

SERVING QUALITY,  
DERIVING GROWTH

## Chairman's Message

From the desk of Chairman

First of all, I would like to extend my gratitude for the incredible support that you all have extended throughout the journey of developing Gokul Agro Resources Limited (GARL) as India's one of the

Leading Corporates in the edible oils and allied products sector.

Gokul Agro Resources Limited is one of the leading FMCG Companies of India with International presence. What sets us apart is the constant efforts that we put to serve our Customers with the products that match their level of satisfaction.

India stands out as a promising economy and is expected to remain the fastest growing large economy, as it benefits from robust consumption. We further strive to provide products that meet Consumer's satisfaction. Adding value added products and expanding existing capacities are priority objectives not only in India, but also in Singapore. Given the new opportunities and challenges, we remain optimistic for better future.

Thank You.

GARL reflects every bit of Thakkar's Philosophy nurtured through the decades.

Anchored by a strong vision for the future, the business has been created on a strong foundation that will consequently facilitate rapid scale-up. Mr. Jayesh Thakkar and Mr. Dipak Thakkar stood up like strong pillars from the Thakkar Group and contributed towards the growth of GARL with their indigenous Business skills.

Thakkar Group has set up new examples of entrepreneurial spirit by breaking the barriers of conformity. In the Financial Year 2016-17 GARL has achieved Net Profit of Rs. 2,024.62 Lacs and turnover of Rs. 4,26,863.98 Lacs. Tremendous efforts have been made to witness GARL as one of the leading edible oil Industries in the Country. The new GST regime will also help to simplify commercial transactions and will increase the market share.

I congratulate and thank everyone who is associated with GARL. It has been appreciable journey and hopefully GARL will further witness successful years ahead and will cater the needs of all stakeholders with its determined vision.

## ANNEXURE TO THE DIRECTORS' REPORT

### MANAGEMENT DISCUSSION AND ANALYSIS REPORT

#### **✦ Industry Structure & Development:**

The global edible oil market is segmented into palm, soyabean, sunflower, olive, corn and canola oils, as well as specialty blended oils and others. The palm oil segment is projected to register the fastest growth rate through the forecast period, with the segment accounting over 32% share in the global market in terms of volume in 2015.

Soyabean oil is projected to register a slight negative growth owing to the surplus availability of raw materials and shifting consumer preferences towards healthier edible oil options such as olive and canola oils. This shifting market trend is a result of increasing disposable income levels in household worldwide and growing awareness with regard to healthy eating.

According to a new report published by Persistence Market Research, 'Global Market Study on Edible Oils: Industry Analysis and Forecast 2016-2024', the global edible oils market is expected to register a CAGR of 5.1% through the forecast period to reach the value of US\$ 130.3 billion at the end of 2024. The projected market trend can be attributed to rising health concerns across the globe and growing demand for healthy edible oils.

The global edible oils market is segmented on the basis of region, into North America, Europe, Asia Pacific, Latin America and Middle-East and Africa (MEA).

Asia Pacific is projected to dominate the global market, accounting for 41.29% share in 2015, and is expected to account for 42.40% at the end of 2024. The projected market trend can be ascribed to growing demand for edible oils in India and China, especially in the food and beverage industries.

#### **✦ Strengths/Opportunities:**

1. A well established supplier in the edible oil segment, in operation for over three decades manufacturing a diverse range of edible oils covering refined castor oil, Soyabean oil, palm oil, sunflower oil, cottonseed oil, groundnut oil and other vegetable oils.
2. The promoters are having more than three decades of experience in the business of edible as well as non-edible oils.
3. The Company has popular and well established brands, Zaika and Vitalife which are the leading brands in the respective segments across the country.
4. The Company is having an integrated and modern State of the Art refinery located in the District of Anjar, Kutch which incorporates STATE-OF-THE ART refining equipments. The integrated infrastructure includes in-house plants for manufacturing tins, jars, bottles and corrugated boxes supported by in-house fleet of trucks which reduces the overall cost of production and operations.
5. The Company has certification of ISO 22000-2005 (Food Safety Management Certification System by BBQI).
6. The Company has its extensive marketing and distribution network which reaches out the customers of 11 states in India.
7. The Company's focus is on Healthy edible oils which include refined Soyabean oil and vegetable oil as they are more preferred with increasing health consciousness in the country – edible oil segment is growing at a CAGR of 10% to 15% and as such health friendly oils are growing at a CAGR of over 20% in India. This creates a big opportunity for the company to make its existing local brands popular on a national scale.

#### **✦ Weaknesses / Risks:**

##### **Business Risk:**

The Edible Oil Industry is exposed to significant threats that arise because of price volatilities, regulatory uncertainties and raw material availability concerns. It also faces stiff challenges in marketing its products since there is little product differentiation, and assured off-take or long-term contracts are few and far between. The industry also has a high credit risk, which arises from its widespread debtor base and the trading nature of its operations.

Solvent extraction units face huge raw material availability risks since oilseed imports are minimal and largely restricted. Hence, the domestic extraction industry has to depend solely on the domestic crop, which, in turn, depends on monsoons, crop yields, the area under cultivation, minimum support prices and other financial incentives announced by the government. Apart from its highly seasonal nature, oilseed production fluctuates widely because of these variables.

Moreover, nearly 35 per cent of domestic oil consumption is dependent on imports. Hence, global demand-supply dynamics too have a key bearing on domestic realizations with domestic prices increasingly aligning themselves to international ones. Since international oil prices continue to exhibit highly volatile patterns, they affect domestic players. Although the industry offers a natural hedge to some extent since input and output prices are correlated, any adverse movement in prices could make the business unviable because of the industry is extremely thin bottom-line. The domestic Edible Oil Industry also faces significant regulatory risks as evident in the Government's increasing interventions through frequent changes in customs and excise duty structures and international trade-related regulations (import

and export restrictions). These changes have a far-reaching impact on players since the consumers' high price sensitivity leads to shifts in the demand pattern among various edible oils. As a result, one oil category often expands at the cost of another.

As a result of all these factors, the industry is currently witnessing a large shakeout with the less efficient players closing shop. Large and organized players with relevant capabilities and financial strength are, on the other hand, improving their market positions.

#### **Foreign Exchange Earning Risk:**

GARL foreign currency revenue earnings are significant and any appreciation or depreciation of rupee can have significant impact on revenues and profitability. GARL has a consistent hedge policy designed to minimize the impact of volatility in foreign exchange fluctuations on the earnings. We evaluate exchange rate exposure arising from these transactions and enter into foreign exchange hedge instruments to mitigate risks arising out of movements in the rupee (INR). The hedge program covers a large portion of projected future revenues. Appropriate internal controls are in place for monitoring the hedge program.

#### **Government Policies:**

The policies announced by the Government have been progressive and are expected to remain likewise in future, and have generally taken an equitable view towards various stakeholders, including domestic farmers, industry, consumers etc. Government policies play an important role in the businesses of your Company.

#### **➤ Risk Mitigation Practices**

##### **Availability Risk:**

Industry players maintain adequate stocks to achieve optimal capacity utilization during the offseason, making their operations highly working capital-intensive and raising stockholding costs. This practice also increases price risk to some extent, since the industry could face volatility between the procurement of the inputs and the sale of the outputs, impacting margins. Companies also prefer to be located close to raw material sources. For example, a majority of the solvent extraction units that deal in soya-based oils have capacities in Madhya Pradesh, the country's soya bowl. Refining units that use imported crude oil as their feedstock, on the other hand, prefer to be based at a port to also save on logistics costs.

##### **Price Risk:**

Companies use risk mitigation tools such as agro-commodity futures to manage price risk. Globally, commodity exchanges like the Chicago Board of Trade (CBOT) have significantly higher volumes than the equity exchanges in the country, but domestic exchanges have low volumes and have traditionally been technologically inferior to their international counterparts. Nationwide commodity exchanges have come up recently such as the National Commodity and Derivatives Exchange (NCDEX) and Multi-Commodity Exchange (MCX), which are trying to match international standards of connectivity and scalability. Nevertheless, a significant proportion of domestic players still do not hedge their positions, leading to high volatility in margins. Companies also use forward currency covers for imports and exports to hedge against currency risks.

Besides, big players are looking at branding and retailing of edible oils since this offers higher realizations and greater pricing flexibility than bulk oils. This, however, entails considerable investments in a marketing and distribution network and requires a reasonable size of operation, which small-unorganized players may not possess.

##### **Regulatory Risk:**

Some of the Edible Oil players are diversifying their operations across more than one oil category to insulate themselves from any demand substitution due to relative duty changes. Also, some companies have set up import-based refining plants in areas that offer tax breaks such as Kandla Port in Gujarat to save on customs duty, apart from enjoying cost economies because of their proximity to the input source.

##### **Credit Risk:**

On an average, players provide a credit period of 2 to 4 weeks. While this is specific to a player's internal credit policy, a high debtor turnover is desirable. Additional incentives such as cash discounts are also a common feature in the business. Companies also enter into letter of credit-based contracts for exports of DOC and other products.

##### **Risk Management Policy:**

The Company, by adopting a Risk Management Policy, has ensured the awareness of its standards for risk taking while conducting business. The aim of this policy is not to eliminate risk. It is to assist personnel to manage the risks involved in all activities to maximize opportunities and minimize adverse consequences.

##### **Audit and Internal Controls:**

GARL has well-established processes and clearly-defined roles and responsibilities for people at various levels. This, coupled with adequate internal information systems embedded in business automation software, ensures proper information flow for the decision-making process. Adherence to these processes is ensured through frequent internal audits. The Executive Committees monitors business operations through regular reviews of performance vis-à-vis budgets. An extensive program of internal audit conducted by the internal audit team, reviewed by the Audit Committee, and requisite guidelines and procedures augment the internal controls. The internal control system is designed to

ensure that financial and other records are reliable for preparing financial statements and other information. These procedures ensure that all transactions are properly reported and classified in the financial records.

##### Business Expansion – Castor Oil Derivative:

Castor Derivative such as Hydrogenated Castor Oil, Glycerin, 12 HAS, M12 HAS, Ricinolic Acid, De-hydrated Castor Oil etc. are expected to witness the highest growth. Owing to its gaining acceptance in cosmetics, lubrication, coatings and greases applications, Organic Fertilizers, Food and Packaging, Textile Finishing Materials, Dyeing Aids, Synthetic Detergents, Fly papers, Water Proofing Additives etc. have made remarkable demand in the industry.

Looking to the consistent demand of castor oil and derivatives, we have successfully established Castor Oil Derivative Unit at the Existing Plant of the Company. The manufacturing excellence is achieved through a sustainable production process that includes an annual capacity of about 3,60,000 MT in Seed Crushing, 1,80,000 MT in refining, 1,80,000 MT in Solvent Extraction and 30,000 MT in Castor Derivatives. We are also investing into exclusive R&D facilities which will help us develop niche products which can be of good demand as well as can be of high margins. Castor Oil is also known as LIQUID GOLD as this is very unique oil with fine natural characteristics which can produce various products for vast variety of industries.

China and India will remain the growth engine for emerging Asia in 2017. After demonetization move, the growth rate of Indian Economy is expected to slow down below 7% in 2017. However, from a global perspective, India is still considered relatively better placed and brighter than the rest.

In spite of working in highly uncertain, volatile and complex environment and managing all odds favorably, castor industry successfully achieved a new milestone i.e. highest ever exports of 5,65,000 MT Castor Oil from India in 2016. India manufactures around 90% of the global production as far as Global Castor Scenario is concerned.

##### Human Assets:

The Company continued to make significant progress on strengthening HR Processes and Practices to build organization for current as well as future sustainability during the year. The Company focuses on providing individual development and growth in a professional work culture that ensures high performance. The Company has concentrated on enhancing capability of employees that ultimately helps achieving better standards of operations. The Company organizes various Seminars for the upgradation of Employees. Moreover, to enhance the skills of Employees various Training programs are also arranged by the Company.

## INDEPENDENT AUDITOR'S REPORT

To,  
The Members,  
Gokul Agro Resources Limited  
Ahmedabad

### Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **Gokul Agro Resources Limited** ("the Company") (**CIN- L15142GJ2014PLC080010**), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2017, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended and a summary of the significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and—presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act, and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143 (10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2017, its profit and its cash flows for the year ended on that date.

### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Sub-Section (11) of Section 143 of the Act, we give in the Annexure 'A' a statement on the matters specified in the paragraphs 3 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

- (e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”.
- (g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 and Companies (Audit and Auditors) Amendment Rules 2017, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigation which would impact its financial position.
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

**Annexure 'B'****Annexure to the Independent Auditor's Report of even date on the Standalone Financial Statements of Gokul Agro Resources Limited****Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Gokul Agro Resources Limited ("the Company") as of March 31<sup>st</sup>, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31<sup>st</sup>, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Note: - 1: Significant Accounting Policies and Notes forming part of the Accounts**

**(A) Corporate Information: -**

Gokul Agro Resources Limited (the company) is a public limited company and listed on Bombay Stock Exchange (BSE) & National Stock Exchange (NSE), domiciled in India and incorporated under the provisions of the Companies Act, 2013. The company is engaged in business of Manufacturing & Trading of Edible & Non-Edible Oil, Meals and other Agri Products.

**(B) Basis of preparation of Financial Statements:-**

The Financial Statements of the Company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP), including the Accounting Standards notified under the relevant provisions of the Companies Act, 2013.

The financial statements have been prepared on an accrual basis and under the historical cost convention, except otherwise specified.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year, except for the change in accounting policy explained. The financial statements are presented in Indian rupees rounded off to the nearest rupees in Lacs.

**(C) Use of Estimates:-**

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

**(D) Tangible Fixed Assets:-**

Fixed Assets are stated at cost of acquisition or construction less accumulated depreciation. Cost includes purchase price and all other attributable cost of bringing the asset to working condition for intended use. Financing costs relating to borrowing funds attributable to acquisition of fixed assets are also included, for the period till such asset is put to use.

**(E) Depreciation on Tangible Fixed Assets:-**

Depreciation on tangible assets is provided on the Straight-Line Method (SLM) over the useful life of the assets as prescribed under Schedule II to the Companies Act, 2013. In respect of the fixed assets purchased during the year, depreciation is provided on pro rata basis from the date on which such asset is ready to be put to use.

**(F) Intangible Assets & its Amortization:-**

Intangible assets acquired separately and are measured on initial recognition at cost and amortized on a straight-line basis over the estimated useful economic life.

**(G) Foreign Currency Transactions:-**

Transactions denominated in foreign currency are normally recorded at the exchange rate prevailing at the time of the transactions. Monetary items denominated in foreign currency remaining unsettled at the year-end are restated at the exchange rate prevailing at the end of the year. Gains and losses on foreign exchange transactions other than those relating to fixed assets are charged to profit & loss account. Premium paid on forward contract has been recognized over the life of the contract. Any profit or loss on cancellation or renewal of such forward exchange contract is recognized as income or expenditure for the period. Non-monetary foreign currency items are considered at cost.

**(H) Borrowing Costs:-**

Borrowing costs that are attributable to the acquisition, construction or production of a qualifying asset are capitalized as a part of the cost of such asset. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use. All others borrowing cost are charged to revenue.

**(I) Impairment of Tangible and Intangible Assets:-**

Impairment Loss, if any is provided to the extent, the carrying amount of assets exceeds their recoverable amount. Recoverable amount is higher of an assets net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset or from its disposal at the end of its useful life.

**(J) Investments:-**

Current Investments are carried at lower of cost or fair value. Long Term Investments are stated at cost. Provision for diminution in the value of long term investments is made only if such a decline is other than temporary.

**(K) Revenue Recognition:-**

- I. Sale of goods is recognized on transfer of significant risk and rewards of ownership which is generally on shipment and dispatch to customers. Sale is inclusive of excise duty but exclusive of VAT.
- II. Revenue/Loss from bargain settlement of goods is recognized at the time of settlement of transactions.
- III. Export benefits/Value added tax benefits are recognized as Income when the right to receive credit as per the terms of the scheme is established and there is no significant uncertainty regarding the claim.

- IV. Other revenue/ costs are recognized on accrual basis.
- V. Dividend income is recognized, when right to receive is established.
- VI. Interest income is recognized on time proportion basis taking into account the amount outstanding and rate applicable.
- VII. Share of profit and loss from partnership firm is recognized when company's right/obligation to receive/pay is established.

**(L) Retirement Benefits:-**

- I. Company provides for Retirement Benefits in the form of Gratuity. Such Benefits are provided for as at Balance Sheet date, based on the valuation made by independent actuaries. Company has taken Group Gratuity Policy of LIC of India and Premium paid is recognized as expenses when it is incurred. Actuarial gains or loss in respect of Gratuity are charged to Profit & Loss Account.
- II. Provident fund is accrued on monthly basis in accordance with the terms of contract with the employees and is deposited with the Statutory Provident Fund. The Company's contribution is charged to profit and loss account.
- III. Company also provides for Leave Encashment as at Balance Sheet date, based on the valuation made by independent actuaries.

**(M) Income Taxes:-**

Tax expense comprises of current and deferred taxes. Current Income Tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act, 1961. Deferred income tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Provision for Current tax is made after taking into consideration benefits admissible under the provision of the Income Tax Act, 1961.

**(N) Segment Reporting:-**

Based on the guiding principles given in Accounting Standard on "Segment Reporting (AS-17)" issued by the Institute of Chartered Accountant of India, the management reviewed and classified its primary business segment as "Agro based commodities" which incorporates product groups viz. Soybean, Palmolive, cotton seed oil, sun flower oil, castor oil, oil cakes, de-oiled cakes, Vanaspati, oil seeds, it's by products and other agro-commodities which have similar production process, similar methods of distribution and have similar risks and returns. This in the context of AS 17 "Segment Reporting" notified under the Companies (Accounting Standard) Rules, 2006 constitutes one single primary segment.

**(O) Provisions Contingent Liabilities & Contingent Assets:-**

A provision is recognized when the company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Contingent Liabilities are not provided for and are disclosed by way of notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

**(P) Excise Duty:-**

Excise duty has been accounted on the basis of both, payment made in respect of goods cleared and provision for goods lying in bonded area.

**(Q) Commodity Hedging Transactions:-**

The commodity hedging contracts are accounted on the date of their settlement and realized gain/loss in respects of settled contracts are recognized in the Statement of Profit and Loss, along with the underlying transactions. Pursuant to announcement on accounting for the derivatives issued by the Institute of Chartered Accountants of India (ICAI), in accordance with the principle of prudence as enunciated in Accounting Standard -1 (AS-1) "Disclosure of Accounting Policies" the company provides for losses in respect of all outstanding derivatives contracts at the balance sheet date by marking them mark to market. Any net unrealized gains arising on such Mark to Market are not recognized as income.

**(R) Related Party Transaction:-**

Parties are considered to be related if at any time during the year; one party has the ability to control the other party or to exercise significant influence over the other party in making financial and / or operating decision.

**(S) Earnings per Share (EPS):-**

The earning considered in ascertaining the company's EPS comprises the net profit for the period after tax attributed to equity shareholders. The number of shares used in computing basic EPS is the weighted average number of shares outstanding during the year.

**(T) Government Grants:-**

Grants received against specific fixed assets are adjusted to the cost of the assets and those in the nature of promoter's contribution are credited to capital reserve. Revenue grants are recognized in the Statement of Profit and Loss in accordance with the related schemes and in the period in which these are accrued and it is reasonably certain that the ultimate collection will be made.

## INDEPENDENT AUDITOR'S REPORT

To,  
The Members,  
Gokul Agro Resources Limited,  
Ahmedabad

### Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **Gokul Agro Resources Limited** ("the Holding Company") (**CIN-L15142GJ2014PLC080010**) and its subsidiary company (hereinafter collectively referred to as "the group") which comprise the Consolidated Balance Sheet as at **31<sup>st</sup> March, 2017**, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information ( hereinafter referred to as "the Consolidated Financial Statements").

### Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("hereinafter referred to as the Act") with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid. **Auditor's Responsibility**

Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

**Annexure 'A'****Annexure to the Independent Auditor's Report of even date on the Consolidated Financial Statements of Gokul Agro Resources Limited  
Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

In conjunction with our audit of the consolidated financial statements of the company as of and for the year ended March 31<sup>st</sup>, 2016. We have audited the financial controls over financial reporting of Gokul Agro Resources Limited (hereinafter referred to as "the Holding Company") and its subsidiary company incorporated outside India.

**Management's Responsibility for Internal Financial Controls**

The Respective Board of Directors of the Holding Company and its subsidiary company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Holding Company and its subsidiary company which is incorporated outside India, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

#### **Other Matters**

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to a subsidiary company, which is company incorporated outside India, is based on the corresponding reports of the auditors of such company incorporated outside India.

**Note: - 32: Segment Reporting**

Based on the guiding principles given in Accounting Standard on “Segment Reporting (AS-17)” issued by the Institute of Chartered Accountant of India, the management reviewed and classified its primary business segment as “Agro based commodities” which incorporates product groups viz. Soybean, Palmolive, cotton seed oil, sun flower oil, castor oil, oil cakes, de-oiled cakes, Vanaspati, oil seeds, it’s by products and other agro-commodities which have similar production process, similar methods of distribution and have similar risks and returns. This in the context of AS 17 “Segment Reporting” notified under the Companies (Accounting Standard) Rules, 2006 constitutes one single primary segment.
