CHAIRMAN'S LETTER TO THE SHAREHOLDERS

Dear Shareholders,

It's a great pleasure for me to greet you all on the happy occasion of this 28th Annual General Meeting of Thakkers Developers Ltd.

This AGM has a very pleasant backdrop of the Simhastha Kumbha Mela, a mega event of a religious conglomeration that takes place after every 12 years along the sacred Godavari river at Nashik. The year – long event, currently in progress, is rightly utilized by the Government- the Central as well as the State, and Nashik Municipal Corporation to give a mighty push to the whole process of its development. As a result, the city has begun to look very elegant and comfortable while an efficient road network has emerged with vastly improved connectivity in all directions.

The long-awaited connectivity of Nashik by air has also now become a tangible reality. It is expected that regular flights to and fro Mumbai and Pune will soon start from the Ozar Airport.

With impressive results being obtained in making the Godavari river and its banks pollution – free and clean. Nashik is rapidly coming up as a major centre of religious tourism. As you are aware, the city's progress on agricultural, industrial and educational fronts is already an adorable success story.

Let me assure you that we will always be in the forefront to take every advantage of the resultant vast scope for real estate development in the coming years.

The impact of the slow pace of economy, which is currently felt in every nook and corner of the world, is bound to be experienced in our country, too.

The market problem being faced presently by real estate development business as a whole, needs to be viewed from this perspective. Its effect is evident in TDL'S profit before tax in the year under report, that is, F.Y. 2014 – 15, which amounts to Rs. 1131.54 lakhs which is 98.17% of the previous year's profit.

The turn-over of the company in the year under report has, however, shown a marginal increase from Rs. 4643.24 lakhs in 2013-14 to Rs. 4676.06 lakhs in F.Y. 2014-15.

Challenging situations as in the present times come and go. To us, what is important is the invincible spirit with which we fight adversities and challenges. There have been instances, not very far behind in the past, when, we, with the undiminishing and willing support of all of you, have proved our ability to overcome such situations.

I assure you that you will see same resilience on our part to tackle with the current slow market.

In this direction, we have already started our resolute strategies foremost among which are newly launched five ambitious projects, namely, Richmond Heights and Richmond Bungalows at Pathardi Phata, Skyland Project and Thakkers Sonnet, at Gangapur Road and Thakkers Paradise at Makhmalabad Road. As a part of the same strategies, we have added a new segment of Row-Houses in the super residential Eva-Luxuria. We are getting encouraging response to all our actions.

As you know, on the occasion of completion of 50 years of Thakkers Group, in 2012, we had announced a Golden Jubilee Resolution to plant one lakh trees in and around Nashik and thereby to help the noble cause of greenery and environment. I am happy to inform you that in the current plantation season, we have a target of completing 70,000 tree plantations out of which we have so far achieved 60,000. A notable feature of our plantation mission is that we have widened its base by involving social and educational institutions, people's representatives, and, most importantly, the students in all age groups.

With the economic scenario getting tough, it is felt necessary by us to preserve our company's resources, and, therefore, like in the past two years, we have decided not to declare any dividend this year also. In view of heavy pressures of economy from all sides, this decision is expected to further strengthen our company's resources and to help our performance to a considerable extent.

You have always been with us in favorable times as well as unfavorable times. It is my bounden duty to give you a Big Thank You for your continued unqualified and unstinted support. I am sure that you will continue to support and encourage us to keep on going ahead with renewed resolve.

I am very thankful also to our Bankers as well as investors for their valuable support and co-operation. Before I conclude, I would like to inform you that as Chairman, Skill committee at Credai and President of Nashik Citizens' Forum, a major local NGO, I have taken up various skilling programmes in general industries sector as well as in real estate sector on worker to owner basis. My efforts are aimed at making Nashik a role model of Skill Development.

By the by, I am happy to inform you also that I am presently working as Director on National Skill Development Corporation and Construction Skill Development Corporation under the Ministry of Finance, Government of India.

Thank you once again !

Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

CORPORATE SOCIAL RESPONSIBILITY

SUSTAINABILITY EFFORTS BY THAKKERS GROUP

A wise man once rightly said, "We make a living by what we get. We make a life by what we give". This profound thought formed the basis of Thakkers Developers belief of working towards betterment of the society. Since inception, the company has been involved in numerous CSR activities, which helped

them bring transformation in various sects of the society. The development in Nashik as we see today is the untiring contribution of the people at Thakkers. The company left no stones unturned in holistically revamping the face of Nashik by developing various projects.

MISSION PLANTATION

In our Golden Jubilee Year, Thakkers set an example by launching 'Mission Plantation', an initiative of planting 1 lakh trees in & around Nashik. The purpose is to give back nature what it deserves and make a greener environment for one & all. And till date we have planted 55,000 trees. The concept is that

Thakkers gift one tree to each of its employee and customer who henceforth takes care of it. Right from naming the tree by his/her own name to spending time in nurturing on their birthday or any given day. With this they aim to create a sense of belongingness and bonding in-between the two.

ANNA CHATRA

At Ramkund in Nashik, where hundreds of people flock to take a holy dip, Thakkers run a program called 'Anna Chatra'. Under this they provide free food to at least 1000 devotees daily, thus contributing their bit to mankind.

SPONSORSHIPS

To encourage brilliant minds and fresh talents, the 50 year old firm sponsored various events including Nashik Marathon for NDMVP Institute, NIWEK Swimming Competition, Women Entrepreneurs Program conducted by Maharashtra Chamber of Commerce and events conducted by Engineering & Architecture colleges across Nashik.

NASHIK'S HOLISTIC DEVELOPMENT

An impressive view of the entrance of Dadasaheb Gaikwad Sabhagraha, Bhabha Nagar which hosts different Cultural Programs. Land for this cultural civic amenity was contributed by Thakkers Group

Entrance of enormous building that comprises NMC's Panchavati Divisional Office. Land for this great civic requirement was contributed by Thakkers Group.

Land at the vantage point of Gangapur Naka was contributed by Thakkers Group to raise Pramod Mahajan Garden, now a very favorites fun spot of tiny tots and their Parents.

A refreshing view of the Health and Fitness amenity which is popular as "SAMARATH JOGGING TRACK" near Aakaswani Tower, Gangapur Road. Land for this facility has been contributed by Thakkers Group.

A spacious Vegetable Market has been constructed by NMC on the northern bank of Godavari in Panchavati area of Nashik with a view to providing clean and convenient place for vegetable market. Land for this facility has been contributed by Thakkers Group.

Rajmata Jijau Taran Talav is very popular among health conscious men, women and children of Nashik. Land for this facility was contributed to NMC by Thakkers Group.
