SEGMENT WISE PERFORMANCE

Agency Division

The growth of the division is moderate during 2013-14 compared to previous year. The substantial increase in import of yarn by China helped the spinning mills to improve their performance. Hence the order flow and off take of machinery by the mills have increased. This division earned a PBT of Rs. 1382.71 Lakhs compared to Rs. 1114.52 Lakhs during the previous year.

Textile Division

The cotton prices were highly volatile in view of higher exports to the tune of 110 lakh bales during the cotton year 2012-13. But yarn prices were stable and reasonably remunerative. This division earned a PBT of Rs. 633.62 Lakhs compared to Rs.334.88 Lakhs during the previous year.

Wind Energy Division

The Government of Tamilnadu has entered in to long term arrangement with private power generation companies to manage the power shortage. In view of this the power generated from the windmills was not fully evacuated by the TANGEDCO. This affected the profitability of this division. Moreover TANGEDCO has levied higher transmission and operation and maintenance charges for the wind power wheeled to the industries for captive consumption.

This division could achieve a PBT of Rs. 299.61 Lakhs during the year compared to Rs.646.75 Lakhs in the previous year.

Engineering Division

This division has started taking up the manufacturing of gear boxes in addition to the gears. The sales of the division have improved during the year under review. But higher operational costs resulted in a loss of Rs. 366.63 Lakhs.

EXPORTS

The Company's exports including the supplies to merchant exporters was Rs. 585.22 Lakhs (Previous year Rs. 1268.21 Lakhs) during the year under review.

PROSPECTS

The US and European economies are emerging out of recession and hence exports of textile goods are expected to grow reasonably well during the year 2014-15. Though the monsoon is predicted to be lower than average due to the EL NINO effect, the cotton production is estimated to be normal. The change in the cotton stock piling policy of China may result in lower exports to that country. Therefore the prices of cotton is expected to be stable. In view of these positive factors, performance of the Company is expected to be better.

DIRECTORS

Sri.R.Satagopan was inducted into the Board of the Company on 25.10.2004. Sri.R.Satagopan, with his in-depth knowledge in the fields of Corporate planning, Performance review and insurance guided the Board of Directors and the Company in all its functions. He has retired at the last Annual General Meeting and not opted for reappointment.

The Board records its appreciation of his valuable contribution for the development and growth of the Company during his tenure.

Sri.J.Raghupathy and Sri.S.Venkataraman Directors were appointed under the Companies Act, 1956 and they are liable to retire by rotation. But as per the provisions of section 149 of the Companies Act, 2013, independent directors are not liable to retire by rotation and can hold office for a period of five years. A notice proposing their candidatures for the Directorship is received from a shareholder. Necessary resolutions will be placed at the ensuing Annual General Meeting for appointing them as independent directors of the Company.

Sri.S.K.Najmul Hussain was appointed as Additional Director of the Company with effect from 20.01.2014 and will hold office up to the date of the ensuing Annual General Meeting. A notice proposing his candidature for the Directorship is received from a shareholder. Necessary resolution will be placed at the ensuing Annual General Meeting for appointing him as Independent Director of the Company.

FIXED DEPOSITS

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

ECONOMY OVER VIEW

Growth in 2013 and outlook for 2014

The World Bank estimated global GDP growth at 3.0 percent in 2013. It is expected that growth of the global GDP for the year 2014 will be 3.6 percent mainly due to GDP growth of USA from 1.9 percent to 2.8 percent. It also forecasts that the growth of Eurozone will be around 1.2 percent from -0.3 percent. Developing countries recorded 4.7 percent growth in 2013, with GDP estimated to grow at 4.9 percent in 2014. India's GDP growth in 2013 was 4.4 percent which was the lowest in the decade due to poor economic activities throughout the year.

India's growth is expected to recover and post 5.4 per cent in 2014, supported by slightly stronger global growth, improving export competitiveness and implementation of recently approved investment projects. Pick-up in exports in recent months and measures to curb gold imports have contributed to lowering the current account deficit. Policy measures to increase capital flows have further helped to reduce external vulnerabilities.

OPPORTUNITIES AND THREATS

Opportunities:

1. Improvement in the economies of USA and Europe may help our textile exports.
2. The continuance of TUF scheme with special thrust to down stream industries may provide for higher consumption of yarn in the domestic market.
3. Though the monsoon is predicted as below normal, cotton production is expected to be good as there will be a change from crops which require more water to cotton.
4. Chinese policy change in releasing the piled up cotton stocks may reduce the exports from India and hence cotton prices may be stable.

Threats:

1. Power shortage may force the mills to run diesel gensets which in turn increase the cost of production.
2. Export realization may be lower because of strengthening of rupee.
3. Shortage of skilled labour and resultant higher employee cost may squeeze the margins.

CONCERN

The areas of concern are:

1. China's imports play a major role in the stability of yarn market.
2. Availability of skilled man power.
3. Power shortage.
4. High cost of Bank finance.

INTERNAL CONTROL SYSTEM AND ADEQUACY

The Company has an adequate internal control system commensurate with its size and nature of its business. Management has overall responsibility for the Company's internal control system to safeguard the assets and to ensure reliability of financial records.

CERTIFICATE

To
The Members of Super Sales India Limited

We have examined the compliance of conditions of Corporate Governance by Super Sales India Limited, for the year ended on 31.03.2014, as stipulated in clause 49 of the Listing Agreement of the said Company, with the stock exchanges.

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination has been limited to a review of the procedures and implementations thereof, adopted by the Company for ensuring compliance with the conditions of Corporate Governance as stipulated in the said clause. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us and based on the representations made by the Directors and the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in clause 49 of the above mentioned Listing Agreement.

As required by the guidance note issued by the Institute of Chartered accountants of India, we have to state that based on the representation given by the Registrars of the company to the Investors' Grievance Committee as on March 31, 2014, there were no investors' grievance matters against the Company remaining pending for more than 30 days.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or the effectiveness, with which, the management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S REPORT

To the Members of Super Sales India Limited.

Report on the Financial Statements

We have audited the accompanying financial statements of Super Sales India Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2014, and the Statement of Profit and Loss and Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by The Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and reasonableness of the accounting estimates made by management as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2014;
- b) in the case of Statement of Profit and Loss, the profit for the year ended on that date; and
- c) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2003 ("the Order") issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
2. As required by section 227(3) of the Act, we report that:
 - a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
 - c) the Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account
 - d) in our opinion, the Balance Sheet, Statement of Profit and Loss and Cash Flow Statement comply with the Accounting Standards referred to in subsection (3C) of section 211 of the Companies Act, 1956; and
 - e) on the basis of written representations received from the directors as on March 31, 2014, and taken on record by the Board of Directors, none of the Directors are disqualified as on March 31, 2014, from being appointed as a director in terms of clause (g) of sub-section (1) of section 274 of the Companies Act, 1956.

24. SIGNIFICANT ACCOUNTING POLICIES**1. Basis of accounting and preparation of financial statements**

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended) and the relevant provisions of the Companies Act, 1956. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

2. Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ from these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

3. Inventories

Inventories are valued at lower of cost and net realisable value.

- a. The raw materials are valued using identifiable lot cost.
- b. Value of finished goods is inclusive of excise duty wherever applicable.
- c. Cost of finished goods is determined as cost of raw materials and other manufacturing cost. In respect of semi - finished goods cost is taken as cost of the materials and estimated Conversion cost, up to completed stage.
- d. Stores, Spares and Components are valued at weighted average cost.
- e. By- Products and waste are valued at net realizable value.

4. Cash and cash equivalents (for the purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

5. Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

6. Depreciation and amortisation

Depreciation has been provided on the straight-line method as per the rates prescribed in Schedule XIV to the Companies Act, 1956.

Assets costing less than Rs. 5,000 each are fully depreciated in the year of capitalisation

Intangible assets are amortised over their estimated useful life as follows:

The computer software will be amortised over a period of 7 years

The estimated useful life of the intangible assets and the amortisation period are reviewed at the end of each financial year and the amortisation method is revised to reflect the changed pattern.

7. Revenue recognition

a) Sale of goods

Sales are recognized, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers. Sales include excise duty but exclude sales tax and value added tax.

b) Sale of Services

1. Commission: The commission receivable is recognized on completion of delivery of the machines to the customer directly by our principals and billing is done on a monthly basis.
2. Wind Energy: Income from sale of wind energy is recognized on a monthly basis on the strength of the statements received from Tamilnadu Generation and Distribution Company Ltd.
3. Erection Charges: Revenue from Erection charges and repair services are recognized on completion of erection / repairs of the machinery at customers mill as per the specifications given by the principals and billing is done to the customers immediately after completion.

8. Other income

Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive it is established.

9. Fixed Assets

a) Tangible fixed assets

Fixed assets are carried at cost less accumulated depreciation and impairment losses, if any. The cost of fixed assets includes interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use and other incidental expenses incurred up to that date. Exchange differences arising on restatement / settlement of long-term foreign currency borrowings relating to acquisition of depreciable fixed assets are adjusted to the cost of the respective assets and depreciated over the remaining useful life of such assets. Machinery spares which can be used only in connection with an item of fixed asset and whose use is expected to be irregular are capitalised and depreciated over the useful life of the principal item of the relevant assets. Subsequent expenditure relating to fixed assets is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Fixed assets acquired and put to use for project purpose are capitalised and depreciation thereon is included in the project cost till commissioning of the project.

b) Capital work-in-progress:

Projects under which assets are not ready for their intended use and other capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

10. Foreign currency transactions and translations

Initial recognition

Foreign currency transactions are recorded at the prevailing exchange rates at the time of initial recognition.

On Settlement

Exchange difference arising on final settlement are adjusted and recognised as income or expense in the statement of Profit and Loss. Outstanding balances of monetary items denominated in foreign currency are restated at closing exchange rates and the difference accounted in the statement of profit and loss.

The Company has exercised the option available under the amended AS 11 in respect of Foreign currency loans availed for acquisition of capital assets and capitalized the exchange rate fluctuation during the year.

11. Investments

Investments being long term are stated at cost inclusive of all expenses incidental to acquisition. Provision for diminution in their market value is made only if such decline is other than temporary.

12. Employee benefits

Short term employee benefits (other than termination benefits) which are payable within twelve months after the end of the period in which the employees render the service are accounted on accrual basis.

Defined contribution plans.

Company's contribution paid/ payable during the year to provident fund is recognized in the statement of profit and loss.

Defined benefit plan.

The gratuity payable to the employees is covered by a Master policy taken out with Life Insurance Corporation of India under its Group Gratuity Scheme and the Company has opted for the Cash Accumulation Method. Earned leave provision has been made as per AS 15 (Revised).

13. Borrowing costs

Borrowing costs include interest, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date of capitalisation of such asset is added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

14. Segment reporting

The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance.

The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment.

Inter-segment revenue is accounted on the basis of transactions which are primarily determined based on market / fair value factors.

Revenue, expenses, assets and liabilities which relate to the Company as a whole and are not allocable to segments on reasonable basis have been included under "unallocated revenue / expenses / assets / liabilities".

15. Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year.

16. Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

17. Impairment of assets

The carrying values of assets / cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, except in case of revalued assets.

18. Provisions and contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes.

19. Insurance claims

Insurance claims are accounted for on the basis of claims admitted / expected to be admitted and to the extent that there is no uncertainty in receiving the claims.

20. Service tax input credit

Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is no uncertainty in availing / utilising the credits.

25. NOTES FORMING PART OF FINANCIAL STATEMENTS AS AT MARCH 31, 2014

1. Figures have been rounded off to lakh of rupees & previous year's figures have been regrouped wherever necessary.
2. Provision for all liabilities including depreciation is neither inadequate nor more than what is necessary.
3. The opinion of the Board is that the current assets, loans and advances will fetch the amounts stated if realised in the ordinary course of business.
