

## **LEIPS-XII**

*( Effective from July 16, 2013)*

Pursuant to SEBI Circular CIR/DNPD/5/2011 dated June 2, 2011 (BSE Notice no-20110602-18, dated June 02, 2011), permitting stock exchanges to introduce Liquidity Enhancement Schemes (LES) for illiquid securities in their equity derivatives segment, the Exchange has launched a series of **Liquidity Enhancement Incentive Programmes (LEIPS)** with the goal of creating lasting, self-sustaining liquidity in BSE's Derivative Segment.

**With effect from July 16, 2013, the Exchange is launching a new programme—LEIPS XII. The programme focuses on Single Stock Futures contracts on the 30 underlying scrips.**

The programme incentivizes both Market Makers (MMs) and General Market Participants (GMPs) by payment of cash for their participation as per prescribed terms and conditions.

Active trading members of Derivative Segment of the Exchange who have already signed up in LEIPS-VIII, LEIPS IX, LEIPS X and LEIPS-XI programme as GMPs shall be treated as GMPs in LEIPS-XII programme as well. Trading members who wish to opt out of the LEIPS-XII programme as GMPs shall be required to intimate the Exchange of the same.

Registered Market Makers of LEIPS-VIII, LEIPS IX, LEIPS X and LEIPS-XI programme shall have to register themselves as a Market Maker in LEIPS- XII programme & expressly indicate their interest to do Market Making in the underlying securities eligible under LEIPS-XII programme.

Other active trading members of Derivative Segment of the Exchange can register themselves as a Market Maker (MM) or a General Market Participant (GMP) for this programme as well.

Under the programme, the MMs have a continuous quoting obligation with specified size and spread in Single Stock Futures contracts on aforesaid underlyings. The programme offers 4 types of incentives to market participants –

1. Trading volume based daily cash incentives to MMs and GMPs
2. Quote based incentives for MMs
3. Open Interest (OI) based cash incentives paid on daily basis for average daily OI to MMs and GMPs
4. Lower transaction fees for all active trading members.

The Exchange monitors performance of the programme including presence of MMs and their compliance with the quote obligations through a mix of online and offline monitoring tools. The Exchange also publishes information on the programme from time to time as applicable vide SEBI Circular CIR/DNPD/5/2011 dated June 2, 2011.

LEIPS-XII programme shall remain in force till January 15, 2014 i.e. 6 months.

In accordance with the aforesaid SEBI circular the Exchange may amend / discontinue the programme at any time with an advance notice of 15 days. Also, the programme shall be discontinued as soon as the average trading volume on the Exchange, during the last 60 trading days, reaches 1% of market capitalization of the underlying, or six months from introduction of the scheme, whichever is earlier.

The Exchange has been regularly amending the terms and conditions of its LEIPS Programmes based on the overall progress of the programme, market feed back and policy changes.
