How do I vote electronically using NSDL e-Voting system?

The way to vote electronically on NSDL e-Voting system consists of "Two Steps" which are mentioned below:

Step 1: Access to NSDL e-Voting system

- A) Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode

In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Login method for Individual shareholders holding securities in demat mode is given below:

B) Login Method for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.

How to Log-in to NSDL e-Voting website?

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder/Member' section.
3. A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details are given below :

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.

5. Password details for shareholders other than Individual shareholders are given below:

- a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
- b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
- c) How to retrieve your 'initial password'?
 - (i) If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - (ii) If your email ID is not registered, please follow steps mentioned below in process for those shareholders whose email ids are not registered
6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
 - a) Click on "Forgot User Details/Password?" (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - b) Physical User Reset Password? (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
 - d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting

Annexure to Director Report for the year 2021-22 Management Discussion and Analysis Report

2021-22 sugar season has been a good year for the Indian sugar industry. The season is expected to close with record sugar production, record sugar consumption, record sugar export and record ethanol production with blending percentage over 10% so far, adhering to Government's ethanol blending target of 10% by 2021-22. It is nothing short of an achievement for the Indian sugar industry, which faced several years of financial strife at a stretch. High cost of sugar production on account of high cane purchase price and low revenue generation for mills due to pressure on price caused by surplus sugar production, have led to severe liquidity concerns for the sugar industry in last few years.

Exports

Sugar mills are expected to export around 100 lakh tons of sugar in the current season, and as per the Port reports, till May end, total physical sugar export has been to the tune of 86 lakh tons of sugar, with a total of about 6-7 lakh tons of sugar at port waiting to be exported and/or in transit towards ports. Barring that, export contracts that have been signed are around 95 lakh tons of sugar.

Sugar availability

As per final sugar production review done by ISMA, the final production figure shows an increase from 350 lakh tons to 360 lakh tons. The industry feels that corresponding to the increase in estimated sugar production by 10 lakh tons, there is room for the Government to okay additional 10 lakh tons of sugar in the current season.

With 360 lakh tons of expected sugar production and opening sugar stocks of 81.86 carried forward from last season, the total sugar availability in the season is 441.86 lakh tons. Total sugar off take is 375 lakh tons (sugar export of 100 lakh tons and sugar consumption of 275 lakh tons), which leaves the opening sugar stock balance of next sugar season at 66.86 lakh tons. This is enough to take care of the normative sugar consumption requirement of first 2.5 months of sugar in the country. If the Government allows another additional 10 lakh tons of sugar export, it will not only help industry to further improve its liquidity, but will also help pare the existing stocks of raw sugar stocks with the mills, which will remain unutilized unless exported. (Source ISMA Journal –June-22)

Ethanol

The ethanol blending target of 10% and 20% were advanced to 2022 and 2025, respectively. The Government supplemented the sources of producing ethanol in the country, which was primarily from sugarcane or molasses, and added damaged food grains, maize and surplus rice from FCI god owns to the list of feed stocks that could be used by distilleries to produce ethanol. Sugar mills were allowed to put up dual feed distilleries for both molasses/ cane-based ethanol projects and grain-based ethanol projects, to increase production and supply of ethanol. The document projected that in order to achieve 20% ethanol blending, the total ethanol quantity that would be required is about 1016 cr ltrs, which will be procured from both cane/molasses-based distilleries and grain-based distilleries. The Government is confident that these targets would be achieved, and India will lead the way in green energy production needed to meet the ever-growing needs of automobile vehicles, probably the first country to do so in the Indian sub-continent.

Opportunities & threats

Sugar consumed in moderation is a part of a healthy, balanced lifestyle. While this is a fact, there is a lot of misinformation floating all around making 'sugar' the villain and blaming it solely for some lifestyle diseases. This negative perception around sugar is unfortunately spreading like wildfire amongst the gullible and misinformed masses in our country. There is absolutely no scientific evidence or any research paper which concludes or establishes that consumption of sugar in itself leads to any particular disease, be it diabetes, obesity or dental caries. The high rate of interest is affecting the financial performance of the Textile Industry

Out Look / Projection:

Sale of 5.00 Lac cases of Punjab Medium Liqour and 50000 boxes of IMFL Whisky at Patran, Punjab
Sale of 6.00 Lac cases of country liqour at Bawal, Haryana

Risk and Concern

The steep escalation in the prices of sugarcane & raw materials will adversely affect profitability of sugar mill & other products of the company.

Competition from the other distilleries in the state of Haryana may affect the sale of Country Liquor.

Internal Control System & their Adequacy

The auditor have felt that the company has a reasonable system of authorization at proper levels with necessary controls on the purchase of sugar cane, issue of materials and components & other related system of Internal control is commensurate with the size of the company. They also felt that the company has a reasonable system of recording receipts of raw materials and components and the company is recording the sales and purchase through the software. The Software engineers regularly check software programme.

Material Development in HRD/IR

The company has appointed regular staff of 32 persons in various departments along with contractual & seasonal staff for the efficient working of all the units of the company.

INDEPENDENT AUDITOR'S REPORT

To the Members of Piccadily Sugar and Allied Industries Ltd
Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Piccadily Sugar and Allied Industries Ltd ("the Company"), which comprises the Standalone Balance Sheet as at March 31, 2022, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Cash Flows and the Standalone Statement of Changes in Equity for the year then ended March 31, 2022, and a summary of significant accounting policies and other explanatory information. (Hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Emphasis of Matter

Without qualifying our opinion, we draw attention to the following matters in the Notes to the financial Statements:

We draw attention to Note 33 of the accompanying standalone financial statements, which describes the management's evaluation of impact of uncertainties related to COVID-19 and its consequential effects on the operations of the Company. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report:

Sr.No.	Key Audit Matters	Auditor's Response
1.	<i>Evaluation of uncertain tax positions</i> The Company did not have material uncertain tax positions including matters under dispute which involves significant judgment to determine the possible outcome of these disputes.	<i>Principal Audit Procedures</i> Obtained details of completed tax assessments and demands for the year ended March 31, 2022 from management. We involved our internal experts to challenge the management's underlying assumptions in estimating the tax provision and the possible outcome of the disputes. Our internal experts also considered legal precedence and other rulings in evaluating management's position on these uncertain tax positions. possible outcome of these disputes.

Other Information

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit/loss (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(l) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, Statement of Profit and Loss including Other Comprehensive income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the afore said standalone Financial statements comply with the Indian Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022, from being appointed as a director in terms of section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Reporting "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements – Refer Note 30 to the standalone Ind AS financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There has been no delay in transferring amounts and equity shares, required to be transferred, to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

3. With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act:
In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are

Report on the Internal Financial Controls Over Financial Reporting under Clause

(i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **PICCADILY SUGAR AND ALLIED INDUSTRIES LIMITED** ("the Company") as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for the Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable

assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

- III. The Company has not made any investment, provided any security or guarantee or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms and limited liability partnership or any other parties. Accordingly, reporting under clause 3 (iii) (a) to (f) of the Order are not applicable to the Company
- IV. In our opinion and according to the information and explanations given to us, the Company has complied with provisions of Sections 185 and 186 of the Act, with respect to investment made.
- V. According to the information and explanations given to us, the Company has not accepted any deposits or amounts which are deemed to be deposits within the meaning of provisions of sections 73 to 76 or any other relevant provisions of the Act and the Rules framed there under. Accordingly, reporting under clause 3 (v) of the Order is not applicable to the Company.
- VI. The Company is not required to maintain cost records under section 148(1) of the Companies Act, 2013, Accordingly, reporting under clause 3 (vi) of the Order is not applicable to the Company.
- VII. In respect of statutory dues:
- (a) The Company is generally regular in depositing with appropriate authorities undisputed statutory dues including provident fund, income-tax, sales-tax, service tax, customs duty, excise duty, value added tax, cess and other material statutory dues applicable to it.
- (b) There were no undisputed amounts payable in respect of Provident fund, Income-tax, Goods and Services Tax, service tax, sales-tax, duty of custom, duty of excise, value added tax, cess and other material statutory dues were outstanding, at the end of the year, for a period of more than six months from the date they became payable
- (c) According to the records of the Company, there are no dues outstanding on account of Income-tax, Goods and Services Tax, sales-tax, service tax, duty of custom, duty of excise, value added tax and cess.
- VIII. According to the information and explanations given to us, Company has not surrendered or disclosed any transaction, previously unrecorded in the books of accounts, in the tax assessments under the Income Tax Act, 1961, as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.
- IX. (a) According to the information and explanations given to us and as per the books and records examined by us, in our opinion, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender including the loans and interest which are repayable on demand.
- (b) According to the information and explanations given to us and the records of the Company examined by us including representation received from the management, the Company has not been declared wilful defaulter by any bank, financial institution or other lenders or government or any government authority.
- (c) Term loans were applied for the purpose for which the loans were obtained.
- (d) On an overall examination of the financial statements of the Company, prima facie, no funds raised on short-term basis have been used for long term purposes by the Company.
- (e) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on clause 3(ix) (e) of the Order is not applicable to the Company.
- X. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.

- XI. (a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or any fraud on the Company has been noticed or reported during the year. Accordingly, reporting under clause 3 (xi) (a) and (b) of the Order is not applicable to the Company.
- (b) According to the information & explanations and representation made by the management, no whistle-blower complaints have been received during the year (and up to the date of the report) by the Company.
- XII. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- XIII. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- XIV. (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- XV. In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- XVI. (a) The provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Accordingly, the requirement to report on clause 3 (xvi) (a) to (c) of the Order is not applicable to the Company

Notes to the Standalone Financial Statements

1. Corporate Information

Piccadily Sugar & Allied Industries Limited ('the Company') is a public limited company incorporated in India. The Company is incorporated with an aim to provide boost to state industry by establishing an eco-friendly sugar mill in the year 1994 and distillery in 2004 at village Hamjheri, Jakhal Road, Patran, Distt. Patiala in the State of Punjab. The financial statements have been approved by Board of Directors in their board meeting dated May 11, 2022.

It manufactures Rectified Spirit, Extra Natural Alcohol (ENA) from Molasses/ Rice / Wheat, Ethanol, IMFL, PML, Country Liquor.

2. Statement of Compliance

These standalone financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as prescribed under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules as amended from time to time.

3. Basis of Preparation

These standalone financial statements have been prepared on historical cost basis, except for certain financial instruments and defined benefit plans which are measured at fair value or amortised cost at the end of each reporting period. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle. Based on the nature of services rendered to customers and time elapsed between deployment of resources and the realization in cash and cash equivalents of the consideration for such services rendered, the Company has considered an operating cycle of 12 months. The statement of cash flows have been prepared under indirect method. These standalone financial statements have been prepared in Indian Rupee (₹) which is the functional currency of the Company. Foreign currency transactions are recorded at exchange rates prevailing on the date of the transaction. Foreign currency denominated monetary assets and liabilities are retranslated at the exchange rate prevailing on the balance sheet date and exchange gains and losses arising on settlement and restatement are recognised in the statement of profit and loss.

4. Going Concern

The Board of Directors have considered the financial position of the Company as at 31st March, 2022 and projected cash flows and financial performance of the Company for at least twelve months from the date of approval of these financial statements as well as planned cost and cash improvement actions, and believe that the plan for sustained profitability remains on course.

The board of directors have taken actions to ensure that appropriate long-term cash resources are in place at the date of signing the accounts to fund the Company's operations.

5. Significant Accounting Policies

a) Property, Plant and Equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment loss, if any. Cost of acquisition or construction is inclusive of freight, duties, taxes, other directly attributable incidental expenses and gains or losses on effective portion of cash flow hedges related to purchase in foreign currency and interest on loans attributable to the acquisition or construction of assets up to the date of commissioning of assets.

The Company is following straight line method of depreciation in respect of buildings, plant and equipment and other assets.

Depreciation on all tangible assets is provided on the basis of estimated useful life and residual value determined by the management based on a technical evaluation considering nature of asset, past experience, estimated usage of the asset, vendor's advice etc., which coincides with the useful life as prescribed under Schedule II of the Companies Act 2013 except for certain items of Plant and Equipment.

i) Estimated Useful Lives:

Asset	Useful life
FACTORY BUILDING	30 Years
ADMINISTRATIVE BUILDING	30 years
PLANT & MACHINERY	15 years
FURNITURE & FIXTURE	10 Years
COMPUTERS	3 Years
OFFICE EQUIPMENTS	5 Years
VEHICLES	10 Years

(ii) Estimated residual value:

The Estimated residual value of assets other than Land is taken as 5% of its original cost.

Depreciation is calculated on a pro-rata basis from the date of additions. On assets sold, discarded etc. during the year, depreciation is provided up to the date of sale/discard.

b) Inventories:

Inventories are valued as follows: Raw materials, stores and spares, Material in transit and packing materials Valued at lower of cost and net realisable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on FIFO Basis. Finished goods Valued at lower of cost and net realizable value. Cost includes direct materials, labour and a proportion of manufacturing overheads based on normal operating capacity. Work-in-process Valued at lower of cost and net realisable value up to estimated stage of process. Cost includes direct materials, labour and a proportion of manufacturing overheads based on normal operating capacity. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale. By-products are valued at Net realisable value.

c) Revenue recognition

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue from sale of goods is recognised when the significant risks and rewards of ownership of the goods are transferred to the customer and is stated net of trade discounts, sales returns. Effective from April 1, 2018, the Company has applied Ind AS 115 which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised. Ind AS 115 replaces Ind AS 18 Revenue and Ind AS 11 Construction Contracts. The Company has adopted Ind AS 115 retrospectively from the date of initial application (i.e. April 1, 2018). The impact of the adoption of the standard on the financial statements of the Company is insignificant. Revenue includes excise duty however, sales tax/ value added tax (VAT)/Goods and Services Tax(GST) is not received by the company on its own account. Rather, it is tax collected on value added to the commodity by the seller on behalf of the government. Accordingly, it is excluded from revenue. Income against claims of the company, viz., export incentives, insurance claims, etc., is recognised on accrual/right to receive basis.

d) Other revenue streams**Interest Income**

For all debt instruments measured either at amortised cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in finance income in the statement of profit and loss.

e) Employee benefits**(i) Defined contribution plans**

Company's contribution paid/payable during the year to provident fund and superannuation fund are recognized in the statement of profit and loss.

(ii) Defined benefit plans

The liability recognized in respect of gratuity is the present value of defined benefit obligation at the end of the reporting period less the fair value of plan assets, where applicable. The defined benefit obligation is calculated annually by actuary using the Projected Unit Credit Method. Re-measurement comprising actuarial gains and losses and return on plan assets (excluding net interest) are recognized in the other comprehensive income for the period in which they occur and is not reclassified to profit or loss.

(iii) Bonus Plans

The company recognizes a liability and an expense for bonus. The Company recognizes a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

f) Foreign currency transactions

The functional currency of the Company is Indian rupee. Transactions in foreign currencies are recorded on initial recognition at the exchange rate prevailing on the date of the transaction.

Monetary items (i.e. receivables, payable, loans etc.) denominated in foreign currency are reported using the closing exchange rate on each reporting date.

The exchange difference arising on the settlement of monetary items or on reporting these items at rates different from rates at which these were initially recorded/reported in previous financial statements are recognized as income/expense in the period in which they arise except for exchange difference on foreign currency borrowings relating to asset under construction for future use, which are included in the cost of those assets when they are regarded as an adjustment to interest cost on those foreign currency borrowings.

g) Financial instruments- Initial Recognition:

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of financial asset or financial liabilities, as appropriate, on initial recognition.

Subsequent measurement:**A. Non-derivative financial instruments****(i) Financial assets carried at amortised cost**

A financial asset is subsequently measured at amortised cost if it is held in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Financial assets carried at fair value through other comprehensive income (FVTOCI)

A financial asset is subsequently measured at fair value through other comprehensive income (FVTOCI) if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(iii) Financial assets carried at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are subsequently measured at fair value through profit or loss

(iv) Financial liabilities

Financial liabilities are subsequently measured at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

De-recognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the

Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

h) Impairment

i) Financial assets

The Company recognizes loss allowances using the expected credit loss for the financial assets which are not measured at fair value through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime expected credit loss.

ii) Non-financial assets: Tangible and intangible assets

Property, plant and equipment and intangible assets are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the statement of profit or loss. The Company review/assess at each reporting date if there is any indication that an asset may be impaired

i) Income taxes

The Income-tax liability is provided in accordance with the provisions of the Income-tax Act, 1961. Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Income tax and deferred tax are measured on the basis of the tax rates and tax laws enacted or substantively enacted at the end of the reporting period and are recognized in profit or loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the income tax and deferred tax are also recognized in other comprehensive income or directly in equity, respectively.

j) Leases

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

As per Ind AS 116 each lease component within the contract is accounted as a lease separately from non-lease components of the contract and the consideration in the contract is allocated to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate stand-alone price of the non-lease components. A right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date is recognised. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any re-measurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognized in the statement of profit and loss.

The lease liability is measured at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the incremental borrowing rate is used.

The lease liability is subsequently re-measured by increasing the carrying amount to reflect

interest on the lease liability, reducing the carrying amount to reflect the lease payments made and re-measuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments. The amount of the re-measurement of lease liability due to modification is recognized as an adjustment to the right-of-use asset and statement of profit and loss depending upon the nature of modification. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the

measurement of the lease liability, the Company recognizes any remaining amount of the re-measurement in statement of profit and loss.

Company as a lessee :

The Company has elected not to apply the requirements of Ind AS 116 Leases on short-term leases of all assets that have a lease term of 12 months or less and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognized as an expense on a straight-line basis over the lease term.

k) Borrowing Costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization. Other borrowing costs are expensed in the period in which they are incurred.

l) Government Grants

Grants from the government are recognized at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions. Government grants relating to income are deferred and recognized in the profit or loss over the period necessary to match them with the costs that they are intended to compensate and presented within other income. Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to profit or loss on a straight-line basis over the expected lives of the related assets and presented within other income.

m) Provisions

Provisions for claims including litigations are recognized when the Company has a present obligation as a result of past events, in the year when it is established by way of orders of court or government notifications etc. that it is probable that an outflow of resources will be required to settle the obligations and the amount can be reasonably estimated. The provision including any subsequent adjustments are accounted for in the same expenditure line item to which the claim pertains.

6. Use of estimates

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the Company to make estimates and assumptions that affect the reported balances of asset and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expense for the period presented.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which estimates are revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

The following are the key assumptions concerning the future, and other sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities in future are:

- i) Useful lives and residual value of property, plant and equipment: Useful life and residual value are determined by the management based on a technical evaluation considering nature of asset, past experience, estimated usage of the asset, vendor's advice etc and same is reviewed at each financial year end.

ii) Deferred tax assets: The Company reviews the carrying amount of deferred tax assets including MAT credit at the end of each reporting period and reduces to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

iii) Revenue:

The Company's contracts with customers could include promises to transfer multiple products and services to a customer. The Company assesses the products / services promised in a contract and identify distinct performance obligations in the contract. Identification of distinct performance obligation involves judgment to determine the deliverables and the ability of the customer to benefit independently from such deliverables.

- Judgment is also required to determine the transaction price for the contract and to ascribe the transaction price to each distinct performance obligation. The transaction price could be either a fixed amount of customer consideration or variable consideration with elements such as volume discounts, service level credits, performance bonuses, price concessions and incentives. The transaction price is also adjusted for the effects of the time value of money if the contract includes a significant financing component. Any consideration payable to the customer is adjusted to the transaction price, unless it is a payment for a distinct product or service from the customer. The estimated amount of variable consideration is adjusted in the transaction price only to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognized will not occur and is reassessed at the end of each reporting period. The Company allocates the elements of variable considerations to all the performance obligations of the contract unless there is observable evidence that they pertain to one or more distinct performance obligations.
 - The Company exercises judgment in determining whether the performance obligation is satisfied at a point in time or over a period of time. The Company considers indicators such as how customer consumes benefits as services are rendered or who controls the asset as it is being created or existence of enforceable right to payment for performance to date and alternate use of such product or service, transfer of significant risks and rewards to the customer, acceptance of delivery by the customer, etc.
 - Revenue for fixed-price contract is recognised using percentage-of-completion method. The Company uses judgement to estimate the future cost-to-completion of the contracts which is used to determine the degree of completion of the performance obligation.
- iv) **Provision for gratuity:** The provision for is based on actuarial valuation using the projected unit credit method. The Company uses actuarial assumptions to determine the obligation for employee benefit at each reporting period. These assumptions include the discount rate, salary escalation and employee turnover rate.
