COMMENTS ON OBSERVATION AND QUALIFICATION MADE BY THE AUDITORS

M/s. P.D. Pandya and Associates, Company Secretary in Practice, in his Secretarial Audit Report for financial year 2015-16 have drawn the attention of the management on some the non-compliances, which have been marked as qualification in his report. In connection with the same management herewith give the explanation for the same as follows:

The Company is not registered under Maharashtra State Tax on Professions, Trades, callings and Employments Tax, Act 1975 (Profession Tax Act). The Company will soon obtain valid Profession Tax number and will comply the same in future.

As pointed out by the secretarial auditors that Company has failed to secure the approval of the members through postal ballot for exceeding limits for making loans and advances, providing guarantee and security and making of investment u/s 186 of the Companies Act, 2013 during the year. We contend the said observation, since the company's main object is financing and according to 186(11), which specifically exempts every company engaged in the business of financing of companies from the ambit of this section. However the Company has already taken the approval of the members at 30th Annual General Meeting for the same.

Further, inadvertently in some instance company failed to file form MGT-10 with ROC with respect to change in shareholding more than 2% of promoter and top 10 shareholders. However, Company has filed the said form for every changes made for promoters holding. The Company ensures that in future same mistake would not be repeated.

With respect to appointment of Managing Director (MD) Girraj Kishor Agrawal; MD was appointed in the Annual General Meeting of the year 2012 vide special resolution dated 27/09/2012 and the order imposing penalty was passed dated 04/02/2013 vide its power under Section 15H(ii) of the SEBI Act, which had imposed an individual monetary penalty; the order was passed after his appointment as MD. Mr. Girraj Kishor Agrawal has paid the penalty. From the date of appointment to till date, MD has not drawn any salary for his position in the company. There was no malafide intention for the same. The company in future will apply to Central Government approval for making good the said default.

ANNEXURE B TO INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of AXON VENTURES LIMITED ("the Company") as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Inventories are valued at cost or net realizable value whichever is lower.

(j) Taxation

Provision for current tax is made as per the provisions of the Income-tax Act, 1961.

Deferred tax for the year is recognized on timing difference, being the difference between taxable incomes and accounting income that originates in one period and is capable of reversal in one or more subsequent periods.

The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognized using the tax rates that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognized only to the extent there is a reasonable certainty that the assets can be realized in future, however when there is unabsorbed depreciation or carry forward loss under taxation laws, deferred tax assets are recognized only if there is a virtual certainty of realization of such assets.

(k) Provision, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognized but are disclosed in the Notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

(l) Retirement Benefits

Liabilities in respect of bonus, gratuity, and retirement benefit & leave encashment is being accounted for on cash basis.

(l) Earnings per share

The earnings considered in ascertaining the company's EPS comprise of the net profit after tax as per Accounting Standard 20 on "Earnings Per Share", issued by the Institute of Chartered Accountants of India. The number of shares used in computing basic EPS is the weighted average number of shares outstanding during the period. The diluted EPS is calculated on the same basis as basic EPS, after adjusting for the effects of potential dilutive equity shares unless the effect of the potential dilutive equity shares is anti-dilutive.

(n) Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.
