NOTES:

1. In view of the COVID-19 pandemic, the Ministry of Corporate Affairs ("MCA") has vide its General Circular No. 20/2020 dated 5th May, 2020 read with General Circular No. 14/2020 dated 8th April, 2020, General Circular No. 17/2020 dated 13th April, 2020 and General Circular No. 02/2021 dated 13th January, 2021 (collectively referred to as "MCA Circulars") permitted the holding of the Annual General Meeting ("AGM") through VC / OAVM, without the physical presence of the members at a common venue. In compliance with the provisions of the Companies Act, 2013 (the "Act"), Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations, 2015") and MCA Circulars, the AGM of the Company will be held through VC / OAVM.
2. Since this AGM is being held through VC / OAVM, pursuant to MCA Circulars, physical attendance of the Members has been dispensed with. **Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM. Hence the Proxy Form, Attendance Slip and Route Map are not annexed to this Notice.**
3. In compliance with the aforesaid MCA Circulars and Securities and Exchange Board of India ("SEBI") Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated 12th May, 2020 read with SEBI Circular No. SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated 15th January, 2021, Notice of the AGM along with the Annual Report is being sent only through electronic mode to those Members whose email addresses are registered with the Company / Depositories. Members may note that the Notice and Annual Report will also be available on the Company's website www.paushak.com, website of stock exchange i.e. BSE Limited at www.bseindia.com and website of National Securities Depository Limited ("NSDL") at www.evoting.nsdl.com
4. Members attending the AGM through VC / OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
5. The explanatory statement and the resolution for the agenda item at sr. no. 4 shall also be treated as compliance with the requirement of Section 190 of the Act.
6. The details of the Directors seeking re-appointment at the AGM pursuant to the provisions of Regulation 36(3) of the SEBI Listing Regulations, 2015, para 1.2.5 of the Secretarial Standards on General Meetings (SS-2) and other applicable provisions are provided in Annexure - A to this Notice.
7. All documents referred to in the Notice will also be available electronically for inspection without any fee by the Members from the date of circulation of this Notice up to the date of AGM. MANAGEMENT DISCUSSION AND ANALYSIS

The Company's management provides its own perspective on the operating and financial performance of the Company during financial year 2020-21 and an outlook of the business performance in the coming years as follows:

(A) Industry Structure and Development & Business, Opportunities, Threats & Risks

2020 has been a challenging year for mankind impacting the society, business and life across the globe while changing the way we think or work. The same has been true for Paushak where it got impacted at the beginning of the financial year due to nationwide lockdown and operations were shut. However, due to our unique position as largest phosgene based specialty chemicals manufacturer in India, serving pharmaceutical companies, we were allowed to commence after few weeks and continued our operations for the remaining year. Despite these challenges, revenue from operations had a marginal year-on-year growth of 2% where we were supported by price increase across products & improved raw material cost, offsetting lower volume growth & higher fixed cost. One of key reasons for your company's strong operating efficiency is minimal dependence on imports/ China along with strategic backward integration. The customers also trusted us by offering contracts to ensure their supply chains in these difficult times and your company fulfilled those expectations by timely delivery of the products and maintained its domestic market leadership in majority of its product portfolio.

Your Company became 56th company in India to receive permission to use "Responsible Care" logo (RC) in 2019 from Indian Chemical Council (ICC), the nodal agency in India. You would be pleased to know that your Company has been granted permission to continue using the logo till November 2023 after another rigorous audit by ICC, demonstrating our commitment to sustainability & validate the substantial improvements taken at the site. This has been further aided by more automation & improvement in infrastructure.

Your Company also received approval from the Government of India for expanding Phosgene capacity from 4800 MT/Year to 14400 MT/Year after all necessary legal compliances and approvals. Your Company had planned a capex programme of ₹120 Cr. to expand and accelerate the growth with identified opportunities. You would be pleased to know that your Company is the midst of project implementation for enhancing Phosgene Capacity and also one large derivatives plant as downstream with associated infrastructure of utilities, etc. Your Company has also hired the services of one of the globally renowned design consultants to ensure that these plants are as per global standards of engineering, design & safety practices and would be state of the art facilities with full automation while benchmarking with global standards.

Although we remain optimistic about future, uncertainties prevailing due to Covid-19 may impact our operations, future plan & timelines. Rising crude prices may also put pressure on the margins which we always strive to pass on to the customers. Although customers are preferring domestic suppliers, improving situation within China is expected to increase pricing pressure while our entry into products resulting in import substitution or is also likely to intensify competition from Chinese suppliers.

(B) Outlook:

Production and revenue is expected to be impacted in financial year 2021-22, given the non-availability of industrial oxygen amid the second wave of the Covid-19 pandemic. However, we remain optimistic about our growth with the commissioning of the upstream, and downstream capacities over the medium term, supported by healthy volume growth and retention of key customers. With change in geopolitical situation, the demand from domestic as well as global customers will also open new avenues for us. Paushak will continue to invest & expand its capabilities & capacities to accelerate the growth of business in domestic as well international market.

(C) Financial Performance:

The gross revenue of the Company is ₹14,713.44 Lacs for the year under review as compared to ₹14,250.45 Lacs for the previous year. The Company registered a net profit of ₹3,729.82 Lacs for the year under review as compared to net profit of ₹3,491.21 Lacs for the previous year.

(D) Key Financial Ratios:

The Company had posted operating profit during the year under review which reflects in the key financial ratio. A summary of the same is as under:

Particulars	31.03.2021	31.03.2020
Operating Profit Margin	35.06%	30.14%
Net Profit Margin	25.35%	24.50%
Return on Net Worth	20.20%	23.39%
Earnings Per Share	121.02	113.27
Debt Equity Ratio	-	-
Receivables days	73	59
Inventory days	53	60
Current Ratio	1.88	2.82

Note: Operating Profit margin and Net Profit margin are calculated on the Total Income of the Company.

For the year, Return on Net worth is lower on account of higher Capital Work in Progress (CWIP) of ₹6,797.73 Lacs. The second wave of Covid-19 also resulted in delay in receivables resulting in higher receivable days and lower current ratio. Since the Company had no debt at the end of the year, interest coverage ratio has not been provided.

(E) Internal Control Systems and Adequacy:

The Company believes that Internal Control is a necessary concomitant of the principle of Governance. It remains committed to ensure an effective Internal Control environment that provides assurance to the Board of Directors, Audit Committee and the management while ensuring reliability of financial and operational reporting and legal and regulatory compliance.

Interrelated control systems, covering all financial and operating functions, assure fulfilment of these objectives. The Company uses Enterprise Resource Planning (ERP) supported by in-built controls that ensures reliable and timely financial reporting.

(F) Human Resource - Developing Human Capital:

Paushak has continued investing in high calibre talents to accelerate the growth and keep on adding resources despite of pandemic. Your Company takes higher expense in employee cost as an investment for building future and will focus more to add more resources in technicals.

INDEPENDENT AUDITOR'S REPORT

To the Members of

Paushak Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Paushak Limited, which comprise the Balance Sheet as at 31st March, 2021, and the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (The Act) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidences we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. There is no key audit matter to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

We have been provided the aforesaid reports and based on the work we have performed, we did not observe any material misstatement of this other information and accordingly, we have nothing to report in this regard.

Responsibilities of Management and those charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards (Ind AS) specified under section 133 of the Act read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with relevant rules issued thereunder.

- (e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) The Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial control over financial reporting were operating effectively as at 31st March, 2021, based on the internal control over financial reporting criteria established by the Company.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
In our opinion to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer item B of Note 29 to Financial Statements.
 - ii. The Company did not have any long- term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

NOTES TO FINANCIAL STATEMENTS

1 Company Overview and Significant Accounting Policies:

1.1 Description of business

The Company is a public company domiciled in India and is incorporated under the provisions of the Companies Act, 1956. Its shares are listed on one recognised stock exchange in India. The registered office of the Company is located at Alembic Road, Vadodara 390003, Gujarat. The Company is dealing in Speciality Chemicals Business.

1.2 Basis of preparation of Financial Statements

The Financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Act to be read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The financial statements have been prepared on the historical cost basis except for certain financial instruments and plan assets of defined benefit plans, which are measured at fair value in accordance with Ind AS.

1.3 Composition of financial statements

The financial statements are drawn up in INR, the functional currency of the company, and in accordance with Ind AS presentation. The financial statements comprise:

- Balance Sheet
- Statement of Profit and Loss
- Statement of Cash Flow
- Statement of Changes in Equity
- Notes to Financial Statements

1.4 Key accounting judgments, estimates and assumptions

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expense. Actual results may differ from these estimates.

Estimates are often based on complex judgments and assumptions that management believe to be reasonable, but estimates and underlying assumptions are reviewed on an ongoing basis. Any change in these estimates and assumptions will generally be reflected in the financial statements in current period or prospectively, unless they are required to be treated retrospectively under relevant accounting standards.

1.5 Significant Accounting Policies and other explanatory notes

a) Revenue recognition

Sales are disclosed net of sales returns and GST.

Revenue from the sale of goods or service is recognised when (or as) the entity satisfies a performance obligation by transferring a promised good or service to a customer. The ownership is transferred when (or as) the customer obtains control of that goods or service.

Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

Income from operations includes revenue earned on account of job work income which is accounted as per the due terms agreed with the customers.

Other income is comprised primarily of interest income, dividend income, export benefits, sale of wind generated power and gain/loss on investments. Interest income is recognized using the effective interest method. Dividend income is recognized when the right to receive payment is established. Export benefits available under prevalent schemes are accounted on entitlement basis. Income from sale of wind generated power is accounted on accrual basis on confirmation of units generated and supplied to the State Electricity Board as per the agreement.

b) Foreign Currency Transactions

Transactions in foreign currencies are initially recorded by the Company at the rate of exchange prevailing on the date of the transaction.

Monetary assets and monetary liabilities denominated in foreign currencies remaining unsettled at the end of the year are converted at the exchange rate prevailing on the reporting date.

NOTES TO FINANCIAL STATEMENTS

Differences arising on settlement or conversion of monetary items are recognised in Statement of Profit or Loss.

Effective April 1, 2018, the Company has adopted Appendix B to Ind AS 21 - 'Foreign Currency Transactions and Advance Consideration' which clarifies the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income (or part of it) when an entity has received or paid advance consideration in foreign currency.

c) Employee benefits

i) Defined Benefit Obligation Plans

Gratuity

The Company operates a defined benefit gratuity plan which requires contributions to be made to a separately administered fund by the Life Insurance Corporation of India (LIC). The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method. The service cost and the net interest cost are charged to the Statement of Profit and Loss. Actuarial gains and losses arise due to re-measurement as result of the actual experience and the assumed parameters and changes in the assumptions used for valuation are recognised in the Other Comprehensive Income (OCI).

Provident Fund

The Company's contribution to provident fund, administered through a Company managed trust, is recognised as an expense in the Statement of Profit and Loss.

Compensated absences

The Company has a policy to allow accumulation of leave by employees up to certain days. The excess leave will either be encashed or funded by the Company to LIC for and on behalf of employees. Accordingly, the excess leave liability is discharged by the Company upon such funding to LIC. Remaining accumulated leave liability (other than sick leave) as at the year-end is provided as per actuarial valuation. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method. Actuarial gains and losses arise due to difference in the actual experience and the assumed parameters and also due to changes in the assumptions used for valuation. The Company recognizes these actuarial gains and losses in the Statement of Profit and Loss, as income or expense.

Sick Leave

Accumulated sick leave, if any, is provided for at actual in the Statement of Profit and Loss.

ii) Defined Contribution plan

Superannuation fund is administered by the LIC. The contribution to Superannuation fund, Contribution to pension fund, ESIC and Labour Welfare Fund are recognised as an expense in the Statement of Profit and Loss.

d) Property, plant and equipment

Property, plant and equipment were carried on historical cost in the balance sheet as on 31st March, 2016 prepared in accordance with Indian GAAP. The Company has elected to regard those net values as deemed cost at the date of the transition i.e 1st April, 2016 as permitted under Ind AS 101.

Property, plant and equipment are recorded at cost of acquisition / construction less accumulated depreciation and impairment losses, if any. Cost comprises of the purchase price net of creditable Goods and Services Tax, creditable customs duty, if any, and any attributable cost of bringing the assets to its working condition for its intended use.

Components of an asset are separated where their value is significant in relation to the total value of the asset and where those components have different useful lives to the remainder of the asset. Where a component is replaced or restored, the carrying amount of the old component will be derecognised and value of new component / restoration cost will be added. Where the carrying value of the derecognised/replaced component is not known, a best estimate will be determined by reference to the current cost.

The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement or impairment of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss. Assets to be disposed off are reported at the lower of the carrying value or the fair value less cost to sell.

NOTES TO FINANCIAL STATEMENTS

e) Intangible Assets

Intangible assets are stated at cost less provisions for amortisation and impairments. Software licenses fees are charged to statement of profit and loss when incurred.

Gains or losses arising from the retirement or disposal of an intangible asset, are determined as the difference between disposal proceeds and carrying amount of the asset and are recognised as income or expense in the Statement of Profit and Loss.

f) Depreciation / Amortisation on Property, Plant & Equipment and Investment Properties

Depreciation / Amortisation on Property, Plant & Equipment and Investment Properties (other than freehold land and capital work-in-progress) is charged on a Straight Line Basis so as to write off the original cost of the assets over the useful lives. The useful life of the property, plant & equipment has been adopted based on Technical Evaluation and in other cases, as prescribed under the Companies Act, 2013. Details for the same are as under:

Class of Assets	Range of Useful Life
Building	05 - 60 Years
Plant & Machinery	03 - 15 Years
Windmill	22 Years
Furniture & Fixtures	03 - 10 Years
Office Machinery	10 Years
Vehicles	08 Years
Intangible Assets	03 - 04 Years

g) Capital Work-in-Progress

Assets under construction wherein assets are not ready for use in the manner as intended by the management are shown as Capital Work-In-Progress.

h) Leases

i) Company as a lessee

Right-of-use assets and Lease Liabilities for leases where the lease term ends within 12 months of the lease commencement date i.e. Short Term Leases are not recognised in Balance sheet. The company has elected to recognise the lease payments associated with Short Term Leases as an expense on straight-line basis.

ii) As a lessor

Leases for which the company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

Lease income from operating lease is recognised in the statement of profit and loss on straight line basis over the lease term.

iii) Transition to Ind AS 116

Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified Ind AS 116 Leases which replaces the existing lease standard, Ind AS 17 leases, and other interpretations. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single, on-balance sheet lease accounting model for lessees.

The Company has adopted Ind AS 116, effective annual reporting period beginning April 1, 2019 and applied the standard to its leases prospectively. The adoption of the standard did not have any material impact on the financial results.

NOTES TO FINANCIAL STATEMENTS

i) Fair value measurement

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

j) Impairments of non-current assets

Non-financial assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the CGU to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the statement of profit and loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

k) Inventories

All Inventories are valued at the lower of cost and net realisable value.

Raw materials, Packing Material and Stores and consumables are valued at lower of cost determined on weighted average basis and net realisable value.

Work in Process includes material lying at reactors/tanks on which process is continued as on date. Work in Process are valued at raw materials cost as calculated, which is estimated and certified by the management using moving weighted average method.

Semi-Finished goods has been identified as such depending upon stage of completion of finished goods technically determined by the management. Semi-Finished goods are valued at raw materials cost as calculated above plus weighted average cost of production including appropriate proportion of cost of conversion to the extent of process, which is estimated and certified by the management.

Finished Goods are valued at lower of cost and net realisable value.

l) Trade receivables

Trade receivables are carried at original invoice amount less any provisions for doubtful debts. Provisions are made where there is evidence of a risk of non-payment, taking into account ageing, previous experience and general economic conditions. When a trade receivable is determined to be uncollectable it is written off, firstly against any provision available and then to the Statement of Profit and Loss.

m) Cash and Cash equivalents

Cash and cash equivalents include cash at bank and cash in hand and highly liquid interest-bearing securities with maturities of three months or less from the date of inception/acquisition.

In the cash-flow statement, cash and cash equivalents are shown net of bank overdrafts, which are included as current borrowings in liabilities on the balance sheet.

n) Borrowing Costs

Borrowing costs directly attributable to the acquisition and/or construction of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they are incurred.

NOTES TO FINANCIAL STATEMENTS

o) Taxation

i) Current income tax

Income tax expense is recognized in the statement of profit and loss except to the extent that it relates to items recognized directly in equity/OCI, in which case it is recognized in other comprehensive income. Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted on the reporting date. The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

ii) Deferred tax

Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted on the reporting date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date.

Minimum Alternate Tax (MAT) for the earlier years is available in accordance with the provisions of the section 115J(AA) of Income Tax, 1961 over the period of subsequent 15 assessment years and it is recognised to the extent of Deferred Tax Liabilities in view of certainty involved of its realisation against reversal of Deferred Tax Liability.

p) Financial instruments

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the financial instrument.

i) Financial Assets

a. Initial recognition and measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date i.e, the date that the Company commits to purchase or sell the asset.

b. Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories:

i) Financials Assets at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial measurement, debt instruments are subsequently measured at amortised cost using the effective interest rate method, less impairment, if any.

ii) Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

NOTES TO FINANCIAL STATEMENTS

The Company has made an irrevocable election for its investments which are classified as equity / debt instruments to present the subsequent changes in fair value in other comprehensive income based on its business model.

The fair value is measured adopting valuation techniques as per prevailing valuation guidelines, to the extent applicable, as at the reporting date.

iii) Financial assets at fair value through profit or loss

Financial assets which are not classified in any of the above categories are subsequently fair valued through profit or loss.

ii) Financial Liabilities

a. Initial recognition and measurement

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Financial liabilities are classified, at initial recognition, as at fair value through profit and loss or as those measured at amortised cost.

b. Subsequent measurement

The subsequent measurement of financial liabilities depends on their classification as follows:

i) Financial liabilities at fair value through profit and loss

Financial liabilities at fair value through profit and loss include financial liabilities held for trading. The Company has not designated any financial liabilities upon initial recognition at fair value through profit and loss.

ii) Financial liabilities measured at amortised cost

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using the effective interest rate method except for those designated in an effective hedging relationship.

q) Provisions, Contingent liabilities and Assets

i) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement.

ii) Contingent Liabilities

Contingent liability is disclosed for (i) Possible obligations which will be confirmed only by the future events not wholly within the control of the company or (ii) Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

iii) Contingent Assets

Contingent Assets are not recognised in the financial statements. Contingent Assets if any, are disclosed in the notes to the financial statements.

r) Operating cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

NOTES TO FINANCIAL STATEMENTS

s) Earnings Per Share

Basic earnings per equity share are computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

1.6 Recent Accounting Pronouncements:

Recent pronouncements On March 24, 2021, the Ministry of Corporate Affairs ("MCA") through a notification, amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from April 1, 2021. Key amendments relating to Division II which relate to companies whose financial statements are required to comply with Companies (Indian Accounting Standards) Rules 2015 are:

Balance Sheet:

- Lease liabilities should be separately disclosed under the head 'financial liabilities', duly distinguished as current or non-current.
- Certain additional disclosures in the statement of changes in equity such as changes in equity share capital due to prior period errors and restated balances at the beginning of the current reporting period.
- Specified format for disclosure of shareholding of promoters.
- Specified format for ageing schedule of trade receivables, trade payables, capital work-in-progress and intangible asset under development.
- If a company has not used funds for the specific purpose for which it was borrowed from banks and financial institutions, then disclosure of details of where it has been used.
- Specific disclosure under 'additional regulatory requirement' such as compliance with approved schemes of arrangements, compliance with number of layers of companies, title deeds of immovable property not held in name of company, loans and advances to promoters, directors, key managerial personnel (KMP) and related parties, details of benami property held etc.

Statement of profit and loss:

- Additional disclosures relating to Corporate Social Responsibility (CSR), undisclosed income and crypto or virtual currency specified under the head 'additional information' in the notes forming part of the standalone financial statements.

The amendments are extensive and the Company will evaluate the same to give effect to them as required by law.

A description of methods used for sensitivity analysis and its Limitations:

Sensitivity analysis is performed by varying a single parameter while keeping all the other parameters unchanged. Sensitivity analysis fails to focus on the interrelationship between underlying parameters. Hence, the results may vary if two or more variables are changed simultaneously. The method used does not indicate anything about the likelihood of change in any parameter and the extent of the change if any.

NOTES TO FINANCIAL STATEMENTS

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments and mutual funds that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

The Company's policy is to recognise transfers into and transfers out of fair value hierarchy levels at the end of the reporting period. On account of change in valuation estimates, certain investments were transferred from level 3 to level 2 valuation hierarchy and vice versa during the previous year.

ii) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments are as under:

- a. The fair values of investments in mutual fund units is based on the net asset value ('NAV') as stated by the issuers of these mutual fund units in the published statements as at Balance Sheet date.
- b. The fair values of quoted investment in equity shares is based on the current bid price of respective investment as at the Balance Sheet date.
- c. The fair values of unquoted investment in equity shares of investee companies, including those having multiple business segments are derived as under:
 - For investments of investee in listed securities, average closing price of the security for the previous six months from year end or the closing price as on 31st March 2021, as may be reflecting the correct position is considered.
 - For investment in mutual funds, we have considered the NAV of the mutual funds as on 31st March 2021.
 - For valuation of any land and property of investee, fair market value of the asset based on reports of experts is considered.
 - For valuation of property purchased in the month of March 2021, we have relied upon the stamp duty value as is taken in the financial statements.
 - For investments of investee in unlisted non-operating companies, valuation is carried out on realizable net asset value basis, derived from the fair valuation of the underlying assets and liabilities or using DCF Method, in case if projections are made available.
 - For valuation of any unlisted Cash Generating Unit / operating business of the investee, the valuation has been arrived by applying DCF method.
- d. The fair values of unquoted investment in preference shares is arrived by discounting income/cash flows to its present value using the required rate of return and the cost of debt of Paushak Limited and returns expected on similar investments.

iii) Fair value measurements using significant unobservable inputs (level 3)

The following table represents the changes in level 3 items for the period ended 31st March, 2021.

L. Financial Risk management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk;
- Liquidity risk; and
- Market risk

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk controls and to monitor risks. Risk management policies and systems are reviewed periodically to reflect changes in market conditions and the Company's activities. The Company monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company.

i) Credit risk:

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers, deposit and other receivables. Credit risk is managed through continuous monitoring of receivables and follow up of overdue.

Investments

The Company limits its exposure to credit risk by generally investing in liquid securities and only with counterparties that have a good credit rating. The Company does not expect any losses from non-performance by these counter parties, and does not have any significant concentration of exposures to specific industry sector or specific country risks.

Trade receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer, demographics of the customer, default risk of the industry and country in which the customer operates. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

NOTES TO FINANCIAL STATEMENTS

The Company has used expected credit loss (ECL) model for assessing the impairment loss. For the purpose, the Company uses a provision matrix to compute the expected credit loss amount. The provision matrix takes into account external and internal risk factors and historical data of credit losses from various customers.

There are no credit impaired Trade Receivable as on 31st March, 2021

Other than trade and other receivables, the Company has no other financial assets that are past due but not impaired.

ii) **Liquidity risk**

Liquidity risk is the risk that the Company will not be able to meet its financial obligation as they fall due. The Company ensures that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions.

Maturities of Financial Liabilities

The table herewith analyses the Company's Financial Liabilities into relevant maturity groupings based on their contractual maturities.

The amounts disclosed in the table are the contractual undiscounted cash flows. Balance dues within the 12 months equal there carrying balances as the impact of discounting is not significant.

Total Non-derivative liabilities	1,439.30	-	1,439.30

iii) **Market risk**

Market risk is the risk that arises due to changes in market prices and other factors such as foreign exchange rates, interest rates and commodity risk. Market risk is also attributable to all market risk sensitive financial instruments including foreign currency receivables and payables and long term debt.

Price Risk

The Company is mainly exposed to the price risk due its investment in equity instruments and equity & debt mutual fund. The price risk arises due to unascertainty about the future market value of these investments.

Management Policy

The Company maintains its portfolio in accordance with framework set by risk management policies duly monitored by competent professionals.

NOTES TO FINANCIAL STATEMENTS

M. Capital Management

The Company's capital management objectives are:

- to ensure the Company's ability to continue as a going concern; and
- to provide an adequate return to shareholders through optimisation of debts and equity balance.

The Company monitors capital on the basis of the carrying amount of debt less cash and cash equivalents as presented on the face of the financial statements. The Company's objective for capital management is to maintain an optimum overall financial structure.
