Management Discussion and Analysis

The following discussion is based on the Audited Standalone and Consolidated financial statements of Chembond Chemicals Limited and its following subsidiaries and step-down subsidiary (together referred to as “the Group”):

- i. Chembond Water Technologies Limited
- ii. Chembond Material Technologies Private Limited
- iii. Chembond Biosciences Limited
- iv. Chembond Clean Water Technologies Limited
- v. Chembond Polymers and Materials Limited
- vi. Chembond Calvatis Industrial Hygiene Systems Limited
- vii. Chembond Chemicals (Malaysia) Sdn. Bhd.
- viii. Phiroze Sethna Private Limited
- ix. Chembond Distribution Limited, and
- x. Gramos Chemicals India Private Limited (Step-down Subsidiary)

This discussion, therefore, covers the financial results and other developments from April 2018 to March 2019, in respect of the Group. The financial year 2018-19 has been referred to as “the year” and the financial year 2017-18 has been referred to as “the previous year.” Some statements in this discussion describing the projections, estimates, expectations or outlook may be forward looking. Actual results may, however, differ materially from those stated owing to various factors such as changes in government regulations, tax regimes, economic developments, exchange rates and interest rates fluctuations, impact of competition, demand and supply constraints etc.

During the year under review, your Company has achieved Revenue from operations of ₹15,629 lakhs on standalone basis and ₹30,131 lakhs on consolidated basis. The comparative figures are tabulated below.

Financial and Operational Performance

Comparative numbers and ratio analysis tables below have been arrived at by adjusting for excise duty from the sales of Q1 2018-19. Most businesses of the Company improved their performance over the prior year. The dip in sales is due to the planned discontinuation of toll manufacturing.

Industry Structure & Developments

Global Economy

Global economic activity which began with a strong foothold, slowed in the second half of 2018 owing to escalation in tariffs by US and China, stalled Brexit negotiations and slowdown across

developed nations. Global growth is projected to slow from 3.6% in 2018 to 3.3% in 2019. Growth has weakened, trade tensions remain elevated amongst nations and several developing economies have experienced financial stress.

Indian Economy

Emerging and Developing markets of Asia maintained their robust performance, growing at 6.5% in 2018–19. India's economy expanded at 7.1% in 2018 vis-à-vis 6.7% in 2017, whereas China's growth deteriorated from 6.9% in 2017 to 6.6% in 2018 (Source: IMF).

The World Bank predicted that India's GDP will grow at 7.3% during 2018-19 and by 7.5% for the next two years as drags from demonetization and introduction of Goods and Services Tax diminish (source: IMF WEO).

India continues to be one of the fastest growing major economies in the world and is expected to be among the world's top three economic powers in the next 10-15 years.

Today, India is the world's seventh largest economy in real terms, backed by strong demand, positive consumption pattern and rising disposable income.

Chemical Industry

The chemical industry is the backbone of India's industrial and agricultural development. This highly knowledge and capital-intensive industry is the mainstay of industrial and agricultural development, and provides building blocks for downstream industries such as textiles, papers, paints, soaps, detergents, and pharmaceuticals, among others. The chemical industry in India is highly diversified, covering more than 80,000 commercial products. It is broadly classified into basic chemicals, specialty chemicals and agrochemicals.

Your Company deals in Specialty Chemicals.

Opportunities and Threats

Your Company has a well set up infrastructure in respect to manufacturing capacities, human resources, technical expertise, etc. which are a key factor for future growth of its business. The Company can bank on its in-house R&D for development of new products, backward integration, quality improvement and cost reduction.

Opportunities

1. The advantage of being a professionally managed local company allows the Company to tailor solutions and products to Indian conditions.
2. In house technical expertise to develop solutions for customers.

3. A large domestic market fuelled by rising incomes in urban and rural areas.
4. Expansion in the manufacturing capacities by customers to cater to growing demand.

Threats

1. Global companies investing in India increases competition.
2. Chemical companies are affected by environmental regulations and public perception of the industry. However, awareness about the regulations and means for proper measure to safeguard the environment will add to value creation and growth.
3. It becomes difficult to position the chemical industry as a sustainable and secure workplace due to the barrier created in the mindset of people about its ill effects.
4. Threats from low cost manufacturers and introduction of automated processes.
5. Cost of compliance makes operations uneconomical and inviable.

Risks & Concerns

The growth of the specialty chemical industry is driven by R&D activities and a need for constant innovation in the product spectrum. On the other hand, strong R&D set-up ensures quality management and cost reductions. Since your Company has its own R&D Centre, the above concerns are well addressed.

The Company is exposed to health, safety, security and environmental risks, given the diversity and complexity of the industry in which the Company operates. The Management's commitment towards employee health, safety and security extends beyond accidents and occupational health hazards to social well-being of employees. The Company conducts environment, health and safety audits periodically to get assurance on Company's framework protocol on Environment, Health and Safety and regulatory compliances. The Company has also prepared and adopted an Environment, Health and Safety Policy entailing the commitment of the Company towards high standards of environment, health, and safety. The evolution of the regulatory environment across the globe has resulted into increased regulatory scrutiny that raises minimum standards required by the Company necessitating increased investment in compliance. However, the Company considers the regulatory requirements as a source of competitive advantage and therefore strives to abide by the changing regulatory standards to consolidate its position in business and integrate these aspects in its business strategy.

Macro-economic conditions like the policy decisions of the government, currency fluctuations and volatility in commodity

prices like crude oil can affect the business of the Company. However, since Company's revenue generating sources are diversified into various sectors backed up by the strong domestic demand such risks are mitigated to some extent.

Business Snapshot

Water Treatment

Your Company offers industrial water treatment and reclamation solutions through its subsidiaries **Chembond Water Technologies Ltd.** and **Chembond Clean Water Technologies Ltd.** Our chemical and/or equipment solutions are coupled with advanced monitoring techniques and proactive technical support to better serve our customers. Our capabilities include - treating source water and making it suitable for use in industry; treating recirculating cooling water and enhancing its productivity while preventing it from deteriorating plant performance; maintaining steam generation equipment efficiency with our boiler feed water treatment solutions; and enabling wastewater re-use. Our NSF approved reverse osmosis membrane treatment and evaporator treatment products allow enhanced water recovery and zero liquid discharge operations.

The water business grew well during the year and in spite of the fiercely competitive field, the company could hold its own and improve margins over the previous year.

Construction Chemicals

The Indian infrastructure sector continues to be in the growth phase propelled by government spending. Your company's cautious expansion strategy has been yielding desired results. Topline has grown and cash flow has improved. During the year, we introduced new products for concrete curing to cater to the changing market requirements. Product demonstrations and successful trials have led to new customer acquisitions. The goal for the next financial year is to continue the growth momentum in this segment while enhancing the margins. We continue to maintain tight credit controls and remain selective about our customers.

Biotech

The Animal Health & Nutrition business passed through a turbulent year with the poultry industry recording poor growth due to higher feed prices and other regional issues. Sales to some corporate customers were also lower due to a change in strategy. Despite the above, sales and gross margins were higher. We have continued to invest in product management, new territories, and new segments, like dairy and aqua, which will benefit the Company in the long term. Developmental activities in the areas of enzymes and probiotics for varied applications are also continuing. In order to provide a thrust to this business and in recognition of the growth potential in this segment, this business will be conducted under a 100% percent subsidiary, **Chembond Biosciences Ltd.**

Material Technologies

Your Company's Material Technologies division and its subsidiaries manufacture a wide range of products that cater to similar customers and use the synergies of your Company's relationships with major customers and our senior management. The **Metal Treatment Chemicals** business had a successful launch this year with acceptance among a wide range of engineering, steel, appliance, and automotive vendors. The **Industrial** and **High Performance Coatings** business recorded strong growth in this year with successes in waterborne coatings, coatings for the transportation sector and floor coatings. **Engineering Adhesives** is one of the areas your Company looks to for future industry leadership and is finding increased acceptance among major corporate customers and users of pre-applied adhesives. The **Defense** and **Maintenance Repair & Overhaul (MRO)** business recorded increased penetration and growth however on a small base. The above mentioned businesses will operate under the subsidiary, **Chembond Material Technologies Pvt. Ltd.** (earlier known as Protochem Industries Private Ltd.). The **Automotive Sealants** business, which operates under a subsidiary, **Phiroze Sethna Pvt. Ltd.**, was affected by the sharp slowdown in the automotive industry. The outlook remains poor for at least the first half of the current year and efforts continue, with some successes, to increase market share. The same is the case with the **Paint Booth** Solutions business, which operates under the subsidiary, **Gramos Chemicals India Pvt. Ltd.**

Industrial Hygiene

Chembond Calvatis Industrial Hygiene Systems Ltd. is a Joint Venture between Chembond (55%) and Calvatis GmbH, Germany (45%). The Company offers industrial hygiene and cleaning products and solutions primarily to the dairy, food processing and beverage and brewing industries.

The Company has established Bottle Cleaning application in Brewery Industry and garnered a substantial business from a major brewing company in the past one year. There has been steady growth in the segment of food processing, poultry & dairy. The team has been reinforced with new recruits in the year to manage the growing sales & customer base. Developing new applications in all the segments is an on going process and shall remain the focus of the Company in the coming year.

Polymers

Our vision at **Chembond Polymers and Materials Ltd.** is to deliver safe and innovative solutions that meet today's growing demands for engineering polymers. To be a premier provider of polymers in the Indian market place, offering innovative solutions to meet the challenges of today and tomorrow. We combine high quality products with research to deliver solutions with a lower environmental impact. Researchers at your Company have developed a process for making thermoplastics for injection

and extrusion molding that are based, in part, on renewable resources. While the scale up of the polyamide pilot process is facing delays due to approvals, your Company has developed several customers using our compounding facility and sales of our patented adhesion promoter are significantly higher.

Research & Development

DSIR certification was renewed this year for R&D facilities / activities at Mahape, Mumbai and Dudhwada, Gujarat. Our know-how and expertise allow a high level of reactivity which results in highly qualified Technical Service, close to customer and market and prepared to offer support and tailor made solutions that are adapted to a large number of demanding applications and increasing performances targets.

Manufacturing

The Company operates multi-product manufacturing plants at Tarapur, Baddi, Dudhwada, Ranipet, Mahape, Rabale and Thane to serve customers across the country. Enhancements are made regularly at all plants to incorporate state of the art technologies for improving upon quality and on-time delivery standards. The plants which came into the Chembond fold as a result of recent acquisitions are being debottlenecked and upgraded rapidly to meet our internal productivity and health, safety and environment norms. The teams at all plants are well versed with chemical manufacturing and the use of global best manufacturing practices.

Safety, Health, Environment and Quality

Our focus remains undeterred when it comes to providing a safe and healthy workplace to our employees, caring for the environment by adhering to and exceeding statutory norms, and to our diverse customers to whom we aim to be a “supplier of choice”. All manufacturing plants and functions have targets for improving upon existing safety, quality and customer service metrics.

A dedicated safety team conducts risk assessments of all sites to identify occupational hazards and define control measures to reduce the risk to acceptable levels as per the OHSAS 18001:2007 standard. The Company continues to maintain its upgraded Quality Management Systems certification as per revised standards to ISO 9001:2015, IATF 16949:2016. We have also upgraded our Environment Management System to meet revised standards of ISO 14001:2015.

Going forward, we desire to take our safety, health and environmental performance to the next level by preparing to meet “Responsible Care” benchmarks.

Human Resources

The manpower strength of your Company as on 31st March, 2019 is 233 employees, with the average age of the workforce around 35

years. In 2018-19 employee relations in your Company continued to be harmonious in all plants and establishments. The focus has been on to create values in the employees which drive them with Vision of the company proactively by creating ownership attitude towards the company objectives. Your Company has tied up with renowned educational institutes/colleges for fresh campus recruitment at regional levels to offer opportunities to the best talent available in the job market regionally.

The individual & departmental performance parameters are linked to Company’s objective & departmental annual goals for 2019-20 mutually through well defined Key Result Areas and Key Performance Indicators.

Learning & Development initiatives have been focused with practical approach & workshops to enhance key competencies of workforce at all the levels including regional site, plant level employees which is helping them to explore their potential at work place and demonstrate skills and leadership.

Organisational Culture building is driven through various employee engagement programmes such as Diwali functions, sports, events, wishing employees on the wedding days & birthdays and blood donation camps etc.

Internal Control Systems and their Adequacy

Chembond has a sound Internal Control System, which ensures reliability, effectiveness and efficiency of the work done. Also, as mandated by the Companies Act, 2013, the Company has implemented the Internal Financial Control (IFC) framework to ensure proper Internal Controls over financial reporting. The internal control system is further supplemented by Internal Audit carried out by an independent firm of Chartered Accountants and periodic review by Management. The Internal Audit process is designed to review the adequacy of internal control checks in the system and covers all the significant areas of the Company’s operations.

The Audit Committee reviews the adequacy and effectiveness of the internal control systems and tracks the implementation of corrective actions. Significant audit observations and corrective actions taken by the Management are presented to the Audit Committee.

Corporate Social Responsibility (CSR)

Corporate Social Responsibility at Chembond Group aims to take a balanced approach to address social, economic and environmental issues through diverse programs, recognizes that its business activities have wide impact on the societies in which it operates. The Company endeavours to make CSR a key business process for sustainable development and it is committed to play active role in improving the lives of people.

Chembond Children’s Centre was formed over fifteen years ago with meaningful education of economically underserved sections, especially girls, as one of the core functional areas for

CSR activities. The Chembond Children's Centre runs non-formal educational centres at Pasthal and Shirgaon near Tarapur. The objective of the Centre is to augment school curriculum by providing individual attention to students and improving the self-esteem of girls via skills like the martial arts, dance, painting, chess, gymnastics, and sewing. In addition to the above, the Centre conducts camps and workshops in the areas of health care, life skills, and assists students in obtaining scholarships. Details pertaining to CSR Committee, Policy etc. are given in the Director's Report.

Outlook

Over the past 4 or 5 years your Company has undergone several major changes. The divestment of its share in one joint venture, buyout of a partner in another joint venture, introduction of engineering polymers, adhesives, and some acquisitions. The Company has been ambitious in making these decisions. With the national initiatives - to double GDP in five years, Make in India, and with the significant investments in infrastructure, there will be ample opportunities for the businesses of your Company. To support this, the Company is also endowed with excellent talent, good manufacturing practices and facilities, and sound financials. The strategy and backbone is in place, the focus will be on execution!

Forward Looking Statements

This report contains statements, which may constitute 'forward looking statements' within the meaning of the applicable securities laws and regulations. 3. Recent Developments at Micro and Macro Economic Levels

The macro environment remained mixed in 2018. Various Government initiatives, including Make in India, Digital India, increased spending on infrastructure and increased focus on rural development were expected to support increase in domestic demand but there has been a visible decline in growth in the second half of the year. The decline in trade and manufacturing activity across automotive and other sectors was actually quite significant. Other factors were increased trade tensions among major economies and tightening of the credit flow in the system. Prime Minister Narendra Modi has declared that he wants India to be a “\$5 trillion economy” by 2024, this means that the Indian economy will need to double in size in the next five years. This is a challenging but achievable goal and achieving such growth targets will require a combination of government policy, corporate initiatives, industry-academic partnerships, prudent investments, and greater international access. Indian industry is well positioned to tap future opportunities through multiple levers such as foreign customers confidence, growth in domestic consumption, better pricing and margins thereof, increased capacities, compliance with environmental regulations among others

4. Dividend

The Board of Directors has recommended a final dividend of ₹ 2.00/- per share for the financial year ended 31st March, 2019. The outflow on account of dividend payment amounts to ₹ 268.97 Lakhs.

INDEPENDENT AUDITOR'S REPORT

To the Members of
Chembond Chemicals Limited

Report on the Audit of the Standalone Financial Statements:

Opinion

We have audited the standalone financial statements of Chembond Chemicals Limited ("the Company"), which comprise the standalone balance sheet as at 31st March 2019, the standalone statement of Profit and Loss, the standalone statement of changes in equity and the standalone statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) In the case of the standalone Balance Sheet of the state of affairs of the Company as at March 31, 2019,
- b) In the case of the standalone Statement of Profit and Loss, of the total comprehensive loss of the Company for the year ended on that date;
- c) In the case of the standalone Statement of Cash Flow, of the cash flows of the Company for the year ended on that date;
- d) In the case of the standalone Statement of Changes in Equity, of the changes in equity of the Company for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report.

We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to be communicated in our report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholders Information but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements:

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.]

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. In our opinion proper books of account as required by law relating to preparation of the standalone financial statements have been kept by the Company so far as it appears from our examination of those books;
 - c. The standalone balance sheet, the standalone statement of profit and loss including Other Comprehensive Income, the standalone statement of changes in equity and the standalone cash flow statement dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of these standalone financial statements;
 - d. In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of the written representations received from the directors as on March 31, 2019, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019, from being appointed as a director in terms of Section 164 (2) of the Act;
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B";
3. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. the Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer Note no. 45 to the standalone financial statements;
 - ii. the Company does not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
4. With respect to the matter to be included in the Auditors' Report under section 197(16):

In our opinion and according to the information and explanations given to us, the Company has paid and / or provided remuneration to its directors during the year ended 31st March, 2019 in accordance with the provisions of Section 197 of the Act.

ANNEXURE - A TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date for the year ended March 31, 2019)

Report on Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Companies Act, 2013 ("the Act") of the Company.

(i) In respect of Fixed Assets:

- (a) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.
- (b) As per the information and explanations given to us, some of the fixed assets of the Company have been physically verified during the year by the management in accordance with a phased program of verification designed to cover all assets over a period of three years, which in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on physical verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the conveyance deeds / registered sale deed provided to us, we report that, the title deeds, comprising all the immovable properties of land and buildings which are freehold, are held in the name of the Company as at the balance sheet date. In respect of immovable properties of land and building that have been taken on lease and disclosed as fixed assets in the standalone financial statements, the lease agreements are in the name of the Company.

(ii) In respect of its Inventories:

As per the information and explanations given to us, the inventories have been physically verified during the year by the management. The intervals at which the inventories have been verified are, in our opinion, reasonable in relation to the size of the Company and the nature of its business. The Company is maintaining proper records of inventory and no material discrepancies were noticed on physical verification.

(iii) The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Act. Accordingly, clause (iii) (a), (b) and (c) of the Order are not applicable to the Company.

(iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Act, in respect of loans, investments, guarantees, and security given for the year under report.

(v) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits from the public during the year under sections 73 to 76 or any other relevant provisions of the Act and the rules framed thereunder. Therefore, clause (v) of the Order is not applicable to the Company.

(vi) On the basis of explanation and representation given by the management and on our broad review of the cost records maintained by the Company pursuant to the Companies (cost records and audit) Rules, 2014 prescribed by the Central Government under Section 148(1) of the Act, we are of the opinion that prima facie the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

(vii) In respect of statutory dues:

- (a) As per information and explanations given to us, undisputed statutory dues including provident fund, employees' state insurance, income tax, profession tax, Goods and Service Tax, custom duty, cess and other statutory dues applicable to the Company have generally been regularly deposited with the appropriate authorities though there has been delays in deposit in a few cases which are not serious. Further, there are no undisputed amounts payable in respect of above mentioned statutory dues which were in arrears, as at 31st March, 2019 for a period of more than six months from the date they became payable.
- (b) According to the information and explanation given to us, there are no dues of income tax, sales tax, service tax, Goods and Service Tax, custom duty, excise duty and cess, which have not been deposited on account of any dispute except in the case of the following disputes which are pending:

Name of statute	Nature of the Dues	Amount (Rs. in lakhs)	Period to which the amount relates	Forum where dispute is pending
Income Tax Act, 1961	Income Tax	7.34	FY 2012-13	Commissioner of Income Tax(Appeals)
Income Tax Act, 1961	Income Tax	15.49	FY 2011-12	Commissioner of Income Tax(Appeals)
Central Excise Act, 1944	Excise	13.02 (0.98 paid)	June 2012 to February 2015	Commissioner of Central Excise(Appeals), Vadodara
Central Excise Act, 1944	Excise	1.88 (0.14 paid)	June 2012 to February 2014	Commissioner of Central Excise(Appeals), Vadodara
The Gujarat Value Added Tax Act, 2003	Sales Tax	0.24	FY 2013-14	The Deputy Commissioner of State Tax Range-12, Vadodara
TOTAL		37.97		

- (viii) In our opinion and according to the information and explanations given to us and on the basis of our examination of the books of accounts and the records of the Company, the Company has not defaulted in repayments of dues to the banks. The Company has not taken any loan or borrowings either from financial institutions or from the government and has not issued any debentures.
- (ix) On the basis of records of the Company examined by us and according to the information and explanations given to us, the Company has not raised money by way of initial public offer or further public offer (including debt instruments) or term loan during the year. Therefore, the clause (ix) of the aforesaid Order is not applicable to the Company.
- (x) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instances of fraud by the Company or any fraud on the Company by its officers or employees noticed or reported during the year, nor we have been informed of such case by the management.
- (xi) On the basis of records of the Company examined by us and according to the information and explanations given to us, the managerial remuneration has been paid and/or provided in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
- (xii) The Company is not a Nidhi company, hence the clause (xii) of the aforesaid Order is not applicable to the Company.
- (xiii) On the basis of records of the Company examined by us and according to the information and explanations given to us, the Company has entered into all transactions with related parties in compliance with Section 177 and Section 188 of the Act, where applicable and the same is disclosed in the standalone financial statements as required by the applicable accounting standards.
- (xiv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotments or private placement of shares or fully or partly convertible debentures during the year under review. Therefore, clause (xiv) of the aforesaid Order is not applicable to the Company.
- (xv) On the basis of records of the Company examined by us and according to the information and explanations given to us, we are of the opinion that the Company has not entered into any non-cash transactions with directors or persons connected with directors. Therefore, clause (xv) of the aforesaid Order is not applicable to the Company.
- (xvi) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934, hence clause (xvi) of the aforesaid Order is not applicable to the Company.

Annexure - B to the Independent Auditors' Report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date for the year ended March 31, 2019)

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Chembond Chemicals Limited ("the Company") as of March 31, 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the 'Guidance Note'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of Management and directors of the Company; and

- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper Management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

Notes on Financial Statement for the year ended 31st March, 2019

COMPANY INFORMATION:

Chembond Chemicals Limited (the Company) is a Public Limited Company domiciled in India and incorporated under the provisions of the Companies Act, 1956. Its shares are listed on the BSE Limited (BSE). The Registered office of the Company is situated at Chembond Centre, EL-71, MIDC Mahape, Navi Mumbai -400710, Maharashtra.

The Company is engaged in manufacturing of Specialty Chemicals.

1. Significant Accounting Policies

1.1 Basis of preparation of financial statements and presentation

The financial statements of the Company are prepared in Compliance with Indian Accounting Standards ('Ind AS') notified under Section 133 of the Companies Act, 2013, read together with the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 and other relevant provisions of the Act. The Statements are prepared under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values.

Effective April 1, 2017 the Company has adopted all the Ind AS standards and the adoption as carried out in accordance with Ind AS 101, First-time Adoption of Indian Accounting Standards, with April 1, 2016 as the transition date. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP.

The accounting policies have been applied consistently over all the periods presented in these financial statements except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The financial statements are prepared in INR, which is the company's functional currency.

1.2 Summary of significant accounting policies

a) Property, Plant and Equipment:

Property, plant and equipment (PPE) are stated at historical cost less accumulated depreciation and accumulated impairment losses, if any except freehold land which is carried at historical cost.

Historical cost comprises of its purchase price including taxes (other than those subsequently recoverable from tax authorities), duties, freight and other directly attributable costs related to the acquisition or construction of the respective assets. Profit or Loss on disposal of tangible assets is recognised in the Statement of Profit and Loss.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

b) Intangible Assets:

Intangible Assets are stated at historical cost less accumulated amortisation and accumulated impairment loss, if any. Profit or Loss on disposal of intangible assets is recognised in the Statement of Profit and Loss.

c) Capital Work in Progress & Capital Advances:

Capital work-in-progress comprises the cost of assets that are yet not ready for their intended use at the balance sheet date. Advances given towards acquisition of fixed assets outstanding at each balance sheet date are classified as Capital Advances under Other Non-Current Assets.

Notes on Financial Statement for the year ended 31st March, 2019

d) Depreciation and Amortization:

Depreciation on PPE (other than free hold and lease hold land) has been provided based on useful life of the assets in accordance with Schedule II of the Companies Act, 2013, on Straight Line Method. Freehold land is not depreciated. Leasehold land and leasehold improvements are amortized over the primary period of lease.

Depreciation methods, useful lives and residual value are reviewed at each reporting date and adjusted prospectively, if appropriate.

e) Revenue Recognition:

Revenue is measured at the fair value of consideration received or receivable. Amounts disclosed as revenue are net of returns, trade discount or rebates and applicable taxes and duties collected on behalf of the government and which are levied on such sales.

The Company recognises revenue when the amount of revenue can be reliably measured and it is probable that future economic benefits will flow to the Company.

- i. Revenue from sale of goods is recognised on transfer of all significant risks and rewards of ownership to the buyer as per terms of Contract.
- ii. Revenue from services is recognised pro-rata as and when services are rendered.
- iii. Interest income is recognised using effective interest method on time proportion basis taking in to account the amount outstanding.
- iv. Dividend income from investment is recognised when the Company's right to receive is established by the reporting date, which is generally when shareholders approve the dividend.

f) Leases:

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Company as a Lessee

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease.

Finance leases are capitalised at the commencement of the lease at the inception date fair value of the leased property or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in finance costs in the statement of profit and loss, unless they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the Company's general policy on the borrowing costs. Contingent rentals are recognised as expenses in the periods in which they are incurred.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating lease payments are recognised as an expense in the statement of profit and loss on straight line basis over the lease term.

Notes on Financial Statement for the year ended 31st March, 2019

Company as a lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised on a straight-line basis over the term of the relevant lease.

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of lease.

g) Inventory:

Inventories are valued at lower of the cost determined on weighted average basis or net realisable value. The comparison of cost and net realisable value is made on an item-by-item basis. Damaged, unserviceable and inert stocks are valued at net realizable value.

Determination Cost of raw materials, packing materials and stores spares and consumables Stocks is determined so as to exclude from the cost, taxes and duties which are subsequently recoverable from the taxing authorities.

Cost of finished goods and work-in-progress includes the cost of materials, an appropriate allocation of overheads and other costs incurred in bringing the inventories to their present location and condition.

h) Impairment of assets:

Goodwill and intangible assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment, or more frequently if event or changes are indicative in circumstances indicate that they might be impaired. Assets that have a definite useful life are tested for impairment whenever events or changes in circumstances that indicate that the carrying amount may not be recoverable. Management periodically assesses using external and internal sources, whether there is an indication that an asset may be impaired. An Impairment loss is recognised for the amount by which the assets carrying amount exceeds its recoverable amount. An impairment loss is charged to the Profit and Loss Account in the year in which an asset is identified as impaired. An impairment loss recognized in prior accounting periods is reversed if there has been change in the estimate of the recoverable amount.

i) Financial Instruments :

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial instruments also include derivative contracts such as foreign currency foreign exchange forward contracts, futures and currency options.

1. Financial assets :

Classification :

The Company shall classify financial assets as subsequently measured at amortised cost, fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL) on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Initial recognition and measurement:

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Notes on Financial Statement for the year ended 31st March, 2019

Debt instruments :

A 'debt instrument' is measured at the amortised cost if both the following conditions are met

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit and loss.

Debt instruments included within the fair value through profit and loss (FVTPL) category are measured at fair value with all changes recognized in the statement of profit and loss.

Investments in subsidiaries, associates and joint venture:

Investments in subsidiaries and joint venture are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiaries and joint venture, the difference between net disposal proceeds and the carrying amounts are recognized in the statement of profit and loss.

Equity instruments :

The Company subsequently measures all equity investments in companies/mutual funds other than equity investments in subsidiaries, at fair value. Dividends from such investments are recognised in profit and loss as other income when the Company's right to receive payments is established.

De-recognition :

A financial asset derecognised only when:

The rights to receive cash flows from the asset have expired, or

The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either

- (a) the Company has transferred substantially all the risks and rewards of the asset, or
- (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Notes on Financial Statement for the year ended 31st March, 2019

Impairment of financial assets:

In accordance with Ind-AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance
- b) Trade receivables or any contractual right to receive cash or another financial asset that result from transaction that are within the scope of IND AS 18.- The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

2. Financial liabilities :

Initial recognition and measurement :

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

Financial liabilities at fair value through profit and loss:

All Financial liabilities at fair value through profit and loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit and loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind-AS 109.

Gains or losses on liabilities held for trading are recognised in the profit and loss.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

3. Hedge accounting

Forward exchange contracts entered to hedge highly probable forecast revenues are recorded using the principles of hedge accounting as per Ind AS 109. Such forward exchange contracts which qualify for cash flow hedge accounting and where the conditions of Ind AS 109 have been met are initially measured at fair value and are re-measured at subsequent reporting dates. Changes in the fair value of these derivatives that are designated and effective as hedges of the future cash flows are recognized directly under shareholder's funds in the cash flow hedging reserve and the ineffective portion is recognised immediately in the statement of profit and loss.

At the inception of a hedge relationship, the Company formally designates and documents the hedge relationship to which the Company wishes to apply hedge accounting and the risk management objective and strategy for undertaking the hedge. The documentation includes the Company's risk management objective and strategy for

Notes on Financial Statement for the year ended 31st March, 2019

undertaking hedge, the hedging/economic relationship, the hedged item or transaction, the nature of the risk being hedged, hedge ratio and how the entity will assess the effectiveness of changes in the hedging instrument's fair value in offsetting the exposure to changes in the hedged item's fair value or cash flows attributable to the hedged risk. Such hedges are expected to be highly effective in achieving offsetting changes in fair value of cash flows and are assessed on an ongoing basis to determine that they actually have been highly effective throughout the financial reporting periods for which they were designated.

Hedge accounting is discontinued when the hedging instrument expires or is sold or terminated or exercised or no longer qualifies for hedge accounting. Cumulative gain or loss on the hedging instrument recognised in shareholder's funds is transferred to statement of profit and loss when the forecasted transaction occurs. If a hedged transaction is no longer expected to occur, the net cumulative gain or loss recognised in shareholder's funds is transferred to the statement of profit and loss.

j) Fair Value Measurement:

The Company's measures Financial Instruments at fair value at each Balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- a) In the principal market for the asset or liability, or
- b) In the absence of a principal market, In the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- a) Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- b) Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- c) Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

k) Foreign Currency and Translation balances:

Transactions in foreign currencies entered into by the Company are accounted in the functional currency at the exchange rates prevailing on the date of the transaction. Monetary assets and liabilities denominated in foreign currency are translated at functional currency closing rate of exchange at the reporting date. Exchange differences arising on foreign exchange transactions settled during the year are recognised in the statement of profit and loss.

Notes on Financial Statement for the year ended 31st March, 2019

l) Trade Receivables:

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

m) Income Taxes:

Income tax expenses comprises of current and deferred tax expense and is recognised in the statement of profit or loss except to the extent that it relates to items recognized directly in equity or in OCI, in which case, the tax is also recognised in directly in equity or OCI respectively.

Current tax:

Current tax is the amount expected tax payable or recoverable on the taxable profit or loss for the year and any adjustment to the tax payable or recoverable in respect of previous years. It is measured using tax rates enacted or substantively enacted by the end of reporting period. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate

Deferred tax:

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit under Income Tax Act, 1961.

Deferred tax assets and liabilities are measured at the tax rates that have been enacted or substantively enacted by the Balance Sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

n) Cash and Cash Equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash in hand, demand deposits with banks, other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown in current liabilities in the balance sheet.

o) Employee Benefits:

Short Term Employee Benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits and they are recognized in the period in which the employee renders the related service. The Company recognizes the undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered as a liability (accrued expense) after deducting any amount already paid. The Company does not allow any accumulation of leave balance or encashment thereof.

Post-Employment Benefits:

I. Defined Contribution plans:

Defined contribution plans are Employee's Provident Fund scheme, Employee state insurance scheme for all applicable employees and superannuation scheme for eligible employees. The Company contribution for the year paid / payable to a defined contribution plan as an expense in the Statement of Profit and Loss.

Notes on Financial Statement for the year ended 31st March, 2019

II. Defined Benefit plans:

Pension Scheme:

The Company operates a defined benefit pension plan for certain specified employees and is payable upon the employee satisfying certain conditions, as approved by the Board of Directors.

Gratuity:

The Company operates a defined benefit gratuity plan for employees. The Company contributes to a separate entity (a fund) administered by LIC, towards meeting the Gratuity obligation.

The cost of providing defined benefits is determined using the Projected Unit Credit method with actuarial valuations being carried out at each reporting date. The defined benefit obligations recognized in the Balance Sheet represent the present value of the defined benefit obligations as reduced by the fair value of plan assets, if applicable. Any defined benefit asset (negative defined benefit obligations resulting from this calculation) is recognized representing the present value of available refunds and reductions in future contributions to the plan.

All expenses represented by current service cost, past service cost, if any, and net interest on the defined benefit liability / (asset) are recognized in the statement of profit and loss. Remeasurements of the net defined benefit liability/ (asset) comprising actuarial gains and losses and the return on the plan assets (excluding amounts included in net interest on the net defined benefit liability/asset), are recognized in Other Comprehensive Income. Such remeasurements are not reclassified to the Statement of Profit and Loss in the subsequent periods.

The Company presents the above liability/(asset) as current and non-current in the Balance Sheet as per actuarial valuation by the independent actuary.

p) Research and Development:

Revenue expenditure on Research and Development is charged to Profit and Loss Account as incurred. Capital expenditure on assets acquired for Research and Development is added to PPE and depreciated in accordance with the policies stated for Property, Plant and Equipment and Intangible Assets.

q) Borrowing Cost:

Borrowing costs, that are, attributable to the acquisition, construction or production of qualifying are capitalized as part of the costs of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use or sale. All other borrowing costs are expensed in the period in which they occur. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

r) Earnings per share:

Earnings per share (EPS) is calculated by dividing the net profit for the year attributable to the equity shareholders by weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and weighted average number of shares outstanding during the period is adjusted for the effects of all diluted potential equity shares.

s) Current / Non-Current Classification:

For the purpose of current / non-current classification of assets and liabilities, the Company has ascertained its normal operating cycle as 12 months and other criteria set out in the Schedule III to the Companies Act, 2013. This is based on the nature of product/services and the time taken between the acquisition of assets for processing and their realization in cash and cash equivalents.

Notes on Financial Statement for the year ended 31st March, 2019

t) Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation, if

- (a) the Company has a present obligation as a result of a past event;
- (b) a probable outflow of resources is expected to settle the obligation; and
- (c) the amount of the obligation can be reliably estimated.

Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received.

Contingent liability is disclosed in case of

- (a) a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation;
- (b) a present obligation when no reliable estimate is possible; and
- (c) a possible obligation arising from past events where the probability of outflow of resources is not remote.

Contingent Assets are neither recognised, nor disclosed.

Provision, Contingent Liabilities and Contingent Assets are reviewed at each balance Sheet date.

u) Key accounting estimates and judgements:

The preparation of the Company's financial statements requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The areas involving critical estimates or judgements are:

- a) Estimation of taxes
- b) Determination of the estimated useful lives of intangible assets and determining intangible assets having an indefinite useful life.
- c) Determination of the estimated useful lives of tangible assets and the assessment as to which components of the cost may be capitalized
- d) Recognition and measurement of defined benefit obligations, key actuarial assumptions
- e) Recognition and measurement of provisions and contingencies, key assumptions about the likelihood and magnitude of an outflow of resources
- f) Fair value of financial instrument

Fair values for financial instruments carried at amortised cost approximates the carrying amount, accordingly the fair values of such financial assets and financial liabilities have not been disclosed separately.

B. Measurement of fair values

Ind AS 107, 'Financial Instrument - Disclosure' requires classification of the valuation method of financial instruments measured at fair value in the Balance Sheet, using a three level fair-value-hierarchy (which reflects the significance of inputs used in the measurements). The hierarchy gives the highest priority to un-adjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to un-observable inputs (Level 3 measurements). Fair value of derivative financial assets and liabilities are estimated by discounting expected future contractual cash flows using prevailing market interest rate curves. The three levels of the fair-value-hierarchy under Ind AS 107 are described below:

Level 1: Hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market are determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs are not based on observable market data, the instrument is included in level 3. e.g. unlisted equity securities.

Transfers between Levels

There are no transfers between the levels

C. Financial risk management

The Company's activities expose it to Credit risk, liquidity risk and market risk.

i. Risk management framework

Risk Management is an integral part of the Company's plans and operations. The Company's board of directors has overall responsibility for the establishment and oversight of the Company risk management framework. The board of directors is responsible for developing and monitoring the Company risk management policies.

The audit committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

ii. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investments in debt securities, cash and cash equivalents, mutual funds, bonds etc.

The carrying amount of financial assets represents the maximum credit exposure.

Trade and other receivables

Credit risk is the risk of possible default by the counter party resulting in a financial loss.

The Company manages credit risk through various internal policies and procedures set forth for effective control over credit exposure. These are managed by way of setting various credit approvals, evaluation of financial condition before supply terms, setting credit limits, industry trends, ageing analysis and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

Based on prior experience and an assessment of the current economic environment, management believes that sufficient provision is made for credit risk wherever credit is extended to customers.

Cash and cash equivalents

Credit risk from balances with banks is managed by the Company's treasury department in accordance with the Company's policy. Investment of surplus funds are made in mainly in mutual funds with good returns and with high credit ratings assigned by International and domestic credit ratings agencies.

Other than trade and other receivables, the Company has no other financial assets that are past due but not impaired.

iii. Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

The Company has obtained fund and non-fund based working capital lines from various banks. The Company also constantly monitors funding options available in the debt and capital markets with a view to maintaining financial flexibility. Accordingly, liquidity risk is perceived to be low.

The following table shows the maturity analysis of financial liabilities of the Company based on contractually agreed

iv. Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices (such as interest rates, foreign currency exchange rates). Market risk is attributable to all market risk-sensitive financial instruments, all foreign currency receivables and payables and all short term and long-term debt. The Company is exposed to market risk primarily related to foreign exchange rate risk, interest rate risk and the market value of its investments. Thus, the Company's exposure to market risk is a function of investing and borrowing activities and revenue generating and operating activities in foreign currencies.

a) Currency risk

The Company is exposed to currency risk to the extent that there is a mismatch between the currencies in which sales, purchase, and other expenses are denominated and the functional currency of the Company. The functional currency of the Company is Indian Rupees (INR). The currencies in which these transactions are primarily denominated are EURO and USD.

Exposure to currency risk

The summary quantitative data about the Company's exposure to currency risk as reported to the management of the Company is as follows:

- a) The Company has entered into forward contracts to hedge the foreign currency risks arising from amounts designated in foreign currency. The counter party to such forward contract is a bank. Forward contracts outstanding at the year end are:

Currency	Exposure to buy/sell	As at 31/03/2019 (₹ in lakhs)		As at 31/03/2018 (₹ in lakhs)

US Dollars	Sell	0.25	17.30	0.67	43.57

b) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Investment committee manages and constantly reviews the interest rate movements in the market. This risk is mitigated by the Company by investing the funds in various tenors depending on the liquidity needs of the Company. The Company's exposures to interest rate risk is not significant.

Net (asset) / liability recognised as at year end	76.71	92.67
Recognised under :		
Short term provisions	8.20	13.14
Long term provisions	68.51	79.53
	76.71	92.67

(vi) Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below.

	As at 31/03/2019 (₹ in lakhs)		As at 31/03/2018 (₹ in lakhs)	
	Increase	Decrease	Increase	Decrease
Discount rate (1% movement) - Gratuity	(14.89)	17.45	(14.86)	17.52
Future salary growth (1% movement) - Gratuity	17.77	(15.39)	17.84	(15.35)

The above sensitivity analyses have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the reporting date. In practice, generally it does not occur. When we change one variable, it affects to others. In calculating the sensitivity, project unit credit method at the end of the reporting period has been applied.

(vii) Expected future cash flows

The expected maturity analysis is as follows :

	For year ended 31/03/2019 (₹ in lakhs)	For year ended 31/03/2018 (₹ in lakhs)
Expected benefits for year 1	13.47	20.32
Expected benefits for year 2	7.43	4.75
Expected benefits for year 3	14.98	7.32
Expected benefits for year 4	25.91	2.96
Expected benefits for year 5	11.41	12.83
Expected benefits for year 6 and above	579.23	722.23

43 Capital Management

For the purpose of the Company's capital management, capital includes issued capital and all other equity reserves attributable to the equity shareholders of the Company. The primary objective of the Company when managing capital is to safeguard its ability to continue as a going concern and to maintain an optimal capital structure so as to maximize shareholder value.

As at 31st March, 2019, the Company has only one class of equity shares and has low debt. Consequent to such capital structure, there are no externally imposed capital requirements. In order to maintain or achieve an optimal capital structure, the Company allocates its capital for distribution as dividend or re-investment into business based on its long term financial plans.

INDEPENDENT AUDITOR'S REPORT

To the Members of
Chembond Chemicals Limited

Report on the Audit of the Consolidated Financial Statements:

Opinion

We have audited the consolidated financial statements of Chembond Chemicals Limited ("the Company") and its subsidiaries listed in Annexure - A (the Company and its subsidiaries together referred to as "the Group"), which comprise the consolidated balance sheet as at 31st March 2019, the consolidated statement of Profit and Loss, the consolidated statement of changes in equity and the consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) In the case of the consolidated Balance Sheet of the state of affairs of the Company as at March 31, 2019,
- b) In the case of the consolidated Statement of Profit and Loss, of the total comprehensive loss of the Company for the year ended on that date;
- c) In the case of the consolidated Statement of Cash Flow, of the cash flows of the Company for the year ended on that date;
- d) In the case of the consolidated Statement of Changes in Equity, of the changes in equity of the Company for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report.

We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment and based on the consideration of the reports of the other auditors on separate financial statements and on the other financial information of the subsidiaries, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to be communicated in our report.

Other Matters

- a) We did not audit the financial statements of three subsidiaries (excluding a foreign subsidiary) and one step down subsidiary that are included in the consolidated financial statements, whose financial statements reflect total asset of ₹ 4,789.07 lakhs as

at March 31, 2019, total revenues of ₹ 5,049.39 lakhs for the year ended March 31, 2019, total profit of ₹ 211.16 lakhs for the year ended March 31, 2019 and other comprehensive income of ₹ (27.60) lakhs for the year ended March 31, 2019 as considered in the consolidated financial statements. These financial statements have been audited by the other auditors, whose reports have been furnished to us by the management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosure included in respect of these subsidiaries is based solely on the reports of the other auditors.

- b) The financial statements of one of the foreign subsidiary included in the Statement, whose financial statements reflects revenue of ₹ 123.99 lakhs, total net profit of ₹ 8.53 lakhs and other comprehensive income of Nil for the year ended March 31, 2019 are audited by other auditors according to accounting principles generally accepted in that foreign country. The Company's management has converted the financial statements of such foreign subsidiary from accounting principles generally accepted in that foreign country to accounting principles generally accepted in India. Accordingly, our report on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of the said subsidiary is based solely on the basis of the said financial statements certified by the management.
- c) The comparative financial information of the Group included in the Consolidated Financial Statements for the year ended March 31, 2018 have been audited by the erstwhile statutory auditors of the Company who vide their report dated May 30, 2018 expressed an unmodified opinion.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholders Information but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of management and Those Charged with Governance for the Consolidated Financial Statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act.

The respective Board of Directors of the entities included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each entity and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid.

In preparing the consolidated financial statements, the respective management and Board of Directors of the entities included in the Group are responsible for assessing the ability of each entity to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the entities included in the Group is responsible for overseeing the financial reporting process of each entity.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements:

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare

circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Annexure - B to the Independent Auditors' Report

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date for the year ended March 31, 2019)

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company for the year ended 31st March, 2019, we have audited the internal financial controls over financial reporting of Chembond Chemicals Limited ("the Company") and its subsidiaries which are incorporated in India as of March 31, 2019.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Company and its subsidiary companies, which are companies incorporated in India are responsible for establishing and maintaining internal financial controls based on the respective internal control over financial reporting criteria established by the Company and its subsidiary companies incorporated in India considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in Other Matter paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company;

and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper Management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company and its subsidiaries incorporated in India have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company and its subsidiaries incorporated in India considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matter

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the Internal Financial Controls over financial reporting in so far as it relates to three subsidiary companies and one step down subsidiary, which are companies incorporated in India, is based on the corresponding reports of the Auditors of such companies incorporated in India.

Our opinion is not qualified in respect of this matter.

The consolidated Statements are prepared under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values.

Effective April 1, 2017 the Company has adopted all the Ind AS standards and the adoption as carried out in accordance with Ind AS 101, First-time Adoption of Indian Accounting Standards, with April 1, 2016 as the transition date. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP.

The accounting policies have been applied consistently over all the periods presented in these consolidated financial statements except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The consolidated financial statements are prepared in INR, which is the company's functional currency.

1.2 Basis of consolidation

Subsidiaries are all entities over which the Company has control. Control exist when the company is exposed to or has rights to variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the group. They are deconsolidated from the date that control ceases.

The group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries has been changed wherever necessary to ensure consistency with the policies adopted by the group.

Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet respectively.

1.3 Summary of significant accounting policies

a) Property, Plant and Equipment:

Property, plant and equipment (PPE) are stated at historical cost less accumulated depreciation and accumulated impairment losses if any except freehold land which is carried at historical cost.

Historical cost comprises of its purchase price including taxes (other than those subsequently recoverable from tax authorities), duties, freight and other directly attributable costs related to the acquisition or construction of the respective assets. Profit or Loss on disposal of tangible assets is recognised in the Statement of Profit and Loss.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

b) Intangible Assets:

Intangible Assets are stated at historical cost less accumulated amortisation and accumulated impairment loss, if any. Profit or Loss on disposal of intangible assets is recognised in the Statement of Profit and Loss.

c) Capital Work in Progress & Capital Advances:

Capital work-in-progress comprises the cost of assets that are yet not ready for their intended use at the balance sheet date. Advances given towards acquisition of fixed assets outstanding at each balance sheet date are classified as Capital Advances under Other Non-Current Assets.

Notes to Consolidated Financial Statement for the year ended 31st March, 2019

d) Depreciation and Amortisation:

Depreciation on PPE (other than free hold and lease hold land) has been provided based on useful life of the assets in accordance with Schedule II of the Companies Act, 2013, on Straight Line Method. Freehold land is not depreciated. Leasehold land and leasehold improvements are amortized over the primary period of lease.

Depreciation methods, useful lives and residual value are reviewed at each reporting date and adjusted prospectively, if appropriate.

Depreciation in the case of Subsidiary Companies, Chembond Water Technologies Ltd. (CSWTL), Chembond Clean Water Technologies Ltd. (CCWTL), Chembond Calvatis Industrial Hygiene Systems Ltd. (CCIHSL), Chembond Distribution Ltd. (CDL), Phiroze Sethna Private Ltd.(PSPL) and Gramos Chemicals India Pvt. Ltd.(GCIPL) are provided on written down value method at the rates specified in part C of Schedule II of the Companies Act, 2013.

Depreciation on Fixed Assets in case of Subsidiary Companies, Protochem Industries Pvt Ltd (PIPL) & Chembond Industrial Coatings Ltd. (CICL) are provided on the straight line method at the rates and in the manner specified in part C of Schedule II of the Companies Act, 2013.

e) Revenue Recognition:

Revenue is measured at the fair value of consideration received or receivable. Amounts disclosed as revenue are inclusive of excise duty and net of returns, trade discount or rebates and applicable taxes and duties collected on behalf of the government and which are levied on such sales.

The Company recognises revenue when the amount of revenue can be reliably measured and it is probable that future economic benefits will flow to the Company.

- i. Revenue from sale of goods is recognised on transfer of all significant risks and rewards of ownership to the buyer as per terms of Contract.
- ii. Revenue from services is recognised pro-rata as and when services are rendered.
- iii. Interest income is recognised using effective interest method on time proportion basis taking in to account the amount outstanding.
- iv. Dividend income from investment is recognised when the Company's right to receive is established by the reporting date, which is generally when shareholders approve the dividend.

f) Leases:

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Company as a Lessee:

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Group is classified as a finance lease.

Finance leases are capitalised at the commencement of the lease at the inception date fair value of the leased property or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability.

Notes to Consolidated Financial Statement for the year ended 31st March, 2019

Finance charges are recognised in finance costs in the statement of profit and loss, unless they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the Group's general policy on the borrowing costs. Contingent rentals are recognised as expenses in the periods in which they are incurred.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Group will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating lease payments are recognised as an expense in the statement of profit and loss on straight line basis over the lease term

Company as a lessor:

Leases in which the Group does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised on a straight-line basis over the term of the relevant lease.

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Group to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Group's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of lease.

g) Inventory:

Inventories are valued at lower of the cost determined on weighted average basis or net realisable value. The comparison of cost and net realisable value is made on an item-by-item basis. Damaged, unserviceable and inert stocks are valued at net realizable value.

Cost of raw materials, packing materials and stores spares and consumables Stocks is determined so as to exclude from the cost, taxes and duties which are subsequently recoverable from the taxing authorities.

Cost of finished goods and work-in-progress includes the cost of materials, an appropriate allocation of overheads and other costs incurred in bringing the inventories to their present location and condition.

h) Impairment of Assets:

Goodwill and intangible assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment, or more frequently if event or changes are indicative in circumstances indicate that they might be impaired. Assets that have a definite useful life are tested for impairment whenever events or changes in circumstances that indicate that the carrying amount may not be recoverable. Management periodically assesses using external and internal sources, whether there is an indication that an asset may be impaired. An Impairment loss is recognised for the amount by which the assets carrying amount exceeds its recoverable amount. An impairment loss is charged to the Profit and Loss Account in the year in which an asset is identified as impaired. An impairment loss recognized in prior accounting periods is reversed if there has been change in the estimate of the recoverable amount.

i) Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial instruments also include derivative contracts such as foreign currency foreign exchange forward contracts, futures and currency options.

a. Financial assets:

Notes to Consolidated Financial Statement for the year ended 31st March, 2019

Classification:

The Company shall classify financial assets as subsequently measured at amortised cost, fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL) on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Initial recognition and measurement:

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Debt instruments:

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit and loss.

Debt instruments included within the fair value through profit and loss (FVTPL) category are measured at fair value with all changes recognized in the statement of profit and loss.

Equity instruments :

The Company subsequently measures all equity investments in companies/Mutual funds other than equity investments in subsidiaries, at fair value. Dividends from such investments are recognised in profit and loss as other income when the Company's right to receive payments is established.

De-recognition

A financial asset derecognised only when:

The rights to receive cash flows from the asset have expired, or

The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Notes to Consolidated Financial Statement for the year ended 31st March, 2019

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment of financial assets:

In accordance with Ind-AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance
- b) Trade receivables or any contractual right to receive cash or another financial asset that result from transaction that are within the scope of IND AS 18.- The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

b. Financial liabilities :

Initial recognition and measurement :

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

Financial liabilities at fair value through profit and loss :

All Financial liabilities at fair value through profit and loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit and loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind-AS 109.

Gains or losses on liabilities held for trading are recognised in the profit and loss.

Derecognition :

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

C. Hedge accounting :

Forward exchange contracts entered to hedge highly probable forecast revenues are recorded using the principles of hedge accounting as per Ind AS 109. Such forward exchange contracts which qualify for cash flow hedge accounting and where the conditions of Ind AS 109 have been met are initially measured at fair value and are re-measured at subsequent reporting dates. Changes in the fair value of these derivatives that are designated and effective as hedges of the future cash flows are recognized directly under shareholder's funds in the cash flow hedging reserve and the ineffective portion is recognised immediately in the statement of profit and loss.

Notes to Consolidated Financial Statement for the year ended 31st March, 2019

At the inception of a hedge relationship, the Group formally designates and documents the hedge relationship to which the Group wishes to apply hedge accounting and the risk management objective and strategy for undertaking the hedge. The documentation includes the Group's risk management objective and strategy for undertaking hedge, the hedging/economic relationship, the hedged item or transaction, the nature of the risk being hedged, hedge ratio and how the entity will assess the effectiveness of changes in the hedging instrument's fair value in offsetting the exposure to changes in the hedged item's fair value or cash flows attributable to the hedged risk. Such hedges are expected to be highly effective in achieving offsetting changes in fair value of cash flows and are assessed on an ongoing basis to determine that they actually have been highly effective throughout the financial reporting periods for which they were designated.

Hedge accounting is discontinued when the hedging instrument expires or is sold or terminated or exercised or no longer qualifies for hedge accounting. Cumulative gain or loss on the hedging instrument recognised in shareholder's funds is transferred to statement of profit and loss when the forecasted transaction occurs. If a hedged transaction is no longer expected to occur, the net cumulative gain or loss recognised in shareholder's funds is transferred to the statement of profit and loss.

j) Fair Value Measurement :

The Company's measures Financial Instruments at fair value at each Balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- a) In the principal market for the asset or liability, or
- b) In the absence of a principal market, In the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the consolidated financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- a) Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- b) Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- c) Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the consolidated financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

Notes to Consolidated Financial Statement for the year ended 31st March, 2019

k) Foreign Currency Transactions and Translation:

Transactions in foreign currencies entered into by the Company are accounted in the functional currency at the exchange rates prevailing on the date of the transaction. Monetary assets and liabilities denominated in foreign currency are translated at functional currency closing rate of exchange at the reporting date. Exchange differences arising on foreign exchange transactions settled during the year are recognised in the statement of profit and loss.

l) Trade Receivables :

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

m) Income Taxes :

Income tax expenses comprises of current and deferred tax expense and is recognised in the statement of profit or loss except to the extent that it relates to items recognized directly in equity or in OCI, in which case, the tax is also recognised in directly in equity or OCI respectively.

Current tax:

Current tax is the amount expected tax payable or recoverable on the taxable profit or loss for the year and any adjustment to the tax payable or recoverable in respect of previous years. It is measured using tax rates enacted or substantively enacted by the end of reporting period. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate

Deferred tax:

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the consolidated financial statements and the corresponding tax bases used in the computation of taxable profit under Income Tax Act, 1961.

Deferred tax assets and liabilities are measured at the tax rates that have been enacted or substantively enacted by the Balance Sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

n) Cash and Cash Equivalents :

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash in hand, demand deposits with banks, other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown in current liabilities in the balance sheet.

o) Employee Benefits :

Short Term Employee Benefits :

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits and they are recognized in the period in which the employee renders the related service. The Company recognizes the undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered as a liability (accrued expense) after deducting any amount already paid. The Company does not allow any accumulation of leave balance or encashment thereof.

Notes to Consolidated Financial Statement for the year ended 31st March, 2019

Post-Employment Benefits :**I. Defined Contribution plans:**

Defined contribution plans are Employee's Provident Fund scheme, Employee state insurance scheme for all applicable employees and superannuation scheme for eligible employees. The Company contribution for the year paid / payable to a defined contribution plan as an expense in the Statement of Profit and Loss.

II. Defined Benefit plans:**Pension Scheme :**

The Company operates a defined benefit pension plan for certain specified employees and is payable upon the employee satisfying certain conditions, as approved by the Board of Directors.

Gratuity :

The Company operates a defined benefit gratuity plan for employees. The Company contributes to a separate entity (a fund) administered by LIC, towards meeting the Gratuity obligation.

The cost of providing defined benefits is determined using the Projected Unit Credit method with actuarial valuations being carried out at each reporting date. The defined benefit obligations recognized in the Balance Sheet represent the present value of the defined benefit obligations as reduced by the fair value of plan assets, if applicable. Any defined benefit asset (negative defined benefit obligations resulting from this calculation) is recognized representing the present value of available refunds and reductions in future contributions to the plan.

All expenses represented by current service cost, past service cost, if any, and net interest on the defined benefit liability / (asset) are recognized in the statement of profit and loss. Remeasurements of the net defined benefit liability/ (asset) comprising actuarial gains and losses and the return on the plan assets (excluding amounts included in net interest on the net defined benefit liability/asset), are recognized in Other Comprehensive Income. Such remeasurements are not reclassified to the Statement of Profit and Loss in the subsequent periods.

The Company presents the above liability/(asset) as current and non-current in the Balance Sheet as per actuarial valuation by the independent actuary.

p) Research and Development :

Revenue expenditure on Research and Development is charged to Profit and Loss Account as incurred. Capital expenditure on assets acquired for Research and Development is added to PPE and depreciated in accordance with the policies stated for Property, Plant and Equipment and Intangible Assets.

q) Borrowing Cost :

Borrowing costs, that are, attributable to the acquisition, construction or production of qualifying are capitalized as part of the costs of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use or sale. All other borrowing costs are expensed in the period in which they occur. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

r) Earnings per share :

Earnings per share (EPS) is calculated by dividing the net profit for the year attributable to the equity shareholders by weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and weighted average number of shares outstanding during the period is adjusted for the effects of all diluted potential equity shares.

Notes to Consolidated Financial Statement for the year ended 31st March, 2019

s) **Current / Non-Current Classification:**

For the purpose of current / non-current classification of assets and liabilities, the Company has ascertained its normal operating cycle as 12 months and other criteria set out in the Schedule III to the Companies Act, 2013. This is based on the nature of product/services and the time taken between the acquisition of assets for processing and their realization in cash and cash equivalents.

t) **Provisions, Contingent Liabilities and Contingent Assets :**

Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation, if

- (a) the Company has a present obligation as a result of a past event;
- (b) a probable outflow of resources is expected to settle the obligation; and
- (c) the amount of the obligation can be reliably estimated.

Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received.

Contingent liability is disclosed in case of

- (a) a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation;
- (b) a present obligation when no reliable estimate is possible; and
- (c) a possible obligation arising from past events where the probability of outflow of resources is not remote.

Contingent Assets are neither recognised, nor disclosed.

Provision, Contingent Liabilities and Contingent Assets are reviewed at each balance Sheet date.

u) **Key accounting estimates and judgements :**

The preparation of the Company's consolidated financial statements requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The areas involving critical estimates or judgements are:

- a) Estimation of taxes
- b) Determination of the estimated useful lives of intangible assets and determining intangible assets having an indefinite useful life.
- c) Determination of the estimated useful lives of tangible assets and the assessment as to which components of the cost may be capitalized
- d) Recognition and measurement of defined benefit obligations, key actuarial assumptions
- e) Recognition and measurement of provisions and contingencies, key assumptions about the likelihood and magnitude of an outflow of resources
- f) Fair value of financial instrumen

Fair values for financial instruments carried at amortised cost approximates the carrying amount, accordingly the fair values of such financial assets and financial liabilities have not been disclosed separately.

B. Measurement of fair values

Ind AS 107, 'Financial Instrument - Disclosure' requires classification of the valuation method of financial instruments measured at fair value in the Balance Sheet, using a three level fair-value-hierarchy (which reflects the significance of inputs used in the measurements). The hierarchy gives the highest priority to un-adjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to un-observable inputs (Level 3 measurements). Fair value of derivative financial assets and liabilities are estimated by discounting expected future contractual cash flows using prevailing market interest rate curves. The three levels of the fair-value-hierarchy under Ind AS 107 are described below:

Level 1: Hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market are determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs are not based on observable market data, the instrument is included in level 3. e.g. unlisted equity securities.

Transfers between Levels

There are no transfers between the levels

C. Financial risk management

The Company's activities expose it to Credit risk, liquidity risk and market risk.

i. Risk management framework

Risk Management is an integral part of the Company's plans and operations. The Company's board of directors has overall responsibility for the establishment and oversight of the Company risk management framework. The board of directors is responsible for developing and monitoring the Company risk management policies.

The audit committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

ii. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investments in debt securities, cash and cash equivalents, mutual funds, bonds etc.

The carrying amount of financial assets represents the maximum credit exposure.

Trade and other receivables

Credit risk is the risk of possible default by the counter party resulting in a financial loss.

The Company manages credit risk through various internal policies and procedures set forth for effective control over credit exposure. These are managed by way of setting various credit approvals, evaluation of financial condition before supply terms, setting credit limits, industry trends, ageing analysis and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

Based on prior experience and an assessment of the current economic environment, management believes that sufficient provision is made for credit risk wherever credit is extended to customers.

Cash and cash equivalents

Credit risk from balances with banks is managed by the Company's treasury department in accordance with the Company's policy. Investment of surplus funds are made in mainly in mutual funds with good returns and with high credit ratings assigned by International and domestic credit ratings agencies.

Other than trade and other receivables, the Company has no other financial assets that are past due but not impaired.

iii. Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

The Company has obtained fund and non-fund based working capital lines from various banks.

The Company also constantly monitors funding options available in the debt and capital markets with a view to maintaining financial flexibility. Accordingly, liquidity risk is perceived to be low.

The following table shows the maturity analysis of financial liabilities of the Company based on contractually agreed undiscounted cash flows as at the Balance Sheet date:

iv. Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices (such as interest rates, foreign currency exchange rates). Market risk is attributable to all market risk-sensitive financial instruments, all foreign currency receivables and payables and all short term and long-term debt. The Company is exposed to market risk primarily related to foreign exchange rate risk, interest rate risk and the market value of its investments. Thus, the Company's exposure to market risk is a function of investing and borrowing activities and revenue generating and operating activities in foreign currencies.

a) Currency risk

The Company is exposed to currency risk to the extent that there is a mismatch between the currencies in which sales, purchase, and other expenses are denominated and the functional currency of the Company. The functional currency of the Company is Indian Rupees (INR). The currencies in which these transactions are primarily denominated are EURO and USD.

Exposure to currency risk

The summary quantitative data about the Company's exposure to currency risk as reported to the management of the Company is as follows:

- a) The Company has entered into forward contracts to hedge the foreign currency risks arising from amounts designated in foreign currency. The counter party to such forward contract is a bank. Forward contracts outstanding at the year end are:

Currency	Exposure to buy/ sell	As at 31/03/2019 (₹ in lakhs)		As at 31/03/2018 (₹ in lakhs)	
		Foreign Currency	Indian Currency	Foreign Currency	Indian Currency
USD	Buy	-	-	-	-

Notes to Consolidated Financial Statement for the year ended 31st March, 2019

b Foreign Currency Exposures at the year end not hedged by derivative instruments:

Euro	Buy	0.03	2.35	1.60	128.96
US Dollars	Sell	0.25	17.30	0.67	43.57

b) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Investment committee manages and constantly reviews the interest rate movements in the market. This risk is mitigated by the Company by investing the funds in various tenors depending on the liquidity needs of the Company. The Company's exposures to interest rate risk is not significant.

(vi) Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below.

	As at 31 st March, 2019 (₹ in lakhs)		As at 31 st March, 2018 (₹ in lakhs)	
	Increase	Decrease	Increase	Decrease
Discount rate (1% movement) - Gratuity	(27.31)	57.16	(22.91)	45.05
Future salary growth (1% movement) - Gratuity	64.50	(36.65)	56.81	(29.46)

The above sensitivity analyses have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the reporting date. In practice, generally it does not occur. When we change one variable, it affects to others. In calculating the sensitivity, project unit credit method at the end of the reporting period has been applied.

For the purpose of the Company's capital management, capital includes issued capital and all other equity reserves attributable to the equity shareholders of the Company. The primary objective of the Company when managing capital is to safeguard its ability to continue as a going concern and to maintain an optimal capital structure so as to maximize shareholder value.

As at 31st March, 2019, the Company has only one class of equity shares and has low debt. Consequent to such capital structure, there are no externally imposed capital requirements. In order to maintain or achieve an optimal capital structure, the Company allocates its capital for distribution as dividend or re-investment into business based on its long term financial plans.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102(2) OF THE COMPANIES ACT, 2013

ITEM NOS. 3 & 4

Mr. Ashwin R. Nagarwadia, Non-executive and Non-Independent Director of the Company, has attained the age of seventy-five years and retires by rotation at this 44th AGM of the Company, and being eligible, offers himself for re-appointment.

Pursuant to Regulation 17 (1A) of SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018, no listed entity shall appoint a person or continue the directorship of any person as a Non-executive Director who has attained the age of seventy-five years, unless a Special Resolution is passed to that effect, in which case the explanatory statement annexed to the notice for such motion shall indicate the justification for appointing such a person.

Company had earlier accorded Members approval by way of special resolution through Postal Ballot, results of which were declared on 25th March, 2019 for continuing the Directorship of Mr. Ashwin R. Nagarwadia beyond the age of seventy-five years. Further, since he is liable to retire by rotation at the ensuing AGM and being eligible, has offered himself for re-appointment. The matter is placed before the Members for approval.

Having regard to his qualifications, knowledge and experience, his re-appointment on the Board of the Company as a Non-executive and Non-Independent Director will be in the interest of the Company.

Except Mr. Ashwin R. Nagarwadia none of the Directors, Key Managerial Personnel's and their relatives are in any way concerned or interested financially or otherwise in the aforesaid resolution.

The Board recommends passing of the Ordinary and Special Resolutions as set out at Item Nos. 3 and 4 respectively of the accompanying Notice for approval by the Members.

ITEM NO. 5

Pursuant to Section 148 of the Act and Rules framed thereunder, the Company is required to maintain Cost records to be audited by a Cost Accountant in Practice. The Board of Directors at its meeting held on 18th May, 2019 appointed Mr. R. Srinivasa Raghavan, Cost Accountant, Pune, as the Cost Auditor of the Company to conduct audit of cost records maintained by the Company for the Financial Year 2019-20. Mr. R. Srinivasa Raghavan has furnished a certificate regarding his eligibility for such appointment. He has vast experience in the field of cost audit. Approval of Members is sought for payment of remuneration of ₹ 80,000 (Rupees Eighty Thousand only), plus Goods and Service Tax and reimbursement of out of pocket expenses incurred by them in connection with the aforesaid audit for the FY 2019-20.

In terms of Rule 14 of the Companies (Audit and Auditors) Rules, 2014, the remuneration approved by the Board is subject to subsequent ratification by Members of the Company.

None of the Directors, Key Managerial Personnel and their relatives are in any way, concerned or interested, financially or otherwise, in the aforesaid Ordinary Resolution.

The Board recommends passing of the Ordinary Resolution as set out in the Item No. 5 of the accompanying Notice for approval by the Members.

ITEM NOS. 6 to 10

Pursuant to the provisions of Section 149 of the Companies Act, 2013 (the Act), Regulations 17(1)(a) and 25 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the Listing Regulations), every listed company is required to have at least one woman Director

and at least 1/3rd of the Board of Directors shall comprise of Independent Directors. In order to comply with the statutory requirements, on the recommendations of the Nomination & Remuneration Committee, the Board of Directors of the Company at its meeting held on 18th May, 2019 re-appointed Mr. Mahendra K. Ghelani and Mr. Sushil U. Lakhani (whose current term of 5 years expires on 8th August, 2019) as an Independent Director for a second term of five consecutive years commencing from 9th August, 2019 upto 8th August, 2024, Mrs. Saraswati Sankar (whose current term of 5 years expires on 23rd March, 2020) was appointed as an Independent Director for second term of five consecutive years commencing from 24th March, 2020 till 23rd March 2025 and Dr. Prakash Trivedi (whose current term of 5 years expires on 20th May, 2020) as an Independent Director for a second term of five consecutive years commencing from 21st May, 2020 till 20th May, 2025. Mr. Mahendra Ghelani, Mr. Sushil Lakhani, Mrs. Saraswati Sankar and Dr. Prakash D. Trivedi, Independent Directors of the Company have given their declaration to the Board that they meet the criteria of independence as provided under Section 149(6) of the Act. In the opinion of the Board, all the above Directors fulfil the conditions specified in the Act and the Rules framed there under for appointment as an Independent Director and they are independent of the management of the Company

As per the provisions of the Listing Regulations, no listed entity shall appoint a person or continue the Directorship of any person as a Non-executive Director who has attained the age of seventy-five years unless a special resolution is passed to that effect. Mr. Mahendra K. Ghelani, Non-executive / Independent Director of the Company, shall attain the age of seventy five years on 30th January, 2020. However, considering his rich and prudent experience in his profession as well as contribution to the organisation it proves worthy and in the interest of the Company to continue to avail his expertise and thereby continue his Directorship.

Brief resume of Mr. Mahendra K. Ghelani, Mr. Sushil U. Lakhani, Mrs. Saraswati Sankar and Dr. Prakash D. Trivedi mentioning the nature of their expertise in specific functional areas and names of Companies in which they hold Directorships and Memberships / Chairmanships of Board Committees, shareholding and relationships between Directors inter-se as stipulated under Regulation 36(3) of the Listing Regulations, is provided in the Corporate Governance Report forming part of the Annual Report. This statement may also be regarded as a disclosure under Regulation 36(3) and other applicable Regulation of the Listing Regulations.

The terms and conditions and other documents pertaining to re-appointment of Mr. Mahendra K. Ghelani, Mr. Sushil U. Lakhani, Mrs. Saraswati Sankar and Dr. Prakash D. Trivedi are available for inspection by Members at the Registered Office of the Company on all working days (except Saturdays, Sundays and holidays) between 10:00 a.m. and 12:30 p.m. up to the date of the AGM.

Except Mr. Mahendra K. Ghelani, Mr. Sushil U. Lakhani, Mrs. Saraswati Sankar and Dr. Prakash D. Trivedi for their respective resolutions, none of the other Directors / Key Managerial Personnel of the Company and their relatives is, in anyway, concerned or interested, financially or otherwise, in passing of these Resolutions.

The Board recommends passing of the special resolutions set out at Item Nos. 6 to 10 of the accompanying Notice.

ITEM NOS. 11 & 12
