EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013.

Item No. 4

In accordance with the section 181 of the Companies Act, 2013, the Company is required to obtain approval of the members before making any contribution to any charitable funds. The section also required that the charitable fund should be a bona fide one. As per the said section, the aggregate amount of such contribution in any financial year shall not exceed five percent of its average net profit for the three immediately preceding financial years. The average net profits of the company for the three immediately preceding financial years is Rs. 332.97 crore. Hence the company can make contribution to any bona fide charitable funds an amount not exceeding Rs. 16.39 crore. During the Financial Year 2018-19, the Company proposes to expend on donation / financial assistance / financial contribution for various CSR purposes to the bona fide charitable Funds or Trusts. Hence the approval of the shareholders is being sought.

None of the Directors, key managerial personnel of the company and their relatives are concerned or interested financially or otherwise in the proposed resolution.

The Board of Directors recommends passing of the resolution set out in Item No. 4 of the Notice.

Item No. 5

The Board, on the recommendation of the Audit Committee, has approved the appointment and remuneration of the Cost Auditors, Dinesh Kumar Birla, to conduct the audit of the cost records of the Company for the financial year ending March 31, 2019 with a remuneration of Rs. 1,50,000 (Including all Taxes).

In accordance with the provisions of Section 148 of the Act read with the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditors has to be ratified by the shareholders of the Company. Accordingly, consent of the members is sought for passing an Ordinary Resolution as set out at Item No. 5 of the Notice for ratification of the remuneration payable to the Cost Auditors for the financial year ending March 31, 2019.

None of the Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution set out at Item No. 5 of the Notice.

The Board recommends the Ordinary Resolution set out at Item No. 5 of the Notice for approval by the shareholders.

NOTES:

1. The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013, in respect of special business is annexed hereto.
2. A member entitled to attend and vote is entitled to appoint a proxy to attend and vote instead of himself and the proxy need not be a member. Proxies in order to be effective shall be deposited at the Registered Office of the Company, not less than 48 hours before the commencement of the meeting. Pursuant to provisions of Section 105 of the Companies Act, 2013 and rules framed there under, a person can act as a proxy on behalf of members not exceeding fifty and holding in the aggregate not more than ten percent of the total share capital of the Company carrying voting rights. A member holding more than ten percent of the total share capital of the Company carrying voting rights may appoint a single person as proxy and such person shall not act as a proxy for any other person or shareholder. Corporate Members intending to send their authorized representatives to attend the meeting are requested to send the Company, a certified copy of Board Resolution authorizing their representative(s) to attend and vote on their behalf at the meeting. The 'Members Register' and the 'Share Transfer Book' of the Company shall remain closed from Saturday, 22nd September, 2018 to Saturday, 29 September, 2018 (both dates inclusive).
3. The dividend declared at the Annual General Meeting will be paid on equity shares of the Company on and after 11th October 2018 to those Members holding shares in physical form and whose names appear on the Register of Members of the Company on 29th September, 2018. In respect of shares held in electronic form, the dividend will be payable to those who are the beneficial owners of shares after close of business hours on 21st September, 2018, as per details to be furnished by National Securities Depository Ltd. (NSDL) and Central Depository Services (India) Limited (CDSL).
4. Relevancy of questions and the order of speaker at the meeting will be decided by the Chairman.
5. Members are requested to give full particulars of their Bank Account details for safe payment of dividend.
6. Facility of payment of dividend through ECS / NECS is available. Those shareholders who are holding shares in electronic mode should register their ECS mandate with their respective depository participants directly. For those shareholders who are holding equity shares in physical mode, they are requested to deposit ECS mandate form with the office of the Company Share Transfer and Registrar Agent M/s MCS STA Limited, 201, Shatdal Complex, Opp. Bata Show Room, Ahmedabad-9. ECS mandate form for physical holding is attached to at the end

of the Annual Report which may be filled up by the shareholders and sent to the Registrar and Share Transfer Agent (RTA).

7. Members are requested to notify immediately any change of address to their Depository Participants (DPs) in respect of their holdings in electronic form and to M/s. MCS STA Limited, 201, Shatdal Complex, Opp. Bata Show Room, Ahmedabad in respect of their physical share folios, if any.

8. Members desiring any information about accounts at the meeting are requested to write to the Company at least seven days in advance of the Annual General Meeting.

9. The Annual Report 2017-18 is being sent through electronic mode to the members whose email addresses are registered with the Company / Depository Participant(s), unless any member has requested for a physical copy of the report. For members who have not registered their email address, physical copies of the Annual Report 2017-18 are being sent by the permitted mode. The notice of the 55th AGM and instructions for e-voting, along with the Attendance Slip and Proxy form, is being sent by electronic mode to all members whose email addresses are registered with the Company / Depository Participant(s), unless member has requested for a hard copy of the same. For members who have not registered their email address, physical copies of the documents are being sent by the permitted mode.

10. With a view to using natural resources responsibly, we request shareholders to update their email address, with their Depository Participants to enable the Company to send communication.

11. The Securities and Exchange Board of India (SEBI) has mandated the submission of the Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to Depository Participant(s). Members holding shares in physical form are required to submit their PAN details of the company.

12. Members / Proxies are requested to bring a copy of their Annual Report and are also requested to produce the Attendance Slip at the entrance of the Meeting Hall.

13. As per the provisions of Section 72 of the Act and Rule 19(1) of the Companies (Share Capital and Debentures) Rules, 2014, Members holding shares in physical form may file nomination in the prescribed form SH-13 with the Company's Registrar and Share Transfer Agent. In respect of shares held in demat form; the nomination form may be filed with the respective Depository Participant.

14. Securities and Exchange Board of India (SEBI) vide notification dated June 8, 2018 has amended Regulation 40 of SEBI (Listing Obligations and Disclosure Requirements) 2015, mandating transfer of securities only in dematerialized form. Accordingly the company would not be able to accept requests for transfer of securities unless the securities are held in dematerialized form.

15. Reserve Bank of India has initiated NECS (National Electronic Clearing System) facility for credit of dividend directly to the bank account of the members. Hence, members are requested to register their Bank Account details (Core Banking Solutions enabled account number, 9 digit MICR code & 11 digit IFSC code), in respect of shares held in dematerialized form with their respective Depository Participant i.e. the agency where the demat account has been opened and in respect of shares held in physical form with the RTA at the address given in this report. or at the registered office of the Company.

16. Members may send their requests for change / updation of Address, Bank A/c details, ECS mandate, Email address, Nominations:

    (i) For shares held in dematerialised form - to their respective Depository Participant

    (ii) For shares held in physical form - to the RTA at the address given in this report or at the registered office of the Company.

17. Non-Resident Indian members are requested to inform the RTA at the address given in this notice immediately about :

    (i) Change in their residential status on return to India for permanent settlement.

    (ii) Particulars of their bank account maintained in India with complete name, branch, account type, account number and address of the bank with pin code number, if not furnished earlier.

18. Pursuant to the provisions of Sections 124 & 125 of the Companies Act, 2013 read with relevant rules, dividends for the financial year ended 31st March, 2011 which had remained unclaimed for a period of seven years from the date of transfer of the same will have to be transferred to the 'Investor Education and Protection Fund' established by the Central Government. Shareholders who have not encashed the dividend warrant(s) so far for the financial year ended 31st March, 2011 or any subsequent financial years are requested to make their claim to M/s. MCS STA Limited, Ahmedabad,. Shareholders are requested to note that no claims shall lie against the said Fund or the Company in respect of any amounts which were unclaimed for a period of seven years from the dates that they first became due for payment and no payment shall be made in respect of any such claims.

The due dates of transfer of unpaid/unclaimed dividend for various years are as under :-

Sr. No.	Year	Date of Declaration	Due Date of Transfer
1	2010-2011	30.09.2011	30.09.2018
2	2011-2012	28.09.2012	28.09.2019
3	2012-2013	27.09.2013	27.09.2020
4	2013-2014	25.09.2014	25.09.2021
5	2014-2015	29.09.2015	29.09.2022
6	2015-2016	29.09.2016	29.09.2023
7	2016-2017	29.09.2017	29.09.2024

Further, pursuant to the provisions of Section 124 of the Act and Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ("IEPF Rules"), all shares on which dividend has not been paid or claimed for seven consecutive years or more are required to be transferred to an IEPF suspense account. The Company has sent intimation to all such shareholders who have not claimed their dividend for seven consecutive years. All such Shareholders are requested to claim their Unclaimed Dividend expeditiously failing which their shares shall be transferred to IEPF suspense Account and no claim shall lie against the Company. The Shareholders thereafter need to claim their shares from IEPF Authority by filing E-Form-5 and by following such procedures as prescribed in the IEPF Rules (as may be amended from time to time).

19. Green Initiatives:

The Ministry of Corporate Affairs has allowed paperless compliances by companies through electronic mode by providing the same under the Companies Act, 2013 and rules framed there under. The Members can now receive various notices and documents including Annual Reports through electronic mode. Members who have not registered their e-mail address are encouraged to participate in this green initiative by registering their e-mail id for e-communication. Members holding shares in dematerialized form are requested to register / update their e-mail id for e-communication with the Depository Participants, while Members holding shares in physical form are requested to register their e-mail id by sending a request on cosec@gmdcltd.com or mcsstaahmd@gmail.com. Even after registering for e-communication, Member(s) are entitled to receive communication(s) including Annual Report in physical form, free of cost, on receipt of written request for the same. Members may also note that the Annual Report for the financial year 2017-18 together with Notice of the 55th Annual General Meeting, Attendance Slip, Proxy Form and Route Map will also be available on the website of the Company viz. www.gmdcltd.com.

20. Members/Proxies should bring the attendance slip sent herewith duly filled in & signed for attending the Meeting. The copies of the Annual Report or Attendance Slips will not be distributed at the Meeting.

21. Voting through electronic means

The instructions for members for voting electronically are as under:-

As per Sections 107 and 108 of the Companies Act, 2013, read with Companies (Management and Administration) Rules, 2014, facility is provided to the Shareholders for e-Voting through CDSL to enable them to cast their votes electronically on the resolutions mentioned in the Notice of the 55th AGM dated 10th August, 2018. The detailed process, instructions and manner for availing e-Voting facility is shown hereunder :

The Company has fixed saturday, 22nd September, 2018 as a cut-off date to record the entitlement of the Shareholders to cast their votes electronically at the 55th AGM.

(A) SECTION A : E-VOTING PROCESS – SHAREHOLDERS HOLDING SHARES IN DEMAT FORM

(i) Log on to the e-voting website www.evotingindia.com

(ii) Click on "Shareholders" tab.

(iii) Now, select the "GUJARAT MINERAL DEVELOPMENT CORPORATION LIMITED" from the drop down menu and click on "SUBMIT"

(iv) Now Enter your User ID

a. For CDSL: 16 digits beneficiary ID,

b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,

c. Members holding shares in Physical Form should enter Folio Number registered with the Company.

(v) Next enter the Image Verification as displayed and Click on Login.

(vi) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier voting of any company, then your existing password is to be used.

(vii) If you are a first time user follow the steps given below:

	For Members holding shares in Demat Form and Physical Form
PAN	• Enter your 10 digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders).
	• Members who have not updated their PAN with the Company / Depository Participant are requested to use the first two letters of their name and the 8 digits of the sequence number in the PAN field. The Sequence Number is printed on address sticker. • In case the Sequence Number is less than 8 digits enter the applicable number of 0's before the number after the first two characters of the name in CAPITAL letters. Eg. If your name is Ramesh Kumar with sequence number 1 then enter RA00000001 in the PAN field.
DOB/ Dividend Bank Details#	Enter the Date of Birth as recorded in your demat account or in the company records for the said demat account or folio in dd/mm/yyyy format. • Enter the Dividend Bank Details as recorded in your demat account or in the company
	• # Please enter the DOB or Dividend Bank Details in order to login. If the details are not recorded with the depository or company please enter **the number of shares held by you as on the cut off date 22nd September, 2018) in the Dividend Bank details field.**

(viii) After entering these details appropriately, click on "SUBMIT" tab.

(ix) Members holding shares in physical form will then reach directly the Company selection screen. However, members holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.

(x) For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.

(xi) Click on the 180828006 (EVSN) for the relevant GUJARAT MINERAL DEVELOPMENT CORPORATION LIMITED on which you choose to vote.

(xii) On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same the option "YES/NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.

(xiii) Click on the "RESOLUTIONS FILE LINK" if you wish to view the entire Resolution details.

(xiv) After selecting the resolution you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.

(xv) Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote.

(xvi) You can also take out print of the voting done by you by clicking on "Click here to print" option on the Voting page.

(xvii) If Demat account holder has forgotten the changed password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.

(xviii) For Institutional shareholders :

- Institutional shareholders (i.e. other than Individuals, HUF, NRI etc.) are required to log on to https://www.evotingindia.co.in and register themselves as Corporate.
- They should submit a scanned copy of the Registration Form bearing the stamp and sign of the entity to helpdesk.evoting@cdslindia.com.
- After receiving the login details they have to create a user who would be able to link the account(s) which they wish to vote on.
- The list of accounts should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.
- They should upload a scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, in PDF format in the system for the scrutinizer to verify the same.

SECTION-B : E-VOTING PROCESS - SHAREHOLDERS HOLDING SHARES IN PHYSICAL FORM

Please follow all steps from sl. no. (i) to sl. no. (xvi) above to cast vote.

SECTION C : COMMENCEMENT OF E-VOTING PERIOD AND OTHER E-VOTING INSTRUCTIONS

1. The voting period begins on Tuesday, 25th September, 2018 at 9.00 AM and ends on Friday, 28th September,

2018 at 6.00 PM. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date 22nd September, 2018, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

2. The voting rights of Members shall be in proportion to their shares of the paid up equity share capital of the Company as on 22nd September, 2018. (Cut off date)
3. Mr. Sandip Sheth, Practicing Company Secretary (Membership No. FCS 5467), has been appointed as the Scrutinizer to scrutinize the e-voting process (including the Ballot Form received from the Members who do not have access to the e-voting process) in a fair and transparent manner.
4. The facility for voting through ballot will also be made available at the AGM, and members attending the AGM who have not already cast their vote by remote-e-voting will be able to exercise their right at the AGM. Shareholders who have not cast their vote electronically, by remote-e-voting may only cast their vote at the AGM through ballot paper.

2. REVIEW OF THE BUSINESS OPERATIONS

2.1 LIGNITE PROJECTS:

During the year, the Company operated six lignite mines, namely, Panandhro, Mata-No-Madh, Rajpardi, Tadkeshwar, Bhavnagar and Umarsar Lignite Mines. During the year under review, 106.01 lakh MT of lignite were produced from these mines. The mine-wise production figures are as follows:

Sr. No.	Name of mine	Lignite production in lakh MT
1	Panandhro	11.53
2	Mata-No-Madh	39.19
3	Tadkeshwar	15.92
4	Rajpardi	10.58
5	Bhavnagar	12.77
6	Umarsar	16.01
	Total	**106.01**

2.2 POWER PROJECT – NANI CHHER

During the year under review, 2 x 125 MW Akrimota Thermal Power Station is running successfully. This year the Power Plant generated 1360 MUs having 62.107% PLF.

2.3 WIND AND SOLAR POWER

Wind Farm Projects of 200.9 MW are situated at different locations in Gujarat and 5 MW Solar Power Project is situated at Panandhro Lignite Project, which are running satisfactorily. The 150.9 MW Wind Projects have achieved 23% PLF (Plant Load Factor) and Rojmal 50 MW Wind project achieved 15% PLF, whereas Solar Project is running at 15% CUF (Capacity Utilization Factor).

2.4 BAUXITE

2.4.1. Gadhsisa Group of Bauxite Mines – Kutch

In the Financial year 2017-18, Company has sold 886.75 MT of (>52% Al_2O_3) Plant Grade Bauxite and 2,80,749.06 MT of (<52% Al_2O_3) Non Plant Grade Bauxite along with 18,340.940 MT of mine dust from Gadhsisa group of mine, District Kutch.

2.4 2. MEVASA BAUXITE MINES, DEVBHOOMI DWARKA

In the Financial year 2017-18, Company has sold 484.89 MT (52% Al_2O_3) Plant Grade bauxite and 83,767.61 MT of (52% Al_2O_3) Non Plant Grade bauxite from Mevasa Mine, District DevBhoomi Dwarka.

2.5 FLUORSPAR PROJECT, KADIPANI (DIST. CHHOTAUDEPUR)

GMDC along with M/s. Gujarat Fluorochemicals Limited and M/s Navin Fluorine International Limited is setting up the fluorspar beneficiation plant, a single largest project of 40,000 MTPA capacity at Kadipani. Based on pilot test report, Global tender will be floated for selection of EPC contract. Valuation report for Kadipani assets has been received from Ernst and Young. Based on report, land will be leased on hire basis to JV Company and asset transfer will be carried out in favour of JV Company.

2.6 MANGANESE

In the Financial year 2017-18, Company has sold 52,544.94. MT of Sub grade Manganese Ore from Waste dump of Shivrajpur Project, District Panchmahal.

3. DIVIDEND

Your Directors have pleasure to recommend a dividend of 175% i.e. Rs. 3.50 per share on equity shares. An amount of Rs. 11,130 lakh on paid up equity share capital of Rs. 6,360 lakh shall be paid as dividend.

4. TRANSFER OF UNCLAIMED DIVIDEND TO INVESTOR EDUCATION AND PROTECTION FUND

In terms of Section 124 of The Companies Act, 2013 and applicable provisions of Companies Act, 2013, any unclaimed dividend or unpaid Dividend relating to the financial year 2010-2011 will be transferred to the Investor Education and Protection Fund established by the Central Government on due date. Further, as per the provisions of IEPF Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, the company will also transfer the shares of the shareholders who have not claimed their dividend for a consecutive seven years, The necessary approval and the authorization for this purpose have already been completed, In line with the instructions to be received from Ministry of Corporate Affairs, the company will transfer such shares to IEPF authority,

5. CONTRIBUTION TO CENTRAL EXCHEQUER:

The company has contributed Rs. 20,701.58 Lakh towards income tax for the year under consideration. The company has implemented successfully the Goods and Service Tax Act.

6. SHARE CAPITAL

During the year under review, the issued, subscribed and paid-up share capital remained constant at Rs. 63.60 Crore divided into 31.8 crore equity shares of Rs. 2 each.

7. FINANCE AND TAXATION

Income Tax assessment of the Company has been completed up to the Financial Year 2014-15.

8. INTERNAL AUDIT

M/s G S V & Co. Chartered Accountants and M/s R S Patel & Co., Chartered Accountants are the internal auditors of the company.

9. STATUTORY AUDIT

M/s. S C Ajmera & Co., Chartered Accountants were appointed Statutory Auditors of the Company by the Comptroller & Auditor General of India for the Financial Year 2017-18.

10. AUDIT BY COMPTROLLER AND AUDIT GENERAL OF INDIA (C & AG)

Being a Government Company, the C & AG has carried out supplementary audit of your Company pursuant to Provisions of Section 143 (6) of the Companies Act, 2013. Comments of the C & AG as of views thereto of the management has been given separately in this report under the title "Comments of the Comptroller and Auditor General of India on Financial Statements of GMDC, and on Consolidated Financial Statements of GMDC.

11. COST AUDIT

Shri Manish B. Analkat was appointed as Cost Auditors of the Company for the year 2016-17. The Cost Audit Report has been filed on 11.9.2017 for the Financial Year 2016-17.

12. SECRETARIAL AUDIT

Pursuant to the provisions of Section 204 of the Companies Act, 2013, the Company has appointed M/s. Gaudana & Gaudana, Company Secretary in Practice to undertake the Secretarial Audit of the Company for the year 2017-18.

13. STATUS OF VARIOUS JOINT VENTURES

13.1 Naini Coal Company Limited

Naini coal Block was allocated jointly to the Company and Pondicherry Industrial Promotion Development & Investment Corporation Limited (PIPDICL) and to develop the Coal Block, Naini Coal Company Limited was incorporated as the joint venture company. Due to slow progress on the project because of non-receipt of PL approval from Govt. of Odisha, Ministry of Coal, Govt. of India, de-allocated the block, invoking 50% of the Bank Guarantee. The Hon'ble Supreme Court of India has cancelled all the allocated coal blocks which include Naini Coal Block also. Hence this joint venture will be closed in due course. GMDC has filed a petition in the Hon'ble High Court and is pending for disposal.

Meanwhile, approval of the State Government is also being sought for closing the company as the same is not required any more.

13.2 Gujarat Credo Mineral Industries Limited

Dry beneficiation of low grade bauxite and Zeolite manufacturing plant has been commissioned.

13.3 Alumina and Aluminium Smelter Plant

Land required for the project has been allocated by Government and part possession has been taken. Process for obtaining possession of remaining portion of land also is under progress. Detailed Project Report for 0.5 Million Ton per Annum plant got prepared by NALCO and is not viable. Hence they had requested GMDC to drop the project for which approval of Govt. of Gujarat has been received.

13.4 Fluorspar Beneficiation Plant

GMDC along with M/s. Gujarat Fluorochemicals Limited and M/s Navin Fluorine International Limited is setting up the fluorspar beneficiation plant, a single largest project of 40,000 MTPA capacity at Kadipani. Based on pilot test report, Global tender will be floated for selection of EPC contract. Valuation report for Kadipani assets has been received from Ernst and Young. Based on report, land will be leased on hire basis to JV Company and asset transfer will be carried out in favour of JV Company.

13.5 Aikya Chemicals Private Limited

Manganese Oxide, Manganese dioxide and Manganese Sulphate plant set by JVC has been commissioned. GMDC has invested Rs. 2.59 crore as equity in the company.

13.6 Bhavnagar Energy Company Limited

GMDC is one of the promoters of Bhavnagar Energy Company Limited. The share of equity of GMDC in BECL is 28.24%. BECL is running 2 x 250 MW power plant at village Padva, Ta. Ghogha, Dist. Bhavnagar.

14. MATERIAL CHANGES AND COMMITMENT IF ANY AFFECTING THE FINANCIAL POSITION OF THE COMPANY OCCURRED BETWEEN THE END OF THE FINANCIAL YEAR TO WHICH THIS FINANCIAL STATEMENT RELATE AND THE DATE OF THE REPORT

No material changes and commitments affecting the financial position of the Company occurred between the end of the financial year to which these financial statements relate and the date of this report.

15. ENVIRONMENT PROGRAMME

Environmental Program refers to the Management of an Organization's Environmental Programs in a Systematic and Planned Manner along with its documentation and implementation.

During the year 2017-18, GMDC has planted total 1,49,283 plants saplings covering 56.35 hectares of mine lease and residential colony areas through State Forest Department, local villagers, societies and departmental labour etc. Grass land has developed in 23 hectares of area. For water conservation, micro drip irrigation system has been installed in 29.08 hectares area of mine lease and residential colony.

Under statutory compliances, Monthly environmental monitoring for air, water and noise pollution is being done through Ministry of Environment and Forests / Gujarat Pollution Control Board approved laboratory as well as in house. Annual Environment Audit in applicable GMDC Projects is being done by GPCB approved Schedule I & II Auditors.

Primary Effluent Treatment Plants (PETP's) have been procured and installed on five major lignite mines of GMDC that will assist in the treatment of acid mine drainage. These ETP's are prefabricated movable structure so can be easily shifted to other location after completion of project. We are using Caustic Lye as neutralizing agent to increase pH which produces less amount of sludge as well also work as alkali coagulant in precipitation of Metals present in effluent. It is automatic plant which automatically adjust its process based on input characteristics of water and all parameters are connected to Cloud Based Technology so that its performance can be monitored from anywhere.

During the year, Financial Assistance has been provided to Gujarat State Forest Department for Community Based Tourism Plan in and around Jambughoda Wildlife Sanctuary. Post Mine Land Use Study based on Remote Sensing / GIS process of Ratadia Nagrecha Bauxite Mine has been conducted. Stage I Forest Clearance has been achieved for 2.7 ha. of area in Tadkeshwar Lignite Project.

To create environmental awareness among all employees and surrounding communities including schools, various environmental awareness programs have been conducted through celebration of World Environment Day and Van Mahotsav in various GMDC projects.

16. INDUSTRIAL RELATIONS, HEALTH AND SAFETY

The relations between the company and its employees continued to be cordial throughout the year. The company is also committed to the health and safety of not only its staff but also of the people engaged through its contractors and community living in and around its project areas. Dispensaries with qualified doctors and para-medical staff are in operation at Panandhro, Akrimota Thermal Power Plant, Rajpardi and Kadipani Projects. Mobile medical vans facilities are also operational at various projects. At every project, GMDC provides ISI & DGMS safety shoes and other safety devices and adopts best safety practices.

The Company is an **OHSAS 18000** certified company. Regular health checkup of employees engaged in Mining and Power segment including employees engaged through contractors, transporters etc. are conducted.

17. PARTICULARS OF EMPLOYEES

GMDC did not have any employee who was employed throughout the financial year and in receipt of remuneration of Rs. 60 lakh or more, or employed for part of the year and in receipt of Rs. 5 lakh or more a month, under Rule 5 (2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014.

The table containing other particulars of employees in accordance with the provisions of Section 197 (1) of the Companies Act, 2013, read with Rule 5 (1) of the Companies (Appointment and Remuneration of

Managerial Personnel) Rules, 2014, is appended at Annexure II to the Board's Report.

18. CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO

Additional information on conservation of energy, technology absorption, foreign exchange earnings and outgo as required by the Section 134 (3) (m) of the Companies Act, 2013 read with Rule, 8 (3) of the Companies (Accounts) Rules, 2014 is annexed as Annexure III and forms part of this report.

19. STATEMENT CONCERNING DEVELOPMENT AND IMPLEMENTATION OF RISK MANAGEMENT POLICY OF THE COMPANY

Looking to the profile of GMDC, i.e. Mining and Power Operations, GMDC has inbuilt risk management practices to address various operational risks. GMDC has standard operating processes for various mining operations in order to mitigate procedures and prevent risk arising out of various operations. GMDC has no external borrowings. Hence, there is no financial risk that can impact GMDC's Financial Position. GMDC primarily deals with natural resources. Hence, Policy of Government may impact GMDC's operational strategy.

GMDC's risk management process revolves around following parameters:

1. Risk Identification and Impact Assessment
2. Risk Evaluation
3. Risk Reporting and Disclosure
4. Risk Mitigation

GMDC has also set up a Risk Management Committee.

ANNEXURE : I

FORM NO. MR-3
SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED ON 31/03/2018
[Pursuant to Section 204(1) of the Companies Act, 2013 and
Rule 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
Gujarat Mineral Development Corporation Limited
(CIN: L14100GJ1963SGC001206)
Khanij Bhavan, Near Gujarat University Ground,
132 Ft. Ring Road,
Vastrapur, Ahmedabad - 380052.

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Gujarat Mineral Development Corporation Limited** (hereinafter referred as the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minutes books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2018 ('Audit Period') complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance- mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2018 according to the provisions of:

(i) The Companies Act, 2013 (the Act) and the rules made thereunder;
(ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
(iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
(iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent to foreign direct investment, overseas direct investment and external commercial borrowings;
(v) The following Regulations and Guidelines prescribed under Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
  (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;
  (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
  (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 and The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;
  (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
  (f) The Securities and Exchange Board of India (Registrar to an Issue and Share transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
  (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulation, 2009;
  (h) The Securities and Exchange Board of India (Buy Back of Securities) Regulations, 1998;
  (i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirement) Regulations, 2015 w.e.f 1st December, 2015.
(vi) Following are some other laws specifically to the Company:
  (a) The Mines Act, 1952;
  (b) The Mines and Minerals (Development and Regulation) Act, 1957;
  (c) The Air (Prevention and Control of Pollution) Act, 1981;
  (d) The Environmental (Protection) Act, 1986;
  (e) The Environmental (Protection) Rules, 1986, amended up to 2008.
  (f) The Hazardous Waste (Management & handling) Rules, 1989

(g) The Noise pollution (Regulation & Control) Rules, 2000;
(h) The Electricity Act, 2003.
(i) The Employees Provident Fund and Miscellaneous Provisions Act, 1952
(j) The Payment of Gratuity Act, 1972

ANNEXURE : II

PARTICULARS OF EMPLOYEES

Information as per Rule 5 (1) of Chapter XIII,

Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014

GMDC is a Government Public Sector Undertaking and a Government Company within the meaning assigned to it under the Companies Act, 2013. Being a Government Company, the Company is bound to follow various orders, instructions and guidelines of Government of Gujarat. Thus, the pay structure of GMDC is adopted from the pay structure of the Government of Gujarat. The Company does not offer any ESOP or any other special recognition payment to its Directors and Key Managerial Personnel. The directors are paid only sitting fees as decided by the Government and out of pocket expenses.

Remuneration paid to Whole Time Director.

Name of the Whole Time Director	**Shri Arun Kumar Solanki, IAS**
Designation	Managing Director
Remuneration in FY 2017-18	Rs. 29,40,187
% increase in remuneration in 2018 as compared to 2017	NA
Ratio of Remuneration to Median Remuneration of Employees	4.85
Ratio of Remuneration to Revenues (FY 2016-17)	Negligible
Ratio of Remuneration to Revenues (FY 2017-18)	Negligible

Remuneration paid to Independent Directors

Company's Independent Directors do not receive any remuneration other than the sitting fees and out of pocket expenses, which are Rs. 7500.00 and Rs. 1,000.00 respectively, per meeting of the Board and its Committees. The sittings fees and out of pocket expenses paid to the independent directors during the year are as under:

Sr No	Particulars	Shri Bhadresh Mehta	Shri Nitin Shukla	Shri S B Dangayach	Prof Shailesh Gandhi
1	Sitting Fees in FY 2017-18 (in Rs.)	60,000	30,000	30,000	22,500
2	% increase in remuneration in 2018 as compared to 2017	NA	NA	NA	NA
3	Ratio of Remuneration to Median Remuneration of Employees	NA	NA	NA	NA
4	Ratio of Remuneration to Revenues (FY 2016-17)	NA	NA	NA	NA
5	Ratio of Remuneration to Revenues (FY 2017-18)	NA	NA	NA	NA

Remuneration of the Key Managerial Personnel (KMP)

Name of the Key Managerial Personnel	**Shri L Kulshrestha**	**Shri Joel Evans**
Designation	Chief General Manager & Chief Financial Officer	Company Secretary
Remuneration in FY 2016-17	Rs. 23,59,563/-	Rs. 12,09,878/-
Remuneration in FY 2017-18	Rs. 27,77,282/-	Rs. 13,77,791/-
% increase in remuneration in 2017-18 as compared to 2016-17	12	10.43
Ratio of Remuneration to Median Remuneration of Employees	4.37	2.20
Ratio of Remuneration to Revenues (FY 2016-17)	Negligible	Negligible
Ratio of Remuneration to Revenues (FY 2017-18)	Negligible	Negligible

The Median Remuneration of Employees (MRE) excluding Whole-Time Director (WTD) was Rs 6,06,000 for financial year 2017-18.

The number of employees on the rolls of the Company as on March 31, 2018 was 1441 (Figure is inclusive of MRW, DRW, employees on contracts and Trainees).

The revenue during FY 2017-18 was Rs. 2070 crore and net profit was Rs. 434.60 crore. The aggregate remuneration to employees excluding WTD increased by 11% over the previous financial year. The aggregate increase in salary of other KMPs was 14.09% in FY 2017-18 over FY 2016-17.

GMDC's market capitalization increased by 10% to Rs. 4388 crore as of March 31, 2018 from Rs. 3986 crore as of March 31, 2017. The Price Earnings Ratio was 10.10 as of March 31, 2018 which is lower by 17.55% as compared to March 31, 2017. The closing price of GMDC's equity shares on the NSE and BSE as of March 31, 2018 was Rs. 123.05 and Rs. 123.35 respectively.

GMDC, being a Government Company, does not have any variable compensation policy. Moreover, it does not have any compensation through ESOP either to the Directors or to its employees.

GMDC's directors (except the Managing Director) are not paid any other remuneration such as bonus, commission etc during any financial year, except the sitting fees and out of pocket expenses. Hence, the remuneration of all the employees of GMDC will be higher than the remuneration received by the Directors. The Managing Directors receives salary as per the Government of Gujarat norms.

ANNEXURE : III

Conservation of Energy, Technology Absorption and Foreign Exchange and Outgo [Section 134 (3) (m) of The Companies Act, 2013 read with Rules 8(3) of The Companies (Accounts) Rules, 2014]

ANNEXURE: VI

REPORT ON CORPORATE GOVERNANCE

(Pursuant to Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 [hereinafter referred to as "Listing Regulations" or "LODR")

Company's philosophy on Code of Governance

GMDC is committed to good governance practices across all the fields where it operates. Being a Government Public Sector Undertaking, GMDC envisages the attainment of the high standards of corporate governance by timely disclosures, transparent accounting policies, responsibility and fairness. The Company is consciously adopting the practices that are transparent and effective. It is its corporate philosophy that good corporate governance practices ultimately results in the enhancement of value for all the stakeholders, be they shareholders, Government, society or business community at large. Its endeavour is to maximize the long term value of the shareholders of the Company.

BOARD-OF-DIRECTORS

Composition

The composition of the Board with reference to the number of Executive, Non-Executive directors and Woman Directors, meets the requirement of Code of Corporate Governance. The Company has an optimum combination of Non-Executive Directors with independent Directors.

The strength of the Board comprised of eight Directors as on 31st March, 2018. The Board members consist of persons with professional expertise and experience in various fields of Finance, Accounts, Management, Law, Labour Welfare etc. Further, being a State Government Public Sector Undertaking, majority Directors are IAS Officers who have possessed professional expertise and are appointed by the Government of Gujarat.

Board's Procedure

Apart from the matters which are to be decided by the Board as per relevant statutes and rules, all major decisions involving large capital expenditure, award of major contracts, mobilization of resources, pricing policies, loans and investments, policy relating to all borrowings and personnel matters including Employees' compensation etc., are decided by the Board.

Shareholding of Non-Executive Director

As on 31st March, 2018, no shares of the Company were held by any Non-Executive Directors.

Performance Evaluation of Independent Directors

The Company has appointed the requisite number of independent directors for a period of five years. Hence, during the period under review, the need for evaluation of performance of independent directors has not yet arisen.

Separate Meetings of the Independent Directors

The Independent Directors hold a Meeting during the year without the attendance of Non-Independent Directors and Members of Management. During the meeting they -

i. review the performance of non-independent directors and the Board as a whole;
ii. review the performance of the Chairperson of the Company, taking into account the views of Executive Directors and Non-Executive Directors;
iii. assess the quality, quantity and timeliness of flow of information between the Company Management and the Board that is necessary for the Board to effectively and reasonably perform their duties.

All the Directors effectively participate and interact in the Meeting. The Chairman has good experience, knowledge and understanding of the Board's functioning. The information flow between the Company's Management and the Board is satisfactory.

Familiarization Programme for Independent Directors

The familiarization programme is organized when a new Independent Director is appointed.

COMMITTEES OF THE BOARD

The Board has constituted the Audit Committee, Stakeholders Relationship Committee, Nomination & Remuneration Committee, CSR Committee and Risk Management Committee as required to be constituted under the provisions of Companies Act, 2013 and Listing Regulations. Apart from abovementioned committees the Board of Directors has also constituted a Tender Committee.

Share Transfer System

In compliance with Listing Regulations, the Company has also delegated the powers of share transfer to the company's Registrar and Share Transfer Agent. All the transfers received are processed by the Company's Share Transfer Agent and a fortnightly report is submitted to the company which is periodically placed before the Board of Directors of the Company.

A qualified Practicing Company Secretary carried out a Reconciliation of Share Capital Audit to reconcile the total admitted capital with NSDL and CDSL and the total issued and listed capital. The audit confirms that the total issued/paid up capital is in agreement with the aggregate of the total number of shares in physical form and the total number of shares in dematerialized form (held with NSDL and CDSL). Pursuant to Clause 47(c) of the Listing Agreement with the stock exchanges (for half year ended on 30th September, 2017) and Regulation 40(9) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (for half year ended on 31st March, 2018), certificates, on half-yearly basis have been issued by a Company Secretary-in-Practice for due compliance of share transfer formalities by the Company.

Report on Corporate Governance:

The Company regularly submits to the Stock Exchanges, within the prescribed period, quarterly reports on Corporate Governance.

CEO / CFO Certificate

Chief Executive Officer and Chief Financial Officer have issued necessary certificate pursuant to the provisions of Listing Regulations and the same is annexed at Annexure B and forms part of this Annual Report.

Compliance Certificate

A certificate from the Practicing Company Secretary is annexed at Annexure C to the Corporate Governance Report and forms part of the Annual Report.

Vigil Mechanism / Whistle Blower Policy

The Company has a Vigil Mechanism/Whistle Blower Policy to deal with instances of fraud and mismanagement, if any. The Company being the Government Company is already covered under the government vigil mechanism. The company, ensures that strict confidentially is maintained while dealing with the concerned. It also ensures that no discrimination is meted out to any person for genially raised concern. The Vigil Mechanism is administered through the HR Department of the company. The policy also has a provision of protection against victimization against Whistle Blower and the policy also provide for direct access to the Chairman of the Audit Committee. The policy is available on the website of the Company, www.gmdcltd.com.

Subsidiary Companies

The Company does not have any material subsidiary whose net worth exceeds 20% of the consolidated net worth, in Holding Company immediately preceding accounting year or has generated 20% of the consolidated income of the company during the previous financial year. Accordingly a policy on material subsidiary has not been formulated.

ANNEXURE A

Declaration regarding compliance of code of conduct by Directors and Senior Management Personnel of the Company.

The company has adopted Code of Conduct for Directors and Senior Management Personnel as per the provisions of Listing Regulations relating to Corporate Governance.

The Directors and Senior Management have affirmed compliance with the said Code during the financial year 2017-18.

For Gujarat Mineral Development Corporation Ltd.

Date : 10th August, 2018 **Arunkumar Solanki, IAS**

Place : Ahmedabad Managing Director

ANNEXURE B

CERTIFICATE BY CEO AND CFO FOR ANNUAL ACCOUNTS 2017-18

A. We have reviewed financial statements and the cash flow statement for the year and that to the best of our knowledge and belief:
   (1) these statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
   (2) these statements together present a true and fair view of the listed entity's affairs and are in compliance with existing accounting standards, applicable laws and regulations.

B. There are, to the best of our knowledge and belief, no transactions entered into by the listed entity during the year which are fraudulent, illegal or violative of the listed entity's code of conduct.

C. We accept responsibility for establishing and maintaining internal controls for financial reporting and that we have evaluated the effectiveness of internal control systems of the listed entity pertaining to financial reporting and we have disclosed to the auditors and the audit committee, deficiencies in the design or operation of such internal controls, if any, of which we are aware and the steps we have taken or propose to take to rectify these deficiencies.

D. We have indicated to the auditors and the Audit committee
   (1) significant changes in internal control over financial reporting during the year;
   (2) significant changes in accounting policies during the year and that the same have been disclosed in the notes to the financial statements; and
   (3) instances of significant fraud of which we have become aware and the involvement therein, if any, of the management or an employee having a significant role in the listed entity's internal control system over financial reporting.

L.Kulshrestha **Arunkumar Solanki, IAS**

Senior General Manager & CFO Managing Director

Nominal Capital: - ₹ 1,500,000,000/-
Paid-up Capital: - ₹ 636,000,000/-

CORPORATE GOVERNANCE COMPLIANCE CERTIFICATE

To,
The Members,
Gujarat Mineral Development Corporation Limited
Khanij Bhavan, 132 Ft. Ring Road,
Near University Ground, Vastrapur,
Ahmedabad – 380 052

We have examined all relevant records of **Gujarat Mineral Development Corporation Limited** for the purpose of certifying compliance of conditions of Corporate Governance, para C of Schedule V read with Regulation 34(3) of Chapter IV of SEBI (Listing Obligations And Disclosure Requirements) Regulations, 2015, for the financial year ended on 31st March, 2018. We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of certification.

The compliance of the conditions of Corporate Governance is the responsibility of the management. Our examination was limited to the procedure and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company. This certificate is neither an assurance as to the future viability of the company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

On the basis of our examination of the records produced, explanation and information furnished, We certify that the Company has complied with all the mandatory conditions of the para C of Schedule V read with Regulation 34(3) of Chapter IV of SEBI (Listing Obligations And Disclosure Requirements) Regulations, 2015.

ANNEXURE : VII

MANAGEMENT DISCUSSIONS AND ANALYSIS

Global Mining Scenario

Metals Price Index rose by 4 % in the 1st quarter, following a 24 % surge in 2017, due to strong global demand and various supply bottlenecks. All metals prices fell in March, 2018 amid rising trade tensions between the United States and China, rising inventories, and weak consumption in China. However, aluminium prices surged in April following U.S. sanctions on Rusal, the world's second largest aluminium producing company.

China produces about 55% of the world's aluminium, and has surplus capacity of mineral reserves. Higher prices should induce demand rationing, and some exports may be directed to locations that can avoid sanctions. Restructuring of Rusal's assets (change of ownership) may allow Rusal to keep producing and exporting aluminium, as well as keep importing and trading its raw materials. Hence, there is considerable uncertainty surrounding the impact of the sanctions on production and trade flows in coming months.

China is expected to play a key role in global metals markets, as it accounts for more than 50% of world metal consumption. The country is expected to continue to reform its mining and processing sectors, while a transition to consumption led economy is expected to slow growth in metals demand. Metals prices are projected to increase 9% in 2018.

(Source: A Commodity Markets Outlook, April, 2018)

Indian Economy & Mining Sector Perspective

As per the second advance estimates of national income released by Central Statistics Office (CSO) on 28th February 2018, the growth of Gross Domestic Product (GDP) at constant market prices for the year 2017-18 is estimated at 6.6 %. The growth rate of GDP was 7.1% in 2016-17 and 8.2% in 2015-16.

The production of the mining sector grew by 2.8 per cent in March 2018.During 2017-18, production of this sector grew by 2.3 per cent, as compared to a growth of 5.3 per cent during 2016-17.

(Source: Ministry of Finance, Department of Economic Affairs, Economic Division, Monthly Economic Report, April, 2018)

FDI up to 100 % is allowed in exploration, mining, minerals processing and metallurgy under the automatic route for all non-fuel and non-atomic minerals including diamonds and precious stones. During April 2000 – December 2017, cumulative FDI inflows into the metals and mining sector stood at US$ 14.005 billion. The sector accounted for 3.81 % of total cumulative FDI inflows during the period April 2000 – December 2017.

(Source: Metal and Mining Report, April 2018, Indian Brand Equity Foundation)

The Gross Value Added (GVA) accrued from mining and quarrying sector at 2011-12 prices for the first quarters of 2017-18 is estimated at Rs. 85,911 crore, indicated a decrease of about 0.7% over that in the same period of previous year. Similarly, the quarterly estimates of GVA (at current prices) for the first quarter of the year 2017-18 is estimated at Rs. 82,270 crore. The mining and quarrying sector contribution (at current price) to GVA accounted for about 2.3 % for the first quarter of the year 2017-18.

(Source: Ministry of Mines Annual Report 2017-18)

India is the 3rd largest producer of coal. Coal production stood at 554.13 million tonnes in FY 2016-17 and 549.5 million tonnes in FY 2017-18 (up to February, 2018). India has the 5th largest estimated coal reserves in the world, standing at 315.149 billion tonnes in FY 2016-17.

(Source: Metal and Mining Report, April 2018, Indian Brand Equity Foundation)

Geological Survey of India (GSI) has augmented coal resource in different states and the total resource of coal of the country stands at 3,15,148.81 million tonnes and that of lignite stands at 44698.14 million tonnes as on 01.04.2017.

(Source: Ministry of Mines Annual Report 2017-18)

According to Ministry of Mines, India has the seventh-largest bauxite reserves which were around 2908.85 million tonnes in FY 2016-17. Aluminium production stood at 1.7 million metric tonnes in FY 2016-17 and 1.67 million metric tonnes in FY 2017-18 (up to

February 2018). India has vast mineral potential with mining leases granted for longer durations of 20 to 30 years.
(Source: Metal and Mining Report, April 2018, Indian Brand Equity Foundation)

India is the world's second-largest producer of cement. The sector's strong expansion over the past decade has been a key contributor to rising coal demand. Cement Production is expected to increase at a CAGR of 5-6% between FY 2016-17 to FY 2019-20. Cement production in India increased from 230.49 million tonnes in FY 2011-12 to 279.81 million tonnes in FY 2016-17. During April 2017-February 2018, cement production stood at 269.32 million tonnes. Cement demand is likely to boost up from the fourth quarter of FY 2017-18, this demand is positively impacted by the housing segment. The State Government of Chattisgarh has auctioned one block of Limestone (Kesla II) in Raipur District having estimated reserves of 215 million tonnes valued at Rs 10,367crore (US$ 1.62 billion), and would earn a cumulative revenue of Rs 11,894 crore (US$ 1.85 billion) to State Government over the lease period.
(Source: Sectoral Report on Cement, April 2018, Indian Brand Equity Foundation)

The power sector accounts for a large share of the consumption of coal in the country. In FY 2016-17, power generation in India was 1160 TWh. Power generation in India expanded at a CAGR of 5.11 % during FY 2007-08 to 2016-17. During April-February 2017-18, power generation stood at 1,100.45 TWh. In March 2018, total power generation capacity stood at 340,526.58 MW. With a huge reserve of coal, around 67 % of total power generation was done through Thermal Power plants, while hydro, renewable and nuclear plants contributed 13.6 %, 17.4 % and 2.1 % respectively in FY 2016-17. In January 2018, utilization capacity of coal and lignite based power plants in India rose to 62.88% from 60.52% in January 2017.
(Source: Metal and Mining Report, April 2018, Indian Brand Equity Foundation)

Industry Structure and Development

The country is endowed with huge resources of many metallic and non-metallic minerals. Mining sector is an important segment of the Indian economy. Since independence, there has been a pronounced growth in the mineral production both in terms of quantity and value. India produces 95 minerals– 4 fuel-related minerals, 10 metallic minerals, 23 non-metallic minerals, 3 atomic mineral and 55 minor minerals (including building and other materials).

The total value of mineral production (excluding atomic & fuel minerals) during 2017-18 has been estimated at Rs. 1,13,541 crore, which shows an increase of about 13% over that of the previous year. During 2017- 18, estimated value for metallic minerals is Rs. 53,029 crore or 47.7% of the total value and non-metallic minerals including minor minerals is Rs. 60,512 crore or 53.3% of the total value.

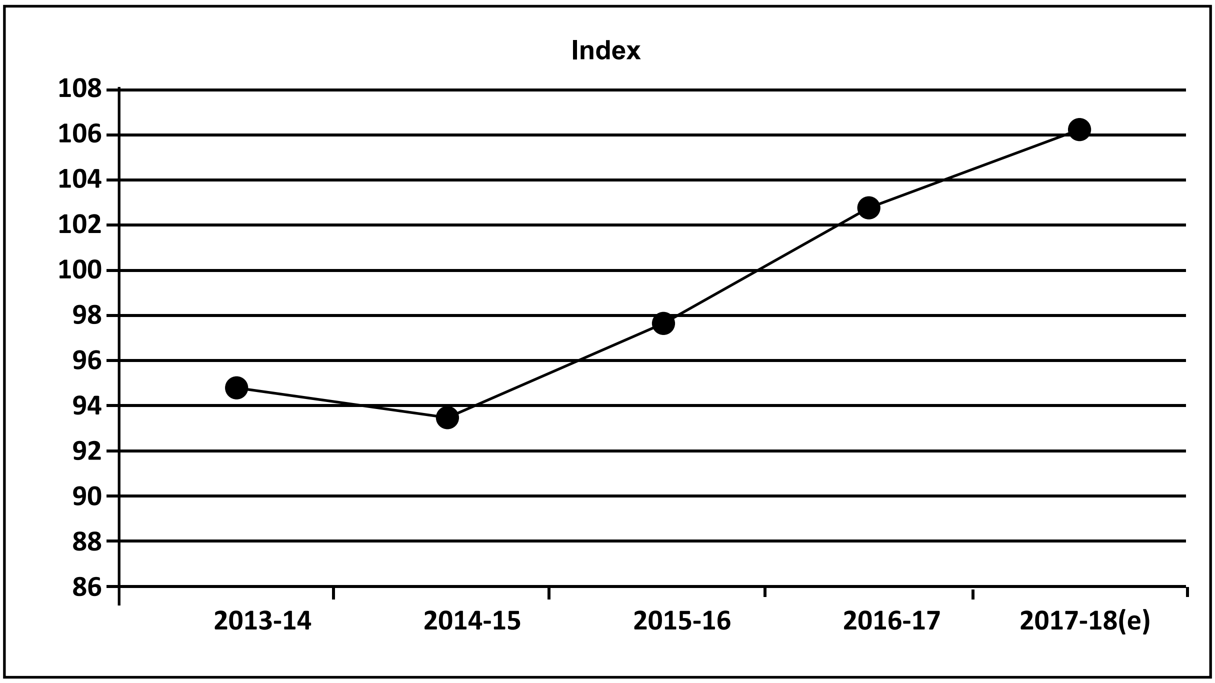
During 2017-18, mineral production was reported from 32 States/Union Territories (actual reporting of MCDR from 22 states and estimation of minor minerals for all 32 States/Union Territories) of which the bulk of value of mineral production (excluding fuel and atomic minerals) of about 93.65% was confined to 10 States. Rajasthan is in leading position, in terms of estimated value of mineral production in the country and had the share of 20.26% in the national output. Next in order was Odisha with a share of 17.77% followed by Andhra Pradesh (9.45%), Chhattisgarh (8.80%), Karnataka (7.83%), Telangana (6.06%), Gujarat (5.66%), Uttar Pradesh (4.98%), Maharashtra (4.67%) and Bihar (3.77%) in the total value of mineral production. Remaining States and Union Territories having individual share of less than 3.0% all together accounted for remaining of total value during the year under review.
(Source: Ministry of Mines Annual Report 2017-18)

In FY18, India had 1,531 operative mines – excluding atomic, fuel and minor mineral mines. During 2011-12 to 2016-17, value of ore and mineral imports into India witnessed a growth of 6.1 %. Due to continuing focus of the government on cutting down the imports of coal, the import demand has now shifted to petcoke. Imports of petcoke are rising due to an increasing number of end users like cement companies opting for petcoke as an alternative to coal. Imports of Iron Ore and Minerals increased at a CAGR of 6.1 % to US$ 21.36 billion in FY17 from US$ 15.89 billion in FY12. The figure stood at US$ 28.14 billion between April 2017 and February 2018. Indian scientists have started exploring the seabed in the Indian Ocean for precious minerals including platinum, gold and silver, thereby marking India's entry into deep sea exploration in the southern India Ocean, where countries such as China, Korea and Germany are already present. During April – December 2017, India's mineral output grew by 6.2 % year-on-year to reach US$ 28.14 billion. The contribution of coal was the highest at around US$ 9.76 billion (34.68%), followed by crude petroleum at US$ 7.56 billion (26.87%), iron-ore at US$ 3.57 billion (12.69%) and natural gas (utilized) at US$ 3.08 billion (10.95%).
(Source: Metal and Mining Report, April - 2018, Indian Brand Equity Foundation)

Index of Mineral Production (base 2011-12 = 100)

Ministry of Statistics and Programme Implementation has shifted the base year of index of mineral production from 2004-05 to 2011-12. Based on the overall trend so far the index of mineral production (base 2011-12 = 100) for the year 2017-18 is estimated to be 105.9 as compared to 102.5 of previous year showing a positive growth of 3.3%.

Index of Mineral Production (Base 2011-12=100)



(Source: Ministry of Mines Annual Report 2017-18)

Lignite Production in FY 2017-18

Sr. No.	Company Name	Production in FY 2017-18 (in Lakh MT)
1	Neyveli Lignite Corporation Limited (NLC)	247.30*
2	Gujarat Mineral Development Corporation Ltd (GMDC)	106.01
3	Rajasthan State Mines and Minerals Limited (RSMML)	10.18

(*Source: Coal Insights Magazine April: 2018)

Favourable Policies are Supporting the Sector Growth

- The MMDR Act of 1957, witnessed amendments in 2015 for the promotion and development of the mining industry in India, that includes making auctions the sole method for the allotment of mineral concessions and mandating the establishment of District Mineral Foundation (DMF).
- FDI of up to 100 % is permitted under the Automatic Route to explore and exploit all non-fuel and non-atomic minerals and process all metals as well as for metallurgy.
- FDI caps for coal and lignite has been increased to 100 % under the automatic route.
- In February 2018, Government of India approved the methodology for auction of coal mines. Auction held under this

methodology will be ascending forward auctions with the bid parameter being Rupees paid to the state government per tonne of actual production. Also, there will be no restriction on sale or utilization of coal.

- Government of India is encouraging private ownership for steel operations and other high priority industry.
- Profits of companies producing specified metals are given tax concession under the Income Tax Act.
- Low custom duty on the capital equipment used for minerals.
- Companies who do mining in backward districts are eligible for complete tax holiday for a period of 5 years from the commencement of production and 30 % tax holiday for 5 years thereafter.
- Government of India significantly reduced the duty payable on finished steel products and has streamlined the associated approval process.
- Focuses on upgradation of the skill sets to foster adaptation of new state of art technology.
- Aims to increase the capacity and quality of training infrastructure and trainers to address human resource needs.

Growth Drivers for Mining Sector

- Rise in infrastructure development and automotive production driving growth in the sector.
- Power and Cement industries also aiding growth in the metals and mining sector.
- Demand for iron and steel is set to continue, given the strong growth expectations for the residential and commercial building industry.
- India holds a fair advantage in cost of production and conversion costs in steel and alumina.
- It's strategic location enables convenient exports to developed as well as the fast developing Asian markets.
- There is significant scope for new mining capacities in iron ore, bauxite, and coal.
- Considerable opportunities for future discoveries of sub-surface deposits.
- The Ministry of Steel aims to increase the steel production capacity to 300 million tonnes by 2030-31 from 128.28 million tonnes in 2016-17 indicating new opportunities in the sector.
- Approval of MMDR Bill (2011) to provide better legislative environment for investment and technology.
- Under the Union Budget 2018-19, the Government added a surcharge of 10 % on aggregate duties of customs on imported goods to strengthen the domestic industry.

(Source: Metal and Mining Report, April 2018, Indian Brand Equity Foundation)

Performance of GMDC (FY 17-18)

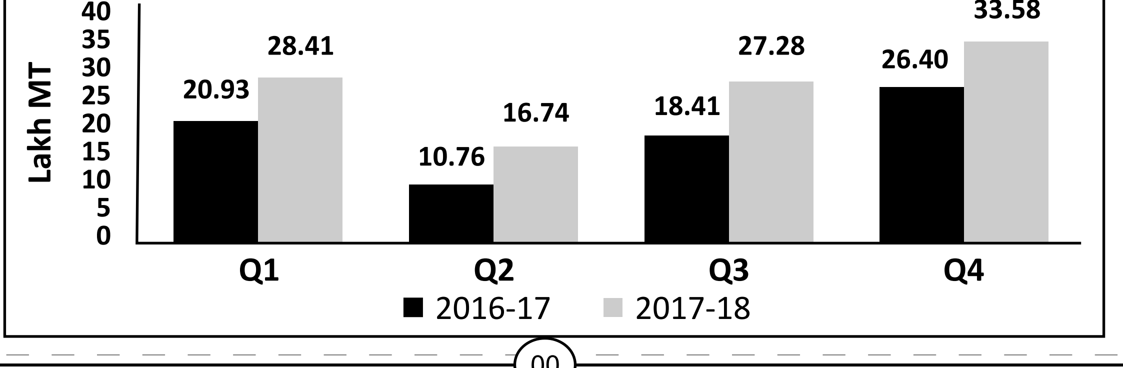
A. Product wise performance

a. Lignite:

Lignite mining continues to be the main operation of the company. GMDC currently has 6 operational Lignite mines with annual production capacity of 90 Lac Tonne per Annum (LTPA). The mines are located in Kutch, South Gujarat and Bhavnagar region. Out of total Profit before Tax (PBT) of the company about 85% is from Lignite Mining Operations.

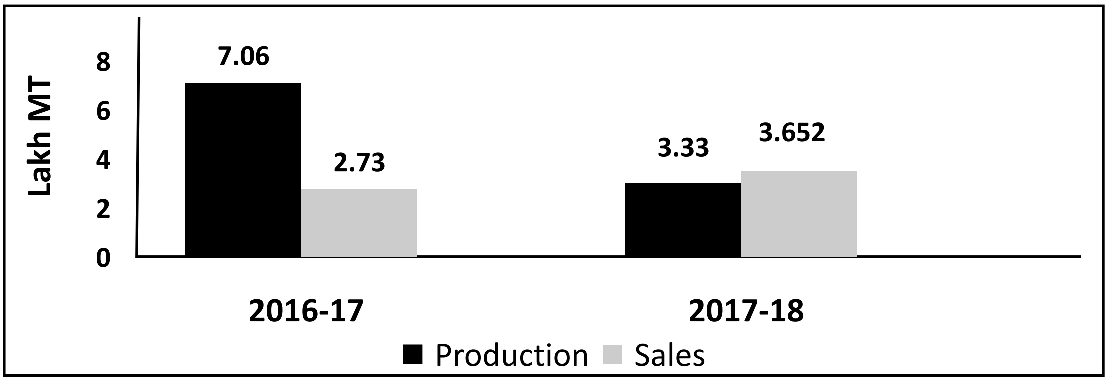
GMDC's six active lignite mines together produced 106.01 lakh Metric Tonnes of lignite during the FY 2017-18. GMDC is the largest merchant seller of Lignite in the country.

Lignite sale of GMDC has increased by nearly 38.5% in FY-2017-18 compared to FY-2016-17



b. Bauxite

Other than Lignite, GMDC is also operating Bauxite mines in Gujarat. The operations are located in the districts of Kutch as well as Devbhoomi Dwarka. The Bauxite deposits of Gujarat are clustered deposits with numerous pocket deposits present in near-by vicinity. GMDC is currently mining nine Bauxite deposits, of which eight are in Kutch and one is in Devbhoomi Dwarka. In FY 2017-18 GMDC has produced 2.609 lakh metric tonnes Bauxite from its eight operating mines (Gadhsisa Group of Bauxite Mines) in Dist. Kutch and has produced 0.729 lakh metric tonnes Bauxite from its Mevasa Bauxite Mines in Dist. Devbhoomi Dwarka.



GMDCs production capacity of Bauxite is likely to be stable in coming years. GMDC envisages to cater the needs of major value addition plants of mineral in the state.

c. Power

GMDC Power Division consists of ATPS Thermal Power Plant, Wind Power Plants and Solar Power Plants. A total 1732 Millions Units of power was produced in the FY 2017-18.

Akrimota Thermal Power Plant: The Generation as well as PLF of ATPS for 2017-18 is 1360 Millions Units and 62.10% PLF respectively. The performance of plant improved with extended AOH of both ATPS unit. The availability of plant is highest during last three years. During last quarter (Q4) of FY 17-18, ATPS has generated 446.267 Millions Units with 82.64 % PLF which is ever height quarterly power generation. Also in month of March-18, Power generation remained 155.242 Million Unit with 83.46 % PLF, which is also ever highest monthly Power generation in ATPS. ATPS received national level runner up award by Mission Energy Foundation New Delhi in the category of Efficient Management of Fly Ash TPP <=500 MW. **Also ATPS won the performance award at national level by Mission Energy Foundation New Delhi in the category of Lignite base Independent Power Plant.**

Wind Power: The PLF of wind projects has reported 21.76% in the FY 2017-18 of 200.9 MW Wind Power Projects. Wind Power generation remained marginally declined due to higher rainfall.

Solar Power: The generation of solar power has generated 6.58 Million Unit Power and PLF remain 15.01%.

d. Exploration Activities

To established behavior of mineral deposit along with quality & quantity of the ore , GMDC initiated mineral exploration practices by study of Satellite Imagery and GIS Technology, Geological Mapping & Geo – physical surveys, Pitting and trenching, Conventional Mineral Exploration by drilling for lignite, Bauxite , Manganese and other associated mineral deposit followed by mineral analysis and preparation of exploration report as per requirement of Ministry of Coal & Ministry of Mines by using latest computer software.

During the year 2016-17-18, We have completed about 35,000 meters of core drilling within allotted Panandhro Extension & Bharkhandam lignite blocks and established about 55 mT of lignite and about 1250 mT of cement grade limestone deposit in western Kutch region , Similarly we have also completed about 20,000 meters of core drilling in Ghala lignite block in Surat district and established lignite reserves of the order of 21 million tones. In addition we have also carry out geological mapping with help of satellite images & GIS technology over possible bauxite & laterite bearing areas in Kutch and established additional bauxite bearing areas for stage – II exploration.

B. Financial performance

The company's profit has increased by 34% from Rs 324.23 Crore to Rs 435 Crores over the past year. Total market capitalisation of the company stands out at Rs. 3922.53 Crore as on 28th March 2018.

(Rs. In Lakh)

Particulars	2015-2016	2016-2017	2017-2018
Turnover	1,21,533	1,58,235	2,06,996
PBT	31,845	44,695	55,692
PAT	22,457	32,520	43,460
Dividend (%)	150	150	175

Opportunities and Threats for GMDC:

Opportunities

- As six mining leases are reserved by central government to GMDC, it will boost the Lignite Production which will help in increasing revenue of GMDC.
- There are large amount of reserves of Limestone at our upcoming Lakhpat Punrajpur Mining, Panandhro Extension & Bharkandam. GMDC is approaching various cement companies across India for setting up of Cement Plant where GMDC will be a long term Limestone supplier.
- As the market of overburden minerals like Silica Sand, Ball Clay & Bentonite is increasing, entering into the beneficiation industry of these overburden minerals will have a larger scope in terms of revenue, customer base and market share. GMDC is planning to enter into this beneficiation Industries by the way of long term supplies of respective minerals.

Threats

- Imported Coal
- Shifting technology from Coal/Lignite to alternate fuels like Natural Gas, FO, etc
- Land acquisition

Outlook

GMDC's measured drive is outlined by extension of activities on three facades, namely, venturing into exploration activities; increasing the geographical reach within Gujarat, and diversifying operations in sectors such as renewable power generation and other minerals. The future outlook of GMDC may include the following :

- To identify and reserve new lignite and bauxite leases within Gujarat
- To establish itself as a nodal agency for exploration in scientific manner within Gujarat as well as India
- To venture into renewable power generation options in its mined out area as reclamation of exhausted projects need to be carried out
- To promote training and development in the mining sector to cater the need of skilled manpower in the sector

Risks and Concerns

Various activities undertaken to achieve the goals make the Company susceptible to various risks. It has to be recognized that risks are not merely the hazards to be avoided but in many cases offer opportunities which create value ultimately leading to enhancement of shareholders' wealth, and ensuring sustainability of operations.

Mining companies are required to ensure restoration of mined areas, and that some of the revenue/costs of the mining go towards strengthening of environmental resources and ecosystem resilience in adjoining areas. GMDC is actively undertaking activities to ensure sustainable development. Increasing environmental concerns will lead to higher costs. Land acquisition is also a challenge for GMDC as the new legal framework for land acquisition would result in higher land cost.

Internal Control and its adequacy

GMDC has put in place all the necessary internal controls adequately. The company has an in-house Internal Audit Department and internal check procedures on the purchase of items such as stores, chemicals, machinery. Similar checks and procedures are also devised for sale of goods. The company has appointed Internal Auditors for various Projects and Head Office, who are required to submit periodical reports to the top management. The company also avails services of professional and Chartered Accountants for physical verification of assets.

Human Resource and Industrial Relations

During the year under review there was no material development in human resource and industrial relations. The Company had harmonious relations between management and the employees. As on 31st March, 2018, the Company had 1441 employees.

Cautionary Statement

Statements in the Management Discussion and Analysis, describing the Company's objectives, projections and estimates, contain words or phrases such as will, aim, believe, expect, intend, estimate, plan, objective, contemplate, project and similar expressions or variations of such expressions, are forward-looking and progressive within the meaning of applicable laws and regulations. Actual results may vary materially from those expressed or implied by the forward looking statements due to risks or uncertainties associated therewith depending upon economic conditions, Government policies and other incidental factors. Readers are cautioned not to place undue reliance on these forward looking statements.

******

ANNEXURE : VIII

ANNUAL REPORT ON CSR ACTIVITIES FOR FY2017-18

1. **Brief Outline:**

   The company's policy for Corporate Social Responsibility is to "Continually endeavor to improve quality of life significantly in project affected areas and surrounding area by focusing on areas like livelihood promotions, basic infrastructure development, education, sports, health & sanitation, safe drinking water, employment by skill development and training, women empowerment, girl child education, incubation of future entrepreneurs, rural development projects and also caring for socially and economically backward groups.

   Also for environment, ensuring environment sustainability, ecological balance, protection of flora and fauna, animal welfare, agro-forestry, conservation of natural resources and maintaining quality of soil, air and water."

2. **The Composition of the Corporate Social Responsibility Committee:**

   i. Shri Arunkumar Solanki, IAS, MD - Chairman

   ii. Shri Sanjeev Kumar, IAS, Director - Member

   iii. Shri Bhadresh Mehta, Independent Director - Member

3. **Average Net Profit of the Company for last three Financial Year:**

   Rs. 466.50 Crore

4. **CSR Expenditure:** Rs. 9.33 Crore

5. **Details of CSR Spent during the Financial Year 2017-18:**

   i. Total amount to be spent for the Financial Year 2017-18: Rs. 9.33 Crore

   ii. Amount unspent, if any: NIL

   iii. Manner in which the amount spent during the financial year is detailed below: (Rs. in Lakh)

(Rs. in Lakh)

Sr. No.	CSR Project or Activity Identified	Sector in which the project cost is covered	Projects or programs (1) Local area or other (2) Specify the state and district where projects or programs were undertaken	Amount outlay (Budget) project or programs wise	Amount spent on the projects or programs subheads : (1) Direct expenditure on projects or programs (2) overheads	Cumulative expenditure upto the reporting period	Amount spent Direct or through implementing Agency

ANNEXURE IX

BUSINESS RESPONSIBILITY REPORT

[See Regulation 34(2)(f) of SEBI (LODR) Regulations 2015]

SECTION A: GENERAL INFORMATION ABOUT THE COMPANY

1. Corporate Identity Number (CIN) of the Company : L14100GJ1963SGC001206
2. Name of the Company : Gujarat Mineral Development Corporation Ltd.
3. Registered address : Khanij Bhavan, 132 ft Ring Road, Nr. University Ground, Vastrapur, Ahmedabad 52.
4. Website : www.gmdcltd.com
5. E-mail id : cosec@gmdcltd.com
6. Financial Year reported : 2017-18
7. Sector(s) that the Company is engaged in (industrial activity code-wise) : Mining
8. List three key products/services that the Company manufactures/provides (as in balance sheet) : Lignite
9. Total number of locations where business activity is undertaken by the Company
   a) Number of International Locations (Provide details of major 5) : Nil
   b) Number of National Locations : Nil
10. Markets served by the Company – State

SECTION B: FINANCIAL DETAILS OF THE COMPANY

1. Paid up Capital (INR) : Rs. 63.60 crore
2. Total Turnover (INR) : Rs. 2070.00 crore
3. Total profit after taxes (INR) : Rs. 434.60 crore
4. Total Spending on Corporate Social Responsibility (CSR) as percentage of profit after tax (%) : 5.04%. Further disclosures as required under Section 135 of the Companies Act, 2013 read with the applicable rules are made in the Annual Report for the year 2017-18.
5. List of activities in which expenditure in 4 above has been incurred:-

   The above expenditure has been, inter alia, incurred on the following activities :
   a) Health & Sanitation
   b) Water
   c) Environment
   d) Art, Culture & History
   e) Education
   f) Rural Infrastructure and development

SECTION C: OTHER DETAILS

1. Does the Company have any Subsidiary Company/ Companies? No.
2. Do the Subsidiary Company/Companies participate in the Business Responsibility (BR) Initiatives of the parent company? If yes, then indicate the number of such subsidiary company(s). : Not applicable

S. no. 3	Does the policy conform to any national / international standards? If yes, specify? (50 words)
P1	The company, being a Government company, has a Vigilance Policy as per the Government guidelines and also has vigilance wing as part of its over all HR Department set up. Apart from this the Company also has a Whistle Blower Policy and a code of conduct. The Whistle Blower Policy and code of conduct confirms to the requirements as stipulated by the Companies Act, 2013 and SEBI (LODR) Regulations, 2015. The company also has detailed service rules for its employees which include anti bribery and anti corruption provisions. Over and above, the Company is also prone to Right to Information Act, 2005.
P2	The company carries out its mining operations within the regulatory framework with all environmental sensibilities. The company also promotes inclusive growth and has its operations in some of the remotest regions of the state. The Company has a Corporate Social Responsibility Policy which can be viewed on the weblink http://www.gmdcltd.com/downloads/csr_policy.pdf
P3	In order to promote the employee welfare, the company provides welfare amenities to employees such as residential quarters at projects, schools both English medium and Gujarati medium at select projects, hospital facilities, medical facilities, play ground, both for outdoor and indoor games etc, at these remote locations. For the benefits of employees, the company has also created a facility of Employee Recreation Club at all its project locations and conducts a biannual Cultural cum Sports Olympiads for bringing out the hidden talents of its employees and their family members.
P4	Being a State Public Sector enterprise, the company's operational outlook is Socio Economic in nature. The company's mining operations are located in either the underdeveloped or desert or tribal belt of the State of Gujarat. The company has always endeavored to bring this marginalized section of the society into the mainstream of development by creating direct and indirect employment opportunities for both men and women of these areas. Not only this, through a holistic CSR interventions, the company has reached out to the rural masses. Not only this, the company constantly endeavors to have an inclusive approach towards mineral development.
P5	The Company is a State and is a Government Company. Therefore the company follows the constitutional mandate on human rights.
P6	The company has adopted an Environment Policy which can be viewed on the weblink : http://www.gmdcltd.com/downloads/env_policy_09042011.pdf. Environment management is a very important part of mining industry and GMDC follows best practices towards reclamation and restoration of mined out areas. GMDC has adopted all measures to control the Air, Water, Noise & Land pollution. The company maintains a full fledged Environment Department with well qualified environment engineers and well equipped testing laboratories at its major mining projects. There is a system of constant environment monitoring and control.
P7	While there is no specific policy for this purpose, the company puts forth its suggestions and views through trade bodies like Federation of Indian Mineral Industries, Mining Engineers' Association of India, Gujarat Mineral Industries Association. Company's operational and sales policies are sensitive towards the requirement of fuel within the state by small and medium enterprises in particular.
P8	GMDC is painstakingly cultivating a culture of building good relations with the community among which it operates, be it through acquisition of mining land, resettlement and rehabilitation of project affected persons or the nurture of fragile environment in which it undertakes mining or provision of needful assistance to its neighbours. As a corporate philosophy, GMDC has been responding to the various societal needs of remote

rural areas from where mineral wealth is generated and has been lending a helping hand. Be it environmental needs, developmental needs in the form of employment generation, education, health care, water, sanitation, women empowerment or critical need at the time of natural disasters, GMDC has chosen to respond responsibly. In line with the requirement of Companies Act, 2013, the CSR Policy of GMDC is framed and can be viewed at http://www.gmdcltd.com/downloads/csr_policy.pdf

P9 The company is a critical supplier of an alternative fuel of lignite to the industrial units operating in the State of Gujarat. The company's customers span from major manufacturers of textiles to small time brick manufacturers. The company attempts to distribute the natural resources in the most optimal manner to these customers at affordable prices. The company also saves the state from critical foreign exchange outflow, as the fuel supply is available to the industry in an assured, timely and cost effective manner. The online customer care portal of the company facilitates faster and effective customer reach out. Not only this, the company conducts on site and off site customer meets and customer satisfaction surveys for understanding the need and fuel preferences of customers.

b) If answer to the question at serial number 1 against any principle, is 'No', please explain why: (Tick up to 2 options)

No.	Questions	P1	P2	P3	P4	P5	P6	P7	P8	P9

3. Governance related to BR

a) Indicate the frequency with which the Board of Directors, Committee of the Board or CEO to assess the BR performance of the Company. : Annually

b) Does the Company publish a BR or a Sustainability Report? What is the hyperlink for viewing this report? How frequently it is published?

The company had prepared a Sustainability Report. Please check GMDC website link : http://www.gmdcltd.com/downloads/GMDC-Sustainability-Report-03062017.pdf

SECTION E: PRINCIPLE-WISE PERFORMANCE

Principle 1: Businesses should conduct and govern themselves with Ethics, Transparency and Accountability

1. Does the policy relating to ethics, bribery and corruption cover only the company? Yes/ ~~No~~. Does it extend to the Group/Joint Ventures/ Suppliers/Contractors/NGOs /Others? Yes

2. How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management? If so, provide details thereof, in about 50 words or so.

   During the year under report, no such complaints have been received by the Company.

Principle 2: Businesses should provide goods and services that are safe and contribute to sustainability throughout their life cycle

1. List up to 3 of your products or services whose design has incorporated social or environmental concerns, risks and/or opportunities.

   a) Energy generation through Wind Power

   b) Energy generation through Solar Power

2. For each such product, provide the following details in respect of resource use (energy, water, raw material etc.) per unit of product(optional):

a. Reduction during sourcing/production/ distribution achieved since the previous year throughout the value chain?

b. Reduction during usage by consumers (energy, water) has been achieved since the previous year?

3. Does the company have procedures in place for sustainable sourcing (including transportation)?

   The company is actually in the business of supply of mineral to the industries situated within the state of Gujarat.

4. Has the company taken any steps to procure goods and services from local & small producers, including communities surrounding their place of work?

   The company, being a government company, has special provisions for sourcing goods from small and medium enterprises. Various services like plantations, labour, security services etc. are procured on outsourced basis through participation of local communities and local villagers.

5. Does the company have a mechanism to recycle products and waste? If yes what is the percentage of recycling of products and waste (separately as <5%, 5-10%, >10%). Also, provide details thereof, in about 50 words or so.

   GMDC takes care of mineral conservation and hence, the overburden which is produced during the mining operations of lignite is properly stacked and is sold for value addition (like silica sand, ball clay, bentonite, limestone).

Principle 3: Businesses should promote the wellbeing of all employees

1	Total number of employees.	1441
2	Total number of employees hired on temporary/contractual/casual basis.	33
3	Number of permanent women employees.	129
4	Number of permanent employees with disabilities	15
5	Name of employee association that is recognized by management. (a) Gujarat Rajya Khanij Karmachari Sangh (b) GMDC Karmachari Sangh (BMS)	Yes
6	Percentage of permanent employees who are members of this recognized employee association	71%

7. Number of complaints relating to child labour, forced labour, involuntary labour, sexual harassment in the last financial year and pending, as on the end of the financial year.

No.	Category	No. of Complaints filed during the financial year	No. of complaints pending as on end of the financial year
1	Child labour/forced labour/involuntary labour	Nil	Nil
2	Sexual harassment	Nil	Nil
3	Discriminatory employment	Nil	Nil

8. Percentage of under mentioned employees who were given safety & skill up-gradation training in the last year?

a)	Permanent Employees	43 %
b)	Permanent Women Employees	19 %
c)	Casual/Temporary/Contractual Employees	100 %
d)	Employees with Disabilities	26 %

Principle 4: Businesses should respect the interests of, and be responsive towards all stakeholders, especially those who are disadvantaged, vulnerable and marginalized.

1. Has the company mapped its internal and external stakeholders? Yes/~~No~~
2. Out of the above, has the company identified the disadvantaged, vulnerable & marginalized stakeholders.Please indicate the total number of employees hired on temporary/contractual/casual basis.

   The company being a Government Company, is required to follow the reservation policy of the State Government. The Company maintains roster and as per the roster, the company employs employees in the category of scheduled castes, scheduled tribes, other backward classes. Not only this, the company also currently has hired Monthly Rated Workers at various projects who are local people without any specialized skill but they carry out various work such as plantations, office peons, office cleaners etc.
3. Are there any special initiatives taken by the company to engage with the disadvantaged, vulnerable and marginalized stakeholders. If so, provide details thereof, in about 50 words or so.

   The Company being a Government company, follows the Government policy on reservation in public employment, as may be applicable from time to time.

1. Does the policy related to Principle 6 cover only the company or extends to the Group/Joint Ventures/Suppliers/Contractors/NGOs/others.

   The policy extends to the company.
2. Does the company have strategies/ initiatives to address global environmental issues such as climate change, global warming, etc? Y/N. If yes, please give hyperlink for webpage etc.

   Yes. It is within GMDC's Environment Policy itself. GMDC believes in Clean Energy and reduction in Carbon Foot prints. Please check the GMDC website link : **http://www.gmdcltd.com/social-and-environment/environment.aspx**
3. Does the company identify and assess potential environmental risks? Y/N

   Yes. GMDC's all operational projects are certified in ISO 9001, 14001 & OHSAS 18001.
4. Does the company have any project related to Clean Development Mechanism? If so, provide details thereof, in about 50 words or so. Also, if Yes, whether any environmental compliance report is filed?

   The company does not have a project related to Clean Development Mechanism.
5. Has the company undertaken any other initiatives on – clean technology, energy efficiency, renewable energy, etc. Y/N. If yes, please give hyperlink for web page etc.

   The company has set up 200.9 MW wind power project. Moreover, the company has also set up a 5 MW solar power project on the mined out reclaimed area at its Panandhro Lignite Project. Please check the GMDC website link : http://www.gmdcltd.com/projects/power.aspx
6. Are the Emissions/Waste generated by the company within the permissible limits given by CPCB/SPCB for the financial year being reported?

   Yes.

7. Number of show cause/ legal notices received from CPCB/SPCB which are pending (i.e. not resolved to satisfaction) as on end of Financial Year.

   NIL

Principle 7: Businesses, when engaged in influencing public and regulatory policy, should do so in a responsible manner (business development cell)

1. Is your company a member of any trade and chamber or association? If Yes, Name only those major ones that your business deals with:

   a. Federation of Indian Mineral Industries

   b. Gujarat Chamber of Commerce and Industries

   c. GUJMIN Industries Association

2. Have you advocated/lobbied through above associations for the advancement or improvement of public good? ~~Yes~~/No; if yes specify the broad areas (drop box: Governance and Administration, Economic Reforms, Inclusive Development Policies, Energy security, Water, Food Security, Sustainable Business Principles, Others)

Principle 8: Businesses should support inclusive growth and equitable development (business development cell)

1. Does the company have specified programmes/initiatives/projects in pursuit of the policy related to Principle 8? If yes details thereof.

   (a) Semi annual financial assistance to girl students residing in core zone villages of GMDC projects

   (b) Operation and Maintenance of Shyamji Krishna Varma Memorial at village Maska, in Mandvi Taluka of Kutch District.

   (c) Providing Mobile Dispensaries with Doctors and medicines to the core zone villages of GMDC

   (d) Smart Anganwadis in core zone villages of GMDC.

2. Are the programmes/projects undertaken through in-house team/own foundation/external NGO/government structures/any other organization?

   The company undertakes its community development programmes under CSR initiatives are undertaken under the aeigis of GMDC Gramya Vikas Trust. In many instances, the company dovetails the Government Schemes with additional inputs to its core zone villages.

3. Have you done any impact assessment of your initiative?

   Impact assessment studies of GMDC's CSR intitatives at Mata no Madh and Tadkeshwar Lignite Project was carried out by Gujarat Institute of Desert Ecology.

4. What is your company's direct contribution to community development projects- Amount in INR and the details of the projects undertaken.

   The details of spending on CSR is published elsewhere as part of this Annual Report.

5. Have you taken steps to ensure that this community development initiative is successfully adopted by the community? Please explain in 50 words, or so.

   The company constantly endeavors to ensure that the community initiatives undertaken by it are successfully adopted by the community. The educational facilities provided by the company are being utilized by the local community. The health care facilities, the mobile health services, the semi annual financial assistance to girl students of core zone villages, the micro irrigation scheme, are successfully adopted by the community within which the company operates.

3. Is there any case filed by any stakeholder against the company regarding unfair trade practices, irresponsible advertising and/or anti-competitive behaviour during the last five years and pending as on end of financial year. If so, provide details thereof, in about 50 words or so : NIL

4. Did your company carry out any consumer survey/ consumer satisfaction trends? Yes

INDEPENDENT AUDITORS' REPORT

To

The Members of

Gujarat Mineral Development Corporation Limited

Report on the Standalone Ind AS Financial Statements

We have audited the accompanying standalone Ind AS financial statements of G**ujarat Mineral Development Corporation Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2018, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as "standalone Ind AS financial statements").

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with relevant rules issued there under.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under. We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the financial position of the Company as at 31st March, 2018, and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Emphasis of Matter

We draw attention to note no. 2.49 of the standalone financial statements wherein the company was using CERC (Terms & Conditions of Tariff) Regulations for depreciating its Wind, Solar and Thermal power plant assets. For all other assets, depreciation was being calculated as per Schedule II of the Companies Act, 2013. From 1st April, 2017, the company has discontinued to follow CERC regulations for depreciating the power plant assets and has charged deprecation based on useful life as prescribed in Schedule II of the Companies Act,2013 and accordingly, has estimated the useful life of the power plant assets.

The said change of estimate has resulted in decrease in total depreciation to the tune of Rs. 6225.37 lakhs for the year ended 31st March, 2018 and increase in profit before tax for the year ended that date by the same amount.

The above change in estimate would also have impact on future accounting periods for which estimation is currently impracticable.

Our opinion on the standalone Ind AS financial statements, and our Report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure 'A', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. In terms of Section 143(5) of the Act, we give in Annexure '2(i) & 2(ii)' a statement on the directions issued under the aforesaid section by the Comptroller and Auditor General of India.
3. As required by Section 143 (3) of the Act, we report that:
   a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
   b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
   c) The Balance Sheet, the Statement of Profit and Loss, the Cash Flow Statement and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
   d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act read with relevant rule issued there under.
   e) On the basis of the written representations received from the directors as on 31st March, 2018, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2018, from being appointed as a director in terms of Section 164 (2) of the Act.
   f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure B'.
   g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
      i. The Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements- Refer Note 2.37 to the Standalone Ind AS financial statements.
      ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
      iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE 'A' TO THE AUDITORS' REPORT
(Referred to Para (1) our Report of even date)

The Annexure referred to in Independent Auditors' Report to the members of Gujarat Mineral Development Corporation Limited ("the Company") on the standalone Ind AS financial statements for the year ended 31 March, 2018.

We report that:

i. In respect of Fixed Assets

a. The company has maintained proper records showing full particulars, including quantitative details and situation of its fixed assets.

b. The Company has a program of physical verification of its fixed assets by which fixed assets are verified at reasonable intervals. In accordance with this program, fixed assets were verified during the year and discrepancies which were noticed on such verification were properly dealt with in the books of accounts.

c. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the company.

ii. In respect of Inventory

a. The physical verification of inventory has been conducted at reasonable intervals by the Management.

b. The procedure of physical verification of inventory followed by the management is reasonable and adequate in relation to the size of company and the nature of its business.

c. The company has maintained proper records of inventory. The discrepancies noticed on such verification between the physical stock and book stock were not material and the same have been properly dealt with in the books of accounts.

iii. The company has not granted any loans, secured or unsecured to companies, firms or other parties covered in the register maintained under section 189 of the Companies Act, 2013. Therefore requirement of clauses (iii) of the paragraph 3 of the order is not applicable to the company.

iv. In respect of loans, investments, guarantees, and security, provisions of section 185 and 186 of the Companies Act, 2013 have been complied with.

v. The company has not accepted any deposits during the year as per the directives issued by the Reserve Bank of India and within the meaning of the provisions of sections 73 to 76 and other relevant provisions of the Companies Act and the rules framed there under, where applicable. Thus, the clause (v) of paragraph 3 of the order is not applicable to the company.

vi. In pursuant to the order made by the Central Government for the maintenance of cost records under sub section (1) of section 148 of the Companies Act, 2013, the company has made and maintained the prescribed accounts and records.

vii. In respect of statutory dues

a. According to the information and explanations given to us, and on the basis of our examination, the company is generally regular in depositing undisputed statutory dues including provident fund, Investor Education and Protection Fund, Employee's State Insurance, Income Tax, Goods and Service Tax, Sales Tax, Wealth Tax, Service Tax, Duty of Excise, Value Added Tax and Cess and any other statutory dues with appropriate authorities.

b. The details of excise duty, service tax, income tax and sales tax/VAT not deposited on account of dispute are as under:

Name of Statue	Nature of the Dues	Period to which the amount relates	Amount (Rs. In Lakh)	Forum where dispute is pending
Commercial tax	Sales tax/VAT	1995-96	98.92	Appellate Tribunal
Commercial tax	Sales tax/VAT	1997-98	2.45	Appellate Tribunal
Commercial tax	CST	1997-98	4.26	Appellate Tribunal
Service Tax	Service Tax	Jan-14 Nov-15	0.65	Appellate Tribunal
Service Tax	Service Tax	Dec-15 to Aug 16	0.39	Appellate Tribunal
Central Excise Act, 1944	Excise	Jan 14-Dec 14	16.03	Appellate Tribunal
Central Excise Act, 1944	Excise	May 15-Jan 16	1.23	Appellate Tribunal
Central Excise Act, 1944	Excise	Mar 11-April 15	38.77	Appellate Tribunal
Central Excise Act, 1944	Excise	2015-16	450.58	Appellate Tribunal

viii. The Company does not have any loans or borrowings from any financial institution, banks, government or debenture holders during the year.

ix. The company has not raised any money by way of initial public offer or further public offer (including debt instruments) or taken any term loan during the year.

x. According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.

xi. According to the information and explanations give to us, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.

xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company.

xiii. According to the information and explanations given to us, all transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, 2013 where ever applicable and the details have been disclosed in the standalone Ind AS Financial Statements etc. as required by the applicable Indian Accounting Standards.

xiv. According to the information and explanations give to us and based on our examination of the records of the Company, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review.

xv. According to the information and explanations give to us and based on our examination of the records of the Company, the company has not entered into non-cash transactions with directors or persons connected with them during the year.

xvi. The company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

ANNEXURE 'B' TO THE AUDITORS' REPORT
Report on Internal Financial Controls over Financial Reporting

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Gujarat Development Mineral Corporation Limited** ("the Company") as of March 31, 2018, in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and

expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and

3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA

Comment of the Comptroller and Auditor General of India under Section 143 (6) (b) of the Companies Act, 2013 on standalone financial statements of Gujarat Mineral Development Corporation Limited, Ahmedabad for the year ended 31 March 2018.

The preparation of standalone financial statements of Gujarat Mineral Development Corporation Limited, Ahmedabad for the year ended 31 March 2018 in accordance with the financial reporting framework prescribed under the Companies Act, 2013(Act) is the responsibility of the Management of the Company. The Statutory Auditors appointed by the Comptroller and Audit General of India under Section 139(5) of the Act are responsible for expressing opinion on the financial statements under Section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under Section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 09 May 2018.

I, on behalf of the Comptroller and Audit General of India, have conducted a supplementary audit under Section 143(6) (a) of the Act of the financial statements of Gujarat Mineral Development Corporation Limited for the year ended 31 March 2018. This supplementary audit has been carried out independently without access to the working papers of the Statutory Auditors and is limited primarily to inquiries of the Statutory Auditors and Company personnel and a selective examination of some of the accounting records. Based on my supplementary audit, I would like to highlight the following significant matters under Section 143(6) (b) of the Act which have come to my attention and which in my view are necessary for enabling a better understanding of the financial statements and the related Audit Report.

Comments of C&AG	Reply by the Management
A. Comments on Financial Position **1. Balance Sheet** **Property, Plant and Equipment** **(Note No.2.01) – ₹ 1731.53 Crore** **Land – free hold – ₹ 40.68 Crore**	
Gujarat Mineral Development Corporation Limited (GMDC) identified (year 2008) Government land for construction of residential colony for “Mata No Madh lignite project”. GMDC took advance possession (in year 2010) of said land after payment of ₹ 1.03 crore with condition that if any additional payment for this land would be decided/fixed by Government, GMDC will make such payment to Collectorate- Kutch. GMDC accorded approval (May 2016) for additional payment of ₹ 1.14 crore to Collector- Kutch. State Level land valuation Committee fixed the rate of the said land @ ₹ 1530/- per Sq. mtr. District Collector-Kutch informed GMDC for submission of payment/consent letter for balance amount of ₹ 2.42 crore along with applicable interest @ 8% from the date of possession. Though Board of Directors accorded (9 August 2017) approval for payment of remaining amount of ₹ 2.42 crore along with applicable interest (if any) to Collector office-Kutch, the Company had not provided for liabilities of ₹ 3.56 crore in the financial statements for the year 2017-18. This has resulted in understatement of “Land-Free Hold” and Liabilities by ₹ 3.56 crore.	The company has capitalized an amount of ₹ 1.03 crore, which has been paid to Revenue authority towards purchase of land and possession of land was taken in the year 2010. Thereafter the company accorded its approval for payment of ₹ 1.14 crore to the Collector- Kutch and same has not been paid till date. Hence, the same has been shown under the capital commitment as no objection was taken by the company. Later on GMDC was required to give consent for payment of an additional amount of ₹ 2.42 crore as State Level Land Valuation Committee (SLVC) has fixed the rate of said land @ ₹1530/- per sq. mtr. However, the company has objected to such valuation as it was on a higher side and Collector Bhuj has also referred this case to SLVC for reconsideration of land cost. The land cost is not yet finalized. Therefore, ₹ 3.56 crore also has not been capitalized in current F.Y 2017-18 and capitalized the amount to the extent of the actual amount paid to get the possession of land. However, it may be mentioned that this does not impact the profitability of the company.

For & on behalf of the Comptroller and Auditor General of India

(H.K.Dharmadarshi)

Principal Accountant General (E& RSA), Gujarat

STANDALONE STATEMENT OF CHANGES IN EQUITY (SOCIE) FOR THE YEAR ENDED ON 31ST MARCH, 2018

A. Equity Share Capital

Particulars	Number of Shares	Amount ₹ in Lakh
ISSUED, SUBSCRIBED AND PAID UP CAPITAL		
Equity shares of ₹ 2/- each fully paid up		
As at 1st April 2016	**31,80,00,000**	**6,360.00**
Increase/(decrease) during the year	-	-
As at 31st March 2017	**31,80,00,000**	**6,360.00**
Increase/(decrease) during the year	-	-
As at 31st March 2018	**31,80,00,000**	**6,360.00**

B. Other Equity (₹ in Lakh)

Particulars	Reserves & Surplus		Equity Instruments through Other Comprehensive Income	Total Other Equity
	General reserve	Retained earnings		
Balance as at 31st March, 2016	**2,71,928.96**	**66,670.51**	**21,459.54**	**3,60,059.01**
Adjustments on account of Prior period errors*	-	(789.03)	-	(789.03)
Restated balance at the beginning of the reporting period	**2,71,928.96**	**65,881.48**	**21,459.54**	**3,59,269.98**
Profit for the year	-	32,519.59	-	32,519.59
Other comprehensive income for the year	-	321.40	9,870.81	10,192.21
Total comprehensive income for the year	**-**	**32,840.99**	**9,870.81**	**42,711.80**
Cash dividends (Note 2.16)	-	(9,540.00)	-	(9,540.00)
Dividend Distribution Tax (DDT)	-	(1,942.12)	-	(1,942.12)
Balance as at 31st March, 2017	**2,71,928.96**	**87,240.35**	**31,330.35**	**3,90,499.66**
Balance as at 1st April, 2017	**2,71,928.96**	**87,240.35**	**31,330.35**	**3,90,499.66**
Profit for the year	-	43,460.39	-	43,460.39
Other comprehensive income for the year	-	633.77	10,675.94	11,309.71
Total comprehensive income for the year	**-**	**44,094.16**	**10,675.94**	**54,770.10**
Cash dividends (Note 2.16)	-	(9,540.00)	-	(9,540.00)
Dividend Distribution Tax (DDT)	-	(1,942.12)	-	(1,942.12)
Balance as at 31st March, 2018	**2,71,928.96**	**1,19,852.39**	**42,006.29**	**4,33,787.64**

*Impact of adjustments on account of prior period items has been explained in note number 2.48.

STANDALONE STATEMENT OF CASH FLOW
FOR THE YEAR ENDED ON 31ST MARCH, 2018

(₹ in Lakh)

Particulars	2017-18	2016-17
Cash Flow from Operating Activities		
Net Profit before tax & extra ordinary items	55,692.57	44,694.65
Adjustments for:		
Depreciation and Depletion	11,166.94	15,101.50
Assets /sundry balance/ stores written off	-	6.03
Excess/Short provision adjusted	443.61	(2,947.71)
Surplus / Deficit on sale of assets	(8.75)	(61.74)
Dividend Income	(680.34)	(630.67)
Unwinding of discount on provisions	150.72	125.87
Interest from Banks & Corporates	(8,046.91)	(10,108.44)
Operating profit before working capital changes:	**58,717.84**	**46,179.49**
Adjustments for:		
Trade & Other Receivable	(7,063.16)	(5,138.25)
Inventories	(358.85)	(2,531.47)
Trade & Other Payable	3,550.16	20,626.08
Cash generated from Operations	**54,845.99**	**59,135.85**
Taxes Paid	(20,576.03)	(13,423.18)
Net Cash Flow from Operating Activities (A)	**34,269.96**	**45,712.67**
Cash Flow from Investing Activities		
Purchase of items of property, plant and equipment, investment properties and intangible items	(20,642.15)	(45,943.54)
Sale of fixed assets	16.59	86.37
Redemption / Purchase of Investments	(10,130.89)	(126.56)
Interest from Bank and Companies	8,046.91	10,108.44
Dividend & Income	680.34	630.67
Net Cash Flow from Investing Activities (B)	**(22,029.20)**	**(35,244.62)**
Cash Flow from Financing Activities		
Dividend (Including Corporate Dividend Tax) Paid	(11,482.12)	(11,485.29)
Net Cash Flow from Financing Activities (C)	**(11,482.12)**	**(11,485.29)**
Net Increase / (Decrease) in Cash and Cash Equivalents (A+ B+ C)	**758.64**	**(1,017.24)**
Cash and Cash Equivalents at the beginning of the period	**2,228.52**	**3,245.76**
Cash and Cash Equivalents at the end of the period	**2,987.16**	**2,228.52**

Notes to Statement of Cash Flow

1. Cash and cash equivalent includes-		
Cash and Cheques on Hand	-	-
Balances with Scheduled Banks		
in Current Accounts	2,833.74	1,878.15
in Deposit Accounts	-	204.50
Earmarked balances with banks	116.32	109.47
Margin money deposit	37.10	36.40
	2,987.16	**2,228.52**

2. Corresponding figures of the previous year have been re-grouped / re-arranged / re-classified / restated and revised, wherever necessary, for rounding off to nearest lakh and/or to make them comparable with the figures of the current year.
3. The Cash Flow Statement has been prepared under the 'Indirect Method' as per Ind AS 7.

1: SIGNIFICANT ACCOUNTING POLICIES

Note 1: Significant accounting policies

This note provides list of the significant accounting policies applied in the preparation of these standalone financial statements.

(a) Basis of preparation

(i) Statement of compliance with Ind AS

The standalone financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act..

(ii) Historical cost convention

The financial statements are prepared on accrual basis of accounting under historical cost convention in accordance with generally accepted accounting principles in India and the relevant provisions of the Companies Act, 2013 including Indian Accounting Standards notified there under, except for the following where the fair valuation have been carried out in accordance with the requirements of respective Ind AS:

- Investments in equity instruments;
- Non-current assets held for sale; and
- Employee defined benefit plans - plan assets.

Prior period/ Pre-paid items:

Items exceeding the materiality determined by the management (₹ 50000/-) are accounted retrospectively by restating the relevant accounting periods. Other items are accounted in the year in which they arise.

(iii) Use of estimates and judgements

The preparation and presentation of the financial statements are in conformity with the Ind AS which requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, revenues and expenses and disclosure of contingent liabilities. Such estimates and assumptions are based on management's evaluation of relevant facts and circumstances as on the date of financial statements. The actual outcome may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to the accounting estimates are accounted prospectively.

This policy provides an overview of the areas that involved judgement and items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

Information about assumptions,estimation and uncertainties that have a significant risk of resulting in a material adjustment within the next financial year are included in the following notes:

Note 2.21 - Current / Deferred tax liabilities

Note 2.25 - Measurement of employee defined benefit liabilities

Note 2.19/2.37 - Provisions and contingent liabilities

Note 2.42 - Impairment of items of property, plant and equipment and other assets

Note 2.45 - Impairment of financial assets (including expected credit losses for receivables)

Note 2.02- Fair valuation of investment properties

Note 2.45- Fair valuation of investments

Note 2.15- Fair valuation of non-current assets held for sale

Principles of fair value measurement have been provided in note (l) of the significant accounting policies.

(iv) Current versus non-current classification

The Company presents assets and liabilities in the Balance Sheet based on current/non-current classification as per the requirements of Ind AS compliant Schedule III to the Companies Act, 2013.

(b) Borrowing costs

Borrowing costs attributable during the acquisition or construction of qualifying assets are capitalised as part of the cost of the assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

(c) Property, Plant and Equipment (PPE)

Freehold land is carried at historical cost. All other items of PPE are stated at historical cost of acquisition/construction (net of recoverable taxes) less accumulated depreciation and impairment losses, if any.

Historical cost includes expenditure that is directly attributable to the acquisition as well as construction/ installation of the items but excludes cost of fencing in lignite mines projects. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged toStatement of Profit and Loss during the reporting period in which they are incurred. Rehabilitation and resettlement expenses incurred after initial acquisition of the assets are expensed to profit or loss in the year in which they are incurred.

Machinery spares for Generating Units, Power Station and Switchyard, etc. either procured along with the equipment or subsequently are capitalized in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Capital Work-in-progress includes expenditure that is directly attributable to the acquisition/construction of assets, which are yet to be commissioned and project inventory and assets in transit.

An item of PPE is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of PPE is recognised in the Statement of Profit and Loss.

Un-serviceable/worn out plant and machineries, vehicles and other assets of the Company are written off from the books of account to the extent of 95% of their cost after getting approval of appropriate authorities. The same are stated at the lower of their net book value or net realizable value.

Item of PPE received by Company at free cost from parties other than government are stated at nominal cost.

(d) Investment properties

Investment properties comprise free hold land and building(including properties under construction) that are held for rental yield and/or capital appreciation.

Investment property is measured initially at its cost, including related transaction costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to Statement of Profit and Loss during the reporting period in which they are incurred

(e) Intangible assets

Intangible assets are measured on initial recognition at cost (net of recoverable taxes, if any). Subsequently, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any.

The costs of mining leases, which include the costs of acquiring mineral rights, are capitalised as item of intangible assets under the head 'Mining rights' in the year in which they are incurred. Pre-operative Expenses of Mines/Mining Projects under implementation incurred up to the date of commencement of the production on commercial basis are written off to the Statement of Profit and Loss in the year in which they are incurred.

(f) Depreciation and amortisation methods, estimated useful lives and residual values

(i) Items of property, plant and equipment and investment properties

Depreciation is charged on straight line method based on the useful life prescribed in Schedule II to the

Companies Act, 2013. The asset's residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Depreciation on items of property, plant and equipment acquired / disposed off during the year is provided on pro-rata basis with reference to the date of addition / disposal.

Investment properties are depreciated on straight line method (SLM) based on the useful lives prescribed in Schedule II to the Companies Act, 2013.

Low value items which are in the nature of assets (excluding immovable assets) and valuing up to ₹ 5,000/- are not capitalized and charged off to Statement of Profit and Loss in the year of acquisition.

(ii) Intangible assets

Intangible assets with finite lives are amortised over their useful life and assessed for impairment whenever there is an indication that the item of intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at each reporting date.

Intangible assets are amortised on straight line method (SLM) based on the useful lives determined based on technical evaluation done by the management except mining rights which are amortised using a unit-of-production method based on the data available with the Company as regards extraction of the minerals as compared to the technical estimation of gross geological mineral reserves as mentioned in the mine closure plan submitted / approved. Capitalised mining rights are amortised once commercial production commences.

(g) Impairment of non-financial assets

An asset is treated as impaired when carrying cost of asset exceeds its recoverable value. An impairment loss is charged to Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed, if there has been a change in estimate of recoverable amount. In case of intangible assets, the same will be tested on periodical basis for impairment.

Full provision has been made on plant and machinery which has not been put to use and lying in capital work in progress for more than ten years.

(h) Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Lease accounting

As a lessee

Finance lease

At the commencement of the lease term, the Company recognises finance leases as assets and liabilities in its Balance Sheet at amounts equal to the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate. The discount rate used in calculating the present value is the interest rate implicit in the lease or the Company’s incremental borrowing rate. Minimum lease payments are apportioned between the finance charge and the reduction of the outstanding liability.

Operating lease

Lease payments under an operating lease are recognised as expenses on a straight-line basis over the lease term unless either:

A. another systematic basis is more representative of the time pattern of the user’s benefit; or

B. the payments are structured to increase in line with expected general inflation to compensate for the lessor’s expected inflationary cost increases.

As a lessor

Finance lease

Amounts due from lessees under finance leases are recorded as receivables at the Company’s net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

Operating lease

Lease income from operating lease (excluding amount for services such as insurance and maintenance) is recognised in the Statement of Profit and Loss on a straight-line basis over the lease term, unless either:

A. Another systematic basis is more representative of the time pattern of the user's benefit; or

B. The payments to the Company are structured to increase in line with expected general inflation to compensate for the Company's expected inflationary cost increases.

(i) Non-current assets held for sale and discontinued operations

Non-current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and a sale is considered highly probable. They are measured at the lower of their carrying amount and fair value less costs to sell, except for assets such as deferred tax assets, assets arising from employee benefits, financial assets and contractual rights under insurance contracts, which are specifically exempt from this requirement.

Non-current assets are not depreciated or amortised while they are classified as held for sale. Non-current assets classified as held for sale are presented separately from the other assets in the Balance Sheet.

A discontinued operation is a component of the Company that has been disposed of or is classified as held for sale and that represents a separate major line of business or geographical area of operations, is part of a single co-ordinated plan to dispose of such a line of business or area of operations, or is a subsidiary acquired exclusively with a view to resale. The results of discontinued operations are presented separately in the Statement of Profit and Loss.

(j) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition

A financial asset is recognised in the Balance Sheet when the Company becomes party to the contractual provisions of the instrument.

Initial measurement

At initial recognition, the Company measures a financial asset (which is not measured at fair value) through profit or loss at its fair value plus or minus transaction costs that are directly attributable to the acquisition or issue of the financial asset.

Subsequent measurement

For purpose of subsequent measurement, financial assets are classified into:

A. Financial assets measured at amortised cost;

B. Financial assets measured at fair value through profit or loss (FVTPL); and

C. Financial assets measured at fair value through other comprehensive income (FVTOCI).

The Company classifies its financial assets in the above mentioned categories based on:

A. The Company's business model for managing the financial assets, and

B. The contractual cash flows characteristics of the financial asset.

A financial asset is measured at amortised cost if both of the following conditions are met:

A. The financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and

B. The contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Amortised cost of a financial asset or financial liability means the amount at which the financial asset or financial liability is measured at initial recognition minus the principal repayments, plus or minus the cumulative amortisation using the effective interest rate (EIR) method of any difference between that initial amount and the maturity amount and, for financial assets, adjusted for any loss allowance.

Financial assets are subsequently measured at amortised cost using the EIR method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income through profit or loss. The losses arising from impairment are recognised through profit or loss.

A financial asset is measured at FVTOCI if both of the following conditions are met:

A. The financial asset is held within a business model whose objective is achieved by both collecting the contractual cash flows and selling financial assets and

B. The asset's contractual cash flows represents SPPI.

A financial asset is measured at FVTPL unless it is measured at amortised cost or at FVTOCI. In addition, the Company may elect to designate a financial asset, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost, less provision for impairment.

Equity instruments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present subsequent changes in the fair value through other comprehensive income. The Company makes such election on an instrument by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the Other Comprehensive Income (OCI). On sale of investments, cumulative gain or loss is recognised in OCI and the amount is not reclassified to profit or loss. Equity instruments included within the FVTPL category are measured at fair value with all changes recognised through Profit or Loss.

The company has elected to measure its equity instrument through FVTOCI.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's Balance Sheet) when:

A. The contractual rights to the cash flows from the financial asset have expired, or

B. The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either

   i) The Company has transferred substantially all the risks and rewards of the asset, or

   ii) The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment of financial assets

The Company assesses impairment based on expected credit loss (ECL) model to the following:

A. Financial assets measured at amortised cost

B. Financial assets measured at FVTOCI

ECLs are measured through a loss allowance at an amount equal to:

A. The 12-months ECLs (ECLs that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or

B. Full time ECLs (ECLs that result from all possible default events over the life of the financial instrument).

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. It recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

The Company uses a provision matrix to determine impairment loss allowance for trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-months ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the Company reverts to recognising impairment loss allowance based on 12-months ECL.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the Statement of Profit and Loss. The Balance Sheet presentation for various financial instruments is described below:

A. Financial assets measured as at amortised cost and contractual revenue receivables - ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the Balance Sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the company does not reduce impairment allowance from the gross carrying amount.

B. Financial assets measured at FVTOCI - Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. Rather, ECL amount is presented as accumulated impairment amount in the OCI.

For assessing increase in credit risk and impairment loss, the Company combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

Financial Liabilities

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequently, all financial liabilities are measured at amortised cost or at FVTPL.The Company's financial liabilities include trade and other payables, loan and borrowings including bank overdrafts.

Subsequent measurement

A. Financial liabilities measured at amortised cost

B. Financial liabilities subsequently measured at FVTPL

Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVTPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised through profit or loss.

Financial liabilities designated upon initial recognition at FVTPL are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to Profit or loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the Statement of Profit and Loss. The Company has not designated any financial liability as at FVTPL.

Trade and other payables

These amounts represent liability for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at fair value and subsequently measured at amortised cost using the EIR method.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

(k) Offsetting financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet when, and only when, there is a legally enforceable right to offset the recognised amount and there is intention either to settle on net basis or to realise the assets and to settle the liabilities simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or counterparty.

(l) Fair value measurement

The Company measures certain financial instruments at fair value at each Balance Sheet date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

A. In the principal market for the asset or liability, or

B. In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as under, based on the lowest level input that is significant to the fair value measurement as a whole:

A. Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

B. Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

C. Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

This note summarises the accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

A. Note 2.45- Disclosures for valuation methods, significant estimates and assumptions

B. Note 2.45- Quantitative disclosures of fair value measurement hierarchy

C. Note 2.45- Financial instruments (including those carried at amortised cost)

D. Note 2.25- Measurement of employee defined benefit obligations

E. Note 2.02- Fair valuation of investment properties

F. Note 2.45- Fair valuation of investments

G. Note 2.15- Fair valuation of non-current assets held for sale

(m) Inventories

Stores, chemicals, spares, fuel and loose tools are valued at cost. Cost is ascertained on weighted average method.

Raw materials, mined ore, goods-in-process and finished products are valued at lower of total cost incurred at respective project or net realizable value item-wise. Cost is ascertained on First In First Out basis. While valuing inventories, the inter-unit profit has been eliminated at corporate level. Further, the Company does not value the stock of by-products lying at various project sites.

Spares (not meeting the definition of PPE) are accounted as inventory and expensed to the Statement of Profit and Loss when issued for consumption.

(n) Employee benefits

(i) Short term employee benefit obligations

Liabilities for wages, salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related services are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are to be settled. The liabilities are presented as current employee benefit obligations in the Balance Sheet.

(ii) Other long term employee benefit obligations

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of reporting period using the projected unit credit method. The benefits are discounted using the market yield at the end of reporting period that have terms approximating to the terms of related obligation. Remeasurement as a result of experience adjustments and changes in actuarial assumptions are recognised in the Statement of Profit and Loss.

The obligations are presented as current liabilities in the Balance Sheet if the Company does not have unconditional right to defer settlement for at least 12 months after the reporting period, regardless of when the actual settlement is expected to occur.

Compensation paid to the legal heirs of deceased employee while in service is charged to Statement of Profit and Loss as and when the liability arises.

The principal amount and interest thereon in respect of House Building Advance in case of deceased employee while in service is written off as and when intimation is received.

(iii) Post-employment obligations

The Company operates the following post-employment schemes:

A. Defined benefit plans such as gratuity; and

B. Defined contribution plan such as provident fund etc.

Gratuity obligations

The liability or asset recognised in the Balance Sheet in respect of defined benefit gratuity plans is present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligations is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expenses in the Statement of Profit and Loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the Statement of Changes in Equity and in the Balance Sheet. Changes in present value of the defined benefit obligation resulting from plan amendment or curtailments are recognised immediately in profit or loss as past service cost.

Provident Fund

The Company pays provident fund contributions to GMDC Employees Provident Fund Trust. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expenses when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payment is available.

Reimbursement of losses and other related expenses to Provident Fund Trust are charged to the Statement of Profit and Loss as and when crystallized.

(iv) Termination benefits

Compensation to employees who have opted for retirement under the voluntary retirement scheme of the Company is charged to Statement of Profit and Loss in the year of separation.

(o) Foreign currency transactions

(i) Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The standalone financial statements are presented in Indian rupee (INR), which is GMDC's functional and presentation currency.

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the date of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at the year-end exchange rates are generally recognised in profit or loss.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the Statement of Profit and Loss. All other foreign exchange gains and losses are presented in the Statement of Profit and Loss on a net basis within other income or other expenses.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss.

(p) Revenue recognition

Revenue is measured at fair value of the consideration received or receivable. Amounts disclosed as revenue are net of the amounts collected on behalf of third parties. The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company and specific criteria have been met for each of the Company's activities. The Company bases its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

Sales are recognized at the time of dispatch of finished goods. Sales include amounts in respect of excise duty(on the basis of payments made in respect of goods cleared), royalty, transportation, packing charges, generation based incentives, clean energy cess, mine closure charges wherever applicable and other taxes or duties, if any, but excludes VAT/GST. Sales are reduced to the extent of the amount of cash discount.

The liquidated damage/penalty, if any, on capital contracts are generally determined on completion of contract and the same is recognised in the Statement of Profit and Loss. Liquidated damages/penalty on long term revenue contracts are determined at the end of one year from the date of award of contracts and the same is recognised in the Statement of Profit and Loss.

In respect of power plants, Unscheduled Interchange (UI) Charges and Generation Based Incentives (GBI) are recognized as and when the same are received / incurred by the Company.

Interest income from a financial asset is recognised when it is probable that the economic benefit will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the EIR applicable, which is the rate that exactly discounts estimated future cash flows through the expected life of the financial asset to that asset's gross carrying amount on initial recognition.

Dividend income is accounted for when the right to receive the same is established, which is generally when the shareholders approve the dividend.

(q) Government grants

Grants from the Government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government grants relating to income are deferred and recognised in the Statement of Profit and Loss over the period necessary to match them with the costs that they are intended to compensate and presented within the other income.

Government grants relating to the purchase or construction of items of PPE or investment properties are included in non-financial liabilities as deferred income and credited to Statement of Profit and Loss on a straight line basis over the expected lives of the related assets and presented within the other income.

(r) Taxation

Income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on the rates and tax laws enacted or substantively enacted, at the reporting date. Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred taxes

Deferred tax is provided in full on temporary difference arising between the tax bases of the assets and liabilities and their carrying amounts in standalone financial statements.

Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled. Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax are recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively. Any tax credit available is recognised as deferred tax to the extent that it is probable that future taxable profit will be available against which the unused tax credits can be utilised. The said asset is created by way of credit to the Statement of Profit and Loss and shown under the head deferred tax asset.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

(s) Provisions, contingent liabilities and contingent assets

Provisions are recognised at present value when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement.

Decommissioning costs are provided at the present value of expected costs to settle the obligation using estimated cash flows and are recognised as part of the cost of PPE. The cash flows are discounted at a current pre-tax rate that reflects the risk specific to the decommissioning liability. The unwinding of discount is expensed as incurred and recognised in the Statement of Profit and Loss as a finance cost. The estimated future costs of decommissioning are reviewed annually and adjusted as appropriate. Changes in the estimated future costs or in the discount rate applied are added to or deducted from the cost of the asset. Progressive mine closure expenses are accounted for as and when incurred.

As per the mine closure guidelines issued by the Ministry of Coal, in August 2009 and further updated in January 2013, the annual mine closure cost need to be provided @ ₹ 6 Lakh per hectare. Such annual cost is required to be modified with reference to WPI as mentioned and considered in the mine closure plan submitted / approved for the respective mines. The mine closure provisions are required to be provided in line with the approved / submitted / prepared mine closure plans. In case the mine closure plan has not been submitted / approved / prepared the annual cost is estimated based on the above referred guidelines.

Contingent liabilities are not provided for,If material, are disclosed by way of notes to accounts. Contingent assets are not recognised in financial statements. However, the same is disclosed, where an inflow of economic benefit is probable.

(t) Cash and Cash Equivalents

Cash and cash equivalents comprise cash and deposits with banks . The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

For the purpose of presentation in the Statement of Cash Flows, cash and cash equivalents includes cash on hand, other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the Balance Sheet.

(u) Statement of Cash Flows

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

(v) Dividends

The Company recognises a liability for dividends to equity holders of the Company when the dividend is authorised and the dividend is no longer at the discretion of the Company. As per the corporate laws in India, dividend is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

(w) Segment Reporting

The Chief Operational Decision Maker (CODM) monitors the operating results of its business segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements. Operating segments are reported in a manner consistent with the internal reporting provided to the CODM.

Accordingly, the Board of Directors of the Company is CODM for the purpose of segment reporting. Refer note 2.43 for segment information presented.

(x) Events occurring after the Reporting Date

Adjusting events (that provides evidence of condition that existed at the Balance Sheet date) occurring after the Balance Sheet date are recognized in the financial statements. Material non adjusting events (that are inductive of conditions that arose subsequent to the Balance Sheet date) occurring after the Balance Sheet date that represents material change and commitments affecting the financial position are disclosed in the Board’s Report.

(y) Exceptional Items

Certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Company is such that its disclosure improves the understanding of the performance of the Company, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the financial statements.

2.01.01 GSECL and the Company had agreed to create common amenities (school, hospital, drinking water supply, communication, transport facilities, etc.) for the employees of both entities and also for general public in Panandhro in terms of minutes dated 8.10.1991, 3.8.1992, 1.10.1993. These were to be managed by a Trust to be registered in this regard. Pending formation of the Trust, the capital and revenue expenditure incurred by the Company as well as GSECL are shared on 50:50 basis and accounted in the books of the respective entity. Share of 50% given by each against the expenditure incurred by respective entity is subject to confirmation and adjustments, if any. Pending transfer of such assets to the Trust, capital expenditure incurred in the creation of items of property, plant and equipment towards 50% share of GMDC to the tune of ₹59.40 Lakh (P.Y. ₹59.40 Lakh) is accounted in the books of the Company and included in the respective items of property, plant and equipment.

2.01.02 Break-up of Capital Work-in-progress for the year ended 31st March, 2018 is given here under: **(₹ in Lakh)**

Segment	Civil Work	Non-Civil Work	Total
Mining	108.56	0.54	109.10
Power	957.60	-	957.60
Total	**1,066.16**	**0.54**	**1,066.70**
Previous Year	2,078.32	30.03	2,108.35

2.01.03 Refer to Note 2.38 for disclosure of contractual commitments for the acquisition of property, plant and equipment.

2.01.04 Details of assets given on operating lease: **(₹ in Lakh)**

Net Carrying Amount	As at 31st March, 2018	As at 31st March, 2017
Plant & machinery (Thermal Power Plant)	58,062.06	59,956.34

The Company had entered into Power Purchase Agreement (PPA) with one of the Government owned entities for sale of electricity produced from thermal power plant. The tenure of PPA is 30 years whereas the economic life is determined to be atleast 40 years. The management has evaluated the arrangement as per the provisions of Appendix C to Ind AS 17 - Leases and its classification is determined at the inception of arrangement. Accordingly, the arrangement is considered as an operating lease.

Refer to Note 2.38 for disclosure of contractual commitments to purchase, construct or develop investment property.

2.02.03 Fair Value (₹ in Lakh)

Particulars	As at 31st March, 2018	As at 31st March, 2017	As at 1st April, 2016
Investment properties	11,683.95	11,977.95	1,669.00

Estimation of Fair Value

The Company obtains valuation for its investment properties (other than those under construction) at least annually. All resulting fair value estimates for investment properties are included in level 3. For properties under construction, management is of the view that the fair value can be determined reliably only on completion of the construction. Accordingly, the same shall be disclosed when the related work is completed.

* Refer note 2.45 for classification

2.06.01 Naini Coal Company Ltd. is a 50:50 joint venture of GMDC and Pondicherry Industrial Promotion Development Investment Corp Ltd. (PIPDIC). Naini Coal Company Ltd had given bank guarantee of ₹ 65 Crores to Coal Ministry, Govt of India for allocation of Naini Coal block in the State of Orissa. The said bank guarantee was secured by Corporate Guarantee of GMDC for an amount of ₹ 3250 Lakh and another ₹ 3250 Lakh was secured by bank guarantee of UCO Bank, arranged by PIPDIC. Ministry of Coal, Govt of India has invoked 50% of Bank Guarantee i.e. ₹ 3250 Lakh given by the Naini Coal Company Ltd. vide their letter dated 27/12/2012 due to non-compliance of some terms and conditions of Naini Coal block allocation. GMDC had discharged its liability of ₹ 1625 Lakh towards invoked bank guarantee and has accounted for the same as advance to Naini Coal Company Ltd. Total provision for impairment made for advances to Naini Coal Company Ltd. amounts to ₹ 1703.81 Lakh (PY: ₹ 2035.62 Lakh). During the year GMDC has received ₹331.81 lakh from Govt.of India (through Naini Coal Co. Ltd) towards expenditure incurred on Geological and other reports, hence, provision has been reduced to that extent.GMDC has already filed special civil application before the Hon'ble Gujarat High court against arbitrary cancellation of coal block as well as invocation of bank guarantee. During the pendency of petition before the Hon'ble Gujarat High Court, the Hon'ble Supreme Court has cancelled all the coal blocks. Therefore, the petition with Hon'ble High Court is pending in respect of invocation of Bank Guarantee only."

2.07 OTHER NON-CURRENT FINANCIAL ASSETS* **(₹ in Lakh)**

2.17.02 The Company has elected to recognise changes in the fair value of certain investments in equity securities in other comprehensive income. These changes are accumulated within reserves representing unrealised gain/losses.

2.18 OTHER NON-CURRENT FINANCIAL LIABILITIES* (₹ in Lakh)

Particulars	As at 31st March, 2018	As at 31st March, 2017	As at 1st April, 2016
Security and other deposits liability (Refer 2.18.01)	1,309.24	1,884.94	2,845.94
Earnest money deposits	-	-	2.22
Total Other Non-Current Financial Liabilities	**1,309.24**	**1,884.94**	**2,848.16**

* Refer note 2.45 for classification

2.18.01 For majority of the security deposits received, the timing of outflow is uncertain as it depends on outcome of the underlying contracts. Thus the same has not been discounted because their present value would not represent meaningful information. The management does not believe it is possible to make assumptions for the outcome of the contract beyond the balance sheet date.

2.19 NON-CURRENT PROVISIONS **(₹ in Lakh)**

Particulars	As at 31st March, 2018	As at 31st March, 2017	As at 1st April, 2016
Provision for mine closure	38,401.87	34,826.64	30,370.35
Provision for decommissioning obligations	2,021.04	1,870.32	1,402.18
Total Non-Current Provisions	**40,422.91**	**36,696.96**	**31,772.53**

2.19.01 Movements in Provisions (including current/non-current) **(₹ in Lakh)**

Particulars	Provision for mine closure	Provision for decommissioning obligations	Total
As at 1st April 2017	**34,826.64**	**1,870.32**	**36,696.96**
Add: Unwinding of discounts	-	150.72	150.72
Add: provision created during the year	4,087.39	-	4,087.39
Less: Expenses incurred on progressive mine closure	(512.16)	-	(512.16)
As at 31st March 2018	**38,401.87**	**2,021.04**	**40,422.91**

2.19.02 As per the guidelines for preparation of Mines Closure Plan issued by the Ministry of Coal, Government of India the Company has made a provision for mines closure expenses to the tune of ₹ 41,911.40 Lakh (31st March, 2017: ₹ 37,824.04 lakh; 1st April, 2016: ₹ 33111.49 lakh) after considering the approved, submitted, prepared mine closure plans and has incurred progressive mine closure expenses of ₹ 3,509.54 Lakh (31st March, 2017: ₹ 2,997.39 Lakh; 1st April, 2016: ₹. 2741.14 Lakh) so far. As per the guidelines the amount so provided is required to be deposited in Escrow Account with a scheduled bank. While the Company has opened the Escrow accounts for five mines and for remaining one mine at Panandhro, ICDs worth ₹9600 lakh has been kept separately with GSFS for mine closure expenses as per calculation accepted by the office of Coal Controller. The company is in process to open an escrow account for Panandhro mine.

2.24.01 Vide Government Resolution dated 19/11/2009, GMDC has been given permission to lift Manganese Ore from dumps of Shivrajpur areas and dispose the same for which GMDC will be entitled to retain 20% of the sale price. GMDC has to keep remaining 80% of the sale price of Manganese Ore dump in a separate account of Gujarat Mineral Research & Development Society (GMRDS) for mineral survey and exploration. Accordingly, ₹ 263.18 Lakh (31st March, 2017: ₹ 164.77 Lakh; 1st April, 2016: ₹ 166.95 Lakh) (i.e. 80% of the basic sale price) has been transferred to GMRDS and included under the head "Other Financial Liabilities".

2.24.02 NALCO has made upfront payment of ₹ 15,100 Lakh for setting up Allumina refinery and smelter plant in Kutchh region. Accordingly based on facts and circumstances as at 01st April,2016 the same was disclosed as other current non-financial liability. However, subsequently based on detailed project report, both the companies mutually decided not to proceed with the project. The Company has initiated the process for repayment of the amount to NALCO without interest as approved by Government of Gujarat. Accordingly the amount has been classified as a other current financial liability.

2.34.01 During the year, royalty on account of sale of Bauxite had been accounted for ₹ 675.68 Lakh (2016-17: ₹ 522.25 Lakh) on ad hoc basis as intimated by the Commissioner of Geology and Mining. Necessary adjustment shall be made in the accounts after final outcome of the matter.

2.34.02 In view of the Supreme Court's decision in respect of mining activities, applications made by the Company for renewal of leases covering 2,040 (2016-17: 2,040) hectares of land for extracting lignite are pending since 1993-94. Necessary adjustment in respect of liability for any charges, taxes, duties etc. will be provided in accounts on finalization of renewal applications.

2.34.03 During the year, the Company has written off ₹ 23.52 Lakh (2016-17: ₹ 0.18 Lakh) and written back ₹ 57.79 Lakh (2016-17: ₹ 3.13 Lakh) in the books of accounts. In the opinion of the management, such amounts are no longer receivable / payable. Net effect thereof is written back to the Statement of Profit and Loss amounting to ₹ 34.27 Lakh (2016-17: ₹ 2.95 Lakh).

2.34.04 In compliance with Section 135(5) of the amended Companies Act, 2013, the Company has spent ₹ 2191.24 Lakh (2016-17: ₹ 1,067.49 Lakh) against the statutory requirement of spending ₹ 933 Lakh (2016-17: ₹ 1,065.49 Lakh) (based on average net profits of last 3 years) during the year towards Corporate Social Responsibility (CSR) Expense.

2.35 INCOME TAX EXPENSES

This note provides an analysis of the Company's income tax expenses show amounts that are directly recognised in equity and how the tax expense is affected by non-assessable and non-deductible items. It also explains significant estimates made in relation to the Company's tax positions.

(₹ in Lakh)

1	**Contractual obligations : investment property**		
	Contractual obligation for future purchase or construction - not recognised as a liability	-	380.51
2	The company has invested an amount of ₹ 29,765 Lakh in Bhavnagar Energy Company Ltd which is 28.24% of its capital. The Company has entered in to the Sponsor Support Agreement with Bhavnagar Energy Company Ltd where the company has given commitment to meet the cost overrun.		

2.39 **EVENTS OCCURRING AFTER THE REPORTING PERIOD**

The board has recommended dividend of ₹ 3.50 per share which is subject to approval of share holders in the ensuing general meeting.

2.40 In the opinion of Management, any of the assets other than items of property, plant and equipment, investment properties, intangible assets and Non-Current Investments have a value on realisation in the ordinary course of business at least equal to the amount at which they are stated, unless otherwise stated.

2.41 Balances of trade payables, trade receivables, loans & advances, advances from customers, other non-current/current liabilities, etc. are subject to confirmation, if any, in the accounts.

2.42 On periodical basis and as and when required, the Company reviews the carrying amounts of its assets. In the Financial Year 2017-18, the Company has reviewed the carrying amounts of its assets and found that there is no indication that those assets have suffered any impairment loss. Hence, no such impairment loss has been provided.

2.43 SEGMENT INFORMATION

(a) Description of segment and principal activities

The Chief Operational Decision Maker (CODM) monitors the operating results of its business segments separately for the purpose of making decisions about resource allocation and performance assessment, and accordingly, the Company has identified two reportable operating segments viz. Mining and Power. Operating segments have been identified and reported in a manner consistent with the internal reporting provided to the CODM.

(b) Segment revenue and expenses

Revenue and expenses have been identified to a segment on the basis of relationship to operating of the segment. Revenue and expenses which relate to enterprise as a whole and are not allocable to a segment on reasonable basis have been disclosed as "Unallocable".

(c) Segment assets and liabilities

Segment assets and segment liabilities represent assets and liabilities in respective segments. Investments, tax related assets and other assets and liabilities that cannot be allocated to a segment on reasonable basis have been disclosed as "Unallocable".

(d) Secondary segment reporting

The Company does not have geographical distribution of revenue as the operations of the Company are carried out within the country and hence secondary segmental reporting based on geographical locations of its customers is not applicable to the Company.

(e) Information about major customers

Revenue from power segment (which exceeds 10% of total segment revenue) amounting to ₹ 39,955.04 (P.Y.: ₹ 45,965.28) Lakh is derived from a single customer and revenue from mining segment (which exceeds 10% of total segment revenue) amounting to ₹ 21,181.39 (P.Y.: ₹ 25,706.85) Lakh (inclusive of tax) is derived from a single customer.

(f) Information about product and services

The Company's revenue from external customers for each product is same as that disclosed below under "segment revenue".

Fair value of financial assets and liabilities measured at amortised cost is not materially different from the amortised cost.

Types of inputs are as under:

Input Level I (Directly Observable) which includes quoted prices in active markets for identical assets such as quoted price for an equity security on Security Exchanges

Input Level II (Indirectly Observable) which includes prices in active markets for similar assets such as quoted price for similar assets in active markets, valuation multiple derived from prices in observed transactions involving similar businesses etc.

Input Level III (Unobservable) which includes management's own assumptions for arriving at a fair value such as projected cash flows used to value a business etc.

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

B. Measurement of fair values

i) Valuation techniques and significant unobservable inputs

The following tables show the valuation techniques used in measuring Level 3 fair values, as well as the significant unobservable inputs used.

Financial instruments measured at fair value

FVTOCI in unquoted equity shares:

Gujarat State Petroleum Corporation Limited

1. **Market approach :** This approach uses information generated by market transactions of the Company being valued or the transactions of comparable companies. The following market-linked information may be used for determining valuation under this approach.

   - Quoted price of the company being valued,- Past transaction value of the company being valued,

   - Listed comparable companies' trading multiples like price to earning ratio, enterprise value to earning before interest, tax, depreciation and amortisation, enterprise value to sales etc.

   - Transactions multiples for investment / M & A transaction of comparable companies.

   The valuation arrived at based on the market approach reflects the current value of the Company perceived in the active market. However, as the valuation arrived at using market multiples is based on the past/current transaction or traded values of comparable companies/businesses, it may not reflect the possible changes in future trend of cash flows being generated by a business.

2. **Income Approach :** The income approach reflects present value of future cash flows. For valuing a business, the discounted cash flow (DCF) methodology is used under this approach. This methodology works on the premise that the value of a business is measured in terms of future cash flow streams, discounted to the present time at an appropriate discount rate. This method is used to determine the present value of business on a going concern assumption. The DCF technique recognizes the time value of money.

The value of the firm is arrived at by estimating the Free Cash Flow to Firm (FCFF) and discounting the same at the Weighted Average Cost of Capital (WACC). FCFF is estimated by forecasting free cash flows available to the firm (which are derived on the basis of the likely future earnings of the company).

3. **Cost Approach:** The cost approach essentially estimates the cost of replacing the tangible assets of the business. The replacement cost takes into account the market value of various assets or the expenditure required to create the infrastructure exactly similar to that of a company being valued.

Significant unobservable inputs Highest priority is given to unadjusted quoted price of listed entities and lowest priority to non-market linked inputs such as future cash flows used in income approach.

Inter-relationship between significant unobservable inputs and fair value measurement The estimated fair value would increase (decrease) if there is a change in significant unobservable inputs used in determination of fair value.

Considering the diverse asset and investment base of the Company with differing risk/return profiles, a sum of the parts approach has been adopted for the valuation. Under this method, the value of each distinct business/asset/investment has been arrived at separately and total value estimate for the Company presented as the sum of all its business/investments/assets.

Gujarat Guardian Limited

Fair value is determined using the ratio of enterprise value to EBIDTA adjusted for the industry average. The industry average has been computed using peer companies.

GITCO and Gujarat Informatics Limited

In absence of sufficient information for determination of fair value, the Company has determined the same using net worth as reflected in the financial statements as at the each reporting date. Management is of the view that the value so determined are reflective of the fair values.

Further, in the absence of the audited financial statements of GITCO and Gujarat Informatics Limited, the fair value is determined based on unaudited financial statement for the year ended 31st March, 2018 of GITCO and 31st March, 2017 of Gujarat Informatics Limited. Once the audited financials are available, appropriate changes would be made in the subseqnuent periods.

ii) Transfers between Levels 1 and 2

There have been no transfers between Level 1 and Level 2 during the reporting periods

iii) Level 3 fair values

Movements in the values of unquoted equity instruments for the period ended 31st March, 2018 and 31st March, 2017:

(₹ in Lakh)

Particulars	Amount
As at 1st April 2016	**26,326.18**
Acquisitions/ (disposals)	
Gains/ (losses) recognised in other comprehensive income	(5,095.69)
Gains/ (losses) recognised in statement of profit or loss	
As at 31st March 2017	**21,230.49**
Acquisitions/ (disposals)	
Gains/ (losses) recognised in other comprehensive income	(636.77)
Gains/ (losses) recognised in statement of profit or loss	-
As at 31st March 2018	**20,593.72**

Transfer out of Level 3

There were no movement in level 3 in either directions during the year 2017-18 and 2016-17.

Sensitivity analysis - Investments in unquoted equity instruments

On account of lack of sufficient information as at the end of reporting period and nature of investments, the management is of the view that it is impracticable to determine the sensitivity of the fair values to changes in the underlying assumptions.

C. Financial risk management

The Company has exposure to the following risks arising from financial instruments:

₹Credit risk ;

₹Liquidity risk ; and

₹Market risk

(i) Risk management framework

The Company has a well-defined risk management framework. The Board of Directors of the Company has adopted a Risk Management Policy. Company has also set up a Risk Management Committee.

Looking to the profile of GMDC, i.e., Mining and Power Operations, GMDC has inbuilt risk management practices to address various operational risks. The Company has standard operating processes for various mining operations in order to mitigate procedures and prevent risk arising out of various operations. GMDC has no external borrowings. Hence, there is no financial risk that can impact GMDC's Financial Position. GMDC primarily deals with natural resources. Hence, Policy of Government may impact GMDC's operational strategy.

GMDC's risk management process revolves around following parameters:

1. Risk Identification and Impact Assessment
2. Risk Evaluation
3. Risk Reporting and Disclosure
4. Risk Mitigation

(ii) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counter party to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers.

Other financial assets

The Company maintains its Cash and cash equivalents and Bank deposits with banks having good reputation, good past track record and high quality credit rating and also reviews their credit-worthiness on an on-going basis.

Trade and other receivables

Trade receivables of the Company are typically unsecured ,except to the extent of advance received against sales for sale of lignite. Credit risk is managed through credit approvals and periodic monitoring of the creditworthiness of customers to which Company grants credit terms in the normal course of business. The Company performs ongoing credit evaluations of its customers' financial condition and monitors the creditworthiness of its customers to which it grants credit terms in the normal course of business. Significant portion of trade receivables at the respective reporting date comprise of State Governments PSUs. Management does not expect any credit risk on the same. The allowance for impairment of trade receivables is created to the extent and as and when required, based upon the expected collectability of accounts receivables.

Age of Receivables **(₹ in Lakh)**

Particulars	As at 31st March, 2018	As at 31st March, 2017	As at 1st April, 2016
Within the credit period	4,800.22	433.57	345.59
1-30 days past due	1,563.96	4,453.18	4,114.19
31-60 days past due	522.58	402.29	4,126.73
61-90 days past due	3,407.59	3,243.70	306.80
More than 90 days past due	811.72	3,373.51	102.62

The above receivables which are past due but not impaired are assessed on individual case to case basis and relate to a number of independent third party customers from whom there is no recent history of default. Management is of the view that these financial assets (majorly state owned PSUs) are not impaired as there has not been a significant change in credit quality and are recoverable based on the nature of the activity with the respective customer to which they belong and the type of customers. Further, since the amount are collected within one year, there is no loss on account of time value of money. Consequently, no additional provision has been created on account of expected credit loss on the receivables. There are no other classes of financial assets that are past due but not impaired except for trade receivables as at 31st March, 2018; 31st March, 2017 and 1st April, 2016.

Movements in Expected Credit Loss Allowance **(₹ in Lakh)**

Particulars	As at 31st March, 2018	As at 31st March, 2017
Balance at the beginning of the year	104.14	104.14
Movements in allowance	-	-
Closing balance	**104.14**	**104.14**

The maximum exposure to credit risk for trade and other receivables by geographic region was as follows:

(₹ in Lakh)

Particulars	**Carrying amount**		
	31st March, 2018	**31st March, 2017**	**1st April, 2016**
India	11,106.08	11,906.25	8,995.92
Other regions	-	-	-
	11,106.08	**11,906.25**	**8,995.92**

Management believes that the unimpaired amounts that are past due by more than 30 days are still collectible in full, based on historical payment behavior and extensive analysis of customer credit risk, including underlying customers' credit ratings if they are available.

Management estimates that there are no instances of past due or impaired trade and other receivables.

(iii) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

(₹ in Lakh)

31st March, 2018	**Contractual cash flows**			
	Carrying amount	**Total**	**Less than 12 months**	**More than 12 months**
Non-derivative financial liabilities				
Non current financial liabilities	1,309.24	1,309.24	-	1,309.24
Current financial liabilities	24,036.06	24,036.06	24,036.06	-
Trade payables	10,957.49	10,957.49	10,957.49	-
Total	**36,302.79**	**36,302.79**	**34,993.55**	**1,309.24**

(₹ in Lakh)

31st March, 2017	**Contractual cash flows**			
	Carrying amount	**Total**	**Less than 12 months**	**More than 12 months**
Non-derivative financial liabilities				
Non current financial liabilities	1,884.94	1,884.94	-	1,884.94
Current financial liabilities	27,079.06	27,079.06	27,079.06	-
Trade payables	9,698.50	9,698.50	9,698.50	-
Total	**38,662.50**	**38,662.50**	**36,777.56**	**1,884.94**

(iv) Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments.

Currency risk

The functional currency of the Company is Indian Rupees.

The Company do not use derivative financial instruments for trading or speculative purposes. As the Company does not engage in foreign exchange transaction, it is not exposed to currency risk.

Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates. The Company does not have any undrawn or outstanding borrowings and hence does not possess any interest rate risk.

Price Risk

The Company's exposure to equity securities price risk arises from investments held by the Company and classified in the balance sheet as fair value through other comprehensive income (FVTOCI). Some of the equity investments are publicly traded and are included in the NSE Nifty 50 Index.

Sensitivity

The table below summarises the impact of increases/decreases of the index on the Company's equity and other comprehensive income for the period. The analysis is based on the assumption that the index had increased by 20% or decreased by 20% with all other variables held constant, and that the Company's quoted equity instruments moved in line with the index. The % have been determined considering average of the actual movements in quoted prices of equity shares held as investments as at 31st March, 2018.

(₹ in Lakh)

Particulars	**Impact on Other Comprehensive Income**
NSE NIFTY 50 - increase 20%	7,013.56
NSE NIFTY 50 - decrease 20%	(7,013.56)

2.46 CAPITAL MANAGEMENT

The Company's objectives when managing capital are to:

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

The Company monitors capital using a ratio of ‘adjusted net debt’ to ‘adjusted equity’. For this purpose, adjusted net debt is defined as total non-current liabilities, less cash and cash equivalents. Adjusted equity comprises all components of equity.

The Company’s adjusted net debt to equity ratio at 31st March, 2018 and 31st March, 2017 was as follows.

(₹ in Lakh)

Particulars	**As at 31st March, 2018**	**As at 31st March, 2017**
Total Non-current liabilities	66,721.79	67,601.66
Less : Cash and bank balances	2,987.16	2,228.52
Adjusted net debt	**63,734.63**	**65,373.14**
Total equity	**4,40,147.64**	**3,96,859.66**
Adjusted net debt to adjusted equity ratio	0.14	0.16

2.47 Corresponding figures of the previous year have been re-grouped / re-arranged / re-classified / restated and revised, wherever necessary, for rounding off to nearest lakhs and/or to make them comparable with the figures of the current year.

2.48 **Prior Period Errors**

The Company has accounted for prior period errors discovered during current period, retrospectively by restating the comparative amounts to which the same relates. Since certain periods were prior to comparative period presented, the impact has been considered in opening balance sheet of comparative period presented.

2.49 Change in estimates

Change in useful life of Power Plant assets

The Company was using CERC (Terms & Conditions of Tariff) Regulations for depreciating its Wind, Solar and Thermal power plant assets. For all other assets depreciation was being calculated as per Schedule II of the Companies Act, 2013. From 1st April, 2017, the company has discontinued to follow CERC Regulations for depreciating the power plant assets and has charged depreciation based on useful life as prescribed in Schedule II of the Companies Act, 2013 and accordingly, has estimated the useful life of the power plant assets. This change in estimate has resulted in decrease in depreciation to the tune of ₹ 6225.37 lakh for the year ended 31st March, 2018 and increase in profit before tax for the year ended that date by the same amount. This change in estimate would also have impact on future accounting periods for which estimation is currently impracticable.

2.50 Recent Indian Accounting Standards (Ind AS) effective from 1st April, 2018

Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2018 has notified the following new and amendments to Ind ASs which the Company has not applied as they are effective for annual periods beginning on or after April 1, 2018:

- Ind AS 115 Revenue from Contracts with Customers
- Ind AS 21 The effect of changes in Foreign Exchange rates

The Company is in process of evaluation of the possible impact of new Ind AS 115 and amended Ind AS 21. The Company does not expect the impact of the adoption of the new standard to be material on its retained earnings and to its net income on an ongoing basis.

INDEPENDENT AUDITORS' REPORT

To
The Members of
Gujarat Mineral Development Corporation Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated Ind AS financial statements of **Gujarat Mineral Development Corporation Limited** ("the Company") and its subsidiaries, its associates and jointly controlled entities (the Company, its subsidiaries, its associates and jointly controlled entities referred to as "the Group"), comprising of the Consolidated Balance Sheet as at 31st March, 2018, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement the Consolidated Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as "the consolidated Ind AS financial statements").

Management's Responsibility for the Consolidated Ind AS Financial Statements

The Company's Board of Directors is responsible for the preparation of these consolidated Ind AS financial statements in terms of the requirements of the Companies Act, 2013 ("the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income and consolidated cash flows and changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with relevant rules issued there under.

The respective Board of Directors of the companies/entities included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Company, as aforesaid.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated Ind AS financial statements based on our audit.

While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Board of Directors, as well as evaluating the overall presentation of the consolidated Ind AS financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated financial position of the group as at 31st March, 2018, and their consolidated financial performance including other comprehensive income and their consolidated cash flows and the consolidated changes in equity for the year ended on that date.

Emphasis of Matter

The consolidated financial statements have been prepared without considering financial statements of Bhavnagar Energy Company Ltd. (BECL), which is an associate of the company and Gujarat Mineral Research and Industrial Consultancy Society, which is a subsidiary of the company. As the financial statements for the said period have not been made available to us, we are not in a position to offer any comment on same. (Refer note no. 2.52 to the consolidated Ind AS financial statements)

We draw attention to note no. 2.49 of the consolidated financial statements wherein the company was using CERC (Terms & Conditions of Tariff) Regulations for depreciating its Wind, Solar and Thermal power plant assets. For all other assets, depreciation was being calculated as per Schedule II of the Companies Act, 2013. From 1st April, 2017, the company has discontinued to follow CERC regulations for depreciating the power plant assets and has charged deprecation based on useful life as prescribed in Schedule II of the Companies Act,2013 and accordingly, has estimated the useful life of the power plant assets.

The said change of estimate has resulted in decrease in depreciation to the tune of Rs. 6225.37 lakhs for the year ended 31st March, 2018 and increase in profit before tax for the year ended that date by the same amount.

The above change in estimate would also have impact on future accounting periods for which estimation is currently impracticable.

Our opinion on the consolidated Ind AS financial statements, and our Report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters.

Other Matters

We did not audit the financial statements of two subsidiaries and three joint ventures and three associates, whose financial statements reflect total assets of Rs. 21189.87 Lakh as at 31st March, 2018, total revenues of Rs. 9645.52 Lakh and net cash flows amounting to Rs. 2765.97 Lakh of two subsidiaries for the year ended on that date, as considered in the consolidated financial statements.

Financial statements of two subsidiaries are unaudited, one joint venture is audited and balance two joint ventures are unaudited. Further, financial statements of three associate are also unaudited. These consolidated Ind AS financial statements have been furnished to us by the Management and our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, jointly controlled entities and associates, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act in so far as it relates to the aforesaid subsidiaries, jointly controlled entities and associates, is based solely on such unaudited financial statements/ financial information. In our opinion and according to information and explanations given to us by the Management, these consolidated Ind AS financial statements are not material to the Group.

Our opinion on the consolidated Ind AS financial statements, and our Report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the report of other auditor and Financial Statements certified by the Management.

Report on Other Legal and Regulatory Requirements

1. In terms of Section 143(5) of the Act, we give in Annexure '2(i) & 2(ii)' a statement on the directions issued under the aforesaid section by the Comptroller and Auditor General of India to the Company.
2. As required by Section 143 (3) of the Act, we report that:
   a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements.
   b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated Ind

AS financial statements have been kept so far as it appears from our examination of those books.

c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of the consolidated Ind AS financial statements.

d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with relevant rules issued there under.

e) On the basis of the written representations received from the directors of the Company as on 31st March, 2018, taken on record by the Board of Directors of the Company and its subsidiaries, associates and joint venture entities, none of the directors of the Group is disqualified as on 31st March, 2018, from being appointed as a director in terms of Section 164 (2) of the Act.

f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in 'Annexure A'.

g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

   i. The consolidated financial statements disclose the impact of pending litigations of the consolidated financial position of the Group- Refer Note 2.37 to the consolidated Ind AS financial statements.

   ii. The Group did not have any material foreseeable losses on long term contracts including derivative contracts.

   iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Group.

ANNEXURE 'A' TO THE AUDITORS' REPORT

Report on Internal Financial Controls over Financial Reporting

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31 March 2018, we have audited the internal financial controls over financial reporting of Gujarat Mineral Development Corporation Limited ("the Company") and its subsidiaries, its associates and jointly controlled entities, (the Company, its subsidiaries, its associates and jointly controlled entities referred to as "the Group") as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the companies/entities included in the Group are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Companies/entities considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Group, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Emphasis of Matter

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting does not include Bhavnagar Energy Company Ltd. (BECL), which is an associate of the company and Gujarat Mineral Research and Industrial Consultancy Society, which is a subsidiary of the company, as the report on Internal Financial Control by Independent Auditors was not made available.

Our opinion on an adequate internal financial controls system over financial reporting, is not modified in respect of the above matters.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to two subsidiaries, three associates and three jointly controlled entities, is based on audited financial statement in one of the joint venture and in two subsidiaries, three associates and two other joint ventures, the same is based on Management Representation as these were not audited.

Our opinion on an adequate internal financial controls system over financial reporting, is not modified in respect of the above matters.

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA ON THE CONSOLIDATED FINANCIAL STATEMENTS

Comment of the Comptroller and Auditor General of India under Section 143 (6) (b) of the Companies Act, 2013 on Consolidated financial statements of Gujarat Mineral Development Corporation Limited, Ahmedabad for the year ended 31 March 2018.

The preparation of consolidated financial statements of Gujarat Mineral Development Corporation Limited, Ahmedabad for the year ended 31 March 2018 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the Management of the Company. The Statutory Auditors appointed by the Comptroller and Auditor General of India under Section 139(5) read with Section 129(4) of the Act are responsible for expressing opinion on the financial statements under Section 143 read with Section 129(4) of the Act based on independent audit in accordance with the standards on auditing prescribed under Section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 09 May 2018.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit under Section 143(6) (a) read with Section 129(4) of the Act of the consolidated financial statements of Gujarat Mineral Development Corporation Limited for the year ended 31 March 2018. We conducted a supplementary audit of the financial statements of Gujarat Mineral Development Corporation Limited, but did not conduct supplementary audit of the financial statements of **Bhavnagar Energy Company Limited** and **Naini Coal Company Limited** for the year ended on that date. Further Section 139(5) and 143(6) (b) of the Act are not applicable to **Gujarat Mineral Research & Industrial Consultancy Society, GMDC Gram Vikas Trust, GMDC Science and Research Centre, Gujarat Foundation for Entrepreneurial Excellence, Swarnim Gujarat Fluorspar Private Limited, Gujarat Jaypee Cement and Infrastructure Limited, Gujarat Credo Mineral Industries Limited and Aikya Chemicals Private Limited.** being private entities for appointment of their Statutory Auditor nor for conduct of supplementary audit. Accordingly, C&AG has neither appointed the Statutory Auditors nor conducted the supplementary audit of these companies. This supplementary audit has been carried out independently without access to the working papers of the Statutory Auditors and is limited primarily to inquiries of the Statutory Auditors and Company personnel and a selective examination of some of the accounting records.

Based on my supplementary audit, I would like to highlight the following significant matters under Section 143(6) (b) read with Section 129(4) of the Act which have come to my attention and which in my view are necessary for enabling a better understanding of the consolidated financial statements and the related Audit Report.

Comments of C&AG	Reply by the Management
A. Comments on Financial Position **1. Consolidated Balance Sheet** **Property, Plant and Equipment** **(Note No.2.01) – ₹ 1733.51 Crore** **Land – free hold – ₹ 40.68 Crore**	
Gujarat Mineral Development Corporation Limited (GMDC) identified (year 2008) Government land for construction of residential colony for "Mata No Madh lignite project". GMDC took advance possession (in year 2010) of said land after payment of ₹ 1.03 crore with condition that if any additional payment for this land would be decided/fixed by Government, GMDC will make such payment to Collectorate- Kutch. GMDC accorded approval (May 2016) for additional payment of ₹ 1.14 crore to Collector- Kutch. State Level land valuation Committee fixed the rate of the said land @ ₹ 1530/- per Sq. mtr. District Collector-Kutch informed GMDC for submission of payment/consent letter for balance amount of ₹ 2.42 crore along with applicable interest @ 8% from the date of possession. Though Board of Directors accorded (9 August 2017) approval for payment of remaining amount of ₹ 2.42 crore along with applicable interest (if any) to Collector office- Kutch, the Company had not provided for liabilities of ₹ 3.56 crore in the financial statements for the year 2017-18. This has resulted in understatement of "Land-Free Hold" and Liabilities by ₹ 3.56 crore.	The company has capitalized an amount of ₹ 1.03 crore, which has been paid to Revenue authority towards purchase of land and possession of land was taken in the year 2010. Thereafter the company accorded its approval for payment of ₹ 1.14 crore to the Collector- Kutch and same has not been paid till date. Hence, the same has been shown under the capital commitment as no objection was taken by the company. Later on GMDC was required to give consent for payment of an additional amount of ₹ 2.42 crore as State Level Land Valuation Committee (SLVC) has fixed the rate of said land @ ₹1530/- per sq. mtr. However, the company has objected to such valuation as it was on a higher side and Collector Bhuj has also referred this case to SLVC for reconsideration of land cost. The land cost is not yet finalized. Therefore, ₹ 3.56 crore also has not been capitalized in current F.Y 2017-18 and capitalized the amount to the extent of the actual amount paid to get the possession of land. However, it may be mentioned that this does not impact the profitability of the company.

For & on behalf of the Comptroller and Auditor General of India

1: SIGNIFICANT ACCOUNTING POLICIES ON CONSOLIDATED FINANCIAL STATEMENTS

Note 1: Significant accounting policies on Consolidated Financial Statement

This note provides list of the significant accounting policies applied in the preparation of these consolidated financial statements.

(a) Basis of preparation

(i) Statement of compliance with Ind AS

The consolidated financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act..

(ii) Historical cost convention

The financial statements are prepared on accrual basis of accounting under historical cost convention in accordance with generally accepted accounting principles in India and the relevant provisions of the Companies Act, 2013 including Indian Accounting Standards notified there under, except for the following where the fair valuation have been carried out in accordance with the requirements of respective Ind AS:

- Investments in equity instruments;
- Non-current assets held for sale; and
- Employee defined benefit plans - plan assets.

Prior period/ Pre-paid items:

Items exceeding the materiality determined by the management (₹ 50000/-) are accounted retrospectively by restating the relevant accounting periods. Other items are accounted in the year in which they arise.

(iii) Use of estimates and judgements

The preparation and presentation of the financial statements are in conformity with the Ind AS which requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, revenues and expenses and disclosure of contingent liabilities. Such estimates and assumptions are based on management's evaluation of relevant facts and circumstances as on the date of financial statements. The actual outcome may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to the accounting estimates are accounted prospectively.

This policy provides an overview of the areas that involved judgement and items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

Information about assumptions, estimation and uncertainties that have a significant risk of resulting in a material adjustment within the next financial year are included in the following notes:

Note 2.21 - Current / Deferred tax liabilities

Note 2.25 - Measurement of employee defined benefit liabilities

Note 2.19/2.37 - Provisions and contingent liabilities

Note 2.42 - Impairment of items of property, plant and equipment and other assets

Note 2.45 - Impairment of financial assets (including expected credit losses for receivables)

Note 2.02- Fair valuation of investment properties

Note 2.45- Fair valuation of investments

Note 2.15- Fair valuation of non-current assets held for sale

Principles of fair value measurement have been provided in note (l) of the significant accounting policies.

(iv) Current versus non-current classification

The Company presents assets and liabilities in the Balance Sheet based on current/non-current classification as per the requirements of Ind AS compliant Schedule III to the Companies Act, 2013.

(b) Principles of consolidation and equity accounting –

i. Subsidiaries –

Subsidiaries are all entities (including structured entities) over which the Company has control. The Company controls an entity when the Company is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the group. They are deconsolidated from the date that control ceases.

The Company combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been aligned where necessary to ensure consistency with the policies adopted by the group.

Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet respectively.

ii. Associates –

Associates are all entities over which the group has significant influence but not control or joint control. Investments in associates are accounted for using the equity method of accounting after initially being recognised at cost. Equity accounting is discontinued from the date when cease to have significant influence on the investee

iii. Joint arrangements

Under Ind AS 111 Joint Arrangements, investments in joint arrangements are classified as either joint operations or joint ventures. The classification depends on the contractual rights and obligations of each investor, rather than the legal structure of the joint arrangement.

iv. Joint Ventures

Interests in joint ventures are accounted for using the equity method, after initially being recognised at cost in the consolidated balance sheet.

Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the group's share of the post-acquisition profits or losses of the investee in profit and loss, and the group's share of other comprehensive income of the investee in other comprehensive income. Dividends received or receivable from associates and joint ventures are recognised as a reduction in the carrying amount of the investment.

When the group's share of losses in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the other entity.

Unrealised gains on transactions between the group and its associates and joint ventures are eliminated to the extent of the group's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees have been changed where necessary to ensure consistency with the policies adopted by the group.

(c) Borrowing costs

Borrowing costs attributable during the acquisition or construction of qualifying assets are capitalised as part of the cost of the assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

(d) Property, Plant and Equipment (PPE)

Freehold land is carried at historical cost. All other items of PPE are stated at historical cost of acquisition/construction (net of recoverable taxes) less accumulated depreciation and impairment losses, if any.

Historical cost includes expenditure that is directly attributable to the acquisition as well as construction/ installation of the items but excludes cost of fencing in lignite mines projects. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to Statement of Profit and Loss during the reporting period in which they are incurred. Rehabilitation and resettlement expenses incurred after initial acquisition of the assets are expensed to profit or loss in the year in which they are incurred.

Machinery spares for Generating Units, Power Station and Switchyard, etc. either procured along with the equipment or subsequently are capitalized in the asset’s carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Capital Work-in-progress includes expenditure that is directly attributable to the acquisition/construction of assets, which are yet to be commissioned and project inventory and assets in transit.

An item of PPE is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of PPE is recognised in the Statement of Profit and Loss.

Un-serviceable/worn out plant and machineries, vehicles and other assets of the Company are written off from the books of account to the extent of 95% of their cost after getting approval of appropriate authorities. The same are stated at the lower of their net book value or net realizable value.

Item of PPE received by Company at free cost from parties other than government are stated at nominal cost.

(e) Investment properties

Investment properties comprise free hold land and building(including properties under construction) that are held for rental yield and/or capital appreciation.

Investment property is measured initially at its cost, including related transaction costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to Statement of Profit and Loss during the reporting period in which they are incurred

(f) Intangible assets

Intangible assets are measured on initial recognition at cost (net of recoverable taxes, if any). Subsequently, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any.

The costs of mining leases, which include the costs of acquiring mineral rights, are capitalised as item of intangible assets under the head ‘Mining rights’ in the year in which they are incurred. Pre-operative Expenses of Mines/Mining Projects under implementation incurred up to the date of commencement of the production on commercial basis are written off to the Statement of Profit and Loss in the year in which they are incurred.

(g) Depreciation and amortisation methods, estimated useful lives and residual values

(i) Items of property, plant and equipment and investment properties

Depreciation is charged on straight line method based on the useful life prescribed in Schedule II to the Companies Act, 2013. The asset's residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Depreciation on items of property, plant and equipment acquired / disposed off during the year is provided on pro-rata basis with reference to the date of addition / disposal.

Investment properties are depreciated on straight line method (SLM) based on the useful lives prescribed in Schedule II to the Companies Act, 2013.

Low value items which are in the nature of assets (excluding immovable assets) and valuing up to ₹ 5,000/- are not capitalized and charged off to Statement of Profit and Loss in the year of acquisition.

(ii) Intangible assets

Intangible assets with finite lives are amortised over their useful life and assessed for impairment whenever there is an indication that the item of intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at each reporting date.

Intangible assets are amortised on straight line method (SLM) based on the useful lives determined based on technical evaluation done by the management except mining rights which are amortised using a unit-of-production method based on the data available with the Company as regards extraction of the minerals as compared to the technical estimation of gross geological mineral reserves as mentioned in the mine closure plan submitted / approved. Capitalised mining rights are amortised once commercial production commences.

(h) Impairment of non-financial assets

An asset is treated as impaired when carrying cost of asset exceeds its recoverable value. An impairment loss is charged to Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed, if there has been a change in estimate of recoverable amount. In case of intangible assets, the same will be tested on periodical basis for impairment.

Full provision has been made on plant and machinery which has not been put to use and lying in capital work in progress for more than ten years.

(i) Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Lease accounting

As a lessee

Finance lease

At the commencement of the lease term, the Company recognises finance leases as assets and liabilities in its Balance Sheet at amounts equal to the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate. The discount rate used in calculating the present value is the interest rate implicit in the lease or the Company’s incremental borrowing rate. Minimum lease payments are apportioned between the finance charge and the reduction of the outstanding liability.

Operating lease

Lease payments under an operating lease are recognised as expenses on a straight-line basis over the lease term unless either:

A. Another systematic basis is more representative of the time pattern of the user's benefit; or

B. The payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

As a lessor

Finance lease

Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

Operating lease

Lease income from operating lease (excluding amount for services such as insurance and maintenance) is recognised in the Statement of Profit and Loss on a straight-line basis over the lease term, unless either:

A. Another systematic basis is more representative of the time pattern of the user's benefit; or

B. The payments to the Company are structured to increase in line with expected general inflation to compensate for the Company's expected inflationary cost increases.

(j) Non-current assets held for sale and discontinued operations

Non-current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and a sale is considered highly probable. They are measured at the lower of their carrying amount and fair value less costs to sell, except for assets such as deferred tax assets, assets arising from employee benefits, financial assets and contractual rights under insurance contracts, which are specifically exempt from this requirement.

Non-current assets are not depreciated or amortised while they are classified as held for sale. Non-current assets classified as held for sale are presented separately from the other assets in the Balance Sheet.

A discontinued operation is a component of the Company that has been disposed of or is classified as held for sale and that represents a separate major line of business or geographical area of operations, is part of a single co-ordinated plan to dispose of such a line of business or area of operations, or is a subsidiary acquired exclusively with a view to resale. The results of discontinued operations are presented separately in the Statement of Profit and Loss.

(k) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition

A financial asset is recognised in the Balance Sheet when the Company becomes party to the contractual provisions of the instrument.

Initial measurement

At initial recognition, the Company measures a financial asset (which is not measured at fair value) through profit or loss at its fair value plus or minus transaction costs that are directly attributable to the acquisition or issue of the financial asset.

Subsequent measurement

For purpose of subsequent measurement, financial assets are classified into:

A. Financial assets measured at amortised cost;

B. Financial assets measured at fair value through profit or loss (FVTPL); and

C. Financial assets measured at fair value through other comprehensive income (FVTOCI).

The Company classifies its financial assets in the above mentioned categories based on:

A. The Company's business model for managing the financial assets, and

B. The contractual cash flows characteristics of the financial asset.

A financial asset is measured at amortised cost if both of the following conditions are met:

A. The financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and

B. The contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Amortised cost of a financial asset or financial liability means the amount at which the financial asset or financial liability is measured at initial recognition minus the principal repayments, plus or minus the cumulative amortisation using the effective interest rate (EIR) method of any difference between that initial amount and the maturity amount and, for financial assets, adjusted for any loss allowance.

Financial assets are subsequently measured at amortised cost using the EIR method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income through profit or loss. The losses arising from impairment are recognised through profit or loss.

A financial asset is measured at FVTOCI if both of the following conditions are met:

A. The financial asset is held within a business model whose objective is achieved by both collecting the contractual cash flows and selling financial assets and

B. The asset's contractual cash flows represents SPPI.

A financial asset is measured at FVTPL unless it is measured at amortised cost or at FVTOCI. In addition, the Company may elect to designate a financial asset, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost, less provision for impairment.

Equity instruments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present subsequent changes in the fair value through other comprehensive income. The Company makes such election on an instrument by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the Other Comprehensive Income (OCI). On sale of investments, cumulative gain or loss is recognised in OCI and the amount is not reclassified to profit or loss. Equity instruments included within the FVTPL category are measured at fair value with all changes recognised through Profit or Loss.

The company has elected to measure its equity instrument through FVTOCI.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's Balance Sheet) when:

A. The contractual rights to the cash flows from the financial asset have expired, or

B. The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either

i) The Company has transferred substantially all the risks and rewards of the asset, or

ii) The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment of financial assets

The Company assesses impairment based on expected credit loss (ECL) model to the following:

A. Financial assets measured at amortised cost

B. Financial assets measured at FVTOCI

ECLs are measured through a loss allowance at an amount equal to:

A. The 12-months ECLs (ECLs that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or

B. Full time ECLs (ECLs that result from all possible default events over the life of the financial instrument).

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. It recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

The Company uses a provision matrix to determine impairment loss allowance for trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-months ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the Company reverts to recognising impairment loss allowance based on 12-months ECL.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the Statement of Profit and Loss. The Balance Sheet presentation for various financial instruments is described below:

A. Financial assets measured as at amortised cost and contractual revenue receivables - ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the Balance Sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the company does not reduce impairment allowance from the gross carrying amount.

B. Financial assets measured at FVTOCI - Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. Rather, ECL amount is presented as accumulated impairment amount in the OCI.

For assessing increase in credit risk and impairment loss, the Company combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

Financial Liabilities

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequently, all financial liabilities are measured at amortised cost or at FVTPL. The Company's financial liabilities include trade and other payables, loan and borrowings including bank overdrafts.

Subsequent measurement

A. Financial liabilities measured at amortised cost

B. Financial liabilities subsequently measured at FVTPL

Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVTPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised through profit or loss.

Financial liabilities designated upon initial recognition at FVTPL are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to Profit or loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the Statement of Profit and Loss. The Company has not designated any financial liability as at FVTPL.

Trade and other payables

These amounts represent liability for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at fair value and subsequently measured at amortised cost using the EIR method.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

(l) Offsetting financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet when, and only when, there is a legally enforceable right to offset the recognised amount and there is intention either to settle on net basis or to realise the assets and to settle the liabilities simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or counterparty.

(m) Fair value measurement

The Company measures certain financial instruments at fair value at each Balance Sheet date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

A. In the principal market for the asset or liability, or

B. In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as under, based on the lowest level input that is significant to the fair value measurement as a whole:

A. Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

B. Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

C. Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

This note summarises the accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

A. Note 2.45- Disclosures for valuation methods, significant estimates and assumptions

B. Note 2.45- Quantitative disclosures of fair value measurement hierarchy

C. Note 2.45- Financial instruments (including those carried at amortised cost)

D. Note 2.25- Measurement of employee defined benefit obligations

E. Note 2.02- Fair valuation of investment properties

F. Note 2.45- Fair valuation of investments

G. Note 2.15- Fair valuation of non-current assets held for sale

(n) Inventories

Stores, chemicals, spares, fuel and loose tools are valued at cost. Cost is ascertained on weighted average method.

Raw materials, mined ore, goods-in-process and finished products are valued at lower of total cost incurred at respective project or net realizable value item-wise. Cost is ascertained on First In First Out basis. While valuing inventories, the inter-unit profit has been eliminated at corporate level. Further, the Company does not value the stock of by-products lying at various project sites.

Spares (not meeting the definition of PPE) are accounted as inventory and expensed to the Statement of Profit and Loss when issued for consumption.

(o) Employee benefits

(i) Short term employee benefit obligations

Liabilities for wages, salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related services are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are to be settled. The liabilities are presented as current employee benefit obligations in the Balance Sheet.

(ii) Other long term employee benefit obligations

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of reporting period using the projected unit credit method. The benefits are discounted using the market yield at the end of reporting period that have terms approximating to the terms of related obligation. Remeasurement as a result of experience adjustments and changes in actuarial assumptions are recognised in the Statement of Profit and Loss.

The obligations are presented as current liabilities in the Balance Sheet if the Company does not have unconditional right to defer settlement for at least 12 months after the reporting period, regardless of when the actual settlement is expected to occur.

Compensation paid to the legal heirs of deceased employee while in service is charged to Statement of Profit and Loss as and when the liability arises.

The principal amount and interest thereon in respect of House Building Advance in case of deceased employee while in service is written off as and when intimation is received.

(iii) Post-employment obligations

The Company operates the following post-employment schemes:

A. Defined benefit plans such as gratuity; and

B. Defined contribution plan such as provident fund etc.

Gratuity obligations

The liability or asset recognised in the Balance Sheet in respect of defined benefit gratuity plans is present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligations is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expenses in the Statement of Profit and Loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the Statement of Changes in Equity and in the Balance Sheet. Changes in present value of the defined benefit obligation resulting from plan amendment or curtailments are recognised immediately in profit or loss as past service cost.

Provident Fund

The Company pays provident fund contributions to GMDC Employees Provident Fund Trust. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expenses when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payment is available.

Reimbursement of losses and other related expenses to Provident Fund Trust are charged to the Statement of Profit and Loss as and when crystallized.

(iv) Termination benefits

Compensation to employees who have opted for retirement under the voluntary retirement scheme of the Company is charged to Statement of Profit and Loss in the year of separation.

(p) Foreign currency transactions

(i) Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The consolidated financial statements are presented in Indian rupee (INR), which is GMDC's functional and presentation currency.

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the date of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at the year-end exchange rates are generally recognised in profit or loss.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the Statement of Profit and Loss. All other foreign exchange gains and losses are presented in the Statement of Profit and Loss on a net basis within other income or other expenses.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss.

(q) Revenue recognition

Revenue is measured at fair value of the consideration received or receivable. Amounts disclosed as revenue are net of the amounts collected on behalf of third parties. The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company and specific criteria have been met for each of the Company's activities. The Company bases its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

Sales are recognized at the time of dispatch of finished goods. Sales include amounts in respect of excise duty(on the basis of payments made in respect of goods cleared), royalty, transportation, packing charges, generation based incentives, clean energy cess, mine closure charges wherever applicable and other taxes or duties, if any, but excludes VAT/GST. Sales are reduced to the extent of the amount of cash discount.

The liquidated damage/penalty, if any, on capital contracts are generally determined on completion of contract and the same is recognised in the Statement of Profit and Loss. Liquidated damages/penalty on long term revenue contracts are determined at the end of one year from the date of award of contracts and the same is recognised in the Statement of Profit and Loss.

In respect of power plants, Unscheduled Interchange (UI) Charges and Generation Based Incentives (GBI) are recognized as and when the same are received / incurred by the Company.

Interest income from a financial asset is recognised when it is probable that the economic benefit will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the EIR applicable, which is the rate that exactly discounts estimated future cash flows through the expected life of the financial asset to that asset’s gross carrying amount on initial recognition.

Dividend income is accounted for when the right to receive the same is established, which is generally when the shareholders approve the dividend.

(r) Government grants

Grants from the Government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government grants relating to income are deferred and recognised in the Statement of Profit and Loss over the period necessary to match them with the costs that they are intended to compensate and presented within the other income.

Government grants relating to the purchase or construction of items of PPE or investment properties are included in non-financial liabilities as deferred income and credited to Statement of Profit and Loss on a straight line basis over the expected lives of the related assets and presented within the other income.

(s) Taxation

Income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on the rates and tax laws enacted or substantively enacted, at the reporting date. Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred taxes

Deferred tax is provided in full on temporary difference arising between the tax bases of the assets and liabilities and their carrying amounts in consolidated financial statements.

Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled. Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax are recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively. Any tax credit available is recognised as deferred tax to the extent that it is probable that future taxable profit will be available against which the unused tax credits can be utilised. The said asset is created by way of credit to the Statement of Profit and Loss and shown under the head deferred tax asset.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

(t) Provisions, contingent liabilities and contingent assets

Provisions are recognised at present value when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement.

Decommissioning costs are provided at the present value of expected costs to settle the obligation using estimated cash flows and are recognised as part of the cost of PPE. The cash flows are discounted at a current pre-tax rate that reflects the risk specific to the decommissioning liability. The unwinding of discount is expensed as incurred and recognised in the Statement of Profit and Loss as a finance cost. The estimated future costs of decommissioning are reviewed annually and adjusted as appropriate. Changes in the estimated future costs or in the discount rate applied are added to or deducted from the cost of the asset. Progressive mine closure expenses are accounted for as and when incurred.

As per the mine closure guidelines issued by the Ministry of Coal, in August 2009 and further updated in January 2013, the annual mine closure cost need to be provided @ ₹ 6 Lakh per hectare. Such annual cost is required to be modified with reference to WPI as mentioned and considered in the mine closure plan submitted / approved for the respective mines. The mine closure provisions are required to be provided in line with the approved / submitted / prepared mine closure plans. In case the mine closure plan has not been submitted / approved / prepared the annual cost is estimated based on the above referred guidelines.

Contingent liabilities are not provided for, If material, are disclosed by way of notes to accounts. Contingent assets are not recognised in financial statements. However, the same is disclosed, where an inflow of economic benefit is probable.

(u) Cash and Cash Equivalents

Cash and cash equivalents comprise cash and deposits with banks . The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

For the purpose of presentation in the Statement of Cash Flows, cash and cash equivalents includes cash on hand, other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the Balance Sheet.

(v) Statement of Cash Flows

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

(w) Dividends

The Company recognises a liability for dividends to equity holders of the Company when the dividend is authorised and the dividend is no longer at the discretion of the Company. As per the corporate laws in India, dividend is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

(x) Segment Reporting

The Chief Operational Decision Maker (CODM) monitors the operating results of its business segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements. Operating segments are reported in a manner consistent with the internal reporting provided to the CODM.

Accordingly, the Board of Directors of the Company is CODM for the purpose of segment reporting. Refer note 2.43 for segment information presented.

(y) Events occurring after the Reporting Date

Adjusting events (that provides evidence of condition that existed at the Balance Sheet date) occurring after the Balance Sheet date are recognized in the financial statements. Material non adjusting events (that are inductive of conditions that arose subsequent to the Balance Sheet date) occurring after the Balance Sheet date that represents material change and commitments affecting the financial position are disclosed in the Board’s Report.

(z) Exceptional Items

Certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Company is such that its disclosure improves the understanding of the performance of the Company, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the financial statements.

2.01.01 GSECL and the Company had agreed to create common amenities (school, hospital, drinking water supply, communication, transport facilities, etc.) for the employees of both entities and also for general public in Panandhro in terms of minutes dated 8.10.1991, 3.8.1992, 1.10.1993. These were to be managed by a Trust to be registered in this regard. Pending formation of the Trust, the capital and revenue expenditure incurred by the Company as well as GSECL are shared on 50:50 basis and accounted in the books of the respective entity. Share of 50% given by each against the expenditure incurred by respective entity is subject to confirmation and adjustments, if any. Pending transfer of such assets to the Trust, capital expenditure incurred in the creation of items of property, plant and equipment towards 50% share of GMDC to the tune of ₹59.40 Lakh (P.Y. ₹59.40 Lakh) is accounted in the books of the Company and included in the respective items of property, plant and equipment.

2.01.02 Break-up of Capital Work-in-progress for the year ended 31st March, 2018 is given here under: **(₹ in Lakh)**

Segment	Civil Work	Non-Civil Work	Total
Mining	108.56	0.54	109.10

Total	**1,066.16**	**0.54**	**1,066.70**
Previous Year	2,078.32	30.03	2,108.35

2.01.03 Refer to Note 2.38 for disclosure of contractual commitments for the acquisition of property, plant and equipment.

2.01.04 Details of assets given on operating lease: **(₹ in Lakh)**

Net Carrying Amount	As at 31st March, 2018	As at 31st March, 2017
Plant & machinery (Thermal Power Plant)	58,062.06	59,956.34

The Company had entered into Power Purchase Agreement (PPA) with one of the Government owned entities for sale of electricity produced from thermal power plant. The tenure of PPA is 30 years whereas the economic life is determined to be atleast 40 years. The management has evaluated the arrangement as per the provisions of Appendix C to Ind AS 17 - Leases and its classification is determined at the inception of arrangement. Accordingly, the arrangement is considered as an operating lease.

Particulars	As at 31st March, 2018	As at 31st March, 2017
Investment properties	11,683.95	11,977.95

Estimation of Fair Value

The Company obtains valuation for its investment properties (other than those under construction) at least annually. All resulting fair value estimates for investment properties are included in level 3. For properties under construction, management is of the view that the fair value can be determined reliably only on completion of the construction. Accordingly, the same shall be disclosed when the related work is completed.

2.05.01 Investments measured at fair value through Other Comprehensive Income (FVTOCI) reflect investments in unquoted and quoted equity securities. Refer Note 2.45 for determination of their fair values.

2.05.02 As per the Memorandum of Understanding (MOU) dated 30th March, 1995 entered into with the Gujarat Industrial Investment Corporation Ltd (GIIC), the said company had to repurchase 16 Lakh number of shares of Gujarat Alkalies & Chemicals Limited (GACL) purchased by GMDC from GIIC by 30th March, 1998 at an agreed price consisting of cost plus interest @ 14% per annum and service charge @ 0.25% per annum less dividend, bonus and rights, etc. received thereon. GIIC has proposed to enter into a Supplementary MOU by virtue of which GIIC will not be required to repurchase the above shares and GMDC shall hold these shares as investment. The Board of Directors of GMDC and GIIC have agreed to enter into Supplementary MOU for which proposal has been sent to the Govt. of Gujarat for its approval. The remaining 25.45 Lakh shares of GACL as shown in above note have been purchased by the Company from the open market.

* Refer note 2.45 for classification

2.06.01 Naini Coal Company Ltd. is a 50:50 joint venture of GMDC and Pondicherry Industrial Promotion Development Investment Corp Ltd. (PIPDIC). Naini Coal Company Ltd had given bank guarantee of ₹ 65 Crores to Coal Ministry, Govt of India for allocation of Naini Coal block in the State of Orissa. The said bank guarantee was secured by Corporate Guarantee of GMDC for an amount of ₹ 3250 Lakh and another ₹ 3250 Lakh was secured by bank guarantee of UCO Bank, arranged by PIPDIC. Ministry of Coal, Govt of India has invoked 50% of Bank Guarantee i.e. ₹ 3250 Lakh given by the Naini Coal Company Ltd. vide their letter dated 27/12/2012 due to non-compliance of some terms and conditions of Naini Coal block allocation. GMDC had discharged its liability of ₹ 1625 Lakh towards invoked bank guarantee and has accounted for the same as advance to Naini Coal Company Ltd. Total provision for impairment made for advances to Naini Coal Company Ltd. amounts to ₹ 1703.81 Lakh (PY: ₹ 2035.62 Lakh). During the year GMDC has received ₹331.81 lakh from Govt.of India (through Naini Coal Co. Ltd) towards expenditure incurred on Geological and other reports, hence, provision has been reduced to that extent. GMDC has already filed special civil application before the Hon'ble Gujarat High court against arbitrary cancellation of coal block as well as invocation of bank guarantee. During the pendency of petition before the Hon'ble Gujarat High Court, the Hon'ble Supreme Court has cancelled all the coal blocks. Therefore, the petition with Hon'ble High Court is pending in respect of invocation of Bank Guarantee only.

2.07 OTHER NON-CURRENT FINANCIAL ASSETS* **(₹ in Lakh)**

2.16.02 Rights, preferences and restrictions attached to Equity Shares

The Company has only one class of equity shares having a face value of ₹ 2 per share. Each holder of equity share is entitled to one vote per share. The Company declares and pays dividend in Indian Rupees. The dividend proposed by the Board of Directors is subject to the approval of shareholders in the ensuing Annual General Meeting.

During the year ended 31st March, 2018, the amount of dividend per share recognised as distributions to equity shareholders is ₹ 3 per share (31st March 2017: ₹ 3 per share).

In the events of liquidation of the Company, the holders of equity shares will be entitled to remaining assets of the Company. The distribution will be in proportion to the number of equity shares held by the shareholders.

2.24.01 Vide Government Resolution dated 19/11/2009, GMDC has been given permission to lift Manganese Ore from dumps of Shivrajpur areas and dispose the same for which GMDC will be entitled to retain 20% of the sale price. GMDC has to keep remaining 80% of the sale price of Manganese Ore dump in a separate account of Gujarat Mineral Research & Development Society (GMRDS) for mineral survey and exploration. Accordingly, ₹ 263.18 Lakh (31st March, 2017: ₹ 164.77 Lakh; 1st April, 2016: ₹ 166.95 Lakh) (i.e. 80% of the basic sale price) has been transferred to GMRDS and included under the head "Other Financial Liabilities".

2.24.02 NALCO has made upfront payment of ₹ 15,100 Lakh for setting up Allumina refinery and smelter plant in Kutchh region. Accordingly based on facts and circumstances as at 01st April,2016 the same was disclosed as other current non-financial liability. However, subsequently based on detailed project report, both the companies mutually decided not to proceed with the project. The Company has initiated the process for repayment of the amount to NALCO without interest as approved by Government of Gujarat. Accordingly the amount has been classified as a other current financial liability.

2.25 CURRENT NET EMPLOYEE BENEFIT LIABILITIES **(₹ in Lakh)**

6	Land Compensation	-	16,800.00
7	Incentives to employees	1,158.84	1,158.84
8	7th pay commission arrears	-	3,193.35
9	**Guarantees excluding financial guarantees**		
	Outstanding Bank Guarantees / Letter of Credits	2,377.34	1,590.39

2.38 COMMITMENTS **(₹ in Lakh)**

Sr. No.	Particulars	As at 31st March, 2018	As at 31st March, 2017
A	**Capital Commitments**		
	Estimated amount of contracts remaining to be executed on capital account and not provided for	362.82	1223.29
B	**Other Commitments**		
1	**Contractual obligations : investment property**		
	Contractual obligation for future purchase or construction - not recognised as a liability	-	380.51
2	The company has invested an amount of ₹ 29,765 Lakh in Bhavnagar Energy Company Ltd which is 28.24% of its capital. The Company has entered in to the Sponsor Support Agreement with Bhavnagar Energy Company Ltd where the company has given commitment to meet the cost overrun.		

2.39 EVENTS OCCURRING AFTER THE REPORTING PERIOD

The board has recommended dividend of ₹ 3.50 per share which is subject to approval of share holders in the ensuing general meeting.

2.40 In the opinion of Management, any of the assets other than items of property, plant and equipment, investment properties, intangible assets and Non-Current Investments have a value on realisation in the ordinary course of business at least equal to the amount at which they are stated, unless otherwise stated.

2.41 Balances of trade payables, trade receivables, loans & advances, advances from customers, other non-current/current liabilities, etc. are subject to confirmation, if any, in the accounts.

2.42 On periodical basis and as and when required, the Company reviews the carrying amounts of its assets. In the Financial Year 2017-18, the Company has reviewed the carrying amounts of its assets and found that there is no indication that those assets have suffered any impairment loss. Hence, no such impairment loss has been provided.

2.43 SEGMENT INFORMATION

(a) Description of segment and principal activities

The Chief Operational Decision Maker (CODM) monitors the operating results of its business segments separately for the purpose of making decisions about resource allocation and performance assessment, and accordingly, the Company has identified two reportable operating segments viz. Mining and Power. Operating segments have been identified and reported in a manner consistent with the internal reporting provided to the CODM.

(b) Segment revenue and expenses

Revenue and expenses have been identified to a segment on the basis of relationship to operating of the segment. Revenue and expenses which relate to enterprise as a whole and are not allocable to a segment on reasonable basis have been disclosed as "Unallocable".

(c) Segment assets and liabilities

Segment assets and segment liabilities represent assets and liabilities in respective segments. Investments, tax related assets and other assets and liabilities that cannot be allocated to a segment on reasonable basis have been disclosed as "Unallocable".

(d) Secondary segment reporting

The Company does not have geographical distribution of revenue as the operations of the Company are carried out within the country and hence secondary segmental reporting based on geographical locations of its customers is not applicable to the Company.

(e) Information about major customers

Revenue from power segment (which exceeds 10% of total segment revenue) amounting to ₹ 39,955.04 (P.Y.: ₹ 45,965.28) Lakh is derived from a single customer and revenue from mining segment (which exceeds 10% of total segment revenue) amounting to ₹ 21,181.39 (P.Y.: ₹ 25,706.85) Lakh (inclusive of tax) is derived from a single customer.

(f) Information about product and services

The Company's revenue from external customers for each product is same as that disclosed below under "segment revenue".

(₹ in Lakh)

Particulars	**2017-18**				**2016-17**

Fair value of financial assets and liabilities measured at amortised cost is not materially different from the amortised cost.

Types of inputs are as under:

Input Level I (Directly Observable) which includes quoted prices in active markets for identical assets such as quoted price for an equity security on Security Exchanges.

Input Level II (Indirectly Observable) which includes prices in active markets for similar assets such as quoted price for similar assets in active markets, valuation multiple derived from prices in observed transactions involving similar businesses etc.

Input Level III (Unobservable) which includes management's own assumptions for arriving at a fair value such as projected cash flows used to value a business etc.

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

B. Measurement of fair values

i) Valuation techniques and significant unobservable inputs

The following tables show the valuation techniques used in measuring Level 3 fair values, as well as the significant unobservable inputs used.

Financial instruments measured at fair value

FVTOCI in unquoted equity shares:

Gujarat State Petroleum Corporation Limited

1. **Market approach :** This approach uses information generated by market transactions of the Company being valued or the transactions of comparable companies. The following market-linked information may be used for determining valuation under this approach.

   - Quoted price of the company being valued,
   - Past transaction value of the company being valued,
   - Listed comparable companies' trading multiples like price to earning ratio, enterprise value to earning before interest, tax, depreciation and amortisation, enterprise value to sales etc.
   - Transactions multiples for investment / M & A transaction of comparable companies.

   The valuation arrived at based on the market approach reflects the current value of the Company perceived in the active market. However, as the valuation arrived at using market multiples is based on the past/current transaction or traded values of comparable companies/businesses, it may not reflect the possible changes in future trend of cash flows being generated by a business.

2. **Income Approach :** The income approach reflects present value of future cash flows. For valuing a business, the discounted cash flow (DCF) methodology is used under this approach. This methodology works on the premise that the value of a business is measured in terms of future cash flow streams, discounted to the present time at an appropriate discount rate. This method is used to determine the present value of business on a going concern assumption. The DCF technique recognizes the time value of money.

   The value of the firm is arrived at by estimating the Free Cash Flow to Firm (FCFF) and discounting the same at the Weighted Average Cost of Capital (WACC). FCFF is estimated by forecasting free cash flows available to the firm (which are derived on the basis of the likely future earnings of the company).

3. **Cost Approach:** The cost approach essentially estimates the cost of replacing the tangible assets of the business. The replacement cost takes into account the market value of various assets or the expenditure required to create the infrastructure exactly similar to that of a company being valued.

   Significant unobservable inputs Highest priority is given to unadjusted quoted price of listed entities and lowest priority to non-market linked inputs such as future cash flows used in income approach.

   Inter-relationship between significant unobservable inputs and fair value measurement The estimated fair value would increase (decrease) if there is a change in significant unobservable inputs used in determination of fair value.

   Considering the diverse asset and investment base of the Company with differing risk/return profiles, a sum of the parts approach has been adopted for the valuation. Under this method, the value of each distinct business/asset/investment has been arrived at separately and total value estimate for the Company presented as the sum of all its business/investments/assets.

Gujarat Guardian Limited

Fair value is determined using the ratio of enterprise value to EBIDTA adjusted for the industry average. The industry average has been computed using peer companies.

GITCO and Gujarat Informatics Limited

In absence of sufficient information for determination of fair value, the Company has determined the same using net worth as reflected in the financial statements as at the each reporting date. Management is of the view that the value so determined are reflective of the fair values.

Further, in the absence of the audited financial statements of GITCO and Gujarat Informatics Limited, the fair value is determined based on unaudited financial statement for the year ended 31st March, 2018 of GITCO and 31st March, 2017 of Gujarat Informatics Limited. Once the audited financials are available, appropriate changes would be made in the subseqnuent periods.

ii) Transfers between Levels 1 and 2

There have been no transfers between Level 1 and Level 2 during the reporting periods

iii) Level 3 fair values

Movements in the values of unquoted equity instruments for the period ended 31st March, 2018 and 31st March, 2017:

(₹ in Lakh)

Particulars	Amount
As at 1st April 2016	**26,326.18**
Acquisitions/ (disposals)	-
Gains/ (losses) recognised in other comprehensive income	(5,095.69)
Gains/ (losses) recognised in statement of profit or loss	-
As at 31st March 2017	**21,230.49**
Acquisitions/ (disposals)	-
Gains/ (losses) recognised in other comprehensive income	(636.77)
Gains/ (losses) recognised in statement of profit or loss	-
As at 31st March 2018	**20,593.72**

Transfer out of Level 3

There were no movement in level 3 in either directions during the year 2017-18 and 2016-17.

Sensitivity analysis - Investments in unquoted equity instruments

On account of lack of sufficient information as at the end of reporting period and nature of investments, the management is of the view that it is impracticable to determine the sensitivity of the fair values to changes in the underlying assumptions.

C. Financial risk management

The Company has exposure to the following risks arising from financial instruments:

₹Credit risk ;

₹Liquidity risk ; and

₹Market risk

(i) Risk management framework

The Company has a well-defined risk management framework. The Board of Directors of the Company has adopted a Risk Management Policy. Company has also set up a Risk Management Committee.

Looking to the profile of GMDC, i.e., Mining and Power Operations, GMDC has inbuilt risk management practices to address various operational risks. The Company has standard operating processes for various mining operations in order to mitigate procedures and prevent risk arising out of various operations. GMDC has no external borrowings. Hence, there is no financial risk that can impact GMDC's Financial Position. GMDC primarily deals with natural resources. Hence, Policy of Government may impact GMDC's operational strategy.

GMDC's risk management process revolves around following parameters:

1. Risk Identification and Impact Assessment
2. Risk Evaluation
3. Risk Reporting and Disclosure
4. Risk Mitigation

(ii) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers.

Other financial assets

The Company maintains its Cash and cash equivalents and Bank deposits with banks having good reputation, good past track record and high quality credit rating and also reviews their credit-worthiness on an on-going basis.

Trade and other receivables

Trade receivables of the Company are typically unsecured ,except to the extent of advance received against sales for sale of lignite. Credit risk is managed through credit approvals and periodic monitoring of the creditworthiness of customers to which Company grants credit terms in the normal course of business. The Company performs ongoing credit evaluations of its customers' financial condition and monitors the creditworthiness of its customers to which it grants credit terms in the normal course of business. Significant portion of trade receivables at the respective reporting date comprise of State Governments PSUs. Management does not expect any credit risk on the same. The allowance for impairment of trade receivables is created to the extent and as and when required, based upon the expected collectability of accounts receivables.

Age of Receivables **(₹ in Lakh)**

Particulars	**As at 31st March, 2018**	**As at 31st March, 2017**	**As at 1st April, 2016**
Within the credit period	4,800.22	433.57	345.59
1-30 days past due	1,563.96	4,453.18	4,114.19
31-60 days past due	522.58	402.29	4,126.73
61-90 days past due	3,407.59	3,243.70	306.80
More than 90 days past due	811.72	3,373.51	102.62

The above receivables which are past due but not impaired are assessed on individual case to case basis and relate to a number of independent third party customers from whom there is no recent history of default. Management is of the view that these financial assets (majorly state owned PSUs) are not impaired as there has not been a significant change in credit quality and are recoverable based on the nature of the activity with the respective customer to which they belong and the type of customers. Further, since the amount are collected within one year, there is no loss on account of time value of money. Consequently, no additional provision has been created on account of expected credit loss on the receivables. There are no other classes of financial assets that are past due but not impaired except for trade receivables as at 31st March, 2018; 31st March, 2017 and 1st April, 2016.

Movements in Expected Credit Loss Allowance **(₹ in Lakh)**

Particulars	**As at 31st March, 2018**	**As at 31st March, 2017**
Balance at the beginning of the year	104.14	104.14
Movements in allowance	-	-
Closing balance	**104.14**	**104.14**

The maximum exposure to credit risk for trade and other receivables by geographic region was as follows:

(₹ in Lakh)

Particulars	Carrying amount		
	31st March, 2018	**31st March, 2017**	**1st April, 2016**
India	11,106.08	11,906.25	8,995.92
Other regions	-	-	-
	11,106.08	**11,906.25**	**8,995.92**

Management believes that the unimpaired amounts that are past due by more than 30 days are still collectible in full, based on historical payment behavior and extensive analysis of customer credit risk, including underlying customers' credit ratings if they are available.

Management estimates that there are no instances of past due or impaired trade and other receivables.

(iii) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

(₹ in Lakh)

31st March, 2018	Contractual cash flows			
	Carrying amount	**Total**	**Less than 12 months**	**More than 12 months**

Trade payables	9,710.11	9,710.11	9,710.11	-
Total	**38,709.79**	**38,709.79**	**36,795.49**	**1,914.30**

(iv) Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments.

Currency risk

The functional currency of the Company is Indian Rupees.

The Company do not use derivative financial instruments for trading or speculative purposes. As the Company does not engage in foreign exchange transaction, it is not exposed to currency risk.

Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates. The Company does not have any undrawn or outstanding borrowings and hence does not possess any interest rate risk.

Price Risk

The Company's exposure to equity securities price risk arises from investments held by the Company and classified in the balance sheet as fair value through other comprehensive income (FVTOCI). Some of the equity investments are publicly traded and are included in the NSE Nifty 50 Index.

Sensitivity

The table below summarises the impact of increases/decreases of the index on the Company's equity and other comprehensive income for the period. The analysis is based on the assumption that the index had increased by 20% or decreased by 20% with all other variables held constant, and that the Company's quoted equity instruments moved in line with the index. The % have been determined considering average of the actual movements in quoted prices of equity shares held as investments as at 31st March, 2018

(₹ in Lakh)

Particulars	**Impact on Other Comprehensive Income**
NSE NIFTY 50 - increase 20%	7,013.56
NSE NIFTY 50 - decrease 20%	(7,013.56)

2.46 **CAPITAL MANAGEMENT**

The Company's objectives when managing capital are to:

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

The Company monitors capital using a ratio of 'adjusted net debt' to 'adjusted equity'. For this purpose, adjusted net debt is defined as total non-current liabilities, less cash and cash equivalents. Adjusted equity comprises all components of equity.

The Company's adjusted net debt to equity ratio at 31st March, 2018 and 31st March, 2017 was as follows.

(₹ in Lakh)

Particulars	**As at 31st March, 2018**	**As at 31st March, 2017**
Total Non-current liabilities	66,730.04	67,631.02
Less : Cash and bank balances	5,753.12	5,115.43
Adjusted net debt	**60,976.92**	**62,515.59**
Total equity	**4,35,190.70**	**4,00,056.65**
Adjusted net debt to adjusted equity ratio	0.14	0.16

2.47 Corresponding figures of the previous year have been re-grouped / re-arranged / re-classified / restated and revised, wherever necessary, for rounding off to nearest lakhs and/or to make them comparable with the figures of the current year.

2.48 **Prior Period Errors**

The Company has accounted for prior period errors discovered during current period, retrospectively by restating the comparative amounts to which the same relates. Since certain periods were prior to comparative period presented, the impact has been considered in opening balance sheet of comparative period presented.

2.49 **Change in estimates**

Change in useful life of Power Plant assets

The Company was using CERC (Terms & Conditions of Tariff) Regulations for depreciating its Wind, Solar and Thermal power plant assets. For all other assets depreciation was being calculated as per Schedule II of the Companies Act, 2013. From 1st April, 2017, the company has discontinued to follow CERC Regulations for depreciating the power plant assets and has charged depreciation based on useful life as prescribed in Schedule II of the Companies Act, 2013 and accordingly, has estimated the useful life of the power plant assets. This change in estimate has resulted in decrease in depreciation to the tune of ₹ 6225.37 lakh for the year ended 31st March, 2018 and increase in profit before tax for the year ended that date by the same amount. This change in estimate would also have impact on future accounting periods for which estimation is currently impracticable.

2.50 **Recent Indian Accounting Standards (Ind AS) effective from 1st April, 2018**

Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2018 has notified the following new and amendments to Ind ASs which the Company has not applied as they are effective for annual periods beginning on or after April 1, 2018:

- Ind AS 115 Revenue from Contracts with Customers
- Ind AS 21 The effect of changes in Foreign Exchange rates

The Company is in process of evaluation of the possible impact of new Ind AS 115 and amended Ind AS 21. The Company does not expect the impact of the adoption of the new standard to be material on its retained earnings and to its net income on an ongoing basis.

Note 1 Consolidated financial statements for 2017-18 have been prepared without considering the financial results of BECL for the year 2017-18, an associate for the Company, on account of non-availability of the same. However, carrying amount as of 31st March 2018 is adjusted applying equity method considering the financial results of BECL for the year ended 31st March 2017. Management has been informed that the company is in the process of internal restructuring. Accordingly, the financial statements for the year 2017-18 are under preparation.

Note 2 The GMRICS (being a subsidiary) is a society set up under Society's Act and is controlled by the Company. However, there have been no transactions since the year of establishment i.e. 2012-13. Hence, the same has not been considered for the purposes of preparing the consolidated financial statements.

SEBI NOTIFICATION DATED June 8, 2018 – Amendment to Regulation 40 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

The Securities and Exchange Board of India (SEBI) has, vide a notification dated June 8, 2018 amended Regulation 40 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 mandating transfer of securities only in dematerialized form.

Accordingly requests for effecting transfer of securities shall not be processed unless the securities are held in Dematerialized form with effect from December 5, 2018. Therefore please note that the RTA and the Company will not be accepting any request for transfer of shares in physical from with effect from December 5, 2018. This restriction shall not be applicable to the requests received for transmission or transposition of physical shares.

You may access this notice Notification from the website of SEBI.

Shareholders are accordingly requested to get in touch with any Depository Participant to open a Demat account. You may visit the websites of depositories viz. NSDL or CDSL for further understanding about the demat procedure.

NSDL Website : https:/nsdl.co.in/faqs/faq.php(dematerialization)
CDS website : https://www.cdslindia.com/investors/open-demat.aspx

Shareholders, who are holding shares in physical form are requested to arrange for the dematerialization of the said shares at the earliest to avoid any inconvenience in future for transfer of shares.

MANDATORY UPDATION OF PAN AND BANK DETAILS AGAINST YOUR HOLDING

Dear Shareholder(s),

Re: SUBMISSION OF DETAILS OF PAN CARD NO./S , BANK DETAILS, EMAIL ID ETC. OF SHARE HOLDER/S.

The Securities and Exchange Board of India (SEBI) has, vide circular no. SEBI/HO/MIRSD/DOP1/CIR/P/2018/73 dated 20.04.2018 directed all Companies to obtain Pan No. of share holders who held shares in physical form and also make payment of dividend to the shareholders through approved electronic modes and also directed that updated Bank Details of the shareholders must be maintained by the Companies and RTAs. If such information is not available, the same must be obtained from the concerned shareholders.

Those security holders whose folio(s) do not have complete details relating to their PAN and Bank Account, or where there is any change in the Bank Account details provided earlier, have to compulsorily furnish the details the RTA / Company for registration / updation.

In case your PAN and / or Bank details are not updated with the RTA, please do the needful at the earliest by following the below mentioned procedure :

Actions required from you

You are requested to submit the following to update the records immediately :

1. Enclosed format duly filled in and signed by the shareholder/s
2. Self attested copy of PAN Card of all the security holders
3. Cancelled Cheque leaf with name (if name is not printed on the cheque, bank attested copy of the pass book (first page) showing name of account holder) of the First holder
4. Address proof (self attested copies of recent electricity or telephone bill and ration card, PAN Card or Aadhar Card)

We request your co operation in this regard.
