Our endeavour to walk an extra mileage by providing our customers with alternate solutions, customized ideas has resulted in expanding our business horizons and proximity to the entertainment of people.

OVERALL REVIEW OF COMPANY:**OPPORTUNITIES, THREAT, RISKS AND CONCERNS:**

The Indian Media and Entertainment industry is growing consistently and is expected to do so also in future. Quality of Services and innovative ideas will improve the market by putting attraction for international media companies also. Television segment is expected to lead industry growth and offer immense growth opportunities in digital technologies also. Rapidly growing young population is one of

the major positive factors for growth of Media Industry. However, higher penetration into the market threatens the company for cut through competition. In India, the ratio of advertising expenditure to GDP is less than 0.5%. This is substantially lower in comparison to the developed economies as well as other developing economies. Interestingly, Print and TV media contribute over 75% of the advertisement spend in a year. As the Indian economy continues to develop and the media reach increases, the advertising expenditure to GDP ratio is expected to increase over the next 5 years.

FUTURE OUTLOOK:

The year ahead promises to be a time of exciting change as new trends and technologies drive innovation, disruption, and opportunities for growth in media and entertainment. Many social media companies are entering the video content broadcasting space. Modern consumers are active on social media and watch a good deal of short-form content on their smartphones. Social networks are marrying these two experiences by pushing their members to tune in to their own short-form videos as well as TV-like programming. In addition, social networks are starting to bid for live sports, entertainment, and original series. One other burgeoning trend bears watching in 2022—especially for entertainment companies: eSports. This new phenomenon—multiplayer video-game competitions, sometimes involving professional players—is filling arenas and boosting bottom lines for game publishers and marketers. The global esports market reached a value of US\$ 1.18 Billion in 2021. Looking forward, IMARC Group expects the market to reach US\$ 3.86 Billion by 2027, exhibiting at a CAGR of 22.4% during 2022-2027. INDEPENDENT AUDITORS' REPORT

To
The Members of Madhuveer Com 18 Network Limited,

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of **Madhuveer Com18 Network Limited** ("the Company"), which comprise the Balance Sheet as at 31 March 2022, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (herein after referred to as "Standalone Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current year. These matters, were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the Standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the state of affairs, profit and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material

misstatement, whether due to fraud or error.

In preparing the Standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are responsible for overseeing the Company's financial reporting process. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company’s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Ind AS financial statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditors’ report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Madhuveer Com18 Network Limited ("the Company") as of 31 March 2022 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to

company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

MADHUVEER COM18 NETWORKS LIMITED

CIN: L93000GJ1995PLC026244

Significant Accounting Policies

CORPORATE INFORMATION:

MADHUVEER COM 18 NETWORK LIMITED ("the Company") was incorporated on 07/06/1995 as a Public company in India. The financial statements are prepared as per IND AS prescribed under the companies act, 2013. The company is primarily engaged in the main business of event management.

STATEMENT OF COMPLIANCE:

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

The financial statements up to year ended 31st March 2022 were prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

1.1 Basis of preparation and presentation

The Ind AS Financial Statements have been prepared on a going concern basis using historical cost convention and on an accrual method of accounting, except for certain financial assets and liabilities, including derivative financial instruments which have been measured at fair value as described below.

1.2 Functional and presentation currency

The financial statements are presented in Indian Rupees, the currency of the primary economic environment in which the Company operates.

1.3 Use of Estimates

The preparation of financial statements are in conformity with the recognition and measurement principles of Ind AS which requires management to make critical judgments, estimates and assumptions that affect the reporting of assets, liabilities, income and expenditure.

Estimates and underlying assumptions are reviewed on an ongoing basis and any revisions to the estimates are recognised in the period in which the estimates are revised and future periods are affected.

Key source of estimation of uncertainty at the date of financial statements, which may cause material adjustment to the carrying amount of assets and liabilities within the next financial year, is in respect of:

- Useful lives of property, plant and equipment (refer note no. 2.1)
- Valuation of deferred tax assets (refer note no. 2.8)
- Valuation of inventories (refer note no. 2.3)
- Provisions & contingent liabilities (refer note no. 2.6)

2 SIGNIFICANT ACCOUNTING POLICIES

2.1 Property, plant and equipment

Tangible Assets:

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and any accumulated impairment losses. The cost of fixed assets comprises of its purchase price, non-refundable taxes & levies, freight and other incidental expenses related to the acquisition and installation of the respective assets. Borrowing cost attributable to financing of acquisition or construction of the qualifying fixed assets is capitalized to respective assets when the time taken to put the assets to use is substantial.

MADHUVeer COM18 NETWORKS LIMITED

CIN: L93000GJ1995PLC026244

Significant Accounting Policies

When major items of property, plant and equipment have different useful lives, they are accounted for as separate items of property, plant and equipment. The cost of replacement of any property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefit associated with the item will flow to the Company and its cost can be measured reliably.

The Estimated Useful Lives of assets are in accordance with the Schedule II of the Companies Act, 2013.
Building (Permanent structure) | 30 years (1)

2.2 Financial Instruments

2.2.1 Cash and cash equivalents

Cash and cash equivalents consists of cash on hand, short demand deposits and highly liquid investments, that are readily convertible into known amounts of cash and which are subject to an insignificant risk of change in value. Short term means investments with original maturities / holding period of three months or less from the date of investments. Bank overdrafts that are repayable on demand and form an integral part of the Company's cash management are included as a component of cash and cash equivalent for the purpose of statement of cash flow.

2.2.2 Trade Receivables

Trade receivables are amounts due from customers for sale of goods or services performed in the ordinary course of business. Trade receivables are initially recognized at its transaction price which is considered to be its fair value and are classified as current assets as it is expected to be received within the normal operating cycle of the business.

2.2.3 Borrowings

Borrowings are initially recorded at fair value and subsequently measured at amortized costs using effective interest method. Transaction costs are charged to statement of profit and loss as financial expenses over the term of borrowing.

2.2.4 Trade payables

Trade payables are amounts due to vendors for purchase of goods or services acquired in the ordinary course of business and are classified as current liabilities to the extent it is expected to be paid within the normal operating cycle of the business.

2.2.5 Other financial assets and liabilities

Other non-derivative financial instruments are initially recognized at fair value and subsequently measured at amortized costs using the effective interest method.

Borrowings are initially recorded at fair value and subsequently measured at amortized costs using effective interest method. Transaction costs are charged to statement of profit and loss as financial expenses over the term of borrowing.

2.2.4 Trade payables

Trade payables are amounts due to vendors for purchase of goods or services acquired in the ordinary course of business and are classified as current liabilities to the extent it is expected to be paid within the normal operating cycle of the business.

2.4 Impairment of Assets

Financial assets

At each balance sheet date, the Company assesses whether a financial asset is to be impaired. Ind AS 109 requires expected credit losses to be measured through loss allowance. The Company measures the loss allowance for financial assets at an amount equal to lifetime expected credit losses if the credit risk on that financial asset has increased significantly since initial recognition. If the credit risk on a financial asset has not increased significantly since initial recognition, the Company measures the loss allowance for financial assets at an amount equal to 12-month expected credit losses. The Company uses both forward-looking and historical information to determine whether a significant increase in credit risk has occurred.

Non-financial assets

Tangible and intangible assets

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognized in the statement of profit and loss to such extent.

2.5 Employee Benefit

Short term employee benefits

Short term benefits payable before twelve months after the end of the reporting period in which the employees have rendered service are accounted as expense in statement of profit and loss.

Long term employee benefits

Defined Contribution Plan

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions for provident fund and pension as per the provisions of the Provident Fund Act, 1952 to the government. The Company's contribution is recognised as an expense in the Profit and Loss Statement during the period in which the employee renders the related service. The company's obligation is limited to the amounts contributed by it.

Compensated absences and earned leaves

The company offers a short term benefit in the form of encashment of unavailed accumulated compensated absence above certain limit for all of its employees and same is being provided for in the books at actual cost.

2.6 Provisions, contingent liabilities and contingent assets

Contingent liability :

A possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company are disclosed as contingent liability and not provided for. Such liability is not disclosed if the possibility of outflow of resources is remote.

Significant Accounting Policies

Contingent assets :

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent assets are not recognised and disclosed only when an inflow of economic benefits is probable.

Provisions :

A provision is recognized when as a result of a past event, the Company has a present obligation whether legal or constructive that can be estimated reliably and it is probable that an outflow of economic benefits will be required to settle the obligation. If the obligation is expected to be settled more than 12 months after the end of reporting date or has no definite settlement date, the provision is recorded as non-current liabilities after giving effect for time value of money, if material. Where discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

2.7 Revenue Recognition

a) Revenue from the sale of goods is recognised when significant risks and rewards in respect of ownership of the goods are transferred to the customer, as per the terms of the order. The company has shown separately in the expenses as the revenues from the operations are stated at gross amount as per the Requirement of Ind AS 18 "Revenue". Further, the amounts collected on behalf of third parties such as government authorities for VAT, Service Tax and GST are excluded from the revenue since the same do not result in increase in Equity.

b) Interest Income is recognised on time proportion basis.

2.8 Income taxes

Income tax expense comprises current and deferred tax expense. Income tax expenses are recognized in statement of profit and loss, except when they relate to items recognized in other comprehensive income or directly in equity, in which case, income tax expenses are also recognized in other comprehensive income or directly in equity respectively.

Current tax is the tax payable on the taxable profit for the year, using tax rates enacted or substantively enacted by the end of reporting period by the governing taxation laws, and any adjustment to tax payable in respect of previous periods. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred taxes arising from deductible and taxable temporary differences between the tax base of assets and liabilities and their carrying amount in the financial statements are recognized using substantively enacted tax rates and laws expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled.

Deferred tax asset are recognized only to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences can be utilized. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax assets to be utilized.

2.9 Earnings Per Share

- a) Basic earnings per share are calculated by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.
- b) For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares, if any.

2.10 Borrowing cost

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of these assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in statement of profit and loss in the period in which they are incurred.

2.11 Segment Reporting

The company has only one preliminary reportable segment i.e. commission income hence there is no separate reportable segments as required in Ind AS 108 issued by ICAI.

2.12 Depreciation

Depreciation on tangible fixed assets is provided using the Straight Line Method based on the useful life of the assets as estimated by the management and is charged to the Statement of Profit and Loss as per the requirement of Schedule II of the Companies Act, 2013. In case of additions or deletions during the year, depreciation is computed from the month in which such assets are put to use and up to previous month of sale or disposal, as the case may be.

INDEPENDENT AUDITOR'S REPORT

**To,
The Members of Madhuveer Com 18 Networks Limited,**

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated financial statements of Madhuveer Com 18 Networks Limited ("the Company") and its subsidiaries together referred as ("the Group") ,which comprises the Balance Sheet as at March 31, 2022, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated statement of cash flows for the year ended on that date, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated financial statements of the current period. These matters were addressed in the context of our audit of the Consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Management's Responsibility for the Consolidated financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Consolidated financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind As and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application

of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Ind as financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to

influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Ind As financial statements, including the disclosures, and whether the Consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all

relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

The Consolidated financial statements also include the Group share of net profit of Rs 16.61 lacs for the year ended 31st March, 2022, as considered in the consolidated Ind As financial statements, in respect of one subsidiary i.e. Sakshi Barter Private Limited, whose financial information have not been audited by us. These financial information have been certified by the management and our opinion on the consolidated Ind As financial statements, in so far as it relates to the amounts and disclosures included in respect of the associate and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, insofar as it relates to the aforesaid associate, is based solely on the report of the other management.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow statement, change in equity Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid Consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on March 31, 2022, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022, from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial control with reference to financial statement of the Holding Company and its Subsidiary Companies incorporated in India and the operating effectiveness of such control, refer to our separate report in “**Annexure - A**”.

2. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has not any pending litigations as on 31st March, 2022 on its financial position in its consolidated financial statements – Refer Note 25 to the consolidated financial statements.
 - ii. The Company did not have any long term contracts including derivative contract for which there were any material foreseeable losses.
 - iii. There were no amounts which are required to be transferred, to the Investor Education and Protection Fund by the Company.
3. With respect to the matter to be included in the Auditor's Report under section 197(16) of the Act:
- In our opinion and according to the information and explanation given to us, the remuneration paid during the current year by the Holding company and its subsidiary companies, wherever applicable, to its directors is in accordance with the provision of section 197 of the companies act, 2013. The Remuneration paid to any director by the Holding company and its subsidiary companies is not in excess of the limits laid down under section 197 of the Act.

ANNEXURE - A TO THE AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Madhuveer Com 18 Network Limited ("the Company") as at March 31, 2022 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both

applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

CORPORATE INFORMATION:

MADHUVEER COM 18 NETWORK LIMITED ("the Company") was incorporated on 07/06/1995 as a Public company in India. The Consolidated financial statements are prepared as per IND AS prescribed under the companies act, 2013. The company is primarily engaged in the main business of event management.

STATEMENT OF COMPLIANCE:

The Consolidated financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

1.1 Basis of preparation and presentation

The Ind AS Financial Statements have been prepared on a going concern basis using historical cost convention and on an accrual method of accounting, except for certain financial assets and liabilities, including derivative financial instruments which have been measured at fair value as described below.

1.2 Functional and presentation currency

The financial statements are presented in Indian Rupees, the currency of the primary economic environment in which the Company operates.

1.3 Use of Estimates

The preparation of financial statements are in conformity with the recognition and measurement principles of Ind AS which requires management to make critical judgments, estimates and assumptions that affect the reporting of assets, liabilities, income and expenditure.

Estimates and underlying assumptions are reviewed on an ongoing basis and any revisions to the estimates are recognised in the period in which the estimates are revised and future periods are affected.

Key source of estimation of uncertainty at the date of financial statements, which may cause material adjustment

to the carrying amount of assets and liabilities within the next financial year, is in respect of:

- Useful lives of property, plant and equipment (refer note no. 2.1)
- Valuation of deferred tax assets (refer note no. 2.8)
- Valuation of inventories (refer note no. 2.3)
- Provisions & contingent liabilities (refer note no. 2.6)

2 SIGNIFICANT ACCOUNTING POLICIES

Basis of preparation and presentation

The consolidated financial statement complies in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act and rules thereunder.

Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- certain financial assets and liabilities (including derivative instruments) measured at fair value
- defined benefit plans – plan assets measured at fair value

Principles of consolidation and equity accounting

Subsidiaries

Subsidiaries are all entities (including structured entities) over which the company has control. The company controls an entity when the company is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the group. They are deconsolidated from the date that control ceases.

The acquisition method of accounting under Ind AS is used to account for business combinations by the Group from the date of transition to Ind AS i.e. April 1, 2015. Prior to the date of transition to Ind AS, business acquisition has been accounted based on previous GAAP.

The group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that group member's financial statements in preparing the consolidated financial statements to ensure conformity with the group's accounting policies.

Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet respectively.

Associates

Associates are all entities over which the company has significant influence but not control or joint control. Investments in associates are accounted for using the equity method of accounting, after initially being recognized at cost.

Joint arrangements

Under Ind AS 111 Joint Arrangements, investments in joint arrangements are classified as either joint operations or joint ventures. The classification depends on the contractual rights and obligations of each investor, rather than the legal structure of the joint arrangement. Interests in joint ventures are accounted for using the equity method, after initially being recognized at cost in the consolidated balance sheet.

MADHUVEER COM18 NETWORKS LIMITED

CIN: L93000GJ1995PLC026244

Significant Accounting Policies

Equity method

Under the equity method of accounting, the investments are initially recognized at cost and adjusted thereafter to recognise the group's share of the post-acquisition profits or losses of the investee in profit and loss, and the company's share of other comprehensive income of the investee in other comprehensive income. Dividends received or receivable from associates and joint ventures are recognized as a reduction in the carrying amount of the investment.

When the group's share of losses in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the company does not recognise further losses, unless it has incurred obligations or made payments on behalf of the other entity.

Unrealised gains on transactions between the group and its associates and joint ventures are eliminated to the extent of the group's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees have been changed where necessary to ensure consistency with the policies adopted by the group.

The carrying amount of equity accounted investments are tested for impairment in accordance with the policy.

Changes in ownership interests

The group treats transactions with non-controlling interests that do not result in a loss of control as transactions with equity owners of the group. A change in ownership interest results in an adjustment between the carrying amounts of the controlling and non-controlling interests to reflect their relative interests in the subsidiary. Any difference between the amount of the adjustment to non-controlling interests and any consideration paid or received is recognized within equity.

When the company ceases to consolidate or equity account for an investment because of a loss of control, joint control or significant influence, any retained interest in the entity is remeasured to its fair value with the change in carrying amount recognized in profit or loss. This fair value becomes the initial carrying amount for the purposes of subsequently accounting for the retained interest as an associate, joint venture or financial asset. In addition, any amounts previously recognized in other comprehensive income in respect of that entity are accounted for as if the company had directly disposed of the related assets or liabilities. This may mean that amounts previously recognized in other comprehensive income are reclassified to profit or loss.

If the ownership interest in a joint venture or an associate is reduced but joint control or significant influence is retained, only a proportionate share of the amounts previously recognized in other comprehensive income are reclassified to profit or loss where appropriate.

2.1 Property, plant and equipment

Tangible Assets:

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and any accumulated impairment losses. The cost of fixed assets comprises of its purchase price, non-refundable taxes & levies, freight and other incidental expenses related to the acquisition and installation of the respective assets. Borrowing cost attributable to financing of acquisition or construction of the qualifying fixed assets is capitalized to respective assets when the time taken to put the assets to use is substantial.

When major items of property, plant and equipment have different useful lives, they are accounted for as separate items of property, plant and equipment. The cost of replacement of any property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefit associated with the item will flow to the Company and its cost can be measured reliably.

The Estimated Useful Lives of assets are in accordance with the Schedule II of the Companies Act, 2013.

2.2 Financial Instruments

2.2.1 Cash and cash equivalents

Cash and cash equivalents consists of cash on hand, short demand deposits and highly liquid investments, that are readily convertible into known amounts of cash and which are subject to an insignificant risk of change in value. Short term means investments with original maturities / holding period of three months or less from the date of investments. Bank overdrafts that are repayable on demand and form an integral part of the Company's cash management are included as a component of cash and cash equivalent for the purpose of statement of cash flow.

2.2.2 Trade Receivables

Trade receivables are amounts due from customers for sale of goods or services performed in the ordinary course of business. Trade receivables are initially recognized at its transaction price which is considered to be its fair value and are classified as current assets as it is expected to be received within the normal operating cycle of the business.

2.2.3 Borrowings

Borrowings are initially recorded at fair value and subsequently measured at amortized costs using effective interest method. Transaction costs are charged to statement of profit and loss as financial expenses over the term of borrowing.

2.2.4 Trade payables

Trade payables are amounts due to vendors for purchase of goods or services acquired in the ordinary course of business and are classified as current liabilities to the extent it is expected to be paid within the normal operating cycle of the business.

2.2.5 Other financial assets and liabilities

Other non-derivative financial instruments are initially recognized at fair value and subsequently measured at amortized costs using the effective interest method.

2.3 Inventories

Items of inventories are measured at lower of cost and net realisable value after providing for obsolescence, if any. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads incurred in bringing them to their respective present location and condition. Cost of raw materials, process, stores and spares, packing materials, trading and other products are determined on weighted average basis.

2.4 Impairment of Assets

Financial assets

At each balance sheet date, the Company assesses whether a financial asset is to be impaired. Ind AS 109 requires expected credit losses to be measured through loss allowance. The Company measures the loss allowance for financial assets at an amount equal to lifetime expected credit losses if the credit risk on that financial asset has increased significantly since initial recognition. If the credit risk on a financial asset has not increased significantly since initial recognition, the Company measures the loss allowance for financial assets at an amount equal to 12-month expected credit losses. The Company uses both forward-looking and historical information to determine whether a significant increase in credit risk has occurred.

Non-financial assets

Tangible and intangible assets

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

MADHUVEER COM18 NETWORKS LIMITED
CIN: L93000GJ1995PLC026244
Significant Accounting Policies

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognized in the statement of profit and loss to such extent.

2.5 Employee Benefit

Short term employee benefits

Short term benefits payable before twelve months after the end of the reporting period in which the employees have rendered service are accounted as expense in statement of profit and loss.

Long term employee benefits

Defined Contribution Plan

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions for provident fund and pension as per the provisions of the Provident Fund Act, 1952 to the government. The Company's contribution is recognised as an expense in the Profit and Loss Statement during the period in which the employee renders the related service. The company's obligation is limited to the amounts contributed by it.

Compensated absences and earned leaves

The company offers a short term benefit in the form of encashment of unavailed accumulated compensated absence above certain limit for all of its employees and same is being provided for in the books at actual cost.

2.6 Provisions, contingent liabilities and contingent assets

Contingent liability :

A possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company are disclosed as contingent liability and not provided for. Such liability is not disclosed if the possibility of outflow of resources is remote.

Contingent assets :

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent assets are not recognised and disclosed only when an inflow of economic benefits is probable.

Provisions :

A provision is recognized when as a result of a past event, the Company has a present obligation whether legal or constructive that can be estimated reliably and it is probable that an outflow of economic benefits will be required to settle the obligation. If the obligation is expected to be settled more than 12 months after the end of reporting date or has no definite settlement date, the provision is recorded as non-current liabilities after giving effect for time value of money, if material. Where discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

2.7 Revenue Recognition

a) Revenue from the sale of goods is recognised when significant risks and rewards in respect of ownership of the goods are transferred to the customer, as per the terms of the order. The company has shown separately in the expenses as the revenues from the operations are stated at gross amount as per the Requirement of Ind AS 18 "Revenue". Further, the amounts collected on behalf of third parties such as government authorities for VAT, Service Tax and GST are excluded from the revenue since the same do not result in increase in Equity.

b) Interest Income is recognised on time proportion basis.

c) Other Income is recognised as and when received.

2.8 Income taxes

Income tax expense comprises current and deferred tax expense. Income tax expenses are recognized in statement of profit and loss, except when they relate to items recognized in other comprehensive income or directly in equity, in which case, income tax expenses are also recognized in other comprehensive income or directly in equity respectively.

Current tax is the tax payable on the taxable profit for the year, using tax rates enacted or substantively enacted by the end of reporting period by the governing taxation laws, and any adjustment to tax payable in respect of previous periods. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred taxes arising from deductible and taxable temporary differences between the tax base of assets and liabilities and their carrying amount in the financial statements are recognized using substantively enacted tax rates and laws expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled.

Deferred tax asset are recognized only to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences can be utilized. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax assets to be utilized.

2.9 Earnings Per Share

a) Basic earnings per share are calculated by dividing the net profit for the period attributable to equity

shareholders by the weighted average number of equity shares outstanding during the period.

b) For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares, if any.

2.10 Borrowing cost

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of these assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in statement of profit and loss in the period in which they are incurred.

2.11 Segment Reporting

The company has only one preliminary reportable segment i.e. commission income hence there is no separate reportable segments as required in Ind AS 108 issued by ICAI.

2.12 Depreciation

Depreciation on tangible fixed assets is provided using the Straight Line Method based on the useful life of the assets as estimated by the management and is charged to the Statement of Profit and Loss as per the requirement of Schedule II of the Companies Act, 2013. In case of additions or deletions during the year, depreciation is computed from the month in which such assets are put to use and up to previous month of sale or disposal, as the case may be.

2.13 Foreign currency Transactions

Foreign currency transactions are recorded at the exchange rate prevailing at the date of transactions. Exchange difference arising on settlement of transactions is recognised as income or expense in the year in which they arise.

Monetary assets and liabilities related to foreign currency transactions remaining unsettled at the end of the year are restated at the year-end rate and difference in translations and unrealised gains / (losses) on foreign currency transactions are recognised in the statement of profit & loss.

The premium or discount arising at the inception of forward exchange contracts is amortised as expense or income over the life of the contract. Exchange differences on such contracts are recognised in the statement of profit and loss in the year in which the exchange rates change. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognised as income or as expense for the year.
