“ Upgrading our products with new technologies has been our most potent DNA ”

Dear Shareholders,

Warm Greetings!

The year 2013-14 has been a challenging year for the Economy as a whole and the Indian Electrical Industry in particular. The uncertainties spread all over the globe added to the economic unrest and consequently its downfall globally.

From the Indian perspective, despite this difficult environment but with visible emergence of governance, the economic environment within our country and around us has started looking warm and positive.

Sound Government at the Centre with massive majority mandate has provided India with the opportunity to look at the wider aspect of world economic operations in a practical and holistic manner.

It appeared difficult initially but we are now getting confident of the great potential of growth revival in Economy and in manufacturing activities.

We stayed true to our core philosophy of innovation in products. We have paid total attention to the interest of users of our products and technology and focused on delivering efficiency and cost effectiveness without compromising quality.

We also believe that having a global attitude supported with world-class technology will help in development of the country and its people. It will help provide growth opportunities which in turn will bring about modernization, technological initiative and upgradation. Ever increasing environmental concerns, for which we have employed the best resources and minds to conceive new designs for manufacturing energy saving products including LED Lights. Use of Lithium Ion Batteries is no longer limited to the Mobile Phones but now, in view of their outstanding qualities of quick charge and deep discharge, their demand is growing fast not only for emergency lights for homes, offices and institutional operations but also for ATMs, Telecommunication Towers, and for storing solar energy as acquired from Solar Cells. Above all Lithium Ion Batteries are in for an important role for a variety of critical needs of our Nation including use in Defense equipment and projects.

Thus, EON looks forward to consistent growth in coming years. We will continue to consolidate and build ever higher standards of customer delight through creative innovation. We aim to grow faster to scale new heights and to set new milestones.

I am grateful to our Board of Directors and our committed Engineers, Executives and employees for their unwavering support and guidance. I take this opportunity to thank all our stakeholders including our customers, shareholders and above all our Bankers, who have reposed full trust and confidence in us and have always extended their consistent support. I look forward to their continued patronage and support.

With kind and cordial regards,

Management Discussion & Analysis

COMPANY OVERVIEW

Eon Electric Limited (hereinafter “the Company”) is engaged in the business of manufacturing and marketing of electrical equipments such as Wires & Cables, Lighting products, LED Lights, Energy Efficient Fans, Water Heaters, Lithium ion Batteries and Mobile Phone Accessories.

The company continues to be committed towards making best of quality products at affordable prices through technological innovation and up gradation, modernisation, adoption of best practices, global benchmarking, value proposition, and deep commitment to customer satisfaction besides ensuring human as well as environmental safety, thus enhancing the value addition for the investors and for the society as a whole. No doubt, we will establish our capabilities beyond the Indian borders and enable our clients, enjoy the value of our products and services globally.

Industry Structure & Development, Opportunity & threats

The Indian Power Sector is a core component of the Indian infrastructure and its expansion is essential for the success of economic liberalisation of India. This is evident from ever increasing power demand of the country's vibrant economy leading to a widening gap between the supply and demand. The Government of India has recognised the pivotal role of electric power in economic development and also the urgent and critical need to invest heavily to reduce the growing gap in power demand and supply. The massive addition in generation capacity would also bring along with it a much bigger demand for electrical equipments.

The Cable & Wires industry has shown positive trends for the past five years due to the increased activity in power sector, improved industrial climate and industry initiatives to explore export markets. The outlook of cables & wires industry continue to remain positive on the back of demand expected to be generated as per estimation in various sectors like power, real estate etc.

Today's global lighting industry is responsible for approximately 19% of electricity use and 6% of greenhouse gas emissions. In this context, LED technology has the potential to be a game changer for the industry, with well-publicized environmental and technological advantages compared to conventional lighting (e.g., 50-70% lower energy consumption, no mercury content, and significantly longer life spans).

The Indian government has developed policies to stimulate the adoption of LED lighting in the country, and is funding a number of pilot LED street-lighting projects.

The increased emphasis on power generation and new fast developing consciousness for conservation of power and energy efficiency has hastened the process of growth of demand for the Company's existing as well as innovative products like LED Lights, Energy efficient Fans, Water Heater, Lithium ion batteries etc.

Since power sector and infrastructure/real estate sector are main consumers of Company's products, any slowdown in these sectors can largely impact the demand for Company's products. Further most of the Company's products are highly competitive and also face challenge from unorganised sector which are providing cheap products with inferior quality. Hence the pricing across our business is also under risk due to competition. We have been providing and offering value added services and benefits to the customers to retain them. We are also investing towards brand building and awareness programme across our businesses to ensure adequate quality product differentiation.

Financial Performance

Financial performance of the Company for the year 2013 – 14 as compared to the previous year is furnished in detail in the Directors' Report.

Segment-wise performance:

Cables & Wires

Electrical cables & wires market is growing at a steady pace as the government is investing heavily in the infrastructure development and Power Sector.

Our Cables & Wires segment recorded a turnover of ₹ 83.25 Crores for the financial year ended 31st March, 2014 as against ₹ 111.53 Crores for the financial year ended 31st March 2013. Our focussed efforts in brand building, awareness creation for acceptance of products and market penetration through a fast growing network of channel partners has helped us to become a household name amongst its user segment.

Lighting

The Lighting Segment achieved a turnover of ₹ 29.26 Crores for the financial year ended 31st March 2014 as against ₹ 15.26 Crores for the year ended 31st March 2013. The Company is working on new innovative strategic plans and pursuing new creative opportunities in the areas of advance LED based energy efficient and eco- friendly lighting systems which will further augment the growth of this segment during the coming years.

Others

Other products i.e Electrical Fans, Water Heater, Lithium ion batteries and mobile phone accessories and switches contributed a turnover of ₹ 24.20 Crores for the financial year ended 31st March 2014 as against ₹ 29.34 Crores for the year ended 31st March 2013.

Human Resource Development

The Company continues to provide a platform for individual opportunities and for growth in knowledge and skills of its people. The relationship with all the employees continues to be cordial. The management acknowledges the contribution of its employees and the spirit of commitment demonstrated by them in realising the company's vision. The company has started a number of new initiatives which will further enhance the company's ability to attract and retain high caliber employees for faster growth of the Company's business.

Research and Development

Your company continues its efforts to integrate the R&D activities with the business needs of the company to offer safe, energy efficient, value added products and services to its customers.

Internal control systems and their adequacy

The Company's internal control systems are commensurate with the nature of its business and the size and complexity of its operations. These are routinely tested and certified by Statutory as well as Internal Auditors and cover all offices, factories and key areas of business. Significant audit observations and follow up actions thereon are reported to the Audit Committee. The Audit Committee reviews adequacy and effectiveness of the Company's internal control environment and monitors the implementation of audit recommendations including those relating to strengthening of the Company's risk management policies and systems.

Risks & Concern

The Company has an elaborate process for Risk Management. The Company's Risk Management Policy is backed by strong internal control systems. The risk management framework consists of policies and procedures designed to provide reasonable assurance that objectives are met by integrating management control into the daily operations, by ensuring compliance with legal requirements and by safeguarding the integrity of the Company's financial reporting and its related disclosures. Major risks identified by the businesses and functions are systematically addressed through mitigating actions on a continuing basis. These are discussed with both Management and Audit Committee. Some of the risks relate to competitive intensity and cost volatility.

Domestic Electricals Market has very intense competition. Presence of multinational companies and import from China is increasing market competition which has resulted in price pressure in the market for all range of products. Your company has accordingly established itself as an innovative Company with a lean and efficient manufacturing and marketing network which manages your Company's supply chain. Accordingly, your Company proposes to address these risks by continuous product development, focused efforts to reduce costs, increase market share by diversifying existing product range and customer base with the addition of new strategic customers and strengthening the existing relationships.

Cautionary Statement

The statements in this report, particularly which relate to Management Discussion and Analysis Report describing the Company's objectives, plans, projections, estimates and expectations may constitute "forward looking statements" within the meaning of applicable laws and regulations. Actual results may differ materially from those expressed or implied in the statement depending on the circumstances.

Independent Auditors' Report

To The Members of Eon Electric Ltd.

We have audited the accompanying financial statements of Eon Electric Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2014, and the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards notified under the Companies Act, 1956 of India (the 'Act'), read with the General Circular 15/2013 dated September 13, 2013 of the Ministry of Corporate Affairs in respect of Section 133 of the Companies Act, 2013. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion:

In our opinion and to the best of our information and according to the explanation given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- i) in the case of the Balance Sheet, of the state of affairs of the company as at March 31, 2014;
- ii) in the case of the Statement of Profit and Loss, of the loss for the year ended on that date; and
- iii) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by 'the Companies (Auditor's Report) Order, 2003', as amended by 'the Companies (Auditor's Report) (Amendment) Order, 2004', issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Act (hereinafter referred to as the "Order"), we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
2. As required by section 227(3) of the Act, we report that:
 - (a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - (b) in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - (c) the Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - (d) in our opinion, the Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement comply with the Accounting Standards notified under the Companies Act, 1956 of India (the 'Act'), read with the General Circular 15/2013 dated September 13, 2013 of the Ministry of Corporate Affairs in respect of Section 133 of the Companies Act, 2013;
 - (e) on the basis of written representations received from the directors as on March 31, 2014, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2014, from being appointed as a director in terms of clause (g) of sub-section (1) of section 274 of the Companies Act, 1956..

Annexure to the Independent Auditors' Report

Annexure to the Auditors' Report on the accounts of Eon Electric Ltd. for the year ended March 31, 2014 as referred to in paragraph 1 of Report on Other Legal and Regulatory Requirements of our report of even date

- (i) (a) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.
 - (b) The fixed assets have been physically verified by the management at the year-end. We are informed that no material discrepancies have been noticed by the management on such verification as compared with the record of fixed assets maintained by the Company.
 - (c) The Company has not disposed off substantial part of fixed assets during the year.
- (ii) (a) The inventory (excluding stocks with third parties) has been physically verified by the management during the year. In respect of inventories lying with the third parties, these have been substantially confirmed by them. In our opinion frequency of verification is reasonable.
 - (b) The procedures of physical verification of the inventory followed by the management are reasonable and adequate in relation to size of the Company and nature of its business.
 - (c) The Company is maintaining proper records of inventory. The discrepancies noticed on verification between the physical stock and the book records were not material and have been properly dealt with in the books of account.
- (iii) (a) The Company has not granted any loans, secured or unsecured, to companies, firms or other parties in the register maintained under Section 301 of the Companies Act, 1956. Accordingly, clause (iii) (b), (c) and (d) of the Order (as amended) are not applicable to the Company for the current year.
 - (b) The Company has not taken any loans, secured or unsecured, from companies, firms or other parties covered in the register maintained under Section 301 of the Companies Act, 1956. Accordingly, clause (iii) (f) and (g) of the Order (as amended) are not applicable to the Company for the current year.
- (iv) In our opinion and according to the information and explanations given to us, there is adequate internal control system commensurate with the size of the Company and the nature of its business with regard to purchases of inventory, fixed assets and with regard to the sale of goods. The Company has not undertaken any service activity during the year. Further, in our opinion, there is no continuing failure to correct major weaknesses in internal control.
- (v) (a) According to the information and explanations given to us by the management, we are of the opinion that the particulars of contracts or arrangements referred to in section 301 of the Act that need to be entered into the register maintained under section 301 have been so entered.
 - (b) In our opinion and according to the information and explanations given to us, in respect of the transactions made in pursuance of contracts or arrangements entered in the register maintained under Section 301 of the Companies Act, 1956 and exceeding the value of rupees five lakhs in respect of any party during the year, as informed, because of the specialized nature of the items involved and absence of any comparable prices, we are unable to comment whether the transactions were made at prevailing market prices at the relevant time.
- (vi) According to the information and explanations given to us, the Company has not accepted any deposits from the public during the year within the meaning of Sec 58A, 58AA or any other relevant provisions of the Companies Act, 1956 and the rules framed there under. Therefore, clause 4 (vi) of the Order is not applicable to the Company.

- (vii) The Company has an internal audit system commensurate with the nature and size of its business.
- (viii) On the basis of the records produced, we are of the opinion that, prima facie, the cost accounting records prescribed by the Central Government under section 209(1) (d) of the Companies Act, 1956 have been maintained by the Company. However, we are not required to and have not carried out any detailed examination of such records.
- (ix) (a) According to the information and explanations given to us and on the basis of our examination of the records of the company, the company is generally regular in depositing with appropriate authorities undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Wealth Tax, Service Tax, Excise Duty, Custom Duty and other statutory dues applicable to it and no undisputed amounts payable in respect of the aforesaid dues were outstanding as at March 31, 2014 for a period of more than six months from the date they became payable. As explained to us, the Company did not have any dues on account of Investor Education and Protection Fund.
- (b) According to the information and explanations given to us, the particulars of disputed dues of Excise Duty and Sales tax / VAT aggregating to ₹ 5,23,14,146/- and ₹ 1,59,67,682/- respectively as at March 31, 2014 which have not been deposited on account of disputed matters are as follows:

Significant Accounting Policies

Company Overview :

Eon Electric Limited is a public limited company domiciled in India and incorporated under the provisions of the Companies Act, 1956. Its shares are listed on the National Stock Exchange of India Limited and Bombay Stock Exchange Limited. The company is engaged in the manufacturing and selling of Cables and Wires, Energy Efficient Lighting, Wiring accessories, Fans, Geysers, Lithium-ion Batteries, Mobile phone accessories and other electrical products. The Company's manufacturing facilities are located at Haridwar in Uttarakhand.

Significant Accounting Policies :-

1. Basis of preparation of Financial Statements:-

The financial statements are prepared under the historical cost convention as a going concern on the accrual basis of accounting, in accordance with the generally accepted accounting principles in India and comply with the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended), to the extent applicable and the provisions of the Companies Act, 1956 as adopted consistently by the Company. The management evaluates all recently issued or revised Accounting Standards on an ongoing basis.

2. Use of Estimates :-

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/materialised.

3. Fixed Assets :-

(a) Tangible Assets

Fixed Assets are accounted at cost of acquisition (net of cenvat availed) inclusive of inward freight, duties, taxes and incidentals related to acquisition and installation including interest on loan taken for the acquisition of assets upto the date of commissioning of assets. Pre-operating expenses for major projects are also capitalised, wherever appropriate. Assets under installation or under construction as at the Balance Sheet date are shown as Capital Work-in-Progress.

The revalued amounts of Fixed Assets are presented in the Balance Sheet by restating the net book value by adding thereon the net increase on account of revaluation.

(b) Intangible Assets

Intangible Assets are stated at cost of acquisition. Costs relating to development of Computer Software are capitalized. Software expenses, other than development costs, are expensed off in the year they are incurred.

4. Depreciation / Amortisation :-

Depreciation is provided on pro-rata basis on W.D.V. method at the rates prescribed by Schedule XIV to the Companies Act, 1956 except Leasehold Improvements which are amortized over the period of Lease i.e. five years and Computer Software is amortized over a period of five years.

Premium on leasehold land is amortized over the period of lease.

100% depreciation is provided in respect of assets upto ₹ 5,000/-.

Depreciation on the revalued portion of Fixed Assets is charged to the Merger Adjustment Account.

5. Investments :-

Investments, which are readily realisable and intended to be held for not more than one year from the date on which such investments are made, are classified as Current Investments. All other investments are classified as Non-current Investments. (Long Term Investments).

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

Current Investments are carried in the financial statements at lower of cost and market/fair value determined on an individual investment basis. Non-current Investments (Long Term Investments) are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the Statement of Profit and Loss

Significant Accounting Policies

6. Inventories :-

Inventories are valued as under :-

- i) Raw Material - At lower of cost determined on FIFO basis and net realisable value.
- ii) Work-in-Progress - At lower of cost and net realisable value.
- iii) Finished Goods - At lower of cost including excise duty and net realizable value.
- iv) Stock-in - Trade - At cost.
- v) Material in Transit - At cost.

7. Transactions in Foreign Currency :-

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of transaction.

Foreign currency monetary items (including forward contracts) are translated at year end rates. Exchange differences arising on settlement of transactions and translation of monetary items (including forward contracts) are recognized as income or expense in the year in which they arise .

The premium or discount arising at the inception of a forward contract, which are not intended for trading purpose, is amortised as expense or income over the life of the contract.

8. Employee Benefits:-

(a) Short Term Employee Benefits

Short-term employee benefits are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss for the year in which the related service is rendered.

(b) Long Term Employee Benefits

(i) Defined Contribution plan

Provident Fund and Employees' State Insurance schemes

All employees of the Company are entitled to receive benefits under the Provident Fund, which is a defined contribution plan. Both the employees and the employer make monthly contributions to the plan at a predetermined rate (presently 12.0%) of the employees' basic salary and dearness allowance. These contributions are made to the fund administered and managed by the Government of India. In addition, some employees of the Company are covered under the Employees' State Insurance schemes, which are also defined contribution schemes recognized and administered by the Government of India.

The Company's contributions to both these schemes are expensed in the Statement of Profit and Loss. The Company has no further obligations under these plans beyond its monthly contributions.

(ii) Defined benefit plan

Leave Encashment – Liability on account of unavailed earned leave at the year end is provided as per the actuarial valuation according to Projected Unit Credit Method.

Gratuity – Liability on account of Gratuity at the year end is provided as per the actuarial valuation according to the Projected Unit Credit Method.

(iii) Actuarial gains or losses arising from such transactions are charged to revenue in the year in which they arise.

9. Revenue Recognition :-

Sales :

Sale of goods is recognised at the point of despatch of finished goods to customers. Sales are inclusive of excise duty and exclusive of sales tax.

Investing and other Activities :

Income on account of interest and other activities is recognized on an accrual basis. Dividends are accounted for when the right to receive the payment is established.

10. Segment Reporting :-

The Company's operating businesses are organized and managed separately according to the nature of products and services provided with each segment representing in strategic business unit that offers different products and serves different markets.

Significant Accounting Policies

Revenue and expenses are identified to segments on the basis of their relationship to the operating activities of the segment. Revenue and expenses, which relate to the enterprise as a whole and are not allocable to segments on a reasonable basis, are included under "Unallocated Corporate Expenses".

The Company provides its segment information in conformity within the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

11. Earnings Per Share :-

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effect of all potentially dilutive equity shares.

12. Taxation :-

Tax expense comprises both current and deferred tax. Current Tax is measured at the amount expected to be paid to the tax authorities, using the applicable tax rates and tax laws. Deferred tax assets and liabilities are recognized for future tax consequences attributable to the timing difference between taxable income and accounting income that are capable of reversal in one or more subsequent period(s) and are measured using tax rates enacted or substantively enacted as at the Balance Sheet date. Deferred Tax assets are not recognized unless, in the management judgment, there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. The carrying amount of deferred tax is reviewed at each balance sheet date.

13. Impairment of Assets :-

Assets that are subject to amortisation/depreciation are reviewed for impairment whenever events of changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the assets' carrying amount exceeds its recoverable amount. The recoverable amount is the higher of the assets' fair value less costs to sell and value in use.

For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash generating units).

14. Leases :-

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

15. Borrowing Costs:-

Borrowing Costs attributable to acquisition and construction of qualifying assets are capitalised as a part of the cost of such asset upto the date when such assets are ready for intended use. Other Borrowing Costs are charged as an expense in the year in which these are incurred.

16. Pre-operative Expenditure :-

The Expenditure incurred by the Company from the date of setting up of a new unit, up to the date of commencement of commercial production of the unit is treated as Pre-operative expenditure to be capitalised as a part of the indirect cost of construction. The amount of such expenditure is apportioned over the individual assets in an equitable manner in the year of commencement of Commercial Production of the unit. The amounts not directly attributable to fixed assets are charged to the Statement of Profit and Loss in the year in which such expenditure is incurred.

17. Provisions , Contingent Liabilities and Contingent Assets:-

Provisions are recognized when the Company has a present obligation as a result of past events; it is more likely than not that an outflow of resources will be required to settle the obligation; and the amount has been reliably estimated. Contingent Liabilities are not recognized but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements.
