MANAGEMENT DISCUSSION & ANALYSIS:

a. Industry Overview

Forged Rings (Bearings)

The globally evolving and emerging landscape today is clearly changing business realities. Disruptive technologies and business models are rapidly changing the market map. Technological advances in the form of automation and digitization are redefining business models. Customers, on the other hand, are seeking lower cost of ownership and longer life cycles for products and solutions. India's macroeconomic scenario remained stagnant with demand waiting to recover.

The Indian bearings market did not witness any major structural changes and is estimated at about INR 90 billion. The market is driven by two key user segments - the automotive and industrial sectors. The business is further divided into OEMs and end user markets. OEM and companies across the industrial and automotive sectors were affected by the prevailing economic headwinds, and hence this was a challenging year for the Indian bearings industry.

Agriculture Equipments

The tractor market has seen sharp decline during the year under review which can be primarily be attributed to a slowdown in the Agri sector on account of deficient monsoon. With external demand remaining sluggish the rural income was hard hit by consecutive weak crop ping season. Strong Government support for improvement in agricultural productivity, rural development and greater adoption of improved agricultural practices is expected to drive sustainable growth in the agriculture sector.

b. Opportunities & Threats

Forged Rings Business-

India's economy is poised to enter an era of sustained growth. The expectations of the global community from India's economy to deliver on its potential have never been as high they are now. Continued reforms in policy regime, a focus on building a world class infrastructure (Railways, ports, roads etc) hold the promise of a bright era for India's manufacturing sector. The "Make in India" initiative is a path breaker that can revolutionize the country's economy. Better road infrastructure, smart cities, improved connectivity of industrial clusters with modern ports, development of sustainable energy infrastructure, a continued development of field to market sustainable food chain, tougher safety and emission norms for automotive industry will enhance our competitiveness as a nation while creating a completely new market opportunity.

Agriculture Equipments Business-

With increasing Labour cost and scarcity, greater adoption of various forms of mechanization is the way forward. In this scenario, the market for farm equipments is expected to grow in the long term. In more developed markets, growth in agricultural equipment demand will be driven by efforts to reduce inputs and maximize production capabilities and replacement demands. However going forward, the competitive intensity in the agriculture equipment business is expected to increase.

c. Segment / Product wise performance

Your company has a single manufacturing segment viz. Forged Rings while it only trades in Agricultural tools and equipments. The detailed segment-wise performance has been given separately in the note on “Segment Reporting” forming part of financial statements.

d. Risk & Concerns

The Company’s business is exposed to many internal and external risks and it has consequently put in place robust systems and processes along with appropriate review mechanism to monitor, manage and mitigate these risks.

The major risk factors affecting the company are overcapacity in industry, cash constraints at customers end leading to inventory pile up, increasing receivable position and volatility in currency and raw material prices.

e. Internal control systems & their adequacy

The Company has in place an effective and independent internal control system covering all areas of operations. A regular review is done in respect of the financial and operating controls at various locations of the company. The audit committee at its periodic meetings reviews observations and recommendations contained in internal audit reports, where both statutory as well as internal auditors participate. Independent opinions are expressed on issues of concern and the consequential corrective actions are reviewed by the audit committee.

f. Discussion on financial performance vis-a-vis operational performance

The financial performance of the Company has been given separately in the Directors’ Report.

g. Material development in human resources and industrial relation front

The Company is a firm believer that its employees are its strength and respects individual rights and dignity of all its employees. The Company focuses on providing employee friendly environment along with career growth opportunities.

Industrial relations remained cordial throughout the year.

CORPORATE GOVERNANCE REPORT

Corporate Governance reforms implemented to reinforce the company foundation and continually enhance corporate value.

1. COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE:

At Galaxy Agrico Exports Limited, Corporate Governance is all about maintaining a valuable relationship and trust with all stakeholders. We consider stakeholders as partners in our success, and we remain committed to maximizing stakeholders' value, be it shareholders, employees, suppliers, customers, investors, communities or policy makers. This approach to value creation emanates from our belief that sound governance system, based on relationship and trust, is integral to creating enduring value for all. We have a defined policy framework for ethical conduct of businesses. We believe that any business conduct can be ethical only when it rests on the six core values of Customer Value, Ownership Mindset, Respect, Integrity, One Team and Excellence.

Corporate governance broadly refers to the mechanisms, processes and relations by which corporations are controlled and directed. Governance structures identify the distribution of rights and responsibilities among different participants in the corporation (such as the board of directors, managers, shareholders, creditors, auditors, regulators, and other stakeholders) and includes the rules and procedures for making decisions in corporate affairs. Corporate governance includes the processes through which corporations' objectives are set and pursued in the context of the social, regulatory and market environment. Governance mechanisms include monitoring the actions, policies and decisions of corporations and their agents. Corporate governance practices are affected by attempts to align the interests of stakeholders.

MANAGEMENT DISCUSSION & ANALYSIS:

a. Industry Overview

Forged Rings (Bearings)

The globally evolving and emerging landscape today is clearly changing business realities. Disruptive technologies and business models are rapidly changing the market map. Technological advances in the form of automation and digitization are redefining business models. Customers, on the other hand, are seeking lower cost of ownership and longer life cycles for products and solutions. India's macroeconomic scenario remained stagnant with demand waiting to recover.

The Indian bearings market did not witness any major structural changes and is estimated at about INR 90 billion. The market is driven by two key user segments - the automotive and industrial sectors. The business is further divided into OEMs and end user markets. OEM and companies across the industrial and automotive sectors were affected by the prevailing economic headwinds, and hence this was a challenging year for the Indian bearings industry.

Agriculture Equipments

The tractor market has seen sharp decline during the year under review which can be primarily be attributed to a slowdown in the Agri sector on account of deficient monsoon. With external demand remaining sluggish the rural income was hard hit by consecutive weak crop ping season. Strong Government support for improvement in agricultural productivity, rural development and greater adoption of improved agricultural practices is expected to drive sustainable growth in the agriculture sector.

b. Opportunities & Threats

Forged Rings Business-

India's economy is poised to enter an era of sustained growth. The expectations of the global community from India's economy to deliver on its potential have never been as high they are now. Continued reforms in policy regime, a focus on building a world class infrastructure (Railways, ports, roads etc) hold the promise of a bright era for India's manufacturing sector. The "Make in India" initiative is a path breaker that can revolutionize the country's economy. Better road infrastructure, smart cities, improved connectivity of industrial clusters with modern ports, development of sustainable energy infrastructure, a continued development of field to market sustainable food chain, tougher safety and emission norms for automotive industry will enhance our competitiveness as a nation while creating a completely new market opportunity.

Agriculture Equipments Business-

With increasing Labour cost and scarcity, greater adoption of various forms of mechanization is the way forward. In this scenario, the market for farm equipments is expected to grow in the long term. In more developed markets, growth in agricultural equipment demand will be driven by efforts to reduce inputs and maximize production capabilities and replacement demands. However going forward, the competitive intensity in the agriculture equipment business is expected to increase.

c. Segment / Product wise performance

Your company has a single manufacturing segment viz. Forged Rings while it only trades in Agricultural tools and equipments. The detailed segment-wise performance has been given separately in the note on "Segment Reporting" forming part of financial statements.

d. Risk & Concerns

The Company's business is exposed to many internal and external risks and it has consequently put in place robust systems and processes along with appropriate review mechanism to monitor, manage and mitigate these risks.

The major risk factors affecting the company are overcapacity in industry, cash constraints at customers end leading to inventory pile up, increasing receivable position and volatility in currency and raw material prices.

e. Internal control systems & their adequacy

The Company has in place an effective and independent internal control system covering all areas of operations. A regular review is done in respect of the financial and operating controls at various locations of the company. The audit committee at its periodic meetings reviews observations and recommendations contained in internal audit reports, where both statutory as well as internal auditors participate. Independent opinions are expressed on issues of concern and the consequential corrective actions are reviewed by the audit committee.

f. Discussion on financial performance vis-a-vis operational performance

The financial performance of the Company has been given separately in the Directors' Report.

g. Material development in human resources and industrial relation front

The Company is a firm believer that its employees are its strength and respects individual rights and dignity of all its employees. The Company focuses on providing employee friendly environment along with career growth opportunities.

Industrial relations remained cordial throughout the year.

Independent Auditor's Report

To the Members of **Galaxy Agrico Exports Limited**

Report on the Audit of the Ind AS Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements of **Galaxy Agrico Exports Limited ("the Company")** which comprises the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Cash Flows and Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its profit, total comprehensive income, its cash flows and changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

we have determined that there are no other key audit matters to communicate in our report except as stated in Emphasis of Matter below.

Emphasis of Matter

The Company's management is responsible for carrying out the inspection of its fixed assets on a regular basis. We have not independently verified the fixed assets of the Company during the year under review. Any adjustment to the value of the fixed assets as appearing

in the balance sheet of the Company may have an effect on the profit and net assets of the Company for the period and year ended March 31, 2022.

The Company's management is responsible for carrying out the inspection of its inventories on a regular basis. We have not independently verified the inventories of the Company during the year under review. Any adjustment to the value of inventories as appearing in the balance sheet of the Company may have an effect on the profit and net assets of the Company for the period and year ended March 31, 2022.

The Company's management is responsible for carrying out the balance confirmation and reconciliations with various debtors, creditors and advances. These have not been independently verified by us during the year under review. Any adjustment to the value of such balances as appearing in the balance sheet of the Company may have an effect on the profit and net assets of the Company for the period and year ended March 31, 2022.

Our opinion is not modified in respect of this matter.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report and Shareholder's Information, but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and

completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our

opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

5. Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Companies Act, 2013, we give in "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c. The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
- d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

- e. On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164(2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “**Annexure B**”.
- g. In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h. With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - a. The Company does not have any pending litigations which would impact its financial position.
 - b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - c. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - d.
 - 1. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - 2. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

3. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (1) and (2) above, contain any material misstatement.
- e. The Company has not paid any dividends during the year and hence, the provisions of Section 123 of the Act are not applicable to the Company.

- (v) According to the information and explanations given to us, the Company has not accepted any deposits during the current reporting period in terms of provisions of Sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules made thereunder. Hence, reporting under clause (v) of the Order is not applicable.
- (vi) In our opinion, the provisions for maintenance of cost records under section 148(1) of the Companies Act, 2013 are not applicable to the Company. Hence, reporting under clause (vi) of the Order is not applicable.
- (vii) In our opinion and according to the information and explanations given to us, in respect of statutory dues:
- (a) The Company has generally been regular in depositing undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues to the appropriate authorities. -
- There were no undisputed amounts payable in arrears as at the balance sheet date for a period of more than six months from the date they became payable.
- (b) The Company does not have any statutory dues as referred sub-clause (a) above which have not been deposited on account of disputes.
- (viii) According to the information and explanations given to us, the Company does not have any transactions, which were not recorded in the books of accounts and which have been surrendered or disclosed as income during the current reporting period in the tax assessments under the Income-tax Act, 1961.
- (ix) (a) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of loans or borrowings to financial institutions or banks. The Company has not taken any loans or borrowings from the government.
- (b) In our opinion and according to the information and explanations given to us, the Company has not been declared as a willful defaulter by any bank or financial institution or other lender during the reporting period.
- (c) The Company has obtained term loans during the current reporting period which, in our opinion and according to the information and explanations given to us, have been utilized for their stated purpose(s).
- (d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the

		company, we believe that no funds raised on short-term basis have been used for long-term purposes by the Company. We have however not made a detailed examination of the same.
	(e)	The Company does not have any associate, subsidiary or joint venture and hence, clause (ix)(e) of the Order is not applicable.
	(f)	The Company does not have any associate, subsidiary or joint venture and hence, clause (ix)(f) of the Order is not applicable.
(x)	(a)	During the current reporting period, the Company has not raised funds by way of initial public offer or further public offer (including debt instruments) and hence reporting under clause (x)(a) of the Order is not applicable to the Company.
	(b)	During the current reporting period, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence reporting under clause (x)(b) of the Order is not applicable to the Company.
(xi)	(a)	To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company has been noticed or reported during the current reporting period.
	(b)	To the best of our knowledge and according to the information and explanations given to us, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
	(c)	To the best of our knowledge and according to the information and explanations given to us, the Company has not received any whistle-blower complaints during the current reporting period.
(xii)		The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
(xiii)		In our opinion and according to the information and explanations given to us the Company is in compliance with Section 177 and 188 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.
(xiv)	(a)	In our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
	(b)	We have considered the reports of the Internal Auditors for the period under review during our audit of the Company.
(xv)		In our opinion and according to the information and explanations given to us, during the current reporting period the Company has not entered into any non-cash transactions with its directors or directors of its holding, subsidiary or associate company, if any or persons connected with them and hence provisions of Section 192 of the Companies Act, 2013 are not applicable.

(xvi)	(a)	The Company is not required to be registered under Section 45-I of the Reserve Bank of India Act, 1934.
	(b)	The Company has not conducted any Non-Banking Financial or Housing Finance activities during the current reporting period and hence, is not required to obtain a Certificate of Registration from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.
	(c)	The Company is not a Core Investment Company (“CIC”) as defined in the regulations made by the Reserve Bank of India.
	(d)	The Company does not have any Group companies and hence, clause (xvi)(d) of the Order is not applicable to the Company.
(xvii)		In our opinion, the Company has not incurred any cash losses during the current reporting period and in the immediately preceding reporting period.
(xviii)		There has not been any resignation of the statutory auditors during the current reporting period under review.
(xix)		According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
(xx)		In our opinion section 135 of the Companies Act, 2013 is not applicable to the Company and hence clause (xx) of the Order is not applicable.
(xxi)		Clause (xxi) of the CARO, 2020 is not applicable in the report on the standalone financial statements of the Company.

Annexure B

Referred to in point f. of the section Report on Other Legal and Regulatory Requirements of the Independent Auditors' Report of even date to the members of Galaxy Agrico Exports Limited on the Ind AS financial statements for the year ended March 31, 2022

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

In conjunction with our audit of the Ind AS financial statements of the Company as of and for the year ended March 31, 2022, we have audited the internal financial controls over the financial reporting of **Galaxy Agrico Exports Limited** ("the Company") as of that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect of Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

According to the information and explanations given to us and based on our audit, the following material weakness(es) have been identified as at March 31, 2022:

- a. The Company has not carried out an inspection of its fixed assets and has not maintained a register of fixed assets during the year under review.
- b. The Company has not carried out an inspection of its inventories during the year under review.
- c. The Company does not have an internal process to report deficiencies in internal control to management on a timely basis.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim Ind AS financial statements will not be prevented or detected on a timely basis.

We have considered the material weakness(es) identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2022 Ind AS financial statements of the Company, and these material weakness(es) do not affect our opinion on the Ind AS financial statements of the Company.

1. General Information

Galaxy Agrico Exports Limited ('the Company') incorporated in India is engaged in the business of manufacturing and trading activity of Agricultural Equipments and Bearings (Forged Rings) and job-work services. The Company has its wide network of operations in local markets.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of preparation

(i) Compliance with Ind AS

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

(ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- 1) certain financial assets and liabilities that are measured at fair value;
- 2) assets held for sale - measured at lower of carrying amount or fair value less cost to sell;
- 3) defined benefit plans - plan assets measured at fair value;

(iii) Current non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

(iv) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

(b) Use of estimates and judgments

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognized in the period in which the results are known / materialized.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

(c) Property, plant and equipment

The Company has applied for the one time transition exemption of considering the carrying cost on the transition date i.e. April 1, 2016 as the deemed cost under IND AS. Hence regarded thereafter as historical cost.

Galaxy Agrico Exports Limited
Notes to the Ind AS Financial Statements (2021-22)

Freehold land is carried at cost. All other items of property, plant and equipment are stated at cost less depreciation and impairment, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Depreciation methods, estimated useful lives and residual value

Depreciation on Property, Plant and Equipments is provided on Written Down Value Method, over the estimated useful lives of assets. The Company depreciates its Property, plant and equipment over the useful life in the manner prescribed in Schedule II to the Act, and management believe that useful life of assets are same as those prescribed in Schedule II to the Act,

The residual values are not more than 5% of the original cost of the asset. The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

In case of pre-owned assets, the useful life is estimated on a case to case basis.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

(d) Investment properties

Investment property is property (land or a building or part of a building or both) held either to earn rental income or for capital appreciation or for both, but neither for sale in the ordinary course of business nor used in production or supply of goods or services or for administrative purposes. Investment properties are stated at cost net of accumulated depreciation and accumulated impairment losses, if any.

Depreciation on building is provided over its useful life using the written down value method.

(e) Intangible assets

Computer software

Computer software is stated at cost, less accumulated amortization and impairments, if any.

Amortization method and useful life

The Company amortizes computer software using the straight-line method over the period of 5 years.

(f) Lease

Operating Lease

As a lessee

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company, as lessee, are classified as operating leases. Payments made under operating leases are charged to the Statement of Profit and Loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the Company's expected inflationary cost increases.

Galaxy Agrico Exports Limited
Notes to the Ind AS Financial Statements (2021-22)

As a lessor

Lease income from operating leases where the Company is a lesser is recognized in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

(g) Cash and Cash Equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, bank overdraft, deposits held at call with financial institutions, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

(h) Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost, less provision for impairment, if any.

(i) Inventories

Inventories of Raw Materials, Stores and spares and Finished Goods are stated 'at cost or net realizable value, whichever is lower'. Cost comprise all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost formulae used is 'First-in-First-out'. Due allowance is estimated and made for defective and obsolete items, wherever necessary.

(j) Investments in subsidiaries, joint ventures and associates

Investments in subsidiaries, joint ventures and associates are recognized at cost as per Ind AS 27. Except where investments accounted for at cost shall be accounted for in accordance with Ind AS 105, Non-current Assets Held for Sale and Discontinued Operations, when they are classified as held for sale.

(k) Investments and other financial assets

(i) Classification

The Company classifies its financial assets in the following measurement categories:

- (1) those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- (2) those measured at amortised cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

(ii) Measurement

At initial recognition, the Company measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through the Profit and Loss are expensed in the Statement of Profit and Loss.

Debt instruments:

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. The Company classifies its debt instruments into following categories:

Galaxy Agrico Exports Limited
Notes to the Ind AS Financial Statements (2021-22)

(1) **Amortized cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. Interest income from these financial assets is included in other income using the effective interest rate method.

(2) **Fair value through profit and loss:** Assets that do not meet the criteria for amortized cost are measured at fair value through Profit and Loss. Interest income from these financial assets is included in other income.

Equity instruments:

The Company measures its equity investment other than in subsidiaries, joint ventures and associates at fair value through profit and loss. However where the Company's management makes an irrevocable choice on initial recognition to present fair value gains and losses on specific equity investments in other comprehensive income (Currently no such choice made), there is no subsequent reclassification, on sale or otherwise, of fair value gains and losses to the Statement of Profit and Loss.

(iii) Impairment of financial assets

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

(iv) Income recognition

Interest income

Interest income from debt instruments is recognized using the effective interest rate method.

Dividends

Dividends are recognized in the Statement of Profit and Loss only when the right to receive payment is established.

(l) Impairment of non-financial assets

Property, plant and equipments (PPE) and intangible assets (IA) that have an indefinite useful life are not subject to amortization and are tested annually for impairment or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash-generating units). Non-financial assets other than goodwill that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

(m) Non-current assets held for sale

Non-current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and a sale is considered highly probable. They are measured at the lower of their carrying amount and fair value less costs to sell, except for assets such as deferred tax assets, assets arising from employee benefits, financial assets and contractual rights under insurance contracts, which

Galaxy Agrico Exports Limited
Notes to the Ind AS Financial Statements (2021-22)

are specifically exempt from this requirement.

Non-current assets are not depreciated or amortized while they are classified as held for sale. Interest and other expenses attributable to the liabilities of a Disposal Company classified as held for sale continue to be recognized.

(n) Derivative financial instruments

Derivative financial instruments such as forward contracts, option contracts and cross currency swaps, to hedge its foreign currency risks are initially recognized at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value with changes in fair value recognized in the Statement of Profit and Loss in the period when they arise.

(o) Segment Reporting:

Geographical segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

(p) Borrowings

Borrowings are initially recognised at net of transaction costs incurred and measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other income.

Preference shares, which are mandatorily redeemable on a specific date are classified as liabilities. The dividend on these preference shares is recognised in Statement of Profit and Loss as finance costs.

(q) Borrowing costs

Interest and other borrowing costs attributable to qualifying assets are capitalized. Other interest and borrowing costs are charged to Statement of Profit and Loss.

(r) Provisions and contingent liabilities

Provisions are recognized when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognized for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The

Galaxy Agrico Exports Limited
Notes to the Ind AS Financial Statements (2021-22)

discount rate used to determine the present value is a pre tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognized as interest expense.

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

(s) Revenue recognition

Revenue is measured at the value of the consideration received or receivable. Amounts disclosed as revenue are inclusive of excise duty and net of returns, trade allowances, rebates, discounts, loyalty discount, value added taxes and amounts collected on behalf of third parties.

The Company recognizes revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company and specific criteria have been met for each of the Company's activities as described below.

Sale of goods

Sales are recognized when substantial risk and rewards of ownership are transferred to customer, In case of domestic customer, generally sales take place when goods are dispatched or delivery is handed over to transporter, in case of export customers, generally sales take place when goods are shipped onboard based on bill of lading.

Sales Return-

The Company recognizes provision for sales return, based on the historical results, measured on net basis of the margin of the sale.

Revenue from services

Revenue from services is recognized in the accounting period in which the services are rendered.

Other operating revenue

Interest on investments and deposits is booked on a time-proportion basis taking into account the amounts invested and the rate of interest.

Revenue in respect of other types of income is recognised when no significant uncertainty exists regarding realisation of such income.

Other operating revenue - Export incentives

"Export Incentives under various schemes are accounted in the year of export.

(t) Employee benefits

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

Galaxy Agrico Exports Limited
Notes to the Ind AS Financial Statements (2021-22)

(ii) Other long-term employee benefit obligations

The liabilities for earned leave and sick leave that are not expected to be settled wholly within 12 months are measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the Government Securities (G-Sec) at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognized in the Statement of Profit and Loss.

(iii) Post-employment obligations

The Company operates the following post-employment schemes:

- (a) defined benefit plans such as gratuity; and
- (b) Defined contribution plans such as provident fund.

Gratuity obligations

The liability or asset recognized in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Defined Contribution Plans

Defined Contribution Plans such as Provident Fund etc., are charged to the Statement of Profit and Loss as incurred. The Company has an obligation to make good the shortfall, if any.

Termination benefits

Termination benefits are payable when employment is terminated by the Company before the normal retirement date, or when an employee accepts voluntary redundancy in exchange for these benefits. The Company recognizes termination benefits at the earlier of the following dates: (a) when the Company can no longer withdraw the offer of those benefits; and (b) when the Company recognizes costs for a restructuring that is within the scope of Ind AS 37 and involves the payment of terminations benefits. In the case of an offer made to encourage voluntary redundancy, the termination benefits are measured based on the number of employees expected to accept the offer. Benefits falling due more than 12 months after the end of the reporting period are discounted to present value.

Galaxy Agrico Exports Limited
Notes to the Ind AS Financial Statements (2021-22)

(u) Foreign currency translation

(i) Functional and presentation currency

The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

(ii) Transactions and balances

Transactions in foreign currencies are recognized at the prevailing exchange rates on the transaction dates. Realized gains and losses on settlement of foreign currency transactions are recognized in the Statement of Profit and Loss.

Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognized in the Statement of Profit and Loss.

(v) Income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

Deferred income tax is provided in full, using the liability method on temporary differences arising between the tax bases of assets and liabilities and their carrying amount in the financial statement. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are excepted to apply when the related deferred income tax assets is realized or the deferred income tax liability is settled.

Deferred tax assets are recognized for all deductible temporary differences and unused tax losses, only if, it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are off set where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognized in the Statement of Profit and Loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity respectively

(w) Earnings Per Share

Basic earnings per share

Basic earnings per share are calculated by dividing:

- the profit attributable to owners of the Company by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

Diluted earnings per share

A diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

Galaxy Agrico Exports Limited
Notes to the Ind AS Financial Statements (2021-22)

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

(x) Government Grants

Grants from the government are recognized at their fair value where there is reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to Profit and Loss on a straight-line basis over the expected lives of related assets and presented within other income.

(y) Manufacturing and Operating Expenses

The Company classifies separately manufacturing and operating expenses which are directly linked to manufacturing and service activities of the group.

Amendments to Ind AS 7, 'Statement of cash flows' on disclosure initiative:

The amendment to Ind AS 7 introduces an additional disclosure that will enable users of financial statements to evaluate changes in liabilities arising from financing activities. This includes changes arising from cash flows (e.g. draw downs and repayments of borrowings) and non-cash changes (i.e. changes in fair values), Changes resulting from acquisitions and disposals and effect of foreign exchange differences. Changes in financial assets must be included in this disclosure if the cash flows were, or will be, included in cash flows from financing activities. This could be the case, for example, for assets that hedge liabilities arising from financing liabilities. The Company has currently assessed the potential impact of this amendment.

(z) Critical estimates and judgments –

The preparation of financial statements requires the use of accounting estimates which by definition will seldom equal the actual results. Management also need to exercise judgment in applying the Group's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgment or complexity, and items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgment are:

(B) FAIR VALUE HEIRARCHY

Fair value is the amount for which an asset could be exchanged, or a liability settled between knowledgeable willing parties in an arm's length transaction. The Company has made certain judgements and estimates in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements.

To provide an indication about the reliability of the inputs used in determining fair value, the Company as classified the financial instruments into three levels prescribed under the accounting standard. An explanation of each level is as follows:

Level 1: Level 1 of hierarchy includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2: Level 2 heirarchy includes financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates.

Level 3: If one or more of the significant inputs is not based on the observable market data, the instrument is included in Level 3 heirarchy.

Galaxy Agrico Exports Limited
Notes to Financial Statements for the period ended March 31, 2022

(C) VALUATION TECHNIQUES

Specific valuation techniques used to value financial instruments include

- the use of quoted market prices for mutual funds
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis or such other acceptable valuation methodology, wherever applicable

There are no items in the financial instruments, which required level 3 valuation.

Note: 38 Capital Management

The company policy is to have robust financial base so as to maintain outsider's confidence and to sustain future development of the business. Management monitors the return on capital, as well as level of dividends to equity shareholders. The company monitors capital using a ratio of "adjusted net debt" to "equity". For this purpose, adjusted net debt is defined as total liability, comprising interest-bearing loans and borrowing, less cash and cash equivalents. Total Equity includes the share capital, other equity.

The capital gearing ratio is as follows:

Particulars	31-Mar-22	31-Mar-21
Borrowings (Incl. Current Maturity)	79.98	31.20
Less: Cash and Cash Equivalents	54.29	10.71

Note: 39 Financial Risk Management

The Company's business activities are exposed to a variety of financial risks, viz liquidity risk, market risk and credit risk. The Management of the Company has the overall responsibility for establishing and governing the Company's risk policy framework. The risk management policies are formulated after the identification and analysis of the risks and suitable risk limits and controls are set which are monitored & reviewed periodically. The changes in the market conditions and allied areas are accordingly reflected in the changes of the policy. The key risks and mitigating actions are placed before the Audit Committee of the Company who then evaluate and take the necessary corrective action. The sources of risk, which the Company is exposed to and how the Company manages these risks with their impact on the Financial Statements is given below:

Risk	Exposure from	Measurement	Management
Credit risk	Trade receivables, Cash and cash	Aging analysis, Credit ratings	Credit limits and bank gaurantees
Liquidity risk	Borrowings, Trade payables and other liabilities	Cash flow budgeted Vs actuals	Availibility of committed credit lines and borrowing facilities
Market risk - Interest rate	Long-term borrowings at variable interest rates	Sensitivity analysis	The management monitors the rates of interests and continues to evaluate refinancing of debts at lower rates of interest on a regular basis.

[A] Credit risk

Credit risk is the risk of financial loss to the Company if the counterparty fails to meet its contractual obligations. The Company is exposed to credit risk from its operating activities (primarily trade receivables). However, the credit risk on account of financing activities, i.e., balances with banks is very low, since the Company holds all the balances with approved bankers only.

Trade receivables

Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the customers outstanding balances to which the Company grants credit terms in the normal course of business. Concentration of credit risk with respect to trade receivables are limited, as the Company's customer base is large, reputed and having good credit credential as well as that they are long standing customers. All trade receivables are reviewed and assessed for default on a quarterly basis. Historical experience of collecting receivables of the Company is supported by low level of past default and hence the credit risk is perceived to be low.

[B] Liquidity risk

Liquidity risk is the risk the Company faces in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, Management considers both normal and stressed conditions.

[C] Market risk

The Company's size and operations result in it being exposed to the following market risks that arise from its use of financial instruments:

- Interest rate risk

Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing financial assets or borrowings because of fluctuations in the interest rates, if such assets /borrowings are measured at fair value through profit or loss. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing borrowings will fluctuate because of fluctuations in the interest rates.

Interest rate risk exposure

The exposure of the Company to change in interest rate at end of the reporting periods are as follows:

Particulars	31-Mar-22		31-Mar-21	
	Amount	% of total	Amount	% of total
Variable rate borrowing	79.98	100.00%	31.20	100.00%
Fixed rate borrowing	-	0.00%	-	0.00%
	79.98		31.20	

Sensitivity

Profit and loss is sensitive to higher/lower interest expenses from borrowing as a result of change in interest rate.

Particulars	Impact on profit after tax	
	31-Mar-22	31-Mar-21
Interest rate increase by 100 basis points	(1.06)	(0.43)
Interest rate decrease by 100 basis points	1.06	0.43
