In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31,2022 and its profit/loss, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Auditors Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting **SHREEE RAJIV LOCHAN OIL EXTRACTION LIMITED, RAIPUR (C.G.)**, (“The Company”) as of 31st March, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SIGNIFICANT ACCOUNTING POLICIES AND NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE CURRENT REPORTING PERIOD ENDED ON 31ST MARCH, 2022.

1. CORPORATE INFORMATION

Shree Rajiv Lochan Oil Extraction Limited., (The Company) is a Limited Company incorporated under the Companies Act having CIN No. L15143CT1994PLC005981.

2. SIGNIFICANT ACCOUNTING POLICIES

2.1 STATEMENT OF COMPLIANCE

In accordance with the notification issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (referred to as “Ind AS”) notified under Companies (Indian Accounting Standards) Rules, 2015 with effect from 1st April, 2017. Previous periods have been restated to Ind AS. In accordance with Ind AS 101 First-time Adoption of Indian Accounting Standards, the Company has presented a reconciliation from the presentation of financial statements under Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 (“Previous GAAPs”) to Ind AS of shareholders’ equity as at March 31, 2022 and April 1, 2021 and of the comprehensive net income for the year ended March 31, 2022.

These financial statements have been prepared in accordance with Ind AS as notified under the Companies (Indian Accounting Standards) Rules, 2015 read with Section 133 of the Companies Act, 2013

2.2 BASIS OF PREPARATION

The financial statements have been prepared in accordance with Indian Accounting Standard (Ind AS) on the historical cost basis, except for certain financial instrument which is measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Ind AS are prescribed under section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.

2.3 USE OF ESTIMATES

The preparation of financial statements in conformity with recognition and measurement principles of Ind AS requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the reported amounts of income and expense for the periods presented.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and future periods are affected.

IMPAIRMENT OF INVESTMENTS:

The Company reviews its carrying value of investments carried at amortized cost annually, or more frequently when there is indication for impairment. If the recoverable amount is less than the carrying amount, the impairment loss is accounted for.

PROPERTY, PLANT and EQUIPMENT :

Property, Plant and Equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful life and residual values of property, plant and equipment of the Company are determined by the Management at the time the asset is acquired and reviewed periodically at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

VALUATION OF DEFERRED TAX ASSET:

The Company reviews the carrying amount of deferred tax assets at the end of each reporting period. The policy for the same has been explained.

PROVISIONS AND CONTINGENT LIABILITIES:

A provision is recognized when the Company has a present obligation due to past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits and compensated absences) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimate.

2.4 REVENUE RECOGNITION

Revenue is recognized to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured when significant risks and rewards of ownership of the goods have been transferred.

Revenue is reported net of discounts and indirect taxes.

2.5 COST RECOGNITION

Costs and expenses are recognized when incurred and have been classified according to their nature. The costs of the Company are broadly categorized in employee benefit expenses, depreciation and amortization and other operating expenses. Employee benefit expenses include employee compensation, allowances paid, contribution to various funds and staff welfare expenses. Other operating expenses mainly include fees to external consultants, cost of running its facilities, travel expenses and other expenses.

2.6 INCOME TAXES

Income Tax expense comprises current tax expenses and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognized in statement of profit and loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity, respectively.

CURRENT INCOME TAX

The current income tax expense includes income taxes payable by the Company. The current tax payable by the Company in India is Indian income tax payable on worldwide income. Advance taxes and provisions for current income taxes are presented in the Balance Sheet after off-setting advance tax paid and income tax provision.

DEFERRED INCOME TAXES

Deferred income tax is recognized using the Balance Sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset and liability that is not a business combination and affects neither accounting nor taxable profit or loss at the time of recognition.

2.7 FINANCIAL INSTRUMENTS

Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

Cash and Cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

Financial assets at fair value through profit or loss

Financial assets are measured at fair value through profit or loss. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit and loss are immediately recognized in profit or loss.

Financial Liabilities

Financial liabilities are measured at amortized cost using the effective interest method.

Property, Plant and Equipment

Property, plant and equipment are stated at cost, less accumulated depreciation (other than freehold land) and impairment loss, if any.

Depreciation is provided for property, plant and equipment so as to expense the cost over their estimates useful lives based on Schedule II. The estimated useful lives and residual value are reviewed at the end of each reporting period, with the effect of any change in estimate accounted for on a prospective basis.

Depreciation has been provided by Written Down Value method and the rates on which the depreciation is provided on each asset are disclosed in note no. 4.

Depreciation is not recorded on capital work-in-progress until construction and installation is complete and the asset is ready for its intended use.

2.8 VALUATION OF INVENTORIES

Company has valued stocks at "Lower of Cost or Net Realizable Value" as prescribed under Indian Accounting Standard – 2 on "Inventories".

2.9 EARNING PER SHARE

Basic Earnings Per Share are calculated by dividing the Net Profit or Loss for the period attributable to Equity Shareholders by the Weighted Average number of Equity Shares outstanding during the period. The Company did not have any potentially dilutive securities in any of the years presented.

2.10 EMPLOYEES BENEFITS

All employees' benefits payable wholly within twelve months of rendering the service are classified as staff welfare and they are recognized in the period in which the employee renders the related service. The Company recognizes the undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered as a liability (accrued expense) after deducting any amount already paid.

The Company's Liability in respect of accumulated leave salary is provided for in the Profit and Loss Account based on actual un-encashed leave liability if any determined at the end of the year.

3. EXPLANATION OF TRANSITION TO IND AS

MANAGEMENT DISCUSSION & ANALYSIS REPORT

The management of your Company is pleased to present the discussions and analysis on the industry structure, developments, future outlook and operating and financial performance.

I. INDUSTRY STRUCTURE AND DEVELOPMENT**a) Industry Scenario:**

The per capita consumption of vegetable oil is relatively low in India leaving a scope for market expansion consistent with high disposal income in future. Keeping in view the rising input costs on account of imports, various measures are being taken by the Government to step up the domestic oil seed production and moderate import duties with a view to ensure adequate availability and price stability, taking into account the equitable view towards various stakeholders such as domestic farmers, industry, consumers etc.

b) Industry outlook:

The industry is in the process of consolidation with the large domestic and multinational entities having strong business capabilities, efficiencies in logistics, operations in strategic locations and strong consumer focus and seeking opportunities to expand the growing market share.

c) Risks and Concerns:

Your company's business is exposed to price fluctuations on its major raw materials with bulk of them being agro based and subject to market price variations during the year. Prices of these commodities continue to be linked to both domestic and international prices, which depend on the various external factors like good monsoon in the country, import/exports, international crop size etc. The setting up of commodity exchange and introduction of commodity futures and other hedge strategies in the country has opened up reasonable opportunities for the industry to hedge and manage the impact of these price fluctuations.

d) Risks and Concerns:

Strength: We believe that the factors which contribute to our strength are our ability to adapt to ever changing environment, maintaining continuous growth, creating new market opportunities, efficient leadership qualities and maintaining good customer relationship.

Threats: Important factors that could make a difference to the company's operations which include economic conditions affecting demands/ supply and price conditions in the domestic markets in which the Company operates, changes in government regulations, tax laws and other statutes and other incidental factors.

e) Segment-wise or product-wise performance

Due to continued sluggish market and other unfavorable conditions the operations of the Company continued to be closed.

II. ANALYSIS & DISCUSSION OF FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

Due to continued sluggish market and other unfavorable conditions the operations of the Company has continued to be closed during the year too. However, the management is considering various options available for restarting of the business activities of the Company, once the conditions become feasible.

III. INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

Monthly information system is backbone of our internal control system. Roles and responsibilities for all managerial positions have been clearly defined. All operating parameters are closely monitored and controlled. The management also regularly reviews the operational efficiencies, utilization of fiscal resources, and compliance with laws so as to ensure optimum utilization of resources and achieve better efficiencies.

IV. MATERIAL DEVELOPMENTS IN HUMAN RESOURCES/INDUSTRIAL RELATIONS FRONT

The employees are basically its human resource assets. They have played significant role in growth of the Company and enabled Company to deliver superior performance during the year. The Company has initiated several steps for overall development, training and welfare of its human resource asset and progress is monitored on regular basis. Employee relations have continued to remain cordial during the year under review. However, since the operations have been closed, the management has kept the minimum staff required for the time being, keeping in view the fact that the strategic work of the Company remains to be unaffected.

V. CAUTIONARY STATEMENT

Statements in the Management Discussion and Analysis describing the company's objectives, projections, estimates, expectations may be "forward-looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the company's operations include economic conditions affecting demands/supply and price conditions in the domestic markets in which the company operates; changes in the Government regulations, tax laws and other statutes and other incidental factors.
