RISK FACTORS

Given below are the risks related to the transaction, proposed Offer and those associated with Acquirers along with PAC:

(A) Relating to Transaction:

1. This Offer is a Triggered/ Mandatory offer in terms of Regulation 3(2) of Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 ('SEBI (SAST) Regulations, 2011').
2. In terms of Regulation 23(1) of SEBI (SAST) Regulations, 2011, there may be an event which warrants withdrawal of the Offer. The Acquirers along with PAC make no assurance with respect to the market price of the shares both during the Offer Period and upon the completion of the Offer and disclaims any responsibility with respect to any decision by any Shareholder on whether to participate or not to participate in the Offer.
3. Since the Target Company is an Non-Banking Financial Company ('NBFC'), the prior approval of Reserve Bank of India ('RBI') was required in terms of RBI Circular No. DNBR (PD) CC. No. 065/03.10.001/2015-16 dated July 09, 2015 for the acquisition of more than 26% shares in the Target Company and the Acquirers have sought an approval from RBI for the change in control and management over the Target Company and for the acquisition of 82.25% shares in the Target Company. The said approval was received on June 20, 2022 and was valid upto 6 months from the date of approval. Pursuant to the Share Purchase Agreement entered on August 20, 2021, the Acquirers have acquired control and 56.25% shares of the Target Company. The Target Company then on July 25, 2022, made Preferential Issue of Equity Shares I to the Acquirers, pursuant to which the Acquirers' shareholding increased from 56.25% to 73.05% shares which had triggered the requirement to make this open offer under Regulation 3(2) of SEBI (SAST) Regulations, 2011, thus the Acquirers have made this open offer on July 25, 2022, to acquire additional 26% shares of the Target Company. The expected shareholding of the Acquirers post completion of the open offer and assuming full tendering in the open offer would have been increased to 99.05% shares of the Target Company and since, the Acquirers have already received the RBI approval for acquisition of upto 82.25% shares and has utilized only 56.25% of the same, thus Acquirers had in hand the balance acquisition limit of 26% shares that can be acquired within the period of six (6) months from the date of RBI approval. Since the acquisition of shares was not more than 26% beyond the pre-approved limit of RBI of 82.25% and there is no change in control and management, thus the Acquirers were of the opinion that no RBI approval is applicable in the said case. Further, SEBI in its Observation Letter directed to obtain a clarification from RBI that the current open offer/acquisition is not attracting the requirement to seek fresh approval from RBI. Basis which the Target Company and the Acquirers carried meetings with RBI with regard to seek clarification, to which RBI stated that as per the circular dated July 09, 2015, RBI do not have any power to issue any clarification/ confirmation / opinion / advisory on the applicability of the circular and has instructed the Target Company to file a formal application explaining the details of the

acquisition and thus, an application with RBI was filed on November 24, 2022. On February 13, 2023, RBI issued its no-objection for the approval of additional shares by the Acquirers.

4. To the best of the knowledge of the Acquirers and PAC, no statutory and other approval(s) are required to complete the acquisition of Preferential Issue of Equity Shares I, Preferential Issue of Equity Shares II, Preferential Issue of Warrants I and Preferential Issue of Warrants II and acquisition under this Open Offer other than as indicated in Para 7.4 (Statutory and other Approvals).
5. However, in case the Acquirers along with PAC would require any statutory approval(s) which may become applicable at a later date but before the closure of the Tendering Period, then this Offer shall be subject to such further statutory approvals being obtained. In terms of clause (a) of sub-regulation (1) of Regulation 23 of SEBI (SAST) Regulations, if the statutory approvals are not received or refused, the offer would stand withdrawn.

(B) Relating to the Offer:

1. This Offer is subject to the provisions of SEBI (SAST) Regulations, 2011, and in case of non-compliance by the Acquirers along with PAC with any of the provisions of the SEBI (SAST) Regulations, 2011, the Acquirers along with PAC shall not act upon the acquisition of equity shares under the Offer.
2. In the event that either (a) the regulatory approvals are not received in a timely manner; or (b) there is any court or regulatory order to stay the offer; or (c) SEBI instructs Acquirers along with PAC not to proceed with the Offer, then the Offer process may be delayed beyond the schedule of activities indicated in this Letter of Offer. Consequently, the payment of consideration to the shareholders of MSL, whose shares have been accepted in the Offer as well as the return of shares not accepted by the Acquirers along with PAC, may be delayed. In case of delay in receipt of any statutory approval, SEBI has the power to grant extension of time to the Acquirers along with PAC for payment of consideration to the shareholders of the Target Company who have accepted the Offer within such period, subject to the Acquirers along with PAC agreeing to pay interest for the delayed period if directed by SEBI in terms of Regulation 18(11) and Regulation 18(11A) of the SEBI (SAST) Regulations, 2011. SEBI has directed the Acquirers along with PAC to pay interest at the rate of ten percent per annum for the delay in completion of open offer process in terms of SEBI (SAST) Regulations, 2011. The Acquirers along with PAC have revised the Offer Price from INR 101 (Indian Rupees One Hundred and One only) to INR 107 (Indian Rupees One Hundred and Seven only) including the interest of INR 5.70 (Indian Rupees Five and Seven Zero Paise only) to the shareholders of the Target Company whose shares would be tendered and accepted under the Open Offer.
3. In the event of over-subscription to the Offer, the acceptance will be on a proportionate basis.
4. The Acquirers along with PAC make no assurance with respect to any decision by the shareholders on whether or not to participate in the offer. It is understood that the shareholders will be solely responsible for their decisions regarding their participation in this Offer.

5. The tendered physical shares and the documents would be held in trust by the Registrar to the Offer until the completion of Offer formalities and the shareholders who will tender their equity shares would not be able to trade such equity shares held in trust by the Registrar to the Offer during such period. The Acquirers along with PAC and the Manager to the Offer accept no responsibility for statements made otherwise than in the Letter of Offer (LOO)/ Draft Letter of Offer (DLOO)/ Detailed Public Statement (DPS)/ Public Announcement (PA) and anyone placing reliance on any other sources of information (not released by the Acquirers along with PAC) would be doing so at his / her / its own risk.
6. This LOO has not been filed, registered with or approved in any jurisdiction outside India. Recipients of the LOO who are resident in jurisdictions outside India should inform themselves of and comply with all applicable legal requirements. This Offer is not directed towards any person or entity in any jurisdiction or country where the same would be contrary to applicable laws or regulations or would subject the Acquirers along with PAC or the Manager to the Offer to any new or additional registration/approval requirements.
7. The Shareholders should note that, under the SEBI (SAST) Regulations, 2011, once the Shareholders have tendered their Equity Shares, they will not be able to withdraw their Equity Shares from the Offer during the Tendering Period even in the event of a delay in the acceptance of Equity Shares under the Offer and/or the payment of consideration.

(C) Relating to Acquirers along with PAC:

1. The Acquirers along with PAC make no assurance with respect to the financial performance of the Target Company and expressly disclaims any responsibility with respect to any decision by the Shareholders on whether or not to participate in the Offer.
2. The Acquirers along with PAC make no assurance with respect to their investment/ divestment decisions relating to their proposed shareholding in the Target Company.
3. The Acquirers along with PAC will not be responsible in any manner for any loss of equity share certificate(s) and Offer acceptance documents during transit. The shareholders of the Target Company are advised to adequately safeguard their interest in this regard.

The risk factors set forth above, pertains to the Offer and are not in relation to the present or future business or operations of the Target Company or any other related matters and are neither exhaustive nor intended to constitute a complete analysis of the risks involved in participation or otherwise by a shareholder in the Offer. Shareholders of MSL are advised to consult their stock brokers or investment consultants, if any, for analysing all the risks with respect to their participation in the Offer.

In the event such approvals are not submitted, the Acquirers reserve the sole right to reject the Equity Shares tendered by such shareholders in the Open Offer. This Open Offer is subject to receipt of the requisite RBI approvals, if any, for acquisition of Equity Shares by the Acquirers from NRIs and OCBs.

7.4.2 In case of acquisition of more than 26% shares in a NBFC, the prior approval of RBI is required in terms of RBI Circular No. DNBR (PD) CC. No. 065/03.10.001/2015-16 dated July 09, 2015 and since the Target Company is an Non-Banking Financial Company ('NBFC'), the prior approval of Reserve Bank of India ('RBI') was required in terms of RBI Circular No. DNBR (PD) CC. No. 065/03.10.001/2015-16 dated July 09, 2015 for the acquisition of more than 26% shares in the Target Company and the Acquirers have sought an approval from RBI for the change in control and management over the Target Company and for the acquisition of 82.25% shares in the Target Company. The said approval was received on June 20, 2022 and was valid upto 6 months from the date of approval. Pursuant to the Share Purchase Agreement entered on August 20, 2021, the Acquirers have acquired control and 56.25% shares of the Target Company. The Target Company then on July 25, 2022, made Preferential Issue of Equity Shares I to the Acquirers, pursuant to which the Acquirers' shareholding increased from 56.25% to 73.05% shares which had triggered the requirement to make this open offer under Regulation 3(2) of SEBI (SAST) Regulations, 2011, thus the Acquirers have made this open offer on July 25, 2022, to acquire additional 26% shares of the Target Company. The expected shareholding of the Acquirers post completion of the open offer and assuming full tendering in the open offer would have been increased to 99.05% shares of the Target Company and since, the Acquirers have already received the RBI approval for acquisition of upto 82.25% shares and has utilized only 56.25% of the same, thus Acquirers had in hand the balance acquisition limit of 26% shares that can be acquired within the period of six (6) months from the date of RBI approval. Since the acquisition of shares was not more than 26% beyond the pre-approved limit of RBI of 82.25% and there is no change in control and management, thus the Acquirers were of the opinion that no RBI approval is applicable in the said case. Further, SEBI in its Observation Letter directed to obtain a clarification from RBI that the current open offer/acquisition is not attracting the requirement to seek fresh approval from RBI. Basis which the Target Company and the Acquirers carried meetings with RBI with regard to seek clarification, to which RBI stated that as per the circular dated July 09, 2015, RBI do not have any power to issue any clarification/ confirmation / opinion / advisory on the applicability of the circular and has instructed the Target Company to file a formal application explaining the details of the

- acquisition and thus, an application with RBI was filed on November 24, 2022. On February 13, 2023, RBI issued its no-objection for the approval of additional shares by the Acquirers.
- 7.4.3 In case the acquisition of shares under preferential issue and Open Offer would not be completed within validity of RBI approval period i.e., 6 months from June 20, 2022, then an application for seeking extension would be filed with RBI by the Acquirers and the Target Company and the acquisition under preferential issue and Open Offer would be subject to the extension of RBI, however, since, as mentioned in para 7.4.2 an application was filed on November 24, 2022 to RBI. On February 13, 2023, RBI issued its no-objection for the approval of additional shares by the Acquirers.
- 7.4.4 To the best of the knowledge of the Acquirers and PAC, no statutory and other approval(s) are required to complete the acquisition of Preferential Issue of Equity Shares I, Preferential Issue of Equity Shares II, Preferential Issue of Warrants I and Preferential Issue of Warrants II In case the acquisition of shares under preferential issue and Open Offer would not be completed within validity of RBI approval period i.e., 6 months from June 20, 2022, then an application for seeking extension would be filed with RBI by the Acquirers and the Target Company and the acquisition under preferential issue and Open Offer would be subject to the extension of RBI, however, since, as mentioned in para 7.4.2 an application was filed on November 24, 2022 to RBI. On February 13, 2023, RBI issued its no-objection for the approval of additional shares by the Acquirers.
- 7.4.5 No approval from any bank or financial institutions is required for the purpose of this Offer.
- 7.4.6 In case of delay in receipt of any statutory approval(s), SEBI has the power to grant extension of time to the Acquirers for payment of consideration to the public shareholders of the Target Company who have accepted the Offer within such period, subject to the Acquirers agreeing to pay interest for the delayed period if directed by SEBI in terms of Regulation 18(11) of the SEBI (SAST) Regulations. Thus, SEBI in the instant case has directed Acquirers along with PAC to pay interest at the rate of ten percent per annum for the delay in receipt of RBI approval. The Acquirers along with PAC have agreed to pay the said interest to the shareholders of the Target Company whose shares would be tendered and accepted under the Open Offer.
- 7.4.7 In terms of the provisions of Regulation 18(11A) of SEBI (SAST) Regulations, if the Acquirers would not be able to make payment to shareholders on account of reasons other than delay in receipt of any statutory approval, the Acquirers shall pay interest for the period of delay to all such shareholders whose shares have been accepted in the open offer, at the rate of 10% per annum, however, if the situation warrants, waiver may be granted by SEBI for payment of interest on the Offer Price.

1. General

- a) The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. The Indian tax year runs from April 1 until March 31.
- b) A person who is an Indian tax resident is liable to income-tax in India on his/her worldwide income, subject to certain tax exemptions, which are provided under the Income Tax Act, 1961 (the "IT Act") as amended from time to time.
- c) A person who is treated as a non-resident for Indian income-tax purposes is generally subject to tax in India only on such person's India-sourced income (i.e., income which accrues or arises or is deemed to accrue or arise in India) as also income received by such person in India.
- d) Accordingly, since the Target Company is incorporated in India, the Target Company's shares should be deemed to be "situated" in India and any gains arising to a nonresident on transfer of such shares should be taxable in India under the IT Act.
- e) Further, the non-resident shareholder can avail beneficial treatment under the **Double Taxation Avoidance Agreement ("DTAA")** between India and the respective country of which the said shareholder is tax resident subject to satisfying relevant conditions including but not limited to (a) conditions (if any) present in the said DTAA read with the relevant provisions of the **Multilateral Instrument ("MLI")** as ratified by India with the respective country of which the said shareholder is a tax resident and (b) non applicability of General Anti-Avoidance Rule ("GAAR") and (c) providing and maintaining necessary information and documents as prescribed under the IT Act.
- f) The IT Act also provides for different income-tax regimes/rates applicable to the gains arising from the tendering of shares under the Offer, based on the period of holding, residential status, classification of the shareholder and nature of the income earned, etc.
- g) The Public Shareholders may be required to undertake compliances such as filing an annual income tax return, as may be applicable to different categories of persons, with the income-tax authorities, reporting their income for the relevant year.
- h) In addition to income tax, as the tendering of Equity Shares is being undertaken on the stock exchange, such transaction will be chargeable to Securities Transaction Tax ("STT"). STT is payable in India on the value of securities on every purchase or sale

of securities that are listed on the Indian stock exchange. Currently, the STT rate applicable on the purchase and sale of shares on the stock exchange is 0.1% of the value of security transacted

6. Tax Deducted at Source

Resident shareholders: As of the date of filing of this document, in the absence of any provisions under the IT Act casting an obligation on the buyer to deduct tax on income arising in the hands of the resident seller on transfer of any property (other than immovable property), the Acquirers are not required to withhold tax on the consideration payable to eligible shareholders pursuant to tendering of shares under the Open Offer. With effect from July 01 2021, Finance Act 2021 creates an obligation on the buyer of goods to withhold tax under Section 194Q at the rate of 0.1% when buying goods from an Indian resident. The withholding obligation only exists where the consideration for goods exceeds INR 50,00,000 and the buyer had a business turnover of more than INR 10,00,00,000 in the immediately preceding year. The term “goods” has not been defined and may cover shares.

As per Circular No. 13 of 2021 dated June 30, 2021 issued by the CBDT, the provisions of Section 194Q is not applicable where the transactions in securities and commodities are traded through recognized stock exchange. Therefore, the Acquirers are not required to withhold tax under Section 194Q on consideration payable to resident shareholders. The resident shareholders must file their tax return in India inter alia considering gains arising pursuant to this Open Offer. The resident shareholders also undertake to provide the Acquirer, on demand, the relevant details in respect of the taxability/ non-taxability of the proceeds pursuant to this Open Offer, copy of tax return filed in India, evidence of the tax paid etc.

Non-resident shareholders (FIIs): Section 196D of IT Act, provides for a specific exemption from withholding tax at source from any income, by way of Capital Gains arising to an FII from the transfer of securities referred to in Section 115AD of the IT

Act. Thus, no withholding of tax is required in case of consideration payable to FIIs/FPIs.

Non-resident FIIs shareholders (other than FIIs):

Section 195(1) of the IT Act provides that any person responsible for paying to a nonresident, any sum chargeable to tax under the provisions of the IT Act is required to deduct tax at source at applicable rates in force. However, the Acquirers will not be able to deduct income-tax at source on the consideration payable to such non-resident shareholders as there is no ability for the Acquirers to deduct taxes since the remittance/payment will be routed through the stock exchange, and there will be no direct payment by the Acquirers to the nonresident shareholders. Since the tendering of shares under the Open Offer is through the stock exchange, the responsibility to discharge tax due on the gains (if any) is on the non-resident shareholder given that practically it is not possible to withhold taxes and the Acquirers believes that the responsibility of withholding/ discharge of the taxes due on such gains (if any) on sale of Equity Shares is solely on the custodians/ authorized dealers/ non-resident shareholders – with no recourse to the Acquirer. It is therefore recommended that the non-resident shareholders consult their custodians/ authorized dealers/ tax advisors appropriately. In the event the Acquirers along with PAC are held liable for the tax liability of the shareholder, the same shall be to the account of the nonresident shareholder and to that extent the Acquirers along with PAC should be indemnified. The non-resident shareholders must file their tax return in India inter alia considering gains arising pursuant to this Open Offer. The non-resident shareholders also undertake to provide the Acquirers along with PAC, on demand, the relevant details in respect of the taxability/ non-taxability of the proceeds pursuant to this Open Offer, copy of tax return filed in India, evidence of the tax paid etc.

7. Remittance/Payment of Interest

- In case of interest, if any, paid by the Acquirers along with PAC to resident and non-resident shareholder for delay in receipt of statutory approvals as per Regulation 18(11) of the SEBI (SAST) Regulations or in accordance with Regulation 18(11A) of the SEBI (SAST) Regulations, the final decision to deduct tax or the quantum of taxes to be deducted rests solely with the Acquirers along with PAC depending on the settlement mechanism for such interest payments. In the event, to withhold tax, the same shall be basis the documents submitted along with the Form of acceptance or such additional documents as may be called for by the Acquirers along with PAC.
- It is recommended that the shareholders consult their custodians/ authorized dealers/ tax advisors appropriately with respect to the taxability of such interest amount (including on the categorization of the interest, whether as capital gains or as other income). In the event the Acquirers along with PAC are held liable for the

tax liability of the shareholder, the same shall be to the account of the shareholder and to that extent the Acquirers along with PAC should be indemnified. The shareholders must file their tax return in India inter alia considering the interest (in addition to the gains on the sale of shares), if any, arising pursuant to this Open Offer.

- The shareholders also undertake to provide the Acquirer, on demand, the relevant details in respect of the taxability/ non-taxability of the proceeds pursuant to this Open Offer, copy of tax return filed in India, evidence of the tax paid etc.

8. Rate of Surcharge and Cess In addition to the basic tax rate, applicable Surcharge, Health and Education Cess are currently leviable as under: 1

a) Surcharge–

In case of domestic companies:

- Surcharge @ 12% is leviable where the total income exceeds INR 10 crore and @ 7% where the total income exceeds INR 1 crore but less than INR 10 crores.

In case of companies other than domestic companies:

- Surcharge at the rate of 25% is leviable where the total income exceeds INR 2 crore but does not exceed INR 5 crore.
- Surcharge at the rate of 37% is leviable where the total income exceeds INR 5 crore.
