BOARD'S REPORT

Dear Members,

The Board of Directors are pleased to present the Thirty Seventh Annual Report on the business and operations of your Company along with the Audited financial statements for the financial year ended 31st March, 2022. The Statement of Accounts, Auditors' Report, Board's Report and attachment thereto have been prepared in accordance with the provisions contained in Section 134 of Companies Act, 2013 and Rule 8 of the Companies (Accounts) Rules, 2014.

The black swan COVID-19 pandemic has caused global disruption and has severely impacted the travel, tourism, aviation and hospitality industry. The financial year 2020-21 and part year of 2021-22 was deeply impacted by the brunt of COVID-19 pandemic. International travel in 2020 and 2021 was effectively cut to zero, with international commercial flights between countries were banned post mid-March 2020. The Domestic flights were also banned to avoid spread of Corona Virus. Further, domestic business travel was compressed due to restriction on travelling by the Government, virtual meetings and structural shift to 'Work from Home' etc. As compared to nationwide lockdown in Financial Year 2020-21, the State lockdown period i.e. 05.04.2021 to 15.06.2021 had offered some relaxations in travelling, so that the Company managed to bring up its business. During the Financial Year 2021-22, from 2nd quarter the recovery of business started to post a revenue of Rs.3378.01 lacs and profit of Rs.293.93 Lakhs as against revenue of Rs.2111.81 lakhs and loss of Rs.200.57 during 2020-21. This is a sure indication that the industry is fast bouncing back and impact of the pandemic is subdued. India's travel and tourism industry has huge growth potential. Our country is the most digitally advanced traveler nation in terms of digital tools being used for planning, booking, and experiencing a journey. India's rising middle class and increasing disposable income is expected to be a boon for the future growth of domestic and outbound tours and travel. The transport business, comprising mainly of executive car rentals, is expected to recover faster than travel related services business.

Information other than the financial statements and Auditors report thereon ('Other information')

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and auditor's report thereon.

My Opinion on the financial statements does not cover the information and I do not express any form of assurance or conclusions thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or other wise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of the other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of Management and Those charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance) changes in equity and cash flows of the company in accordance with the accounting principles generally accepted in India, including the Ind As specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules 2014. My objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error, and to issue an auditor's report that include my opinion. - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
