1. In conjunction with our audit of the standalone financial statements of Adarsh Mercantile Limited ("the Company") as of and for the year ended 31 March 2017, we have audited the internal financial controls over financial reporting (IFCoFR) of the company of as of that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal financial controls over financial reporting issued by ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's IFCoFR based on our audit. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India (ICAI) and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of IFCoFR, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR included obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's IFCoFR.

Meaning of Internal Financial Controls over Financial Reporting

6. A company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's IFCoFR includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

ADARSH MERCANTILE LIMITED

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by ICAI.

1. Significant Accounting Policies**1.1 Basis of Preparation of Financial Statements**

The Financial Statements have been prepared under the historical cost convention and in accordance with the provisions of the Companies Act, 2013. Accounting policies not referred to otherwise are consistent and are in consonance with the generally accepted accounting principles in India.

1.2 Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which the results are known / materialized.

1.3 Property, Plant and Equipment

Property, Plant and Equipment are stated at cost of acquisition and subsequent improvements thereto; less accumulated depreciation, and impairment loss, if any.

Depreciation on tangible assets is provided on the written down value method on basis of useful life of the assets and in the manner as prescribed in Schedule II to the Companies Act, 2013. Depreciation methods, useful lives and residual values are reviewed, and adjusted as appropriate, at each reporting date.

1.4 Impairment of Assets

The carrying amounts of the assets are reviewed at each balance sheet date. An asset is treated as impaired when the carrying cost of the asset exceeds its recoverable value. An impairment loss is charged when the asset is identified as impaired.

1.5 Investments

Investments that are readily realisable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Long-term Investments are carried at acquisition cost. Current Investments are carried at lower of cost and fair value determined on individual wise investment basis. Provision for diminution in value is made if the decline in value is other than temporary in nature in the opinion of the management.

1.6 Inventories

Inventories of shares and securities are valued at lower of cost and net realizable value.

1.7 Employee Retirement Benefits

- (i) Short term employee benefits are charged off at the undiscounted amount in the period in which the related service is rendered.
- (ii) Liability on account of leave entitlement of employees is provided for in accordance with the rules of the Company at current encashable salary rates as at the balance sheet date.
- (iii) Gratuity is accounted for on the basis of current encashable salary rates for every completed year of service in respect of all employees.

1.8 Taxes on Income

- (i) Provision for Income Tax is made on the basis of estimated taxable income for the period at current rates. Tax expense comprises both Current Tax and Deferred Tax at the applicable enacted or substantively enacted rates. Current Tax represents the amount of Income Tax payable/ recoverable in respect of taxable income/ loss for the reporting period. Deferred Tax represents the effect of timing difference between taxable income and accounting income for the reporting period that originates in one year and are capable of reversal in one or more subsequent years.
- (ii) Deferred tax assets are recognised when the Company carries forward unused tax losses/expenses and unabsorbed depreciation. Deferred tax assets are recognised only to the extent there is virtual certainty backed by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised.
The carrying amount of deferred tax assets is reviewed at each Balance Sheet date and reduced by the extent that is no longer probable that sufficient taxable profit will be available to allow all or a part of aggregate deferred tax assets to be utilised.
- (iii) Minimum alternate tax (MAT) paid in accordance with the tax laws gives rise to future economic benefits in the form of adjustment of future income tax liability, and is considered and recognized as an asset in the Balance Sheet when it is probable that such benefits will flow to the Company in future years and the same can be measured reliably.

1.9 Provisions, Contingent Liabilities and Contingent Assets

- (i) Provisions are recognised in respect of obligations where, based on the evidence available, their existence at the Balance Sheet date is considered probable and in respect of which a reliable estimate can be made.
- (ii) Contingent liabilities are shown by way of Notes to the Financial Statements in respect of obligations, where, based on the evidence available, their existence at the Balance Sheet date is considered not probable or a reliable estimate of the same cannot be made.
- (iii) Contingent Assets are neither recognised nor disclosed in the Financial Statements.

ADARSH MERCANTILE LIMITED

Notes to the financial statements for the year ended 31st March, 2017

1.10 Revenue Recognition

All expenses and income to the extent considered payable and receivable respectively, unless otherwise stated, are accounted for on an accrual basis. Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

1.11 Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortisation and impairment loss, if any. Such assets are amortised on written down value method over the useful economic life of the respective assets and in the manner prescribed in Schedule II to the Companies Act, 2013.

ADARSH MERCANTILE LIMITED

Annexure A to the Independent Auditor's Report of even date to the members of ADARSH MERCANTILE LIMITED, on the consolidated financial statements for the year ended 31st March, 2017

Annexure A

Independent Auditor's report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. In conjunction with our audit of the consolidated financial statements of the ADARSH MERCANTILE LIMITED ("the Company") and its associate, (the Company and its associate together referred to as "the Group"), as of and for the year ended 31 March 2017, we have audited the internal financial controls over financial reporting (IFCoFR) of the Company, its associate company, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

2. The respective Board of Directors of the Company, its associate company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal financial controls over financial reporting issued by ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the company's business, including adherence to the company's policies, the safeguarding of the company's assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the IFCoFR of the Company, its associate company as aforesaid, based on our audit. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India (ICAI) and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of IFCoFR and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note"), issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR included obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matter(s) paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the IFCoFR of the Company, its associate company as aforesaid.

ADARSH MERCANTILE LIMITED

Meaning of Internal Financial Controls over Financial Reporting

6. A company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's IFCoFR includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that the IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company, its associate company, which are companies incorporated in India, have, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal financial controls over financial reporting issued by ICAI.

Other Matters

9. We did not audit the IFCoFR insofar as it relates to one associate company, which is a company incorporated in India, in respect of which, the Group's share of net profit of Rs 2,57,445 for the year ended 31 March 2017 has been considered in the consolidated financial statements. Our report on the adequacy and operating effectiveness of the IFCoFR for the Company, and its associate company, which is a company incorporated in India, under Section 143(3)(i) of the Act insofar as it relates to the aforesaid associate companies, which are companies incorporated in India, is solely based on the corresponding report of the auditor of such company. Our opinion is not modified in respect of the above matter with respect to our reliance on the work done by and the report of the other auditor.

Deferred Tax represents the effect of timing difference between taxable income and accounting income for the reporting period that originates in one year and are capable of reversal in one or more subsequent years.
- (ii) Deferred tax assets are recognised when the Company carries forward unused tax losses/expenses and unabsorbed depreciation. Deferred tax assets are recognised only to the extent there is virtual certainty backed by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised.
The carrying amount of deferred tax assets is reviewed at each Balance Sheet date and reduced by the extent that is no longer probable that sufficient taxable profit will be available to allow all or a part of aggregate deferred tax assets to be utilised.
- (iii) Minimum alternate tax (MAT) paid in accordance with the tax laws gives rise to future economic benefits in the form of adjustment of future income tax liability, and is considered and recognized as an asset in the Balance Sheet when it is probable that such benefits will flow to the Company in future years and the same can be measured reliably.

1.9 Provisions, Contingent Liabilities and Contingent Assets

- (i) Provisions are recognised in respect of obligations where, based on the evidence available, their existence at the Balance Sheet date is considered probable and in respect of which a reliable estimate can be made.
- (ii) Contingent liabilities are shown by way of Notes to the Financial Statements in respect of obligations, where, based on the evidence available, their existence at the Balance Sheet date is considered not probable or a reliable estimate of the same cannot be made.
- (iii) Contingent Assets are neither recognised nor disclosed in the Financial Statements.

1.10 Revenue Recognition

All expenses and income to the extent considered payable and receivable respectively, unless otherwise stated, are accounted for on accrual basis. Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.
