ANNEXURE-C MANAGEMENT DISCUSSION AND ANALYSIS:

A. Industry Structure and Development

The Company is engaged in the business of production of dye intermediates particularly in N-Methyl J. Acid, derivatives of J. Acid, Tobias Acid, Tobias Acid purified Grade & Sulpho Tobias Acid. Further the Company undertakes jobwork of various dye industries. The main raw material J.Acid is imported from China.

B. Opportunities and Threats

Due to Covid 19 pandemic, the Tourism, Hospitality & Fashion Industries have been severely impacted and the consumer spending has gone down by 80%, which adversely effected the Dye Intermediate industry which has come under head winds.

C. Segment-wise Performance

The Company has only one business segment viz dye intermediates and dyes and hence product-wise performance is not provided.

D. Outlook

The F.Y. 2021-2022 was one of the most challenging years for Dyes & Dye Intermediate Industry which is not seen in the last 25 years and following are the reasons:

1. The end product application of Dyes which Raw materials are using in Dye Intermediates is on cotton and silk. Cotton prices started increasing in the year 2021 which has increased by almost 300% dyeing & printing in the current year. In the year 2021 the cotton price was Rs.35,000/- per candy (339 kgs per candy) which has increased to the level of Rs.1,10,000/- per candy in the month of June/July 2022. Due to the above, the processing houses which does the dying and printing are not buying yarn which is manufactured from cotton. Thus, there is a severe effect in the demand of Dyes from last 6 months. Due to the backward integration, the Dye Intermediates demand is significantly dropped by 60% to 70%.
2. Due to the onset of war which was started in Feb.2022, the Oil & Gas prices have considerably shot up by 30% to 40% and due to this, Basic chemicals prices increased to 50% to 70% and some raw materials even by 100% which has never seen in last many years.
3. Due to increase of Oil & Gas prices, the countries like USA, Europe & Far-East countries facing severe inflation and due to this the demand has been dropped considerably which is never seen in this Industry.
4. Due to the high increase in the prices, the purchasing power has been reduced considerably and many economies are entering recession, while some advanced ones are already in recession. The reduction in voyage time with normalization of Covid disruptions, have also added to the inventory hike. Due to this, the buyers have stopped the purchase and as there is no demand of the end product, the Dyes & Dye Intermediate industry has completely become standstill.

At present, there are more than 200 industries of Dyes & Dye Intermediates which are totally shut down in India due to no demand of finish products and stagnation has come to effect the industry.

So, looking at the above scenario, the F.Y.2021-22 has almost gone into inflationary pressure and recession which in turn affect the revenue & profit and might likely to carry forward till second quarter of F.Y.2022-23.

E. Risk and Concerns

Since the price of our main raw material namely J. Acid is cheaper in the local & International market, the Company feels it is more viable to import rather than manufacturing at our Plant.

F. Internal Control Systems and their Adequacy

The Company has satisfactory internal control system, the adequacy of which has been mentioned in the Auditors' Report.

G. Human Resources

In the field of Human Resources, the Company has developed speedily water/air/land pollution control departments and hired qualified people for the same.

Independent Auditor's Report

To the Members of
M/s VIVID GLOBAL INDUSTRIES LIMITED

Report on the Standalone Ind AS Financial Statements

We have audited the accompanying standalone Ind AS financial statements of M/s VIVID GLOBAL INDUSTRIES LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2022, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence obtained by us, is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its Profit, total comprehensive income, its cash Flows and the changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by section 143 (3) of the Act we report, to the extent applicable that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive income, the Cash Flow Statement and Statement of changes in Equity dealt with by this Report are in agreement with the relevant books of account.
 - d. In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.
 - e. On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements;
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure “A” to the Independent Auditor’s Report

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **M/s VIVID GLOBAL INDUSTRIES LIMITED (“the Company”)** as of March 31, 2022 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness

of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and

(3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

Deferred Tax Assets / (Liabilities) to be recognised for the year	-1,474,830	845,197

The Company offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority

Considering the probability of availability of future taxable profits in the period in which tax losses expire, deferred tax assets have not been recognised in respect of unabsorbed depreciation, business losses and long term capital losses carried forward by the Company

Changes in tax rate

Where the applicable tax rate changed during the year, the adjustments to the deferred tax balances appear as another reconciling item in the reconciliation of accounting profit multiplied by tax rate to income tax expense. The associated explanations could be along the following lines:

The impact of the change in tax rate has been recognised in tax expense in profit or loss, except to the extent that it relates to items previously recognised outside profit or loss.

30 Significant Accounting Policies:

i. **Basis of Accounting:**

The financial statements are prepared under historical cost convention on an accrual basis.

ii. **Inventories**

Inventories are valued as under:

Raw Material and Packing Material	:	At cost or net realisable value, whichever is lower
Work-In-Process	:	At cost or net realisable value, whichever is lower
Finished goods	:	At cost or net realisable value, whichever is lower
Stores & spares	:	At cost
By products/Scrap	:	At Net Realisable Value
Fuel	:	At cost

Cost of Raw Material and Packing Material is determined on First in First out basis.

Cost of Finished goods and work-in-process include costs of conversion and other costs incurred in bringing the inventories to their present location and condition.

iii. **Fixed Assets and Depreciation :**

Fixed assets are stated at historical cost less accumulated depreciation.

Depreciation has been provided for by the straight line method at the rates specified in revised Schedule II of the Companies Act, 2013.

Depreciation on additions during the year is charged on pro rata basis.

The amortization of the value of the Leasehold Premises has not been provided for. The Company does not follow the procedure of amortizing its leasehold assets over the period of the lease.

Capital Subsidy has been reduced from the Cost of the Plant & Machinery. Hence the depreciation on addition to Fixed Assets made during the year has been calculated at the cost of new assets less the subsidy received.

iv. **Revenue Recognition :**

Sales are recognised when the goods are invoiced or despatched to the customers and are recorded exclusive of excise duty and net of trade discount and sales tax. Export sales are recognised on the date of Shipping bill.

Duty Drawback is accounted in the year in which it is received.

Interest Income has been recognised on the basis of the amount received from the Banks

v. **Long Term investments are valued at cost.**

vi. **Foreign currency Transactions**

Transactions in foreign currency are recorded at the exchange rate prevailing on the date of the transaction. All foreign currency assets and liabilities (except those towards fixed assets) are translated at year end exchange rate and related exchange gain/loss is recognised in Profit and Loss Account.

Adjustment in respect of liabilities incurred for acquisition of fixed assets are adjusted in the carrying amount of fixed assets.

II) The following are the observations during the course of Audit under review and brought to the notice of the members of the Company :-

- 1) Due to the complexities of business the value of the Inventory has been considered as has been verified, valued and certified by the Management
- 2) Balances of Sundry Debtors and Sundry Creditors as on 31/03/2022 are recorded at realisable value. The Management has been able to produce some confirmations of balances due from Debtors as well as the Balances Payable to the Creditors. However the value of these Debtors and Creditors for the Balance Sheet purpose has been take as certified by the Management.

Dye Intermediates equivalent	14,00,000	14,00,000

Installed capacity is as certified by the Management and not verified by the auditors. It denotes estimated production of a product, if the entire plant & machinery is operated on triple shift basis during the year and is exclusively utilised for its production. However, the plant and machinery is common for the production of various dye-intermediates and hence the installed capacity may vary depending upon the product mix adopted by the company.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

Note 32

FINANCIAL RISK MANAGEMENT

The Company's activity exposes it to market risk, liquidity risk and credit risk. Company's overall risk management focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the financial performance of the company. This note explains the sources of risk which the entity is exposed to and how the company manages the risk.

(A) Credit risk

Credit risk is the risk that the counterparty will not meet its obligations leading to a financial loss. Credit risk arises from cash and cash equivalents, financial assets carried at amortised cost and deposits with banks and financial institutions, as well as credit exposures to customers including outstanding receivables.

i. Credit risk management

Credit risk has always been managed by the company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the company grants credit terms in the normal course of business.

The company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers available reasonable and

supportive forwarding-looking information.

In general, it is presumed that credit risk has significantly increased since initial recognition if the payments are more than 30 days past due.

A default on a financial asset is when the counterparty fails to make contractual payments of when they fall due. This definition of default is determined by considering the business environment in which entity operates and other macro-economic factors.

ii. Provision for expected credit losses

The company follows ‘simplified approach’ for recognition of loss allowance on Trade receivables.

As a practical expedient, the Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analyzed.

iii. Reconciliation of loss allowance provision - Trade receivables

Particulars	Amount
Loss allowance on April 1, 2021	-
Changes in loss allowance	-
Loss allowance on March 31, 2022	-

(B) Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due. The Company consistently generated sufficient cash flows from operations to meet its financial obligations. Also, the Company has unutilized credit limits with banks.

Management monitors rolling forecasts of the company's liquidity position (comprising the undrawn borrowing facilities) and cash and cash equivalents on the basis of expected cash flows. In addition, the company's liquidity management policy involves projecting cash flows and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements.

Maturities of financial liabilities

The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. In the table below, borrowings includes both interest and principal cash flows. To the extent that interest rates are floating rate, the undiscounted amount is derived from interest rate curves at the end of the reporting period.

Contractual maturities of financial liabilities	Contractual cash flows					
	Particulars	Carrying Amount	Total	Less than 1 year	1 to 5 years	More than 5 years

Total financial liabilities	18,61,14,521	18,61,14,521	18,51,85,476	9,29,045	-

(C) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of change in market prices. Market risk comprises three types of risk: foreign currency risk, interest rate risk and other price risk such as commodity risk.

(i) Foreign currency risk

Foreign currency risk is the risk of impact related to fair value or future cash flows of an exposure in foreign currency, which fluctuate due to changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the import of goods.

The Company evaluates exchange rate exposure arising from foreign currency transactions and follows established risk management policies and standard operating procedures to mitigate the risks.

(a) The company exposure to foreign currency risk at the end of the reporting period expressed in INR lakhs, are as follows

Particulars	Amount	USD
March 31, 2022		
Trade Receivable	3,12,15,841	4,11,273.73
Trade Payable	-8,05,72,468	-10,61,555.22
Net exposure to foreign currency risk	-4,93,56,627	-6,50,281.49
March 31, 2021		
Trade Receivable	5,12,07,915	6,99,528.23
Trade Payable	-11,76,54,686	-16,07,227.60
Net exposure to foreign currency risk	-6,64,46,771	-9,07,699.37

(b) Foreign currency sensitivity

1% increase or decrease in foreign exchange rates will have the following impact on profit before tax:

Particulars	March 31, 2022		March 31, 2021	
	1% Increase	1% Decrease	1% Increase	1% Decrease
USD	-6,502.81	6,502.81	-9,076.99	9,076.99
INR	-4,93,566	4,93,566	-6,64,468	6,64,468

(ii) Interest rate risk

The Company primarily borrows funds under fixed interest rate arrangements with banks and financial institutions and therefore the Company is not exposed to interest rate risk.

(iii) Price risk

The Company is not significantly exposed to changes in the prices of commodities/equity instruments.

The management assessed that the fair value of cash and cash equivalent, trade receivables, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short term maturities of these instruments.

The fair values for loans and other non current financial assets were calculated based on cash flows discounted using a current lending rate. They are classified as level 3 fair values in the Fair value hierarchy due to the inclusion of unobservable inputs including counterparty credit risk.

The fair values of non current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

ii. Fair Value Hierarchy

This section explains the judgments and estimates made in determining the fair values of the financial instruments that are recognised and measure at fair value. To provide an indication about the reliability of the inputs used in

35th Annual Report 2021-22

determining fair value, the company has classified its financial instruments into three levels prescribed under the accounting standard. An explanation of each level follows underneath the table:

Assets and liabilities measured at fair value - recurring fair value measurement:

Particulars	March 31, 2022			Total	March 31, 2021			Total
	Fair value measurement using				Fair value measurement using			
	Quoted prices in active markets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)		Quoted prices in active markets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	
Financial Assets								
Financial Investments at FVTOCI								
Unquoted equity shares			4,07,800	4,07,800			4,07,800	4,07,800
Total Financial Assets	-	-	4,07,800	4,07,800	-	-	4,07,800	4,07,800
Financial Liabilities								
Contingent consideration			65,39,206	65,39,206			65,34,510	65,34,510
Financial guarantee			28,69,675	28,69,675			28,69,675	28,69,675
Total Financial Liabilities	-	-	94,08,881	94,08,881	-	-	94,04,185	94,04,185

Level 1 - Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2 - The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates.

Level 3 - If one or more of the significant inputs are not based on observable market data, the instrument is included in level 3.

iii. Valuation technique used to determine fair value

Specific Valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments
- the use of Breakup value/net asset value for unquoted equity instruments
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis

iv. Valuation inputs and relationships to fair value

The significant unobservable inputs used in the fair value measurement categorised within Level 3 of the fair value hierarchy together with a quantitative sensitivity analysis as at March 31, 2021 and March 31, 2022 are shown as below:

Particulars	Valuation technique
Unlisted equity securities	Net Assets / Breakup value method

v. Valuation processes

The finance department of the company includes a team that performs the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values. This team reports directly to the chief financial

officer (CFO) and the audit committee. Discussions of valuation processes and results are held between the CFO, audit committee and the valuation team regularly.

vi. Reconciliation of fair value measurement of financial assets classified as FVTOCI(Level 3):

Particulars	Unquoted equity shares
