## **2 NECESSITY AND OBJECTIVE OF THE DELISTING OFFER**

2.1 In terms of Regulation 8(3)(a) of the Delisting Regulations, the rationale/ reasons for the Delisting Proposal are as follows:

- a. the proposed delisting would enable the members of the Promoter Group to obtain full ownership of the Company, which in turn will provide enhanced operational flexibility. As the Company will no longer remain listed in India, there will be reduction in dedicated management time to comply with the requirements associated with continued listing of equity shares, which can be refocused on its business;
- b. the delisting proposal will enhance the Company’s operational, financial and strategic flexibility including but not limited to corporate restructurings, acquisitions, exploring new financing structures, including financial support from the Promoter Group.
- c. the proposed delisting will result in reduction of the ongoing substantial compliance costs which includes the costs associated with listing of equity shares such as annual listing fee and fees payable to share transfer agents, expenses towards shareholders’ servicing and such other expenses required to be incurred as per the applicable securities law;
- d. The shares of the Company are infrequently traded on the stock exchange. The delisting proposal is in the interest of the Public Shareholders as it will provide them an opportunity to exit from the Company at a price determined in accordance with the Delisting Regulations, providing immediate liquidity given the heightened market volatility and uncertainty associated with infrequently traded shares.
