DIVIDEND

In view of the losses incurred during the year under review, your Directors do not recommend any dividend on the Equity Shares.

OPERATIONS REVIEW

The operational activities at the plant of the Company could not be resumed for operations owing to certain regulatory clearances still required and the feasibility assessment of the product profile.

The company is in the process of developing APIs (Active Pharmaceutical Ingredients) in various therapeutic segments which will be commercialized at its Solapur site in future. The company would approach the State FDA Authorities for relevant licenses and permissions for manufacturing the new APIs. The company continues to hold a valid Establishment Inspection Report issued by the United States Food & Drug Administration (USFDA).

The Company continues to operate only in one segment i.e. pharmaceuticals and there is no change in the nature of business of the Company.

The COVID-19 pandemic has disrupted the global economy creating unprecedented challenges; economic activity in India too was almost at a standstill due to the nationwide lockdown from end-March 2020. However, as stated above there were no operational activity during the year hence there is no major impact on the operations of the Company.

For The Financial Year Ended 31st March, 2020

[Pursuant to section 204(1) of the Companies Act, 2013 and rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

Avon Lifesciences Limited

Ground Floor, D.No. 8-2-684 /J/8/A,

Bhavani Nagar Road No.12, Banjara Hills,

Hyderabad 500034.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Avon Lifesciences Limited** (hereinafter called the “**Company**”). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing my opinion thereon.

Based on my verification of the Company’s books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2020 (**‘Audit Period’**) complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the **Avon Lifesciences Limited (the “Company”)** for the financial year ended on 31st March, 2020 according to the provisions of:

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

GLOBAL PHARMACEUTICAL MARKET

The global Active Pharmaceutical Ingredients (API) market is expected to register a CAGR of 7.17 % in the forecast period of 2019-2026. This rise in the market can be attributed to increased occurrence of chronic diseases, technology advances in API manufacturing and increasing generic significance. API are substance or combination of substances used in a finished pharmaceutical product with pharmacological activity. The expenditure on research & development, favorable government initiatives, and high technological advancements makes North America the dominant market in the forecast period.

With an increasing population growth, globally The need for health services and pharmaceutical drugs are on a rise. The global pharmaceutical market is expected to grow to a whopping \$1.12 trillion by 2022. At present, APIs contribute to 13.7% of the global pharma market and the API market expected to grow in size to \$186 billion. India is the world's second largest API market after the US. Only 7% of total API manufacturing is carried out by established players. There is a disproportionate dependence on imports for APIs to the tune of 84%, of which ~60% is from China. But, globally the compliance requirements of APIs are rising and non-compliant/substandard imports and products are facing strong clamp downs.

The new risk emerged in the form of the COVID -19 crisis starting from China and spreading across the world. Restriction on movement of people, goods and services, and containment measures such as factory closures resulted in a simultaneous demand-cum-supply shock to all the countries gripped by the virus. Due to rising concerns over global growth, central banks across the globe cut interest rates to shore up their economies. This resulted in World Bank cutting its CY2020 global growth forecast to a decrease by 5.2%. However, World Bank expects that during CY2021 the global economy will grow by 4.2% assuming pandemic fades in the second half of 2020 and economic activity normalises with the help of policy support.

Rising Demand for Generic Drugs

Increased occurrence of chronic diseases and generic drugs are boosting the growth of the market.

The demand to produce quality medicines at lower and affordable costs creates a scenario, where the needs for generic drugs increase. The rise in the demand for generic drugs is expected to be one of the major drivers for the API market.

The API and intermediates market is segmented into North America, Europe, Asia Pacific, Latin America, and Middle East & Africa. Asia Pacific leads the drug intermediate market owing to rising pharmaceutical and life sciences industry in the region especially in emerging markets in countries such as India and China. Europe is the second leading market for drug intermediates due to development and expansion of more efficient and advanced technologies. The Asia Pacific drug intermediate market is also anticipated to expand at an increasing rate owing to increasing healthcare spending, adoption of western lifestyle, and growth in research and development. Asia Pacific is the fastest growing region for the drug intermediate market as several players have invested in the development and manufacturing of drug intermediates. These factors are expected to drive the market growth of drug intermediates during the forecast period.

India: Overview, trends and prospects

The Indian pharma sector is the third-largest in the world. It manufactures almost 60 per cent of the vaccines used globally, including important ones, such as those against diphtheria, tetanus, and pertussis required by the World Health Organisation (WHO). Furthermore, the country meets 90 per cent of the global demand for the vaccine against measles.

The COVID-19 pandemic has disrupted supply chains across the world. Every sector, including pharma, is suffering from supply chains coming to a grinding halt. Prices of raw materials have shot up amid limited supply, production schedules have been interrupted, factories have been shut down and shipping costs are sky-high in most countries. The impact on the Indian pharma sector is typically evident, given that most raw materials are procured from China, the epicentre of the outbreak.

With China losing credibility on account of not disclosing information on the virus or the severity of the outbreak on time and thereby contributing to its development into a pandemic, government leaders and businesses are looking at other alternative low-cost nations to source supplies. India could directly benefit from this. The country has a robust pharma sector, with proven expertise in drug manufacturing and treatment. This got further highlighted when the country quickly ramped up production of Hydroxychloroquine, a key drug used in the fight against the virus.

Although India depends on China to meet its bulk drug requirement, steps taken by the Indian government to incentivise the production of APIs and KSMs under the 'Make in India' programme will help in reducing this dependence. The promotion of bulk drug parks under this initiative would help India become self-sufficient in drug manufacturing, from KSMs to generic formulations. The COVID-19 pandemic is changing the world order and power structure, compelling leaders across the globe to revisit their business and growth strategies. With its deep expertise in the manufacture of drugs, highly skilled scientists, and low-cost manufacturing, India definitely stands to gain from such a restructuring.

RISKS AND CONCERNS

All businesses are subject to certain element of risks, internal as well as external. The internal risks are controllable risks and Kobo attempts to identify such risks and formulate actions to mitigate the effect of such risks. The external risks like change in government policies etc are not within the control of the Company. Particularly the global as well as the Indian Pharmaceutical industry continues to be regulated by various regulatory agencies. Stringent regulatory norms, delay in obtaining regulatory approvals for key products, patent litigations, currency fluctuations, pricing guidelines in the domestic market are certain risks that can affect the Company's business.

Emerging markets are increasingly pivotal in the growth of the pharmaceutical industry. Pharmaceutical companies operating in these markets, whether global or domestic players, are exposed to market-specific social risks that affect public health and may also pose material financial risks.

FINANCE

The company is developing APIs (Active Pharmaceutical Ingredients) in various therapeutic segments which will be commercialized at its Solapur site in future. The company would approach the State FDA Authorities for relevant licenses and permissions for manufacturing the new APIs. The company continues to hold a valid Establishment Inspection Report issued by the United States Food & Drug Administration (USFDA).

INTERNAL AUDIT AND CONTROL

Avon believes that sound internal control systems are necessary prerequisite to good governance. The management is committed to ensuring an effective internal control environment, commensurate with the size and complexity of the business, which provides assurance on the efficiency of the Company's operations and the security of its assets.

Kobo's internal control systems and procedures are designed to enable the reliable reporting of financial statements, reporting timely feedback on the achievement of operational or strategic goals and ensure compliance with laws and regulations. In addition to the statutory audit, the financial and operating controls of the Company are reviewed by internal auditors who report significant findings to the Audit Committee of the Board. Compliance with various laws and regulations are also monitored.

HUMAN RESOURCE DEVELOPMENT AND INDUSTRIAL RELATIONS

Kobo's HR function is aligned with the overall growth vision of the Company and continuously works on areas such as recruitment and selection policies, disciplinary procedures, reward/recognition policies, learning and development policies and all round employee development. Kobo provides a safe and rewarding environment that attracts and retains a talented team and where employees are engaged in delivering results to the customers and investors.

Harmonious relations continued to prevail throughout the year.

CAUTIONARY STATEMENT

Statements in the Management Discussion and Analysis describing the Company's objectives, projections, estimate, expectations may be "forward looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include, among others, economic conditions affecting demand/supply and price conditions in the domestic and overseas markets in which the Company operates, changes in the Government regulations, tax laws and other statutes and incidental factors.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF AVON LIFESCIENCES LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **AVON LIFESCIENCES LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss, and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy

and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in

(i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit

matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure A**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. There are Pending litigation on the Company however there is no material effect in the Balance Sheet;
 - ii. The provisions as required under the applicable law or accounting standards for material foreseeable losses if any on the long term contracts including derivative contracts are not applicable to the company.
 - iii. There has been no such requirement for transferring amounts, required to be transferred the Investor Education and Protection Fund transfer by the company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of AVON LIFESCIENCES LIMITED of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of AVON LIFESCIENCES LIMITED (“the Company”) as of March 31, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to financial statements for the year ended 31/03/2020

Note 1 Significant Accounting policies for the year ended 31.03.2020

1 Basis of Preparation of Financial Statements

The Ind AS financial statements of the company have been prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis, the provision of the Companies Act, 2013 (to the extent notified) and guideline issued by Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under section 133 of the Act read with rule 3 of the companies (Indian Accounting standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment rules, 2016.

The accounting policies adopted in the preparation of Ind AS financial statement are consistent with those of previous year.

2 Use of Estimates

The preparation of the financial statements in conformity with Ind As requires management to make estimates, judgements and assumptions. These estimates, judgements and assumptions effect the application of the accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenditure during the period . Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding these estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

3 Revenue Recognition

1. Domestic sales are accounted for on dispatch of goods to customers.
2. Export sales are accounted for on the basis of dates of Bill of Lading

4 Property, plant and equipment

Fixed assets (excluding Freehold Land) are stated at cost of acquisition less accumulated depreciation/ amortization and accumulated impairment losses if any. Freehold Land is carried at historical cost. Cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for its intended use.

Capital Work-in-progress comprises of the cost of fixed assets that are not yet ready for their intended use at the reporting date. Capital Work-in-Progress is carried at cost, comprising direct cost, related incidental expenses and interest on borrowing to the extent attributed to them.

5 Impairment of Assets

An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value An impairment loss is charged to the profit & loss account as and when an asset is identified as impaired

6 Investments

Investments are stated at cost.

7 Foreign Currency

Functional Currency

The Functional currency of the company is the Indian Rupee. The financial statements are presented in Indian Rupees.

- 1 Transactions denominated in foreign currencies are recorded at spot rates / average rates.
- 2 Monetary items denominated in foreign currencies at the year end are restated at year end rates.
- 3 Non monetary foreign currency items are carried at cost.

8 Employee Benefits

Contribution to defined schemes such as Provident Fund are charged as incurred on accrual basis.

9 Cash and Cash Equivalents

Cash and cash equivalents comprise cash and cash on deposit with banks.

10 Inventories

Raw materials, Stores, Consumables and Packing Materials, Goods- in-Process and finished goods

1. Raw Materials, Stores, Consumables, Packing materials and other materials: at cost on Moving average basis
2. Work in process is carried at cost of input RM and estimated cost of manufacturing upto the stage of completion.
3. Finished Goods: At realizable value or cost whichever is lower.

11 Interest Income

Interest income on term deposits is recognised on the time proportion basis using effective interest rate method

12 Provisions and contingent liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognised but are disclosed in the notes to the accounts. Contingent Assets are neither recognised nor disclosed in the financial statements.

13 R & D Expenditure

Expenditure for capital items are debited to respective fixed assets and depreciation at applicable rates. Revenue expenditure is charged to Profit and Loss account.

14 Earnings Per Share

The basic and diluted earnings per share is calculated by dividing the profit / (loss) after tax by the weighted average number of equity shares outstanding

15 Other Notes
