Vice Chairman's Message to the Shareholders

Mr. Bipin N. Shah

Vice Chairman

Dear Shareholders,

Our Company has been bestowed with the responsibility of providing quality bulk drugs to formulation companies. We have a strong client base of 350 Indian/Multinational companies. During the financial year 2020-2021, the main challenge was to run the Company, despite several factors related to the pandemic lockdowns. These include:

- i) Picking and dropping employees
- ii) Social distancing
- iii) Sanitization
- iv) Ensuring pandemic related safety measures like wearing masks etc.

We have successfully performed throughout the year and provided timely service to all our esteemed clients.

As we reel under the effects of the second wave, we still continue to face similar challenges. With tremendous support

from staff and workers, we are confident that we will keep the wheels of production rolling.

It is my great pleasure to present to you our Company's 61st Annual Report in a nutshell.

Our operational revenue for the financial year 2020-2021 amounted to ₹ 43,196 lakhs as against ₹ 30,696 lakhs for the previous year, an increase of 40.70%

Our profit before tax as compared to last year has increased by 101.25% from ₹ 1,916 lakhs to ₹ 3,855 lakhs and profit after tax has increased by 99% from ₹ 1,431 lakhs to ₹ 2,844 lakhs.

We could achieve above good results in spite of huge depreciation of ₹ 1,508 lakhs for the financial year 2020-2021.

EXPANSION PROJECT:

Our "New Expansion project" is fully operational and due to this increased capacity, we hope to continuously achieve higher topline and bottom-line.

We continue to allocate total resources towards building the API and Bulk Drugs segment. Our R&D facility at Navi Mumbai works relentlessly on the development of newer and better pharmaceutical raw materials.

TRANSFORMATION:

In order to generate long term sustainable value for shareholders, businesses need to continuously involve and transform themselves to build a strong foundation for future growth.

At Anuh Pharma, we have decided on a transformational journey to ensure that the Company is aligned in tune with the times.

With warm regards,

Mr. Bipin N. Shah

** Specified shareholders to be verified from the Government enabled utility.

However, no tax shall be deducted on the dividend payable to a resident individual shareholder if the total dividend to be received by them during the financial year 2021-22 does not exceed ₹ 5,000/- and also in cases where shareholder provides form 15G (applicable to any person other than HUF or a Company or a firm)/form 15H (applicable to an individual who is 60 years and older) subject to conditions specified in the Act. Shareholders may also submit any other document as prescribed under the Act to claim a lower/nil withholding tax. PAN is mandatory for shareholders providing form 15G/form 15H or any other documents as mentioned above. The formats of form 15G/form 15H are also available on the website of our registrar and transfer agent (RTA) Bigshare Services Private Limited at www.bigshareonline.com.

For non-resident shareholders, taxes are required to be withheld in accordance with the provisions of Section 195 and other applicable sections of the IT Act, at the rates in force. The withholding tax shall be at the rate of 20% (plus applicable surcharge and cess) or as notified by the Government of India on the amount of dividend payable. However, as per Section 90 of the IT Act, non-resident shareholders have the option to be governed by the provisions of the Double Tax Avoidance Agreement (**"DTAA"**), read with Multilateral Instrument (**"MLI"**) between India and the country of tax residence of the member, if they are more beneficial to them. For this purpose, i.e. to avail the benefits under the DTAA read with MLI, non-resident shareholders will have to provide the following:

- (i) Copy of the PAN card allotted by the Indian income tax authorities duly attested by the member or details as prescribed under rule 37BC of Income-tax Rules, 1962
- (ii) Copy of Tax Residency Certificate for fiscal 2022 obtained from the revenue authorities of the country of tax residence, duly attested by member
- (iii) Self-declaration in Form 10F
- (iv) Self-declaration by the member of having no permanent establishment in India in accordance with the applicable tax treaty

- (v) Self-declaration of beneficial ownership by the non-resident shareholder
- (vi) Any other documents as prescribed under the IT Act for lower withholding of taxes if applicable, duly attested by the member.

In case of Foreign Institutional Investors / Foreign Portfolio Investors, tax will be deducted under Section 196D of the IT Act @ 20% (plus applicable surcharge and cess) or the rate provided in relevant DTAA, read with MLI, whichever is more beneficial, subject to the submission of the above documents on or before August 18, 2021. Members are requested to visit www.anuhpharma.com for more instructions and information on this subject. No communication would be accepted from members after August 18, 2021 regarding tax withholding matters. Shareholders may write to investor@bigshareonline.com for any clarifications on this subject.

The aforementioned documents duly completed and signed are required to be sent to the Bigshare at tds@bigshareonline.com.

11. PROCEDURE FOR REMOTE E-VOTING AND E-VOTING DURING THE AGM:

- (i) In compliance with the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020, May 05, 2020 and January 13, 2021 the Company is pleased to provide facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. The Company has engaged the services of Central Depository Services (India) Limited (CDSL) to provide the system of remote e-voting as well as the e-voting system on the date of the AGM.
- (ii) The Shareholder may note that the facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
- (iii) The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
- (iv) The shareholder who is a Member as on the cut-off date shall only be entitled for availing the Remote e-voting facility or vote, as the case may be, in the Annual General Meeting.
- (v) The shareholder who is not a Member as on the cut off date should treat this Notice for information purposes only.
- (vi) The procedure for e-Voting on the day of the AGM is same as the instructions mentioned above for Remote e-voting

12. THE DETAILED INTRUCTIONS FOR SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

- (i) The voting period begins on **Monday, August 16, 2021 at 09.00 AM IST and ends on Wednesday, August 18, 2021 at 05.00 PM IST**. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of **Wednesday, August 11, 2021** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of abovesaid **SEBI circular** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY STRUCTURE & DEVELOPMENTS

Global Pharmaceutical Market

The global pharmaceutical market is now estimated to be over USD 1.4 trillion and expected to grow at CAGR of about 4% to 5%.

Though the pharmaceutical industry is developing at rapid pace, the pharmaceutical manufacturing companies are confronted with enormous challenges such as:

Cost & Pricing, New Medicines & Therapy dosages, changing regulatory landscape & growing digitization.

Indian pharma market is expected to grow to USD 60 Billion by 2022 thereby emerging as the 6th largest pharmaceutical market globally by absolute size.

Global Bulk Drugs Market

Three segments - Branded Prescription drugs, Over-the-Counter (OTC) drugs and Generic Prescription drugs account for a majority of global bulk drug consumption.

The total global bulk drug consumption is expected to reach USD 215 billion by 2022 at a CAGR 6.5% during the forecast period out of which 80% is used for Branded Prescription drugs, 10% for OTC drugs and 10% for Generic Prescription drugs.

Indian Bulk Drug Market

India is expected to be the 3rd largest global markets for Bulk Drugs with a 7.5% increase in market share. There are 1150 bulk drug units producing about 350 important Bulk Drugs. The market analyst forecast the API markets in India to grow at a CAGR of 11% over the period of 2021-2025.

OPPORTUNITIES, THREATS AND OUTLOOK

Anuh Pharma Ltd. will be able to place itself in a strong position by expanding strategically, increasing its manufacturing capacities and enhancing capacities across the organization. The Company is looking at different opportunities in untapped markets and also across a value chain. It plans for alliances with business associates in the global market, giving a huge boost to the selective products that it already deals in.

We are fully conscious of our responsibility towards our customers. Our efforts are directed towards the fulfillment of customer satisfaction through the quality of products. As the consolidation of this industry gains momentum, the need to develop a dedicated team of skilled manpower assumes urgency and importance.

We will continue to focus on training and motivation of manpower so as to develop teams of qualified and skilled personnel to effectively discharge their responsibilities in a number of projects and activities. It is, in this context, which we have been working towards promoting the skills and professionalism of our employees to cope with and focus on the challenges of change and growth.

Manufacturing

Anuh Pharma Ltd. is well positioned to service its existing and potential markets through its manufacturing operations at Tarapur in Maharashtra.

The Company enjoys cGMP approvals and all the facilities are built and operated according to cGMP (current Good Manufacturing Practices).

The Company is approved by EDQM for the products Erythromycin Base, Erythromycin Ethyl Succinate, & Pyrazinamide. The Company has also got approval from WHO PQ Geneva authorities for Pyrazinamide and Sulfadoxine. The Company is also approved by COFEPRIS, Mexico for Erythromycin Stearate, Erythromycin Estolate, Erythromycin Ethyl Succinate. The Company has received USFDA and CEP for Ambroxol Hydrochloride during 2019-2020.

The Company has also received plant approvals from several MNCs.

Expansion

We are pleased to inform that we have successfully commissioned our new expansion project and started commercial production in December, 2019.

Quality

Quality is the key factor for any API business and Anuh Pharma Ltd. enjoys a high reputation for quality. An independent Quality Assurance team headed by Doctorate and Senior Chemists ensures this function. A number of sophisticated instruments like HPLC, GC, IR Spectrophotometer, etc., are installed in QC department.

MEDIUM TERM STRATEGY & LONG TERM STRATEGY

Medium Term Strategy:

Our Company has completed 32 years of start up of production.

All the manufacturing departments, marketing departments etc. are sufficiently matured to take up new challenges in the medium term.

We propose to start 4 (Four) new products in the medium term and apply for regulatory approvals like EDQM, USFDA etc.

For this purpose our R & D department is absolutely ready and they already have a few products queued up to take up for validation batches and commercial batches in the new plant commissioned in December 2019.

Long Term Strategy:

India is poised to become the 2nd largest producers of API in the world.

Our Company is still dependent on Intermediates mainly from China and other countries we will definitely look forward for backward integration in long term.

We also need to improve the manufacturing processes to reduce the solvent load and formation of other by-products.

This will also help us in reducing the pollution load and ultimately reducing the final product cost.

RISKS AND CONCERNS

India imports huge quantity of crude oil and variation in crude oil prices would always be an area of concern. The Company is planning to install greener technologies like briquette fired boilers, economizers etc. to save power and fuel costs.

The volatility of exchange rate of rupee against US dollar can have significant impact on the Company's profitability because approx. 50% of its sales consist of exports. However natural hedge mitigates the risk to large extent due to imports.

Macro economic conditions like currency variations, rise in crude prices and US dollar remittance issues in Africa do affect the export of our country. However, our presence is there in domestic sector such risks are mitigated to some extent.

FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF
ANUH PHARMA LIMITED

Report on the audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Anuh Pharma Limited ('the Company'), which comprise the balance sheet as at 31st March 2021, the statement of profit and loss (including other comprehensive income), the statement of cash flows and the statement of changes in equity for the year then ended and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2021, and its profit, total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the financial year ended 31st March, 2021. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Revenue recognition

The Company's performance is dependent on proper accounting of Revenue and is therefore susceptible to misstatement. Cut-off is the key assertion in so far as revenue recognition is concerned, since an inappropriate cut-off can result in material misstatement of results for the year.

Auditor's response

Our audit procedures with regard to revenue recognition included testing controls, automated and manual, dispatches/deliveries, inventory reconciliations and assessing the recoverability of trade receivable balances, substantive testing for cut-offs and analytical review procedures.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit / loss (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

(A) As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- (h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations as at 31st March, 2021 on its financial position in its financial statements;

- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT

The Annexure referred to in Independent Auditors' Report to the members of the Company on the financial statements for the year ended 31st March 2021, we report that

- i. a. The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- b. As explained to us, physical verification of the fixed assets was conducted by the management during the year. In our opinion, the frequency of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such physical verification.
- c. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- ii. According to the information and explanations given to us, the physical verification of inventory has been conducted at reasonable intervals by the management. In our opinion, the discrepancies noticed on verification between the physical stocks and the book records were not material.
- iii. In our opinion and according to information and explanations given to us the Company has not granted any loans, secured or unsecured, to any companies, firms, Limited Liability Partnerships or other parties as covered in the register maintained under section 189 of the Act. Accordingly, the provisions of clause 3(iii) (a), (b) and (c) of the order are not applicable.
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to the loans, investments, guarantees and security made.
- v. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposit within the meaning of Section 73 to 76 of the Act, and the rules framed thereunder.
- vi. We have broadly reviewed the books of accounts maintained by the Company in respect of products where, pursuant to the Rules made by the Central Government, the maintenance of cost records has been prescribed under sub-section (1) of section 148 of the Act, and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii. a. According to the records of the company and the information and explanations given to us, the Company is generally regular in depositing with appropriate authorities undisputed statutory dues including Provident Fund, Employees' State Insurance, Income tax, Sales tax, Service tax, Custom Duty, Excise Duty, Value added tax, Goods and Services Tax, Cess and other statutory dues applicable to it. There are no undisputed statutory dues as referred to above as at 31st March, 2021 outstanding for a period of more than six months from the date on which they became payable.

ANNEXURE - B TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Anuh Pharma Limited ("the Company") as of 31st March, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk

that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an internal financial controls with reference to financial statements as at 31st March, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

(e) Intangible assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes less accumulated amortisation/depletion. All costs, including financing costs till commencement of commercial production, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets are capitalised.

The Company has elected to continue with the carrying value of all its intangible assets as recognized in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as the deemed cost as at the transition date pursuant to the exemption under Ind AS 101

Subsequent expenditure is capitalized only when it increases the future economic benefits embodied in the specific to which it relates.

(f) Impairment of non-financial assets

Assets that have a definite useful life are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. Management periodically assesses using, external and internal sources, whether there is an indication that an asset may be impaired.

The recoverable amount is higher of the asset's net selling price or value in use, which means the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. An impairment loss for an asset is reversed if, and only if, the reversal can be related objectively to an event occurring after the impairment loss was recognized. The carrying amount of an asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

(g) Borrowing cost

Borrowing costs attributable to the acquisition/construction of qualifying assets are capitalized and form part of the cost of the qualifying assets. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue as an expense.

(h) Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term

Notes on Financial Statements for the Financial year ended on March 31, 2021

(including anticipated renewals) and the applicable discount rate. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease. The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

(i) Income Tax

Provision for income tax is made for both current and deferred taxes. Provision for current income tax is made on the current tax rates based on the assessable income. The Company provides for deferred tax based on the tax effect of timing differences resulting from the recognition of items in the financial statements and in estimating its current tax provision. Deferred tax assets are recognized where there is certainty that there will be sufficient future taxable income available against which such deferred tax assets can be realized.

(j) Inventories

Inventories are measured at lower of cost and net realisable value after providing for obsolescence, if any. Cost of inventories comprises of cost of purchase, cost of conversion and other cost including manufacturing overheads incurred in bringing them to their respective present location and condition. Cost of raw materials, work-in-progress, packing materials, trading and other products are determined on first-in-first-out basis.

(k) Research and development

Revenue expenditure on Research and Development is charged to Profit and Loss Account as incurred. Capital expenditure on assets acquired for Research and Development is added to PPE.

(l) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Classification

The Company shall classify financial assets as subsequently measured at amortised cost and fair value through profit and loss (FVTPL) on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Notes on Financial Statements for the Financial year ended on March 31, 2021

Financial assets at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless they are measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in statement of profit and loss.

Impairment of financial assets

In accordance with Ind-AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g. Bonds, securities and deposits.
- b) Trade receivables - The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

Financial liabilities

Classification

The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit and loss.

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss.

The Company's financial liabilities include trade and other payables, loans and borrowings.

Offsetting of financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

Derivative financial instruments

The Company uses derivative financial instruments, such as foreign exchange forward contracts to manage its exposure to foreign exchange risks. For contracts where hedge accounting is not followed, such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value through profit and loss. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

(m) Employee benefits

i. Short term employee benefits

Short term employee benefits consisting of wages, salaries, social security contributions, ex-gratia and accrued leave, are benefits payable and recognised in 12 months. Short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised undiscounted during the year as the related service are rendered by the employee.

Notes on Financial Statements for the Financial year ended on March 31, 2021

ii. Defined contribution plans

Company's contribution for the year paid/payable to defined contribution retirement benefit schemes are charged to Statement of Profit and Loss.

The Company's contribution towards provident fund and employee state insurance scheme for certain eligible employees are considered to be defined contribution plan for which the Company made contribution on monthly basis.

iii. Defined benefit plans

Company's liabilities towards defined benefit plans and other long term benefits viz. gratuity and compensated absences expected to occur after twelve months, are determined using the Projected Unit Credit Method. Actuarial valuations under the Projected Unit Credit Method are carried out at the balance sheet date. Actuarial gains and losses are recognised in the Statement of other comprehensive income in the period of occurrence of such gains and losses. The retirement benefit obligation recognised in the balance sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, and as reduced by the fair value of scheme assets, if any.

(n) Provisions , Contingent Liabilities and Contingent Assets

A provision is recognised if as a result of a past event, the Company has a present obligation (legal or constructive) that can be estimated reliably and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are recognised at the best estimate of the expenditure required to settle the present obligation at the balance sheet date. If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability.

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions but are disclosed unless the possibility of outflow of resources is remote. Contingent assets are neither recognised nor disclosed in the financial statements. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and its recognition is appropriate.

(o) Earnings per share (EPS)

Basic EPS is computed using the weighted average number of equity shares outstanding during the period. Diluted EPS is computed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the period except where the results would be anti-dilutive.

(p) Key estimates and assumptions

The preparation of financial statements in accordance with Ind AS requires use of estimates and assumptions for some items, which might have an effect on their recognition and measurement in the balance sheet and statement of profit and loss. The actual amounts realised may differ from these estimates.

Estimates and assumptions are required in particular for:

- Determination of the estimated useful lives of tangible assets and intangible assets and the assessment as to which components of the cost may be capitalized.

Useful lives of tangible assets and intangible assets are based on the life prescribed in Schedule II of the Companies Act, 2013. In cases, where the useful lives are different from that prescribed in Schedule II, they are based on management estimate, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes,

Notes on Financial Statements for the Financial year ended on March 31, 2021

manufacturers' warranties and maintenance support. Assumptions also need to be made, when the Company assesses, whether an asset may be capitalized and which components of the cost of the asset may be capitalised.

- Recognition and measurement of defined benefit obligations

The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumptions include discount rate, trends in salary escalation and vested future benefits and life expectancy. The discount rate is determined by reference to market yields at the end of the reporting period on government bonds. The period to maturity of the underlying bonds correspond to the probable maturity of the post-employment benefit obligations.

- Provisions and contingent liabilities

The Company exercises judgment in measuring and recognising provisions and the exposures to contingent liabilities related to pending litigation or other outstanding claims subject to negotiated settlement, mediation, arbitration or government regulation, as well as other contingent liabilities. Judgment is necessary in assessing the likelihood that a pending claim will succeed, or a liability will arise, and to quantify the possible range of the financial settlement. Because of the inherent uncertainty in this evaluation process, actual losses may be different from the originally estimated provision.

(q) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs (upto 2 decimal) as per the requirement of Schedule III, unless otherwise stated.

Fair values for financial instruments carried at amortised cost approximates the carrying amount, accordingly the fair values of such financial assets and financial liabilities have not been disclosed separately.

B. Measurement of fair values

Ind AS 107, 'Financial Instrument - Disclosure' requires classification of the valuation method of financial instruments measured at fair value in the Balance Sheet, using a three level fair-value-hierarchy (which reflects the significance of inputs used in the measurements). The hierarchy gives the highest priority to un-adjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to un-observable inputs (Level 3 measurements). Fair value of derivative financial assets and liabilities are estimated by discounting expected future contractual cash flows using prevailing market interest rate curves. The three levels of the fair-value-hierarchy under Ind AS 107 are described below:

Level 1 : Level 1 Hierarchy includes financial instruments measured using quoted prices.

Level 2 : The fair value of financial instruments that are not traded in an active market are determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3 : If one or more of the significant inputs are not based on observable market data, the instrument is included in level 3. e.g. unlisted equity securities.

Transfers between Levels

There have been no transfers between Levels during the reporting periods

The following tables show the valuation techniques used in measuring Level 2 and Level 3 fair values, as well as the significant unobservable inputs used.

Financial instruments measured at fair value

Notes on Financial Statements for the Financial year ended on March 31, 2021

Level 2:			
Mutual Fund	Net Asset Value	Not applicable	Not applicable
Forward Contracts	Market valuation techniques The Company has used discounted mark to market of forward contracts using current forward rates for remaining tenure of the forward contract as provided by respective banks	Not applicable	Not applicable

There are no transfers between the levels

C. Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk ;
- Liquidity risk ; and
- Market risk

i. Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company risk management framework. The board of directors is responsible for developing and monitoring the Company risk management policies.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The audit committee oversees how management monitors compliance with the company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and adhoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

ii. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investments in debt securities, cash and cash equivalents, mutual funds, bonds etc.

The carrying amount of financial assets represents the maximum credit exposure.

Trade and other receivables

Around 51% of the sales are export sales. For major part of the sales, customer credit risk is managed by requiring domestic and export customers to pay advances before transfer of ownership, therefore substantially eliminating the Company's credit risk in this respect.

Notes on Financial Statements for the Financial year ended on March 31, 2021

Based on prior experience and an assessment of the current economic environment, management believes that no provision is required for credit risk wherever credit is extended to customers.

Management believes that the unimpaired amounts that are past due by more than 6 months are still collectible in full, based on historical payment behaviour.

iv. Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices (such as interest rates, foreign currency exchange rates) or in the price of market risk-sensitive instruments as a result of such adverse changes in market rates and prices. Market risk is attributable to all market risk-sensitive financial instruments, all foreign currency receivables and payables and all short term and long-term debt. The Company is exposed to market risk primarily related to foreign exchange rate risk, interest rate risk and the market value of its investments. Thus, the Company's exposure to market risk is a function of investing and borrowing activities and revenue generating and operating activities in foreign currencies.

a) Currency risk

The company is exposed to currency risk to the extent that there is a mismatch between the currencies in which sales, purchase, other expenses and borrowings are denominated and the functional currency of the company. The functional currency of the company is Indian Rupees (INR). The currencies in which these transactions are primarily denominated is USD.

Sensitivity analysis

The strengthening / weakening of the respective foreign currencies with respect to functional currency of Company would result in increase or decrease in profit or loss and equity as shown in table below. This analysis assumes that all other variables, in particular interest rates, remain constant. The following analysis has been worked out based on the exposures as of the date of statements of financial position.

(Note: The impact is indicated on the profit/loss before tax basis)

b) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in interest rates.

Notes on Financial Statements for the Financial year ended on March 31, 2021

For details of the Company's short-term loans and borrowings, including interest rate profiles, refer to Note of these financial statements.

Particulars	(₹ in Lakhs)	
	As at 31 st March, 2021	As at 31 st March, 2020
Fixed-rate instruments		
Financial assets	2,445.07	230.75
Financial liabilities	(1,359.77)	(4,456.00)
	1,085.30	(4,225.25)

Interest rate sensitivity - fixed rate instruments

The company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk as defined in IND AS 107, since neither the carrying amount nor the future cash flow will fluctuate because of a change in market interest rates.

NOTE NO.36

Hedge accounting

As part of its risk management strategy, the company endeavors to hedge its net foreign currency exposure of highly forecasted sale transactions for the next 10 to 12 months in advance. The company uses forward contracts to hedge its currency exposure. Such contracts are designated as cash flow hedges.

The forward contracts are generally denominated in the same currency in which the sales realization is likely to take place.

For derivative contracts designated as hedge, the Company documents, at inception, the economic relationship between the hedging instrument and the hedged item, the hedge ratio, the risk management objective for undertaking the hedge and the methods used to assess the hedge effectiveness.

Financial contracts designated as hedges are accounted for in accordance with the requirements of Ind AS 109 depending upon the type of hedge.

The Company applies cash flow hedge accounting to hedge the variability in the future cash flows attributable to foreign exchange risk.

Hedge effectiveness is ascertained at the time of inception of the hedge and periodically thereafter. The Company assesses hedge effectiveness both on prospective and retrospective basis. The prospective hedge effectiveness test is a forward looking evaluation of whether or not the changes in the fair value or cash flows of the hedging position are expected to be highly effective on offsetting the changes in the fair value or cash flows of the hedged position over the term of the relationship. On the other hand, the retrospective hedge effectiveness test is a backward-looking evaluation of whether the changes in the fair value or cash flows of the hedging position have been highly effective in offsetting changes in the fair value or cash flows of the hedged position since the date of designation of the hedge.

Hedge effectiveness is assessed through the application of critical terms match method. Any ineffectiveness in a hedging relationship is accounted for in the statement of profit and loss.

The company has formally designated and documented hedge relationship from 1 April 2016.

The company offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority.

Significant management judgement is required in determining provision for income tax, deferred income tax assets and liabilities and recoverability of deferred income tax assets. The recoverability of deferred income tax assets is based on estimates of taxable income in which the relevant entity operates and the period over which deferred income tax assets will be recovered.

NOTE NO. 39

Capital Management

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. Management monitors the return on capital as well as the level of dividends to ordinary shareholders.

Disclosure of payable to vendors as defined under the "Micro, Small and Medium Enterprise Development Act, 2006" is based on the information available with the Company regarding the status of registration of such vendors under the said Act, as per the intimation received from them on requests made by the Company. There are no overdue principal amounts / interest payable amounts for delayed payments to such vendors at the Balance Sheet date. There are no delays in payment made to such suppliers during the year or for any earlier years and accordingly there is no interest paid or outstanding interest in this regard in respect of payment made during the year or on balance brought forward from previous year.

NOTE NO.43

Employee Benefit obligations

(A) Defined Contribution Plan

The Company has various schemes for long-term benefits such as provident fund and superannuation. In case of funded schemes, the funds are recognised by the Income tax authorities and administered through trustees /appropriate authorities. The Company's defined contribution plans are superannuation and employees' pension scheme (under the

Notes on Financial Statements for the Financial year ended on March 31, 2021

provisions of the Employees' Provident Funds and Miscellaneous Provisions Act, 1952) since the Company has no further obligation beyond making the contributions. The liability of the Company on the exempt Provident Fund managed by the trustees is restricted to the interest shortfall if any.

	Year ended 31 st March 2021	Year ended 31 st March 2020
Charge to the Statement of Profit and Loss based on contributions:		
Employees' Provident fund	42.80	36.59

(B) Defined Benefit Plan

"In accordance with the provisions of the Payment of Gratuity Act, 1972, the Company has a defined benefit plan which provides for gratuity payments. The plan provides a lump sum gratuity payment to eligible employees at retirement or termination of their employment. The amounts are based on the respective employee's last drawn salary and the years of employment with the Company.

Liabilities in respect of the gratuity plan are determined by an actuarial valuation, based upon which the Company makes annual contributions to the Group Gratuity cum Life Assurance Schemes administered by the LIC of India, a funded defined benefit plan for qualifying employees. Trustees administer the contributions made by the Company to the gratuity scheme.

The most recent actuarial valuation of the defined benefit obligation along with the fair valuation of the plan assets in relation to the gratuity scheme was carried out as at March 31, 2021. The present value of the defined benefit obligations and the related current service cost and past service cost, were measured using the Projected Unit Credit Method.

Based on the actuarial valuation obtained in this respect, the following table sets out the details of the employee benefit obligation and the plan assets as at balance sheet date:

(vi) Sensitivity analysis		

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below.

Notes on Financial Statements for the Financial year ended on March 31, 2021

(₹ in Lakhs)

Particulars	As at 31 st March, 2021		As at 31 st March, 2020	
	Increase	Decrease	Increase	Decrease
Discount rate (1% movement) - Gratuity	(178.30)	218.69	(170.73)	204.87
Future salary growth (1% movement) - Gratuity	215.01	(180.98)	201.65	(173.05)

The above sensitivity analyses have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the reporting date. In practice, generally it does not occur. When we change one variable, it affects to others. In calculating the sensitivity, project unit credit method at the end of the reporting period has been applied.

 VP - Quality Mr. Bhushan Rajput
 Anuh Pharma Ltd.
 E-17/3 & 17/4 Tarapur, Boisar Thane, Maharashtra

Dear Mr. Rajput:

The U.S. Food and Drug Administration (FDA) conducted an inspection at Anuh Pharma Ltd., FEI 3001174909, located at E-17/3 & 17/4 Tarapur, Boisar, Thane, Maharashtra, from 09/16/2019 to 09/20/2019. FDA has determined that the inspection classification of this facility is "no action indicated" ("NAI"). Based on this inspection, this facility is considered to be in an acceptable state of compliance with regards to current good manufacturing practice (CGMP).

This letter is not intended as an endorsement or certification of the facility. It remains your responsibility to ensure continued compliance with CGMP.

An inspection classification of NAI for CGMP compliance will not directly negatively impact FDA's assessment of any pending marketing application referencing this facility. Please note, however, that application approval will depend on a product- and application-specific facility assessment conducted by the appropriate CDER or CVM review office. This letter does not address or reflect FDA's decision making with respect to any potential non-CGMP compliance issues.

FDA has concluded that this inspection is "closed" under 21 CFR 20.64(d)(3), and we are enclosing a copy of the narrative portion of the Establishment Inspection Report (EIR). It may reflect redactions made by FDA in accordance with the Freedom of Information Act (FOIA) and 21 CFR part 20. This, however, does not preclude you from requesting additional information under FOIA.

If you have any questions regarding this letter, you may contact John Diehl, Director Compliance Branch via telephone at 2142535200 or email at john.diehl@FDA.HHS.GOV (Do not Sincerely,

Dear Mr. Shah,

WHO Prequalification Team – Inspection Services
Closing of Inspection

I refer to the inspection that was performed by Mr Vinal Sachdeva, Dr Manuel Barra Lorente and Dr Sothiros Paraschos the details of which are outlined below:

Site name: Anuh Pharma Ltd
 Unit: E-17/3 & E-17/4
 Block: NA
 Address: M.L.D.C. Tarapur Taluka Palghar, District Thane, Boisar, Maharashtra, India
 Date: 26 – 28 November 2018

Thank you for your email dated 24 June 2019 and the corrective actions to the deficiencies listed in the inspection report. The actions taken, or proposed to be taken, to correct the deficiencies have been reviewed by the Prequalification Inspection Group.

The Prequalification Inspection Group has recommended that the APIs:

- WHOAPI-158 Pyrazinamide
- WHOAPI-234 Sulfadoxine
- WHOAPI-364 Pyrimethamine

can be considered to be compliant with the standards of Good Manufacturing Practices (GMP) for Active Pharmaceutical Ingredients (APIs) published by the World Health Organization (WHO), for the scope of activities listed below:

- manufacture and packaging of Active Pharmaceutical Ingredients by chemical synthesis.

Furthermore the inspection findings and your response allow us to recommend to the Prequalification Assessment Group that the site inspected may be named/continue to be named as API manufacturing site in dossiers assessed within the WHO Prequalification Team.
