

ANNUAL REPORT 2022

Dear Valued Shareholders,

On behalf of the Board of Directors, I am pleased to present to you AKI's annual report for the financial year ended 31 March 2022 ("FY 2021-22").

Keeping Agile To Seize Opportunities After Crisis

Following the large-scale rollout of vaccination programmes and easing of COVID-19 restrictions, the global economy is gradually rebounding from the 2020 COVID-19 recession. In line with this, we have seen a broad-based recovery in most of our market segments.

Our diversified business model, both in terms of suppliers and customers, has proven robust. Through our agility, AKI was able to seize opportunities as the global economy recovered, and our business was elevated to a new level. Our net profit after tax achieved a 84.59 % growth year-on-year to a record level of Rs. 1.64 Cr. in FY 2022, higher than pre- COVID-19 levels.

Back On Growth Track

For FY 2022, AKI recorded a revenue of Rs. 63.61 Cr., an increase of 32.98% as compared to the Rs. 47.83 Cr. recorded in the previous financial year ended 31 March 2021. This was largely due to higher sales volume and prices from improved business sentiments and recovery in demand. Geographically, growth in sales was broad-based across the various markets recording the largest improvements over FY 2021.

Total operating expenses (excluding finance cost) increased marginally year-on-year, largely due to higher employee remuneration in line with better performance, higher transport charges in line with higher sales, net foreign exchange loss, as well as higher depreciation of right-of-use assets. The increase was partially offset by lower fair value loss from forward exchange contract.

The balance sheet remained sound, with cash and bank balances of Rs. 1.27 Cr. as at 31 March 2022, as compared to Rs. 1.15 Cr. as at 31 March 2021. Overall, our financial discipline has enabled us to maintain a healthy financial position, providing us with financial flexibility.

Dawn Of A New Growth Cycle

As the global economy is gradually recovering from the COVID-19 recession, we are optimistic that this signals the dawn of a new growth cycle for the economy, leather industry and AKI.

However, we are mindful of the ongoing macro volatilities, such as the possibility of further waves of infections from COVID-19 variants, tightening of monetary policies in several economies, rising interest and inflation rates, and war between Russia and Ukraine, that continue to create uncertainties. Barring any unforeseen circumstances, the Group is well poised to capitalise on the growth cycle to elevate our business further.

ANNUAL REPORT 2022

We will strive to enhance our product offerings and provide value-added one-stop solutions to all our customers, to better manage the supply chain disruptions together. Besides our strong customer centricity, we will leverage on our diversified business model, track record of operational excellence and good financial discipline to bring about long-term value to our stakeholders.

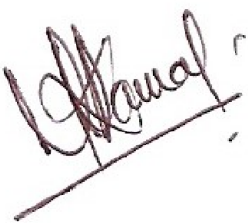

Sustainability

AKI has always regarded sustainability as one of our priorities in creating sustainable long-term value for our stakeholders. We will continue to put sustainability at the forefront of our business, balancing between economic objectives and social responsibility to the best of our abilities.

Words of appreciation

I would like to thank the management team, staff, bankers and business associates for their support and hard work that has enabled us to come this far. I would also like to extend my gratitude to my fellow directors for their contributions to the Group and counsel. Last but not least, I would like to show appreciation to our shareholders for their constant support.

In this dawn of a new growth cycle, I believe that AKI is well-positioned to seize new opportunities as we arise by leveraging on our strengths and comprehensive product range to provide customers with one-stop solutions. We will continue to focus on the execution of our Asia-centric strategy and strive towards a more sustainable specialty chemicals business for our customers.

Asad K Irqai

C.E.O.

Pursuant to Section 204 of the Companies Act, and The Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Company has appointed M/s T. Jain and Associates Practicing Company Secretary as secretarial auditor for conducting Secretarial Audit for all applicable laws for the Financial Year 2021. The Report of the Secretarial Audit Report to be set out in **Annexure-3** to the Director's Report.

There was no observation made by the secretarial auditor in his report.

PARTICULARS OF TRANSACTION WITH RELATED PARTIES

The Details of contract or arrangements made with related parties as defined under Section 188 of the Companies Act, 2013 during the year under review in Form AOC-2 is annexed with this report as

ANNEXURE-2

DECLARATION BY INDEPENDENT DIRECTORS

During the year, the Independent directors of the Company had no pecuniary relationship or transactions with the Company, other than sitting fees and reimbursement of expenses incurred by them for the purpose of attending meetings of the Company. Based on the declaration(s) of Independent Directors, the Board of Directors recorded their opinion that the Independent Directors are independent of the management and have fulfilled the conditions as specified in the Companies Act, 2013 and Rules made there under as well as concerning provisions of SEBI (LODR) Regulations, 2015. The company has received necessary declaration from each independent director under section 148 (7) of the Companies act, 2013, that he/she meets the criteria of independence laid down in Section 149 (6) of the Companies act, 2013.

DIRECTOR'S RESPONSIBILITY STATEMENT:-

In accordance with the requirements of Section 134(5) of the Companies Act, 2013, it is hereby confirmed that:-

- a) in the preparation of the annual accounts, the applicable accounting standards had been followed along with proper explanation relating to material departures;
- b) the directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company at the end of the financial year and of the profit and loss of the company for that period;
- c) the directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;
- d) the directors had prepared the annual accounts on a going concern basis;
- e) the directors had laid down internal financial controls to be followed by the company and that such internal financial controls are adequate and were operating effectively; and
- f) the directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

CORPORATE GOVERNANCE:

In accordance with Regulation 15 of the SEBI (LODR), Regulations, 2015 the Corporate Governance provisions are not applicable to your Company as the Paid up Equity Share Capital of the Company is not exceeding Rs. 10 Corers and Net Worth of the Company is not exceeding Rs. 25 Corers as on the last day of previous financial year. Accordingly Corporate Governance Report, Certification from Practicing Company Secretary and Certification from CEO/CFO are not given in Annual Report.

EMPLOYEES REMUNERATION

- (i) In terms of the provisions of Section 197 (12) of the Companies Act, 2013, read with Rule 5 (2) and (3) of the Companies (Appointment and Remuneration) Rules, 2013 as amended, the names and other

ANNUAL REPORT 2022

particulars of the employees are not required to be set out in the Directors' Report as none of the employee is drawing the remuneration as prescribed under Rule 5(2)(i).

In terms of Section 136 of the Companies Act, 2013 the Annual Report excluding the aforesaid information is being sent to all the Members of the Company and others entitled thereto. Members who are interested in obtaining such particulars may write to the Chief Financial Officer of the Company at its Registered Office.

- (ii) The ratio of the remuneration of each director to the median employee's remuneration and other details in terms of sub-section 12 of Section 197 of the Companies Act, 2013 read with Rule 5(1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, are not required to be set out in the Director's Report as none of the Directors are drawing remuneration owing to the limited profits available in the company as detailed in.

DIRECTORS:

Appointment

No director has been appointed during the financial year 2021-2022

Re-appointment

In accordance with provisions of the Act and the Articles of Association of the Company, Mr. Aslam Saeed is liable to retire by rotation and is eligible for re-appointment. The disclosures required pursuant to SEBI Listing Regulations are given in the Notice of the AGM, forming part of the Annual Report. Resolution proposing his appointment is set-out in the notice calling ensuing AGM

RISK MANAGEMENT POLICY

Pursuant to the requirement of Section 134(3) (n) of the Companies Act, 2013, the Company has already in place a Risk Management Policy which was reviewed by the Audit Committee and approved by the Board of Directors of the Company. The Policy provides for a robust Risk Management Framework to identify and assess risks such as operational, strategic, financial, security, property, regulatory, reputational and other risks and that there is an adequate Risk Management Infrastructure in place capable of addressing these risks. Audit Committee of the Company has been entrusted with responsibility to assist the Board in the matters which are given below:

SECRETARIAL AUDIT

REPORT FOR THE FINANCIAL YEAR ENDED 31.03.2022
[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
AKI INDIA LIMITED.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by AKI INDIA LIMITED (hereinafter called the company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the AKI INDIA LIMITED books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31.03.2022 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by AKI INDIA LIMITED ("the Company") for the financial year ended on 31.03.2022 according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made there under;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA) and the rules made there under;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder;
- v. The Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') viz.:
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;

ANNUAL REPORT 2022

Management Discussion and Analysis Report

Industry structure and Developments

The footwear sector is a very significant segment of the leather industry in India; rather it is the engine of growth for the entire Indian leather industry. India is the second largest global producer of footwear after China, accounting for 13% of global footwear production of 16 billion pairs. India produces approximate 2,000 Million pairs annually in different categories of Footwear. India exports about 115 million pairs.

Thus, nearly 95% of its production goes to meet its own domestic demand. The major production centers in India are Chennai, Ranipet, Ambur in Tamil Nadu, Mumbai in Maharashtra, Kanpur and Agra in U.P., Jalandhar in Punjab, Delhi, Karnal, Ludhiana, Sonapat, Faridabad, Pune, Kolkata, Calicut and Ernakulam. About 1.10 million workforce are engaged in the footwear manufacturing industry.

Footwear exported from India are Dress Shoes, Casuals, Moccasins, Sport Shoes, Horrowies, Sandals, Ballerinas, Boots, Sandals and Chappals made of rubber, plastic, P.V.C. and other materials.

The Footwear sector is now de-licensed and de-reserved, paving the way for expansion of capacities on modern lines with state-of-the-art machinery. To further assist this process, the Government has permitted 100% Foreign Direct Investment through the automatic route for the footwear sector.

Conducive Investment climate towards attracting overseas investments and increasing cost competitiveness. The Government of India is setting up dedicated Footwear Complex and Footwear Components Part where footwear clusters are located.

The challenge for Indian Footwear Industry is large but anticipating India to become amongst top 5 Superpowers in 2030, our consumption rates can reach as high as 7-8 Pairs. In such a scenario, India would need to produce anywhere between 8-10 billion pairs consider yearly population growth.

Consolidating mid-term status by 2020, the potential target for Indian Footwear Industry will equalize consumption pattern of 3-4 pairs. With six/seven years to go, Our Country need to scale our production from current level of 2 billion pairs to nearly 5 billion pairs at a CAGR rate of 30-40%.

(Source:- <https://retail.economictimes.indiatimes.com/re-ales/indian-footwear-industry-a-perspective/81>)

Footwear – Global Scenario and India's share

The global import of Footwear (both made of leather as well as non-leather) increased from US\$ 124.43 billion in 2013 to US\$ 134.943 billion in 2017, growing at a CAGR of 2.1%. During 2017, the India's share in the global import is 2%. *(Source:- <http://indiatradefair.com/>)*

Footwear is the engine of growth of the leather industry in India. India's export of Footwear touched US\$ 1933.13 million in 2016-17, accounting for a share of 45 % in India's total export from the leather sector of US\$ 5739.93Mn.

- India's export of leather footwear had increased from US\$ 2018.18 million in 2012-13 to US\$ 1933.13 million in 2016-17.
- India's export of footwear components had increased from US\$ 320 million in 2012-13 to US\$ 335.24 million in 2016-17
- India's export of non-leather footwear has increased from US\$ 202.06 million in 2012-13 to US\$ 296.68 million in 2016-17

(Source:- India trade fair Report-2019)

Opportunities

The Indian footwear and leather industry is export-oriented and the government is taking initiatives to increase the leather and footwear export. The government has also announced INR 26,000 million (USD 364 million) incentive package for the leather and footwear industry. This will help players operating in the organized sector

ANNUAL REPORT 2022

better deal with pricing pressure, along with employing 300,000 people. Under the National Skill Certification & Monetary Reward Scheme, around 60,358 youth have been trained for various jobs in the leather and footwear industry since July 2015. Beside this, due to Corona crisis industry is hopeful to reduce its labour cost. Now these days, Indian government take initiative to promote make in India programme, which become very helpful for Indian leather industry.

Threats

Nearly 85% of the Indian footwear industry comprises of unorganized players. These players sell their products at unimaginably low prices and have benefits such as lower sales tax, lower overhead cost, lower labor cost and absence of research and development (R&D) expenses. This will intensify competition as organized players will pass the price benefits to the consumers, while unorganized players try to enter the organized space. Beside this, Chinese goods and non-leather footwear products is a potential threat to our business and Company is working forward thwarting the said threat.

Impact of COVI-19 on Company

The operations of the Company was shut down as per the lockdown directives of Government, which may affect the upcoming financial results for financial year 2020-21, and will have an impact on the Financials for the year 2020-21. There is lots of wastage of Materials which were work in progress. Due to which The Company has not mitigated the export targets and many orders still on reconfirmation from buyers. Foreign buyers is avoiding to reconfirming the previous orders, as the company still unable to fulfill their previous orders.

On the other hand, the Raw material was not available at local level. during pandemic supplier chain has affected and prices of Raw Materials expected to increase.

Details of significant changes in key financial ratios alongwith explanation

In compliance with the requirement of the Listing Regulations, the key financial ratios of the Company alongwith explanation for significant changes (i.e., for change of 25% or more as compared to the immediately previous financial year will be termed as 'significant changes'). Accordingly, the Company has no Significant changes during the year.

Outlook

From the reports available in public domain, it is believed that the global economic recovery is in its way. It is only hoped that the growth momentum gathers, steam soon and fast. Indian Footwear industry is generally competitive and considering the positive business conditions developing, outlook for Footwear appears to be good. The Company is actively engaged in taking appropriate steps to grab these opportunities in order to improve its market share.

Risks and Concerns

The Chinese Products, Non-Leather goods, Counterfeit products and technology obsolescence are the risk factors of footwear industry. Besides that, the Government policies and volatile economic environment have a bearing on the overall performance of the company. Continuous Quality Improvement as well as maintaining a balance between the quality and price of products is the need of hour as there are different demand pattern all over the world

Internal Control Systems and their Adequacy

The Company's internal control systems are commensurate with the nature and size of its business. These systems ensure that all assets of the Company are safeguarded and protected against any loss or damage and that all transactions are properly authorized, recorded and accounted for.

Material Developments in Human Resources/ Industrial Relations Front, Including Number of People Employed

It is the Company's firm belief that its people constitute the primary source of its sustainable competitive advantage. For success in the footwear market, skills and workmanship are important to create superior products with excellent finish and to accomplish the same, Company regularly strives to train and equip its employees as per the Industry demand.

ANNUAL REPORT 2022

Cautionary Statement

Statement in this Management Discussion and Analysis describing the Company's objective, projects, estimates and expectations may be 'forward-looking statement' within the meaning of applicable laws and regulations. Actual results may vary significantly from the forward-looking statements contained in this document due to various risks and uncertainties. Several factors could make a significant difference to the Company's operations. These include economic conditions, government regulations and tax laws, political situation, natural calamities, among others, over which the Company does not have any direct control.

Independent Auditor's Report on compliance with the conditions of Corporate Governance as per provisions of Chapter IV of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

1. To the Members of AKI India Limited

We have examined the compliance of conditions of corporate governance by AKI India Limited ("the Company"), for the year ended on March 31, 2022, as stipulated in regulation 17 to 27 and clause (b) to (i) of regulation 46(2) and paragraphs C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations") ("Applicable criteria").

2. Management's responsibility

The compliance of conditions of corporate governance is the responsibility of management. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure compliance with the conditions of corporate governance stipulated in the SEBI Listing Regulations.

3. Auditors' responsibility

Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the corporate governance. It is neither audit nor expression of opinion on the financial statements of the Company.

4. We have examined the books of accounts and other relevant records and documents maintained by the Company for the purpose of providing reasonable assurance on the compliance with corporate governance requirements by the Company.

5. We have carried out an examination of the relevant records of the Company in accordance with the Guidance Note on Certification of Corporate Governance issued by the Institute of Chartered Accountants of India ("the ICAI"), the Standards on Auditing specified under Section 143(10) of the Companies Act, 2013, in so far as applicable for the purpose of this certificate and as per the Guidance Note on Reports or Certificates for Special Purpose issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.

6. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

ANNUAL REPORT 2022

INDEPENDENT AUDITORS' REPORT

To the Members of AKI India Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the financial statements of AKI India Limited ("the Company"), which comprise the balance sheet as at 31st March 2022, and the Statement of Profit and Loss (including other comprehensive income), and statement of cash flows and the statement of change in equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the Act) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its profit (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditors' Report Thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility

ANNUAL REPORT 2022

JAISWAL MISRA & COMPANY

Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone Ind AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, change in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Rules, 2016, as amended from time to time, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

ANNUAL REPORT 2022

<p>JAISWAL MISRA & COMPANY Chartered Accountants 15/271-C, Civil Lines Kanpur - 208 001 Phone: 0512-2333722 E-mail: jmc_ca_knp@yahoo.com</p>		
---	--	---

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

ANNUAL REPORT 2022

JAISWAL MISRA & COMPANY

Chartered Accountants

15/271-C, Civil Lines

Kanpur - 208 001

Phone: 0512-2333722

E-mail: jmc_ca_knp@yahoo.com

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, and on the basis of such checks of the books and records of the company as we considered appropriate and according to information and explanations given to us, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 197(16) of the Act, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under Section 197 read with Schedule V to the Act.
3. Further to our comments in Annexure A, as required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

Annexure 'A' to the Independent Auditors' Report

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

1. Fixed Asset:

- a. The company has maintained proper records showing full particulars, including quantitative details and situation of its fixed assets.
- b. As explained to us, fixed assets have been physically verified by the management at reasonable intervals; no material discrepancies were noticed on such verification.
- c. The title deeds of immovable properties are held in the name of the company.
- d. No revaluation has been done by the company of its property, plant and equipment.
- e. No proceeding has been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.

2. Inventory and Working Capital :

As explained to us, inventories have been physically verified during the year by the management at reasonable intervals. No material discrepancy was noticed on physical verification of stocks by the management as compared to book records. The company has sanctioned working capital limit in excess of five crore rupees from banks and financial institutions on the basis of security of current assets. The quarterly returns or statements filed by the company with financial institutions or banks are in agreement with the books of account of the Company.

3. Investments, Loans, Guarantee, Security and Advances given :

According to the information and explanations given to us and on the basis of our examination of the books of account, the Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties listed in the register maintained under Section 189 of the Companies Act, 2013. Consequently, the provisions of clauses iii (a), (b) and (c) of the order are not applicable to the Company.

4. Loans, Guarantee and Advances to Director of Company:

In our opinion and according to information and explanation given to us, the company has not granted any loans or provided any guarantees or given any security or made any investments to which the provision of section 185 and 186 of the Companies Act, 2013. Accordingly, paragraph 3 (iv) of the order is not applicable.

<p>JAISWAL MISRA & COMPANY Chartered Accountants 15/271-C, Civil Lines Kanpur - 208 001 Phone: 0512-2333722 E-mail: jmc_ca_knp@yahoo.com</p>		
---	--	---

5. Deposits:

The Company has not accepted any deposits from the public and hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2015 with regard to the deposits accepted from the public are not applicable.

6. Maintenance of costing records:

As per information & explanation given by the management, maintenance of cost records has not been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013.

7. Deposit of statutory liabilities:

The Company is generally regular in depositing with appropriate authorities undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, duty of customs, and other statutory dues applicable to it. According to the information and explanations given to us and based on audit procedures performed by us, no undisputed amounts payable in respect of these statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable.

8. Unrecorded Income :

There is no transaction disclosed or surrendered before the tax authorities as income which is not recorded in the books of account during the year.

9. Default in repayment of borrowings:

In our opinion and according to the information and explanations given by the management, we are of the opinion that, the Company has not defaulted in repayment of dues to a financial institution, bank or Government, as applicable to the company.

10. Funds raised and utilisation:

Based on our audit procedures and according to the information given by the management, the company has not raised any money by way of initial public offer or further public offer (including debt instruments).

The company has not made any private placement or preferential allotment of shares or convertible debentures (fully, partially or optionally convertible) during the year.

Term loans have been applied for the purpose for which they were obtained.

ANNUAL REPORT 2022

<p>JAIHWAL MISRA & COMPANY Chartered Accountants 15/271-C, Civil Lines Kanpur - 208 001 Phone: 0512-2333722 E-mail: jmc_ca_knp@yahoo.com</p>		
---	--	---

The term loans have been used for the object for which they were obtained.

The company has not used funds raised for a short term basis for long term purposes.

The company has not raised any money from any person or entity for the account of or to pay the obligations of its associates, subsidiaries or joint ventures.

The company has not raised any loan during the year by pledging securities held in their subsidiaries, joint ventures or associate companies.

11. Fraud and whistle-blower complaints:

According to the information and explanations given to us, we report that no fraud by the company or any fraud on the Company by its officers or employees has been noticed or reported during the year.

12. Managerial Remuneration:

According to the information and explanations given to us, we report that during the year managerial remuneration has been paid in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act .

13. Nidhi Company:

The company is not a Nidhi Company. Therefore, clause (xii) of the order is not applicable to the company.

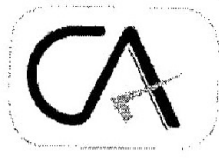

14. Related Party Transactions:

According to the information and explanations given to us, all transactions entered into with related parties as defined under the Companies Act, 2013 and Listing Regulations during the financial year were in the ordinary course of business and on arm's length basis and do not attract the provisions of Section 188 of the Companies Act, 2013. There were no materially significant transactions with related parties during the financial year. Related party transactions have been disclosed under note 47 of notes forming part of the financial statements in accordance with "Accounting Standard 18". A statement in summary form of the transaction with related parties in the ordinary course of business and arm's length basis is periodically placed before the Audit Committee for review and recommendation to the Board for their approval.

As required under Listing Regulations, the company has formulated a policy on materiality of related party transactions and dealing with related party transactions.

ANNUAL REPORT 2022

<p>JAIHWAL MISRA & COMPANY Chartered Accountants 15/271-C, Civil Lines Kanpur - 208 001 Phone: 0512-2333722 E-mail: jmc_ca_knp@yahoo.com</p>		
---	--	---

None of the transactions with related parties were in conflict with the interest of the company. All transactions are in the normal course of business and have no potential conflict with the interest of the Company at large and are carried out on an arm's length basis on fair value.

15. Internal Audit:

The company has a sufficient system of internal controls commensurate with the size and nature of its business which ensures that transactions are recorded, authorised and reported correctly apart from safeguarding its assets against loss from wastage, unauthorised use and disposition.

16. Preferential allotment:

According to the information and explanations given to us and based on our examination of the records of the company, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, paragraph 3(xiv) of the order is not applicable.

17. Non Cash Transactions:

The company has not entered into non-cash transactions with directors or persons connected with him and hence requirement to report on clause 3(xv) of the Order is not applicable to the Company.

18. Cash Losses:

The company has not incurred cash losses in the financial year and in the immediately preceding financial year

19. Resignation of Statutory Auditors:

There has been no instance of any resignation of the statutory auditors occurred during the year and accordingly requirement to report on Clause 3(xviii) of the Order is not applicable to the Company.

20. Material uncertainty on meeting liabilities:

No material uncertainty exists as on the date of the audit report that company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of 1 year from the balance sheet date

21. Transfer to fund specified under Schedule VII of Companies Act, 2013

As per section 135 of the Companies Act, the company has no obligation under Corporate Social Responsibility.

In respect of other than ongoing projects, the company has not transferred unspent amount to a Fund specified in Schedule VII to the Companies Act within a period of six months of the expiry of the financial year in compliance with second proviso to sub-section (5) of section 135 of the said Act;

22. Registration under RBI act:

The provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the Company.

Annexure B to the Independent Auditors' Report

(Referred to in paragraph 3(f) of our report of even date on the financial statements for the financial year ended March 31, 2022 of AKI India Limited)

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls with reference to financial statements of **AKI India Limited** ("the Company") as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be

ANNUAL REPORT 2022

JAISWAL MISRA & COMPANY Chartered Accountants 15/271-C, Civil Lines Kanpur - 208 001 Phone: 0512-2333722 E-mail: jmc_ca_knp@yahoo.com		
---	--	---

prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are

ANNUAL REPORT 2022

---	--	---

subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

ANNUAL REPORT 2022

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

NOTE 1.

A. CORPORATE INFORMATION

AKI INDIA LIMITED (“the company”) is a public limited company having its registered office situated at **9/6(II) ASHARFABAD, JAJMAU, KANPUR-208010(U.P.)**

The Company’s equity shares are listed at the **SME portal of Bombay Stock Exchange(BSE).**

The principal activities of the company are manufacturing and exports of Leather, Leather Goods etc.

B. SIGNIFICANT ACCOUNTING POLICIES :

1. Statement of compliance :

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Section 133 of the Companies Act,2013 (the Act) read with the companies(Indian Accounting Standards) Rules,2015 and other relevant provisions of the Act, In addition, the guidance notes/announcements issued by the Institute of chartered Accountants of India (ICAI) are also applied except where compliance with other statutory promulgations require a different treatment.

2. Basis of preparation

The financial statements have been prepared on the historical cost convention on accrual basis except for following assets and liabilities which have been measured at fair value amount:

- Certain financial assets and liabilities (Including derivative instruments).
- Defined benefit plans – plan assets

Historical cost is generally based on the fair value of the consideration given in exchange of goods or services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

3. Operating cycle for current and non-current classification :

ANNUAL REPORT 2022

All assets and liabilities have been classified as current or non-current according to the Company's operating cycle and other criteria set out in the Act. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months.

Company's financial statements are presented in Indian rupees, which is also its functional currency.

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumption that affect the application of the accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amount of revenues and expenses during the year. Actual results could differ from those estimates. The estimates and underlying assumption are reviewed on an ongoing basis.

Revision to accounting estimates are recognized prospectively in the period in which the estimate is revised if the revision affects only that period; they are recognized in the period of the revision and future periods if the revision affects both current and future periods.

4. Property, plant and equipment(PPE)

PPE are stated at cost of acquisition less accumulated depreciation. Cost of acquisition is inclusive of freight, duties, levies and all incidental expenses attributable to the acquisition of assets up to the date of commissioning of the assets.

Property, Plant and Equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, freight, duties, levies and all incidental expenses including borrowing costs attributable to the acquisition of assets up to the date of commissioning of the assets. Any trade discounts and rebates are deducted in arriving at the purchase price.

Assets are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use.

Spare parts are capitalized when they meet the definition of PPE, i.e., when the Company intends to use these during more than a period of 12 months.

5. Investment Property :

Property that is held for long term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property.

Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. For this purpose, cost includes deemed cost which represent the carrying value of property, plant and equipment.

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as non current investments.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis.

ANNUAL REPORT 2022

Non-Current investments are carried at cost.

However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments

A provision for diminution in the value of investments is made only when the management is of the opinion that it is of a permanent nature.

Such costs includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use , net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.

An item of property , plant and equipment or any significant part initially recognized of such item of property plant and equipment is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the assets) is included in the income statement when the assets is derecognized.

6. Depreciation:

Depreciable amount for assets is the cost of an asset, or other amounts substituted for cost, less its estimated residual value. Depreciation on tangible Properties has been provided on the W.D.V. in the manner and as per the useful life specified in schedule II to the Companies Act, 2013.

Depreciation is calculated on pro-rata basis only in respect of additions of the assets during the year.

No depreciation is provided on assets sold, discarded, etc during the year.

Depreciation rates prescribed under Schedule XIV were treated as minimum rates and the company was not allowed to charge depreciation at lower rates even if such lower rates were justified by the estimated useful life of the asset. Schedule II to the Companies Act 2013 prescribes useful lives for property, plant and equipment which, in many cases, are different from lives prescribed under the erstwhile Schedule XIV. However, Schedule II allows companies to use higher/ lower useful lives and residual values if such useful lives and residual values can be technically supported and justification for difference is disclosed in the financial statements Depreciation is calculated on pro-rata basis only in respect of additions of the assets during the year. No depreciation is provided on assets sold, discarded, etc during the year

7. Intangible Assets

Intangible assets are stated at cost of acquisition net of recoverable taxes, trade discount and prebakes less accumulated amortization/depletion and impairment losses, if any. Such cost includes purchase price , borrowing costs, and any cost directly attributable to bring the assets to its working condition for the intended use, net charges of foreign exchange contracts and adjustments arising from exchange rate variation attributable to the intangible assets

Subsequent costs are include in the asset's carrying amount or recognized as a separate assets, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

ANNUAL REPORT 2022

Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses, if any.

Gains and losses arising from de-recognition of an intangible assets are measured as the difference between the net disposal proceed and the Carrying amount of the asset and are recongnised in the statement of Profit and Loss when the assets is derecognized.

The Company has effected to continue with the carrying value of all of its intangibles assets recognized as on April 1.2016 measured as per the previous GAAP and use that carrying value as its deemed cost as of transition date.

The amortization period and the amortization method for an intangible asset are reviewed at least at the end of each period and adjusted prospectively if appropriate.

The amortisation expense on intangible assets is recognized in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

8 Impairment of Assets Impairment of property, plant and equipment and intangible assets Other than goodwill

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's(CGU) fair value less costs of disposal and its value in use.

Impairment loss is recognized when the carrying amount of an asset exceeds recoverable amount.

For assets excluding goodwill, an assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased.

If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years.

9 Lease Rentals :

Accounting for lease is depending on classification of lease.

A lease is classified as a finance lease if it transfers substantially all the risks and rewards incident to ownership. All other leases are classified as operating leases. Classification is made at the inception of the lease.

Whether a lease is a finance lease or an operating lease depends on the substance of the transaction rather than the form. Situations that would normally lead to a lease being classified as a finance lease include the following:

Other situations that might also lead to classification as a finance lease are:

- If the lessee is entitled to cancel the lease, the lessor's losses associated with the cancellation are borne by the lessee

ANNUAL REPORT 2022

- Gains or Losses from fluctuations in the fair value of the residual fall to the lessee (for example, by means of a rebate of lease payments)
- The lessee has the ability to continue to lease for a secondary period at a rent that is substantially lower than market rent

10 Inventories :

Inventories are valued at cost or not realizable value whichever is lower. The basis of determining the cost for various categories of inventory is as follows.

- (a) Raw materials , chemicals , components , stores & spares and stock in trade – cost includes cost of purchase (Net of recoverable taxes) and other costs incurred in bringing the inventories of their present location and condition , Cost is determined on FIFO basis.
- (b) Stock in process and finished goods – Direct cost plus appropriate share of overheads.
- (c) Saleable Scrap/ Waste/By products_ At estimated realizable value
- (d) Inter unit goods transfer-transfer price
- (e) Import Entitlement / Licenses –At estimated realizable/Utilization value

Net realizable value is the estimated selling price in the ordinary course of business. Less estimated costs of completion and the estimated costs necessary to make the sale.

11. Foreign Currencies:

(a) Functional & Presentation Currency :

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian Rupee (INR/Rupees), which is the Company's functional and presentation currency.

(b) Transaction & Balances :

Transactions in foreign currencies are recorded on initial recognition at the exchange rate prevailing on the date of the transaction.

Any gains or losses arising due to differences in exchange rates at the time of translation or settlement are accounted for in the Statement of Profit & Loss either under the head foreign exchange fluctuation or interest cost, as the case may be, except those relating to long-term foreign currency monetary items.

12. Investment in subsidiaries and Associates

Investment in subsidiaries and Associates are carried at cost less accumulated impairment, if any.

ANNUAL REPORT 2022

13. Fair Value measurement :

Fair value is the prices that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either.

In the principal market for the asset or liability or

In the absence of a principal market in the most advantageous market which can be accessed by the Company for the asset or liability.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability assuming that market participants act in their economics best interest.

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available in measure fair value maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy described as follows. Based on the lowest level input that is significant to the fair value measurement as a whole.

14. Financial Assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement

Subsequent measurement is determined with reference to the classification of the respective financial assets. Based on the business model for managing the financial assets and the contractual cash flow characteristics of the financial asset, the Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit and loss.

Debt instruments at amortised cost

Debt instruments such as trade and other receivables, security deposits and loans given are measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

ANNUAL REPORT 2022

- After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

Debt instruments at Fair value through Other Comprehensive Income (FVOCI)

A 'debt instrument' is classified as at the FVOCI if both of the following criteria are met:

- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI).

Debt instruments at Fair value through Profit or Loss (FVTPL)

FVTPL is a residual category for debt instruments excluding investments in subsidiary and associate companies. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVOCI, is classified as at FVTPL.

After initial measurement, any fair value changes including any interest income, foreign exchange gain and losses, impairment losses and other net gains and losses are recognised in the Statement of Profit and Loss.

De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's Balance Sheet) when ;

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either:
- The Company has transferred substantially all the risks and rewards of the asset, or
- The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On de-recognition, any gains or losses on all debt instruments (other than debt instruments measured at FVOCI) and equity instruments (measured at FVTPL) are recognised in the Statement of Profit and Loss. Gains and losses in respect of debt instruments measured at FVOCI and that are accumulated in OCI are reclassified to profit or loss on de-recognition. Gains or losses on equity instruments measured at FVOCI that are recognised and accumulated in OCI are not reclassified to profit or loss on de-recognition.

ANNUAL REPORT 2022

15 Impairment of financial assets

The Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance.
- b) Financial assets measured at fair value through other comprehensive income.

In case of other assets (listed as a) above), the company determines if there has been a significant increase in credit risk of the financial asset since initial recognition. If the credit risk of such assets has not increased significantly, an amount equal to 12-month ECL is measured and recognized as loss allowance. However, if credit risk has increased significantly, an amount equal to lifetime ECL is measured and recognized as loss allowance.

16. Financial Liabilities :

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, and derivative financial instruments.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial Liabilities at Fair Value through Profit or Loss (FVTPL)

Financial liabilities at fair value through profit or loss include financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in Ind-AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk is recognized in OCI. These gains/ losses are not subsequently transferred to profit or loss. However, the company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss.

Financial Liabilities at amortised cost

Financial liabilities classified and measured at amortised cost such as loans and borrowings are initially recognized at fair value, net of transaction cost incurred. After initial recognition, financial liabilities are subsequently measured at amortised cost using the Effective interest rate (EIR) method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

Derecognition :

ANNUAL REPORT 2022

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

17. Derivative financial instruments

The Company uses derivative financial instruments to manage the commodity price risk and exposure on account of fluctuation in interest rate and foreign exchange rates. Such derivative financial instruments are initially recognized at fair value on the date on which a derivative contract is entered into and are subsequently measured at fair value with changes being recognized in Statement of Profit and Loss. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken through profit and loss.

18. Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any differences between the proceeds (net of transaction costs) and the redemption amount is recognised in Profit or loss over the period of the borrowing using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facilities will be drawn down. In this case, the fee is deferred until the draw down occurs.

The borrowings are removed from the Balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of the financial liability that has been extinguished or transferred to another party and the consideration paid including any non cash asset transferred or liabilities assumed, is recognised in profit or loss as other gains/(losses).

Borrowings are classified as current liabilities unless the group has an unconditional right to defer settlement of the liability of at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statement for issue, not to demand payment as a consequence of the breach.

19. Borrowing costs

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction/development of the qualifying asset upto the date of capitalisation of such asset is added to the cost of the assets.

ANNUAL REPORT 2022

Interest income earned on temporary investment of specific borrowing pending expenditure on qualifying asset is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are expensed in the period in which they occur.

20. Offsetting Of Financial Instruments

Financial assets and financial liabilities are offset, and the net amount is reported in the standalone balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the company, or the counter party.

21. Claims

Claims against the Company not acknowledged as debts are disclosed after a careful evaluation of the facts and legal aspects of the matter involved.

22. Provisions, Contingent liabilities and Capital Commitments

Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities are possible obligations whose existence will only be confirmed by future events not wholly within the control of the Company, or present obligations where it is not probable that an outflow of resources will be required, or the amount of the obligation cannot be measured with sufficient reliability. Information on contingent liability is disclosed in the Notes to the Financial Statements.

Contingent assets are not recognised but disclosed when the inflow of economic benefits is probable. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.

23. Government Grant

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with.

A government grant that becomes receivable as compensation for expenses or losses incurred in previous period(s). Such a grant is recognised in profit or loss of the period in which it becomes receivable.

Government grants shall be recognised in profit or loss on a systematic basis over the periods in which the Company recognises as expenses the related costs for which the grants are intended to compensate.

ANNUAL REPORT 2022

Government grants related to assets are presented in the balance sheet as deferred income and is recognised in profit or loss on a systematic basis over the expected useful life of the related assets or other relevant basis.

Government grants by way of financial assistance on the basis of certain qualifying criteria are recognised as they become receivable.

In the unlikely event that a grant previously recognised is ultimately not received, it is treated as a change in estimate and the amount cumulatively recognised is expensed in the Statement of Profit and Loss.

24. Revenue Recognition :

Sale of Goods and services

Revenue is recognised upon transfer of control of promised goods to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those goods.

Revenue from the sale of goods is recognised at the point in time when (a) control is transferred to the customer, which is mainly upon delivery in case of domestic sales and on issuance of Shipping Bill in case of export sales.

Revenue is measured at the fair value of the consideration received or receivable for goods supplied and services rendered, net of returns, rebates and discounts to customers.

Revenue from the sale of goods includes excise and other duties which the Company pays as a principal but excludes amounts collected on behalf of third parties, such as sales Tax/ value added tax/Goods & Services Tax.

The Company has adopted Ind AS 115 Revenue from contracts with customers, with effect from April 1, 2018. Ind AS 115 establishes principles for reporting information about the nature, amount, timing and uncertainty of revenues and cash flows arising from the contracts with its customers and replaces Ind AS 18 Revenue and Ind AS 11 Construction Contracts.

The Company has adopted Ind AS 115 using the cumulative effect method whereby the effect of applying this standard is recognised at the date of initial application (i.e. April 1, 2018). Accordingly, the comparative information in the statement of profit and loss is not restated. There is no impact of the adoption of the standard on the financial statements of the Company.

Interest Income

Interest income is accrued on using on a time basis by the effective interest rate with reference to the principal outstanding.

Dividend Income

Dividend income from investments is recognised when the shareholder's right to receive payment has been established.

Export Incentives

Export Incentives are recognised when certainty of receipt is established.

Insurance Claim

Insurance claims are accounted for on the basis of claims admitted / expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

ANNUAL REPORT 2022

Other Income

Other income is accounted for on accrual basis except where the receipt of income is uncertain and in such cases it is accounted for on receipt basis.

25. Employee benefits

The Company makes contributions to both defined benefit and defined contribution schemes which are mainly administered through/by duly constituted and approved Trusts and the Government.

Defined Contribution Scheme

In case of provident fund administered through Regional Provident Fund Commissioner, the Company has no obligation, other than the contribution payable to the provident fund.

In case of members of constituted and approved trusts, the Company recognises contribution payable to such trusts as an expense including any shortfall in interest between the amount of interest realised by the investment and the interest payable to members at the rate declared by the Government of India.

The Company's contributions paid / payable during the year to provident fund administered through Approved Trust, Regional Provident Fund Commissioner, Superannuation Fund and Employees' State Insurance Corporation are recognised in the Statement of Profit and Loss as an expense when employees have rendered services entitling them to contributions.

Defined Benefit Scheme

Gratuity: Cost of providing the Benefit is determined on an actuarial basis at the end of the year and charged to Statement of Profit and Loss. The cost of providing these benefits is determined by independent actuary using the projected unit credit method.

Re-measurements, comprising of actuarial gains and losses and the effect of the asset ceiling, (excluding amounts included in net interest on the net defined benefit liability and return on plan assets), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. It is included in retained earnings in the statement of changes in equity and in the balance sheet.

Leave encashment: Leave balance as at the end of the calendar year is encashed and balance leaves earned thereafter to the extent not availed by the employees are provided in the accounts.

26. Research and Development Expenditure

Expenditure on research of revenue nature is charged to Statement of Profit and Loss and that of capital nature is capitalized as fixed assets.

27. Taxes on Income

Current tax is the amount of tax payable determined in accordance with the applicable tax rates and provisions of the Income Tax Act, 1961 and other applicable tax laws.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the Balance sheet and the corresponding tax bases used in the computation of taxable profit and are accounted for using the liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are generally

ANNUAL REPORT 2022

recognized for all deductible temporary differences, carry forward tax losses and allowances to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences, carry forward tax losses and allowances can be utilised. Deferred tax assets and liabilities are measured at the applicable tax rates. Deferred tax assets and deferred tax liabilities are off set, and presented as net.

Current and deferred taxes relating to items directly recognised in reserves are recognised in reserves and not in the Statement of Profit and Loss.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an deferred tax asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

28. Dividend Distribution

Dividends paid (including income tax thereon) is recognised in the period in which the interim dividends are approved by the Board of Directors, or in respect of the final dividend when approved by shareholders.

29. Cash Flow Statement

Cash flows statement is prepared as per the Indirect Method specified in Ind AS 7 on Cash Flows. Cash and cash equivalents (including bank balances) shown in statement of cash flows exclude item which are not available for general use on the date of balance sheet.

30. Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.
