Chairman's Letter

Dear Fellow Stakeholders,

On behalf of the Board of ARSS it is my pleasure to present the 21st Annual Report and Audited Financial Statements for the year ended 31st March, 2021. I am addressing you all at a time when the nation has been impacted by the second wave of the Corona virus, leading to widespread distress and tragic loss of life. The unexpected scale and intensity of this year's surge threatened to overwhelm India's healthcare systems and undermine the prevailing macro-economic narrative. Undoubtedly, this is the most severe test ever faced by all of us – households, corporates, civil society and the Government.

At this critical juncture, as important as observing health and safety measures is to remain psychologically strong, guard against cynical despair and stay united in our shared sense of purpose. As they say, the darkest hour is before dawn, and we are already beginning to glimpse early signs that give rise to cautious optimism. The declining trend in cases across the states as well as the prospects of the vaccine rollout gaining pace should help us look forward to happier times.

This year I intend to commence my communication with how we intend to protect our business. This statement has acquired a deeper connotation following the sweeping resurgence of the second pandemic wave in India. Any discussion about our business must therefore begin with what needs to be done to protect our people. These are challenging times for a knowledge intensive business like ours; there is a premium on the ability to protect talent from the effects of the pandemic.

At ARSS, we believe that there has never been a moment when our business model has been more relevant than it is now. The Indian government is investing more than ever in infrastructure creation; there is a need to build the India of tomorrow with more roads, more bridges and more rail networks, in addition to the rejuvenation of existing infrastructure. There are a number of realities that make the scenario attractive and compelling. India is building infrastructure larger and faster. The standards of infrastructure building are rising. The government has recognized the need for vendors and service providers to be remunerated with speed. The Indian government has introduced various liquidity measures for the businesses and especially for construction companies like ours, wherein proportionate bank guarantees have been released for partly completed contracts.

This has also been supported by the accommodative stance of the Reserve Bank of India by maintaining interest rates at around the historically lowest levels seen in this country. At ARSS, we applaud the Government's initiative to retrieve the Indian economy out of the shock induced by the pandemic through liquidity measures and feel that this, coupled with low tax rates as introduced in the last Union Budget, will incentivize businesses to invest and grow in a sustainable manner. These realities are attracting serious long-term players. The scenario has evolved from a singular focus on profits to liquidity. The industry's needs are no longer about profitability as much as they are about sustainability.

Performance 2020-21

For this year, ARSS faced some difficulties in growth due to stressed economic environment and accrued a loss of Rs. (-) 52.65 cr. during the year. Your Company's standalone performance for the financial year 2020-21 are as follows:

- Turnover of ₹ 248.45 crores.
- EBITDA is ₹ (-) 37.52 crores.
- PAT (loss) is ₹ (-) 52.65 crores.
- EPS (basic) is ₹ (-) 23.16

Outlook

The outlook for FY2021-22 is one of cautious optimism, with the country's GDP regaining positive territory thanks to the base effect in the first half, followed by robust growth in the second. While the current resurgence of COVID-19 may dent prospects in the initial part of the year, vigorous vaccination efforts and improved adherence to safety protocols should spark a revival in the latter half. We therefore believe the recovery is 'delayed' and not 'derailed'.

One unintended but welcome consequence of the pandemic has been the rapid adoption of digital technologies. This was a lifeline which ensured that economies do not get paralysed due to lockdowns and other constraints. Another positive fall-out has been an increased awareness of sustainability and a more stringent emphasis on Environment Protection, Social Responsibility and Governance frameworks.

The Covid-19 pandemic and its fallout makes it difficult to forecast the future with any degree of certainty. While we are hopeful that the 2nd half of FY 2021-22 will herald better economic and business activity in terms of tendering, good liquidity and revival of labour and supply chains, it would be premature to predict the Company's business outcomes for FY 2021-22. The company

is putting in enormous efforts to mitigate the impact of the pandemic, and register enhanced performance in FY 2021-22 and coming years.

At this point in time, we see prospects in the areas of Government buildings, data centres, healthcare infra, airports, metro railways, water projects including wastewater treatment and irrigation, hydel projects, expressways as well as onshore and offshore hydrocarbon projects. We are uncertain, however, of the timelines when these projects will take off.

Despite the challenges, the Government's thrust areas continued to provide a business opportunity basket for the Company, which was in the pole position to capitalize on the business prospects that came to fruition during the year. The continuing weakness in the Realty sector was countered with a Government focused boost to the affordable mass housing and health segments. With the Government's focus on improving air-connectivity, opportunities in the airport segment continue to arise at periodic intervals.

Budgetary provisions 2021-22:

Railways

The Finance Minister Nirmala Sitharaman allocated Rs. 1.1 Lakh Crore for Indian Railways to improve infrastructure, out of which INR 1.07 Lakh Crore will be allocated for capital expenditure. Indian Railways announced National Rail Plan for 2030, with the objective of creating capacity before demand.

Roads and bridges:

The other growing opportunity in India is related to roads and bridges. There is a growing conviction that new roads and bridges are possibly the quickest infrastructure drivers of economic growth. They encourage new settlements to emerge along the road network while bridges make it possible to shorten conventionally long commutes.

In 2020-21, the allocation towards road and bridge construction by the government was INR 48,777 Crore, 6% higher than the revised estimates of 2019-20 (INR 45,897 Crore). Expenditure under roads and bridges includes development of national highways, projects related to expressways, increasing the number of lanes under various projects, and development of road connectivity in left-wing extremism-affected areas.

ARSS Infrastructure to graduate to a virtuous cycle of sustainable profitability, enhancing value in the hands of all those who hold shares in our company. Let me end with a word on the second wave of the pandemic. In view of the uncertain nature of the next few months, one will not venture to provide a financial guidance. At ARSS, we have assured the employees that they and their immediate family members will be vaccinated by the Company free of cost and therefore they need not worry about the economic impact on their households. In addition, ARSS has pledged to support local communities where it operates by offering to run free vaccination camps, free distribution of Immunity Booster medicines for the underprivileged. We hope to reach the marginalized who need to be vaccinated at the earliest, helping eradicating the pandemic. At ARSS we donated ventilators and ECMO Machine to the Hospitals for helping the needy peoples to survive their lives. The only resolution that one will make is that we will invest our every resource in ensuring that all our employees and their family members remain safe until they are vaccinated, In today's uncertain environment, there can be no higher priority.

Before I conclude, I would like to extend my thanks to Customers, vendors and suppliers, Central and State Governments, Regulatory Authorities, investors, bankers and financial institutions for their continued faith and trust, without whom our continued growth momentum would not have been possible. I would also like to thank my fellow Board members for their unstinted support and encouragement and helping me in creating good governance culture across the organization and fulfilling the responsibilities of Board. I would like to place on record the sincerity, hard work, commitment and dedication of the entire Team of ARSS. I seek your continued support in making the Company more sustainable and resilient to external challenges.

With warm and very best regards,

Yours

Subash Agarwal

REPORT ON MANAGEMENT DISCUSSION AND ANALYSIS

1. 1.1 Global Economy

The onset of the Covid-19 pandemic led the entire global economy into a recession that is unprecedented. Growth suffered broad-based deterioration with a decline in global trade and marked slowing down in the manufacturing and services sectors across the globe. Contact-based services were majorly affected and, with travel restrictions imposed to contain the spread of the virus, service sectors like airlines, tourism, hospitality, etc. were the worst hit.

On a positive note, the accelerated progress in vaccination efforts and generous fiscal support is ensuring that many of the developed nations regain ground and bring the economy back on the growth track.

1.2 Indian Economy

The year 2020-21 has been an unprecedented one. The Covid-19 pandemic is the severest global health crisis of this century, endangering the whole of humanity and resulting in a substantial weakening of most economies.

The Indian economy witnessed its first ever technical recession in the year FY 2020-21, with gross domestic product (GDP) growth remaining in the negative territory for two consecutive quarters. Lockdowns and travel restrictions imposed significant supply-side constraints on the economy, drastically reducing output and employment.

The Government announced multiple financial measures and structural reforms at different stages of the pandemic towards calibrated fiscal support during lockdown and to boost demand during the unlock phase.

With an aim to speed up the economic normalisation, the Government accelerated the public investment in the key infrastructure sector. The wheels of India's capex cycle were set in motion with a strong revival in investment-led growth supported by the 'Atmanirbhar Bharat Mission' and a massive boost to infrastructure and capital expenditure provided for in the Union Budget 2021.

Apart from economic reforms, the government also implemented various structural reforms in the country covering sectors like Agriculture, MSMEs, Labour, Power and Industry. The agricultural sector remains the bright spot of the Indian economy. However, the surge in commodity prices is expected to create some cost pressures.

With the economic activity gaining momentum post the Covid-19 lockdown, the measures announced by the government and rollout of coronavirus vaccines resulted in an uptick in economic sentiments, but the resurgent Covid-19 second wave has put a dampener on India's growth trajectory. Hopefully, the country should be in a position to control this second wave of Covid-19 infections and, with progress in vaccination and strict implementation of prevention and detection protocols, the country should be on the growth track for the larger part of FY 2021-22.

1.3 Indian economic reforms and recovery

There were a number of positive features of the Indian economy during the year under review.

India reported improving Goods and Services Tax (GST) collections month-on-month in the second half of 2020-21 following the relaxation of the lockdown, validating the consumption-driven improvement in the economy.

The Indian currency strengthened from a level of INR 76.11 on 1st April, 2020 to a USD to INR 73.20 as on 31st March 2021 after peaking at INR 76.97/ USD on 21st April 2020 (Source: Poundsterlinglive, exchangerates.org.uk)

India's foreign exchange reserves continue to be in record setting mode – FY21 saw \$101.5 billion dollars accretion in reserves, the steepest rise in foreign exchange reserves in any financial year; India's forex reserves are ranked third after Japan and China and can cover more than a year's import payments.

India jumped 14 places to 63 in the 2020 World Bank's Ease of Doing Business ranking and was the only country in the emerging market basket that received positive FPIs of \$23.6 billion in 2020; the country ranked eighth among the world's top stock markets with a market capitalisation of \$2.5 trillion in 2020.

The Indian government initiated structural reforms in agriculture, labour laws and medium-small enterprise segments. The labour reforms were intended to empower MSMEs increase employment, enhance labour productivity and wages.

The government approved amendments to the Essential Commodities Act and brought an ordinance to allow farmers to sell their crop to anyone; the changes to the Essential Commodities Act, 1955, were intended to 'deregulate' agricultural

commodities (cereals, pulses, oilseeds, edible oils, onions and potatoes from stock limits). The government approved the Farming Produce Trade and Commerce (Promotion and Facilitation) Ordinance, 2020, to ensure barrier-free trade in agriculture produce.

The Government relaxed foreign direct investment (FDI) norms for sectors like defence, coal mining, contract manufacturing and single-brand retail trading.

The Union Cabinet approved the production-linked incentive (PLI) scheme for 10 sectors. These incentives could attract outsourced investments, catalysing India's growth journey.

1.4 India's infrastructure sector

The key to India achieving its goal of becoming a US\$ 5 trillion economy by 2025 is derived from its infrastructure growth story. The Indian government proposed setting up National Infrastructure Pipeline in 2019; the number of infrastructure projects rose to 7400 in 2021 from 6835 and 217 projects worth INR 1.10 Lakh Crore. Sectors such as roads, urban development, railways and energy accounted for ~71% of the projected infrastructure investments.

In spite of battling the Covid-19 outbreak, India maintained its second position in the Agility Emerging Logistics Index. In FY20, FDI in the infrastructure sector was US\$ 2.04 billion. The government prepared a National Monetization Pipeline for FY21-24, seeking to monetise public infrastructure and finance new infrastructure spending. The Indian government plans to invest US\$ 1.4 trillion in infrastructure from 2019 to 2023. (Source: ibef.org)

Roads: The Indian road network is the second largest in the world spanning over 6.21 million km covering over 90% of passenger traffic and 64.5% of freight traffic. Since the last few years there has been a significant improvement in the road connectivity across the country. The increasing production of commercial and passenger vehicles catalysed the demand wider and more connected road network. In spite of the Covid-19 crisis and a long lockdown; national highways were constructed at the speed of 29.81 km per day - the fastest in five years. From 2016 to 2019, highway construction reported a CAGR of 21.44%. In the year 2020-21, the government decided to complete all ongoing projects awarded up to 2015-16 and aimed to construct at least 11,000 kms of national highways during the year under review (road projects spanning 55,000 km with an investment outlay of INR 6.26 Lakh Crore are in progress).

The key government initiatives to catalyse the sector comprised the following

- The National Highway Authority of India (NHAI) aims to award 4500 km of projects in FY21
- Ministry of Road Transport and Highways (MoRTH) announced a plan to develop an additional 60,000 kms of national highways in five years.
- Mr. Nitin Gadkari, the Union Minister of Road Transport and Highways, released a financial relief package of INR 8000 Crore to address the working capital requirements of contractors.

The Budgetary 2021-22 provisions comprised the following: allocation of INR 1.18 Lakh Crore for capital expenditure to the Ministry of Road, Transport and Highways; more than 13,000 km of roads worth INR 3.3 Lakh Crore awarded (3,800 km constructed) under the Bharatmala Pariyojana project; five operational roads with an enterprise value of ~INR 5000 Crore are being transferred to the NHAI infrastructure investment trust. (Source: ibef.org, MoRTH Annual Report)

Railways: What makes the Indian railway network special is that it is not just one of the largest managed by a single entity in the world; it is also reinvesting in its network with the objective to replace and renew, an unprecedented opportunity for service providers.

The Indian railways route length is 67,596 kms comprising 13,169 passenger trains carrying over 23 million travelers. About 8479 goods trains transport around 3 million tonnes of freight every single day across 7,349 stations. The breadth of this network implies that even a moderate improvement in network efficiency can have transformative outcomes for users and the nation.

The government announced a slew of projects to improve pan-India connectivity and service while completing projects presently underway. By 2030, investment in railway infrastructure is expected to reach INR 50 Lakh Crore, one of the largest related global opportunities. To attract investments the government allowed 100% FDI in this sector and extended the scope of Public-Private-Partnership (PPP) to station redevelopment, private freight terminals and private container train operations.

Key government initiatives comprised the following: In February 2021, the railway ministry announced 88 projects worth INR 1000 Crore in Karnataka, Kerala, Tamil Nadu, and West Bengal. It also called invited 'Request for Qualification' for the redevelopment of New Delhi railway station at a projected cost of INR 5000 Crore under the public-private partnership model.

Despite the COVID-19 pandemic, during 2020-21 (upto February, 2021), Indian Railways commissioned 1793 km length of new lines, gauge conversion and doubling. Railway electrification across 3003 route km and track renewal across 4099 km was carried out.

The country announced that in 2021, 49 rail projects would be completed, with seven more to follow in the first three months of 2022. These projects would comprise track doubling, gauge conversion and electrification.

Structural reforms in Indian Railways :

Ease of Doing Business

- Empowerment down to Zonal divisions for tenders and procurement contracts
- 100% Digitization of payments to contractors and vendors; payment as per FIFO system
- Letter of Credit for railway suppliers / contractors to help them get working capital
- Online vendors list by RDSO: reduced process time from 30 months to 6 months

Procurement policies

- E-reverse auction for tenders > ₹ 10 crs and works tender
- > ₹50 crs (to save upto ₹ 200 billion p.a.)
- 100% E-procurement through single web-portal (7x rise in vendors registered on railway portal in five years)

Empowering workforce for better governance

- Delegated General Managers to fully approve work
- DRMs power for service contracts elevated to ₹ 100 cr from ₹ 20 cr
- Performance-based appraisal systems for GMs and DRMs
- Rail Development Authority: An independent regulator

Talent development

- National Rail & Transportation University, in Vadodara, started in Sept' 2018 (Rs. 4.2 billion) sanctioned for five years
- Project Saksham: five days on-the-job training to all railway employees

Budgetary provisions 2021-22:

The Finance Minister Nirmala Sitharaman allocated Rs. 1.1 Lakh Crore for Indian Railways to improve infrastructure, out of which INR 1.07 Lakh Crore will be allocated for capital expenditure. Indian Railways announced National Rail Plan for 2030, with the objective of creating capacity before demand. The Finance Minister announced projects based on freight corridors to Vijaywada. By December 2023, 100% broad gauge route electrification will be completed. (Source: Prsindia.org, Ibef.org, Livemint)

Roads and bridges:

The other growing opportunity in India is related to roads and bridges. There is a growing conviction that new roads and bridges are possibly the quickest infrastructure drivers of economic growth. They encourage new settlements to emerge along the road network while bridges make it possible to shorten conventionally long commutes.

In 2020-21, the allocation towards road and bridge construction by the government was INR 48,777 Crore, 6% higher than the revised estimates of 2019-20 (INR 45,897 Crore). Expenditure under roads and bridges includes development of national highways, projects related to expressways, increasing the number of lanes under various projects, and development of road connectivity in left-wing extremism-affected areas.

Growth opportunities

Indian Railways: Highest outlay of INR 2,149 bn for FY22 (Budgeted estimate)

Ongoing Eastern and Western DFCs (2,822 km): ~11mn sleepers opportunity; 3 new freight corridors (5,769 km rail tracks) and ~20 mn sleepers opportunity

Setu Bharatam: Total cost of INR 208 bn to construct 208 ROBs/RUBs. Target to eliminate 2,568 manned level crossings on national routes

Dedicated freight corridors: Construction of 366 bridges, 873 ROBs, 200 RUBs and 54 flyovers

New North East India railway lines: 1,397 km of new lines costing INR 514 bn in progress. All seven State capitals to be connected through the broad gauge network

RRSK: Portion of INR 100 bn earmarked for track renewal. Doubling of tracks across 12,000 km sanctioned; FY22 budget allocation at INR 30 bn. Gauge conversion of 5,000 km sanctioned; FY22 Budget allocation of INR 18 bn.

1.5 Infrastructure and Construction Services

Introduction

Infrastructure sector is a key driver for the Indian economy. The sector is highly responsible for propelling India's overall development and enjoys intense focus from Government for initiating policies that would ensure time-bound creation of world class infrastructure in the country. Infrastructure sector includes power, bridges, dams, roads, and urban infrastructure development.

Market Size

According to the Department for Promotion of Industry and Internal Trade (DPIIT), FDIs in the construction development sector (townships, housing, built up infrastructure and construction development projects) and construction (infrastructure) activities stood at US\$ 25.93 billion and US\$ 23.99 billion, respectively, between April 2000 and December 2020. In FY21, infrastructure activities accounted for 13% share of the total FDI inflows of US\$ 81.72 billion.

Government Initiatives

In Union Budget 2021, the government has given a massive push to the infrastructure sector by allocating ₹ 233,083 crore (US\$ 32.02 billion) to enhance the transport infrastructure. The government expanded the 'National Infrastructure Pipeline (NIP)' to 7,400 projects. ~217 projects worth ₹ 1.10 lakh crore (US\$ 15.09 billion) were completed as of 2020. The key highlights of the Budget 2021 are as follows:

- In May 2021, Minister for Road Transport & Highways and Micro, Small and Medium Enterprises, Mr. Nitin Gadkari stated that the government is giving utmost priority to infrastructure development and has set a target of road construction of worth Rs.15 lakh crore (US\$ 206 billion) in the next two years.
- The Ministry of Railways plans to monetise assets including Eastern and Western Dedicated Freight Corridors after commissioning, induction of 150 modern rakes through PPP, station redevelopment through PPP, railway land parcels, multifunctional complexes (MFC), railway colonies, hill railways and stadiums.
- In March 2021, the government announced a long-term US\$ 82 billion plan to invest in the country's seaports. ~574 projects have been identified, under the Sagarmala project, for implementation through 2035.
- ₹ 1,18,101 crore (US\$ 16.20 billion) has been allocated towards road transport and highway sector.

1.6 Opportunities and Threats, Risks and concerns

The government of India announced larger outlays for infrastructure development. The government announced INR 1.1 Lakh Crore for the Indian Railways to improve infrastructure, INR 1.07 Lakh Crore allocated towards capital expenditure, a growth opportunity for the company.

Road Ahead

The infrastructure sector has become the biggest focus area for the Government of India. India plans to spend US\$ 1.4 trillion on infrastructure during 2019-23 to have a sustainable development of the country. The Government has suggested investment of ₹ 5,00,000 crore (US\$ 750 billion) for railways infrastructure from 2018-30.

India and Japan have joined hands for infrastructure development in India's Northeast states and are also setting up an India-Japan Coordination Forum for Development of Northeast to undertake strategic infrastructure projects for the region.

Risk and Concerns

The risks that can potentially affect the company's performance comprise a decline in the order book, slow receivables, talent attrition, project delivery delays and inability to address customer needs. The company has addressed these realities through a selection of project around a profitable hurdle rate, engagement with large and liquid isomers, talent retention, timely projects completion, sustained engagement with customers to resolve and bring accounts to a completion and investment in an experienced talent pool.

The company's contracts are marked by a price variation formula wherein the company is compensated for an increase or decrease in steel prices.

Presently, the world economy is facing a downturn triggered by the COVID-19 pandemic, which has spread to almost all the countries across the globe. The Infrastructure industry is among one of the badly affected industries due to the contagion-led lockdown and eventual new norms of working. It has also impacted the supply chain and the availability of the workforce. The business is working on identifying different scenarios and preparing contingency plans for each scenario. All necessary measures are being taken to ensure the collection of payments due and to have a hard look at fixed costs and optimize overheads during the lockdown period.

Outlook

The emergence of the second COVID-19 wave dampened outlook for a strong projected rebound in real GDP growth, now estimated at a muted sub-10 per cent in FY 2020-21.

The Company endeavors to sustain its momentum by bidding for larger and more challenging projects not affected by competitive pressure. The Company intends to grow volumes, enhance margins and improve cash flows, the basis of its sustainability. The company invested in advanced technology, skilled talent and time-bound project execution that reinforced its respect and order book, strengthening prospects.

The company intends to capitalise on the expansion of the railway sector in India. It intends to enhance its project execution capabilities, enhance productivity and competitiveness while focusing on liquidity management.

4. Human Resources Development and Industrial Relations:

In 2020-21, with ARSS growing its order book, resource mobilisation for new projects became a key HR imperative. With the growing number of projects, hiring was also done at the leadership levels in the areas of operations, engineering and design to strengthen the quality of project execution. New talent was also inducted at the middle and junior levels. While adequate number of people were hired for effective execution, there were strong budget controls imposed to effectively balance the twin objectives of growth and cost control.

New employee induction and training for the existing employees continued to remain focused on functional, technical and behavioral areas. Safety related training also remained an important area of intervention. With new projects getting awarded and many project managers being new to the ARSS system, an exhaustive induction program covering all functions and processes was developed and implemented. However, the objective of furthering operational efficiencies remained a common thread through these activities. The Company is actively working on developing a culture driven by the collective spirit of experience. Assignment, empowerment and accountability will be the cornerstone of the people led processes.

Since 2020-21 was a year of consolidation, the remuneration and benefits mostly remained unaltered. However, ground work started on rationalising the compensation structure to make it more employees friendly and with a plan to implement the same in coming financial year. Safety related training also remained as one of the primary focus areas. In the area of Project

Management, self and immediate superior's assessments were completed with an objective to roll out appropriate training programmes for the next financial year with special focus on project risk assessment and mitigation.

Labor relations at all work sites and at the headquarters of the Company continued to remain cordial throughout the year. There was no industrial dispute during the year under review.

5. Business Performance :

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members
ARSS Infrastructure Projects Limited
Plot No. 38, Sector A, Zone D,
Mancheswar Industrial Estate,
Bhubaneswar.

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by ARSS Infrastructure Projects Limited, (hereinafter called the company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minutes books, forms, and returns filed and other records maintained by the Company and also the information provided by the company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31st March, 2021 complied with the statutory provisions listed hereunder and also that the company has proper Board-processes listed and compliance –mechanism in place to the extent in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms, and returns filed and other records maintained by ARSS Infrastructure Projects Limited ("the company") for the financial year ended on 31st March, 2021 according to the provisions of

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations 2011
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009
 - (d) The Securities and Exchange Board of India (Issue of Capital (Employee Stock Option Scheme and Employee Stock purchase Scheme) Guidelines, 1999; (Not Applicable during the period under review)

(ii) The new Listing Agreement under SEBI (LODR) Regulations, 2015 entered into by the Company with Bombay Stock Exchange Limited on 2nd day of December, 2015 & National Stock Exchange of India Limited on 2nd day of December, 2015.

During the period under review the company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc., mentioned above except the following :

Regulation 33(3)(d) : The company could not submit the Annual Financial Statements with Stock Exchanges within 60 days of end of Financial Year which was extended upto 31.07.2020 by SEBI due to Pandemic COVID 19. The board meeting was held on 27.08.2020 after a gap of 25 days.

We further report that, there are various pending legal cases by and against the Company, the impact & contingency of which are not reasonably ascertained in our Report.

We further report that, the Amount of OTS pertaining to the loan availed by ARSS-DamohHirapur Tolls Private Limited from Central Bank of India was fully paid by the Company during the year and satisfaction of charge has been filed w.e.f. 11/06/2020 with the Registrar of Companies, Odisha. However the investigation by Central Bureau of Investigation - CBI against ARSS Damoh – Hirapur Tolls Private Limited, its directors and guarantors including ARSS Infrastructure Projects Limited (being corporate guarantor) as per the FIR filed by Central Bank of India is not yet completed.

We further report that, the Company has delayed in depositing statutory dues of GST and filing of GST returns with the Statutory Authorities during the year under review.

We further report that, various petitions by Financial Creditors and Operational Creditors of the Company are filed before National Company Law Tribunal, Cuttack, under various provisions of IBC 2016. Majority cases of Operational Creditors and Financial Creditors have been settled and withdrawn by the petitioners from NCLT. However State Bank of India has withdrawn its OTS proposal because of failure of payments as per schedule. Bank of India have declined the OTS proposal and moved NCLT for initiation of CIRP against the Company. The case is put up for hearing and until it is admitted or disposed off, we are unable to comment on the future of the cases. Another Operational Creditors ATC Logistics Co. and Financial Creditor Kotak Mahindra Bank Limited and Edelweiss Assets Reconstructions Co. Ltd have also moved the NCLT under IBC and pending their hearing, we are unable to comment on the future of the case.

We further report that the Company have received a show cause notice from SEBI on 28.08.2020 on the basis of report of forensic audit conducted by KPMG during April 2015 to March 2017 for misrepresentation including of financials and misuse of funds/ books of accounts and have asked to submit reply within 21 days. The company and Executives along with other Independent directors have filed their reply on 21.11.2020 and 14.12.2020 respectively. Settlement application has been filed with SEBI. However the Settlement application has been rejected by the SEBI. No further Order has been received till date from SEBI.

We further report that the Compounding applications under various provisions of the Companies Act, have been filed with Registrar of Companies and Regional Director, Eastern Regions. The applications are not yet disposed off.

We further report that The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors.

The Directors have complied with the disclosure requirements in respect of their eligibility of appointment, there being independent and compliance with the Code of Business Conduct & Ethics for Directors and Management Personnel;

Report on the Audit of the Standalone Financial Statements

Qualified Opinion

We have audited the accompanying standalone financial statements of **ARSS Infrastructure Projects Limited** ("the Company"), which comprise the Balance Sheet as at March 31st, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("IND AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31st, 2021, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

- a) In absence of relevant records, Contract-wise surplus/loss has neither been ascertained nor recognized in compliance with IND AS-115 'Revenue from contract with customers'.
- b) The company has overdue accumulated secured debts amounting to ₹1613.03 Crores out of which ₹121.03 Crores subject to interest reconciliation from 01.10.2018 and ₹1492.00 Crores subject to reconciliation of interest thereon from 01.07.2016. Banks have classified the accounts as NPA. No interest has been charged on these secured debts to the Profit & Loss account resulting in understatement of loss to that extent and understatement of liability. Secured lenders have served notices on various dates under section 13(2) of Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 for recovery of their dues, Various Secured Lenders have moved to National Company Law Tribunal towards their recovery of dues under Insolvency & Bankruptcy Code, and their application is still pending for acceptance at NCLT Level.
- c) Bank statements of Various Accounts have not been provided to us due to same has been classified as Non-Performing Assets by Respective Banks. So we are unable to ascertain balances and transaction with these banks.
- d) Provision for Employee Terminal Benefits has not been created. There is non- determination of Employee Terminal Benefits on actuarial basis as per Accounting Standard-15. In the absence of the same, the impact thereof on the profit and liabilities of the Company cannot be ascertained.

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the Basis for Qualified Opinion section, we have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter:	How our audit addressed the key audit matter:
<p>1. Claim receivable amounting to ₹133034 Lakhs is under dispute/ arbitration. Same are subject to the outcome of arbitration and/or reconciliation proceedings arising out of various contractual obligations. Recognition and measurement of the same is based on management evaluation. [Refer note to Note 9: Other Financial Assets]</p>	<ul style="list-style-type: none"> ➤ Evaluate the reasonableness of management's assessment and judgement considering the relevant sector and industry specific phenomenon. ➤ Assessed the individual project wise and case wise outstanding claim receivable. ➤ Discussed the status of significant arbitration claims with the Company's in house legal counsel and other senior management personnel and assessing their responses. ➤ Verified documentation of claim receivable under arbitration. ➤ Checked the arithmetical accuracy of the essential calculations of the management estimate and judgement. ➤ Reviewed the adequacy of disclosures made in the financial statements with this regards. ➤ Based on the above procedures performed by us, we considered the management's assessment of recoverability of claims receivable to be reasonable.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Company's Annual Report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- I) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- II) Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- III) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- IV) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- V) Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure-A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

‘Annexure – B’ to the Independent Auditor’s Report

[Referred to in paragraph 2(f) under the heading ‘Report on Other Legal & Regulatory Requirement’ of our report of even date to the standalone financial statements of the Company for the year ended March 31, 2021.]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **M/s. ARSS Infrastructure Projects Limited** (‘the Company’), as of 31st March 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles including Ind AS. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles including Ind AS, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Financial Statements for the year ended 31st March, 2021

1) Company Overview

ARSS infrastructure Projects Limited (the company) is a public limited company incorporated and domiciled in India. The company has its primary listings on the BSE Limited and National Stock Exchange of India Limited, in India. The company is engaged in execution of contracts of various infrastructure projects including road work, bridge work, railway tracking and irrigation projects.

2) SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of preparation

(i) Compliance with Ind AS :

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) ,Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

(ii) Historical cost convention :

The financial statements have been prepared under the historical cost convention, except for the following:

- a) Certain financial assets and liabilities that is measured at fair value;
- b) Net Defined Obligations
- c) Assets held for sale

(iii) Current And Non -Current Classification

All assets and liabilities have been classified as current and non-current as per the company's operating cycle and other criteria set out in the Division II of Schedule III to the Companies Act 2013. The company has ascertained its operating cycle as 12 months for the purpose of current and non-current classifications.

2.2 Property, plant and equipment, Intangible Assets and Capital Work-in-progress

i) Recognition and Measurement

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less accumulated depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the assets's carrying amount or recognized as a separate asset ,as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted as a separate asset is derecognized when replaced. All other repairs and maintainance are charged to profit and loss during the reporting period in which they are incurred.

The cost of Property, plant and equipment not available for use as on each reporting date are disclosed under capital work-in-progress.

ii) Depreciation methods, estimated useful lives and residual value

- a) Depreciation is calculated using the Straight Line Method (SLM) to allocate their cost ,net of their residual values over their estimated useful life. The useful life has been determined based on the technical evaluation done by the independent experts.
- b) Any asset whose aggregate actual cost does not exceed five thousand rupees has been fully charged off in the year of addition.
- c) The residual values are not more than 3% (in case of vehicles) and 5% (in fixed assets other than vehicles) of the original cost of the assets. The assets's residual values and useful life are reviewed and adjusted at the end of each reporting period.

- d) Depreciation on assets purchased/acquired during the year is charged from the date of purchase of the assets. Assets that are acquired during the year are depreciated on pro rata basis from the date of such addition or, as the case may be, upto the date on which such assets has been derecognized.
- e) An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.
- f) Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/(losses).
- g) Leasehold land has been amortized over corresponding lease period.

2.3 Revenue recognition :

The company account for revenue from a contract with a customer only when all of the following criteria are met:

- i) the parties to the contract have approved the contract (in writing, orally or in accordance with other customary business practices) and are committed to perform their respective obligations;
- ii) the company can identify each party's rights regarding the goods or services to be transferred;
- iii) the company can identify the payment terms for the goods or services to be transferred;
- iv) the contract has commercial substance (i.e. the risk, timing or amount of the entity's future cash flows is expected to change as a result of the contract); and.
- v) it is probable that the entity will collect the consideration to which it will be entitled in exchange for the goods or services that will be transferred to the customer.

2.4 Other Incomes

- i) Insurance claims has been recognized as revenue on cash basis.
- ii) Dividends shall be recognised as revenue when the shareholder's right to receive payment is established.
- iii) Interest shall be recognised as revenue using the effective interest method as set out in Ind AS 109.
- iv) Revenue other than above is recognised only when it is probable that the economic benefits associated with the transaction will flow to the entity. However, when an uncertainty arises about the collectibility of an amount already included in revenue, the uncollectible amount or the amount in respect of which recovery has ceased to be probable is recognised as an expense, rather than as an adjustment of the amount of revenue originally recognised.

2.5 Inventories :

Raw materials,Stores and spares,Semi-finished goods, traded and finished goods

Inventories are valued as under –

- i) Raw materials, Stores spares, loose tools and Erection materials are valued at cost or net realisable value;
- ii) Finished goods are stated at lower of Cost or Net Realisable Value; and
- iii) Saleable scraps, whose cost is not identifiable, are valued at estimated realisable value.
- iv) Cost of raw materials and stores comprises cost of purchase. Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition.
- v) Net realizable value is the estimated selling price in the ordinary course of business after deduction of the estimated cost of completion and the estimated costs necessary to make the sale.

2.6 Financial Instruments

Financial assets and liabilities are recognized when the company becomes a party to the contractual provisions of the instrument.

Financial Assets

(i) Trade Receivables

Trade Receivables are recognized initially at fair value and subsequently measured at amortized costs less provisions for impairment.

(ii) Other Financial Assets

a) Classifications

The company classifies its financial assets into the following categories:

#Those to be measured subsequently at fair value (either through other comprehensive income or through profit and loss)

#Those measured at amortized costs

The classification depends upon the business model for managing the financial assets and contractual characteristics of the cash flows.

b) Measurements

Initial Recognition:

Financial assets are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets (other than financial assets at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial assets. The transaction costs directly attributable to the acquisition of financial assets at fair value through profit or loss are immediately recognized in profit or loss.

Subsequent Measurement:

There are three subsequent measurement categories into which the company classifies its debt instrument financial assets:

measured at amortized cost

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business whose objective is to hold these assets to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flow that are solely payments of principal and interest on the principal amount outstanding.

measured at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income, if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows on specified dates that are solely payments of principal and interest on the principal amount outstanding and selling financial assets.

measured at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless it is measured at amortized cost or fair value through other comprehensive income on initial recognition.

Equity instruments :

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Equity instruments are recognized at the proceeds received net of direct issue cost.

All equity instruments classified under financial assets are subsequently measured at fair value. The company has made an irrevocable election at the time of initial recognition to account for the equity instrument at fair value through other comprehensive income.

c) Impairment of Financial Assets :

The company assesses on forward looking basis the expected credit losses associated with its assets carried at amortized costs. The impairment methodology applied depends on whether there has been a significant increase in credit risks.

For trade receivables only, the company applies the simplified approach permitted by Ind AS 109, "Financial Instruments," which requires expected life time losses to be recognized from initial recognition of the receivables.

d) Derecognition of Financial Assets :

A financial assets is derecognized only when :

The company has transferred the rights to receive cash flows from the financial assets or

retains the contractual rights to receive the cash flows of the financial assets but assumes a contractual obligation to pay the cash flows to one or more recipients.

2.7 Financial Liabilities**i) Borrowings :**

- a) Borrowings are initially recognized at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortized cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in profit or loss over the period of the borrowings using the effective interest method.
- b) Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gains/(losses).
- c) Borrowings are classified as current liabilities unless the entity has an unconditional right to defer, settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

ii) Trade and other payables :

These amounts represent liabilities for goods and services provided to the entity prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 45 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortized cost using the effective interest method.

iii) Other Financial Liabilities

Financial liabilities are measured at amortized cost using effective interest method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the statement of profit and loss.

Interest bearing loans and borrowings are subsequently measured at amortized cost using effective interest rate method. Gain and losses are recognized in profit and loss when the liabilities are derecognized.

iv) Offsetting of Financial Instruments:

A financial asset and a financial liability shall be offset and the net amount shall be presented in the balance sheet when, and only when, an entity:

- (a) currently has a legally enforceable right to set off the recognised amounts; and
- (b) intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

2.8 Employee benefits :

(i) Short-term employee benefit obligations

Liabilities for wages and salaries, including non-monetary benefits, that are expected to be settled wholly within 12 months, after the end of the period, in which the employees render the related service, are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

All Short term employee benefits such as salaries, incentives, special award, medical benefits which fall due within 12 months of the period in which the employee renders related services, which entitles him to avail such benefits and non accumulating compensated absences (like maternity leave and sick leave) are recognized on an undiscounted basis and charged to Profit and Loss Statement.

(ii) Post-employment obligations

The entity operates the following post-employment schemes:

- (a) defined benefit plans such as gratuity, Super annuation and
- (b) defined contribution plans such as provident fund.

Provident fund obligations

Contribution to the provident fund, which is a defined contribution plan, made to the Regional Provident Fund Commissioner is charged to the Profit and loss Statement on accrual basis.

Gratuity obligations

The liability or assets recognized in the balance sheet in respect of defined benefit gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligations denominated in INR is determined by discounting the estimated future cash flows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the term of related obligations.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expenses in statement of profit and loss.

Re-measurements gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

2.9 Foreign currency translation :

(i) Functional and presentation currency

Each items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is functional and presentation currency.

(ii) Transactions and balances

Foreign currency transactions i.e. Revenue, expense and cash-flow items denominated in foreign currencies are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss.

Non monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. Translation differences on assets and liabilities carried at fair value are reported as part of fair value gain or loss.

2.10 Income tax :

- i. The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.
- ii. The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the company and its subsidiaries and associates operate and generate taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.
- iii. Current income tax expense comprises taxes on income from operations in India and is determined in accordance with the provisions of the Income Tax Act, 1961. Minimum Alternate Tax (MAT) is paid in accordance with the tax laws, which gives rise to future economic benefits in the form of tax credit against future income tax liability. The company offsets on a year on basis, the current tax assets and liabilities, where it intends to settle such assets and liabilities on a net basis. The current tax expense recognized in the financial statements is net off MAT credit utilized during the period.
- iv. Deferred income tax is provided in full, using the balance sheet approach, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognized if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.
- v. Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.
- vi. Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.
- vii. Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

2.11 Cash and cash equivalents :

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of twelve months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts.

2.12 Borrowing costs :

- i) General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.
- ii) Other borrowing costs are expensed in the period in which they are incurred.

2.13 Provisions & Contingent Liabilities:

- i) A provision is recognized if, as a result of a past event, the Company has a present legal obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by the best estimate of the outflow of economic benefits required to settle the obligation at the reporting date. Where no reliable estimate can be made, a disclosure is made as contingent liability. Contingent assets are not recognized.

- ii) Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

2.14 Contributed equity :

i) Equity:

Equity shares are classified as equity.

Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

ii) Dividends :

Provisions is made for any amount of dividend declared , being appropriately authorized and no longer at the discretion of the entity, on or before the end of reporting period but not distributed at the end of the reporting period.

2.15 Earning Per Share

i) Basic Earning Per Share

Basic Earning Per Share is calculated by dividing the profit attributable to owners of the company by the weighted average number of equity shares outstanding during the financial year.

ii) Diluted Earning Per Share

Diluted Earning Per Share adjusts the figures used in the determination of the basic earning per share to take into account the after income tax effect of interests or other finance costs associated with the dilutive potential equity shares and the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

2.16 Segment Reporting

Ind AS 108 establishes standards for the way that public business enterprises report information about operating segments and related disclosures about products and services, geographic areas, and major customers. The Company's operations predominantly relate to providing end-to-end business solutions to enable clients to enhance business performance. Based on the "management approach" as defined in Ind AS 108, the Chief Operating Decision Maker (CODM) evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments. Accordingly, information has been presented both along business segments and geographic segments. The accounting principles used in the preparation of the financial statements are consistently applied to record revenue and expenditure in individual segments, and are as set out in the significant accounting policies.

Revenue and identifiable operating expenses in relation to segments are categorized based on items that are individually identifiable to that segment. Revenue for "all other segments" represents revenue generated from customers located in India. Allocated expenses of segments include expenses incurred for rendering services. Certain expenses such as depreciation, which form a significant component of total expenses, are not specifically allocable to specific segments as the underlying assets are used interchangeably. Management believes that it is not practical to provide segment disclosures relating to those costs and expenses, and accordingly these expenses are separately disclosed as "unallocated" and adjusted against the total income of the Company.

Assets and liabilities used in the Company's business are not identified to any of the reportable segments, as these are used interchangeably between segments. Management believes that it is currently not practicable to provide segment disclosures relating to total assets and liabilities since a meaningful segregation of the available data is onerous.

Geographical information on revenue and business segment revenue information is collected based on individual customers invoiced or in relation to which the revenue is otherwise recognized.

2.17 Rounding of amounts :

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Lakhs as per the requirement of Division II of Schedule III to the Act, unless otherwise stated.

3) Recent Accounting Pronouncement :**Accounting Pronouncement Issued but not effective :****i) Ind AS 116 Leases :**

On March 31, 2019, Ministry of Corporate Affairs has notified Ind AS 116, Leases. Ind AS 116 will replace the existing leases Standard, Ind AS 17 Leases, and related Interpretations. The Standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than twelve months, unless the underlying asset is of low value. Currently, operating lease expenses are charged to the statement of Profit & Loss. The Standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17.

The effective date for adoption of Ind AS 116 is annual periods beginning on or after April 1, 2019.

On completion of evaluation of the effect of adoption of Ind AS 116, the Company is proposing to use the 'Modified Retrospective Approach' for transitioning to Ind AS 116, and take the cumulative adjustment to retained earnings, on the date of initial application (April 1, 2019). Accordingly, comparatives for the year ended March 31, 2019 will not be retrospectively adjusted. The Company has elected certain available practical expedients on transition.

ii) Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments:

On March 31, 2019, Ministry of Corporate Affairs has notified Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments which is to be applied while performing the determination of taxable profit (or loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. According to the appendix, companies need to determine the probability of the relevant tax authority accepting each tax treatment, or group of tax treatments, that the companies have used or plan to use in their income tax filing which has to be considered to compute the most likely amount or the expected value of the tax treatment when determining taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates.

The standard permits two possible methods of transition - i) Full retrospective approach – Under this approach, Appendix C will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors, without using hindsight and ii) Retrospectively with cumulative effect of initially applying Appendix C recognized by adjusting equity on initial application, without adjusting comparatives.

The effective date for adoption of Ind AS 12 Appendix C is annual periods beginning on or after April 1, 2019. The Company will adopt the standard on April 1, 2019 and has decided to adjust the cumulative effect in equity on the date of initial application i.e. April 1, 2019 without adjusting comparatives.

The effect on adoption of Ind AS 12 Appendix C would be insignificant in the standalone financial statements.

iii) Amendment to Ind AS 12 – Income taxes

On March 31, 2019, Ministry of Corporate Affairs issued amendments to the guidance in Ind AS 12, 'Income Taxes'; in connection with accounting for dividend distribution taxes. The amendment clarifies that an entity shall recognise the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events.

Effective date for application of this amendment is annual period beginning on or after April 1, 2019. The Company is currently evaluating the effect of this amendment on the standalone financial statements.

iv) Amendment to Ind AS 19 – plan amendment, curtailment or settlement-

On March 31, 2019, Ministry of Corporate Affairs issued amendments to Ind AS 19, 'Employee Benefits'; in connection with accounting for plan amendments, curtailments and settlements.

The amendments require an entity:

- to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement; and
- to recognise in profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognised because of the impact of the asset ceiling.

Effective date for application of this amendment is annual period beginning on or after April 1, 2019. The Company does not have any impact on account of this amendment.

4) **Critical Estimates and Judgements:**

i) **Use of Estimates :**

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates, judgements and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed below. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

ii) **Critical Accounting Estimates :**

a) **Property, plant and equipment**

Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful life and residual values of company's assets are determined by management at the time the asset is acquired and reviewed periodically, including at each financial year end. The life is based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

b) **Income Taxes :**

The Company's major tax jurisdictions is India . Significant judgements are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

c) **Defined benefit obligation**

The cost of the defined benefit plans and the present value of the defined benefit obligation are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

d) **Impairment of trade receivables**

The company estimates the uncollectibility of accounts receivables by analysing historical payment patterns, customer concentrations, customer credit worthiness and current economic trends. If the financial condition of customer deteriorates, additional allowances may be required.

NOTE 41 : Risk exposure of Defined Benefits Obligations

Through its defined benefit plans, the company is exposed to a number of risks, the most significant of which are detailed below:

Asset volatility :

The plan liabilities are calculated using a discount rate set with reference to bond yields; if plan assets underperform this yield, this will create a deficit. Most of the plan asset investments is maintained with LIC India. These are subject to interest rate risk and the fund manages interest rate risk to minimize risk to an acceptable level.

Changes in Bond yields :

A decrease in bond yields will increase plan liabilities, although this will be partially offset by an increase in the value of the plan funds maintained with the SBI Life.

Inflation risks :

In the gratuity plans, the payment are not linked to inflation, so there is less material risk.

(ii) Fair value hierarchy:

This section explains the judgments and estimates made in determining the fair values of the financial instruments that are

- (a) recognized and measured at fair value, and
- (b) measured at amortized cost and for which fair values are disclosed in the financial statements.

To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into three levels prescribed under the Ind AS 113 "Fair Value Measurements". An explanation of each level follows underneath the table.

Financial assets and liabilities measured at fair value - recurring fair value measurements At March 31, 2021	Level 1	Level 2	Level 3	Total

Total	-	-	-	-

Level 1 : This hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments and mutual funds that have quoted price. The fair value of all equity instruments(including bonds) which are traded in the stock exchange is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2 : Fair value of financial instruments that are not traded in an active market (for example, traded bonds, over the counter derivatives) is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument as observable, the instrument is included in level 2.

Level 3 : If one or more of the significant inputs is not based on observable data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification assets.

(iii) As per Ind AS 107 "Financial Instrument: Disclosure", fair value disclosures are not required when the carrying amounts reasonably approximate the fair value. Accordingly fair value disclosures have not been made for the following financial instruments:-

1. Trade receivables
2. Cash and cash Equivalent
3. Loans
4. Borrowings
5. Trade payables
6. Capital creditors
7. Other payables

Note No. 53 : Financial risk management

The company's few portion of activities are exposed to variety of financial risks i.e. market risk, credit risk and liquidity risk. The company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk :

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, trade receivables and other financial instruments, financial assets measured at amortized cost.	Ageing analysis Credit rating	Diversification of bank deposits, credit limits and letters of credit
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities

(A) Credit risk

Credit risk refers to the risk of default on its obligation by the counter party resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is primarily trade receivables from customers other than government entities. These Trade receivables are typically unsecured and are derived from revenue earned from domestic and foreign customers. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the company grants credit terms in the normal course of business. On account of adoption of Ind AS 109, the company uses expected credit loss model to assess impairment loss or gain. the company uses a matrix to compute the expected credit loss allowance for trade receivable .

Credit risk management

Credit risk is managed on instrument basis. For Banks and financial institutions ,only high rated banks /institutions are accepted. For other financial instruments, the company assesses and maintains an internal credit rating system. The finance function consists of a separate team who assess and maintain internal credit rating system.

(B) Liquidity Risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, the company treasury maintains flexibility in funding by maintaining availability under committed credit lines.

Management monitors rolling forecasts of the company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows. This is generally carried out at local level in accordance with practice and limits set by the company. These limits vary by locations to take into account the liquidity of the market in which the entity operates. In addition, the company's liquidity management policy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

Note No. 54: Capital management

(a) Risk management

The company's objectives when managing capital are to;

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and
- maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the company may adjust the amount of dividends paid to shareholders,

return on capital to shareholders or issue new shares. The company monitors capital using gearing ratio, which is net debt divided by total Equity. Net debt comprises of long term and short term borrowings less cash and bank balances. Equity includes equity share capital and reserves that are managed as capital. The gearing at the end of reporting period was as follows:

(INR in Lakhs)

Particulars	As at 31 st March, 2021	As at 31 st March, 2020

Recognition of Corporate Guarantee as Financial Liability

Financial guarantee is a contractual right of the lender to receive cash from the guarantor, and a corresponding contractual obligation of the guarantor to pay the lender, if the borrower defaults. The contractual right and obligation exist because of a past transaction or event (assumption of the guarantee), even though the lender's ability to exercise its right and the requirement for the guarantor to perform under its obligation are both contingent on a future act of default by the borrower. A contingent right and obligation meet the definition of a financial asset and a financial liability, even though such assets and liabilities are not always recognized in the financial statements. Based on the measurement principles laid down under Ind AS 109 "Financial Instrument :Recognition and Measurement", the fair value of all those financial guarantee contracts reasonable below to the materiality threshold limit set by the company. Accordingly the entity has made appropriate disclosure in Note 54 without additionally recognizing any financial assets or liability.

- g) Provision for Employee Terminal Benefits has not been created. There is non- determination of Employee Terminal Benefits on actuarial basis as per Accounting Standard-15. In the absence of the same, the impact thereof on the profit and liabilities of the Company cannot be ascertained.

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the

consolidated Financial Statements section of our report. We are independent of the group, its associates and jointly controlled entities in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the Basis for Qualified Opinion section, we have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter:	How our audit addressed the key audit matter:
1. Claim receivable amounting to ₹133034 Lakhs is under dispute/ arbitration. Same are subject to the outcome of arbitration and/or reconciliation proceedings arising out of various contractual obligations. Recognition and measurement of the same is based on management evaluation. [Refer note to Note 9: Other Financial Assets]	<ul style="list-style-type: none"> ➤ Evaluate the reasonableness of management's assessment and judgement considering the relevant sector and industry specific phenomenon. ➤ Assessed the individual project wise and case wise outstanding claim receivable. ➤ Discussed the status of significant arbitration claims with the Company's in house legal council and other senior management personnel and assessing their responses. ➤ Verified documentation of claim receivable under arbitration. ➤ Checked the arithmetical accuracy of the essential calculations of the management estimate and judgement. ➤ Reviewed the adequacy of disclosures made in the financial statements with this regards. ➤ Based on the above procedures performed by us, we considered the management's assessment of recoverability of claims receivable to be reasonable.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Company's Annual Report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the state of affairs, consolidated financial position, consolidated profit or loss, consolidated financial performance including consolidated other comprehensive income, consolidated changes in equity and consolidated cash flows of the group in accordance with the accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation

and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective board of directors of the company included in the group are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the group or to cease operations, or has no realistic alternative but to do so.

Those respective Board of Directors are also responsible for overseeing the Financial reporting process of the group.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- I) Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- II) Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its subsidiary which are incorporated in India has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- III) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- IV) Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the group ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the group to cease to continue as a going concern.
- V) Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- VI) Obtain sufficient appropriate audit evidence regarding the financial information of the entity or business activities of the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure-A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained, except for the matter described in the sub para 'a' to 'g' of the 'Basis for Qualified Opinion' paragraph above, all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) Except for the possible effect of the matter described in the 'Basis for Qualified Opinion' paragraph above, in our opinion, proper books of account as required by law relating to preparation of the consolidated statement have been kept by the Company so far as it appears from our examination of those books.
 - (c) The consolidated Balance Sheet, the consolidated Statement of Profit and Loss and the consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) Except for the possible effect of the matter described in the 'Basis for Qualified Opinion' paragraph above, in our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors of the company and its subsidiaries incorporated in India and reports of the statutory auditors of the subsidiary company incorporated in India, none of the directors of group incorporated in India is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and its subsidiary company incorporated in India and the operating effectiveness of such controls, refer to our separate Report in "Annexure-A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial control over financial reporting of those companies, for reasons stated therein.
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its consolidated financial position in its financial statements – Refer Note 9 and Note 57 to the consolidated financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company and its subsidiaries incorporated in India.
3. With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act; in our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act.

‘Annexure – A’ to the Independent Auditor’s Report

[Referred to in paragraph 2(f) under the heading ‘Report on Other Legal & Regulatory Requirement’ of our report of even date to the consolidated financial statements of the Company for the year ended March 31, 2021.]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2021, We have audited the internal financial controls over financial reporting of **M/s. ARSS Infrastructure Projects Limited** (‘the Company’), and its subsidiary company which are incorporated in India as of 31st March 2021.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the company and its subsidiary Companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and its subsidiary companies, which are companies incorporated in India based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Internal financial controls system over financial reporting of the Company and its subsidiary companies, which are companies incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles including Ind AS. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles including Ind AS, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Consolidated Financial Statements for the year ended 31st March,2021

1) Company Overview

ARSS infrastructure Projects Limited (the company) is a public limited company incorporated and domiciled in India. The company has its primary listings on the BSE Limited and National Stock Exchange of India Limited, in India. The company is engaged in execution of contracts of various infrastructure projects including road work, bridge work, railway tracking and irrigation projects.

2) SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of preparation

(i) Compliance with Ind AS :

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) ,Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

(ii) Historical cost convention :

The financial statements have been prepared under the historical cost convention, except for the following:

- a) Certain financial assets and liabilities that is measured at fair value;
- b) Net Defined Obligations
- c) Assets held for sale

(iii) Current And Non -Current Classification

All assets and liabilities have been classified as current and non-current as per the company's operating cycle and other criteria set out in the Division II of Schedule III to the Companies Act 2013. The company has ascertained its operating cycle as 12 months for the purpose of current and non-current classifications.

2.2 Property, plant and equipment, Intangible Assets and Capital Work-in-progress

i) Recognition and Measurement

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less accumulated depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the assets's carrying amount or recognized as a separate asset ,as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted as a separate asset is derecognized when replaced. All other repairs and maintainance are charged to profit and loss during the reporting period in which they are incurred.

The cost of Property,plant and equipment not available for use as on each reporting date are disclosed under capital work-in-progress.

ii) Depreciation methods, estimated useful lives and residual value

- a) Depreciation is calculated using the Straight Line Method (SLM) to allocate their cost ,net of their residual values over their estimated useful life. The useful life has been determined based on the technical evaluation done by the independent experts.
- b) Any asset whose aggregate actual cost does not exceed five thousand rupees has been fully charged off in the year of addition.
- c) The residual values are not more than 3% (in case of vehicles) and 5% (in fixed assets other than vehicles) of the original cost of the assets. The assets's residual values and useful life are reviewed and adjusted at the end of each reporting period.
- d) Depreciation on assets purchased/acquired during the year is charged from the date of purchase of the assets.

Assets that are acquired during the year are depreciated on pro rata basis from the date of such addition or, as the case may be, upto the date on which such assets has been derecognized.

- e) An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.
- f) Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/(losses).
- g) Leasehold land has been amortized over corresponding lease period.

2.3 Revenue recognition :

The company account for revenue from a contract with a customer only when all of the following criteria are met:

- i) the parties to the contract have approved the contract (in writing, orally or in accordance with other customary business practices) and are committed to perform their respective obligations;
- ii) the company can identify each party's rights regarding the goods or services to be transferred;
- iii) the company can identify the payment terms for the goods or services to be transferred;
- iv) the contract has commercial substance (i.e. the risk, timing or amount of the entity's future cash flows is expected to change as a result of the contract); and.
- v) it is probable that the entity will collect the consideration to which it will be entitled in exchange for the goods or services that will be transferred to the customer.

2.4 Other Incomes

- i) Insurance claims has been recognized as revenue on cash basis.
- ii) Dividends shall be recognised as revenue when the shareholder's right to receive payment is established.
- iii) Interest shall be recognised as revenue using the effective interest method as set out in Ind AS 109.
- iv) Revenue other than above is recognised only when it is probable that the economic benefits associated with the transaction will flow to the entity. However, when an uncertainty arises about the collectibility of an amount already included in revenue, the uncollectible amount or the amount in respect of which recovery has ceased to be probable is recognised as an expense, rather than as an adjustment of the amount of revenue originally recognised.

2.5 Inventories :

Raw materials, Stores and spares, Semi-finished goods, traded and finished goods

Inventories are valued as under –

- i) Raw materials, Stores spares, loose tools and Erection materials are valued at cost or net realisable value;
- ii) Finished goods are stated at lower of Cost or Net Realisable Value; and
- iii) Saleable scraps, whose cost is not identifiable, are valued at estimated realisable value.
- iv) Cost of raw materials and stores comprises cost of purchase. Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition.
- v) Net realizable value is the estimated selling price in the ordinary course of business after deduction of the estimated cost of completion and the estimated costs necessary to make the sale.

2.6 Financial Instruments

Financial assets and liabilities are recognized when the company becomes a party to the contractual provisions of the instrument.

Financial Assets

(i) Trade Receivables

Trade Receivables are recognized initially at fair value and subsequently measured at amortized costs less provisions for impairment.

(ii) Other Financial Assets

a) Classifications

The company classifies its financial assets into the following categories:

#Those to be measured subsequently at fair value (either through other comprehensive income or through profit and loss)

#Those measured at amortized costs

The classification depends upon the business model for managing the financial assets and contractual characteristics of the cash flows.

b) Measurements

Initial Recognition:

Financial assets are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets (other than financial assets at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial assets. The transaction costs directly attributable to the acquisition of financial assets at fair value through profit or loss are immediately recognized in profit or loss.

Subsequent Measurement:

There are three subsequent measurement categories into which the company classifies its debt instrument financial assets:

measured at amortized cost

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business whose objective is to hold these assets to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flow that are solely payments of principal and interest on the principal amount outstanding.

measured at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income, if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows on specified dates that are solely payments of principal and interest on the principal amount outstanding and selling financial assets.

measured at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless it is measured at amortized cost or fair value through other comprehensive income on initial recognition.

Equity instruments :

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Equity instruments recognised at the proceeds received net off direct issue cost.

All equity instruments classified under financial assets are subsequently measured at fair value. The company has made an irrevocable election at the time of initial recognition to account for the equity instrument at fair value through other comprehensive income.

c) Impairment of Financial Assets :

The company assesses on forward looking basis the expected credit losses associated with its assets carried at amortized costs. The impairment methodology applied depends on whether there has been a significant increase in credit risks.

For trade receivables only, the company applies the simplified approach permitted by Ind AS 109, "Financial Instruments," which requires expected life time losses to be recognized from initial recognition of the receivables.

d) Derecognition of Financial Assets :

A financial assets is derecognized only when :

The company has transferred the rights to receive cash flows from the financial assets or retains the contractual rights to receive the cash flows of the financial assets but assumes a contractual obligation to pay the cash flows to one or more recipients.

2.7 Financial Liabilities**i) Borrowings :**

- a) Borrowings are initially recognized at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortized cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in profit or loss over the period of the borrowings using the effective interest method.
- b) Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gains/(losses).
- c) Borrowings are classified as current liabilities unless the entity has an unconditional right to defer, settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

ii) Trade and other payables :

These amounts represent liabilities for goods and services provided to the entity prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 45 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortized cost using the effective interest method.

iii) Other Financial Liabilities

Financial liabilities are measured at amortized cost using effective interest method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the statement of profit and loss.

Interest bearing loans and borrowings are subsequently measured at amortized cost using effective interest rate method. Gain and losses are recognized in profit and loss when the liabilities are derecognized.

iv) Offsetting of Financial Instruments:

A financial asset and a financial liability shall be offset and the net amount shall be presented in the balance sheet when, and only when, an entity:

- (a) currently has a legally enforceable right to set off the recognised amounts; and
- (b) intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

2.8 Employee benefits :**(i) Short-term employee benefit obligations**

Liabilities for wages and salaries, including non-monetary benefits, that are expected to be settled wholly within 12 months, after the end of the period, in which the employees render the related service, are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

All Short term employee benefits such as salaries, incentives, special award, medical benefits which fall due within 12 months of the period in which the employee renders related services, which entitles him to avail such benefits and non accumulating compensated absences (like maternity leave and sick leave) are recognized on an undiscounted basis and charged to Profit and Loss Statement.

(ii) Post-employment obligations

The entity operates the following post-employment schemes:

- (a) defined benefit plans such as gratuity, Super annuation and
- (b) defined contribution plans such as provident fund.

Provident fund obligations

Contribution to the provident fund, which is a defined contribution plan, made to the Regional Provident Fund Commissioner is charged to the Profit and loss Statement on accrual basis.

Gratuity obligations

The liability or assets recognized in the balance sheet in respect of defined benefit gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligations denominated in INR is determined by discounting the estimated future cash flows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the term of related obligations.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expenses in statement of profit and loss.

Re-measurements gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

2.9 Foreign currency translation :

(i) Functional and presentation currency

Each items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is functional and presentation currency.

(ii) Transactions and balances

Foreign currency transactions i.e. Revenue, expense and cash-flow items denominated in foreign currencies are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss.

Non monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. Translation differences on assets and liabilities carried at fair value are reported as part of fair value gain or loss.

2.10 Income tax :

- i. The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.
- ii. The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the company and its subsidiaries and associates operate and generate taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

- iii. Current income tax expense comprises taxes on income from operations in India and is determined in accordance with the provisions of the Income Tax Act, 1961. Minimum Alternate Tax (MAT) is paid in accordance with the tax laws, which gives rise to future economic benefits in the form of tax credit against future income tax liability. The company offsets on a year on basis, the current tax assets and liabilities, where it intends to settle such assets and liabilities on a net basis. The current tax expense recognized in the financial statements is net off MAT credit utilized during the period.
- iv. Deferred income tax is provided in full, using the balance sheet approach, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognized if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.
- v. Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.
- vi. Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.
- vii. Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

2.11 Cash and cash equivalents :

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of twelve months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts.

2.12 Borrowing costs :

- i) General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.
- ii) Other borrowing costs are expensed in the period in which they are incurred.

2.13 Provisions & Contingent Liabilities:

- i) A provision is recognized if, as a result of a past event, the Company has a present legal obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by the best estimate of the outflow of economic benefits required to settle the obligation at the reporting date. Where no reliable estimate can be made, a disclosure is made as contingent liability. Contingent assets are not recognized.
- ii) Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

2.14 Contributed equity :

i) Equity:

Equity shares are classified as equity.

Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

ii) Dividends :

Provisions is made for any amount of dividend declared , being appropriately authorized and no longer at the discretion of the entity, on or before the end of reporting period but not distributed at the end of the reporting period.

2.15 Earning Per Share

i) Basic Earning Per Share

Basic Earning Per Share is calculated by dividing the profit attributable to owners of the company by the weighted average number of equity shares outstanding during the financial year.

ii) Diluted Earning Per Share

Diluted Earning Per Share adjusts the figures used in the determination of the basic earning per share to take into account the after income tax effect of interests or other finance costs associated with the dilutive potential equity shares and the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

2.16 Segment Reporting

Ind AS 108 establishes standards for the way that public business enterprises report information about operating segments and related disclosures about products and services, geographic areas, and major customers. The Company's operations predominantly relate to providing end-to-end business solutions to enable clients to enhance business performance. Based on the "management approach" as defined in Ind AS 108, the Chief Operating Decision Maker (CODM) evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments. Accordingly, information has been presented both along business segments and geographic segments. The accounting principles used in the preparation of the financial statements are consistently applied to record revenue and expenditure in individual segments, and are as set out in the significant accounting policies.

Revenue and identifiable operating expenses in relation to segments are categorized based on items that are individually identifiable to that segment. Revenue for "all other segments" represents revenue generated from customers located in India. Allocated expenses of segments include expenses incurred for rendering services. Certain expenses such as depreciation, which form a significant component of total expenses, are not specifically allocable to specific segments as the underlying assets are used interchangeably. Management believes that it is not practical to provide segment disclosures relating to those costs and expenses, and accordingly these expenses are separately disclosed as "unallocated" and adjusted against the total income of the Company.

Assets and liabilities used in the Company's business are not identified to any of the reportable segments, as these are used interchangeably between segments. Management believes that it is currently not practicable to provide segment disclosures relating to total assets and liabilities since a meaningful segregation of the available data is onerous.

Geographical information on revenue and business segment revenue information is collected based on individual customers invoiced or in relation to which the revenue is otherwise recognized.

2.17 Rounding of amounts :

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Lakhs as per the requirement of Division II of Schedule III to the Act, unless otherwise stated.

3) Recent Accounting Pronouncement :

Accounting Pronouncement Issued but not effective :

i) Ind AS 116 Leases :

"On March 31, 2019, Ministry of Corporate Affairs has notified Ind AS 116, Leases. Ind AS 116 will replace the existing leases Standard, Ind AS 17 Leases, and related Interpretations. The Standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for

all leases with a term of more than twelve months, unless the underlying asset is of low value. Currently, operating lease expenses are charged to the statement of Profit & Loss. The Standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17. The effective date for adoption of Ind AS 116 is annual periods beginning on or after April 1, 2019. On completion of evaluation of the effect of adoption of Ind AS 116, the Company is proposing to use the 'Modified Retrospective Approach' for transitioning to Ind AS 116, and take the cumulative adjustment to retained earnings, on the date of initial application (April 1, 2019). Accordingly, comparatives for the year ended March 31, 2019 will not be retrospectively adjusted. The Company has elected certain available practical expedients on transition."

ii) Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments:

"On March 31, 2019, Ministry of Corporate Affairs has notified Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments which is to be applied while performing the determination of taxable profit (or loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. According to the appendix, companies need to determine the probability of the relevant tax authority accepting each tax treatment, or group of tax treatments, that the companies have used or plan to use in their income tax filing which has to be considered to compute the most likely amount or the expected value of the tax treatment when determining taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates. The standard permits two possible methods of transition - i) Full retrospective approach – Under this approach, Appendix C will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors, without using hindsight and ii) Retrospectively with cumulative effect of initially applying Appendix C recognized by adjusting equity on initial application, without adjusting comparatives. The effective date for adoption of Ind AS 12 Appendix C is annual periods beginning on or after April 1, 2019. The Company will adopt the standard on April 1, 2019 and has decided to adjust the cumulative effect in equity on the date of initial application i.e. April 1, 2019 without adjusting comparatives. The effect on adoption of Ind AS 12 Appendix C would be insignificant in the Consolidated financial statements."

iii) Amendment to Ind AS 12 – Income taxes

"On March 31, 2019, Ministry of Corporate Affairs issued amendments to the guidance in Ind AS 12, 'Income Taxes,' in connection with accounting for dividend distribution taxes. The amendment clarifies that an entity shall recognise the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events. Effective date for application of this amendment is annual period beginning on or after April 1, 2019. The Company is currently evaluating the effect of this amendment on the Consolidated financial statements."

iv) Amendment to Ind AS 19 – plan amendment, curtailment or settlement-

"On March 31, 2019, Ministry of Corporate Affairs issued amendments to Ind AS 19, 'Employee Benefits,' in connection with accounting for plan amendments, curtailments and settlements. The amendments require an entity:

- to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement; and
- to recognise in profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognised because of the impact of the asset ceiling. Effective date for application of this amendment is annual period beginning on or after April 1, 2019. The Company does not have any impact on account of this amendment."

4) Critical Estimates and Judgements:

i) Use of Estimates :

"The preparation of the financial statements in conformity with Ind AS requires the management to make estimates, judgements and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed below. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

ii) Critical Accounting Estimates :**a) Property, plant and equipment**

Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful life and residual values of company's assets are determined by management at the time the asset is acquired and reviewed periodically, including at each financial year end. The life is based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

b) Income Taxes :

The Company's major tax jurisdictions is India . Significant judgements are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

c) Defined benefit obligation

The cost of the defined benefit plans and the present value of the defined benefit obligation are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

d) Impairment of trade receivables

The company estimates the uncollectibility of accounts receivables by analysing historical payment patterns, customer concentrations, customer credit worthiness and current economic trends. If the financial condition of customer deteriorates, additional allowances may be required.

(i) The leasehold land pertains to land under lease agreement with Orissa Industrial Infrastructure Development Corporation to be amortized over the lease tenure of Sixty-Four Years.

(ii) Operating Leasehold Land

As per Ind-AS 17 “a finance lease is a lease that transfers substantially all the risks and rewards incidental to ownership of an asset and all other lease are treated as operating lease.” Since land normally has an indefinite economic life, leasehold land is classified as operating lease. Accordingly, the entity has classified all its lease hold lands as operating lease. Lease payments made under these operating lease arrangements are recognized as an expense on a straight-line basis over the lease term. The operating lease payment movement is presented as below:-

NOTE 41 : Risk exposure of Defined Benefits Obligations

Through its defined benefit plans, the company is exposed to a number of risks, the most significant of which are detailed below:

Asset volatility :

The plan liabilities are calculated using a discount rate set with reference to bond yields; if plan assets underperform this yield, this will create a deficit. Most of the plan asset investments is maintained with LIC India. These are subject to interest rate risk and the fund manages interest rate risk to minimize risk to an acceptable level.

Changes in Bond yields :

A decrease in bond yields will increase plan liabilities, although this will be partially offset by an increase in the value of the plan funds maintained with the SBI Life.

Inflation risks :

In the gratuity plans, the payment are not linked to inflation, so there is less material risk.

(ii) Fair value hierarchy:

This section explains the judgments and estimates made in determining the fair values of the financial instruments that are

(a) recognized and measured at fair value, and

(b) measured at amortized cost and for which fair values are disclosed in the financial statements.

To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into three levels prescribed under the Ind AS 113 "Fair Value Measurements". An explanation of each level follows underneath the table.

Level 1 : This hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchange is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2 : Fair value of financial instruments that are not traded in an active market (for example, traded bonds, over the counter derivatives) is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument as observable, the instrument is included in level 2.

Level 3 : If one or more of the significant inputs is not based on observable data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification assets.

(iii) As per Ind AS 107 "Financial Instrument: Disclosure", fair value disclosures are not required when the carrying amounts reasonably approximate the fair value. Accordingly fair value disclosures have not been made for the following financial instruments:-

1. Trade receivables
2. Cash and cash Equivalent
3. Loans
4. Borrowings
5. Trade payables
6. Capital creditors
7. Other payables

Note No. 53 : Financial risk management

The company's few portion of activities are exposed to variety of financial risks i.e. market risk, credit risk and liquidity risk. The company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk :

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, trade receivables and other financial instruments, financial assets measured at amortized cost.	Ageing analysis Credit rating	Diversification of bank deposits, credit limits and letters of credit
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities

(A) Credit risk

Credit risk refers to the risk of default on its obligation by the counter party resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is primarily trade receivables from customers other than government entities. These Trade receivables are typically unsecured and are derived from revenue earned from domestic and foreign customers. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the company grants credit terms in the normal course of business. On account of adoption of Ind AS 109, the company uses expected credit loss model to assess impairment loss or gain. the company uses a matrix to compute the expected credit loss allowance for trade receivable.

Notes to the Financial Statements as at and for the year ended March 31, 2021.

Credit risk management

Credit risk is managed on instrument basis. For Banks and financial institutions, only high rated banks /institutions are accepted. For other financial instruments, the company assesses and maintains an internal credit rating system. The finance function consists of a separate team who assess and maintain internal credit rating system.

(B) Liquidity Risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, the company treasury maintains flexibility in funding by maintaining availability under committed credit lines.

Management monitors rolling forecasts of the company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows. This is generally carried out at local level in accordance with practice and limits set by the company. These limits vary by locations to take into account the liquidity of the market in which the entity operates. In addition, the company's liquidity management policy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

Note No. 54: Capital management

(a) Risk management

The company's objectives when managing capital are to;

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders; and
- maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the company may adjust the amount of dividends paid to shareholders, return on capital to shareholders or issue new shares. The company monitors capital using gearing ratio, which is net debt divided by total Equity. Net debt comprises of long term and short term borrowings less cash and bank balances. Equity includes equity share capital and reserves that are managed as capital. The gearing at the end of reporting period was as follows:

Particulars	(INR in Lakhs)

Recognition of Corporate Guarantee as Financial Liability

Financial guarantee is a contractual right of the lender to receive cash from the guarantor, and a corresponding contractual obligation of the guarantor to pay the lender, if the borrower defaults. The contractual right and obligation exist because of a past transaction or event (assumption of the guarantee), even though the lender's ability to exercise its right and the requirement for the guarantor to perform under its obligation are both contingent on a future act of default by the borrower. A contingent right and obligation meet the definition of a financial asset and a financial liability, even though such assets and liabilities are not always recognized in the financial statements. Based on the measurement principles laid down under Ind AS 109 "Financial Instrument :Recognition and Measurement", the fair value of all those financial guarantee contracts reasonable below to the materiality threshold limit set by the company. Accordingly the entity has made appropriate disclosure in Note 54 without additionally recognizing any financial assets or liability.

ACCORDINGLY, IN TERMS OF THE MCA CIRCULARS AND THE SEBI CIRCULAR, THE FACILITY FOR APPOINTMENT OF PROXIES BY THE MEMBERS WILL NOT BE AVAILABLE FOR THIS AGM AND HENCE THE PROXY FORM, ATTENDANCE SLIP AND ROUTE MAP OF AGM ARE NOT ANNEXED TO THIS NOTICE.
8. In case of joint holders, the member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.

9. In line with the General Circular No. 02/2021 dated 13th January, 2021 and 17/2020 dated April 13, 2021 and 20/2020 dated May 5, 2020, issued by the MCA and the SEBI Circular, Notice of the AGM along with the Annual Report 2020-21 is being sent only through electronic mode to those members whose email addresses are registered with the Company/Depositories. The Notice of AGM and Annual Report 2020-21 are available on the Company's website viz. www.arssgroup.in and may also be accessed from the relevant section of the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively. The AGM Notice is also on the website of NSDL at www.evoting.nsdl.com
10. Members holding shares in physical mode and who have not registered / updated their email addresses with the Company are requested to update their email addresses with the Registrar and Transfer Agents of the Company, viz., Bigshare Services Pvt. Ltd. on <https://bigshareonline.com/InvestorRegistration.aspx> In case of any queries / difficulties in registering the e-mail address, such Members may write to investor@bigshareonline.com. Members holding shares in dematerialized mode are requested to register / update their e-mail addresses with the relevant Depository Participant(s).
11. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Act, the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Act, will be available electronically for inspection by the members during the AGM. All documents referred to in the notice will also be available for electronic inspection without any fee by the members from the date of circulation of this notice up to the date of AGM, i.e. 29th September, 2021 during business hours. Members seeking to inspect such document may send a request on the email id cs@arssgroup.in at least 2 working day before the date on which they intend to inspect the document.
12. As per the provisions of Section 72 of the Act, the facility for making nomination is available for the members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. The said form can be downloaded from the Notices & Forms section available on the Company's website under Investor relation. Members are requested to submit the said details to their Depository Participants in case the shares are held by them in electronic form and to the Company's Registrar and Transfer Agent ('RTA') in case the shares are held by them in physical form, quoting your folio number.
13. Members may please note that Securities and Exchange Board of India (SEBI) has made Permanent Account Number (PAN) as the sole identification number for all participants transacting in the securities market, irrespective of the amount of such transactions.

Members may please note that SEBI has also made it mandatory for submission of PAN in the following cases, viz (i) Deletion of name of the deceased shareholder(s) (ii) Transmission of shares to the legal heir(s) and (iii) Transposition of shares.

Members holding shares in electronic form are, therefore, requested to submit their PAN details to their depository participants. Members holding shares in physical form are requested to submit their pan details to the company's RTA.
14. Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company's RTA, the details of such folios together with the share certificates for consolidating their holdings in one folio. A consolidated share certificate will be issued to such members after making requisite changes.
15. To prevent fraudulent transactions, members are advised to exercise due diligence and notify the Company of any change in address or demise of any member as soon as possible. Members are also advised to not leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified from time to time.
16. Non-Resident Indian members are requested to inform the Company's RTA immediately of:
 - a) Change in their residential status on return to India for permanent settlement.
 - b) Particulars of their bank account maintained in India with complete name, branch, account type, account number and address of the bank with pin code number, if not furnished earlier.
17. Members holding shares in dematerialised mode are requested to intimate all changes pertaining to their bank details/ NECS/ mandates, nominations, power of attorney, change of address/ name, Permanent Account Number ('PAN') details, etc. to their Depository Participant only and not to the Company's RTA. Changes intimated to the Depository Participant will then be automatically reflected in the Company's records which will help the Company and its RTA provide efficient and better service to the members.

In case of members holding shares in physical form, such information is required to be provided to the Company's RTA in physical mode, after restoring normalcy or in electronic mode at investor@bigshareonline.com, as per instructions mentioned in the form. The said form can be accessed at link <https://bigshareonline.com/InvestorRegistration.aspx>

18. As per Regulation 40 of the SEBI Listing Regulations, as amended, transfer of securities would be carried out in dematerialised form only with effect from April 1, 2019, except in case of transmission or transposition of securities. However, members can continue to hold shares in physical form. In view of the same and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company's RTA for assistance in this regard.
19. Members are requested to support "Green Initiative" by registering / updating their e-mail address(es) with the Depository Participant(s) (in case of Shares held in dematerialized form) or with Bigshare (in case of Shares held in physical form). Pursuant to Sections 101 and 136 of the Companies Act, 2013 read with the relevant Rules framed thereunder, companies can serve Annual Reports and other communications through electronic mode to those Members who have registered their e-mail address either with the Company or with the Depository Participant(s). Members holding shares in dematerialized form are requested to register (or update, in case of any change) their e-mail address with their Depository Participant(s), if not already registered / updated and Members holding shares in physical form are requested to register (or update, in case of any change) their e-mail address with Bigshare on its website (on <https://bigshareonline.com/InvestorRegistration.aspx>). In case of any queries / difficulties in registering the e-mail address, such Members may write to investor@bigshareonline.com. (www.bigshareonline.com), to enable the Company to send electronic communications.
20. We are pleased to provide the facility of live webcast of proceedings of AGM. Members who are entitled to participate in the AGM can view the proceeding of AGM by logging on the website at <https://evoting.nsdl.com> using their secure login credentials.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

As required by Section 102 of the Companies Act, 2013, (hereinafter referred to as “the Act”) the following Explanatory Statements set out all material facts relating to the business mentioned under Item Nos. 3 to 4 of the accompanying Notice dated 21st August, 2021.

ITEM NO. 3

The Board of Directors of the Company on the recommendation of the Audit Committee & Nomination and Remuneration Committee approved the appointment and remuneration of M/s. M A K & Co, Cost Accountants, Bhubaneswar (Firm Registration Number 004499) Bhubaneswar at a remuneration of Rs 50,000/- (Rs. Fifty Thousand only) plus applicable taxes and out of pocket expenses to conduct the audit of the cost records of the Company for the financial year ended 31st March, 2022.

In terms of the provisions of Section 148(3) of the Companies Act, 2013 read with Rule 14(a) (ii) of The Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditor is to be ratified by the Members of the Company. Accordingly, the Members are requested to ratify the remuneration payable to the Cost Auditors for the financial year 2021-2022 as set out in the Resolution for the aforesaid services to be rendered by them.

Accordingly, Ordinary Resolution is submitted at item no. 3 to the meeting for the consideration and approval of members.

None of the Directors, Key Managerial Personnel or their relatives, are interested or concerned in any way in the Resolution at Item No. 3 of the Notice.

ITEM NO. 4

Based on the recommendation of the Nomination and Remuneration Committee, the Board of Directors of the Company at its meeting held on 22nd January, 2021, considered and approved the appointment of Mr. Rajender Parshad Indoria, (DIN: 06600912) as an Additional Director of the Company and as an Independent Director, not liable to retire by rotation, for a term of five years, with effect from 22nd January, 2021, subject to the approval of the Members of the Company. It may be noted that Mr. R. P. Indoria, aged 67 years, is a BSC Engineer (Civil) having more than 45 years of experience. He has started his carrier as Junior engineer in Engineers India Limited in 1976 and retired as Director General (Road Development) and Special Secretary to the Government of India (Ministry of Road Transport and Highway in the year 2011. A brief profile of Mr. Indoria, in terms of Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”) and the Secretarial Standards on General Meetings (SS-2) issued by the Institute of Company Secretaries of India, has been provided in the Annexure attached to the Notice.

Pursuant to the provisions of Section 161(1) of the Companies Act, 2013 (“Act”) and the Articles of Association of the Company, Mr. Indoria shall hold office as an Additional Director upto the date of this ensuing Annual General Meeting and is eligible to be appointed as a Director. The Company has, in terms of Section 160(1) of the Act, received in writing, a notice from a Member proposing the candidature of Mr. Indoria for the office of Director of the Company. The appointment of Mr. Indoria, as an Independent Director of the Company, is subject to the approval of the Members of the Company. The Nomination and Remuneration Committee and the Board have determined that Mr. Indoria is a fit and proper person to be appointed as a Director of the Company, and is not debarred from being appointed as a Director by the Securities and Exchange Board of India (“SEBI”) or any other authority. Mr. Indoria has given a declaration to the effect that he meets the criteria of independence as prescribed under Section 149(6) of the Act read with the Rules framed there under and Regulation 16(1)(b) of the SEBI Listing Regulations and is also eligible to be appointed as a Director in terms of Section 164 of the Act. Mr. Indoria has also given his consent to act as a Director.

The Board has established the veracity of the said declaration and based on the declaration submitted, the Board has opined that Mr. Indoria fulfils the conditions specified in the Act, the Rules made there under and Regulation 16 of the SEBI Listing Regulations, for appointment as an Independent Director and that he is independent of the Management of the Company. Further, Mr. Indoria is a person of integrity and has relevant experience and expertise in the areas of Infrastructure Sector, for him to be appointed as an Independent Director of the Company. In terms of the Companies (Creation and Maintenance of databank of Independent Directors) Rules, 2019 read with Rule 6 of the Companies (Appointment and Qualification of Directors) Rules, 2014, as amended from time to time, Mr. Indoria has enrolled his name in the online databank of Independent Directors maintained by the Government and is exempted from the online proficiency self-assessment test for Independent Directors. Given his experience in the areas of Infrastructure Sector, Road and Highways, the Board considers it desirable and in the interest of the Company to have Mr. Indoria on the Board of the Company and, accordingly, recommends the appointment of Mr. Indoria as an Independent Director as proposed in the resolution set out at Item No. 4 for the approval by the Members, in compliance with the provisions of Section 149 of the Act and the Rules framed thereunder read with Schedule IV of the Act. During his tenure as

an Independent Director of the Company, Mr. Indoria shall not be liable to retire by rotation, in terms of Section 149(13) of the Act. A copy of the letter for the appointment of Mr. Indoria as an Independent Director, setting out all the terms and conditions, shall be open for inspection in electronic mode, without any fee, on all working days, between Monday to Friday, except public holidays upto the date of the Meeting.

Mr. Indoria is not related to any Director or any Key Managerial Personnel of the Company. Your Directors recommend the passing of the resolution at Item No. 4 of the accompanying Notice.

Except for Mr. Indoria and his relatives, none of the other Directors, Key Managerial Personnel of the Company or their respective relatives are in any way concerned or interested, financially or otherwise, in the passing of the Ordinary Resolution at Item No. 4 of the accompanying Notice.
