**Pigdamber, Rau, Indore,
13th August, 2022**

NOTES:

1. In view of the continuing Covid-19 pandemic, the Ministry of Corporate Affairs (“MCA”) has vide its circular dated 5th May, 2020 read with circulars dated 8th April, 2020 and 13th April, 2020 (collectively referred to as “MCA Circulars”) permitted the holding of the Annual General Meeting (“AGM”) through VC / OAVM, without the physical presence of the Members at a common venue. In compliance with the provisions of the Companies Act, 2013 (“Act”), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”) and MCA Circulars, the AGM of the Company is being held through VC / OAVM. The detailed procedure to attend the AGM is mentioned in the Voting Process in Section A.
2. Pursuant to MCA Circular No. 14/2020 dated 8th April 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, the Body Corporates are entitled to appoint Authorized Representatives to attend the AGM through VC/ OAVM and participate there at and cast their votes through e-voting.
3. Members of the Company under the category of Institutional Investors are encouraged to attend and vote at the AGM through VC / OAVM. Corporate members intending to authorize their representatives to participate and vote at the AGM are requested to send a duly certified copy of the board resolution authorizing their representatives to attend and vote on their behalf at the AGM.
4. The attendance of the members attending the AGM through VC / OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013. All the members are encouraged to cast their vote through VC/OAVM at the AGM.
5. The Members can join the AGM through VC / OAVM mode 15 minutes before and after the scheduled time of the commencement of the AGM by following the procedure mentioned in the Notice.
6. The Explanatory Statement pursuant to Section 102(1) and (2) of the Act in respect of the item 5 to 7 is annexed hereto and forms part of the notice.
7. The Register of Directors and Key Managerial Personnel of the Company and their shareholding maintained under Section 170 of the Act, the Register of Contracts and Arrangements in which Directors are interested maintained under Section 189 of the Act and all other documents referred to in the Notice will be available for inspection in the electronic mode upto the date of AGM of the Company, any members who wishes to inspect can write a mail to cs@alpalabs.in with the subject line inspection of documents with their folio number.
8. In compliance with the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended and Regulation 44 of the Listing Regulations, and the MCA Circulars, the Company is providing facility of remote e-voting to its Members through Central Depository Services (India) Limited (“CDSL”) in respect of the business to be transacted at AGM. The facility of casting votes by a member using remote e-voting as well as e-voting system on the date of the AGM will be provided by CDSL. Members of the Company holding shares either in physical form or in dematerialized form, as on the cut-off date i.e. 22nd September, 2022, may cast their vote either by remote e-voting as well as e-voting system as on date of AGM. A person who is not a member as on the cut-off date should treat this Notice for information purpose only. The detailed procedure for voting is available in Note No. 22 (Section A) .
9. Members seeking specific information are requested to write to the Company by email at cs@alpalabs.in at least 7 days before the date of the AGM to enable the management to reply appropriately at the AGM.
10. The Notice of 34th AGM and the Annual Report of the Company for the year ended 31st March, 2022 is uploaded on the Company’s website www.alpalabs.in and may be accessed by the members and will also be available on the website of the Stock Exchanges i.e., BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively.

11. In compliance with the MCA Circulars and SEBI Circular dated 12th May, 2020, read with SEBI circular dated 13th May, 2022 Notice of the AGM along with the Annual Report is being sent only through electronic mode to those Members whose email addresses are registered with the Company / DPs. Members may note that the Notice of 34th AGM and the Annual Report of the Company for the year ended 31st March, 2022 is uploaded on the Company's website www.alpalabs.in and may be accessed by the members and will also be available on the website of the Stock Exchanges i.e., BSE and NSE of India Limited at www.bseindia.com and www.nseindia.com respectively and on the website of CDSL at www.evotingindia.com
12. M/s. Shilpesh Dalal & Co. Practicing Company Secretary (Membership No. F5316) has been appointed as the Scrutinizer to scrutinize the e-voting process (including ballot form received from the members who do not have access to the e-voting facility) in a fair and transparent manner.
13. The Scrutinizer shall submit a consolidated Scrutinizer's Report (votes casted during the AGM and votes casted through remote e-voting) of the total votes cast in favour of or against, if any, not later than two days after the conclusion of the AGM to the Chairman of the Company. The Chairman, or any other person authorized by the Chairman, shall declare the result of the voting. The said report after declaration will be accessible on the company website www.alpalabs.in along with www.bseindia.com and www.nseindia.com.
14. The resolution shall be deemed to be passed on the date of AGM, subject to the receipt of sufficient votes.
15. SEBI vide its circular dated 8th June, 2018 amended Regulation 40 of the Listing Regulation pursuant to which requests for effecting transfer of securities shall not be processed unless the securities are held in the dematerialized form. Members holding the shares in physical form are requested to dematerialize their holdings at the earliest as it will not be possible to transfer shares held in physical mode
16. SEBI has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participant with whom they are maintaining their demat accounts and members holding shares in physical form to the Company / RTA.
17. Since AGM will be held through VC/OAVM, the route map is not annexed in this notice.
18. The Members can join the AGM 15 Minutes before and after the scheduled time of the commencement of the meeting by following the procedure mentioned in the notice.
19. In accordance with the provisions of Section 72 of the Act and SEBI circulars, the facility for nomination is available for the members of the Company in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting the Form No. SH-13. If a Member desires to opt out or cancel the earlier nomination and record a fresh nomination, he / she may submit the same in Form No. ISR-3 or Form No. SH-14, as the case may be. The said forms are available on the Company's website at Members are requested to submit the said details to their respective DPs, in case the shares are held by them in dematerialised form and to the Company / RTA in case the shares are held by them in physical form.
20. As required in terms of Secretarial Standard - 2 and Listing Regulations, the information (including profile and expertise in specific functional areas) pertaining to Director recommended for re-appointment in the AGM has been provided in the explanatory statement to the Notice.
21. Process for those Members whose email ids are not registered with the Depositories or the Company for obtaining login credentials for e-voting:
 - Members holding shares in physical form may request for the same along with providing necessary details like Folio No., Name of Member, self attested scan copy of PAN Card and Aadhar Card by email to cs@alpalabs.in

- Members holding shares in demat form may request for the same along with providing Demat account details (CDSL-16 digit beneficiary ID or NSDL-8 Character DPID + 8 Character Client ID), Name of Member, client master or copy of Consolidated Account statement, self attested scan copy of PAN Card and Aadhar Card by email to cs@alpalabs.in.

22. Process for updation of email ids / mobile no of the members whose email ids / mobile no. are not registered with the Company or Depositories:

- Members holding shares in physical form - Update your email id and mobile no by providing necessary details like FolioNo., Name of member, self-attested scan copy of PAN card and Aadhar card by email to vinod.y@bigshareonline.com.
- Members holding shares in demat form – Update your email id & mobile no. with your respective Depository Participant (DP); for individual shareholders holding shares in demat form, updation of email id & mobile no. is mandatory for e-voting and joining virtual meetings through depositories.

23. Upto 1000 members will be able to join on a first come first serviced basis to the AGM.

24. Voting process and instruction regarding remote e-voting:

SECTION-A: Voting Process:

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on **Monday 26th Day of September, 2022 at 9:00 a.m.** and ends on **Wednesday 28th Day of September, 2022 at 5:00 p.m.**

During this period Shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of Thursday, 22nd September 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

(iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in Demat mode with CDSL Depository	<ol style="list-style-type: none"> 1) Users who have opted for CDSL Easi / Easiest facility, can login through their existing user id and password. After Successful login, you will be able to see e-Voting option. Once you click on e-Voting option, you will be redirected to NSDL/CDSL Depository site after successful authentication, wherein you can see e-Voting feature. Click on company name or e-Voting service provider name and you will be redirected to e-Voting service provider website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.</p>

Important note: Members who are unable to retrieve User ID/ Password are advised to use Forget User ID and Forget Password option available at abovementioned website.

Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. CDSL and NSDL

Login type	Helpdesk details
Individual Shareholders holding securities in Demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at toll free no. 1800 22 55 33
Individual Shareholders holding securities in Demat mode with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.co.in or call at toll free no.: 1800 1020 990 and 1800 22 44 30

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

(v) Login method for e-Voting and joining virtual meetings for Physical shareholders and shareholders other than individual holding in Demat form.

- 1) The shareholders should log on to the e-voting website www.evotingindia.com.
- 2) Click on "Shareholders" module.
- 3) Now enter your User ID
 - a. For CDSL: 16 digits beneficiary ID,
 - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - c. Shareholders holding shares in Physical Form should enter Folio Number registered with the Company.
- 4) Next enter the Image Verification as displayed and Click on Login.
- 5) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier e-voting of any company, then your existing password is to be used.
- 6) If you are a first-time user follow the steps given below:

	For Physical shareholders and other than individual shareholders holding shares in Demat.
PAN	Enter your 10 digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders) <ul style="list-style-type: none"> • Shareholders who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number sent by Company/RTA or contact Company/RTA.
Dividend Bank Details	Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login.

OR Date of Birth (DOB)	<ul style="list-style-type: none"> If both the details are not recorded with the depository or company, please enter the member id / folio number in the Dividend Bank details field.
-------------------------------	--

- (vi) After entering these details appropriately, click on “SUBMIT” tab.
- (vii) Shareholders holding shares in physical form will then directly reach the Company selection screen. However, shareholders holding shares in demat form will now reach ‘Password Creation’ menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (viii) For shareholders holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (ix) Click on the EVSN for the relevant <Company Name> on which you choose to vote.
- (x) On the voting page, you will see “RESOLUTION DESCRIPTION” and against the same the option “YES/NO” for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (xi) Click on the “RESOLUTIONS FILE LINK” if you wish to view the entire Resolution details.
- (xii) After selecting the resolution, you have decided to vote on, click on “SUBMIT”. A confirmation box will be displayed. If you wish to confirm your vote, click on “OK”, else to change your vote, click on “CANCEL” and accordingly modify your vote.
- (xiii) Once you “CONFIRM” your vote on the resolution, you will not be allowed to modify your vote.
- (xiv) You can also take a print of the votes cast by clicking on “Click here to print” option on the Voting page.
- (xv) If a demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- (xvi) There is also an optional provision to upload BR/POA if any uploaded, which will be made available to scrutinizer for verification.

(xvii) **Additional Facility for Non – Individual Shareholders and Custodians –For Remote Voting only.**

- Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodians are required to log on to www.evotingindia.com and register themselves in the “Corporates” module.
- A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
- After receiving the login details a Compliance User should be created using the admin login and password. The Compliance User would be able to link the account(s) for which they wish to vote on.
- The list of accounts linked in the login will be mapped automatically & can be delink in case of any wrong mapping.
- It is Mandatory that, a scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.
- Alternatively Non Individual shareholders are required mandatory to send the relevant Board Resolution/ Authority letter etc. together with attested specimen signature of the duly authorized signatory who are authorized to vote, to the Scrutinizer and to the Company at the email address viz; cs@alpalabs.in, if they have voted from individual tab & not uploaded same in the CDSL e-voting system for the scrutinizer to verify the same.

INSTRUCTIONS FOR SHAREHOLDERS ATTENDING THE AGM/EGM THROUGH VC/OAVM & E-VOTING DURING MEETING ARE AS UNDER:

We, Paresh Chawla, Managing Director and Bakulesh C. Shah, Chief Financial Officer of Alpa Laboratories Limited, hereby certify that:

1. We have reviewed the Financial Statements and the Cash Flow Statement for the year and that to the best of our knowledge and belief:

a) These statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;

b) These statements present a true and fair view of the state of affairs of the Company and of the results of operations and cash flows. The financial statements have been prepared in conformity, in all material respects, with the existing Generally Accepted Accounting Principles including Accounting Standards, applicable laws and regulations.

2. To the best of our knowledge and belief, no transactions entered into by the Company during the year which are fraudulent, illegal or violative of the Company's Code of Conduct.

3. We accept overall responsibility for establishing and monitoring the Company's internal control system for financial reporting and evaluating its effectiveness. Internal Audit function monitors the internal control system for financial reporting, which encompasses the examination and evaluation of the adequacy and effectiveness. Internal Audit works with all levels of management and Statutory Auditors, and reports significant issues to the Audit Committee of the Board. Auditors and Audit Committee are appraised of any corrective action taken or proposed to be taken with regard to significant deficiencies and material weaknesses.

4. We have indicated to the Auditors and to the Audit Committee:

a) Significant changes in internal control over financial reporting during the year;

b) Significant changes in accounting policies during the year;

c) Instances of significant fraud of which we have become aware of and which involve management or other employees who have significant role in the Company's internal control system over financial reporting.

PRACTISING COMPANY SECRETARY CERTIFICATE ON CORPORATE GOVERNANCE

To
The Members of
Alpa Laboratories Limited
CIN: L85195MP1988PLC004446

We have examined the compliance of the conditions of Corporate Governance by Alpa Laboratories Limited for the year ended on March 31, 2022, as stipulated in Regulations 17 to 27, clauses (b) to (i) of sub-regulation (2) of Regulation 46 and para of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The compliance of the conditions of Corporate Governance is the responsibility of the management. Our examination was limited to the review of procedures and implementation thereof, as adopted by the Company for ensuring compliance with conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us and the representations made by the Directors and the management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the Listing Agreement and the Listing Regulations applicable for the respective periods as mentioned above.

We further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the company.

- c) No Number of shareholders to whom shares were transferred from suspense account during the year.
- d) Aggregate number of shareholders in the suspense account is NIL.

CERTIFICATE UNDER REGULATION 10(I) OF PART C OF SCHEDULE V OF THE SEBI (LODR) REGULATIONS, 2015.

To,
The Members of
Alpa Laboratories Limited
33/2, A.B. Road Pigdamber Rau,
Indore MP 453446 IN

I have examined the relevant registers, records, forms, returns and disclosures received from the Directors of **Alpa Laboratories Limited** having CIN- **L85195MP1988PLC004446** and having registered office at **33/12, A.B. Road Pigdamber Rau, Indore MP 453446 IN** (herein after referred to as 'the Company'), produced before me by the Company for the purpose of issuing this Certificate, in accordance with Regulation 34(3) read with Schedule V Para-C Subclause 10(i) of the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

In my opinion and to the best of my information and according to the verifications (including Directors Identification Number (DIN) status at the portal www.mca.gov.in) as considered necessary and explanations furnished to me by the Company & its officers, I hereby certify that none of the Directors on the Board of the Company as stated below for the Financial Year ending on 31st March, 2022 have been debarred or disqualified from being appointed or continuing as Directors of companies by the Securities and Exchange Board of India, Ministry of Corporate Affairs, or any such other Statutory Authority. Ensuring the eligibility off or the appointment/continuity of every Director on the Board is the responsibility of the management of the Company. My responsibility is to express an opinion on these based on my verification. This certificate is neither an assurance as to the future viability of the Company or of the efficiency or effectiveness with which the management as conducted the affairs of the Company.

ANNEXURE 2

ANNUAL REPORT ON CSR ACTIVITIES

1. Brief outline on CSR Policy of the Company:

ALPA Laboratories Limited (ALPA) has always been committed to the cause of social service and has repeatedly channelized a part of its resources and activities, such that it positively affects the society socially, ethically and also environmentally. The Company has taken up various Corporate Social Responsibility (CSR) initiatives and enhanced value in the society.

Social and environmental responsibility has always been at the forefront of Alpa Laboratories Limited operating philosophy and as a result the Company consistently contributes to socially responsible activities. CSR at Alpa Laboratories Limited portrays the deep symbiotic relationship that the Company enjoys with the communities it is engaged with. As a responsible corporate citizen, we try to contribute for social and environmental causes on a regular basis.

The Company, as a part of its CSR programmes / activities, made dedicated efforts in the fields of Community Healthcare, Old Age Homes, Education, Sanitation & Hygiene, Education & Knowledge Enhancement and Social Care & Concern. It is in this backdrop that the Company has drawn up its CSR policy and conducted its programmes and activities for the year 2021-22. The said policy can be accessed at www.alpalabs.in

The CSR policy, which encompasses the Company's philosophy for defining its social responsibility and lays down the guidelines and mechanism for undertaking socially useful programmes for welfare & sustainable development of the community at large. This policy shall apply to all CSR initiatives and activities taken up by the Company, for the benefit of the society as per approach and direction given by the board. This policy and the operational guidelines are subject to and pursuant to the provisions of the Companies Act, 2013 (Act) and the Schedules, rules and regulations made thereunder.

ANNEXURE 6

Secretarial Audit Report (MR-3)

(Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014)

To,

**The Members,
Alpa Laboratories Limited
33/2, A.B. Road, Village Pigdamber,
Rau, Dist. Indore, (M.P.)**

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Alpa Laboratories Limited (CIN-L85195MP1988PLC004446) (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March, 2022 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained Alpa Laboratories Limited for the financial year ended on 31st March, 2022 according to the provisions of:

1. The Companies Act, 2013 (the Act) and the rules made thereunder;
2. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
3. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
4. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; (Not applicable to the Company during the Audit Period, as there was no such transaction)
5. The Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') viz. :-
 - i. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - ii. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015.
 - iii. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018; (Not applicable to the Company during the Audit Period, as there was no such transaction);
 - iv. The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 and The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 notified on 28 October, 2014; (Not applicable to the Company during the Audit Period, as there was no such transaction)

- v. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; (Not applicable to the Company during the Audit Period, as there was no such transaction)
- vi. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- vii. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; (Not applicable to the Company during the Audit Period, as there was no such transaction).
- viii. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; (Not applicable to the Company during the Audit Period, as there was no such transaction).
- ix. SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, as applicable from time to time.

I have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards on Board and General Meetings, as issued by the Institute of Company Secretaries of India.
- ii. The SEBI (Listing Obligation and disclosure requirements) Regulations, (LODR) entered into by the Company with BSE Limited and National Stock Exchange of India Limited.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that on the representation made by the Company and its Officer for system and mechanism formed by the Company for compliances, and examination of the relevant documents and records in pursuance thereof on test-check basis, the Company has complied with the following laws/acts specifically applicable to the Company:

- (i) The Factories Act, 1948
- (ii) Labour Laws and other incidental laws related to labour and employees appointed by the Company either on its payroll or on contractual basis as related to wages, gratuity, provident fund, ESIC, Compensation etc.;
- (iii) Labour Welfare Acts of State.
- (iv) Acts prescribed under Direct and Indirect Taxes
- (v) The Competition Act, 2002
- (vi) The Negotiable Instruments Act, 1881
- (vii) Environment Laws
- (viii) The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013
- (ix) Drugs and Cosmetic Act, 1940
- (x) Pharmacy Acts, 1948
- (xi) Poisons Act, 1919

I further report that, the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. No change took place under in the composition of Board of Directors, during the period under review.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven clear days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

MANAGEMENT DISCUSSIONS AND ANALYSIS:

To,

The Shareholders

CAVEAT

Shareholders are cautioned that certain data and information external to the Company is included in this section. Though these data and information are based on sources believed to be reliable, no representation is made on their accuracy or comprehensiveness. Further, though utmost care has been taken to ensure that the opinions expressed by the management herein contain their perceptions on most of the important trends having a material impact on the Company's operations, no representation is made that the following presents an exhaustive coverage on and of all issues related to the same. The opinions expressed by the management may contain certain forward looking statements in the current scenario, which is extremely dynamic and increasingly fraught with risks and uncertainties. Actual results, performances, achievements or sequence of events may be materially different from the views expressed herein. Shareholders are hence cautioned not to place undue reliance on these statements and are advised to conduct their own investigation and analysis of the information contained or referred to in this section before taking any action with regard to their own specific objectives. Further, the discussion following herein reflects the perceptions on major issues as on date and the opinions expressed here are subject to change without notice. The Company undertakes no obligation to publicly update or revise any of the opinions or forward-looking statements expressed in this section, consequent to new information, future events, or otherwise.

ECONOMIC OUTLOOK

The last two years have been difficult for the world economy on account of the COVID-19 pandemic. Repeated waves of infection, supply-chain disruptions and, more recently, inflation have created particularly challenging times for policy-making. The ongoing Russia- Ukraine crises have only exacerbated the situation. Faced with these challenges, the Government of India's immediate response was a bouquet of safety-nets to cushion the impact on vulnerable sections of society and the business sector. It next pushed through a significant increase in capital expenditure on infrastructure to build back medium-term demand as well as aggressively implemented supply-side measures to prepare the economy for a sustained long-term expansion.

Advance estimates suggest that the Indian economy is expected to witness real GDP expansion of 9.0 percent in 2021-22 after contracting in 2020-21. This implies that overall economic activity has recovered past the pre-pandemic levels. Almost all indicators show that the economic impact of the "second wave" in Q1 was much smaller than that experienced during the full lockdown phase in 2020-21 even though the health impact was more severe.

The overall outlook for the Indian economy is positive, continued pace of vaccination of larger segment of population while the global recovery is set to decelerate markedly amid continued COVID-19 flare-ups, diminished policy support, lingering supply bottlenecks and geo-political tensions. While the implications of Russia-Ukraine crisis are highly uncertain, in the near term the crisis is likely to create additional upward pressure on inflation and weigh on economic activity. Russia-Ukraine crises had led to surge in prices of crude oil and other commodities, exerting additional upward pressure on near term inflation. The crises may restrain global economic activity abroad and disrupt supply chains. The volatility in financial markets, particularly if sustained, could also act to tighten credit conditions and affect the real economy

After rebounding to an estimated 5.5 percent in 2021, global growth is expected to decelerate markedly to 4.1 percent in 2022, reflecting continued COVID-19 flare-ups, diminished fiscal support, lingering supply bottlenecks and on-going geo-political tensions. The near term outlook for global growth is somewhat weaker, and for global inflation notably higher, owing to pandemic resurgence, higher food and energy prices, geo-political tensions and more pernicious

supply disruptions. Global growth is projected to soften further to 3.2 percent in 2023, as pent-up demand wanes and supportive macro-economic policies continue to be un-wound.

With the vaccination programme having covered the bulk of the population, economic momentum building back and the likely long-term benefits of supply-side reforms in the pipeline, the Indian economy is in a good position to witness GDP growth between 7.0-8.0 per cent in 2022-23.

Despite all the disruptions caused by the global pandemic, India's balance of payments remained in surplus throughout the last two years. This allowed the Reserve Bank of India ('RBI') to keep accumulating foreign exchange reserves, equivalent to ~13.2 months of merchandise imports and is higher than the country's external debt. The combination of high foreign exchange reserves, sustained foreign direct investment, and rising export earnings will provide an adequate buffer against possible global liquidity tapering in 2022- 23. Overall, macro-economic stability indicators suggest that the Indian economy is well placed to take on the challenges of 2022-23.

INDUSTRY REVIEW:

The COVID-19 pandemic has been the most impactful global public health crisis in decades, and yet it has illustrated the resilience of global health systems as they have readily adapted to peaks in demand.

In pharmerging countries, dramatic increases in healthcare access were the largest drivers of change in the use of medicines historically, but the trend is slowing and will result in volume declines across many markets. Increasingly, pharmerging countries are enabling access to newer medicines developed by multi-national companies, often earlier and with access to more of their populations than in the past. These trends are accompanied by efforts to contain spending will still generate the largest absolute growth of pharmerging countries.

Five years from now, medicine spending will include nearly 60% from specialty medicines in developed markets and 45% from specialty medicines in global markets, with the remainder predominately older and traditional therapies that will become progressively lower cost over time. The two leading global therapy areas are oncology and immunology lifted by significant increases in new treatments and medicine use and offset by losses of exclusivity, including biosimilars

EMERGING TRENDS: Following are some key emerging industry trends.

Pricing Pressure: With rising demand for healthcare and falling budgets, governments and payers are exerting pressure to drive down prices. Governments, insurers and patients are requiring greater transparency around drug pricing. Channel consolidation in the US continues to exert pressure on generic pricing. One of the challenges facing drug manufacturers is to build closer relationships with patients. This has many benefits including better understanding of patient experience and improved adherence. However, the industry has some way to go to become a trusted part of the healthcare ecosystem.

Speciality Pharma: Specialty medicines are those which treat chronic, complex and rare diseases, and while they have a range of characteristics — including the complexity of disease management or distribution — the most commonly noted attribute is that they are more expensive than other more traditional medicines. Specialty medicines have been increasing as a share of spending in higher-income countries and upper middle income countries. Globally specialty medicines will be 45% of global spending by 2025, with more than half of Spending on these products in major developed markets.

Complex Generics: A complex generic is a generic that could have a complex active ingredient, complex formulation, complex route of delivery, or complex drug device combinations. Complex generic drugs are cheaper than branded drugs and offer the opportunity to capture additional value to patients by addressing additional unmet needs and enabling complex drug manufacturers to achieve market differentiation and earn higher margins. Opportunities for generics remain strong and positive across the globe, with an increasing demand for affordable healthcare and

government focus on cost control and expansion of medical infrastructure. The availability of cost-effective, safe generic alternatives offers a tool, that can be used to balance access to and affordability of many major therapies required to maintain a healthy population of patients across multiple disease areas.

Biosimilars: Bio similar products are an identical copy of an original product already authorized for use and offer new therapeutic options with the potential for cost savings to the healthcare system. The introduction of regulatory frameworks for bio similar over the past 15 years has finally begun to contribute to systemic savings in a tangible way, and 2020, in particular, contributed a significant boost in bio similar impact from the U.S. for the first time. In the next five years, biologics will see \$52 billion in lower brand spending, compared to \$15.8 billion in the past five.

Growing incidence of Chronic & Sub-chronic therapies: With changing lifestyle, aging population and improved diagnosis, incidence of chronic diseases or life style therapies are significantly increasing. This includes therapies such as Cardio-vascular, Anti-diabetic and Central Nervous System. This trend is even more prevalent in emerging markets such as India and Brazil.

Digital healthcare: Digital is the future in all sectors of the economy and society and healthcare is no exception. Digital delivery will become integral to healthcare provision, and something that people have embraced after being driven indoors by the pandemic. For India, this is a solution to the vexed problem of providing healthcare to a massive population confronted by inadequate hospital beds, doctor and nurse coverage ratios. Change is anyway on the horizon. Reorganization of supply chains through digital adoption, innovation and value-based procurement, and promising applications of big data technologies are emerging. Ayushman Bharat Digital Mission (ABDM) aims to create a national digital health ecosystem that supports universal health coverage in an efficient, accessible, inclusive, affordable, timely, and safe

GROWTH DRIVERS:

LONGER LIFE EXPECTANCY:

With declining fertility and increased longevity, the relative size of older age groups is increasing, Individuals are becoming increasingly health conscious and medical science continues to advance, number of older people is growing faster than the number of people in younger age groups. Older people (representing aged 65 and older) is projected to increase from 9% in 2019 to 16% by 2050. In Today's Modern era many youngsters are very health cautious and development in medical science also supports the human health.

CHANGING LIFESTYLES:

In today's world, lifestyle of individuals is increasingly becoming hectic and stressful leading to unhealthy eating habits, lack of exercise, less sleep and other lifestyle choices. This change in lifestyle has resulted in higher obesity, hypertension, depression, diabetes, cardiovascular diseases and other physical problems. sedentary lifestyle, changing dietary habits, hectic and stressful life, less sleep and certain environmental factors causes higher incidence of chronic diseases. This includes obesity, hypertension, depression, diabetes, cardiovascular diseases and other physical problems.

RISING DISPOSABLE INCOME:

Disposable income, also known as disposable personal income (DPI), is the amount of money that households have available for spending and saving after Income Tax have been accounted for. Disposable personal income is often monitored as one of the many key economic indicators used to gauge the overall state of the economy. In emerging markets, long term economic growth will lead to rise in disposable incomes. Due to this, the demand for better healthcare solutions will gradually increase.

IMPROVING PURCHASING POWER:

The middle-class population as well as per capital income continues to expand, driving demand for healthcare solutions. This expansion is likely to be more prominent in emerging markets.

TECHNOLOGY & INNOVATION:

Patients are better informed and aware of the healthcare choices available to them through technological advances such as mobile apps and healthcare devices. A new wave of innovation continues to replenish the product pipeline and will provide essential therapeutic advances for patients. In addition to novel medicines, there will be an ongoing flow of new mechanisms that will see their first human uses in areas such as genome-editing, micro biome as well as regenerative cell technologies that include stem cells harvested from one part of the body to use against a disease in another part.

HEALTH INSURANCE & INFRASTRUCTURE:

Penetration of health insurance is expected to surge with the government sponsored initiatives and programs. Increase in private sector insurance will also play an important role in affordability for higher cost. Moreover, medical infrastructure due to setting up / renovation of hospitals and healthcare centers, procurement of medical equipment and devices and improvement in medical education is expected to give healthcare providers the tools and resources necessary to treat their patients.

REGULATORY POLICIES:

Regulatory agencies have set a high priority to improve the drug review process to increase competition to reduce prices. Policies imposed by regulatory will be a significant growth driver to achieve success.

PERFORMANCE SNAPSHOT:

During the financial year under report, the Company registered a total income of 8893 Lacs as against 8305 Lacs in the previous financial year, a growth of 7.08% has been noticed. Since the company is moving on a strong path to achieve the highest milestone in the pharmaceutical industry for this company has started new market in overseas countries so that turnover can be maximized through supplies in overseas market.

As during the year company has also been noticed that order from government department has been significantly increased as compared to the previous year it may impact on the turnover also.

SEGMENT REPORTING:

The Company operates in a single segment of Drugs and Chemicals, which is the primary reportable segment, and the same is given in the notes to the financial statements.

THREATS, RISKS AND CONCERNS

DRUG PRICE CONTROL: Currently 380 drugs and 899 formulations are covered under National List of Essential Medicines [NLEM]. It is likely that the government may bring more such drugs and formulations under price control or change the mechanism of calculating the ceiling price of the drugs which are under the ambit of Drug Price Control Order 2015 [DPCO 2015], which in turn will have impact on the margins of the Company. The Company manages its product portfolio so as to minimize the product weightage of drugs under price control

LITIGATION RISKS:

The Company is producing various products and the risk of future litigation may exist due to very complex terms and conditions of the agreements, at present there are few litigation's are pending which may do not have any impact on the company as the litigation is not much have such depth to effect the affairs of the company.

COMPETITION RISK:

Indian Market is growing rapidly and the new players in the Pharma industry may create new challenges for existing Pharma companies. Competition is an integral part of all industries and pharmaceutical is no exception. Different markets / businesses have different intensities of competitions and Company has a robust framework to identify its competitive advantages like early-to-market, niche new product launches through identifying unmet medical needs etc.

REGULATORY RISK:

Pharmaceutical is among one of the highly regulated industries across the world and rightly so as it deals with evolving human life. These regulation impact development, manufacturing, approval, marketing and distribution of products, while throwing new compliance challenges. A strong quality assurance mechanism and compliance monitoring network at Alpa ensures strict compliance at every level.

FOREIGN EXCHANGE RISK:

Due to the impact on COVID 19 Import/Export has effected very adversely on the industry and the company has witnessed the shortage of foreign currency due to lack of export sales during the March 20 to June 20. The Company earns a vital part of its revenue in foreign exchange, thus exposing it to the volatility in the exchange rates. The Company follows a conservative and disciplined hedging policy which ensures protecting the desired exchange rate for sustaining the profitability.

PRODUCT LIABILITY RISK:

The business is exposed to potential claims for product liability. These risks are sought to be managed by appropriate laboratory and clinical studies for each new product, compliance with Good Manufacturing Practices and independent quality assurance system. The Company also has an adequate insurance cover for product liability.

MANUFACTURING & SUPPLYING RISK:

Although a major portion of the Company's finished formulations are being manufactured at in-house facilities, the Company also depend on third party suppliers for sourcing for some of the markets. Any significant disruption at in-house facilities or any third-party manufacturing locations due to economic, regulatory political & social factors or any other event may impair the Company's ability to produce, procure and/or ship products to the markets on a timely basis and could expose the Company to penalties and claims from customers.

OVERSEAS MARKETS:

The development of the business in overseas markets is a critical factor in determining future ability to sustain or increase global product revenues. This poses various challenges including volatile economic conditions, IP issues, developed market compliance standards, inadvertent breaches of local / international law and interventions by national governments or regulators restricting access to market and / or introducing adverse price controls. However, the Company carefully monitors the business scenarios of these markets, prepares the business plan and undertakes various researches to reduce the risk at the minimal level.

CURRENCY FLUCTUATION RISKS:

Currency risks mainly arise out of overseas operations and financing activities. Exchange rate fluctuations could significantly impact earnings and net equity because of invoicing in foreign currencies, expenditure in foreign currencies. The Company has a defined foreign exchange risk management framework to manage these risks excluding translation risks.

DEPENDENCE ON INFORMATION TECHNOLOGY:

The Company is highly dependent on information technology systems and related infrastructure. Any breakdown, destruction or interruptions of this system could impact the day to day operations. There is also a risk of theft of information, reputational damage resulting from infiltration of a data center and data leakage of confidential information either internally or otherwise. The Company keeps on investing appropriately on the protection of data and information technology to reduce these risks

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Company has recently set up the new software system to enable to track the real time information at any time with the clear picture. We try every possible manner to protect the safeguards of assets of the members of the company. The Company is currently having strong system of internal controls in supervision, checks, policies and procedures, which are being tested on routine basis by the management and the internal auditors. The system is being reviewed and updated on an ongoing basis. Moreover, the company continuously upgrades these systems in line with the best accounting practices. The Audit Committee also reviews the adequacy of internal controls systems and the compliance thereof. Further, the annual financial statements of the company are reviewed and recommended by the audit committee for the consideration and approval of the board of directors. The committee also reviews internal controls systems, significant accounting policy, major accounting entries, related party transactions, etc.

HUMAN RESOURCE

The human resources are assets for the organization and plays a crucial role in the growth and success of an organization. Company has a policy to retain talent at its high priority to enable achievement of organizational goal and vision. The organization takes pride in its human capital, which comprises of people from diverse backgrounds and cultures. Guided by the core values which are deeply imbibed in each of the employees, the organization's achievements are an outcome of efforts, dedication and conviction demonstrated by its people.

The company has 513 permanent employees as on 31st March, 2021 against 393 employees as the end of March 2022, a decrease of 114 employees has been noticed.

Factors that would make differences to company's operations include competition, currency fluctuations, regulatory issues, changes in government policies with in India and the countries in which the company conduct business and other incidental factors.

INDEPENDENT AUDITOR'S REPORT

To the Members of Alpa Laboratories Limited

Report on the Audit of the Standalone Financial Statements

Opinion

1. I have audited the accompanying Standalone financial statements of ALPA LABORATORIES LIMITED (“the Company”), which comprises the Balance Sheet as at 31st March, 2022, the Statement of Profit and Loss (including Other Comprehensive Income) the Cash Flow Statement and the Statement of changes in equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.
2. In my opinion and to the best of my information and according to the explanations given to me my report, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2022, profit, other comprehensive income, changes in equity and cash flows for the year ended on that date.

Basis of Opinion

3. I conducted my audit in accordance with the Standards of Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. My responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to my audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and I have fulfilled my other ethical responsibilities in accordance with these requirements and the Code of Ethics. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of Matter

4. I draw attention to note 45 to the accompanying financial statement, which describes the effects of uncertainties relating to COVID - 19 pandemic outbreak on the Company's operations and management's evaluation of its impact on the accompanying financial statement as at 31 March 2022, the impact of which is dependent on future developments.
5. My opinion is not modified in respect of this matter.

Key Audit Matters

6. Key audit matters are those matters that, in my professional judgement, were of most significance in my audit of the financial statements of the current period. These matters were addressed in the context of my audit of the financial statements as a whole, and in forming my opinion thereon, and I do not provide a separate opinion on these matters.
7. I have determined that there are no key audit matters to be communicated in my report.

Responsibility of Management for the Standalone Financial Statements

- 8 The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to preparation of these financial statements that give a true and fair view of the state of affairs, profit and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
- 9 In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative to do so.
- 10 The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

- 11 My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
- 12 As part of an audit in accordance with Standards on Auditing, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:
 - Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, I am also responsible for expressing my opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management’s use of the going concern basis of accounting in preparation of standalone financial statement and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor’s report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor’s report. However, future events or conditions may cause the Company (including its joint operations) to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Company to express an opinion on the standalone financial statements, of which I am the independent auditors. I am responsible for the direction, supervision and performance of the audit of financial information of such entities. For the other entities included in the standalone financial statements, which have been audited by other auditor, such other auditor remains responsible for the direction, supervision and performance of the audit carried out by them. I remain solely responsible for my audit opinion.
- 13 I communicate with those charged with governance of the Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.
- 14 I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.
- 15 From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. I describe these matters in my auditors’ report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 16 As required by section 197(16) of the Act, I report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under Section 197 read with Schedule V of the Act.
- 17 As required by the Companies (Auditors’ Report) Order, 2020 (“the Order”) issued by the Central Government in terms of section 143 (11) of the Act, I give in the “Annexure A” a statement on the matters specified in paragraphs 3 and 4 of the Order.
- 18 As required by Section 143 (3) of the Act, I report that:
- a. I have sought and obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purposes of my audit;
 - b. In my opinion, proper books of account as required by law have been kept by the Company so far as it appears from my examination of those books;

- c. The standalone financial statements dealt with by this Report are in agreement with the books of account;
- d. In my opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
- e. On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- f. I have also audited the internal financial controls over financial reporting of the Company as on 31st March, 2022 in conjunction with my audit of the standalone financial statements of the Company for the year ended on that date and my report as per "Annexure B" expressed an unmodified opinion;
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in my opinion and to the best of my information and according to the explanations given to me:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements. Refer note no.35.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. During the year ended 31st March, 2022 there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

**“ANNEXURE REFERRED TO IN PARAGRAPH 17 OF OUR AUDITOR’S REPORT OF EVEN DATE TO THE MEMBERS OF
"ALPA LABORATORIES LIMITED”, ON THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31ST
MARCH, 2022**

In terms of the information and explanations sought by me and given by the Company and the books of account and records examined by me in the normal course of audit, and to the best of our knowledge and belief, i report that:

- (i). (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- (i). (a) (B) The Company has maintained proper records showing full particulars of Intangible assets.
- (i). (b) The Property, Plant and Equipment have been physically verified by the management in a phased manner, designed to cover all the items in current period being capitalised in current year itself , which in our opinion, is reasonable having regard to the size of the company and nature of its business. Pursuant to the program, a portion of the Property, Plant and Equipment has been physically verified by the management during the year and no material discrepancies between the books records and the physical Property, Plant and Equipment have been noticed.
- (i). (c) The title deeds of all the immovable properties classified as PPE including investment properties held by the Company (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) are held in the name of the Company.
- (i). (d) The Company has not revalued its property, plant and equipment (including right of use assets) or intangible assets during the year.
- (i). (e) No proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder. Accordingly, reporting under clause 3(i)(e) of the Order is not applicable to the Company.
- (ii). (a) The management has conducted physical verification of inventory at reasonable intervals during the year, except for goods-in-transit and inventory lying with third parties. In our opinion, the coverage and procedure of such verification by the management is appropriate and no discrepancies of 10% or more in the aggregate for each class of inventory were noticed. In respect of inventory lying with third parties, these have substantially been confirmed by the third parties.
- (ii). (b) The Company has been sanctioned working capital limits in excess of ` 5 crore in aggregate from banks during the year on the basis of security of current assets of the Company. The company has not provided the copies of quarterly returns / statements filed by the Company with such banks.Hence we are unable to comment on the same.
- (iii). The Company has during the year, not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the provisions of clauses 3(iii) of the Order are not applicable.
- (iii). The Company has made investments in, companies, firms, Limited Liability Partnerships, and granted unsecured loans to other parties, during the year, in respect of which
 - a) The Company has not provided any loans or advances in the nature of loans or stood guarantee, or provided security to any other entity during the year, and hence reporting under clause 3(iii)(a) of the Order is not applicable.
 - b) In our opinion, the investments made and the terms and conditions of the grant of loans, during the year are, prima facie,not prejudicial to the Company’s interest.
 - c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in the case of loans given, in our opinion the principal and interest is repayable on demand. As informed to us, the Company has not demanded repayment of the loan and interest during the year. Thus, there has been no default on the part of the party to whom the money has been lent. Further, the Company has not given any advance in the nature of loan to any party during the year.
 - d) According to the information and explanation given to us, no amount is overdue in these respect.
 - e) According to the information and explanation given to us, in respect of any loan or advance in the nature of loan granted which has fallen due during the year, none has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.
 - f) The company has granted loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment, required details in respect thereof are as below:

the aggregate amount	percentage thereof to the total loans granted	aggregate amount of loans granted to Promoters, related parties as defined in clause (76) of section 2 of the Companies Act, 2013
300,000.00	83.10	Nil

- (iv). The Company has not granted any loans or provide any guarantees or securities to parties covered under Section 185 of the Act. Further, provisions of sections 186 of the Companies Act, 2013 in respect of loans, investments, guarantees and security have been complied with by the Company.
- (v). The Company has not accepted any deposits or amounts which are deemed to be deposits under the directives of the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed thereunder, where applicable. Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- (vi). We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under sub-section (1) of Section 148 of the Act in respect of the Company's products and services and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii). a) The Company is generally regular in depositing undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues as may be applicable to it, with the appropriate authorities.
- No undisputed statutory dues in respect of Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues were in arrears as at 31st March, 2022 for a period of more than six months from the date they became payable.
- (vii). b) The dues outstanding in respect of income-tax, sales-tax and value added tax on account of any dispute are as follows:

Name of Statute	Nature of Dues	Amount (in ')	Amount paid under protest	Period to which the amount relates	Forum where dispute is pending
M.P.VAT Act	Value Added Tax	3.18	-	2002-03	Second Appeal filed before MP Appeal Board, Bhopal.
M.P.VAT Act	Value Added Tax	37.78	-	2016-17	Pending before VAT Commissioner Indore
Central Sales Tax Act	Central Sales Tax	15.03	-	2002-03	Second Appeal filed before MP Appeal Board, Bhopal.
M.P.VAT Act	Value Added Tax	16.55	-	2005-06	Second Appeal filed before MP Appeal Board, Bhopal.
Central Sales Tax Act	Central Sales Tax	22.81	-	2005-06	Second Appeal filed before MP Appeal Board, Bhopal.
Income Tax Act	Income Tax	27.00	-	2007-08	Litigation pending in MP High Court.

- (viii). According to the information and explanations given to us, no transactions were surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961) which have not been recorded in the books of account.
- (ix). a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of loans and borrowing or in the payment of interest thereon to any lender.
- b) According to the information and explanations given to us including representations received from the management of the Company, and on the basis of our audit procedures, we report that the Company has not been declared a willful defaulter by any bank or financial institution or other lender.
- c) In our opinion and according to the information and explanations given to us by the management, term loans were applied for the purpose for which the loans were obtained.
- d) According to the information and explanations given to us and on an overall examination of the balance sheet of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
- e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- f) According to the information and explanations given to us, the Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, associates or joint ventures.
- (x). a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments), during the year. Accordingly, reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- (x). b) According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or (fully, partially or optionally) convertible debentures during the year. Accordingly, reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- (xi). a) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the standalone financial statements and according to the information and explanations given by the management, no fraud by the Company or no material fraud on the Company has been noticed or reported during the year.
- b) According to the information and explanation given to us, no report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government;
- c) According to the information and explanation given to us, no whistle-blower complaints, received during the year by the company;

- (xii). The Company is not a nidhi Company as per the provisions of the Companies Act, 2013. Therefore, the requirement to report on clause 3(xii)(a),(b) and (c) of the Order is not applicable to the Company.
- (xiii). In our opinion, all transactions with the related parties are in compliance with section 177 and section 188 of Companies Act, 2013 and the details have been disclosed in the Financial Statements as required by the applicable accounting standards.
- (xiv). a) In our opinion and according to the information and explanations given to us, the Company has an internal audit system as required under Section 138 of the Act which is commensurate with the size and nature of its business.
- (xiv). b) We have considered the reports issued by the Internal Auditors of the Company till date for the period under audit.
- (xv). The Company has not entered into any non-cash transactions with directors or persons connected with them during the year. Accordingly, paragraph 3(xv) of the Order is not applicable to the Company.
- (xvi). According to the information and explanations given to us, we are of the opinion that the company is not required to be registered under section 45-1A of the Reserve Bank of India Act, 1934 and the company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India, accordingly the provisions of clause 3(xvi) of the Order are not applicable.
- (xvii). The Company has not incurred cash losses in the current year and in the immediately preceding financial year.
- (xviii). There has been no resignation of the statutory auditors during the year. Accordingly, reporting under clause 3(xviii) of the Order is not applicable to the Company
- (xix). According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of
- (xx). a) In respect of other than ongoing projects, there are no unspent amounts that are required to be transferred to a fund specified in Schedule VII of the Companies Act (the Act), in compliance with second proviso to sub section 5 of section 135 of the Act.
- b) There are no unspent amounts in respect of ongoing projects, that are required to be transferred to a special account in compliance of provision of sub section (6) of section 135 of Companies Act.
- (xxi). The reporting under clause (xxi) is not applicable in respect of audit of standalone financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

“ANNEXURE B” TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF ALPA LABORATORIES LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

I have audited the internal financial controls over financial reporting of ALPA LABORATORIES LIMITED (“the Company”) as of 31st March, 2022 in conjunction with my audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

My responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on my audit. I conducted my audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

My audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. My audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In my opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note - "36"

Fair Value Measurement

Financial Instrument by category and hierarchy

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

1. Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short term maturities of these instruments.
 2. Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.
 3. The fair values for loans and investment in preference shares were calculated based on cash flows discounted using a current lending rate. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counter party credit risk.
 4. The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.
- For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

Note - "37"**Financial Risk Management***Financial risk management objectives and policies*

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Managing Board.

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowings.

The Company manages market risk by evaluating and exercising independent control over the entire process of market risk management. The recommend risk management objectives and policies, which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures like foreign exchange forward contracts, borrowing strategies and ensuring compliance with market risk limits and policies.

Market Risk- Foreign currency risk.

The Company operates internationally and portion of the business is transacted in several currencies and consequently the Company is exposed to foreign exchange risk through its sales and services in overseas and purchases from overseas suppliers in various foreign currencies. Foreign currency exchange rate exposure is partly balanced by purchasing of goods, commodities and services in the respective currencies.

(a) Particulars of unhedged foreign currency exposures as at the reporting date

As at 31st March, 2022 (In Foreign currency)

Particulars	USD in Lakhs
Trade Receivable	28.76
Advances from Customers	5.00
Advances to suppliers	-
Trade Payable	-
Cash & Cash Equivalent	-
Loans	4.62

As at 31st March, 2021 (In Foreign currency)

Particulars	USD in Lakhs
Trade Receivable	10.46
Advances from Customers	1.06
Advances to suppliers	0.77
Trade Payable	0.68
Cash and cash equivalents	1.73

(a) (iii) Market Risk- Price Risk

(a) Exposure

The Company's exposure to equity securities price risk arises from investments held by the Company and classified in the balance sheet either at fair value through OCI or at fair value through profit and loss. To manage its price risk arising from investments in equity securities, the Company diversifies its portfolio. Diversification of the portfolio is done in accordance with the limits set by the Company.

(b) Sensitivity

The table below summarizes the impact of increases/decreases of the BSE index on the Company's equity and Gain/Loss for the period. The analysis is based on the assumption that the index has increased by 5% or decreased by 5% with all other variables held constant, and that all the Company's equity instruments moved in line with the index.

Impact on Profit before tax

	As at 31st March, 2022	As at 31st March, 2021
BSE Sensex 30- Increase 5%	166.63	115.31
BSE Sensex 30- Decrease 5%	(166.63)	(115.31)

Above referred sensitivity pertains to quoted mutual fund investment (Refer note 4). Profit for the year would increase/ (decrease)

(c) Foreign Currency Risk Sensitivity

A change of 5% in Foreign currency would have following Impact on profit before tax

(₹ in Lacs)

	As at 31st March, 2022		As at 31st March, 2021	
	5% Increase	5% decrease	5% Increase	5% decrease
USD	72.52	(72.52)	87.88	(87.88)
Increase / (decrease) in profit or loss	72.52	(72.52)	87.88	(87.88)

Credit risk

Credit risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses financial reliability of customers and other counter parties, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of financial assets. Individual risk limits are set and periodically reviewed on the basis of such information.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-

- i) Actual or expected significant adverse changes in business,
- ii) Actual or expected significant changes in the operating results of the counterparty,
- iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations,
- iv) Significant increase in credit risk on other financial instruments of the same counterparty,
- v) Significant changes in the value of the collateral supporting the obligation or in the quality of the third-party guarantees or credit

Financial assets are written off when there is no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized as income in the statement of profit and loss.

The Company measures the expected credit loss of trade receivables and loan from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. Based on the historical data, loss on collection of receivable is not material hence no additional provision considered.

Liquidity Risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, Company treasury maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the Company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows.

(i) Financing arrangements

The Company had access to the following undrawn borrowing facilities at the end of the reporting period:

(₹ in Lacs)		
	As at 31st March, 2022	As at 31st March, 2021
Expiring within one year (bank overdraft and other facilities)	465.57	1,200.00
Expiring beyond one year (bank loans)	-	-

The bank overdraft facilities may be drawn at any time and may be terminated by the bank without notice. Subject to the continuance of satisfactory credit ratings, the bank loan facilities may be drawn at any time in INR.

(ii) Maturity patterns of borrowings

(₹ in Lacs)								
	As at 31st March, 2022				As at 31st March, 2021

Total	372.28	212.46	-	584.73	18.29	0.91	-	19.20

Note - "38"

Capital Risk Management

a) Risk Management

The Company aim to manages its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to our shareholders.

The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares.

The Company's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business. The Company will take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

Note - "39"**Earning Per Share**

(₹ in Lacs)

	Year ended 31st March, 2022	Year ended 31st March, 2021
Earnings Per Share has been computed as under:		
Net Profit after Tax as per Statement of Profit and Loss attributable to Equity Shareholders	1,412.39	728.61
Weighted average number of equity shares outstanding	21,040,600	21,040,600
Earnings Per Share (₹) - Basic (Face value of ₹ 10 per share)	6.71	3.46

Diluted earning per share is same as basic earning per share.

Note - "40"

Norfolk Mercantile Private Limited had issued 1,010 9% compulsory convertible Debentures of ₹ 1,00,000/- each to Alpa Laboratories Limited (holding company) in the earlier years. Due to shortage of liquidity, the Subsidiary company has went into the option of Merger with the holding Company to take the benefit of synergy. By virtue of this, the Board of Directors of the holding Company and the subsidiary company approved the Scheme of amalgamation in the nature of merger in the Board meeting held on 10th August, 2017 and 11th August, 2017 respectively. The Board of Director's looking into the benefit of synergy and considering the fact of pending petition of Merger before the NCLT have waived the interest amount on debentures to be paid by Norfolk Mercantile Private Limited to Alpa Laboratories Limited.

Note - "41"**Details Of Corporate Social Responsibility (CSR) Expenditure:**

(₹ in Lacs)

SIGNIFICANT ACCOUNTING POLICIES AND PRACTICES

A. COMPANY BACKGROUND

Incorporated as Alpa Laboratories Private Limited on 18th March 1988 under the Companies Act, 1956 and converted to public limited company on 03rd September 1998 with the name of Alpa Laboratories Limited. The Company has been listed on the Bombay Stock Exchange and the National Stock Exchange since 06th August 2007.

Basis of Preparation of Financial Statements

(i) Compliance with Ind AS

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

The accounting policies are applied consistently to all the periods presented in the financial statements.

(ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- 1) certain financial assets and liabilities that are measured at fair value.
- 2) assets held for sale - measured at lower of carrying amount or fair value less cost to sell.

(iii) Current non-current classification

All the assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III of the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalent, the Company has ascertained its operating cycle to be 12 months for the purpose of current - noncurrent classification of assets and liabilities.

(iv) Fair Value

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

2. Use of estimates and critical accounting judgements

In the preparation of financial statements, the Company makes judgements, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are relevant. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised, and future periods affected.

Key source of estimation of uncertainty at the date of standalone financial statements, which may cause material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of impairment, useful lives of property, plant and equipment and intangible assets, valuation of deferred tax assets, provisions, contingent liabilities, and fair value measurements of financial instruments as discussed below. Key source of estimation of uncertainty in respect of revenue recognition and employee benefits have been discussed in the respective policies.

3. Revenue Recognition

Revenue is measured at the fair value of consideration received or receivable net of discounts, considering contractually defined terms and excluding taxes and duties collected on behalf of the government.

The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company and specific criteria have been met for each of the Company's activities as described below.

Sale of goods

Revenue from sale of goods is recognised when the Company has transferred to the buyer the significant risks and rewards of ownership, no longer retains control over the goods sold, the amount of revenue can be measured

reliably, it is probable that the economic benefits associated with the transaction will flow to the Company and the costs incurred or to be incurred in respect of the transaction can be measured reliably. Depending on the contractual terms, risks and rewards of ownership is transferred when the delivery is completed. In case of exports sale delivery is completed on issuance of bill of lading

Interest income

Interest income is accrued on a time proportion basis, by reference to the principal outstanding and effective interest rate applicable.

Dividend income

Dividend income is recognized at the time when the right to receive is established by the reporting date.

Other operating revenue - Export incentives

Export Incentives under various schemes are recognized on accrual basis.

Other Incomes

Other incomes have been recognized on accrual basis in the financial statements, except when there is uncertainty of collection.

4. Property, plant, and equipment

An item of property, plant and equipment is recognised as an asset if it is probable that future economic benefits associated with the item will flow to the Company and its cost can be measured reliably. This recognition principle is applied to costs incurred initially to acquire an item of property, plant, and equipment and to costs incurred subsequently to add to, replace part of, or service it. All other repair and maintenance costs, including regular servicing, are recognised in the statement of profit and loss as incurred. When a replacement occurs, the carrying value of the replaced part is derecognised. Where an item of property, plant and equipment comprises major components having different useful lives, these components are accounted for as separate items.

Property, plant, and equipment is stated at cost/deemed cost, less accumulated depreciation, and impairment. Cost includes all direct costs and expenditures incurred to bring the asset to its working condition and location for its intended use. Trial run expenses (net of revenue) are capitalised.

Capital work-in-progress and intangible assets under development represents expenditure incurred in respect of capital projects / intangible assets under development and are carried at cost. Cost comprises of purchase cost, related acquisition expenses, development / construction costs, borrowing costs and other direct expenditure.

Borrowing costs incurred during the period of construction is capitalised as part of cost of qualifying asset. The gain or loss arising on disposal of an item of property, plant and equipment is determined as the difference between sale proceeds and carrying value of such item and is recognised in the statement of profit and loss.

5. Depreciation and amortisation of property, plant and equipment and intangible assets

Depreciation of these assets commences when the assets are ready for their intended use which is generally on commissioning. Items of property, plant and equipment are depreciated in a manner that amortizes the cost (or other amount substituted for cost) of the assets after commissioning, less its residual value, over their useful lives as specified in Schedule II of the Companies Act, 2013 on a Written Down Value basis. Land is not depreciated.

Property, plant and equipment's residual values and useful lives are reviewed at each balance sheet date and changes, if any, are treated as changes in accounting estimate.

- a. Fixed asset is depreciated on a written down value basis over the useful lives of assets as prescribed under Part C of Schedule II of the Companies Act 2013.
- b. Depreciation for assets purchased or sold during the period is charged to revenue pro-rata to the period of their use.

6. Inventories

Finished goods (including for trade), work in process and raw materials are stated at 'Cost or Net Realizable Value, whichever is lower'. Cost of Inventories comprises cost of purchases and other costs incurred in bringing the inventories to their present location and condition. 'First In First Out' cost formula is used for determination of cost of inventories.

7. Foreign Currency Transactions

(i) Functional and presentation currency

The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

(ii) Transactions and balances

Transactions in foreign currencies are recognized at the prevailing exchange rates on the transaction dates. Realized gains and losses on settlement of foreign currency transactions are recognized in the Statement of Profit and Loss. Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognized in the Statement of Profit and Loss.

8. Employee Benefit

a. The Company's contribution to Life Insurance Corporation of India (LIC) for group gratuity policy is charged to the Profit and Loss account each year. The contribution for Group Gratuity Policy is based on values as actually determined and demanded by LIC at the year end.

b. Payments to defined contribution plans are charged as an expense as they fall due. Payments made to state managed retirement benefit schemes are dealt with as payments to defined contribution schemes where the Company's obligations under the schemes are equivalent to those arising in a defined contribution retirement benefit scheme.

9. Borrowing Cost

Borrowing cost consists of interest and other costs incurred in connection with the borrowing of funds and include exchange differences to the extent regarded as an adjustment to the same. Borrowing costs directly attributable to the acquisition and/ or construction of a qualifying asset are capitalized during the period that is necessary to complete and prepare the asset for its intended use or sale. A qualifying asset is one that necessarily takes substantial period to get ready for its intended use. All other borrowing costs are charged to the Standalone Statement of Profit and Loss as incurred.

10. Borrowings

Borrowings are initially recognised at net of transaction costs incurred and measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in the Statement of Profit and Loss over the period of the borrowings using the effective interest method.

Preference shares, which are mandatorily redeemable on a specific date are classified as liabilities. The dividend on these preference shares is recognised in Statement of Profit and Loss as finance costs.

11. Provisions & Contingent liabilities and assets

a. Provisions are recognized only when there is a present obligation, because of past events and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

b. Contingent liability is disclosed for (i) Possible obligations which will be confirmed only by future events not wholly within the control of the Company or (ii) Present obligations arising from the past events where it is probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of obligation cannot be made.

c. Contingent assets are neither recognized nor disclosed except when realization of income is virtually certain, related asset is disclosed.

12. Taxation

Tax expense recognized in Standalone Statement of Profit and Loss comprises the sum of deferred tax and current tax except the ones recognized in other comprehensive income or directly in equity.

Current tax is determined as the tax payable in respect of taxable income for the year and is computed in accordance with relevant tax regulations. Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity).

Minimum Alternate Tax ('MAT') credit entitlement is recognized as an asset only when and to the extent there is convincing evidence that normal income tax will be paid during the specified period. In the year in which MAT credit becomes eligible to be recognized as an asset, the said asset is created by way of a credit to the Standalone Statement of Profit and Loss and shown as MAT credit entitlement. This is reviewed at each balance sheet date and the carrying amount of MAT credit entitlement is written down to the extent it is not reasonably certain that normal income tax will be paid during the specified period.

Deferred tax is recognized on temporary differences between the carrying amount of assets and liabilities in the financial statement and the corresponding tax bases used in computation of taxable profit under Income Tax Act, 1961.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognized outside Standalone Statement of Profit and Loss is recognized outside Standalone Statement of Profit and Loss (either in other comprehensive income or in equity).

13. Financial Instruments

i) Financial Assets

A. Initial Recognition and Measurement

All Financial Assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of Financial Assets, which are not at Fair Value Through Profit or Loss, are adjusted to the fair value on initial recognition. Purchase and sale of Financial Assets are recognised using trade date accounting.

B. Subsequent measurement

a) Financial Assets measured at Amortised Cost (AC)

A Financial Asset is measured at Amortised Cost if it is held within a business model whose objective is to hold the asset to collect contractual cash flows and the contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial Assets measured at Fair Value Through Other Comprehensive Income (FVTOCI)

A Financial Asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling Financial Assets and the contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial Assets measured at Fair Value Through Profit or Loss (FVTPL)

A Financial Asset which is not classified in any of the above categories are measured at FVTPL.

C. Investments in subsidiaries, associates, and joint ventures

Investments in subsidiaries, associates and joint ventures are carried at cost/deemed cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of investment is assessed and an impairment provision is recognized, if required immediately to its recoverable amount. On disposal of such investments, difference between the net disposal proceeds and carrying amount is recognized in the statement of profit and loss.

D. Other Equity Investments

All other equity investments are measured at fair value, with value changes recognized in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

E. Impairment of Financial Assets

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

ii) Financial Liabilities

A. Initial Recognition and Measurement

All Financial Liabilities are recognized at fair value and in case of borrowings, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

B. Subsequent Measurement

Financial Liabilities are carried at amortized cost using the effective interest method.

For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

iii) Derecognition of Financial Instruments

The Company derecognizes a Financial Asset when the contractual rights to the cash flows from the Financial Asset expire or it transfers the Financial Asset, and the transfer qualifies for derecognition under Ind AS 109. A Financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

iv) Offsetting

Financial Assets and Financial Liabilities are offset, and the net amount is presented in the balance sheet when, and only when, the Company has a legally enforceable right to set off the amount and it intends, either to settle them on a net basis or to realise the asset and settle the liability simultaneously

14. Earnings Per Share

Basic earnings per share have been computed by dividing profit or loss for the year by the weighted average number of shares outstanding during the year. Partly paid-up shares are included as fully paid equivalents according to the fraction paid up.

Diluted earnings per share have been computed using the weighted average number of shares and dilutive potential shares except where the result would be anti-dilutive.

15. Government Grants

Grants from the government are recognised at their fair value where there is reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to Profit and Loss on a straight - line basis over the expected lives of related assets and presented within other income.

16. Leases

For any new contracts entered on or after 1 April 2019, (the transition approach has been explained and disclosed in Note 31) the Company considers whether a contract is or contains a lease. A lease is defined as 'a contract, or part of a contract, that conveys the right to use an asset (the underlying asset) for a period in exchange for consideration'.

Classification of leases

The Company enters leasing arrangements for various assets. The assessment of the lease is based on several factors, including, but not limited to, transfer of ownership of leased asset at end of lease term, lessee's option to extend/purchase etc.

Recognition and initial measurement

At lease commencement date, the Company recognizes a right-of-use asset and a lease liability on the balance sheet. The right-of-use asset is measured at cost, which is made up of the initial measurement of the lease liability, any initial direct costs incurred by the Company, an estimate of any costs to dismantle and remove the asset at the end of the lease (if any), and any lease payments made in advance of the lease commencement date (net of any incentives received).

Subsequent measurement

The Company depreciates the right-of-use assets on a straight-line basis from the lease commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The Company also assesses the right-of-use asset for impairment when such indicators exist.

At lease commencement date, the Company measures the lease liability at the present value of the lease payments unpaid at that date, discounted using the interest rate implicit in the lease if that rate is readily available or the Company's incremental borrowing rate. Lease payments included in the measurement of the lease liability are made up of fixed payments (including in substance fixed payments) and variable payments based on an index or rate. After initial measurement, the liability will be reduced for payments made and increased for interest. It is re-measured to reflect any reassessment or modification, or if there are changes in in-substance fixed payments. When the lease liability is re-measured, the corresponding adjustment is reflected in the right-of-use asset.

The Company has elected to account for short-term leases and leases of low-value assets using the practical expedients.

Instead of recognizing a right-of-use asset and lease liability, the payments in relation to these are recognized as an expense in standalone statement of profit and loss on a straight-line basis over the lease term.

17. Recent Accounting Pronouncements

Ministry of Corporate Affairs ("MCA") notifies new accounting standards or amendments to the existing accounting standards.

Amendment to Ind AS 109 "Financial Instruments" and Ind AS 107 "Financial Instruments: Disclosures" - Interest rate Benchmark Reform Phase 2

The amendment focuses on the potential financial reporting issues that may arise when interest rate benchmarking reforms are either reformed or replaced. The key reliefs provided by the Phase 2 amendments are:

Changes to contractual cash flows - When changing the basis for determining contractual cash flows for financial assets and liabilities (including lease liabilities), the reliefs have the effect that the changes that are required by an interest rate benchmark reform will not result in an immediate gain or loss in the profit and loss statement.

Hedge accounting –

The hedge accounting reliefs will allow most Ind AS 39 or Ind AS 109 hedge relationships that are directly affected by IBOR reform to continue. However, additional ineffectiveness might need to be recorded. The amendments do not have impact on the financial statements.

Amendment to Ind AS 103 "Business Combination" – Reference to Conceptual Framework

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103 – Business Combinations. The Company does not expect the amendment to have any impact in its financial statements.

Amendment to Ind AS 16 "Property, Plant and Equipment" – Proceeds before intended use

The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognized in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment. The Company does not expect the amendments to have any impact in its recognition of its property, plant and equipment in its financial statements

B. Critical estimates and judgements -

The preparation of financial statements requires the use of accounting estimates which will seldom equal the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgement are:

i. Estimation of current tax expenses and Payable and Recognition of deferred tax assets for carried forward tax losses

The Company's tax jurisdiction is India. Significant judgements are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid / recovered for uncertain tax positions (refer note 28). The extent to which deferred tax assets/minimum alternate tax credit can be recognized is based on management's assessment of the probability of the future taxable income against which the deferred tax assets/minimum alternate tax credit can be utilized.

ii. Estimated Fair value of unlisted securities

Information about the valuation techniques and inputs used in determining the fair value of various assets, liabilities and share based payments are disclosed in the notes to standalone financial statements. (Refer note 36)

iii. Probable outcome of matters included under Contingent Liabilities

Contingent liabilities may arise from the ordinary course of business in relation to claims against the Company, (refer note 30). By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence, and potential quantum, of contingencies inherently involves the exercise of significant judgments by management and the use of estimates regarding the outcome of future events.

iv. Recoverability of advances / receivables

At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit losses on outstanding receivables and advances.

v. Classification of leases

The Company enters leasing arrangements for various premises. The assessment (including measurement) of the lease is based on several factors, including, but not limited to, transfer of ownership of leased asset at end of lease term, lessee's option to extend/terminate etc. After the Commencement date, the Company reassesses the lease term if there is a significant event or change in circumstances that is within its control and affects its ability to exercise or not to exercise the option to extend or to terminate.\

vi. Inventories

The Company estimates the net realizable values of inventories, considering the most reliable evidence available at each reporting date. The future realization of these inventories may be affected by future demand or other market-driven changes that may reduce future selling prices.

vii. Provisions

At each balance sheet date basis, the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding contingent liabilities. However, the actual future outcome may be different from this judgement.

INDEPENDENT AUDITOR'S REPORT

To the Members of Alpa Laboratories Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

1. I have audited the accompanying consolidated financial statements of ALPA LABORATORIES LIMITED (hereinafter referred to as the "Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as 'the Group'), which comprises the the consolidated Balance Sheet as at 31st March, 2022, the consolidated Statement of Profit and Loss (including Other Comprehensive Income), the consolidated Cash Flow Statement and the consolidated Statement of changes in equity for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information. the Statement of changes in equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.
2. In my opinion and to the best of my information and according to the explanations given to me and based on the consideration of the reports of the other auditors on separate financial statements / consolidated financial statements and on the other information of the subsidiaries, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards specified under section 133 of the Act, of the consolidated state of affairs of the Group, as at 31st March, 2022, and their consolidated total comprehensive profit (comprising of consolidated profit and consolidated other comprehensive income) their consolidated cash flows and consolidated changes in equity for the year ended on that date.

Basis for Opinion

- 3 I conducted my audit in accordance with the Standards of Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. My responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to my audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and I have fulfilled my other ethical responsibilities in accordance with these requirements and the Code of Ethics. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.
- 4 We draw attention to note 44 to the accompanying financial statement, which describes the effects of uncertainties relating to COVID - 19 pandemic outbreak on the Company's operations and management's evaluation of its impact on the accompanying financial statement as at 31 March 2022, the impact of which is dependent on future developments.
- 5 My opinion is not modified in respect of this matter.

Other Matters

- 6 The Consolidated Financial Statements also include the subsidiary's share of net loss of ` 8,13,725 including Comprehensive Loss for the year (Previous year ` 1,80,756), as considered in the Consolidated Financial Statements, in respect of its subsidiary whose financial statements / financial information have not been audited by me. These financial statements / financial information are unaudited and have been furnished to me by the Management duly certified by them and my opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of the aforesaid subsidiary and my report insofar as it relates to the amounts and disclosures included in respect of the a subsidiary company and my report in terms of sub-section (3) of Section 143 of the Act including report on Other Information insofar as it relates to the aforesaid subsidiary company is based solely on the reports of the other auditors/ independent firm of accountants. In my opinion and according to the information and explanations given to me by the management these financial information are not material to the Group. My opinion on the consolidated financial results is not modified in respect of this matter with respect to my reliance on the financial information certified by the management.

Key Audit Matters

- 7 Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
- 8 I have determined that there are no key audit matters to be communicated in my report.

Information Other than the Financial Statements and Auditor's Report Thereon

- 9 The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's Annual Report, but does not include the financial statements and my auditors' report thereon
- 10 My opinion on the consolidated financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.
- 11 In connection with my audit of the consolidated financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibility of Management for the Standalone Financial Statements

- 12 The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to preparation of these consolidated financial statements that give a true and fair view of the consolidated state of affairs, consolidated Profit including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of each Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of consolidated financial statements by the Directors of the Holding Company, as aforesaid.
- 13 In preparing the consolidated financial statements, the respective management and Board of Directors of the companies included in the Group are responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative to do so.
- 14 The Board of Directors is also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

- 15 My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
- 16 As part of an audit in accordance with Standards on Auditing, I exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, I am also responsible for expressing my opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group to express an opinion on the consolidated financial statements, of which I am the independent auditor. I am responsible for the direction, supervision and performance of the audit of financial information of such entities. For the other entities included in the consolidated financial statements, which have been audited by other auditor, such other auditor remains responsible for the direction, supervision and performance of the audit carried out by them. I remain solely responsible for my audit opinion.
- 17 I communicate with those charged with governance of the Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.
- 18 I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.
- 19 From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. I describe these matters in my auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 20 As required by section 197(16) of the Act, based on our audit and after considering unaudited financial statement as certified by the management, on standalone financial statements / consolidated financial statements of the subsidiary, we report that the Holding Company, has paid/provided remuneration to its directors during the year in accordance with the provisions of and limits laid down under Section 197 read with Schedule V of the Act. In our opinion, no reporting is required under Section 197(16) of the Act. Our opinion is not modified in respect of this matter with respect to our reliance on the work done and relying on such unaudited financial statement submitted to us by the management.

- 21 As required by Section 143 (3) of the Act, based on information of my audit and on the consideration of the reports of the other auditors on separate financial statements / consolidated financial statements and other financial subsidiaries , I report to the extent applicable that:
- a. I have sought and obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purposes of my audit of the aforesaid consolidated financial statements;
 - b. In my opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept by the Company so far as it appears from my examination of those books and the reports of the other auditors;
 - c. The consolidated financial statements dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
 - d. In my opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of written representations received from the directors of the Holding Company taken on record by the Board of Directors of the Holding Company and the relevant assertion contained in the Management's Representation Letter provided for the subsidiary, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the adequacy of internal financial controls over financial reporting of the Holding Company, and its subsidiary companies covered under the Act, and the operating effectiveness of such controls, refer to my separate report in 'Annexure A'.
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in my opinion and to the best of my information and according to the explanations given to me and based on the consideration of the report of the other auditors on separate financial statements / consolidated financial statements as also the other financial information of the subsidiaries :
 - i. The Group does not have any pending litigations which would impact its consolidated financial position;
 - ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. During the year ended 31st March, 2022, there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company, and its subsidiaries companies.
- 22 The Consolidated Financial Statements also include the subsidiary's unaudited Financial Statements whose financial statements / financial information have not been audited by me. These financial statements / financial information are unaudited and have been furnished to me by the Management duly certified by them hence I am unable to comment on any qualification in relation to the financial statements of the subsidiary.

Date : 28th Day of May,2022

“ANNEXURE A” TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF ALPA LABORATORIES LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies

In conjunction with My audit of the consolidated financial statements of the Company as of and for the year ended 31st March, 2022, I have audited the internal financial controls over financial reporting of ALPA LABORATORIES LIMITED (hereinafter referred to as “the Holding Company”) and its subsidiary company, which is incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company, its subsidiary company, which is company incorporated in India, are responsible for establishing and maintaining internal financial controls based on “internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

My responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on my audit., I conducted my audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that, I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

My audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. My audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In my opinion, the Holding Company, its subsidiary company, which is incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matter

I did not audit the internal financial controls over financial reporting in so far as it relates to the Subsidiary company, which is the company covered under the Act, whose financial statements/consolidated financial statements were consolidated for the year ended on that date, as considered in the consolidated financial statements. The internal financial controls over financial reporting in so far as it relates to such subsidiary company has been audited by other auditors whose reports have not been furnished to me by the management and my report on adequacy and operating effectiveness of the internal financial controls over financial reporting for the holding company and its subsidiary, as aforesaid, under section 143(3)(i) of the Act in so far as it related to such subsidiary company is solely based on the unaudited reports provided by the management. My opinion is not modified in respect of this matter with respect to my reliance on the work done by and on such unaudited reports submitted to me by the management.

- (ii) Alpa Laboratories Limited ("The Company") has executed a registered Agreement on 24/08/2018 with Kabear Reality Private Limited for purchase of property at Kibe Compound, Indore for a total sale consideration of ₹

Note - "36"

Fair Value Measurement

Financial Instrument by category and hierarchy

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

1. Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short term maturities of these instruments.
 2. Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.
 3. The fair values for loans and investment in preference shares were calculated based on cash flows discounted using a current lending rate. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counter party credit risk.
 4. The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.
- For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

Note - "37"**Financial Risk Management***Financial risk management objectives and policies*

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Managing Board.

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowings.

The Company manages market risk by evaluating and exercising independent control over the entire process of market risk management. The recommend risk management objectives and policies, which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures like foreign exchange forward contracts, borrowing strategies and ensuring compliance with market risk limits and policies.

Market Risk- Foreign currency risk.

exposed to foreign exchange risk through its sales and services in overseas and purchases from overseas suppliers in various foreign currencies. Foreign currency exchange rate exposure is partly balanced by purchasing of goods, commodities and services in the respective currencies.

(a) Particulars of unhedged foreign currency exposures as at the reporting date

As at 31st March, 2022

(In Foreign currency)

Advances to suppliers	-
Trade Payable	-
Cash & Cash Equivalent	-
Loans	4.62

As at 31st March, 2021

(In Foreign currency)

Particulars	USD(in lacs)
Trade Receivable	25.47
Advances from Customers	3.25
Advances to suppliers	0.75
Trade Payable	0.96
Cash and cash equivalents	1.91

(a) (iii) *Market Risk- Price Risk*

(a) *Exposure*

The Company's exposure to equity securities price risk arises from investments held by the Company and classified in the balance sheet either at fair value through OCI or at fair value through profit and loss. To manage its price risk arising from investments in equity securities, the Company diversifies its portfolio. Diversification of the portfolio is done in accordance with the limits set by the Company.

(b) *Sensitivity*

The table below summarizes the impact of increases/decreases of the BSE index on the Company's equity and Gain/Loss for the period. The analysis is based on the assumption that the index has increased by 5 % or decreased by 5 % with all other variables held constant, and that all the Company's equity instruments moved in line with the index.

Impact on Profit before tax

	As at 31st March, 2022	As at 31st March, 2021
BSE Sensex 30- Increase 5%	166.63	115.31
BSE Sensex 30- Decrease 5%	(166.63)	(115.31)

Above referred sensitivity pertains to quoted mutual fund investment (Refer note 4). Profit for the year would increase/ (decrease)

(c) *Foreign Currency Risk Sensitivity*

A change of 5% in Foreign currency would have following Impact on profit before tax

(₹ in Lacs)

Increase / (decrease) in profit or loss	72.52	(72.52)	87.88	(87.88)

Credit risk

Credit risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses financial reliability of customers and other counter parties, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of financial assets. Individual risk limits are set and periodically

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition. It

- i) Actual or expected significant adverse changes in business,
- ii) Actual or expected significant changes in the operating results of the counterparty,
- iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations,
- iv) Significant increase in credit risk on other financial instruments of the same counterparty,
- v) Significant changes in the value of the collateral supporting the obligation or in the quality of the third-party guarantees or credit

Financial assets are written off when there is no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized as income in the statement of profit and loss.

The Company measures the expected credit loss of trade receivables and loan from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. Based on the historical data, loss on collection of receivable is not material hence no additional provision considered.

Capital Risk Management

a) Risk Management

The Company aim to manages its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to

The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares.

The Company's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business. The Company will take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

SIGNIFICANT ACCOUNTING POLICIES AND PRACTICES

A. COMPANY BACKGROUND

Incorporated as Alpa Laboratories Private Limited on 18th March 1988 under the Companies Act, 1956 and converted to public limited company on 03rd September 1998 with the name of Alpa Laboratories Limited. The Company has been listed on the Bombay Stock Exchange and the National Stock Exchange since 06th August 2007.

1. Basis of Preparation of Financial Statements

(i) Compliance with Ind AS

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

The accounting policies are applied consistently to all the periods presented in the financial statements.

(ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- 1) certain financial assets and liabilities that are measured at fair value;
- 2) assets held for sale - measured at lower of carrying amount or fair value less cost to sell;

(iii) Current non-current classification

All the assets and liabilities have been classified as current or non current as per the Company's normal operating cycle and other criteria set out in Schedule III of the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalent, the Company has ascertained its operating cycle to be 12 months for the purpose of current - non current classification of assets and liabilities.

(iv) Fair Value

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

2. Principles of consolidation and equity accounting

(i) Subsidiaries

Subsidiaries are all entities over which the group has control. The group controls an entity when the group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the group. They are deconsolidated from the date that control ceases.

The acquisition method of accounting is used to account for business combinations by the group.

The group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the group.

Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet respectively.

(ii) Associates

Associates are all entities over which the company has significant influence but not control or joint control. This is generally the case where the group holds between 20% and 50% of the voting rights. Investments in associates are accounted for using the equity method of accounting, after initially being recognised at cost.

(iii) Joint ventures

Interests in joint ventures are accounted for using the equity method, after initially being recognised at cost in the consolidated balance sheet.

(iv) Equity Method

Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the group's share of the post-acquisition profits or losses of the investee in profit and loss, and the group's share of other comprehensive income of the investee in other comprehensive income. Dividends received or receivable from associates and joint ventures are recognised as a reduction in the carrying amount of the investment.

When the group's share of losses in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the other entity.

Unrealised gains on transactions between the group and its associates and joint ventures are eliminated to the extent of the group's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees have been changed where necessary to ensure consistency with the policies adopted by the group.

3. Use of estimates and critical accounting judgements

In the preparation of financial statements, the Company makes judgements, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

Key source of estimation of uncertainty at the date of standalone financial statements, which may cause material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of impairment, useful lives of property, plant and equipment and intangible assets, valuation of deferred tax assets, provisions, contingent liabilities and fair value measurements of financial instruments as discussed below. Key source of estimation of uncertainty in respect of revenue recognition and employee benefits have been discussed in the respective policies.

4. Revenue Recognition

Revenue is measured at the fair value of consideration received or receivable net of discounts, taking into account contractually defined terms and excluding taxes and duties collected on behalf of the government.

The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company and specific criteria have been met for each of the Company's activities as described below.

Sale of goods

Revenue from sale of goods is recognised when the Company has transferred to the buyer the significant risks and rewards of ownership, no longer retains control over the goods sold, the amount of revenue can be measured reliably, it is probable that the economic benefits associated with the transaction will flow to the Company and the costs incurred or to be incurred in respect of the transaction can be measured reliably. Depending on the contractual terms, risks and rewards of ownership is transferred when the delivery is completed. In case of exports sale delivery is completed on issuance of bill of lading

Interest income

Interest income is accrued on a time proportion basis, by reference to the principal outstanding and effective interest rate applicable.

Dividend income

Dividend income is recognized at the time when the right to receive is established by the reporting date.

Other operating revenue - Export incentives

“Export Incentives under various schemes are recognized on accrual basis.

Other Incomes

Other incomes have been recognized on accrual basis in the financial statements, except when there is uncertainty of collection.

5. Property, plant and equipment

An item of property, plant and equipment is recognised as an asset if it is probable that future economic benefits associated with the item will flow to the Company and its cost can be measured reliably. This recognition principle is applied to costs incurred initially to acquire an item of property, plant and equipment and also to costs incurred subsequently to add to, replace part of, or service it. All other repair and maintenance costs, including regular servicing, are recognised in the statement of profit and loss as incurred. When a replacement occurs, the carrying value of the replaced part is derecognised. Where an item of property, plant and equipment comprises major components having different useful lives, these components are accounted for as separate items.

Property, plant and equipment is stated at cost/deemed cost, less accumulated depreciation and impairment. Cost includes all direct costs and expenditures incurred to bring the asset to its working condition and location for its intended use. Trial run expenses (net of revenue) are capitalised.

Capital work-in-progress and intangible assets under development represents expenditure incurred in respect of capital projects / intangible assets under development and are carried at cost. Cost comprises of purchase cost, related acquisition expenses, development / construction costs, borrowing costs and other direct expenditure.

Borrowing costs incurred during the period of construction is capitalised as part of cost of qualifying asset. The gain or loss arising on disposal of an item of property, plant and equipment is determined as the difference between sale proceeds and carrying value of such item, and is recognised in the statement of profit and loss.

6. Depreciation and amortisation of property, plant and equipment and intangible assets

Depreciation of these assets commences when the assets are ready for their intended use which is generally on commissioning. Items of property, plant and equipment are depreciated in a manner that amortizes the cost (or other amount substituted for cost) of the assets after commissioning, less its residual value, over their useful lives as specified in Schedule II of the Companies Act, 2013 on a Written Down Value basis. Land is not depreciated.

Property, plant and equipment’s residual values and useful lives are reviewed at each balance sheet date and changes, if any, are treated as changes in accounting estimate.

- a. Fixed asset is depreciated on a written down value basis over the useful lives of assets as prescribed under Part C of Schedule II of the Companies Act 2013.
- b. Depreciation for assets purchased or sold during the period is charged to revenue pro-rata to the period of their use.

7. Inventories

Finished goods (including for trade), work in process and raw materials are stated at ‘Cost or Net Realizable Value, whichever is lower’. Cost of Inventories comprises cost of purchases and other costs incurred in bringing the inventories to their present location and condition. ‘First In First Out’ cost formula is used for determination of cost of inventories.

8. Foreign Currency Transactions

(i) Functional and presentation currency

The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

(ii) Transactions and balances

Transactions in foreign currencies are recognised at the prevailing exchange rates on the transaction dates. Realised gains and losses on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss.

Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of Profit and Loss.

9. Employee Benefit

a. The Company's contribution to Life Insurance Corporation of India (LIC) for group gratuity policy is charged to the Profit and Loss account each year. The contribution for Group Gratuity Policy is based on values as actually determined and demanded by LIC at the year end.

b. Payments to defined contribution plans are charged as an expense as they fall due. Payments made to state managed retirement benefit schemes are dealt with as payments to defined contribution schemes where the Company's obligations under the schemes are equivalent to those arising in a defined contribution retirement benefit scheme.

10. Borrowing Cost

Borrowing cost consists of interest and other costs incurred in connection with the borrowing of funds and also include exchange differences to the extent regarded as an adjustment to the same. Borrowing costs directly attributable to the acquisition and/ or construction of a qualifying asset are capitalized during the period of time that is necessary to complete and prepare the asset for its intended use or sale. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Standalone Statement of Profit and Loss as incurred.

11. Borrowings

Borrowings are initially recognised at net of transaction costs incurred and measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in the Statement of Profit and Loss over the period of the borrowings using the effective interest method.

Preference shares, which are mandatorily redeemable on a specific date are classified as liabilities. The dividend on these preference shares is recognised in Statement of Profit and Loss as finance costs.

12. Provisions & Contingent liabilities and assets

a. Provisions are recognized only when there is a present obligation, as a result of past events and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

b. Contingent liability is disclosed for (i) Possible obligations which will be confirmed only by future events not wholly within the control of the Company or (ii) Present obligations arising from the past events where it is probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of obligation cannot be made.

c. Contingent assets are neither recognized nor disclosed except when realization of income is virtually certain, related asset is disclosed.

13. Taxation

Tax expense recognized in Standalone Statement of Profit and Loss comprises the sum of deferred tax and current tax except the ones recognized in other comprehensive income or directly in equity.

Current tax is determined as the tax payable in respect of taxable income for the year and is computed in accordance with relevant tax regulations. Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity).

Minimum Alternate Tax ('MAT') credit entitlement is recognized as an asset only when and to the extent there is convincing evidence that normal income tax will be paid during the specified period. In the year in which MAT credit becomes eligible to be recognized as an asset, the said asset is created by way of a credit to the Standalone Statement of Profit and Loss and shown as MAT credit entitlement. This is reviewed at each balance sheet date and the carrying amount of MAT credit entitlement is written down to the extent it is not reasonably certain that normal income tax will be paid during the specified period.

Deferred tax is recognized on temporary differences between the carrying amount of assets and liabilities in the financial statement and the corresponding tax bases used in computation of taxable profit under Income Tax Act, 1961.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognized outside Standalone Statement of Profit and Loss is recognized outside Standalone Statement of Profit and Loss (either in other comprehensive income or in equity).

14. Financial Instruments

i) Financial Assets

A. Initial Recognition and Measurement

All Financial Assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of Financial Assets, which are not at Fair Value Through Profit or Loss, are adjusted to the fair value on initial recognition. Purchase and sale of Financial Assets are recognised using trade date accounting.

B. Subsequent measurement

a) Financial Assets measured at Amortised Cost (AC)

A Financial Asset is measured at Amortised Cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial Assets measured at Fair Value Through Other Comprehensive Income (FVTOCI)

A Financial Asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling Financial Assets and the contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial Assets measured at Fair Value Through Profit or Loss (FVTPL)

A Financial Asset which is not classified in any of the above categories are measured at FVTPL.

C. Impairment of Financial Assets

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

ii) Financial Liabilities

A. Initial Recognition and Measurement

All Financial Liabilities are recognized at fair value and in case of borrowings, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

B. Subsequent Measurement

Financial Liabilities are carried at amortized cost using the effective interest method.

For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

iii) Derecognition of Financial Instruments

The Company derecognizes a Financial Asset when the contractual rights to the cash flows from the Financial Asset expire or it transfers the Financial Asset and the transfer qualifies for derecognition under Ind AS 109. A Financial liability (or a part of a Financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

iv) Offsetting

Financial Assets and Financial Liabilities are offset and the net amount is presented in the balance sheet when, and only when, the Company has a legally enforceable right to set off the amount and it intends, either to settle them on a net basis or to realise the asset and settle the liability simultaneously

15. Earnings Per Share

Basic earnings per share has been computed by dividing profit or loss for the year by the weighted average number of shares outstanding during the year. Partly paid up shares are included as fully paid equivalents according to the fraction paid up.

Diluted earnings per share has been computed using the weighted average number of shares and dilutive potential shares except where the result would be anti-dilutive.

16. Government Grants

Grants from the government are recognised at their fair value where there is reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to Profit and Loss on a straight - line basis over the expected lives of related assets and presented within other income.

17. Recent Accounting Pronouncements

- 18.** Ministry of Corporate Affairs ("MCA") notifies new accounting standards or amendments to the existing accounting standards.

Amendment to Ind AS 109 "Financial Instruments" and Ind AS 107 "Financial Instruments: Disclosures" - Interest rate Benchmark Reform Phase 2

The amendment focuses on the potential financial reporting issues that may arise when interest rate benchmarking reforms are either reformed or replaced. The key reliefs provided by the Phase 2 amendments are:

Changes to contractual cash flows - When changing the basis for determining contractual cash flows for financial assets and liabilities (including lease liabilities), the reliefs have the effect that the changes that are required by an interest rate benchmark reform will not result in an immediate gain or loss in the profit and loss statement.

Hedge accounting –

The hedge accounting reliefs will allow most Ind AS 39 or Ind AS 109 hedge relationships that are directly affected by IBOR reform to continue. However, additional ineffectiveness might need to be recorded.

The amendments do not have impact on the financial statements.

Amendment to Ind AS 103 "Business Combination" – Reference to Conceptual Framework

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103 – Business Combinations. The Company does not expect the amendment to have any impact in its financial statements.

Amendment to Ind AS 16 “Property, Plant and Equipment” – Proceeds before intended use

The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognized in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment. The Company does not expect the amendments to have any impact in its recognition of its property, plant and equipment in its financial statements

19. Leases

Where the Group is the lessee

Right of use assets and lease liabilities

For any new contracts entered into on or after 1 April, 2019, (the transition approach has been explained and disclosed in Note 31) the Company considers whether a contract is, or contains a lease. A lease is defined as ‘a contract, or part of a contract, that conveys the right to use an asset (the underlying asset) for a period of time in exchange for consideration’.

Classification of leases

The Company enters into leasing arrangements for various assets. The assessment of the lease is based on several factors, including, but not limited to, transfer of ownership of leased asset at end of lease term, lessee’s option to extend/purchase etc.

Recognition and initial measurement

At lease commencement date, the Company recognizes a right-of-use asset and a lease liability on the balance sheet. The right-of-use asset is measured at cost, which is made up of the initial measurement of the lease liability, any initial direct costs incurred by the Company, an estimate of any costs to dismantle and remove the asset at the end of the lease (if any), and any lease payments made in advance of the lease commencement date (net of any incentives received).

Subsequent measurement

The Company depreciates the right-of-use assets on a straight-line basis from the lease commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The Company also assesses the right-of-use asset for impairment when such indicators exist.

At lease commencement date, the Company measures the lease liability at the present value of the lease payments unpaid at that date, discounted using the interest rate implicit in the lease if that rate is readily available or the Company’s incremental borrowing rate. Lease payments included in the measurement of the lease liability are made up of fixed payments (including in substance fixed payments) and variable payments based on an index or rate. Subsequent to initial measurement, the liability will be reduced for payments made and increased for interest. It is re-measured to reflect any reassessment or modification, or if there are changes in in-substance fixed payments. When the lease liability is re-measured, the corresponding adjustment is reflected in the right-of-use asset.

The Company has elected to account for short-term leases and leases of low-value assets using the practical expedients. Instead of recognizing a right-of-use asset and lease liability, the payments in relation to these are recognized as an expense in standalone statement of profit and loss on a straight-line basis over the lease term.

B. Critical estimates and judgements -

The preparation of financial statements requires the use of accounting estimates which by definition will seldom equal the actual results. Management also need to exercise judgement in applying the Group's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgement are:

- i. Estimation of current tax expenses and Payable and Recognition of deferred tax assets for carried forward tax losses
The Company's tax jurisdiction is India. Significant judgements are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid / recovered for uncertain tax positions (refer note 27). The extent to which deferred tax assets/minimum alternate tax credit can be recognized is based on management's assessment of the probability of the future taxable income against which the deferred tax assets/minimum alternate tax credit can be utilized.
- ii. Estimated Fair value of unlisted securities
Information about the valuation techniques and inputs used in determining the fair value of various assets, liabilities and share based payments are disclosed in the notes to standalone financial statements. (refer note 35)
- iii. Probable outcome of matters included under Contingent Liabilities
Contingent liabilities may arise from the ordinary course of business in relation to claims against the Company, (refer note 29). By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence, and potential quantum, of contingencies inherently involves the exercise of significant judgments by management and the use of estimates regarding the outcome of future events.
- iv. Recoverability of advances / receivables
At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit losses on outstanding receivables and advances.
- v. Classification of leases
The Company enters into leasing arrangements for various premises. The assessment (including measurement) of the lease is based on several factors, including, but not limited to, transfer of ownership of leased asset at end of lease term, lessee's option to extend/terminate etc. After the Commencement date, the Company reassesses the lease term if there is a significant event or change in circumstances that is within its control and affects its ability to exercise or not to exercise the option to extend or to terminate.\
- vi. Inventories
The Company estimates the net realizable values of inventories, taking into account the most reliable evidence available at each reporting date. The future realization of these inventories may be affected by future demand or other market-driven changes that may reduce future selling prices.
- vii. Provisions
At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding contingent liabilities. However, the actual future outcome may be different from this judgement.

Annexure “A” to the Directors’ Report -Form AOC-1

Statement containing salient features of the financial statement of subsidiaries/associate companies/joint ventures (Pursuant to first proviso to sub-section (3) of Section 129 read with rule 5 of Companies (Accounts) Rules, 2014).

Part “A” Subsidiary Financial Summary

(Figures in ` Lacs)
