DIVIDEND

With a view to conserve resources for future operations, your Directors do not recommend any dividend for the financial year ended March 31, 2010.

PERFORMANCE & CURRENT YEAR PROSPECTS

During the year under review, the operations of your Company have been streamlined. Your Company will continue to maintain these levels of operations and is fairly optimistic about contributing to SVC's growth plans in 2010-11.

Your company changed its name from Pace Textiles Limited to SVC Resources Limited. Your Company has diversified into mining and is in the activities of manufacturing & trading of Textiles products and mining of iron ore and trading in minerals. Due to recession company's performance was not up to the mark however due to diversification into mining industry your company could perform better than the previous year.

The slow down in global economy has not only affected the business of the Company but also the entire market of textile goods as well as the mining segment, which is still continuing. The lack of demand forced the Company to cut down prices of its products and tough competition has again worsened the situation.

The Board of Directors and its team of employees have put in full efforts and performed excellently to sustain profitability of the Company.

BUSINESS SEGMENT

Your Company primarily operates in the business segment of mining and trading of iron ore, white earth, ochre, manganese, laterite etc and manufacturing & trading of textiles products. As per the management's perspective, the risks and returns from its sales do not materially vary geographically. The mines of your company are located at Kodamukur, Dhamki and Dilari in the state of Madhya Pradesh.

Your Company offers its services to customers through best industry practices in textile and mining.
