NOTICE

Notice is hereby given that the Sixty – Fourth Annual General Meeting of the Members of POLYCHEM LIMITED will be held on Thursday, 16th September, 2021 at 11.00 a.m. via two – way Video Conferencing ('VC') facility or other audio video means ('OAVM') to transact the following business:

ORDINARY BUSINESS:

1. To receive, consider and adopt:
 - a) The audited Standalone financial statements of the Company for the financial year ended 31st March, 2021, including the audited Standalone Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss and Cash Flow Statement, for the year ended on that date and the reports of the Board of Directors (the Board) and Auditors thereon.
 - b) The audited consolidated financial statements of the Company for the financial year ended 31st March, 2021, including the audited Consolidated Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss and Cash Flow Statement for the year ended on that date and the report of Auditors thereon.
2. To appoint a Director in place of Mr. P. T. Kilachand (00005516), who retires by rotation and being eligible, offers himself for re-appointment.

SPECIAL BUSINESS:

3. To consider and if thought fit, to pass with or without modification/s, the following resolution as a **Special resolution for investing the surplus funds:**

"RESOLVED THAT pursuant to the provisions of Section 186 and any other applicable provisions of the Companies Act, 2013, read with relevant rules made thereunder, including any statutory modification(s) and re-enactment(s) thereof for the time being in force, the consent of the members be and is hereby accorded to the Board of Directors of the Company (hereinafter referred to as 'the Boards') to

1. Give any loan to any person or other bodies corporate;
2. Give any guarantee or provide any security in connection with a loan to any body corporate or person; and
3. Acquire by way of subscription, purchase or otherwise the securities of any other body corporate,

as they may in their absolute discretion deem beneficial and in the interest of the Company, subject however that the aggregate of the loans and investments so far made in and the amount for which guarantees or securities have so far been provided to all persons or bodies corporate along with the additional investments, loans, guarantees or securities proposed to be made or given or provided by the Company, from time to time, in future, shall not exceed a sum of Rs. 20,00,00,000/- (Rupees Twenty Crores Only) over and above the limit prescribed under Section 186 of the Act. "

"RESOLVED FURTHER THAT the Board of Directors of the company be and is hereby authorized to do all such acts deeds and things as may be necessary, proper and expedient to give effect to this Resolution."

4. To consider and if thought fit, to pass with or without modification/s, the following resolution as a **Special resolution for Borrowing the money:**

"RESOLVED THAT pursuant to the provisions of Section 180 (1) (c) and other applicable provisions, if any, of the Companies Act, 2013 read with relevant rules made thereunder including any statutory modifications or re-enactments thereof, the consent of the members be and is hereby accorded to the Board of Directors to borrow money, as and when required, from any Bank and/or other Financial Institution and/or foreign lender and/or any body corporate/ entity/ entities and/or authority/authorities, either in rupees or in such other foreign currencies as may be permitted by law from time to time, as may be deemed appropriate by the Board for an aggregate amount not exceeding a sum of Rs. 20,00,00,000/- (Rupees Twenty Crores Only) notwithstanding that money so borrowed together with the monies already borrowed by the Company, if any (apart from temporary loans obtained from the Company's bankers in the ordinary course of business) may exceed the aggregate of the paid-up share capital of the Company and its free reserves."

“RESOLVED FURTHER THAT the Board of Directors be and is hereby authorized to take such steps as may be necessary for obtaining approvals, statutory, contractual or otherwise, in relation to the above and to settle all matters arising out of and incidental thereto, and to sign and to execute deeds, applications, documents and writings that may be required, on behalf of the Company and generally to do all such acts, deeds, matters and things as may be necessary, proper, expedient or incidental for giving effect to this resolution.”

Company Secretary & Compliance Officer

NOTES:

- (a) An Explanatory Statement pursuant to section 102 of the Companies Act, 2013 relating to Special Business under Item Nos. 3 and 4 to be transacted at the meeting, is annexed hereto.
- (b) In view of the global outbreak of the Covid-19 pandemic, the Ministry of Corporate Affairs ('MCA') has vide its General Circulars dated April 8, 2020 and April 13, 2020 and January 13, 2021 (collectively referred to as 'MCA Circulars') Securities and Exchange Board of India ('SEBI') vide its Circulars dated May 12, 2020 and January 15, 2021 ('SEBI Circulars') permitted the holding of the Annual General Meeting ('AGM' or 'Meeting') through Video Conferencing ('VC') facility or other audio visual means (OAVM), without physical presence of the Members at a common venue. In Compliance with the provisions of the Companies Act, 2013 ('the Act'), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations') and MCA Circulars, the 64th AGM of the Company is being held through VC/OAVM on Thursday, 16th September, 2021 at 11.00 a.m. The deemed venue for the 64th AGM will be place from where the chairman of the Company will conduct the meeting.
- (c) Further, pursuant to the MCA and SEBI Circulars, the Notice of the AGM along with the Annual Report for FY 2020-21 is sent in electronic form only to those Members whose email addresses are registered with the Company/ Depositories. The Notice calling the 64th AGM has been uploaded on the website of the Company at www.polychemltd.com. The Notice can also be accessed from the website of the Bombay Stock Exchange at www.bseindia.com and NSDL (agency for providing the Remote e-Voting facility) at www.evoting.nsdl.com. Members who would like to obtain pdf copy on their email ID may write an email to polychemltd@kilachand.com. Pursuant to the Circulars mentioned above, the Company has not printed the Annual Reports and hence no hard copies of the Annual Report will be provided.
- (d) Pursuant to the provisions of the Companies Act, 2013, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC or OAVM, physical attendance of Members has been dispensed with. Accordingly, in terms of the above-mentioned MCA and SEBI circulars, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
- (e) Members attending the meeting through VC or OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act 2013.
- (f) The Members can join the AGM in the VC/ OAVM mode 30 minutes before and 15 minutes after the scheduled time of the commencement of the Meeting by following the procedure mentioned on page 13. The Members will be able to view the proceedings on the National Securities Depository Limited's ('NSDL') e-Voting website at www.evoting.nsdl.com.
- (g) Corporate members intending to send their authorised representative to attend the AGM through VC or OAVM or to vote through remote e-voting, pursuant to Sections 112 and 113 of the Act, are requested to send a certified copy of the board resolution to the Scrutinizer by e-mail at mail@raginichokshi.com with a copy marked to evoting@nsdl.co.in and polychemltd@kilachand.com, authorising their representative to attend and vote on their behalf at the AGM.

- (h) In case of joint holder attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote.
- (i) All documents referred to in the accompanying Notice of the AGM and the Explanatory Statement and the Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Companies Act, 2013 will be available electronically for inspection by the members during the AGM.
- (j) Brief resume of Director proposed to be re-appointed, nature of his expertise in specific functional areas, of companies in which he holds directorships and memberships/chairmanships of Board Committees, shareholding and relationships between directors inter-se as stipulated under regulation 36(3)(a) of SEBI (LODR) Regulations, 2015 are provided on page 7.
- (k) Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM the details of which are available on page No. 8.
- (l) The Register of Members and Share Transfer Book will remain closed from Friday, 6th August, 2021 to Wednesday, 11th August, 2021 (both days inclusive) for the purpose of Annual General Meeting.
- (m) Members holding shares in electronic form are requested to intimate immediately any change in their bank mandates to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form are requested to advise any change in their bank mandates immediately to the Company or it's Registrar & Share Transfer Agents - Link Intime India Pvt. Ltd.
- (n) The Securities and Exchange Board of India (SEBI) has mandated the submission of the Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participant(s). Members holding shares in physical form shall submit their PAN details to the Company or its Registrar & Share Transfer Agents – M/s. Link Intime India Pvt. Ltd.
- (o) Members who have not yet registered their e-mail addresses are requested to register the same with their Depository Participants ("DP") in case the shares are held by them in electronic form and with the RTA in case the shares held by them in physical form.
- (p) Members are requested to note that dividends, if not encashed for a consecutive period of 7 years from the date of transfer to Unpaid Dividend Account of the Company, are liable to be transferred to the Investor Education and Protection Fund ("IEPF"). Further, the shares in respect of such unclaimed dividends are also liable to be transferred to the demat account of the IEPF Authority. In view of this, Members are requested to claim their dividends from the Company, within the stipulated timeline.
- (q) In terms of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, securities of listed companies can only be transferred in dematerialised form with effect from 1st April, 2019. In view of the above, members are advised to dematerialise shares held by them in physical form.
- (r) The Company's securities are listed on the following Stock Exchange:

Sr. No.	Name & Address of the Stock Exchange	Nature of Security as on 31-03-2021
1.	Bombay Stock Exchange Ltd., Phiroze Jeejeebhoy Towers, Dalal Street, Mumbai - 400001.	4,04,045 Equity Shares of Rs.10/-each.

The Company has paid Annual Listing fees for the year 2021-22 to the above Stock Exchange.

Company Secretary & Compliance Officer

ANNEXURE TO THE NOTICE

EXPLANATORY STATEMENT AS REQUIRED BY SECTION 102 OF THE COMPANIES ACT, 2013.

The following Explanatory Statement, as required by Section 102 of the Companies Act, 2013 sets out the material facts relating to business under Item Nos. 3 and 4, mentioned in the accompanying Notice dated 24th June, 2021.

Item No. 3

The Company has been making investments in Shares, Mutual Funds etc and giving loans to bodies corporate (including its subsidiary) from time to time, within the limit prescribed under section 186 of the Companies Act, 2013.

Further, the directors want to make optimum use of funds available with the Company by making investment in other bodies corporate or granting loans, giving guarantee or providing security to other persons or other body corporate as and when required which may or may not exceed the limit prescribed under section 186 of the Companies Act, 2013.

Section 186 of the Companies Act, 2013 permits the Company to invest the surplus funds of the Company in excess of the 60% of the aggregate of the paid-up share capital and free reserves and securities premium account of the Company or 100% of its free reserves and securities premium account of the Company, whichever is more, if the same is approved by the members of the Company.

Hence, in the Interest of the Company, directors recommend the Resolution as set out at Item No. 3 of the accompanying Notice, for Members approval.

None of the Directors or Key Managerial Personnel of the Company and their relatives is concerned or interested, financially or otherwise, in the Resolution.

Item No. 4

The Board of Directors of a Company shall not, except with the consent of Company by Special Resolution borrow money together with the money already borrowed, if any (apart from temporary loans obtained from the Company's bankers in the ordinary course of business), exceeding the aggregate of the paid up capital and its free reserves as per the provisions of Section 180(1)(c) of the Companies Act, 2013 ("the Act") and its rules made thereunder.

In view of Company's long term strategy and business objective, the Company may require funds in future from time to time. It is therefore, necessary for the members to pass a Special Resolution to borrow money exceeding the limit prescribed under section 180(1)(c) of the Companies Act, 2013..

Hence, the directors recommend the Resolution as set out at Item No. 4 of the accompanying Notice, for Members approval.

None of the Directors or Key Managerial Personnel of the Company and their relatives is concerned or interested, financially or otherwise, in the Resolution.

Company Secretary & Compliance Officer

E-VOTING INSTRUCTIONS:

1. In view of the massive outbreak of the COVID-19 pandemic, social distancing is a norm to be followed and pursuant to the Circular No. 14/2020 dated April 08, 2020, Circular No.17/2020 dated April 13, 2020 issued by the Ministry of Corporate Affairs followed by Circular No. 20/2020 dated May 05, 2020 and Circular No. 02/2021 dated January 13, 2021 and all other relevant circulars issued from time to time, physical attendance of the Members to the AGM venue is not required and general meeting be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
2. Pursuant to the Circular No. 14/2020 dated April 08, 2020, issued by the Ministry of Corporate Affairs, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, the Body Corporates are entitled to appoint authorised representatives to attend the AGM through VC/OAVM and participate thereat and cast their votes through e-voting.
3. The Members can join the AGM in the VC/OAVM mode 30 minutes before and 15 minutes after the scheduled time of the commencement of the Meeting by following the procedure mentioned on page 13. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020 and May 05, 2020 and by the SEBI dated December, 09, 2020 the Company is providing facility of remote e-Voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as venue voting on the date of the AGM will be provided by NSDL.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.polychemltd.com. The Notice can also be accessed from the website of the Stock Exchange i.e. BSE Limited at www.bseindia.com and the AGM Notice is also available on the website of NSDL (agency for providing the Remote e-Voting facility) i.e. www.evoting.nsdl.com.
7. AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 08, 2020 and MCA Circular No. 17/2020 dated April 13, 2020, MCA Circular No. 20/2020 dated May 05, 2020 and MCA Circular No. 2/2021 dated January 13, 2021.
8. Ms. Ragini Chokshi of Ragini Chokshi & Co., Practicing Company Secretary (CP 1436) has been appointed as the Scrutinizer to scrutinize the voting and remote e-voting process in a fair and transparent manner.
9. **The remote e-voting period begins on Monday, 13th September, 2021, at 09:00 A.M. and ends on Wednesday, 15th September, 2021 at 05:00 P.M. The remote e-voting module shall be disabled by NSDL for voting thereafter.**
10. The Members, whose names appear in the Register of Members as on the record date (cut-off date) i.e. 9th September, 2021, may cast their vote electronically.
11. The voting rights of members shall be in proportion to their shares of the paid up share capital of the Company as on the cut-off date of 9th September, 2021.

THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING AND JOINING GENERAL MEETING ARE ASUNDER:-

Individual Shareholders holding securities in demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at 022- 23058738 or 022-23058542-43

B) Login Method for e-Voting and joining virtual meeting for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.

How to Log-in to NSDL e-Voting website?

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon “Login” which is available under ‘Shareholder/ Member’ section.
3. A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details are given below:

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then your user ID is 12*****.
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

5. Password details for shareholders other than Individual shareholders are given below:
 - a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
 - b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
 - c) How to retrieve your 'initial password'?
 - (i) If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - (ii) If your email ID is not registered, please follow steps mentioned on page 12 **process for those shareholders whose email ids are not registered.**
 6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
 - a) Click on "**Forgot User Details/Password?**" (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsd.com.
 - b) **Physical User Reset Password?** (If you are holding shares in physical mode) option available on www.evoting.nsd.com.
 - c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
 - d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
 7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
 8. Now, you will have to click on "Login" button.
 9. After you click on the "Login" button, Home page of e-Voting will open.
- **STEP 2: CAST YOUR VOTE ELECTRONICALLY AND JOIN GENERAL MEETING ON NSDL E-VOTING SYSTEM.**
1. After successful login at Step 1, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle and General Meeting is in active status.
 2. Select "EVEN" of company for which you wish to cast your vote during the remote e-Voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on "VC/OAVM" link placed under "Join General Meeting".
 3. Now you are ready for e-Voting as the Voting page opens.
 4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
 5. Upon confirmation, the message "Vote cast successfully" will be displayed.
 6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
 7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

**General Guidelines for shareholders**

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to mail@csraginichokshi.com with a copy marked to evoting@nsdl.co.in.
2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the "Forgot User Details/Password?" or "Physical User Reset Password?" option available on www.evoting.nsdl.com to reset the password.
3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on toll free no.: 1800 1020 990 and 1800 22 44 30 or send a request at evoting@nsdl.co.in

Process for Registering Email id with the Company (Temporary):

The Members of the Company holding Equity Shares of the Company in physical or demat Form and who have not registered their e-mail addresses may get their e-mail addresses registered with Link Intime India Pvt Ltd, by clicking the link: https://linkintime.co.in/emailreg/email_register.html in their web site www.linkintime.co.in at the Investor Services tab by choosing the E mail / Bank Registration heading and follow the registration process as guided therein. Other Comprehensive Income				
Re-measurement of the defined benefit plans (net of tax)	2.74	(4.74)	8.99	(8.78)
Total Comprehensive Income for the period	31.99	236.20	137.29	353.83

1. DIVIDEND:

Directors have not been able to recommend any dividend for the financial year 2020-21 due to the absence of realised profit after tax.

The Profit after Tax of Rs.29.25 Lakhs is derived after considering the unrealised gain i.e. Income on account of fair value measurement of Investments (refer Note No. 2.03 of Standalone Balance Sheet as at March 31, 2021 and Note No. 3.02 of Statement of Profit & Loss Account for the year ended March 31, 2021) of Rs. 101.58 Lakhs.

The basis of preparation is in Compliance with Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies Act, 2013 and relevant rules issued thereunder.

Accordingly, the Company have not made realised profits in the financial year 2020-21 and incurred a loss of Rs. 72.33 Lakhs

2. STATE OF COMPANY'S AFFAIRS:

During the year ended 31st March, 2021, your Company has made a profit of Rs 29.25 lakhs after tax against a profit of Rs. 240.94 lakhs after tax in previous year. The sales of Specialty Chemicals including other operating revenue during the year ended was Rs. 1,093.84 Lakhs compared to Rs. 2,300.81 lakhs during the previous year and for property development Rs. Nil during the current and previous year.

3. SUBSIDIARY COMPANY:

The Company has one subsidiary company i.e. Gujarat Poly Electronics Limited (GPEL).

In accordance with section 129(3) of the Companies Act, 2013, the Company has prepared the consolidated financial statements of the Company, which forms part of this Annual Report. Further a statement containing the salient features of the financial statement of our subsidiary company in the prescribed format AOC-1 also forms part of this Annual Report.

The sale of GPEL during the year ended 31st March, 2021 was Rs. 1,361.45 lakhs as against sale of Rs. 1,360.14 lakhs in the previous year. GPEL has made profit of Rs. 98.65 lakhs during the current year as compared to profit of Rs. 121.67 lakhs in the previous year. GPEL manufactures as well as outsources ceramic capacitors & marketing the same.

4. IMPACT OF COVID-19 ON COMPANY:

The COVID-19 pandemic is a global humanitarian and health crisis creating disruption across the world. The Financial Year 2020-2021 thus being highly volatile and challenging year.

The focus at the onset of pandemic immediately shifted to ensuring the health and well-being of all employees and the company closed its office before the lockdown was announced and enabled the employees to work from home. The various actions taken by various governments to contain the pandemic, such as closing of borders and lockdown restrictions, resulted in significant disruption to people and businesses and loss of production for two months during the first wave.

The Company has resumed operations, however is still enabling the staff to work from home in the second wave as well with limited attendance for manufacturing activities as per the government/local administration directives and guidelines issued from time to time. The Company has been taking all precautions, adopting social distancing and other safety measures as for prevention and containment of COVID-19. The Company is taking utmost care of its staff at work place.

The Company has been paying statutory dues, salaries and is able to service all its dues on time and there is no delay or default of any commitments. The Company has not resorted to any financing arrangements and is able to service its creditors. It has considered internal and external information available up to the date of approval of the financial results and expects that the carrying amounts of inventories, trade receivables and other assets are recoverable. The company will continue to monitor any material changes to future economic condition. We are expecting improvement in demand in the coming months but the impact on existing demand cannot be ascertained at this moment.

5. NUMBER OF BOARD MEETINGS HELD DURING THE YEAR:

During the year 2020-21, five Board Meetings were held through video conference on the following dates:

Rate (Kwh)	15.31	13.58

B. TECHNOLOGY ABSORPTION:

Disclosures of particulars with respect to Technology Absorption, Research & Development.

I. Research and Development

1. Specific area in which R&D work is carried out:

Currently our focus in R&D is to develop a cross linked polystyrene with bigger particle size distribution for use of Oil field application. The trials are in progress. Our present consultant is assisting in the trials

2. Benefits derived as a result of the above R&D:

We have improved the quality of our product particularly cross linked polystyrene. One of our grades of Cross Linked Polystyrene, STYREDEX-210 has gained good acceptance in export markets thereby improving our market share.

3. Future plan of action:

We intend to improve the efficiency of Cross Linked Polystyrene production further to match that of Competitors abroad for which we plan to extend the term of the present consultant.

4. Expenditure on R&D:

We have not incurred any major expenditure on R & D either for equipment or for testing facilities.

II. Technology Absorption, Adaptation and Innovation:

1. Efforts in brief made towards technology absorption, adaptation and innovation:

Since local technology is used for manufacture of the products of the Company, there is no question of technology absorption.

(Rs. in lakhs)

	<u>Current Year</u>	<u>Previous Year</u>
a) Foreign exchange outgo	0.97	6.65
b) Foreign exchange earned (FOB Value)	652.21	1730.93

**ANNEXURE II**

Form No. MR-3

SECRETARIAL AUDIT REPORT**FOR THE PERIOD FROM 01-04-2020 TO 31-03-2021**

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Polychem Limited
7, Jamshedji Tata Road,
Churchgate Reclamation,
Mumbai – 400020

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Polychem Limited (CIN: L24100MH1955PLC009663)** (hereinafter called the company) for the year ended on March 31, 2021. Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the company has, during the audit period covering the financial year 1st April, 2020 to 31st March, 2021 (Audit Period) complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2021 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; **(Not Applicable during the period under review)**
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;
 - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; **(Not applicable during the period under review)**
 - d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; **(Not applicable during the period under review)**
 - e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; **(Not applicable during the period under review)**
 - f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; **(Not applicable during the period under review)**
 - g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; **(Not applicable during the period under review)**
 - h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998. **(Not applicable during the period under review)**

We have relied on the representation made by the Company and its Officers for systems and mechanism formed by the Company for compliances under other applicable Acts, Laws and Regulations to the Company

We are of the opinion that the management has complied with the following laws specifically applicable to the Company:

1. Factories Act, 1948
2. Industries (Development & Regulation) Act, 1951
3. Labour Laws and other incidental laws;
4. Environment Protection Act, 1986 and other Environmental Laws;
5. The Trade Marks Act 1999;
6. The Patents Act, 1970;
7. The Copyright Act 1957;
8. Other Acts, Rules and Regulations as applicable to the Company

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards i.e. SS-1 and SS-2 issued by The Institute of Company Secretaries of India.
- (ii) The Securities and Exchange Board of India (Listing obligations and Disclosure Requirement) Regulation 2015 and the Listing Agreements entered into by the Company with Stock Exchanges.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. There was no change in the composition of the Board of Directors during the period under review.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

As per the minutes, the decisions at the Board meeting were taken unanimously.

There are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines

We further report that during the audit period, the company had no specific events or actions which might have a bearing on the company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT**A. Overview:**

Company is operating in the manufacturing of Specialty Chemicals and development of property / land.

Opportunities:

Our customers for the specialty polymers are in investment casting Industry. The major end user segment for investment cast products is automotive, aerospace industry, valves & instruments. Currently automobile industry in India does not look to be in the upswing. Export market is growing particularly for one of our newly developed grades of Cross Linked Polystyrene.

The second specialty product is used as filler in cement for structural repair of columns & beam in the old buildings. The demand for this product is stable.

Threats:

The basic raw material for the majority of our products is Styrene Monomer. The styrene price is highly volatile.

We have direct threat from two competitors for Cross Linked Polystyrene in India.

Risks & concerns:

Due to price fluctuation in the main raw material i.e. styrene monomer and no corresponding increase in the price of our finished products the margin on our finished products in the domestic market is a major area of concern.

Effect of Covid -19:

We lost production for 52 days in 2020-21 due to lockdown imposed by the Govt. This resulted in sales loss of about Rs 2.50 cr. The local demand as well as export demand did not pick up immediately after lifting of lockdown. As a result we lost sales to the tune of 10 cr during the entire financial year 2020-21.

Outlook:

Substantial part of Company's sales consists of Exports. Currently the export market is growing, but the competition from two other exporters' forces us to lower our price, thereby realization.

Financial Performance:1) Share Capital:

The issued and paid-up share capital of the Company is Rs. 40.40 lakhs consisting of 4,04,045 equity shares of Rs. 10/- each as on 31st March, 2021.

2) Reserves and Surplus:

As on 31st March, 2021, the reserves and surplus are Rs 1,958.10 lakhs.

3) Secured Loans:

There are no secured loans outstanding as on 31st March, 2021.

4) Results of Operation:

Revenue for the current year including other income amounts to Rs. 1,223.67 lakhs compared to Rs. 2,376.17 lakhs in the previous year. Profit before tax is Rs. 27.88 Lakhs compared to Profit before tax of Rs. 310.78 Lakhs during the previous year. Provisions for tax including deferred tax during the year is Rs. (1.37) Lakhs compared to Rs. 69.84 Lakhs during the previous year. Profit after tax amounts to Rs. 29.25 Lakhs during the year compared to profit of Rs. 240.94 Lakhs during the previous year.

Industry Structure & Development:

Our Company is manufacturing and selling Specialty Chemicals.

Segment wise Performance:

There are two income generating segments. Segment-wise revenue for the year ended 31st March, 2021 is as follows. viz. (1) Property / Land Rs. NIL (2) Specialty Chemicals Rs. 1,093.84 Lakhs. The sale of Specialty Chemicals has gone down.

Internal Control System:

Company has adequate internal control procedures commensurate with the size of the Company and nature of its business for the purchase of raw materials and fixed assets and for the sale of goods.

Human Resources:

The Company has good relation with its employees.

**3. Disclosure of Relationships between directors inter-se:**

Mr. P. T. Kilachand, Managing Director and Mr. N. T. Kilachand, Director are sons of Mr. T. R. Kilachand, Chairman of the Company.

4. Separate Meeting of Independent Directors:

CERTIFICATE ON CORPORATE GOVERNANCE

To
The Members
POLYCHEM LIMITED
7, Jamshedji Tata Road,
Mumbai – 400020.

We have examined the compliance of the conditions of Corporate Governance by POLYCHEM LIMITED ('the Company') for the year ended on March 31, 2021, as stipulated under Regulations 17 to 27, clauses (b) to (i) of Regulation 46(2) and Para C, D and E of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the "LODR Regulations").

We have obtained all the necessary information and explanations which to the best of our knowledge and belief were necessary for the purpose of certification.

The compliance of the conditions of Corporate Governance is the responsibility of the Management. Our examination was limited to a review of procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

On the basis of our examination of the records produced, explanations and information furnished, we certify that the Company has complied with all the conditions of the corporate governance as stipulated in the LODR Regulations.

This certificate is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF POLYCHEM LIMITED

Report on Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **Polychem Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, its profit (including other comprehensive income), its changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics issued by ICAI. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in Annual report but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of the misstatement in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in; (i) planning the scope of our audit work and evaluating the results of our work; and (ii) to evaluate the effects of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of Section 143 (11) of the Act, we give in the "Annexure A", a statement on the matters specified in the paragraphs 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account;
 - d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with relevant rules issued thereunder and relevant provisions of the Act;
 - e) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164(2) of the Act;
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B";
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act;
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations as at March 31, 2021 on its financial position in its standalone financial statements - Refer Note 4.02 to the standalone financial statements;
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts; and
 - iii. There has been no delay in transferring amounts which were required to be transferred to the Investor Education and Protection Fund.

**ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT**

Referred to in paragraph 1 under "Report on Other Legal and Regulatory Requirements" of our report on even date to the members of the Company on standalone financial statements for the year ended March 31, 2021:

- (i) (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation of property, plant and equipments;
- (b) All Property, Plant and Equipment, have been physically verified by the management during the year according to a phased programme as designed by the management. This, in our opinion, is reasonable having regard to the size of the Company and nature of its assets. We have been further informed that there are no material discrepancies between the book records and the physical verification have been noticed;
- (c) The Company does not hold any immovable properties which are freehold. In respect of immovable properties of land and building that have been taken on lease and classified as Right of Use Asset in the standalone financial statements, the lease agreements are in the name of the Company;
- (ii) The inventories have been physically verified by the management during the year. In our opinion, and according to the information and explanation given to us, the frequency of verification is reasonable. The procedures of physical verification, in our opinion, are reasonable and adequate in relation to size of the Company and nature of its business. The Company is maintaining proper records of inventories. No discrepancies were noticed on verification between the physical inventories and the book records;
- (iii) The Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Act. Accordingly, paragraph 3(iii)(a), (b) and (c) of the Order are not applicable;
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Act, with respect to loans and investments made;
- (v) In our opinion and according to the information and explanation given to us, the Company has not accepted deposits from the public and therefore, the provisions of sections 73 to 76 or any other relevant provisions of the Act and the rules framed there under are not applicable to the Company. We have been informed by the management that no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other tribunal in this regard;
- (vi) The Central Government has not prescribed maintenance of cost records under section 148(1) of the Act, for the services rendered by the Company;
- (vii) (a) The Company has generally been regular in depositing with appropriate authorities undisputed statutory dues such as provident fund, employees' state insurance, income tax, goods and service tax, cess and other applicable statutory dues. According to information and explanations given to us, no undisputed statutory dues payable were in arrears as at March 31, 2021, for a period of more than six months from the date they became payable;
- (b) According to the information and explanation given to us, there are no outstanding disputed dues payable by the Company in case of income tax, goods and service tax or cess and any other statutory dues as on march 31, 2021.
- (viii) The Company has neither raised any loan from Banks, Financial Institution nor issued any debentures, therefore provision of paragraph 3(viii) of the Order regarding default in repayment of dues to banks, financial institution and debenture holders are not applicable to the Company.
- (ix) The Company has not raised any money by way of initial public offer or further public offer (including debt instrument) nor any term loans during period under audit. Accordingly, paragraph 3(ix) of the Order is not applicable.

- (x) During the course of our examination of the books and records of the Company carried out in accordance with generally accepted auditing practices in India and according to the information and explanations given to us, no fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year;
- (xi) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197, read with Schedule V to the Act;
- (xii) In our opinion and according to information and explanation given to us, the Company is not a Nidhi Company. Accordingly, paragraph 3 (xii) of the Order is not applicable to the Company;
- (xiii) According to the information and explanations given to us and based on our examination of records of the Company, the Company is in compliance with the provisions of section 177 and 188 of the Act, where applicable, for transactions with the related parties and the details of the related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- (xiv) According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year, Accordingly, paragraph 3 (xiv) of the Order is not applicable to the Company.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, clause (xv) of paragraph 3 of the Order is not applicable; and
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 2(f) under "Report on Other Legal and Regulatory Requirements" of our report on even date to the members of the Company on standalone financial statements for the year ended March 31, 2021

Opinion

We have audited the internal financial controls with reference to financial statements of the Company as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2021 based on the internal controls with reference to financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('Guidance Note') issued by the

ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON ACCOUNTS ON STANDALONE FINANCIAL STATEMENTS

Background

Polychem Limited is engaged in the manufacturing of specialty chemicals and property development. The Company has manufacturing plant in India and sells it in Domestic as well as International market. The Company is Public Limited Company domiciled in India and is listed on the Bombay Stock Exchange (BSE).

Authorization of standalone financial statements

The standalone financial statements were authorized for issue in accordance with a resolution of the directors on June 24, 2021.

1.00 Summary of significant accounting policies

This note provides a list of the significant accounting policies adopted in the presentation of these standalone financial statements.

1.01 BASIS OF PREPARATION

(i) Compliance with Ind AS :

The standalone financial statements comply in all material aspects with Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies Act, 2013 ("the Act"), and relevant rules issued there under. In accordance with proviso to the Rule 4A of the Companies (Accounts) Rules, 2014, the terms used in these financial statements are in accordance with the definitions and other requirements specified in the applicable Accounting standards.

(ii) Historical cost convention :

The standalone financial statements have been prepared on a historical cost basis, except for the following:

- certain financial assets and liabilities (including derivative instruments) is measured at fair value; and
- defined benefit plans – plan assets measured at fair value.

1.02 ROUNDING OF AMOUNTS

All amounts disclosed in the standalone financial statements and notes have been rounded off to the nearest thousands, except where otherwise indicated.

1.03 CURRENT VERSUS NON-CURRENT CLASSIFICATION

The Company presents assets and liabilities in the Balance Sheet based on current / non-current classification. An asset is classified as current if it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle,
- Held primarily for the purpose of trading,
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle,
- It is held primarily for the purpose of trading,
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle. Based on the nature of operations, the Company has ascertained its operating cycle as twelve months for the purpose of current - non-current classification of assets and liabilities.

1.04 USE OF JUDGEMENTS, ESTIMATES & ASSUMPTIONS

While preparing standalone financial statements in conformity with Ind AS, the management makes certain estimates and assumptions that require subjective and complex judgments. These judgments affect the application of accounting policies and the reported amount of assets, liabilities, income and expenses, disclosure of contingent liabilities at the statement of financial position date and the reported amount of income and expenses for the reporting period. Financial reporting results rely on our estimate of the effect of certain matters that are inherently uncertain. Future events rarely develop exactly as forecast and the best estimates require adjustments, as actual results may differ from these estimates under different assumptions or conditions. The management continually evaluate these estimates and assumptions based on the most recently available information.

Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the standalone financial statements are as below:

Key sources of estimation uncertainty

- i) Financial instruments; (Refer note 4.08)
- ii) Useful lives of property, plant and equipment and intangible assets; (Refer note 1.06)
- iii) Valuation of inventories; (Refer note 1.10)
- iv) Assets and obligations relating to employee benefits; (Refer note 4.03)
- v) Evaluation of recoverability of deferred tax assets; (Refer note 2.06) and
- vi) Contingencies. (Refer note 4.02)

1.05 FOREIGN CURRENCY TRANSACTIONS

(i) Functional and presentation currency

The Company's standalone financial statements are prepared in INR, which is also the Company's functional and presentation currency.

(ii) Transactions and balances

Monetary items

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognized in Statement of Profit and Loss.

Non – Monetary items

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

1.06 PROPERTY, PLANT AND EQUIPMENT

Property, plant and equipment is stated at cost, less accumulated depreciation and accumulated impairment losses. The initial cost of an asset comprises its purchase price, any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation, if any. The purchase price is the aggregate amount paid and the fair value of any other consideration given to acquire the asset.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to Statement of Profit and Loss during the reporting period in which they are incurred.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in Statement of Profit and Loss.

Stores & Spares which meet the definition of property plant and equipment and satisfy the recognition criteria of Ind AS 16 are capitalized as property, plant and equipment.

Depreciation on Property, plant and equipment

Depreciation on Property, Plant & Equipment is provided on written down value method. In accordance with requirements prescribed under Schedule II of Companies Act, 2013, the Company has assessed the estimated useful lives of its Property, Plant & Equipment and has adopted the useful lives and residual value as prescribed in Schedule II.

In case of additions/deletions during the year, the depreciation is computed from the month in which such assets are put to use and upto the previous month of sale or disposal as the case may be. In case of impairment, depreciation is provided on the revised carrying amount over its remaining useful life.

All assets costing up to Rs. 5,000/- are fully depreciated in the year of capitalization.

The estimated useful lives and residual values are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

1.07 INTANGIBLE ASSETS

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.

Intangible assets with finite lives are amortised on written down value basis over their useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at each year end. The amortisation expense on Intangible assets with finite lives and impairment loss is recognised in the Statement of Profit and Loss.

Business application software intended for long term use are recorded at their acquisition cost and the cost of assets at their carrying value.

Amortization of intangible assets

Computer software is amortized over the estimated useful life of the assets.

1.08 IMPAIRMENT OF ASSETS

Carrying amount of tangible assets, intangible assets and investments in subsidiary (which is carried at cost) is tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or Company's assets (cash-generating units). Non- financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

1.09 LEASES

As a Lessee

The Company, as a lessee, recognizes a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset.

The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate.

Short-term leases and leases of low-value assets

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term ending within 12 months and the Company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

As a Lessor

A lease is classified as an operating lease if it does not transfer substantially all the risks and rewards incidental to ownership of an underlying asset. Lease income from operating leases where the Company is a lessor are recognized on either a straight-line basis or another systematic basis. The Company shall apply another systematic basis if that basis is more representative of the pattern in which benefit from the use of the underlying asset is diminished. The Company present underlying assets subject to operating leases in its balance sheet according to the nature of the underlying asset.

1.10 INVENTORIES

Inventories are valued as follows:

Raw materials, packing materials, work-in-process and finished goods are valued at cost or net realizable value, whichever is lower. Cost of raw materials and packing materials is determined on FIFO basis. Cost of work-in-process and finished goods is determined on the basis of absorption costing method.

Property under development

Property under development represents free hold land converted into stock-in-trade on the basis of valuation made by approved valuer and development expenses incurred thereon.

1.11 CASH AND CASH EQUIVALENTS

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

1.12 INVESTMENT IN SUBSIDIARY

A subsidiary is an entity that is controlled by another entity. An investor controls an investee if and only if the investor has the following; (i) Power over the investee, (ii) exposure, or rights, to variable returns from its involvement with the investee and (iii) the ability to use its power over the investee to affect the amount of the investor's returns.

The Company's investments in its subsidiary is accounted at cost and reviewed for impairment at each reporting date.

1.13 FINANCIAL INSTRUMENTS

Financial assets and financial liabilities are recognized when a Company becomes a party to the contractual provisions of the instruments.

**Initial Recognition and Measurement – Financial Assets and Financial Liabilities**

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss and ancillary costs related to borrowings) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in the Statement of Profit and Loss.

Classification and Subsequent Measurement: Financial Assets

The Company classifies financial assets as subsequently measured at amortized cost, fair value through other comprehensive income ("FVTOCI") or fair value through profit or loss ("FVTPL") on the basis of following:

- the entity's business model for managing the financial assets and
- the contractual cash flow characteristics of the financial asset.

Amortized Cost:

A financial asset is classified and measured at amortized cost if both of the following conditions are met:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

FVTOCI:

A financial asset is classified and measured at FVTOCI if both of the following conditions are met:

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

FVTPL:

A financial asset is classified and measured at FVTPL unless it is measured at amortized cost or at FVTOCI.

All recognized financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

Impairment of Financial Assets :

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortized cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

Classification and Subsequent measurement: Financial Liabilities

The Company's financial liabilities include trade payables and other financial liabilities.

Financial Liabilities at FVTPL:

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL.

Gains or losses on financial liabilities held for trading are recognized in the Statement of Profit and Loss.

Other Financial Liabilities:

Other financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortized cost using the effective interest method.

The effective interest method is a method of calculating the amortized cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Derecognition of Financial Assets and Financial Liabilities:

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred. If the Company enters into transactions whereby it transfers assets recognized on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognized.

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

Offsetting Financial Instruments:

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

1.14 PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions are recognized when the company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognized for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a current pre-tax rate. The increase in the provision due to the passage of time is recognized as interest expense.

Contingent liabilities are disclosed in the case of:

- a present obligation arising from the past events, when it is not probable that an outflow of resources will be required to settle the obligation;
- a present obligation arising from the past events, when no reliable estimate is possible;
- a possible obligation arising from past events, unless the probability of outflow of resources is remote.

Contingent Assets is disclosed when inflow of economic benefits is probable.

1.15 REVENUE RECOGNITION

The Company derives revenue primarily from sale of products.

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expect to receive in exchange for those products or services.

To recognize revenues, the Company applies the following five step approach:

1. Identify the contract with a customer;
2. Identify the performance obligations in the contract;
3. Determine the transaction price;
4. Allocate the transaction price to the performance obligations in the contract; and
5. Recognize revenues when a performance obligation is satisfied

Revenue is measured based on the consideration specified in a contract with a customer and excludes amounts collected on behalf of third parties.

The Company presents revenue net of indirect taxes in its Statement of Profit and Loss.

**Interest**

Interest income is recognized using the effective interest rate method taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the Statement of Profit and Loss.

Dividend

Dividends are recognised in the Statement of Profit and Loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

1.16 TAXES ON INCOME**Current Tax**

Tax on income for the current period is determined on the basis of estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments / appeals.

Current income tax relating to items recognized directly in equity is recognized in equity and not in the Statement of Profit and Loss.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the Balance Sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are reassessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside the Statement of Profit and Loss is recognized outside the Statement of Profit and Loss. Deferred tax items are recognized in correlation to the underlying transaction either in other comprehensive income or directly in equity.

The break-up of the major components of the deferred tax assets and liabilities as at Balance Sheet date has been arrived at after setting off deferred tax assets and liabilities where the Company have a legally enforceable right to set-off assets against liabilities and where such assets and liabilities relate to taxes on income levied by the same governing taxation laws.

1.17 EMPLOYEE BENEFITS

Short term employee benefits are recognized as an expense at an undiscounted amount in the Statement of Profit and Loss of the year in which the related services are rendered.

Post-employment obligations

The Company operates the following post-employment schemes:

- defined benefit plans such as gratuity; and
- defined contribution plans such as provident fund.

**Gratuity obligations**

The liability or asset recognized in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in Statement of Profit and Loss as past service cost.

Defined contribution plans

The Company pays provident fund contributions to publicly administered provident funds as per local regulations. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognized as employee benefit expense when they are due. Prepaid contributions are recognized as an asset to the extent that a cash refund or a reduction in the future payments is available.

Other long-term employee benefit obligations

The liabilities for leave are not expected to be settled wholly within twelve months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Measurements as a result of experience adjustments and changes in actuarial assumptions are recognized in Statement of Profit and Loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

1.18 EARNINGS PER SHARE (EPS)

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders is adjusted for after income tax effect of interest and other financing cost associated with dilutive potential equity shares and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

All amounts are in '000 unless otherwise stated

4.02 Contingent Liabilities

	As at March 31,	
	2021	2020
i) Claims against the Company not acknowledged as debts: Relates to supplier of materials, employees and other claims etc. (No provision is made, as the Company is hopeful of successfully contesting the claims and as such does not expect any significant liability to crystallize).	2,929	2,929
ii) The Company has taken certain premises on sub-lease. The landlord, a Government Company issued a notice under the Public Premises (Eviction of Unauthorized Occupants) Act, 1971 against the Company for eviction and has demanded damages and other charges, which are disputed by the Company. The proceedings in this connection are pending before the Estate officer. The Contingent liability in respect of damages, interest claimed by the Insurance Company cannot be quantified.		

4.03 Employee benefits
1) Defined Contribution Plans:

The amounts of contribution to provident fund and ESIC recognized as expenses during the year is Rs. 1,491 (March 31, 2020 : 1,792) for the year ended March 31, 2021.

2) Defined Benefit Plans:

The Company sponsors funded defined benefit plans for qualifying employee. The defined benefit plans are administered by separate fund that are legally separate fund from the entity. The board of the fund is responsible for the investment policy with regard to assets of the fund.

These plans typically expose the Company to Actuarial risks such as : investment risk, interest rate risk, longevity risk and salary risk. No other post-retirement benefit are provided to the employees.

Investment Risk	The present value of the defined benefit plan liability is calculated using a discount rate determined by reference to government bond yields. If the return on plan asset is below this rate, it will create a plan deficit. Currently the plan has investment with LIC of India.
Interest Risk	A decrease in the interest rate will increase the plan liability. However, this will be partially offset by an increase in the return on the plan's debt investments.
Longevity Risk	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.
Salary Risk	The present value of the defined plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

3) Principal assumptions used for the purpose of actuarial valuation:

Particulars	Gratuity	
	As at March 31,	
	2021	2020
Discount rate	6.85%	6.83%
Expected rate of salary increase	6.00%	6.00%
Mortality Rate	Indian Assured Lives Mortality (2006-08)	Indian Assured Lives Mortality (2006-08)

Interest due thereon remaining unpaid to any supplier as at the end of the accounting year.	-	-
The amount of interest paid along with the amounts of the payment made to the supplier beyond the appointed day.	4,914	-
The amount of interest due and payable for the year.	-	-
The amount of interest accrued and remaining unpaid at the end of the accounting year.	-	-
The amount of further interest due and payable even in the succeeding year, until such date when the interest dues as above are actually paid.	-	-

4.06 Capital Management
Risk management

The Company's objectives when managing capital are to safeguard its ability to continue as a going concern, so that it can continue to provide returns for shareholders and benefits for other stakeholders, and maintain an optimal capital structure to maximize shareholder value.

For the purpose of the Company's capital management, capital includes capital and all other equity reserves. In order to maintain or achieve a capital structure that maximizes the shareholder value, the Company allocates its capital for distribution as dividend or re-investment into business based on its long term financial plans. As at March 31, 2021, the Company has only one class of equity shares and has no debts. Hence, there are no externally imposed capital requirements.

Dividend	As at March 31,	
	2021	2020
Dividend on equity shares paid during the year		
Dividend paid	(5051)	(1,010)
Dividend distribution tax	-	(208)

4.07 Financial Instruments
i) Methods & assumptions used to estimate the fair values

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

- The carrying amounts of receivables and payables which are short term in nature such as trade receivables, other bank balances, deposits, loans to employees, trade payables, other financial liabilities and cash and cash equivalents are considered to be the same as their fair values.
- For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

ii) Categories of financial instruments

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

- Level 1: unadjusted quoted prices in active markets for identical assets or liabilities;
- Level 2: directly or indirectly observable market inputs, other than Level 1 inputs; and
- Level 3: inputs which are not based on observable market data

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

All amounts are in '000 unless otherwise stated

4.08 Financial Risk Management

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Board of Directors. The details of different types of risk and management policy to address these risks are listed below:

The Company's activities are exposed to various risks viz. Credit risk, Liquidity risk and Market risk. In order to minimize any adverse effects on the financial performance of the Company, it uses various instruments and follows policies set up by the Board of Directors / Management.

i) Credit Risk

Credit risk arises from the possibility that counter party will cause financial loss to the Company by failing to discharge its obligation as agreed.

Credit risks from balances with banks are managed in accordance with the Company policy. For derivative and financial instruments, the Company attempts to limit the credit risk by only dealing with reputable banks having high credit-ratings assigned by credit-rating agencies.

Based on the industry practices and business environment in which the Company operates, management considers that the trade receivables are in default if the payment are more than 12 months past due.

ii) Liquidity Risk

Liquidity risk is risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company's principal sources of liquidity are cash and cash equivalents, borrowings and the cash flow that is generated from operations. The Company has consistently generated sufficient cash flows from its operations and believes that these cash flows along with its current cash and cash equivalents and funding arrangements are sufficient to meet its financial obligations as and when they fall due. Accordingly, liquidity risk is perceived to be low.

Maturities of financial liabilities

The table below provides details regarding the remaining contractual maturities of financial liabilities as at the reporting date:

As at March 31, 2021	less than 1 year	1 to 5 year	Total
<u>Non-Derivatives</u>			
Trade payables	7,617	-	7,617
Other Financial Liabilities	5,378	-	5,378
Lease Liability	1,947	2,064	4,011
As at March 31, 2020	less than 1 year	1 to 5 year	Total
<u>Non-Derivatives</u>			
Trade payables	8,246	-	8,246
Other Financial Liabilities	6,221	-	6,221
Lease Liability	2,003	4,011	6,014

iii) Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. The Company is exposed in the ordinary course of business to risks related to changes in foreign currency exchange rate and interest rate.

Market Risk – Foreign Exchange

Foreign currency risk is that risk in which the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company operates internationally and a portion of its business is transacted in several currencies and therefore the Company is exposed to foreign exchange risk through its overseas sales in various foreign currencies. The Company hedges the receivables by forming view after discussion with Forex Consultant and as per polices set by Management.

The carrying amount of the Company's foreign currency denominated monetary assets and liabilities as at the end of the reporting period is as follows:

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

All amounts are in '000 unless otherwise stated

Foreign currency exposure

Currencies	Assets	
	March 31, 2021	March 31, 2020
EURO	129.33	144.86
USD	39.13	137.90

USD	Asset- Export Receivables	42.20	3,102	53.20	4,011

Foreign currency sensitivity

1 % increase or decrease in foreign exchange rates will have the following impact on loss before tax and on other components of equity

Particulars	Impact on profit (loss) before tax and equity: Increase/(Decrease)			
	March 31, 2021	March 31, 2020	March 31, 2021	March 31, 2020
	1 % Increase	1 % Increase	1 % Decrease	1 % Decrease
EURO	0.69	0.42	(0.69)	0.42
USD	31.02	40.11	(31.02)	40.11

Market Risk - Price Risk

The Company is mainly exposed to the price risk due to its investment in mutual funds. The price risk arises due to uncertainties about the future market values of these investments. At March 31, 2021, the investments in mutual funds is Rs.93,186 (March 31, 2020 : 76,419). These are exposed to price risk. In order to minimise price risk arising from investments in mutual funds, the Company predominately invests in those mutual funds which have higher exposure to high quality debt instruments with adequate liquidity & no demonstrated track record of price volatility.

Price risk sensitivity:

0.10% increase or decrease in prices will have the following impact on profit/loss before tax and on other components of equity

	Impact on Profit: Increase/(Decrease)		Impact on equity: Increase / (Decrease)	
	March 31, 2021	March 31, 2020	March 31, 2021	March 31, 2020

4.10 Unpaid Dividend

Particulars	Year	AGM Date	Amount
Unpaid dividend amount in the unpaid dividend account with HDFC Bank Ltd.as on:	19-20	11-Sep-20	448.38
	18-19	2-Aug-19	88.57
Unpaid dividend amount in the unpaid dividend account with Yes Bank Ltd.as on:	16-17	24-Aug-17	87.34
	15-16	10-Aug-16	92.33
	14-15	27-Jul-15	88.68

There are no amounts due for payment to the Investor Education and Protection fund under Section 125 as on March 31, 2021.

4.11 Revenue from contracts with customers
Disaggregation of Revenue

Management conclude that disaggregation of revenue disclosed in Ind AS 108 meets the disclosure criteria of Ind AS 115 and segment revenue is measured on the same basis as required by Ind AS 115, hence separate disclosures as per Ind AS 115 is not required.

Contract Balances

Trade receivable is presented net of impairment in the Balance Sheet

The following table provides information about receivables, contract assets and contract liabilities for the contracts with the customers.

Particulars	March 31, 2021	March 31, 2020
Trade receivables	28,280	40,698

There is no significant changes in the contract assets and the contract liabilities balances during the period.

Performance Obligations And Remaining Performance Obligations

Applying the practical expedient as given in Ind AS 115, the Company has not disclosed the remaining performances as the performance obligations relates to contracts where the Company has a right to consideration from a customer in an amount that corresponds directly with the value to the customer of the Company's performance completed to date.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

All amounts are in '000 unless otherwise stated

4.12 Leases
As Lessee

The Company's lease asset primarily consist of leases for Office Space.

Transition

- (i) Effective April 1, 2019, the Company has adopted Ind AS 116 "Leases" and applied the standard to all lease contracts existing on April 1, 2019 using the modified retrospective method. Consequently, the Company recorded the lease liability at the present value of the remaining lease payments discounted at the incremental borrowing rate as on the date of transition and has measured right of use asset an amount equal to lease liability adjusted for any related prepaid and accrued lease payments previously recognised.
- (ii) The effect of this adoption is insignificant on the profit before tax, profit for the period and earnings per share. Ind AS 116 has resulted in an increase in cash inflows from operating activities and an increase in cash outflows from financing activities on account of lease payments.
- (iii) On initial application as practical expedients, the Company has elected exemption not to recognise right of use assets and liabilities for leases with less than 12 months of lease term.

(iv) Following are the changes in the carrying value of Right of Use assets for the year ended March 31, 2021 :

Particulars	Category of ROU	
	Office Place	Total

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF POLYCHEM LIMITED

Report on the audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Polychem Limited (hereinafter referred to as “the Holding Company”) and its subsidiary (the Holding Company and its subsidiary together referred to as “the Group”) comprising of the Consolidated Balance Sheet as at March 31, 2021, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as ‘the consolidated financial statements’).

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditor on standalone financial statements and on the other financial information of the subsidiary, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the consolidated state of affairs of the Company as at March 31, 2021, its consolidated profit (including other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by Institute of Chartered Accountants of India (ICAI), together with the independence requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and rules made there under and we have fulfilled our other ethical responsibilities in accordance with these requirements and Code of Ethics issued by ICAI. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters section below is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Information Other than the Consolidated Financial Statements and Auditor’s Report Thereon

The Holding Company’s Board of Directors is responsible for the other information. The other information comprises the information included in Annual report but does not include the consolidated financial statements and our auditor’s report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance (including other comprehensive income), consolidated changes in equity and consolidated cash flows of the Group, in accordance with Ind AS and other accounting principles generally accepted in India. The Holding Company's Board of Directors is also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of these consolidated financial statements. The respective Governing Bodies of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless respective Board of Directors either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entity included in the consolidated financial statements, which have been audited by other auditor, such other auditor remain responsible for the direction, supervision and performance of the audit carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in "Other Matters" paragraph below.

We believe that the audit evidence obtained by us along with the consideration of the audit report of the other auditors referred to in "Other Matters" paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entity included in the consolidated financial statements of which we are the independent auditor regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- (i) We did not audit the audited standalone financial statements of subsidiary, whose standalone financial statements reflect total assets of ₹1,219.98 lakhs as at March 31, 2021, total revenues of ₹ 1,379.76 lakhs, Group's share of total net profit after tax of ₹99.04 lakhs, Group's share of total comprehensive income ₹ 105.28 lakhs and net cash inflows amounting to ₹62.33 lakhs for the year ended on that date, as considered in the consolidated financial statements. This financial statements and other financial information have been audited by other auditor whose report have been furnished to us by the Management of the Company and our opinion on the consolidated financial statements, to the extent they have been derived from such financial statements is based solely on the reports of such other auditor.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditor.

Report on Other Legal and Regulatory Requirements

As required by section 143(3) of the Act, we report, to the extent applicable, that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
- b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors;

- c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
- d. In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under section 133 of the Act, read with relevant rules issued thereunder and relevant provisions of the Act;
- e. On the basis of the written representations received from the directors of the Holding Company as on March 31, 2021 taken on record by the Board of Directors of the Holding Company and the report of the statutory auditor of its subsidiary incorporated in India, none of the directors of the Group, is disqualified as on March 31, 2021 from being appointed as a director in terms of section 164 (2) of the Act;
- f. With respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company, its subsidiary incorporated in India and the operating effectiveness of such controls, refer to our separate report in 'Annexure A';
- g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Holding Company to its directors during the year is in accordance with the provisions of section 197 of the Act; and

- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of other auditor of subsidiary, as noted in the Other matters paragraph:
- i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group, Refer Note 4.02 to the consolidated financial statements;
- ii. The Group, have made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts and;
- iii. There has been no delay in transferring amounts which were required to be transferred to the Investor Education and Protection Fund by the Group.

**ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT**

Referred to in paragraph (f) under "Report on Other Legal and Regulatory Requirements" of our Independent Auditor's Report on even date to the members of Polychem Limited ("the Holding Company) on the consolidated financial statements for the year ended March 31, 2021:

Opinion

In conjunction with our audit of the consolidated financial statements of the Holding Company as of and for the year ended March 31, 2021, we have audited the internal financial controls with reference to financial statements of **Polychem Limited (hereinafter referred to as 'the Holding Company')** and its subsidiary, which are companies incorporated in India, as of that date.

In our opinion, the Holding Company, its subsidiary, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2021 based on the internal controls with reference to financial statements criteria established by the Holding Company, considering the essential components of internal controls stated in the Guidance Note issued by the ICAI.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company, its subsidiary, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal controls with reference to financial statements criteria established by the Holding Company, considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("Guidance Note") issued by the ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to financial statement of the Holding Company, its subsidiary, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor in terms of their report referred to in the "Other Matters" paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial control system with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded

as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matters

Our aforesaid report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements, in so far as it relates standalone financial statements of subsidiary, which are company incorporated in India, is based on the corresponding report of the auditor of such company incorporated in India.

SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON CONSOLIDATED FINANCIAL STATEMENTS

These significant accounting policies and notes to accounts form part of the Consolidated financial statements for the year ended March 31, 2021. The Consolidated financial statements comprises of Polychem Limited (the “Company”) and its subsidiary (Gujarat Poly Electronics Limited (collectively the “Group”).

Background

Polychem Limited (“the Company”) is engaged in the manufacturing of specialty chemicals and property development. The Company has manufacturing plant in India and sells it in Domestic as well as International market. The Company is Public Limited Company domiciled in India and is listed on the Bombay Stock Exchange (BSE).

Authorization of consolidated financial statements

The consolidated financial statements were authorized for issue in accordance with a resolution of the directors on 24th June, 2021.

1.00 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This note provides a list of the significant accounting policies adopted in the presentation of these consolidated financial statements.

1.01 BASIS OF PREPARATION

(i) Compliance with Ind AS

The consolidated financial statements comply in all material aspects with Indian Accounting Standards (“Ind AS”) notified under Section 133 of the Companies Act, 2013 (“the Act”), and relevant rules issued there under. In accordance with proviso to the Rule 4A of the Companies (Accounts) Rules, 2014, the terms used in these financial statements are in accordance with the definitions and other requirements specified in the applicable Accounting Standards.

(ii) Historical cost convention

The consolidated financial statements have been prepared on a historical cost basis, except for the following:

- certain financial assets and liabilities (including derivative instruments) is measured at fair value; and
- defined benefit plans – plan assets measured at fair value.

1.02 ROUNDING OF AMOUNTS

All amounts disclosed in the consolidated financial statements and notes have been rounded off to the nearest thousands, except where otherwise indicated.

1.03 CURRENT VERSUS NON-CURRENT CLASSIFICATION

The Group presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is classified as current if it is:

- a) Expected to be realised or intended to be sold or consumed in normal operating cycle
- b) Held primarily for the purpose of trading
- c) Expected to be realised within twelve months after the reporting period, or
- d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- a) It is expected to be settled in normal operating cycle
- b) It is held primarily for the purpose of trading
- c) It is due to be settled within twelve months after the reporting period, or
- d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

All assets and liabilities have been classified as current or non-current as per the normal operating cycle. Based on the nature of operations, the Group has ascertained its operating cycle as 12 months for the purpose of current - non-current classification of assets and liabilities.

1.04 USE OF JUDGEMENTS, ESTIMATES & ASSUMPTIONS

While preparing consolidated financial statements in conformity with Ind AS, the management makes certain estimates and assumptions that require subjective and complex judgments. These judgments affect the application of accounting policies and the reported amount of assets, liabilities, income and expenses, disclosure of contingent liabilities at the statement of financial position date and the reported amount of income and expenses for the reporting period. Financial reporting results rely on our estimate of the effect of certain matters that are inherently uncertain. Future events rarely develop exactly as forecast and the best estimates require adjustments, as actual results may differ from these estimates under different assumptions or conditions. The management continually evaluate these estimates and assumptions based on the most recently available information.

Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the consolidated financial statements are as below:

Key sources of estimation uncertainty

- a) Financial instruments; (Refer note 4.07)
- b) Useful lives of property, plant and equipment and intangible assets; (Refer note 1.06)
- c) Valuation of inventories; (Refer note 1.10)
- d) Assets and obligations relating to employee benefits; (Refer note 4.03)
- e) Evaluation of recoverability of deferred tax assets; (Refer note 2.06) and
- f) Contingencies. (Refer note 4.02)

Critical accounting judgments

The Company has equity stake in its subsidiary for strategic reasons concerning its operation. The relationship with this entity have been determined based on principles laid down in Ind AS 110 – Consolidated Financial Statements.

1.05 FOREIGN CURRENCY TRANSACTIONS

(i) Functional and presentation currency

The group's consolidated financial statements are prepared in INR, which is also the group's functional and presentation currency.

(ii) Transactions and balances

Monetary items

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in Statement of Profit and Loss.

Non – Monetary items

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

**1.06 PROPERTY, PLANT AND EQUIPMENT**

Property, plant and equipment is stated at cost, less accumulated depreciation and accumulated impairment losses. The initial cost of an asset comprises its purchase price, any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation, if any. The purchase price is the aggregate amount paid and the fair value of any other consideration given to acquire the asset.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to statement of profit and loss during the reporting period in which they are incurred.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in statement of profit and loss.

Stores & Spares which meet the definition of property plant and equipment and satisfy the recognition criteria of Ind AS 16 are capitalized as property, plant and equipment.

Depreciation on Property, plant and equipment

Depreciation on tangible assets is provided based on useful life prescribed under Schedule II of the Companies Act, 2013. Depreciation on addition / deletion during the year, is provided on pro-rata basis with reference to the date of addition / disposal.

Assets purchased/installed during the year costing less than Rs. 5,000 are fully depreciated.

Depreciation on Plant & machinery, Laboratory equipment, Office equipment, Computers and Vehicles is provided on WDV as well as SLM based on nature of use. Depreciation on Furniture and fixture is calculated on WDV basis and Depreciation on all other assets is provided on SLM basis.

Cost of leasehold land is amortized over the period of the lease.

1.07 INTANGIBLE ASSETS

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.

Intangible assets with finite lives are amortised on written down value over their useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at each year end. The amortisation expense on Intangible assets with finite lives and impairment loss is recognised in the Statement of Profit and Loss.

Business application software intended for long term use are recorded at their acquisition cost and the cost of assets at their carrying value.

Amortisation of intangible assets

Computer software is amortized over the estimated useful life of the assets.

1.08 IMPAIRMENT OF ASSETS

Carrying amount of tangible assets, intangible assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group's assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

1.09 LEASES

As a Lessee

The Company, as a lessee, recognizes a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset.

The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate.

Short-term leases and leases of low-value assets

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term ending within 12 months and the Company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

As a Lessor

A lease is classified as an operating lease if it does not transfer substantially all the risks and rewards incidental to ownership of an underlying asset. Lease income from operating leases where the Company is a lessor are recognized on either a straight-line basis or another systematic basis. The Company shall apply another systematic basis if that basis is more representative of the pattern in which benefit from the use of the underlying asset is diminished. The Company present underlying assets subject to operating leases in its balance sheet according to the nature of the underlying asset.

1.10 INVENTORIES

Inventories are valued as follows:

Raw materials, packing materials, work-in-process and finished goods are valued at cost or net realizable value, whichever is lower. Cost of raw materials and packing materials is determined on FIFO basis. Cost of work-in-process and finished goods is determined on the basis of absorption costing method.

Property under development

Property under development represents free hold land converted into stock-in-trade on the basis of valuation made by approved valuer and development expenses incurred thereon.

1.11 CASH AND CASH EQUIVALENTS

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

1.12 PRICIPLES OF CONSOLIDATION

Subsidiary

Subsidiary is an entity over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiary is fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date that control ceases.

The Group combines the financial statements of the parent and its subsidiary line by line adding together like items of assets, liabilities, equity, income and expenses. Intergroup transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset.

Non-controlling interests in the results and equity of subsidiary are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet respectively. Profit or loss and each component of other comprehensive income are attributed to the owners of the Company and to the non-controlling interests. Total comprehensive income of subsidiaries is attributed to the owners of the Company and to the non-controlling interests even if this results in the non-controlling interests having a deficit balance.

1.13 FINANCIAL INSTRUMENTS

Financial assets and financial liabilities are recognised when a group becomes a party to the contractual provisions of the instruments.

Initial Recognition and Measurement – Financial Assets and Financial Liabilities

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss and ancillary costs related to borrowings) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

Classification and Subsequent Measurement: Financial Assets

The group classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income ("FVTOCI") or fair value through profit or loss ("FVTPL") on the basis of following:

- the entity's business model for managing the financial assets and
- the contractual cash flow characteristics of the financial asset.

Amortised Cost:

A financial asset is classified and measured at amortised cost if both of the following conditions are met:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

FVTOCI:

A financial asset is classified and measured at FVTOCI if both of the following conditions are met:

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**FVTPL:**

A financial asset is classified and measured at FVTPL unless it is measured at amortised cost or at FVTOCI.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Impairment of Financial Assets

The group assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

Classification and Subsequent measurement: Financial Liabilities

The group's financial liabilities include trade payables and other financial liabilities.

Financial Liabilities at FVTPL:

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL.

Gains or losses on financial liabilities held for trading are recognised in the Statement of Profit and Loss.

Other Financial Liabilities:

Other financial liabilities (including trade and other payables) are subsequently measured at amortised cost using the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Derecognition of Financial Assets and Financial Liabilities:

The group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred. If the group enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

Offsetting Financial Instruments:

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the group or the counterparty.

1.14 PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions are recognised when the group has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a current pre-tax rate. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent liabilities are disclosed in the case of:

- a present obligation arising from the past events, when it is not probable that an outflow of resources will be required to settle the obligation;
- a present obligation arising from the past events, when no reliable estimate is possible;
- a possible obligation arising from past events, unless the probability of outflow of resources is remote.

Contingent Assets is disclosed when inflow of economic benefits is probable.

1.15 **REVENUE RECOGNITION**

The Company derives revenue primarily from sale of products.

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expect to receive in exchange for those products or services. Subscription revenue is recognized ratably over the period in which the services are rendered.

To recognize revenues, the Company applies the following five step approach:

1. identify the contract with a customer;
2. identify the performance obligations in the contract;
3. determine the transaction price;
4. allocate the transaction price to the performance obligations in the contract; and
5. recognize revenues when a performance obligation is satisfied

Revenue is measured based on the consideration specified in a contract with a customer and excludes amounts collected on behalf of third parties.

The Company presents revenue net of indirect taxes in its Statement of Profit and Loss.

Interest

Interest income is recognized using the effective interest rate method taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the Statement of Profit and Loss.

Dividend

Dividends are recognised in the Statement of Profit and Loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

1.16 **TAXES ON INCOME**

Current Tax:

Tax on income for the current period is determined on the basis of estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments / appeals.

Current income tax relating to items recognised directly in equity is recognised in equity and not in the Statement of Profit and Loss.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax:

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside the statement of profit and loss is recognised outside the Statement of Profit and Loss. Deferred tax items are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity.

The break-up of the major components of the deferred tax assets and liabilities as at balance sheet date has been arrived at after setting off deferred tax assets and liabilities where the group have a legally enforceable right to set-off assets against liabilities and where such assets and liabilities relate to taxes on income levied by the same governing taxation laws.

1.17 EMPLOYEE BENEFITS

a) Short-term obligations

Short term employee benefits are recognised as an expense at an undiscounted amount in the Statement of profit & loss of the year in which the related services are rendered.

b) Post-employment obligations

The group operates the following post-employment schemes:

- defined benefit plans such as gratuity; and
- defined contribution plans such as provident fund.

Gratuity obligations

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in statement of profit and loss as past service cost.

Defined contribution plans

The group pays provident fund contributions to publicly administered provident funds as per local regulations. The group has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

c) **Other long-term employee benefit obligations**

The liabilities for leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in statement of profit and loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

1.18 EARNINGS PER SHARE (EPS)

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders is adjusted for after income tax effect of interest and other financing cost associated with dilutive potential equity shares and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

1.19 SEGMENT REPORTING

The accounting policies adopted for segment reporting are in conformity with the accounting policies adopted for the group. Further, inter-segment revenue have been accounted for based on the transaction price agreed to between segments which is primarily market based. Revenue and expenses have been identified to segments on the basis of their relationship to the operating activities of the segment. Revenue and expenses, which relate to the group as a whole and are not allocable to segments on a reasonable basis, have been included under "Unallocated expenses".

Other taxable temporary differences	(22)	(6)	(28)
	(22)	(6)	(28)
	1,317	65	1,382

The Subsidiary Company has substantial unused tax losses and unused tax credits. The deferred tax assets relating to such deductible temporary differences, carry forward unused tax losses and carry forward unused tax credits is significantly higher than deferred tax liabilities. On conservative approach, the Subsidiary Company has recognized deferred tax assets on unabsorbed depreciation only to the extent of its deferred tax liabilities.

Unrecognised deductible temporary differences, unused tax losses and unused tax credits on which deferred tax assets has not being recognised.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

All amounts are in '000 unless otherwise stated

4.01 Earnings Per Share (EPS)	As at March 31,	
	2021	2020
Basic earnings per share:		
Attributable to equity holders of the Company	20.48	75.89
Diluted earnings per share:		
Attributable to equity holders of the Company	20.48	75.89
Reconciliation of earnings used in calculating earnings per share:		
Basic earnings per share		
Profit attributable to equity holders of the Company used in calculating basic earnings per share	8,273	30,663
Diluted earnings per share		
Profit attributable to equity holders of the Company used in calculating diluted earnings per share	8,273	30,663
Weighted average number of Equity shares used as the denominator in calculating basic & diluted earnings per share	404,045	404,045
4.02 Contingent Liabilities	As at March 31,	
	2021	2020
1) Claims against the Company not acknowledged as debts:	2,929	2,929
Relates to supplier of materials, employees and other claims etc. (No provision is made, as the Company is hopeful of successfully contesting the claims and as such does not expect any significant liability to crystallize).		
2) The Company has taken certain premises on sub-lease. The landlord, a Government Company issued a notice under the Public Premises (Eviction of Unauthorized Occupants) Act, 1971 against the Company for eviction and has demanded damages and other charges, which are disputed by the Company. The proceedings in this connection are pending before the Estate officer. The Contingent liability in respect of damages, interest claimed by the Insurance Company cannot be quantified.		
3) Disputed Demand of Employees' State Insurance Corporation *	103	103
*Bank Guarantee is issued to ESIC as security for Rs. 52,000/-		
4.03 Employee benefits		
1) Defined Contribution Plans:		
The amounts of contribution to provident fund and ESIC recognized as expenses during the year is Rs. 3,146 (March 31, 2020 : 3,629) for the year ended March 31, 2021.		
2) Defined Benefit Plans:		
The Company sponsors funded defined benefit plans for qualifying employee. The defined benefit plans are administered by separate fund that are legally separate fund from the entity. The board of the fund is responsible for the investment policy with regard to assets of the fund.		
These plans typically expose the Company to Actuarial risks such as : investment risk, interest rate risk, longevity risk and salary risk. No other post-retirement benefit are provided to the employees.		
Investment Risk	The present value of the defined benefit plan liability is calculated using a discount rate determined by reference to government bond yields. If the return on plan asset is below this rate, it will create a plan deficit. Currently the plan has investment with LIC of India.	
Interest Risk	A decrease in the interest rate will increase the plan liability. However, this will be partially offset by an increase in the return on the plan's debt investments.	
Longevity Risk	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.	
Salary Risk	The present value of the defined plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.	

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

4.05 Capital Management**Risk management**

The Company's objectives when managing capital are to safeguard its ability to continue as a going concern, so that it can continue to provide returns for shareholders and benefits for other stakeholders, and maintain an optimal capital structure to maximize shareholder value.

For the purpose of the Company's capital management, capital includes capital and all other equity reserves. In order to maintain or achieve a capital structure that maximizes the shareholder value, the Company allocates its capital for distribution as dividend or re-investment into business based on its long term financial plans. As at March 31, 2021, the Company has only one class of equity shares and has no debts. Hence, there are no externally imposed capital requirements.

Dividend	As at March 31,	
	2021	2020
Dividend on equity shares paid during the year		
Dividend paid	(5,051)	(1,010)
Dividend distribution tax	-	(208)

4.06 Financial Instruments**(i) Methods & assumptions used to estimate the fair values**

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

- The carrying amounts of receivables and payables which are short term in nature such as trade receivables, other bank balances, deposits, loans to employees, trade payables, other financial liabilities and cash and cash equivalents are considered to be the same as their fair values.
- For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

(ii) Categories of financial instruments

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: unadjusted quoted prices in active markets for identical assets or liabilities;

Level 2: directly or indirectly observable market inputs, other than Level 1 inputs; and

Level 3: inputs which are not based on observable market data.

Particulars	As at March 31, 2021		As at March 31, 2020

4.07 Financial Risk Management

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Board of Directors. The details of different types of risk and management policy to address these risks are listed below:

The Company's activities are exposed to various risks viz. Credit risk, Liquidity risk and Market risk. In order to minimize any adverse effects on the financial performance of the Company, it uses various instruments and follows policies set up by the Board of Directors / Management.

(i) Credit Risk

Credit risk arises from the possibility that counter party will cause financial loss to the Company by failing to discharge its obligation as agreed.

Credit risks from balances with banks are managed in accordance with the Company policy. For derivative and financial instruments, the Company attempts to limit the credit risk by only dealing with reputable banks having high credit-ratings assigned by credit-rating agencies.

Based on the industry practices and business environment in which the Company operates, management considers that the trade receivables are in default if the payment are more than 12 months past due.

Table showing age of gross trade receivables and movement in expected credit loss allowance:

Age of Receivables	As at Mar 31,	
	2021	2020
Within the credit period	68,144	69,856
1-90 days past due	3,294	5,531
91-180 days past due	734	1,673
181-270 days past due	24	185
271-360 days past due	96	49
More than 360 days past due	658	1,334
Total	72,964	78,628

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021**

All amounts are in '000 unless otherwise stated

Movement in the expected credit allowance	Amount
As at April 1, 2019	4,458
Provided during the year	(2,883)
As at March 31, 2020	1,575
Provided during the year	(892)
As at March 31, 2021	683

(ii) Liquidity Risk

Liquidity risk is risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company's principal sources of liquidity are cash and cash equivalents, borrowings and the cash flow that is generated from operations. The Company has consistently generated sufficient cash flows from its operations and believes that these cash flows along with its current cash and cash equivalents and funding arrangements are sufficient to meet its financial obligations as and when they fall due. Accordingly, liquidity risk is perceived to be low.

Maturities of financial liabilities

The table below provides details regarding the remaining contractual maturities of financial liabilities as at the reporting date:

All amounts are in '000 unless otherwise stated

As at March 31, 2021	less than 1 year	1 to 5 year	Total
<u>Non-Derivatives</u>			
Trade payables	15,334	-	15,334
Other Financial Liabilities	36,700	-	36,700
Lease Liability	2,495	2,578	5,073
As at March 31, 2020	less than 1 year	1 to 5 year	Total
<u>Non-Derivatives</u>			
Trade payables	11,008	-	11,008
Other Financial Liabilities	37,543	-	37,543
Lease Liability	2,916	4,544	7,460

(iii) Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. The Company is exposed in the ordinary course of business to risks related to changes in foreign currency exchange rate and interest rate.

Market Risk – Foreign Exchange

Foreign currency risk is that risk in which the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company operates internationally and a portion of its business is transacted in several currencies and therefore the Company is exposed to foreign exchange risk through its overseas sales in various foreign currencies. The Company hedges the receivables by forming view after discussion with Forex Consultant and as per policies set by Management.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

All amounts are in '000 unless otherwise stated

The carrying amount of the Company's foreign currency denominated monetary assets and liabilities as at the end of the reporting period is as follows:

Foreign currency exposure	Assets	
	March 31, 2021	March 31, 2020
	Currencies	
EURO	129.33	144.86
USD	39.13	137.90

Foreign currency exposure as at March 31, 2021	GBP	EURO	USD
Assets			
Trade receivables	-	129.60	38.40
Forward contracts - Assets	-	-	0.73
Liabilities			
Forward contracts - Liability	-	0.27	-
Foreign currency exposure as at March 31, 2020	GBP	EURO	USD
Assets

USD	Asset- Export Receivables	42.20	3,102	53.20	4,011

Foreign currency sensitivity

1 % increase or decrease in foreign exchange rates will have the following impact on loss before tax and on other components of equity.

Particulars	Impact on profit/(loss) before tax and equity: Increase/(Decrease)			
	March 31, 2021	March 31, 2020	March 31, 2021	March 31, 2020
	1 % Increase	1 % Increase	1 % Decrease	1 % Decrease
GBP	-	-	-	-
EURO	0.69	0.42	(0.69)	(0.42)
USD	31.02	40.11	(31.02)	(40.11)

Market risk - price risk:

The Company is mainly exposed to the price risk due to its investment in mutual funds. The price risk arises due to uncertainties about the future market values of these investments. At March 31, 2021, the investments in mutual funds is Rs.93,816 (March 31, 2020 : Rs.76,419). These are exposed to price risk. In order to minimise price risk arising from investments in mutual funds, the Company predominately invests in those mutual funds which have higher exposure to high quality debt instruments with adequate liquidity & no demonstrated track record of price volatility.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

All amounts are in '000 unless otherwise stated

Price risk sensitivity:

0.10% increase or decrease in prices will have the following impact on profit/loss before tax and on other components of equity

	Impact on Profit: Increase/(Decrease)		Impact on equity: Increase / (Decrease)	
	March 31, 2021	March 31, 2020	March 31, 2021	March 31, 2020
Price - increase by 0.10%	93	76	93	76
Price - decrease by 0.10%	(93)	(76)	(93)	(76)

There are no amounts due for payment to the Investor Education and Protection fund under Section 125 as on March 31, 2021.

4.10 In view of unabsorbed losses/depreciation and in the absence of taxable income under the provisions of the Income Tax Act, 1961, the subsidiary company has not provided for tax in the current year. Further, in view of the brought forward loss/unabsorbed depreciation as per books of account, the subsidiary company also does not have any tax liability under section 115JB of the Income tax Act, 1961.

4.11 Revenue from contracts with customers
Disaggregation of Revenue

Management conclude that disaggregation of revenue disclosed in Ind AS 108 meets the disclosure criteria of Ind AS 115 and segment revenue is measured on the same basis as required by Ind AS 115, hence separate disclosures as per Ind AS 115 is not required.

Contract Balances

Trade receivable is presented net of impairment in the Balance Sheet.

The following table provides information about receivables, contract assets and contract liabilities for the contracts with the customers.

Particulars	As at March 31,	
	2021	2020
Trade receivables	72,281	77,053

There is no significant changes in the contract assets and the contract liabilities balances during the period.

Performance Obligations And Remaining Performance Obligations

Applying the practical expedient as given in Ind AS 115, the Company has not disclosed the remaining performances as the performance obligations relates to contracts where the Company has a right to consideration from a customer in an amount that corresponds directly with the value to the customer of the Company's performance completed to date.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021**

All amounts are in '000 unless otherwise stated

4.12 Leases**As Lessee**

The Company's lease asset primarily consist of leases for Office Space.

Transition

- (i) Effective April 1, 2019, the Company has adopted Ind AS 116 "Leases" and applied the standard to all lease contracts existing on April 1, 2019 using the modified retrospective method. Consequently, the Company recorded the lease liability at the present value of the remaining lease payments discounted at the incremental borrowing rate as on the date of transition and has measured right of use asset an amount equal to lease liability adjusted for any related prepaid and accrued lease payments previously recognised.
- (ii) The effect of this adoption is insignificant on the profit before tax, profit for the period and earnings per share. Ind AS 116 has resulted in an increase in cash inflows from operating activities and an increase in cash outflows from financing activities on account of lease payments.
- (iii) On initial application as practical expedients, the Company has elected exemption not to recognise right of use assets and liabilities for leases with less than 12 months of lease term.

(iv) Following are the changes in the carrying value of Right of Use assets for the year ended March 31, 2021:

4.13 Impact of COVID 19 on financials statements

The Company has assessed the probable impact of COVID-19 pandemic. It has considered internal and external information available up to the date of approval of these financial results and expects that the carrying amounts of inventories, trade receivables and other assets are recoverable. However, the impact of COVID-19, including the current wave, may be different from that estimated as at the approval of these financial results. The company will continue to monitor any material changes to future economic condition.

- 4.14** Our Subsidiary Company , Gujarat Poly Electronics Limited has aggressively focused in Trading of goods. Due to change in technological advancements, commercial considerations and market preferences, the company has taken up exercise to identify inventories which has very slow turnover ratio. The company will pass necessary accounting treatment on final ascertainment of the same.
