# DIRECTORS' REPORT

Your Directors have pleasure in presenting the Annual Report for the year ended 31 March 2016.

## Financial Review

The Company achieved the following results over the past three years :

	(₹)		
	2013-14	2014-15	2015-16
Net Sales	1,012,697,496	792,893,686	620,268,715
EBIDTA	945,836,453	687,216,394	476,101,134
EBIDTA / Net Sales	93%	87%	77%

Total Reserves and Surplus of the Company have increased from ₹ 2,639,208,773 to ₹ 2,669,821,290 as on 31 March 2016. During the year under review, an amount of ₹ 100,000,000 transferred to General Reserves and ₹ 623,000 transferred to Site Restoration Fund.

## Review of Operations

The Company continued its operations in a smooth and efficient manner and the Company achieved overall increases in production volumes from its oilfields during the year. However, due to the continued significant decline in oil prices, the overall profitability of the Company was lower than in the previous year.

The drilling campaign continued in 2015-16, although at a lower pace keeping NPV and RoE requirements in mind for new investments. The assessment of the complex geology formation of our oil and gas fields was also carried out during the year and significant progress was made with respect to Bakrol and Karjisan fields. The Technical operation and production challenges were being constantly evaluated with various service providers across the globe.

Overall cash flows from operations remained healthy and the Company increased its Net Current Assets properties in comparison with the previous year.

Please also refer to the Management Discussion and Analysis section of the Annual Report for further clarification regarding Company's operations and policies.

## Final Dividend

The Directors are pleased to inform that in the financial year 2015-16, the Board of Directors have declared an interim dividend of 50%, i.e. ₹ 5/- per share, which shall be declared as final dividend for the year 2015-16 subject to approval by the shareholders of the Company in the forthcoming AGM.

## Transfer to IEPF

During the year, in accordance with the provisions of section 205C of the Companies Act, 1956 an amount of ₹ 659,585 and ₹ 729,681 being Unclaimed Dividend for the financial year 2007-08 and 2008-09 respectively were transferred to the Investor Education and Protection Fund established by the Central Government.

## Number of Meetings of the Board

There were seven Board Meetings held during the financial year 2015-16. Details of the same forms part of the Corporate Governance Report.

## Declaration of Independence by Directors

Declaration given by Independent Directors meeting the criteria of Independence as provided in sub-section (6) of Section 149 of the Companies Act, 2013 is received and taken on record.

## Directors Responsibility Statement

In accordance with the provisions of Section 134(5) of the Companies Act, 2013, the Board of Directors do hereby confirm that in the preparation of the Annual Accounts, the applicable Accounting Standards have been duly complied with, and the Directors have selected the necessary accounting policies and applied them consistently. Judgments / estimates have been made that are evenhanded and prudent, so as to give an accurate and rational view of the affairs of the Company at the end of the financial year and of the profit or loss of the Company for that period. The Directors have also taken ample care for the maintenance of adequate accounting records in conformity with the provisions of Companies Act, 2013, for upkeep of the assets of the Company and for preventing and detecting fraud and other irregularities, and that the Directors have prepared the annual accounts on a going concern basis. The Directors have laid down internal financial controls to be followed by the Company and such Internal financial controls are adequate and operating effectively. And lastly, the Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and such systems were adequate and operating effectively.

## Policy on Directors' Appointment and Remuneration

Considering the requirement of skill set on the Board, eminent people having an independent standing in their respective field/profession and who can effectively contribute to Company's business and Policy decisions are considered by Nomination and Remuneration Committee for appointment as Independent Director on the Board. The Committee considers ethical standards of integrity, qualification, expertise and experience of the person for appointment as Director and is not disqualified under Companies Act, 2013 and rules made thereunder and accordingly recommend to the Board his/her appointment.

Remuneration to Whole-Time Director is governed under the relevant provisions of Companies Act, 2013 and rules made thereunder. Independent/ Non-Executive Directors excluding Promoter Directors are paid sitting fees for attending the meetings of the Board/Committees thereof.

The Nomination and Remuneration Committee recommends the remuneration of Directors and Key Managerial Personnel, which is approved by the Board of Directors, subject to approval of shareholders where necessary. The level and composition of Remuneration so determined shall be reasonable and sufficient to attract, retain and motivate Directors and Senior Management to run the Company. The objective and broad framework of the Remuneration Policy is to consider and determine the remuneration, based on the fundamental principles of payment for performance, for potential and for growth. The Board considers the Nomination and Remuneration Committee's recommendation and takes appropriate decision.

## Contracts/Arrangements with Related Parties

All the related party transactions are entered on arm's length basis in the ordinary course of business and are in compliance with the applicable provisions of the Companies Act, 2013 and the Listing Regulations. There are no materially significant related party transactions made by the Company with Promoters, Directors or KMP etc. which may have

potential conflict with the interest of the Company at large which warrants the approval of shareholders. # MANAGEMENT DISCUSSION AND ANALYSIS

## 1. Industry Structure and Developments

The Oil and gas industry is passing through a difficult period at the present time, with great concern for the level of risk companies can undertake in trying to achieve their business plans. The Company is taking effective steps to improve operational efficiency to maintain the earnings. The Company is in the process of executing elaborate plans for the development of its oil and gas fields. Efforts are made in terms of enhancement of production from existing pay zones, workover of existing wells and drilling of new wells.

The Industry is expecting significant changes with new oil and gas policies introduced by the Government which will lead to easy approval processes and easy implementation of business plans. The Government has been reviewing its E&P Policy from time to time for intensifying exploration activities and investments therein.

During the year, there has been a steep fall in global crude oil prices thus adversely affecting the exploration and drilling activities world over. Numerous trends are driving the market and the fall in oil prices has not yet recovered. This has significantly impacted the profits of the Company. The issue of revenue loss is being constantly monitored for its bearing on the future plans of the Company and for purposes of ongoing cost containment.

## 2. Outlook

Production Sharing Contracts (PSCs) with the Government of India were signed by SELAN in 1995 for Bakrol, Indrora and Lohar oilfields. Further, the Company was also awarded Contracts for the Karjisan Gasfield and the Ognaj Oilfield with the Ministry of Petroleum and Natural Gas (MoPNG) in 2004.

The Company has received certain environmental and drilling approvals during the year. However, the approvals are now valid only for the fiscal year in which they are received, irrespective of how late in the fiscal year they are received. As such, the process is ongoing and unpredictable.

The Company has laid down diverse growth and expansion plans for its oil and gas fields; which shall lead to higher production of crude oil / gas. The Company plans to implement newer technologies along with the supervision and direction of experienced professionals for its planned growth and success.

The Company is actively pursuing various reservoir engineering and production engineering technologies across the globe in an effort to find the most appropriate completions for the new wells being drilled. These can add to the production / life cycle of the wells and help the Company in achieving its volume growth objectives in the coming years.

## 3. Segment-wise Performance

Currently, the Company operates in only one Business Segment that is Production of Crude Oil and Natural Gas.

## 4. Operations and Financial Review

The operations and financial review is covered in the Directors' Report and is to be read as a part of this report itself.

## 5. Risks and Concerns

### (i) Business Risks

Fluctuations in oil prices creates uncertainty in deciding future plans for the Company and in the minds of the investing public. Prolonged volatility will adversely affect all companies in the industry.

Oil sector is a high yielding sector that involves equally high risks. Data acquired for seismic evaluation of oilfields & reservoir modeling involves interpretation by latest software technology and advanced equipment which is capital intensive in nature and, therefore, prone to obsolescence alongwith uncertainty in results.

The Drilling Activities are carried out using advanced drilling rigs and ancillary rig equipments. Further, necessary safety and security measures have to be employed prior to any drilling activity.

However, the basic environmental & natural risks cannot be completely overlooked and therefore drilling activity poses an enormous challenge. The ebb and flow in international oil prices as well as in the dollar value of the rupee is another factor which adds to the unpredictability of profits in this industry.

### (ii) Project Constraints

There are various project constraints which add on to the risk factors of the Company. Drilling rigs and associated oilfield services have been a major problem in the region where the Company operates. With the limited number of service providers available, the Company is required to tie-up with oilfield services suppliers as much as a year in advance in order to execute its scheduled drilling programmes.

Complying with international tendering procedures, import from abroad of long lead items and lining up of rig and allied services represents a challenging time line.

Another area of concern is the delay in land acquisitions, which affects the various development and production activities to be implemented.

Any unanticipated delays in receiving timely clearances from MoEF and in mobilizing the drilling rig and associated oilfield service is a potential project constraint for the Company.

### (iii) Financial, Legal and Contractual Risks

SELAN carries minimum financial risk. Currently, the Company has a policy of using debt financing only for short term requirements besides using its own accumulated reserves.

## 6. Opportunities and Threats

The growth of the Company is subject to opportunities and threats as are applicable from time to time. The Industry is expecting significant changes with the new Hydrocarbon Exploration and Licensing Policy introduced by the Government. The Government is making serious efforts in order to enhance domestic oil and gas production, bring substantial investment, enhance transparency and reduce administrative discretion. This will promote the government's initiative 'Ease of Doing Business'. The Oil and gas Industry represents one of the most important and complex industry segments in the market and is ready to meet the nation's future energy needs aided with the support of Government. New methods and new sources of oil and gas are driving productivity in the Oil and gas industry. Despite the risks, there is still a very real demand for energy and this sector fills part of that demand.

## 7. Internal Control Systems and their Adequacy

Regular Internal audits and checks are carried out to provide assurance that adequate systems are in place and that the responsibilities at various levels are discharged effectively. These systems are designed to ensure that all assets of the Company are safeguarded and protected against any loss and that all transactions are properly authorized, recorded and reported. We have dedicated Internal Auditors who make sure that transactions taking place under due authority / power are received and reported in a prudent manner. These systems are reviewed by the Audit Committee in its quarterly meetings and suggestions are given to strengthen and regularly improve their application, keeping in view the dynamic business environment. Internal and external audits are conducted on a regular basis to ensure transparency and statutory compliance.

## 8. Human Resources Development / Industrial Relations

SELAN believes that the quality of its employees is the key to success. The Company deeply appreciates the spirit and commitment of its employees and takes full pride in acknowledging its efficient, dedicated and hardworking team which has led to optimum business returns for the Company. It has a simple hierarchy system, due to which the decision making process becomes quicker and simpler, mitigating the losses due to lengthy and time-consuming decision making processes. Our Company believes that it is the quality and dynamism of its Human Resource that will enable it to make a significant contribution in creating enlarged societal value. The Company has a total strength of 28 employees as on 31 March 2016.

The Company continues to set a fine record of industrial harmony with positive outcomes of effective performance. For now, and hopefully in the future, the Company foresees no major internal or external developments in this area which shall adversely affect the business of the Company.

## 9. Disclosure of Accounting Treatment

The Company has followed the Accounting Standards issued by the Institute of Chartered Accountants of India (ICAI) in preparation of its Financial Statements.

# CORPORATE GOVERNANCE

## 1. SELAN's philosophy on Code of Governance

We believe that good Corporate Governance emerges from the application of the best and sound management practices and compliance with the laws coupled with adherence to highest standards of transparency and business ethics. It is SELAN's belief that good ethics make good business sense and our business practices are in keeping with this spirit of maintaining the highest level of ethical standards. The Company has in place processes and systems where by the Company complies with the requirements of Corporate Governance under the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

# INDEPENDENT AUDITORS' REPORT

To the Members of Selan Exploration Technology Limited

## Report on the Financial Statements

We have audited the accompanying financial statements of SELAN EXPLORATION TECHNOLOGY LIMITED ("the Company"), which comprise the Balance Sheet as at 31 March 2016, the Statement of Profit & Loss and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

## Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (the "Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

## Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting principles used and the reasonableness of the accounting estimates made by the company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

## Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give

the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2016, and its profit and its cash flows for the year ended on that date.

## Report on Other Legal and Regulatory Requirements

- 1 As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Government of India in terms of sub-section (11) of section 143 of the Act, and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in "Annexure A" a statement on the matters specified in the paragraphs 3 and 4 of the said Order.
- 2 As required by section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c) The Balance Sheet, the Statement of Profit and Loss and the Cash flow statement dealt with by this report are in agreement with the books of account;
  - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - e) On the basis of written representations received from the directors as on 31 March 2016 and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2016 from being appointed as a director in terms of section 164(2) of the Act.
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our knowledge and information and according to the explanations given to us and such checks as we considered necessary:
    - i. The Company does not have any pending litigation which would impact its financial position.
    - ii. There no long-term contracts including derivative contracts, requiring provision for material foreseeable losses, under the applicable law or accounting standards.
    - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company

We have audited the internal financial controls over financial reporting of the Company as of 31 March 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

# NOTES ON ACCOUNTS FOR THE YEAR ENDED 31 MARCH 2016

## 1. Significant Accounting Policies

### 1.01 Basis of preparation of financial statements :

The financial statements are prepared under historical cost convention, on accrual basis and in accordance with the generally accepted accounting principle (GAAP) in India and comply with the accounting standards specified under section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 (the 2013 Act).

### 1.02 Use of Estimates :

The preparation of financial statements requires management to make certain estimates and assumptions that affect the amount reported in the financial statements and notes thereto. Differences between actual results and estimates are recognised in the period in which they materialise.

### 1.03 Revenue recognition :

Income on sale of crude oil and gas is accounted for net of VAT and recognised when the risk & rewards are transferred to the buyer's representative. Interest income is recognised on time proportion basis.

### 1.04 Fixed Assets and Depreciation :

- a) Fixed Assets are shown at cost less accumulated Depreciation.
- b) Depreciation is provided as per Schedule II to the Companies Act, 2013, on straight line method on the basis of useful life of the assets specified therein.
- c) Intangible assets comprising software are amortised on straight line basis, over estimated useful life of three years.

### 1.05 Valuation of inventories :

- a) Crude oil : Valued at cost or net realisable value whichever is lower. Cost is calculated on absorption cost method.
- b) Component, stores, spares and consumables (including items related to hydrocarbon properties): at cost (on FIFO basis) or net realizable value, whichever is lower.

### 1.06 Foreign currency transactions :

- a) Foreign currency transactions are recorded at the exchange rates prevailing on the date of transaction.
- b) In terms of Production Sharing Contracts (PSCs) with Government of India, selling price of crude oil per barrel is to be determined FOB delivery point at the prevailing international market rates in US Dollars. However payment is receivable in Indian Rupees at the US Dollar / Rupee conversion rate prevailing at the time of payment.
- c) The PSC permits sale of gas to domestic users. Sale of Gas is based on rupee denominated rate as per contractual agreements.
- d) The accounts receivable and payable are restated at the rates prevailing on the balance sheet date and the resultant exchange difference is recognised in the Statement of Profit & Loss.

### 1.07 Development of Hydrocarbon Properties

Considering the nature of the oil industry and that Accounting Standard AS-26 being not applicable to Oil Industry, it is considered appropriate to show the development expenses of oil fields under "Development of Hydrocarbon Properties" as a separate item. Development of Hydrocarbon Properties includes the cost incurred on the collection of seismic data, drilling of wells, reservoir modelling costs and other related expenditures. Till 31.03.2014 these expenses were being amortised over a period not exceeding the remaining period of the contract. In the case of oil fields at Bakrol, Indrora and Lohar, the original contract period ends in 2020, while in the case of Karjisan and Ognaj, the contract ends in 2030 and 2033, respectively. Under the Production Sharing Contract (PSC), the Government has the power to extend the contract for a period not exceeding 5 years and management is of the opinion that there is a reasonable likelihood of this extension. In the circumstance, effective from the financial year 2014-15, the amortisation of expenses

has been extended by 5 years, especially keeping in view that the investments made in recent years for drilling of new wells are expected to continue to result in oil and gas production significantly beyond the original contract period.

### 1.08 Employee Benefits :

The Company makes regular contributions to duly constituted funds set up for Provident Fund and Family Pension Fund. In respect of accruing liability for gratuity, the employees have been covered under the Group Gratuity Scheme of Life Insurance Corporation of India. There is no prescribed rule for encashment of leave by employees. Provision for gratuity and leave encashment liability is made on the basis of actuarial valuation carried out as at the Balance Sheet date.

### 1.09 Leases :

The Company has not entered into any financial lease. Hire charges for equipment and rental for premises are treated as operating lease and charged to revenue.

### 1.10 Deferred Tax :

Provision is made for deferred tax for all timing differences arising between taxable income and accounting income at currently enacted or substantially enacted tax rates. Deferred tax assets are recognized, only if there is reasonable / virtual certainty that they will be realized and are reviewed for the appropriateness of their respective carrying values at each Balance Sheet date.

### 1.11 Minimum Alternate Tax (MAT) :

Minimum Alternate Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in the Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the Statement of Profit and Loss and shown as MAT credit entitlement. The Company reviews the same at each Balance Sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal Income Tax during the specified period.

### 1.12 Impairment of Assets :

At each balance sheet date, the Company assesses whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount. If the carrying amount of the asset exceeds its recoverable amounts, an impairment loss is recognized in the statement of profit and loss to the extent the carrying amount exceeds the recoverable amount. There is no impairment loss during the year.

### 1.13 Provisions and contingencies :

The Company creates a provision when there is a present obligation as result of past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation. A disclosure of contingent liability is made when there is a possible obligation or a present obligation that will probably not require outflow of resources or where a reliable estimate of the obligation cannot be made.

### 1.14 Site Restoration :

Estimated future liability relating to dismantling and abandoning producing well sites and facilities is charged to revenue in proportion of Production to Reserve and the same is funded by investment in earmarked funds (Bank FDRs).
