12. Members who would like to ask any questions on the Accounts are requested to send their questions to Registered Office of the Company at least 10 days before the Annual General Meeting to enable the Company to answer the questions satisfactorily.
13. As a measure of economy, copies of Annual Report will not be distributed at the Annual General Meeting. Members are therefore requested to bring their copies at the Annual General Meeting. Members/Proxies should bring the attendance slip duly filled in and signed for attending the meeting.
12. Voting through electronic means:
 - I. In compliance with provisions of Section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014 as amended by the Companies (Management and Administration) Amendment Rules, 2015 and Clause 35B of the Listing Agreement, the Company is pleased to provide members facility to exercise their right to vote on resolutions proposed to be considered at the ensuing Annual General Meeting (AGM) by electronic means and the business may be transacted through e-Voting Services. The facility of casting the votes by the members using an electronic voting system from a place other than venue of the AGM ("remote e-voting") will be provided by National Securities Depository Limited (NSDL).
 - II. The facility for voting through polling paper shall be made available at the AGM and the members attending the meeting who have not cast their vote by remote e-voting shall be able to exercise their right at the meeting through polling paper.
 - III. The members who have cast their vote by remote e-voting prior to the AGM may also attend the AGM but shall not be entitled to cast their vote again.
 - IV. The remote e-voting period commences on 25th September, 2018 (9.00 am) and ends on 27th September, 2018 (5.00 pm). During this period members' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of 21st September, 2018 may cast their vote by remote e-voting. The remote e-voting module shall be disabled by NSDL for voting thereafter. Once the vote on a resolution is cast by

the member, the member shall not be allowed to change it subsequently.

- V. The process and manner for remote e-voting are as under:

How do I vote electronically using NSDL e-Voting system?

The way to vote electronically on NSDL e-Voting system consists of "Two Steps" which are mentioned below:

Step 1 : Log-in to NSDL e-Voting system at <https://www.evoting.nsdl.com/>

Step 2 : Cast your vote electronically on NSDL e-Voting system.

Details on Step 1 are mentioned below:

How to Log-into NSDL e-Voting website?

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholders' section.
3. A new screen will open. You will have to enter your User ID, your Password and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details are given below :

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.

1. REVIEW OF BUSINESS OPERATIONS AND FUTURE PROSPECTS

Your Directors wish to present the details of Business operations done during the year under review:

During the year there was continuous stress on liquidity due to which orders could not be executed in time. On improvement in liquidity turnover can be increased in the current year with expected growth in sale of banking automation, measuring instruments and power supplies.

I am hopeful of operational improvement during the year since the company now has a senior business consultant to advise and overview the comprehensive re-structuring the company's operations reducing the costs, revamping the marketing with focus on growth in profitable business, expanding the distributor network, strengthening MIS to improve operational efficiency etc. Results are showing remarkable improvement midway in the second quarter of 2018-19. On the other hand we are in the process of selling the unused industrial properties which will allow us to reduce the interest burden and help us create a positive cash flow.

2. ANALYSIS OF PERFORMANCE

Since your company has not been lucky so far to find customers for its unused real estate assets worth over 60 Crores. Whenever that happens we can, in one step, reduce the burden of expensive borrowed funds and get back to positive cash flow helping our potential growth. Many large public companies in the country have used this route in the past. Had your company been able to sell at least one of them, the Balance Sheet of your company would have looked different. Statutory Auditors have been strict and done their job to meet the current accounting guidelines by SEBI. Your management has given all the cooperation to them during the audit. Out of the 55 years since Aplab began its operations as a hi-tech design and manufacturing 55 years ago, for the first 48 years were of sustained growth as a highly reputed source of world class electronic products. The a long and violent worker's strike broke our back, On one hand huge losses were created during this period and no financial institution or bank will provide us the working capital. Since the banks are not lending us further loans even against our clean assets not pledged with bank, we have been focusing on increasing order booking and work using the sales proceeds. Since this was not enough, as the shareholder of the company, my family has provided unsecured loans of over 25 crores to sustain the business, serve the customers and save jobs. We are accumulating operational losses but we are somehow surviving due to cooperation from all employees and managers of the company through hardships. I wish RBI and lending institutions go deeper into the operations of manufacturing companies and understand the reasons for their sickness. If there is no misuse of lent funds and if the problems relate to shortage of funds to manufacture products, then banks should be authorised to lend project loans for industrial inputs and labour which helps the company to create wealth. Your company creates wealth that 45 -50% of its sale. This, I understand, happens in Germany which is most concerned with the loss of jobs or allowing technology companies going sick. India unfortunately does not have financial policies to help manufacturing companies to tide over transient business crisis and help them going through a rough weather since such transient crisis always happen during the life time of a productive company. Both our banks are however trying to help us but rules and procedures during the recent times is taking time. However I sincerely feel that charging penal interest to a genuine manufacturer merely adds to its indebtedness while no way protecting the lender. A high technology R&D based company like yours has another problem. The company balance sheets, as they are, fail to show the real assets such as our technological expertise of the company and our engineering talents and their special knowhow. That indeed is the foundation of our business, There is no place for this asset in the Balance Sheet. Even our highly respected and reputed Brand Name, Aplab, carries no asset value in our balance sheet. These special technological skills helps your company to replace imports for our Armed Forces. Thanks to you, all my shareholders, that the sustained Share Value of your company all through this crisis period reflects your trust. Your employees and senior managers are giving excellent co-operation, production is maximized in spite limited resources, incoming orders are very good and gross margins are also rising. Indeed, our business could have been far bigger if we had cash resources to finance material purchasing and market promotion. The

current order booking is good in spite of no advertising and having lost over 50% marketing personnel as compared to those we had in 2010-11. Any way your company is today the victim of bad times. I feel confident that these times would soon be behind us. As they say tough times don't last, tough people do. Your company is still strong and I am thankful to my shareholders for putting their faith in my management through these difficult times.

3. DIVIDEND

No Dividend is recommended for the current financial year due to loss incurred by the Company. (Previous Year – Nil)

5. MATERIAL CHANGES AND COMMITMENT IF ANY AFFECTING THE FINANCIAL POSITION OF THE COMPANY OCCURRED BETWEEN THE END OF THE FINANCIAL YEAR TO WHICH THESE FINANCIAL STATEMENTS RELATE AND THE DATE OF THE REPORT

No material changes and commitments affecting the financial position of the Company occurred between the end of the financial year to which these financial statements relate on the date of this report

6. CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO

The information pertaining to conservation of energy, technology absorption, Foreign exchange Earnings and outgo as required under Section 134 (3)(m) of the Companies Act, 2013 read with Rule 8(3) of the Companies (Accounts) Rules, 2014 is furnished in Annexure to the Directors' Report and is attached to this report.

7. STATEMENT CONCERNING DEVELOPMENT AND IMPLEMENTATION OF RISK MANAGEMENT POLICY OF THE COMPANY

Risk Management Committee is operating throughout the year to identify and evaluate elements of business risks.

8. DETAILS OF POLICY DEVELOPED AND IMPLEMENTED BY THE COMPANY ON ITS CORPORATE SOCIAL RESPONSIBILITY INITIATIVE

Due to the losses incurred presently during the year under review, Corporate Social Responsibility could not be implemented. However on improved performances, the same will be implemented.

9. PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS MADE UNDER SECTION 186 OF THE COMPANIES ACT, 2013

The particulars of Loans, Guarantees or Investments made under Section 186 is furnished in Notes to Financial Statement and is attached to this report

10. RELATED PARTY TRANSACTIONS

All transactions entered with Related Parties were on arm's

length basis and in the ordinary course of business. There were no material significant related party transactions made by the company during the year under review with Promoter/Directors or Key Managerial Personnel. All related party transactions are placed before the Audit Committee and has also been placed at the Board Meeting for approval and omnibus approval was obtained on a yearly basis for transactions which are of respective natures. The policy on related party transactions as approved by the Board has been uploaded on the website of the company. None of the Directors has any pecuniary relationship or transactions vis-à-vis the company. Hence Form AOC-2 is not annexed with the Directors' Report for the current year.

11. SALE OF COMPANY PREMISE FOR PAYMENT OF STATUTORY LIABILITIES

Your Company has entered an agreement with Shree Saptashri Developers for sale of Thane properties situated at Plot Nos. A-1, A-3, A-5 & A-6, Wagle Estate, Thane, to pay the committed and statutory liabilities. The transaction is under process and expected to complete during the current year.

12. EXPLANATION OR COMMENTS ON QUALIFICATIONS, RESERVATIONS OR ADVERSE REMARKS OR DISCLAIMERS MADE BY THE AUDITORS AND THE PRACTICING COMPANY SECRETARY IN THEIR REPORTS

There were no adverse comments, qualifications or reservations or adverse remarks by the Practicing Company Secretary in the Secretarial Audit Report. The Secretarial Audit Report in terms of Section 204 is annexed as Annexure-A to this report.

However the Statutory Auditors have made the following remarks

Basis of Qualified Opinion

- a) The Company has incurred a loss of Rs. 1,587lacs during this year. The Company has accumulated losses and its net worth has continued to remain negative during this year. The Company could not repay overdue Term Loans or matured Public Deposits or honor LCs on its due dates. The Bank has taken symbolic possession of Land & Building at Bhosari, Pune due to the default of Rs. 1,177 lacs and initiated recovery action.
- b) The Company during the year could not pay various statutory dues in time and the delay ranges between 2 to 12 months. The Unpaid Statutory Dues amounted to Rs. 257 lacs and separated employee Unpaid Gratuity / other dues are Rs. 592 lacs at the year end.

These events indicate material uncertainty that casts doubt on the Company's ability to continue as a going concern considering negative net worth, continued losses and generating adequate operational inflows. The Company is in the process of selling few of its properties to repay debts and induce funds for its operations.

In response to these comments, I must say that the Statutory Auditors have not taken into account the impact of the sale of unused assets in the determined efforts of your company to bounce back. When sale proceeds are realised, they far more than funds needs to meet the above mentioned liabilities listed by them.

13. COMPANY'S POLICY RELATING TO DIRECTORS APPOINTMENT, PAYMENT OF REMUNERATION AND DISCHARGE OF THEIR DUTIES

The Company's Policy relating to appointment of Directors, payment of Managerial remuneration, Directors' qualifications, positive attributes, independence of Directors and other related matters as provided under Section 178(3) of the Companies Act, 2013 is in process, due to absence of profit, the present Executive Director is not drawing any remuneration.

ANNEXURE - A**SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR 2017-2018**

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To
The Members,
Aplab Limited
A-5/6 Aplab House
Wagle Industrial Estate
Thane 400 604

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Aplab Limited (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March, 2018 complied with the statutory provisions listed here under and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by Aplab Limited for the financial year ended on 31st March, 2018 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) The Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') viz:-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;
 - (c) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents)

Regulations, 1993 regarding the Companies Act and dealing with client;

- (d) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015
 - (vi) and other applicable laws like - Factories Act, 1948, The Payment of Gratuity Act, 1972; Payment of Bonus Act and labour related laws.
- During the year under review the company did not attract the provisions of:-
- (a) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - (b) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;
 - (c) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - (d) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
 - (e) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998.
 - (f) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;

I have also examined compliance with the Secretarial Standards issued by The Institute of Company Secretaries of India.

During the period under review the Company has largely complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above except to the extent as mentioned below:

1. The company has delayed payment of wages; settlement of outstanding gratuity of employees who have resigned/retired from the Company and settlement of outstanding bonus due to employees.
2. The company has delayed repayment of fixed deposits to the public on maturity and treatment of unclaimed fixed deposits.

I further report that:-

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. A new director joined the Board of Directors in the month of May 2017 and an existing director resigned in the month of September 2017.

Adequate notice is given to all directors for Board and committee Meetings. Agenda and detailed notes on agenda were sent on time and a system exists for seeking and

obtaining fur the information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Board decisions are carried through majority votes while the dissenting members' views are captured and recorded as part of the minutes.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

INDEPENDENT AUDITORS' REPORT**To the Members of Aplab Limited****Report on the Financial Statements**

We have audited the accompanying Ind AS financial statements of Aplab Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2018, and the Statement of Profit and Loss (including Other Comprehensive Income), Cash Flow Statement and Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act, read with relevant Rules issued there under.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud

or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial control system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on standalone Ind AS financial statements.

Basis of Qualified Opinion

- a. The Company has incurred a loss of Rs. 1385 lakhs during this year. The Company has accumulated losses and its net worth has continued to remain negative during this year. The Company could not repay overdue Term Loans or matured Public Deposits or honor LCs on its due dates. The Bank has taken symbolic possession of Land & Building at Bhosari, Pune due to the default of Rs. 1,177 lakhs and initiated recovery action.
- b. The Company during the year could not pay various statutory dues in time and the delay ranges between 2 to 12 months. The Unpaid Statutory Dues amounted to Rs. 257 lakhs and separated employee Unpaid Gratuity / other dues are Rs. 592 lakhs at the year end.

These events indicate material uncertainty that casts doubt on the Company's ability to continue as a going concern considering negative net worth, continued losses and generating inadequate operational inflows. The Company is in the process of selling few of its properties to repay debts and induce funds for its operations.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements prepared by the Company on a going concern basis, give the information required by the Act in the manner so required, and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the state of affairs (financial position) of the Company as at 31st March, 2018 and its loss (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended that date.

Emphasis of Matter

- a. The Inventory includes Rs.1,790 lakhs which is non-moving and may include some obsolescence. There are also un-reconciled and unconfirmed stocks worth Rs. 963 lakhs. The Company has valued entire old inventory at cost instead of least of Cost or NRV. The Company claims that there is no obsolescence in electronics industry and therefore valued inventory at Cost. (Refer Note no. 10).
- b. The Receivables of Rs. 362 lakhs are overdue for more than a year and include Rs. 253 lakhs over 3 years.

These are not reconciled or confirmed by the parties. Some of these may have become doubtful or bad. However, the Company has not made identification & provision for doubtful debts in the financial statements. (Refer Note no. 10)

Other Matters

The comparative financial information of the Company for the year ended 31st March, 2017 and the transition date opening balance sheet as at 1st April, 2016 included in these standalone Ind AS financial statements, are based on the previously issued statutory financial statements prepared in accordance with the Companies (Accounting Standards) Rules, 2006.

These comparative financial information of the Company for the year ended 31st March 2017 and the transition date opening balance sheet as at 1st April, 2016 included in these standalone Ind AS financial Statements were adjusted for the differences in the Accounting principles adopted by the Company on transition to the Ind AS, which have been audited by us.

- a. In the last financial year, Company had entered into a Memorandum of Understanding to sell the main Unit at Wagle Estate, Thane for a sum of Rs. 35 crores, this was approved by the Board of Directors of the Company. (Refer Note no. 5). The Sale transaction has not been completed & Company continued to occupy the said premises. This unit has been shown as Asset held for Sale, however, full depreciation has been charged during this year as Company continued to Use these premises.
- b. The Land & Building at Bhosari, Pune have been also shown as Asset held for Sale and no depreciation has been charged as per Ind AS requirements.
- c. The Company during the year could not fully reconcile some important accounts. These are receipts from debtors Rs.457.12 lakhs, payments to creditors Rs. 242.06 lakhs, Excise, Service Tax & VAT liabilities.
- d. The Company has not funded Gratuity Policy to the extent of Rs 1,130 lakhs. In addition there are unpaid Gratuity and other dues of separated employees of Rs.592 lakhs on the Balance Sheet date and includes dues over 4years (Refer Note no. 23). No interest has been provided on these outstanding.
- e. The new ERP System introduced during FY 2015-16 is not fully established or tested for various reports and daybooks. We have relied upon the guidance given by the system providers for giving necessary effects to certain financial transactions and Interim System Accounts balances.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the order.

2. As required by section 143(3) of the Act, we report that;
- a. We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

ANNEXURE - A**ANNEXURE TO THE INDEPENDENT AUDITORS' REPORT**

(Annexure referred to in paragraph under 'Report on Other Legal and Regulatory Requirements' section of our report of even date on the accounts of **Aplab Limited** for the year ended on 31st March 2018.)

- i. (a) The Company has maintained reasonable records showing particulars including quantitative details and situation of fixed assets. This record reconciled with the Books of Account.
(b) Physical verification of items of the fixed assets was not fully conducted by the management during the year as per the programme, however, we are informed that no material discrepancies were noticed in such verification. The verification results are being reconciled with Fixed Assets Register by the Company.
(c) The Company has immovable properties of freehold and leasehold land and buildings and the original title deeds are given to the Banks as security against various loans obtained. The Company has copies of these title deeds and on examination of these copies and other documents, we observed that all the title deeds of the properties are held in the name of the Company or amalgamated subsidiary.
- ii. As explained to us, the inventory has been physically verified during the year by the Management at the various locations. In our opinion, the frequency of such verification needs to be substantially improved at regional offices. As informed to us, the discrepancies noticed in physical verification of inventory as compared to the book records were Rs. 963.45 lakhs at various locations and the Company is in the process of reconciling the same with the books of account.
- iii. According to the information and explanations given to us, the Company has not granted any loans to the parties listed in the Register maintained under Section 189 of the Companies Act, 2013. Consequently, the requirements of Clause (a) to (c) are not applicable.

Company has not repaid on due dates matured Public deposits of Rs. 333.36 Lakhs and interest Rs. 89.20 lakhs as on 31st March 2018. The Company had not maintained liquid assets against deposits during the year as per the rules.
- vi. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Accounting Records) Rules, 2011 prescribed by the Central government u/s 148 (1) of the Companies Act, 2013 and are of the opinion that prima facie the prescribed cost records have been maintained. We have, however not made a detailed examination of the Cost records with a view to determine whether they are accurate or complete.
- vii. (a) According to the records of the Company and information and explanations given to us, the Company has not been regular in depositing statutory dues including Provident Fund, Employees State Insurance, Income tax, Service Tax, Excise Duty, Value Added Tax and other statutory dues with the appropriate authorities during the year, as there are cases of delay throughout the year. Total outstanding of all these statutory dues is Rs. 256.89 lakhs on the year end date. There are undisputed statutory dues of Rs. 161.39 lakhs outstanding as of March 31, 2018 for a period of more than six months since they became payable. The Company has not transferred any amount to Investor Education and Protection Fund as on Balance Sheet date.
(b) As at the year-end, according to the records of the Company and information and explanations given to us, the following are particulars of disputed amounts on account of various Statutory Dues :-

ANNEXURE - B**ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF APLAB LIMITED****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013**

We have audited the internal financial controls over financial reporting of Aplab Limited, as of 31st March, 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertains to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as at 31st March, 2018 :

- (a) The ERP system was not fully established, tested and appropriate reports not available leading to inherent weakness to obtain and test the desired level of internal financial controls.
- (b) The Company did not have appropriate internal controls for periodic reconciliation of physical inventory with the inventory records, which may have resulted in misstatement of inventory values in the books of account.
- (c) The consumption of material for production and other purposes is not reconciled with Cost of Goods sold as appearing in the ERP System, mainly due to lack of production batch closing procedures.
- (d) The adequacy of internal financial control over Servicing and Rental of Machines Income is inadequate in terms of In Warranty & Out of Warranty / AMC billing, consumption of spares and its invoicing, follow up on renewals etc.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, the Company has, in all material respects, maintained adequate internal financial controls over financial reporting as of March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India and except for the effects / possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Company's internal financial controls over financial reporting were operating effectively as of March 31, 2018.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2018 financial statements of the Company, and these material weaknesses do not affect our opinion on the standalone financial statements of the Company.

Notes to the Standalone Financial Statements for the year ended March 31, 2018

1. Corporate information

Aplab Limited is a public limited company domiciled and incorporated in India having its registered office at Aplab House, A-5, Wagle Industrial Estate, Thane 400 604. The Company's equity shares are listed and traded on BSE Limited. The Company is engaged in the manufacturing & marketing of Professional Electronic equipment business.

2. Application of new and revised Indian Accounting Standards

All the Indian Accounting Standards issued and notified by the Ministry of Corporate Affairs under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) till the financial statements are authorized have been considered in preparing these financial statements.

2.1 Standards / Amendments issued but not yet effective

In March 2017, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) (Amendments) Rules, 2017, notifying amendments to Ind AS 7, 'Statement of cash flows' and Ind AS 102, 'Share-based payment.' These amendments are in accordance with the recent amendments made by International Accounting Standards Board (IASB) to IAS 7, 'Statement of cash flows' and IFRS 2, 'Share-based payment,' respectively. The amendments are applicable to the Company from April 1, 2017.

Amendment to Ind AS 7:

The amendment to Ind AS 7 requires the entities to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the balance sheet for liabilities arising from financing activities, to meet the disclosure requirement. The Company is evaluating the requirements of the amendment and the effect on the financial statements is being evaluated.

Amendment to Ind AS 102:

The amendment to Ind AS 102 provides specific guidance to measurement of cash-settled awards, modification of cash-settled awards and awards that include a net settlement feature in respect of withholding taxes. As the Company has not issued any stock options plans, hence this amendment will have no effect on the Company's financial statements.

3. Significant accounting Policies

3.1 Statement of Compliance

In accordance with the notification dated 16th February, 2015, issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards

(referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 with effect from April 1, 2017.

The financial statements have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015. The date of transition to Ind AS is April 1, 2016. Refer note 3.19 for details of first time adoption mandatory exceptions and optional exemptions availed by the Company. Previous period figures in the financial statements have been restated in compliance with Ind AS. Upto the year ended March 31, 2017, the Company had prepared its financial statements under the historical cost convention on accrual basis in accordance with the Generally Accepted Accounting Principles (Previous GAAP) applicable in India and the applicable Accounting Standards as prescribed under the provisions of the Companies Act, 2013 read with the Companies (Accounts) Rules, 2014. In accordance with Ind AS 101-"First Time adoption of Indian Accounting Standards" (Ind AS 101), the Company has presented a reconciliation of Shareholders' equity under Previous GAAP and Ind AS as at March 31, 2017, and April 1, 2016 and of the Profit / (Loss) after tax as per previous GAAP and Total Comprehensive Income under Ind AS for the year ended March 31, 2017.

3.2 Basis of preparation

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. The financial statements are presented in Indian Rupees and all values are rounded to the nearest rupee except otherwise stated.

Fair Value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions. The Company categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed in their measurement which are described as follows:

- (a) Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- (b) Level 2 inputs are inputs that are observable, either directly or indirectly, other than quoted prices included within level 1 for the asset or liability.
- (c) Level 3 inputs are unobservable inputs for the asset

or liability reflecting significant modifications to observable related market data or Company's assumptions about pricing by market participants.

3.3 Non-current assets held for sale

Non-current assets classified as held for sale are measured at the lower of carrying amount and fair value less costs to sell. Non-current assets are classified as held for sale if their carrying amounts will be recovered through a sale transaction rather than through continuing use. This condition is regarded as met only when the sale is highly probable and the asset is available for immediate sale in its present condition subject to terms that are usual and customary for sales of such assets. Property, plant and equipment and intangible assets are not depreciated or amortized once classified as held for sale.

3.4 Revenue Recognition

- Sales are recognized when risks and rewards (transfer of custody of goods) are passed to customers and include all statutory levies except Value Added Tax (VAT) and is net of discounts.
- Service Income resulting from achievement of milestone events stipulated in agreements is recognized when the milestone is achieved. Milestones are based on the occurrence of a substantive element specified in the contract or as a measure of substantive progress made towards completion under the contract.
- Dividend income is recognized when the right to receive the dividend is established.
- Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable (which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition).
- For non financial assets, interest income is recognized on a time proportion basis.
- Revenue from sale of scrap is recognized when risks and rewards (transfer of custody of goods) are passed to customers.
- Revenue in respect of Liquidated Damages from contractors/ suppliers is recognized when determined as not payable.
- Excise duty is presented as expense in the statement of profit and loss. Excise duty in respect of difference between closing and opening stock of excisable goods is included under "Other Expenses".

3.5 Leases

- Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.
- Leasehold lands where the ownership of the land will not

be transferred to Company at the end of lease period are classified as operating leases. Upfront operating lease payments are recognized as prepayments and amortized on a straight-line basis over the term of the lease. Leasehold lands are considered as finance lease where ownership will be transferred to the Company as at the end of lease period. Such leasehold lands are presented under property, plant and equipment and not depreciated.

3.6 Foreign currencies

The functional currency of the Company is Indian Rupees which represents the currency of the primary economic environment in which it operates. Transactions in currencies other than the Company's functional currency (foreign currencies) are recognized at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated using closing exchange rate prevailing on the last day of the reporting period. Exchange difference arising in respect of long term foreign currency monetary items is recognized in the statement of profit and loss except for the exchange difference related to long term foreign currency monetary items those were recognized as at March 31, 2016, in so far as, they relate to the acquisition of depreciable assets, are adjusted against the cost of such assets and depreciate the said adjustment, over the balance life of asset.

3.7 Borrowing Costs

Borrowing costs specifically identified to the acquisition or construction of qualifying assets is capitalized as part of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged in the statement of profit and loss.

3.8 Employee Benefits

Employee benefits include provident fund, gratuity fund, compensated absences and resettlement allowances.

3.9 Defined contribution plans

Employee benefit under defined contribution plans comprising of provident fund is recognized based on the amount of obligation of the Company to contribute to the plan. The same is paid to a Provident Fund Trust authorities and to Life Insurance Corporation of India respectively, which are expensed during the year.

Defined benefit plans

Defined retirement benefit plan of gratuity is recognized based on the present value of defined benefit obligation and is computed using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. These are accounted as current employee cost or included in cost of assets as permitted.

Net interest on the net defined liability is calculated by

applying the discount rate at the beginning of the period to the net defined benefit liability or asset and is recognized in the statement of profit and loss except those included in cost of assets as permitted. Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest as defined above), are recognized in other comprehensive income except those included in cost of assets as permitted in the period in which they occur and are not subsequently reclassified to profit or loss. The Company contributes all ascertained liabilities with respect to Gratuity to the Life Insurance Corporation of India.

Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognized during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

The cost of short-term compensated absences is accounted as under:

- (a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- (b) in case of non-accumulating compensated absences, when the absences occur.

Long-term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognized as a liability at the present value of the defined benefit obligation as at the balance sheet date less the fair value of the plan assets out of which the obligations are expected to be settled.

3.10 Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in

the Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

Deferred taxes are recognized in respect of temporary differences which originate during the tax holiday period but reverse after the tax holiday period. For this purpose, reversal of temporary difference is determined using first in first out method.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognized as deferred tax asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with asset will be realized.

Current and deferred tax for the year

Current and deferred tax are recognized in statement of profit or loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

3.11 Property, plant and equipment (PPE)

Land and buildings held for use in the production or supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses if any. Freehold land is not depreciated.

PPE in the course of construction for production, supply or administrative purposes are carried at cost, less any recognized impairment loss. The cost of an asset comprises its purchase price or its construction cost (net of applicable tax credits) and any cost directly attributable

to bring the asset into the location and condition necessary for it to be capable of operating in the manner intended by the management. It includes professional fees and borrowing costs for qualifying assets capitalized in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of PPE when completed and ready for intended use. Parts of an item of PPE having different useful lives and material value as assessed by management and subsequent capital expenditure on Property, Plant and Equipment are accounted for as separate components.

PPE are stated at cost less accumulated depreciation and accumulated impairment losses if any.

Depreciation of PPE commences when the assets are ready for their intended use.

Depreciation is provided on the cost of PPE (other than freehold land and properties under construction) less their residual values over their useful lives, using Straight Line Method, over the useful life of component of various Assets as specified in Schedule II to the Companies Act, 2013.

Depreciation on additions/deletions to PPE during the year is provided for on a pro-rata basis with reference to the date of additions/deletions except low value items not exceeding Rs. 5000/-

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets.

An item of property, plant and equipment is derecognized upon disposal, replacement or when no future economic benefits are expected to arise from the continued use of the asset.

Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in profit or loss.

3.12 Intangible assets

Intangible assets acquired separately

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortization and accumulated impairment losses. Amortization is recognized on a straight-line basis over their estimated useful lives. The estimated useful life and amortization method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses if any.

Derecognition of intangible assets

An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an

intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, and are recognized in profit or loss when the asset is derecognized.

Useful lives of intangible assets

Estimated useful lives of the intangible assets are as follows:

Sr. No.	Particulars	Useful lives (in years)
1.	Computer software	3-10
2.	Licence and franchise	2-10

3.13 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit after tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows are segregated into operating, investing and financing activities.

3.14 Inventories

Inventories are valued at lower of cost and net realizable value. Cost of inventories comprises of purchase cost and other costs incurred in bringing inventories to their present location and condition. The cost has been determined as under:

Raw material	Weighted average cost basis.
Finished products	Raw material and Conversion Cost
Stock-in-process	Raw material and Proportionate Conversion cost.
Stores and spares	Weighted average cost basis.

3.15 Provisions, Contingent Liabilities and Contingent Assets.

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Contingent assets are disclosed in the financial statements by way of notes to accounts, when an inflow of economic benefits is probable.

Contingent liabilities are disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote.

3.16 Financial instruments

Financial assets and financial liabilities are recognized when Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

3.17 Financial assets

All recognized financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

- **Cash and cash equivalents**

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

- **Financial assets at amortized cost**

Financial assets are subsequently measured at amortized cost using the effective interest method if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

- **Financial assets at fair value through other comprehensive income**

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both selling financial assets and collecting contractual cash flows, the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

- **Financial assets at fair value through profit or loss**

Financial assets are measured at fair value through profit or loss unless it is measured at amortized cost or at fair value through other comprehensive income.

- **Impairment of financial assets**

The Company assesses at each balance sheet date whether a financial asset or a group of financial assets is impaired. Ind AS109 requires expected credit losses to be measured through a loss allowance. The Company recognizes lifetime expected losses for trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to 12 month expected credit losses or at an amount equal to lifetime expected losses, if the credit risk on the financial asset has increased significantly since initial recognition.

- **Derecognition of financial assets**

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognized in the Statement of Profit and Loss.

3.18 Insurance Claims

In case of total loss of asset, on intimation to the insurer, either the carrying cost of the asset or insurance value (subject to deductible excess) whichever is lower is treated as claims recoverable from insurance company. In case insurance claim is less than the carrying cost of the asset, the difference is charged to statement of profit and loss.

In case of partial or other losses, expenditure incurred / payments made to put such assets back into use, to meet the third party or other liabilities (less deductible excess) if any, are accounted for as claims receivable from insurance company. Insurance Policy deductible excess are expensed in the year in which corresponding expenditure is incurred.

As and when claims are finally received from the insurance company, the difference, if any, between the claim receivable from insurance company and claims received is adjusted to statement of profit and loss.

All other claims and provisions are booked on the merits of each case.

3.19 First-time adoption – mandatory exceptions and optional exemptions

Overall principle

The Company has prepared the opening balance sheet as per Ind AS as of April 1, 2016 (the 'transition date') by

recognizing all assets and liabilities whose recognition is required by Ind AS, not recognizing items of assets or liabilities which are not permitted by Ind AS, by reclassifying items from previous GAAP to Ind AS as required under Ind AS, and applying Ind AS in measurement of recognized assets and liabilities. However, this principle is subject to the certain exception and certain optional exemptions availed by the Company as detailed below.

- **Derecognition of financial assets and financial liabilities**

The Company has applied the derecognition requirements of financial assets and financial liabilities prospectively for transactions occurring on or after April 1, 2016.

- **Business combinations**

The Company has elected not to apply Ind AS 103 Business Combinations retrospectively to past business combinations that occurred before the transition date of April 1, 2015.

- **Classification of debt instruments**

The Company has determined the classification of debt instruments in terms of amortized cost criteria based on the facts and circumstances that existed as of the transition date.

- **Impairment of financial assets**

The Company has applied impairment requirement of Ind AS 109 prospectively from the transition date.

- **Deemed cost for property, plant and equipment and intangible assets**

The Company has elected to continue with the carrying value of all of its property, plant and equipment and intangible assets recognized as of April 1, 2016 measured as per the Previous GAAP and use that carrying value as its deemed cost as of the transition date.

- **Non-current assets held for sale**

The Company has measured non-current assets held for sale at the lower of carrying value and fair value less cost to sell at transition date in accordance with Ind AS 105.

- **Critical Accounting Judgments, Assumptions and Key Sources of Estimation Uncertainty**

Inherent in the application of many of the accounting policies used in preparing the financial statements is the need for management to make judgments, estimates and assumptions that affect the reported amounts of assets

and liabilities, the disclosure of contingent assets and liabilities, and the reported amounts of revenues and expenses. Actual outcomes could differ from the estimates and assumptions used.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and future periods are affected.

Key source of judgments, assumptions and estimation uncertainty in the preparation of the financial statements which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are in respect of useful lives of property, plant and equipment, employee benefit obligations, provision for income tax and measurement of deferred tax assets.

4.1 Assumptions and key sources of estimation uncertainty

Information about estimates and assumptions that have the significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may differ from these estimates.

- **Useful lives of property, plant and equipment and intangible assets**

Management reviews its estimate of the useful lives of PPE and intangible assets at each reporting date, based on the future economic benefits expected to be consumed from the assets.

- **Defined benefit obligation (DBO)**

Management's estimate of the DBO is based on a number of critical underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

- **Provision for income tax**

Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

- **Recognition of deferred tax assets**

The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized. In addition, significant judgment is required in assessing the impact of any legal or economic limits or uncertainties.
