not to participate in the Bonds. This document and information contained herein or any part of it does not constitute or purport to constitute investment advice in publicly accessible media and should not be printed, reproduced, transmitted, sold, distributed or published by the recipient without the prior written approval from the Arranger and the Issuer. This Information Memorandum has not been approved and will or may not be reviewed or approved by any statutory or regulatory authority in India or by any Stock Exchange in India. This document may not be all inclusive and may not contain all of the information that the recipient may consider material.

Please note that:

- a) the Arranger and/or their affiliates may, now and/or in the future, have other investment and commercial banking, trust and other relationships with the Issuer and other entities related to the Issuer;
- b) as a result of those other relationships, the Arranger and/or their affiliates may get information about the Issuer and/or the Issue or that may be relevant to any of them. Despite this, the Arranger and/or their affiliates will not be required to disclose such information, or the fact that it is in possession of such information, to any recipient of this Information Memorandum;
- c) the Arranger and/or their affiliates may, now and in the future, have fiduciary or other relationships under which it, or they, may exercise voting power over securities of various persons. Those securities may, from time to time, include securities of the Issuer;
- d) the Arranger and/or their affiliates may exercise such voting powers, and otherwise perform its functions in connection with such fiduciary or other relationships, without regard to its relationship to the Issuer and/or the securities;
- e) the Arranger is not acting as trustee or fiduciary for the investors or any other person; and
- f) the Arranger is under no obligation to conduct any "know your customer" or other procedures in relation to any person.

Nothing in this Information Memorandum constitutes an offer of securities for sale in the United States of America or any other jurisdiction where such offer or placement would be in violation of any law, rule or regulation. No action is being taken to permit an offering of the bonds in the nature of debentures or the distribution of this Information Memorandum in any jurisdiction where such action is required. The distribution/taking/sending/dispatching/transmitting of this Information Memorandum and the offering and sale of the Bonds may be restricted by law in certain jurisdictions, and persons into whose possession this document comes should inform themselves about, and observe, any such restrictions.

Each person receiving this Information Memorandum acknowledges that:

- a) Such person has been afforded an opportunity to request and to review and has received all additional information considered by it to be necessary to verify the accuracy of or to supplement the information herein; and
- b) Has not relied on the Arranger and/or its affiliates that may be associated with the Bonds in connection with its investigation of the accuracy of such information or its investment decision.

Issuer hereby declares that the Issuer has exercised due-diligence to ensure complete compliance of applicable disclosure norms in this Information Memorandum. The Arranger: (a) is not acting as trustee or fiduciary for the investors or any other person; and (b) is under no obligation to conduct any "know your customer" or other procedures in relation to any person. The Arranger is not responsible for (a) the adequacy, accuracy and/or completeness of any information (whether oral or written) supplied by the Issuer or any other person in or in connection with this Information Memorandum; or (b) the legality, validity, effectiveness, adequacy or enforceability of this Information Memorandum or any other agreement, arrangement or document entered into, made or executed in anticipation of or in connection with this Information Memorandum; or (c) any determination as to whether any information provided or to be provided to any investor is non-public information the use of which may be regulated or prohibited by applicable law or regulation relating to insider dealing or otherwise.

The Arranger or any of their directors, employees, affiliates or representatives do not accept any responsibility and/or liability for any loss or damage arising of whatever nature and extent in connection with the use of any of the information contained in this document. By accepting this Information Memorandum, investor(s) agree(s) that the Arranger will not have any such liability.

RISK FACTORS

The prospective investors should consult their own tax, financial and legal advisors about the risks associated with investment in bonds and suitability of investment in such bonds. Investment in these bonds include a degree of risk and investors should not invest any funds in this Issue unless they can afford to take the risk of losing their investment in bonds if the bonds are not held till or for any reason sold before their maturity. For taking an investment decision, investors must rely on their own examination of the Issue, the Issuer and this Information Memorandum including the risks mentioned below. The Bonds have not been recommended or approved by the SEBI, nor does SEBI guarantee the accuracy or adequacy of this Information Memorandum.

1. Credit Risk

The credit rating assigned to us may be downgraded.

This is the first issue by the Issuer since its establishment in 2007. The Bonds have been given a rating of Provisional AA/Stable by IRRPI, and CARE AA/Stable by CARE which is considered to have high degree of safety regarding timely servicing of financial obligations. Such instruments carry very low credit risk as well. However, if there is a deterioration in our financial performance or position, accumulation of debt or if there are any statutory or regulatory restrictions detrimentally affecting our ability to collect revenues or manage expenditures, our credit rating and credit rating assigned to the Bonds may be downgraded. Any downgrading in our credit rating or credit rating of instruments will result in an enhanced risk to the Bondholders. However, to safeguard the interest of the Bondholders, a structured payment mechanism has been formulated to prioritize the revenues earned by the Corporation towards a timely payment of interest and repayment of the principal.

2. Project Risk

The Strategic Road Development Project (SRDP) is not a revenue generating Project and we may not be able to adhere to timelines.

SRDP is a project to provide better traffic flow facilities to citizens of GHMC and to provide world class transportation facilities including skyways, conflict free corridors and improving journey speeds without traffic jams and as such is not a revenue generating project.

The Project is proposed to be financed through bonds, bank loan and own funds of GHMC. A funding gap due to cost overruns, should it develop, could pose a contingent budgetary risk for GHMC, or result in a request to the Standing Committee for additional borrowing authority for these Project. There is also a possibility that the implementation of the Project might get delayed due to workforce issues or due to contractor issues.

GHMC has obtained the requisite approvals for various works for SRDP Project. However for certain works tender process is still under, which will be funded by the proceeds of the bonds, approval for tender process is still awaited, any delay in obtaining such approvals may delay the project timelines. Further, the Project is susceptible to policy risk by the State and cost overruns, however, these will not affect the payment of debt service for the bonds, which are backed by the property taxes and Fees & User Charges to be collected and remitted to the escrow agent for payment of debt service for the tenure of the bonds.

H.W. NAYAK
G.H.M.C., HYDRABAD

Commissioner,
Financial and Capital Corporation

3. Financial Risk

GHMC may not be able to pay interest accrued on the Bonds and/ or the principal amount outstanding from time to time

The potential investor may not be able to recover, on a timely basis or at all, the full value of the outstanding amounts and/ or the interest accrued thereon in connection with the Bonds.

GHMC's ability to pay interest accrued on the Bonds and/ or the principal amount outstanding from time to time in connection therewith would be subject to various factors, including inter-alia GHMC's financial condition, profitability, revenue generation and the general economic conditions prevailing in India and in the global financial markets. GHMC cannot assure that GHMC would be able to repay the principal amount outstanding from time to time on the Debentures and/ or the interest accrued thereon in a timely manner, or at all. GHMC will create an appropriate escrow account in favour of the Bond Trustee for the Bondholders to ensure sufficient funds for repayment of principal and interest accrued thereon. The realizable value of the Bonds may be lower than the outstanding principal and/ or interest accrued thereon and consequently the potential investor may not be able to recover on a timely basis or at all, the full value of the outstanding amounts and/ or the interest accrued thereon in connection with the Bonds.

Inconsistent Revenue Collections

Generally, our revenue collection through property tax, user charges and other fees are not consistent throughout the year and may be higher in certain parts of the financial year.

Financial Statements

The audited financial statements through FY 2015-16 and derived ratios there from contained in the Information Memorandum have been prepared / computed as per the permissible practices. The unaudited accounts for FY 2016-2017 and half year ending 30.09.2017 are also provided in this Information Memorandum. While due care has been taken to reflect the true economic reality regarding the financials of the Corporation as far as possible, the investors may want to make their own adjustments to the same before arriving at an investment decision in this Bond issue.

5. General Risk

5.1 External factors like natural calamities, terrorism etc. may affect our operation and may delay the Project implementation.

Natural calamities like floods, etc. could hamper the Project implementation.

Floods and Flash Floods : Hyderabad is situated on the banks of Musi River and has some major reservoirs like Osman Sagar, Himayath Sagar, Singur, Manjira etc; In recent times, Hyderabad has seen severe rain falls, resulting in submergence of large areas of Hyderabad under water. Water released from the reservoirs also resulted in swelling of the Musi River, which generally remains dry. A major reason for this is blocking of the water bed of Musi River through unauthorized construction and clogging of the drains. Such conditions may result in hampering the functioning of GHMC due to additional cost burden for retrieving the city back to normalcy.

H.W. MAJOR,
G.H.M.C. HYDERABAD.

Commissioner,

5.2 Terrorism:

Hyderabad has a high probability of terrorism. A series of bomb blasts in recent years have placed it on the terrorism map. With several key defense installations and huge presence of MNCs, Hyderabad is a potential target for national and international terrorism.

5.3.1 Disaster Management Planning :

Disaster Management Cell, GHMC has been established to ensure that the jurisdiction maintains its preparedness to implement the Disaster Management Plan and to work towards enhancing and improving the capabilities to respond to disaster situations. They respond and coordinate immediately as and when a disaster occurs to take effective actions by providing relief and aid to the affected, and enhance the preparedness of the municipal corporation in the event of a disaster.

The main control room of the city is located on the 4th floor of GHMC Head Office. The City control room is responsible for triggering alerts, dissemination of information and coordination during disasters.

However, the level of preparedness needs to be adequately scaled up for tackling any unforeseen emergencies.

5.4 Decentralization and Municipal Corporations

GHMC has legislative and administrative control over its operating revenues, expenditures and capital plans, as permitted under the GHMC Act. Nevertheless, changes in State and Central Government revenue sources and regulatory frameworks could have an effect on the credit profile of GHMC (positive and negative), should those changes result in devolution of power, of revenues or of spending mandates. Recent examples include investment and institutional reform initiatives by the MoUD under the JNNURM program and under its successor, the Smart Cities program, and the adoption of the GST by the Government of India and by the states. The GST may result in discontinuation of some of the existing revenue sources like entertainment tax. Although it is provisioned that the State Government would be making good any losses to GHMC, however, the extent and the timings of disbursement of such amount is not fixed, thus may result in some financial losses or delay in receipt of the amount by GHMC.

Additionally, being a government organization, GHMC is subject to regulations by Indian governmental authorities. There may be future changes in the regulatory system or in the enforcement of the laws and regulations that could adversely affect GHMC.

5.5 GHMC Policy Focus

Periodic elections and/ or rotation of the Commissioner and other officers can result in changes in policy focus for the municipal corporation, which can affect the distribution of resources devoted to both operating services and capital projects. While such changes in policy focus might affect the relative priority of capital expenditures for the Project, this will not affect the payment of debt service on the bonds, which are secured by escrow on property taxes to be collected and remitted to the escrow agent for payment of debt service for the life of the bonds.

H. W. BHASUR,
G.H.M.C. HYDERABAD

Commissioner,
Greater Hyderabad Municipal Corporation

6. **We are involved in large number of litigations and adverse decisions in the same may impact our functions**

As on date, it is estimated that the GHMC is involved in approximately 108 pending cases with the aggregate amount being approx. Rs. 26 Crores in the Land Acquisition Department. These cases, if decided against us, can have an impact on the financial position of the Issuer. There are other cases relating to administrative issues etc. also but they do not involve any amount.

It may be noted that the number of proceedings in which GHMC is involved is not unusual for a corporation of its size in the context of functioning as a municipal body of one of the major cities in India.

7. **Risk in relation to the Bonds**

- 7.1 **Changes in interest rates may affect the price of the Bonds.**

All securities where a fixed rate of interest is offered, such as the Bonds, are subject to price risk. The price of such securities will vary inversely with changes in prevailing interest rates, i.e., when interest rates rise, prices of fixed income securities fall and when interest rates drop, the prices increase. The extent of fall or rise in the prices is a function of the existing coupon, days to maturity and the increase or decrease in the level of prevailing interest rates. Increased rates of interest which frequently accompany inflation and/ or a growing economy, are likely to have a negative effect on the price of the Debentures.

The secondary market pricing of the Bonds is subject to factors affecting the general economic condition in India and in the domestic and global financial markets. All securities where a fixed rate of interest is offered, such as in the present case, are subject to price risk. The price of such securities will vary inversely with changes in prevailing interest rates, i.e. when interest rates rises, prices of fixed income securities fall and when interest rates drop, the prices increase. The extent of fall or rise in the prices is a function of the existing coupon, days to maturity, credit rating and the increase or decrease in the level of prevailing interest rates. Thus, the investor may face volatility in the price of the bond issued due to above mentioned factors.

- 7.2 **Bonds are unsecured.**

As the proposed debentures/bonds are unsecured in nature, investors may find it difficult to recover their money in case of any default by the issuer. The Debenture Trustee is not a guarantor and will not be responsible for any loss or claim.

8. **Any downgrading in credit rating of the Bonds may affect the value of Bonds and thus the Issuer's ability to raise further debts.**

The Bonds proposed to be issued under this Issue have been rated Provisional AA/Stable by IRRPL vide its dated January 25, 2018, CARE AA; Stable (Double A; Outlook Stable) by CARE vide its letter dated January 25, 2018. The Issuer cannot guarantee that these Credit ratings will not be downgraded by the rating agencies in future. The ratings provided by these Credit Rating Agencies may be suspended, withdrawn or revised at any time. Any revision or downgrading in the above credit rating may lower the value of the Bonds and may also affect the Issuer's ability to raise further debt.

9. **There is no guarantee that the Bonds issued pursuant to this Issue will be listed on the stock exchanges in a timely manner, or at all.**

In accordance with Indian law and practice, permissions for listing and trading of the Bonds issued pursuant to this Issue will not be granted until after the Bonds have been issued and allotted. Approval for listing and trading will require all relevant documents authorizing the

Commissioner, 16

Uttar Hyderabad Municipal Corporation

H.W. MAYOR,
U.M.C. - HYDRABAD.

issuing of Bonds to be submitted. There could be a failure or delay in listing the Bonds on the stock exchange. However, the Corporation shall do all necessary actions for listing of the bond in timely manner.

10. **There may be a delay in making refunds to applicants**

The Issuer cannot assure that the monies refundable to applicants on account of (a) withdrawal applications, (b) withdrawal of the Issue, or (c) failure to obtain the final approval from the exchanges for listing of Bonds, (d) non-allotment due to technical rejections or over subscriptions will be refunded to the applicants in a timely manner.

ORGANISATION STRUCTURE

1. Details of the Corporation

The Greater Hyderabad Municipal Corporation has been established under Section 3 of the Greater Hyderabad Municipal Corporation Act, 1955. In accordance with Section 5 of the Act, the Corporation shall consist of such number of elected members as may be notified from time to time. Presently, the Corporation consists of 150 elected members.

Every member of the legislative assembly of the State and every Member of the House of the People representing a constituency of which the Corporation or a portion thereof forms part and every Member of the Legislative Council of the State registered as an elector within the area of the Corporation as on the date of filing of nomination for becoming Member of Legislative Council or on the date of nomination by the Governor, as the case may be shall be ex-officio members of the Corporation.

GHMC Act also mandates Corporation to have 5 co-opted members. Three members, one of whom shall be a woman, having special knowledge of municipal administration shall be co-opted as members of the Corporation. Also, two persons belonging to the minorities of whom one shall be a woman, shall be co-opted as members of the Corporation in prescribed manner.

Municipal Authorities charged with carrying out the provisions of the GHMC Act are:-

- (i) a Corporation;
- (ii) a Standing Committee;
- (iii) a Commissioner;
- (iv) the Wards Committee.

Elected members of the Corporation are required to select the Mayor and Deputy Mayor from amongst themselves.

Elected representatives in GHMC

The city is divided into 5 Zones (North, South, Central, East and West) and 30 Circles with a total no. of 150 corporators as elected members. These councilors and 5 co-opted members comprise the general body and are headed by the Mayor. The governance is distributed in terms of responsibilities as follows (i) policy making as a responsibility of the General Body (ii) financial decision making as a responsibility of the Standing Committee and (iii) The Commissioner as a Chief Executive of the GHMC.

Standing Committee is the most powerful body in GHMC as per the Municipal Act, and is responsible for all the decisions pertaining to municipal finance matters. The Standing Committee comprises of 15 Members out of the 150 elected members. The Mayor or in his absence, the Deputy Mayor of the Corporation shall be the ex-Officio Chairperson of the Standing Committee. While preparation of the civic budget is one of the significant functions, it is a stake holder in almost all financial decisions such as approval of the project tenders etc.

In the elected wing, the Mayor is the head. Councilors are elected representatives of 150 electoral wards of the city, who are elected every 5 years, if elections are delayed due to any unforeseen reasons, then the councilors' term is not extended and the Commissioner takes care of the proceedings of GHMC and the meeting of the councilors is held once in three months.

The Mayor, the first citizen of the city, is elected by the councilors and holds office till he resigns or is removed in accordance with provisions of GHMC Act. The Mayor presides over the General Body

Meetings of the councilors. Along with the General Body there are different committees which work in the city. Wards are represented by the Wards Committees, whose main function is to approve the cost of works for the wards, incorporate the expenses in the budget etc.

Administrative Cadre in GHMC

The Administrative wing of the GHMC works under the command of the Commissioner who heads a team of officials of Zonal Commissioner, Additional Commissioner, Deputy Commissioner and other officials who administer their respective domains. The Administrative wing is responsible for all the development works in the city, maintenance of infrastructure, collection of taxes, preparation of development plans and budgets. Other than the contractual and outsourced personnel, GHMC has more than 6700 permanent employees in several cadres.

BRIEF SUMMARY OF THE BUSINESS/ ACTIVITIES OF THE ISSUER AND THE PROJECT

I. Overview of the Issuer

About Hyderabad

Hyderabad is the capital of the southern Indian state of Telangana and also short term capital of Andhra Pradesh. Occupying 650 square kilometers along the banks of the Musi River, it has a population of about 6.7 million and a metropolitan population of about 7.75 million, making it the fourth most populous city and sixth most populous urban agglomeration in India. At an average altitude of 542 metres, much of Hyderabad is situated on a hilly terrain around artificial lakes, including Hussain Sagar – predating the city's founding – north of the city Centre.

Established in 1591 by Muhammad Quli Qutb Shah, Hyderabad remained under the rule of the Qutb Shahi dynasty for nearly a century before the Mughals captured the region. In 1724, Mughal viceroy Asif Jah I declared his sovereignty and created his own dynasty, known as the Nizams of Hyderabad. From the Nizam's dominion Hyderabad became a princely state during the British Raj, and remained so for 150 years, with the city serving as its capital. The city continued as the capital of Hyderabad State after it was brought into the Indian Union in 1948, and became the capital of Andhra Pradesh after the States Reorganization Act, 1956. Since 1956, Rashtrapati Nilayam in the city has been the winter office of the President of India. In 2014, the newly formed state of Telangana split from Andhra Pradesh and the city became the joint capital of the two states, a transitional arrangement scheduled to end by 2025.

Relics of Qutb Shahi and Nizam rule remain visible till today; the Charminar – commissioned by Muhammad Quli Qutb Shah – has come to symbolize Hyderabad. Colconda fort is another major landmark. The influence of Mughlai culture is also evident in the region's distinctive cuisine, which includes Hyderabadi biryani and Hyderabadi haleem. The Qutb Shahis and Nizams established Hyderabad as a cultural hub, attracting men of letters from different parts of the world. Hyderabad emerged as the foremost center of culture in India with the decline of the Mughal Empire in the mid-19th century, with artists migrating to the city from the rest of the Indian subcontinent. The Telugu film industry based in the city is the country's second-largest producer of motion pictures.

Hyderabad was historically known as a pearl and diamond trading center, and it continues to be known as the "City of Pearls". Many of the city's traditional bazaars remain open, including Laad Bazaar, Begum Bazaar and Sultan Bazaar. Industrialization throughout the 20th century attracted major Indian manufacturing, research and financial institutions, including Bharat Heavy Electricals Limited, the National Geophysical Research Institute and the Centre for Cellular and Molecular Biology. Special Economic Zones dedicated to Information Technology (IT) have encouraged companies from India & around the world to set up operations in Hyderabad. The emergence of pharmaceutical & biotechnology industries in the 1990s led to the area's naming as India's "Genome Valley". With an output of US\$74 billion, Hyderabad is the fifth-largest contributor to India's overall gross domestic product.

Hyderabad is also global hub for IT and ITES firms and companies like Microsoft, Apple, Amazon, Google, IBM, Yahoo, Oracle Corporation, Dell, Facebook, CISCO and major Indian firms including Tech Mahindra, Infosys, Tata Consultancy Services, Polaris, Cyient and Wipro have offices here. In 2009 the Doing Business Project, World Bank Group, ranked the city as number 1 in enforcing contracts and resolving insolvency and overall the second best Indian city for doing business. The city and its suburbs contain the highest number of Special Economic Zones of any Indian city.

Greater Hyderabad Municipal Corporation

History of GHMC

In the year 1869, the Kotwal-e-Baldia, the City Police Commissioner, began to look after the Municipal Administration of the city at that time. In 1869, Sir Salar Jung-I, the then Nizam, constituted the department of municipal and road maintenance and a municipal commissioner was appointed for Hyderabad board and Chaderghat board. In the year 1933, the two boards were amalgamated into a corporation and were given statutory status under the Hyderabad Municipal Act. In the year 1934, first elections were held for Municipal Corporation, and a standing committee was appointed. In the year 1937, Banjara Hills and Jubilee Hills merged into Jubilee Hills Municipality. In the year 1942, corporation status was removed. In the year 1945, Secunderabad municipality was formed.

In 1950 two separate corporations were created under the Hyderabad Corporation Act, 1950 i.e. one for the city of Hyderabad and another for the city of Secunderabad. In 1960, the two Corporations again merged into a single Corporation by the Hyderabad Municipal Corporation Act, 1955. In April 2007, Hyderabad Municipal Corporation was converted into Greater Hyderabad Municipal Corporation by virtue of notification dated April 16, 2007 issued by the Government of Andhra Pradesh.

Today, GHMC is the largest Corporation in the State of Telangana. Presently, the GHMC area is divided into 5 Zones (North, South, Central, East and West) and 30 Circles.

DEPARTMENT ISSUING THE BONDS

DETAILS OF ALL THE PROJECTS UNDERTAKEN

I. STORM WATER DRAINS

For the past few years, Hyderabad has seen heavy flooding and inundation of low lying areas during monsoon season due to incessant and heavy rains. As a result there was loss of human lives and property. Due to insufficient carriage capacity of existing solid waste management ("SWD") network, the storm water has over flown onto the roads and the road network also got damaged. In view of the above, it was proposed to remodel/ widen the existing SWD network. Presently, as a part of improvement, 46 bottleneck stretches are identified on various Nalas and taken up with an amount of Rs.230.00 Crores. Further 14 major stagnation points which newly came up during recent rains are also taken up with a cost of Rs.60.23 crores. Apart from these works, another 24 works were taken up with an amount of Rs.102.56 Crores. All these works are at various stages.

Means of financing

The total amount of Rs.392.79 Crores required for all the above works will be met from GHMC funds.

Below table provides an indicative status of the project:

Sl. No.	Description	Completed	Planned	Approved	Tender	Contract	Administrative
		No.	No.	No.	No.	No.	No.
1	46 SWD Bottleneck Stretches	-	10	18	18	-	-

2. 2BHK Housing Scheme in GHMC:

The Government of Telangana has initiated a flagship program of "2BHK Housing Scheme" for providing Two Bed Room Houses, free of cost, to shelter less poor people living Below the Poverty Line (BPL) and in abysmal conditions.

As per "Samagra Kutumba Survey" it was ascertained that there is a requirement of about 4.57 Lakhs houses in GHMC area. Therefore, to meet the requirement of housing, the State Government fixed a target to construct 1,00,000 (One Lakh) dwelling units (DUs) in first phase, by dovetailing with PMAY-HFA (Urban) Scheme of GOI, for the beneficiaries of GHMC area.

The GHMC is the implementing agency of this prestigious flagship program for providing dignity housing to the beneficiaries of GHMC. These Housing projects are being taken up existing in-situ slums & in Government vacant lands. Each house of this program consists of 2 Bed rooms, a Hall, a Kitchen and 2 toilets (WC cum bath) with a total built up area of 560 Sq. ft.

Based on the availability of sites, the houses are being taken up in patterns of Cellar + Still + 9 floors (C+S+9), Still +5 floors (S+5), G+3 floors. The total cost per unit including infrastructure cost is Rs.8.65 Lakhs, Rs.8.50 Lakhs & Rs.7.75 Lakhs respectively. Lift facility is proposed for C+S+9 and S+5 patterns. The Civic infrastructure works include laying of CC Roads, storm water drains, underground drainage system, protected water supply arrangements and electrification works. Similarly, the Socio infrastructure works include community centers, Health centers, schools, bus stands, parks, play grounds, Tot-lots etc. Spaces have been earmarked for them and these will be taken up under respective Government programs.

The Govt. in Municipal Administration & Urban Development Department, have accorded administrative sanction duly dovetailing with Pradhan Mantri Awas Yojana (Urban) (PMAY-HFA (Urban)) for taking up total 1,00,000 houses by GHMC in Hyderabad, Ranga Reddy, Medchal & Sanga Reddy Districts with a total project outlay of Rs. 8,545.66 Crores.

The details of pattern of works taken up and cost sharing pattern are as below:

S. No.	Transmission Order detail	Number of DUs sanctioned	Subsidy by Government	GHMC Share	Total (Rs. Crores)
1	G.O. Rt No. 586 dated August 26, 2016 (Phase-I)	3050	353.50	37.88	428.85
2	G.O. Rt No. 764 dated November 1, 2016 (Phase-II)	15519	1086.33	116.39	1298.95
3	G.O. Rt No. 212 dated April 0, 2017 (Blanket Administrative sanction)	69535	4867.45	521.5	6014.78

Total		1,00,000	7764.83	833.74	8596.58

It is proposed to complete the construction of these 1,00,000 DUs in a phased manner from March, 2018 to December, 2018.

DETAILS OF THE PROJECTS FOR WHICH FUNDS ARE BEING RAISED

Strategic Road Development Plan: Hyderabad is a growing city and faces traffic congestion due to inadequate road capacity, closely spaced intersections, frontage access for the road side developments, on street parking, lack of pedestrian facilities. The Strategic Road Development Program ("SRDP" or "SRDP Project" or "Project") is part of a larger plan of GHMC where in it is proposed to provide skyways, conflict free corridors and improving journey speeds without traffic jams. The Strategic Road Development Plan comprises of five phases. However presently, only 12 works, have been identified, wherein land acquisition is comparably easy, to be taken up to be financed by proceeds of the Bonds. Objectives of SRDP are as follows:

- **National Level Objective:** Construction and improvement of traffic & transport infrastructure to reduce traffic jams and make the corridors as far as possible conflict free by providing world class transport facilities.
- **CCity Level Objective:** to provide world class transportation facilities including skyways, conflict free corridors and improving journey speeds without traffic jams.

Project Brief: On the basis of critical evaluation of the present levels of traffic loads and the congestion being experienced in Hyderabad, SRDP is identified to provide relief to the traffic problem. Closely spaced traffic junctions are the major cause of delay in journeys, for providing continuous traffic movement, SRDP, a conflict free road network is planned with an objective to:

- minimize the travel time increase the average journey speeds
- reduce the air pollution levels by minimizing the fuel consumption and decrease the stopped delay

Existing Transport Scenario

On an average 1.2 trips (including walking trips) are made per person in a day in and around Hyderabad. This means everyday there are about one crore trips made by the residents of Hyderabad for various purposes like work, shopping, education, health, recreation etc. The study conducted by LEA Associates indicated that about 36 percent of these trips are made by city buses and Multi-Modal Transport System, about 8 percent are made by cars, about 40 percent are made by two wheelers, about 12 percent are made by auto-rickshaw and about 4 percent are made by taxis. All these trips are made on the road network of Hyderabad city.

Status of reforms with respect to e-governance, cost recovery on water supply & Solid Waste Management (SWM), property tax, double entry accounting and others, as specified by MoUD and authorities concerned

GHMC has taken various steps to provide better governance to people making / adopting Information Technology as one of the means. People can now use online platform of the GHMC for various functions including self-assessment of property tax, applying for new trade license, applying for no objection certificates, etc. Use of IT in providing various services not only provides better and timely services to citizens but also enhances transparency, reduces need to visit municipal offices. GHMC also has official twitter handle to update citizens about various developments. Under e-governance, GHMC has developed various web and mobile applications like GHMC App. Details of the major e-governance initiative are provided below:

i) MyGHMC App

MyGHMC Mobile App targeted to ease out the problems which a citizen encounters, day in and day out promptly, promoting greater transparency and enabling ordinary citizens to access the quality, adequacy and effectiveness of basic services. The App was launched on 15.07.2016. As on date 2,70,174 citizens have downloaded the App. It is an integrated App where citizen can lodge their grievances, pay their property tax and trade license fees online, download birth and death certificates and know their layout regularization scheme (LRS)/building regularization scheme (BRS) Application Status.

Earlier citizens were required to lodge their grievance only manually or through website and there was no proper tracking of their grievance. After deployment of project, the contact details of both citizens and officers are shared with each other through SMS and real time reports are available. Citizens can download their birth and death certificates without visiting meeseva centres or circle offices. Citizens can directly reach the concerned officer to get their

grievances solved. Grievance redressal efficiency of an individual officer can be monitored easily through the web based reports.

(ii) **GHMC Corporate Social Responsibility(CSR) Portal**

GHMC CSR portal was launched with the intention of tapping the CSR contributions of companies and foundations. Section 135 of the Companies Act, 2013 makes it mandatory for every company to spend at least two percent of their average net profits made during preceding three financial years on CSR activities. However many companies are put off by the need to make rounds to government offices and are most often confused about the processes to be followed. To simplify the process and to provide a single window online point of contact system the CSR portal was launched. GHMC was receiving sporadic requests for CSR investments/ philanthropic contributions randomly. There was no structured forum for investments and also projects to be invested in were not clearly charted out. Through the online portal, the companies can directly reach out to CSR website and can submit the details of their organization. The projects are made available on CSR website for easy information. The companies can submit the project in which they are interested and can contact the GHMC CSR cell for more details. They can monitor the progress of the project online through the portal. This is also a first of its kind initiative wherein companies can directly meet their commitment to the CSR rules of GoI without channeling their funds through an NGO. Within 6 months of launch of the portal Rs 62.04 crores were raised for various projects.

(iii) **e-OFFICE**

The GHMC was first ever civic body in the country to have implemented the e-Office in a comprehensive manner. The GHMC has become important contributor to the National e-Government Programme through eOffice. The eOffice has facilitated enhanced transparency, accountability, assured data security and data integrity, and above all provided a platform for reinventing and re-engineering the government. It brought in accountability and reduced indecisiveness. Status of documents / files can be checked over net by authorities concerned even when the concerned person holding them is on leave which used to be long pending in earlier times.

(iv) **Digitalization of physical files/records in GHMC**

GHMC has digitized all old & new files in electronic mode from November, 2014 till date. Due to digitalization of all files, the GHMC has become the first ever Civic Body in the country to have implemented eOffice and become important contributor to the National e-Government Programme through Digitization. Post digitization of the files their disposal rate has increased. Digitization of all new and old physical files have also helped GHMC in implementing eOffice successfully.

(v) **Development Permission Management System**

Development Permission Management System (DPMS) is a major Information and Communication Technology (ICT) initiative undertaken to re-engineer the process of providing development and layout permissions. This ICT initiative/solution integrates the critical processes such as electronic submission of applications, automated technical scrutiny, approval of applications/proposals online, online payments, intimations online and a comprehensive data information system. Now application can be submitted online and the proposal is uploaded. File number generated for accepted applications is notified through SMS/email (also updated on the website)file tracking. Payment can be made online. Citizen does not need to visit offices and citizen is informed in advance for physical inspection. The status of application can be checked online.

Commissioner,
Greater Hyderabad Municipal Corporation

The system has brought a leap in transparency, the organizational turnaround time, productivity and quality ensuring hassle free IT enabled citizen centric service delivery. The DPMS system has also lead to good governance and ease of doing business.

(vi) **GPS/ RFID project for GHMC (Vehicle Tracking System)**

This project is aimed at keeping a real-time track of collection and management of municipal solid waste. The project is on pilot basis currently for 150 Vehicles and 1065 bins. Under the project, vehicles will be fitted with GPS/RFID, bin location will be mapped through GIS. GHMC will have the access to the GIS based tracking application and all the reports related to the vehicles tracking and waste collection management. Through the web application the GHMC will be able to monitor all the vehicles and bins on the map with their current location on real time basis. This is proposed to increase the effectiveness of solid waste management system.

(vii) **Aadhar based Biometric Attendance System**

GHMC has implemented Aadhar Based Biometric Attendance system to capture the attendance of Sanitation and Entomology workers. Sanitary Field Assistants (SFA)/ Entomology Field Assistant(EFA) will take the attendance of the workers working under him/her through Biometric Hand held PoS devices. The attendance is taken ward wise at the work location and updated immediately from the field using GPRS Network on real time authentication of the biometrics with UIDAI database. Attendance will be calculated based on number of days attended by the worker and will be consolidated for the entire month. Presently the attendance is being taken 2 times in a day. This has led to increased attendance and improved sanitation.

(viii) **GHMC Mosquito App**

To take up large scale awareness campaign to create awareness among people on mosquito control practices and mosquito borne diseases, GHMC launched Mosquito APP on August 17, 2017 with 16 informative questions on Dengue, Malaria and Mosquito life cycle, egg laying capacity etc. This is an innovative attempt to familiarize the public with mosquito control and preventive methods. Amongst participants who answer all questions correctly, lucky draw is to be taken for 10 members where Rs.10,000/- cash prize is given to each lucky draw winner every month.

(ix) **Hotel Inspection App**

GHMC launched Hotel Inspection App to bring about transparency, cut down corruption and ensure qualitative checks. The launch of this app eliminates human errors of random or erroneous fining, loss of revenue to the Corporation and also ensures that the hotels are not fined unduly without a scientific evaluation of the sanitation standards maintained by the hotel. The app was designed by GHMC based on the health, food safety and sanitation standards prescribed for eating establishments in the GHMC Act, the FSSAI Act and PCB norms. The App, with abundant use of ICT, eliminates the discretion of the food inspector. The locations to be inspected are predetermined by a schedule set by the head office. Then on getting to the location the location is geo-tagged. Then the 24 questions have to be filled up by the inspector. After filling up with yes or no the app by itself calculates the fine amount to be paid and gives a computer generated receipt, which is also captured at the backend and the entire process can be cross verified by senior officials. This leads to decrease in corruption, cuts down escapism by Hotels and reduces their non-compliance.

REFORMS ON DOUBLE ENTRY ACCOUNTING SYSTEM

 47

Due to need of improvements in system existing at that time by deploying integrated solution for greater reach across organization and quality of information erstwhile Hyderabad Municipal Corporation took up Modified Accrual Based Double Entry Accounting System from April 2002. Oracle EBS was chosen to implement across the Organization to capture financial transaction from inception itself, with future plan of implementing HRMS, payroll, projects and business intelligence. Erstwhile corporation switched over to Oracle EBS designed in line with National Municipal Accounting Manual in April 2006. Decentralized Accounting System was implemented for Financial Transaction Process from 2007. The accounting transactions are captured using Oracle e-Business Suite financial module integrated with Property Tax Module and Works Module. The accounts are maintained as per the guidelines of National Municipal Accounts Manual guidelines. It is also proposed to upgrade the existing system to Oracle e-Business Financial Modules to Version R12 and Oracle Hyperion planning & budgeting to 11.1.2.

REFORMS ON PROPERTY TAX COLLECTION

GHMC has introduced online self-assessment system in order to avoid hardships to citizens. Government has also introduced Integration of online mutation process. GHMC is also working with National Remote Sensing Centre (NRSC) for Geo Tagging of all the properties. The proposed geo tagging will include updation of revenue data base, integration of database with base map, collection of data through standard application, monitoring and updation through dash board. With Geo tagging, all properties will be brought into tax net and there is huge scope of increase in GHMC revenues.

Some other Solid Waste management programs are as below:

SWACHH AUTO TIPPERS

2000 Swachh Auto Tippers were launched across Hyderabad city for increasing the efficiency of House-to-House Collection of Wet & Dry Garbage. These Swachh Auto Tippers were allotted to the existing Rickshaw Pullers (Waste Collectors). The launch of these autos has seen an increase of 1200MT extra garbage being collected daily. The autos have enabled removal of 1116 open garbage points across the city contributing to a cleaner Hyderabad. We have a requirement for 500 more such autos across the city. The cost of each auto is 4 Lakh. NTPC has partnered with GHMC and contributed to extra swachh autos for sanitation.

SHE TOILETS

'She toilets' is a unique effort by GHMC to provide toilets exclusively for women keeping in mind their safety requirements as well as their special hygiene needs. Installed in 20 Locations presently, they come with the advantage of Auto clearing (pre-flush/platform washing/after use flush) without any manual assistance. These toilets incorporate full cycle approach in sustainable sanitation by integrating Electrical, Mechanical and web technologies. They offer women friendly accessories like, sanitary napkin vending machines and sanitary napkin incinerator. The Bharat Dynamics Limited has entered into an agreement with the GHMC with regard to 30 She-Toilets in the city as part of its Corporate Social Responsibility.

DRY RESOURCE CENTRES

Dry waste collected by Swachh autos has a huge potential as recyclable waste. They have dual environmental and livelihood benefits. Not only is recycle and reuse a mantra for future, collecting and segregating this waste can provide additional economic benefit to waste collectors. GHMC has 24 transfer stations wherein segregated waste is brought by Swachh auto tippers. Dry resource centres (DRCs) can be facilitated at all these locations. Godrej and ITC Limited have come forward to sponsor 24 DRCs to ensure 100% segregation of waste. We are partnering with ITC and Godrej who are spending for the 24 DRCs and also involved in intensive segregating programme for dry resource and sanitation programme.

Interest or other benefits with respect to the Bonds would be paid to those Bondholders whose names appear on the list of Beneficial Owners given by the Depositories to the Issuer as on the Record Date. In case, the Beneficial Owner is not identified by the Depository on the Record Date due to any reason what so ever, the Issuer shall keep in abeyance the payment of interest or other benefits, till such time the Beneficial Owner is identified by the Depository and intimated to the Issuer. On receiving such intimation, the Issuer shall pay the interest or other benefits to the beneficiaries identified, within a period of 15 days from the date of receiving such intimation.
- f. Applicants may please note that the Bonds shall be allotted and traded on the stock exchange(s) only in dematerialized form.

XXXV. FICTITIOUS APPLICATIONS

Any person who makes, in fictitious name, any application to a body corporate for acquiring, or subscribing to, the Bonds, or otherwise induced a body corporate to allot, register any transfer of Bonds therein to them or any other person in a fictitious name, shall be punishable as per provisions of extant laws.

XXXVI. MARKET LOT

The market lot will be one Bond ("Market Lot"). Since the Bonds are being issued only in dematerialized form, the odd lots will not arise either at the time of issuance or at the time of transfer of Bonds.

XXXVII. TRADING OF BONDS

The marketable lot for the purpose of trading of Bonds shall be 1 (one) Bond of face value of Rs.10 lakhs each. Trading of Bonds would be permitted in demat mode only in standard denomination of Rs.10 lakhs and such trades shall be cleared and settled in recognized stock exchange(s) subject to conditions specified by SEBI. In case of trading in Bonds which has been made over the counter, the trades shall be reported on a recognized stock exchange having a nationwide trading terminal or such other platform as may be specified by SEBI.

Commissioner,

Greater Hyderabad Municipal Corporation

H.W. NAYOR,
G.H.M.C. ITOPURAM.

XXXVIII. MODE OF TRANSFER OF BONDS

The Bonds shall be transferred subject to and in accordance with the rules/ procedures as prescribed by the NSDL/ CDSL/ Depository Participant of the transferor/ transferee and any other applicable laws and rules notified in respect thereof. The normal procedure followed for transfer of securities held in dematerialized form shall be followed for transfer of these Bonds held in electronic form. The seller should give delivery instructions containing details of the buyer's DP account to his Depository Participant. The transferee(s) should ensure that the transfer formalities are completed prior to the Record Date. In the absence of the same, interest will be paid/ redemption will be made to the person, whose name appears in the records of the Depository. In such cases, claims, if any, by the transferee(s) would need to be settled with the transferor(s) and not with the Issuer.

XXXIX. BASIS OF ALLOCATION / ALLOTMENT

The Issuer reserves the right to reject any/all applications at its sole discretion, without assigning any reason whatsoever. The decision of GHMC in this regard will be final and binding on all the applicants and shall not be called into question, whatsoever.

XI. COMMON FORM OF TRANSFER

The Issuer undertakes that it shall use a common form/ procedure for transfer of Bonds issued under terms of this Information Memorandum.

XII. INTEREST ON APPLICATION MONEY

In case of change in Deemed Date of Allotment and in respect of investors who get allotment in the bond issue, interest on application money shall be paid at the coupon rate applicable for bond series (subject to deduction of income tax under the provisions of the Income Tax Act, 1961, or any other statutory modification or re-enactment thereof, as applicable) from the date of receipt of application money in GHMC's account till one day prior to the date of allotment on the aggregate face value amount of Bonds. The interest on Application Money shall be computed as per "Actual/Actual" day count convention. The payment shall be made only through electronic mode. However, in case of rejection of electronic mode, due to incomplete/in correct details provided by applicant payment may be made through cheque/demand draft. The cheque/demand draft for interest/RTGS on application money shall be dispatched by the Issuer within 15 days from the Deemed Date of Allotment by registered post to the sole/first applicant, at the sole risk of the applicant.

No interest on Application Money will be paid in respect of applications which are rejected due to any reason.

XIII. INTEREST ON THE BONDS

The face value of the Bonds outstanding shall carry interest at the coupon rate from Deemed Date of Allotment and the coupon rate & frequency of payment (subject to deduction of income tax under the provisions of the Income Tax Act, 1961, or any other statutory modification or re-enactment thereof, as applicable) are mentioned in the summary term sheet.

The interest payment shall be made through electronic mode to the Bondholders whose names appear on the list of Beneficial Owners given by the Depository Participant to the Registrar as on the record date fixed by Issuer in the bank account which is linked to the demat of the Bondholder. However, in absence of complete bank details i.e. correct/updated bank account number, IFSC/RTGS code /NEFT code etc., Issuer shall be required to make payment through cheques/DDs on the due date at the sole risk of the

Hyderabad Municipal Corporation

Bondholders. Interest or other benefits with respect to the Bonds would be paid to those Bondholders whose names appear on the list of Beneficial Owners given by the Depository Participant to the Registrar as on the Record Date.

XLIII. COMPUTATION OF INTEREST

Interest for each of the interest periods shall be computed as per Actual/ Actual day count convention on the face value amount of Bonds outstanding at the respective Coupon Rate rounded off to the nearest Rupee. Where the interest period (start date to end date) includes February 29, interest shall be computed on 366 days-a-year basis, on the face value amount of Bonds outstanding.

XLIV. RECORD DATE

The 'Record Date' for the Bonds shall be 15 days prior to each Coupon Payment Date and Redemption Date. In case of redemption of Bonds, the trading in the Bonds shall remain suspended between the Record Date and the Redemption Date. Interest payment and principal repayment shall be made to the person whose name appears as beneficiary with the Depositories as on Record Date. In the event of the Issuer not receiving any notice of transfer at least 15 days before the respective Coupon Payment Date and Redemption Date, the transferees for the Bonds shall not have any claim against the Issuer in respect of amount so paid to the registered Bondholders.

XLV. DEDUCTION OF TAX AT SOURCE

Tax as applicable under the Income Tax Act, 1961, or any other statutory modification or re-enactment thereof will be deducted at source out of interest payable on Bonds.

Tax exemption certificate/declaration of non-deduction of tax at source, if applicable, on interest on Bonds or interest on application money should be submitted along with the Application Form. Regarding deduction of tax at source and the requisite declaration forms to be submitted, prospective investors are advised to consult their own tax consultant(s). In case of tax deducted at source, the Corporation will issue the TDS certificate to the investors.

XLVI. PUT & CALL OPTION

Neither the Bondholder(s) shall have any right to exercise Put Option nor the Issuer shall have right to exercise Call Option to redeem the Bonds, in whole or in part, prior to the respective Redemption Date.

XLVII. REDEMPTION

The face value of the Bonds shall be redeemed at par, on the respective Redemption Dates. The Bonds will not carry any obligation, for interest or otherwise, after the Redemption Date. The Bonds shall be taken as discharged on payment of the redemption amount by the Issuer on the Redemption Date to the registered Bondholders whose name appear in the Register of Bondholders on the Record Date. Such payment will be a legal discharge of the liability of the Issuer towards the Bondholders.

In case any Redemption Date falls on a day which is not a Working Day, the payment due shall be made on the immediately preceding Working Day along with interest accrued on the Bonds until but excluding the date of such payment.

Commissioner,
Greater Hyderabad Municipal Corporation

H.W. SATISH
G.H.M.C., HYDERABAD.

XLVIII. ADDITIONAL COVENANTS

Default in Payment: In case of default in payment of interest and/or principal redemption on the due dates, the Issuer shall pay an additional interest at the rate of 2% p.a. over the respective Coupon Rates of the Bonds for the defaulting period.

XLIX. SETTLEMENT/PAYMENT ON REDEMPTION

Payment of interest and repayment of principal shall be made by way of cheque(s)/ interest/redemption warrant(s)/demand draft(s)/credit through direct credit/NECS/RTGS/NEFT mechanism in the name of the Bondholders whose name appear on the List of Beneficial Owners given by Depository to the Issuer as on the Record Date.

The Bonds shall be taken as discharged on payment of the redemption amount by the Issuer on the Redemption Date to the list of Beneficial Owners as provided by NSDL/CDSL/Depository Participant as on Record Date. Such payment will be a legal discharge of the liability of the Issuer towards the Bondholders. On such payment being made, the Issuer shall inform NSDL/CDSL/Depository Participant and accordingly the account of the Bondholders with NSDL/CDSL/Depository Participant shall be adjusted.

The Issuer's liability to the Bondholders towards all their rights including for payment or otherwise shall cease and stand extinguished from the due date of redemption in all events. Further the Issuer will not be liable to pay any interest or compensation from the Redemption Date. On the Issuer's dispatching/crediting the amount to the Beneficiary(ies) as specified above in respect of the Bonds, the liability of the Issuer shall stand extinguished.

L. LIST OF BENEFICIAL OWNERS

The Issuer shall request the Depository to provide a list of Beneficial Owners as at the end of the Record Date. This shall be the list, which shall be considered for payment of interest or repayment of principal amount, as the case may be.

LI. SUCCESSION

In the event of the demise of the sole/first holder of the Bond(s) or the last survivor, in case of joint holders for the time being, the Issuer shall recognize the executor or administrator of the deceased Bondholder, or the holder of succession certificate or other legal representative as having title to the Bond(s). The Issuer shall not be bound to recognize such executor or administrator, unless such executor or administrator obtains probate, wherever it is necessary, or letter of administration or such holder is the holder of succession certificate or other legal representation, as the case may be, from a Court in India having jurisdiction over the matter. The Issuer may, in its absolute discretion, where it thinks fit, dispense with production of probate or letter of administration or succession certificate or other legal representation, in order to recognize such holder as being entitled to the Bond(s) standing in the name of the deceased Bondholder on production of sufficient documentary proof or indemnity.

Where a non-resident Indian becomes entitled to the Bond by way of succession, the following steps have to be complied:

- i) Documentary evidence to be submitted to the Legacy Cell of the RBI to the effect that the Bond was acquired by the NRI as part of the legacy left by the deceased holder.
- ii) Proof that the NRI is an Indian National or is of Indian origin.
- iii) Such holding by the NRI will be on a non-repatriation basis.

LXVIII. JOINT-HOLDERS

Notwithstanding anything in Section 45 of the Indian Contract Act, 1872, when any debenture issued under GHMCs Act is payable to two or more persons jointly and either or any of them dies, the debenture shall be payable to the survivor or survivors of those persons.

Notwithstanding anything in Section 45 of the Indian Contract Act, 1872, when two or more persons are joint holders of any debenture issued under GHMCs Act, any one of those persons may give an effectual receipt for any interest or dividend payable in respect of such debenture unless notice to the contrary has been given to the Commissioner by other holders.

LXIX. DISPUTES & GOVERNING LAW

The Bonds are governed by and shall be construed in accordance with the existing laws of India. Any dispute arising thereof shall be subject to the jurisdiction of the competent court of Hyderabad, India.

LXX. PROCEDURE FOR DECIDING AND ADJUSTING PAYMENT DATES.

If the interest payment date falls on a holiday, the payment may be made on the following working day. However, the calculation of payment of interest will be only till the day prior to that holiday. Also, the dates of the future coupon payments would be as per the schedule stipulated in the Information Memorandum/ Term Sheet in line with SEBI circular No CIR/IMD/DF-1/122/2016 dated November 11, 2016.

If the Redemption Date (also being the last Coupon Payment Date) of the Bonds falls on a day that is not a Business Day, the redemption proceeds shall be paid by the Issuer on the preceding Business Day along with interest accrued on the Bonds until but excluding the date of such payment. In the event the Record Date falls on a day which is not a Business Day, the immediately succeeding Business Day will be considered as the Record Date. The interest/redemption payments shall be made only on the days when the money market is functioning in Mumbai.

Please refer to Annexure-IV for an illustration for guidance in respect of the day count convention and effect of holidays on payments. Investors should note that this example is solely for illustrative purposes. We have not considered the effect of public holidays as it is difficult to ascertain for future dates.

Restriction on the total borrowing

(A) DSCR on operating Surplus Debt Service Coverage Ratio ("DSCR") for the GHMC will not be less than 1.25 times of operating surplus calculated as the below:

DSCR on operating Surplus = operating surplus / total debt service

i) Operating surplus calculated as the below:

Operating Surplus = total income - expenditure

total income = Total income of the corporation

expenditure = Total expenditure - Depreciation

ii) total debt service = interest payment of loans and bonds + principal repayment deposited in the sinking funds or installment of principal repayment + transfer to debt service reserve account

(B) The total amount collected in escrow account shall be atleast 1.25 times of the Debt Service Amount on an annual basis. In case, the ratio falls below 1.25 times, GHMC shall not borrow any further amount against the cash flow(s) of the escrow account. No permission to borrow further amount(s) by GHMC shall be required, under this head, from the bondholder(s) as long as this condition is satisfied.

Annexure-I
Structure Payment Mechanism

The funds lying in account(s) in which Property Tax and Fees & User Charges are collected shall be transferred to a separate no-lien Escrow Account for debt servicing (bonds, Loans, etc.). Eligible Bondholders and Lenders shall have first and pari-passu charge over the Escrow Account and the account(s) where Property Tax and Fees & User Charges are collected.

8. The funds lying in the Escrow Account shall be used in the following priority:
- d. The funds should be first utilised to meet Minimum Balance in Escrow Account. The Minimum Balance to be maintained in any month shall be calculated as per para 3 below.
 - e. The Minimum Balance shall not be used for any purpose other than transfer to the Debt Servicing Account.
 - i. The surplus funds after meeting the Minimum Balance can thereafter be transferred to GHMC General Fund Account

The above transfer shall be done on a daily basis except on the last business day of every month. On the last business day of every month, the Minimum Balance maintained as indicated above shall be transferred to the Debt Servicing Account. GHMC, with the written consent of the Trustees, can transfer the Minimum Balance maintained in Escrow Account to Debt Servicing Account on any day prior to the last business day of the month.

9. In case of any shortfall from transfer from Escrow Account to Debt Service Account, GHMC shall make good the shortfall from the funds from other account(s) to Debt Servicing Account.
10. The funds to be transferred to the Debt Service Account from the Escrow Account ("Minimum Balance") shall be aggregate of the following:
- iii) Monthly Contribution to be transferred from the Escrow Account shall be calculated separately for each Loan/Bond as per the terms of the said issuance.
 - iv) Shortfall in any earlier contribution to the extent not made good by GHMC from other account(s).

11. The funds lying in the Debt Service Account (DSA) shall be used in the following priority:
- d. Firstly, to transfer funds from Debt Service Account to Debt Service Reserve Account (DSRA), if any, as per terms of bonds/loans to make good any shortfall in DSRA account. At all times the DSRA should be maintained as per the terms of the bond issuance/loans.
 - e. Secondly, transfer to Interest Payment Account on monthly basis such sums as may be required by the terms of bond issuance/loan and any shortfall in earlier contributions.
 - f. Thirdly, transfer to Sinking Fund Account/Debt Repayment Account on monthly basis such sums as may be required by the terms of the bond issuance/loans and any shortfall in earlier contributions.

12. GHMC, at its sole discretion but with prior intimation to the Trustees, can expedite payment of any succeeding future month(s) contribution into the Debt Servicing Account such that at no time the contribution to Debt Service Account is less than as calculated in para 3 above (including the contribution for the month to be expedited).

Commissioner,

Greater Hyderabad Municipal Corporation

H.W. MAYOR,
G.H.M.C., HYDERABAD.

13. Bondholder(s) and lender(s) shall have first, exclusive and pari-passu charge over Debt Service Account. Each Bond Series or Loan shall have exclusive charge in its favour on the funds lying in DSRA, Interest Payment Account and Sinking Fund Account/Debt Repayment Account created specifically for the series or any investments made from those accounts.
14. Any surplus funds lying in DSRA, Interest Payment Account and Sinking Fund Account/Debt Repayment Account after the bond is redeemed in full or loan has been repaid shall be transferred to the Escrow Account.

Current Bond Issue

11. GHMC shall open the following accounts for servicing the interest and principal of the proposed bonds for the exclusive benefit of the Bondholders:
 - d. Debt Service Reserve Account - Series I,
 - e. Interest Payment Account - Series I
 - f. Sinking Fund Account - Series I
12. GHMC shall set up the Escrow Account and Debt Servicing Account as mentioned above and shall cause the following funds to be transferred:
 - f. The Debt Service Reserve Account - Series I shall be funded one day before the pay-in date with an amount equal to two interest payments for bonds structure.
 - g. At the end of each month, any shortfall from the amount mentioned in Schedule I mentioned of the Information Memorandum dated February 14, 2018 in the Debt Service Reserve Account - Series I shall be transferred.
 - h. At the end of each month, an amount as mentioned in Schedule I of the Information Memorandum dated February 14, 2018, any further interest payable (by whatsoever name called) as per the terms of the issuance and any shortfall in earlier contribution shall be transferred to the Interest Payment Account - Series I.
 - i. At the end of each month, an amount as mentioned in Schedule I of the Information Memorandum dated February 14, 2018 and any shortfall in earlier contribution shall be transferred to the Sinking Fund Account - Series I.
 - j. Any shortfall in the above account(s) shall be made good by GHMC by transfer from other account(s) of GHMC.
13. The funds lying in the above account(s) shall be utilized in the following manner:
 - f. The funds lying in Debt Service Reserve Account - Series I can be used to meet any shortfall in Interest Payment Account - Series I and thereafter can be used to meet any shortfall at the time of final redemption of bonds. However, the Debt Service Reserve Account - Series I cannot be utilized to meet any shortfall in contribution to Sinking Fund Account - Series I except at the time of final redemption of bonds.
 - g. The funds lying in the Interest Payment Account - Series I can be used to make interest payment of the bondholder(s) of the bonds issued pursuant to the Information Memorandum dated February 14, 2018. Any surplus after making the payment to bondholder(s) should be first used to make good any shortfall in Debt Service Reserve Account - Series I and thereafter be used to make good any shortfall in contribution to Sinking Fund Account - Series I.

H.W. MAYOR,
D.H.M.C. HYDERABAD

Commissioner,
Greater Hyderabad Municipal Corporation

- b. The funds lying in the Sinking Fund Account - Series I can be used to redeem the bonds issued pursuant to the Information Memorandum dated February 14, 2018
- i. Any funds lying in the above account(s) can be used for making investment(s). However, the funds (including investment(s) shall not, without the approval of the Debenture Trustees, be utilized for any purpose other than mention in points (a) to (c) above.
- j. Any surplus funds lying in the above account(s) after the bonds issued pursuant to Information Memorandum dated February 14, 2018 have been redeemed in full and all dues to the Bondholder(s) have been paid can be transferred to the Escrow Account after obtaining written consent of the Debenture Trustee.
14. The Debenture Trustee, on behalf of the Bondholder(s) shall have first and pari passu charge over the Escrow Account, account(s) where Property Tax and Fees & User Charges are being collected and Debt Servicing Account. The Bondholder(s) shall have first and exclusive charge on the funds lying in Debt Service Reserve Account - Series I, Interest Payment Account - Series I and Sinking Fund Account - Series I and any investment(s) made from these account(s).
15. The Debenture Trustee, on behalf of the Bondholder(s), shall have lien on the Debt Service Reserve Account - Series I, Interest Payment account - Series I and Sinking Fund Account - Series I and any investment(s) made from these account(s) for the exclusive benefit of the Bondholder(s) for the bond issued under the Information Memorandum dated February 14, 2018. The amount deposited in Debt Service Reserve Account - Series I, Interest Payment Account - Series I and Sinking Fund Account - Series I shall be used solely for meeting the dues to these Bondholder(s). Any surplus in the account after meeting the dues to the Bondholder(s) can be transferred to the Escrow Account. No amount can be withdrawn from these account(s) without the approval of Debenture Trustees to the bondholder(s).
16. The Funds lying credited in the Interest Payment Account - Series I and Debt Service Reserve Account - Series I can be kept in Fixed Deposits with any scheduled commercial bank with a dual rating of AA+ or above. However, the conditions of the fixed deposits shall not restrict premature withdrawal from the Fixed Deposit. The lien shall be created in favor of debenture trustee on all the investments made above.
17. The funds lying to the credit of Sinking Fund Account - Series I can be deposited in Fixed Deposit with any scheduled commercial bank with a dual rating of AA+ and above and/or in Government Securities, state development loans and Treasury Bills. The lien shall be created in favor of debenture trustee on all the investments made above.
18. Any actual interest income earned and received on these investment(s) can be utilized towards the future dues in the respective account(s).
19. Escrow Account, Debt Service Account, Debt Service Reserve Account - Series I, Interest Payment Account - Series I and Sinking Fund Account - Series I shall be maintained with a scheduled commercial bank rated at least AA+ by two rating agencies throughout the tenor of the instrument. In case, at any point of time, the rating of senior debt of the Bank falls below AA+ by any rating agency GHMC shall, with written consent of Debenture Trustees, move the funds to any other bank satisfying the rating criteria.
20. The Bank shall share statement(s) of these account(s) with Debenture Trustee and the Rating Agencies for such period as may be specified by the Debenture Trustee and/or Rating Agencies but not greater than 12 months in any case till such time as the bonds are redeemed. GHMC and Debenture Trustee shall keep the Rating Agencies informed in case of change in the Bank.

Interest Payment Mechanism

Commissioner

City Municipal Corporation

H.W. MAYOR
G.H.M.C. HYDERABAD

The Trustees shall check the amount lying to the credit of Interest Payment Account - Series I at 25 days prior to the interest payment date. In case of any shortfall in amount, the trustees shall intimate GHMC of the shortfall and GHMC shall make good the shortfall in the Interest Payment Account - Series I by 15 days prior to the interest payment date. In case of shortfall in any amount in Interest Payment Account - Series I at 14 days prior to the Interest Payment date, the Trustee shall trigger the payment mechanism and instruct bank to transfer the shortfall amount from Debt Service Reserve Account - Series I to the Interest Payment Account - Series I by 10 days prior to the interest payment date. The Interest shall be paid by GHMC on the due date. Any amount drawn from the Debt Service Reserve Account - Series I should be deposited back in the Debt Service Reserve Account - Series I as per the mechanism indicated above. The debenture trustee shall check the balance in the Sinking Fund Account - Series I at the end of the year and in case of any shortfall in the Sinking Fund Account - Series I, GHMC shall replenish the Sinking Fund Account - Series I with the necessary amount to fill the shortfall. The Trustees shall check the amount lying to the credit of Sinking Fund Account - Series I at 25 days prior to the redemption date. In case of any shortfall in amount, the trustees shall intimate GHMC of the shortfall and GHMC shall make good the shortfall in the Sinking Fund Account - Series I by 15 days prior to the redemption date. The Trustees shall keep the Rating Agencies informed of any shortfall in Interest Payment Account - Series I, Debt Service Reserve Account - Series I, Sinking Fund Account - Series I and any transfer from Debt Service Reserve Account - Series I to Interest Payment Account - Series I.

Restriction on the total borrowing:

- (A) DSCR on operating Surplus: Debt Service Coverage Ratio ("DSCR") for the GHMC will not be less than 1.25 times of operating surplus calculated as the below:

DSCR on operating Surplus = operating surplus / total debt service

- i) Operating surplus calculated as the below:

Operating Surplus = total income - expenditure

total income = Total income of the corporation

expenditure = Total expenditure - Depreciation

- ii) total debt service = interest payment of loans and bonds + principal repayment deposited in the sinking funds or installment of principal repayment + transfer to debt service reserve account

- (B) The total amount collected in escrow account shall be atleast 1.25 times of the Debt Service Amount on an annual basis. In case, the ratio falls below 1.25 times, GHMC shall not borrow any further amount against the cash flow(s) of the escrow account. No permission to borrow further amount(s) by GHMC shall be required, under this head, from the bondholder(s) as long as this condition is satisfied.

DSA is defined as follows:

DSA = Interest payment for the month + proportionate principal deposited in sinking fund or installment of principal redemption

Disclaimer

CARE's ratings are opinions on credit quality and are not recommendations to sanction, renew, reburn or recall the concerned bank facilities or to buy, sell or hold any security. CARE has based its ratings/outlooks on information obtained from sources believed by it to be accurate and reliable. CARE does not, however, guarantee the accuracy, adequacy or completeness of any information and is not responsible for any errors or omissions or for the results obtained from the use of such information. Most entities whose bank facilities/instruments are rated by CARE have paid a credit rating fee, based on the amount and type of bank facilities/instruments.
In case of partnership/proprietary concerns, the rating/outlook assigned by CARE is based on the capital deployed by the partners/proprietor and the financial strength of the firm at present. The rating/outlook may undergo change in case of withdrawal of capital or the unsecured loans brought in by the partners/proprietor in addition to the financial performance and other relevant factors.

Instruments	Amount (Rs. crore)	Rating	Rating Action
Proposed Bond issue	3300 (Rs. Three thousand three hundred crore only)	CARE AA; Stable (Double A; Outlook: Stable)	Revised from CARE AA; Negative (Double A; Outlook: Negative)

Detailed Rationale & Key Rating Drivers

The rating assigned to the proposed bond issue of Greater Hyderabad Municipal Corporation continue to draw strength from the healthy financial profile of the entity backed by consistent revenue surplus over the years and the Corporation being a self-reliant entity with nearly 93% of its revenue coming from its own sources during FY17 (Provisional, refers to the period April 1 to March 31), moderate property tax collection efficiency during FY17 and strong financial position backed by high level of cash reserves. The rating also factors in increased capital grants by way of receipt of income from regularization scheme and Government grants, significant amount of Grants expected to be received as per the recommendation of 14th Finance Commission and increased revenue receipts and revenue surplus in FY17. The Corporation also has good infrastructure in place, has a strong record in terms of coverage and service delivery and has been performing well in the execution of its civic duties. The rating also factors in the strong economic base and further developments in and around Hyderabad city. The rating is, however, constrained by limited autonomy in terms of levying taxes with no revision in tax rates in recent years, large sized debt funded non-revenue generating projects undertaken and risks associated with high capital outlay. The ability of GHMC to maintain its revenue surplus while successfully augmenting its infrastructure needs, improvement in its civic services and execution of high capital outlay envisaged as per the financing plan & without impacting the debt protection indicators are the key rating sensitivities.

CARE Ratings Limited

Detailed description of the key rating drivers

Key Rating Strengths

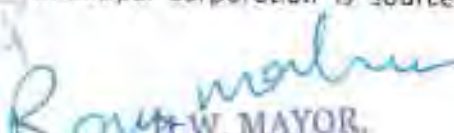

Strong economic base, efficient operations and service delivery track record: GHMC has good infrastructure in place and has a strong track record in terms of coverage and service delivery with about 80% coverage of water supply, 40% coverage of storm water drainage and 85% coverage of sewerage. Additionally, the level of industrialization of GHMC is high with Hyderabad being a hub for various industrial set ups.

Sustained growth in revenue receipts and fiscal strength: The Corporation has been witnessing growing revenue receipts since the last three years. During FY17, while the tax and non-tax revenue together grew by 22.08% over FY16; the overall revenue receipt registered marginal growth of about 3.1%. Further, GHMC is a self-reliant entity with about 93% of the revenue coming from its own sources during FY17 (vis-à-vis about 80% in FY16).

Consistent revenue surplus and strong financial position: GHMC has been reporting consistent revenue surplus over the years, although the same has narrowed down vis-à-vis levels witnessed prior to FY15. During FY17, the revenue surplus (adjusted for incremental debtors and under assessed property tax due receipts categorized under prior period items) registered a y-o-y growth of 22.15% in FY17 and was about 16%. The financial position also remains strong with sufficient cash reserves (1402.51 crore as on March 31, 2017) and expected receipt of funds as per recommendation of 14th Finance Commission.

Satisfactory tax collection efficiency level during FY17: The overall tax collection efficiency of the entity stood at about 70% in FY17 vis-à-vis about 74% in FY16. The Corporation is, however, taking various initiatives to further improve the tax collection efficiency including enhancement in property tax information system and offering rebates for certain categories of property tax payers.

Sustained capital expenditure: The capital expenditure of the corporation, which is mainly incurred towards development of civic amenities and infrastructure projects, has been fairly steady over the years. During the last four years (FY14-FY17), GHMC has incurred capex of average Rs.1000.0 crore per annum. Majority of the capital expenditure undertaken by the municipal corporation is sourced from its internal accruals with low dependence on the

state/central government grants or debt. However, the same has resulted in reduction in cash balance from FY15 and almost stagnant cash balance over the last two years with the revenue surplus getting deployed towards capex.

Comfortable debt coverage: The Corporation has been a debt free entity till March 31, 2017 with small amount of term loan (Rs.100 crore) raised in the current fiscal resulting in a debt to Revenue Receipt of 4.07% (based on FY17). Going forward, the debt coverage indicators of GHMC are expected to remain at a satisfactory level in the medium term despite the debt funded capital expenditure plan through issuance of bonds/term loan. Further, the proposed structured payment mechanism of the bonds/term debt along with creation of Debt Service Reserve Account also is expected to provide some cushion to liquidity.

Key Rating Weaknesses

Limited autonomy in levy of taxes: There has been no revision in the property tax rates since more than a decade with last revision undertaken in 2003 for residential properties and in 2007 for commercial properties. The low base rate has to an extent, hindered the ability of the Corporation to increase the property tax revenue.

Large sized debt funded non-revenue generating capex: GHMC has two major development projects viz. Strategic Road Development Project (SRDP) and 2BHK affordable housing project for families below poverty line. Additionally, the corporation is undertaking NALA project for repairing and maintenance of sewerage. The total capex for these projects is about Rs.12,340 crore spread over the next four years and the same will be funded through debt (Rs.3500 crore), Government grant (Rs.7765 crore), and balance through internal accruals and cash & bank reserves (Rs.1078 crore). Furthermore, GHMC would also have to incur the routine capex to meet the requirement of the large economic base. Given the high capital outlay, the timely receipt of project grant from Government and completion of capex while maintaining the sound financial profile and debt coverage parameters remains important from the credit perspective.

About the Entity

GHMC was established in 1869 as a Municipality in 1869 and subsequently converted into a Corporation in 1933. During this period up to March 2007, the state of Andhra Pradesh witnessed many changes and eventually the 12 municipalities from Ranga Reddy and Medak districts were merged into Greater Hyderabad Municipal Corporation in April 2007. GHMC is governed as per the Greater Hyderabad Corporation Act, 1955 (Act) and is administered by the Department of Municipal Administration and Urban Development, Government of Telangana. The area under GHMC is currently divided into 5 zones (south, east, north, west and central) and 30 circles. It has a coverage area of 625 sq. kms and covers 3 districts i.e. Hyderabad, Ranga Reddy and Medak District, with a population of 67.31 lakh (2011 census).

Dear Sir,

Re: Greater Hyderabad Municipal Corporation's Proposed NCDs and Bank Loan Ratings

India Ratings and Research (Ind-Ra) has rated Greater Hyderabad Municipal Corporation's (GHMC) proposed instruments as follows:

Instrument Type	Size of Issue (billion)	Rating/Outlook	Rating Action
Proposed non-convertible debentures (NCDs) *	INR10	Provisional IND AA/Stable	Assigned
Proposed bank loans**	INR25	Provisional IND AA/Stable	Assigned

*The final rating will be assigned upon issuance of the proposed NCDs and receipt of transaction documents by Ind-Ra. The proposed NCDs have a tenor of 10 years with semi-annual coupon payment frequency and bullet principal repayment at the end of the bond term.

**The final rating will be assigned upon receipt of documents confirming to the information already received by the agency.

Details of the instrument mentioned in the annexure

In issuing and maintaining its ratings, India Ratings relies on factual information it receives from issuers and underwriters and from other sources India Ratings believes to be credible. India Ratings conducts a reasonable investigation of the factual information relied upon by it in accordance with its ratings methodology, and obtains reasonable verification of that information from independent sources, to the extent such sources are available for a given security or in a given jurisdiction.

The manner of India Ratings's factual investigation and the scope of the third-party verification it obtains will vary depending on the nature of the rated security and its issuer, the requirements and practices in the jurisdiction in which the rated security is offered and sold and/or the issuer is located, the availability and nature of relevant public information, access to the management of the issuer and its advisors, the availability of pre-existing third-party verifications such as audit reports, agreed-upon procedures letters, appraisals, actuarial reports, engineering reports, legal opinions and other reports provided by third parties, the availability of independent and competent third-party verification sources with respect to the particular security or in the particular jurisdiction of the issuer, and a variety of other factors.

Commissioner,

Greater Hyderabad Municipal Corporation

Users of India Rating's should understand that neither an enhanced factual investigation nor any third-party verification can ensure that all of the information India Ratings relies on in connection with a rating will be accurate and complete. Ultimately, the issuer and its advisers are responsible for the accuracy of the information they provide to India Ratings and to the market in offering documents and other reports. In issuing its ratings India Ratings must rely on the work of experts, including independent auditors with respect to financial statements and attorneys with respect to legal and tax matters. Further, ratings are inherently forward-looking and embody assumptions and predictions about future events that by their nature cannot be verified as facts. As a result, despite any verification of current facts, ratings can be affected by future events or conditions that were not anticipated at the time a rating was issued or affirmed.

India Ratings seeks to continuously improve its ratings criteria and methodologies, and periodically updates the descriptions on its website of its criteria and methodologies for securities of a given type. The criteria and methodology used to determine a rating action are those in effect at the time the rating action is taken, which for public ratings is the date of the related rating action commentary. Each rating action commentary provides information about the criteria and methodology used to arrive at the stated rating, which may differ from the general criteria and methodology for the applicable security type posted on the website at a given time. For this reason, you should always consult the applicable rating action commentary for the most accurate information on the basis of any given public rating.

Ratings are based on established criteria and methodologies that India Ratings is continuously evaluating and updating. Therefore, ratings are the collective work product of India Ratings and no individual, or group of individuals, is solely responsible for a rating. All India Ratings reports have shared authorship. Individuals identified in India Ratings report were involved in, but are not solely responsible for, the opinions stated therein. The individuals are named for contact purposes only.

Ratings are not a recommendation or suggestion, directly or indirectly, to you or any other person, to buy, sell, make or hold any investment, loan or security or to undertake any investment strategy with respect to any investment, loan or security or any issuer. Ratings do not comment on the adequacy of market price, the suitability of any investment, loan or security for a particular investor (including without limitation, any accounting and/or regulatory treatment), or the tax-exempt nature or taxability of payments made in respect of any investment, loan or security. India Ratings is not your advisor, nor is India Ratings providing to you or any other party any financial advice, or any legal, auditing, accounting, appraisal, valuation or actuarial services. A rating should not be viewed as a replacement for such advice or services. Investors may find India Ratings's ratings to be important information, and India Ratings notes that you are responsible for communicating the contents of this letter, and any changes with respect to the rating, to investors.

It will be important that you promptly provide us with all information that may be material to the ratings so that our ratings continue to be appropriate. Ratings may be raised, lowered, withdrawn, or placed on Rating Watch due to changes in, additions to, accuracy of or the inadequacy of information or for any other reason India Ratings deems sufficient.

Nothing in this letter is intended to or should be construed as creating a fiduciary relationship between India Ratings and you or between India Ratings and any user of the ratings.

In this letter, "India Ratings" means India Ratings & Research Pvt. Ltd. and any successor in interest.

India Ratings Assigns Greater Hyderabad Municipal Corporation's Proposed NCDs 'Provisional IND AA/Stable'

25

By Rajeshwar Reddy

India Ratings and Research (Ind-Ra) has rated Greater Hyderabad Municipal Corporation's (GHMC) proposed instruments as follows:

Instrument Type	Class of Instrument	Coupon Rate (%)	Maturity Date	Face of Issue (₹)	Rating Outlook	Rating Action
Proposed non-convertible debentures (NCDs)*	-	-	-	INR10	Provisional IND AA/Stable	Assigned
Proposed bank loans**	-	-	-	INR25	Provisional IND AA/Stable	Assigned

*The final rating will be assigned upon issuance of the proposed NCDs and receipt of transaction documents by Ind-Ra. The proposed NCDs have a tenor of 10 years with semi-annual coupon payment frequency and bullet (principal repayment) at the end of the bond term.

**The final rating will be assigned upon receipt of documents confirming to the information already received by the agency.

KEY RATING DRIVERS

Funding for Projects: GHMC plans to raise INR35 billion in a phased manner, on a need basis, to construct flyovers, drainages, and to undertake other road development activities in Hyderabad. The government of Telangana, through government order manuscript series No. 121, has given an in-principle approval to GHMC to construct flyover/junction under Strategic Road Development Plan for INR26.31 billion.

Structured Payment Mechanism: The payment mechanism includes: i) escrow account, wherein property tax, airtel fees and user charges collected from circle accounts will be deposited into the account; ii) debt service account (DSA), wherein minimum balance amount from the escrow account will be transferred to the DSA, where from funds will be moved to debt service reserve account (DSRA), interest payment account (IPA) and sinking fund account (SFA); iii) DSRA, which should be funded one day prior to the pay-in date with an amount equal to two interest payments for the bond structure; iv) IPA, which shall be funded on a monthly basis as per the terms of the bond issuances; and v) SFA, which shall be funded on a monthly basis equivalent to the amount as per the terms of bond issuances, and any shortfall in the senior contributions. The debenture trustee shall have a lien on the IPA, DSRA and SFA for the exclusive benefit of the bondholders. The trustee shall keep the rating agency informed of any shortfall in the IPA, DSRA and SFA.

Escrow Account Balance: The funds received in the escrow account shall be first used to meet the minimum balance. This balance shall not be used for any purpose other than transfer to the DSA. In case of any shortfall, GHMC shall make good the shortfall by transferring funds from its other accounts. After meeting the monthly requirement of escrow/DSA only, the funds collected in the escrow account would be transferred to GHMC's municipal general fund account on a daily basis.

Flow of Funds from DSA: The funds, if any, will move into the DSRA from the DSA, as per the terms of bonds/loans to make good the shortfall. The funds will then be moved into the IPA on a monthly basis, and finally into the SFA, such sums as may be required by terms of bonds and/or to fund any shortfall in earlier contribution.

Management of Funds: Any surplus fund available in the escrow account, after meeting the aforesaid structured payment mechanism, can be transferred to GHMC's general fund account. The DSA, DSRA, IPA and SFA shall be maintained with a scheduled commercial bank, rated at least 'AA+' by two rating agencies, throughout the tenure of the instruments. At any point of time, if the rating of senior debt of the concerned bank falls below 'AA+', GHMC will move the fund to other bank satisfying the aforesaid conditions. The annual statement (not greater than 12 months) of these three accounts will be shared with the debenture trustee and ratings agencies during the tenor of the bonds. The funds credited and lying in the IPA, SFA and DSRA can be kept in fixed deposit with a scheduled commercial bank with a dual rating of 'AA+' or above. The fund lying in the SFA can also be invested in government securities, state development loans and treasury bills. Interest income earned on the investments made from the SFA, DSRA and IPA can be utilized towards fund allocation to the accounts.

IPA: An amount equal to 12 months of bonds/loans agreements, will be transferred to the IPA from the DSA, transaction date (T+20) days prior to debt

G.H.M.C., HYDERABAD
Ravi Mohan

Commissioner
Greater Hyderabad Municipal Corporation

service. In case of any shortfall, the trustee shall inform GHMC of the shortfall, and the latter shall cover the shortfall by T-15 days. If the corporation is unable to cover the shortfall by T-14 days, then the trustee will instruct the bank to transfer the deficit to the IPA by T-10 days. Any amount drawn from the DSRA should be deposited back into the account from the DSA or in case of surplus in the IPA, the surplus amount can be used to replenish the DSRA. However, the DSRA cannot be utilized to meet any shortfall in the SFA, except at the time of final redemption of bonds. Similarly, any surplus in the IPA will be first utilized to make good any shortfall in the DSRA, and thereafter to cover up the shortfall in the SFA.

SFA: The debenture trustee shall check the balance in the SFA at the end of each year. In case of any shortfall, the trustee shall inform GHMC to replenish the same. Further, the trustee shall check the balance in the SFA in T-25 days from the principal redemption date. In case of any shortfall, the trustee shall ask GHMC to cover up the shortfall and GHMC shall make good the shortfall in T-15 days.

Approval for Additional Borrowing: The ratings also draw comfort from the norms set under the structured payment mechanism for future borrowing by GHMC. Any further borrowing shall be allowed, provided the total amount collected in the escrow account is at least 1.25x of debt servicing requirement on an annual basis, or else GHMC shall be required to take a prior approval from the trustee.

Own Revenue Dependence: GHMC has shown strong own revenue generation to meet its funding requirements, both capital and revenue expenditures. GHMC's ratio of own revenue/total revenue remained above 70% during FY12-FY17 and averaged at 76%. Also, the share of grant in total income was below 17% in FY17 (FY16: 11%). Tax income averaged 46.19% and non-tax income averaged 30.16% during FY12-FY17. Property tax collection grew at a CAGR of 16.76% during FY12-FY17. As of September 2017, the corporation collected INR5.04 billion in the form of property tax and INR0.60 billion in Building Penetration Scheme and Layout Regularisation Scheme.

Sustained Revenue Surplus: GHMC maintained revenue surplus during FY12-FY17. During FY17, revenue surplus was INR5.68 billion (FY16: INR3.72) and operating margin was 23.05% (15.60%). Until FY17, GHMC relied on revenue surplus and grants to meet its capital expenditure. However, it plans to borrow funds for Strategic Road Development Plan and drainage project in FY18.

Efficient Civic Service Coverages: GHMC's water supply connection coverage, and sewerage and sanitation coverage remained comfortable at 80% and 85%, respectively, in FY17, against the service level benchmark of 100%. GHMC has projected the water supply connection coverage, and sewerage and sanitation coverage to improve to 85% and 90%, respectively, in FY18. GHMC achieved 100% coverage in terms of toilets; cost recovery in sewerage treatment was 114% in FY17.

Scope for Improvement in Civic Service Delivery: Despite comfortable water supply coverage, Hyderabad got water for merely one hour each day in FY17. This is targeted to improve to 1.5 hours in FY18. Also, water metering coverage at 26.4% in FY17, is much lower than the service level benchmark of 100%. The corporation's collection efficiency for sewerage and solid waste management services was 50% and 35%, respectively, in FY17, leaving ample scope for improvement.

RATING SENSITIVITIES

Positive: A positive rating action could result from a further improvement in service delivery without impacting the revenue and debt ratios.

Negative: A sustained deterioration in revenue surplus leading to higher dependence on grants or deterioration in the coverage ratios could lead to a negative rating action.

COMPANY PROFILE

GHMC is the civic body that oversees Hyderabad, the capital and largest city in the Indian state of Telangana. It is the local government for the cities of Hyderabad and Secunderabad. The corporation is divided into five zones (south, east, north, west and central zones), 17 circles and 150 wards.
