SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2019

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
Integrated Capital Services Limited
606, 27, New Delhi House
Barakhamba Road
New Delhi- 110001

I have conducted the Secretarial Audit in respect of the compliance of applicable statutory provisions and adherence to good corporate practices by Integrated Capital Services Limited (hereinafter referred to as "the Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on my verification of the books, papers, minutes book, forms and returns filed and other records maintained by Integrated Capital Services Limited and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion the Company has, during the audit period covering the financial year ended on March 31, 2019, generally complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2019, to the extent applicable, and according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992 and Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 and amendments made therein from time to time; **Not Applicable**
 - (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 and the Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014; **Not Applicable**
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; **Not Applicable**

- (f) The Securities and Exchange Board of India (Registrars to Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; **Not Applicable**
- (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; **Not Applicable**
- (h) The Securities and Exchange Board of India (Buy Back of Securities) Regulations, 1998; **Not Applicable**

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India with respect to Board and general meetings.
- (ii) The Listing Agreements entered into by the Company with the Bombay Stock Exchange Limited read with the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the year under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards etc. mentioned above subject to the following observation:

I further report that:

1. The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
2. Adequate notice was given to all directors of the Board Meetings, and the agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
3. Decisions at the Board meetings were carried out through majority and the views of the dissenting members, if any, were captured and recorded as part of the minutes of meetings.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period the following events had a bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards etc.:

- (a) The Company had received the Order of Merger pursuant to the Scheme of Merger of Deora Associates Private Limited (DAPL) ("Since dissolved"), with Integrated Capital Services Limited for issue of 2,44,75,000 Equity Shares of Re. 1 each and cancellation of 2,50,41,000 Equity Shares of Re.1 each held by DAPL ("Since dissolved") in the Company was approved by Hon'ble National Company Law Tribunal (NCLT), New Delhi Bench vide its Order dated 26.09.2018.

In terms of the Scheme approved by the Hon'ble NCLT, 2,50,41,000 number of equity shares held by DAPL (since dissolved) were cancelled and 2,44,75,000 fully paid up equity shares of Integrated Capital Services were allotted to the erstwhile shareholders of DAPL.

Thereafter the Company had applied for In-Principle approval to BSE for further listing of 2,44,75,000 Equity Shares of Re.1 each and cancellation of 2,50,41,000 Equity Shares of Re.1 each.

After giving effect to the merger the paid up equity share capital of the Company is 3,55,84,000 listed on BSE.

- (b) The Company had extended the date of redemption of 205,000 7% cumulative preference shares for the period of 3 years. The Preference Shares will be redeemed in the year 2021.

Management Discussion and Analysis Report

Market overview

The Company had changed its Main Objects to undertake rendering services as an Insolvency Professional Entity in accordance with the provisions of Insolvency and Bankruptcy Code, 2016.

The laws around Insolvency and Bankruptcy are seeing changes and newer introductions and modifications, and have since achieved a significant level of predictability.

The market for IPE Services has seen significant growth and the Company will engage with Insolvency Professionals as part of its strategic plan to render services.

The pre-requisites on the side of the Company to making an Application seeking registration as an IPE are under completion, and the Company may be in a position to make the necessary Application in the near future.

Opportunities and threats

The Company expects to attract business and opportunities on the strength of background and experience of Directors of the Company in the fields of Restructuring, Turnaround and Insolvency, and the relationships and associations established by the Company with several overseas professionals working in the similar fields.

The services intended to be taken up by IPE require agility in delivery and are highly compliance oriented.

The availability of skilled and capable manpower and professionals will remain key to delivery. The Company hopes to rely on training and upskilling of its team at the offices of its overseas associates, the latter having long years of experience in similar services.

Risks and Concerns

Execution of assignments by IPE requires multi-disciplinary teams having skills in different fields, which primarily include Resolution of insolvency, Business and Management.

Outlook

The market activity is expected to grow for IPE's, particularly backed by an increasing level of cross border activity.

The Company expects to wish to establish itself as a recognized service provider.

Segment-wise or product-wise performance

The Company was earlier into a single reportable segment only, i.e., Business Advisory and Consulting Services, and it is under change to Services in the nature of Insolvency Professional Entity. There are no separate segment wise details to be provided.

Internal control systems and their adequacy

The Company has adequate internal control systems commensurate with the size and nature of its operations. All the transactions entered into by the Company are duly authorized and recorded correctly. The top management and the Audit Committee of the Board of Directors review the adequacy and effectiveness of internal control systems from time to time. The Company has adopted Internal Financial Control Policy for ensuring orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and timely preparation of reliable financial information.

Accounts of the Company

The Company has prepared its annual accounts as at/ for the year ended March 31, 2019 in accordance with Indian GAAP.

Financial Accounts of the Company for the year ended March 31, 2019 are available on the website of the Company, www.raas.co.in.

Appointment and Tenure

The Directors of the Company are appointed by Members at the General Meetings.

As regards the appointment and tenure of Independent Directors, the following policy has been adopted by the Board:

- The Company has adopted the provisions with respect to appointment and tenure of Independent Directors which are consistent with the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
- The Independent Directors will serve a maximum of two terms of five years each.
- The Company would not have any upper age limit of retirement of Independent Directors from the Board and their appointment and tenure will be governed by provisions of the Companies Act, 2013.

Board Independence

The interpretation of the term 'Independence' of Directors has been based on Regulation 25 of SEBI (Listing Obligations

and Disclosure Requirements) Regulations, 2015 and Section 149(6) of the Companies Act, 2013. Upon confirmation / disclosures received from the Directors and on evaluation of the same, all Non-Executive Directors, other than the Chairman and Promoter Directors, are confirmed to be Independent.

Separate Independent Directors Meetings

The Independent Directors met once during the year under report, i.e., March 28, 2019, without the presence of Executive Directors or Management representatives.

The Independent Directors, inter alia, discussed the following:

- the performance of non-Independent Directors and the Board as a whole;
- the performance of the Chairman of the Company, taking into account the views of Executive Directors and Non-Executive Directors; and
- the quality, quantity and timeliness of flow of information between the Company management and the Board that is necessary for the Board to effectively and reasonably perform their duties.

In addition to these formal meetings, interactions outside the Board meetings also take place between the Chairman and Independent Directors.

Appointment Letter and Familiarisation programmes for the Board Members

At the time of appointing a director a formal letter of appointment is given to him/ her, which inter alia explains the roles, functions, duties and responsibilities expected to be discharged by him/ her during his/ her tenure as director of the Company.

The Independent Directors go through a familiarisation programme to familiarise them with the Company, their role, rights, responsibilities in the Company, nature of industry in which the Company operates, business model, management structure, industry overview, internal control systems and processes and the like.

INDEPENDENT AUDITOR'S REPORT ON STANDALONE IND-AS FINANCIAL STATEMENTS

To the members of **Integrated Capital Services Limited**

Opinion:

We have audited the accompanying Standalone Ind-AS financial statements of **Integrated Capital Services Limited** ("the Company") which comprises the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Ind AS and accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, and its financial performance, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion:

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters:

Key Audit Matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the Standalone Ind AS financial statements as a whole, and informing our opinion thereon, and we do not provide a separate opinion on these matters.

Responsibilities of Management and those charged with governance for the Standalone Ind-AS financial statements:

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, change in equity and cash flows of the Company in accordance with the Indian Accounting Standards (Ind AS) and accounting principles generally accepted in India, specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of Standalone Ind AS Financial Statement:

Our objectives are to obtain reasonable assurance about whether the Standalone Ind-AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Ind-AS financial statements.

A further description of the auditor's responsibilities for the audit of the Standalone Ind-AS financial statements is included in "Annexure A". This description forms part of our auditor's report.

Report on Other Legal and Regulatory Requirements:

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid Standalone Ind-AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with of the Companies (Indian Accounting Standard) Rules, 2015, as amended.
 - e) On the basis of written representations received from the directors as on March 31, 2019, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019, from being appointed as a director in terms of section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure C".
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company does not have pending litigations which would impact on its financial position in its Standalone Ind-AS financial statements.
 - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE 'A' OF INDEPENDENT AUDITOR'S REPORT

(Annexure referred under the heading 'Auditor's Responsibilities for the Audit of Standalone Ind AS Financial Statement' of our report of even date to the Standalone Ind AS financial statements of the Company for the year ended March 31, 2019)

Responsibilities for Audit of Financial Statement:

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- (i) Identify and assess the risks of material misstatement of the Standalone Ind-AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- (ii) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- (iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- (iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Ind-AS financial statements or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- (v) Evaluate the overall presentation, structure and content of the Standalone Ind-AS financial statements, including the disclosures, and whether the Ind-AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Ind-AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE 'C' TO INDEPENDENT AUDITOR'S REPORT

(Report on the Internal Financial Controls under Clause (i) of sub-section 3 of the section 143 of the Act)

We have audited the internal financial controls over financial reporting of **INTEGRATED CAPITAL SERVICES LIMITED** ("the Company") as of March 31, 2019, in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for laying down and maintaining internal financial controls based on 'the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance note on Audit of Internal Financial Controls Over Financial Reporting (Guidance Note) issued by the Institute Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (the Act).

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit.

We conducted our audit in accordance with the Standards of Auditing, to the extent applicable to an audit of internal financial controls and the Guidance Note, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain the reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone Ind AS financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of its inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not to be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

INTEGRATED CAPITAL SERVICES LIMITED

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Notes to the Standalone Financial Statements as at and for the year ended March 31, 2019

1 Corporate Information

Integrated Capital Services Limited having CIN: L74899DL1993PLC051981 is a public company domiciled in India and incorporated under the provisions of Companies Act, 1956. Its shares are listed on the Bombay Stock Exchange. The Company is primarily engaged in Corporate Advisory & Consulting, Expert Services in Turnaround & Restructuring, Business Combinations, Takeovers, Mergers & Amalgamations and Accounting Services. Pursuant to the change in object clause of the company in the Annual General Meeting held on September 29, 2018 and after receipt of certificate of change in object clause on November 27, 2018 from Ministry of Corporate Affairs, the activities of company are services in the nature of advisory in matters related to Insolvency and Bankruptcy. On completion of pre-requisites, the Company will apply to Insolvency Professional Entity in accordance with the provision of Insolvency and Bankruptcy Code, 2016.

2 BASIS OF PREPARATION AND SIGNIFICANT ACCOUNTING POLICIES

A) Basis of preparation of financial statements

(a) Statement of Compliance

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) issued under the provisions of the Companies Act, 2013 ("the Act") and guidelines issued by the Securities and Exchange board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendments made thereafter.

Effective April 1, 2017, the Company has adopted all the Ind AS standards and the adoption was carried out in accordance with Ind AS 101 'First time adoption of Indian Accounting Standards', with April 1, 2016, as the transition date. The transition was carried out from Indian Accounting Principles Generally Accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

(b) Functional and presentation currency

These financial statements are presented in Indian rupees (Rs.), which is the Company's functional currency. All amounts have been rounded to the nearest rupees.

(c) Basis of Measurement

The financial statements are prepared in accordance with the historical cost convention basis, except for certain items that are measured at fair values.

Determining the Fair Value

While measuring the Fair Value of an asset or a liability, the Company uses observable market data as far as possible. Fair values are categorised into different levels in a Fair Value hierarchy based on the inputs used in the valuation techniques as follows:

Level 1 : Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 : inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 : inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The fair value of trade receivables, trade payables and other Current financial assets and liabilities is considered to be equal to the carrying amounts of these items due to their short-term nature. Where such items are Non-current in nature, the same has been classified as Level 3 and fair value determined

using discounted cash flow basis. Similarly, unquoted equity instruments where most recent information to measure fair value is insufficient, or if there is a wide range of possible fair value measurements, cost has been considered as the best estimate of fair value.

If the inputs used to measure the Fair Value of an asset or a liability fall into different levels of the Fair Value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the Fair Value hierarchy as the lowest level input that is significant to the entire measurement.

(d) Use of Estimate

The preparation of financial statements in conformity with the Ind AS requires management to make estimates, judgements and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of the contingent asset and contingent liability at the date of the financial statements and reported amount of income and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from the estimates. Appropriate changes in estimate are made as the management become aware of the change in circumstances surrounding the estimates. Change in the estimates are reflected in the financial statements in the period in which the changes are made and, if material, their effect are disclosed in the notes to financial statements.

(e) Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1 – Presentation of Financial Statements issued by the Ministry of Corporate Affairs based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

B) Recent accounting pronouncement:

- (i) Ind AS 115- Revenue from Contract with Customers: On March 28, 2018, Ministry of Corporate Affairs (“MCA”) has notified the Ind AS 115, Revenue from Contract with Customers. The core principle of the new standard is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Further the new standard requires enhanced disclosures about the nature, amount, timing and uncertainty of revenue and cash flows arising from the entity's contracts with customers.

The standard permits two possible methods of transition:

- Retrospective approach - Under this approach the standard will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8- Accounting Policies, Changes in Accounting Estimates and Errors.
- Retrospectively with cumulative effect of initially applying the standard recognized at the date of initial application (Cumulative catch - up approach) The effective date for adoption of Ind AS 115 is financial periods beginning on or after April 1, 2018.

The Company has adopted the standard on April 1, 2018 by using the cumulative catch-up transition method and accordingly comparatives for the year ending or ended March 31, 2018 has not been retrospectively adjusted. The effect on adoption of Ind AS 115 is insignificant.

- (ii) Ind AS 116 on “Leases”: On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 116 on Leases. Ind AS 116 will replace the existing Ind AS 17 on Leases, and related Interpretations. The Standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the Lessee and the Lessor. Ind AS 116 introduces a single lease accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than twelve months, unless the underlying asset is of low value. Currently, operating lease expenses are charged to the Statement of Profit

& Loss as per Ind AS 17. The Standard also contains enhanced disclosure requirements for lessees.

The effective date for adoption of Ind AS 116 is annual periods beginning on or after April 1, 2019. The standard permits two possible methods of transition:

- a) Full retrospective: Retrospectively to each prior period presented applying Ind AS 8 on 'Accounting Policies, Changes in Accounting Estimates and Errors'.
- b) Modified retrospective: Retrospectively, with the cumulative effect of initially applying the Standard recognized at the date of initial application. Under modified retrospective approach, the lessee records the lease liability at the present value of remaining lease payments, discounted at the incremental borrowing rate and the right of use asset either as its carrying amount as if the standard had been applied since the commencement date, but discounted at lessee's incremental borrowing rate at the date certain practical expedients are available under both the methods.

On completion of the evaluation of the Ind AS 116, the Company found that underlying value of leased assets of the Company is of low value and accordingly applying Para 4 of Ind AS 116, no adjustment is required to be made to the leased assets of the Company. Therefore, the Company is carrying its leased assets as per earlier standard.

C) Significant accounting policies

(a) Property, Plant and Equipment

Property, Plant and Equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment, if any. Cost directly attributable to acquisition are capitalised until the Property, Plant and Equipment are ready for use as intended by the management.

Property, Plant and Equipment are derecognised from financial statements, either on disposal or when no economic benefits are expected from its use. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the Property, Plant and Equipment and the resultant gains or losses are recognized in the Statement of Profit and Loss. Property, Plant and Equipment, which are to be disposed off are reported at the lower of the carrying value or the fair value less cost to sell.

Depreciation on Property, Plant and Equipment commences when these assets are ready for their intended use. Items of Property, Plant and Equipment are depreciated in a manner that amortizes the cost (or other amount substituted for cost) of these assets, less its residual value, over their useful lives as specified in Schedule II of the Companies Act, 2013 on a straight line basis. Depreciation on Property, Plant and Equipment purchased or sold during the year is proportionately charged.

Depreciation methods, useful lives and residual values of Property, Plant and Equipment are reviewed periodically, including at each financial year end by the management of the Company.

(b) Impairment of non financial assets

Property, Plant and Equipment are evaluated for recoverability, whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

(c) Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities measured at fair value through profit or loss) are added to or deducted from the fair value on initial recognition of financial assets or financial liabilities. Purchase or sale of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date when the Company commits to purchase or sell the asset.

Financial Assets :

Recognition: Financial assets include Investments, Trade receivables, Advances, Security Deposits, Cash and cash equivalents. Such assets are initially recognised at transaction price when the Company becomes party to contractual obligations. The transaction price includes transaction costs unless the asset is being fair valued through the Statement of Profit and Loss.

Classification: Management determines the classification of an asset at initial recognition depending on the purpose for which the assets were acquired. The subsequent measurement of financial assets depends on such classification.

Financial assets are classified as those measured at:

- (a.) amortised cost, where the financial assets are held solely for collection of cash flows arising from payments of principal and/ or interest.
- (b.) fair value through other comprehensive income (FVTOCI), where the financial assets are held not only for collection of cash flows arising from payments of principal and interest but also from the sale of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in other comprehensive income.
- (c.) fair value through profit or loss (FVTPL), where the assets are managed in accordance with an approved investment strategy that triggers purchase and sale decisions based on the fair value of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in the Statement of Profit and Loss in the period in which they arise.

In case of investment in equity shares

- a) For subsidiaries, associates and joint ventures: Investments in equity instruments are carried at deemed cost. The value is tested for impairment on periodical basis. Impairment, if any, is charged to the Statement of Profit and Loss.
- b) For other than subsidiaries, associates and joint ventures: Investments in equity instruments are measured at FVTOCI where "Available for Sale" and at FVTPL where "Held for Trading".

Debt instruments:

Debt instruments are measured at amortised cost. Assets that are held for collection of contractual cash flows where those cash flows represent solely payment of principal and interest are measured at amortised cost. A gain or loss on a debt instrument that is subsequently measured at amortised cost is recognised as profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included as part of other income using the effective interest rate method.

Other:

Trade receivables, Advances, Security Deposits, Cash and cash equivalents etc., are reclassified for measurement at amortised cost.

Impairment: The Company assesses at each reporting date whether a financial asset (or a group of financial

assets) such as investments, trade receivables, advances and security deposits held at amortised cost and financial assets that are measured at fair value through other comprehensive income are tested for impairment based on evidence or information that is available without undue cost or effort. Expected credit losses are assessed and loss allowances recognised if the credit quality of the financial asset has deteriorated significantly since its initial recognition.

Reclassification: When and only when the business model is changed, the Company shall reclassify all affected financial assets prospectively from the reclassification date as subsequently measured at amortised cost, fair value through other comprehensive income, fair value through profit or loss without restating the previously recognised gains, losses or interest and in terms of the reclassification principles laid down in the Ind AS relating to Financial Instruments.

De-recognition: Financial assets are derecognised when the right to receive cash flows from the assets has expired, or has been transferred, and the Company has transferred substantially all of the risks and rewards of ownership. Concomitantly, if the asset is one that is measured at:

- (a.) amortised cost, the gain or loss is recognised in the Statement of Profit and Loss;
- (b.) fair value through other comprehensive income, the cumulative fair value adjustments previously taken to reserves are reclassified to the Statement of Profit and Loss unless the asset represents an equity investment in which case the cumulative fair value adjustments previously taken to reserves is reclassified within equity.

Financial Liabilities

Initial and subsequent recognition: Borrowings, trade payables and other financial liabilities are initially recognised at the value of the respective contractual obligations. They are subsequently measured at amortised cost. Any discount or premium on redemption / settlement is recognised in the Statement of Profit and Loss as finance cost over the life of the liability using the effective interest method and adjusted to the liability figure disclosed in the Balance Sheet.

De-recognition: Financial liabilities are derecognised when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and settled on expiry.

Offsetting Financial Instruments

Financial assets and liabilities are offset and the net amount is included in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

Equity Instruments

Equity instruments are recognised at the value of the proceeds, net of direct costs of the capital issue.

(d) Claims, Provisions, Contingent assets and Liabilities:

Claims lodged by and lodged against the Company are accounted in the year of payment or settlement thereof.

Provisions are recognised when, as a result of a past event, the Company has a legal or constructive obligation; it is probable that an outflow of resources will be required to settle the obligation; and the amount can be reliably estimated. The amount so recognised is the best estimate of the consideration required to settle the obligation at the reporting date, taking into account the risks and uncertainties surrounding the obligation.

In an event when the time value of money is material, the provision is carried at the present value of the cash flows estimated to settle the obligation.

Contingent liabilities are not recognised but are disclosed by way of notes to the financial statements, after careful evaluation by the management of the facts and legal aspects of each matter involved. Contingent

assets are neither recognised nor disclosed in the financial statements.

Contingent liabilities are assessed continually to determine whether an outflow of resources embodying the economic benefit has become probable. If it becomes probable that an outflow of future economic benefits will be required for an item previously dealt with as contingent liability, a provision is recognised in the financial statements of the period in which the change in probability occurs.

(e) Recognition of revenue and expenditure

- (i) Revenue is recognised to the extent that is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on the behalf of the government.

Revenue is recognised in the period in which the services are rendered and the amount of revenue can be measured reliably and recovery of the consideration is probable.

(ii) Interest and dividend income

Interest income is recognised using Effective Interest Method (EIR).

EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of financial instruments or a shorter period, where appropriate, to the gross carrying amount of the asset or to the amortised cost of financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit loss.

Dividend income is recognised in the Statement of Profit and Loss when the right to receive dividend is established.

(f) Employee benefits

Benefits such as salaries, wages and short term compensations etc. is recognized in the period in which the employee renders the related service.

The Company makes contributions to defined benefit schemes. The Company makes contribution to defined benefit i.e. gratuity plan. The cost of providing benefits under the defined benefit obligation is calculated by independent actuary using the projected unit credit method. Service costs and net interest expense or income is reflected in the Statement of Profit and Loss. Gain or Loss on account of re-measurements are recognised immediately through other comprehensive income in the period in which they occur.

(g) Taxes on income

Taxes on income comprises of current taxes and deferred taxes. Current tax in the Statement of Profit and Loss is provided as the amount of tax payable in respect of taxable income for the period using tax rates and tax laws enacted during the period, together with any adjustment to tax payable in respect of previous years.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities and the amounts used for taxation purposes (tax base), at the tax rates and tax laws enacted or substantively enacted by the end of the reporting period.

Deferred tax assets are recognised for the future tax consequences to the extent it is probable that future taxable profits will be available against which the deductible temporary differences can be utilised.

Income tax, in so far as it relates to items disclosed under other comprehensive income or equity, are disclosed separately under other comprehensive income or equity, as applicable.

Deferred tax assets and liabilities are offset when there is legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances related to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on net basis, or to realize the asset and settle the liability simultaneously.

(h) Foreign currency transactions and translation

Transactions in foreign currency are accounted for at the exchange rate prevailing on the transaction date. Gains/ losses arising on settlement as also on translation of monetary items are recognised in the Statement of Profit and Loss.

(i) Prior period errors

Prior Period Errors are omissions from, and misstatements in, prior period financial statements resulting from the failure to use, or the misuse of, reliable information that was available, or could be reasonably expected to have been obtained, at the time of preparation of those financial statements.

Prior Period Errors has been corrected retrospectively in the financial statements. Retrospective application means that the correction affects only prior period comparative figures, current period amounts are unaffected. Comparative amounts of each prior period presented which contain errors are restated. If however, an error relates to a reporting period that is before the earliest prior period presented, then the opening balances of assets, liabilities and equity of the earliest prior period presented has been restated. (As per IAS 8).

(j) Borrowing cost

Borrowing Cost attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets upto the date when such assets are ready for intended use. Other borrowing costs are charged to Statement of Profit and Loss as expense in the year in which they are incurred.

(k) Earnings per share

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also, the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

(l) Cash flow statement

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

(m) Cash and cash equivalents

Cash and cash equivalents in the Balance Sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to insignificant risk of changes in value.

36 Financial risk management

i) Financial instrument by category

- Investment in equity shares of subsidiaries, associates and joint venture are measured in accordance with Ind AS 27, "Consolidated and Separate Financial Statements" and investment in equity shares of other entity is measured in accordance with Ind AS 103 'Financial Instruments' issued by the "Ministry of Corporate Affairs", Government of India.
- For amortised cost instruments, carrying value represents the best estimate of fair value except investment in other debentures.

ii) Risk management

The Company's activities expose it to market risk, liquidity risk and credit risk. The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages those risks.

A) Credit risk

Credit risk is the risk that a counterparty fails to discharge its obligation to the Company. The Company's exposure to credit risk is influenced mainly by cash and cash equivalents, trade receivables and financial assets measured at amortised cost. The Company continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls. Credit risk related to cash and cash equivalents and bank deposits is managed only by accepting highly rated banks and diversifying bank deposits. Other financial assets measured at amortized cost includes loans to employees, security deposits and others. Credit

Notes to the Standalone Financial Statements as at and for the year ended March 31, 2019

risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system in place ensures the amounts are within defined limits.

Credit risk management: The Company assesses and manages credit risk of financial assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets.

- a) Low credit risk
- b) Moderate credit risk
- c) High credit risk

Credit risk exposures: The Company's trade receivables does not have any expected credit loss as they are generally within the credit period. In case of non recoverability in extreme cases, the Company, accordingly, provides for the same in its books of account instead of writing it off permanently.

B) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Company maintains adequate liquidity for meeting its obligations by monitoring the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows from the operations.

C) Market risk

Market risk is the risk of changes in the market prices on account of foreign exchange rates, interest rates and Commodity prices, which shall affect the Company's income or the value of its holdings of its financial instruments. The objective of market risk management is to manage and control market risk exposure within acceptable parameters, while optimising the returns.

a) Currency risk

The Company undertakes transactions denominated in foreign currencies, which are subject to the risk of exchange rate fluctuations. Financial assets and liabilities denominated in foreign currency, except the Company's net investments in foreign operations (with a functional currency other than Indian Rupee), are subject to reinstatement risks.

The carrying amount of foreign currency denominated financial assets and liabilities as at March 31, 2019 are as follows:

Particulars	As at March 31, 2019		As at March 31, 2018	
	USD	GBP	USD	GBP
Financial Assets	-	2,49,625	-	2,49,625
Financial Liabilities	-	-	-	-
	-	2,49,625	-	2,49,625

b) Interest risk

i) Assets: The Company's fixed deposits are carried at fixed rate and interest rate on loan given to subsidiary company is also fixed. Therefore, they are not subject to interest rate risk as defined in Ind AS 107 issued by "the Ministry of Corporate Affairs, Government of India" since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

ii) Liabilities: The Company does not have any borrowings from the market and therefore, it is not subject to interest rate risk.

37 Figures have been rounded off to the nearest Rupee.

38 Figures in bracket represents previous year figures, unless otherwise indicated.

39 Figures of the previous year have been regrouped/recast, wherever necessary, to confirm to current period's presentation.

INDEPENDENT AUDITOR'S REPORT ON CONSOLIDATED IND-AS FINANCIAL STATEMENTS

To the Members of **Integrated Capital Services Limited**

Opinion:

We have audited the accompanying consolidated Ind AS financial statements of **Integrated Capital Services Limited** (hereinafter referred to as "**the Holding Company**") and its subsidiaries (**the holding Company and its subsidiaries together referred to as "the Group"**), its associates which comprising the **Consolidated Balance Sheet** as at March 31, 2019, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "**the consolidated Ind AS financial statements**").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on the separate financial statements and other financial information of the subsidiaries and associates, the aforesaid Consolidated Ind AS financial statements give the information required by the Companies Act, 2013 ("**the Act**") in the manner so required and give a true and fair view in conformity with the Ind AS and accounting principles generally accepted in India, of the consolidated state of affairs of the Group Company and its Associates as at March 31, 2019, and its consolidated financial performance including other comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion:

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters:

Key Audit Matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the Consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Responsibilities of Management and those charged with governance for the Consolidated Ind-AS financial statements:

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these Consolidated Ind AS financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of change in equity of the Group including its associates in accordance with the Indian Accounting Standards (Ind AS) and accounting principles generally accepted in India, specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

The respective Board of Directors of the companies included in the Group and its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and of its associates for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Ind AS financial statements, the respective Board Directors of the Companies included in the Group and of its associates are responsible for assessing the ability of the Group and of its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Companies included in the Group and of its associates are also responsible for overseeing financial reporting process of the Group and its associates

Auditor's Responsibilities for the Audit of Consolidated Ind AS Financial Statement:

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind-AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind-AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

A further description of the auditor's responsibilities for the audit of the Consolidated Ind-AS financial statements is included in "Annexure A". This description forms part of our auditor's report.

Other Matters

We did not audit the financial statements of 3 (three) subsidiary entities whose financial statements reflect total assets excluding inter company balances 40595406/- as at March 31, 2019, as well as total revenue of Rs. 7181633/- for the year ended March 2019 as considered in the Consolidated Ind AS financial statements. The consolidated Ind AS financial statements also include the Group's share of net loss of Rs. 33531124/- for the year ended March 31, 2019 in respect of 01(one) unaudited associate and 02 (Two) associates, whose financial statements has not been audited by us. These financial statements and other financial information have been audited by other auditor whose report (s) has/ (have) furnished to us by the management, and our opinion on the Consolidated IND AS financial statements, to the extent have been derived from such financial statements is based solely on the report of such auditors.

Our opinion on the Consolidated Ind AS financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements/financial information certified by the management.

Report on Other Legal and Regulatory Requirements:

As required by section 143 (3) of the Act, we report that:

- a) We / the other auditors whose reports we relied upon have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated Ind AS financial statements.
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books and reports of the other auditors.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act.
- e) On the basis of written representations received from the directors of the Holding Company as at March 31, 2019 taken on record by the Board of Directors of the Holding company and the reports of the respective statutory auditors of its subsidiary companies and associates incorporated in India, and unaudited reports furnished to us by the

INTEGRATED CAPITAL SERVICES LIMITED

Management of the associate company incorporated outside India, none of the directors of the Group companies, its associate companies incorporated in India, and associate companies incorporated in India and associate company incorporated outside India, is disqualified as on March 31, 2019, from being appointed as a director in terms of Section 164 (2) of the Act.

- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “**Annexure B**”.
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) There were no pending litigations which would impact the consolidated financial position of the Group, its associates.
 - (ii) The Group, its associates do not have any material foreseeable losses on long-term contracts including derivative contracts.

ANNEXURE 'A' OF INDEPENDENT AUDITOR'S REPORT

(Annexure referred under the heading 'Auditor's Responsibilities for the Audit of Consolidated Ind AS Financial Statement' of our report of even date to the Consolidated Ind AS financial statements of the Company for the year ended March 31, 2019)

Responsibilities for Audit of Financial Statement:

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- (i) Identify and assess the risks of material misstatement of the Consolidated Ind-AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- (ii) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- (iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- (iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability Group and its Associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Ind-AS financial statements or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its Associates to cease to continue as a going concern.
- (v) Evaluate the overall presentation, structure and content of the Consolidated Ind-AS financial statements, including the disclosures, and whether the Consolidated Ind-AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance of the Holding Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Ind-AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE 'B' TO INDEPENDENT AUDITOR'S REPORT

(Report on the Internal Financial Controls under Clause (i) of sub-section 3 of the section 143 of the Act)

In conjunction with our audit of the consolidated Ind AS financial statements of the Company as of and for the year March 31, 2019, we have audited the internal financial controls over financial reporting of the **Integrated Capital Services Limited** (hereinafter referred to as "the Holding Company").

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountant of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company based on our audit.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note") issued by the ICAI and the Standards of Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain the reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Holding Company.

Meaning of Internal Financial Controls over Financial Reporting

Holding Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. Holding Company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Holding Company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Holding Company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Holding Company's assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of its inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not to be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are

INTEGRATED CAPITAL SERVICES LIMITED

subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Notes to the Consolidated Financial Statements as at and for the year ended March 31, 2019

1 Corporate Information

Integrated Capital Services Limited (CIN: L74899DL1993PLC051981) is a public limited company domiciled in India and incorporated under the provisions of Companies Act, 1956 (hereinafter referred as 'Holding Company or the Company'). The Company, its subsidiaries and associates (Jointly referred to as 'the Group' herein under) are primarily engaged in Corporate Advisory & Consulting, Expert Services in Turnaround & Restructuring, Business Combinations, Takeovers, Mergers & Amalgamations and Accounting Services. Pursuant to the change in object clause of the holding company in the Annual General Meeting held on September 29, 2018 and after receipt of certificate of change in object clause on November 27, 2018 from Ministry of Corporate Affairs, the activities of company are services in the nature of advisory in matters related to Insolvency and Bankruptcy. On completion of pre-requisites, the Company will apply to Insolvency Professional Entity in accordance with the provision of Insolvency and Bankruptcy Code, 2016.

2 BASIS OF PREPARATION AND SIGNIFICANT ACCOUNTING POLICIES

A) Basis of preparation of financial statements

(a) Statement of Compliance

The financial statements of the subsidiaries and associates entities used in the consolidation are upto the same reporting date as that of the Company i.e. March 31, 2019.

These consolidated financial statements (CFS) are prepared in accordance with Indian Accounting Standard (Ind AS), under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('the Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment made there after.

Effective April 1, 2017, the Group has adopted all the Ind AS standards and the adoption was carried out in accordance with Ind AS 101 'First time adoption of Indian Accounting Standards', with April 1, 2016, as the transition date. The transition was carried out from Indian Accounting Principles Generally Accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

(b) Functional and presentation currency

These financial statements are presented in Indian rupees (Rs.), which is the Group's functional currency. All amounts have been rounded to the nearest rupees.

(c) Basis of Measurement

The financial statements are prepared in accordance with the historical cost convention basis, except for certain items that are measured at fair values.

Determining the Fair Value

While measuring the Fair Value of an asset or a liability, the Group uses observable market data as far as possible. Fair values are categorised into different levels in a Fair Value hierarchy based on the inputs used in the valuation techniques as follows:

Level 1 : Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 : inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 : inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The fair value of trade receivables, trade payables and other Current financial assets and liabilities is considered to be equal to the carrying amounts of these items due to their short-term nature. Where such items are Non-current in nature, the same has been classified as Level 3 and fair value determined using discounted cash flow basis. Similarly, unquoted equity instruments where most recent information to measure fair value is insufficient, or if there is a wide range of possible fair value measurements, cost has been considered as the best estimate of fair value.

If the inputs used to measure the Fair Value of an asset or a liability fall into different levels of the Fair Value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the Fair Value hierarchy as the lowest level input that is significant to the entire measurement.

(d) Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1 – "Presentation of Financial Statements" issued by the "Ministry of Corporate Affairs, Government of India" based on the nature of product and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents

(e) Use of Estimate

The preparation of financial statements in conformity with the Ind AS requires management to make estimates, judgements and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of the contingent asset and contingent liability at the date of the financial statements and reported amount of income and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from the estimates. Appropriate changes in estimate are made as the management become aware of the change in circumstances surrounding the estimates. Change in the estimates are reflected in the financial statements in the period in which the changes are made and, if material, their effect are disclosed in the notes to financial statements.

(f) Basis of Consolidation

The Consolidated Financial Statements (CFS) include the financial statements of the Company and its subsidiaries as at March 31, 2019 together with the share in total comprehensive income of associate entities on that date.

Subsidiaries are entities controlled by the Group. Associates are entities over which the Group exercises significant influence but does not have control. An entity in which the Group has the ability to exercise control jointly with one or more uncontrolled entities may be a joint venture ("JV") or a joint operation ("JO"). Unlike in a JV where parties have proportionate interests in the assets and liabilities of the JV entity, parties have rights to and obligations towards specified assets and liabilities in a JO.

Control, significant influence and joint control is assessed annually with reference to the voting power (usually arising from equity shareholdings and potential voting rights) and other rights (usually contractual) enjoyed by the Group in its capacity as an investor that provides it the power and consequential ability to direct the investee's activities and significantly affect the Group's returns from its investment. Such

assessment requires the exercise of judgement and is disclosed by way of a note to the financial statements. The Group is considered not to be in control of entities where it is unclear as to whether it enjoys such power over the investee/s.

CFS are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than those adopted in the CFS for like transactions and events in similar circumstances, appropriate adjustments are made to that group member's financial statements in preparing the CFS to ensure conformity with the group's accounting policies.

The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company, i.e., year ended on March 31. When end of the reporting period of the parent is different from that of a subsidiary, the subsidiary prepares, for consolidation purposes, additional financial information as of the same date as the financial statements of the parent to enable the parent to consolidate the financial information of the subsidiary, unless it is impracticable to do so.

Consolidation procedures:

The assets, liabilities, income and expenses and cash flows of subsidiaries are aggregated and consolidated, line by line, from the date control is acquired by any Group entity to the date it ceases. Profit or loss and each component of Other Comprehensive Income are attributed to the Group as owners and to the non-controlling interests. The Group presents the non-controlling interests in the Balance Sheet within equity, separately from the equity of the Group as owners. In case of JO, Group's share of assets, liabilities, income and expenses are consolidated.

Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary under consolidation.

An investment in an associate or a JV is initially recognised at cost on the date of the investment in the Balance Sheet. The proportionate share of the Group in the net profits / losses as also in the Other Comprehensive Income is recognised in the Statement of Profit and Loss and the carrying value of the investment is adjusted by a like amount.

All intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

B) Recent accounting pronouncement:

- (i) Ind AS 115- Revenue from Contract with Customers: On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Ind AS 115, Revenue from Contract with Customers. The core principle of the new standard is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Further the new standard requires enhanced disclosures about the nature, amount, timing and uncertainty of revenue and cash flows arising from the entity's contracts with customers.

The standard permits two possible methods of transition:

- Retrospective approach - Under this approach the standard will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8- Accounting Policies, Changes in Accounting Estimates and Errors.
- Retrospectively with cumulative effect of initially applying the standard recognized at the date of initial application (Cumulative catch - up approach) The effective date for adoption of Ind AS 115 is financial periods beginning on or after April 1, 2018.

The Group has adopted the standard on April 1, 2018 by using the cumulative catch-up transition method and accordingly comparatives for the year ending or ended March 31, 2018 has not been retrospectively adjusted. The effect on adoption of Ind AS 115 is insignificant.

- (ii) Ind AS 116 on “Leases”: On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 116 on Leases. Ind AS 116 will replace the existing Ind AS 17 on Leases, and related Interpretations. The Standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the Lessee and the Lessor. Ind AS 116 introduces a single lease accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than twelve months, unless the underlying asset is of low value. Currently, operating lease expenses are charged to the Statement of Profit & Loss as per Ind AS 17. The Standard also contains enhanced disclosure requirements for lessees.

The effective date for adoption of Ind AS 116 is annual periods beginning on or after April 1, 2019. The standard permits two possible methods of transition:

- a) Full retrospective: Retrospectively to each prior period presented applying Ind AS 8 on ‘Accounting Policies, Changes in Accounting Estimates and Errors’.
- b) Modified retrospective: Retrospectively, with the cumulative effect of initially applying the Standard recognized at the date of initial application. Under modified retrospective approach, the lessee records the lease liability at the present value of remaining lease payments, discounted at the incremental borrowing rate and the right of use asset either as its carrying amount as if the standard had been applied since the commencement date, but discounted at lessee’s incremental borrowing rate at the date certain practical expedients are available under both the methods.

On completion of the evaluation of the Ind AS 116, the Company found that underlying value of leased assets of the Company is of low value and accordingly applying Para 4 of Ind AS 116, no adjustment is required to be made to the leased assets of the Company. Therefore, the Company is carrying its leased assets as per earlier standard.

C) Significant accounting policies

(a) Property, Plant and Equipment

Property, Plant and Equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment, if any. For this purpose, cost includes deemed cost which represents the carrying value of Property, Plant and Equipment recognised as at April 1, 2016 measured as per the previous GAAP. Cost directly attributable to acquisition are capitalised until the Property, Plant and Equipment are ready for use as intended by the management.

Property, Plant and Equipment are derecognised from financial statements, either on disposal or when no economic benefits are expected from its use. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the Property, Plant and Equipment and the resultant gains or losses are recognized in the Statement of Profit and Loss. Property, Plant and Equipment, which are to be disposed off are reported at the lower of the carrying value or the fair value less cost to sell.

Items of Property, Plant and Equipment are depreciated in a manner that amortizes the cost (or other amount substituted for cost) of these assets, less its residual value, over their useful lives as specified in Schedule II of the Companies Act, 2013 on a straight line basis. Depreciation on Property, Plant and Equipment purchased or sold during the year is proportionately charged.

Depreciation methods, useful lives and residual values of Property, Plant and Equipment are reviewed periodically, including at each financial year end by the management of the Group.

(b) Impairment of non financial assets

Property, Plant and Equipment are evaluated for recoverability, whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

(c) Financial instruments

Financial assets and financial liabilities are recognised when the Group becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities measured at fair value through profit or loss) are added to or deducted from the fair value on initial recognition of financial assets or financial liabilities. Purchase or sale of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date when the group commits to purchase or sell the asset.

Financial Assets:

Recognition: Financial assets include Investments, Trade receivables, Advances, Security Deposits, Cash and cash equivalents. Such assets are initially recognised at transaction price when the Group becomes party to contractual obligations. The transaction price includes transaction costs unless the asset is being fair valued through the Statement of Profit and Loss.

Classification: Management determines the classification of an asset at initial recognition depending on the purpose for which the assets were acquired. The subsequent measurement of financial assets depends on such classification.

Financial assets are classified as those measured at:

- (a.) amortised cost, where the financial assets are held solely for collection of cash flows arising from payments of principal and/ or interest.
- (b.) fair value through other comprehensive income (FVTOCI), where the financial assets are held not only for collection of cash flows arising from payments of principal and interest but also from the sale of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in other comprehensive income.
- (c.) fair value through profit or loss (FVTPL), where the assets are managed in accordance with an approved investment strategy that triggers purchase and sale decisions based on the fair value of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in the Statement of Profit and Loss in the period in which they arise.

In case of investment in equity shares

Investments in equity instruments are measured at FVTOCI if these are held as “Available for Sale” and at FVTPL if held as “Held for Trading”.

Debt instruments:

Debt instruments are measured at amortised cost. Assets that are held for collection of contractual cash flows where those cash flows represent solely payment of principal and interest are measured at amortised cost. A gain or loss on a debt instrument that is subsequently measured at amortised cost is recognised as profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included as part of other income using the effective interest rate method.

Other:

Trade receivables, Advances, Security Deposits, Cash and cash equivalents etc., are reclassified for measurement at amortised cost.

Impairment: The Group assesses at each reporting date whether a financial asset (or a group of financial assets) such as investments, trade receivables, advances and security deposits held at amortised cost and financial assets that are measured at fair value through other comprehensive income are tested for impairment based on evidence or information that is available without undue cost or effort. Expected credit losses are assessed and loss allowances recognised if the credit quality of the financial asset has deteriorated significantly since its initial recognition.

Reclassification: When and only when the business model is changed, the Group shall reclassify all affected financial assets prospectively from the reclassification date as subsequently measured at amortised cost, fair value through other comprehensive income, fair value through profit or loss without restating the previously recognised gains, losses or interest and in terms of the reclassification principles laid down in the Ind AS relating to Financial Instruments.

De-recognition: Financial assets are derecognised when the right to receive cash flows from the assets has expired, or has been transferred, and the Group has transferred substantially all of the risks and rewards of ownership. Concomitantly, if the asset is one that is measured at:

- (a.) amortised cost, the gain or loss is recognised in the Statement of Profit and Loss;
- (b.) fair value through other comprehensive income, the cumulative fair value adjustments previously taken to reserves are reclassified to the Statement of Profit and Loss unless the asset represents an equity investment in which case the cumulative fair value adjustments previously taken to reserves is reclassified within equity.

Financial Liabilities

Initial and subsequent recognition: Borrowings, trade payables and other financial liabilities are initially recognised at the value of the respective contractual obligations. They are subsequently measured at amortised cost. Any discount or premium on redemption / settlement is recognised in the Statement of Profit and Loss as finance cost over the life of the liability using the effective interest method and adjusted to the liability figure disclosed in the Balance Sheet.

De-recognition: Financial liabilities are derecognised when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and settled on expiry.

Offsetting Financial Instruments

Financial assets and liabilities are offset and the net amount is included in the Balance Sheet where there is

a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

Equity Instruments

Equity instruments are recognised at the value of the proceeds, net of direct costs of the capital issue.

(d) Claims, Provisions, Contingent assets and Liabilities:

Claims lodged by and lodged against the Group are accounted in the year of payment or settlement thereof.

Provisions are recognised when, as a result of a past event, the Group has a legal or constructive obligation; it is probable that an outflow of resources will be required to settle the obligation; and the amount can be reliably estimated. The amount so recognised is the best estimate of the consideration required to settle the obligation at the reporting date, taking into account the risks and uncertainties surrounding the obligation.

In an event when the time value of money is material, the provision is carried at the present value of the cash flows estimated to settle the obligation.

Contingent liabilities are not recognised but are disclosed by way of notes to the financial statements, after careful evaluation by the management of the facts and legal aspects of each matter involved. Contingent assets are neither recognised nor disclosed in the financial statements.

Contingent liabilities are assessed continually to determine whether an outflow of resources embodying the economic benefit has become probable. If it becomes probable that an outflow of future economic benefits will be required for an item previously dealt with as contingent liability, a provision is recognised in the financial statements of the period in which the change in probability occurs.

(e) Recognition of revenue and expenditure

(i) Revenue is recognised to the extent that is probable that the economic benefits will flow to the Group and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on the behalf of the government.

Revenue is recognised in the period in which the services are rendered and the amount of revenue can be measured reliably and recovery of the consideration is probable.

(ii) Interest income

Interest income is recognised using Effective Interest Method (EIR).

EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of financial instruments or a shorter period, where appropriate, to the gross carrying amount of the asset or to the amortised cost of financial liability. When calculating the effective interest rate, the Group estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit loss.

(f) Employee benefits

Benefits such as salaries, wages and short term compensations etc. is recognized in the period in which the employee renders the related service.

The Group makes contributions to defined benefit schemes. The Group makes contribution to defined benefit i.e. gratuity plan. The cost of providing benefits under the defined benefit obligation is calculated by independent actuary using the projected unit credit method. Service costs and net interest expense or income is reflected in the Statement of Profit and Loss. Gain or Loss on account of re-measurements are

recognised immediately through other comprehensive income in the period in which they occur.

(g) Taxes on income

Taxes on income comprises of current taxes and deferred taxes. Current tax in the Statement of Profit and Loss is provided as the amount of tax payable in respect of taxable income for the period using tax rates and tax laws enacted during the period, together with any adjustment to tax payable in respect of previous years.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities and the amounts used for taxation purposes (tax base), at the tax rates and tax laws enacted or substantively enacted by the end of the reporting period.

Deferred tax assets are recognised for the future tax consequences to the extent it is probable that future taxable profits will be available against which the deductible temporary differences can be utilised.

Income tax, in so far as it relates to items disclosed under other comprehensive income or equity, are disclosed separately under other comprehensive income or equity, as applicable.

Deferred tax assets and liabilities are offset when there is legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances related to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on net basis, or to realize the asset and settle the liability simultaneously.

(h) Foreign currency transactions and translation

Transactions in foreign currency are accounted for at the exchange rate prevailing on the transaction date. Gains/ losses arising on settlement as also on translation of monetary items are recognised in the Statement of Profit and Loss.

(i) Borrowing cost

Borrowing Cost attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets upto the date when such assets are ready for intended use. Other borrowing costs are charged to Statement of Profit and Loss as expense in the year in which they are incurred.

(j) Prior period errors

Prior Period Errors are omissions from, and misstatements in, prior period financial statements resulting from the failure to use, or the misuse of, reliable information that was available, or could be reasonably expected to have been obtained, at the time of preparation of those financial statements.

Prior Period Errors has been corrected retrospectively in the financial statements. Retrospective application means that the correction affects only prior period comparative figures, current period amounts are unaffected. Comparative amounts of each prior period presented which contain errors are restated. If however, an error relates to a reporting period that is before the earliest prior period presented, then the opening balances of assets, liabilities and equity of the earliest prior period presented has been restated. (As per IAS 8).

(k) Earnings per share

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Group by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Group by the weighted average number of equity shares considered for deriving basic earnings per equity share and also, the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds

receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

(l) Cash flow statement

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Group are segregated based on the available information.

The Company in its Cash Flow Statement also provides disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the Balance Sheet for liabilities arising from financing activities, to meet the disclosure requirement of amended Ind AS 7.

(m) Cash and cash equivalents

Cash and cash equivalents in the Balance Sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to insignificant risk of changes in value.

35 Financial risk management

i) Financial instrument by category

a) Investment in equity shares of subsidiaries, associates and joint venture are measured in accordance with Ind AS 27, "Consolidated and Separate Financial Statements" and investment in equity shares of other entity is measured in accordance with Ind AS 109, "Financial Instruments" issued by "the Ministry of Corporate Affairs", Government of India.

b) For amortised cost instruments, carrying value represents the best estimate of fair value except investment in other debentures.

ii) Risk management

The Group's activities expose it to market risk, liquidity risk and credit risk. The Group's Board of Directors has overall responsibility for the establishment and oversight of the Group's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

A) Credit risk

Credit risk is the risk that a counterparty fails to discharge its obligation to the Group. The Group's exposure to credit risk is influenced mainly by cash and cash equivalents, trade receivables and financial assets measured at amortised cost. The Group continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls. Credit risk related to cash and cash equivalents and bank deposits is managed only by accepting highly rated banks and diversifying bank deposits. Other financial assets measured at amortized cost includes loans to employees, security deposits and others. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system in place ensures the amounts are within defined limits.

Credit risk management: The Group assesses and manages credit risk of financial assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets.

- a) Low credit risk
- b) Moderate credit risk
- c) High credit risk

Credit risk exposures: The Group's trade receivables does not have any expected credit loss as they are generally within the credit period. In case of non recoverability in extreme cases, the Group, accordingly, provides for the same in its books of account instead of writing it off permanently.

B) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Group maintains adequate liquidity for meeting its obligations by monitoring the Group’s liquidity position and cash and cash equivalents on the basis of expected cash flows from the operations.

C) Market risk

Market risk is the risk of changes in the market prices on account of foreign exchange rates, interest rates and Commodity prices, which shall affect the Group’s income or the value of its holdings of its financial instruments . The objective of market risk management is to manage and control market risk exposure within acceptable parameters, while optimising the returns.

a) Currency risk

The Group undertakes transactions denominated in foreign currency (mainly US Dollar and GBP), which are subject to the risk of exchange rate fluctuations. Financial assets and liabilities denominated in foreign currency, except the Group’s net investments in foreign operations (with a functional currency other than Indian Rupee), are subject to reinstatement risks.

The carrying amount of foreign currency denominated financial assets and liabilities as at March 31, 2019 are as follows:

Particulars	As at March 31, 2019		As at March 31 , 2018	
	USD	GBP	USD	GBP
Financial Assets	-	2,49,625	-	2,49,625
Financial Liabilities	-	-	-	-
	-	2,49,625	-	2,49,625

b) Interest risk

i) Assets: The Group’s fixed deposits, are carried at fixed rate and therefore, not subject to interest rate risk as defined in Ind AS 107 issued by “Ministry of Corporate Affairs, Government of India since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

ii) Liabilities: The Group does not have any borrowings from the market and therefore, it is not subject to interest rate risk.
