ANNEXURE TO THE NOTICE

Explanatory Statement as required by Section 102 of the Companies Act, 2013

As required by Section 102 of the Companies Act, 2013, the following explanatory statement set out the material facts relating to Special Business mentioned under Item no's 3,4,5,6,7 and 8 in the accompanying Notice dated 13th November, 2020.

Item No. 3 and 4

The members of the Company at the 56th Annual General Meeting held on 25th September, 2017 has approved the appointment of M/s. Subhash Chand Jain Anurag & Associates, Chartered Accountants, Nagpur, having FRN.: 004733C as the Statutory Auditors of the Company for a term of five years till the conclusion of the 61st Annual General Meeting.

M/s. Subhash Chand Jain Anurag & Associates, Chartered Accountants, Nagpur has tendered their resignation as the Statutory Auditors of the Company, expressing their inability due to preoccupation in other assignments, resulting in a casual vacancy in the office of the Auditors of the Company w.e.f. 14th August, 2020.

As per section 139(8) of the Companies, Act, 2013, the casual vacancy caused by the resignation of the Statutory Auditors shall be filled by the Board within a period of thirty days and such appointment shall also be approved by the members of the Company within three months of the recommendation of the Board.

Accordingly, based on the recommendation of the Audit Committee and conformation received from M/s. Panpaliya Taori & Co., Chartered Accountants, Nagpur, having FRN.: 125508W on their eligibility, the Board recommends to the members for the appointment of M/s. Panpaliya Taori & Co., Chartered Accountants, Nagpur, as the Statutory Auditors of the Company:

- a) to fill the casual vacancy caused by the resignation of M/s. Subhash Chand Jain Anurag & Associates, Chartered Accountants, Nagpur and to hold the office of the Statutory Auditors upto the conclusion of this Annual General Meeting and
- b) for a period of five years, from the conclusion of the 59th Annual General Meeting till the conclusion of 64th Annual General Meeting of the Company to be held in the year 2025.

In regards to the appointment of Statutory Auditors referred to in item no. 3 of the Notice, the brief profile of the Auditors is as under: M/s. Panpaliya Taori & Co., Chartered Accountants, having its offices at Nagpur and Wardha with 16 years of experience.

The proposed fee payable to the Statutory Auditors is Rs.2,50,000/- (Rupees two lakh fifty thousand only) for the financial year 2020-21 plus applicable taxes and out of pocket expenses, as may be incurred, in connection with the statutory audit of financial statements of the Company.

The fees payable for statutory audit per financial year to the Auditors for the financial year 2021-22 and onwards till the remainder of their tenure, will be mutually determined by the Board of Directors of the Company in consultation with the Auditors.

Material change in the fee payable to the auditor from that paid to the outgoing auditor: No such material changes.

Rationale for such change in remuneration: Not applicable.

None of the Directors / Key Managerial Personnel of the Company / their relatives are in any way concerned or interested, financially or otherwise, in the resolution set out at Item No. 3 of the Notice. The Directors recommend the resolution for approval by the members.

Item No.5

The Board, on the recommendation of the Audit Committee, has in its meeting held on 31st July, 2020, approved the appointment of M/s. Narendra Peshne and Associates, Cost and Management Accountants, Nagpur as the Cost Auditors to conduct the audit of the cost records of the Company for the financial year ending 31st March, 2021 at a remuneration of Rs.30,000/- (Rupee Thirty thousand only) .

In accordance with the provisions of Section 148 of the Act read with the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditors has to be ratified by the shareholders of the Company.

Accordingly, the consent of the members is sought by way of an Ordinary Resolution as set out at Item No. 4 of the Notice for ratification of the remuneration payable to the Cost Auditors for the financial year ending 31st March, 2021.

The Board recommends the Ordinary Resolution set out at Item No. 4 of the Notice for approval by the shareholders.

None of the Directors/ Key Managerial Personnel of the Company and /their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution set out at Item No. 4 of the Notice.

Item No.6

Section 188 of the Companies Act, 2013 read along with rules 15 and 16 of the Companies (Meetings of Board and its Powers) Rules 2014 provide that any Related Party Transaction will require prior approval of shareholders through ordinary resolution, if the aggregate value of transaction(s) amounts to 10% or more of the annual turnover of the Company as per last audited financial statements of the Company.

The proposed transaction put up for approval is in the ordinary course of business and at arm's length. The following contracts/ arrangements/ transactions are material in nature and require the approval of the shareholders of the Company by ordinary resolution:

1. Name of the Related Party: Sharda Auto Industries Limited.
2. Relationship: Two directors are common in both the Companies.
3. Maximum Value of transactions.: Rs.100 Crore at any time on continuous basis.
4. Nature of Transactions: Sale of goods and other store materials and consumable items and waste and scraps to M/s. Sharda Auto Industries Limited at Arms Length Basis.

The above transactions were approved by the Audit Committee at its meeting held on 13.11.2020 and recommended by the Board of Directors to the shareholders of the Company for their approval.

All entities /persons that are directly/indirectly related parties of the Company shall abstain from voting on resolution(s) wherein approval of material related party transactions is sought from the shareholders. Accordingly, all related parties of the Company will not vote on this resolution.

None of the other Directors or any Key Managerial Personnel of the Company other than those identified is interested in the resolution.

The Board of Directors recommends passing of the resolution as set out at item no.5 of this Notice as an Ordinary Resolution.

Item No. 7

In the light of the earlier resolution passed, the Board of Directors of the Company ("the Board") with respect to the approval of members in the 56th Annual General Meeting of the company held on 25th September, 2017, re-appointed Shri. Nandkishore Sarda (DIN: 00229911) designated as Chairman & Managing Director for a further period of 5 (five) years i.e from 1st April, 2017 to 31st March, 2022. The Nomination & Remuneration Committee of the Board of Directors held on 03rd February, 2020 recommended and the Board of Directors at its meeting held on 14th February, 2020 approved, subject to approval of members for revision in the remuneration of Shri. harassment of women employees was received during the year under Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

29. IMPACT OF COVID-19:

The outbreak of COVID-19 pandemic has led to an unprecedented health crisis and has disrupted economic activities and global trade while severely impacting consumer spending power. Consequently, the global steel demand is expected to be sharply lower in 2020. The Government of India had imposed a stringent nationwide lockdown with effect from 25th March, 2020, which has severely impacted manufacturing activities. Though the continuous process Steel plants and Mining sectors were exempted from the strict lockdown measures, they could not be operated in the given environment and other restrictions.

We took steps for resuming manufacturing operations from 21st May, 2020 but full normalcy could return only in the second week of June, 2020. Due to respreads of the virus, localized lockdowns and other restrictions have been imposed which will have an impact on production and demand. The health and safety of our employees and the communities in which we operate continues to be the foremost priority of the Company. The Company is focused on running operations safely and efficiently to service our customers.

The operations have been aligned with the prevailing market conditions. Cross-functional teams worked to manage supply chain and logistics issues within the constraints imposed by the lockdown to ensure that the plant could operate as planned. Increased steel production has helped in balancing demand-supply of steel and preventing sharp correction in prices. The Company is also focused on liquidity management to face any future disruption in business conditions. Funds were raised to manage liquidity considering the heightened uncertainty over the extent of impact on underlying demand conditions.

30. SHARES:

a. BUY BACK OF SHARES

The Company has in place proper systems to ensure compliance with the provisions of the applicable secretarial standards issued by The Institute of Company Secretaries of India and such systems are adequate and operating effectively.

35. MANAGEMENT DISCUSSION AND ANALYSIS:

ECONOMY:

The Indian economy witnessed a slowdown during FY 2019-20 and the GDP is estimated at 4.2% as compared to 6.1% in FY 2018-19. (Source: Press note by National Statistical Office dated May 29, 2020). The sluggish growth is due to both endogenous and exogenous factors, key indicator being lack of credit growth and demand in the market, leading to low growth in final consumption expenditure, decline in gross fixed capital formation and export earnings. Major global contributing factors are the Sino-American trade conflict, Brexit, geopolitical tensions and deceleration in developed economies. Another reason for this sluggish growth is due to poor showing by manufacturing and construction sectors. According to World Bank, India's GDP growth in FY 2020-21 is projected to contract sharply by negative 3.2%, which is likely to be the lowest in many decades as the impact of COVID-19 pandemic materializes. Stringent measures to restrict the spread of the virus, which heavily curtails activity, will contribute to the contraction of economic growth. The COVID-19 pandemic imposed fresh challenges to the economy in the fourth quarter of FY 2019-20. Steps taken to contain its spread such as complete lockdown of the country brought economic activities to a standstill and impacted consumption and investment.

The automobile industry was hit hard in FY 2019-20 as sales fell across vehicle segments. According to data released by SIAM, in FY 2019-20, the Indian automotive industry recorded a 20.3% decline in domestic sales as compared to a 5.9% growth in FY 2018-19. The Commercial Vehicle industry in India registered a 30.0% decline in FY 2019-20 as compared to 17.1% growth in FY 2018-19, as a result of a sharp slowdown in the economy, subdued demand and higher capacity arising from the new axle load norms and the transition to BSVI. The COVID-19 pandemic has cast a long shadow over a much anticipated mild recovery in the automobile industry in FY 2020-21 post BSVI migration. With the shutdown of all non-essential services accompanied by liquidity and cash crunch, the demand for Commercial Vehicles is expected to be severely impacted in the first half of FY 2020-21 and gradually improve thereafter as the GDP growth is anticipated to pick up on the back of rural recovery, normal monsoon, overall interventions from Government of India and RBI and gradual easing of lockdowns.

To improve the economic situation, government took measures to revamp the financial sector by increasing credit outflows by the banks and Non-Banking Financial Companies (NBFC)s, reducing stress in real estate sector, liberalising foreign direct investment norms, a significant cut in the corporate tax rate, easing tax rules for foreign portfolio

investors and start-ups and speeding up resolution process under Insolvency and Bankruptcy Code, 2016. The initial efforts to provide adequate system level liquidity are reflected in the sizable net absorptions under reverse repo operations. Several other measures taken including relaxation of CRR norms, rate cuts, granting moratorium for loans, enhancing working capital financing to assist sectors and entities which are facing liquidity constraints. The government has come up with targeted measures to ease the economic pain in various sectors and announced an overall economic revival package of 20 lakh crores.

INDUSTRY STRUCTURE AND DEVELOPMENTS:

Global crude steel production in 2019 saw a growth of 3.4% over 2018 to reach 1,869.69 MnT. This increase was primarily due to the growth in steel consumption in infrastructure, manufacturing and equipment sectors. The automotive production trended down across most countries over the second half of 2019 which had an impact on the steel demand towards the end of the year. China continued to be the world's largest steel producer with increase in production by 8.3% to reach 996 MnT. China contributed 53% of the global crude steel production in 2019. While steel demand remained relatively strong, the country faced significant downside risks due to broader global uncertainty and tighter environmental regulations. In the United States, crude steel production went up to 88 months, recording an increase of 1.5% over 2018, owing to lower global automotive production and prevailing trade tensions. In Europe, crude steel production slumped to 159 MnT in 2019, recording a decrease of 4.9% over 2018. The decrease was on account of challenges faced with oversupply and trade tensions.

In 2019, India became the second largest crude steel producing country in the world, with a crude steel production of 111 MnT, an increase of 1.8% over the previous year. However, the growth rate was much lower compared to the previous year. Growth in the construction sector weakened due to falling investments in fixed asset formation. The sharp fall in private consumption led to weaker growth in automotive and consumer durables. The tighter liquidity conditions due to defaults in NBFC sector impacted credit availability. The automotive sector was also impacted by factors such as regulatory changes, rise in ownership cost and shared economy while, the capital goods sector continued to remain weak due to the decreasing output and stagnant investment in the manufacturing sector.

OPPORTUNITIES AND THREATS:

OPPORTUNITIES:

With the Global economies opening up gradually, India also needs to get back to its full capacity at the earliest to be the successful economy that it aims to be. The pandemic presents a unique opportunity for India and its industries to increase influence in the global supply chain. With a likely realignment of global supply chains, India has the skill, resources and expertise to emerge as a location of choice. The 20 trillion fiscal and monetary stimulus package for making India self-reliant is a step in the right direction.

The increased focus on strengthening the micro, small and medium enterprises (MSMEs), considered to be the backbone of the economy, assumes paramount importance. The Metals and Mining sector in India is expected to witness a major reform in the next few years, because of such reforms as Atmanirbhar Bharat, Make in India Campaign, Smart Cities, Rural Electrification and a focus on building renewable energy projects under the National Electricity Policy as well as the rise in infrastructure development. Your Company is poised to seize the opportunities in the Iron & Steel Industry (both for steel & intermediary saleable products) through its strengths of locational and logistical advantages, raw material linkages, technology edge and management expertise. These opportunities will be linked directly to the growing demand from the automobile and auto components, infrastructure, construction and power sectors. Your Company's strategic location in Nagpur offers scope for seamless value addition in its manufacturing process from hot metal to stainless steel.

THREATS:

The outbreak of COVID-19 pandemic globally and in India is causing a significant disruption and slowdown of economic activity. The lockdowns and the various restrictive measures taken to curb the spread of COVID-19 have adversely affected both the demand and supply leading to a slowdown in the economy. As a result, the IMF expects the global economy to contract sharply by 3% in 2020, in a baseline scenario, which assumes that the pandemic fades in the second half of 2020 and containment efforts can be gradually unwound.

Apart from the disruptions caused/to be caused by the COVID-19 pandemic in the near future, we do not foresee any major threat to the industry segments in which the Company operates. We have taken a number of initiatives across the organization to improve quality and reduce costs, which will aid in preserving and enhancing our margins. As we march forward with the hope of stepping into a better world post COVID-19, with the available infrastructure and strong team, the Company is all set to make its contribution in the growth of the nation.

SEGMENTWISE OR PRODUCT-WISE PERFORMANCE:

The Company operates in only one segment, i.e. iron & steel. During the financial year 2019-20, the Company achieved production of Steel product as under:

Own Unit – 18,699.185 MT (Previous Year 19,128.237 MT)
Sales (Rs.) – 9,286.87 Lacs (Previous Year 10,582.38 Lacs)
Conversion Service – 53.495 MT (Previous Year 14,529.328 MT)
Sales (Rs.) – 4.34 Lacs (Previous Year 834.25 Lacs)

OUTLOOK FOR STEEL INDUSTRY:

The COVID-19 pandemic has severely affected economies and industries globally and the steel industry is no exception. Therefore, the outlook for the steel industry includes scenarios regarding the pandemic's speed of propagation, possible recurrence, near-term impact of measures being taken to contain the outbreak and the effectiveness of the stimulus announced by the Governments of various nations.

After slower than expected growth in 2019, steel demand is estimated to contract significantly in the Financial Year 2020-21. According to the World Steel Association ('WSA'), it is possible that the impact on steel demand in relation to the expected contraction in GDP may turn out to be less severe than that seen during the erstwhile global financial crisis. In comparison with other sectors, the manufacturing sector is expected to rebound quicker, though supply chain disruptions are likely to continue.

Most of the steel producing regions are expected to witness a decline in crude steel output due to production cuts amidst ongoing lockdowns. In India, muted demand and oversupply is likely to result in suppressed steel prices and capacity utilisation in the near term. Since India depends largely on migrant labour, restarting construction and infrastructure projects will be a challenge. The demand from infrastructure, construction, and real estate sectors is likely to be subdued in the first half of the Financial Year 2020-21 due to the lockdown during the first quarter followed by the monsoons during the second quarter. Further, the demand from automobile, white goods and capital goods sectors is likely to reduce significantly with consumers deferring discretionary spends in the near term. Effective government stimulus and return of consumer confidence is likely to be the key driver for a gradual recovery over the second half of the Financial Year 2020-21.

RISK & CONCERNS:

The Company operates in an increasingly complex, volatile and uncertain business environment with stringent regulatory and environmental requirements. The Company aspires to create long term value for its stakeholders by embedding risk intelligence and building resilience within the organisation. The Company has implemented an Enterprise Risk Management ('ERM') framework to provide a holistic view of aggregated risk exposures as well as to facilitate more informed decision-making. The ERM framework includes identification of risks and risk owners for regular tracking, mitigation and reporting of risks to help the Company meet its business objectives. The Company through the ERM framework has identified key risks under various categories such as financial risks, macroeconomic and market risks, operational risks, safety risks, commodity risks, supply chain risks, information security risks, regulatory risks, climate change risks and community risks. The Company has also mapped the severity of these risks and the likely impact on the Company and has developed mitigation strategies to eliminate or minimise the impact of the risks.

The COVID-19 outbreak is an unprecedented event and has certainly posed challenges for the Company. The risk intelligent culture embedded across the Company has helped in developing and adopting a multi-pronged strategy to effectively respond to the evolving pandemic situation. Operations were aligned with the prevailing market conditions by reducing upstream operations while curtailing downstream operations. Cross functional teams worked to manage supply chain and logistics issues within the constraints imposed by the lockdown to ensure that the plant could operate as planned. The Company also focused on cash and liquidity management to face any future disruption in business conditions.

Alongside identification of risks, the Company has a continuous process of monitoring and leveraging opportunities presented by the external and internal environment. Despite the immediate challenges posed by the COVID-19 pandemic, the Company will continue to leverage opportunities provided by the near-term and long-term macro and business environment. The Company has identified various opportunities for growth and improvement and has developed strategies to leverage these opportunities. For mitigating the risk of statutory compliances, the Company has the procedure in place for monthly reporting of compliance of statutory obligations and reported to the Board of Directors in the Board meetings.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

Your Company has in place an adequate system of internal control commensurate with its size and nature of business. The system provides a reasonable assurance in respect of providing financial and operational information, complying with applicable statutes, safeguarding of assets of the Company and ensuring compliance with corporate policies. Your Company has a business planning system to set targets and parameters for operations, which are reviewed with actual performance to ensure timely initiation of corrective action, if required. Your Company has availed the services of independent professional firms for Internal Audit, which checks the effectiveness of the internal controls with an objective to provide an independent, objective and reasonable assurance of the adequacy and effectiveness of your Company's risk management, control and governance processes.

The Audit Committee seeks the views/opinions of statutory auditors on the adequacy of the internal control systems in your Company. The scope and authority of the Internal Audit activity are approved by the Audit Committee. Internal Auditor reports directly to the Audit Committee or Board. The Audit Committee periodically reviews the Internal Audit Reports and issues guidance and advice. Minutes of the Audit Committee are put up to the Board of Directors. The Company's Audit Committee review adherence to internal control systems, internal audit reports and legal compliances. This committee reviews all quarterly and yearly results of your Company and recommends the same to the Board for its approval.

DISCUSSIONS ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE.

During the fiscal year 2019-20, the Company achieved the sales turnover of Rs. 9,291.21Lacs (Own Unit Rs.9286.87Lacs (18,699.185 MT) and Conversion / Service Rs.4.34 Lacs (53.495MT) as against Rs. 11,416.63 Lacs (Own Unit Rs. 10,582.38 Lacs (19,128.237 MT) and Conversion / Service Rs.834.25 Lacs (14,529.328 MT)) during the previous year. After providing depreciation of Rs. 80.06 Lacs and Rs. 88.197 Lacs towards interest and further adjusting Rs. 121.55 Lacs for taxation (net), the Company posted a net profit after tax of Rs. 359.15 Lacs as against Rs. 677.32 Lacs during the last year. During the year, the operational performance of the Company has decreased due to slackened demand in the market. Since the Company has witnessed a contraction in the amount of manufacturing work and job work, due to steep decline of 50% in the total activity in steel-end use sectors, especially the automobile sector. Due to higher market volatility in the steel sector, the timely availability of raw material was affected. However, in FY20, as demand deteriorated sharply on the back of an abruptly slowing economy coupled with the spread of COVID-19.

KEY FINANCIAL RATIOS:

The details of changes in the key financial ratios as compared to previous years are stated below:

Ratios	2019-2020	2018-2019	Change (%)	Reason
Debtors Turnover	10.23	11.66	(12.25)	
Inventory Turnover	13.06	15.01	(12.99)	
Interest Coverage Ratio	6.45	13.46	(52.08)	The Company's turnover has decreased by 18.62%, which result in reduction of profit.
Current Ratio	3.09	2.14	44.71	The Current Ratio is improved from 2.14 to 3.09, due to decrease in the cash credit limit.
Debt Equity Ratio	0.27	0.42	(35.66)	The Debt Equity Ratio is improved from 0.42 to 0.27, due to decrease in the cash credit limit.

INDEPENDENT AUDITOR'S REPORT

**To the Members of,
Sharda Ispat Limited**

Report on the IND AS Financial Statements

Opinion

1. We have audited the accompanying IND AS Financial Statements of Sharda Ispat Limited ('the Company'), which comprise the Balance Sheet as at 31st March, 2020, the Statement of Profit and Loss (including the statement of Other Comprehensive Income), the Cash flow Statement and the Statement of Changes in Equity for the year then ended and notes to the financial statements including a summary of significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid IND AS Financial Statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs (financial position) of the Company as at 31st March, 2020, its profit (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit of the IND AS Financial statement in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the IND AS Financial statement.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the IND AS financial statements for the financial year ended March 31, 2020. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

5. We have determined the matters described below to be the key audit matters to be communicated in our report :

Key audit matter	How our audit addressed the key audit matters
<p>Valuation of Inventories (as described in note 9 of the IND AS Financial statement)</p> <p>As at March 31, 2020, inventories constitute approximately 17.04% of total assets of the company.</p> <p>Inventories are valued at lower of cost or net realizable value.</p> <p>a) Identification, completeness and correctness of direct and indirect cost in valuation of inventory is a key audit matter.</p> <p>b) Calculation of net realizable value is also a key audit matter due to significant movement in price of raw-material and finished goods.</p>	<p>Our audit procedures include the following:</p> <ul style="list-style-type: none"> - We evaluated the inventory valuation accounting policies. - We assessed the key assumption made by the management in valuing inventories. - We verified the cost of finished goods based on cost sheet prepared by the management in accordance with valuation principles prescribed under IND AS-2 "Inventory". - We have obtained from the management the market price of raw-material and finished good prevailing at year end. - We have checked whether the treatment of fixed overhead incurred during lockdown period was appropriate. - Further we have also verified the net realizable value of finished goods based on actual sales transaction incurred subsequent to reporting date and after the lock-down period

Information other than the Financial Statements and Auditor's Report thereon

6. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the IND AS financial statements and our auditor's report thereon.

Our opinion on the IND AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the IND AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the IND AS Financial Statements

7. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these IND AS Financial Statements that give a true and fair view of the state of affairs (financial position), profit and loss (financial performance including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (IND AS) prescribed under Section 133 of the Act read with relevant rules issued there under. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the IND AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
8. In preparing the IND AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
9. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

10. Our objectives are to obtain reasonable assurance about whether the IND AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these IND AS financial statements.
11. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also,
 - Identify and assess the risks of material misstatement of the IND AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the IND AS financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the IND AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

15. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.
16. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, the statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in equity and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid IND AS Financial Statements, comply with the Indian Accounting Standards specified under Section 133 of the Act read with relevant rules issued there under;
 - (e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020 from being appointed as a Director in terms of Section 164 (2) of the Act;
 - (f) We have also audited the internal financial controls over financial reporting (IFCoFR) of the Company as on 31 March 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date and our report as per "Annexure B" expressed an unmodified opinion;
 - (g) As required by Section 197(16) of the Act, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under Section 197 read with Schedule V to the Act.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in the IND AS financial statements as at March 31, 2020. Refer Note 31 to the IND AS financial statements on Contingent Liabilities;
 - ii. The company did not have any material foreseeable losses on long term contracts including derivative contracts;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2020.

“ANNEXURE A” TO THE INDEPENDENT AUDITOR’S REPORT

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - (b) The Company has a regular program of physical verification of its fixed assets under which fixed assets are verified in a phased manner over a period of three years, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
 - (c) The title deeds of immovable properties are held in the name of the company.
- (ii) (a) The management has conducted physical verification of inventory at reasonable intervals during the year, except for goods in-transit and stocks lying with third parties. For stocks lying with third parties at the year-end, written confirmations have been obtained by the management.
 - (b) The Company is maintaining proper records of inventory and material discrepancies noticed on physical verification have been properly dealt with in the books of account.
- (iii) The Company has granted loan, secured or unsecured to companies, firms or other parties covered in the register maintained under Section 189 of the Act. The term and condition of the grant of loan are not prejudicial to the company interest.
- (iv) In our opinion and according to the information and explanations given to us, the company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 in respect of loans, investment, guarantees and security.
- (v) The Company has not accepted any deposits within the meaning of Section 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under sub-section (1) of Section 148 of the Act in respect of Company’s products/ services and are of the opinion that, *prima facie*, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

(vii) (a) The Company is regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income-tax, goods and services tax, sales-tax, wealth tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, with the appropriate authorities and there is no undisputed amount payable in respect of the same which were in arrear at the year-end for a period of more than six months from the date they become payable.

(b) The dues of the Income Tax, Sales Tax, Excise Duty, Service Tax and Value added tax as on 31st March 2020 which have not been deposited on account of dispute and the forum where the disputes are pending are as under:

Sr. No.	Name of the Statute	Nature of Dues	Amount (Rs)	Forum where dispute is pending
1	Central Excise Act	Excise Duty	12,57,012	High Court, Delhi
2	Central Excise Act	Penalty	2,24,000	Commissioner of Central Excise-Indore
3	Central Excise Act	Excise Duty & Penalty	19,63,762	Jt. Comm. of Central Excise, Nagpur
4	Central Excise Act	Excise Duty and Penalty	3,74,578	Dy Commissioner of Central Excise, Division I, Nagpur
5	Income Tax Act, 1961 (A.Y.2014-15)	Income Tax	1,52,630	Commissioner of Income Tax (Appeals), Nagpur

(viii) The Company has not defaulted in repayment of dues to any bank or financial institution during the year. The Company did not have any outstanding debentures during the year.

(ix) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Accordingly the provisions of paragraph 3 (ix) of the Order is not applicable.

(x) No fraud on or by the Company has been noticed or reported during the period covered by our audit.

(xi) Based upon the audit procedures performed and the information and explanations given by the management, the managerial remuneration has been paid or provided in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V of the Companies Act.

(xii) In our opinion, the Company is not a Nidhi Company. Therefore, the provisions of clause 4 (xii) of the Order are not applicable to the Company.

(xiii) In our opinion, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 and the details have been disclosed in the Financial Statements as required by the applicable accounting standards.

(xiv) Based upon the audit procedures performed and the information and explanations given by the management, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Accordingly, the provisions of clause 3 (xiv) of the Order are not applicable to the Company and hence not commented upon.

(xv) Based upon the audit procedures performed and the information and explanations given by the management, the company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, the provisions of clause 3 (xv) of the Order are not applicable to the Company and hence not commented upon.

(xvi) In our opinion, the company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and accordingly, the provisions of clause 3 (xvi) of the Order are not applicable to the Company and hence not commented upon.

“Annexure B” to the Independent Auditor’s Report of even date on the Financial Statements of M/s Sharda Ispat Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of M/s Sharda Ispat Limited (“the Company”) as of March 31, 2020 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on , “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

Note 1. Company Overview And Significant Accounting Policies**1.1 Company Overview**

Sharda Ispat Limited is a listed public limited company domiciled in India, incorporated under the Companies Act, 1956. The Company is engaged in Manufacturing and job work of alloy steel flat / rolled products which are used in automobile component industries.

1.2 The financial statements are approved for issue by the Company's Board of Directors on 31st July, 2020.

Note 2. Basis of Preparation of Financial Statements

These financial statements are prepared in accordance with Indian Accounting Standards (IndAS) as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 (Act) read with Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

Accounting policies are applied consistently to all the periods presented in the financial statements.

Note 3: Significant Accounting Policies:**I. Revenue recognition**

The company derives revenues primarily from sale of manufactured goods, traded goods, and related services.

Effective 01 April 2018, the company has adopted Indian Accounting Standard 115 (IndAS 115) - 'Revenue from Contracts with Customers' using cumulative catch-up transition method, applied to contracts that were not completed as on transition date i.e. 01 April 2018. Accordingly, the comparative amounts of revenue and the corresponding contract assets / liabilities have not been retrospectively adjusted. The effect on adoption of IndAS 115 was insignificant.

Revenue is recognised on satisfaction of performance obligation upon transfer of control of promised products or services to customers in an amount that reflects the consideration the company expects to receive in exchange for those products or services.

The specific recognition criteria described below must also be met before revenue is recognised**A. Sale of goods**

Revenue from sale of products and services are recognised at a time on which the performance obligation is satisfied.

B. Interest and dividend:

Interest income including income arising on other instruments recognised on time proportion basis taking into account the amount outstanding and the rate applicable.

Revenue is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

C. Others:

Other revenues / incomes and costs / expenditure are accounted on accrual, as they are earned or incurred.

II. Property plant and equipment, investment property and depreciation / amortisation

A. Tangible fixed assets are stated at cost of acquisition or construction including attributable interest and finance cost, if any till the date of acquisition/installation of the assets, less accumulated depreciation/amortisation and accumulated impairment losses, if any.

B. Subsequent expenditure relating to Property, Plant and Equipment is capitalised only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the Statement of Profit and Loss as incurred. The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the Statement of Profit and Loss.

C. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013. Depreciation on additions to assets or on sale/disposal of assets is calculated on pro-rata basis.

Asset Category	Estimated useful life (in Years)
Plant and Machinery	15
Computer servers and network systems	6
Computer desktops and laptops	3
Office Equipments	5
Vehicles	8
Furniture and Fixture	10
Factory Equipment	5
Factory Building	30

The residual values, useful lives and methods of depreciation of property plant equipment are reviewed at each financial year and adjusted prospectively, if appropriate.

III. Intangible assets and amortisation

Acquired computer softwares are classified as intangible assets and are stated at cost less accumulated amortisation. These are being amortised over the estimated useful life of five years, as determined by the management.

IV. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

A. Financial Assets

i. Initial recognition

Financial assets are initial measured at amortised cost if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Impairment gains or losses arising on these assets are recognised in the Statement of Profit and Loss.

ii. Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

a) Financial Assets at Amortised Cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial Assets Measured at Fair Value

Financial assets are measured at fair value through OCI if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the Statement of Profit and Loss. Further, in cases where the Company has made an irrevocable election based on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

Financial asset not measured at amortised cost or at fair value through OCI is carried at FVTPL.

iii. De-recognition of Financial Assets:

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

B. Financial Liabilities

Financial liabilities issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability.

i Financial Liabilities

1. Initial Recognition

Financial liabilities are classified, at initial recognition, as financial liabilities at FVPL, loans and borrowings and payables as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

2. Subsequent Measurement

The measurement of financial liabilities depends on their classification, as described below:

- Financial liabilities at FVTPL

Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVTPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

- Financial liabilities at amortised cost

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in the Statement of Profit and Loss. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

3. De-recognition of Financial Liabilities

Financial liabilities are de-recognised when the obligation specified in the contract is discharged, cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

C. Offsetting Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis to realise the assets and settle the liabilities simultaneously.

V. Derecognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expires or it transfers the financial asset and the transfer qualifies for derecognition under IndAS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

VI. Impairment

a. Financial assets

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to life time ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in the statement of profit or loss.

b. Non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

Impairment losses, including impairment on inventories, are recognised in the statement of profit and loss.

i. Intangible assets and property, plant and equipment

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the CGU to which the asset belongs.

ii. Provisions

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

VII. Taxation

i. Current Tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the financial statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using rates that have been enacted or substantively enacted by the end of the reporting period.

In case the Company is liable to pay income tax u/s 115JB of Income Tax Act, 1961 (i.e. MAT), the amount of tax paid in excess of normal income tax is recognized as an asset (MAT Credit entitlement) only if there is convincing evidence for realization of such asset during the specified period. MAT credit entitlement is reviewed at each Balance Sheet date.

ii. Deferred Tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

The carrying amount of deferred tax asset is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

iii. Current and deferred tax for the year

Current and deferred tax are recognized in profit or loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

VIII. Inventories

All inventories are stated at lower of 'Cost or Net Realizable Value'.

The raw material & Stores & Spares are valued at cost. The cost includes duties & taxes other than credits availed under modvat and is arrived at on First in First out basis

IX. Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after reporting period. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

X. Trade receivable

A receivable is classified as a 'trade receivable' if it is in respect of the amount due on account of goods sold or services rendered in the normal course of business. Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the EIR method, less provision for impairment.

XI. Employee benefits**a) Defined Contribution Plan**

Contributions to defined contribution schemes such as provident fund, labour welfare fund are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. Company's provident fund contribution is made to a government administered fund and charged as an expense to the Statement of Profit and Loss. The above benefits are classified as Defined Contribution Schemes as the Company has no further obligations beyond the monthly contributions.

b) Defined Benefit Plan

The Company provides for gratuity which is a defined benefit plans the liabilities of which is determined based on valuations, as at the balance sheet date, made by an independent actuary using the projected unit credit method. Re-measurement, comprising of actuarial gains and losses, in respect of gratuity are recognised in the OCI, in the period in which they occur. Re-measurement recognised in OCI are not reclassified to the Statement of Profit and Loss in subsequent periods.

The classification of the Company's obligation into current and non-current is as per the actuarial valuation report.

c) Leave Entitlement

The company has a scheme for leave encashment for employees. The liability for which is determined on estimation basis as per rules of the company.

XII. Borrowings and Borrowing costs

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in the Statement of Profit or Loss when the liabilities are de-recognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

Interests and other borrowing costs included under finance costs calculated as per effective interest rate attributable to qualifying assets, which takes substantial period of time to get ready for its intended use are allocated as part of the cost of such assets. Such allocation is suspended during extended periods in which active development is interrupted and, no costs are allocated once all such activities are substantially complete. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. Other borrowing costs are charged to the Profit and Loss Account.

XIII. Earnings per Share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for events of bonus issue, if any.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

XIV. Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

XV. Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

XVI. Provisions, contingent liabilities and contingent assets

A provision is recognized when an enterprise has a present obligation (legal or constructive) as result of past event and it is probable that an outflow of embodying economic benefits of resources will be required to settle a reliably assessable obligation. Provisions are determined based on best estimate required to settle each obligation at each balance sheet date. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. A contingent liability also arises, in rare cases, where a liability cannot be recognised because it cannot be measured reliably.

Contingent assets are neither recognised nor disclosed in the financial statements.

XVI. Leases

With effect from 1 April 2019, the Company has applied Ind AS 116 'Leases' for all long term and material lease contracts covered by the Ind AS. The Company has adopted modified retrospective approach as stated in Ind AS 116 for all applicable leases on the date of adoption.

Measurement of Lease Liability

SHARDA ISPAT LIMITED, NAGPUR.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2020

At the time of initial recognition, the Company measures lease liability as present value of all lease payments discounted using the Company's incremental cost of borrowing and directly attributable costs. Subsequently, the lease liability is –

- 1) increased by interest on lease liability;
- 2) reduced by lease payments made; and
- 3) remeasured to reflect any reassessment or lease modifications specified in Ind AS 116 'Leases', or to reflect revised fixed lease payments.

Measurement of Right-of-use assets

At the time of initial recognition, the Company measures 'Right-of-use assets' as present value of all lease payments discounted using the Company's incremental cost of borrowing w.r.t said lease contract. Subsequently, 'Right-of-use assets' is measured using cost model i.e. at cost less any accumulated depreciation and any accumulated impairment losses adjusted for any remeasurement of the lease liability specified in Ind AS 116 'Leases'.

Depreciation on 'Right-of-use assets' is provided on straight line basis over the lease period.

The exception permitted in Ind AS 116 for low value assets and short term leases has been adopted by Company.

Note 39 - Financial Risk Management Objectives and Policies

The Company's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

1) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument which fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk. Major financial instruments affected by market risk include loans and borrowings.

a) Interest rate risk

Majority of the long-term borrowings of the Company bear fixed interest rate, thus interest rate risk is limited for the Company.

b) Foreign currency risk

The company imports certain material against Letter of Credit for which hedging instruments are not required.

c) Equity price risk

The Company's equity securities are not majorly susceptible to market price risk. However, the company's board of directors reviews and approves all equity investment decisions after taking due diligence which may affect the market related risk.

2) Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions and other financial instruments.

3) Liquidity risk

Liquidity risk is the risk that the company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial assets. The Company's principal source of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The Company believes that cash and cash equivalents is sufficient to meet its current requirements.

SHARDA ISPAT LIMITED, NAGPUR.
NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

Note 40 - Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The primary objective of the company's management is to maximise shareholders value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may issue new shares. Consistent with others in the industry, the Company monitors its capital using the gearing ratio which is total net debt (borrowings offset by cash and cash equivalents) divided by total capital of the company.

Gearing Ratio

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the borrowings that define the capital structure requirements. Breaches in meeting the financial covenants would permit the lenders to immediately call loans and borrowings.

The gearing ratio at the reporting period was as follows

Note 42

In March 2020, the World Health Organization declared COVID-19 a global pandemic. Consequent to this, Government of India declared a nation - wide lockdown from March 24, 2020, Which has impacted normal business operations of the company. The company has assessed the impact of this pandemic on its business operations and has considered all relevant internal and external information available up to the date of approval of these financial results, to determine the impact on the company's revenue from operations for foreseeable future and the recoverability and carrying value of certain assets such as property, plant and equipment, investments, inventories and trade receivables. The Impact of Covid 19 pandemic on the overall economic environment being uncertain may affect the underlying assumptions and estimates used to prepare company's financial results, which may differ from that considered as at the date of approval of these financials results. The Company has resumed its business activities and has taken steps to strengthen its liquidity position. However the Company does not anticipate any challenges in its ability to continue as going concern or meeting its financial obligations. As the situation is unprecedented, while the lockdown is gradually lifting, the company is yet closely monitoring the situation as it evolves in the future.

- (vi) Other laws applicable to the Company as per their presentations made by the Company.

I have also examined compliance with the applicable clauses of the Secretarial Standards issued by The Institute of Company Secretaries of India.

During the period under review and as per the representations and clarifications made by the management, the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above except the Company has not paid listing fee to Calcutta Stock Exchange and the Status of the Company as can be viewed on the website of Calcutta Stock Exchange is Suspended.

I further report that:

- The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors for the major part of the year. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
- Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- All Decisions at Board Meetings and Committee Meetings are carried out with requisite majority as recorded in the minutes of the meetings of the Board of Directors or Committees of the Board, as the case may be.

I further report that based on the information received and records maintained there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.
