ITEM NO. 4

The Company's Equity Shares are presently listed with Bombay Stock Exchange (BSE). There has been no trading of the equity shares of the Company in the BSE in the last few years. Further, the Promoters/Promoter Group of the Company wish to consolidate their shareholding in the Company which will provide increased operational flexibility to support the Company's business. Board thought that no purpose is served in continuing the listing of Company's equity shares with the Stock Exchanges. The Company can also save the cost and time for compliance with various Regulations of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. In this respect, Promoter/Promoter Group have expressed their intention to the Board of Directors to make a voluntary delisting of the equity shares of the Company from BSE and also to provide an exit opportunity to all the public shareholders in compliance with the provisions of the SEBI (Delisting of Equity Shares) Regulations, 2009.

Under the Securities and Exchange Board of India (Delisting of Equity Shares) Regulations 2009, a Company is permitted to delist its securities from all the Stock Exchanges where its securities are listed subject to the prior approval of the shareholders and provided an exit opportunity has been given to the investors. The Board of Directors in their meeting held on 14th August, 2018 has subject to the approval of the members of the Company and such other approvals/ sanctions as may be required in this connection, approved the proposal for voluntary delisting of equity shares of the Company from the Stock Exchange.

The Company is therefore, seeking your approval as required under the provision of Regulation 8(1)(b) of SEBI (Delisting of Equity Shares) Regulations, 2009 by way of a Special Resolution.

The Board of Directors is of the opinion that the aforesaid resolution is in the best interest of the Company as the voluntary delisting by the Promoters will provide an exit opportunity to the public shareholders in accordance with the SEBI Delisting Regulations and hence, recommends the above resolution for your approval as a special resolution.

The passing of the Special Resolution would be enabling in nature and it will allow the promoters (if they so choose) to proceed with the Delisting Proposal within one year of passing of the Special Resolution as allowed under SEBI Delisting Regulations. If the promoters decide to proceed with their Delisting Proposal, they will make an offer to acquire shares from the public shareholders of the Company in accordance with SEBI Delisting Regulations.

“ANNEXURE B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1 (6) under ‘Report on Other Legal and Regulatory Requirements’
section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Abirami Financial Services (India) Limited as of March 31, 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountant of India (‘the Guidance Note’). These responsibilities include the design, implementation and maintained of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Standards on Auditing prescribed under Section 143(10) of the Act and the Guidance Note, to the extent applicable to an audit of internal financial controls. Those Standards and the

Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risk of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of the management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitation of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be deducted. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note.
