated IND-AS Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated Ind-AS financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including total comprehensive loss, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind-AS and other accounting principles generally accepted in India. The respective Management and Board of Directors of the Companies included in the Group and of its associate and joint venture are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Management and Board of Directors of the company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the companies included in the Group are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Ind-AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated Ind-AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind-AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Ind-AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Holding Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Ind-AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Holding Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated Ind-AS financial statements, including the disclosures, and whether the consolidated Ind-AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of entities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial statements. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated Ind-AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143 (11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit we report, to the extent applicable, that :
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements..
 - b) In our opinion, proper books of account as required by law have been kept by the Holding Company so far as it appears from our examination of those books.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, Consolidated Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d) In our opinion, the aforesaid Consolidated Ind-AS financial statements comply with the Ind-AS specified under Section 133 of the Act..
 - e) Being the Government Holding Company pursuant to the Notification No. GSR 463(E) dated 5 June 2015 issued by the Ministry of Corporate Affairs, Government of India, provisions of sub-section (2) of section 164 of the Act, are not applicable to the Holding Company.
 - f) The going concern matter described in material uncertainty related to going concern paragraph above, in our opinion, may have an adverse effect on the functioning of the Holding company.
 - g) With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - h) As per the Notification No. GSR 463(E) dated 5 June 2015 issued by the Ministry of Corporate Affairs, Government of India, Section 197 is not applicable to the Government

Companies. Accordingly, reporting in accordance with requirement of provisions of section 197 (16) of the Act is not applicable on the Holding Company.

- i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - a) The Group has disclosed the impact of pending litigations on its financial position in its consolidated Ind-AS financial statements.(Refer to note no. 54 of Consolidated Ind-AS Financial statements.)
 - b) The Group has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts; and ,
 - c) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company.
 - d)
 - (i) The respective Managements of the Company and its subsidiaries which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or any of such subsidiaries to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or any of such subsidiaries ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (ii) The respective Managements of the Company and its subsidiaries which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company or any of such subsidiaries from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company or any of such subsidiaries shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (iii) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us on the Company and its subsidiaries which are companies incorporated in India whose financial

statements have been audited under the Act, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above, contain any material misstatement.

- e) The Holding company has not declared or paid any dividend during the year. Accordingly, the provisions of Section 123 of the Act is not applicable. Further, auditor of a subsidiary company which is incorporated in India and whose financial statements have been audited under the Act has not reported about the compliance of the Section 123 of the Act.

(Referred to in paragraph 2(g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Consolidated Ind-AS Financial Statements of Mahanagar Telephone Nigam Limited as of and for the year ended March 31, 2022, we have audited the internal financial controls over financial reporting of Mahanagar Telephone Nigam Limited (hereinafter referred to as the "Holding Company") and its subsidiary and joint venture, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, its subsidiary and joint venture, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act

Auditors' Responsibility

Our responsibility is to express an opinion on the Holding Company, its subsidiary and joint venture, which are companies incorporated in India, internal financial controls over financial reporting with reference to these Consolidated Ind-AS Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, both, issued by Institute of Chartered Accountants of India, and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these Consolidated Ind-AS Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these Consolidated Ind-AS Financial Statements and their operating effectiveness. Our audit of internal financial controls over financial

reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these Consolidated Ind-AS Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our qualified audit opinion on the internal financial controls over financial reporting with reference to these Consolidated Ind-AS Financial Statements

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated Ind-AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated Ind-AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Consolidated Ind-AS financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit and based on the consideration of reports of other auditors, as referred to in Other Matters paragraph below, the following material weaknesses have been identified in the operating effectiveness in internal financial controls over financial reporting as at March 31, 2022:

- (i) The Holding Company does not have an appropriate internal control system for identification of overheads to be capitalized with the cost of Property, Plant and Equipment which could potentially result into under /over capitalization of Property, Plant and Equipment and corresponding impact on the operational results of the Holding Company.
- (ii) The Holding Company does not have appropriate internal control system for ensuring capitalization of Property, Plant and Equipment as and when the same is ready for use due to delayed issue of completion certificate by engineering department or due to delay in receipt of bills from the vendors for bought out items or due to delay of inventory issue slip by stores. Hence, the date of capitalization is not reliable. This could potentially result into delayed capitalization and corresponding impact on the operational results due to lower charge of depreciation.
- (iii) The Holding Company does not have appropriate internal control system for ensuring de-commissioning and de-capitalization of Property, Plant and Equipment in respect of assets which are no longer in use and held for disposal as scrap. This could potentially result into overstatement of gross block and corresponding impact on the operational results due to higher charge of depreciation and lower provision for impairment of assets.
- (iv) The Holding Company does not have an appropriate internal control system to ensure that provisions made pending receipt of bills from vendors / contractors / operators / government departments at the quarter end and year end are duly reversed when actual bills are received and accounted for. This could potentially result in the same being accounting twice.
- (v) The Holding Company does not have an appropriate internal control system to track open purchase orders, work orders, agreements and contracts which have been entered with vendors / contractors / operators / government departments and are lying open. This could have a bearing on efficiency of operations and recording of financial liabilities and provisions pertaining to the same.
- (vi) The Holding Company does not have an integrated ERP system. Different software packages used by the Holding company are interfaced through software links or manual intervention leaving gaps between them. This could potentially result into impaired financial reporting.
- (vii) The Holding Company does not have an appropriate internal control system for reconciliation of vendors / contractors / operators / government departments, accounts which could potentially result in some changes in the Consolidated Ind-AS financial statements. The cases identified by us have been appropriately qualified at various places in our report.
- (viii) The Holding Company does not have effective internal audit system so as to cover all major areas with extensive scope. The extent and depth of coverage, manner of conduct and reporting in respect of internal audit is very weak. This could potentially result into weak checks and balances and unreported financial irregularities ultimately resulting into distorted financial reporting.

- (ix) The Holding Company does not have an appropriate internal control system for reconciliation of items of unlinked debits and credits because of receipts from the subscriber and the amount debited by the banks. This could potentially lead unreported financial adjustments ultimately resulting into distorted financial reporting.
- (x) The Holding Company does not have an appropriate internal control system for invoicing which are due and payable based on manual invoicing. The invoicing system does not have reliability of measurement and reconciliation of items. This leads to multiple revisions and errors in invoicing. This could potentially lead errors in revenue recognition.
- (xi) The Holding Company does not have appropriate internal control system for ensuring end use of issued inventory. The accounting is done based on the requisition statement of item and not actual installation or commission of item. This could potentially result into non-identification of pilferage and also early capitalization of equipments.
- (xii) The Holding Company does not have appropriate internal control system for ensuring billing and recovery of water and electricity charges from the lessee. This could potentially result into non-recovery and delayed recovery of such charges causing financial loss of the absolute expenses and also finance cost on the delay in realization. This could also result in inaccurate expense values in the financial statements of the Holding company.
- (xiii) The Holding company does not have appropriate internal control system towards renewals of the expired Rent/Lease agreements. Eventhough in some of the cases where lease agreements has been expired, company is receiving rentals on the terms and conditions mentioned in the expired agreement with the parties.

In some cases, company is recognising rentals on the terms and conditions mentioned in the expired agreements with the parties and not receiving any amount from such parties for more than one year. However the company has not provided provision for doubtful debts for all such cases.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Holding company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, except for the effects / possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria and based on the consideration of reports of other auditors, as referred to in Other Matters paragraph below, the Holding Company, its subsidiary and joint venture, which are companies incorporated in India, have, maintained, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as of March 31, 2022, based on the internal control over financial reporting criteria established by the respective Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2022. Consolidated Ind-AS financial statements of the Holding Company, and these material weaknesses do not affect our opinion on the Consolidated Ind-AS financial statements of the Holding Company.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to 1 subsidiary and 1 joint venture, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

MAHANAGAR TELEPHONE NIGAM LIMITED
Consolidated Cash Flow Statement for the year ended 31 March 2022

	'31 March 2022 (₹ in crores)	'31 March 2021 (₹ in crores)
A CASH FLOW FROM OPERATING ACTIVITIES		
Profit/(loss) before tax	(2,600.21)	(2,459.19)
Adjustments for:		
Depreciation expense	438.12	558.95
Amortisation expense	333.90	334.35
Loss on disposal of property, plant and equipment (net)	(3.31)	(3.17)
Share of profit from associates and joint ventures	(1.15)	(0.81)
Interest income	(83.79)	(51.51)
Excess provisions written back	(145.24)	(40.26)
Loss of assets	119.98	9.79
Provision for doubtful debts including discount	16.43	81.47
Provision for obsolete inventory	5.45	5.03
Provision for doubtful claims	6.58	2.74
Remeasurement gains and loss on employee benefit obligations	(13.98)	7.55
Finance costs	2,139.62	2,107.24
Bad debts recovered	(0.00)	(0.01)
Bad debts written off	8.16	1.56
Operating loss before working capital changes	220.59	553.73
Movement in working capital		
Increase in loans	19.78	(90.01)
(Increase)/decrease in inventories	(15.00)	(4.56)
Decrease/(increase) in other financial assets	24.67	2,788.20
(Increase)/decrease in other assets	48.23	(89.03)
Increase in trade and other receivables	(27.66)	(226.07)
(Decrease)/increase in other financial liabilities	59.59	(3,247.37)
Decrease in other liabilities	(64.03)	(35.83)
Decrease in provisions, trade and other payables	486.98	(64.62)
Cash used in operating activities post working capital changes	753.14	(415.56)
Income tax (paid)/refunds (net)	(49.40)	191.05
Net cash used in operating activities (A)	703.74	(224.51)
B CASH FLOWS FROM INVESTING ACTIVITIES		
Purchase of Property, plant and equipment, investment property and intangible assets (including capital work-in-progress) (net of sale proceeds)	(12.85)	(99.74)
Movement in fixed deposits (net)	143.91	(191.46)
Dividend received	1.26	1.14
Interest received	72.16	30.90
Net cash used in investing activities (B)	204.48	(259.16)
C CASH FLOWS FROM FINANCING ACTIVITIES		
Proceeds and repayment of long-term borrowings (net)	(18.56)	6,005.78
Proceeds and repayment of short-term borrowings (net)	1,271.43	(3,622.55)
Finance cost paid	(2,110.90)	(1,859.12)
Payment towards lease liability (including interest)	(78.01)	(109.95)
Net cash flows from financing activities (C)	(936.04)	414.16
Decrease in cash and cash equivalents (A+B+C)	(27.82)	(69.51)
Cash and cash equivalents at the beginning of the year	127.09	196.60
Cash and cash equivalents at the end of the year	99.27	127.09

1. Corporate information

Mahanagar Telephone Nigam Limited ('MTNL' or 'Parent') along with its subsidiaries, associates and joint venture (collectively referred to as 'Group'), a public sector enterprise, is engaged in providing telecom services in the geographical area of Mumbai and Delhi. The registered office of the Parent is located at Mahanagar Doorsanchar Sadan, 5th Floor, 9, CGO Complex, Lodhi Road, New Delhi – 110003. The company's shares are listed with Bombay Stock Exchange and National Stock Exchange.

2. Basis of preparation

These consolidated financial statements ('financial statements') have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

These financial statements of the Group are prepared in accordance with Ind AS 110 and Board of Directors approved the same for issue on 30 May 2022.

The financial statements have been prepared on accrual and going concern basis. All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

The financial statements have been prepared under the historical cost convention except for the following –

- Certain financial assets and liabilities which are measured at fair value;
- Defined benefit plans – plan assets measured at fair value; and
- Assets held for sale – measured at fair value less costs of disposal

3. Summary of significant accounting policies

a) Basis of consolidation

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries, joint ventures and associates as at 31 March 2022. Control is achieved when the Group is exposed or has rights to variable returns from its involvement through its power over the investee. Specifically, the Group controls an investee if and only if the Group has:

- Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee);
- Exposure or rights, to variable returns from its involvement with the investee; and
- The ability to use its power over the investee to affect its returns.

Subsidiaries

The Group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the Group.

Non-controlling interests, presented as part of equity, represent the portion of a subsidiary's statement of profit and loss and net assets that is not held by the Group. Profit/(loss) and each component of OCI are attributed to the equity holders of the Parent Company and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. The Group attributes total comprehensive income or loss of the subsidiaries between the owners of the parent and the non-controlling interests based on their respective ownership interests.

The Group treats transactions with non-controlling interests that do not result in a loss of control as transactions with equity owners of the group. Such a change in ownership interest results in an adjustment between the carrying amounts of the controlling and non-controlling interests to reflect their relative interests in the subsidiary. Any difference between the amount of the adjustment to non-controlling interests and any consideration paid or received is recognised within equity.

Associates and joint ventures

Associates

Investment in entities in which there exists significant influence but not a controlling interest are accounted for under the equity method i.e. the investment is initially recorded at cost, identifying any goodwill/capital reserve arising at the time of acquisition, as the case may be, which will be inherent in investment. The carrying amount of the investment is adjusted thereafter for the post acquisition change in the share of net assets of the investee, adjusted where necessary to ensure consistency with the accounting policies of the Group. The consolidated statement of profit and loss includes the Group's share of the results of the operations of the investee. Dividends received or receivable from associate ventures are recognised as a reduction in the carrying amount of the investment. Unrealised gains on transactions between the Group and associates are eliminated to the extent of the Group's interest in these entities.

Joint ventures

Investments in joint arrangements are classified as either Joint operations or Joint ventures. The classification depends on the contractual rights and obligations of each investor, rather than the legal structure of the Joint arrangement.

- **Joint ventures** – Interest in joint venture are accounted for using the equity method, after initially being recognised at cost. The carrying amount of the investment is adjusted thereafter for the post acquisition change in the share of net assets of the investee, adjusted where necessary to ensure consistency with the accounting policies of the Group. The consolidated

statement of profit and loss includes the Group's share of the results of the operations of the investee. Dividends received or receivable from joint ventures are recognised as a reduction in the carrying amount of the investment. Unrealised gains on transactions between the Group and joint ventures are eliminated to the extent of the Group's interest in these entities.

- **Joint operations** – The Group recognises its direct right to the assets, liabilities, revenue and expenses of Joint operations and its share of any jointly held or incurred assets, liabilities, revenue and expenses. These have been incorporated in the financial statement under the appropriate heading.

When the Group's share of losses in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the Group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the other entity.

b) Revenue recognition

Revenue is recognised upon transfer of control of promised products or services to customers in an amount that reflects the consideration which the Group expects to receive in exchange for those products or services. Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, credits, price concessions and incentives, if any, as specified in the contract with the customer. Revenue also excludes taxes collected from customers. Revenue is recognized on accrual basis, including income from subscribers whose disputes are pending resolution, and closure of the subscribers' line.

- a) In the case of contracts involving single performance obligation, accounting for revenue is done on accrual basis and revenue is recognized over the period in which services are rendered.
- b) In case of contracts involving multiples promises, which involve delivery or performance of multiple products, services or right to use assets, evaluation is done for all deliverables in an arrangement to determine whether they represent separate performance obligations at the inception of arrangement. Total consideration related to the bundled contract is allocated among the different performance obligations based on their standalone selling prices. In case the relative fair value of different performance obligations cannot be determined on a reasonable basis, the total consideration is allocated to the different performance obligations based on residual value.
- c) For sale of prepaid products, processing fee on recharge coupons is recognized over the customer relationship period or coupon validity period, whichever is lower.
- d) Activation & installation revenue and related costs, not exceeding the respective revenue, are to be deferred and amortized over the estimated customer relationship period. The excess of costs over revenue, if any, are to be expensed as incurred. Subscriber acquisition costs are to be expensed as incurred.
- e) Income from sale of prepaid calling cards, virtual calling cards (VCC) and prepaid internet connection cards is recognised basis the usage or expiry of cards, whichever is earlier.

- f) Interest income/expenditure is to be recognized based on effective interest rate [EIR] i.e. the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial asset to the net carrying amount of the financial assets. The future cash flows include all other transaction costs fees paid or received, premiums or discounts if any etc. The difference between the actual interest rate and effective interest rate will be routed through statement of profit or loss.
- g) Income from services includes income from leasing of infrastructure to other service providers. Cost of related stores and materials consumed in execution is charged to project or revenue job at the time of issue. However, spill over items at the end of the year lying at various stores are valued at weighted average cost.
- h) Sale proceeds of scrap arising from maintenance & project works are taken into miscellaneous income in the year of sale.

Contract assets are recognised when there is excess of revenue earned over billings on contracts. Contract assets are classified as unbilled receivables (only act of invoicing is pending) when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms. Unearned and deferred revenue (“contract liability”) is recognised when there is billing in excess of revenues or advances received from the customer.

c) **Post-employment benefits**

a) *Defined contribution plan*

A defined contribution plan is a plan under which the Group pays fixed contributions into an independent fund administered by the government. The Group has no legal or constructive obligations to pay further contributions after its payment of the fixed contribution. Group’s defined contribution plans include provident fund, pension contribution and leave salary.

- (i) In respect of absorbed combined service pension optees in MTNL, provision for pension contribution is payable to the Govt. of India as per FR-116 as in Bharat Sanchar Nigam Limited (‘BSNL’) with equivalent BSNL pay scales and it is expensed off in the relevant year.
- (ii) In respect of officials who are on deemed deputation from Department of Telecommunications (DoT) and other Government departments, the provision for pension contribution is payable to the Government of India at the rates specified in Appendix 2(A) to FR 116 and 117 of FR. & SR and it is expensed off in the relevant year. Further, provision for leave encashment is payable @ 11% of pay as specified in appendix 2(B) of F.R.116 and 117 of F.R. & S.R. and it is expensed off in the relevant year.

b) *Defined benefit plan*

The defined benefit plans sponsored by the Group defines the amount of the benefit that an employee will receive on completion of services by reference to length of service and last drawn salary. The legal obligation for any benefits remains with the Group. The Group’s defined benefit plans include amounts provided for gratuity and provident fund.

- (i) For Absorbed CPF optees and direct recruits of MTNL, the Parent made contribution to provident fund Trust administered by the Parent, which was recognised by the income tax authorities. Following the withdrawal of the Parent's exemption from the provident fund, all accumulations in the employees' accounts on the employer's accounts, as well as employee contribution and interest thereon, have been transferred to the Recognised Provident Fund, and with effect from July 2020 the Parent has no legal or constructive obligations to pay further contributions after paying the fixed contribution to Recognised Provident Fund.
 - (ii) For Absorbed CPF optees and direct recruits of MTNL, the liability for gratuity is estimated using actuarial valuation as the present value of the defined benefit obligation (DBO) at the reporting date less the fair value of plan assets, together with adjustments for unrecognised actuarial gains or losses and past service costs. Actuarial gains and losses arising from past experience and changes in actuarial assumptions are credited or charged to the statement of OCI in the year in which such gains or losses are determined.
 - (iii) For absorbed combined service pension optee employees in MTNL, no provision is made for the pensionary benefits viz pension and gratuity.
- c) *Other long-term employee benefits*
- (i) Liability for leave encashment for all employees of MTNL is accounted for on actuarial valuation basis, performed by an independent actuary using the projected unit credit method as on the reporting date. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are recorded in the consolidated statement of profit and loss in the year in which such gains or losses arise.
 - (ii) For post-retirement medical benefits, no provision is made since insurance policy is taken periodically and the premium is expensed off in the relevant year.
- d) Short-term benefits comprise of employee costs such as salaries, bonus, ex-gratia, short-term compensated absences are accrued in the year in which the associated services are rendered by employees of the Group.
- e) Bonus/Ex-gratia is paid based on the productivity linked parameters and it is to be provided accordingly subject to the profitability of the company.

d) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time, which is generally considered as one year, to get ready for its intended use or sale are capitalised as part of the cost of the asset. Further, projects with estimated cost up to ₹ 30 crores generally take a year to complete. All other borrowing costs are expensed in the period in which they occur and reported in finance cost. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Transaction costs in respect of long-term borrowings are amortized over the tenor of respective loans using effective interest rate.

e) **Property, plant and equipment**

Recognition and initial measurement

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at cost less accumulated depreciation. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Assets are capitalized, as per the practices described below, to the extent completion certificates have been issued, wherever applicable.

- i. Land is capitalized when possession of land is taken.
 - ii. Building is capitalized to the extent it is ready for use.
 - iii. Apparatus & plants principally consisting of telephone exchange equipment and air conditioning plants are capitalised on commissioning of the exchange. Subscriber's installations are capitalized as and when the exchange is commissioned and put to use either in full or in part. Identifiable components in Apparatus & plants having significant cost and/or separate useful life than the main asset i.e. ADSL, VDSL & MES CPES, UPS/Batteries and Subscriber Telephone Instruments are capitalised separately on commissioning and put to use.
 - iv. Lines & wires are capitalised as and when laid or erected to the extent completion certificates have been issued.
 - v. Cables are capitalised as and when ready for connection with the main system.
 - vi. Vehicles and other assets are capitalized as and when purchased.
- (a) Property, plant and equipment are being verified by the management at reasonable intervals i.e. once in every three years by rotation. The physical verification of underground cables is done on the basis of working of network and based on records available together with a certificate from the technical officers.
 - (b) Expenditure on replacement of assets, equipment, instruments and rehabilitation work is capitalized if it is expected to generate future economic benefits for more than one year.
 - (c) Upon scrapping/decommissioning of assets, these continue to be classified in property, plant and equipment unless they are classified as 'held for sale' and carried at the lower of carrying value or fair value less costs of disposal. Resultant loss, if any, is charged to consolidated statement of profit and loss.
 - (d) Cost of major inspection is recognized in the carrying amount of plant and equipment if it is expected to generate economic benefits and its life is more than one year.
 - (e) On replacement of significant components of plant and equipment, recognition is made for such replacement of components as individual assets with specific useful life and depreciated as if these components are initially recognised as separate asset.

- (f) In case an item of property, plant and equipment is acquired on deferred payment basis, interest expenses included in deferred payment is recognised as interest expense and not included in cost of asset.
- (g) The present value of expected cost for decommissioning of the asset on expiry of its useful life is included in the cost of respective asset. A provision for decommissioning is also created with equivalent amount.
- (h) Gains or losses arising on the disposal of property, plant and equipment are determined as the difference between the disposal proceeds and the carrying amount of the assets and are recognised in the statement of profit or loss as 'other income' or 'other expenses', as the case may be, on the date of disposal.

Subsequent measurement

- (a) Depreciation is provided by Parent using straight-line method on the basis of the useful lives prescribed in Schedule II of the Companies Act, 2013 except in respect of Apparatus & Plant (including Towers, Transceivers, switching centers, transmission & other network equipment) and identifiable components in Apparatus & plant having significant cost and/or separate useful life than the main asset, mobile handsets for service connection, low cost aerial optical fibre cable and major structural repairs of the building which are depreciated at the rates based on technical evaluation of useful life of these assets, which are lower than the lives prescribed in Schedule II of the Companies Act 2013. Depreciation is provided by foreign subsidiary on Straight line basis over the useful lives of each part of an item of property plant and equipments. The estimated useful lives and residual value are reviewed at the end of each reporting period.

For **Apparatus & plant** (including Towers, Transceivers, switching centres, transmission & other network equipment), Office equipment & Cable having useful life of 10 Years other than following assets/components with shorter useful lives –

	Name of assets	Useful life (years)
1.	UPS/Battery up to 300AH capacity	4
2.	UPS/Battery more than 300AH capacity	7
3.	ADSL, VDSL & MES CPES	5
4.	Subscribers telephone instruments	5

For **Office Equipments** having useful life of 5 Years other than following assets/components with shorter useful lives –

	Name of assets	Useful life (years)
5.	Mobile handset for service connection	3

For **Cable** having useful life of 18 years other than following assets/components with shorter useful lives –

	Name of assets	Useful life (years)
6.	Low cost aerial optical fibre cable	3

For **Office Building & exchange** having useful life of 60 and 30 years respectively other than following assets/ components with shorter useful lives –

Name of assets	Useful life (years)
6. Others (Major structural repair of building)	7

For **Foreign Subsidiary** depreciation rates used are as follows:

Name of assets	Depreciation rate
1. Buildings	4.75%
2. Computer equipments	31.67%
3. Furniture, Fixtures and fittings	11.87%
4. Office equipments	19.00%
5. Motor vehicles	11.88%
6. Plant & equipments (Outdoor)	10.00%
7. Plant & equipments (Indoor)	13.57%

- (b) 100 % depreciation is provided on assets immaterial in value up to ₹ 0.05 lakh, in the year of purchase itself, other than those forming part of project, the cost of which is below ₹ 0.10 lakh in case of Apparatus & plants, Training equipment & testing equipment and ₹ 2.00 lakh for partitions, which is not considered to be material.
- (c) Where, during any financial year, any addition has been made to any asset, or where any asset has been sold, discarded, demolished or destroyed, or significant components replaced; depreciation on such assets is calculated on a pro rata basis as individual assets with specific useful life from the date of such addition or, as the case may be, up to the date on which such asset has been sold, discarded, demolished or destroyed or replaced.

Transition to Ind AS

On transition to Ind AS, the Group has elected to continue with the carrying value of all its property, plant and equipment recognised as at 1 April 2015 measured as per the provisions of previous GAAP and use that carrying value as the deemed cost of property, plant and equipment.

f) Intangible assets

Intangible assets are stated at their cost of acquisition and/or development less accumulated amortisation. Intangible assets including application software are capitalised when ready for use. All intangible assets with definite useful life are amortized on a straight-line basis over the estimated useful lives and a possible impairment is assessed if there is an indication that the intangible asset may be impaired.

- (a) Intangible assets represented by one-time upfront payment for 3G spectrum is amortized on straight-line basis over the period of license i.e. 20 years.
- (b) Application software is amortised on straight-line basis over the useful life of the assets which is considered as 10 years.

Transition to Ind AS

On transition to Ind AS, the Group has elected to continue with the carrying value of all its intangible assets recognised as at 1 April 2015 measured as per the provisions of previous GAAP and use that carrying value as the deemed cost of intangible assets.

g) Leases

Group as a lessee

The Group's lease asset classes primarily consist of leases for BTS sites, towers and building. The Group assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether:

- (i) the contract involves the use of an identified asset
- (ii) the Group has substantially all of the economic benefits from use of the asset through the period of the lease and
- (iii) the Group has the right to direct the use of the asset.

At the date of commencement of the lease, the Group recognises a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Group recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Group changes its assessment if whether it will exercise an extension or a termination option

Group as a lessor

Leases for which the Group is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Group is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

For operating leases, rental income is recognized on a straight-line basis over the term of the relevant lease.

h) Non-current assets held for sale and discontinued operations

An entity shall classify a non-current asset (or disposal group) as held for sale if its carrying amount will be recovered principally through a sale transaction rather than through continuing use. This condition is regarded as met only when the asset is available for immediate sale in its present condition subject only to terms that are usual and customary for sale of such asset and its sale is highly probable. Management must be committed to sale which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

Non-current assets classified as held for sale are presented separately and measured at the lower of their carrying amounts immediately prior to their classification as held for sale and their fair value less costs of disposal. However, some held for sale assets such as financial assets or deferred tax assets, continue to be measured in accordance with the Group's relevant accounting policy for those assets. Once classified as held for sale, the assets are not subject to depreciation or amortisation.

Discontinued operations are excluded from the results of continuing operations and are presented as a single amount as profit or loss after tax from discontinued operations in the consolidated statement of profit and loss.

i) Investment property

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost including transaction costs. Subsequent to initial recognition the investment properties are stated at cost less accumulated depreciation.

Depreciation is recognized on a straight-line basis to write down the cost less estimated residual value of investment properties other than land.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on de-recognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in statement of profit or loss in the period in which the property is derecognized.

Transition to Ind AS

On transition to Ind AS, the Group has elected to continue with the carrying value of all its investment properties recognised as at 1 April 2015 measured as per the provisions of previous GAAP and use that carrying value as the deemed cost of investment properties.

j) Inventories

Inventories being stores and spares are stated at the lower of cost and net realisable value. However, inventories held for capital consumption are stated at cost.

Cost of inventories:

Cost of stores and spares is determined on weighted average basis.

Net realisable value:

Net realisable value is the estimated selling price in the ordinary course of business less any applicable selling expenses.

Provision for obsolescence and slow moving inventory is made based on management's best estimates of net realisable value of such inventories.

k) Foreign currency translation

Functional and presentation currency

The consolidated financial statements are presented in Indian Rupee ('INR') which is also the functional currency of the Company, since substantially the entire funding of the Company and its operational income is denominated in Indian Rupee. The functional currency of the subsidiaries, associate and joint venture is local currency applicable in respective jurisdictions.

Foreign currency transactions and balances

Foreign currency transactions are translated into the functional currency of the respective Group entity using the exchange rates prevailing at the dates of the transactions (spot exchange rate). Foreign exchange gains and losses resulting from the settlement of such transactions and from the re-measurement of monetary items denominated in foreign currency at period-end exchange rates are recognized in the statement of profit or loss.

Non-monetary items are not retranslated at period-end and are measured at historical cost (translated using the exchange rates at the transaction date), except for non-monetary items measured at fair value which are translated using the exchange rates at the date when fair value was determined.

Foreign operations

In the Group's financial statements, all assets, liabilities and transactions of the Group entities with functional currency other than the Indian Rupee are translated into Indian Rupee upon consolidation. The functional currency of the entities in the Group has remained unchanged

during the reporting period. On consolidation, assets and liabilities have been translated into Indian Rupee at the closing rate at the reporting date. Fair value adjustments arising on the acquisition of a foreign entity have been treated as assets and liabilities of the foreign entity and translated into Indian Rupee at the closing rate. Income and expenses have been translated into Indian Rupee at the average rate over the reporting period. Exchange differences are charged/credited to other comprehensive income and recognized in the currency translation reserve in equity. On disposal of a foreign operation, the related cumulative translation differences recognized in equity are reclassified to the statement of profit or loss and are recognized as part of the gain or loss on disposal.

1) Financial instruments

Recognition, initial measurement and de-recognition

Financial assets and financial liabilities are recognised when the Group becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted by transactions costs, except for those carried at fair value through profit or loss which are measured initially at fair value. Subsequent measurement of financial assets and financial liabilities is described below.

Financial assets are derecognized when the contractual rights to the cash flows from the financial asset expires, or when the financial asset and all substantial risks and rewards are transferred. A financial liability is derecognized when it is extinguished, discharged, cancelled or expires.

Classification and subsequent measurement of financial assets

For the purpose of subsequent measurement, financial assets are classified into the following categories upon initial recognition:

- Amortised cost
- financial assets at fair value through profit or loss (FVTPL)
- financial assets at fair value through other comprehensive income (FVOCI)

All financial assets except for those at FVTPL are subject to review for impairment at least at each reporting date to identify whether there is any objective evidence that a financial asset or a group of financial assets is impaired. Different criteria to determine impairment are applied for each category of financial assets, which are described below.

All income and expenses relating to financial assets that are recognised in the statement profit or loss are presented within finance costs or finance income, except for impairment of trade receivables which is presented within 'other expenses'.

➤ *Amortised cost*

A financial asset shall be measured at amortised cost using effective interest rates if both of the following conditions are met:

- a) financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- b) contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Group's cash and cash equivalents, trade and certain other receivables fall into this category of financial instruments.

A loss allowance for expected credit losses is recognised on financial assets carried at amortised cost.

- (i) **For debtors that are not past due** – In respect of trade receivables, the Group applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.
- (ii) **For debtors considered past due** – any enhancement in the accrual done for expected credit loss on individually significant receivables is made as follows –
 - Provision is made for wrong billing, disputed claims from subscribers (excluding operators covered under the agreements related to IUC/Roaming/MOU) and cases involving suspension of revenue realization due to proceedings in Court.
 - For landline services – provision is made on the basis of ECL for debtors outstanding for more than 1 year but up to 3 years and 100% in respect of for more than 3 years.
 - For closed connections, provision is made in respect of outstanding for more than 3 years along with spill over amount for up to 3 years.
 - For wireless services (GSM & CDMA) – 100% provision is made for debtors outstanding for more than 180 days.
- (iii) **For other financial assets** – In respect of its other financial assets, the Group assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Group measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

When making this assessment, the Group uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the Group compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. The Group assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

➤ *Financial assets at FVTPL*

Financial assets at FVTPL include financial assets that either do not meet the criteria for

amortised cost classification or are equity instruments held for trading or that meet certain conditions and are designated at FVTPL upon initial recognition. Assets in this category are measured at fair value with gains or losses recognised in the statement of profit or loss. The fair values of financial assets in this category are determined by reference to active market transactions or using a valuation technique where no active market exists.

➤ *Financial assets at FVOCI*

FVOCI financial assets are either debt instruments that are managed under hold to collect and sell business model or are non-trading equity instruments that are designated to this category. FVOCI financial assets are measured at fair value. Gains and losses are recognized in other comprehensive income and reported within FVOCI reserve within equity, except for interest and dividend income, impairment losses and foreign exchange differences on monetary assets, which are recognized in the statement of profit or loss.

Classification and subsequent measurement of financial liabilities

Financial liabilities are measured subsequently at amortized cost using the effective interest rate, except for financial liabilities held for trading or designated as FVTPL, that are carried subsequently at fair value with gains or losses recognised in the statement of profit or loss.

All interest-related charges and, if applicable, changes in an instrument's fair value that are reported in the statement of profit or loss and are included within finance costs or finance income.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the consolidated balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

m) Income taxes

Tax expense recognised in the statement of profit or loss comprises the sum of deferred tax and current tax not recognized in other comprehensive income or directly in equity.

Provision for current tax is made after taking into consideration benefits admissible under the provisions of Income Tax Act, 1961 and in the overseas branches/companies as per the respective tax laws.

Deferred income taxes are calculated using the liability method on temporary differences between the carrying amounts of assets and liabilities and their tax bases. However, deferred tax is not provided on the initial recognition of an asset or liability unless the related transaction is a business combination or affects tax or accounting profit. Deferred tax on temporary differences associated with investments in subsidiaries and joint ventures is not provided if reversal of these temporary differences can be controlled by the Parent and it is probable that reversal will not occur in the foreseeable future. Deferred tax assets and liabilities are calculated, without discounting, at tax rates that are expected to apply to their respective period of realisation, provided those rates are enacted or substantively enacted by the end of the reporting period.

Deferred tax asset ('DTA') is recognized for all deductible temporary differences, carry forward of unused tax credit and unused tax losses, to the extent that it is probable that taxable profit will be available against which deductible temporary difference, and the carry forward of unused tax credits and unused tax losses can be utilised or to the extent of taxable temporary differences.

In respect of deductible temporary differences arising from investments in subsidiaries, branches and associates, and interests in joint arrangements, to the extent that, and only to the extent that, it is probable that the temporary difference will reverse in the foreseeable future; and taxable profit will be available against which the temporary difference can be utilised.

Minimum Alternate Tax (MAT) credit is recognised, as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised as an asset, the said asset is created by way of a credit to the consolidated statement of profit and loss and classified under 'deferred tax asset'.

n) Impairment testing of intangible assets and property, plant and equipment

For impairment assessment purposes, assets are grouped at the lowest levels for which there are largely independent cash inflows (cash generating units). As a result, some assets are tested individually for impairment and some are tested at cash-generating unit level.

For intangible assets with indefinite useful life that are tested at least annually. For other assets, the Group assesses at each balance sheet date whether there is any indication that any asset, may be impaired. If any such indication exists, the carrying value of such assets is reduced to its estimated recoverable amount and the amount of such impairment loss is charged to the consolidated statement of profit and loss. If, at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed, which is the higher of fair value less costs of disposal and value-in-use and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

To determine the value-in-use, management estimates expected future cash flows from each cash-generating unit and determines a suitable interest rate in order to calculate the present value of those cash flows. The data used for impairment testing procedures are directly linked to the Group's latest approved budget, adjusted as necessary to exclude the effects of future re-organisations and asset enhancements. Discount factor reflects current market assessment of the time value of money and asset-specific risks factors.

o) Provisions, contingent liabilities and contingent assets

A provision is recognised when the Group has a present legal or constructive obligation as a result of a past event and it is probable that an outflow of economic resources will be required from the Group and amounts can be estimated reliably. Timing or amount of the outflow may still be uncertain.

Provisions are measured at the estimated expenditure required to settle the present obligation,

based on the most reliable evidence available at the reporting date, including the risks and uncertainties associated with the present obligation. Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. Provisions are discounted to their present values, where the time value of money is material.

In those cases where the possible outflow of economic resources as a result of present obligations is considered improbable or remote, no liability is recognized or disclosure is made.

Contingent liabilities are disclosed in case of present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation or the amount cannot be estimated reliably.

Contingent assets are not recognised. However, when inflow of economic benefit is probable, related asset is disclosed.

p) Government grants

Government grants are recognised if it is sufficiently certain that the assistance will be granted and the conditions attached to assistance are satisfied. Where the grant relates to specified asset, it is recognised as deferred income, and amortized over the expected useful life of the asset. Other grants are recognised in the consolidated statement of comprehensive income concurrent to the expenses to which such grants relate/ are intended to cover.

Where the Group receives non-monetary grants, the asset and the grant are recorded gross at fair amounts and released to the consolidated statement of profit and loss over the expected useful life and pattern of consumption of the benefit of the underlying asset.

q) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term, highly liquid investments (original maturity less than 3 months) that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

r) Adjustment pertaining to earlier years

Income from services and other income pertaining to prior years is not disclosed as prior period item for each individual transaction not exceeding Rs. 1.00 lakh and similarly items of expenditure for each individual transaction not exceeding Rs. 1.00 lakh are considered as expenditure of current year.

In respect of other items of income (including operating income and other income) and expenditure relating to prior periods, the net effect of which on retained earning does not exceed 1% of turnover is treated as income/expenditure of current year.

s) Equity, reserves and dividend payments

Share capital represents the nominal value of shares that have been issued. Share premium

includes any premiums received on issue of share capital. Any transaction costs associated with issuing of shares are deducted from share premium account, net of any related income tax benefits.

Other components of equity include the following:

- Re-measurement of defined benefit liability – comprises the actuarial gain or loss from changes in demographic and financial assumptions and return on plan assets
- Reserve for contingencies
- Reserve for research and development
- Reserve for debenture redemption
- General reserve
- Other transactions recorded directly in other comprehensive income.

Retained earnings include all current and prior period retained profits. All transactions with owners of the parent are recorded separately within equity. Dividend distributions payable to equity shareholders are included in other liabilities when the dividends have been approved in a general meeting prior to the reporting date.

Standards issued but not yet effective:

Ministry of Corporate Affairs (“MCA”) notifies new standard or amendments to the existing standards. Following are amendments to existing standards, which are applicable to the Company and will be effective from 1 April 2022.

Amendment to Ind AS 16, Property, Plant and Equipment

The Ministry of Corporate Affairs (“MCA”) vide notification dated 23 March 2022, has issued an amendment to Ind AS 16 which specifies that an entity shall deduct from the cost of an item of property, plant and equipment any proceeds received from selling items produced while the entity is preparing the asset for its intended use (for example, the proceeds from selling samples produced when testing a machine to see if it is functioning properly).

Amendment to Ind AS 37, Provisions, Contingent Liabilities and Contingent Assets

The Ministry of Corporate Affairs (“MCA”) vide notification dated 23 March 2022, has issued an amendment to Ind AS 37 which specifies that the cost of fulfilling a contract comprises: the incremental costs of fulfilling that contract and an allocation of other costs that relate directly to fulfilling contracts.

Amendment to Ind AS 103, Business Combinations

The Ministry of Corporate Affairs (“MCA”) vide notification dated 23 March 2022, has issued an amendment to Ind AS 103 and has added a new exception in the standard for liabilities and contingent liabilities.

Amendment to Ind AS 109, Financial Instruments

The Ministry of Corporate Affairs (“MCA”) vide notification dated 23 March 2022, has issued an amendment to Ind AS 109 which clarifies that which fees an entity should include when it applies the ‘10%’ test in assessing whether to derecognise a financial liability. An entity includes only fees paid or received between the entity (the borrower) and the lender, including fees paid or received by either the entity or the lender on the other’s behalf.

Significant management judgement in applying accounting policies and estimation uncertainty

The preparation of the Group’s consolidated financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the end of the reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the assets or liabilities in future periods.

Significant management judgements

The following are significant management judgements in applying the accounting policies of the Group that have significant effect on the financial statements.

Recognition of deferred tax assets - The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Group’s future taxable income against which the deferred tax assets can be utilized. In addition, significant judgement is required in assessing the impact of any legal or economic limits or uncertainties in various tax jurisdictions

Recognition of deferred tax liability on undistributed profits – The extent to which the Company can control the timing of reversal of deferred tax liability on undistributed profits of its subsidiaries, associate and joint venture requires judgement.

Evaluation of indicators for impairment of assets – The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

Assessment lease term – Lease term includes non-cancellable periods of lease along with extension options reasonably certain to be exercised and termination options reasonably certain not to be exercised. The assessment of whether extension options and termination options are reasonably certain to be exercised or not to be exercised, involve significant management judgement based upon economic incentives to extend or terminate the lease.

Activation and installation fees - The Group receives activation and installation fees from new customers. These fees together with directly attributable costs are amortised over the estimated duration of customer relationship period. The customer relationship period is reviewed periodically. The estimated relationship period principally reflects management’s view of the average economic relationship period of the customer base and is assessed by reference to key performance indicators (KPIs) which are linked to establishment/ ascertainment of customer relationship period. A change in such KPIs may lead to a change in the estimated useful life and an increase/ decrease in the

amortisation income/charge. The Group believes that the change in such KPIs will not have any material effect on the financial statements.

Recoverability of advances/receivables – At each balance sheet date, based on discussions with the respective counter-parties and internal assessment of their credit worthiness, the management assesses the recoverability of outstanding receivables and advances. Such assessment requires significant management judgement based on financial position of the counter-parties, market information and other relevant factor.

Classification of assets and liabilities into current and non-current – The management classifies the assets and liabilities into current and non-current categories based on management’s expectation of the timing of realisation of the assets or timing of contractual settlement of liabilities.

Impairment of assets - In assessing impairment, management estimates the recoverable amounts of each asset or cash-generating unit (in case of non-financial assets) based on expected future cash flows and uses an interest rate to discount them. Estimation uncertainty relates to assumptions about future cash flows and the determination of a suitable discount rate

Useful lives of depreciable/amortisable assets (tangible and intangible) - Management reviews its estimate of the useful lives of depreciable/amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of certain software, customer relationships, IT equipment and other plant and equipment.

Inventories – Management estimates the cost of inventories including cost of materials and overheads considered attributable to the production of such inventories, taking into account the most reliable evidence available including actual cost of production, etc. Management also estimates the net realisable values of inventories, taking into account the most reliable evidence available at each reporting date. The future realisation of these inventories may be affected by future technology or other market-driven changes that may reduce future selling prices.

Defined benefit obligation (DBO) - Management’s estimate of the DBO is based on a number of critical underlying assumptions such as standard rates of inflation, medical cost trends, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses

Fair value measurements - Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available) and non-financial assets. This involves developing estimates and assumptions consistent with how market participants would price the instrument. Management bases its assumptions on observable data as far as possible but this is not always available. In that case management uses the best information available. Estimated fair values may vary from the actual prices that would be achieved in an arm’s length transaction at the reporting date.

(i) Amount recognised in profit and loss for investment property (₹ in crores)

	31 March 2022	31 March 2021
Rental income	326.77	312.10
Direct operating expenses that generated rental income*	-	-
Direct operating expenses that did not generate rental income*	-	-
Profit from leasing of investment property	326.77	312.10

(ii) Leasing arrangements (₹ in crores)

Certain investment properties are leased to tenants under long-term operating leases with rentals payable monthly. However all the leases are cancellable at the option of lessee, hence there is no lease disclosure given, as required by Ind AS 17 "Leases".

(iii) Fair value of Investment Property.

		(₹ in crores)	
	Particulars	31 March 2022	31 March 2021
Fair value		4,036.19	3,534.15

The Group reviews fair values annually. The following factor have been considered for determination of fair value -

- (a) Leasehold properties** - These land properties have been allotted to Group on perpetual lease from the government for carrying out operations in normal course of business. The Group constantly reviews the utilisation of its facilities and any surplus properties are considered for letting out to earn rental income. Being leasehold properties, the Group is restricted from selling them in an active market, however, such properties can be converted into freehold properties at circle rates at which the government (or other bodies representing the government) would sell such properties in an active market. This is considered to be representative of the fair value of properties as at reporting date.
- (b) Freehold land** - The circle rates are considered to be a fair representation at which such properties can be sold in an active market.
- (c) Buildings** - In case of constructed building, cost of construction adjusted with the present day price index has been taken as the basis of valuation. Necessary depreciation for age and life of the structure has been taken into account.

MTNL STPI IT Services Limited (face value of ₹ 10 each fully paid up)	22,82,000	22,82,000	2.28	2.28
			2.28	2.28
Add: share of from joint ventures accounted through equity method			0.79	0.89
			3.07	3.17

Notes:

- (a) Refer note 51 for detailed information on interests in associates and joint ventures.
- (b) "As per article 12.19 (b) of Shareholders' agreement together with para 27 of the amendatory agreement (together referred to as 'amended agreement') entered into between MTNL, TCIL, TCL and NVPL (Nepal), together referred to as 'Investors' pursuant to their investment in United Telecom Limited ('UTL'), in case NVPL (the local partner in Nepal) decides to sell its stake to any third party, it requires prior consent of other Investors. Further, at such time, per exit clause in the agreement, any of the other Investors other than NVPL can exit the arrangement after 2 years from the amended agreement by issuing 3 month's notice. Pursuant to this exit clause, the Parent had issued notice to UTL on 30 January 2018 for making an exit. The notice is valid upto 30 April 2018 and subsequent to 30 April 2018, the local partner had sought time extension of another 3 months i.e. till 30 July 2018 for giving effect to the exit requested by the Parent. NVPL vide its letter dated 31 March 2021, has requested MTNL to submit its response against the draft Share Purchase Agreement ('SPA') for acquisition of shares held by Investors at face value of Nepalese Rupees 100 per share and MTNL is in the process of reviewing and finalising the said SPA. Accordingly, such investment has been classified as 'held for sale' in the financial statements for year ended 31 March 2021 and 31 March 2022. Refer note 23 for details."

10. Loans

(₹ in crores)

	'31 March 2022 Non-current	'31 March 2021 Non-current
Secured, considered good		
Loan to employees	3.49	3.41
Less: allowance for credit impaired loans	(0.06)	-
	3.43	3.41

Notes:

- (i) No loans are due from director or other officers of the Group either severally or jointly with any other person. Further, no loans are due from firms or private companies respectively in which any director is partner, director or a member.
- (ii) Refer note 48 - Fair value disclosures for disclosure of fair value in respect of financial assets measured at amortised cost and note 49 - Financial risk management for assessment of expected credit losses.

11. Other financial assets

(₹ in crores)

	'31 March 2022 Non-current	'31 March 2021 Non-current

	378.69	428.30

23. Assets held for sale

(₹ in crores)

	31 March 2022	31 March 2021
Property, plant and equipment (refer note (a))	0.05	0.07
Investment in equity method accounted investee		
Investments in United Telecom Limited (refer note (b))	35.85	35.85
Less: share of loss share from associates accounted using equity method	(35.85)	(35.85)
	0.05	0.07

Notes:

- (a) In respect of assets classified as held for sale, the Group was in the process to sell switches and BTS-batteries originally acquired for GSM Services in Mumbai in earlier years. A tender was floated for auction of the asset held for sale, which failed due to technical reasons that was not originally envisaged. Another tender was under process for auction of the asset at the year ending 31 March 2022 and favourable resolution is expected. Therefore, such assets continue to be classified as held for sale.

Non-recurring fair value measurements

Asset classified as held for sale was measured at the lower of its carrying amount and fair value less costs to sell at the time of re-classification, resulting in the recognition of a write down of ₹ nil (31 March 2021: ₹ nil) as impairment loss in the statement of profit and loss.

- “(b) As per article 12.19 (b) of Shareholders’ agreement together with para 27 of the amendatory agreement (together referred to as ‘amended agreement’) entered into between MTNL, TCIL, TCL and NVPL (Nepal), together referred to as ‘Investors’ pursuant to their investment in United Telecom Limited (‘UTL’), in case NVPL (the local partner in Nepal) decides to sell its stake to any third party, it requires prior consent of other Investors. Further, at such time, per exit clause in the agreement, any of the other Investors other than NVPL can exit the arrangement after 2 years from the amended agreement by issuing 3 month’s notice. Pursuant to this exit clause, the Parent had issued notice to UTL on 30 January 2018 for making an exit. The notice is valid upto 30 April 2018 and subsequent to 30 April 2018, the local partner had sought time extension of another 3 months i.e. till 30 July 2018 for giving effect to the exit requested by the Parent. NVPL vide its letter dated 31 March 2021, has requested MTNL to submit its response against the draft Share Purchase Agreement (‘SPA’) for acquisition of shares held by Investors at face value of Nepalese Rupees 100 per share and MTNL is in the process of reviewing and finalising the said SPA. Accordingly, such investment has been classified as ‘held for sale’ in the financial statements for year ended 31 March 2021 and 31 March 2022.”

Non-recurring fair value measurements

The recoverable amount is expected to be higher than the carrying value of such investment and therefore, no further loss required to be recognised upon classification of such investment as ‘held for sale’.

24. Equity share capital

(₹ in crores)

	31 March 2022	31 March 2021
Authorised capital		
3,500,000,000 (previous year 3,500,000,000) equity shares of ₹ 10 each	3,500.00	3,500.00
650,000,000 (previous year 650,000,000) preference shares of ₹ 100 each	6,500.00	6,500.00
	10,000.00	10,000.00
Issued, subscribed and fully paid up		
630,000,000 (previous year 630,000,000) equity shares of ₹ 10 each fully paid up	630.00	630.00
	630.00	630.00

a) Reconciliation of equity shares outstanding at the beginning and at the end of the year.

	31 March 2022		31 March 2021	
	No. of shares	(₹ in crores)	No. of shares	(₹ in crores)
Equity shares at the beginning of the year	63,00,00,000	630.00	63,00,00,000	630.00
Changes during the year	-	-	-	-
Equity shares at the end of the year	63,00,00,000	630.00	63,00,00,000	630.00

b) Rights/preferences/restrictions attached to equity shares

The Parent has only one class of equity shares having par value of ₹ 10 per share. Each holder of equity shares is entitled to one vote per share. The Parent declares and pays dividends in Indian rupees. In the event of liquidation of the Parent, the holders of equity shares will be entitled to receive remaining assets of the Parent, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

c) Details of shareholders holding more than 5% shares in the Parent

	As on 31 March 2022		As on 31 March 2021	
	No. of shares	(% in crores)	No. of shares	(% in crores)
Equity shares of ₹ 10 each fully paid up

Foreign currency translation for current year	(6.65)	(8.70)
	(6.17)	0.49
	902.13	984.86

Nature and purpose of other reserves:**(i) Debenture redemption reserve**

The Group holding is a listed company and mode of issue of debentures is private placement basis, there is no adequacy to maintain Debenture Redemption Reserve (DRR) under Rule 18 (7) (b) (iii) (B) B of Companies (Share Capital and Debenture) Rules, 2014.

(ii) Securities premium

Securities premium represents premium received on issue of shares. The reserve can be utilised in accordance with the provisions of the Companies Act.

(iii) Contingency reserve

The Group created this reserve for unforeseen tax demands/disallowances by Income tax department under section 80IA of the Income Tax Act, 1961.

(iv) Other Comprehensive Income(OCI)

The Group has recognised remeasurements benefits on defined benefits plans through Other comprehensive income.

(v) Foreign currency translation reserve

Exchange differences arising on translation of the foreign operations are recognised in other comprehensive income as described in accounting policy and accumulated in a separate reserve within equity. The cumulative amount is reclassified to statement of profit and loss when the net investment is disposed-off.

Provision for asset retirement obligations	17.32	16.54
	385.72	238.58

(i) Information about individual provisions and significant estimates

- (a) **Provision for asset retirement obligations:** The Group as part of its business installs wireless telecommunication towers and other equipments for facilitating telecommunication services to its customers and is under an obligation to decommission the tower and replenish the site at end of useful life of the tower and other equipment. For the purpose of same Appendix A to Ind AS 16, "Property, Plant and Equipment" states measurement of Property, plant and equipment to include initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located. The Group has estimated the cost of dismantling based on independent bids received from open market and the same have been escalated using the expected inflation rate (6% per annum) and discounted at the rates prevailing at each period end date.
- (b) For disclosures required related to provision for employee benefits, refer note 52 - Employee benefit obligations

(ii) Movement in provision related to asset retirement obligations during the financial year:
(₹ in crores)

	31 March 2022	31 March 2021
As at beginning of reporting period	16.54	15.97
Additions during the year	0.08	0.02
Amounts used during the year on account of dismantled towers	(0.10)	(0.06)
Increase in the discounted amount arising from the passage of time and effect of any change in discount rate	0.81	0.61
As at end of reporting period	17.32	16.54

30. Other financial liabilities (₹ in crores)

45. Tax expense

(₹ in crores)

	31 March 2022	31 March 2021
Current tax (including taxes earlier years)	2.44	1.50
Deferred tax	0.48	0.57
	2.91	2.07

The major components of income tax expense and the reconciliation of expense based on the domestic effective tax rate of at 34.944% and the reported tax expense in profit or loss are as follows:

(₹ in crores)

	31 March 2022	31 March 2021
Accounting profit/(loss) before income tax		
- From continuing operations	(2,600.21)	(2,459.19)
- From discontinued operations	-	-
Total accounting loss before tax	(2,600.21)	(2,459.19)
At country's statutory income tax rate of 34.944% (31 March 2020: 34.944%)	(908.62)	(859.34)

	31 March 2022	31 March 2021
Adjustments in respect of taxes earlier years	-	-
Difference in property, plant and equipment as per books and Income Tax Act, 1961	124.17	148.09
Non-deductible expenses for tax purposes	(66.77)	(88.30)
Employee benefits allowed on payment basis	0.74	(12.67)
Deferred tax not created on losses for current year	880.39	814.30
	29.91	2.07

- (i) MTNL has unabsorbed depreciation and brought forward business losses amounting to ₹ 25,778.78 crores as on 31 March 2022 (31 March 2021 - 23,405.24 crores) on which no deferred tax asset has been recognised. Deferred tax asset shall be created in the year in which the Company will have reasonable certainty of future taxable income as required by Indian Accounting Standard 12 - "Income Taxes" as specified under Section 133 of the Companies Act, 2013 read with Rule 7 of Companies (Accounts) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.
- (ii) The Parent has not recognized tax expense/credit (current and deferred tax) in the statement of profit and loss (including other comprehensive income) as the Company is incurring losses and there is no reasonable certainty supported by convincing evidence that sufficient future taxable profits will be available against which unused tax losses can be utilized.
- (iii) Details of year wise expiry are given below: (₹ in crores)

Particulars	Year of origination	Year of expiry	Amount
Brought forward losses	Assessment year 2015-16	Financial year 2021-22	1,941.74
Brought forward losses	Assessment year 2016-17	Financial year 2023-24	1,042.33
Brought forward losses	Assessment year 2017-18	Financial year 2024-25	2,242.83
Brought forward losses	Assessment year 2018-19	Financial year 2025-26	2,457.36
Brought forward losses	Assessment year 2019-20	Financial year 2026-27	2,825.57
Brought forward losses	Assessment year 2020-21	Financial year 2027-28	2,965.61
Brought forward losses	Assessment year 2021-22	Financial year 2028-29	2,853.22
Brought forward losses	Assessment year 2022-23	Financial year 2029-30	2,032.56
Unabsorbed depreciation	Multiple	Indefinite	7,417.56

46. Other Comprehensive Income

(₹ in crores)

	31 March 2022	31 March 2021
Items that will not be reclassified to profit or loss		
Re-measurement gains (losses) on defined benefit plans	(13.98)	7.55
Income tax effect	-	-
	(13.98)	7.55
Items that will be reclassified to profit or loss		
Foreign currency translation of foreign operations	(6.65)	(8.70)
Income tax effect	-	-
	(6.65)	(8.70)
Other comprehensive loss for the year	(20.63)	(1.15)

47. Earnings per equity share

The Parent's Earnings Per Share ('EPS') is determined based on the net profit attributable to the shareholders' of the Parent. Basic earnings per share is computed using the weighted average number of shares outstanding during the year. Diluted earnings per share is computed using the weighted average number of common and dilutive common equivalent shares outstanding during the year including share options, except where the result would be anti-dilutive.

(₹ in crores)

	31 March 2022	31 March 2021
Net loss attributable to equity shareholders	(2,603.12)	(2,461.26)
	(2,603.12)	(2,461.26)
Loss per equity share:		
Nominal value of equity share (₹)	10.00	10.00
Weighted-average number of equity shares for basic and diluted EPS	63,00,00,000	63,00,00,000
Basic and diluted loss per share (₹)	(41.32)	(39.07)

48. Fair value disclosures

i) Fair values hierarchy

Financial assets and financial liabilities measured at fair value in the statement of financial position are divided into three Levels of a fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: quoted prices (unadjusted) in active markets for financial instruments.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data rely as little as possible on entity specific estimates.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

ii) Financial assets and liabilities measured at fair value - recurring fair value measurements

(iii) Fair value of instruments measured at amortised cost

Fair value of instruments measured at amortised cost for which fair value is disclosed is as follows:

(₹ in crores)

Particulars	Level	31 March 2022		31 March 2021	
		Carrying value	Fair value	Carrying value	Fair value
Financial assets					
Loans	Level 3	6.51	7.16	31.24	31.24
Other financial assets	Level 3	4,815.39	4,805.40	4,829.32	4,543.32
Total financial assets		4,821.89	4,812.56	4,860.56	4,574.56
Borrowings	Level 3	26,606.48	26,651.45	25,348.54	19,736.00
Other financial liabilities	Level 3	2,022.39	1,996.26	1,961.09	1,913.54
Total financial liabilities		28,628.87	28,647.71	27,309.63	21,649.54

The management assessed that cash and cash equivalents, other bank balances, trade receivables, other receivables, trade payables and short-term borrowings approximate their carrying amounts largely due to the short-term maturities of these instruments. The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values:

- (i) Long-term fixed-rate and variable-rate receivables are evaluated by the Group based on parameters such as interest rates, individual creditworthiness of the customer and other market risk factors. Based on this evaluation, allowances are taken into account for the expected credit losses of these receivables.
- (ii) The fair values of the Group's interest-bearing borrowings, loans and receivables are determined by applying discounted cash flows ('DCF') method, using discount rate that reflects the issuer's borrowing rate as at the end of the reporting period. The own non-performance risk as at 31 March 2022 was assessed to be insignificant.

49. Financial risk management

i) Financial instruments by category

(₹ in crores)

Particulars	31 March 2022			31 March 2021		
	FVTPL	FVOCI	Amortised cost	FVTPL	FVOCI	Amortised cost

Total	-	-	29,676.64	-	-	28,011.35

*Investment in equity instrument of joint ventures and associates have been accounted using equity method of accounting and hence, not presented here.

ii) Risk Management

The Group's activities expose it to market risk, liquidity risk and credit risk. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, trade receivables, financial assets measured at amortised cost	Aging analysis	Bank deposits, diversification of asset base, credit limits and collateral.
Liquidity risk	Borrowings and other liabilities	"Rolling cash flow forecasts"	Availability of committed credit lines and borrowing facilities
Market risk - foreign exchange	Recognised financial assets and liabilities not denominated in Indian rupee (INR)	Cash flow forecasting	Forward contract/hedging, if required
Market risk - interest rate	Long-term borrowings at variable rates	Sensitivity analysis	Negotiation of terms that reflect the market factors
Market risk - security price	Investments in equity securities	Sensitivity analysis	Group presently does not make any investments in equity shares, except for entities where it exercises control or joint control or significant influence.

The Group's risk management is carried out by a central treasury department (of the Parent) under policies approved by the board of directors. The board of directors provides written principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk and investment of excess liquidity.

A) Credit risk

"Credit risk is the risk that a counterparty fails to discharge an obligation to the Group. The Group is exposed to this risk for various financial instruments, for example by granting loans and receivables to customers, placing deposits, etc. The Group's maximum exposure to credit risk is limited to the carrying amount of following types of financial assets.

- cash and cash equivalents,
- trade receivables,
- loans & receivables carried at amortised cost, and
- deposits with banks and financial institutions."

a) Credit risk management

The Group assesses and manages credit risk based on internal credit rating system, continuously monitoring defaults of customers and other counterparties, identified either individually or by the Group, and incorporates this information into its credit risk controls. Internal credit rating is performed for each class of financial instruments with different characteristics. The Group assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

- A: Low
- B: Medium
- C: High

'Assets under credit risk -

(₹ in crores)

Credit rating	Particulars	31 March 2022	31 March 2021
A: Low	Loans	8.45	31.24
	Other financial assets	4,787.18	4,815.12
	Bank deposits	73.82	205.11
	Cash and cash equivalents	99.27	127.09
B: Medium	Trade receivables	670.97	771.71
C: High	Trade receivables	1,136.89	1,017.04
	Investments	100.00	100.00
	Loans	1.95	0.01
	Other financial assets	95.14	93.58
	Cash and cash equivalents	0.56	0.56

Cash & cash equivalents and bank deposits

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits and accounts in different banks across the country.

Trade receivables

Credit risk related to trade receivables are mitigated by taking bank guarantees from customers where credit risk is high. The Group closely monitors the credit-worthiness of the debtors through internal systems that are configured to define credit limits of customers, thereby, limiting the credit risk to pre-calculated amounts. The Group assesses increase in credit risk on an ongoing basis for amounts receivable that become past due and default is considered to have occurred when amounts receivable become past due in each business segment as follows:

- (i) Cellular: Six months past due
- (ii) Basic & other services: Three years past due

Other financial assets measured at amortised cost

Other financial assets measured at amortized cost includes loans and advances to employees, security deposits and others. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system in place ensure the amounts are within defined limits.

b) Expected credit losses

The Group provides for expected credit losses based on the following:

Trade receivables

- (i) The Group recognizes lifetime expected credit losses on trade receivables using a simplified approach, wherein Group has defined percentage of provision by analysing historical trend of default relevant to each business segment based on the criteria defined above. And such

provision percentage determined have been considered to recognise life time expected credit losses on trade receivables (other than those where default criteria are met).

Particulars	31 March 2022		31 March 2021	
	Basic & other services	Cellular	Basic & other services	Cellular
Gross amount of sales	2,679.24	8.24	4,225.30	9.33
Expected loss rate	4.44%	23.31%	2.63%	24.47%
Expected credit loss (loss allowance provision)	119.00	1.92	110.93	2.28
Receivables due from customers where specific default has occurred	774.78	238.37	658.53	242.38

During the periods presented, the Group made no write-offs of trade receivables.

- (ii) Reconciliation of loss allowance provision from beginning to end of reporting period: (₹ in crores)

Reconciliation of loss allowance	Trade receivables
Loss allowance on 31 March 2020	(935.70)
Add/ (Less): Changes in loss allowances due to write off/recovery	4.56
Add/ (Less): Changes in loss allowances due to assets originated or purchased	(85.90)
Loss allowance on 31 March 2021	(1,017.04)
Add/ (Less): Changes in loss allowances due to write off/recovery	15.11
Add/ (Less): Changes in loss allowances due to assets originated or purchased	(134.96)
Loss allowance on 31 March 2022	(1,136.89)

Other financial assets measured at amortised cost

Group provides for expected credit losses on loans and advances other than trade receivables by assessing individual financial instruments for expectation of any credit losses. Since this category includes loans and receivables of varied natures and purpose, there is no trend that the Group can draw to apply consistently to entire population. For such financial assets, the Group's policy is to provide for 12 month expected credit losses upon initial recognition and provides for lifetime expected credit losses upon significant increase in credit risk. The Group does not have any expected loss based impairment recognised on such assets considering their low credit risk nature, though incurred loss provisions are disclosed under each sub-category of such financial assets.

B) Liquidity risk

"Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Group maintains flexibility in funding by maintaining availability under committed facilities. Management monitors rolling forecasts of the Group's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Group takes into account the liquidity of the market in which the entity operates. In addition, the Group's liquidity management policy

involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.”

a) Financing arrangements

The Group had access to the following undrawn borrowing facilities at the end of the reporting period: **(₹ in crores)**

Particulars	31 March 2022			31 March 2022		
	Total facility	Drawn	Undrawn	Total facility	Drawn	Undrawn
0-1 year	10,445.62	10,041.28	404.34	8,850.28	7,176.37	1,673.91
1-2 years	3,137.50	3,137.50	-	2,987.31	2,987.31	-
More than 2 years	3,961.01	3,961.01	-	5,718.27	5,718.27	-
Total	17,544.13	17,139.79	404.34	17,555.86	15,881.95	1,673.91

b) Maturities of financial liabilities

The tables below analyse the Group’s financial liabilities into relevant maturity based on their contractual maturities for all non-derivative financial liabilities.

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

(₹ in crores)

31 March 2022	Less than 1 year	1-3 year	3-5 year	More than 5 years	Total
Non-derivatives					
Long term borrowings (including bonds)	5,503.92	9,239.53	2,335.14	8,318.75	25,397.34

Total	10,946.34	11,139.62	3,914.28	9,426.08	35,426.33

C) Market Risk
a) Foreign currency risk

The Group is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the US Dollar and Euro. Foreign exchange risk arises from recognised assets and liabilities denominated in a currency that is not the functional currency of any of the Group entities. Considering the low volume of foreign currency transactions, the Group's exposure to foreign currency risk is limited and the Group hence does not use any derivative instruments to manage its exposure. Also, the Group does not use forward contracts and swaps for speculative purposes.

(i) Foreign currency risk exposure in USD:

The Group's exposure to foreign currency risk at the end of the reporting period expressed in ₹, are as follows **(₹ in crores)**

Particulars	31 March 2022	31 March 2021
Financial assets	6.41	5.76
Financial liabilities	4.76	4.48
Net exposure to foreign currency risk (liabilities)	1.65	1.28

Sensitivity

The sensitivity of profit or loss to changes in the exchange rates arises mainly from foreign currency denominated financial instruments. **(₹ in crores)**

Particulars	31 March 2022	31 March 2021
USD sensitivity		
INR/USD- increase by 500 bps (31 March 2021 500 bps)*	0.08	0.06
INR/USD- decrease by 500 bps (31 March 2021 500 bps)*	(0.08)	(0.06)

* Holding all other variables constant

(ii) Foreign currency risk exposure in EURO:

The Group's exposure to foreign currency risk at the end of the reporting period expressed in ₹, are as follows **(₹ in crores)**

Particulars	31 March 2022	31 March 2021
Financial assets	3.20	5.05
Financial liabilities	3.70	0.54
Net exposure to foreign currency risk (liabilities)	(0.50)	4.51

Sensitivity

The sensitivity of profit or loss to changes in the exchange rates arises mainly from foreign currency denominated financial instruments. (₹ in crores)

Particulars	31 March 2022	31 March 2021
EURO sensitivity		
INR/EURO- increase by 500 bps (31 March 2021 500 bps)*	(0.03)	0.23
INR/EURO- decrease by 500s bps (31 March 2021 500 bps)*	0.03	(0.23)

*Holding all other variables constant

b) Interest rate risk

i) Liabilities

The Group's policy is to minimise interest rate cash flow risk exposures on long-term financing. At 31 March 2022 and 31 March 2021, the Group is exposed to changes in interest rates through bank borrowings at variable interest rates. The Group's investments in fixed deposits carry fixed interest rates.

Interest rate risk exposure

Below is the overall exposure of the Group to interest rate risk: (₹ in crores)

Particulars	31 March 2022	31 March 2021
Variable rate borrowing	20,227.05	15,874.37
Fixed rate borrowing	9,475.05	9,474.18
Total borrowings	29,702.10	25,348.55

Sensitivity

Below is the sensitivity of profit or loss and equity changes in interest rates. (₹ in crores)

Particulars	31 March 2022	31 March 2021
Interest sensitivity*		
Interest rates – increase by 50 bps basis points	101.14	79.37
Interest rates – decrease by 50 bps basis points	(101.14)	(79.37)

* Holding all other variables constant

ii) Assets

The Group's fixed deposits are carried at amortised cost and are fixed rate deposits. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

c) Price risk

The Group does not have any significant investments in equity instruments which create an exposure to price risk.

50 Capital management

The Group's capital management objectives are

- to ensure the Group's ability to continue as a going concern
- to provide an adequate return to shareholders

The Group monitors capital on the basis of the carrying amount of equity less cash and cash equivalents as presented on the face of balance sheet.

Management assesses the Group's capital requirements in order to maintain an efficient overall financing structure while avoiding excessive leverage. This takes into account the subordination levels of the Group's various classes of debt. The Group manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Group may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares, or sell assets to reduce debt.

(₹ in crores)

Particulars	31 March 2022	31 March 2021
Net debt	26,606.48	25,348.54
Total equity	(18,668.26)	(16,044.50)
Net debt to equity ratio	(1.43)	(1.58)

The Group has not declared dividend in current year or previous year.

51 Group information

(a) Information about subsidiaries

The Parent's subsidiaries at 31 March 2022 are set out below. Unless otherwise stated, they have share capital consisting solely of equity shares that are held directly by the Parent, and the proportion of ownership interests held equals the voting rights held by the Parent. The country of incorporation or registration is also their principal place of business.

Name of the entity	Principal activities	County of incorporation	% equity interest	
			31 March 2022	31 March 2021
Millenium Telecom Limited	Information technology/data	India	100	100
Mahanagar Telephone (Mauritius) Limited	Telecommunication service	Mauritius	100	100
MTML Data Limited*	Telecommunication service	Mauritius	100	100
MTML International Limited*	Telecommunication service	Mauritius	100	100

(b) Interests in associates and joint ventures

Set out below are the associates and joint ventures of the Parent as at 31 March 2022 which, in the opinion of the directors, are material to the Parent. The entities listed below

have share capital consisting solely of equity shares, which are held directly by the Parent. The country of incorporation or registration is also their principal place of business, and the proportion of ownership interest is the same as the proportion of voting rights held.

Name of the entity	Principal activities	% equity Interest	Relationship	Accounting method
United Telecommunications Limited*	Nepal	26.68	Associate	Equity method
MTNL STPI IT Services Limited*	India	50.00	Joint Venture	Equity method

- (1) UTL provides basic, mobile, NLD, ILD and data services in Nepal.
- (2) MSITS aims to provide exclusive data center services, messaging services, business application services to the identified sectors of economic activity and thereby also popularizing the .in domain in the networked community across the world.

*Unlisted entity - no quoted price available

**In the current year, the Parent has made a proposal to UTL for sale of its stake and such investment has been classified as 'held for sale'. Refer note 23 for details.

- (i) **There are no commitments and contingent liabilities in respect of associates and joint ventures for which the Parent is liable.**

(ii) Summarised financial information for associate and joint venture

The tables below provide summarised financial information for those joint ventures and associates that are material to the Parent. The information disclosed reflects the amounts presented in the financial statements of the relevant associates and joint ventures and not Mahanagar Telephone Nigam Limited's share of those amounts. They have been amended to reflect adjustments made by the entity when using the equity method, including fair value adjustments made at the time of acquisition and modifications for differences in accounting policies.

52. Employee benefit obligations

(₹ in crores)

Particulars	31 March 2022		31 March 2021	
	Current	Non-current	Current	Non-current
Gratuity	10.40	142.20	9.11	139.11
Compensated absences	15.70	211.04	11.00	196.49
Total	26.10	353.24	20.11	335.60

“Gratuity”

“The Company provides for gratuity for employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service.

For the funded plan, the Company makes contributions to recognised debt base funds in India. The Company does not fully fund the liability and maintains a target level of funding to be maintained over a period of time based on estimations of expected payments. The expected contribution to the plan for next annual reporting period amounts to ₹ 7.76 crores (previous year - ₹ 7.35 crores). The weighted average duration of the defined benefit obligation as at 31 March 2022 is 11 to 12 years (31 March 2021: 12 to 13 years).”

A Disclosure of gratuity**(i) Amount recognised in the statement of profit and loss is as under:**

(₹ in crores)

Description	31 March 2022	31 March 2021
Current service cost	7.38	6.44
Amount recognised in the statement of profit and loss	7.38	6.44

(ii) Movement in the liability recognised in the balance sheet is as under:

(₹ in crores)

Description	31 March 2022	31 March 2021
Present value of defined benefit obligation as at the start of the year	148.22	153.69
Current service cost	7.38	6.44
Past service cost including curtailment gains/losses		
Interest cost	10.15	10.51
Actuarial loss recognised during the year	2.64	(9.32)
Benefits paid	(15.79)	(13.10)
Present value of defined benefit obligation as at the end of the year	152.60	148.22

(iii) Movement in the plan assets recognised in the balance sheet is as under: (₹ in crores)

Description	31 March 2022	31 March 2021
Fair value of plan assets at beginning of year	179.06	270.35
Expected return on plan assets	12.26	18.49
Transfer to/from MTNL	32.93	(94.50)
Receivable from MTNL	4.38	-
Premium redemption reserve	(0.02)	(0.41)
Advance income	-	-
Actuarial gain on plan assets	(11.35)	(1.77)
Benefits paid	(15.79)	(13.10)
Fair value of plan assets at the end of the year	201.47	179.06
Actual return on plan assets	0.91	16.72

(iv) Breakup of actuarial (gain)/loss: (₹ in crores)

Description	31 March 2022	31 March 2021
Actuarial (gain)/loss on arising from change in financial assumption	(1.54)	(3.83)
Actuarial (gain)/loss on arising from experience adjustment	4.17	(5.49)
Actuarial (gain)/loss on plan assets	11.35	1.77
Total actuarial (gain)/loss	13.98	(7.55)

(v) Actuarial assumptions (₹ in crores)

Description	31 March 2022	31 March 2021
Discount rate	7.15%	6.85%
Future basic salary increase	3.50%	3.50%
Future DA increase	4.00%	4.00%

These assumptions were developed by management with the assistance of independent actuarial appraisers. Discount factors are determined close to each year-end by reference to government bonds of relevant economic markets and that have terms to maturity approximating to the terms of the related obligation. Other assumptions are based on management's historical experience.

(vi) Sensitivity analysis for gratuity liability (₹ in crores)

Description	31 March 2022	31 March 2021
Impact of the change in discount rate		
Present value of obligation at the end of the year	152.60	148.22
- Impact due to increase of 0.50 %	(6.60)	(6.44)
- Impact due to decrease of 0.50 %	7.08	6.92
Impact of the change in salary increase		
Present value of obligation at the end of the year	152.60	148.22
- Impact due to increase of 0.50 %	4.99	5.25
- Impact due to decrease of 0.50 %	(5.14)	(5.34)

The above sensitivity analysis are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied which was applied while calculating the defined benefit obligation liability recognised in the balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to previous period.

(vii) Maturity profile of defined benefit obligation

(₹ in crores)

Description	31 March 2022	31 March 2021
Within next 12 months	10.40	9.11
Between 1-5 years	39.30	42.13
Between 5-10 years	102.90	96.97

(viii) Category of investment in gratuity trust:

(₹ in crores)

Particulars	31 March 2022	31 March 2021
Government of India Securities	7.06	1.76
Corporate bonds	92.04	73.68
State government securities	23.16	32.28
Mutual funds	2.40	1.13
Others	38.41	-
LIC	1.09	39.37
Total	164.16	148.22

B Compensated absences

The leave obligations cover the Company's liability for sick and earned leaves. The Company does not have an unconditional right to defer settlement for the obligation shown as current provision balance above. However based on past experience, the Company does not expect all employees to take the full amount of accrued leave or require payment within the next 12 months, therefore based on the independent actuarial report, only a certain amount of provision has been presented as current and remaining as non-current. Amount of ₹ 33.76 crores (previous year: ₹ 269.40 crores) has been recognised in the statement of profit and loss.

C Defined contribution plans

Contributions are made to the Government Provident Fund and Family Pension Fund which cover all regular employees eligible under applicable Acts. Both the eligible employees and the Group make pre-determined contributions to the Provident Fund. The contributions are normally based upon a proportion of the employee's salary.

The Group has recognized the following amounts in the statement of profit and loss :

Particulars	31 March 2022	31 March 2021
Employer contribution to provident fund*	26.65	24.93
Leave encashment contribution for DoT employees**	0.45	0.59
Pension contribution for DoT employees***	0.58	0.82
Pension contribution for company employees****	11.91	11.86

* Mentioned as contribution to CPF

** Mentioned as leave encashment - Others

*** Mentioned as pension contribution - Others

**** Mentioned as pension contribution - Company employees

- D.** Gratuity and compensated absences is payable to the employees on death or resignation or on retirement at the attainment of superannuation age. To provide for these eventualities, the Actuary has used LIC (1994-96) Ultimate table for mortality in service and LIC (1996-98) table for mortality in retirement.
- E.** Mortality in service is assumed on the basis of LIC (1994-96) Ultimate table for mortality in service and LIC (1996-98) table.
- F.** The Group has taken an Insurance Policy for medical benefits in respect of its retired and working employees. The Insurance Policy is fully funded by the Group.

viii. The Group has certain transactions with respect to sale and purchase of services and receives reimbursement of expenses (vis-a-vis electricity and water charges) in relation to renting of immovable property from BSNL.

“*As per article 12.19 (b) of Shareholders’ agreement together with para 27 of the amendatory agreement (together referred to as ‘amended agreement’) entered into between MTNL, TCIL, TCL and NVPL (Nepal), together referred to as ‘Investors’ pursuant to their investment in United Telecom Limited (‘UTL’), in case NVPL (the local partner in Nepal) decides to sell its stake to any third party, it requires prior consent of other Investors. Further, at such time, per exit clause in the agreement, any of the other Investors other than NVPL can exit the arrangement after 2 years from the amended agreement by issuing 3 month’s notice. Pursuant to this exit clause, the Parent had issued notice to UTL on 30 January 2018 for making an exit. The notice is valid upto 30 April 2018 and subsequent to 30 April 2018, the local partner had sought time extension of another 3 months i.e. till 30 July 2018 for giving effect to the exit requested by the Parent. NVPL vide its letter dated 31 March 2021, has requested MTNL to submit its response against the draft Share Purchase Agreement (‘SPA’) for acquisition of shares held by Investors at face value of Nepalese Rupees 100 per share and MTNL is in the process of reviewing and finalising the said SPA. Accordingly, such investment has been classified as ‘held for sale’ in the financial statements for year ended 31 March 2021 and 31 March 2022. Refer note 23 for details.”

Add: Interest income					83.80					51.51
Less: Finance cost					(2,139.62)					(2,107.24)
Add: Share of profit or loss from joint venture and associate					1.15					0.81
Loss before tax					(2,600.21)					(2,459.19)
Less: Tax expense					2.91					2.07
Loss after tax					(2,603.12)					(2,461.26)
Other comprehensive income/ (loss)					(20.63)					(1.15)
Total other comprehensive loss					(2,623.75)					(2,462.41)

B) Capital employed

(₹ in crores)

Particulars	31 March 2022				31 March 2021			
	Basic & other Services	Cellular	Unallocable/ eliminations	Total	Basic & other Services	Cellular	Unallocable/ eliminations	Total
Segment assets (A)	6,633.66	4,066.71	1,616.38	12,316.74	7,124.08	4,521.73	1,729.55	13,375.37
Segment liabilities (B)	2,688.53	26,092.99	2,203.48	30,985.00	2,585.83	24,109.09	2,724.95	29,419.87
Capital employed (A-B)	3,945.13	(22,026.28)	(587.11)	(18,668.26)	4,538.26	(19,587.35)	(995.41)	(16,044.50)

Notes:

- i Operating segments have been identified by the Group taking into account nature of services, associated risks and returns and internal reporting system that reflects the manner in which operating results are regularly reviewed by the Chief Operating Decision Maker for purpose of making decisions on resources to be allocated to such segments and assess their performance.
- ii The Group caters to the needs of mainly two metro cities viz. Delhi and Mumbai, wherein the risk and return are not different to each other. As such there are no reportable geographical segments.
- iii Segment revenue, segment results, segment assets and segment liabilities include the respective amount identifiable for each operating segment. Items which are not directly related to the business segment are shown as unallocable.

57. Ind AS 116 Leases

The Group has leases for office building, towers and related facilities and cars. With the exception of short-term leases and leases of low-value underlying assets, each lease is reflected on the balance sheet as a right-of-use asset and a lease liability. Variable lease payments which do not depend on an index or a rate are excluded from the initial measurement of the lease liability and right of use assets. The Group classifies its right-of-use assets in a consistent manner to its property, plant and equipment.

Each lease generally imposes a restriction that, unless there is a contractual right for the Group to sublease the asset to another party, the right-of-use asset can only be used by the Group. Some leases contain an option to extend the lease for a further term. The Group is prohibited from selling or pledging the underlying leased assets as security. For leases over office buildings and other premises the Group must keep those properties in a good state of repair and return the properties in their original condition at the end of the lease. Further, the Group is required to pay maintenance fees in accordance with the lease contracts.

(a) Lease payments not included in measurement of lease liability

The expense relating to payments not included in the measurement of the lease liability is as follows:

Particulars	31 March 2022
Variable lease payments	60.77

(b) Set out below are the carrying amounts of lease liabilities (included under borrowings) and the movements during the period

Particulars	31 March 2022
Opening balance	251.73
Additions	17.84
Deletions	(0.02)
Accretion of interest	21.68
Exchange difference	(0.06)
Payments	(78.01)
Closing balance	213.16
Current	68.67
Non-current	144.48

(c) The Company had total cash outflows for leases of ₹ 78.01 for the period ending 31 March 2022.

(d) Refer note 49(B)(b) for the maturity profile of lease liability.

(e) Information about extension and termination options

Right of use assets	Number of leases	Range of remaining term	Average remaining lease term	Number of leases with extension option	Number of leases with purchase option	Number of leases with termination option

60 Disclosure under the Micro, Small and Medium Enterprises Development Act, 2006 ("MSMED Act, 2006") is as under:

(₹ in crores)

	Particulars	31 March 2022	31 March 2021
(i)	the principal amount and the interest due thereon remaining unpaid to any supplier as at the end of each accounting year;	98.08	42.51
(ii)	the amount of interest paid by the buyer in terms of section 16, along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year;	Nil	Nil
(iii)	the amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under MSMED Act, 2006;	Nil	Nil
(iv)	the amount of interest accrued and remaining unpaid at the end of each accounting year; and	22.01	15.35
(v)	the amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise, for the purpose of disallowance as a deductible expenditure under Section 23.	Nil	Nil

The Group is in the process of seeking confirmation from its vendors regarding their status under the Micro, Small and Medium Enterprises Development Act, 2006. The above disclosure has been determined to the extent such parties have been identified on the basis of information available with the Group. This has been relied upon by the auditors.

60.A The Parent is covered under Section 135 of the Companies Act, 2013 and accordingly constituted a Corporate Social Responsibility Committee of the Board. However, as the Parent did not have average net profits based on the immediately preceding three financial years, the Parent is not required to spend amounts towards Corporate Social Responsibility in terms of the 2013 Act.

60.B During the year the Group has made expenditure in foreign currency equivalent to ₹ 4.40 crores (previous year ₹ 0.12 crores). Whereas earnings in foreign currency are ₹ 2.63 crores (previous year ₹ 0.44 crores).

61. Revenue from Contracts with Customers

“Indian Accounting Standard 115 Revenue from Contracts with Customers (“Ind AS 115”), establishes a framework for determining whether, how much and when revenue is recognised and requires disclosures about the nature, amount, timing and uncertainty of revenues and cash flows arising from customer contracts. Under Ind AS 115, revenue is recognised through a 5-step approach:

- (i) Identify the contract(s) with customer;
- (ii) Identify separate performance obligations in the contract;
- (iii) Determine the transaction price;
- (iv) Allocate the transaction price to the performance obligations; and
- (v) Recognise revenue when a performance obligation is satisfied.

The Group has adopted the standard on 1 April 2018 using modified retrospective approach with a cumulative catch-up adjustment made in retained earnings at the beginning of the current financial year, ie, 1 April 2018 as if the standard had always been in effect. The standard is applied only to contracts that are not completed as at 1 April 2018. Comparative information has not been restated and continues to be reported under the accounting standards in effect for those periods. The adoption of the new standard did not result in any adjustments to the Group’s revenue or net income.

(i) Revenue recognised in relation to contract assets and contract liabilities

Changes in contract assets:

(₹ crores)

Description	Year ended 31 March 2022
Contract assets at the beginning of the year	128.15
Add: revenue recognised during the year	1,231.55
Less: invoices raised during the year	(1,227.12)
	132.59

Changes in contract liabilities:
(₹ crores)

Description	"Year ended 31 March 2022"
Contract liabilities at the beginning of the year	510.51
Less: performance obligations satisfied in current year	(685.63)
Add: advance received during the year	624.55
	449.42

(ii) Disaggregation of revenue:
(₹ crores)

- E. 1. The Holding Company is in possession of multiple immovable properties (Delhi 38 & Mumbai 53) which were either free hold properties with DOT or taken on lease by Department of Telecommunications ("DoT") prior to incorporation of MTNL. On 30 March 1987, both DoT and MTNL entered into a sale deed for transfer of several movable and immovable assets from DoT to MTNL. The said transfer included both the freehold and leasehold lands and buildings, which are in possession of MTNL since its inception as per the sale deed. These freehold and leasehold immovable properties have not been mutated or renewed in the name of MTNL till date. However, considering MTNL is a Public Sector Undertaking ('PSU'), the sale deed not registered at that time and executed by DOT is deemed to have been registered for the purpose of transfer of all such assets in terms of section 90 of the Indian registration act, 1908. Accordingly, in the light of above, it is deemed that the immovable properties

both whether free hold or under lease, although not in the name of the MTNL and the unregistered sale deed dated 30 March 1987 is deemed execution of all such properties in favor of MTNL by Government and stamp duty payable, if any, will be borne and paid by Government as and when any such occasion arises as per the sale deed.

- For following properties in Mumbai, acquired by the company after 01-04-1986, the tile deed/lease agreements are not in the name of company and the title is vested with the issuing authority in case of freehold properties and lease agreement is executed on behalf of GOI/P&T/DOT/POI. In respect of Delhi for the properties acquired after 1-4-1986 (53 properties) are deemed to have been registered as conveyed by DDA.

Description of property	Type of Properties	Gross Carrying value	Held in name of	Whether promoter, director or their relative or employee	Period held - indicate range, where appropriate	Reason for not being held in name of company*	Remarks
PPE							
JUHU DANDA	Freehold Land	0	GOI/P&T	No			Letter of DOT is available on records for allotment of plot in favour of MTNL.
Bandra Reclamation	Freehold Building	10983418	Bombay Housing and Area Development Board	No			MHADA Allotment letter is available on records for allotment of land.
Magathane, Borivali(E)	Freehold Building	4270028	Bombay Housing and Area Development Board	No			MHADA Allotment letter is available on records for allotment of land.
Right to Use properties							
Purchase Cost Land from MHADA (Akurli)	Leasehold Land	6389373	MHADA	No			MHADA Allotment letter is available on records for allotment of land.
Purchase of land & Bldg. at Taloja NEW BOMBAY	Leasehold Land	196200	POI	No			Lease Agreement executed by MTNL on behalf of President of India.
PANVEL	Leasehold Land	-	POI (P&T)	No			Permission letter from Panvel Municipal Corporation is available on records.

3. In Delhi one leasehold properities and in Mumbai Nine freehold and leasehold land properities have been encroached by the various persons in respect of which matter is either pending in court or perusing with the various authorities for clearing the encroachment.
- F. The Holding Company had transactions during the year with companies struck off under section 248 of the Companies Act, 2013 or section 560 of Companies Act, 1956:

Name of the Company	Nature of transactions with struck company	Balance outstanding	Relationship with struck off company
Brightstar Telecommunications India Limited	Trade payables	0.06	Vendor

63. Financial ratios

This requirement is not relevant at the CFS level and hence not disclosed here.

64. Certain Lands and Buildings capitalized in the books are pending registration/legal vesting in the name of the Parent and the landed properties acquired from DOT have not been transferred in the name of the Parent and in the case of leasehold lands, the documentation is still pending. Stamp Duty on the lands and buildings acquired from DOT is payable by DOT as per sale deed and in respect of properties acquired after 01 April 1986, the documentation shall be contemplated at the time of sale or disposal as and when effected.
65. Department of Telecommunications (DOT) vide letter No. P-11014/19/2008-PP(Pt.I) dt. 28/12/2012 has levied One Time Spectrum Charges (OTSC) for the GSM and CDMA spectrum on MTNL. The charges also includes the spectrum given on trial basis to the extent of 4.4 MHz in 1800 MHz frequency. For the period from 01/07/2008 to 31/12/2012, initial 6.2 MHz spectrum was kept free and for the period from 01/01/2013 onwards, initial 4.4 MHz spectrum has been kept free. The calculations are further subject to change in accordance with the changes in the quantum of spectrum held by MTNL and the remaining valid period of license as per DOT. MTNL has surrendered some of the spectrum allotted on trial basis and does not require to pay for CDMA spectrum since it holds only 2.5 MHz spectrum in respect of CDMA. DOT has been apprised of the same and the matter is still under correspondence. Apart from this, the issue of charges for spectrum given on trial basis is also to be decided. Further MTNL has finally surrendered CDMA spectrum w.e.f. 28 February 2016. DOT has demanded an amount of ₹ 3,205.71 crores from MTNL on account of OTSC.

Besides, ab-initio, the very policy of levy of one time spectrum charges by DOT itself has been challenged by private operators and is sub judice as on date whereas MTNL's case is also to be decided by DOT on the basis of outcome of the court case and the spectrum surrendered or retained. The finalisation of charges and the modalities of payment are therefore to be crystallized yet and as on date the position is totally indeterminable as to the quantum of charges and also the liability if any. Pending final outcome of the issue which itself is sub judice and non finality of quantum of charges payable, if at all, to DOT, no provision is made in the books of accounts as the amount is totally indeterminable. However the contingent liability of ₹ 3,205.71 crores is shown on the

basis of the demand raised by DOT in respect of GSM which is very old and not insisted till date. As per industry related issue in litigation and TDSAT judgment there upon the estimated liability could not be more than Rs. 455.15 crore. As there is no further demand after the demand of Rs. 3205.71 cr dt. 08/01/2013 till now, the contingent liability also, if the same fructified, can not be more than Rs. 455.15 crore. As such the same is disclosed accordingly.

66. Certain claims in respect of damaged/lost fixed assets and inventory has been lodged with Insurance Companies by MTNL but the settlement of the claims is pending. Final adjustment in respect of difference between amount claimed and assets withdrawn will be made in the year of settlement of claim.
67. The Parent had claimed benefit under section 80IA of the Income Tax Act, 1961 for the financial year from 1996-97 to 2005-06. The appellate authorities have allowed the claim to the extent of 75% of the amount claimed. The Parent has preferred appeals for the remaining claim before the Hon'ble Court of Delhi. The Parent has retained the provision of ₹ 375.96 crores (previous year ₹ 375.96 crores) for this claim for the assessment years 1998-99, 1999-00 and 2000-2001, however, the demands on this account amounting to ₹ 243.22 crores (previous year ₹ 243.22 crores) for the assessment years 2000-01 to 2006-07 have been shown as contingent reserve to meet the contingency that may arise out of disallowances of claim of benefit u/s 80IA of Income Tax Act, 1961.

68. Litigations

- a) MTNL entered into contracts with M/s. M & N Publications Limited for printing, publishing and supply of telephone directories for Delhi and Mumbai unit for a period of 5 years starting from 1993. After printing and issue of 1993 (main & supplementary) and 1994 main directory, M/s. M & N Publications Ltd terminated the contract prematurely on 04 April 1996. MTNL, Mumbai & Delhi invoked Bank Guarantees on 09 April 1996, issued Legal Notice on 22 July 1996 and terminated the contract. Sole Arbitrator has been appointed by CMD, MTNL. The Sole Arbitrator has since given his award on 09 April 2013 partly in favour of MTNL, Mumbai and on 31 July 2013 in favour of MTNL, Delhi. The claim and counter claim under arbitration will be accounted for in the year when the ultimate collection/payment of the same becomes reasonably certain. M/s. M & N Publications has approached the Bombay & Delhi High Courts against the arbitration awards and MTNL also approached the Bombay & Delhi High Courts for balance amount due. The claim of ₹ 59.32 crores on this account has been shown as contingent liability in Delhi unit.
- b) As per directions of the Hon'ble Delhi High Court one UASL operator had paid to MTNL, Mumbai ₹ 124.93 crores and ₹ 33.99 crores in 2004-05 and 2005-06 respectively against the claim of ₹ 158.92 crores. The Parent has recognised the amount realized as revenue in the respective period. The Hon'ble TDSAT has ordered for refund of ₹ 96.71 crores. MTNL has filed a Civil Appeal and application for stay of operation of the order of TDSAT in the Hon'ble Supreme Court of India in which Supreme Court directed on 08 May 2014 that TDSAT will review the impugned order on seeking of it by appellant. MTNL filed review application which had been disposed off by Hon'ble TDSAT vide order dated 27 May 2014

on which MTNL filed CWP no.022764 dated 16 July 2014 in Hon'ble Supreme Court and the same is pending. Meanwhile UASL operator also filed appeal in Hon'ble Supreme Court. The claim of ₹ 96.71 crores on this account has been shown as contingent liability.

- c) MTNL Mumbai has received claims from M/s. BEST, Electricity supply provider categorizing MTNL at Commercial tariff instead of Industrial tariff. The claim has been made with retrospective effect for the period Feb-2007 to May-2009 in respect of HT connection and Jan-2002 to Apr-2011 in respect of LT connection. MTNL has represented to BEST for reconsideration which has not been accepted by BEST. Hence MTNL has approached Hon'ble Mumbai High Court and got a stay on the arrears claimed by BEST amounting to ₹ 20.82 crores. In the opinion of the management, there is remote possibility of the case being settled against MTNL.
- d) In respect of Mobile Services Delhi, a sum of ₹ 25.78 crores claimed by TCL towards ILD charges for the period Oct-09 to March-10 has not been paid due to heavy spurt in ILD traffic towards M/S TCL. On technical analysis it was found that these calls were made to some dubious and tiny destination. These destinations do not confirm to international numbering plan of the respective countries and are not approved destinations as per approved interconnect agreement. Further these calls have not got physically terminated to the destinations. The observations were shared with M/S TCL. M/S TCL has also been advised that the balance, which relates to fraudulent calls, is not payable and accordingly no provision has been made in the books of accounts. The matter was handed over to the committee for investigation. Subsequently M/S TCL filed a case in Hon'ble TDSAT for recovery of the amount, decision for which is awaited. The claim of ₹ 25.78 crores on this account has been shown as contingent liability.

In addition, the Group is subject to legal proceedings and claims, which have arisen in the ordinary course of business. The Group's management perceives that these legal actions, when ultimately concluded and determined, will not have any material impact on the Group's financial statements.

69. Settlements with BSNL:

The amount recoverable from BSNL is ₹ 5,675.92 crores (previous year ₹5,735.12 crores) and amount payable is ₹ 2,151.01 crores (previous year ₹ 2,116.91 crores). The net recoverable of ₹ 3,524.91 crores (previous year ₹ 3,618.20 crores) is subject to reconciliation and confirmation. The carrying value of the net recoverable from BSNL is ₹ 3,521.50 crores (previous year - ₹ 3,608.71 crores) measured at amortised cost.

70. Subscribers' dues and deposits:

Other current liabilities include credits on account of receipts including service tax/GST from subscribers amounting to ₹ 71.08 crores (previous year ₹ 88.22 crores), which could not be matched with corresponding debtors or identified as liability, as the case may be. Appropriate adjustments/ payments shall be made inclusive of service tax/GST, when these credits are matched or reconciled. Therefore, it could not be adjusted against making provision for doubtful debts.

71. The amounts of receivables and payables (including NLD / ILD Roaming operators) are subject to confirmation and reconciliation.
72. “The matching of billing for roaming receivables / payables with the actual traffic intimated by the MACH is being done. Further the roaming income is booked on the basis of actual invoices raised by MACH on behalf of MTNL. Similarly the roaming expenditure is booked on the basis of actual invoices received by MTNL from MACH on behalf of the other operators. However, regarding collection, the payment is directly received in the bank from other operators for varying periods. In MTNL Delhi unit, the collections received from the operators are matched in totality against the bills. The allocation of collection to individual operator’s account is pending in the absence of detailed information which is being sought. Therefore although the roaming income and expenditure are booked on actual basis, the roaming debtors are reconciled in totality in the absence of detailed information and such reconciliation is being done on regular basis.”
73. In case of Mumbai unit of the Parent, the balances with non-scheduled banks comprise of:

(₹ in crores)

Particulars	31 March 2022	31 March 2021
Indira Sahakari Bank Limited	0.56	0.56
(account closed, considered doubtful)	(0.56)	(0.56)

74. Settlements with DoT:

- a) Amount recoverable from DoT is ₹ 635.81 crores (previous year ₹ 898.42 crores) and amount payable is ₹ 454.46 crores (previous year ₹ 599.35 crores). The net recoverable of ₹ 181.34 crores (previous year ₹ 299.07 crores), (including ₹ 0.15 crores against ex-gratia (Previous year ₹ 0.15 crores)), Out of which ₹ 181.19 Crores (Previous year ₹ 298.92 crores) is subject to reconciliation and confirmation . There is no agreement between the MTNL and DoT for interest recoverable/payable on current account. Accordingly, no provision has been made for interest payable/receivable on balances during the year except charging of interest on GPF claims receivable from DoT.
- b) Deposits from applicants and subscribers as on 31 March 1986 were ₹ 81.32 crores (previous year ₹ 81.32 crores) in Mumbai unit as intimated provisionally by DoT. At the year end, these deposits amounted to ₹ 103.28 crores (previous year ₹ 103.28 crores), the difference being attributable to connections/refunds granted in respect of deposits received prior to 31 March 1986. Balance on this account still recoverable from DoT is ₹ 55.85 crores (previous year ₹ 55.85 crores).
- c) The total provision for Leave encashment is ₹ 226.74 crores up to 31 March 2022 (previous year ₹ 204.63 crores). Out of this, an amount of ₹ 45.49 crores (previous year ₹ 45.48 crores) and ₹ 43.37 crores (previous year ₹ 43.37 crores) is recoverable from DOT in respect of Company C & D and Company B employees respectively for the period prior to their absorption in MTNL.
- d) An amount of ₹ 6.52 crores (previous year ₹ 7.15 crores) towards GPF contribution is recoverable

from DOT as on 31 March 2022. The amount pertains to Company C& D and Company B employees absorbed in MTNL w.e.f. 01 November 1998 and 01 October 2000 respectively.

75. As per gazette notification no. GSR 138(E) dated 3rd March 2014 pensionary benefits in respect of absorbed combined service pension optees are being paid by the Government of India on BSNL pay scales. Gratuity provision for other than combined service pension optee employees of MTNL, and Leave Encashment provision for all of the employees of MTNL has been made on the basis of actuarial valuation.
76. There is no indication of any impairment of assets of the Company, on the basis of the company as a whole as a CGU under Indian Accounting Standards - 36 "Impairment of assets" as specified under Section 133 of the Companies Act, 2013.
77. As per the accounting policy, Bonus/ Exgratia is paid based on the productivity linked parameters and it is to be provided accordingly subject to the profitability of the Company. In view of losses, no provision for Bonus/ Exgratia has been made during the year.
78. Debenture Redemption Reserve: Being a listed company and mode of issue of debentures is private placement basis, there is no adequacy to maintain Debenture Redemption Reserve (DRR) under Rule 18 (7) (b) (iii) (B) B of Companies (Share Capital and Debenture) Rules, 2014.
79. There is no amount which is required to be transferred to Investor Education and Protection Fund by the Parent.
80. The Group has no foreseeable losses, which requires provision under applicable laws or accounting standards on long-term contracts and not dealing into derivative contracts at all.
81. The Bank Reconciliation Statements as at 31 March 2022 include unmatched/unlinked credits amounting to ₹ 3.68 crore (previous year ₹ 11.57 crore) and unmatched/unlinked debits ₹ 0.01 crore (previous year ₹ .081 crore) respectively. Reconciliation and follow up with the bank to match/rectify the same is in process.
82. The Group has incurred a loss of Rs 2,603.12 crores during the period under report. The company has been incurring continuous losses since year 2009-10 (except in FY 2013-14) and the net worth has been fully eroded for the year under report. Considering the continuous losses and negative net worth, the management has made an assessment of its ability to continue as a going concern. In pursuance DoT letter No. F. No. 30-04/2019-PSU Affairs dated 29th October, 2019 and decision of Board of Directors of MTNL through circular regulation on 04th November 2019, the MTNL Voluntary Retirement Scheme has been introduced with effect from 04th November 2019 under which 14,387 number of MTNL employees of all grades opted and granted VRS to reduce the legacy staff costs inherited on account of absorption of employees recruited under government w.e.f. 01.11.1998 and also on 01.10.2000 and the expenditure of ex-gratia on account of compensation was borne by the DOT/Government of India through budgetary supports as per approval of cabinet. The company therefore reduced the staff expenses from Rs. 2,400 crores per annum to Rs. 500 Crore per annum which will help the company to reduce

its costs and also thereby losses. Besides, the Government has approved the monetization of the lands and buildings of the company with the assistance from DIPAM in order to get rid of huge debt burden on the company. The monetization of land and buildings of the company is in process. In addition to this, Government has approved to provide 4G license to BSNL and infusion of fresh capital by the Government in lieu of granting 4G license is also being done. As per the deliberations, the maintenance and running of MTNL wireless network is also to be done by BSNL from 01.04.2021 (in case of Delhi) and from 01.09.2021 (in case of Mumbai) onwards to improve the quality of services and also launching of 4G services of MTNL as and when BSNL launches which also is likely to stabilise the revenue streams. The government has provided sovereign guarantee for issuance of NCD to MTNL vide F.No. 12(16)-B (SD)/2020 dt. 08/07/2020 for Rs. 6,500 crores. Accordingly, MTNL raised bonds for Rs. 6,500 crore in FY 2020-21 and further support from Govt. is also under consultation for grant of sovereign guarantee to MTNL by Government of India so that till the time the monetisation process is completed and the debt burden is reduced, MTNL can continue its operations smoothly without any issue. As of now, since Qtr IV of 2021-22 till date Company's EBIDTA is positive and this is likely to improve further to reduce its negativity in net worth in future. Besides these, DOT issued directions to all govt. departments and Ministries to use MTNL services invariably which would pave the way for revenue increase. All of the above, aspects are considered by the management while preparing the financial statements, and an assessment of its ability to continue as a going concern is made accordingly as required in SA (570) and Para 25 & 26 of Ind AS 1 "Presentation of Financial Statements".

- 83.** The amount recoverable from Reliance Communication and Reliance Infratel on account of Tower sharing is ₹ 0.36 crores and ₹ 5.28 crores. The companies are under insolvency proceedings before Hon'ble NCLT under IBC, 2016. The provision/write-off against the outstanding dues will be considered on final decision in this matter.
- 84.** Other income includes excess provision no longer required amounting to Rs 77.48 crs on account of necessary adjustment made in respective gratuity and leave encashment control accounts, related to leave encashment provision and with amount recoverable from LIC during the quarter and year ended 31st March, 2022.
- 85.** An amount of Rs 45.27 Crs earmarked for DRR has been transferred to Retained earnings during the year.
- 86.** As there is no other regulatory/legal requirement to maintain Research & Development Reserve at present, an amount of Rs 30.80 Crores lying in R&D Reserve has been transferred to Retained Earnings during the year.
- 87.** Certain items of property, plant and equipments such as batteries, Air conditioners, transformers, lifts and cables etc. are capitalized on account of replacement of old assets in existing property, plant and equipments. The removal of WDV of existing assets is pending till the relocation/decommissioning of existing assets which is under scrutiny and the consequential impact of the residual value will be considered at the time of scrap in the ensuing year.

88. "License fee on the Adjusted Gross Revenue (AGR) was calculated and accounted for on accrual basis in respect of both revenue and revenue sharing with other operators till F.Y. 2011-12. As per the directions of Supreme Court given earlier in respect of calculation of License Fees and AGR, the matter was referred back to TDSAT. TDSAT vide its judgment dated 23.04.2015 set aside the impugned demands of DOT and DOT was directed to rework the license fee in the light of their findings. However, MTNL is not a party to the dispute and the AGR is calculated as per License Agreement.

The issue of deduction claimed in AGR upto F.Y. 2011-12 in respect of revenue sharing on netting basis with BSNL has been taken up with DOT and BSNL while paying License Fees on actual payment basis from 2012-13 onwards. The impact of ₹ 140.36 crores on this account upto the year 2011-12 has been shown as contingent liability. DOT has assessed the LF calculated on the basis of AGR of MTNL.

Further, DOT has disallowed certain deductions claimed in the AGR e.g. PSTN charges, IUC payment to other operators etc. The deductions claimed in AGR were disallowed for want of documents from MTNL. MTNL has submitted the documents and the revision of assessment of LF is pending at the end of DOT. The provision assessment order of LF from 2006-07 to 2018-19 and SUC from 2011-12 to 2020-21 issued by DOT shows demand of ₹ 3,572.02 crores. The assessment is under revision in view of documents submitted by MTNL to CCA/ DOT. However an amount of ₹ 3,572.02 crores is shown as contingent liability. The list of LF related contingent liability is shown hereafter. Calculation of LF demand is not feasible to include in the notes. The Detail of LF Contingent Liability towards License Fee payable to DOT is given below.

MTNL Corporate Office
Detail of LF Contingent Liability of Licence Fee payable to DOT

i	<p>The Net Worth of the Company has been fully eroded; The Company has incurred net cash loss during the quarter and Year ended March 31, 2022 as well as in the previous year and the current liabilities exceeded the current assets substantially.</p> <p>Furthermore, Department of Public Enterprises vide its Office Memorandum No. DPE/5(1)/2014-Fin.(Part-IX-A) has classified the status of the Company as "Incipient Sick CPSE". Department of Telecommunication (DOT) has also confirmed the status vide its issue no. I/3000697/ 2017 through file no. 19-17/2017 – SU-II.</p> <p>However, the standalone financial results of the Company have been prepared on a going concern basis keeping in view the majority stake of the Government of India.</p> <p>Further, Union Cabinet has also approved the "Revival plan of BSNL and MTNL" by reducing employee costs, administrative allotment of spectrum for 4G services, debt restructuring by raising of sovereign guarantee bonds, monetization of assets and in principle approval for merger of BSNL and MTNL. Further, the Company had implemented the Voluntary Retirement Scheme in FY 2019-20 resulted into reduction in Employees Cost and also raised funds by issuing Bonds for ₹ 6,500 crore in FY 2020-21 in line with cabinet note.</p>	<p>As per IND AS-I, paras 25 & 26, management has considered all relevant factors including uncertainties as well as debt repayment schedules, support being given by govt. as promoter as per cabinet approval for various measures for revival of MTNL and prepared the accounts on going concern basis since the revival process has been already been approved by govt. As per approval of govt. 14387 numbers of employees were retired under VRS scheme which reduced staff cost from ₹ 2400 crores to ₹ 500 crores since 2020-21 onwards and sovereign guarantee bonds worth Rs. 6500 crores issued in FY. 2020-21 helped MTNL to restructure the debts . Apart from that the monetisation process through DIPAM is also going on. Besides 4G launching and handling of mobile services of MTNL by BSNL to improve the quality is being handled by BSNL . MTNL became EBIDTA positive since last financial year.</p> <p>Recently, As per F.NO.20-28/2022-PR dated 2nd August, 2022, the Union Cabinet in its meeting held on 27.07.2022 has approved the raising of Sovereign Guarantee bonds for MTNL with a tenure of 10 years or more for an amount of ₹ 17,571 crores for the next two financial years i.e 2022-23 with waiver of guarantee fee to repay its high cost debt and restructure it with new sustainable loan.</p> <p>Also in view of such unsustainable debts of MTNL, a committee of Secretaries will be constituted by the Govt. to examine matters such as asset monetization, AGR dues, debt restructuring etc. for further course of action for merger of MTNL & BSNL. The govt. will provide the budgetary support of ₹ 1600 crores for this restructuring and operational integration. Also BSNL will provide all telecom services in Delhi & Mumbai through leasing of operational assets or other appropriate model. Once operations are fully taken over by BSNL in Delhi & Mumbai, MTNL would be left with land/building assets which it will continue to monetize through NLMC to discharge its loan liabilities.</p>

Sr.No.	Qualification	Management Reply
		<p>As such considering all these aspects at the time of closing of accounts including the advanced stage of the process for cabinet approval, management has assessed the company as a going concern.</p>
<p>ii</p>	<p>Bharat Sanchar Nigam Limited (BSNL):</p> <p>a) Bharat Sanchar Nigam Limited (BSNL): The Company has certain balances receivables from and payables to Bharat Sanchar Nigam Limited (BSNL). The net amount recoverable of ₹ 3521.50 Crores is subject to reconciliation and confirmation. In view of non-reconciliation and non-confirmation and also in view of various pending disputes regarding claims and counter claims, we are not in a position to ascertain and comment on the correctness of the outstanding balances and resultant impact of the same on the standalone financial results of the Company.</p> <p>b) The Company has not provided a provision for doubtful claims in respect of lapsed CENVAT Credit due to non-payment of service tax to service providers within the period of 180 days and due to transition provision under Goods and Service Tax (GST) where the aforesaid CENVAT credit amounting to ₹ 115.97 Crores has not been carried forward resulting in overstatement of Current Assets and understatement of loss to that extent.</p>	<p>Management has taken up the matter of reconciliation of receivables from and payables to BSNL through a standing committee constituted by D.O.T. and also with DOT. In addition to the request to DOT to intervene, the matter has been taken up directly with BSNL also for reconciliation and confirmation of all such claims. In case of AFNET the dues of ₹ 22.07 crore up to 2021-22 were settled by intervention at the highest level of DoT earlier. As such, in the current year also, BSNL settled the service connection issues and also certain other claims of telcom revenue as well as AFNET of 2021-22. Besides IUC and roaming charges payable between MTNL & BSNL were already settled after BSNL & MTNL agreeing to the applicable rates in the year under report. All such issues now are under settlement mode, since both being PSUs under DOT, and management of both being common and also operations of MTNL being taken over by BSNL.</p> <p>In view of above, no impact is anticipated at this stage and, besides in view of ongoing synergy no such ascertainable impact is likely to crop up in future also.</p> <p>b) The major portion of Rs 107crs out of ₹ 115.97 crores pertains to BSNL . The amount of ₹ 51.65 crores pertains to CENVAT credit of pre POTR regime which allowed payment by BSNL to service tax dept. only when it is paid by MTNL for the invoices raised. In pre POTR regime MTNL accounted for the liability on BSNL on credit side and also the CENVAT on debit side, which in case of inability to take CENVAT by MTNL, can be mutually decided for settlement with BSNL. The remaining amount pertains to post POTR regime, when payment of service tax was to be made while raising invoice itself. The service tax credits including Pre & Post POTR credits were lapsed ,due to non settlement, on inception of GST regime in</p>

Sr.No.	Qualification	Management Reply
		<p>july 2017. As such management has considered the issue in its entirety and the matter is under mutual deliberations between BSNL & MTNL for arriving at mutually acceptable and tenable resolution to the issue. On conclusions of the same, appropriate action will be taken in 2022-23 on this issue.</p>
iii	<p>The Company has certain balances receivables from and payables to Department of Telecommunication (DOT). The net amount recoverable of ₹ 181.34 Crores, Out of which ₹ 181.19 Crores is subject to reconciliation and confirmation. In view of non-reconciliation and non-confirmation, we are not in a position to ascertain and comment on the correctness of the outstanding balances and resultant impact of the same on the standalone financial results of the Company</p>	<p>Management has taken up the matter of reconciliation and settlement of amounts which are not confirmed with the Administrative ministry. However, there are recoverable amounts particularly claims on account of old bonds and other miscellaneous claims which are clearly identified and processed for settlement with DOT. The matter has been taken up with highest level of officers of DOT for reconciliation and confirmation. The issue of settlement of earlier period bonds related claims is also in progress in D.O.T through high level committee and Member (Fin.) had directed to send the claim papers duly certified by Director (Fin) of MTNL, which is also under review. DoT settled MTNL claims including service connections, CGESIS etc . in the year under report and it is also expected that similar action will be taken by DoT in respect of other claims also. In view of above the balances of DOT both receivables and payables are constantly under review and are being settled also. Besides DOT, as administrative ministry has been striving extraordinarily for revival of MTNL and settlement of issues. Therefore due to all these acts, the reconciliation being an ongoing process which is on and accordingly the management does not perceive any impact on this account.</p>

Sr.No.	Qualification	Management Reply
iv	<p>Up to financial year 2011-12 License Fee payable to the DOT on IUC charges to BSNL was worked out on accrual basis as against the terms of License agreements requiring deduction for expenditure from the gross revenue to be allowed on actual payment basis. From financial year 2012-13, the license fee payable to the DOT has been worked out strictly in terms of the license agreements. The Company continues to reflect the difference in license fee arising from working out the same on accrual basis as aforesaid for the period up to financial year 2011-12 by way of contingent liability of ₹ 140.36 Crores instead of actual liability resulting in understatement of current liabilities and understatement of loss to that extent.</p>	<p>The issue of license fee payable to DOT up to financial year 2011-12 on IUC charges to BSNL is already taken up with D.O.T. As per the accounts of MTNL the payment is settled by netting of receivable with payables as receivables are higher than payables and accordingly there is no liability to be accounted for as per MTNL. However, pending reconciliation and resolution of the issue by D.O.T. and as a conservative accounting principle MTNL has recognized it as contingent liability. Necessary action can be taken only after reconciliation is completed which is going on. Till such reconciliation is completed there will be no ascertainable impact in both companies. As such there is no scope for quantification without actual known liability. In addition it is to apprise that DOT has initiated process of reconciliation and assessment and also contemplating an early settlement to all license fee related issues in a phased manner and with the approval of govt. On review and obtaining the reconciled figures from DOT the issue will attain finality. As such there is no effective or ascertainable impact at this stage.</p>
v	<p>The Company had allocated the overheads towards capital works in a manner which is not in line with the accepted accounting practices and Indian Accounting Standard – 16 “Property, Plant and Equipment” prescribed under Section 133 of the Companies Act, 2013 (“The Act”), the same results into overstatement of capital work in progress/ property, plant and equipment and understatement of loss. The actual impact of the same on the standalone financial results for year is not ascertained and quantified.</p>	<p>As regards the allocation of over heads in line with Indian Accounting Standard – 16 “Property, Plant and Equipment” prescribed under Section 133 of the Act, the allocation is made on the basis of approved policy formulated taking into account related factors of contribution to capital works by various units of MTNL. However, all the units were again instructed in current year also to allocate only directly allocable costs. The issue is already addressed by Mumbai unit of MTNL and Delhi Unit also has prepared the plan of action which will be in place in current year. As overheads are being allocated on the basis of earlier policy wherever the directly allocable costs could not be captured the present practice will be reviewed after Delhi unit of MTNL also implement its plan of action on lines of Mumbai unit of MTNL. In view of above the impact is not ascertainable. Besides since there is no capital investment the overhead allocation is also very nominal as well as the impact if any due to it.</p>

vi	<p>Except for the impairment loss of assets of CDMA units provided in earlier years, no adjustment has been considered on account of impairment loss, if any, during the year, with reference to Indian Accounting Standard – 36 “Impairment of Assets” prescribed under Section 133 of the Act. In view of uncertainty in achievement of future projections made by the Company, we are unable to ascertain and comment on the provision required in respect of impairment in carrying value of cash generating units and its consequent impact on the loss for the quarter and the year ended March 31, 2022, accumulated balance of other equity and also the carrying value of the cash generating units.</p>	<p>The impairment testing is being done in respect of MTNL as a whole as CGU and the same is carried out at the end of every year and as per test carried for the period ending 31.3.2022, there is no impairment loss and there are also no specific indicators of such loss. Incurring of recurring losses is although an indicator for going for impairment testing in case of assets, it is not necessary that assets should also get impaired on account of losses and the losses are due to extraneous reasons viz. Abnormal legacy cost of staff etc. not attributable to the efficiency of assets earning capacity or impairment of the value in use of the related assets.</p> <p>In view of above according to management there may not be any impact on this count.</p>
vii	<p>The Company does not follow a system of obtaining confirmations and performing reconciliation of balances in respect of amount receivables from trade receivables, deposits with Government Departments and others, claim recoverable from operators and others parties and amount payables to trade payables, claim payable to operators, and amount payable to other parties. Accordingly, amount receivables from and payables to the various parties are subject to confirmation and reconciliation. Pending such confirmation and reconciliations, the impact thereof on the standalone financial results are not ascertainable and quantifiable.</p>	<p>Because of the volume of the subscriber base, it is not practically possible to obtain confirmation of balances from debtors. However the previous month’s outstanding is shown in the current month’s bills sent for payment which itself is a process of confirmation. No confirmations are processed to creditors and their liabilities are accounted for as per the terms and conditions of the contracts and accordingly final amount is paid unless there is any dispute in which case the same is either referred for resolution through arbitration or courts . x	<p>Department of Telecommunication (DOT) had raised a demand of ₹ 3,313.15 Crores in 2012-13 on account of one time charges for 2G spectrum held by the Company for GSM and CDMA for the period of license already elapsed and also for the remaining valid period of license including spectrum given on trial basis.</p> <p>As explained the demand for spectrum usage for CDMA for ₹ 107.44 Crores has been withdrawn by DOT on account of rectification of actual usage.</p> <p>Also as explained, pending finality of the issue by the Company regarding surrender of a part of the spectrum, crystallization of issue by the DOT in view of the claim being contested by private operators and because of the matter being sub-judice in the Apex Court on account of dispute by other private operators on the similar demands, the amount payable, if any, is indeterminate. Accordingly, no liability has been created for the demand made by DOT on this account and ₹ 3,205. 71 Crores has been disclosed as contingent liability till FY 2018-19 although no further demand is there from DOT till date. However as explained further, the TDSAT while setting aside the levy of OTSC on spectrum allotted beyond 6.2 Mhz , directed Govt. to review the demand for spectrum allotted after 1-7-2008 and that too w.e.f 1-1-2013 in case the spectrum beyond 6.2 Mhz was allotted before 1-1-2013. As explained, as per the TDSAT orders also no further demand is raised till now and as per management based on TDSAT direction the demand ,if any, cannot be more than ₹ 455.15 crores the same is considered as contingent liability.</p> <p>In view of the above we are not in a position to comment on the correctness of the stand taken by the Company and the ultimate implications of the same on the standalone financial results of the Company.</p>	<p>Dept. of Telecom has levied onetime spectrum charges for the GSM and CDMA spectrum on MTNL and the spectrum given on trial basis to the extent of 4.4 Mhz in 1800 Mhz frequency is also included in the demand raised earlier on MTNL. As regards CDMA , MTNL has surrendered spectrum allotted on trial basis in respect of GSM and does not require to pay for CDMA spectrum as the allotment was within allotted quantum and D.O.T. was apprised of the same and the demand of ₹ 107.44 crores of CDMA was withdrawn on 28.10.2013. For GSM no notice or demand was raised for 2G (GSM) spectrum till date after initial demand dated 8/1/2013. Besides, ab-initio, the very policy of levy of one time spectrum charges by DOT itself has been challenged by private operators TDSAT directed vide judgment dated 4/7/2019 to review the OTSC, while setting aside the demands raised by DOT directed govt review the demand for spectrum allotted after 1/7/2008 and that too w.e.f 1/1/2013 in case the spectrum beyond 6.2 Mhz was allotted before 1/1/2013. Since MTNL spectrum was allotted much before 1/7/2018 as per TDSAT judgement dated 4/7/2019, the demand if any cannot be more than 415 crores. As no demand is raised by DOT after 4/7/2019 the contingent liability of ₹ 455 crores is disclosed although same is not expected to arise. However, the contingent liability of ₹ 455.15 crores is estimated on the basis of TDSAT judgement in this regard given in case filed by private operators.DOT will finalise the case on disposal of this litigation and action for MTNL will also be made clear by DOT on the same lines. As such only contingent liability on the basis of the legal verdict available on estimation basis is made. Hence this issue gets resolved once final decision of govt. is taken. In view of above there is no impact expected in this regard.</p>

xi	<p>The company has recovered Electricity Charges from the tenants, on which liability for Goods and Services Tax (GST) has not been considered, as the expenses recovered without installing sub meter. The actual impact of the same on the standalone financial results for the quarter and year ended March 31, 2022 has not been ascertained and quantified.</p>	<p>It is already instructed to charge GST vide IM36 in all cases where there is no sub-meter. However, in cases where GST is not charged also, there will be not be any loss or gain to the govt, as the charges of GST by MTNL and claim of ITC by tenants firms/company will be having neutralising and nil effect. However IM 36 is reiterated in the year 2021-22 also and further IM 36A is issued directing units to comply and further action will be taken on confirmation of not having meter in current year, if such instances, are found out.</p>
xii	<p>The TDS on provision for Expenses (Accrued Liability) has not been deducted under chapter XVII- B of Income Tax Act, 1961. The actual impact of the same on the standalone financial results for the quarter and the year ended March 31, 2022 have not been ascertained and quantified.</p>	<p>TDS is being deducted on vendors bills as and when credited when invoice are received. However if the liability provision is made on estimated basis at closing date of accounts, in the absence of any invoice or possibility of accurately assessing liability, provisional liability is being created in lump sum manner and not specifically to party account and the same is reviewed and reversed, if necessary, in the next year or quarter from accrued liability and credited to the vendor account as per actual transaction or invoice or confirmation. TDS will be deducted accordingly on receipt of invoice or at the time of credit to party account . This practice is being followed in MTNL consistently. The expert opinion from tax consultant also was obtained in this regard and the consultant also opined that as no credit is given to vendor/ party in books and liability is being created on estimation basis no TDS is required to be deducted. Management does not perceive any impact on account of it and further review, if necessary, will be made in 2022-23.</p>

xiii	<p>The Company is making the provision for interest for late/non-payment to MSME vendors which is subject to deduction of tax under section 194A of Income Tax Act, 1961. The actual impact of the same on the standalone financial results for the quarter and the year ended March 31, 2022 is not ascertained and quantified.</p>	<p>As per section 2(28) of income tax act 1961 interest is defined as interest accrued on account of any debt, deposit or any claim and the interest on delayed payments for purchases is not contemplated to be falling in the definition of interest on account of debt or deposit. Hence no such liability to deduct TDS in this regard arises. The expert opinion on this is received and is under review. In view of various judgements on this subject pronouncing that interest on delayed payments on purchases is not falling in the definition of section 2(28) of income tax act, 1961 and as opinion of consultant is under review, any further action if necessary will be considered by management in current financial year. However as per the settled law on the subject , TDS liability is not to arise as per the view of management and accordingly no impact is anticipated at this stage.</p>
xiv	<p>The income arising on account of rental income in respect of property occupied by the BSNL amounting to Rs. 33.52 Crores accrued during the year ended March 31st , 2022 respectively has not been recognized in Delhi unit in the standalone financial results. Further, the Goods and Services Tax (GST) has also not been considered in respect of income arising on account of rented property occupied by the BSNL for both Delhi and Mumbai unit. The accumulated impact on the standalone financial results of such income and liability under Goods and Services Tax (GST) for the current year and preceding years is not ascertained and quantified.</p>	<p>Rental income against BSNL is booked only if acceptance of BSNL is available after joint inspections by both teams of MTNL and BSNL. However, where there is any dispute about building and or area or regarding title etc. between both companies., no income is booked due to uncertainty of realisation as per Ind AS. However, all such cases will be reviewed and the charging of rental will be done if no issues are there. Otherwise the issue will be referred to DOT for further guidance as the occupation of the space by BSNL (NOW) in most of the cases was under DoT regime i.e. before the period when BSNL was not formed so that the issue can be decided once and for all.</p>

i	<p>The Net Worth of the Holding Company has been fully eroded; The Holding Company has incurred net cash loss during the quarter and Year ended March 31,2022 as well as in the previous year and the current liabilities exceeded the current assets substantially.</p> <p>Furthermore, Department of Public Enterprises vide its Office Memorandum No. DPE/5(1)/2014-Fin. (Part-IX-A) has classified the status of the Holding Company as "Incipient Sick CPSE". Department of Telecommunication (DOT) has also confirmed the status vide its issue no. I/3000697/ 2017 through file no. 19-17/2017 – SU-II.</p> <p>However, the consolidated financial results of the Holding Company have been prepared on a going concern basis keeping in view the majority stake of the Government of India.</p> <p>Further, Union Cabinet has also approved the "Revival plan of BSNL and MTNL" by reducing employee costs, administrative allotment of spectrum for 4G services, debt restructuring by raising of sovereign guarantee bonds, monetization of assets and in principle approval for merger of BSNL and MTNL. Further, the Holding Company has implemented the Voluntary Retirement Scheme in FY 2019-20 resulted into reduction in Employees Cost and also raised funds by issuing Bonds for ₹ 6,500 crore in FY 2020-21 in line with cabinet note.</p>	<p>As per IND AS-I, paras 25 & 26, management has considered all relevant factors including uncertainties as well as debt repayment schedules, support being given by govt. as promoter as per cabinet approval for various measures for revival of MTNL and prepared the accounts on going concern basis since the revival process has been already been approved by govt. As per approval of govt. 14387 numbers of employees were retired under VRS scheme which reduced staff cost from ₹ 2400 crores to Rs. 500 crores since 2020-21 onwards and sovereign guarantee bonds worth ₹ 6500 crores issued in F.Y. 2020-21 helped MTNL to restructure the debts . Apart from that the monetisation process through DIPAM is also going on. Besides 4G launching and handling of mobile services of MTNL by BSNL to improve the quality is being handled by BSNL . MTNL became EBIDTA positive since last financial year.</p> <p>Recently, As per F.NO.20-28/2022-PR dated 2nd August, 2022, the Union Cabinet in its meeting held on 27.07.2022 has approved the raising of Sovereign Guarantee bonds for MTNL with a tenure of 10 years or more for an amount of ₹ 17,571 crores for the next two financial years i.e 2022-23 with waiver of guarantee fee to repay its high cost debt and restructure it with new sustainable loan.</p> <p>Also in view of such unsustainable debts of MTNL, a committee of Secretaries will be constituted by the Govt. to examine matters such as asset monetization, AGR dues, debt restructuring etc. for further course of action for merger of MTNL & BSNL. The govt. will provide the budgetary support of ₹ 1600 crores for this restructuring and operational integration. Also BSNL will provide all telecom services in Delhi & Mumbai through leasing of operational assets or other appropriate model. Once operations are fully taken over by BSNL in Delhi & Mumbai, MTNL would be left with land/building assets which it will continue to monetize through NLMC to discharge its loan liabilities.</p> <p>As such considering all these aspects at the time of closing of accounts including the advanced stage of the process for cabinet approval, management has assessed the company as a going concern.</p>

ii	<p>Bharat Sanchar Nigam Limited (BSNL):</p> <p>a) Bharat Sanchar Nigam Limited (BSNL): The Holding Company has certain balances receivables from and payables to Bharat Sanchar Nigam Limited (BSNL). The net amount recoverable of ₹ 3,521.50 Crores is subject to reconciliation and confirmation. In view of non-reconciliation and non-confirmation and also in view of various pending disputes regarding claims and counter claims, we are not in a position to ascertain and comment on the correctness of the outstanding balances and resultant impact of the same on the consolidated financial results of the Holding Company.</p> <p>b) The Holding Company has not provided a provision for doubtful claims in respect of lapsed CENVAT Credit due to non-payment of service tax to service providers within the period of 180 days and due to transition provision under Goods and Service Tax (GST) where the aforesaid CENVAT credit amounting to ₹ 115.97 Crores has not been carried forward resulting in overstatement of Current Assets and understatement of loss to that extent.</p>	<p>a) Management has taken up the matter of reconciliation of receivables from and payables to BSNL through a standing committee constituted by D.O.T. and also with DOT. In addition to the request to DOT to intervene, the matter has been taken up directly with BSNL also for reconciliation and confirmation of all such claims. In case of AFNET the dues of ₹ 22.07 crore up to 2021-22 were settled by intervention at the highest level of DoT earlier. As such, in the current year also, BSNL settled the service connection issues and also certain other claims of telcom revenue as well as AFNET of 2021-22. Besides IUC and roaming charges payable between MTNL & BSNL were already settled after BSNL & MTNL agreeing to the applicable rates in the year under report. All such issues now are under settlement mode, since both being PSUs under DOT, and management of both being common and also operations of MTNL being taken over by BSNL.</p> <p>In view of above, no impact is anticipated at this stage and, besides in view of ongoing synergy no such ascertainable impact is likely to crop up in future also.</p> <p>b) The major portion of Rs 107crs out of ₹ 115.97 crores pertains to BSNL . The amount of ₹ 51.65 crores pertains to CENVAT credit of pre POTR regime which allowed payment by BSNL to service tax dept. only when it is paid by MTNL for the invoices raised. In pre POTR regime MTNL accounted for the liability on BSNL on credit side and also the CENVAT on debit side, which in case of inability to take CENVAT by MTNL, can be mutually decided for settlement with BSNL. The remaining amount pertains to post POTR regime, when payment of service tax was to be made while raising invoice itself. The service tax credits including Pre & Post POTR credits were lapsed ,due to non settlement, on inception of GST regime in july 2017. As such management has considered the issue in its entirety and the matter is under mutual deliberations between BSNL & MTNL for arriving at mutually acceptable and tenable resolution to the issue. On conclusions of the same, appropriate action will be taken in 2022-23 on this issue.</p>

iii	<p>The Holding Company has certain balances receivables from and payables to Department of Telecommunication (DOT). The net amount recoverable of Rs. 181.34 Crores, Out of which ₹ 181.19 Crores is subject to reconciliation and confirmation. In view of non-reconciliation and non-confirmation, we are not in a position to ascertain and comment on the correctness of the outstanding balances and resultant impact of the same on the Consolidated financial results of the Holding Company.</p>	<p>Management has taken up the matter of reconciliation and settlement of amounts which are not confirmed with the Administrative ministry. However, there are recoverable amounts particularly claims on account of old bonds and other miscellaneous claims which are clearly identified and processed for settlement with DOT. The matter has been taken up with highest level of officers of DOT for reconciliation and confirmation. The issue of settlement of earlier period bonds related claims is also in progress in D.O.T through high level committee and Member (Fin.) had directed to send the claim papers duly certified by Director(Fin) of MTNL, which is also under review. DoT settled MTNL claims including service connections, CGESIS etc. in the year under report and it is also expected that similar action will be taken by DoT in respect of other claims also. In view of above the balances of DOT both receivables and payables are constantly under review and are being settled also. Besides DOT, as administrative ministry has been striving extraordinarily for revival of MTNL and settlement of issues. Therefore due to all these acts, the reconciliation being an ongoing process which is on and accordingly the management does not perceive any impact on this account.</p>

However further efforts will be mopped up in 2022-23 also.</p> <p>In view of above and also the ongoing process of capitalisation of old to oldest WIP, management does not expect that there could be any impact and thereby the same is also not ascertainable at this stage.</p>

Sr.No.	Qualification	Management Reply
x	<p>Department of Telecommunication (DOT) had raised a demand of ₹ 3,313.15 Crores in 2012-13 on account of onetime charges for 2G spectrum held by the Company for GSM and CDMA for the period of license already elapsed and also for the remaining valid period of license including spectrum given on trial basis.</p> <p>As explained the demand for spectrum usage for CDMA for ₹ 107.44 Crores has been withdrawn by DOT on account of rectification of actual usage.</p> <p>Also as explained, pending finality of the issue by the Company regarding surrender of a part of the spectrum, crystallization of issue by the DOT in view of the claim being contested by private operators and because of the matter being sub-judice in the Apex Court on account of dispute by other private operators on the similar demands, the amount payable, if any, is indeterminate. Accordingly, no liability has been created for the demand made by DOT on this account and ₹ 3,205.71 Crores has been disclosed as contingent liability till FY 2018-19 although no further demand is there from DOT till date. However as explained further, the TDSAT while setting aside the levy of OTSC on spectrum allotted beyond 6.2 Mhz, directed Govt. to review the demand for spectrum allotted after 1-7-2008 and that too w.e.f 1-1-2013 in case the spectrum beyond 6.2 Mhz was allotted before 1-1-2013. As explained, as per the TDSAT orders also no further demand is raised till now and as per management based on TDSAT direction the demand, if any, cannot be more than ₹ 455.15 crores the same is considered as contingent liability.</p>	<p>Dept. of Telecom has levied onetime spectrum charges for the GSM and CDMA spectrum on MTNL and the spectrum given on trial basis to the extent of 4.4 Mhz in 1800 Mhz frequency is also included in the demand raised earlier on MTNL. As regards CDMA , MTNL has surrendered spectrum allotted on trial basis in respect of GSM and does not require to pay for CDMA spectrum as the allotment was within allotted quantum and D.O.T. was apprised of the same and the demand of ₹ 107.44 crores of CDMA was withdrawn on 28.10.2013. For GSM no notice or demand was raised for 2G(GSM) spectrum till date after initial demand dated 8/1/2013. Besides, ab-initio, the very policy of levy of one time spectrum charges by DOT itself has been challenged by private operators TDSAT directed vide judgment dated 4/7/2019 to review the OTSC, while setting aside the demands raised by DOT directed govt review the demand for spectrum allotted after 1/7/2008 and that too w.e.f 1/1/2013 in case the spectrum beyond 6.2 Mhz was allotted before 1/1/2013. Since MTNL spectrum was allotted much before 1/7/2018 as per TDSAT judgement dated 4/7/2019, the demand if any cannot be more than 415 crores. As no demand is raised by DOT after 4/7/2019 the contingent liability of Rs. 455 crores is disclosed although same is not expected to arise. However, the contingent liability of ₹ 455.15 crores is estimated on the basis of TDSAT judgement in this regard given in case filed by private operators. DOT will finalise the case on disposal of this litigation and action for MTNL will also be made clear by DOT on the same lines. As such only contingent liability on the basis of the legal verdict available on estimation basis is made. Hence this issue gets resolved once final decision of govt. is taken. In view of above there is no impact expected in this regard.</p>

Sr.No.	Qualification	Management Reply
	<p>In view of the above we are not in a position to comment on the correctness of the stand taken by the Holding Company and the ultimate implications of the same on the consolidated financial results of the Holding Company.</p>	
<p>xi</p>	<p>The Holding Company has recovered Electricity Charges from the tenants, on which liability for Goods and Services Tax (GST) has not been considered, as the expenses recovered without installing sub meter. The actual impact of the same on the consolidated financial result for the quarter and year ended March 31, 2022 is not ascertained and quantified.</p>	<p>It is already instructed to charge GST vide IM36 in all cases where there is no sub-meter. However, in cases where GST is not charged also, there will be not be any loss or gain to the govt, as the charges of GST by MTNL and claim of ITC by tenants firms/company will be having neutralising and nil effect. However IM 36 is reiterated in the year 2021-22 also and further IM 36A is issued directing units to comply and further action will be taken on confirmation of not having meter in current year, if such instances, are found out.</p>
<p>xii</p>	<p>The TDS on provision for Expenses (Accrued Liability) has not been deducted under chapter XVII-B of Income Tax Act, 1961. The actual impact of the same on the consolidated financial result for the quarter and the year ended March 31,2022 is not ascertained and quantified.</p>	<p>TDS is being deducted on vendors bills as and when credited when invoice are received. However if the liability provision is made on estimated basis at closing date of accounts, in the absence of any invoice or possibility of accurately assessing liability, provisional liability is being created in lump sum manner and not specifically to party account and the same is reviewed and reversed, if necessary, in the next year or quarter from accrued liability and credited to the vendor account as per actual transaction or invoice or confirmation. TDS will be deducted accordingly on receipt of invoice or at the time of credit to party account. This practice is being followed in MTNL consistently. The expert opinion from tax consultant also was obtained in this regard and the consultant also opined that as no credit is given to vendor/ party in books and liability is being created on estimation basis no TDS is required to be deducted. Management does not perceive any impact on account of it and further review, if necessary, will be made in 2022-23.</p>

Sr.No.	Qualification	Management Reply
xiii	<p>The Holding Company is making the provision for interest for late/non-payment to MSME vendors which is subject to deduction of tax under section 194A of Income Tax Act, 1961. The actual impact of the same on the consolidated financial results for the quarter and the year ended March 31,2022 is not ascertained and quantified.</p>	<p>As per section 2(28) of income tax act 1961 interest is defined as interest accrued on account of any debt, deposit or any claim and the interest on delayed payments for purchases is not contemplated to be falling in the definition of interest on account of debt or deposit. Hence no such liability to deduct TDS in this regard arises. The expert opinion on this is received and is under review. In view of various judgements on this subject pronouncing that interest on delayed payments on purchases is not falling in the definition of section 2(28) of income tax act, 1961 and as opinion of consultant is under review, any further action if necessary will be considered by management in current financial year. However as per the settled law on the subject, TDS liability is not to arise as per the view of management and accordingly no impact is anticipated at this stage.</p>
xiv	<p>The income arising on account of rental income in respect of property occupied by the BSNL amounting to ₹ 33.52 Crores accrued during the year ended March 31st, 2022 respectively has not been recognized in Delhi unit in the Consolidated financial results. Further, the Goods and Services Tax (GST) has also not been considered in respect of income arising on account of rented property occupied by the BSNL for both Delhi and Mumbai unit. The accumulated impact on the Consolidated financial results of such income and liability under Goods and Services Tax (GST) for the current year and preceding years is not ascertained and quantified.</p>	<p>Rental income against BSNL is booked only if acceptance of BSNL is available after joint inspections by both teams of MTNL and BSNL. However, where there is any dispute about building and or area or regarding title etc. between both companies,, no income is booked due to uncertainty of realisation as per Ind AS. However, all such cases will be reviewed and the charging of rental will be done if no issues are there. Otherwise the issue will be referred to DOT for further guidance as the occupation of the space by BSNL (NOW) in most of the cases was under DoT regime i.e. before the period when BSNL was not formed so that the issue can be decided once and for all.</p>

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE STANDALONE FINANCIAL STATEMENTS OF MAHANAGAR TELEPHONE NIGAM LIMITED, NEW DELHI FOR THE YEAR ENDED 31ST MARCH 2022

The preparation of Financial Statements of Mahanagar Telephone Nigam Limited, New Delhi for the year ended 31st March 2022 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the Management of the Company. The Statutory Auditor/ Auditors appointed by the Comptroller and Auditor General of India under section 139(5) of the Act is/are responsible for expressing opinion on the Financial Statements under section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 30th May 2022.

I, on the behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit under section 143(6)(a) of the Act of the Financial Statements of Mahanagar Telephone Nigam Limited for the year ended 31 March 2022. This supplementary audit has been carried out independently without access to the working papers of the Statutory Auditors and is limited primarily to inquiries of the statutory auditors and company personnel and a selective examination of some of the accounting records.

Based on my supplementary audit, I would like to highlight the following significant matters under section 143(6)(b) of the Act which have come to my attention and which in my view are necessary for enabling a better understanding of the Financial Statements and the related audit report:

Balance Sheet

Assets

Current Assets

1. Other financial Assets- Rs.4599.32 Crore (Note 19)

- i. The above includes an amount of Rs. 5.62 Crore recoverable from M/s Reliance Communication and M/s Reliance Telecom Limited who have gone to NCLT for insolvency proceedings. This has resulted in overstatement of 'Other Financial Assets' and understatement of loss due to non-provisioning of the recoverables by the same amount.
- ii. The above head includes an amount of Rs.737.27 Crore recoverable from BSNL towards unbilled revenue booked for regular kind of services. In absence of any authorised billing system, accuracy and sufficiency of these balances cannot be ascertained.

Notes forming part of Financial Statements

2. Contingent Liabilities (Note 50)

The above head is understated by an amount of Rs. 245.89 Crore due to non-inclusion of the following-

- i. Demand raised by Pr. CCA Mumbai consequent to the judgment of the Supreme Court dated October 24, 2019 amounting to Rs. 144.66 Crore and
- ii. Demand raised by South Delhi Municipal Corporation on MTNL towards outstanding property tax amounting to Rs. 101.23 Crore.

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE STANDALONE FINANCIAL STATEMENTS OF MAHANAGAR TELEPHONE NIGAM LIMITED, NEW DELHI FOR THE YEAR ENDED 31ST MARCH 2022

Comments of CAG	Reply of MTNL Management
<p>The preparation of Financial Statements of Mahanagar Telephone Nigam Limited, New Delhi for the year ended 31st March 2022 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the Management of the Company. The Statutory Auditor/ Auditors appointed by the Comptroller and Auditor General of India under section 139(5) of the Act is/are responsible for expressing opinion on the Financial Statements under section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 30th May 2022.</p> <p>I, on the behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit under section 143(6)(a) of the Act of the Financial Statements of Mahanagar Telephone Nigam Limited for the year ended 31 March 2022. This supplementary audit has been carried out independently without access to the working papers of the Statutory Auditors and is limited primarily to inquiries of the statutory auditors and company personnel and a selective examination of some of the accounting records.</p> <p>Based on my supplementary audit, I would like to highlight the following significant matters under section 143(6)(b) of the Act which have come to my attention and which in my view are necessary for enabling a better understanding of the Financial Statements and the related audit report:</p> <p>Balance Sheet</p> <p>Assets</p> <p>Current Assets</p> <p>1. Other financial Assets- Rs.4599.32 Crore (Note 19)</p> <p>i) The above includes an amount of Rs.5.62 Crore recoverable from M/s Reliance Communication and M/s Reliance Telecom Limited who have gone to NCLT for insolvency proceedings. This has resulted in overstatement of 'Other Financial Assets' and understatement of loss due to non-provisioning of the recoverable by the same amount.</p>	<p>As per Accounting policy of MTNL, dues of other operators are not provided like other debts as they are based on the interconnectivity regime and are governed by mutual agreements with clauses of arbitration and the debtors are identifiable and are in constant</p>

Comments of CAG	Reply of MTNL Management
<p>ii) The above head includes an amount of Rs.737.27 Crore recoverable from BSNL towards unbilled revenue booked for regular kind of services. In absence of any authorized billing system, accuracy and sufficiency of these balances cannot be ascertained.</p>	<p>business relationship with MTNL. As such the provision for other operators is being made on case to case basis. Accordingly, provision has been created in respect of dues recoverable from Aircel. However in case of M/s Reliance communication & M/s RITL, the insolvency proceeding is still under process and these are under the moratorium and as per the direction of court the services are to be continued till further order. Further there is an amount receivable as well as payable from these operators. In this situation recovery is not to be enforced and the MTNL is also not releasing the dues payable to the company under insolvency. Hence no provision is considered at this stage, however, the case will be reviewed in the current year and necessary action will be taken, if required.</p> <p>The amounts reported upon pertains to WS unit Delhi on accounts of roaming & IUC charges recoverable from BSNL for which regular billing is done except roaming charges for which initially booking is done on accrual basis based on MTNL system and after getting reconciliation & confirmation from BSNL, the billing is being done and payment is also made by BSNL. During the year of audit the charges between both companies were also agreed as a step towards regulating billing. Besides the booking of net recoverable from BSNL on this account during the year is Rs 2.30 crs only and rest of amount out of Rs 737 crs pertains to earlier</p>

Comments of CAG	Reply of MTNL Management
	<p>period for which booking was done across the years on similar lines and as reconciliation has been going on between these companies through a committee for all items one after the other and it was not objected by the statutory as well CAG auditors during those years.</p> <p>Further, the issue of reconciliation of balances between MTNL and BSNL is now taken up internally on fast track mode by both companies in view of the reference of merger of MTNL with BSNL, inter alia, other issues to a committee of Secretaries for fast resolution, by cabinet on 22-7-2022 . In the meantime the receivables & payables on account of IUC, roaming charges and Duct Charges have been settled between MTNL & BSNL from 1-4-2019. The amount under final comment pertains to period prior to 1-4-2019 in case of roaming charges and the same along with all other items of services where billing was done but not settled between both companies are expected to be reconciled and settled under the above referred fast track mode and un reconciled amounts will be reviewed and necessary action as deemed fit will also be taken at the earliest. Hence the issue pointed out by CAG is expected to be resolved.</p>
<p>Notes forming part of Financial Statements</p> <p>2. Contingent Liabilities (Note 50)</p> <p>The above head is understated by an amount of Rs. 245.89 Crore due to non-inclusion of the following-</p> <p>i) Demand raised by Pr. CCA Mumbai consequent to the judgment of the Supreme Court dated October 24, 2019 amounting to Rs. 144.66 Crore and</p>	<p>In respect of this Hon'ble Supreme Court judgment and final order dated 24.10.2019 disposing the AGR matter, it is submitted that MTNL was neither a party to</p>

Comments of CAG	Reply of MTNL Management
<p>ii) Demand raised by South Delhi Municipal Corporation on MTNL towards outstanding property tax amounting to Rs. 101.23 Crore.</p>	<p>Supreme Court case nor MTNL violated the AGR definition as per License Agreement. Therefore, the Supreme Court's judgment on AGR is not applicable for MTNL. The same facts have been disclosed in Note No 83 of Standalone Financial statement of FY 2021-22.</p> <p>In spite of above, on the basis of provisional assessments the contingent liability against all such provisional assessment done by DOT is included in the financial statement of 2021-22 to the extent of Rs. 3572.02 crs. However, because of non receipt of the provisional assessment order issued against SUC by Mumbai CCA in WS Mumbai, the same could not be included on the contingent liability of WS Mumbai. The case will be reviewed in the current year and necessary action, if required, will be taken in FY 2022-23.</p> <p>The demand raised by the SDMC is not tenable as per MTNL. SDMC has been requested to furnish the complete property wise details on account of which the demand has been raised, but no response has yet been received from the SDMC. On receipt of complete details of the demand, MTNL shall decide the legal course of action against the said demand. In view of these facts there does not seem to be any valid reason to provide for any contingent liability against the said demand at this stage.</p>

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) READ WITH SECTION 129(4) OF THE COMPANIES ACT, 2013 ON THE CONSOLIDATED FINANCIAL STATEMENTS OF MAHANAGAR TELEPHONE NIGAM LIMITED FOR THE YEAR ENDED 31st MARCH 2022.

The preparation of consolidated financial statements of MAHANAGAR TELEPHONE NIGAM LIMITED for the year ended 31st March 2022 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the Management of the company. The Statutory Auditors appointed by the Comptroller and Auditor General of India under section 139(5) read with section 129(4) of the Act are responsible for expressing opinion on the financial statements under section 143 read with section 129(4) of the Act based on independent audit in accordance with the standards on auditing prescribed under section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 30th May 2022.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of Consolidated Financial Statements of MAHANAGAR TELEPHONE NIGAM LIMITED for the year ended 31st March 2022 under section 143(6)(a) read with section 129(4) of the Act of the consolidated financial statements. We conducted the supplementary audit of financial statements of Mahanagar Telephone Nigam Limited, but we did not conduct a supplementary audit of the financial statements of Millennium Telecom Limited, Mahanagar Telephone Mauritius Limited (wholly owned subsidiaries of the company) and MTML Data Ltd. & MTML International Ltd. (Step down subsidiaries), United Telecom Limited & MTNL STPI IT Services Ltd. (jointly controlled entities) for the year ended on that date. **Further, section 139(5) and 143(6)(a) of the Act are not applicable to Mahanagar Telephone Mauritius Limited and MTML Data Ltd., MTML International Ltd., United Telecommunications Limited & MTNL STPI IT Services Ltd. being private entities/entities incorporated in Foreign Countries under the respective Laws for appointment of their Statutory Auditor and for conduct of supplementary audit. Accordingly, Comptroller and Auditor General of India has neither appointed the Statutory Auditors nor conducted the supplementary audit of these companies.** This supplementary audit has been carried out independently without access to the working papers of the statutory auditors and is limited primarily to inquiries of the statutory auditors and company personnel and a selective examination of some of the accounting records.

Based on my supplementary audit, I would like to highlight the following significant matters under section 143(6)(b) read with section 129(4) of the Act which have come to my attention and which in my view are necessary for enabling a better understanding of the financial statements and the related audit report:

Balance Sheet**Assets****Current Assets****1. Other financial Assets- Rs.4599.81 Crore (Note 20)**

- i. The above includes an amount of Rs. 5.62 Crore recoverable from M/s Reliance Communication and M/s Reliance Telecom Limited who have gone to NCLT for insolvency proceedings. This has resulted in overstatement of 'Other Financial Assets' and understatement of loss due to non-provisioning of the recoverables by the same amount.
- ii. The above head includes an amount of Rs.737.27 Crore recoverable from BSNL towards unbilled revenue booked for regular kind of services. In absence of any authorised billing system, accuracy and sufficiency of these balances cannot be ascertained.

Notes forming part of Financial Statements**2. Contingent Liabilities (Note 54)**

The above head is understated by an amount of Rs. 245.89 Crore due to non-inclusion of the following-

- i. Demand raised by Pr. CCA Mumbai consequent to the judgment of the Supreme Court dated October 24, 2019 amounting to Rs. 144.66 Crore and
- ii. Demand raised by South Delhi Municipal Corporation on MTNL towards outstanding property tax amounting to Rs. 101.23 Crore.

CCA Mumbai consequent to the judgment of the Supreme Court dated October 24, 2019 amounting to Rs. 144.66 Crore and</p>	<p>In respect of this Hon'ble Supreme Court judgment and final order dated 24.10.2019 disposing the AGR matter, it is submitted that MTNL was neither a party to Supreme Court case nor MTNL violated the AGR definition as per License Agreement. Therefore, the Supreme Court's judgment on AGR is not applicable for MTNL. The same facts have been disclosed in Note No 83 of Standalone Financial statement of FY 2021-22.</p> <p>In spite of above, on the basis of provisional assessments the contingent liability against all such provisional assessment done by DOT is included in the</p>

Comments of CAG	Reply of MTNL Management
<p>ii) Demand raised by South Delhi Municipal Corporation on MTNL towards outstanding property tax amounting to Rs. 101.23 Crore.</p>	<p>financial statement of 2021-22 to the extent of Rs. 3572.02 crs. However, because of non receipt of the provisional assessment order issued against SUC by Mumbai CCA in WS Mumbai, the same could not be included on the contingent liability of WS Mumbai. The case will be reviewed in the current year and necessary action, if required, will be taken in FY 2022-23.</p> <p>The demand raised by the SDMC is not tenable as per MTNL. SDMC has been requested to furnish the complete property wise details on account of which the demand has been raised, but no response has yet been received from the SDMC. On receipt of complete details of the demand, MTNL shall decide the legal course of action against the said demand. In view of these facts there does not seem to be any valid reason to provide for any contingent liability against the said demand at this stage.</p>

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(B) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL STATEMENTS OF MILLENNIUM TELECOM LTD FOR THE YEAR ENDED 31ST MARCH 2022.

The preparation of financial statements of Millennium Telecom Ltd. for the year ended 31st March 2022 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (the Act) is the responsibility of the management of the Company. The statutory auditor appointed by the Comptroller and Auditor General of India under Section 139(5) of the Act is responsible for expressing opinion on the financial statements under section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under section 143(10) of the Act. This is stated to have been done by them vide their audit report dated 26-05-2022.

I, on behalf of the Comptroller and Auditor General of India, have decided not to conduct the supplementary audit of the Financial Statements of Millennium Telecom Ltd for the year ended 31 March 2022 under section 143(6)(a) of the Act.

INDEPENDENT AUDITOR'S REPORT

To,
The Members of
Millennium Telecom Limited
4th Floor, Mahanagar Doorsanchar Sadan
9 CGO Complex, Lodhi Road
New Delhi, Delhi-110003

Report on the Audit of the Standalone Ind AS Financial Statements**Qualified Opinion**

We have audited the accompanying standalone financial statements of **MILLENNIUM TELECOM LIMITED** ("the Company"), which comprise the Balance Sheet as on **31st March 2022**, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matters described in the 'Basis for Qualified Opinion' section of our report, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under the section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at **31st March 2022**, the profit/loss (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with

the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a 'Basis for Qualified Opinion' on the standalone financial statements.

- i. The company has not complied with the requirements of Ind AS-16: 'Property, Plant and Equipments' (PPE) w.r.t the decapitalisation of the items of Property, Plant and Equipments (PPE) when such items are fully depreciated and have no economic benefits in the future. Further, such items have also a consequential effect on the treatment of Deferred Tax Assets/Liabilities (Net) as covered under Ind AS-12: 'Income Taxes'. Thus, the resultant impact of the same on the standalone Ind AS financial statements of the Company would be overstatement of such items and understatement of loss to that extent.
- ii. The Company has not carried out any techno-economic assessment during the year ended 31 March 2022 and hence identification of impairment loss and provision thereof, if any, has not been made. The same is not in accordance with the notified Ind AS 36: "Impairment of Assets". The consequential impact of adjustment, if any, on the Standalone financial statements is not ascertainable.
- iii. The Company has certain balances w.r.t receivables from and payables/advances to its holding company i.e., Mahanagar Telephone Nigam Ltd. (MTNL). The net amount recoverable of Rs. 45,41,743/- is subject to reconciliation and confirmation. In view of non-reconciliation and non-confirmation, we are not in a position to ascertain and comment on the correctness of the such balances and resultant impact of the same on the standalone Ind AS financial statements of the Company.
- iv. The account balances i.e., Trade receivables of Rs.37,84,248/- (Other than from MTNL), Trade Payables (Other than Creditors for Expenses) of Rs. 6,36,418/- and Trade/Security Deposits of Rs. 2,35,85,938/- are subject to reconciliation and confirmation. In view of non-reconciliation and non-confirmation, we are not in a position to ascertain and comment on the correctness of the such balances and resultant impact of the same on the standalone Ind AS financial statements of the Company.
- v. The Company has not provided a provision for doubtful claims in respect of lapsed Cess Credit and Krishi Kalyan Cess Credit due to transition provisions under Goods and Service Tax (GST) Laws where the aforesaid credit amounting to Rs. 2,24,397/- has not been carried forward under GST Laws resulting in overstatement of current assets and understatement of loss to that extent.
- vi. *The Company has not deducted and deposited the applicable TDS U/s. 194J(b) of the Income Tax Act, 1961 and rules made thereunder, on the provision of the Statutory Audit Fees and Payments exceeding Rs. 30,000/- for Professional Services during the year i.e., FY 2021-22. Further, the actual impact of the same on the standalone Ind- AS financial statements for the year has not been ascertained and quantified.*

- vii. The Balances of CGST, SGST, IGST Cash and Credit Ledgers of Delhi and Mumbai units, as appearing under different heads on 31st March, 2022 are subject to confirmation and reconciliation by the management. In view of non-reconciliation and non-confirmation, we are not in a position to ascertain and comment on the correctness of the such balances and resultant impact of the same on the standalone Ind AS financial statements of the Company.
- viii. There are certain items which are remaining static when compared to preceding financial year, without any cogent reasons/justification, which are as follows:
 - a. Service Tax Not due for Payable - 10.2%: Rs. 3,10,945/-
 - b. Service Tax Not due for Payable - 5%: Rs. 2,29,109/-
 - c. Service not billed (Accrued Income): Rs. 2,72,519/-
 - d. Provision for Doubtful debts: Rs. 2,73,971/-
 - e. Cess credit Receivable: Rs. 20,761/-
 - f. Krishi Kalyan Cess Credit: Rs. 2,03,636/-

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a Whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, Changes in Equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the

Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the company and for preventing and detecting the frauds and other irregularities; section and application of appropriate accounting policies; making judgements and estimates that are responsible and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are responsible for overseeing the Company Financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decision of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, Forgery, Intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw

attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation. Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements:

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we provide the "Annexure-A" statement on the matters specified in paragraph 3 and 4 of the Order, to the extent applicable.
2. We have not received the specific directions from C&AG of India under Section 143(5) of the Companies Act, 2013 for the financial year 2021-2022 in respect of statutory audit of the company.
3. As required by section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, the company has not properly complied with the disclosure requirements of Division-II: Ind AS based Schedule-III (Revised) to the Companies Act, 2013, in respect of classification of assets/ liabilities into current and non-current and secured and unsecured, whether applicable; categorization of assets/ liabilities into appropriate captions; changes in inventory; related party, financial ratios etc.

- c) In our opinion, proper books of account as required by law, have not been kept by the Company i.e. not in accordance with Sec.128(1) of the Companies Act, 2013 and Rule 3 of the Companies (Accounts) Rules, 2014, so far as appears from our examination of those books.
- d) Balance Sheet, the Statement of Profit & Loss and the Statement of Cash Flows dealt with by this report are in agreement with the relevant books of accounts (except for the effect of the matters described in the Basis for Qualified Opinion paragraph above), as maintained in physical and electronic form as well.
- e) In our opinion, the aforesaid standalone financial statements are not properly complied with requirements of the Indian Accounting Standards specified under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015.
- f) In our opinion, the company has not complied with the requirements of Fixed Assets Register and Payment of Dividend under the provisions of the Companies act, 2013 and rules made thereunder.
- g) Being the Government Company pursuant to the Notification No. GSR 463(E) dated 5 June 2015 issued by the Ministry of Corporate Affairs, Government of India, provisions of sub-section (2) of section 164 of the Act, are not applicable to the Company.
- h) With respect to the adequacy of the internal financial controls over financial reporting of the Company and operating effectiveness of such controls, refer to our separate Report in "Annexure-B".
- i) As per the Notification No. GSR 463(E) dated 5 June 2015 issued by the Ministry of Corporate Affairs, Government of India, Section 197 is not applicable to the Government Companies. Accordingly, reporting in accordance with the requirements of provisions of section 197 (16) of the Act is not applicable to the Company.
- j) With respect to the other matters included in the Auditor's Report and to our best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial positions in its financial statements.
 - ii. The company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

MILLENNIUM TELECOM LIMITED
ANNEXURE - 'A' TO THE AUDITOR'S REPORT
[Referred to in Our Report of even date]

On the basis of the information and explanation given to us during the course of our audit, we report that:

1. (a) *The Company has not maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipments.*
 (b) The Company was not having any Intangible Asset hence comment on the maintenance of proper records showing full particulars of intangible assets is not applicable in this case.
 (c) *The management of the company is oblivious w.r.t the current location and condition of its Property, Plant and Equipments and has not physically verified these Property, Plant and Equipments during the year under audit.*
 (d) The Company is not holding any immovable property hence comment on the title deeds of immovable properties held in the name of the company is not applicable in this case.
2. The Company was not having any inventory during the year and at the end of the year and hence comment on physical verification of inventory by the management is *not applicable* for the year under audit.
3. The company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties, during the year under audit. Hence, the para 3(iii) of the Order is *not applicable* in this case.
4. The company has not granted loans or made investments, guarantees, and security as covered under the provisions of Sec.185 and 186 of the Companies Act, 2013 and rules made thereunder. Hence, the para 3(iv) of the Order is *not applicable* in this case.
5. The Company has not accepted any deposits from the public and amounts which are deemed to be deposits, hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules made thereunder are not applicable. Hence, the para 3(v) of the Order is *not applicable* in this case.
6. The maintenance of Cost Records has not been specified by the Central Government under sub-section (1) of Section 148 of the Act, in respect of the activities carried on by the Company. Hence, the para 3(xi) of the Order is *not applicable* in this case.
7. a) The Company has been regular in depositing undisputed statutory dues including Provident Fund, Employees State Insurance, Income-Tax, Sales tax, Goods & Service Tax, Service Tax, Duty of Customs, Duty of Excise, Value added Tax, Cess and any other statutory dues with the appropriate authorities. Further, no undisputed amounts payable in respect of material statutory dues were in arrears as on **31st March 2022** for a period of more than six months from the date on when they become payable, *except the following*:
 - a. Service Tax Not due for Payable - 10.2%: Rs. 3,10,945/-
 - b. Service Tax Not due for Payable - 5%: Rs. 2,29,109/-

- b) There are no dues of income tax, sales tax, service tax, duty of customs, duty of excise, value added tax outstanding on account of any dispute *other than the following*:

Assessment Year	Demand (Rs.)	Amount Deposited (Rs.)	Amount under VSV Scheme (Rs.)
AY 2003-04	63,75,755	72,89,541	40,63,127
AY 2004-05	39,51,744	51,04,043	27,21,485
AY 2005-06	29,82,670	38,19,306	28,11,094
AY 2007-08	6,34,050	-	-

- The company has opted to settle the dispute the pending appeals before Hon'ble ITAT for AY 2003-04 to AY 2005-06 and filed the application under 'Vivad se Vishwas' (VSV) Scheme in accordance with Direct Tax Vivad se Vishwas Act, 2020 and rules made thereunder.
 - The Commissioner of Income Tax (Appeals) has allowed appeal partly and appeal effect is still pending, in respect of AY 2007-08.
8. The Company does not have any transactions, not recorded in the books of accounts that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961. Accordingly, the para 3(viii) of the order is *not applicable* in this case.
9. The company does not have any loans or borrowings from any banks, financial institutions and Government during the year under audit. Accordingly, the para 3(ix) of the order is *not applicable* in this case.
10. The Company has not raised money by way of initial public offer or further public offer including debt instruments during the year under audit. Further, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under audit. Accordingly, the para 3 (x) of the Order is *not applicable* to the Company and hence not commented upon.
11. a) No fraud by the Company or any fraud on the Company by its officers or employees has been noticed or reported during the year under audit.
- b) No report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- c) No whistle-blower complaints received by the company during the year under audit.
12. The Company is not a Nidhi Company as per Sec.406 of the Companies Act, 2013 and rules made thereunder. Hence, the para 3(xii) of the Order is *not applicable* to this case.
13. The company has not entered any transaction with the related parties during the year under audit (other than the payment of dividend), as specified under sections 177 and 188 of the Companies Act, 2013 and rules made thereunder. Further, the disclosure w.r.t the outstanding balances of the related parties, is duly provided in the financial statements etc. as required by the applicable accounting standards.

14. The company is not required to appoint the Internal Auditors as per Sec. 138 of Indian Companies Act 2013 read with Rule 13 of Companies (Accounts) Rules, 2014. Hence, the para 3(xiv) of the Order is *not applicable* in this case.
15. The company has not entered into any non-cash transactions with directors or persons connected with him. Hence, the para 3(xv) of the Order is *not applicable* in this case.
16. The company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Further, it has not conducted any Non-Banking Financial or Housing Finance activities without a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934 and the company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India.
17. The company has not incurred cash losses in the financial year; *however, it has incurred cash losses in the immediately preceding financial year*, the details of which are as follows:

Particulars	FY 2021-22	FY 2020-21
Net Cash Flow from Operating Activities	-	(12,85,386)
Net Cash Flow from Investing Activities	-	-
Net Cash Flow from Financing Activities	-	(8,870)

18. There has not been any resignation of the statutory auditors during the year under audit. Hence, the para 3(xviii) of the Order is *not applicable* in this case.
19. The company has not given the relevant financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other related information in the financial statements, (as per Ind-AS based Schedule-III (Revised) to the Companies Act, 2013) along with the Board of Directors & Management Plans. Hence, the para 3(xix) of the Order is *not applicable* in this case.
20. The requirements of the Sec. 135 of the Companies Act, 2013 and rules made thereunder is not applicable to the Companies Act, 2013 and rules made thereunder. Hence, the para 3(xx) of the Order is *not applicable* in this case.
21. This clause is applicable only for the purpose of reporting in case of consolidated financial statements. Hence, the para 3(xxi) of the Order is *not applicable* in this case.

MILLENNIUM TELECOM LIMITED
ANNEXURE - 'B' TO THE AUDITOR'S REPORT
[Referred to in Our Report of even date]

Report on the Internal Financial Controls under clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **MILLENNIUM TELECOM LIMITED** ("The Company") as of **31st March 2022** in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be Prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the institute of Chartered Accountants of India. Those standards and the guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial Controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The Procedures selected depend on the auditor's judgement, including the assessment of the risks. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial reporting includes those policies and procedure that

1. Pertain to the maintenance of record that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipt and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the Inherent limitation of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or frauds may occur and not be detected. Also, Projections of any evaluation of the internal financial controls over financial reporting to future periods are subjects to the risk that the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Adverse Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified in the operating effectiveness of the Company's internal financial controls over financial reporting as at **31st March 2022**:

- i. The Company does not have an integrated ERP system for maintenance of 'Proper Books of Accounts' and various aspects of accounting are carried out with the help of manual registers and Microsoft Excel Sheets which makes the account balances and transactions, vulnerable to manual intervention or unauthorised alterations or instances of backdated entries. This could potentially result in impaired financial reporting.
- ii. The company does not have an appropriate internal control system for ensuring Sales Invoice is prepared after receipt of Purchase Invoice. The company is regularly issuing Sales Invoice before receipt of Purchase on Invoice, resulting in blocking of Excess Working Capital due to payment of GST through Cash ledger and Subsequent Purchase Invoice leading to unutilized balance in Credit Ledger.

- iii. The Company does not have an appropriate internal control system for ensuring de-capitalization of Property, Plant and Equipment in respect of assets which are no longer in use and held for disposal as scrap. This could potentially result in overstatement of gross block and corresponding impact on the operational results due to higher charge of depreciation and lower provision for impairment of assets.
- iv. The Company does not have an appropriate internal control system for obtaining confirmations and performing reconciliation of balances in respect of amount receivables from trade receivables, third parties and others, and other parties and amount payables to trade payables, and amount payable to other parties.
- v. The Company does not have an appropriate internal control system to ensure that provisions made pending receipt of bills from vendors / third parties/other parties/others at the quarter-end and year-end and the same are duly reversed when actual bills are received and accounted for. This could potentially result in the same being booked twice in the books of accounts.
- vi. The Company does not have an effective internal audit system so as to cover all major areas with extensive scope. The extent and depth of coverage, manner of conduct and reporting in respect of internal audit is very weak. This could potentially result into weak checks and balances and unreported financial irregularities ultimately resulting into distorted financial reporting.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, except for the effects / possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Company has maintained, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as of **31st March, 2022** based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the Standalone financial statements of the Company, and these material weaknesses do not affect our opinion on the standalone financial statements of the company.

MILLENNIUM TELECOM LIMITED
Significant accounting policies and other explanatory
information for the year ended March 31, 2022

Notes	Particulars
<p>1 Corporate information</p> <p>"MILLENNIUM TELECOM LIMITED (MTL), a wholly owned subsidiary of MAHANAGAR TELEPHONE NIGAM LIMITED (MTNL), is set up to set up submarine cable project & to provide IT solutions. After cancellation of the Sub-marine Cable Project Tender, the Board of MTL decided to enter into new line of business and started exploring the new different business prospects. The following are the services which are intended to be provided by MTL. The various services being offered are Remote monitoring of customer network, Capacity building and skill development programme, End-to-end ICT Solution provider along with operation & maintenance. Launch, operate, provide and maintained Cloud and managed services. Surveillance and perimeter security including emergency communication. Campus wide Wi-Fi , Surveillance projects, Infrastructure Sharing, Data Centre Outsourcing Application including Web Hosting, Cloud computing etc"</p> <p>1.1 Significant accounting policies</p> <p>Basis of accounting and preparation of financial statements</p> <p>The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (Ind-AS) specified under section 133 of Companies Act, 2013 read with Rule-7 of Companies (Accounts) Rules, 2014 & as amended time to time and the relevant provisions of the Companies Act 2013. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.</p> <p>1.2 Property Plant and Equipment</p> <p>All items of property, plant and equipment are stated at cost of acquisition historical cost less accumulated depreciation and impairment loss, if any. Cost includes of cost of acquisition, construction and installation, taxes, duties, freight and other incidental expenses that are directly attributable to bringing the asset to its working conditions for the intended use.</p> <p>Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.</p>	

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1 April 2015 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives of the assets as specified under Schedule II of the Companies Act, 2013 and in manner as specified in that Schedule II.

1.3 Impairment of non financial assets

The carrying values of assets / cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognized, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life. The impairment loss recognized in prior accounting periods is reversed if there has been a change in the estimate of recoverable amount to the carrying amount of the asset that would have been determined (net of depreciation or amortization) had no impairment loss been recognized for the asset in prior accounting periods.

1.4 Investments and other financial assets

Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income (FVOCI), or through profit or loss (FVPL), and
- those measured at amortised cost

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

Measurement

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through statement of profit and loss are expensed in profit or loss.

Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

De-recognition of financial assets

A financial asset is derecognised only when

- The Company has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Interest income from financial assets

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset.

1.5 Inventories

Inventories are valued lower of cost or net realisable value.

1.6 Revenue Recognition.

"Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are inclusive of excise duty and net of returns, trade allowances, rebates, value added taxes and amounts collected on behalf of third parties.

The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the Company's activities.

1.7 Employee benefits

No provision for retirement benefits has been made since there are no employees.

1.8 Provisions and contingent liabilities

"Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation or the

amount of the obligation cannot be measured with sufficient reliability. The company does not recognize a contingent liability but discloses its existence in the financial statements.

1.9 Income tax

"Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognized as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

Deferred tax is recognized on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are recognized for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognized only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are recognized for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

Current and deferred tax relating to items directly recognized in equity are recognized in equity and not in the Statement of Profit and Loss."

1.10 Cash and cash equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

1.11 Use of estimates

The preparation of the financial statements in conformity with Indian Accounting Standard requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

22. Fair value measurements

Financial instruments by category:

All financial assets and financial liabilities of the company are under the amortised cost measurement category at each of the reporting dates.

Fair value hierarchy

The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the group has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. For example, listed equity instruments that have quoted market price.

Level 2 : The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2. Instruments in the level 2 category for the company include forward exchange contract derivatives.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level.

The carrying amounts of trade receivables, other financial assets, fixed deposits with banks, trade payables and other current financial liabilities are considered to be approximately equal to the fair value.

The Fixed Deposit shown as Cash and Equivalent as it's nature like "Readily convertible to known amounts of cash" as per IND AS 7. As the company withdraw money from fixed deposit as and when required for its on going projects.

23. Financial risk management

The company is exposed to credit risk and liquidity risk.

Credit risk

Credit risk arises from cash and bank balances, trade receivables and other financial assets carried at amortised cost.

Credit risk management

To manage credit risk, the Company periodically assesses the financial reliability of customers and other counterparties, taking into account the financial condition, current economic trends, analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly. There is no significant concentration of credit risk.

Bank balances are held with only high rated banks. The major portion of trade receivables are due from parent company. Accordingly, the provision for impairment is considered immaterial.

Liquidity risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. For the Company, liquidity risk arises from obligations on account of financial liabilities – trade payables and other financial liabilities.

The Company's finance department is responsible for liquidity and settlement management. Also the liquidity position is assessed at reasonable intervals through budgeted cashflow.

Maturities of non – derivative financial liabilities

As at March 31, 2022

Particulars	Within 6 months	6 months to 1 year	Total
Trade Payables	12,300	6,86,283	6,98,583

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF MAHANAGAR TELEPHONE (MAURITIUS) LTD

Report on the Audit of Financial Statements

Opinion

We have audited the consolidated financial statements of **Mahanagar Telephone (Mauritius) Ltd** and its subsidiaries (together referred to as the "Group") and the Company's separate financial statements which comprise the statement of financial position as at 31 March 2022 and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and the notes to the financial statements, including a summary of significant accounting policies, as set out on pages 17 to 48.

In our opinion, these financial statements give a true and fair view of the financial position of **Mahanagar Telephone (Mauritius) Ltd** as at 31 March 2022 and of its financial performance and cash flows for the year then ended in accordance with International Financial Reporting Standards and in compliance with the requirements of the Mauritius Companies Act 2001.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with International Ethics Standards Board for Accountants (IESBA Code) *Code of Ethics for Professional Accountants*, and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The directors are responsible for the other information. The other information comprises the commentary of the directors and certificate from the secretary.

Our opinion on the financial statements does not cover the other information and we do not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Corporate governance

The directors are responsible for preparing the corporate governance report. Our responsibility is to report on the extent of compliance with the Code of Corporate Governance as disclosed in the annual report and on whether the disclosure is consistent with the principles of the Code.

The directors have given satisfactory explanations on the principles of the Code which have not been complied with. In our opinion, the disclosures in the annual report, including explanations on the reasons for non-compliance, is consistent with the principles of the Code.

Directors’ Responsibility for the consolidated and separate financial statements

The directors are responsible for the preparation of financial statements that give a true and fair view in accordance with International Financial Reporting Standards and in compliance with the requirements of the Mauritius Companies Act, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated and separate financial statements of the current period. These matters were addressed in the context of our audit of the consolidated and separate financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The key audit matters discussed in the table below relate to the consolidated financial statements. We have determined that there are no key audit matters regarding the audit of the separate financial statements of the Company for the current period to communicate in our report.

Key audit matters	How our audit addressed the key audit matters
<p><i>Revenue recognition (Refer to note 16 to the consolidated financial statements)</i></p>	
<p>The Group reported revenues of Rs. 463,190,582. The amount involved is material to the Group financial statement and there is a rebuttable presumption that revenue is a significant risk.</p> <p>MTML revenue consists of two major streams namely the income from ancillary services and mobile services making up to 28% and 53% respectively of rendering of services revenue category.</p> <p>We have also identified a risk of management override of controls through manual revenue journal entries which may be susceptible to fraud and error.</p>	<p>Our audit procedures included, among others, obtaining an understanding of, evaluating the design and implementation, testing the operating effectiveness of the controls over the Group’s revenue recognition process.</p> <ul style="list-style-type: none"> • Tested the key controls over the calculation of the amounts billed to customers and the capturing and recording of the revenue transactions; • Tested the key controls over the authorisation of the rate changes and the input of such rates to the billing systems; • Tested the end-to-end reconciliations from business support systems to billing systems to the general ledger.

Key audit matters	How our audit addressed the key audit matters
	<ul style="list-style-type: none"> • Tested material journals processed between the billing systems and the general ledger. • Performed tests on the accuracy of customer bill generation process on a sample basis and tested a sample of the credits and discounts applied to such customer bills. • We have reviewed the appropriateness of revenue recognition accounting policies and assessed the compliance with the requirement of IFRS 15 <i>Revenue Recognition</i>.
<i>Provision of impairment of trade receivables (refer to note 8(a))</i>	
<p>We focused on this area as the provision of trade receivables require the application of judgement and the use of subjective assumptions as described in critical accounting estimates and judgments in Note 4.</p>	<p>We evaluated management's assumptions and methods applied for calculating the provision for impairment of trade receivables by carrying out the following procedures, among others:</p> <ul style="list-style-type: none"> • Obtained an update of the understanding of the process relating to the provisions for impairment of trade receivables and performed tests of a sample to confirm our understanding. • Obtained an ageing report of trade receivables and tested the accuracy by verifying the ageing of individual invoices on a sample basis. • Obtained the management's calculation of the provision for various age categories made in accordance with the impairment policy and checked if they were in line with assumptions made by management. We have also considered the appropriateness of the policy based on historical experience and application of the Expected Credit Losses model. • We have also considered the appropriateness of the disclosures in accordance with the requirements of IFRS 9.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Other matter

The financial statements of Mahanagar Telephone (Mauritius) Ltd for the year ended 31 March 2021 were audited by another auditor who expressed an unmodified opinion on those statements on 23 June 2021.

Report on Other Legal and Regulatory Requirements

Mauritius Companies Act 2001

We have no relationship with or interests in the Company other than in our capacity as auditors.

We have obtained all the information and explanations we have required.

In our opinion, proper accounting records have been kept by the Company as far as it appears from our examination of those records.

Use of this report

This report is made solely to the Company's member in accordance with Section 205 of the Mauritius Companies Act. Our audit work has been undertaken so that we might state to the Company's member those matters that we are required to state in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's member for our audit work, for this report, or for the opinions we have formed.

MAHANAGAR TELEPHONE (MAURITIUS) LTD**Notes to the Consolidated Financial Statements for the Year Ended 31 March 2022****1. Corporate Information**

Mahanagar Telephone (Mauritius) Ltd is a private limited Company incorporated in Mauritius on 14 November 2003. The address of the registered office is MTML Square, 63 Cyber City, Ebene, Mauritius. The principal activity of the Holding Company and its subsidiaries is to provide telecommunication services.

2. Standards, Amendments to published Standards and Interpretations effective in the reporting period***New and revised IFRSs with no material effect on the financial statements***

The following new and revised IFRSs have been adopted in these financial statements. The nature and effect of the application of these new and revised IFRSs and the International Financial Reporting Interpretations Committee (“IFRIC”) has not had any material impact on the amounts reported for the current and prior years but may affect the accounting for future transactions or arrangements.

Impact of the initial application of COVID-19-Related Rent Concessions beyond 30 June 2021—Amendment to IFRS 16 : In the current financial year, the Company has applied the amendment to IFRS 16 (as issued by the Board in May 2021) in advance of its effective date. The practical expedient permits a lessee to elect not to assess whether a COVID-19-related rent concession is a lease modification.

Impact of the initial application of Interest Rate Benchmark Reform: In the current year, the Company adopted the Phase 2 amendments Interest Rate Benchmark Reform—Amendments to IFRS 9, IAS 39, IFRS 7, IFRS 4 and IFRS 16. Adopting these amendments enables the Company to reflect the effects of transitioning from interbank offered rates (IBOR) to alternative benchmark interest rates (also referred to as ‘risk free rates’ or RFRs) without giving rise to accounting impacts that would not provide useful information to users of financial statements. This standard is not applicable to the Company.

New standards, interpretations and amendments to published standards

Up to the date of issue of these financial statements, the IASB has issued a number of amendments, new standards and interpretations which are not yet effective for the year ended 31 December 2021 and which have not been adopted in these financial statements.

The Company is in the process of making an assessment of what the impact of these amendments, new standards and new interpretations is expected to be in the period of initial application and these statements, where applicable, will be applied in the year when they are effective.

“Amendments to IFRS 10 Consolidated Financial Statements and IAS 28 Investments in Associates and Joint Ventures—Sale or Contribution of Assets between an Investor and

its Associate or Joint Venture: The amendments to IFRS 10 and IAS 28 deal with situations where there is a sale or contribution of assets between an investor and its associate or joint venture. Specifically, the amendments state that gains or losses resulting from the loss of control of a subsidiary that does not contain a business in a transaction with an associate or a joint venture that is accounted for using the equity method, are recognised in the parent's profit or loss only to the extent of the unrelated investors' interests in that associate or joint venture. Similarly, gains and losses resulting from the remeasurement of investments retained in any former subsidiary (that has become an associate or a joint venture that is accounted for using the equity method) to fair value are recognised in the former parent's profit or loss only to the extent of the unrelated investors' interests in the new associate or joint venture.

The effective date of the amendments has yet to be set by the Board; however, earlier application of the amendments is permitted. The directors of the Company anticipate that the application of these amendments may have an impact on the Company's financial statements in future periods should such transactions arise.

Amendments to IAS 1 Presentation of Financial Statements—Classification of Liabilities as Current or Noncurrent: The amendments clarify that the classification of liabilities as current or non-current is based on rights that are in existence at the end of the reporting period, specify that classification is unaffected by expectations about whether an entity will exercise its right to defer settlement of a liability, explain that rights are in existence if covenants are complied with at the end of the reporting period, and introduce a definition of 'settlement' to make clear that settlement refers to the transfer to the counterparty of cash, equity instruments, other assets or services. The amendments are applied retrospectively for annual periods beginning on or after 1 January 2023, with early application permitted.

2. Standards, Amendments to published Standards and Interpretations effective in the reporting period (cont'd)

New standards, interpretations and amendments to published standards

Amendments to IFRS 3 Business Combinations—Reference to the Conceptual Framework: The amendments update IFRS 3 so that it refers to the 2018 Conceptual Framework instead of the 1989 Framework. They also add to IFRS 3 a requirement that, for obligations within the scope of IAS 37, an acquirer applies IAS 37 to determine whether at the acquisition date a present obligation exists as a result of past events. For a levy that would be within the scope of IFRIC 21 Levies, the acquirer applies IFRIC 21 to determine whether the obligating event that gives rise to a liability to pay the levy has occurred by the acquisition date. Finally, the amendments add an explicit statement that an acquirer does not recognise contingent assets acquired in a business combination.

The amendments are effective for business combinations for which the date of acquisition is on or after the beginning of the first annual period beginning on or after 1 January 2022.

Amendments to IAS 37 Provisions, Contingent Liabilities and Contingent Assets—Onerous

Contracts—Cost of Fulfilling a Contract: The amendments specify that the ‘cost of fulfilling’ a contract comprises the ‘costs that relate directly to the contract’. Costs that relate directly to a contract consist of both the incremental costs of fulfilling that contract (examples would be direct labour or materials) and an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract).

The amendments apply to contracts for which the entity has not yet fulfilled all its obligations at the beginning of the annual reporting period in which the entity first applies the amendments. Comparatives are not restated. Instead, the entity shall recognise the cumulative effect of initially applying the amendments as an adjustment to the opening balance of retained earnings or other component of equity, as appropriate, at the date of initial application.

The amendments are effective for annual periods beginning on or after 1 January 2022, with early application permitted.

“Amendments to IAS 12 Income Taxes—Deferred Tax related to Assets and Liabilities arising from a Single Transaction: The amendments introduce a further exception from the initial recognition exemption. Under the amendments, an entity does not apply the initial recognition exemption for transactions that give rise to equal taxable and deductible temporary differences. Depending on the applicable tax law, equal taxable and deductible temporary differences may arise on initial recognition of an asset and liability in a transaction that is not a business combination and affects neither accounting nor taxable profit. For example, this may arise upon recognition of a lease liability and the corresponding right-of-use asset applying IFRS 16 at the commencement date of a lease.

Following the amendments to IAS 12, an entity is required to recognise the related deferred tax asset and liability, with the recognition of any deferred tax asset being subject to the recoverability criteria in IAS 12.

The amendments are effective for annual reporting periods beginning on or after 1 January 2023, with earlier application permitted.

3. Significant Accounting Policies

The principal accounting policies adopted in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Basis of preparation

The financial statements of Mahanagar Telephone (Mauritius) Ltd comply with the Companies Act 2001 and have been prepared in accordance with International Financial Reporting Standards (IFRS). These financial statements are that of the Holding Company and its subsidiaries and are presented in Mauritian Rupees. The financial statements are prepared under the historical cost convention, except that the relevant financial assets and financial liabilities are stated at their fair value or at amortised cost.

Statement of compliance

These consolidated financial statements have been prepared in accordance with International Financial Reporting Standards (IFRS).

Investments in subsidiaries

Investments in subsidiary companies are carried at cost (or at fair value). The carrying amount is reduced to recognise any impairment in the value of individual investments.

Basis of consolidation

(i) Business combinations

Business combinations are accounted for using the acquisition method as at the acquisition date – i.e. when control is transferred to the Group. Control is the power to govern the financial and operating policies of an entity so as to obtain benefits from its activities. In assessing control, the Group takes into consideration potential voting rights that are currently exercisable. The Group measures goodwill at the acquisition date as:

- the fair value of the consideration transferred; plus
- the recognised amount of any non-controlling interests in the acquire; plus
- if the business combination is achieved in stages, the fair value of the pre-existing equity interest in the acquire; less
- the net recognised amount (generally fair value) of the identifiable assets acquired and liabilities assumed.

When the excess is negative, a bargain purchase gain is recognised immediately in profit or loss and other comprehensive income. The consideration transferred does not include amounts related to the settlement of pre-existing relationships. Such amounts are generally recognised in profit or loss and other comprehensive income. Transactions costs, other than those associated with the issue of debt or equity securities, that the Group incurs in connection with a business combination are expensed as incurred.

Any contingent consideration payable is measured at fair value at the acquisition date. If the contingent consideration is classified as equity, then it is not premeasured and settlement is accounted for within equity. Otherwise, subsequent changes in the fair value of the contingent consideration are recognised in the statement of profit or loss and other comprehensive Income. If share-based payment awards (replacement awards) are required to be exchanged for awards held by the acquiree's employees (acquiree's awards) and relate to past services, then all or a portion of the amount of the acquirer's replacement awards is included in measuring the consideration transferred in the business combination.

This determination is based on the market based value of the replacement awards compared with the market-based value of the acquiree's awards and the extent to which the replacement awards relate to past and/or future service.

(ii) Non-controlling interests

For each business combination, the Group elects to measure any non-controlling interests in the acquiree either:

- at fair value; or
- at their proportionate share of the acquiree's identifiable net assets, which are generally at fair value.

Changes in the Group's interest in a subsidiary that do not result in a loss of control are accounted for as transactions with owners in their capacity as owners. Adjustments to non-controlling interests are based on a proportionate amount of the net assets of the subsidiary. No adjustments are made to goodwill and no gain or loss is recognised in the statement of profit or loss and other comprehensive income.

Basis of consolidation (continued)

(iii) Subsidiaries

Subsidiaries are entities controlled by the Group. The financial statements of subsidiaries are included in the consolidated financial statements from the date that control commences until the date that control ceases.

(iv) Loss of control

On the loss of control, the Group derecognises the assets and liabilities of the subsidiary, any non-controlling interests and the other components of equity related to the subsidiary. Any surplus or deficit arising on the loss of control is recognised in the statement of profit or loss and other comprehensive income. If the Group retains any interest in the previous subsidiary, then such interest is measured at fair value at the date that control is lost. Subsequently that retained interest is accounted for as an equity-accounted investee or as an available-for-sale financial asset depending on the level of influence retained.

(v) Transactions eliminated on consolidation

Intra-group balances and transactions, and any unrealised income and expenses arising from intra-group transactions, are eliminated in preparing the consolidated financial statements. Unrealised gains arising from transactions with equity accounted investees are eliminated against the investment to the extent of the Group's interest in the investee. Unrealised losses are eliminated in the same way as unrealised gains, but only to the extent that there is no evidence of impairment.

Revenue recognition

Revenue from contracts with customers

(i) Rendering of services

Revenue relates to the provision of telephone services, data communication services and other corollary services.

Revenue is measured at the fair value of the consideration received or receivable. Revenue is reduced for estimated customer returns, rebates and other similar allowances and is shown net of Value Added Tax.

International revenue is derived from outgoing calls from Mauritius and from payments by foreign network operators for calls and other traffic that originate outside Mauritius but which use the Company's network.

The Company pays a proportion of the international traffic revenue it collects from its customers to transit and destination network operators. These revenues and costs are stated gross in the financial statements. Amount payable and receivable from the same foreign network operators are shown net in the statement of financial position where a right of set off exists.

The two subsidiaries of the Company had not yet started operations during the year under review and, as such, did not derive any income.

(ii) Sale of goods

Revenue from sales of goods relates to sales of phone cards and mobile phones.

(iii) Other Income

Interest income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Group and the Holding Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Rental income

The Holding Company and the Group recognised rental income on an accrual basis.

Functional and presentation currency

(i) Reporting currency

The financial statements are presented in Mauritian Rupees (Rs), which is the Group's and the Company's functional and presentation currency. This represents the currency of the primary economic environment in which the Group and the Company operate.

(ii) Transactions and balances

Foreign currency transactions are accounted for at the exchange rates prevailing at the dates of the transactions. Gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities in foreign currencies at year end exchange rates are recognised in the statement of profit or loss and other comprehensive income.

Leases

From January 1, 2019, all leases are accounted for by recognising a right-of-use asset and a lease liability except for:

- Leases of low value assets; and
- Leases with a duration of 12 months or less.

Identifying Leases

The Company accounts for a contract, or a portion of a contract, as a lease when it conveys the right to use an asset for a period of time in exchange for consideration. Leases are those contracts that satisfy the following criteria:

- (a) There is an identified asset;
- (b) The Company obtains substantially all the economic benefits from use of the asset; and
- (c) The Company has the right to direct use of the asset.

Right of use assets are initially measured at the amount of the lease liability, reduced for any lease incentives received, and increased for:

- lease payments made at or before commencement of the lease;
- initial direct costs incurred; and
- the amount of any provision recognised where the Company is contractually required to dismantle, remove or restore the leased asset (typically leasehold dilapidations).

The Company as lessor

Rental income from operating leases is recognised on a straight-line basis over the term of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised on a straight-line basis over the lease term.

Trade and other payables

Trade payables and other payables are initially recognised at fair value and subsequently carried at amortised cost using the effective interest method.

Dividend distribution

Dividend distribution to the Company's shareholders is recognised as a liability in the company's financial statements in the period in which the dividends are declared.

Investment in Subsidiaries

Subsidiaries are entities over which the Company has control. The Company controls an entity if and only if it has power over the entity and when it is exposed to, or has rights to variable returns from its involvement with the entity, and has the ability to use its power over the entity

to affect those returns. The Company will re-assess whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control.

Investment in subsidiaries is stated at cost less accumulated impairment losses. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down to its recoverable amount.

Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit or loss and other comprehensive income because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Group's and the Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Taxation (continued)

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Group and the Holding Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Stated capital

Ordinary shares are classified as equity.

Related parties

For the purpose of these financial statements, parties are considered to be related to the company if they have the ability, directly or indirectly, to control the company or exercise significant influence over the company in making financial and operating decisions, or vice versa, or where the company is subject to common control or common significant influence. Related parties may be individuals or other entities.

Financial Instruments

The Group and the Holding Company classifies non-derivative financial assets into the following category: loans and receivables.

The Group and the Holding Company classifies non-derivative financial liabilities into the other financial liabilities category.

(i) Non-derivative financial assets and financial liabilities – recognition and derecognition.

The Group and the Holding Company initially recognises loans and receivables issued on the date when they are originated. All other financial assets and financial liabilities are initially recognised on the trade date.

The Group and the Holding Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred, or it neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control over the transferred asset. Any interest in such derecognised financial assets that is created or retained by the Group and the Company is recognised as a separate asset or liability.

The Group and the Holding Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

Financial Instruments (continued)

Financial assets and financial liabilities are offset and the net amount presented in the statement of financial position when, and only when, the Group and the Company has a legal right to offset the amounts and intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

(ii) *Non-derivative financial assets – measurement*

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Loans and receivables (including trade and other receivables and cash and bank balances) are measured at amortised cost using the effective interest method, less any impairment.

(iii) *Non-derivative financial liabilities – measurement*

Non-derivative financial liabilities are initially recognised at fair value less any directly attributable transaction costs. Subsequent to initial recognition, these liabilities are measured at amortised cost using the effective interest method.

(iv) *Impairment*

Non-derivative financial assets

Financial assets not classified as at fair value through profit or loss are assessed at each reporting date to determine whether there is objective evidence of impairment.

Objective evidence that financial assets are impaired includes:

- default or delinquency by a debtor;
- restructuring of an amount due to the Group and the Company on terms that the Group and the Company would not consider otherwise;
- indications that a debtor or issuer will enter bankruptcy.

(v) *Financial assets measured at amortised cost*

Impairment provisions for trade receivables are recognised based on the simplified approach within IFRS9 using the lifetime expected credit losses. During this process the probability of the non-payment of the trade receivables is assessed. This probability is then multiplied by the amount of the expected loss arising from default to determine the lifetime expected credit loss for the trade receivables. For trade receivables, which are reported net, such provisions are recorded in a separate provision account with the loss being recognised within cost of sales in the statement of comprehensive income. On confirmation that the trade receivable will not be collectable, the gross carrying value of the asset is written off against the associated provision.

Impairment provisions for receivables from related parties and loans to related parties are recognised based on a forward-looking expected credit loss model. The methodology used to determine the amount of the provision is based on whether there has been a significant increase in credit risk since initial recognition of the financial asset. For those where the credit risk has not increased significantly since initial recognition of the financial asset, twelve month expected credit losses along with gross interest income are recognised. For those for which credit risk has increased significantly, lifetime expected credit losses along with the gross interest income are recognised. For those that are determined to be

credit impaired, lifetime expected credit losses along with interest income on a net basis are recognised.

From time to time, the Company/Group elects to renegotiate the terms of trade receivables due from customers with which it has previously had a good trading history. Such renegotiations will lead to changes in the timing of payments rather than changes to the amounts owed and, in consequence, the new expected cashflows are discounted at the original effective interest rate and any resulting difference to the carrying value is recognised in the statement of comprehensive income (operating profit).

The Company/Group's financial assets measured at amortised cost comprise trade and other receivables and cash and cash equivalents in the statement of financial position.

Cash and cash equivalents

Cash and cash equivalents includes cash in hand and cash at bank.

Provisions

Provisions are recognised when the Group and the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Group and the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Property, plant and equipment

Recognition and measurement

Items of property, plant and equipment are measured at cost less accumulated depreciation and impairment.

Cost includes expenditure that is directly attributable to the acquisition of the asset. The cost of self-constructed assets includes the cost of materials and direct labour, any other costs directly attributable to bringing the asset to a working condition for its intended use, and the costs of dismantling and removing the items and restoring the site on which they are located.

When parts of an item of property, plant or equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Subsequent costs

The cost of replacing part of an item of property, plant or equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the branch and its cost can be measured reliably. The costs of the day-to-day servicing of property, plant and equipment are recognised in the statement of profit or loss and other comprehensive income as incurred.

Depreciation

Depreciation is recognised in the profit or loss and other comprehensive income on a straight-line basis over the estimated useful lives of each part of an item of property, plant and equipment. Additions during the year bear a due proportion of the annual depreciation charge. As per the company policy, only 95% of total cost is depreciated over the useful life of the assets and 5% is treated as residual value.

The annual effective depreciation rates used are as follows:

Building	4.75%
Computer equipment	31.67%
Furniture, fixtures and fittings	11.88%
Office equipment	19.00%
Motor vehicles	11.88%
Plant and equipment	9.50%

Gains and losses on disposal of property, plant and equipment are determined by reference to their written down value and are included in determining operating profit.

Investment property

Property held to earn rental and/or for capital appreciation, is stated at cost less accumulated depreciation and any accumulated impairment losses. Investment properties are measured initially at cost, including transaction costs.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal.

The annual depreciation rates used are as follows:

Building	4.75%
----------	-------

Inventories

Inventories are valued at the lower of cost or net realisable value. Cost is determined on the First in First out basis (FIFO). The cost of finished goods and work in progress comprises raw

materials, direct labour, other direct costs and related production overheads (based on normal operating capacity) but excludes borrowing costs. Net realisable value is the estimated selling price in the ordinary course of business, less the costs of completion and applicable variable selling expenses. Cost of inventories include the transfer from equity of any gains / losses on qualifying cash flow hedges relating to purchases of raw materials.

4. **Critical Accounting Judgements and Key Sources of Estimation Uncertainty**

In the application of the Group's and the Company's accounting policies, which are described in note 3, the directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the period of the revision and future periods if the revision affects both current and future periods.

Where applicable, the notes to the financial statements set out areas where management has applied a higher degree of judgement that have a significant effect on the amounts recognised in the financial statements, or estimations and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

Key sources of estimation uncertainty

With regards to the nature of the Group's and the Company's business there were no key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period, that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

Going concern

The Group's and the Company's management has made an assessment of the Group's and the Company's ability to continue as a going concern and is satisfied that the Group and the Company has the resources to continue in business for the foreseeable future. Furthermore, the management is not aware of any material uncertainties that may cast significant doubt upon the Group's and the Company's ability to continue as a going concern. Therefore, the financial statements continue to be prepared on the going concern basis.

Impairment of assets

"Property, plant and equipment and investment properties are considered for impairment if there is a reason to believe that impairment may be necessary. Factors taken into consideration in reaching such a decision include the economic viability of the asset itself and where it is a component of a larger economic unit, the viability of that unit itself. Future cash flows expected

to be generated by the assets or cash-generating units are projected, taking into account market conditions and the expected useful lives of the assets. The present value of these cash flows, determined using an appropriate discount rate, is compared to the current net asset value and, if lower, the assets are impaired to the present value. Cash flows which are utilised in these assessments are extracted from the yearly budget.

Impairment of financial asset

The loss allowances for financial assets are based on assumption about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Group and Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

Asset lives and residual values

Property, plant and equipment are depreciated over its useful life taking into account residual values, where appropriate. The actual lives of the assets and residual values are assessed annually and may vary depending on a number of factors. In reassessing asset lives, factors such as technological innovation, product life cycles and maintenance programmes are taken into account. Residual value assessments consider issues such as future market conditions, the remaining life of the asset and projected disposal values. Consideration is also given to the extent of current profits and losses on the disposal of similar assets.

Depreciation policies

Property, plant and equipment are depreciated to their residual values over their estimated useful lives. The residual value of an asset is the estimated net amount that the Group and Company would currently obtain from the disposal of the asset, if the asset were already of the age and in condition expected at the end of its useful life. The directors therefore make estimates based on historical experience and use best judgement to assess the useful lives of assets and to forecast the expected residual values of the asset at the end of their expected useful lives.

Limitations of sensitivity analysis

Sensitivity analysis in respect of market risk demonstrates the effect of a change in a key assumption while other assumptions remain unchanged. In reality, there is a correlation between the assumptions and other factors. It should also be noted that these sensitivities are non-linear and larger or smaller impacts should not be interpolated or extrapolated from these results.

Sensitivity analysis does not take into consideration that the Group and Company's assets and liabilities are managed. Other limitations include the use of hypothetical market movements to demonstrate potential risk that only represent the Group's view of possible near-term market changes that cannot be predicted with any certainty.

Charge for the year	79,150	9,00,764	9,79,914
At 31 March 2021	10,28,950	27,06,721	37,35,671
Net Book Value			
At 31 March 2021	13,45,550	33,07,937	46,53,487

Depreciation of Rs 979,914 (2021: Rs. 979,914) has been charged in other operating expenses.

Note: The right use of assets consists of :

- Land lease agreement from Landscape (Mauritius) Ltd. The lease is valid for a period of 30 years starting from 2009;
- Leasing of shop outlet. The lease is valid for a period of 5 years starting from 2018.

5. (b) (ii) Lease liabilities

IFRS 16 'Leases' effective in the financial statements for the accounting period commencing 01 January 2019. The company adopt the standard prospectively by using the modified retrospective approach. IFRS 16 requires lessees to recognise right of use assets and lease liabilities on balance sheet for all leases, except short-term and low value asset leases. At commencement of the lease, the lease liability equals the present value of future lease payments, and the right of use asset equals the lease liability. Depreciation is charged on a straight-line basis, however, interest (finance cost) is charged on outstanding lease liabilities and therefore reduces over the life of the lease. As a result, the impact on the income statement below operating profit is dependent on lease maturity. The breakdown for the lease liability is as follows:

Year 2022	The Group and the Holding Company		
	Land Rs.	Building Rs.	Total Rs.
At April 1	30,11,780	37,32,101	67,43,881

	55,86,553

Year 2021	The Group and the Holding Company		
	Land Rs.	Building Rs.	Total Rs.
At April 1	29,93,687	14,89,896	44,83,583
Additions	-	30,04,729	30,04,729
Finance cost	4,41,569	4,94,409	9,35,977
Repayments	(4,23,475)	(12,56,933)	(16,80,408)
At March 31	30,11,780	37,32,101	67,43,881
Analysed as follows:			
- Current			13,55,660
- Non Current			53,88,221
			67,43,881

5.(c) Investment Property

The Group and the Holding Company	Building 2022	Building 2021
COST		
At 31 March	6,08,93,715	6,08,93,715
DEPRECIATION		
At 01 April	1,90,00,055	1,62,52,223
Charge for the year	27,47,832	27,47,832
At 31 March	2,17,47,887	1,90,00,055
NET BOOK VALUE		
At 31 March	3,91,45,828	4,18,93,660

Depreciation of Rs 2,747,832 (2021: Rs. 2,747,832) has been charged in other operating expenses.

Note: The Directors of the company have adopted the cost model in accordance with IAS 16 to be used for the valuation of the investment property. There were no direct operating expenses related to Investment property during the year under review.

	The Group and the Holding Company	
	2022	2021
The following amounts have been recognised in profit or loss:		
Rental income	37,04,677	42,06,622

Investment property relates to MTML building situated at MTML Square, 63, cyber city; 1st floor, 3rd Floor, 4th Floor, 5th Floor are rented out and same treated as investment property. The remaining floors are used by MTML itself.

Building is used for office purpose and only the unused part is rented out. Insured valued can be taken as fair value. The insured value of the building is Rs. 150 M and given that approximately 40% of the floors are rented out, the fair value of the investment property will approximate to Rs 60 M, where the fair value measurement is categorised within level 3.

6. Investment in Subsidiaries

	The Holding Company	
	2022	2021
Unquoted investment at cost		
At 01 April	-	-
Impairment losses	-	-
As 31 March	-	-

The impairment losses relates to the two subsidiaries as described below, which were fully impaired.

Details of Company's investment in subsidiaries:-

Name of company	Country of incorporation	Class of shares	Principal activity	Nominal value of investment Rs.	Holding %
MTML Data Ltd	Mauritius	Ordinary	Telecommunication	20,00,000	100
MTML International Ltd	Mauritius	Ordinary	Telecommunication	1,00,00,000	100

The reporting date of the two subsidiaries is at 31 March 2022.

7. Inventories

	The Group and the Holding Company	
	2022	2021
Stock of subscribers equipment	56,27,362	17,44,412

Note:

- All stocks are measured at net realisable value.
- All costs of inventories have been recognised in the cost of sales during the year.
- The cost of inventories recognised as expense and included in cost of sales amounted to Rs. 35,357,382 (2021: Rs.27,555,661).

8.(a) Trade Receivables

	THE GROUP		THE HOLDING COMPANY	
	2022	2021	2022	2021
Trade receivables	6,61,22,665	5,50,09,847	6,61,22,665	5,50,09,847
Less: Provision for impairment	(1,67,74,260)	(1,66,24,260)	(1,67,74,260)	(1,66,24,260)
	4,93,48,405	3,83,85,587	4,93,48,405	3,83,85,587

(i) Impairment of trade receivables

The Company applies the IFRS 9 simplified approach to measuring expected credit losses which uses a lifetime expected loss allowance for all trade receivables.

To measure the expected credit losses, trade receivables have been grouped based on shared credit risk characteristics and the days past due.

The expected loss rates are based on the payment profiles of sales over a period of 36 months before March 31, 2022 or April 01, 2021 respectively and the corresponding historical credit losses experienced within this period. The historical loss rates are adjusted to reflect current and forward-looking information on macroeconomic factors affecting the ability of the customers to settle the receivables. The Company has identified the GDP as the most relevant factor, and accordingly adjusts the historical loss rates based on expected changes in this factor.

The closing loss allowances for trade receivables as at March 31, reconcile to the opening loss allowances as follows:

	Trade Receivables	
	2022	2021
Loss allowance as at April 1,	1,66,24,260	1,91,00,924
Loss allowance recognised in profit or loss during the year	1,50,000	2,25,000
Amount recovered from trade debtors		(27,01,664)
At March 31,	1,67,74,260	1,66,24,260

8. (b) Other current assets

	The Group		The Holding Company	
	2022 Rs.	2021 Rs.	2022 Rs.	2021 Rs.
Claims receivable	58,54,904	58,54,904	58,54,904	58,54,904
Advance payment	2,96,63,402	1,85,51,194	2,96,63,402	1,85,51,194
Prepayments	3,02,62,704	1,40,69,555	3,02,62,704	1,40,69,555
Other receivables	42,17,518	41,21,002	42,69,919	41,72,402
	6,99,98,528	4,25,96,655	7,00,50,929	4,26,48,055

Advance payment relates to a payment made in advance for MTML's new billing system which came into operation on 30 April 2021. Due to pending points Take over of the Billing system is still not completed.

9.(a) Cash and Cash Equivalents

	The Group		The Holding Company	
	2022 Rs.	2021 Rs.	2022 Rs.	2021 Rs.
Cash at bank	8,88,00,492	9,87,20,867	8,88,00,492	9,87,20,867
Cash in hand	75,90,590	38,76,438	75,90,590	38,76,438
	9,63,91,082	10,25,97,305	9,63,91,082	10,25,97,305

While cash and cash equivalents are also subject to the impairment requirements of IFRS 9, the identified impairment loss was immaterial.

9.(b) Financial Assets at Amortised Cost

	The Group		The Holding Company	
	2022 Rs.	2021 Rs.	2022 Rs.	2021 Rs.
Interest bearing deposits	22,26,86,005	21,35,00,000	22,26,86,005	21,35,00,000
Other financial assets at amortised costs	26,39,119	25,08,616	26,39,119	25,08,616
	22,53,25,124	21,60,08,616	22,53,25,124	21,60,08,616

- (a) The other financial assets at amortised cost are interest free, unsecured and are repayable on demand.
- (b) Fair values of financial assets at amortised cost Due to the short-term nature of the current receivables, their carrying amount is considered to be the same as their fair value.
- (c) Impairment and risk exposure.
- (i) Financial assets at amortised cost did not include any loss allowance at March 31, 2021.
- (ii) All of the financial assets at amortised cost are denominated in Mauritian rupee. As a result, there is no exposure to foreign currency risk. There is also no exposure to price risk as the investments will be held to maturity.

10. Stated Capital

	The Group and the Holding Company			
	2022		2021	
	Number of shares	Ordinary shares Rs.	Number of shares	Ordinary shares Rs.
At 31 March	67,37,17,949	67,37,17,949	67,37,17,949	67,37,17,949

The shares are fully paid ordinary shares and each carry one voting right and a right to dividends.

11. Retained Earnings

	The Group		The Holding Company	
	2022 Rs.	2021 Rs.	2022 Rs.	2021 Rs.
At 01 April 2020	5,32,41,539	4,90,49,599	5,32,92,338	4,90,99,549
Total comprehensive income for the year	15,45,532	94,41,940	15,46,382	94,42,790
Adjustment from application of IFRS 16				
Dividend proposed (note 19)	(52,50,000)	(52,50,000)	(52,50,000)	(52,50,000)
At 31 March 2022	4,95,37,071	5,32,41,539	4,95,88,719	5,32,92,338

Note: Dividend of Rs. 5,250,000 was proposed and paid during the financial years 2021 and 2022.

12. Trade and other Payables

	The Group		The Holding Company	
	2022 Rs.	2021 Rs.	2022 Rs.	2021 Rs.
Trade payables	5,22,37,997	6,96,67,507	5,22,37,997	6,96,67,507

Foreign exchange gain	4,57,087	32,19,131	4,57,087	32,19,131
	11,61,424	58,82,738	11,61,424	58,82,738

15A. Taxation

The Company is liable to income tax at the rate of 15% (2021: 15%) on its profit as adjusted for tax purposes. provision for corporate tax was made amounting to Rs.5,774,277 in the accounts. There is a legally enforceable right to offset current tax assets against current tax liabilities and deferred income tax assets and liabilities when the deferred income taxes relate to the same fiscal authority on the same entity.

	The Group		The Holding Company	
	2022 Rs.	2021 Rs.	2022 Rs.	2021 Rs.
Current tax charge	57,74,277		57,74,277	
Solidarity Levy	81,15,834	79,85,090	81,15,834	79,85,090
Deferred tax charge	27,89,679	31,39,769	27,89,829	31,39,919
Total tax expense for the year	1,66,79,791	1,11,24,859	1,66,79,941	1,11,25,009

Reconciliation of effective taxation

	The Group		The Holding Company	
	2022 Rs.	2021 Rs.	2022 Rs.	2021 Rs.
Profit before taxation	1,82,25,323	2,05,66,799	1,82,26,323	2,05,67,799
Income tax at 15%	27,33,798	30,85,020	27,33,948	30,85,170
Non-allowable expenses	33,381	20,999	33,381	20,999
Tax rate differential	22,500	33,750	22,500	33,750
	27,89,679	31,39,769	27,89,829	31,39,919

15B. Deferred Tax

	The Group		The Holding Company	
	2022 Rs.	2021 Rs.	2022 Rs.	2021 Rs.
Deferred tax assets	(60,56,695)	5,98,909	(60,57,295)	5,98,459
Deferred tax liabilities	(3,58,59,630)	(3,97,25,554)	(3,58,59,780)	(3,97,25,705)
	(4,19,16,325)	(3,91,26,645)	(4,19,17,075)	(3,91,27,246)

(a) There is a legally enforceable right to offset current tax assets against current liabilities and deferred income taxes and liabilities when the deferred income taxes relate to the fiscal authority on the same entity.

(b) The movement on the deferred income tax account is as follows:

Deferred tax assets

	The Group		The Holding Company	
	2022 Rs.	2021 Rs.	2022 Rs.	2021 Rs.
At April 1,	5,98,909	44,50,008	5,98,459	44,49,708
(Charge) for the year	(66,55,604)	(38,51,099)	(66,55,754)	(38,51,249)
At March 31,	(60,56,695)	5,98,909	(60,57,295)	5,98,459

Deferred tax liabilities

	The Group		The Holding Company	
	2022 Rs.	2021 Rs.	2022 Rs.	2021 Rs.
At April 1,	(3,97,25,554)	(4,04,36,885)	(3,97,25,705)	(4,04,37,035)
(Release)/Charge for the year	38,65,924	7,11,331	38,65,925	7,11,330
At March 31,	(3,58,59,630)	(3,97,25,554)	(3,58,59,780)	(3,97,25,705)

16. Revenue

(a) The following is an analysis of the revenue for the year.

	The Group and the Holding Company	
	2022 Rs.	2021 Rs.
Rendering of services	42,36,95,655	43,14,47,133
Sales of goods	3,94,94,927	3,09,59,799
Total revenue	46,31,90,582	46,24,06,932

(b) Disaggregation of revenue

	The Group and the Holding Company	
	2022 Rs.	2021 Rs.
Ancillary services	12,04,78,949	10,68,37,404
International Long Distance (ILD)	12,11,906	16,63,642
Mobile services	22,55,74,361	25,46,03,132
Voice services	5,66,72,553	5,26,61,186
Roaming services	1,44,08,186	1,08,05,516
Internet services	53,49,700	48,76,253
Sales of mobile	3,94,94,927	3,09,59,799
Total revenue	46,31,90,582	46,24,06,932

(c) The geographic market is located in Mauritius.

	The Group and the Holding Company	
	2022 Rs.	2021 Rs.
Timing of revenue recognition		
At a point in time	46,31,90,582	46,24,06,932
Over time	-	-
Total revenue	46,31,90,582	46,24,06,932

17. Earnings Per Share

The calculation of earnings per share is based on total comprehensive income for the year after taxation attributable to ordinary shareholders and on the number of shares in issue throughout the two years ended 31 March 2022.

18. Dividend

The calculation of earnings per share is based on total comprehensive income for the year after taxation attributable to ordinary shareholders and on the number of shares in issue throughout the two years ended 31 March 2022.

	The Group and the Holding Company	
	2022 Rs.	2021 Rs.
Amount due at April 1,	52,50,000	52,50,000
Dividend paid	(52,50,000)	(52,50,000)
Dividend proposed and payable	52,50,000	52,50,000
Amount due at March 31,	52,50,000	52,50,000

Dividend proposed was Rs 0.0078 per share (2021: Rs 0.0078 per share). The dividend per share have been rounded to 4 decimal places.

19. Profit From Operations

Profit from operations is arrived at after charging the following items:-

	The Group and the Holding Company	
	2022 Rs.	2021 Rs.
Staff costs	2,11,43,086	1,93,96,495
Director's fees	15,000	15,000
Depreciation on property, plant and equipment	7,22,54,361	7,14,33,358
Auditors' remuneration	1,05,000	1,40,000

20. Depreciation

Depreciation is as follows:

	Notes	The Group and the Holding Company	
		2022 Rs.	2021 Rs.
Property, plant and equipment	5(a)	7,22,54,361	7,14,33,358
Right of use asset	5(b)	9,79,914	9,79,914
Investment property	5(c)	27,47,832	27,47,832
		7,59,82,107	7,51,61,104

Depreciation of Rs 67,706,848 (2021: Rs. 66,165,326) has been charged in cost of sales and depreciation of Rs 4,547,513 (2021: Rs. 5,268,032) has been charged in other operating expenses.

Depreciation of Rs 979,914 (2021: Rs. 979,914) relating to right of use assets has been charged in other operating expenses.

Depreciation of Rs 2,747,832 (2021: Rs. 2,747,832) has been charged in other operating expenses.

21. Related Party Transactions

The Company had the following transactions and balances with related parties.

	The Group and the Holding Company	
	2022 Rs.	2021 Rs.
Non- executive director fees	15,000	15,000
Remuneration and other short term benefits to key management personnel	50,67,944	49,97,187

- All related party transactions are priced on commercial terms and conditions.
- The amount due to related companies represents the unpaid share capital of the two subsidiaries as at 31 March 2020. This amount was impaired in the financial year 2020.

22. Commitments

(a) Bank guarantee

There is a contingent liability not provided for in the accounts in respect of guarantees given to third parties amounting to Rs 5,480,976. The directors consider that no liabilities will arise as the probability for default in respect of the guarantees is remote.

(b) Capital commitments

There were no capital commitments as at 31 March 2022.

23. Financial instruments

Capital management

The Group's and the Company's primary objectives when managing capital are to safeguard the Group's and the Company's ability to continue as a going concern. As the Group and the Company is part of a larger group, the Group's and the Company's sources of additional capital and policies for distribution of excess capital may also be affected by the group's capital management objectives.

The Group and the Company defines "capital" as including all components of equity.

The Group's and the Company's capital structure is regularly reviewed and managed with due regard to the capital management practices of the group to which the Group and the Company belongs. Adjustments are made to the capital structure in light of changes in economic conditions affecting the Company and additional needs for capital.

The Group's and the Company's activities expose it to a variety of financial risks: market risk (including currency risk and interest rate risk), credit risk and liquidity risk.

Fair value

The Group's and the Company's financial assets and liabilities include trade and other receivables, cash and cash equivalents and trade and other payables.

Fair values of financial assets and liabilities

As at 31 March 2022, the carrying amounts of the following financial assets and financial liabilities shown on the statement of financial position represent or approximate their fair value.

The Group	Carrying amount	
	2022 Rs.	2021 Rs.
Financial assets		
Trade and other receivables	4,93,48,405	3,83,85,587
Financial assets at amortised cost	22,53,25,124	21,60,08,616
Other current assets	1,00,72,422	99,75,906
Cash and cash equivalents	9,63,91,082	10,25,97,305
	38,11,37,033	36,69,67,414
Financial liabilities		
Trade and other payables	7,42,98,818	10,15,71,444
Lease liabilities	55,86,555	67,43,685
	7,98,85,373	10,83,15,129

The Holding Company

The Group	Carrying amount	
	2022 Rs.	2021 Rs.
Financial assets		
Trade receivables	4,93,48,405	3,83,85,587
Financial assets at amortised cost	22,53,25,124	21,60,08,616
Other current assets	1,01,24,823	1,00,27,306
Cash and cash equivalents	9,63,91,082	10,25,97,305
	38,11,89,434	36,70,18,814
Financial liabilities		
Trade and other payables	7,42,98,818	10,15,71,444
Lease liabilities	55,86,555	67,43,685
	7,98,85,373	10,83,15,129

(a) Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates, interest rates and equity prices will affect the Group's and the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

(i) Currency risk

The Group and the Company has assets and liabilities denominated in foreign currencies. Consequently, the Group and the Company is exposed to the risk that the exchange rate of the

MUR relative to the foreign currencies may change in a manner which has a material effect on the reported values of the Group's and the Company's assets and liabilities which are denominated in foreign currencies. The figures in the table below are all presented in MUR.

The Group	2022		2021	
	Financial assets	Financial liabilities	Financial assets	Financial liabilities
Mauritian Rupee (MUR)	39,92,44,878	2,67,23,533	34,80,98,795	7,58,41,394
United States Dollar (USD)	2,28,44,277	2,54,27,620	2,29,78,230	2,29,97,429
Euro (EUR)	1,89,73,984	2,21,47,665	2,85,11,138	27,32,621
	44,10,63,139	7,42,98,818	39,95,88,163	10,15,71,444

Sensitivity analysis

Foreign currency sensitivity analysis

A.1 percent strengthening of MUR against USD at 31 March would have increased profit or loss and other comprehensive income by the amounts shown below. This analysis assumes that all other variables remain constant. The analysis is performed on the same basis for 2021.

The Group	Rate - MUR/USD		2022 Rs.	2021 Rs.

Before sensitivity analysis	45.10	40.90	(25,83,343)	(19,199)
Decrease of 1%	44.65	40.49	(25,57,510)	(19,007)
			(25,833)	(192)

Foreign currency sensitivity analysis

A 1 percent strengthening of MUR against EUR at 31 March would have decreased profit or loss and other comprehensive income by the amounts shown below. This analysis assumes that all other variables remain constant. The analysis is performed on the same basis for 2021.

The Holding Company	Rate - MUR/USD		2022 Rs.	2021 Rs.
	2022	2021		
Assume increase of 1% in exchange rate				
Before sensitivity analysis	50.06	47.98	1,89,73,984	2,85,11,138
Increase of 1%	50.56	48.46	(1,91,63,724)	(2,87,96,249)
			(1,89,740)	(2,85,111)

A 1 percent weakening of MUR against EUR at 31 March would have increased profit or loss and other comprehensive income by the amounts shown below. This analysis assumes that all other variables remain constant. The analysis is performed on the same basis for 2021.

The Holding Company	Rate - MUR/USD		2022 Rs.	2021 Rs.
	2022 Rs.	2021 Rs.		
Assume increase of 1% in exchange rate				
Before sensitivity analysis	50.06	47.98	1,89,73,984	2,85,11,138
Increase of 1%	49.56	47.50	(1,87,84,244)	(2,82,26,027)
Difference			1,89,740	2,85,111

(ii) Interest rate risk

Financial instruments subject to interest rate risk consist of bank balances. Interest rates applicable to bank balances fluctuate with movements in the prime lending rate and are comparable with rates currently available on the market. The Group's and the Company's variable interest rate instruments are analysed as follows:

	The Group and the Company	
	2022 Rs.	2021 Rs.
Bank balances	9,63,91,082	10,25,97,305

Interest rate sensitivity analysis

The sensitivity analysis below has been determined based on the Group's and the Company's exposure to interest rates for interest bearing assets and liabilities at the reporting date and the stipulated change taking place at the beginning of the financial year and held constant throughout the reporting period in the case of instruments that have floating rates.

If interest rates had been 50 basis points lower it would have had the equal but opposite effect, on the basis that all other variables remain the same.

(a) Market risk (Continued)

(iii) Price risk

The Group and Company is not faced with any price risk.

(b) Credit risk

The Group and Company has no significant concentration of credit risk.

(c) Liquidity risk

Liquidity risk is the risk that the Group and Company is unable to meet its payment obligations, associated with its financial liabilities, when they fall due.

Prudent liquidity risk management implies maintaining sufficient cash. In addition, the Company has access to its holding company for its financing needs.

(d) Fair value estimation

The carrying values for financial assets and liabilities with a maturity of less than one year are assumed to approximate their fair values.

24. Financial summary

Financial summary	2022 Rs.	2021 Rs.	2020 Rs.	2019 Rs.	2018 Rs.
Issued and fully paid up share capital	67,37,17,949	67,37,17,949	67,37,17,949	67,37,17,949	67,37,17,949
Retained Earnings	4,95,88,721	5,32,92,338	4,90,99,549	3,79,88,148	2,57,67,258
Profit before taxation	1,82,26,323	2,05,67,799	2,15,63,828	2,07,64,928	2,36,54,833
Profit after taxation	15,46,382	94,42,790	1,81,25,073	1,74,70,890	1,98,60,562

25. The Holding Company

The directors consider Mahanagar Telephone Nigam Limited (MTNL), incorporated in India, New Delhi, as the holding company of MTML. MTNL owns 100% of the shares.

26. Events after the reporting period

Impact of Ukraine-Russia conflict

The Russian Federation's invasion of Ukraine and the subsequent global response to those military actions had various significant financial effects on entities around the world. The Directors of the Company made an assessment of the prevailing situation and are of the opinion that the Company is and will not be impacted by the war in Ukraine in the foreseeable future and, accordingly, the financial statements have been prepared on a going concern basis. The Directors will follow the situation closely and report on the impacts on the Company regularly.

There have been no other material events after the reporting date which would require disclosure or adjustment to the financial statements for the year ended 31 March 2022.
