“ The fastest growing Indian economy has increased the demand for road infrastructure. Up-gradation of the National Highways from public funds alone are not sufficient. This has led the Government to take a policy decision to involve private sector for the development of National Highway on Build-operate-transfer (BOT). ”

Chairman's Message

Dear Shareholders,

I am very much delighted to present the first financial report of your company, post the listing of your company on BSE and NSE w.e.f. 16th September, 2015. At the onset, I would like to thank each and every shareholder of our Company who has shown utmost trust and confidence on the business model, its management and its business strategy. In a very challenging global environment, the IPO was over-subscribed by 2.327 times. Your company raised ₹ 4,250.0 million by way of primary issuance of shares and ₹ 666.6 million by way of offer for sale (OFS) by Selling Shareholders. Your company is the first roads and highways BOT Company in India to be listed on Indian stock exchanges.

“ Our vision is to continually deliver maximum value to all stakeholders and achieve and maintain a leadership position in the infrastructure development space through profitable, ethical and sustainable means only.”

Sadbhav Infrastructure Project Limited (SIPL), a subsidiary of Sadbhav Engineering Limited, endeavors' at all times, to achieve the highest performance standards in the industry and an unchallenged leadership position across all segments in which we operate. We have been entrusted with a considerable number of projects focusing on the development, operation and maintenance of highways, roads and other relative aspects. We have observed a flourishing growth and success rate since SIPL's incorporation. Your company contributes actively towards the society and environment in various measures. With an optimistic view to continue for many years, it gives me immense pleasure to present the financial report of your company for the year 2015-2016.

It is known that due to unrest in the global economic scenario, the organizations goals are not being realized in a complete manner. Though, the strengthened position of markets in India has brought a reform in the execution of national level policies. This has given the Indian infrastructural parameter a boom. It has led your company to hold some of the most important

contracts and projects simultaneously creating a value for its investors.

As a company with a focus on providing high – quality construction work, we are pre-qualified on an annual basis to bid either directly or through joint ventures for DBFOT projects of values up to ₹ 26,500 million by the NHAI. Structured with presence across the entire road sector value chain, we are involved in the development, operation and maintenance of national and state highways and roads in several states in India namely Maharashtra, Rajasthan, Gujarat, Karnataka, Telangana, Haryana, Madhya Pradesh and border check posts in the state of Maharashtra. All of our projects are implemented and held through special purpose vehicles (SPVs), including joint venture entities.

With our expanded and selectively diversified portfolio of BOT projects located in high growth states and important corridors, we currently have a portfolio of 11 BOT projects out of which 8 are fully operational, 1 is partially operational and remaining projects are under advanced stages of construction. We have 8 NHAI projects,

and the other 3 are from state authorities. Our operational projects cover approximately 2,207 lane kms with total project costs of ₹ 82,132.0 million and the projects under construction cover of 744 lane kms with the total project costs of ₹ 19,476.0 million. Your company has been declared L1 for 2 new HAM projects as on 31st March, 2016. As on 31st March 2016, our market capitalization stood at ₹ 35,926.9 million.

In addition to above, your Company has already signed SPA for acquisition of 74% stake in Mysore Bellary Highway Private Limited (MBHPL) from its parent company (Sadbhav Engineering Limited). During 2015-16, your company had completed the following activities to improve its financial position –

- Completion of acquisition of 47% stake in Dhule Palesner Tollway Limited thereby increasing its stake to 49% and SPA signed for balance 51% stake.
- Completion of acquisition of 20% stake in Ahmedabad Ring Road Infrastructure Limited thereby increasing its stake to 100% from 80%
- Sale of economic interest of 20% in Mumbai Nasik Expressway Limited to BIF India Holdings

Pte. Ltd. for ₹ 720 million and repayment of loans amounting to ₹ 174.72 million.

- Completion of refinancing of debt in Dhule Palesner Tollway Limited and Nagpur - Seoni Express Way Limited with a view to improve the position of the cash flow. Your company is currently in the process of refinancing its debt in other operational SPVs.

We generate revenues primarily from toll collection, user fee and annuity receipts. SIPL has a provision for advisory and project management services for all its projects. Hence, our consolidated total income from operations and standalone income from operations for financial year ended 31st March, 2016 stood at ₹ 7421.96 million and ₹ 857.97 million respectively. We possess a significant benefit from more than 25 years of experience of and relationships established by SEL (our corporate promoter) with its record execution of projects in the construction activities in the transport, mining and irrigation sectors.

I feel extremely privileged to announce that all of this would not have been possible if we, at SIPL,

“ Roads remain the essential network of the non-virtual world. They are the infrastructure upon which almost all other infrastructure depends. They are the paths of human endeavor.”

did not have a strong team of Engineering and Management and Project staff. A comprehensive expertise in the form of upcoming talents of corporate world was brought to the table. We, through our Human Resource department, have ensured that our employees gain ample opportunities for both, personal and professional growth.

Therefore, I take this and many more opportunities to thank every stakeholder of SIPL, who play an important role in building our confidence. We also place on record our appreciation for extended and undeterred support shown towards the company by our customers, shareholders, lenders, partners and vendors. With your continued interest and presence in the company's working, I thereby, as well as on behalf of Board of Directors, whole heartedly pledge to further strengthen market position and increase contribution to infrastructural needs of the country in the financial year of 2017.

Thank you.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF COMPANIES ACT, 2013

Item No. 4

The Board of Directors of the Company on the recommendation of the Audit Committee, approved the appointment and remuneration of M/s. Rajendra Patel & Associates, Cost Accountant in Practice (Firm Reg. No. 101163), to conduct the audit of the cost records maintained by the Company for the financial year 2016-17, at their meeting held on 20th August, 2016.

In terms of the provisions of Section 148(3) of the Companies Act, 2013 read with Rule 14(a)(ii) of the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditor is required to be ratified by the Members of the Company. Accordingly, the members are requested to ratify the remuneration payable to the Cost Auditors for audit of cost records of the Company for the financial year 2016-17 as set out in the resolution for the aforesaid services to be rendered by them.

None of the Directors and Key Managerial Personnel of the Company or their relatives are concerned or interested, either financially or otherwise, in the resolution.

The Board of Directors recommend the Ordinary Resolution set out at Item No. 4 of the Notice for approval by the Members.

Item No. 5

Pursuant to the erstwhile equity listing agreements (“Listing Agreement”) entered into by the Company with BSE Ltd. and the National Stock Exchange of India Ltd. and applicable circulars and regulations issued by the Securities and Exchange Board of India (“SEBI”), any material related party transaction, i.e. a transaction to be entered into which individually or together with previous transactions in a given financial year with a related party exceeds 10% of the annual consolidated turnover as per the last audited financial statements of the Company, requires the approval of the shareholders of the Company by way of a special resolution.

Subsequently, SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015 (“Regulations”) were notified on 2nd September, 2015, and became effective from 1st December 2015. Pursuant to Regulation 23 of the said Regulations, all existing material related party contracts or arrangements entered into prior to the date of notification of Regulations and which continue beyond such date shall be placed for approval/ratification of the shareholders in the first General Meeting subsequent to notification of these Regulations.

Your Company has some material related party transactions which are in existence and likely to continue in the financial year 2016-17 or beyond for which your approval is required as per SEBI (LODR) Regulations, 2015.

The details of said Related Party Transactions are given here in below:

Sr. No.	Name of Related Party	Relationship	Nature of Transactions	Amount (₹ in Million)
1	Sadbhav Engineering Limited	Holding Company	Providing financial facilities as per MOU dated 20/12/2014	10000.00
2	Maharashtra Border Check Post Network Ltd.	Subsidiary Company	Unsecured Loan Given	1856.70

The proposal outlined above is in the interest of the Company and the Board recommends the resolution set out in item No. 5 to the accompanying Notice as an ordinary resolution.

None of Director, key managerial personnel (KMP) and their relatives, is concerned or interested in the said resolution except to the extent of their directorship and shareholding in the holding and subsidiary Company.

Item No. 6

As per provisions of Section 42, 71 and 179 of the Companies Act, 2013 read with Rule 14 of the Companies (Prospectus and Allotment of Securities) Rules, 2014 and Rule 18 of the Companies (Share Capital and Debentures) Rules, 2014, a company shall not make a Private Placement of its securities unless the proposed offer of securities or invitation to subscribe to securities has been previously approved by the Shareholders of the Company by a Special Resolution for each of the offers or invitations. However, in case of offer or invitation for “non-convertible debentures”, it shall be sufficient if the company passes a previous Special Resolution only once in a year for all the offer(s) or invitation(s) for such debentures during the year.

Accordingly, the Shareholders of the Company had passed a Special Resolution at the last (9th) Annual General Meeting (AGM) of the Company held on 28th December, 2015, to raise funds through Private Placement of Secured/Unsecured Non-Convertible and/ or other Debt Securities by way of issue of secured/ unsecured non-convertible debentures of the Company, in one or more tranches, to such person or persons, who may or may not be the debenture holders of the Company, within the overall market borrowing programme of the Company. However, the above approval of shareholders is valid only upto 27th December, 2016. In order to facilitate raising of funds thereafter and in line with the aforesaid statutory provisions, it is necessary to pass a Special Resolution at this Annual General Meeting for raising of funds through private placement of secured/unsecured non-convertible debentures and / or other Debt Securities during a period of one year from the date of passing of this resolution.

Further, the Board of Directors of the Company (the “Board”) or any Committee duly constituted by the Board or such other authority as may be approved by the Board, shall be authorized to determine the terms of the issue, including the class of investors to whom the debentures are to be allotted, the number of debentures to be allotted in each tranche, issue price, tenor, interest rate, premium/discount to the then prevailing market price, amount of issue, discount to issue price to a class of debenture holders, listing, issuing any declaration/undertaking etc. required to be included in the Private Placement Offer documents and to do and execute all such acts, deeds and things under any other regulatory requirement for the time being in force.

The Board of Directors recommends the resolution mentioned in Item no.6 for approval of members.

None of the Directors and Key Managerial Personnel of the Company or their relatives are concerned or interested, either financially or otherwise, in the resolution.

Item No. 7 & 8

In terms of the provisions of Section 180(1)(a) and 180(1)(c) of the Companies Act, 2013 read with applicable rules framed thereunder, the Board of Directors of the Company cannot, except with the consent of the Company in General Meeting, dispose of its property (including creation of charge on assets of the Company) and borrow moneys, apart from temporary loans obtained from the Company's bankers in the ordinary course of business, in excess of aggregate of the paid up capital and its free reserves (reserves not set apart for any specific purpose). At the Extra Ordinary General Meeting of the Company held on 22nd October, 2014, the shareholders had accorded consent to the Board of Directors borrowing any sum or sums of money outstanding at any point of time, not exceeding the sum of ₹ 1500 Crores (Rupees One Thousand Five Hundred Crores only). At the same Extra Ordinary General Meeting of the Company, the shareholders had accorded consent to the Board of Directors for creation of charges etc. to secure aforesaid borrowings.

Considering the Company's future growth plans and requirements of additional funds for operation, modernization, it is proposed to increase the above borrowing limits from the existing ₹ 1,500 crores to an amount not exceeding at any time a limit of ₹ 2,000 crores (Rupees Two Thousand Crores only).

The proposed borrowings by the Company, if required, is to be secured by mortgage or charge on all or any of the movable or immovable or any other tangible and intangible assets / properties of the Company (both present & future), in favour of any lender including the financial institutions / banks / debenture trustees etc. in such form, manner and ranking as may be determined by the Board of Directors of the Company from time to time, in consultation with the lender(s).

The mortgage and / or charge on any of the movable and / or immovable or any other tangible and intangible assets / properties and / or the whole or any part of the undertaking(s) of the Company, to secure borrowings of the Company with a power to the charge holders to take over the management of the business of the Company in certain events of default, may be regarded as disposal of the Company's undertaking(s) within the meaning of Section 180(1)(a) of the Companies Act, 2013.

The resolutions contained in item no. 7 & 8 of the accompanying Notice, accordingly, seek members' approval for increasing the borrowing limits and disposal of the Company's undertaking(s) by creation of mortgage / charge etc. thereon and for authorizing the Board of Directors (including a Committee thereof authorized for the purpose) of the Company to complete all the formalities in connection with the increase in the borrowing limits and creating charge on Company's properties, respectively.

None of the Directors or key managerial personnel of the Company or their relatives is / are, in any way concerned or interested in the proposed resolutions.

The Board recommends the resolutions set forth in the Item Nos. 7 & 8 of the Notice for approval of the members.

Management Discussion & Analysis

SIPL (Sadbhav Infrastructure Project Limited) takes into consideration the predictions established under the umbrella of economy, both world and national; policies; governments; etc. Therefore, in admittance of all these aspects, the company presents its annual report for the year 2015-16.

1. ECONOMIC

A global GDP growth rate of 3.5% is lower but better than the average rate, over the past five years. While growth rates between mature and emerging markets have rapidly converged, significant variation between regions remains. Turning to indicators of real activity, output growth in the Q1 of 2016 was somewhat better than expected in emerging market and developing economies and roughly in line with projections for advanced economies, with better-than-expected Euro area growth counterbalancing weaker U.S. growth. The GDP growth rate of India has been derived at 6.8% which is better in comparison to future predictions of 6.5% in 2017. Productivity growth in most advanced economies remained sluggish, and inflation was below target owing to slack and the effect of past declines in commodity prices. From a macroeconomic perspective, the 'Brexit' vote implied a substantial increase in economic, political, and institutional uncertainty, which is projected to have negative macroeconomic consequences. On a structural model-based approach and judgment, the possible negative repercussion on the global economy seems closer. This includes a more severe financial market reaction than what has been observed so far. In the US and Europe alike, investments levels are low and the export sector is only providing a small contribution to the recovery. At the same time growth is slowing in Asia and world trade is likely to grow at a slower rate than GDP. Threatened by a range of factors, it is a recovery without a real upturn in the business cycle.

2. INDUSTRY SYNOPSIS

India has been able to accelerate growth out of its own power. Political reforms have improved governance. Barriers to trade, the regulatory burden, and the cost of doing business have been reduced. Also, the education level of the workforce has improved. The mobile revolution has made information accessible almost everywhere, thus, increasing political transparency. But the emerging economies will still be under market pressure during 2016. In this rather difficult environment, it would be a critical moment if external pressure, such as tensions in global economy, translated into a push for economic reforms. Growth is increasing, led by the recovery in the advanced economies, but populism, geopolitical risks and market turmoil are likely to cast some shadows over the optimism. Though, it is important to take on board, the fundamental optimism that globalisation is bringing to emerging markets. According to the IMF forecast for 2016 there will be more than 3.4 billion people living in countries with a GDP growing faster than 6%. A growth rate of 6% means that the total economy will triple in two decades. With policies of economic reform, the revival of the fundamental emerging market doesn't seem far-fetched.

3. OVERVIEW

In addition to the above projects, the equity shares of SIPL were listed on the Bombay Stock Exchange (BSE) and the National Stock Exchange (NSE) as on 16th September 2015. As on 31st March 2016, our market capitalization stood at ₹ 35,926.9 million.

Our business model is directly linked to India's GDP, State GDP, activities around the Project Influence Area (PIA), interest rate environment in the country and inflation. All these variables have moved positively in our favour in the year 2015-16. We expect these trend to continue also for 2016-17. Sadbhav Infrastructure Private Limited (SIPL) is one of the leading roads and highways BOT companies in India. It specialises in the development, operation and maintenance of highways, roads and related projects. These projects are implemented and held through special purpose vehicles, including joint venture entities. Being incorporated in 2007, it is a subsidiary of Sadbhav Engineering Ltd. (SEL). It has an established track record of executing projects. Our operational projects cover approximately 2,207 lane kms and the projects under development cover approximately 744 lane kms. In addition, as of March 31, 2016, our Subsidiary MBCPNL completed 16 check posts and is developing 8 more check posts.

With over 25 years of experience in construction activities, since its incorporation in 1988, SEL has also improved its presence in Irrigation and Mining segment, comprising of 45% of the total order book as on FY 16.

Our focal point remains our assets. Assets primarily in states where the company currently has operations, present a lower risks for toll collection. Traffic and EPC consultants are appointed to carry out detailed study of the traffic growth and the road structure. In-house financial and traffic estimates of the assets arrive before helping in submitting rational bids for the asset. Lenders are approached for achievement of Financial Closure (FC) of the project and then EPC contractors are finalised before the appointed date and initial work on the project is carried out. To ensure diligent monitoring, and other than the engineers appointed by NHAI and Lenders, SIPL also appoints a marquee engineer who gives monthly tracking of the work being carried out on the project. Our company has an in-house operations and maintenance team thereby reducing third-party dependency and ensuring quality of work.

4. OPPORTUNITIES & STRENGTHS

It currently holds the portfolio of 11 roads and highways BOT projects of which 8 are fully operational, one is the partially operational and the remaining are under advanced stages of construction. The total project cost sums up to ₹ 101,608 million. 10 out of the 11 BOT projects are toll projects, while the remaining is an annuity project. We have diversified our portfolio between NHAI and state projects. We further to increase to increase the diversification for toll revenue by increasing the proportion of annuity projects also under the new Hybrid Annuity Model (HAM) started by NHAI. Your company has been declared L1 for 2 new HAM projects as on 31st March, 2016. Your company is one of the front runners for the new initiative/model arranged by NHAI.

We have consolidated our stakes in all SPVs by buying the JV partners stake in 3 SPVs (namely HYTPL, ARRIL & DPTL) and selling the minority economic interests in MNEL in last 2 years. The concession agreements established towards the subsidiaries are for periods ranging from 18 to 30 years. Thereby, it ensures sustained future cash flows and growth for us.

We believe that the strategic locations of our projects strengthen the stability of our revenue by closing finance arrangements for these projects. A sizeable and diverse portfolio, in several states in India, has led to effective toll collection and toll management systems. A timely execution of projects in high economic growth areas and an integrated management team has led us to success. We foresee a huge opportunity for the company in the new HAM model started by NHAI. In terms of financing, your company has already started various transactions to reduce the cost of funds and thereby improving the cash flow position. We shall continue to focus on improving the toll collection and management system thereby increasing the revenue and reducing the costs.

6. RISKS & CHALLENGES

There are two categories of risk that the Management of the Company has identified. Firstly the Internal and Business Risk, such as a penalty for delay in completion of the project, cost overrun due to problems of land acquisitions, removal of encroachment, etc. Non-maintenance / break-down, mishandling of machines and equipment of pose a major risk towards non execution of projects and liability towards the organization. Thus, the successful completion of projects depends on EPC contractors and is therefore, sometimes, contingent on their performance since these projects are high valued contracts. There is a risk of escalation of cost of raw materials for BOT projects. Delay due to sub-contractor's performance and shortage in supply of raw materials can postpone projects and eventually result in delay of start of toll collection. Sometimes, a temporary setback is faced by the organization if any key managerial personnel were to leave. Also, any negligence towards health and safety of workforce and employees can affect our performance. Secondly, External Risks go beyond the control of Management and can be identified in various ways. Any change in the government policy, political situation, regulatory environment and civil disturbances will have adverse effect on company's business. Natural risks like adverse weather condition, fire, floods, earthquakes etc. However these risks are passed on by taking the Insurance Coverage from Insurance Company. Changes in the tax structure of sales tax, VAT, entry tax, RTO tax etc. also play a major role. An increase, decrease or withdrawal of tax benefits and other incentives by the Government, have an impact on our net income. However, these risks are covered under the "Change in Law" clause of the Concession Agreement. An increased competition from large national and international organizations for awarding of new projects is also an area of concern. Deviation from estimated traffic volume may affect future earnings in case of toll based BOT projects. An additional financial burden on the company, due to repayment and interest on external commercial borrowings, which is required to be made in fluctuating foreign currency, also contributes towards external risks faced by the organization.

7. MINIMIZING RISK

SIPPL manoeuvres material supplies effectively and keep the cost escalation risk to a minimum. Before entering into any EPC agreement the Company thoroughly analyse the prospective EPC contractors past performances and credentials. We plan elaborately to execute all our projects before the scheduled time. A proven track record of completing work within the stipulated time has affirmed our policies. We have a full-fledged team of engineers who are responsible for monitoring the execution of projects and also the maintenance of projects during the operations period. Therefore, work without stoppages or no significant labour disruptions during its operational history was paved way for by our extensive employee welfare scheme which looks after their health and safety. We have taken contractor's all risk insurance policy in respect of projects and workmen's compensation polices to protect against losses caused to workmen through accident. Most of the critical work during operations period is done by us and only very minimal portion of the work is sub-contracted. We always insist to have a performance guarantee and quality assurance from EPC contractor. As a company, our ability to foresee and manage business risks plays a crucial role in achieving positive results. These risks management policies ensure smooth functioning of the Company's business operations which are reviewed periodically which provides a window for quick decisions by the Directors of the Company.

8. SEGMENT WISE PERFORMANCE

As on March 31, 2016 the Company has only one reportable business segment, that of construction, engineering and infrastructure development on Stand Alone basis. A segment wise performance on consolidated basis is given in the note no. 2.37 to the consolidated financial statements.

9. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACIES

SIPL, with Sadbhav Engineering Ltd. as its promoter, has internal controls for its business processes across departments to ensure efficiency of operations, compliance with internal policies and applicable laws and regulations. The ERP/SAP system of the company is already operative. It is a centralized monitoring system that controls the corporate office by providing real time information to the top brass of the company. It connects all sites to the office too, ensuring a better management of all the processes. The system of internal control is supplemented by extensive internal audits, regular reviews by management and standard policies and guidelines to ensure the reliability of financial and all other records. The criteria of the protection of resources, assets and accurate reporting of financial transactions are fulfilled by these control systems.

10. FINANCIAL OVERVIEW

At SIPL, we generate revenues primarily from toll collection, user fee and annuity receipts. The company also provides operation, maintenance, advisory and project management services for the projects. Our consolidated total income from operations and standalone income from operations for financial year ended March 31, 2016 stood at ₹ 7,421.96 million and ₹ 857.97 million respectively.

11. HUMAN RESOURCE DEVELOPMENT

SIPL, a subsidiary of Sadbhav Engineering Ltd., recognizes the potential of each employee and provides them the right opportunity to grow. Apart from providing regular in-house and external training which includes knowledge and skill development, we build the competency level of our human resource. A major part of the company strategy is satiated towards our employees whose professional, value-driven work environment company to great heights. Therefore, as a responsibility towards them, we look after their social amenities like Medical, PF, Gratuity, LTA etc. We believe that a company can only exhibit a brilliant performance if the employees feel satisfied and appreciated. We realize that they are responsible for our existence as well as our goodwill. Therefore, we identify and groom the talent to such an extent that they build a team capable of efficient management. Our workforce also is a part of this team. This team has retained the Company's mission and vision while added their own skills to enhance the overall development SIPL.

12. CAUTIONARY STATEMENT

Important factors such as economic developments within the country, demand and supply conditions of the industry, input prices, changes in Government regulations, tax laws and other factors such as litigation and industrial relations, influence the Company's operations. This may lead to the Company's projections and approximate estimates to dispose them as "forward looking statements". Though, these qualitative aspects are usually set in the framework meaning of applicable securities laws and regulations. The actual results may sometimes materially differ from those expressed or implied.

Independent Auditor's Report

To
the Members of **Sadbhav Infrastructure Project Limited**

Report on the Financial Statements

We have audited the accompanying standalone financial statements of Sadbhav Infrastructure Project Limited ("the Company"), which comprises the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2016, its profit, and its cash flows for the year ended on that date.

Annexure-2 to The Independent Auditor's Report of even date on the Standalone Financial Statements of Sadbhav Infrastructure Project Limited.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

To the Members of **Sadbhav Infrastructure Project Limited**

We have audited the internal financial controls over financial reporting of Sadbhav Infrastructure Project Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal

control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to financial statements for the year ended March 31, 2016

1. Corporate Information:

Sadbhav Infrastructure Project Limited ('the Company') is engaged in development, construction as well as operation & maintenance of infrastructure projects and related consulting and advisory services. The Company undertakes infrastructure development projects directly or indirectly through Special Purpose Vehicles (SPVs) as per the concession agreements.

The Company is a subsidiary of Sadbhav Engineering Limited ("SEL"), a listed company, engaged in providing engineering, procurement and construction services ("EPC") in the road and other infrastructure projects."

In terms of Reserve Bank of India directive with regards to Systematically Important Core Investment Companies (Reserve Bank) Directions, 2011, the Company is not required to be registered with Reserve Bank of India as on March 31, 2016 based on eligibility criteria.

2. Basis of preparation:

The Financial Statements of the Company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The company has prepared these Financial Statements to comply in all material respects with the accounting standards specified under section 133 of the Companies Act, 2013, read with rule 7 of the Companies (Accounts) Rules, 2014. The Financial Statements have been prepared under the historical cost convention on an accrual basis. The accounting policies adopted in the preparation of financial statement are consistent with this of previous year.

2.1 Significant Accounting Policies:

(a) Use of Estimates:

The preparation of financial statements in conformity with Indian GAAP requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future years.

(b) Tangible Fixed Assets:

Tangible assets are stated at cost, net of accumulated depreciation and accumulated impairment losses if any. The cost comprises the purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Gains or losses arising from derecognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

(c) Depreciation and Amortization:

Depreciation on tangible assets is calculated on written down value method basis using the ratio arrived as per the useful life prescribed under Schedule II to the Companies Act, 2013. In respect of tangible assets purchased during the year, depreciation is provided on a pro-rata basis from the date on which such asset is ready to use. Assets costing less than rupees five thousand each is fully depreciated in the year of purchase. The residual value, useful live and method of depreciation of tangible assets are reviewed at each financial year end and adjusted prospectively, if appropriates.

(d) Impairment:

(i) The company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists the company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an assets net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

(ii) The Company's impairment tests of Investments are based on its value in use. The Company has used expected future cash flows of projects in respect of SPV's which generally covering period of the concession agreement using long term growth rate applied to future cash flows.

(iii) After impairment, depreciation/ amortisation is provided on the revised carrying amount of the asset over its remaining useful life.

Notes to financial statements for the year ended March 31, 2016

(e) Leases:

Where the Company is the lessee

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as expenses in the statement of profit and loss on a straight line basis over the lease term.

(f) Borrowing costs:

Borrowing cost includes interest and amortization of ancillary costs incurred in connection with the arrangement of borrowings and premium payable on redemptions and discount on issue of debenture.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the year they occur.

(g) Investments:

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments. On initial recognition, all investment are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such a brokerage, fees and duties.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On the disposal of an investment, the differences between carrying amount and net disposal proceeds is charged or credited to the statement of Profit and Loss account.

Investment property

An investment in land which is not intended to be occupied substantially for use by or in the operations of, the company, is classified an investment property. Investment properties are stated at cost, net of accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the investment property to its working for intened use. Any trade discounts and rebates are deducted in arriving at the purchase price.

(h) Revenue Recognition:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following are specific recognition criteria must also be met before income is recognized;

(i) Income from sale of services

Revenue in respect of arrangements made for rendering services over specific contractual term is recognized on a straight line basis over the contractual term of the arrangement. In respect of arrangements, which provide for an upfront payment followed by additional payments as certain conditions are met (milestone payments); the amount of revenue recognized is based on the services delivered in the year as stated in the contract. In respect of arrangements where fees for services rendered are success based, revenue is recognized only when the factors on which the fee is based, actually occurs. The company collects service tax on behalf of the government and, therefore, it is not an economic benefit flowing to the company. Hence, it is excluded from revenue.

(ii) Contractual Income

Contract revenue and costs associated with project related activities is recognized as by reference to the stage of completion of the projects at the reporting date. The stage of completion of a project is determined by the proportion that the contract cost incurred for work performed up to the reporting date bears to the estimated total contract costs.

Any excess revenue recognized in accordance with the stage of completion of the project, in comparison to the amounts billed to the clients in accordance with the milestones completed as per the respective project, is carried forward as "Unearned Revenue".

Any short revenue recognized in accordance with the stage of completion of the project, in comparison to the amounts billed to the clients in accordance with the milestones completed as per the respective project, is carried forward as "Unbilled Revenue".

An expected loss on construction contract is recognized as an expense immediately when it is certain that total contract costs will exceed the total contract revenue.

Notes to financial statements for the year ended March 31, 2016

Price escalation and other claims and/or variation in the contract work are included in contract revenue only when it probable that customer will accept the claim and the amount that is probable will be accepted by the customer can be measured reliably.

(iii) Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

(iv) Dividend

Dividend income is recognized when the company's right to receive payment is established by the reporting date.

(i) Foreign Currency Transactions:

(i) Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

(ii) Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction.

(iii) Exchange Difference

The company accounts for exchange differences arising on translation/ settlement of foreign currency monetary items as below:

1. Exchange differences arising on long-term foreign currency monetary items related to acquisition of a fixed asset are capitalized and depreciated over the remaining useful life of the asset.
2. Exchange differences arising on other long-term foreign currency monetary items are accumulated in the "Foreign Currency Monetary Item Translation Difference Account" and amortized over the remaining life of the concerned monetary item.
3. All other exchange differences are recognized as income or as expenses in the year in which they arise.

(j) Retirement and other employee benefits:

- (i) Retirement benefit in the form of provident fund is a defined contribution scheme. The company has no obligation, other than the contribution payable to the provident fund. The company recognizes contribution payable to the provident fund scheme as an expenditure, when an employee renders the related service.
- (ii) The company operates one defined benefit plan for its employees, viz., gratuity liability. The costs of providing benefits under the plan are determined on the basis of actuarial valuation at each year-end. Actuarial valuation is carried out using the projected unit credit method made at the end of each reporting date. Actuarial gains and losses for the defined benefit plans are recognized in full in the year in which they occur in the statement of profit and loss.
- (iii) Accumulated leave, which is expected to be utilized or encashed within the next 12 months, is treated as short-term employee benefit. The company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date. As per Company's policy, no leave are expected to be carried forward beyond 12 months from the reporting date.

(k) Inventories:

Project Inventories are valued at lower of cost and net realizable value. Cost of materials is determined on first-in-first-out basis. Net realizable value is the estimated selling price less estimated cost necessary to make the sale.

(l) Income taxes:

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred income taxes reflects the impact of timing differences between taxable income and accounting income for the year and reversal of timing differences for the earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the reporting date.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing difference only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

Notes to financial statements for the year ended March 31, 2016

The carrying amount of deferred tax assets are reviewed at each reporting date. The company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the company will pay normal income tax during the specified period, i.e. the period for which MAT credit is allowed to be carried forward.

(m) Segment reporting:

Identification of segment

The Company's operating businesses are organized and managed separately according to the nature of services provided, with each segment representing a strategic business unit that offers different services, the risk return profile of individual business unit and serves different market. The analysis of geographical segments is not required as the company's operations are within single geographical segment i.e. India.

Allocation of common costs

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs.

Unallocated items

Unallocated items include general corporate income and expense items, which are not allocated to any business segment. Assets and liabilities (including investments made in infrastructure projects through special purpose vehicle) that cannot be allocated between the segments are shown as a part of unallocated corporate assets and liabilities respectively.

Segment Policies

The company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the company as a whole.

(n) Earnings per share:

- (i) Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting dividend on cumulative preference shares and attributable taxes) by the weighted average number of equity shares outstanding during the year.
- (ii) For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

(o) Provisions and Contingent liabilities:

- (i) A provision is recognized when the company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.
- (ii) A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

(p) Cash and Cash Equivalent:

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank (including demand deposits) and in hand and short-term investments with an original maturity of three months or less.

(q) Measurement of EBITDA:

As permitted by the Guidance Note on the Revised Schedule VI to the Companies Act, 1956, the company has elected to present earnings before interest, tax, depreciation and amortization (EBITDA) as a separate line item on the face of the statement of profit and loss. The company measures EBITDA on the basis of profit/ (loss) from continuing operations. In its measurement, the company does not include depreciation and amortization expense, finance costs and tax expenses.

Notes to financial statements for the year ended March 31, 2016

- 32 As per intimation available with the Company, there are no micro, small and medium enterprises as defined in the Micro, Small and Medium Enterprise Development Act, 2006 to whom the Company owes dues on account of principal amount together with interest and accordingly no related additional disclosure have been made.
- 33 The minority shareholders of Bijapur Hungud Tollway Private Limited ('BHTPL') (a subsidiary of the Company) has filed company petition under section 397 and 398 of the Companies Act, 1956 in the year 2013-14 with the Company Law Board - Mumbai Bench against Sadbhav Engineering Ltd. (SEL), a holding Company and its associates/affiliates wherein the company is also defendant. The minority shareholders has pleaded that BHTPL awarded EPC and other contracts to SEL / affiliates which are prejudicial to the interest of BHTPL and hence should be terminated. The Company Law Board (CLB) passed an order dated January 8, 2014 in favour of the minority shareholder although Company pleaded that matter should be referred for arbitration as per terms of shareholder agreement (SHA). Against the CLB order the Company filed Special Civil Application (SCA) with Hon'ble High Court of Gujarat that matter of minority shareholder should be dealt as per SHA. Hon'ble High Court accepted SCA of the Company and granted interim relief whereby further proceeding of CLB was stayed. However, later on the Hon'ble High Court then upheld the order of the Company Law Board, vacated the interim order and dismissed the SCA. The Company had filed an appeal on September 15, 2014 under Letters Patent Act (LPA) before the Division Bench of Hon'ble Gujarat High Court ("the Bench"). The Bench ordered a stay on the further proceedings of CLB. The Company, based on the representations made before the Hon'ble Gujarat High Court, has defended the matter stating that the dispute is there between the shareholders of BHTPL instead of relating to oppression and mismanagement in BHTPL. Further, it is represented that such dispute should be resolved through arbitration agreement. During the year, the LPA is pending for final hearing before division bench of Hon'ble Gujarat High Court. The management represents that no liability is likely to devolve in the matter on the Company.
- 34 Pursuant to Initial Public Offering (IPO), 47,733,659 equity shares of the Company of ₹ 10 each were offered to public at price of ₹ 103 per equity share consisting of fresh issues of 41,262,135 equity shares and offer for sale of 6,471,524 equity shares by the existing shareholders. Independent Auditors' Report on the Consolidated Financial Statements

To,
The Members of **Sadbhav Infrastructure Project Limited**

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Sadbhav Infrastructure Project Limited (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), comprising of the consolidated Balance Sheet as at March 31, 2016, the consolidated Statement of Profit and Loss and consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as 'the Consolidated Financial Statements').

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms with the requirement of the Companies Act, 2013 ("the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the Companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the consolidated state of affairs of the Group as at March 31, 2016, their consolidated loss and their consolidated cash flows for the year ended on that date.

Emphasis of Matter

We draw attention to Note 37 of the consolidated financial statements in respect of acceptance and accounting of Intangible Asset/ Intangible Asset under development of ₹ 1,740.57 million under the Service Concession Arrangement of Maharashtra Border Check Post Network Limited, a subsidiary company, based upon the recommendation made by the project lenders' engineer and technical experts appointed by the project authorities. Pending final approval by the Government of Maharashtra, no further cost

adjustments are considered necessary in these financial statements.

Our conclusion is not qualified in respect of this matter.

Report on Other Legal and Regulatory Requirements

As required by section 143 (3) of the Act, we report, to the extent applicable, that:

- (a) We / the other auditors whose reports we have relied upon, have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidation of the financial statements have been kept so far as it appears from our examination of those books and reports of the other auditors;
- (c) The consolidated Balance Sheet, consolidated Statement of Profit and Loss, and consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account;
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2016 taken on record by the Board of Directors of the Holding Company and the reports of the auditors who are appointed under Section 139 of the Act, of its subsidiary companies incorporated in India, none of the directors of the Group's companies incorporated in India is disqualified as on March 31, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
- (a) With respect to the adequacy and the operating effectiveness of the internal financial controls over financial reporting of the Holding Company and its subsidiary companies incorporated in India, refer to our separate report in "Annexure 1" to this report;
- (f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of pending litigations on its consolidated financial position of the Group - Refer Note 32(I) to the consolidated financial statements;
 - ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company and its subsidiaries incorporated in India.

Annexure 1 to the Independent auditors' report of even date on the Consolidated Financial Statement of Sadbhav Infrastructure Project Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

To,
The Members of **Sadbhav Infrastructure Project Limited**

In conjunction with our audit of the consolidated financial statements of Sadbhav Infrastructure Project Limited as of and for the year ended March 31, 2016, we have audited the internal financial controls over financial reporting of Sadbhav Infrastructure Project Limited (hereinafter referred to as the "Holding Company") and its subsidiary companies, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, both, issued by Institute of Chartered Accountants of India, and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that

the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary companies which are companies incorporated in India, have, maintained in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting of the Holding Company, insofar as it relates to these three subsidiary companies, which are companies incorporated in India, is based on the corresponding reports of the auditors of such subsidiary companies incorporated in India.

We also have audited, in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India as specified under section 143(10) of the Act, the consolidated financial statements of the Holding Company, which comprise the Consolidated Balance Sheet as at March 31, 2016, and the Consolidated Statement of Profit and Loss and Consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information, and our report dated April 23, 2016 expressed an unqualified opinion.

Notes on Accounts forming part of Consolidated Financial Statements

1. Corporate Information, Principles of Consolidation and Significant Accounting Policies

A Corporate Information:

Sadbhav Infrastructure Project Limited (“the Company” or “SIPL”) is engaged in development, construction as well as operation & maintenance of infrastructure projects and related consulting and advisory services. The Company undertakes infrastructure development projects directly or indirectly through Special Purpose Vehicles (SPVs) as per the concession agreements.

The Company is a subsidiary of Sadbhav Engineering Limited (“SEL”), a listed company, engaged in providing engineering, procurement and construction services (“EPC”) in the road and other infrastructure projects.

In terms of Reserve Bank of India directive with regards to systematically important Core Investment Companies (Reserve Bank) Directions 2011, the Company is not required to be registered with Reserve Bank of India for the year 2015-16, based on eligibility criteria evaluated on audited financial statements for the year ended March 31, 2015.

B Principles of Consolidation:

The consolidated financial statements relate to Sadbhav Infrastructure Project Limited and its subsidiary companies, (hereinafter referred to as the “Group Companies” or “Group”) as at March 31, 2016. In the preparation of consolidated financial statements, investment in the subsidiaries, have been accounted for in accordance with Accounting Standard (AS) 21-‘Consolidated Financial Statements’, as notified under section 133 of the Companies Act, 2013 read with rule 7 of Companies (Accounts) Rule, 2014. The consolidated financial statements have been prepared on the following basis:

- (i) The financial statements of the Company and its subsidiary companies have been combined to the extent possible on a line by line basis by adding together like items of assets, liabilities, income and expenses. The results of subsidiaries acquired during the year are included in the Statement of Profit and Loss from the effective date of acquisition and continues to be consolidated until the date that such control ceases (including through voting rights). All significant intra group balances or transactions have been eliminated on consolidation except for transactions specified in note B(ii). Unrealized losses resulting from intra-group transactions that are deducted in arriving at the carrying amount of assets are also eliminated unless cost cannot be recovered. The amounts shown in respect of reserves comprise the amount of relevant reserves as per the balance sheet of the parent company and its share in the post - acquisition change in the relevant results of the subsidiaries.
- (ii) The Build, Operate & Transfer (BOT)/ Design, Build, Finance, Operate & Transfer (DBFOT) contracts are governed by service concession agreements with government authorities (Grantor). Under these agreements, the operator (Group Companies) which are Special Purpose Vehicles, does not own the Infrastructure assets, but gets toll collection/service fee rights against the construction services rendered. Since the construction revenue earned by the Group companies is considered as exchanged with the grantor against toll collection/service fee rights, profit from such contracts is considered as realised. Accordingly the intra group transactions on BOT/DBFOT contracts and the profits arising thereon are taken as realised and not eliminated.
- (iii) The excess of cost of the Company’s investments in each subsidiary, over the Company’s share in equity of such entities, at the date on which such investment is made, is recognised as Goodwill and included as an asset in the Consolidated Balance Sheet and is tested for impairment annually. The excess of the Group’s share in equity of each subsidiary, at the date on which the investment is made, over the cost of the investment is recognised as Capital Reserve and included as Reserves and Surplus under Shareholders’ Equity in the Consolidated Balance Sheet. Any change in the cost of the investment in subsidiary post the acquisition thereof is effected by way of change in the goodwill on consolidation or capital reserve on consolidation, as the case may be.

Minority interests represent the portion of profit or loss and net assets not held by the Group and are presented separately in the consolidated statement of profit and loss and consolidated balance sheet, separately from parent shareholders’ equity. Where accumulated losses attributable to the minorities are in excess of their equity, in the absence of the contractual obligation on the minorities, the same is accounted for by the Parent Company.

- (iv) The Financial statements of the subsidiaries are prepared for the same reporting year as the parent company, using consistent accounting policies. As far as possible, the consolidated financial statements have been prepared using uniform accounting policies consistent with the company’s standalone financial statements for like transactions and other events in similar circumstances and are presented in the same manner as the Company’s separate financial statements. Any variation in accounting policies is disclosed separately.

Notes:

- I. The Company has completed the 100% acquisition of equity shares in Dhule Palesner Tollway Private Limited ('DPTL') w.e.f. October 29, 2015 in terms of Restated Share Purchase agreement dated October 29, 2015 with JV partner HCC Concessions Limited ('HCC') The transfer formalities for 21,046,680 shares from HCC and 14,031,120 shares from SEL were in process as at March 31, 2016.

C Basis of preparation of Consolidated Financial Statements:

The Consolidated Financial Statements of the group have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The Group has presented these consolidated financial statements to comply in all material respects with Accounting Standard specified under section 133 of the Companies Act, 2013, read with rule 7 of the Companies (Accounts) Rules, 2014. The consolidated financial statements have been prepared under the historical cost convention on an accrual basis. The accounting policies adopted in the preparation of financial statement are consistent with those of previous year.

D Significant Accounting Policies:

(a) Use of Estimates:

The preparation of consolidated financial statements in conformity with Indian GAAP requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and disclosure of contingent liabilities at the end of the reporting period. Although these estimates are based on management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

(b) Accounting for Rights under Concession Arrangements:

(i) Recognition and Measurement

The Group builds infrastructure assets under public-to-private Concession Arrangements which it operates and maintains for periods specified in the Concession Arrangements.

Under the Concession Agreements, where the Group has received the right to charge users of the public service, such rights are recognised and classified as "Intangible Assets". Such right is not an unconditional right to receive consideration because the amounts are contingent to the extent that the public uses the service and thus are recognised and classified as intangible assets. Such an intangible asset is recognised by the Group at cost (which is the fair value of the consideration received or receivable for the construction services delivered) and is capitalized when the project is complete in all respects and when the subsidiary companies receives the completion certificate from the authority as specified in the Concession Agreement and in case of MBCPNL (entity operating multiple border checkposts in the state of Maharashtra), each check post is capitalised when the MBCPNL receives completion certificate from the authority. The economics of the project is for the entire length of the road / infrastructure as per the bidding submitted by the Group companies.

Under the Concession Agreements, where the Group has acquired contractual rights to receive specified determinable amounts, such rights are recognised and classified as "Right for Annuity fees" under Intangible assets, even though payments are contingent on the Group ensuring that the infrastructure meets the specified quality or efficiency requirements.

Notes on Accounts forming part of Consolidated Financial Statements

Consideration for various services (i.e. construction or upgrade services, operation and maintenance services, overlay services) under the Concession Agreements is allocated on the basis of costs actually incurred or the estimates of cost of services to be delivered.

(ii) Premium capitalisation

Under some of the concession agreements, the Group has contractual obligation to pay premium (concession fees) to National Highway Authority of India ("NHAI"), Grantor, over the concession period. Such obligation has been recognised upfront on an undiscounted basis when the project gets completed as per the Concession Agreements as 'Intangible assets - Toll Collection Right' and corresponding obligation for committed premium is recognised as liabilities.

(iii) Contractual obligation to restore the infrastructure to a specified level of serviceability

The Group has contractual obligations to maintain the road / infrastructure to a specified level of serviceability or restore the road / infrastructure to a specified condition before it is handed over to the grantor of the Concession Agreements. Such obligations are measured at the best estimate of the expenditure that would be required to settle the obligation at the balance sheet date. In case of intangible assets, the timing and amount of such cost are estimated and determined by estimated cash flows, expected to be incurred in the year of overlay. Such costs are recognised by charging it to revenue on the basis of units of usage method i.e. on the number of vehicles expected to use the project facility, over the period at the end of which the overlay is estimated to be carried out based on management estimates.

(iv) Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefit will follow to the group and the revenue can be reliably measured. Following is the specific recognition criteria must also be met before income is recognised.

(a) Toll / Infrastructure Service Income:

The revenue is recognized in the period of collection which generally coincide as and when the traffic passes through toll-plazas / usage of the public services. In case of NSEL, annuity income for the project is recognised on accrual basis.

Revenue from Operating and Maintenance Services and from overlay services is recognised in the period in which such services are rendered.

(b) Contractual Income:

Contract revenue and costs associated with project related activities is recognized as by reference to the stage of completion of the projects at the reporting date. The stage of completion of a project is determined by the proportion that the contract cost incurred for work performed up to the reporting date bears to the estimated total contract costs.

Any excess revenue recognized in accordance with the stage of completion of the project, in comparison to the amounts billed to the clients in accordance with the milestones completed as per the respective project, is carried forward as "Unearned Revenue".

Any short revenue recognized in accordance with the stage of completion of the project, in comparison to the amounts billed to the clients in accordance with the milestones completed as per the respective project, is carried forward as "Unbilled Revenue".

An expected loss on construction contract is recognized as an expense immediately when it is certain that total contract costs will exceed the total contract revenue.

Price escalation and other claims and/or variation in the contract work are included in contract revenue only when it is probable that customer will accept the claim and the amount that is probable will be accepted by the customer can be measured reliably.

(v) Borrowing cost

In respect of an intangible asset, borrowing costs directly attributable to the construction of roads / infrastructure are capitalised up to the date of the final completion certificate of the asset / facility received from the authority for its intended use specified in the Concession Agreement. All borrowing costs subsequent to the final completion certificate of the asset/ facility as specified in Concession Agreement are charged to the Consolidated Statement of Profit and Loss in the period in which such costs are incurred.

(vi) Amortisation of Intangible Asset

The intangible rights which are recognised in the form of right to charge users of the infrastructure asset are amortized by taking proportionate of actual revenue received for the year over Total Projected Revenue from project to Cost of Intangible assets i.e. proportionate of actual revenue earned for the year over Total Projected Revenue from the Intangible assets expected to be earned over the balance concession period as estimated by the management.

As required, total Projected Revenue reviewed by the management at the end of the each financial year and accordingly, the total projected revenue is adjusted to reflect any changes in the estimates which lead to the actual collection at the end of

Notes on Accounts forming part of Consolidated Financial Statements

the concession period. In case of NSEL, Intangible asset is amortised using straight line method as prescribed under Accounting Standard (AS) 26 of the Companies (Accounting Standard) Rule, 2014.

(c) Fixed Assets:

(i) Tangible Assets

Tangible assets are stated at cost, net of accumulated depreciation and accumulated impairment losses if any. The cost comprises the purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Gains or losses arising from derecognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

(d) Depreciation and Amortisation:

(i) Depreciation on tangible assets is calculated on written down value method basis using the ratio arrived as per the useful life prescribed under Schedule II to the Companies Act, 2013. The residual value, useful life and method of depreciation of tangible assets are reviewed at each financial year end and adjusted prospectively, if appropriate. In respect of tangible assets purchased during the year, depreciation is provided on a pro-rata basis from the date on which such asset is ready to use. Assets costing less than rupees five thousand each is fully depreciated in the year of purchase.

In case of AJTWL, ARRIL, RPTPL, DPTL depreciation on tangible fixed assets, are amortized on straight line basis, from the date on which such asset is ready for use, till the end of concession period.

(ii) Goodwill comprises the portion of the purchase price for an acquisition that exceeds the Group's share in the identifiable assets, with deduction for liabilities, calculated on the date of acquisition. The Company has made acquisition in shares of SPV's which operate projects that have finite project life as per Concession Agreements. Thus, goodwill arising on consolidation is amortized on straight line basis, beginning from the date of acquisition of subsidiaries or commencement of commercial operations by subsidiaries, whichever is later, till the end of concession period.

(e) Expenditure during construction period, pending allocation:

Intangible asset under development is stated at cost of development less accumulated impairment losses, if any. Costs include expenditure directly relating to construction / developments (net of income, if any), is capitalized. Indirect expenditure incurred during construction period which are specifically attributable to construction of a Project (including borrowing cost), is capitalized as part of Project cost. Other indirect expenditures incurred during the construction period which are not specifically attributable to construction of a project, is charged to the statement of profit and loss.

(f) Impairment of Assets:

(i) The company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the company estimates the asset's recoverable amount. An asset's (including goodwill) recoverable amount is the higher of an asset's net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, relevant market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

The company's impairment tests of investments in SPV entities are based on value in use. The Company has used expected future cash flow of projects in respect of SPV entities which generally covers period of the concession agreement using long term growth rate applied to future cash flows.

(ii) After impairment, depreciation/ amortisation is provided on the revised carrying amount of the asset over its remaining useful life.

(g) Revenue Recognition other than Concessional Arrangement:

Income is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following are specific recognition criteria must also be met before income is recognized;

Notes on Accounts forming part of Consolidated Financial Statements

(i) Income from sale of services:

Revenue in respect of arrangements made for rendering services over specific contractual term is recognized on a straight line basis over the contractual term of the arrangement. In respect of arrangements, which provide for an upfront payment followed by additional payments as certain conditions are met (milestone payments), the amount of revenue recognized is based on the services delivered in the period as stated in the contract. In respect of arrangements where fees for services rendered are success based, revenue is recognized only when the factors on which the fee is based, actually occurs. Service tax collected on behalf of the government is not an economic benefit is flowing to the company, hence it is excluded from revenue.

(ii) Interest:

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the consolidated statement of profit and loss.

(iii) Dividend:

Income is recognized when the company's right to receive payment is established by the reporting date.

(h) Foreign Currency Transactions:

(i) Initial Recognition:

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

(ii) Conversion:

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction.

(iii) Exchange Difference:

The Group accounts for exchange differences arising on translation/ settlement of foreign currency monetary items as below:

- Exchange differences arising on long-term foreign currency monetary items related to acquisition of a fixed asset are capitalized and depreciated over the remaining useful life of the asset.
- Exchange differences arising on other long-term foreign currency monetary items are accumulated in the "Foreign Currency Monetary Item Translation Difference Account" and amortized over the remaining life of the concerned monetary item.
- All other exchange differences are recognized as income or as expenses in the period in which they arise.

(iv) Forward exchange contracts entered into to hedge foreign currency risk of an existing asset/liability:

The premium or discount arising at the inception of forward exchange contract is amortized and recognized as an expense/ income over the life of the contract. Exchange differences on such contracts, except the contracts which are long-term foreign currency monetary items, are recognized in the consolidated statement of profit and loss in the period in which the exchange rates change. Any profit or loss arising on cancellation or renewal of such forward exchange contract is also recognized as income or as expense for the period. Any gain/ loss arising on forward contracts which are long-term foreign currency monetary items is recognized in accordance with paragraph (iii) above.

(v) Derivative Contracts:

The Company uses derivative contracts, such as derivative option contract, interest rate swap contracts to take advantage of lower interest rate of foreign currency loan and hedge the foreign exchange fluctuation. In accordance with the ICAI announcement, derivative contracts, other than foreign currency forward contracts covered under AS 11, are marked to market on a portfolio basis, and the net loss, if any, after considering the offsetting effect of gain on the underlying hedged item, is charged to the consolidated statement of profit and loss. Net gain, if any, after considering the offsetting effect of loss on the underlying hedged item, is ignored. In respect of derivative contracts, premiums paid, gains/ losses on settlement and provision for losses for cash flow hedges are recognised in the consolidated statement of profit and loss.

(i) Government Grant:

(i) Grant from the government are recognised when there is reasonable assurance that (i) the company will comply with the conditions attached to them, and (ii) the grant will be received.

(ii) Grant received from Government, in the nature of promoters' contribution are credited to Capital Reserve. Grant received as compensation for expenses or losses are taken to the Consolidated Statement of Profit and Loss and is accounted in the period to which it relates.

Notes on Accounts forming part of Consolidated Financial Statements

(j) Investments:

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments. On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

Current investments are carried in the consolidated financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

Investment property

An investment in land which is not intended to be occupied substantially for use by or in the operations of, the company, is classified an investment property. Investment properties are stated at cost, net of accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the investment property to its working for intend use. Any trade discounts and rebates are deducted in arriving at the purchase price.

(k) Employee Benefits:

- (i) Retirement benefit in the form of provident fund is a defined contribution scheme. The contributions to the provident fund are charged to the consolidated statement of profit and loss for the year when an employee renders the related services. The company has no obligation, other than the contribution payable to the provident fund.
- (ii) The company operates one defined benefit plan for its employees, viz., gratuity liability. The costs of providing benefits under this plan are determined on the basis of actuarial valuation at each year-end. Actuarial valuation is carried out using the projected unit credit method made at the end of each reporting date. Actuarial gains and losses for the defined benefit plans are recognized in full in the period in which they occur in the consolidated statement of profit and loss. In case of ARRIL, an insurance policy under the group gratuity scheme with the Life Insurance Corporation of India is taken to cover its gratuity liability.
- (iii) Compensated absences which accrue to employees and which is expected to be utilized or encased within the next 12 months, is treated as short-term employee benefit. The company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date. As per Company policy, no leave are expected to be carried forward beyond 12 months from the reporting date.

(l) Leases :

Where the Company is the lessee

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the Consolidated statement of profit and loss on a straight-line basis over the lease term.

(m) Inventories:

Project Inventory are valued at lower of cost and net realizable value. Cost of materials is determined on first-in-first-out basis. Net realizable value is the estimated selling price less estimated cost necessary to make the sale.

(n) Taxes on Income:

- (i) Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.
- (ii) Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating for the year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Group's entities has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

Notes on Accounts forming part of Consolidated Financial Statements

As per the provisions of the Income Tax Act, 1961, some of the Company's subsidiaries are eligible for a tax holiday under section 80IA for a block of 10 consecutive years out of 20 years beginning of toll operations. Accordingly, no deferred tax (asset or liability) is recognised in respect of timing difference which gets reversed during the tax holiday period, to the extent the Group's gross total income is subject to the deduction during the tax holiday period. Deferred tax in respect of timing difference which reverse after the tax holiday period is recognised in the year in which the timing difference originate. However the Group, restricts recognition of deferred tax assets to the extent that it has become reasonably certain or virtual certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax asset can be realised. For recognition of deferred tax, the timing difference which originate first are considered to reverse first.

The carrying amount of deferred tax assets are reviewed at each reporting date. The Group writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

- (iii) Minimum alternate tax (MAT) paid in a year is charged to the entity's statement of profit and loss as current tax. The Company recognises MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognises MAT credit as an asset in accordance with the Guidance Note on 'Accounting for Credit Available in respect of Minimum Alternative Tax' under IT Act, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement." The Company will review the "MAT credit entitlement" asset at each reporting date and write down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

(o) Borrowing Cost:

Borrowing cost includes interest and amortization of ancillary costs incurred in connection with the arrangement of borrowings, premium payable on redemption and discount on issue of debentures.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

(p) Segment Reporting:

Identification of segments

The Group's operating businesses are organized and managed separately according to the nature of services provided, with each segment representing a strategic business unit that offers different services, the risk return profile of individual business unit and serve different market. The analysis of geographical segments is not required as the company's operations are within single geographical segment i.e. India.

Allocation of common costs

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs.

Unallocated items

Unallocated items include general corporate income and expense items, which are not allocated to any business segment. Assets and liabilities that cannot be allocated between the segments are shown as a part of unallocated corporate assets and liabilities respectively.

Segment Policies

The Group prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the consolidated financial statements of the company as a whole.

(q) Provisions and Contingent Liabilities:

- (i) A provision is recognised when the Group has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefit will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.
- (ii) Contractual Obligations to periodically maintain Project asset as per the terms of the concession agreement are provided for in accordance with Accounting Standard (AS)-29 "Provisions, Contingent Liabilities and Contingent Assets" i.e. at the best estimate of the expenditure required to settle the present obligation at the balance sheet date.

Notes on Accounts forming part of Consolidated Financial Statements

(iii) A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

(r) Cash and Cash Equivalent:

Cash and cash equivalents for the purpose of Consolidated cash flow statement comprise cash at bank (including demand deposits) and in hand and short term investments with an original maturity of three months or less.

(s) Earnings per share:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

(t) Measurement of EBITDA:

As permitted by the Guidance Note on the Revised Schedule VI to the Companies Act, 1956, the company has elected to present Earnings before Finance costs, depreciation and amortisation, exceptional items and tax expense (EBITDA) as a separate line item on the face of the Consolidated Statement of Profit and Loss. The company measures EBITDA on the basis of profit/ (loss) from continuing operations. In its measurement, the company does not include depreciation and amortization expense, finance costs and tax expenses.

Deferred tax assets (Net) in case of Subsidiaries:

In accordance with Accounting Standard 22 "Accounting for taxes on income", the Company and subsidiary companies have net deferred tax assets. However, in view of losses incurred under Income Tax Act, 1961 by the subsidiaries during the current year, deferred tax assets on timing difference on unabsorbed depreciation and business losses have not been accounted for in the books since it is not virtually certain that they will be realised against future profits. Some of the subsidiaries are also entitled for deduction under section 80IA of the Income Tax Act, 1961, which they propose to claim in the subsequent years.

27 Employee Benefits

The disclosures of employee benefits as defined in the Accounting Standard 15 are as under:

Defined Benefit Plan:

The Group has a defined benefit gratuity plan. Every employee who has completed five years or more of service gets a gratuity on the termination of his employment at 15 days salary (last drawn salary) for each completed year of service. The schemes of all the Companies in the Group are un-funded, except for ARRIL where the scheme is funded with Life Insurance Corporation of India (LIC).

The present value of obligation in respect of gratuity is determined based on actuarial valuation using the Projected Unit Credit Method as prescribed by the Accounting Standard (AS 15). Gratuity has been recognized in the financial statements as per details given below:

III Other Litigations:

Bijapur Hungud Tollway Private Limited:

The minority shareholders of Bijapur Hungud Tollway Private Limited ('BHTPL') (a subsidiary of the Company) has filed company petition under section 397 and 398 of the Companies Act, 1956 with the Company Law Board - Mumbai Bench against Sadbhav Engineering Ltd. (SEL), a holding Company and its associates/affiliates wherein the company is also defendant in the year 2013-14. The minority shareholders has pleaded that BHTPL awarded EPC and other contracts to SEL / affiliates which are prejudicial to the interest of BHTPL and hence should be terminated. The Company Law Board (CLB) passed an order in favour of the minority shareholder although Company pleaded that matter should be referred for arbitration as per terms of shareholder agreement (SHA). Against the CLB order the Company filed Special Civil Application (SCA) with Hon'ble High Court of Gujarat that matter of minority shareholder should be dealt as per SHA. Hon'ble High Court accepted SCA of the Company and granted interim relief whereby further proceeding of CLB have been stayed. Hon'ble High Court then upheld the order of the Company Law Board, vacated the interim order and dismissed the SCA. The Company had filed an appeal under Letters Patent Act (LPA) before the Division Bench of Hon'ble Gujarat High Court ("the Bench"). The Bench ordered a stay on the further proceedings of CLB. The Company, based on the representations made before the Hon'ble Gujarat High Court, has defended the matter stating that the dispute is there between the shareholders of BHTPL instead of relating to oppression and mismanagement in BHTPL. Further, it is represented that such dispute should be resolved through arbitration agreement. During the year, the LPA is pending for final hearing before division bench of Hon'ble Gujarat High Court. The management represents that no liability is likely to devolve in the matter on the Company.

36 In terms of the Concession Agreement for setting up the project for Modernization and Computerisation of integrated Border Check Post ('Project') in the state of Maharashtra on Build, Operate and Transfer basis, the Company has been regularly representing in the Steering Committee of the project set up by Maharashtra State Road Development Corporation (MSRDC) under Concession agreement, about handover of the additional project BCP sites so as to meet Concessionaire obligations as regards implementation of project as per the Concession agreement. As at 31st March, 2016, the company has achieved provisional certificate of completion for 16 check posts out of total 22 check posts as per Concession agreement. The collection of service fees have been started in 13 BCP as per directive of MSRDC. Further, during the year, the company has received general resolution from government of Maharashtra for construction of additional 2 Check post on BOT basis.

As at 31st March, 2016, the project implementation is in progress and there are costs variance in development of each BCP site. The Company has been accounting cost variations, if any based on the approval of independent engineers appointed by MSRDC read with note 37 below. The company has been regularly representing to MSRDC for the time extension of completion of BCP construction in terms of Concession agreement. The Company is confident that necessary approvals relating to time extension for completion of BCP construction will be received and that no additional financial obligations is envisaged to be levied on the company under the terms of concession agreement.

37 Up to the reporting date, MBCPNL has accepted and accounted project related cost compensation claim of ₹ 1,740.57 million towards increase in cost of construction due to delay in execution of the Modernisation and Computerisation of 22 Border Check Post Project ('BCP Project') on account various reasons not attributable to MBCPNL, upto March 31, 2016 (upto previous year ₹ 1,637.44 million). The costs have been accounted as intangible assets / intangible assets under development. The amount accounted is subject to the approval of Government of Maharashtra (GoM) although the Independent Engineer of the Project, Technical Evaluation Committee duly appointed by project Steering Committee of Maharashtra State Road Development Corporation Limited ('the Project Authority') which is monitoring the project progress and the lender's independent engineer has in-principle accepted and recommended the MBCPNL's cost compensation claim. Based on the recommendations at the project steering committee, GoM will take appropriate decision in regard to cost escalation claim of the MBCPNL and it is confident that the additional costs accounted in the books will be fully accepted by the GoM.

38 As per amendment to Finance Act, 2012, the border check post services provided by the MBCPNL, in the State of Maharashtra, were made taxable within the services tax laws since April-2013. Accordingly, in the financial year 2014-15, MBCPNL accounted its service tax liability of ₹ 136.73 million (for the services provided) and correspondingly, also recorded CENVAT credit of ₹ 234.85 million on the project input services/materials, as applicable. During the year, similarly, MBCPNL deposited service tax of ₹ 192.15 Million out of the check post user fees collected and recorded the same as expense under rates and taxes in note no 25.

In terms of the concession agreement with Government of Maharashtra, the user fee collected by the MBCPNL was not subject to service, whereby Company (Concessionaire) represented to the Government of Maharashtra (Licensor) that such service tax is an additional financial burden on the concessionaire and it should be compensated for the same. The MBCPNL represented that in terms of article 17.1 of the concession agreement, this additional financial burden is on account of change of law. As per MSRDC communication dated July 24, 2015 in the matter, it is proposed that subject to the opinion of Law & Judiciary department of Government of Maharashtra, necessary fee notification will have to be issued in the matter (including for the service tax deposited/ to be payable till notification).

Considering the above recommendations from MSRDC, the MBCPNL is confident that it will be able to fully recover additional financial burden through service tax amendments, although the same has been expensed in the books of account.

39 In the case of the following subsidiaries there are accumulated losses as at the balance sheet date, which have resulted in erosion of the respective company's net worth, although the Sponsors of the Projects, have invested through sub-ordinate debts which is part of the Project equity capital as per terms of Rupee Facility Agreements of the respective entities. The repayment of such sub-ordinate debt is subject to certain stipulations under the loan agreement. The subsidiaries have no intention of curtailing the scale of operations and have projected increased traffic movement for their respective projects. Also, the subsidiaries have been able to meet their financial obligations in the ordinary course of the business complimented by the continuing financial support offered from Sadbhav Infrastructure Project Limited (SIPL). Accordingly, these consolidated financial statements have been prepared assuming that such Subsidiaries will continue as a going concern. The details are as follows:
