#### INDUSTRY STRUCTURE AND DEVELOPMENT

#### **BUDGET 2012-13 HIGHLIGHT ON EDUCATION SECTOR**

Union Budget for 2012-13 made almost everyone unhappy but for education sector it was a mix and match of both positive as well as negative aspects. Finance minister allocated more funds for the education sector for setting up new IIMs and IITs and exempted the school level education from service tax but at the same time service tax was increased to 12.36% from 10% which led many B-schools to hike their fee structures.

Some of the major highlights of Budget 2012-13 for education sector are as follows:

- Hike in budget allocation for education sector by 17% i.e. Rs 150 crore for establishing new IITs and IIMs in India.
- Rs 15,458 crore earmarked for higher education.
- School education to receive Rs 45,969 crore.
- The budget also allocated Rs 636215 crore to UGC (University Grants Commission) which involves the finances for deemed and central universities across India.
- A proposal was proposed for setting up 6000 schools at block level as model schools in the 12th Five Year Plan.
- A Credit Guarantee Fund was announced for maintaining better flow of credit to the students under the scheme for education loans which is being implemented by banks.
- RTE (Right to Education) SSA (Sarva Shiksha Abhiyan) was allocated a fund of Rs 25555 crore reporting a hike of 21.7% whereas a 29% hike for Rashtriya Madhyamik Shiksha Abhiyan (RMSA) raising it to Rs 3124 crore. The Rashtriya Madhyamik Shiksha Abhiyan (RMSA) was launched in March, 2009 to enhance access to quality secondary education.
- Allocation of a fund of Rs 15850 crore for ICDS (Integrated Child Development Services) scheme, reporting an increase of 58%. Allocation of a fund of Rs 11937 crore for National Program of Mid-day Meals in schools for the session 2012-13-an increase of roughly 11 percent from last year. Moreover the budget also allocated a proposal of Rs 750 crore for Rajiv Gandhi Scheme for Empowerment of Adolescent Girls, SABLA.
- Fund of Rs 1000 crore has also been allocated to National Skill development Fund (NSDF) as an initiative. Projects have been approved by National Skill Development Corporation (NSDC) through which it expects to train 6.2 crores people at the end of 10 years. Such initiatives by the NSDC will no doubt help fill the gap by training about 10 lakh workers in the next 10 years. The NSDC partners have opened 496 permanent and 2429 mobile centers in 220 districts across 24 states. More than 89,500 persons have been trained and almost 80 per cent employed. Under NSDC, 10 Sector Skill Councils have been sanctioned. Of these, 3 Skill Councils for Automobile, Security and Retail sectors have become operational.
  - In 2011-12 National Skill Development Corporation (NSDC) approved 26 new projects, thereby doubling the number of projects sanctioned since 2009 to 52, with a total funding commitment of Rs 1,205 crore. At the end of 10 years, these projects are expected to train 6.2 crore persons and augment vocational training capacity by 1.25 crore per year in the private sector.
- A new scheme titled "Himayat" was introduced in Jammu and Kashmir from 2011-12. It aims to provide skill training to one lakh youth in the next five years. The entire cost of this programme is being borne by the Centre.
- Rs 4.5 crore to give free cycles for girl students from minority communities a step aimed at checking school dropout rates.

Budget 2012-13 is a complete package for education sector which apart from providing increased funds for higher education, vocational training and skills lays emphasis on RTE Act and tax free school level education.

#### **COACHING CLASS MARKET IN INDIA 2012**

Indian education sector is considered to be recession proof primarily due to the willingness among consumers to spend on this sector. Across the board, from the upper classes to the bottom most stratum of the social hierarchy, expenditure on

education accounts for a sizable portion of family incomes. Coaching classes segment, though unorganized and unregulated, boasts of high profit margins. Due to the changing economic scenario, need for extra and supplemental education is urgently felt by both students and their parents. Known as the world of shadow of education, coaching classes have grown phenomenally in India and is only to proliferate further in future.

An analysis of the drivers explains the factors for growth of the market and includes expenditure on education, lucrative business opportunity, rise in number of students opting for foreign education, working parents with higher disposable income, Right to Education Act and infrastructural bottlenecks in formal education. As education in India is considered to be the only means towards betterment of one's social status; spending on education has never taken a hit even in times of recession. Parents indulge in spending almost an equal amount of primary school fees in coaching classes to further their kids' exposure and grooming. Owing to the absence of Government regulations, a successful coaching institute can hike program fees thus making it extremely lucrative from a business perspective. Increase in number of students opting for foreign education has also led to enhanced demand for these classes. With rising number of students looking at foreign shores for higher education, cracking entrance tests at such universities translate into rising demand for coaching institutes. Further, Right to Education Act forbids teachers of government schools from taking private tuitions which creates room for coaching institutes to capitalize upon. Another factor that has led to the growth of this sector is that of high incidence of working parents in a family. With both parents working, family income rises and increases the probability of education expenditure. Finally, the infrastructural bottlenecks in the formal education system with absence of quality teachers and proper syllabi will boost the coaching classes market. However, the sector is also facing certain challenges. Factors such as change in examination format are an impediment for this sector.

The major trends identified include online tutorial increasing base, coaching classes for beginners, coaching institutes foraying into formal education system, franchising mode of operation, introduction of package courses and increased PE activity.

The competition section offers a competitive landscape of the players by providing their financials and key financial ratios. It also provides basic information regarding the organizations. Key financial parameters constitute the financial performances of the players which are followed by business highlights. Strategic recommendations followed by appendix on key ratios comprise the concluding section of the report.

#### PROSPECT & OUTLOOK

The company is engaged in most rewarding coaching segment of the education sector. The Company is looking for more expansions in the coaching segment in the near future. The Company has also planned for entering into partnership agreements for its multibrand. Technology enabled satellite classes

#### **RISKS AND CONCERNS**

The Company is engaged in Tutoring and Coaching Segment. The coaching class market is typically fragmented and regional in nature as a big chunk, i.e. tuitions (6th-12th grades and tertiary level), is subject-based and thus highly people-driven with high dependence on a local 'brand-teacher'. However, pockets like grad and post grad test prep are more process-driven as content assumes higher relevance than teachers, and content can be standardized across centers. There are lot of local player in this sector, which leads to fragmented and unorganized sector.

#### INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

There are well-established procedures for Internal Controls for operations of the company & its subsidiaries. The finance & audit functions are well equipped with professionally experienced qualified personnel & play important roles in implementing the statutory obligations. The company has constituted Audit Committee for guidance and proper control of affairs of the company. To ensure quality of delivery, the company is now focusing mainly on satellite mode of transmission of its coaching.

#### **HUMAN RESOURCES**

Human Resources are highly valued assets at DMC Education Limited. The company seeks to attract, retain and nurture qualified and good faculty, technical & managerial talent across its operations and continues to create, sustain the environment that brings out the best in our people with emphasis on training, learning & development. It aims at career progression and fulfilling satisfactory needs. Performance is recognized and rewarded through up gradation & job enrichment, performance incentives.

#### **CORPORATE GOVERNANCE**

#### REPORT ON CORPORATE GOVERNANCE

Corporate governance is a term that refers broadly to the rules, processes, or laws by which businesses are operated, regulated, and controlled. The term can refer to internal factors defined by the officers, stockholders or constitution of a corporation, as well as to external forces such as consumer groups, clients, and government regulations. To
The Members of
DMC Education Limited
H-108, New Asiatic Building
Connaught place,
New Delhi-110001

We have examined the compliance of the conditions of Corporate Governance by DMC Education Limited for the year ended 31st March 2012 as stipulated in clause 49 of the listing agreement of the said company with the Stock Exchanges in India.

The compliance of conditions of Corporate Governance is the responsibility of the management. Our examination was limited to procedures and implementations thereof, adopted by the company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of the financial statements of the company.

In our opinion and to the best of our information and explanations given to us, we certify that the company has complied with the conditions of Corporate Governance as stipulated in the above-mentioned Listing Agreement.

We state that in respect of Investor Grievances received during the year ended 31st March 2012, no investor grievances are pending against the company for a period of exceeding one month as per the record maintained by the companies which are presented to Investor Grievance Committee.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

## **AUDITOR'S REPORT**

## To the Members, DMC EDUCATION LIMITED

We have audited the attached Balance Sheet of M/s DMC Education LIMITED, as at 31st March 2012 and also the annexed Statement of Profit and Loss for the year ended on that date. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

- 1. We conducted the audit in accordance with auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statements presentation. We believe that our audit provides a reasonable basis for our opinion.
- 2. As required by the Companies (Auditor Report) Order, 2003 as amended by the companies (Auditor's report) Amendment order, 2004, issued by the Company Law Board in terms of Section 227 (4A) of the Companies Act, 1956 we annex hereto a statement on the matters specified in paragraph 4 and 5 of the said order to the extent applicable to the Company.
- 3. Further to our comments in Annexure referred to above we report that :
- a) We have obtained all the information and explanations, which to the best of our knowledge and belief, were necessary for the purpose of our audit;
- b) In our opinion, proper books of Accounts as required by law have been kept by the Company so far as appears from the examination of books:
