INDEPENDENT AUDITOR'S REPORT

To,

The Members of IO System Limited

Report on the Ind AS Financial Statements

We have audited the accompanying Ind AS financial statements of IO System Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2018 and the statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory Information.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statement that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with Rule 7 of Companies (Accounts) Rules, 2014 and Companies (Indian Accounting Standards) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit. We have taken into account the provision of the Act, the accounting and auditing standards and matters which are required to be included in audit report under the provision of the Act and the Rules made there under and the Order issued under section 143(11) of the Act.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under section 143 (10) of the Act. Those Standards require that we comply with ethical requirement and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatements.

An audit involves performing procedures to obtain the audit evidence about the amounts and the disclosure in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements gives the information required by the Act in the manner so required and give a true and fair view in conformity

IO SYSTEM LIMITED

with the accounting principles generally accepted in India including the Ind AS, of the state of affairs of the Company as at 31st March, 2018, its loss including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF IO SYSTEM LIMITED

Report on the Internal Financial Controls under Clause (f) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

To the members of IO System Limited

We have audited the internal financial controls over financial reporting of IO System Limited ("the Company") as of March 31, 2018 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Financial Statements as at March 31, 2018**Corporate Information**

IO System limited had entered into a joint venture(JV) agreement with the General Binding Corporation (GBC), USA on 19th June, 1988 for manufacturing and selling office Automation products. The JV was terminated with mutual consent between the parties on 31st March, 2002 and now more than 74% capital of the company is held by Smart Entertainment Pvt. Ltd. except little shareholding with the public. The manufacturing activities had been discontinued since Feb., 2006 due to continued losses in the company. The company has also not done very well in its trading business as result of which, there have been no business activities in the company during the past twelve years.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**i Statement of compliance**

In accordance with the notification issued by the Ministry of Corporate Affairs, the company has adopted Indian Accounting Standards ('referred to as "Ind AS") notified under the Companies Indian Accounting Standards (Amendments) Rules, 2017.

ii Basis of preparation of financial statements

The financial statements are prepared in accordance with Division II of the Schedule III of the Companies Act, 2013 i.e. "General Instructions for preparation of financial statements of a company required to comply with Ind AS" as notified vide notification number G.S.R. 404(E) dated 06.04.2016 and Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies Indian Accounting Standards (Amendment) Rules, 2017. The financial statements are prepared under the historical cost convention, except for certain financial instruments which are measured at fair value at the end of each reporting period, as explained in the accounting policy below.

iii Use of estimates and judgements

"The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expense for the periods presented. Estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected."

iv Revenue recognition

"Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. Interest/Income/Interest revenue is recognized on a time proportion basis, taking into account the amount outstanding and the rates applicable. Interest income is included under the head "Other Income" in the statement of profit and loss."

v Changes in Accounting policies

The accounting policies adopted are consistent with those of previous financial year. The management assures that there has been no change in accounting policies as compared to that of previous year which would have any significant effect on these financials.

vi Taxes on Income

Current tax is determined and provided for on the amount of taxable income at the applicable rates for the relevant financial year. Deferred Tax Assets and Liabilities (DTA / DTL) are recognised on timing differences, being the difference between taxable income and accounting income that originate in one period and is capable of reversal in one or more subsequent periods. The DTA is recognised only to the extent that there is virtual certainty of sufficient future profits against which such DTA can be realised.

vii Financial instruments**Initial recognition and measurement**

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial

assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

Subsequent measurement

"Financial assets:

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Financial assets at fair value through other comprehensive income Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has made an irrevocable election to present in other comprehensive income subsequent changes in the fair value of equity investments not held for trading. Financial assets at fair value through profit or loss Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss. Financial liabilities All financial liabilities are subsequently recognised at amortised cost. "Derecognition " Financial assets are derecognised when the contractual rights to the cash flows from the financial asset expire, or when the financial asset and all substantial risks and rewards are transferred. A financial liability is derecognised when it is extinguished, discharged, cancelled or expires.

viii Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

ix Provisions & contingent liabilities

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation. The contingent liabilities, if any, are disclosed in the financial statements.

x Events occurring after the reporting period

Adjustments to assets and liabilities are made for events occurring after the reporting period to provide additional information materially affecting the determination of the amounts of assets or liabilities relating to conditions existing at the reporting date.

xi Earnings per equity share

Basic earnings per equity share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The Company did not have any potentially dilutive securities in any of the periods presented.

xii Cash flow statement

Cash flows are reported using indirect method, whereby profits for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

xiii Other income

Other income is comprised primarily of interest income, dividend income and income from liabilities no longer payable. Interest income is recognized using effective interest method. Dividend income is recognised when the right to receive payment is established.

xiv Fair value measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- a) In the principal market for the asset or liability, or

- b) In the absence of a principal market, in the most advantageous market for the asset or liability

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- a) Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- b) Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- c) Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

At each reporting date, the Company analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed as per the Company's accounting policies. For this analysis, the Company verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

xv Borrowing Cost

"Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use."

xvi Property, plant and equipment

"The Company has elected to continue with the carrying value for all of its property, plant & equipment, as recognised in its Indian GAAP financial statements as deemed cost at the transition date, viz., 1st July 2015. Capital work in progress, property, plant and equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost of an asset includes the purchase cost including import duties and non-refundable taxes, borrowing costs if capitalization criteria are met and any directly attributable costs of bringing an asset to the location and condition of its intended use. Subsequent expenditure related to an item of PPE is added to its carrying value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenditure related to existing assets including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss in the period during which such expenditure is incurred. Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets as per Schedule II of the Companies Act. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate."

22. Financial risk management objectives and policies

The companies activities expose it to a variety of financial risk: market risk, credit risk and liquidity risk. The company is focusing to foresee the unpredictability of financial market and seeing to minimize potential adverse effects on its financial performance.

Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings and deposits.

Company is mainly effected by Interest rate risk.

-Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the borrowing.

Credit risk

Credit risk refers to the risk of default on its obligation by the counter party resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is primarily from loans alongwith interest thereon for the year ended 31st March, 2018 and 31st March, 2017 respectively.

Credit risk on cash and cash equivalents is limited as the company has current account with bank.

Liquidity risk

The company's principal sources of liquidity are cash and cash equivalents and investments in equity instruments.

The company believes that the working capital is sufficient to meet its current requirements. Accordingly no liquidity risk is perceived

As of March 31, 2018, the Company had a working capital of Rs.(-)47,88,540/- including cash and cash equivalents of Rs.3,31,943 . As of March 31, 2017, the Company had a working capital of Rs.(-)3,01,726 including cash and cash equivalents of Rs.1,77,326 .

23 Capital management

For the purpose of the Company's capital management, capital includes issued capital and all other equity reserves attributable to the equity shareholders of the company. The primary objective of the Company when managing capital is to safeguard its ability to continue as a going concern and to maintain an optimal capital structure so as to maximise the shareholder value.

As on the date of Balance Sheet, the company has accumulated losses of Rs.(22,73,19,428/-)/-. As a result of this, the entire paid up capital of the company of Rs.1,69,00,000/- has been fully eroded, adversely affecting the 'going concern' concept of the Ind AS. Smart Entertainment Private Limited, the holding company has confirmed its intention in writing to provide financial assistance as and when any obligation either arises or falls due on the subsidiary. In view of the assurance from the holding company, the adverse affect on going concern concept has been duly taken care of and as such the financials have been prepared on going concern basis.

- 24** The company being listed on stock exchange, therefore, has complied with all the notified applicable Accounting Standards read with General Circular 15/2013 dated 13.09.2013 of the Ministry of Corporate Affairs in respect of section 133 of the Companies Act, 2013.
- 25** All notes annexed to and form integral part of the Balance Sheet and Statement of Profit & Loss Account.
- 26** In the view of limited number of employees, provision of employee benefit has not been calculated on the basis of actuarial valuation and provided for on accrual basis.
- 27** There is no prior period item, which is considered material for the purpose of disclosure in accordance with the Ind AS-8 on "Accounting Policies, changes in accounting estimates and errors.
