Universal Credit and Securities Limited
16th Annual report (2009-2010)

MANAGEMENT DISCUSSION AND ANALYSIS

The Company is in the business of Trading in shares and Finance Activity. The key issues of the Management Discussion and Analysis are given below.

(a) Industry structure and developments

Indian Finance market size is estimated at Rs. 100 Trillion. Approximately one third of this demand is met through Share Market and the balance is met through Financers and lenders. The Industry is mainly dependent on the Investors sentiments. It is now prevailing good and getting healthy.

The fortunes of the Finance industry are, to a large extent, linked to the growth of the Industry and Investment sentiments of the people. The Industry is facing intense competition from the Foreign financial Institution.

(b) Strength

The strength of a company is known from the profit it earns and sound advances. It also depends on the Government policies of taxation. Introduction of Securities Transaction Tax and thereby exempting Long term Capital gain has given a big boost to the market.

(c) Comment on Current year's performance

Receipts	: The Receipt has been phenomenal for the first year of its operations.
Operating Expenses	: The operating Expenses are well under control.
Operating Profits	: The Operating Profits are up to industry mark.
Indirect Expenses	: The Indirect Expenses are under control.
Depreciation	: Reasonable amount of Depreciation is provided.
Profit before tax	: Profit before tax is also an improving trend.
Taxation	: Taxation is Provided as per Income Tax Act.
Debtor/Sales	: Debtors are reasonable.
Creditors/Purchase	: The Company has an established credit.

d) Opportunities and threats

The impact of boom in capital market and real estate market due to government support has provided a boost to the economy and it is set to grow at 7% to 8% supported by a smart growth in manufacturing and services sectors. This brings prosperity to a country and more and more people go for investment in Share market. Outlook for the year 2011 is positive. While the overall demand outlook for the year 2010 remains good, the Company expects the pressure on quality customers to continue due to competition.

(e) Segment wise performance

The business of the Company falls under a single segment i.e. Share broking and Investment in shares for the purpose of Accounting Standard AS-17.

Universal Credit and Securities Limited
16th Annual report (2009-2010)

(f) Outlook

The continual growth in the Finance sector is expected to give the necessary support to the Finance industry. The Company is making all efforts to accelerate growth of its business. It expects to improve its position in the market by focusing on technologically advanced and more profitable products/market segments and working aggressively in the areas of productivity, efficiency and cost reductions.

(g) Risk and concerns

The menace of local Finances and play of angadia has further compounded the problems of the organised Finance Industry as they use inferior way of transferring funds. The Stock market is also a risky place to put one's fund. The pull back of FIIs will also have an adverse effect on the share market.

(h) Internal control system

Internal audit and other controls have been found to be adequate. These are reviewed periodically by the Audit Committee and found the performance satisfactory.

(i) Developments in human resources and industrial relations

Information as per Section 217 (2A) of the Companies Act, 1956 read with the Companies (Particular of Employees) Rules, 1975 is not required to be given as no employee falls under it. The Company continued to have cordial relations with all the employees.

Universal Credit and Securities Limited
16th Annual report (2009-2010)

SCHEDULE-12 : Accounting Policies

(i) Revenue Recognition

- (a) Revenue from issue management, loan syndication, financial advisory services etc., is recognized based on the stage of completion of assignments and terms of agreement with the client.
- (b) Gains and losses on dealing with securities & derivatives are recognized on trade date.

(ii) Stock-in-trade (i.e. inventories)

- (a) The securities acquired with the intention of holding for short-term are classified as investment and securities acquired for trading are classified as stock-in-trade.
- (b) The securities held as stock-in-trade are valued at lower of cost arrived at on weighted average basis or market/ fair value, computed category-wise. In case of investments transferred to stock-in-trade, carrying amount on the date of transfer is considered as cost. Commission earned in respect of securities acquired upon devolvement is reduced from the cost of acquisition. Fair value of unquoted shares is taken at break-up value of shares as per the latest audited Balance Sheet of the concerned company. In case of debt instruments, fair value is worked out on the basis of yield to maturity rate selected considering quotes where available and credit profile of the issuer and market related spreads over the government securities
- (c) Discounted instruments like Commercial paper/treasury bills/zero coupon instruments are valued at carrying cost. The difference between the acquisition cost and the redemption value of discounted instruments is apportioned on a straight line basis for the period of holding and recognized as Interest income.
- (d) Units of mutual fund are valued at lower of cost and net asset value.

(iii) Investments

The securities acquired with the intention of holding till maturity or for a longer period are classified as investments. (b) Investments are carried at cost arrived at on weighted average basis. Commissions earned in respect of securities acquired upon devolvement are reduced from the cost of acquisition. Appropriate provision is made for other than temporary diminution in the value of investments.

(iv) Fixed Assets and Depreciation

- (a) Fixed assets are stated at historical cost less accumulated depreciation and impairment loss, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for intended use.
- (b) Depreciation on fixed assets is provided on written down value method at the rate and in the manner prescribed in Schedule XIV of the Companies Act, 1956.

(v) Deferred Tax

Tax expense comprises both current and deferred taxes. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance

Universal Credit and Securities Limited
16th Annual report (2009-2010)

with the Indian Income Tax Act. Deferred income tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. Unrecognised deferred tax assets of earlier years are re-assessed and recognised to the extent that it has become reasonably certain that future taxable income will be available against which such deferred tax assets can be realised.

(vi) Derivatives Transactions

- (a) All open positions are marked to market.
- (b) Gains are recognized only on settlement/expiry of the derivative instruments except for Interest Rate derivatives where even mark to-market gains are recognized.
- (c) Receivables/payables on open position are disclosed as current assets/current liabilities, as the case may be.

(vii) Earning Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period.

Notes on Accounts

NOTES FORMING PART OF ACCOUNTS.

- 1) There are no contingent liabilities nor provided for.
- 2) Depreciation has been provided on assets as per WDV method by the company.
- 3) The value of realization of Current Assets, Loans and Advances in the ordinary course of business will not be less than the value at which they are started in the balance sheet.
