MANAGEMENT DISCUSSION AND ANALYSIS REPORT

OVERVIEW

The Management Discussion and Analysis Report has been prepared in accordance with the provisions of Regulation 34(2) (e) of SEBI (LODR) Regulations, 2015 read with Schedule V(B) thereto, with a view to provide an analysis of the business and Financial Statement of the Company for FY 2021-22 and hence it should be read in conjunction with the respective Financial Statements and notes thereon.

ECONOMIC OVERVIEW

As measured by Gross Fixed Capital Formation (GFCF) is expected to see strong growth of 15 per cent in 2021-22 and achieve full recovery of pre-pandemic level. Government's policy thrust on quickening virtuous cycle of growth via capex and infrastructure spending has increased capital formation in the economy lifting the investment of GDP ratio to about 29.6 per cent in 2021-22, the highest in seven years. While private investment recovery is still at a nascent stage, there are many signals which indicate that India is poised for stronger investment.

After growing at very high rates for years, India's economy had already begun to slow down before the on set of the COVID-19 pandemic. Between FY17 and FY20, growth decelerated from 8.3 percent to 4.0 percent, with weaknesses in the financial sector compounded by a decline in the growth of private consumption. In FY21, the economy contracted by 7.3 percent. In response to the COVID-19 shock, the government and the Reserve Bank of India took several monetary and fiscal policy measures to support vulnerable firms and households, expand service delivery (with increased spending on health and social protection) and cushion the impact of the crisis on the economy. Thanks in part to these proactive measures, the economy is expected to rebound - with a strong base effect materializing in FY22 - and growth is expected to stabilize at around 7 percent thereafter.

As forecasts of real GDP growth across economies drop at regular intervals during the course of the year, it will be the outcome of elevated inflation and the tightening of monetary and fiscal policies undertaken to rein-in inflation. The tightening of these stabilization policies can however address inflation only from the demand side, insofar as they are able to smother pent up demand and roll-back stimuli announced as part of the COVID-19 relief package. From the supply side, trade disruptions, export bans and the resulting surge in global commodity prices will continue to stoke inflation as long as Russia-Ukraine conflict persists and global supply chains remain un-repaired. The World is looking at a distinct possibility of widespread stagflation. India, however, is at low risk of stagflation, owing to its prudent stabilization policies.

India faces near-term challenges in managing its fiscal deficit, sustaining economic growth, reining in inflation and containing the current account deficit while maintaining a fair value of the Indian currency. Many countries around the world, including and especially developed countries, face similar challenges. India is relatively better placed to weather these challenges because of its financial sector stability and its vaccination success in enabling the economy to open up. Further, its medium-term growth prospects remain bright as pent-up capacity expansion in the private sector is expected to drive capital formation and employment generation in the rest of this decade. Near-term challenges need to be managed carefully without sacrificing the hard-earned macroeconomic stability.

INDUSTRY STRUCTURE AND DEVELOPMENT – OVERVIEW:

NBFCs have come a long way in terms of their scale and diversity of operations. They now play a critical role in financial intermediation and promoting inclusive growth by providing last-mile access of financial services to meet the diversified financial needs of less-banked customers. Over the years, the segment has grown rapidly, with a few of the large NBFCs becoming comparable in size to some of the private sector banks. The sector has also seen advent of many non-traditional players leveraging technology to adopt tech-based innovative business models.

Non Banking Financial Companies have outperformed banks in the Mortgage Industry, by leveraging technology in credit deployment. Technology has made NBFC's expand into underserved segments, where the banks don't serve. NBFC's have carved niche business areas for themselves by understanding customers & building customized products, which the commercial banks fail to.

- Index of Industrial Production (IIP) grew at 17.4 percent (YoY) during April-November 2021 as compared to (-)15.3 percent in April-November 2020.
- Capital expenditure for the Indian railways has increased to Rs. 155,181 crores in 2020-21 from an average annual of Rs. 45,980 crores during 2009-14 and it has been budgeted to further increase to Rs. 215,058 crores in 2021-22 – a five times increase in comparison to the 2014 level.
- Extent of road construction per day increased substantially in 2020-21 to 36.5 Kms per day from 28 Kms per day in 2019-20 – a rise of 30.4 percent.
- Net profit to sales ratio of large corporates reached an all-time high of 10.6 percent in in July-September quarter of 2021-22 despite the pandemic (RBI Study).
- Introduction of Production Linked Incentive (PLI) scheme, major boost provided to infrastructure-both physical as well as digital, along with measures to reduce transaction costs and improve ease of doing business, would support the pace of recovery.

OPPORTUNITIES, THREATS, RISKS AND CONCERNS :

NBFC has played an important role in contributing towards India's GDP to the extent that the government is also coming forward and will do so in future to protect the interests and help the NBFCs to grow and emerge as they have been providing financial help and services with easy procedure to the people of the country. The business of NBFC is of profit and their contribution in the growth of the India's GDP shows that NBFCs are working for a better in these past years.

In NBFC, credit customers do not have any experience on getting financial services, they may not naturally engage with the NBFC to take loans for their business of personal requirements. Therefore, to attract the customers, the NBFCs have to spend additional resources in educating and financial literacy and awareness. On the other hand, once these customers are made aware of the benefits of obtaining a loan from an NBFC, there is an extreme likelihood to convert the lead into real business.

On the part of Non- performing assets have been a challenge not only the banks but as well as for the NBFCs. With the new credit customers, the risk remains higher as compared to those customers who have a credit history. Therefore, NBFCs continuously works on checking and balancing so as to make sure that the EMIs are on time and records of the customers remains up to date and any issues are notified immediately.

FUTURE OUTLOOK:

Ind-Ra expects NBFCs to maintain loan growth of around 14% in FY23, with FY22 growth closing at 7%-8%. Ind-Ra thus believes FY23 could be a year of normalcy in disbursements. The products such as loans against property, housing loans and vehicle finance could witness a higher demand than personal and unsecured business loans which saw a higher demand during the pandemic. Growth in the vehicle finance segment could revive depending on the availability of vehicles which are facing component shortage due to the pandemic, along with an increase in borrower confidence towards an economic recovery.

India Ratings and Research (Ind-Ra) has maintained a neutral sector outlook and a Stable rating Outlook for non-banking finance companies (NBFCs) for FY23. Ind-Ra believes FY23, in absence of any negative event, would see normalization of business activities, after facing challenges in the past few years following the default by Infrastructure Leasing & Financial Services Ltd ('IND D') leading to liquidity challenges and then the COVID-19 pandemic.

As per NBFCs Credit Cost to Normalize, but Asset Quality Headline could remain Elevated: Ind-Ra expects loan growth in FY22 and FY23 to be around 8% yoy and 14% yoy, respectively, for its rated NBFCs (excluding government entities). NBFCs' stage 3 assets could increase to 6% by FY23 from 5.6% in 3QFY22, primarily due to slippages from the restructured and Emergency Credit Line Guarantee Scheme supported book. However, the credit cost impact is likely to be moderate as NBFCs have created adequate provisioning buffers.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Company has a proper and adequate system of internal control in all spheres of its activities to ensure that all its assets are safeguarded and protected against loss from unauthorized use or disposition and that the transactions are authorized, recorded and reported diligently.

The Company ensures adherence to all internal control policies and procedures as well as compliance with all regulatory guidelines.

FINANCIAL AND OPERATIONAL PERFORMANCE:

Please refer Directors Report for financial performance.

MATERIAL DEVELOPMENT IN HUMAN RESOURCES/INDUSTRIAL RELATIONS FRONT NUMBER OF PEOPLE EMPLOYED:

The Company has been able to maintain its existing resources in the prevailing situation of global pandemic. The global pandemic had tested our resilience, bringing with it a lot of 'firsts' and we swiftly adapted to the 'new normals'. The Company has a team of able and experienced industry professionals and employees. The Company believes that people are the key ingredient to the success of an organization. Given our high focus on digital transformation, our transition to remote working was seamless during times of the lockdown and disruptions. We moved many processes to the digital platform that not only engages employees more effectively but also helps our businesses to move up the curve faster. We believe that our people are our biggest assets.

CAUTIONARY STATEMENT:

The Board of Directors have reviewed the Management Discussion and Analysis prepared by the Management. Statement in this report of the Company's objective, projections, estimates, exceptions, and predictions are forward looking statements subject to the applicable laws and regulations. The statements may be subjected to certain risks and uncertainties. Company's operations are affected by many external and internal factors which are beyond the control of the management. INDEPENDENT AUDITOR'S REPORT

To
The Members of
SIDH AUTOMOBILES LIMITED
Report on the Audit of Financial Statements

Opinion

We have audited the accompanying financial statements of SIDH AUTOMOBILES LIMITED, ("the Company") which comprises the balance sheet as at 31st March, 2022, the statement of profit & loss and the cash flow statement for the year then ended and notes to the Financial Statements, including a summary of the significant accounting policies and other explanatory information (together hereinafter referred to as "Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its profit/losses, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexure to the Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's information but does not include the financial statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial

controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143(3) of the Act, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The balance sheet, the statement of profit and loss and the cash flow dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with relevant rule issued thereunder;
 - e) On the basis of written representations received from the Directors of the company as on 31 March 2022, taken on record by Board of Directors, none of director is disqualified as on 31st March 2022 from being appointed as a director in terms of Section 164(2) of the Act;
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has not any pending litigations which impact on its financial position in its standalone financial statements.
 - ii. The Company has not required to made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.

Annexure B to the Independent Auditor's Report

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of "**SIDH AUTOMOBILES LIMITED**" ("the Company") as of March 31, 2022 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. The company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

M/s SIDH AUTOMOBILES LIMITED
(CIN: L34102DL1985PLC020156)

Note No. 15

NOTES ANNEXED TO AND FORMING PART OF FINANCIAL STATEMENTS AS AT 31st MARCH, 2022

1. CORPORATE INFORMATION

M/s SIDH AUTOMOBILES LIMITED is a Public company domiciled in India and incorporated under the provisions of the Companies Act, 2013. The company is a NBFC company registered with RBI under section 45-IA of the Reserve bank Act 1934.

2. SIGNIFICANT ACCOUNTING POLICIES & NOTES TO ACCOUNTS

2.1 AS- 1 Disclosure of accounting policies.

Basis of Accounting

The Financial statements of the Company have been prepared in accordance with generally accepted accounting principles in India. These have been prepared to comply in all material respects with the Accounting Standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014. The financial statements have been prepared under the historical cost convention, on accrual basis. The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year.

Use of Estimates:

The preparation of the financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Examples of such estimates include provisions for doubtful debts, future obligations under employee retirement benefit plans, income taxes, post-sales customer support and the useful lives of fixed tangible assets and intangible assets.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

2.2 AS- 2 Valuation of inventories

This Standard is not applicable to the company.

2.3 AS-3 Cash flow statement

Cash flows are reported using indirect method, whereby profit/ (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flow from operating, investing and financing activities of the Company is segregated based on the available information.

2.4 AS-4 Contingencies and events occurring after the Balance sheet date

No contingency events are reported after the balance sheet date.

2.5 AS-5 Net Profit or loss for the period, prior period items and changes in accounting policies.

The company has followed its accounting policies consistently and hence no change is reported.

2.6 AS-7 Construction contracts.

This Standard is not applicable to the company.

2.7 AS-9 Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured.

Revenue is being recognized in accordance with the Guidance Note on Accrual Basis of Accounting issued by The Institute of Chartered Accountants of India. Accordingly, wherever there are uncertainties in the realization of income same is not accounted for till such time the uncertainty is resolved.

2.8 AS-10 Property, Plant & Equipment

2.19 AS-22 Accounting for taxes on income.

Tax expenses for the year comprises of current tax and deferred tax. Current taxes are measured at the rate of tax in accordance with provisions of the Income-tax Act, 1961.

Deferred income tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets in case of carry forward of losses and unabsorbed depreciation are recognized only to the extent there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which the deferred tax asset can be recognized. In all other cases deferred tax asset is recognized, where there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

Minimum Alternate Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which MAT credit becomes eligible to be recognized as an asset in accordance with the

Recommendation contained in guidance note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the statement of profit and loss and shown as MAT credit entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent it is not reasonably certain that the Company will pay normal income tax during the specified period.

2.20 AS-23 Accounting for investments in associates in consolidated financial statements.

The company has not made any investments in the associates; the above standard is not applicable.

2.21 AS-24 Discontinuing operations.
