Explanatory Statement Pursuant To Section 102 of Companies Act, 2013**ITEM NO. 4:**

The members at the 31st Annual General Meeting held on 28th September, 2013 approved the appointment of Mr. Mahendraprasad Mallawat as Whole Time Director of the Company for a period of 3 years with remuneration of Rs 4,20,000 per annum plus perquisites and other benefits for the period of his 3 years. \

Taking into account the responsibilities borne by the Whole Time Director and the industry standards, the Board of Directors of the Company at its Meeting held on 12th August, 2016 pursuant to the recommendation of the Nomination and Remuneration Committee and subject to the approval of members, approved the re-appointment and remuneration of Mr. Mahendraprasad Mallawat, Whole Time Director under the Companies Act, 2013 for a term of 5 years with effect from 12th August, 2016, being liable to retire by rotation.

Pursuant to the provisions of Section 196, 197, 203 of the Companies Act, 2013 and all other applicable provisions of the Companies Act, 2013, including Schedule V to the said Act and Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the appointment and remuneration payable to the Whole Time Director is now being placed before the members in the 34th Annual General Meeting for their approval by way of an Ordinary Resolution.

The remuneration proposed to be payable to Mr. Mahendraprasad Mallawat by way of salary, allowances, perquisites and benefits is within the limit prescribed under Section 197 of the Companies Act, 2013.

Your Board of Directors recommends Resolution set out at Item No. 4 as Ordinary Resolution for approval of the members.

Apart from Mr. Mahendraprasad Mallawat, Whole Time Director who would be interested in his appointment and remuneration, none of the other Directors and Key Managerial Personnel of the Company or their respective relatives is concerned or interested, financial or otherwise, in this resolution.

Item No. 5

The equity shares of the Company are listed and actively traded on the BSE Limited. The members are aware that the operations and performance of the Company has grown significantly over the past few years, which has generated considerable interest in the Company's equity shares in the Market. The market price of the Company's shares has also increased significantly. In order to improve the liquidity of the Company's shares in the stock market, the Board of Directors of the Company at their meeting held on August 12, 2016, considered it desirable to recommend issue of Bonus shares in the ratio of 5:1 subject to approval of the shareholders and such other authorities as may be necessary.

The issue of Bonus shares by capitalization of reserves is authorized by the existing Articles of Association of the Company as well as the proposed amended Articles of Association of the Company in conformity with the Companies Act, 2013.

None of the Directors / Key Managerial Personnel or their relatives is concerned or interested in the resolution except to the extent of their shareholding in the Company, if any.

The Board recommends passing of the resolution set out at Item No. 5 as a Special Resolution.

This has come due to company's health interest margins, operating efficiencies and prudent risk management.

The Company's current provisioning standards are more stringent than Reserve Bank of India (RBI) prudential norms. In line with its conservative approach, the Company continues to strengthen its provisioning norms beyond the RBI regulation by accelerating the provisioning to an early stage of delinquencies based on the past experience and emerging trends.

ANNEXURE - 1 To The Directors Report MANAGEMENT DISCUSSION & ANALYSIS

1. GLOBAL ECONOMY OVERVIEW

The financial year 2015-16 did not witness any major surge in economic activity. Global growth declined from 3.4% in 2014 to 3.1% in 2015. This slowdown was primarily driven by unprecedented decline in oil and commodities prices, volatility in financial markets, decline in trade and low inflationary trends owing to depressed growth around the world.

The US posted 2.4% growth mainly due to the country's improved fiscal and housing situation. The Euro Area grew by 1.5% on the back of robust private consumption, supported by low oil prices and easy financial conditions. The Japanese economy was hampered by a sharp fall in private consumption, resulting in discouraging growth figures. The rebalancing of the Chinese economy had a major impact, especially in the Asia-Pacific region, as it shifted from manufacturing to service sector. This has translated into strong tailwind for China, and is expected to help it post decent, though below par, growth numbers.

Going forward, global growth is projected to improve at slow pace. It is expected to reach 3.2% in 2016 and 3.5% in 2017. The growth projections for all the major economies and regions for 2016-17 are modest. It is believed to be a year of consolidation, where commodities prices are expected to bottom out and a slight pickup witnessed in infrastructure activity.

2. INDIAN ECONOMY OVERVIEW:

Despite continuing global headwinds, India's GDP clocked 7.6% growth in 2015-16, making it one of the fastest growing economies in the world. The Government of India (GoI) focused on strengthening the economy with various pro-reform policy initiatives to improve the country's social and physical infrastructure and set structural drivers for long-term sustainable economic growth.

India's trade deficit came down to \$5.1 billion in March 2016 owing to a sharp decline of upto 21% in imports. The government's adherence to keeping the fiscal deficit within target while managing growth is a positive step, especially in view of the stress and uncertainty in the global economy. The government has targeted to narrow the fiscal deficit to 3.5% in 2016-17, after maintaining its 3.9% target for 2015-16. Consumer price inflation is also within normal range, hovering around 5%. Government initiatives, low interest rates, decline in fiscal deficit and moderate inflation have enabled the Indian economy to achieve strong growth estimates. Policy adjustments and improved macro-economic environment have helped India attract more FDI flows during the year compared to last year. With government's growth agenda intact and the tide turning favourable on the economic front, India looks poised to perform better than its global counterparts in 2016-17 and is expected to grow at closer to 8% in 2016-17.

SECTOR OVERVIEW

Financial Services Industry

India's financial services industry is expanding at a rapid pace driven by the government's pro-sector measures, announced in the last fiscal. These initiatives have given significant impetus to the sector that includes, commercial banks, insurance companies, non-banking financial companies, co-operatives, pension funds, mutual funds and other smaller financial entities. Government schemes like Pradhan Mantri Jan Dhan Yojana, Atal Pension Yojana, MUDRA, the new bankruptcy law, gold monetisation scheme and debt restructuring scheme are contributing to the financial sector's growth. Besides, the sector is positively impacted by favourable micro economic factors like rising income levels, improving life expectancy and good economic growth numbers.

NBFCs - growing in relevance

For over a decade, Indian NBFCs have played a pivotal role in meeting the country's diverse financial requirements. They cater to under-penetrated and unbanked customer segments, fulfilling their financial needs. NBFCs are able to reach deeper, offer more specialised services, and are able to lend to sectors and customers who find it difficult to obtain bank lending. NBFCs have performed well in retail asset-backed lending, lending against securities and microfinance. Besides, they have done substantially well in farm equipment financing, loans for purchase of used commercial vehicles & machinery and small ticket personal loans. NBFCs are expected to play the role of a key financial intermediary, once they are integrated in the financial system with full policy support. Factors like better understanding of customer profile / need, better product lines, wide network; quick turnaround time and robust risk management capabilities will contribute to the growth of NBFCs.

NBFCs and regulatory environment

The RBI conducted a comprehensive review of NBFC regulations in 2014. The revised regulatory framework is designed to focus supervisory attention to those NBFCs which genuinely can pose risks to the financial system and bring operational freedom to smaller NBFCs. Assets classification and Provisioning norms of NBFCs are going to converge with those of banks by the 2018.

Government Initiatives

NBFCs shall be eligible to claim tax deduction to the extent of 5% of total income on account of provision for bad and doubtful debts (NPAs). It has been a long awaited demand to treat the provision of bad debts of NBFCs at par with that of Indian banks in terms of tax deduction. This has only been moderately met as the prescribed percentage is less than that allowed for banks. However, this is a positive development for NBFCs reducing the tax outgo for them. It has provided them a much sought after relief, especially in these rising NPAs scenario. Reversal of input tax is proposed to provide additional options to banking companies, financial institutions and non-banking financial companies, with respect to nontaxable services provided by them by way of extending deposits, loans and advances. FDI will be allowed beyond the 18 specified NBFC activities under the automatic route. This move will help in promoting ease of doing business and attracting overseas investments by doing away with the need of seeking government approvals. In 2015 Union Budget, the finance minister announced that NBFCs would be considered as an eligible financial institution for SARFAESI benefits. However, the corresponding amendment in the SARFAESI Act is yet to be introduced. This move would facilitate faster liquidation of immovable assets for recovery of bad loans.

ABOUT THE INDUSTRY:

NBFCs are an integral part of the country's financial system complementing the services of commercial banks. The main reason attributed to the growth of NBFCs is the comprehensive regulation of the banking system. Other factors include higher level of customer orientation, lesser pre/post sanction requirements and higher rates of interest on deposits being offered by NBFCs. It is mandatory that every NBFC should be registered with RBI to carry on any business of non banking financial institution.

The activities of non-banking financial companies (NBFCs) in India have undergone qualitative changes over the years through functional specialization. The role of NBFCs as effective financial intermediaries has been well recognized as they have inherent ability to take quicker decisions, assume greater risks, and customize their services and charges more according to the needs of the clients. While these features, as compared to the banks, have contributed to the proliferation of NBFCs, their flexible structures allow them to unbundle services provided by banks and market the components on a competitive basis. The distinction between banks and non-banks has been gradually getting blurred since both the segments of the financial system engage themselves in many similar types of activities. At present, NBFCs in India have become prominent in a wide range of activities like hire-purchase finance, equipment lease finance, loans, investments, etc. By employing innovative marketing strategies and devising tailor-made products,

NBFCs have also been able to build up a clientele base among the depositors, mop up public savings and command large resources as reflected in the growth of their deposits from public, shareholders, directors and other companies, and borrowings by issue of non-convertible debentures, etc.

The importance of NBFCs in delivering credit to the unorganized sector and to small borrowers at the local level in response to local requirements is well recognized. The rising importance of this segment calls for increased regulatory attention and focused supervisory scrutiny in the interests of financial stability and depositor protection.

SWOT ANALYSIS:**Strengths:**

An integrated financial services platform: We offer our clients an integrated financial services platform by offering lending against demat shares, finance consultancy, loan against immovable properties and allied products. Our integrated service platform allows us to leverage relationships across the lines of businesses and our industry and product knowledge by providing multi-channel delivery systems to our client base, thereby increasing our ability to cross-sell our services.

Experienced Management: We believe that our senior management and our talented and experienced Team are the principal reason for the growth of our Company. We believe that the extensive experience and financial acumen of our management and staff facilitates us with a significant competitive advantage.

Weakness:

Branding: Our Company is not a well established brand among large NBFC players who have access to larger financial resources.

Accessibility: We do not have branches so we are unable to explore the business opportunities in other areas.

Opportunities:

Large Market: The players in the NBFC sector still have a lot of scope to cover larger market and the rural markets are still untapped.

Desire for Status: With increased desire of individuals to improve their standard of living, the NBFC industry is getting exposed to new category of client (individuals) in a big way with large share of business coming from this segment apart from corporate clients.

Threats:

Economic Downturn: If the economic downturn is prolonged it can reduce the financing need of people due to shrinking business opportunities.

Private Banks: Private Banks are also working on the similar business model as the NBFCs do, thereby giving a very strong competitions to the NBFC's.

RBI and Government restrictions: With more stringent norms governing the functioning of NBFC and certain government restrictions act as a hindrance in smooth functioning of NBFC.

FUTURE STRATEGY:

- **Expansion of existing activities:** Our Company intends to expand its financial services by enhancing its focus on margin funding, loan against shares and securities, loan against properties and corporate loan, bill discounting and working capital loan.

- Differentiated Services: In the growing economy, the corporate clients will be requiring funds for further expansions. Our Company would be providing all diversified service portfolio under one umbrella to cater most of the customer needs and demands.
- Brand recognition: We are in such a business where we are facing lot of competition. Our Company is not a well established brand among large NBFC players. We will be making the necessary arrangements for our brand reorganization.

INTERNAL CONTROL SYSTEM AND ADEQUACY:

Internal Control Systems has been designed to provide reasonable assurance that assets are safeguarded, transactions are executed in accordance's with management's authorization and properly recorded and accounting records are adequate for preparation of financial statements and other financial information. Internal check is conducted on a periodical basis to ascertain the adequacy and effectiveness of internal control systems. The management has put in place internal systems for review and monitoring of nonperforming assets of the company and to indicate corrective action for effecting recoveries.

CAUTIONARY:

Statement in the Management Discussion & Analysis, describing the company's objectives, projections and estimates are forward looking statement and progressive within the meaning of applicable laws & regulations. Actual result may vary from those expressed or implied.

Important developments that could affect the company's operations are significant changes in political and economic environment in India, tax laws, RBI regulations, exchange rate fluctuation and other incidental factors.

INDEPENDENT AUDITOR'S REPORT

To,
The Members of ARNOLD HOLDINGS LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of ARNOLD HOLDINGS LTD ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair

view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2016, and its profit/loss and its cash flows for the year ended on that date.

Emphasis of Matters

We draw attention to the following matters in the Notes to the financial statements:

- a) Note 8 to the financial statements which, describes the uncertainty related to the outcome of the Income appeals filed by the Company.

Our opinion is not modified in respect of these matters.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Report on Internal Financial Controls Over Financial Reporting

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of ARNOLD HOLDINGS LTD (“the Company”) as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in

accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
